Buddy Bumpas Asks Re-election To Tax Office

M. A. (Buddy) Bumpas, Jr. has authorized the Munday Times to announce his candidacy for re-election to the office of tax assessor and collector of Knox County, subject to the action of the Democratic primaries. Mr. Bumpas made the following statement: "I am deeply grateful for the privilege of serving you as your tax assessor and collector, and my first desire is to express to you my appreciation for the confidence and support given me and for the many pleasant associations with the citizenship of Knox County. Whatever measure of success I may have had, I owe much of it to the fine cooperation of the people of this county.

Moguls Down Throck. Hounds In Cage Thriller

Forward Glenn Amerson pulled the game "out of the fire, in the third overtime period at Throckmorton last Friday night as the Moguls defeated the Greyhounds, 50 to 48, in the hard pressed 1A-8 district game. The conference clash was nip and tuck all the way. Throckmorton led 12 to 10 at the end of the first period, with the game tied up, 21 to 21, at the intermission. Throckmorton again moved ahead, 34 to 32, at the three-quarter period, but Munday closed the gap for a 45-45 count at the end of the regulation game. Each team scored a field goal and free throw in the first overtimes, and then Amerson came up with the clutch throw that won the game. Billy Don Davis of Throckmorton was high point man with 20, while Amerson was on top for the losers with a 17-point total. In a preliminary game, Peggy Ingram, with 21, was high point girl for the Throckmorton club as it edged Munday girls' team, 34-31. Margaret Yandell's 19-point total was good for top spot for the losers.

New Officers Of Lone Star Gas Co.

Ralph Schulze Dies At Dallas Thursday Funeral At Waco

Ralph H. Schulze, who lived at Munday for a time several years ago, passed away Thursday morning at a Dallas hospital, succumbing to a heart ailment. Funeral services were held at Waco last Saturday afternoon. While in Munday, Mr. Schulze was employed by J. L. Stodghill at the Ford tractor agency. He has been living in Dallas for several years. He is survived by his wife, the former Jeaneil Stodghill; a daughter, Mrs. Geneva Culp, Waco; a son, Lt. Comm. Ralph A. Schulze, San Diego, Calif.; a daughter-in-law, Mrs. Betty Schulze, Waco, a sister, Mrs. Dan J. Higgins, Chicago, Ill.; a brother, M. A. Schulze, Jacksonville, Fla.; and four grandchildren.

Mrs. Waldron To Seek First Term As County Clerk

Mrs. Zena Waldron has authorized the Munday Times to announce her candidacy for her first elective term as County Clerk of Knox County, subject to the action of the Democratic primaries. Mrs. Waldron is presently serving the unexpired term of Mrs. Wynelle Porter, having been appointed by the Commissioners' Court upon Mrs. Porter's resignation. She is a lifelong resident of Knox County. Mrs. Waldron in making her announcement stated that she would see all of the voters of Knox County as she possibly can between this time and the July primary without neglecting her duties of office.

Club To Sponsor Game Event Night

In order to raise funds to apply on a proposed swimming pool for Munday, the Munday Study Club is sponsoring a game night at the grade school gymnasium on Friday night, January 22 at 7:30. All table games such as bridge, canasta and dominoes will be available to any one who cares to come. Admission charges will be 75c per person, most of which will be applied to the swimming pool fund. A refreshment bar will be set up and the funds derived from this source will be used for the March of Dimes. "Both causes are of primary interest to all citizens, and it is hoped that a large crowd will come out for a night of fun," declared President Mrs. Tom Bullington.

Hamlin Boxers Take Honors In Local Fights; Another Card Set For Monday

Boxers from Hamlin took one-third of the twenty-one fights staged in Munday's first boxing card here last Monday night, as six West Texas towns were represented by the competitors. Wichita Falls fighters won four bouts, Knox City and Seymour three each, and Munday and Lueders two each. All but two of the fights were won on judges' decisions. Joe Willis, Lueders 150-pounder, won from Billy Cowart, Seymour, of the same weight, by a technical knockout. Claude Kessels, 135, Wichita Falls, TKO'd Simon Chavez, 135, Munday. Sponsors have announced that another top-notch boxing card will be held in the local gym next Monday night, with boxers from most of the towns represented this week returning for more fights. A number of good boxers were here Monday night but were unable to fight because of the full card. These will probably be matched next Monday night, and the Wichita Falls Boys Club fighters are returning. All-in-all, this card promises to be just as exciting as the one reeled off last Monday night. Results of the other matches are as follows: Carman Bretto, 70, Hamlin, dec. Gerald Chandler, 70, Seymour. Jimmy Hill, 85, Hamlin, dec. Billy McConnell, 85, Wichita Falls. Bobby Swatson, 115, Wichita Falls, dec. Jerry Mullins, 118, Haskell. Harold Skiles, 126, Munday, dec. Harold Alcock, 125, Knox City. Frank Williams, 120, Wichita Falls, dec. Kenneth Kelley, 117, Hamlin. Dudley Griggs, 76, Hamlin, dec. O. C. Parker, 78, Munday. Ray Williams, 120, Hamlin, dec. Wilbert Finley, 114, Munday. Leonard Bart, 145, Knox City, dec. Milton Baley, 147, Wichita Falls. Daul Johnson, 135, Hamlin, dec. Kenneth Copeland, Wichita Falls. Lane Fletcher, 135, Hamlin, dec. James Harris, 136, Seymour. Billy Kelley, 115, Hamlin, dec. Jack Gray, 114, Wichita Falls. Joe Willis, 150, Lueders, TKO'd Billy Cowart, 150, Seymour. Tommy Edgar, 74, Lueders, dec. Danny Burt, 148, Knox City. James Busby, 148, Knox City, dec. Bob Norman, 147, Seymour. Aubrey Biggersstaff, 128, Seymour, dec. Donnie Shaw, 127, Wichita Falls. Paul Burt, 135, Knox City, dec. Dickey Don Wood, 127, Wichita Falls, dec. V. R. Roberts, 130, Hamlin.

March Of Dimes Drive Under Way In Knox County

One again the people of Munday are being asked to join in the fight against infantile paralysis. Mrs. R. M. Almanrode is Knox County chairman and Mrs. Charles McCauley is chairman for the Munday area. For sixteen years, people have looked forward to the day when polio prevention might become a reality. It is now possible to say that contributions to the 1954 March of Dimes will help prevent polio. This past week cards were mailed to all residents in the Munday area asking for contributions. Mrs. McCauley asks that you give generously to the January March of Dimes so that it may be possible for millions of healthy youngsters to find protection against polio in 1954. Mrs. McCauley has named the following people to help with this campaign: Mrs. Bob Brown, Chairman of Major Gifts Committee; Mrs. J. B. Graham, Mrs. John Nixon, Mrs. J. B. King, and Mrs. James Carden; Mrs. Russell Penick, Grade School and Dime Card Chairman; Mrs. Jimmie Rodgers, Iron Lung Chairman; Mrs. Bruce Burnett, Coffee Day; Mrs. Jimmie Rogers, Card Chairman, with Mrs. Lennie Kuhler, Mrs. D. C. Eiland and Mrs. Leroy Leflar; R. M. Almanrode, Negro School Chairman; Mrs. D. C. Eiland, Local Clubs Chairman; Mrs. J. C. Harpham, Theatre Chairman; and Mrs. Tom Bullington, Publicity Chairman. Join the March of Dimes. "Munday does not have a disaster plan to my knowledge," says President Mrs. Clyde Taylor, "and certainly we are no less liable to such things as tornadoes and fires than other towns. It is much better to be prepared to save precious lives than to regret it afterward." The meetings will take the place of the originally scheduled evening program for January. This meeting has been postponed to an open date on March 18, at which time Dr. T. W. Williams of Haskell will be guest speaker. Among those from Munday who attended the funeral of E. T. Swilling in Seymour last Thursday afternoon were Mrs. M. J. O. Bowden, J. C. Campbell, Chester Bowden, Levi Bowden, N. E. Hoose and G. W. Hawkins. Mr. and Mrs. Coy Phillips and daughters of Levelland visited relatives and friends here last week.

Goree Baptist Church To Have Revival

The First Baptist Church of Goree will conduct a week end revival, beginning on Friday night, January 15, and continuing through Sunday night. Rev. Henry Littleton, district missionary of District 17, will do the preaching. Services will be held at seven each evening and at 10 o'clock Saturday morning and Sunday. Everyone is cordially invited to attend this revival.

2 Texas 4-H'ers Win High Honors

MERITORIOUS achievement records in the 1953 National 4-H Entomology and Recreation-Rural Arts programs have brought state honors to two club members from the Lone Star State. The winners and some of their achievements follow: Ellen Denson, 15, Brownsville, as having the best all-around 4-H Entomology program in the State during 1953. In recognition of this honor, she was awarded a 19-jewel watch, provided by the Hercules Powder Co. New vistas and experiences have been opened to Ellen through the study of insect life and community projects relating to insect control. She has collected 250 insects in two years. She made her own display cases, caught and mounted about 140 moths, grasshoppers, beetles, butterflies and bees of many different species. She is the daughter of Mr. and Mrs. J. D. Denson. Ellen has given four individual demonstrations before 211 people and 49 talks, 3 over the radio. She has held all offices of her 4-H Club. Leadership and achievement in the 4-H Recreation and Rural Arts program have brought state-wide recognition to Evelyn Robinson, 17, daughter of Mr. and Mrs. E. M. Robinson of Graham. Evelyn will be presented a Certificate of Honor as well as a \$37.50 cash scholarship for recreational training, all provided by United States Rubber Co. Cash awards of \$25 for the purchase of recreational equipment also go to counties in which the local 4-H Clubs have reported outstanding accomplishments in recreation and rural arts. Evelyn belongs to the Indian Mound 4-H Club, which she serves as president and junior leader. Her interest in recreation leadership has brought increased interest in school and in other 4-H projects. She plans to study recreation and social development in college. These programs are conducted under the direction of the Cooperative Extension Service.

Former Resident Passes At Lubbock

Last rites for James R. White, known as "Uncle Riley" to many, were held at 2 p. m. Friday, January 8, in Lubbock. Mr. White died at his home, 1915 E. 15th St., at the age of 78, after a lingering illness. Services were held at the Oliver Baptist Church, with Rev. Harden Williams officiating. Burial was in the Lubbock cemetery under the direction of Sanders Funeral Home. Mr. White was a retired grocer. He has lived in Lubbock for the past ten years. Survivors include two sons, Leonard and Thomas, both of Lubbock; four daughters, Mrs. A. E. Brashear of Lubbock, Mrs. John E. Scott of Glenwood, Ark.; Mrs. Ella Yarberry, Little Rock, Ark.; and Mrs. J. B. Cowan of Dallas and 34 grandchildren.

JUST IMAGINE

To say that we Americans have unrivaled living standards is simply to repeat something that has been said countless times. And the reason for this repetition is that it is true. The retail store is the show window our abundance. In a little town or a vast metropolis, these stores offer an almost bewilderingly varied selection of goods at prices which, measured in the light of the average family's income, are reasonable.

Contrast this with conditions in Russia, the home of communism—the system which claims to free the masses of men and women from capitalist exploitation and bring them the resulting material benefits.

E. Gordon Fox, an engineer who has lived in Russia, recently said: "Imagine a shortage of everything except perfume; imagine spending hours standing in lines to make ordinary purchases; imagine milk dished out in open cans on street corners; imagine an absence of screen and the presence of more flies than there are dollars in our national debt; imagine working a month for the wherewithal to buy a shoddy suit of clothes . . ."

Just try to imagine these conditions next time you go shopping. Then decide what you think of free, competitive enterprise and the system which makes it and all other freedoms possible.

EDUCATION AND GOOD FUN

It is reported that many hundreds of "investment clubs" are now in operation throughout the country. The usual method of operation is for the members to contribute a certain sum of money each month to a fund, which is then used to buy stocks. Some have been most successful. One club, which began in 1940, has had a total of \$17,000 in contributions. Ten thousand has been withdrawn from the fund—and \$4,000 remains.

Not all will do so well, of course. But the clubs provide an excellent means of broadening the base of business-ownership in this country. And, as one writer has pointed out, they also "offer the possibility of profit and the certainty of education and good fun."

"A lot of youngsters have been raised in the past twenty years with the idea that government support is a normal thing for farmers to expect at all times. That kind of thinking can lead to Socialism. We've got to get back to depending on ourselves in normal times."—Ezra Benson.

ARE YOU GETTING YOURS?

Are you wondering why, in spite of staggering taxes, the deficit and the national debt keep going up and up?

Is so, you might consider a book which is being advertised by a leading publisher. It is entitled "How to Get It From the Government." According to the advertisements, it "tells all about the hundreds of benefits and services provided by your government. You never dreamed you could get so much help from your government in so many ways. All kinds of benefits and services are yours for the asking." A subhead reads: "Are you getting your share of these billions of dollars?"

No criticism is implied of the publisher and author of this book, who have a perfect right to sell as many copies as they can. But the fact that such a work is possible shows how sickly far we have strayed from the ideals which built America and which made America's independence and freedom possible.

GRASS ROOTS OPINION

NEW MARTINSVILLE, W. VA., WETZEL REPUBLICAN: "The general economic level of Europe and Asia is better than it was before World War II. American taxpayers have been milked of \$29 billions by the rest of the world. We think it's about time to turn the cow out of the pasture and start being concerned about this country for a change."

BLANCHESTER, OHIO, STAR-REPUBLICAN: "It is obvious that if atomic power is to be used to increase the standards of living and bring the blessings of cheap power to millions, civilian industry must be allowed to participate in its development."

MOUNT VERNON, WASH., DAILY HERALD: "After being taxed to death on everything possible, nothing could be more unpopular than postage increases, affecting everybody. Congress could save some money by cutting out the trainloads of free postage, much of which is pure trash, sent under Congressional franking privileges."

FERRIS, CAL., PROGRESS: "For some reason or other, all socialists, whether of the mild New Deal variety or the virulent Russian Communist variety, have a positive mania to regulate everything and everybody."

CARLESBAD, N. M., CURRENT-ARGUS: "Farmers who adapt sound soil conservation measures are building the soil, not only for themselves and their children, but for the future of the country."

"WHY I BELIEVE THAT ONE MUST BE BAPTIZED TO BE SAVED"

Because Jesus said, "Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will of my Father who is in Heaven." Jesus taught the will of the Father. "When ye have lifted up the Son of man, then shall ye know that I am he, and that I do nothing of myself, but as the Father taught me I speak these things." (John 8:28). Jesus taught, "Go ye therefore, and make disciples of all the nations, baptizing them unto the name of the Father and of the Son and of the Holy Spirit." (Matt. 28:19). Again, "Go ye into all the world, and preach the gospel to the whole creation. He that believeth and is baptized shall be saved; but he that disbelieveth shall be condemned." (Mark 16:15-16). And again, "Verily, verily, I say unto thee, Except one be born of water and the Spirit, he cannot enter the kingdom of God." (John 3:5). Nicodemus had thought that Jesus meant a physical birth when He told him that "Except one be born anew, he cannot see the kingdom of God." (John 3:3). He asked Jesus, "How can a man be born when he is old? can he enter a second time into his mother's womb, and be born?" (John 3:4). Then Jesus replied, "Except one be born of water and the Spirit, he cannot enter the kingdom of God."

Perhaps this question, like the one asked by Jesus of the chief priests and elders in Matt. 21:25, is in order. Is baptism from heaven or from men?

Not one conversion in the Christian dispensation is mentioned in the Bible where the ones converted were not baptized.

The thief on the cross lived and died under the Old Law. Then, too, I would like proof that the thief was not baptized. Is it mere assumption to say either that he was or wasn't? The question is moot. Jesus told the rich young ruler, "To sell all that you have and give it to the poor." Why not take that example for conversion? Both were under the Law of Moses.

MUNDAY CHURCH OF CHRIST

CLIFFORD WILSON, Evangelist

Don Luis Terrazas of Mexico, whose holdings were the greatest in the world's history of ranching, in the 1880's and 1890's owned 12 great haciendas, or interlocking ranches, and on each of them he built a church, a school-house and ample quarters for his employees—each community surrounded by a great wall as protection against Indians and bandits. The smallest of these haciendas had a population of about 200, the largest about 2000.

The Don himself lived in a great mansion in Chihuahua City, but in 1896 he built a palatial country home which he called the Quinta Carolina—and here on every possible occasion that offered an excuse, Don Luis gathered together the families of his four sons and eight daughters. It was not unusual for the Sunday table to be set for 100 persons and one some days as many as 200 dined in the great banquet hall. The kitchen, it was said, customarily handled at least two fat steers every week—sometimes more. One wing of the palace held a big nursery for the convenience of the many Terrazas grandchildren, and the hacienda's bakery was of a size that would supply a small town.

The old Don believed in giving his children and his grandchildren every educational opportunity, preferring American schools, and as each became old enough for the college or convent, he sent them across the border into the States, more often than not in a private Pullman.

But General Terrazas himself

spent most of his own time on the ranges. He traveled from one hacienda to another in a special coach drawn by eight solid white mules; and at roundup time, Don Luis was always up at 5 in the morning and riding out at the head of the 100 to 200 vaqueros participating in the roundup. Men who were with him in those days testify that Don Luis—even then nearing his 80th year—would refuse to ride a bronc that didn't have some life about it. If a horse didn't pitch and buck a little when Terrazas swung into the saddle, he would call one of his men and tell him to saddle up an animal a little more salty.

He was also a fine roper, even in his later years—and, according to old vaqueros, it was a great sight to see him, with his long white beard flowing in the breeze, ride down a steer and throw him neatly with his lasso.

It was nothing for the Terrazas outfit to roundup twenty to thirty thousand steers at one time—for nearly every fall the Don shipped from sixty to seventy thousand head to the Chicago market by way of El Paso—this in addition to the thousands that were slaughtered every year in the Chihuahua City packing plants.

Once, Don Luis rounded up 50,000 head into one herd just for the fun of it. It was in 1910, at the time when President Diaz was traveling north for his historic meeting with President Taft on the international bridge at El Paso, and Don Luis wanted to give Porfirio Diaz a show. Accordingly, he and his vaqueros had one great, milling herd waiting beside the railroad track when the presidential train stopped briefly at Agua Nueva.

LET'S TALK LIVESTOCK
BY TED GOULDY

FORT WORTH — The stockyards at Fort Worth has been the scene of visits by some groups of young people lately that showed a very great interest in the study of livestock marketing. The sharp drop in farm prices of the past couple of years has made market know-how of much greater importance to everyone.

On Monday a class of young men from Texas A. & M. College under Ike Dahlberg were here and made an on-the-spot study of the Fort Worth market. They came on a good day, from the market standpoint, since all classes of livestock staged brisk rallies on that day.

Cattle were 50 cents or more higher, and calves were 50 cents to \$1 higher. Fat lambs were around 50 cents higher and slaughter ewes were strong to 50 cents up. Other sheep were fully steady to stronger.

Hog prices were 50 cents to mostly \$1 higher and the top was \$26. Sows were \$1 to \$1.50 higher at \$19 to \$22.50.

Another group of young men were on the market last week and they were the youths engaged in the Economy Beef Production Program sponsored by the Waco Chamber of Commerce and business men of Waco.

This program offers development of the rich central Texas farmlands as a diversified farming-livestock producing area that will be increasingly important since severe acreage allotments are upcoming next. The need for new revenue producing plans for farmers is apparent, and combining farming with livestock growing brings better balance to the operation.

In the Waco group were George Logan, First National Bank; and Leon Thompson, Citizen's National Bank, Waco; Othel Neely, C. of C. James Eppright and Jimmy Simons, Texas Power & Light Co., J. C. Fox, ag instructor at Moody; O. I. Boyd, ag instructor at Waco; O. L. Nedbaiek, ag instructor at West.

The boys had steers that sold all the way from \$14 for a Jersey steer, up to \$22 for some choice fat cattle.

In the group of boys were Max Hatter and Ray Hatter, Moody; Hildred Redding, Lorena; Wendell Edwards, West; Albert Trulock, Reagan; Stanley Rentz, Waco; Larry Burro, Reisel and Nelson Ray Cawthon, Waco.

The Peaster FFA was on hand

with some top hogs late last week and along with Instructor Sanford White were Robert Deal, Clifford Harris, James Stults, Lowell Yates, Raymond Yates, Tommy Ray, Huelyn Duval, Larry Shields, Howard Plumee, Norman Rudolph, Happy Dawson and Jerry Clinton.

The first bunch of milk lambs of the New Year arrived Monday. These lambs were shipped to Fort Worth by Walter Stephens of Concho County. The 98 head averaged 72 pounds and drew 19. This price was also top for old crop woolled lambs Monday. The Eastward march of sheep production was pointed up by a shipment of 75 woolled ewes that averaged 126 pounds and brought \$8.50. They came from Shreveport, Louisiana, consigned by A. H. Kelly. He also had some \$18 lambs and \$14 yearling mutons in the load.

From the opposite side of the map were the 180 shorn lambs from Hal Bogle, Dexter, N. M., that averaged 99 1/2 pounds and drew \$19.

A load of good feeder yearlings were sent in by John Capp, Hall County. Twenty head weighed 658 lbs. at \$18.

Northeast Texas was represented by C. A. Malone's steers from Clarksville. One hundred twenty-five steers weighing 1,136 lbs. drew \$20; 45 head at 1,041 lbs. drew \$18; and 25 head at 901 lbs. drew \$17. Harry Akin, Trav. is County, had a load of 950-lb steers at \$22. National Livestock Co., Carlsbad, N. M., marketed a load of 598 lbs. cows at \$7, and some odd baby calves at \$13.50.

Funeral services for Mrs. Sally Hill were held last Sunday afternoon at West Beulah Church. She was a faithful member of the Church of God in Christ. The pastor, Elder Y. B. Brooks, officiated. She is survived by her husband, six children, and several grandchildren, brothers and sisters.

Despite inclement weather, church school was held at West Beulah Baptist Church with a nice attendance.

The P. T. A. held its first meeting of the new year last Tuesday night. Details were worked out for a box supper to be held Tuesday night, January 19. Dues paid, \$4.

The junior pupils are sponsoring a hot dog and hamburger sale two days this week. The money is to be used for their room.

I. A. Burnaman, Jr., and Miss Betty Jean Bowdoin Are United In Marriage

In a beautiful candlelight ceremony performed in the Methodist Church in Vera on December 27 at 5:30 p. m., Betty Jean Bowdoin became the bride of I. Burnaman, Jr. As twilight deepened, burning tapers on each side of the altar softly illuminated the nuptial space. The green candles in tall branched candelabra entwined with greenery and arrangements of white gladioluses and stock carried out the bride's chosen colors of green and white.

Miss Mable Stafford of Tulsa, Okla., an aunt of the groom, sang very beautifully the chosen songs, "God Bless This House" and "O Promise Me". She was accompanied by Mrs. Wesley Martin, Seymour, as pianist, who also played the wedding march, followed by soft music throughout the ceremony.

Radiantly lovely in her floor

length dress of white Chantilly lace and net over taffeta. The bride was presented in marriage by her father. Her dress was designed with a very full skirt of net over taffeta under a pointed tunic of lace and a tight fitting bodice with a yoke of net outlined by an applique of lace and long sleeves tapering to points at the wrists. Her finger-tip veil cascaded from a tiny half halo of seed pearls. A string of pearls, a gift from the groom, with her ear crews to match complimented her costume. The bride carried a bouquet of white gladioluses and lilies topped with a removable corsage. To complete the traditional custom of something old, something new, something borrowed and something blue, she carried a handkerchief made by a great aunt over forty years ago and wore borrowed shoes of a friend.

The honor matron, Mrs. Curtis Jenkins, sister of the bride, was her only attendant. Her floor length dress and tiny half hat were of emerald green taffeta. She carried a bouquet of white carnations.

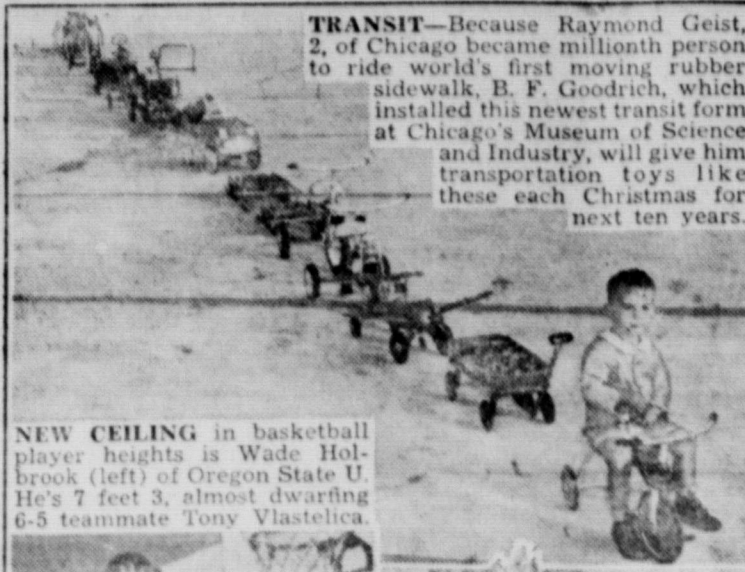

Lt. Burnaman of Washington, D. C., served as best man for his brother. Ushers and candle-lighters for the wedding included Philip Burnaman, a brother of the groom, in ROTC at Harvard, Boston, Mass.; Johnny Bowdoin, Lubbock, brother of the bride, and Curtis L. Jenkins of Freeport.

The double ring ceremony was performed before a host of friends and relatives under the direction of Rev. J. P. Cole, pastor. At the conclusion the couple knelt for a special blessing.

An informal reception was held in the Fellowship Hall of the church. A lovely lace cloth covered the table. The masses of beautiful white flowers and greenery, the three-tiered wedding cake and green punch carried out the green and white motif. The cake, made by the bride's mother, was cut by Mrs. Johnny Bowdoin of Lubbock. Miss Margaret Brown, Lubbock, presided at the punch bowl. Mrs. David Patterson, Dumas, presided at the guest book.

Amid a shower of rice and good wishes the couple departed for their wedding trip to colorful Monterrey, Mexico. The bride was prettily dressed in a soft

The Munday Study Club met January 8 in their annual Business and Federation Day.

Mrs. H. R. Hicks was the director of the Federation program assisted by Mrs. Dwight Key and Mrs. G. R. Eland, who led the group in a panel discussion on Federation.

A business session was held and officers were elected for another year.

The next meeting will be Guest Day on Friday, January 15. Out of town guest artists will perform for the club at the Methodist Church at 4 o'clock. Every club member is urged to be present and bring their guest.

Munday H. D. Club Meets Wednesday With Mrs. J. C. Rice

The Munday Home Demonstration Club met in the home of Mrs. J. C. Rice Wednesday, January 13. The meeting was called to order by the president, Mrs. Fred Lain. Mrs. Rice opened the meeting with a short devotional and song.

Mrs. C. N. Howard gave a wonderful demonstration on "Work Simplification", after the roll call and reading of minutes.

Each member is requested to bring a report and diagram on how to save steps in her work.

Refreshments were served to the following: Mmes. C. N. Howard, Hugh Eubank, J. O. Tynes.

L. L. Womble, Fred Lain, Joe Patterson, R. M. Almanrode, John Rice.

PRE-NUP TIAL TEA

Honoring Miss Betty Jean Bowdoin, a tea was given in the home of Mrs. J. D. Jefcoat in Vera, December 22, from two to four. Clusters of white wedding bells hung in the dining room. The table was lovely with white candles and a centerpiece of white flowers and satin streamers bearing the names, Betty and Ike, on a cutwork cloth.

Miss Mary Frances Laws and Mrs. David Patterson served tea and cake to the guests while Mrs. Carl Coulston played soft piano music throughout the evening.

The honoree was presented with selections of china, crystal, pottery and sterling.

The Goree Study Club met in the club room Thursday, January 13, with Mrs. Reuben Bates presiding.

Mrs. W. M. Taylor gave some very interesting facts concerning the history and restoration of Independence Hall in Philadelphia.

Officers were elected for next year. They are as follows: president, Mrs. Reuben Bates; first vice-president, Mrs. Bryan Lawson; second vice-president, Mrs. Mrs. W. M. Taylor; recording secretary and treasurer, Mrs. Alma Reeves; critic and parliamentarian, Mrs. Dorse Rogers; reporter, Mrs. James Carver; executive committee: Mrs. Barton Carl, Mrs. E. L. Stewart and Mrs. Sam Hampton; mascot, Cindee Broach.

Thirteen members answered roll call with pithy admonitions of Benjamin Franklin.

Mrs. F. T. Jarvis, Sr. returned last Sunday from a weeks visit with her daughter, Mrs. L. A. Muse, and family in Clarendon and with her granddaughter, Mrs. Odell Heff, and family in Amarillo.

Mr. and Mrs. W. E. McCauley and children of Phillips were guests in the home of Mr. and Mrs. T. J. Mitchell Wednesday night of last week. They were enroute to Seymour to attend the funeral of Mrs. McCauley's and Mrs. Mitchell's brother-in-law, E. T. Swilling.

Knox Prairie Philosopher Disturbed Over The Plight Of People Who Don't Want To Rear Children In Washington

Editor's note: The Knox Prairie Philosopher on his Johnson Grass farm on Miller Creek seems to be discussing politics this week, but you never can tell. Dear editor:

With a political year shapin' up, I have naturally devoted considerable thought to politics lately, although politics to me is an enterprise similar to plowin', something more to be observed from a distance than to be participated in actively, and I've noticed an odd thing.

From time to time I have noticed where some prominent man, being talked up by rumors as a possible candidate for some national job, has declined to get interested on the grounds he doesn't want to bring up children in Washington. And some Washington office-holders have declined to run for re-election, just to get their children out of the place.

I have thought about this a long time, and while it's my opinion more men have been ruined in Washington than children, still the Washington-shy may have a point and I've been wonderin', you reckon we ought to start a campaign to make Washington a fit place to bring children up in?

Of course, the thing isn't as simple as it sounds. In the first place, most grown-ups in Washington were put there by the voters, and if it has resulted in the place turning into a town unfit to bring children up in, you can see whose chickens have come home to roost.

Moreover, while I have considered the problems of the nation could be attributed to juvenile

This pretty sleepyhead wears a prizewinning pajama-robe set made from cotton feed and flour bags. Her attractive ensemble was one of the outfits made by members of the 4-H Club in Bracken County, Kentucky, who won first place in their state in a cotton bag sewing contest sponsored by Singer Sewing Machine Company and the Textile Bag Manufacturers Association. The girls won a cabinet sewing machine for their skill in making cotton bag fashions.

delinquency in Washington, I always figured you'd have to go up the age scale just a little to really put the blame in the right place, still somebody has to serve in the national capital and if nobody's left there except the parents who don't care how their children are brought up, you can see what the future of the nation is.

I was talkin' this problem over with my neighbor and he suggested it could be solved by movin' in the national capital some place else besides Washington, but I doubt if this would work. In the first place, where would you put it? We got no room for it out here. And in the second place, what would keep the new place from turnin' in to another Washington, if the same people was runnin' it?

Personally, I prefer o work on the angle of keepin' Washington where it is and tryin' to work out some system whereby it will become a safe place to bring children in. I know a lot of men you couldn't trust to send to Washington, but didn't know you couldn't trust children there either. Something ought to be done about this right away, as there are a lot of good men we could use up there.

Yours faithfully,
J. A.

Home Demonstration NOTES

By Anna Lee Drieschner
Home Demonstration Agent

In winter most home owners begin to think about putting out trees and shrubs to improve the home grounds. This is especially true after the dry summers we have had.

Most houses need five or more trees for adequate shade and attractive framing. Some houses need less.

Two most frequently made mistakes in home grounds improvement are overplanting and crowding shade trees. The distance apart depends on the size of trees when full grown.

When selecting trees remember the evergreens like cedar, and magnolia are excellent for background and framing, but should be planted far enough from the house to allow plenty of sunshine during the winter. Ordinarily houses which face the north rarely need shade trees at the front, here is a good opportunity to plant some beautiful trees like the mimosa or silk tree which do not make a dense shade. Adapt the size of the trees to the house. Many smaller trees such as apricot, pear, plum, redbud, and dogwood go well with the modern houses.

Guill is a former Texan, now executive assistant to Postmaster General Arthur E. Summerfield. Dr. Benson is a columnist of note and president of Harding College. The occasion will be TPA's 7th Annual Mid-Winter Meeting.

Weekly Health LETTER

Issued by Dr. Geo. W. Cox,
M. D., State Health Officer
of Texas

AUSTIN—State Health Officer George W. Cox, who last month submitted his resignation as head of the State Department of Health, said Tuesday his "future efforts and activities" would be guided by friends whom

he has asked to comment on the program he has conducted during his 17-year tenure of office.

Dr. Cox said he had "desperately tried to provide the people of Texas with the best public health program possible under existing circumstances."

"To the extent I have been successful, and to the extent I have failed, I am requesting my friends and all concerned to write me a personal letter outlining their approval or objections, and to make such suggestions as would improve this service."

"This information will guide

my future efforts and activities."

Dr. Cox submitted his resignation, effective March 1, to the State Board of Health last December, saying that he didn't care to continue in the job hampered by insufficient resources to carry on his program, one of the most ambitious in the nation.

His resignation pointed out that the federal congress had cut more than \$1,000,000 in grant-in-aid funds from his department's operating budget and the State failed to replace the reduction.

The board of health was unanimous in commending him for his

administration of the department's far-flung affairs.

Vital statistics show impressive gains made in the control of principal communicable diseases during Cox's period of office. Syphilis death rates have been reduced by 74 percent; 99 percent for malaria; 98 percent for typhoid fever. Maternal death rates have been cut by 84 percent, and infant mortality by 54 percent.

Mr. and Mrs. J. W. Henderson of Olton were Sunday guests in the home of her sister, Mrs. Freddie Morrow.

CHIPPED BEEF, RICE MAKE TASTY CASSEROLE

An economical and appetizing dinner menu can be planned around a casserole dish which combines baked chipped beef and rice. Although chipped beef is one of the cheaper meats, it is an excellent source of protein. Use individual casseroles for serving this tasty, inexpensive main dish.

3 cups hot cooked rice
4 ounces dried beef
2 cups medium white sauce (omit salt)

2 tablespoons margarine
1 tablespoon grated onion
1/2 cup bread crumbs

Separate dried beef into chips. Melt margarine in a skillet over low heat. Add chipped beef and cook in margarine until the edges curl and beef is slightly browned. Add chipped beef to white sauce, and then taste for seasoning. Adjust seasoning, adding a small amount of salt, if needed. Place alternate layers of cooked rice and chipped beef sauce in six margarine individual 8 or 10-ounce casseroles (an 8x8x2" baking dish may be used.) Melt margarine in a skillet over low heat. Add the onion and cook lightly. Add bread crumbs. Stir to coat crumbs. Sprinkle crumbs over top of casseroles. Bake in a 400 degree oven until crumbs are slightly browned (about 20 minutes.) This recipe makes six servings.

THE MUNDAY TIMES

*To every woman who thinks
a clothes dryer is a Luxury...*

If you took the second "a" out of the sentence above, you'd be right. A clothes dryer is luxury! But it's not a luxury in the money-could-have-been-better-spent sense of the word.

There are lots of ways that a clothes dryer will save you money as well as work. You don't have to buy as many clothes, sheets, towels, or baby things when you have a gas dryer. Laundry takes so little of your time that you can squeeze it into your schedule more often. (And a dryer cuts out a third of your ironing!)

You aren't the least bit dependent on the weather when you have a gas dryer. You can give your clothes the ultra-violet lamp's sunshine treatment any day (or night) . . . rain or shine! And there's no wind-whipping, clothes-pin ripping or sun-fading that make clothes wear out so much faster. Gas-dried things last twice as long!

Clothes drying with gas in most areas is four times as economical as with any other automatic fuel. The fuel cost itself is lower, plus no costly, slow warm-up. Automatic gas dryers dry clothes twice as fast. Their installation costs less.

See the new automatic gas dryers today. You'll be surprised at what they can do!

Award Texas 4-H'ers Chicago Trips

Bernardine Hoelscher Bondell Jaster Murray Milner, Jr. Janell Meyer

COVETED all-expense trips to the 32nd National 4-H Club Congress in Chicago have gone to four Lone Star State club members who have distinguished themselves in the 1953 National 4-H Canning, Farm and Home Electric, Food Preparation, and Girls' Record programs. Summaries of achievements of the state winners follow:

State honors in the 4-H Canning program for 1953 in Texas were awarded to Bernardine Hoelscher, 18, Robstown, who put up 4,927 quarts of vegetables, fruits and meats in her ten years in club work. Much of the food preserved was grown in her own 4-H garden. Kerr Glass provided her all-expense trip to the Congress. Bernardine has been active in 4-H work in many phases, but she is especially proud of her achievements in the home canning field. Through instructions at the 4-H Club under the guidance of her leader, Mrs. Paul Wendland, she has learned the newest and most efficient methods of canning. Bernardine has her own garden and says that her canning project helps her to plan it.

Her all-around outstanding record in home economics has brought a high honor to Bondell Jaster, 16, Chilton. She has been named state winner in the 1953 4-H Girls' Record program. Her reward of a trip to the National 4-H Club Congress was provided by Montgomery Ward.

During her seven years in 4-H Club work, she has received many honors in county Dress Reviews, attaining first place in 1953. She received the County Electric Medal in 1952 and was, also, County Gold Star Girl that year. Bondell has eight demonstrations to her credit before a total attendance of 186. Her mother and father, Mr. and Mrs. H. M. Jaster, have encouraged her in all her 4-H work. Her mother was a 4-H member and it had always been Bondell's dream to follow in her mother's footsteps. She has

All these programs are conducted under the direction of the Cooperative Extension Service.

Noteworthy efforts in the 4-H Farm and Home Electric program have gathered State laurels and an all-expense trip to the National 4-H Club Congress in Chicago for Murray Milner, Jr., 17, of Brownwood, provided by the Westinghouse Educational Foundation. During three years in the project he has utilized electricity and electrical equipment, which has meant greater productivity on the farm.

Murray built two electrical brooders, two portable motors, six trouble lamps, and one electric stock fan, as well as repaired 70 irons, 20 fans, 6 mixers, 30 lamps, 15 motors and 20 lights. He installed 75 plugs, 50 switches, 50 fixtures, 10 floodlights and 50 air conditioners. He gave an electrical demonstration at District 8 4-H Club camp in 1951, and directed a group through the power plant of the Texas Power and Light Co.

Planning, selecting and preparing nourishing foods has been a challenge to Janell Meyer, 19, Cuero, during her nine years in 4-H Club work. Due to her outstanding record, she has been named state winner in the 4-H Food Preparation program. The trip award was provided by Kelvinox.

Janell has cooked and served 5,064 meals and prepared 1,545 dishes. In addition, she has canned 2,240 quarts of foods, and frozen 1,020 fryers.

What the Word of God Says

Luke 2:7. And she brought forth her first-born son, and wrapped him in swaddling clothes and laid him in a manger; because there was no room for him in the inn.

Luke 2:11. For unto you is born this day in the city of David a Savior, which is Christ the Lord.

If your Bible doesn't have the truth of Christ's birth, which is what Christmas is in memory of, I would suggest you purchase a King James version.

We love our families (or should) but we still like to do something extra for their birthday—how much more we should want to do something for Jesus.

One who needs christian prayers that my life will be lived more for Christ in the future than it has in the past.

—MRS. CLIFFORD CLUCK.

YOUR HEADLIGHTS AREN'T OUT OF FOCUS! The after-dark vision you're seeing is Miss General Tire, displaying the new plastic traffic signs being manufactured at the Marion, Ind. plant of The General Tire & Rubber Company. The signs, made of Sty-loy (glass-reinforced polyester), were designed for maximum reflectability and are tougher and lighter than conventional signs. They withstand the effects of age and weather without painting or other maintenance, and resist the abuse of common vandalism. By use of varying legends, the 17 basic signs expand to nearly 80 types of highway markers.

FARM LABOR OUTLOOK

The prospects are good this year concerning the supply of farm laborers and practically all items and materials used in farm production.

Although no serious shortages developed during 1953, the labor outlook was at first dim but later proved adequate, in most areas of Texas. The bright labor picture this year still will not lessen the need for effective recruitment campaigns, however, and the spread of available farm hands must be achieved in an orderly manner by state and local agencies.

Farm employment last year averaged about the same as in 1952. The halt in the downward trend in farm hiring points to some improvement in the supply of farm labor.

But even though there may be a slight increase in the overall supply of labor this year, the supply of experienced year-round workers is expected to continue

fairly tight. Non-farm jobs are still luring workers from the land.

The drafting or enlistment of farm workers in the armed services also will continue to create adjustment problems in some areas. Foreign workers probably will be available again this fall for contract farm work.

Pay rates are not let slackening. Instead, they are slightly higher than the record high in 1952—or were last fall—and were about 7 percent higher in 1951.

Farm wages are expected to average near present levels in 1954.

For those farmers who need new equipment this year, prices probably will be near November, 1953, levels but price concessions and trade-in allowances may be more general and liberal.

Fertilizers of all types are expected to be around the same—and still a good buy when considering their value in terms of

TRIM TRAVELER — There's a good reason for her gay, "come what may" air, for she is prepared for any switch in the elements. Her boyish coat of denim is Zelan treated for water repellency and is lined with colorful cotton plaid. The popular "boy coat" style is back, National Cotton Council fashionists report.

WB FILM SHOWS ZAPOTEC RUINS

A feast of scenic beauty is promised when Warner Bros. adventure-drama "Plunder Of the Sun" comes to the Roxy Tuesday and Wednesday. Filmed entirely on location in the land where the ancient Zapotec civilization existed near Oaxaca, Mexico, the film reportedly will show scenes of the temples, palaces and treasures of one of the most ancient civilizations to inhabit the Western Hemisphere.

Though much excavation has yet to be done, fully one-third of the mountain-top cities have been cleared of more than 2,000 years of jungle growth and debris. It was amid these portions of the cities of stone that Glenn Ford, Diana Lynn, Patricia Medina and the entire Warner Bros. production company filmed the story of a hunt of the wealth of an entire civilization.

Mr. and Mrs. Jim Henslee and Mr. and Mrs. Leland Floyd and Carol visited Mr. and Mrs. W. B. Hayley and children in Fort Worth and Mr. and Mrs. Billy Joe Henslee in Dallas over the week end.

LOCALS

Mr. and Mrs. J. Weldon Smith and children visited relatives in Lubbock over the week end.

Guests in the home of Mrs. Mae Bowden last Sunday to help her celebrate her birthday were all of her children and their families. Present for the occasion were Mr. and Mrs. C. J. Reece and Mr. and Mrs. Charles Reece and girls of Knox City, Mr. and Mrs. O. H. Spann, Jr., and Cindy of Sweetwater, Mr. and Mrs. Oscar Spann and Bera Faye, Mr. and Mrs. Levi Bowden and son, Jerry; Mr. and Mrs. Chester Bowden and Mrs. Erin McGraw, all of Munday.

Mrs. Nell Anderson and Mrs. Tommie Blanck of Wichita Falls were week end guests in the home of Mr. and Mrs. A. E. Bowley and Mrs. J. O. Tynes.

John Brown of Eunice, N. M., visited relatives and friends here the first of this week.

Mr. and Mrs. Bill Lemley were Sunday guests in the home of Mr. and Mrs. John Lemley in Wichita Falls.

Miss Patsy Morrow of Abilene was a week end guest here with her mother, Mrs. Freddie Morrow.

Miss Merie Dingus and Miss Christine Burton were Wichita Falls visitors last Friday.

Joe Choucair and Kay Waheed attended market in Dallas the first of this week.

What Is the Most DEADLY Weapon in American History? THE AUTOMOBILE

Since the first fatality (Automobile) in 1899, more people—64,000 more—have died on this country's highways than on the battlefields of all united wars—including the Revolution and the Korean Conflict.

IT ISN'T A QUESTION OF HOW GOOD A DRIVER YOU ARE—AS TO WHETHER YOU SHOULD HAVE AUTOMOBILE INSURANCE, BUT WHEN WILL YOU MEET A DRIVER THAT WILL CAUSE YOU TO NEED THE PROTECTION OF AN AUTOMOBILE LIABILITY INSURANCE POLICY TO PROTECT YOUR RIGHTS AND PROPERTY. Do you have automobile liability insurance? Have you been unable to buy automobile liability insurance because you have had your driving license suspended?

We have complete AUTOMOBILE INSURING FACILITIES IN OLD LINE CAPITAL STOCK COMPANIES and will be glad to discuss your insuring problems with you.

increased production. Little change from fall price levels is expected during this year.

Insecticides and pesticides, necessities in some areas of Texas, will be in adequate supply at about the same prices. Costs of pesticides are lower now than in 1952 and probably will remain at present levels this season.

Arthritis?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

Haskell County Farm Bureau To Meet On Monday

R. G. (Riley) Arnold, Asst. Representative of the Southern Region of the American Farm Bureau Federation, of Alabama, will be the guest speaker at the county meeting of Haskell County Farm Bureau on Monday, January 18th, at 7:30 p. m. in the American Legion Hall in Haskell.

Mr. Arnold is an outstanding speaker and has a dry wit that will keep his audience most amused, and has a wealth of information about Farm Bureau, Shelly Royall, local president, said. You will not want to miss hearing this fine talk, he said. Mr. Arnold asked that this meeting be called "Family Night", which means that each member is urged to bring his family,

friends and neighbors for an evening of fun, fellowship and facts. Loys D. Barbour, District III director of Texas Farm Bureau, will introduce Mr. Arnold and refreshments will be served. Royall also advised. Everyone is invited.

Sally Hill Rites Held On Sunday

Funeral services were held Sunday from the Church of God in Christ for Mrs. Sally Hill, colored, who died on January 5. She was born November 24, 1906, and was 48 years, one month and 11 days of age.

She is survived by her husband, Jess Hill; six children, Mrs. Willie B. Carter, Mrs. Erma Lee Lockridge, Mrs. Jess Aileen Turner, Jess Hill, Jr., all of Munday; Mrs. Annie Lee Anderson of Abilene, L. B. Hill of Phoenix, Ariz.; seven brothers and sisters, 12 grandchildren and two great grandchildren.

Mr. and Mrs. W. C. Cox were called to Winsboro during the week end because of the serious illness of her brother. They returned home Monday night and reported that he was greatly improved.

Foiled Kremlin Stooges

Vaclav Uhlík, Czech Mechanic, his wife, Maria, and their two children, Eva, 4, and Vaclav, Jr., 6, who escaped from communist tyranny in a fake armored car which Uhlík rebuilt from a war-torn British scout vehicle he found near his Czechoslovakian home. The Crusade for Freedom has brought the family and their escape vehicle to this country as symbols of resistance to Kremlin oppression.

Mr. and Mrs. Doris Dickerson and sons and Mr. Oran Howard were Sunday guests in the home of Mr. and Mrs. Wayne Couch in Big Spring.

Mr. and Mrs. Chancey Hobert were visitors in Abilene last Monday.

Miss Merle Dingus and Mrs. Mae Couch and sons visited relatives and friends in Pampa over the week end.

Mrs. Dan Wallace of Abilene visited relatives here this week.

LOOKING THINGS OVER!

Looking over the Santa situation, this well-dressed little miss speculates on what goodies she is going to find in her Christmas stocking. Her dress of turquoise broadcloth has its own tiny slung sweater, just like the grown-ups wear. The cotton broadcloth dress by Cinderella Frocks has a tight-fitting waist and the bodice has dimeshirt tucking. The dainty slung sweater is a cotton knit.

WHAT'S THE ANSWER?

Q. Although I seem to be perpetually emptying ashtrays my house often contains a stale cigarette odor. Do you know any way I can alleviate this unpleasant smell?

A. Yes, here's a trick you'll find most helpful. Sprinkle a little dry baking soda in the bottom of each ashtray. Soda not only helps reduce stale cigarette odors and makes ashtray cleaning easier, but it quickly squelches those half lit cigarette stubs — prevents the danger of fires.
