Number 47.

New City Officials To Take Oaths Monday

Kennedy, Haney and Holder New Board Members

Jesse A. Kennedy was elected mayor and Tom Haney and D. E. Holder were chosen city councilmen here Tuesday at the annual city elections in which interest developed almost at the last minute resulted in an unusually heavy poll.

Defeated candidates for the offices were W. R. Moore, head of the Moore Chevrolet company, for mayor, and H. A. Pendleton, vice president of the First National bank, and Leland Hannah of the Elland Drug store, for aldermen.

Vote totals were:
For mayor—Kennedy, 130; and Moore, 96.

For councilmen—Haney, 147; Holder, 131; Pendleton, 89; and Hannah, 72.

The poll represented an estimated 60 to 70 per cent of the city's qualified vote.

The new officials probably will qualify and take their oaths of office at the regular meeting of the council Monday night.

As mayor, Mr. Kennedy will succeed to the office held for the last four years by Charles L. Mayes, who was not a candidate for reelection. Mr. Haney and Mr. Holder succeed to the places of G. W. Tate and Fred L. Warren, neither of whom was a candidate. Mr. Warren resigned from the council several weeks ago because of his anticipated removal to Seymour and the vacancy had not since been filled.

Mr. Kennedy has been publisher of the Munday Times for more than 10 years. Mr. Haney is associated in the ownership of the Haney Grocery store. Mr. Holder has been engaged in the filling station and garage business here for several years.

Defeated candidates for various of the places lost no time in extending congratulations on their successful opponents and in pledging to them their cooperation.

A brief statement issued by Mr. Kennedy following the election said:

"I would indeed be ungrateful if I did not appreciate the honor that has been conferred upon me by the citizens of Munday. It will be my constant aim to render a service to the citizens that will leave no one cause for regret because of having entrusted me with the responsibilities of the office.

"I sincerely covet the cooperation of the entire citizenship in making the administration a success, with the view that our city may continue to grow and to enjoy the fullest measure of prosperity, and that our citizens may enjoy the fullest measure of contentment and happiness."

The city election followed close upon one of the previous Saturdays at which Mrs. R. H. Neff and H. F. Barnes were elected to membership of the board of trustees of the Munday independent school district. C. M. Thompson also was a candidate for a place on the board.

Only 71 one votes were cast in the election, one of the lightest on record.

Mrs. Neff, who was a candidate for reelection, led the field. Mr. Barnes succeeds to the place held by Austin Caughran, who was not a candidate.

ELTON BOWLEY ILL.
Slight improvement was reported Thursday in the condition of Elton Bowley, employee at Spana's Tailor shop, who has been critically ill with pneumonia for several days. Mr. Bowley became ill about 10 days ago, an attack of influenza developing into pneumonia. He is at his apartment in the Wilson building.

COFFEE SHOP LEASED.
Mr. and Mrs. Crawford West, who have been in the cafe business in Sweetwater, have leased the Terry hotel coffee shop and will operate it in the future. It was announced Thursday.

Mr. Crawford's location in Munday also promises to materially strengthen the baseball team here. He is a pitcher and has played with a number of fast teams.

Mrs. W. H. Chapman is recovering at her home here after an illness of several days.

Local Delegation To Attend Woman's Missionary Meet

The 24th annual session of district No. 17 of the Woman's Missionary union of the Baptist Women of Texas will be held in Breckenridge on April 7 and 8, according to word received here.

Several delegates from Munday plan to attend, it was announced.

The session will be called to order Thursday morning at 10 o'clock by Mrs. C. M. Caldwell, the president. The Thursday night program will be rendered by young people of the district. The newly elected state president, Mrs. B. A. Copas, will be present.

Women of the Breckenridge Baptist churches are arranging for accommodations for delegates in homes there, it was stated. Those planning to attend have been requested to communicate with Mrs. E. A. Vautrain, 321 West Walker street, Breckenridge.

New Dates Set For Tri-County Golf Tourney

A revision of dates of the Tri-County Golf association tournament to which Munday club is to host, so as to avoid the playing of final matches on Sunday was announced here this week by Dr. E. M. Ammons, club secretary.

The newly selected dates are: qualifying play, Saturday, Sunday and Monday, June 4, 5 and 6; match play, Tuesday, Wednesday and Thursday, June 7, 8 and 9; and finals, Friday, June 10. The championship final will be 36 holes. All other matches and qualifying rounds will be 18 holes.

The tournament originally was set for June 8 to 12, inclusive, which would have necessitated the playing of final rounds on Sunday. Club rules forbid playing on the course between 10 a. m. and noon on that day.

Dates also were announced this week for the first tournament of the season for local club members. Qualifying play has been set for May 6, 7 and 8; match play for May 9 and 10; and the finals for 11. All match and qualifying play will be 18 holes.

Present Called Opportune Time To Store Eggs

The suggestion that the time is now opportune for Mundayites to assure themselves a fall and winter supply of eggs by preserving them while prices are low was made this week by R. D. Rawls, instructor of vocational agriculture at the high school.

Mr. Rawls recommends that the water-glass method of preservation be used which, he said, he has found by actual experience to be efficient. The eggs, he related, are not the equal of fresh ones though the difference is slight and is confined wholly to taste. The wholesomeness and nutritive values are not affected, he said, and the taste is not apparent when they are used in cooking.

The method recommended by Mr. Rawls follows:
Boil nine quarts of water, making certain that it boils; pour into large earthen crock or jar, a container of about 8-gallon size being needed; add three fourths of a quart of water-glass, which can be obtained from drug stores, and stir in water until thoroughly mixed; then put in eggs. The solution will be sufficient to preserve about 15 dozen.

When preparing to use the eggs the shell should be punctured before breaking, Rawls advised.

SUNSET NAMES TRUSTEES

Mat Verhalon, Herman Jungman and Louis Floyd were elected members of the board of trustees of the Sunset common school district Saturday, according to official tabulations of returns.

Emil Jungman and George Floyd, who were members of the board, and Carl Kistinger, were the defeated candidates.

Munday Firemen Make Plans For District Clash

Selection of a team captain as a preliminary to beginning practice for the athletic events to be held at the district convention of the Volunteer Firemen's association at Olney May 4 is to be considered at the regular meeting of the local organization Monday night, according to information given by Grady Thornton, chief.

The Munday department will defend its possession of the silver trophy won in the team races at the district meeting last year and expects to again enter a strong team in the contest.

Hopes also are held that a delegation from the local department will be able to attend the state convention to be held at Austin July 15 to 17 and to enter the competitions for a share in the \$500 prize money which has been posted in the contests there. The record of the Munday representatives in the district contests last year convinced many they could have more than held their own at the state convention.

The feature event at the district convention again will be the team races, in which teams of five men each will compete in the laying of 100 feet of hose. Additional to winning that, the Munday team also captured first place last year in the water fight event, in which contending teams attempt to drive an inflated ball between the opponents' goal lines.

Showers Needed In Munday Area By Grain Crops

A shower is beginning to be needed by growing crops, particularly grains, according to opinions expressed by farmers of the Munday country. Especially is that true of oats, stated Tom Cowser, who resides on route No. 2.

Rainfall would be especially beneficial if it was added, because it would help to further conserve in the soil the splendid seasoning already stored as the result of rainfall during the fall and winter.

The general supposition that the fruit crop was killed by the recent severe blizzard has been borne out by subsequent examinations of orchards, farmers are agreed. The peach crop has been wiped out almost completely while very few plums, for which there were some hopes, seem to have survived the cold.

Progress Made In Conditioning of Golf Course

The golf course of the Munday Golf club has taken on a midseason atmosphere as preparations for the spring, summer and fall have gone forward.

A glass enclosed case containing membership cards of those who have kept their dues up to date was placed at the clubhouse during the weekend by Dr. E. M. Ammons, club secretary. The list of names will be revised monthly so as to remove those of members who have permitted their dues to become delinquent. Those individuals then will be charged a green fee when they desire to use the links.

Another innovation installed by Dr. Ammons is a competitive "ladder" on which are tabulated the scores made by members during each week of play. The ladder consists of 24 rungs, the individual players being entitled to a rung above all others making a score less than his during the week.

Considerable work has been done on the greens and all the fairways except two were mowed during the week end. Score cards have been printed and may be obtained at the clubhouse or from the Tiner Drug store.

With most of the preliminary work now out of the way, it is expected that a number of interesting events will be arranged for the near future. Club tournaments and inter-city contests are planned.

Harry Pace of Stamford and E. V. Johnson of Brownwood were business visitors here Tuesday.

State Per Capita of \$16 Expected For Schools Here

The suggestion that the 1932-33 budget of the Munday city schools be based on an anticipated state per capita apportionment of \$16, as compared with \$17.50 for the 1931-32 session, was contained in a letter received last week from S. M. N. Marrs, state superintendent of public instruction, by G. C. Jones, superintendent-elect here.

Mr. Jones disclosed the information on the occasion of a visit here Friday from Abilene, where he is making his home until his removal to Munday.

The letter from Mr. Marrs said further that the present minimum salaries required by the state department of education for grade and high school teachers likely will be reduced for the 1932-33 terms.

In regard to the per capita apportionment, Mr. Marrs letter asserted that if more than \$16 is received, it will come as "a pleasant surprise."

School officials here said that it is likely that salaries paid teachers here next year will be the minimum prescribed by the state department. Salaries this year are somewhat above the minimums.

The present minimums set by the state department are \$109 per month for high school teachers and \$89 per month for grade teachers. No indication has been given, it was said, as to how much those minimums will be lowered, if any at all.

The present virtual certainty it was declared that the financial condition of the schools will forbid the payment of more than the minimum, whatever that may be. It is likely, however, that if more revenue than is expected should be received from the state, the sums thus derived will be paid to the teachers in the form of a bonus at the end of the year. It also is probable that the plan of paying teachers salaries half in cash and half in script, as has been done this year, will be necessary next year. The board of trustees expressed the hope that another plan of financing salaries may be possible, but the likelihood of that was described as remote.

Mr. Jones personal plans for the summer are uncertain. It was his original intention to go to Los Angeles to resume special study in the University of Southern California, and to return to Munday about the middle of August. If it should be deemed advisable, however, he will make the change to Munday well in advance of that time.

While here Friday, Mr. Jones took occasion to inspect the school buildings, with the result that his already favorable impressions in regard to the local system were intensified. Schools were not in session because of the interscholastic league meet in progress at Benjamin.

"It may seem strange, but it is none the less a fact that a pretty accurate idea of the discipline maintained in a school may be obtained from observation of the condition of classrooms as left by the pupils when they are dismissed," Mr. Jones said. "With that as a gauging standard, the impressions gained from the classrooms of the Munday school system were most flattering to pupils and teachers.

Erasers were left in their proper place. Blackboards were clean. The floors were clear of scraps of paper. Everything was in readiness for the morrow's work.

"Those things may seem of little importance. But to the practical eye they disclosed that there was a plan, method and accomplishment in the work of the Munday schools."

Brief Items Of Local News

FREAK EGG EXHIBITED

A freak hen egg having somewhat the appearance of a half smoked cigar to which a bit of ash still clings was left at the Times office for exhibition Wednesday by J. A. Smith, who resides west of town.

The egg is about two inches in length—about as long as one of usual dimensions. In diameter it measures less than three quarters of an inch, no larger than an ordinary cigar. It was laid by a heavy breed chicken.

BOOST POSTAGE RATES

Notification that postage rates from the United States to Mexico, a number of the West India island republics and to Central and South American countries went into effect on April 1 has been received by J. B. Rensen, postmaster.

Rates for letters (first class mail) have been increased from two to three cents for the first ounce, from one cent to two cents on single postal cards and from two to four cents on double postal cards.

On first class mail to most European countries were increased several months ago to five cents for the first ounce and five cents for each ounce additional.

KINGSLEY DAVIS HONORED

Kingsley Davis, son of Dr. Joe Davis here, has been awarded a fellowship from the University of Texas in Harvard University, where he will continue his work toward the doctor of philosophy degree during the 1932-33 semester, according to word received here Thursday. The honor is one much sought, and such fellowship may be awarded only to those who have demonstrated superior ability in scholastic endeavor.

ATTENDS FUNERAL

Rev. J. H. Crowe, pastor of the Methodist church here, attended funeral services in Dallas Friday for Dr. George M. Gibson, retired pastor there and president of the Dallas Pastors' association. Dr. Gibson was one of the outstanding figures of his denomination for many years and numbered Dr. Crowe among his intimate friends.

ALF CAMPBELL TO HOSPITAL

Alf Campbell of Fort Worth, who has been seriously ill for several weeks, was taken to Wichita Falls Monday where he is a patient at the Clinic hospital there. Mr. Campbell is the son of Mrs. J. N. Campbell, here about a month ago, but he was decided to move him to the hospital when his condition failed to show satisfactory improvement. He is a brother of Mrs. J. C. Borden and of Rid Campbell.

SMALL SCHOLASTIC DROP

The scholastic population of the Munday independent school district has shown a drop of only 11 since last year, according to preliminary tabulations completed Thursday by H. H. Riley, school superintendent and census enumerator. This year's total is 592 as compared with 603 last year. The final checkup likely will not show a variation of more than two or three from the preliminary total, it was said.

Munday Entries Win Literary Cup at Meet

Spring Football Practice Begins At Munday High

Twenty-eight prospective candidates for next fall's Munday High school football squad responded Monday to the call of Coach L. M. Palmer to spring practice and a three week's program of conditioning has been arranged.

The spring practice, it was announced, includes two games, to be played on Friday, April 22, and Friday, April 29, between the two squads into which the candidates have been divided. Jerry Kethley was appointed captain of the "purple" squad and Jack Williams of the "gray" squad.

Over-strenuous training will be avoided, the coach said, and the program will include much blackboard work and extensive study of new rules. Admission to the practice games will be free.

Prospects for next year's team are described as being the brightest in the history of the school. Present indications are that not more than two or three veterans from last year's squad will be included during the 1932 season on the development of a young team. Last year was the first in which a Munday High school team participated in interscholastic league competition and its followers were more than satisfied with the aggregation's showing.

Pastors Prepare at Meeting Here For Conference

Preliminary plans for the district conference of the Methodist church to be held at Knox City May 2 and 4 were made at the monthly meeting of the District Methodist Pastors' association, held at the church here Monday.

One of the greatest problems now facing the denomination in this section was described as being that of the rural church, and the subject is one which will occupy a considerable part of the time at the district conference, it was decided. About 30 pastors attended the meeting here.

Probably every Methodist church in the Stamford district will be represented at Knox City, and a considerable delegation will go from Munday, it was announced.

Delegates who have been named to represent the Munday church are: O. H. Spann, Mrs. J. C. Campbell, J. C. Spann and W. A. Baker. Ex-officio delegates from here will be D. C. Fritz, R. D. Atkinson, M. F. Billingsley and J. A. Caughran. Numerous others from here also will attend.

Grady Thornton Purchases Dairy Farm Tract Here

Announcement of the purchase of the 58-acre tract he has operated under lease as a dairy farm for the last three years, and of plans for extensive improvement designed to provide Munday with one of the most modern dairies between Wichita Falls and Abilene were announced this week by Grady Thornton.

The tract, situated in the southeast section of the city, belonged to the J. N. Campbell estate, from which Mr. Thornton has been leasing it.

Mr. Thornton announced that he plans to begin immediately the building up of his herd to the end of eventually having all-registered Jersey stock. He now is milking Jerseys and Holsteins, all carefully selected but unregistered.

Extensive improvement in the equipment of the dairy also is planned, Mr. Thornton announced. Within the near future he plans the replacement of much of his present machinery with electrically operated apparatus. He also plans this summer to market a milk chocolate beverage as a standard product of his dairy.

Flames Destroy House Occupied By Starr Family

Fire which supposedly originated in a kitchen flue and spread so rapidly that clothing could not be saved for children who were in bed completely destroyed the home occupied by the family of S. S. Starr about midnight Sunday.

A number of friends of the family had spent the evening at the home and Mr. and Mrs. Starr had not retired when the fire was discovered. The whole interior of the dwelling was ablaze almost immediately, Mr. Starr reported.

After the children had been carried to safety clad only in their night clothing, Mr. Starr broke a window and saved a few articles within reach from the outside. All else was lost.

The dwelling belonged to Mrs. Phoebe Beasire.

Mayor Proclaims April 11-16 Here As Clean-Up Week

The week of April 11 to 16 inclusive was designated by Mayor Charles L. Mayes as spring clean-up week in Munday in a proclamation issued here Thursday.

Grady Thornton, fire chief, and Frank Trammell, marshal, were designated by the mayor as a committee of two to work with other city officials and with citizens generally in urging observance of the period as a time for cleaning up.

Campaigns similar to that planned here will be carried on in practically every city and town in the state in the effort to clear themselves of unsightly objects as a means of community betterment and of eliminating health and fire hazards.

In his proclamation, Mayor Mayes says:

"There are many reasons why Spring Clean-Up Campaign this year should receive the enthusiastic support of every man, woman and child. First, because a city that is clean and beautiful creates cheer and banishes gloom. Cheer produces courage and confidence, and no doubt, most of us are badly in need of both of these attributes at this particular time. Second, because every dollar in property destroyed by fire, which so frequently is the result of 'careless' housekeeping in the home and in the average place of business is an economic condition. Third, because every job created in connection with Clean-Up Campaign not only develops better fire protection, but supplies better sanitation and public health. It creates an atmosphere of encouragement."

"NOW, THEREFORE, I, C. L. Mayes, Mayor of the City of Munday, do hereby designate the week of April 11-16, inclusive, as Spring Clean-Up Week and most respectfully call upon all departments of the city, the Chamber of Commerce, Civic Clubs, Patriotic Clubs and our people in general, to take an active part in this Clean-Up Campaign."

Houser Opens Biggest Little Grocery Store

Announcement of the formal opening Saturday of "the biggest little grocery store in Munday" at his filling station, was made Thursday by U. R. Houser.

Although the formal opening is to be deferred until Saturday, the stock and equipment has been installed and Mr. Houser related Thursday that for the first time in his life he was on "the selling end of a grocery deal instead of the buying." Clayton Wren, the first patron, traded eggs for a bill of groceries.

One feature of the business will be that any merchandise in the establishment, whether groceries or gasoline, kerosene or lubes, can be secured in exchange for eggs, Mr. Houser said.

E. M. Stone, who is forestry demonstrator in Cass county, says that his timber values on a 100-acre woodland in process of improvement for five years have increased an average of 10 per cent a year.

Knox City Wins All-Round Title At County Meet

Knox City dethroned Munday Interscholastic league champion Knox county by smashing victories in athletic events in the annual county meet which was brought to a close with the events decided by Benjamin Friday and Saturday.

The Munday delegation returned from the Benjamin contest consoled by its possession of the silver loving cup put up by the county league executive committee for the school scoring the most points in the league literary events. Knox City won the trophy last year.

Point totals for the all round county championship were announced by H. H. Riley, chairman of the county executive committee as follows:

Knox City 265; Munday 217; Benjamin 165; Goree 90; Sunse 57 1-2; Truscott 50; Vera 25; an Rhineland 15.

In the literary events, Munday nosed out Knox City, 165 points to 162 1-2, with no other competitor close up in the running.

In the senior track meet, Knox City counted 55 points to 38 for Munday, with Goree and Truscott tied for third with 25 points each.

The spectacular individual performances of little Chalmer Hober gave Munday a victory in the junior high school track meet. Turning in what was easily the outstanding feature of the entire meet, Hober won four first place and one third place in the five events in which he was entered.

Robbins of Goree and Edward of Knox City were outstanding in the senior track meet, each challenging up three first places and second place. Everett Thompson was high point man for Munday in that meet with 8 points.

E. Thompson placed first in the 40-yard dash, third in the javelin and fourth in the low hurdle. Other first place winners for the local tracksters were H. Thompson in the javelin and Lee Alfred Parks in the high hurdles.

However it was in the declamations that Munday did its heaviest point scoring, taking first place in four of the six events and second in another. The Munday first place declamation winners were: E. Thompson, Jerry Kethley, Junior boys, J. O. McMahon; junior girls, Sylvia Barnes; and senior girls event, James Wyche. In the declamation winners were: H. Thompson in the javelin and Lee Alfred Parks in the high hurdles.

One of the notable performances among the contestants from Munday was that of Eleanor Jungme in the extemporaneous speaking event. With less than a week notice that she was to represent the school and in which to make her entire preparations, she placed second in the county meet. B. Dingus of Munday placed second in the boys' extemporaneous speaking event.

Lee Alfred Parks and Lowry Rigby, boy's debating team from Munday, were disqualified when a tire puncture so delayed their arrival in Benjamin that the event was forfeited to Knox City.

Rhineland Beats Bomarton 16-5 In Baseball Opener

The Rhineland baseball team pried the lid from the 1932 season on their home diamond Sunday afternoon by taking the measure of the Bomarton nine by a score of 16 to 5.

The same teams are to meet in another game at Bomarton on Sunday afternoon by way of practice for the opening on April 11 of the Brazos Valley league season.

Sunday's victory by the Rhineland team was featured by heavy hitting of Cheney Rejburn, who got two home runs a double, and by the steady piling of Moore. L. Kuehler also hit for the circuit for Rhineland.

The Rhineland outfit fielded a midseason form and piled up an early lead which was never threatened by the visitors.

A sizeable representation of fans from Munday was among the few crowd which saw the game.

12 1/2c FOR YOUR EGGS 12 1/2c SATURDAY ONLY!

On Saturday, April 9th we will again accept eggs on subscriptions—old or new—at 12 1/2c per dozen, or 12 dozen for a full years subscription. Bring in as many as you choose and credit will be given on them on this basis.

This offer is again presented at the request of a number who failed to get in on our previous offer, so bring on your eggs.

Traphene Wren Hostess At Birthday Party

Traphene Wren entertained a few of her friends at a birthday party at her home Friday on the occasion of her tenth birthday anniversary.

Games and contests provided diversion during the afternoon, after which refreshments were served.

Those present were Chlorene Moore, Liza Frances Moore, Elma Lee Brewer, Ola Marie Orel, Darleen Moore Billie Orel, Winters Groves, J. A. Brewer, Erwin Wren, Ladine Groves, Druella Wren and the hostess.

Mrs. Pendleton Hostess To Missionary Society

Mrs. Lee Haymes, Mrs. J. H. Crowe and Mrs. D. E. Holder were elected delegates to the annual conference to be held in Ahlens April 13 to 15 at the monthly social meeting of the Womens Missionary society of the Methodist church, to which Mrs. H. A. Pendleton was hostess at her home this week.

Mrs. Holder and Mrs. H. H. Langford were assisting hostesses. Mrs. Haymes read the Scripture lesson.

Refreshments were served to Meses. S. A. Bowlen, O. H. Spann, Austin Caughran, George Salem, R. D. Atkeison, Seid Wahed, W. H. Atkeison, J. H. Crowe, W. P. Farrington, E. C. Wyche, J. D. Kethley, H. T. Maples, J. A. Laney, P. V. Williams, J. C. Borden, Lee Haymes and Cecil Burton.

J. U. G. Club Girls Here Reorganize

With reorganization completed at a meeting at the home of Miss Vivian Rogers of the Just Us Girls club on Tuesday afternoon of last week, Miss Louise Aycock was hostess Wednesday afternoon of this week to the first of the weekly social gatherings of the group.

Once each month the members of the club will entertain their men acquaintances, it was decided. Bridge usually will be the diversion at the social gatherings.

The membership includes Meses Hazel Dean Eiland, Lela Brock, Jeannette Campbell, Frances McCord, Madeleine Craig, Rogers and Aycock and Mrs. Carl Jungman.

RHINELAND

Miss Vernice Schumacher and Leonard Kuehler, who entered the senior spelling contest at the Inter-scholastic League meet at Benjamins last Saturday, received first place. The junior team lost first place because of the failure of one of the contestants to hand in a note.

No. 2 hard wheat, 50 cents a bushel, Chicago, for No. 2 yellow corn, and 8 1-2 cents a pound, New Orleans, for middling cotton.

"On notes maturing in 1932, given hereafter in payment for the machines listed and representing not more than 40 per cent of the purchase price, there will be endorsed the equivalent number of bushels of wheat or corn or pounds of cotton computed at the prices named. If the average market quotation for the 5-day period prior to and including the maturity date of the note is less than the price named, the purchaser will be credited with an amount representing the price differential multiplied by the number of bushels or pounds endorsed on the note.

"For example, if the note due in 1932 amounts to \$420, it will require 600 bushels of wheat at 70 cents, Chicago, to meet the obligation. Should the price of wheat at maturity be less than 70 cents, say 60 cents per bushel, Chicago,

of the United States, required to be complied with before an association shall be authorized to commence the business of Banking;

NOW THEREFORE, I, J. W. Pole, Comptroller of the Currency, do hereby certify that "FIRST NATIONAL BANK IN MUNDAY" in the town of Munday in the County of Knox and State of Texas is authorized to commence the business of Banking as provided in Section Fifty one hundred and sixty nine of the Revised Statutes of the United States.

IN TESTIMONY WHEREOF witness my hand and Seal of office this Sixteenth day of January, 1932.

LIQUIDATION NOTICE

The First National Bank of Munday, located at Munday, in the State of Texas, is closing its affairs. All note-holders and other creditors are hereby notified to present the notes and other claims against the association for payment.

Dated March 21, 1932.

C. A. Eiland, President.

Harvester Firm Makes Offer To Crop Producers

Chicago, April 7.—Higher prices for wheat, corn and cotton are guaranteed by the International Harvester company in an offer to this year's purchasers of certain important crop producing and harvesting machines. The higher prices guaranteed are 70 cents a bushel, Chicago, for wheat, 50 cents a bushel, Chicago, for corn, and 8 1-2 cents a pound, New Orleans, for cotton.

George A. Ranney, vice president in charge of sales said "we are convinced that the reluctance of farmers to buy implements needed for the economical production and harvesting of their wheat, corn and cotton crops is due to the present unsatisfactory price of these commodities, and we believe that if they were assured of higher prices for their products they would not hesitate to purchase the machines that they need."

"In order to meet this situation, and to evidence our faith that prices of farm products must soon improve, we are now offering growers of wheat, corn and cotton assurance of higher prices with which to pay notes given hereafter and maturing this year for purchases of certain machines most vitally needed in making and gathering these crops.

"The list of machines to which this offer applies includes tractors, harvester-threshers or combines, windrow harvesters and stationary threshers. The higher prices which these new terms guarantee are 70 cents a bushel, Chicago, for

FEDERAL LAND BANK LOANS

5 1/2 -- Per Cent -- 5 1/2

A long term loan with the option to pay at any interest rate, provided the payment to be made is out of one's own funds. And contrary to the general belief, THIS LOAN DOES NOT CARRY ANY LIABILITY ON YOUR FARM, OTHER THAN YOUR OWN LOAN.

This loan offers a saving of \$10.00 on the \$1,000.00 over any loan offered by any Loan Company in Texas.

CHEVROLET

\$1.00

SPECIAL FOR WEEK OF APRIL 11th ONLY

REGULARLY \$1.50

for the best MOTOR TUNE-UP

a Chevrolet owner can buy!

This price of \$1.00 is absolutely the lowest at which you can get your Chevrolet motor tuned properly! And you have the satisfaction of knowing that experts will do the work—Chevrolet-trained mechanics, observing Chevrolet methods, using Chevrolet-designed tools and equipment and meeting Chevrolet's high standards. Come in, and restore the old youth and pep and vigor to your Chevrolet engine. You save money in the long run by getting Chevrolet experts to do it! And you save money right away—at this new bargain price.

MOORE CHEVROLET
MUNDAY, TEXAS

Foot Troubles END THEM FOREVER!

A Technician of the Chicago staff of Dr. WM. M. SCHOLL will be here

Saturday, April 9th

to assist our Foot Comfort Expert in this

Special Demonstration FREE to You!

- (1) Podograph prints of your stockings feet, which reveal their exact condition.
- (2) Complete Test and Analysis of your feet.
- (3) A Demonstration on your own feet of how the Dr. Scholl Appliance or Remedy needed for your foot trouble gives you relief.
- (4) Sample of Dr. Scholl's Zinc-pads for Corns, Sore Toes or Tender Spots.

Foot Comfort brings you renewed health, youth, happiness. Foot pains affect your general health, bring lines of strain and age to your face; restrict your activities.

WHICH DO YOU CHOOSE?

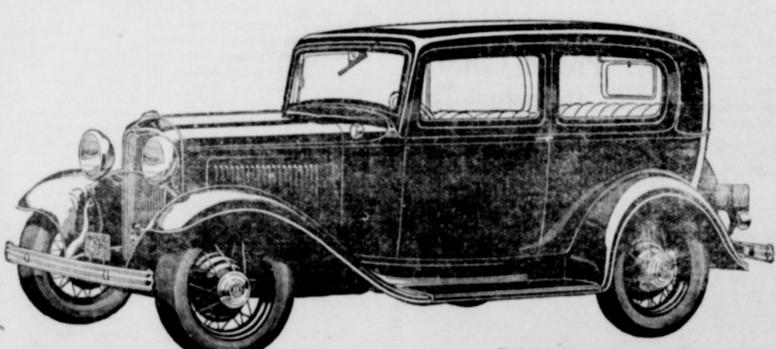

Be sure to attend this Special Demonstration and learn how easily complete relief may be yours when scientific methods are followed in determining the condition of the feet, and the needed Dr. Scholl Appliance or Remedy is used.

This is the most important Event of its kind we have ever held. You owe it to yourself to take advantage of it. Remember the date!

Hectic Days-Sleepless Nights

TOO MUCH work, too much mental strain, too much worry . . . then "NERVES". How they torture you, tire you, keep you awake nights!

"NERVES" make you irritable, restless; give you Headache, Indigestion. . . "NERVES" make you look and feel old. . . waken resistance and pave the way for serious nervous or organic trouble.

J. M. Foster, a druggist, suffered tortures from Over-wrought Nerves. He had dozens of so called "Nerve Remedies" in his store. One by one he tried them without relief until. . . But let Mr. Foster tell his experience in his own words.

"I think Dr. Miles' Nervine is the best nerve medicine made, and that a better one cannot be made. Dr. Miles' Nervine was the only medicine on the shelf or in the prescription case that put me on my feet." J. M. Foster, Druggist Marysville, Ohio

Munday Dealer Tells Details of Ford Models

Complete details of the new V-8 cylinder Ford car which was introduced March 31 were made public here this week by E. H. Bauman, Ford agent here.

The new Ford is large, long, roomy, fast, powerful, and alert. Its V-8 cylinder engine develops 65 horsepower and is capable of 75 miles an hour.

Fourteen body types of modern streamline design are offered. A four cylinder engine developing 50 horsepower also can be supplied with any of the body types at a lower price, Mr. Bauman said.

Numerous mechanical advances are incorporated in the new car. These embrace a synchronized silent gear shift and silent second gear, rubber engine mountings, down draft carburetor and carburetor silencer, automatic spark control, fuel pump, and rear fuel tank. Other improvements include a newly designed rear spring, thermostatically controlled, Houlihan double acting hydraulic shock absorbers, large four wheel brakes, newly designed electrically welded steel spoke wheels with large hubs and hub caps and large tires. The chassis and running gear are cushioned by rubber insulators in the spring shackles and shock absorber links. The body is insulated

from the frame by rubber pads. The new bodies are fresh and modern from the gracefully rounded V-type radiator to rear bumper. The air line flows are carried out by the long hood with its rustless steel center strip, the slanting safety glass windshield and rounded roof line. The convex lamps, full crowned fenders and long, low running board harmonize with the balance of the design.

Body interiors are roomy and richly furnished. Seats are of new style, designed for utmost comfort. Driver seats in all closed cars are adjustable. A large ventilator is provided in the cowl. The oval instrument panel is in engine turned finish and has a rustless steel mounting strip. Inside sun visors which fold out of the way when not in use are provided in all closed cars.

The new Ford V-8 engine is remarkably free from vibration. Frequent and overlapping impulses deliver the power in a smooth constant flow.

The prices of the 14 body types, f.o.b. Detroit were announced as follows: Roadster \$460; phaeton \$495; sedan \$500; coupe \$490; sport coupe \$535; fordor sedan \$590; deluxe roadster \$500; deluxe phaeton \$545; deluxe tudor sedan \$550; deluxe coupe \$575; cabriolet \$610; deluxe fordor sedan \$645; victoria \$600; convertible

FIRST BAPTIST CHURCH

We have been greatly encouraged by the good attendance at all the services for the last several weeks. There are many things to encourage and a fine manifestation of interest.

Judge Lee will teach the Men's Bible class again next Sunday, completing and summing up the resurrection. The class has been exceptionally gratified with his presentation of this subject the past two Sundays. Don't miss the closing discussion next Sunday.

All services at the usual hours. The pastor will preach both morning and evening. There will be special music at both services.

Talk of the Town Sale!

Opens Friday Morning, April 8th

Here's the Sensational Sale of the Season—The Talk of the Town Sale—in which you can save from 15 to 50 per cent on your purchases of Spring Merchandise, and get the latest and newest to be had. All this stock is new, direct from the markets, and we are pricing it to move out quickly in line with our policy of selling merchandise at a small profit and turning our stock a number of times during the year. Come to this Sale and compare the values offered with those found anywhere and you will find that this is the Merchandising event you have been looking forward to. It's the Talk of the Town—these low prices, and you will not be able to buy new Spring Merchandise at less than offered here.
