

## Kracker Krumbs

Odd Bits Salvaged  
at Random

"Something for nothing" isn't altogether a thing of the past.

That is the belief of members of the States Courts Housing Committee of the State Bar of Texas, headed by Ed Gossett of Dallas, who are urging passage of Amendment No. 4 at the general election next Tuesday.

The amendment which will provide for the construction of two state office buildings, without additional taxes, and at a saving of \$250,000 per year now being paid in rent by state agencies housed outside the capitol. That is about as close as you can get to something for nothing," they believe.

It provides for the transfer of surplus money in the Confederate Pension fund to a building fund for a state court building to house the Supreme Court, Court of Criminal Appeals, Court of Civil Appeals, state library, and Attorney General's office and for a state office building to house state agencies now paying for office rent space outside the capitol.

Endorsement of the amendment has been given by Governor Allan Shivers, the State legis-

**NOBODY CAN DO THIS FOR YOU!  
VOTE**

lature, four former governors and seven former attorney generals, the State Bar of Texas, the Texas State Employees Association and many other groups.

Another reunion is in prospect for the M. H. S. homecoming on Friday, October 29.

Kinda a surprise, but a pleasant one, for J. L. Stodghill.

Word started coming in over the week end that Lyle's brothers and sisters are planning to be here for the homecoming—and they'll probably headquarter at Lyle's house.

There will be such other events with other families for this first homecoming. Seems those who have been away quite some time are taking to the homecoming idea better than more recent school students.

Which reminds us, too, of a telephone call we received the other day.

A local citizen asked if he and his wife would be eligible for the homecoming. "You bet," we says, "this is a community affair as well as ex-students homecoming, and anybody with a dollar for a ticket is eligible to come out and partake of the feed."

"I felt like we ought to be eligible," he said, "since we just graduated all nine of our children from Munday High School."

So we expect Press Phillips and his wife will be out there among the people and seeing some old timers this Friday.

## Goree School To Sponsor Halloween Carnival On Friday

The Goree P. T. A. voted to sponsor the annual Halloween carnival which will be held at the Goree school on Friday night, October 29.

Each class is busy collecting money this week to elect a queen and king of grade school and high school. The coronation on Friday night will be featured by various acts, games, eats and booths for entertainment.

The public is invited to attend this carnival. Proceeds will go for worthwhile projects to help the school.

## BAND BOOSTER CLUB TO MEET MONDAY

Everyone who is interested in the Mogul Band come to the Band Booster Club meeting on Monday, November 1, at 7:30 p. m. Everyone's help and interest is needed.

## Farm Home Administration Is Now Making Loans For Irrigation Wells

The basic objectives of soil and water loans are to encourage and facilitate the improvement, protection, and proper use of farm land by providing and adequate financing for soil conservation, and use; forestation, drainage of farm land, the establishment and improvement of permanent pasture, and other related measures.

Soil and Water loans will be made only to applicants who comply with all applicable Federal, State and local laws and regulations with respect to drainage, land use, zoning, and the appropriation and use made only to establish or apply soil conservation, enter development or use, or drainage practices that are in accord with recommendations made by the State Agricultural Extension Service or the Soil Conservation Service.

Soil and Water loans may be made for paying cash cost of materials, supplies, equipment, and services directed related to the application or establishment of soil conservation practices; water development, conservation and use facilities and practices; drainage. Before a Soil and Water loan can be made, the applicant must be a citizen of the United States, or a Corporation organized under appropriate State and Federal laws, possess legal capacity to contract for a loan, be a farm owner or operator, be without sufficient resources to pay for the proposed improvements and unable to obtain the necessary credit on reasonable terms and conditions from private or cooperative sources, plan to improve the farm on which the operator is engaged primarily in farming, have had farm experience or training sufficient to indicate reasonable prospects of conducting a successful farming operation.

Interest rates on insured Soil and Water loans will be 3 1/2% per year on the unpaid principal balance. In addition to this the insured loan borrower is required to pay an annual insurance charge computed at the rate of 1 per cent per year on the unpaid principal. Making a total charge of 4 1/2%. For direct Soil and Water loans the interest will be 4 1/2% per year on unpaid principal.

Repayment of a Soil and Water loan will be scheduled within the shortest period consistent with the ability of the borrower to pay. No loan will be scheduled for repayment over a period which exceeds the anticipated useful life of the improvements or the security, which ever is less. In no case will the period exceed twenty years.

For further details contact the FHA supervisor serving your area, or the Knox County office, 100 N. Main Street, A. S. C. office any Tuesday between the hours of 10:00 A. M. to 3:00 P. M. or you may come by the FHA County office, 2nd floor of the Farmers National Bank Bldg., Seymour, Texas.

## Bible Film To Be Shown Sunday Night

The film, Our Bible—How It Came to Us, will be shown at the First Methodist Church in Munday on next Sunday evening at 7 o'clock. This documentary film traces the gospel story from the First Century writings of the Apostles, down to the most recent revision. The film, which was completed only a few months ago, was produced on the scale of a Cecil B. DeMille epic, with a cast of over 250 players. The resources of the Metropolitan museum, the Cloisters, The Morgan Library, and some libraries abroad were drawn upon to make it authentic in every detail. It is undoubtedly the most authentic document ever developed about the Bible.

This feature film which takes one hour and twenty-four minutes to be shown, is divided into three main subdivisions entitled, Formation of the Bible, The Bible Spreads Through Europe, and Making of the English Bible. The film, Our Bible—How It Came to Us, is being shown in the local church as a part of the annual observance of Reformation Day. The general public is invited to see this important film.

## Knox Teachers To Hold Goree Meet November 2

The regular meeting of the Knox County unit, Texas State Teachers Association, will be held at Goree on Tuesday, November 2, it was announced this week. The program will begin at 7:30 p. m.

Dr. Kenneth MacFarland of Vernon will be the principal speaker. His theme will be "Citizenship."

All teachers and their wives or husbands are expected to attend, according to Mrs. Thena May Bowdoin, president of the local unit.

## Plans Complete For Homecoming Here On Friday; Big Crowd Is Expected

### Goree Youth Have Scavenger Hunt

The youth of Goree were in regular meeting Monday night, October 18. The group gathered at the memorial building to choose sides and receive instructions for a scavenger hunt.

The group winning were awarded a double prize—all day suckers and no charge at the next social.

In the business meeting, November 1 was set for the next meeting with plans to be made by the program committee.

Refreshments of doughnuts and cocoa were served to forty members and their sponsors, Rev. and Mrs. W. C. Hadley.

### Miss Knapp Named Senior Candidate For M.H.S. Queen

The senior class met on October 15 and elected Dolores Knapp as senior candidate for queen of Munday High School. Janie Johnson was elected duchess, and escorts will be Jerry Scott and Palmer Campsey.

The seniors will have cold drinks and the barrel toss at the Halloween carnival.

"Everyone come to the Halloween carnival Saturday night, October 30," the seniors urge, "and help us elect Dolores queen."

### Four Students From Munday In McMurry College

ABILENE — Four Munday students have enrolled in McMurry College for the fall semester, according to Jerome Vanoy, registrar.

They are Julie Massey, Wayne Smith, and Lee Bowden, sophomores; and Bera Faye Spann, freshman.

Miss Massey is a 1953 graduate of Munday High School. She was editor of the annual, secretary of the senior class, and elected to Who's Who. She was also a school beauty.

At McMurry she belongs to Delta Beta Epistol Social Club, and is secretary of the sophomore class. Last year she was one of the campus beauty queens.

Bowden is a 1953 Munday graduate. He is a member of Kiva Social Club.

## At Local Church

Luis Colon Gordiano, above, evangelist of Puerto Rico, is appearing in evangelistic services at the Assembly of God church of which A. C. Enriquez is pastor.

Services will continue for a period of about two weeks, and Enriquez invites the public to come out and hear this evangelist.

## Funeral For Herman C. Floyd Held On Tuesday

Herman Carl Floyd, well known area farmer, passed away at 6:30 p. m. Sunday. He suffered a heart attack at around four o'clock but seemed to rally some when the second attack came.

Mr. Floyd spent all his life in this immediate area. He was born November 4, 1908, in Haskell County, and was 45 years, 11 months and 19 days of age. He was married to Annie Jane Scott on February 12, 1931, and the couple had farmed in the Sunset community for many years.

Surviving him are his wife, Mrs. Annie Floyd, and four children, Joe Lynn, Lacscha, Wayland and Harold Floyd, all of Munday; his parents, Mr. and Mrs. William Floyd of Munday; a brother, Earl Floyd, also of Munday; three sisters, Mrs. Ruby Senn of Arlington, Mrs. Lilly Swanner of Weinert and Minnie Lee Swanner of Arlington.

Funeral services were held from the Gillespie Baptist Church at two o'clock last Tuesday afternoon with the pastor, Rev. Roger Butler, officiating. He was assisted by Rev. H. Doyle Ragle, pastor of the Munday Methodist Church.

Burial was in Johnson Memorial Cemetery under the direction of McCauley Funeral Home.

Funeral services for Marsh Coffman were held from the First Baptist Church in Goree at 2 p. m. Wednesday, October 20, with Rev. S. E. Stevenson, pastor, officiating.

He was born September 15, 1869, and passed away on October 18, 1954.

A pioneer of this area, Mr. Coffman came to Knox County in 1887 and homesteaded the farm on which he was living at the time of his death. He was married to Miss Ora Cross in 1893, and one son, Dude Coffman, was born to this union.

He is survived by his wife and son, one granddaughter, Mrs. Tommy Harlan, and one great granddaughter, Beverly Harlan; one brother, Deck Coffman of Hico, and a number of other relatives and friends.

Palbearers were Tom Harlan, Weldon Hobbs, Marshall Gass, Dewey Melton, Cliff Moorman and Cal Moorman.

Burial was in the Goree cemetery under the direction of Laningham Funeral Home.

## Gerald Morrow At Williams A. F. Base

Aviation Cadet Gerald T. Morrow, son of Mrs. Freddie Morrow of Munday, has recently been transferred from Marana Air Force Base, Phoenix, Arizona. He left Monday morning after a visit with his mother.

Cadet Morrow has completed the second phase of his pilot training, his first phase being at Lackland A. F. Base in San Antonio, where he held the rank of A/C captain. During his second phase at Marana A. F. Base, he held the highest cadet rank, which was A. C. major and the position of group commander.

He received his training in the T-34 and T-28, both being of the tricycle landing gear type. He received 136 hours of flying in these two planes.

Morrow will receive his third and final phase of pilot training at Williams A. F. Base, where he will fly the T-33 jet trainer. With graduation set for next April, he will be commissioned and receive the silver wings of an Air Force pilot. He is a graduate of Munday High School and attended Midwestern University in Wichita Falls and McMurry College in Abilene before entering the Air Force.

Mrs. C. M. Wyatt of San Angelo was a recent guest in the home of Mr. and Mrs. Otis Simpson. Mrs. Wyatt and Mrs. Simpson were schoolmates when both attended Old Goree school.

## Knox County Farm Bureau Elects New Officers At Annual Meeting Monday

### Roby Lions To Play Moguls In Friday's Game

The Lions that got into our Mogul's hair last Friday night at Albany won't be troubling us again this season, but the Moguls have another set of Lions to contend with for their homecoming game on Friday.

These Lions, from Roby, are not such a fierce set as the Albany bunch. They haven't fared so well during the season, having won two games and lost five thus far. The Lions have failed to rack up a conference win.

On the other hand, the Moguls have won four and lost two games in season's play, having won one and lost one conference game.

Statistically, the Moguls are due to win Friday night's game, and they'll have a large group of ex-students on hand to help out in the "rooting" department and to swell the crowd for their last home game.

## Knox County Hospital Notes

Patients in the Hospital Monday, October 25th:

Mrs. Cris Fletcher, O'Brien; Mrs. J. H. Dabney, Rochester; J. J. Driver, Benjamin; J. H. McAfee, Munday; Phillip McAfee, Munday; Jose Diaz Correz, O'Brien; Judy Grant, Rochester; Mrs. Joe Watkins, Knox City; Horace Edwards, Benjamin; Baby Tennison, Benjamin; John Rayburn, Munday; A. B. Michael, Rochester; Mrs. Rosalee Bledsoe, and baby, Goree; Mrs. Sue Smith, Olton; Mrs. C. L. Stimac, Knox City; Mrs. Kathryn Peterson, Goree; Carolyn Peterson, Goree; Baby Wallace, O'Brien; Mrs. Ed Tennison, Benjamin.

Patients dismissed since Monday, October 18th:

John Griffith, Knox City; Mrs. Elwood Hackney, Knox City; Hazel Rose, O'Brien; Mrs. Joe Beltran, Munday; Mrs. A. Trevino and baby, San Antonio; Pate Meinzer, Benjamin; Mrs. F. H. Roberson, Truscott; M. G. Nix, Munday; Lupe Cusman, Munday; Mrs. Grady Hudson, Benjamin; M. D. West, Fort Worth; Mrs. C. E. Woodward, Knox City; O. A. Brazzell, Munday; L. C. Neal, Vera; Mrs. M. S. Goodson, Knox City; Elvis Day, Knox City; T. C. Epley, Rochester; R. C. Green, Guthrie; Albondo Guadalupe, O'Brien; Ed Tennison, Benjamin; Jimmy Burt, Knox City; J. P. McAdams, Knox City; Mrs. J. T. Ray and baby, Goree; Hernandez R. Gurrola, O'Brien; Jessie Aleene Thurner, Munday; Annie Mae Moss, Knox City; Mrs. Hazel Elliott, Knox City; Mrs. Allen Barnett, Knox City; Obedia Rodriguez, Goree; C. T. Kotulek, Munday; Douglas Wayne Beaty, Goree; Mrs. Nancy Martinez, Munday; Baby Martinez, Munday; Roy Day, Knox City; Ronnie McFadden, Haskell; Donald Pace, Abilene.

Funeral services were held Sunday afternoon from the Dumont Baptist Church.

Other survivors include his wife and a son; his mother, Mrs. A. P. Hollar of Dumont; four other brothers, Louis of Lubbock; Ruben of Turlock, Calif.; and Clyde and Roy Hollar of Dumont, and a sister, Mrs. John Scott of Livingston, California.

## Rev. Robt. H. Lloyd To Preach Sunday

Rev. Robert H. Lloyd, pastor of the First Baptist Church in Groom, Texas, will preach at both morning and evening services of the First Baptist Church here Sunday, it was announced Tuesday.

Rev. Lloyd is a graduate of Baylor University and the Baptist Theological Seminary in Fort Worth. He is highly recommended as a preacher and pastor.

A large attendance is expected to hear him in these services.

## IN COLORADO REVIVAL

Rev. S. E. Stevenson, pastor of the Goree Baptist Church, left today (Thursday) for Kim, Colorado where he will direct a 10-day revival meeting.

During his absence Eugene Claburn, ministerial student in Hardin-Simmons University, will supply two Sunday, October 31 and November 7. Everyone is cordially invited to hear this promising young man.

The annual meeting of Knox County Farm Bureau was held on Monday night, October 25, in the court house in Benjamin with the president, E. H. Nelson, presiding.

The financial report on the year's activities were made by J. Omar Cure, secretary and treasurer. The resolutions committee reported on resolutions that had passed in the committee meeting. These were presented to the convention, voted on and will be presented to the convention, voted on and will be presented to the state convention in Galveston. The resolutions are:

1. That the present motor fuel tax refund for non-highway use should be maintained.  
2. That all cereals should be taken out of processed meats.  
3. That the penalty schedule for off-weight bales of cotton is fair and just and should not be reduced.  
4. That compresses and warehouses be forbidden to own or sell any loose cotton, and that trimmings must be given to the rightful owner. This will enable the cotton to be presented in a neat and uniform package for domestic and export purposes.  
5. That a farmer who double-crops must specify which crop is to be counted as the crop on the land for allotment purposes.  
6. That telephone rates for rural and city phones are excessive and not standard throughout the state and that a public utilities commission should be set up within the state to regulate these rates.  
7. That grain sorghums should be eligible for Commodity Credit loans with a minimum moisture content of 14 per cent.  
8. That the support price of wheat should be 100 per cent of parity.

After the resolutions had been discussed and passed, the nominating committee reported, and the following officers were elected for another year:

J. O. Warren, president; L. B. Patterson, Sr., first vice president; Clyde Taylor, second vice president; J. Omar Cure, secretary and treasurer. Directors for another year are: Knox City, Ansel Waldrip and Claud Reed; Munday, Otis Simpson; Goree, Joe Butler and Leland Floyd; Vera, Clyde Beck and W. M. Ford; Gilliland, A. J. Navratil and Jerry Tomanek; Truscott, W. C. Rhine, Jr., and Edgar Jones; Rhineland, C. H. Herring and A. J. Kuehler; Brock, Lee Smith.

Mr. Nelson, retiring president, told the convention how much he appreciated the help of all committees and organization members during the past year.

## Oliver A. Hollar Passes Tuesday At Bakersfield, Calif.

Oliver Hollar, 49, former resident of Dumant and brother of Earl Hollar of Munday and King County Sheriff E. W. Hollar, passed away Tuesday in Bakersfield, Calif., where he had lived about 15 years.

Funeral services were held Sunday afternoon from the Dumont Baptist Church.

Other survivors include his wife and a son; his mother, Mrs. A. P. Hollar of Dumont; four other brothers, Louis of Lubbock; Ruben of Turlock, Calif.; and Clyde and Roy Hollar of Dumont, and a sister, Mrs. John Scott of Livingston, California.

## NEW MUSIC ROLL IS PRESENTED CHURCH

The Wesleyan Service Guild of the First Methodist Church has presented a new music roll to the church to be used in the Carillon chime system. The new roll was first used on last Tuesday evening and is heard throughout Munday at 7 o'clock each week-day evening, as the music comes out over the loud speakers in the church tower.

The new roll of music is distinctive in that it is harmonic rather than single note chime music. The numbers included on the roll are "More Love to Thee," "I Need Thee Every Hour," "O Jesus I Have Promised," "He Leadeth Me," and "Now the Day is Over." The roll was produced by the Schulmerich Electronics Company of Sellersville, Pennsylvania.

### CONSTITUTIONAL AMENDMENT NO. 5

The scale of State salaries paid to our Constitutional State Officials is ridiculous when compared with the requirements of the offices and pay given for similar responsibility in other States or in private business. Texas should adopt Constitutional Amendment No. 5 November 2nd, permitting the Legislature to set the salaries of these officials and fixing the rate of compensation of our Representatives and Senators in the Legislature so they can at least pay their expenses while in Austin attending to the business of the State.

The rate of compensation of our Constitutional Administrators and Legislators was set during the middle of the great depression when the dollar would buy more than now and has not been changed since because it was fixed in the Constitution and, therefore, the Legislature was powerless to change it. At the same time the Legislature had the power and has acted wisely in adjusting the salaries of other important State officials such as the Railroad Commissioners, Insurance Commissioners, State Auditor, the Texas Employment Commission, State Health Officer and many others, so that the compensation received is more in line with their responsibilities.

We believe the Legislature has handled wisely the responsibility of setting the salaries of officials created since the drafting of the Constitution and could likewise safely be given the responsibility of also setting the salaries of those officials provided for in our Constitution, so that they may set and adjust their salaries from year to year in accordance with existing economic conditions.

As an example of the growth of the State and the increase in business done now and in the fiscal year of 1935-1936, \$127,092,235.19 was deposited by the Comptroller of Public Accounts from all sources including Federal Aid; whereas, the record of the last fiscal year ending August, 1933, for which figures are available, shows that \$737,188,310.38 was deposited from the same sources. Expenditures are comparable, but our Constitutional officers are still receiving the same compensation as that set in 1936.

The Constitutional state officials who would be affected by the change are the Governor, Attorney General, Comptroller of Public Accounts, Treasurer, Land Commissioner and Secretary of State, all of whom are elective, except the last named. A very conservative estimate is that when either one of the above has opposition, an amount equal to one year's salary of the two year term

**SUBSCRIPTION RATES**

In first zone, per year.....	\$2.00
In second zone, per year.....	\$2.50

The Munday Times is Democratic, yet supporting only what it believes to be right, and opposing what it believes to be wrong regardless of party politics, publishing the news fairly, impartially.

**NOTICE TO THE PUBLIC:** Any erroneous reflection upon the character, standing, or reputation of any person, firm or corporation which may appear in the columns of this paper, will be gladly corrected upon due notice being given to the publisher at the Munday Times office.

must be spent on the campaign for election. Although Texas is 6th in population among the states of the Union, forty-four other states pay their Comptroller or fiscal officer more than Texas and none of them pay less. Twenty-six states pay their Governor more than Texas does. Thirty-seven states pay their Secretary of State more; thirty-six pay their Treasurer more, and twenty states pay their Attorney General more than Texas pays.

In order to compete with industry and keep efficient state employees, it has been necessary in many instances to raise the pay of key men working for these constitutional officers and legislators to a sum greater than the elected official himself receives. We do not think this is sound business and, therefore, urge the adoption of Proposition No. 5 among the amendments to our Constitution to be voted on November 2nd, which authorizes the Legislature to fix the salaries of our Constitutional state officers and allows an increase in the compensation of our Legislators.

**THE CAUSE OF DUST BOWLS**

Years ago when winds periodically blew irreplaceable top soil from great farming regions and turned once-fertile lands into barren wastes, relatively few people understood how this could be prevented. Many considered it a natural phenomenon, about which nothing effective could be done. Some even thought it an act of divine providence, designed as a punishment to warn sinners.

We are wiser today. We know that the dust-bowls were primarily the result of but one thing—bad farming, that left the land unprotected against the elements. We know how to protect the land with deep tillage to hold water and deep ridging to catch the dust when it blows. And we have marvelously efficient instruments available to do that job, in the form of modern farm equipment.

Many of us, perhaps, think of that equipment only in its role as a producer—as a means of raising crops at a minimum of cost both in money and human labor. That's but part of the story. Equally important is the vital role of the machine in preserving the land and its fertility for generations yet to come.

Today, it is true, we have a serious farm surplus problem. But our skyrocketing population, if nothing else, will ultimately solve that problem. We will have to feed millions more people from a land area which will remain virtually constant. Luckily for the nation, modern production and conservation techniques make that possible.

## "IF AND WHY"

"If" is one syllable but important. Many things hinge on the "if". We are new creatures "if" we be in Christ. (2 Cor. 5:17.) We are Christ's disciples "if" we continue in his word. (Jn. 8:31.) Some "ifs" call for a "why".

**IF CREEDS ARE NECESSARY, WHY** does the word of God "Thoroughly furnish the man of God unto every good work?" (2 Tim. 3:16-17.) Why has God "Given unto us all things that pertain unto life and godliness?" (2 Peter 1:3.) Why condemned for going beyond his word? (He that goeth onward and abideth not in the teaching of Christ, hath not God.) (2 Jn. 9.)

**IF ONE CAN FOLLOW MEN, WHY** are human doctrines condemned? "But in vain they do worship me, teaching for doctrines the commandments of men." (Matt. 15:9.) **WHY** are we not to please men? "If I yet pleased men, I should not be a servant of Christ." (Gal. 1:10.)

**IF MEN HAVE RELIGIOUS AUTHORITY, -WHY** does Christ claim all authority? Christ said, "All authority is given unto me in heaven and in earth." (Matt. 28:18) **WHY** is Christ to be pre-eminent? "That in all things he might have the pre-eminence." (Col. 1:18.)

**IF ONE CAN BE SAVED IN ANY NAME, WHY** is salvation in Christ's name only? "For there is none other under heaven given among men, whereby we must be saved." (Acts 4:12.) **WHY** glorify through name christian? "Yet if any man suffer as a christian, let him not be ashamed; but let him glorify God on this behalf." (1 Pet. 4:16.)

**IF SAVED OUTSIDE THE CHURCH, WHY** are the saved added to it? "And the Lord added to the church daily such as should be saved." (Acts 2:47.) **WHY** is Christ its savior? "And he is the savior of the body." (Eph. 5:23.) The body is the church. (Col. 1:18.)

**IF INFANT BAPTISM IS SCRIPTURAL, WHY** is the subject to be taught? "Go ye therefore, and teach all nations, baptizing them." (Those taught.) (Matt. 28:19.) **WHY** is the subject to believe? "He that believeth and is baptized shall be saved." (Mk. 16:16.) **WHY** is subject to repent? "Repent and be baptized." (Acts 2:28.)

**MUNDAY CHURCH OF CHRIST**  
 BOX 211 - Phone 6151  
 PAYNE HATTON, Evangelist

The history of Waxahachie and Ellis County is peopled with men of courage and individuality. For example, there was the surveyor, Col. James E. Patton, who had no chain-carriers—in fact, he had no chains; so he took a piece of rawhide, hobbled himself so that his step would be one vara and made his measurements. He located the Ellis County school lands and the county is indebted to him for the judgment displayed in locating the lands.

In 1846, Hans Smith opened a small store in the county. Tradition says that he had been a prominent figure in politics before coming to Texas and had almost defeated Thomas H. Benton for the United States Senate in Missouri. (Benton, as floor leader of Andrew Jackson's administration, debated with Clay, Webster and Calhoun.) A contemporary in Ellis County has recorded that Smith was "a man of finely cultivated intellect, a fluent, silvery-voiced speaker."

Smith built the county's first cotton gin and was the first member of the Legislature from Navarro County (of which what is now Ellis County was a part.) One wonders why a man with the brilliance of Hans Smith turned his back on a career of potential political greatness to

come into the wilderness. A group of citizens bound for a settlement sighted a band of Indians and one man suggested a prayer but the Rev. R. M. White said, "A sacred prayer does not avail much, if anything." (The redskins proved to be peaceable.)

Red Oak's first postmaster was David Mitchell, who also was justice of the peace. He had a sense of humor as this return he wrote on a marriage license reveals:

"I executed the within on Wednesday night and changed her name to Mrs. Wright; May heaven's blessings crown their joys and fill their arms with girls and boys."

Waxahachie had its beginning in 1847 when Major Emory W. Rogers, a native of Alabama, built a log home. He and his wife had come to Texas in 1837. Rogers selected 640 acres; the business section of the city today stands on that ground.

The Rogers' home was known for its hospitality. The Methodist Church was organized there, with eight present. Elections and court sessions were held in the home. When the county seat was to be selected, Rogers' liberal donation of land was the deciding factor. He had built the cabin at an angle and did not want the building moved, so the streets of the new town ran at angle, too.

The land for the cemetery and for the Methodist Church was given by Rogers, who also donated ten acres and \$1,000 for a college. He was a major in the Twelfth Texas Cavalry in the War between the States. The pioneer served his county as treas-

Fortune-tellers can't replace Savings Bonds

**Every farm could use one!**

Few professions are more at the mercy of chance than farming. If you had a crystal ball to call the shoes ahead, what a wonderful farmer you could be! But since you can't see ahead, it's a great idea to have a reserve in U.S. Series "E" Savings Bonds.

Bonds are easy to buy—here, at this bank. You can even arrange to have your savings or checking account automatically buy you a bond every month.

Your banker can show you how Savings Bonds fit into your picture. Come in and talk it over!

The U.S. Government does not pay for this advertising. The Treasury Department thanks for their patriotic donation, the Advertising Council and

## New Styling, New V-8 Engines Are Feature Of 1955 Chevrolet Automobiles

Pronounced mechanical advances plus new riding comfort and a complete re-styling of bodies give Chevrolet for 1955 its most spectacular model announcement.

No major part of the car has been overlooked in the broad-scale improvement program. Driving ease and riding comfort benefit along with the creation of fresh automotive design. The accomplishment says the company, has been possible only because of a thorough job of product re-engineering and the tremendous new plant facilities Chevrolet adds this year.

The 1955 models will go display at dealer showrooms nationally tomorrow (October 28). From an extraordinary long list of new features the public will see at that time, these are particularly outstanding:

1. First automobiles in the low-price field to reflect the "dream car" influence of the General Motors Motoramas. All roofs have been visibly lowered with a corresponding reduction in hood and belt lines to accentuate a longer, fleetier appearance. Overall, sedans have been lowered two and one-half inches, station wagons as much as six. At the same time, passenger room has been increased.

2. First V8 engine offered on a Chevrolet in 35 years. Profiting by recent research in combustion and manufacturing techniques, the V8 is unveiled as "far more precisely built and efficient in performance than others in its class." Named the "Turbo-Fire V8," the V8 delivers 162 horsepower.

3. Higher horsepower ratings and new quietness and smoothness in two "Blue Flame" sixes. Engines are of the traditional valve-in-head design, which in the last few years has won virtually 100 per cent acceptance by other makes. A 123-horsepower engine is available with the manual gearshift. The six built exclusively for the Powerglide automatic transmission now develops 136 horsepower.

4. Integrated body and frame design. Chevrolet points out it has been able to obtain close unity with body and frame by engineering components to complement each other. An important reduction in vibration has been effected and weight saved. The frame is more rectangular and twist-resistant. With a scientific repositioning of mounts and the utmost application of rubber insulation, the body is isolated from road shocks to an unusual degree.

5. Front and rear suspensions revamped. Added riding comfort and roadability, Chevrolet states, are assured by vastly improved suspensions. At the front, a modern version of the ball-joint design aids car handling and steering as well as comfort. One improvement new to the industry is a control arm geometry that cancels out most of the objectionable "dive" that often accompanies brake stops. The suspension also applies a new and more durable lightweight bearing material while the design decreases lubrication points from 16 to 4. Rear suspension improvements include leaf springs nine inches longer to an overall length of 58 inches. For stability, rear spring mounts are outside the frame, after the fashion of the Chevrolet Corvette.

6. Increased safety through greater visibility. Every car win-

dow of safety plate glass—front, read and side—is larger in 1955 Chevrolet bodies. The gain is due largely to the extension of glass over areas that have been "blind spots" since the early days of the automobile. Increase in visibility through the sweep-sight windshield alone is 19 per cent. As another example of the improvement, glass area in four-door sedans totals an amazing 24.5 square feet.

7. Optional overdrive. An overdrive installation will be offered for the first time. Engine speed reduction of more than 20 per cent is accomplished by the overdrive which automatically cuts in when the foot is lifted off the accelerator above 31 miles an hour. Operating economy is better while reduced engine revolutions also give smoother, quieter performance. Less clutch operation in city driving is still another advantage. Optional overdrive brings to six the number of "power packages" available

on each of 14 Chevrolet passenger models.

8. More electrical power. A 12-volt electrical system will furnish ample reserve power for the ever-increasing demands of accessories. The system is standard on both sixes and V8s, assuring increased generator efficiency and higher starting motor speeds. Another safety feature is a dual circuit breaker. A short circuit or overload will as a consequence not entirely disable the system.

9. "Dry-Air" ventilation. This feature involves an arch-shaped plenum chamber that channels fresh air from a slotted cowling. Drainage from the chamber prevents any water from reaching passengers, even in rainiest weather. Cowling installed and extended to the frame on each side, the plenum chamber acts as a structural brace as well. In addition, it is a perfect adjunct to an all-weather air-conditioner which Chevrolet introduces this year as optional equipment.

10. Tubeless tires for increased safety. The casing remains the same, but instead of an inner tube, interior surfaces are coated with a butyl "skin" for

sealing. Blowouts are resisted and deflation slower with punctures.

11. Smoother power application. The torque tube drive is replaced by a hotchkiss drive to deliver power more smoothly to the rear wheels and to provide a "flatter" ride in combination with the longer springs. According to engineers, the "work-out" of a new axle, springs and drive line, together with new engine mounts achieve a velvet-like transmission of power.

12. Easier steering. From power steering, an improved version of which is available on 1955 cars, Chevrolet has adopted the recirculating ball-nut gear and combined it with a relay type of linkage that increases smoothness and reduces driver effort. A more rigid wheel coupling and truer geometry is also claimed.

Most distinguishing mark of the new Chevrolet bodies is their low-slung silhouette and vertical windshield pillars. Broad, flat hood and trunk lids are approximately three and one-half inches lower than last year while the high, straight crown of the fenders enhances the impression of fleetness and agility.

The design gives the cars the appearance of much greater length although the wheel bases remain unchanged.

Mrs. Doug Moore, who is attending Hardin-Simmons University in Abilene, spent the week end here with her mother, Mrs. Mauryse Blacklock, and other relatives.

George Spann came in last week for a visit with his parents, Mr. and Mrs. Oscar Spann. George, who has been stationed in Norfolk, Va., when not

aboard ship, received his discharge from the Navy before returning home.

Low...and behold!

# The motoramic Chevrolet for '55

Chevrolet and General Motors took a whole new look at the low-cost car

—and just look what happened! **NOW BEING SHOWN!**

The Bel Air Sport Coupe—one of 14 new Fisher Body beauties in three new series.

The valve-in-head V8 as only the valve-in-head leader can build it!

8

Now Chevrolet, the leading builder of valve-in-head engines, introduces the "Turbo-Fire V8." It carries the V8 design to a new high in efficiency with its high horsepower (162), high-compression (8 to 1), high performance and surprisingly high gas mileage. Available with standard transmission, or with the extra-cost options of Overdrive or Powerglide.

6

You can choose from two new sixes, too!

Chevrolet also offers the last word in six-cylinder performance and economy! There's a new "Blue-Flame 136" teamed with Powerglide and a new "Blue-Flame 123" with either standard transmission or Overdrive.

Can't you tell just by looking that Chevrolet and General Motors have come up with a completely new idea about the low-priced car? The idea is this: to build a car that offers the very newest thing in styling, the most modern features, the finest kind of performance and the highest quality of manufacture—all at a modest price. It's something that took a lot of doing and that only the world's leading car builders could do. Everything's new in this Motoramic Chevrolet from its lower top right down to its tubeless tires. Come in for the most fascinating visit you ever made to an automobile showroom!

the motoramic  
**Chevrolet**

More than a new car—a new **concept** of low-cost motoring!

**NEWS FROM VERA**

(Mrs. Thelma Lee Coulston)

Mr. and Mrs. Ben Campbell of Shreveport, La., visited in the W. C. Hobby home Saturday through Wednesday. The Hubbys accompanied the Campbells home for the winter.

Mr. and Mrs. Joe Ridley and little daughter, Linda Kay, of Woodson visited in the Grady Hardin home Sunday.

Miss Imogene Park and Dick Johnson of Wichita Falls were married Thursday night in the Church of Christ in Wichita Falls. Mrs. Claude Park and little son, Larry, attended the wedding.

Mr. and Mrs. Bill Randles of Lubbock visited with the Tom Russells over the week end. The Randles, Mrs. Russell and Mrs. Estes Miller of Seymour shopped in Wichita Falls Saturday.

Miss Jessie Myers and her mother, Mrs. Minnie Myers, attended a carnival at their home in Eldorado, Okla., over the week end.

Joe Jackson of Childress visited his parents, Mr. and Mrs. Buster Jackson and family, Saturday and Sunday.

Mrs. Vera Gipson of Silver Valley visited Tuesday through Saturday of last week with her daughter and family, Mr. and Mrs. Fred Wiles.

Mr. and Mrs. K. B. Ritchie and Melba and Mrs. Anson Ray and girls shopped in Vernon Satur-

day.

Mr. and Mrs. Lloyd Crowover and children of Graham and Mr. and Mrs. John Kinnibrough and little daughter of Gilliland visited in the Jim Kinnibrough home last Sunday.

Mr. and Mrs. H. A. Smith of Hemphill visited last week in the home of their daughter, Mr. and Mrs. Quel Hughes.

Mrs. Calvin Campbell and two children of Wichita Falls are visiting with Mrs. Campbell's parents, Mr. and Mrs. M. A. Bradford and family.

Kenneth Trainham came home Saturday from Fort Worth where he has been employed for the past month.

Mrs. Ina Murphree is spending the week with her daughter, Wanda Lee, of Wichita Falls.

Miss Mary Bess Ray of Abilene visited with her parents and family, Mr. and Mrs. Pete Ray, over the week end.

Mr. and Mrs. Johnny Bowdoin and little daughter of Lubbock visited with Jimmy's parents, Mr. and Mrs. Tom Bowdoin, during the week end.

Alec Parker of Thompson, Alabama, is visiting this week with his Trainham relatives.

Leona Tolson of El Paso is spending two weeks with her mother, Mrs. Lucy Tolson.

Students of Vera High School attended the State Fair of Texas at Dallas last Friday. Parents and teachers accompanying the group were Rev. and Mrs. S. A. Wolfe, Mrs. Mozelle Hardin, Mr. and Mrs. J. O. Archer, Nell Ped-

dy and Supt. and Mrs. Milton Kirby.

Rev. Rollo Davidson, pastor of the Seymour Methodist Church, showed a film at the Vera Methodist Church last Sunday night.

Mr. and Mrs. James Damon of Moody were recent guests of Mrs. Moody's grandparents, Mr. and Mrs. J. T. Brown.

Mr. and Mrs. Lewis Clark and children of Olton visited in the home of Mrs. Clark's parents, Mr. and Mrs. Edd Allen, over the week end.

Mr. and Mrs. A. J. Caldwell of Holiday visited Sunday with Mr. and Mrs. Ferman Dowd and family.

Billy Clyde Laws a Mdn-srgeg Billy Clyde Laws and Mrs. Maurine Parris attended the Homecoming at North Texas State Teachers College in Denton Saturday.

Mr. and Mrs. Ray Henson and daughters visited with Mrs. Henson's parents, Mr. and Mrs. L. H. McCollum of Sylvester over the week end.

Last Thursday night the Vera Pilots beat Goree in the six man football game here. Final score was Vera 22 Goree seven. Murl Feemster ran for two touchdowns and Derrel Coffman one. Larry Hardin kicked two extra points and Billy Bradford was credited with a safety. Charles Edwards countered the Goree touchdown. Next Thursday night, November 4, finds Vera at Weinert.

Mr. and Mrs. Elmer Triglett of Vecilla, Calif., returned home last Saturday after a ten day

visit in the Hyder Blackburn home.

Out-of-town friends and relatives attending the Coffman funeral were Mr. and Mrs. Elmer Mason of Clovis, N. M., Mr. and Mrs. Willard Walton of Fort Worth, Mr. and Mrs. Floyd Brannon and Mr. and Mrs. Hardy Coffman of Stratford, Mr. and Mrs. Bill Trainham of Maxwell, N. M., Mr. and Mrs. Robert Trainham of Mineral Wells, Mrs. Addie Carter and daughter, Allie, and two children of Olney, Mr. and Mrs. Arnold Fuller and Jeff Wilkerson of Lamesa, Mr. and Mrs. George Wilburn of Axtus, Okla., Doc White and son, Billy of Lone Grove, Okla., Mr. and Mrs. Jake Cavender of Ida Lou, Mrs. Bartley Wilkerson and son, R. B., of Wichita Falls, Mrs. Mollie Cadell and daughter, Thelma, of Petrolia, Mr. and Mrs. Roy Butler, Mr. and Mrs. Harvey Butler of Goree, Mr. and Mrs. Pete Cartwright of Lubbock Mr. and Mrs. Roy Cartwright of Wichita Falls, Mr. and Mrs. Grady Beck and son, Robert Stanley, of Munday, Mr. and Mrs. R. N. Smith, Mr. and Mrs. Clyde Warren of Seymour, Mr. and Mrs. Harold Beatty and daughter, Mr. and Mrs. Homer Lambeth, Mr. and Mrs. Jim Decker, and Mr. and Mrs. Curtis Seals of Goree.

**Activities of The Colored People**

The Dunbar elementary school is making plans for the annual Halloween carnival. Each room will sponsor an activity, and refreshments will be served.

The junior high grades have begun a unit on cotton. It was started with a tour of the cotton field and cotton gins. The pupils, along with their teacher, Mrs. D. J. Wayne, went to the cotton field and pulled 977 pounds of cotton. The next day a tour was made of the Munday gins. The Paymaster Gin had ginned 1,350 bales of cotton and the Farmers Co-op Gin had ginned 3,800 bales to date for the farmers of the area.

The sixth, seventh and eighth grades are very proud of their book shelf and cabine made by Cameron Lumber Co., which was their first project of the year. The money made from pulling cotton was the down payment on these.

Services were held at West Beulah Baptist Church, with Rev. C. R. Rutherford, presiding elder of this district, as guest speaker.

Drive carefully. The life you save may be your own.

**LOCALS**

Mr. and Mrs. Press Phillips visited Mr. and Mrs. Joseph Borden and son in Wichita Falls last Tuesday. Mr. Borden is being transferred to Midland.

Mr. and Mrs. Billie Joe Brown of Lubbock were week end guests with his parents, Mr. and Mrs. S. E. Brown.

Miss Billie Belcher and her little brother, Homer, and spent the week end in Dallas visiting their brother, Homer, and their sister and husband, Mr. and Mrs. R. E. Miller, and children, Florence and Gail. They also attended the Fair while there.

Mr. and Mrs. D. L. Thippen and children were Sunday guests in the home of Rev. and Mrs. Huron A. Polnac in Weatherford.

Gene Harrell was a business visitor in Lubbock last Monday.

Mrs. Claud Rogers visited relatives in Dallas from Thursday through Sunday, returning home with Mr. Rogers, who visited there Saturday night and Sunday.

Frank Garrett was a business visitor in Dallas last Monday.

Mr. and Mrs. Deaton Moorhouse of Lubbock and Mr. and Mrs. Chas. Moorhouse of Munday were in Magdalena, N. M. from Sunday until Wednesday receiving cattle for the Northern market.

Margie Lou Sargent returned to her home in Dickens last Monday after spending last week with her grandparents, Mr. and Mrs. J. A. Hill.

Mr. and Mrs. J. A. Hill and Margie Lou Sargent spent the week end with Mr. and Mrs. Gene Shackelford and family in Stamford.

Drive carefully. The life you save may be your own.

# Goree News Items

## GOREE FHA CHAPTER TO DISTRICT MEET

On Saturday, October 23, nine members of the Goree FHA chapter accompanied by Mrs. Hadley attended the district FHA meeting in Vernon. Those attending were Patsy Cunningham, Conine Haskin, Johnnie Hutchens, Linda Moore, Jean Orsak, Dorothy Harrison, Linda Lambeth, Mona Mobley, and Donna Jetton. Each of the girls carried two Christmas cards which were to go to mental institutions of Texas. Everyone was continually entertained by songs, skits by various chapters and speakers. The meeting ended with the installation of the district officers of 1965. Everyone had a very enjoyable time and are looking forward to going again next year.

Mr. and Mrs. Cliff Moorman visited Mr. and Mrs. Cecil Parks and family in Rotan last Sunday.

Mrs. Douglas Cunningham and son, Mark, of Ft. Raleigh, Kans., are visiting her parents, Mr. and Mrs. Billy Moore.

Sunday visitors of Mr. and Mrs. T. M. Tucker and Mrs. W. R. Caldwell were Mr. and Mrs. Bobby Graham of San Antonio, Mr. and Mrs. Clint Graham and family of San Antonio, Mr. and Mrs. T. M. Tucker of Throckmorton, Mr. and Mrs. Herman Caldwell and family of Vernon, Mr. and Mrs. Raymond Caldwell of Wichita Falls, Mr. and Mrs. Wesley Darliek of Megargel, and Mr. and Mrs. S. G. Smith of Munday.

Misses Louise Blankinship and Eunice Belcher were Wichita Falls visitors last Friday.

W. R. Caldwell has been seriously ill with pneumonia for several days but is improved at this report.

Miss Carol Coffman of Wichita Falls visited her parents, Mr. and Mrs. Buster Coffman, over the week end.

Mr. and Mrs. Ira Stalcup visited with their daughter and family, Mr. and Mrs. Beverly King, Jr., and sons in Graham last Sunday.

Ward Cooksey of Hardin-Simmons University visited his parents, Mr. and Mrs. Melvin Cooksey, over the week end.

Troy Stephens, formerly of Goree, is visiting here with friends this week.

## Youth Drive For CROP Successful

Fifteen thousand pounds of surplus powered milk was purchased Tuesday night by friends of the intermediates of the First Methodist Church at their "trick or treat" party for the Christian Rural Overseas Program.

The youth gathered at the church and with their cartons and identifications quickly scattered over the community to collect money, instead of treats, to send milk to the world's needy millions. They returned to the church for hamburgers and to tell their experiences in making the collection.

Mrs. Rex Howell and Mrs. Joel Massey prepared the supper. Rev. Ragle and Herschel Cowan furnished transportation. Youth taking part were Jimmy Lee, Allen Eiland, Jerry Bowden, John Walter Massey, Glen Ray Howell, Barbara Kirschner, Linda Kay Smith, Nancy Cowan, Mary Patterson and Jerilyn Kane. Mrs. C. P. Baker and Mrs. Ragle directed the affair.

CROP has been given nearly 2 million pounds of government surplus milk to be sent overseas to the young people who are dying at the rate of 3,000 every 20 minutes. The price of a candy bar will send a cup of milk each day for two months to a Korean orphan. The price of a movie ticket will provide a family of four with a cup of milk every day for 90 days.

These local youth have been able to help build for peace and friendship through this party and to help offer new hope and give a new lease on life for many people.

## Wesleyan Service Guild Meets At Church Monday

Members of the Wesleyan Service Guild met in its regular meeting at the First Methodist Church on Monday evening, Oct. 25th, with Mrs. Oscar Spann in charge of the program on mission study in India, Pakistan and Ceylon. Those taking part in the program were Mmes. Ponder, Massey, McGraw and Bardwell. Mrs. John Spann gave the scripture lesson.

Mrs. Weldon Smith, president called for reports from the committees.

Delicious refreshments, carrying out the Hallowe'en motif, were served by the hostess, Mrs. Carl Gage, to the following members:

Mmes. C. P. Baker, Levi Bowden, Lane Womble, Joe Bailey King, H. R. Hicks, J. H. Bardwell, John Spann, Jimmie Harpham, Aaron Edgar, Oscar Spann, Doyle Ragle, J. W. Massey, A. H. Mitchell, S. E. Brown, Weldon Smith, Erin McGraw, Lee Haymes, E. R. Ponder, Misses Ruth Baker and Merle Dingus, the hostess, Mrs. Carl Gage.

## BIRTHDAY PARTY GIVEN FOR VICTIM OF POLIO

Ronnie Vaughn celebrated his 11th birthday October 26th with an after school party. Many nice gifts were presented him and refreshments of cocoa, cake and ice cream were served to friends and relatives. Ronnie's birthday marks another anniversary with him. Seven years ago today the doctors at Hendricks Memorial Hospital announced that the crisis had passed and he'd won his battle against death from polio. He still has a long road to recovery but everyone is encouraged by his courageousness.

## LOCALS

Mr. and Mrs. Deaton Moorhouse and son, Charles, of Lubbock visited relatives here over the week end.

Fred Lang, who is attending Midwestern University in Wichita Falls, visited friends here over the week end.

Mr. and Mrs. J. Weldon Smith and children were Sunday guests of Mr. and Mrs. Manson D. Waits in Lubbock.

Mr. and Mrs. Waymon Pistole attended a basketball clinic in Brownwood and visited her parents in Ben Hur over the week end.

Mr. and Mrs. Hubert Hitt and daughter, Judy, visited relatives and friends in Gordon last Sunday.

Mr. and Mrs. E. W. Harrison visited relatives in Lubbock over the week end.

Mr. and Mrs. Nolan Phillips took her parents, Mr. and Mrs. Spann, back to their home in Oklahoma last Sunday after they had visited here two weeks with them and another daughter.

**LIVESTOCK MARKET NEWS SERVICE**

A new market reporting service on livestock action rings in West Texas will be inaugurated by the Texas Department of Agriculture in mid-November.

The auction sales report will cover activities at 16 livestock sales each week. Eleven cities in West Texas will be represented on the report.

This news service resulted from a demand from the live-of Amendment No. 4 at the auction ring. Reporting of auction sales in Texas is a comparatively new feature on a statewide basis. Amarillo was the first to be reported when a similar service was begun early last spring. Previously, the auction sales received only local publicity.

The Texas Market News Service will distribute sales information throughout the state through radio and newspaper coverage. West Texas points where sales will be reported are: San Angelo, Abilene, Wichita Falls, Vernon, Brownwood, Lubbock, Goldthwaite, Lamesa, Colorado City, Eastland and Big Spring.

Mail bulletins will be available to those who request the service. In addition to the auction markets, the bulletins will carry activities at the livestock centers in Fort Worth, San Antonio, Houston and Kansas City.

Livestock auction reporting is one of many services offered by Texas Market News, a branch of the State Department of Agriculture. The division also reports prices on poultry and eggs, fruits and vegetables, rice, pecans and turkeys.

Persons interested in the livestock bulletin are advised to address their request to: John C. White, Commissioner, Texas De-

partment of Agriculture, Capitol Station, Austin.

**LOCALS**

Miss Lou Campsey of Abilene visited her parents, Mr. and Mrs. S. B. Campsey, over the week end.

Miss Patsy Morrow of Abilene was a week end guest of her mother, Mrs. Freddie Morrow.

For the Home

**Laundry Tub Table**

A TABLE top space is at a premium in every home. This is particularly true of the basement or utility room, yet a table foundation is ready for a top in practically every home.

The stationary laundry tubs may be given a removable top which will serve as a laundry sorting center.

work or recreation space or temporary storage for just-ironed garments.

Simply take a piece of Masonite Tempered Presdwood cut to fit over the tubs — and there's the table. It may be removed instantly. Tempered Presdwood is available at lumber yards. It is smooth and splinter-free — ideal for work, recreation or storage.

This versatile material may be cut readily with a cross-cut saw. Before putting it into service as a top over the tubs, round the corners slightly and bevel the edges lightly with a file. Then give it a coat of penetrating sealer. Prime and paint it instead, for a touch of color.

**WEEK'S CLOSE**

Texas hogs again enjoyed a strong position as hog runs in the Cornbelt in recent days have been small enough that not many surplus hogs from that area are being offered to Texas packers.

Less attractive butcher hogs sold at \$18 to \$19.50. Sows were steady at \$14 to \$18.50.

**CARD OF THANKS**

Words cannot express our gratitude to our many wonderful friends who were so kind and thoughtful at the death of our loved one, Marsh Coffman. Thanks for the flowers and food and to everyone who helped in any way to make our burden easier to bear. May God's richest blessing be with you now and always.

## Knox Prairie Philosopher Doubts Electing Officials For Four Years Instead Of Two Will End Worrying

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek is off on the subject of worry again this week, a topic he knows very little about.

Dear editor:  
I'm about as close to being a Constitutional authority as I am to being a loan shark, but I was interested in reading about one of the proposed Constitutional amendments Texas are gonna vote on in November.

I wasn't much interested in the amendment itself as the reasons some people are advancing for passing it. This amendment is the one which would allow county officials to serve four years instead of two, and the arguments for it are that under the present system of serving two years and having to run again for re-election, an officeholder no more than gets in than he has to turn around and start worrying about getting elected again. This they say cuts down

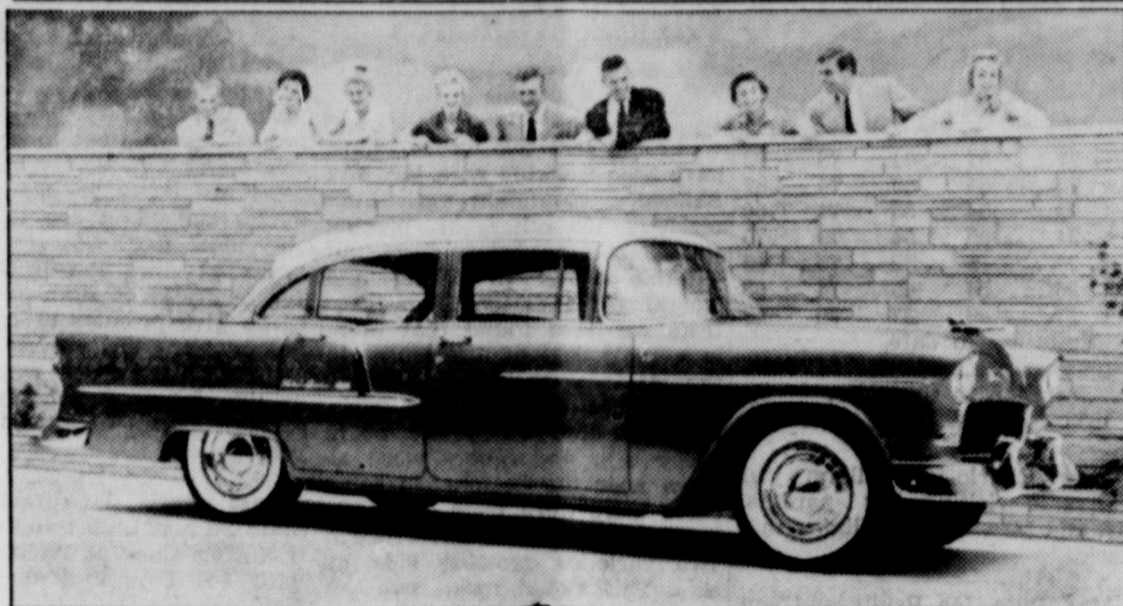

J. A.

on his efficiency.  
Elect em for four years and they'd have to worry less about the next election and could be freer to devote more time to the duties of the office, the argument goes.

I do not believe this argument takes into consideration much human nature, as I have not yet seen an officeholder who, regardless of how long his term was, two years or four years, wasn't immediately aware as soon as he got in that there was another election coming up and

## V8 Power, Complete Re-styling Mark Chevrolets

A styling advance from any point of view is claimed by the company for 1955 Chevrolets. The latest lineup of 14 models has been completely restyled and in addition incorporates the widest array of chassis improvements ever offered by Chevrolet on a new model. Lower, flatter lines are accompanied by new frames, new suspensions, new operating devices and new power. With the optional Powerglide or overdrive and new V8 engine plus two six-cylinder engines, a customer has a choice of six "power packages." The Bel Air 4-door sedan is pictured above.

he'd better sail his ship with the prevailing winds in mind, and sailing a ship and keeping your ears to the ground at the same time has always been a delicate job.

In fact, the only way I know to produce a worry-free officeholder is to elect him for life, but while that would free him from worry, it would multiply the public's, and when it comes down to a choice of whether you would rather have the worrying done by officeholders or the public, I guess you know where the majority lies.

Of course, we might vote a Constitutional amendment prohibiting officeholders from giving a single thought to their future until 30 days before election, but it would be awfully hard to find many men who could qualify for this type of control.

There are lots of good arguments for electing county officials for four years instead of two, but eliminating their worrying over getting re-elected ain't one of em.

It will be all right with me if we elect em for four years, but I think only one-fourth of em ought to be elected at a time, so we could have elections every summer, not just every fourth summer. Enough fun has been eliminated in life as it is without eliminating the fun of voting in county politics no oftener than one every four years. Life is based on the promise of a better tomorrow and you cut all elections in half and you slice the number of promises in two and where does it leave you?  
Yours faithfully,  
J. A.

## Weekly Health LETTER

Issued by Henry A. Holle, M. D., State Health Officer of Texas

AUSTIN—"Cancer, the State's Number 2 killer, accounted for one out of every eight deaths during the past year, and this was 13 per cent of all deaths that occurred in Texas," declared Dr. Henry A. Holle, State Health Officer. Early diagnosis and competent treatment could have prevented many of these deaths.

For many years there were but two ways of treating cancer. First, by surgery and second, by the use of radium or X-ray. Treatment must be started early and in the hands of a competent surgeon. Surgery is relied upon to remove cancerous tumors and is used in nearly two-thirds of the cases. X-ray or radium is used to advantage for the remaining group. Frequently the two methods are combined. Treatment now has expanded to include radio active chemicals, sex hormones, and anti-cancer drugs. Self-medication, serums, colored lights, pastes, salves, and diets are valueless.

The great protection against cancer is early diagnosis. Every case is an emergency and it is unfortunate that the majority of those with cancer do not seek medical advice early in the first stages of the disease. No hope should be placed in fake cancer cures or treatments. Rather, the annual physical examination and an immediate reporting to your physician any symptoms which may be suspected to be the beginning of cancer should be relied upon. These symptoms are: any unusual bleeding from any body opening, any lump in the breast or other part of the body, any persistent sore, particularly on the

face or mouth, and chronic indigestion. These conditions may not be cancer, but sometimes they are forerunners of the more common types of this disease. Where cancer is suspected, do not delay, but consult your physician at once.

14.76 in. precipitation to this date, 27.16 in.

Miss Charlotte Williams of Dallas is visiting her parents, Mr. and Mrs. P. V. Williams, this week.

Mrs. Billy Joe Pruitt and son of Wichita Falls are spending this week with her parents, Mr. and Mrs. H. D. Henson.

**Notes For Knox Farms, Ranches**

By W. J. Bryan, Knox County Agent

For the past two weeks I have been working with Mr. Roy Saunders, vocational agriculture teachers and others in picking the 23 cotton variety tests put out this spring. In picking and weighing the cotton from these tests we have found that there is a great deal of difference in the yields at each test, also we found that two or three varieties were always near the top in every test, and others were always near the bottom. In some cases there were from 75 to 100 lbs. of lint per acre difference in two varieties growing side by side. This would mean two to three thousand dollars difference on 100 acres.

The Farm Bureau along with others interested in cotton improvement are sponsoring a big free bar-b-que to be held at the grade school in Munday at 7:00 P. M. Thursday, November 4th.

At this meeting we will give you the results of all of these variety tests made this year here in the county as well as those made by the Experiment Stations.

I would like for every cotton farmer to attend this meeting to get this information, and also give us your idea on how we can work more effectively on a cotton improvement program to increase the income of farmers as well as everyone else in the county.

Everyone interested in cotton improvement is invited.

I have just received the USDA outlook report for livestock and meat production for 1955.

According to the USDA, production of meat animals will continue large in 1955. Hog production will probably increase a little but cattle production seems to be on a downswing, and overall totals will not change greatly. With demands for meat expected to be about the same as for this year, prices for meat animals also are likely to average much the same as this year. Hog prices, however, will remain

below the unusually high level of last spring. Prices in the fall next year should be about the same as this fall.

The number of all cattle and calves on farms January 1, 1955 is expected to be down slightly from last January. Most of the reductions will be in yearling steers and heifers; inventories of cows are likely to change less. Prices for cattle are likely to stay close to the level that has prevailed since the middle of 1953. Prices of high grade fed cattle give promise of maintaining roughly their level of the past spring. Feeder cattle prices this fall are probably about as high as can be expected next year.

Last week I attended the State Fair at Dallas and the District Hog show at Wichita Falls with 4-H boys and their projects.

At the State Fair Charles Todd of Truscott placed 13th and 23rd with his two fat lambs in a class of 50 lambs. Samuel Garrett of Munday showed his nurse fed beef steer in a class of 60 heavyweight Hereford steers at the fair but did not place in the top 25.

At the District Sear's Hog show at Wichita Falls, Clarence Decker's gilt placed 4th and Vincent Loran's boar placed 5th competing with the top individuals from all of the counties in the Wichita Falls area. Both boys are members of the Rhineland 4-H Club.

**HUNTERS GET DEER IN COLORADO HUNT**

The hunters are back and with a 10-point buck each or so we were told this week by Jasper Bevers. Jasper reported he and Roddy Griffith both bagged a 10-point buck and that other members of the hunting party also bagged their deer. They hunted in the San Juan National Park at Pagosa Springs, Colorado. Other members of the party were Ben McClarie, O. O. Ballentine, Jim Strickland and J. O. Dodson, all of Wichita Falls.

**BIRTH ANNOUNCEMENT**

Mr. and Mrs. William H. Wright are announcing the arrival of a daughter at 7:15 a. m. Sunday, October 17th, in the Knox County Hospital. She weighed 8 pounds and 13 ounces and has been named Cynthia Kay. The Wrights have another girl who is two years of age. Paternal grandmother is Mrs. E. P. Wright of Hale Center and maternal grandparents are Mr. and Mrs. Arthur T. Smith of Gonzales. Grandmother Wright is visiting in the home and helping take care of the new arrival.

**HONORS EMPLOYEES WITH CHICKEN FEED**

Mr. A. L. Smith honored his employees Sunday night by taking them to Wichita Falls for a feed at the Chicken Shack and after eating all enjoyed a movie. Those who were honored were Miss Joy Lemley, Miss Ilene Bellinghausen, Mrs. Audrey Mootman, Miss Shirley Guinn, Miss Peggy Parks, Miss Earline Edwards, Miss Lois Voss and Dee Putman.

Mr. and Mrs. Wayne Butler of Lubbock visited her mother, Mrs. Warden Rister, and his parents, Mr. and Mrs. E. L. Butler, over the week end.

Mr. and Mrs. Mahlon Boggs visited their daughters, Mrs. J. B. Walling and Mrs. Randall Walling, and their families in Wichita Falls last Sunday. Mrs. Boggs remained over Monday to stay with Mrs. Randall Walling who is ill in a hospital there.
