NO. 20

## Kracker Krumb

Odd Bits Salvaged  
at Random

Be a "goodfellow" this Christmas.

That thought is on the minds of American Legion members and voluntary firemen during this month.

Goodfellow boxes have been placed in various stores of the town. Their purpose is to collect your gifts of food, clothing, toys, etc., to be assembled into Christmas boxes and delivered to families less fortunate than you on Christmas eve.

In addition to the boxes, there are ice cream containers in the stores labeled "Goodfellow Fund."

In the lid of these boxes is a slot, cut for the purpose of receiving your pennies, nickels, dimes, quarters—and the slot's big enough to take a half dollar or some of your folding money if it's folded.

We stuck in a quarter in one Monday, and it hit bottom, kaplak. Not much money in there at that time.

But they expected to gather up quite a bit of loose change which can be spent for groceries or the dire needs of those in dire need.

Legionnaires and firemen will then play the "goodfellow" on Christmas eve. They expect to have a list of families whose Christmas would be rather bleak and empty, except for the thoughtfulness of others.

The local "goodfellows" will prepare boxes for these families, placing items in them according to their need, and deliver them to their homes on Christmas eve.

It's a good movement, and one in which everyone can have a part.

If you don't wish to purchase some item, or don't know what to buy, just drop coins into the ice cream containers. The "goodfellows" will use the money to make purchases in keeping with the needs of those on their list.

And everyone will be happier at Christmas, including you who have had a part in bringing happiness to others.

Christmas tree sales have been rather brisk on the southeast corner of the city hall lawn for several days.

That's the Lions Club project—those Christmas tree sales—and one which local merchants who formerly handled the trees were glad to turn over to them.

The Lions expect to make a little profit from the sales, but the money won't go down in their jeans or in a bank account for long.

They'll use it to pay on the remodeling project at the American Legion Hall. And that dining room was looking right snazzy Tuesday, with the work just about all done up brown.

New panelboard sheetrock has been placed on the walls and ceiling, new light fixtures installed, new tile floor covering placed on, the kitchen redone and repainted, and everything looks nice.

It's a place where we're not ashamed to take our friends "now," one member remarked. It's a place, too, that will likely be in demand for club or private dinner parties—a nice, clean, cozy place where you can meet and eat.

The last event of the 1954 football season is now past. The annual football banquet, featuring Slinging Sam by Vaughn as speaker, was held last Friday night.

Now the boys can devote full time to other forms of athletics, which have already consumed some of their time. They played a close, but losing, game for consolation last week end at the Seymour basketball tourney.

## J. A. Caughran, Pioneer, Passes Here Saturday

J. A. Caughran, pioneer of this community and church and civic leader for many years, passed away at the family home in Munday shortly before noon last Saturday. He suffered a heart attack while working in his yard.

Joseph Austin Caughran was born in Webster County, Mo., on April 14, 1894, and was 60 years, 7 months and 21 days of age. He came to this area with his parents in 1902, and here he remained to help in the building of a christian community.

Familiarly known as Austin, Mr. Caughran served his church and community in many ways. He was manager of the local Cameron Lumber Company from 1926 until a heart condition forced him to retire in 1945.

A steward in the Methodist Church for over 25 years, Mr. Caughran held practically every church position in the church during this time and was for many years official conference representative of the church.

On Tuesday before his death he attended a district meeting in Throckmorton and was recognized as a layman who had done much for retired ministers.

He was a member of the local Masonic bodies, a Shriner and a 32nd degree Mason. He lived a devoted Christian life and one that was helpful to many others.

Funeral services were held from the First Methodist Church in Munday at two o'clock last Monday afternoon. Officiating were Rev. H. Doyle Ragle, local pastor; Rev. Luther Kirk of Plainview, Dr. J. O. Haynes of Plainview and Rev. R. B. Freeman of Abilene. Burial was in Johnson Memorial Cemetery under the direction of McCauley Funeral Home.

Nephews served as pallbearers: M. L. Wiggins, John Wiggins, Kenneth Wiggins, A. T., D. G., and Keith Chamberlain, Dr. James Lee, Travis Lee, L. C. Caughran and Virgil Caughran. Stewards of the church were named as honorary pallbearers.

Surviving him are his wife, Mrs. Kemmie Caughran; one son, M. B. Caughran of Lubbock; three brothers, Rev. Wm. I. Caughran of Chicago, Ill.; Morgan Caughran of Boston, Mass., and Alonzo Caughran of Grady, N. M.; one sister, Mrs. Alice Peters of Sacramento, Calif.; one granddaughter.

## New Pastor And Family Honored At Reception Sunday

The First Baptist Church honored the new pastor and his wife, Rev. and Mrs. Robert Lloyd with a reception at the Baptist Fellowship Hall last Sunday afternoon. Member of the Amigas Sunday School class acted as hostesses.

The hall was decorated in a Christmas motif with colored leaves and berries carrying out the theme. Red carnations and silver leaves made up the centerpieces on the two serving tables.

Guests were greeted by Rev. Mrs. Lloyd, Mrs. Jack McCall, Mrs. Clyde Nelson, Mrs. J. O. Bowden, Chan Hughes and Leland Hannah.

Girls from the intermediate and senior departments played the background music during the afternoon.

Mr. and Mrs. M. H. Dean visited their daughter, Mrs. Bill Rippeoe and family in Lubbock over the week end.

## Weather Report

For seven days ending 7 P. M. December 8, 1954 as compiled by H. P. Hill, U. S. Weather Observer.

## Atkeison's Has Anniversary Sale

The annual anniversary sale, marking 43 years of service to the community, is announced this week in a full page ad by Atkeison's Food Store. Prices advertised are good through Christmas eve, it was announced.

From a meager beginning, this store has grown into one of the leading firms of this area and is always keeping abreast of the times by regular improvements and the addition of up to date equipment.

New Butcher Employed  
R. D. Atkeison, owner, and J. E. Reeves, Jr., manager, announced this week that James Black is now employed in Atkeison's market. Mr. Black has followed this business for several years, and he invites the public to call on him for anything in the market line.

## Banquet Honors Mogul Players

The Munday Moguls were honored at the annual football banquet here last Friday night by members of the pep squad. This year's event featured an inspiring address by Slinging Sammy Baugh.

Sue Norville, head cheerleader, was mistress of ceremonies for the event which was attended by 191 guests.

Coach Troy Stewart introduced his squad of 33 boys, 26 of whom were lettermen, and gave a brief account of each player's activities during the past season.

Earlene Edwards extended the welcome, and Benny Ledbetter made the response. A pair of songs were sung by a chorus of six pep squad girls: Nancy Patterson, Marquita Barton, Glenda Guffey, Barbara Carver, Lou-trell Milstead and Nancy Matthews.

A boys quartet composed of Wyman and Gerald Tidwell, Terry Harrison and Don Whitworth presented a song before Nancy Patterson and Glenda Guffey sang a parody entitled "Randolph, the bowlegged cowboy."

A jazz band composed of Charles Walker, Deanna Hobert, Dickie Morris, Jacqueline Clowds, Rudy Martinez and Harold Jackson presented several numbers.

The address by Baugh, former Texas Christian University and professional football player, preceded the presentation of awards. Peggy Thigpen, Ann Elliott, Sue Voss, and Pat Putnam and Loretta Floyds assisted with the presentations.

## NAME NEW OFFICERS

Officers for the coming year for the Munday Fire Department were elected at their meeting last Monday night. Officers elected are as follows: president, Joe Lane; vice president, Eugene Brown; secretary, Geo. Beatty; asst. sect., Robert Hosea; fire chief, John E. Lane; first asst. chief, E. Y. Johnson; second asst. chief, J. B. Scott; doctor, Dr. R. L. Newsom; chaplain, Ed Thomas; mascot, Chucky Griffith; department mother, Mrs. E. Y. Johnson.

## STUDY CLUB TO HAVE CHRISTMAS PROGRAM

The annual Christmas program of the Munday Study Club will be Friday afternoon at 4:00 o'clock.

Mrs. J. S. Shannon will give the devotional and Mrs. Chan Hughes will give a Christmas story. Members of the class are asked to bring presents for the basket to be sent to the Wichita State Hospital.

## Nativity Scene At First Methodist Church To Be Lighted Next Sunday

## A. J. Morgan, 99 Passes Tuesday At Roscoe Home

A. J. (Uncle Bud) Morgan, one of the most stalwart christian men of this era, passed away at 11:10 a. m. Tuesday in a convalescent home in Roscoe. He had been in ill health for two years.

Born in Mississippi on April 22, 1855, Mr. Morgan would have been 100 years old had he lived until his next birthday. He had been a member of the Baptist Church since he was 16 and served as deacon for 67 years.

"Uncle Bud" was an inspiration to all with whom he came in contact. He lived a devoted christian life and was happiest when serving his church.

He had made his home in Munday since 1915 until just two years ago when he and Mrs. Morgan entered the home at Roscoe. They still called Munday their home.

Surviving him are his wife, Mrs. Carrie Morgan of Munday; two daughters, Mrs. G. T. Stevens of Winslow, Ariz., and Mrs. Curtis Neal of Guadalupe, Ariz.; two grandchildren, eight great grandchildren, and a number of nephews and nieces.

Funeral services were slated for 2:30 p. m. Thursday from the First Baptist Church in Munday, with the pastor, Rev. Robert H. Lloyd, and Rev. S. E. Stevenson of Goree officiating. Burial will be in Johnson Memorial Cemetery by McCauley Funeral Home.

Serving as pallbearers will be J. O. Bowden, Leland Hannah, M. H. Reeves, C. M. Thompson, Chan Hughes and B. L. Blacklock.

## Munday Girl Is Named Sweetheart Of McMurry Team

ABILENE—(Sp1)—Two of the biggest honors that can come to a McMurry College co-ed were bestowed on Julie Massey, daughter of Mr. and Mrs. J. W. Massey of Munday, here last week.

Miss Massey was elected as one of McMurry's eight most beautiful girls on Tuesday, and then was crowned as the college's Athletic Sweetheart for 1954-55 at an all-school sports banquet Friday night.

The eight top beauties at McMurry were chosen in a "live" judging contest sponsored by the 1955 Totem, college annual.

They were judged on beauty of face and figure, smile, walk, graciousness, charm, poise, and personality. The 15 girls in the run-off election appeared together and individually, in evening dresses, before a panel of seven judges. Students from McMurry, Abilene Christian College, Hardin-Simmons University and Abilene High School made up the judging panel.

Miss Massey, who will be featured as a "Totem Beauty" with a full-page picture in the McMurry yearbook for 1955, won the same honor last year as a freshman.

She was voted the honor of Athletic Sweetheart by McMurry athletes in all varsity sports, and was crowned at the Friday banquet by Dr. Gordon R. Bennett, executive vice-president.

A 1953 graduate of Munday High School, Miss Massey was annual editor, secretary of her senior class, a member of Who's Who, and a school beauty at MHS.

At McMurry, she is secretary of the sophomore class and a member of Delta Beta Epsilon, girls' social club.

## BIRTH ANNOUNCEMENT

Mr. and Mrs. Vernon Spaeth of Fort Worth are announcing the birth of a daughter, Debra Lynn, on Wednesday, December 1, at the All Saints Hospital. She weighed 7 pounds and 10 1/2 ounces and is 20 inches long. She has a three year old brother whose name is Michael Vernon. Grandparents are Mr. and Mrs. Carl Spaeth of Yoakum and Mr. and Mrs. T. A. Walker of Fort Worth. Great grandmother is Mrs. G. P. Burns of Munday.

## Bonnie Adams, 5-Year Old Girl, Dies Of Injuries

Bonnie Lola Adams, five year old daughter of Mr. and Mrs. Delbert Adams, passed away Sunday night in a Dallas hospital of injuries received here Saturday night when she was struck by a moving auto.

The child had attended the local picture show, and suddenly ran into the street to join her parents. She apparently ran into the vehicle driven by a local youth, striking the front fender. Local police and highway patrolmen who investigated the accident absolved the driver of any blame, stating it was apparently "an unavoidable accident."

Funeral services for the child were held at 3 p. m. Tuesday from the home of her grandparents, Mr. and Mrs. Frank Adams, with burial in Johnson Memorial Cemetery by the McCauley Funeral Home. Officiating were Rev. Raymond King and Rev. E. Marion of Munday.

Survivors include the parents; two brothers, James Glenn and Doyle Lynn; a sister, Betty Louise; the grandparents, Mr. and Mrs. Frank Adams of Munday and Mrs. J. L. Williams of Breckenridge.

## FORMER MUNDAY COUPLE TO OBSERVE GOLDEN WEDDING ANNIVERSARY

Mr. and Mrs. G. C. (Claid) Thompson of San Beto, formerly of Munday, will observe their golden anniversary at their home on Saturday, December 25, with open house being observed from 2 to 5 p. m.

"We will be glad to hear from our friends who are unable to come," they said. "Munday still seems like home. We live close by for 25 years."

## Mogul Band To Boost Sales Of Christmas Trees

Harold Jackson and members of his Mogul Band will help boost the Loins Club sale of Christmas trees Friday afternoon.

The local band will give a concert on the city hall lawn Friday afternoon from 4:30 to 5:40 o'clock. Everyone is invited to come out and hear this concert.

Christmas trees will be on display, and those who desire them may purchase them during the concert. This move is sponsored by the Lions Club.

## QUARTERBACK CLUB WILL MEET MONDAY

The next Quarterback Club meeting will be Monday night, December 13, at 7:30 p. m. in the grade school building. A Humble film will be shown.

The meetings will be held on the second Monday night of each month.

## Around 600 Visitors Attend Open House Of New Bank At Knox City

An estimated 600 visitors thronged through the Knox City National Bank Saturday, Sunday, Monday and Tuesday.

J. M. Averitt, vice president, said Monday that many of the visitors came from out of town to see the new \$65,000 plant. Open house was formally set Saturday. However, because of the large numbers who wished to see the bank, it was opened Sunday afternoon.

## Serious Problems Face Cotton Growers In Referendum Slated For December 14

## The outcome of the cotton marketing quota referendum to be held throughout the nation's cotton-growing area on December 14 will determine the level of price support for cotton produced in 1955 and therefore is of vital concern to every cotton grower, says T. H. Jones, Chairman of the Knox County Agricultural Stabilization and Conservation Committee.

The marketing quota program will be in operation for next year's crop, the chairman explains, if at least two-thirds of the votes cast in the referendum are in favor of the program. In that case, price support will be available for the 1955 crop of upland cotton at a level between 82 1/2 and 90 percent of parity. If more than one-third of the votes are against quotas, the price support level to eligible growers would drop to 50 percent of parity.

The choice before cotton growers, according to Chairman Jones, essentially is whether or not they want a reduced acreage and price support between 82 1/2 and 90 percent of parity. He explains that acreage allotments will be in effect even though quotas are disapproved; compliance with such cotton allotments and with any other crop allotments established for the farm will be required for eligibility for price support, no matter what the level of support.

Chairman Jones urges all growers to vote in the referendum. In his opinion, the decision will have far-reaching effects, and the question deserves the serious study and the carefully considered vote of all who grow cotton.

## KNOW COUNTY COTTON ALLOTMENT FOR 1955

The cotton allotment for Knox County for 1955 is 62,418 acres. This is 1,979.0 acres less than the original allotment for 1954 and 8,865.0 acres less than the final allotment for 1954. The allotments in 1955 were computed on an adjusted cropland basis with a factor of 3789. A large reserve was withheld and this was distributed among farms on the basis of the 3 year average cotton history. After the reserve was distributed the allotments for all farms will vary from 40% to 41.5% of the adjusted cropland.

All cotton allotments were mailed to farmers on Dec. 3, 1954.

## Girls Cage Tourney Slated At Goree

A girls' basketball tourney is scheduled at the Goree school gym this week end, with play beginning at 5:45 Thursday afternoon. Opening game is between Mattson and Weibert, to be followed at 7 p. m. by a game between Munday and Goree.

Other teams entered are Benjamin, Megargel, Knox City and O'Brien.

Trophies will be awarded first and second place and consolation winners. Friday's games will begin at 7 p. m. and finals at 7 p. m. Saturday.

## Munday Cage Teams Win In Two Games

The Munday basketball teams emerged winners in two games and lost two during the first of this week.

The Crowell Wildcats downed the Moguls in two games Tuesday night on the local courts. Members of the "B" team defeated Crowell by the close score of 48 to 47. Robert Bowden was high point man in this game.

The big Moguls lost another close one to the Crowell "A" team by a score of 69 to 64. Joe Sharp was high point man with 18 to his credit.

Junior High teams defeated Weibert on Tuesday afternoon. Munday girls won by a score of 24 to 8, while the boys took their game, 31 to 25.

### WANTED: MORE WISE MEN

Many centuries ago, three Wise Men made a long journey and they arrived safely. The purpose of their trip to Bethlehem was to celebrate the birth of the Christ child.

Now, one thousand, nine hundred and fifty-four years later, many men will journey to their own birthplace to join family and friends in celebrating that same birthday anniversary—Christmas.

These men will travel differently—by high speed motor vehicles—but if they are wise men they, too, can arrive safely.

It is ironic that this Christian occasion should be the most deadly from an accident standpoint, the National Safety Council says. Last year, 519 persons were killed in Christmas weekend traffic accidents—and December 24th the most dangerous day of the year in traffic.

Early darkness and bad weather, which add up to poor visibility, increase holiday traffic hazards. Fogged windscreens also make it difficult to see and avoid accident situations.

Rain, snow and ice mean slippery streets and highways.

Good fellowship stimulates more drinking, often before driving.

And thousands of unwise men fail to adjust their driving speeds to these hazardous conditions.

To overcome the added hazards of the season, the Council says, more wise men, bearing gifts of extra caution, courtesy and common sense, are needed. Then the traditional spirit of Christmas—"Peace on Earth, Good Will to Men"—will spread over the highways of the land.

### A DYNAMIC FOUNDATION

Many years ago it was observed that the long time outlook of the farm equipment industry "is, and always has been, bright."

Experts within and without that industry believe those words are just as appropriate and accurate today as they were then.

Over short periods of time, farm equipment sales may rise or may fall, depending on changes in agricultural income and other factors. But in the long pull the trend inevitably will be upward. For these amazingly efficient and economical tools are what make the continuance of the agricultural revolution possible—just as they made its beginning possible. A century ago arduous work by about 85 per cent of the population was required to produce the nation's food and fiber. Now a very small percentage of the population

### SUBSCRIPTION RATES

In first zone, per year . . . . . \$2.00  
 In second zone, per year . . . . . \$2.50

The Munday Times is Democratic, yet supporting only what it believes to be right, and opposing what it believes to be wrong regardless of party politics, publishing the news fairly, impartially.

NOTICE TO THE PUBLIC: Any erroneous reflection upon the character, standing, or reputation of any person, firm or corporation which may appear in the columns of this paper, will be gladly corrected upon due notice being given to the publisher at the Munday Times office.

does that job—and produces greater quantities and better qualities. Our agricultural acreage is virtually fixed—there is, no chance of increasing it substantially in size. Yet our population is growing at a record rate. This means, in the future, each acre will have to produce still more food and fiber. Still more mechanization is the answer.

Equally important, farm equipment, used with proven techniques, is the instrument for conserving the land—and for saving the irreplaceable topsoil, for preventing water damage, for maintaining the fertility and vigor of the earth that supports us all. Yes, its future is bright for the foundation of dynamic agricultural industry.

### DELIVERING A STANDARD OF LIVING

Some years ago a writer in Fortune magazine defined marketing as "the delivery of a standard of living."

That thought was amplified in a talk made by Professor Malcolm P. McNair, of the Harvard Graduate School of Business Administration, before a meeting of members of a national chain store association. There has been, he said, too much stress on the cost of distributing goods—and not enough on whether retailers are performing their dynamic tasks efficiently.

Then Dr. McNair went on to list some questions which, when answered, give an accurate idea of just how effective American retailing is. Does it do a good job in presenting and advertising goods and services? Has it improved its selling techniques? Does it keep up with changes in living conditions, transportation methods, hours of work and recreation, etc.? Is it making it easy for manufacturing to bring new products to market, and helping develop them? Is it acting as a transmission belt to convey the desires and complaints of consumers back to producers? Is it pricing goods for the mass markets?

The answer to these and other such potent question is Yes. Moreover, no one knows the facts believe that either distribution costs or retail profits are out of line. The distribution costs are as low as today's wages, rents, and consumer preferences and demands permit. The profits run as low as a single cent on each dollar of sales. Retailing has fully earned our praise, not our blame.

Servicemen in 560 camps and hospitals received Red Cross services from paid staff and from volunteers during the fiscal year 1952-53.

## A PLEA FOR CHRIST

The plea for the churches of Christ is to restore the apostolic church, which simply means a complete return to the original church of the New Testament church, and take up things just as the apostles left them. Such an appeal involves the going back beyond all human creeds, councils, and ecclesiastical authorities, to Christ and the inspired apostles, and restore all things wherein there has been an apostasy.

This plea is not to reform some church, or "the church." The original church of Christ needs no reformation. Neither does this plea mean the establishment of another church, or some new church. What the world needs is the apostolic church, the original church of Christ, in all its primitive faith, worship and practice.

### A PLEA FOR THE NAME OF CHRIST

He who says there is nothing in a name is not familiar with the scriptures. Salvation is in the name of Christ. "Neither is there salvation in any other; for there is none other name

under heaven given among men, whereby we must be saved." (Acts 4:12.) Remission of sins is in the name of Christ. "And that repentance and remission of sins should be preached in his name among all nations, beginning at Jerusalem. (Lk. 24:47.) Christians are those who seek Christ's name, and who wish to reproduce the life, teaching, and Spirit of Christ in their lives. "The disciples were called Christians first in Antioch." (Acts 11:26.) "Yet if any man suffer as a Christian let him not be ashamed; but let him glorify God on this behalf. (in this name). (1 Pet. 4:16.)

### A PLEA FOR THE DEITY OF CHRIST

The chief person in christianity is Christ. The fact that he was the Christ, the Son of the living God, was the central truth in all the preaching of the apostles. The only article of faith imposed upon those who became christians in the New Testament times was the personal belief that Jesus was the Christ. (Acts 8:36-39; 16:31; Rom 10:9-10.) (To be continued.)

### MUNDAY CHURCH OF CHRIST

BOX 211 — Phone 6151

PAYNE HATTOX, Evangelist

Waco's beginning goes back to wonderful springs which gushed a variety of waters—mineral, warm and almost icy-cold. Around the springs, the Waco Indians established a village. They built homes in a grove and raised corn, beans and pumpkins. Spanish explorers visited the village.

In 1829, the Wacos made a raid and seized many Cherokee ponies. The Cherokees retaliated by capturing the village and compelling the Wacos to leave. Sadly, they drank for the last time from the springs. Those who looked back saw their homes going up in flames.

The region was visited in 1840 by two surveyors, Neil McLennan, a native of Scotland, and Capt. George B. Erath, a native of Austria.

McLennan and Erath built log cabins and March 1, 1849, the town was founded. When the townsite sale was held, lots around the square sold for \$10; others, less favored in location, \$5; and "farming lots", \$2 to \$3 an acre.

Texas' first publicity man, Jacob de Cordova, laid out the town. He gave land for churches and a park, or "commons". A native of Jamaica, he made perhaps the first authentic map of Texas, wrote books about Texas' resources and prospects and was a leading factor in the development of cotton, establishing the first cotton mill in Texas. In the days of the Republic, he established the Odd Fellows in Texas. At one time, he owned

more than a million acres in Central and South Texas. He dreamed of harnessing the power of the rivers. A remarkable man was Jacob de Cordova.

Remarkable, too, was Erath. He came to Texas in 1833, did surveying, fought Indians, was in the Battle of San Jacinto and, at the outbreak of the War between the States, he raised a company, though—after a few months—health forced him to leave the service. Despite his ailing condition, he became a major in the Ranger force, which protected the frontier. Often, he had to be aided into the saddle. It was said that the warrior knew only one military command, "Charge, boys, charge!"

## LOCALS

Mr. and Mrs. Chester Bowden, Mrs. L. W. Hobert and Mrs. Worth Gafford visited Louis Cartwright and D. E. Holder at the Baylor Hospital in Dallas Saturday.

Mr. and Mrs. Sidney Winchester and Mr. and Mrs. E. E. Garrett attended the Roy Largent and son Herford dispersal sale in Merkel last Friday.

Mrs. Jerry Edwards and daughters of Waco are visiting her parents, Mr. and Mrs. Chester Bowden, this week.

Mr. and Mrs. Gene Brown and T. B. Cypert visited Oscar Cypert in the Bethania Hospital in Wichita Falls last Sunday.

### Miss Phillips And C. B. Cagle Marry In Chapel Ceremony

A simple candlelight wedding in the chapel of the Church of Christ, Tenth and Broad, Wichita Falls, united Miss Barbara Phillips, daughter of Mr. and Mrs. Grady Phillips, and Clovis B. Cagle, son of Mrs. Maggie Cagle of Kamay and the late Henry Cagle. J. B. Barnett, minister of the Church of Christ, of Chilli-cothe, officiated.

Miss Donna Phillips, cousin of the bride, was candle lighter while Miss Shirley Phillips, also a cousin, presided at the guest book.

Miss Lou Jane Martin of Wichita Falls, vocalist, sang "Because", "I Love You Truly" and the "Lord's Prayer". The church choir sang the wedding march.

The bride, given in marriage by her father, was attired in a brown suit with brown accessories. She wore a white hat and carried a white carnation bouquet atop a white Bible. Her something borrowed were handkerchiefs belonging to Mrs. S. E. Whitelaw and Mrs. J. B. Phillips, grandmother of the bride, something old was a bracelet, a family heirloom, belonging to her grandmother Clark. Her something new was her bridal suit and the traditional blue garters were made for her by Mrs. Press Phillips. They both wore six-pence belongin' to close friends.

Miss Robbie Johnston of Wichita Falls, served as maid of honor, and wore a beige knit suit with brown accessories. Her corsage was of yellow chrysanthemums.

Dick Dillard of Kamay was best man. Ushers were Glenn Phillips, brother of the bride, and Lynn Larry Strickland, of Fort Worth, cousin of the bride.

The bride is a 1954 graduate of Munday High School and attended Draughan's Business College. She has been employed in the public accountant's office.

The groom is a graduate of Valley View High School and spent two years in the Marine Corps. He is employed by North-

### Weekly Health LETTER

Issued by Henry A. Holle, M. D., State Health Officer of Texas

AUSTIN—The drouth, which during the last ten years in the Southwest, including Texas, has caused untold damage to the farmers, ranchers and industry, has also presented problems in public health, declared Dr. Henry A. Holle, State Health Officer.

The drouth may be a lesson as it has brought along with it an awakening of the conscience to conserve and protect water quality and quantity for all useful purposes. Many organizations from Chambers of Commerce to other civic clubs, watershed organizations, research foundations and educational institutions have appointed committees and are doing something about it. The problems are complex, yet with unity of purpose, a solution will be reached.

It was through the coordinated efforts of the municipalities, trained water and sewage plant operators and public health workers throughout the state that we have emerged from a most disastrous situation by the breath of a fine hair. Municipalities in the state, though some of them face future shortages, have at this writing sufficient water for local needs when used conservatively and such cities as were fortunate enough to be located in the proximity of impoundages previously should show no hesitancy in continuing their expansion plans.

Dr. Holle stated that the state has been able to maintain good protective services which unquestionably will be increased. Such services include approval of plans for water treatment fa-

west Drilling Company.

The young couple have established residence at 1636 Elizabeth Street, Wichita Falls.

Out-of-town guests for the wedding were from Fort Worth, Cleburne, Henderson, Kamay, Valley View and Munday.

ilities. The periodic inspection of the treatment facilities and checking of their efficiencies. The regular analyses of water specimens, amounted to over 85,000 during the past twelve months. Watersheds are surveyed. Reservoirs are required to enforce sanitary regulations. Stream analyses are made. Pollution needs are being met with the 629 treatment plants in the state. Regular inspection is made of the large industrial plants and their wastes are checked for toxic materials and contaminants.

Dr. Holle said that we should lend our support to the recommendations of the Texas Water Resources Committee which has studied the problem from various angles and is presenting a plan which, if implemented, will insure Texas' preparedness in meeting future drouths.

Mrs. Mahlon Boggs visited her daughters, Mrs. J. B. Walling and Mrs. Randall Walling, and their families in Wichita Falls several days this week.

Mrs. A. E. Bowley and Mrs. J. R. Rodgers were Sunday guests of Mrs. Clarice Mitchell and Mrs. Leslie Tremmier in Abilene.

### HIGH AWARD GOES TO FORMER MUNDAY BOY

Harold Fox, senior student at Texas A. and M. College, was a recent winner of the \$500 Schlumberger Foundation award, an undergraduate scholarship given for outstanding achievements and character traits to a senior majoring in a technical field.

Harold is the son of Mr. and Mrs. C. E. Fox of Slaton and formerly of Munday. He is a graduate of Munday High School.

Ed Jetton was a business visitor in Ranger the first of this week.

## The exciting new idea behind the motoramic Chevrolet

The Bel Air 4-Door Sedan—one of 14 new Fisher Body beauties in three new series

Maybe once in a car-buying lifetime, you come across something that breaks all the old patterns and establishes new ones. This is that kind of car. This is the true story of how Chevrolet and General Motors shaped a new idea in steel.

Like most good ideas, this one is pretty simple. But it wasn't an easy one to carry out. For Chevrolet and General Motors set out with the idea of building the first low-priced car that would do all these things:

- bring you the very freshest and finest styling to be had.
- bring you the most advanced engine design and engineering features.
- bring you the kind of performance and the kind of ride that have never been available before in a low-priced car.
- bring you the highest quality of manufacture and materials.

All this in Chevrolet's price field? That did take some doing! And isn't it logical that only Chevrolet and General Motors have the people, the skills, the resources and facilities, to carry out this exciting new concept? Here is how this new Chevrolet changes all your own ideas about cars!

### Real Show-Car Styling!

Your eye tells you the Motoramic Chevrolet is no styling "patch-up" job. A rakish, low profile . . . soft swiftness from its sleek rear fenders to its wide-eyed Sweep-Sight windshield . . . a new outlook for motoring. And that outlook doesn't change when you slip inside . . . there's more room for hats and hips . . . exciting fabrics and trim harmonized with the whole car . . . as carefully as a bride matches carpet to curtains.

### A Sensational Ride

You live the new idea instantly . . . you glide . . . actually glide because spherical joints "roll with the punch" of the road in Chevrolet's new Glide-Ride front suspension. And outrigger rear springs mean new balance in turns . . . turns made so effortless by new ball-race steering.

And when you stop suddenly, new Anti-Dive braking control checks that nosing down in front . . . you get more level stopping. Tubeless tires mean much greater protection against blowouts. And with new high-level ventilation there's fresher air.

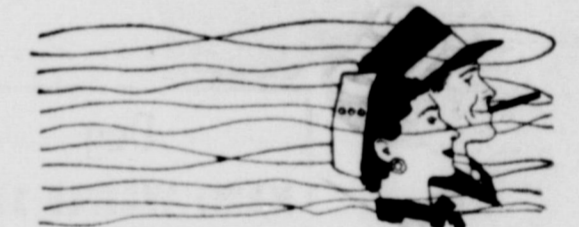

### Power Beyond Compare!

You also feel the new idea quickly . . . quick power like a panther's paw with the new "Turbo-Fire V8" (162 h.p.) and two new "Blue-Flame" 6's. And sparking this performance is a 12-volt electrical system giving you better ignition, faster starting, greater electrical reserve for any of the power assists you might

desire. You have a transmission choice of economical Overdrive and improved, automatic Powerglide (optional at extra cost) or standard shift.

### Even Air Conditioning!

And if you desire the convenience of power assists (optional at extra cost) . . . you'll find new power-steering and improved power brakes on all models. Power-controlled windows and

power-shift seat are available on the Bel Air and "Two-Ten" models, while air conditioning may be added on V8 models.

### Won't You Try It?

Here, we can only tell you how successfully the Motoramic Chevrolet expresses the new idea behind it. But the car itself can quickly show you! Come in for a demonstration drive, won't you, first chance you get.

MORE THAN A NEW CAR, A NEW CONCEPT OF LOW-COST MOTORING

Everything's new in the motoramic CHEVROLET

DRIVE WITH CARE . . . EVERYWHERE! Make December 15 and every day SAFE-DRIVING DAY!

### Banquet Honors Gridders At Goree

GOREE, Dec. 1 (Spl.)—The Goree High School football team was honored here Monday night with a banquet sponsored by the pep squad under the direction of Mrs. James Carver. The speaker for the occasion was Sam Baugh of professional football fame and now associate coach of Hardin-Simmons University.

The invocation was given by Rev. Walter Hadley, pastor of the Goree Methodist Church. Barton Carl, toastmaster for the occasion, introduced Donna Sue Jetton, Linda Lambeth, Sherry Haskin, Linda Latham, Mona Mobley, Jackie Latham, and Connie Haskin, who sang a toast to school days. This was followed by one of the highlights of the evening, the crowning of cheerleader Patsy Jo Cunningham as football sweetheart and Wayne Peek as Mr. Football of 1954.

Wayne Peek and Lee Jordan, captains of the team, presented Patsy Jo with a huge mum in the school colors, black and gold. Connie Haskin, drum major for the pep squad, crowned Wayne and presented him with an identification bracelet. Jerry Gaines sang "Give a Cheer" for the team and was joined by the squad, cheerleaders, and majorettes on a chorus. The group sang "Let Me Call You Sweetheart" to end the coronation.

Coach Paul Mosley introduced the squad of 21 boys, 15 of them lettermen, and gave a resume of each boy's activities this year.

In the address Sam Baugh gave encouragement to all the team, fans, coach, and entertained the group immensely with his humor and friendliness.

The program ended with the 127 guests singing the Goree school song.

Decorations for the dinner were directed by Johnnie Hutchens and Donna Sue Jetton; the program was arranged by Connie Haskin and Jackie Latham; and the meal was planned by Patsy Jo Cunningham and Mona Mobley.

Mrs. J. C. Greenway and Mrs. S. C. Ferguson of Hamlin were Friday guests in the home of Mrs. Ann McClaran.

Winston Blacklock, Bill Morris and Tom Bullington attended a Lion zone meeting in Haskell last week.

visitors attended the services.

The elementary department of the Dunbar School gave a play on the 23rd of last month. The title was "A Goose for Thanksgiving." The program was one of the best we've had this term. The drawing for the turkey was held the same night. Mrs. Earma Lockridge won the turkey. Four other prizes were given away at the drawing, 1 pound of butter, 1 dozen eggs, 1 pound of shortening and 1 frying size chicken. \$41.75 was raised from the sale of the tickets. Mrs. E. J. Calvin is teacher of this department. She is sponsoring an educational tour for the entire group. She wishes to thank everyone who has helped to make this affair a decided success.

The Dunbar P.T.A. will meet Tuesday night to discuss its plans for Christmas. Each classroom is beautifully decorated. The Dunbar children, escorted by the faculty, will tour the city singing Christmas carols on December 16th if the weather permits.

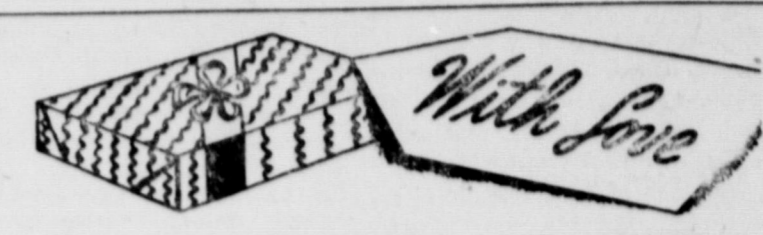

A big box of groceries will be given away on December 15th to the person holding the lucky ticket.

Mr. Gus Johnson motored to Wichita Falls on an urgent trip

last week. The faculty wish to thank each one who has donated various things to the school.

The Reverend Otis Jackson of Haskell preached at the West

Beulah Baptist Church Monday night. The Dunbar elementary school will present a Christmas pageant December 21st in the school auditorium.

It's the feeling behind the gift that really counts. God gave Christ to the world out of His love. "For God sent not His Son into the world to condemn the world, but that the world through Him might be saved." John 3:17 Find His joy in our church this Sunday.

Sunday School, 10:00 a. m. Training Union, 6:30 p. m. Morning Worship, 11:00 a. m. Evening Worship, 7:30 p. m.

## Goree News Items

The Goree Cemetery Association will have its monthly dinner Friday, December 10th from 11:30 o'clock until 1:30 o'clock. It will be held in the Memorial building.

The P.T.A. will meet Tuesday, December 14 at 3:30 o'clock. All parents are urged to attend these meetings and show their interest in school activities. Attend all P.T. A. meetings in your school.

Mrs. J. B. Lawson and Mrs. Jack Moore were business visitors in Abilene last Friday, and also attended the Baird-Rochester football game in Haskell.

Visiting with Mr. and Mrs. L. Atkinson Sunday were Mr. and Mrs. Merie Lambeth and Nahwana, Mr. and Mrs. W. O. Atkinson, Mr. and Mrs. Vernon Moore, Mr. and Mrs. Lewis Atkinson of Munday, Mr. and Mrs. Arthur Howard, Mr. and Mrs. Bill Walton and David, Mr. and Mrs. Wayne Walton and Mrs. Mrs. Clyde Marsh of Wichita Falls, Mr. and Mrs. C. W. Atkinson and children of Berger, and Mr. and Mrs. John Lambeth and Lyndell. They enjoyed a Christmas dinner and exchanged gifts because of difficulty to get together Christmas.

Mr. and Mrs. John Moore from Bowie visited with John's par-

ents, Mr. and Mrs. John Moore, last week end.

Visiting with Mr. and Mrs. John Coffman part of this week were Mr. and Mrs. Ebb Coffman of Lubbock and Mr. and Mrs. Jack Brownlow and Jacqueline of Abernathy.

Mr. and Mrs. Charles Atkinson and children of Berger visited with their parents, Mr. and Mrs. Waiker Coffman and Mr. and Mrs. L. L. Atkinson over the week end and part of this week.

Mr. and Mrs. Bobby Lambeth of Midland were week end visitors of their parents, Mr. and Mrs. Vernice Lambeth and Mr. and Mrs. Vester Bowman.

Mr. and Mrs. T. M. Tucker of Throckmorton spent Friday night with his parents, Mr. and Mrs. T. M. Tucker. They visited in Wichita Falls Saturday.

Week end guests of Mr. and Mrs. Melvin Cooksey were their daughter and husband, Mr. and Mrs. Gerald Myers of Lubbock.

Mrs. Clyde Rodgers and Martha, Mr. and Mrs. Harold Beatty, Ruthann and Rhogenia met Mr. and Mrs. Herbert Stodghill and children in Chickasha, Okla., last Sunday. They had a short visit together and Johnny and Joan Stodghill returned home to spend three weeks with their grandpar-

ents, Mr. and Mrs. Clyde Rodgers and other relatives in Munday.

Mrs. Leo Prater and children and Jeneane Lowrance of Munday visited with Mrs. Pratt's mother, Mrs. Roy Lane, and other relatives Sunday evening.

Mr. and Mrs. Pete Beecher and Mr. and Mrs. Tommy Greenwood were business visitors in Wichita Falls Wednesday.

Jimmy Crouch of Wichita Falls visited with Mr. and Mrs. George Crouch over the week end.

Mr. and Mrs. Wayne Bingham left for Lawton, Okla., where they will make their home while Wayne is in school.

### Munday H. D. Club Meets Wednesday With Mrs. Almanrode

The Munday Home Demonstration Club met in the home of Mrs. R. M. Almanrode Wednesday afternoon for their Christmas party.

The house was called to order by Mrs. Fred Lain, minutes were read and a report was given from the council.

After the business meeting, the Christmas party was held. Each member brought a game to play and prizes were given to the winners. Members drew names in exchange of gifts.

Refreshments were served to one visitor, Mrs. W. O. Ratliff, one new member, Mrs. Letha Tompkins, and the following members: Mmes. Frank Bowley, John Rice, J. O. Tynes, Fred Lain, Buster Pape, John Peysen and the hostess, Mrs. Almanrode.

### Women's Club Of Benjamin Meets With Mrs. Barnett

The Benjamin Baptist Women's Circle met in the home of Mrs. W. A. Barnett with eight members and two visitors present for "The Week of Prayer" Program.

Jewel Stark gave a very interesting program on Missionaries in the Foreign Fields, after which there were several prayers for the missionaries. The meeting was ended with each giving to the Lottie Moon Christmas offering.

Those present were: Jewel Stark, Naomi Barnett, Ruth Griffith, Oretta Kilgore, Vesta Jacobs, Edith Rodgers, Mrs. W. A. Barnett, Omiteen Barnett, Patricia Barnett and Marilyn Searcey.

Mrs. Cecil Cheek and son, Donovan, of Fort Worth spent the Thanksgiving holidays in the home of her mother, Mrs. G. P. Burns.

Mr. and Mrs. H. T. Cunningham and son, Tommy, visited his mother in Henrietta over the week end.

#### SYSTEMIC COTTON POISON

New weapons are being tested in the war against cotton insects which may result in some decisive victories for the farmer.

The Texas Experiment Station has turned up some promising new systemic insecticides that are lethal not only to certain sucking insects but also to such plant choppers as the boll weevil and the cotton leafworm.

Unlike the more common insecticidal sprays and dusts that form a protective layer over the outside surface of the plant, systemics are absorbed into the plant and carried by its sap.

They may be applied to foliage, soil or seed. In this way, the stalk, the foliage and sometimes the fruit of a plant can be made toxic to feeding insects by treatment with an effective systemic poison.

Systemics are not new to some cotton growers. A few may have used systemics as foliage sprays or dusts against sap-sucking aphid and mites. But the chemicals under tests are the first that also kill insects that chew at stalks, leaves and fruits.

Two of these systemics have

been tested in Texas in cooperation with the U. S. Department of Agriculture. They proved lethal to the cotton boll weevil, the cotton leaf worm, the cotton leaf perforator—all choppers—and to the cotton aphid and spider mite (suckers) for more than a month. These tests were run under laboratory conditions, however.

When applied to cotton planting seed in field tests, both compounds gave protection against thrips, aphids and spider mites for more than a month.

Research on these systemics is still in the early stages and their desirability is not yet proven. It is still necessary to work out a dependable method of seed treatment that won't lower germination. Also under study is how the new chemicals affect plant growth and to what extent they can build up injurious chemical residues in the plant.

The new chemicals are not yet available to growers. So entomologists advise farmers to stick by current recommended methods of insect control for the present and continue to apply insecticides as foliage dusts or sprays. But the tests show promise and may mean a new era in insect control.

#### LOCALS

Mr. and Mrs. Floyd Cannon and sons of Hale Center were Monday guests of her sister, Mrs. Charlie Haynie, Jr., and family.

Gene Michels and Don Combs were business visitors in Henderson last Thursday.

Mrs. Bessie McStay visited Mr. and Mrs. Dee McStay and John in Vernon the first of this week.

Guests in the home of Dr. R. L. Newsom last Thursday were his sister and husband, Mr. and Mrs. L. C. Miller, of Dallas, and nephew, Dr. John Miller of El Paso, who is a recent graduate of Southwestern Medical School.

#### CARD OF THANKS

We wish to express our sincere and heartfelt thanks to our many friends who were so kind and thoughtful during the illness and death of our loved one. Words are inadequate to express our appreciation for the beautiful floral offerings and food.

Especially do we want to thank the doctors and nurses for their untiring service. They were kind and patient.

May God bless all of you.  
The D. A. Bowles Family. 1tc

#### NOTICE TO BIDDERS

Sealed bids will be received by trustees of the Goree Independent School District up to December 18, 1954, on the sale of Lot No. 6, Block 10, in the City of Goree, lot being 24x139 feet and adjacent to Davis Lumber Company on the north. The right is reserved to reject any and all bids. Bids should be handed or mailed to J. B. Lawson, supt., Goree Independent Schools. 19-3tc

Mr. and Mrs. Wayne Mitchell visited their son, Raymond Mitchell, and family in Fort Worth over the week end. Mrs. Mitchell remained for a longer visit.

Indelible ink stains from a ball point pen can be removed by sponging off the spot with cotton which has been soaked in rubbing alcohol.

J. P. Howard of Lottie, La., visited his sisters, Mrs. Ann McClaran and Miss Edna Howard, several days last week.

**LIVESTOCK PRICES RECOVER NICELY**

FORT WORTH — The disappointing meat trade that followed the Thanksgiving holiday and depressed prices of all livestock sharply a week earlier was largely overcome in the trade at Fort Worth Monday.

Slaughter cattle and calves were fairly active and prices considerably better than the low close of the previous week. Stocker and feeder demand was constant, and some sales of the better quality replacements were as high as any time this season.

In this category were some steer calves at \$19 to \$20, and some feeder steers at \$19.50. Jack McCain of Fisher County marketed 26 feeder steers at 833 pounds at \$19.50; Newton Gann, Jefferson County, Okla., had some 480-pound steer calves at \$20, and his 468-pound heifers sold at \$16.50. J. H. Tippett, Upton County, marketed about two loads of 462-pound steer calves at \$20, and the heifers at 410 pounds at \$16.50.

Robert Oswald, McLennan County, marketed a nice load of baby beef type calves weighing 666 pounds at \$20 and there were several loads of medium, good

and low price choice fed steers and yearlings in the \$17 to \$22.50 level.

J. G. Blanchette, Cooke County, had some 540-pound calves at \$20 and some 804-pound cows at \$10.50. Mason County was represented by C. R. Thomas with load lots of calves at \$16 and \$19, and L. Thomas had calves at \$19 and \$16 also. Robert Lee Ebeling, Burnett County, had a load which included calves at \$16 and \$19 and old cows from \$7 to \$8.25.

**HOGS RECOVER FROM TWO-YEAR LOW**

Hog prices on Monday at Fort Worth were 50 to 75 cents higher and the top was \$19. This recovery after hogs had sunk to a low of \$18.25 at the close of the previous week, the lowest point since December 1952 here.

Many Northern markets late last week reported top hogs selling from \$17.50 to \$18.35, in some cases only a load or two able to top the \$18 figure.

Sows were lower here Monday again, selling from \$14 to \$16.

**FAT LAMBS STRONG, 50c HIGHER, SHEEP STEADY**

The sheep and lamb trade was on the up beat at Fort Worth Monday, as slaughter lambs were strong to 50c higher and other sheep and feeders were poorly tested, but fully steady to strong.

Some choice clipped lambs with about an inch-and-a-half pelt credit average 96 pounds drew \$18.25. These were consigned by Austin Rose & Son, Deaf Smith County. Just a week earlier on Monday the first shipment of these lambs drew \$19, on the

following Wednesday the second shipment drew \$17.75, when caught in the late-week slump of last week.

Other sheep shipments included 127-lb. clipped lambs at \$17 from Claude Ward of Coleman County, some 99-lb. clipped lambs from Fields Bros., Sutton County, at \$16. Chas. Johnson, of McCulloch County, had some 81-lb. shorn lambs at \$17.50; J. P. Moss, Floyd County, had a load of 80-lb. woolskins at \$17.50; Alfred Baethge, Gillispie County, had some 70-lb. clipped lambs at \$16; Hon. er Thomas, Jones County, had some 104-lb. shorn lambs at \$18; Weldon Jones, Coryell County, had a load of long-tailed 79-lb. lambs at \$15.50; W. E.

Strange, McLennan County, sold a load of woolled fat lambs at \$18 that scaled 92 lbs.

Mr. and Mrs. J. L. Ford and Helen spent last week visiting with their sons, Paul Ford, and family in Fort Worth, Joe Ford and family in Garland and with Mr. Ford's sister, Mrs. Brumfield, in Dallas.

Mr. and Mrs. P. V. Williams attended the SMU-Notre football game in Dallas last Saturday.

Mr. and Mrs. J. C. Harpham and daughter and Mrs. Russell Penick and daughters attended the doll show in Abilene last Sunday.

## Knox Prairie Philosopher Claims Crashing Debt Limit Is Worse Than Crashing Through Sound Barrier

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek is writing about something he may have an authoritative knowledge of this week, debts.

Dear editor:

Every once in a while somebody refers to me as non-progressive, and I guess if you want to judge a man's thinking ability by how clean his fields are there might be something to it, but that's what comes of taking a superficial view.

I would like to report that for the past few years I have been neck and neck with no less an enterprise than the aviation industry, which everybody knows is progressive.

While the aviation industry has been hard at work on faster and faster airplanes, having now reached the point where it has broken through the sound limit, I have not been asleep, figuratively speaking.

My experiment, which probably has more relaxation to the individual than aviation's has consisted of attempts to break the debt limit.

I have read of pilots' reports

on their wrought-up feelings as they neared the sound limit and then crashed through, and I can report that edging toward the debt limit and then crashing through is just as nerve-racking and perilous.

Furthermore, my experiments have been more independent I didn't have a government appropriation or inexhaustible funds from a foundation behind me, I've had to do mine on my own, almost on a shoestring, with considerable grumbling from the people in charge of the debt limit, who have resisted scientific exploration at every turn.

And also, while I understand when a pilot crashes through the sound barrier everything becomes peaceful and quiet, I can report I found nothing like that on the other side of the debt limit. It gets noisier as you approach the limit, and then gets worse after you crash through. Some people do not appreciate scientific research.

I understand some people are contending the government, if it keeps on spending, will reach the debt limit, and I've heard of Congressmen trying to pass bills getting the limit extended, and if it can be done, if the limit can be extended every time the gov-

### WHAT'S THE ANSWER?

Q. I know there is no cure for the common cold but do you know of an effective gargle to soothe rasping throats and "morning voice"?

A. One of the most effective remedies I know for this condition is a baking soda gargle—just mix 1/2 teaspoon baking soda in 1/2 glass water. Baking soda is safer than many patent medicine gargles which often contain strong chemicals that can be harmful to the membranes in your throat. Inflamed membranes are easily susceptible to infection. Baking soda cleanses throat tissues of their infection without ridding them of their own abilities to fend off infection.

Miss Peggy Armstrong visited relatives in Wichita Falls over the week end.

ernment approaches it, it'll be a fine thing, but I have my doubts. For whatever it's worth, I would like to let the government know there is a debt limit and things are worse on the other side than this side. The sound barrier is a much safer thing to crash.

Yours faithfully,  
J. A.

### Legal Notice

THE STATE OF TEXAS  
COUNTY OF KNOX:

TO THOSE INDEBTED OR HOLDING CLAIMS AGAINST THE ESTATE OF FANNIE P. BUNTS, DECEASED:

The undersigned having been duly appointed Administrator of the estate of Fannie P. Bunts, deceased, late of Knox County, Texas, Hon. L. A. Parker, Judge of the County Court of said county, on the 3rd day of November, A. D., 1954, hereby notifies all persons indebted to said estate to come forward and make settlement, and those having claims against said estate to present them to him within the time prescribed by law, at his residence in Munday, Knox County, Texas, where he receives his mail, this 12th day of November, A. D., 1954.

J. W. SMITH,

### OAK FARMS EXTENDS SERVICE INTO MUNDAY

Extension of service into Munday by Oak Farms Dairies, Texas largest independent dairies, was announced today (November 25) by Payton Maddox, Fort Worth Division manager for Oak Farms.

Manager of the new territory is W. C. Tullock of Anson.

The new service is part of a general West Texas expansion program for Oak Farms which now serves 85 towns and cities in 30 West Texas counties, Maddox explained.

Under the new program, Oak Farms will supply milk and milk products to retail outlets in Anson, Haskell, Stamford and Seymour in addition to Munday. Ice cream deliveries are to be added later.

Mr. and Mrs. Donis Melton of Waco are here for a visit with her parents, Mr. and Mrs. R. T. Morrow.

### DIAPERS REQUIRE HEAP OF COTTON!

The stork is expected to deliver about four million new babies in America next year, according to a report from the Medical and Pharmaceutical Information Bureau.

It will take a mountain of cotton to clothe these baby boys and girls, the National Cotton Council says. To provide the newcomers with diapers for their first year in the world, the Council estimates, will require approximately 42 million pounds of raw cotton!

### KITCHEN KOMMENT

Home economists report that fabrics treated with crease-resistant finishes retain their qualities best when washed in warm—not HOT—water. Excessively hot water may remove some of the finish after a number of washings, they warn.

See You in Church Sunday

### NOTE OF APPRECIATION

We wish to thank every one of our friends for the flowers, cards, phone calls and visits which came to us at the hospital. We deeply appreciate everything that has been said and done, and we pray God's blessings on you all.

Louis Cartwright and family.  
Ite

J. K. Jackson attended market in Dallas several days last week.

James Amerson of NTSCC in Denton was a week end guest of his parents, Mr. and Mrs. J. H. Amerson.

Fred Lang, who is attending Midwestern University in Wichita Falls, visited friends over the week end.

Charles Yost of Midwestern University in Wichita Falls spent the week end with his parents, Mr. and Mrs. T. V. Yost.

### \$400 MONTHLY SPARE TIME

Refilling and collecting money from our high grade Nut Machines in this area. No selling! To qualify for work you must have car, references, \$600 cash, secured by inventory.

Devoting 6-8 hours a week to business, your end on percentage of collections will net up to \$400 monthly with very good possibilities of taking over full time. Income increasing accordingly.

For interview, include phone number in application. Write P. O. Box 1923, Fort Worth, Texas.

Make Her Christmas Dream Come True

Give Her an Electric Range

The gift that will do so much for her . . . rid her of cooking drudgery . . . save her time and energy . . . and give her leisure hours to enjoy living.

With an automatic electric range, her baking, roasting . . . all her cooking . . . will be fingertip controlled. She can put an entire meal in the oven, set the timer . . . and forget it.

Clean, fast, and cool, the automatic range is economical, too. Really, it's the best way to cook.

This Christmas Be Sure — Give Electric Gifts See Your Electric Appliance Dealer or . . .

### Last Rites For David A. Bowles Are Held At Goree

D. A. Bowles, 79, died Nov. 27, 1954, in the Baylor County Hospital, where he had been a patient for the past several weeks. The cause of his death was a general breakdown of his health.

Funeral services were held from the Goree Baptist Church on Monday morning at 10:00 o'clock, conducted by Rev. Reneau Swendell of Hawley, Texas. Assisting was the Baptist pastor at Goree, Rev. S. E. Stevenson. A large crowd of relatives and friends gathered for the last rites. Music was by the choir of the church, led by Burl Justice; together with a solo by Mrs. Orb Coffman, who was accompanied by Miss Grace Norman.

Interment was in the Goree Cemetery with the following as pallbearers: T. S. Thomas, J. C. Gibson, Lee Roy Bowles, Thelmer Bowles, Max Schuman, T. J. Trainham.

David Alvah Bowles was born at Chester, Miss., March 4, 1875. He was the son of P. C. and Mary Elizabeth Bowles. He removed, with his family to Hill County, Texas, in 1892.

He was converted at an early age and joined the Baptist

Church at Auburn, Texas.

He was married to Theodosia Arlie Clement, June 28, 1898. Of his marriage were born three daughters, Rita Mae, Carol and Alva Rena Bowles.

Theodosia Arlie Bowles preceded him in death October 22, 1910, and was buried at Goree, Texas.

He came to Baylor County in 1907 and purchased lands in the Corn community, on Miller Creek. Later he moved to Bomarton, Texas, then to Goree, Texas in 1946.

Mr. Bowles was married a second time to Dora Richeson, January 9, 1921.

He departed this life at 6:00 p. m. November 27, 1954 at the Baylor County Hospital, Seymour, Texas, at the age of 79 years, 8 months and 23 days.

He is survived by his wife, Dora Bowles; his daughters, Mrs. Rita Mae Golden, Seymour, Texas; Mrs. Carroll Parks, Los Angeles, Calif.; Mrs. Alva Rena Howe, Channing, Texas; one sister, Mrs. L. S. Thomas, Wichita Falls; four grandchildren and two step-great grandchildren; a host of nephews, nieces and friends.

Mr. and Mrs. A. B. Warren were Sunday guests in the home of Mr. and Mrs. Joe Duke and Jo Ann of Wichita Falls.

### Notes For Knox Farms, Ranches

By W. J. Bryan, Knox County Agent

The control of brush in the county is a big problem, but brush control should be considered as only one phase of the range management program. If you practice brush control and continue to overgraze pastures, little permanent benefits will result. You should practice brush control not to kill trees but to increase grass production and pounds of meat produced per acre. The cost of brush control must be paid for from these increased benefits. Ease of working livestock, weed control and usually less insect problems are distinct advantages in practicing brush control but are difficult to place a monetary value thereon. With brush control, sunlight, moisture and soil nutrients are made available to grow other vegetables. The management given the treated pastures will largely determine whether this additional forage growth is good grass, weeds, or incoming brush. Deferred grazing during the first growing season following brush control will usually pay dividends. At least you should not increase the stocking rates on treated pastures the first year.

Both mechanical and chemical methods have a definite place in brush control. The type to use depends on the kind of brush, its size, thickness, soil type, moisture condition and other related factors. You should try to secure the longest period of control for the money spent. Retreatment of brush is usually not advisable until the regrowth or sprouts become a definite problem. Make the practice last as long as it will and then the cost of control per acre per year will be less. A thorough study of the range sight should be made before brush control is started.

**COTTON REFERENDUM**—Cotton growers will vote on Tuesday, Dec. 14 to decide whether marketing quotas will continue in effect for the 1955 crop. The decision will affect every cotton grower in the county so each of you should cast your ballot. All farmers who grew cotton this year are eligible to vote in the referendum.

At least two-thirds of the growers voting in the nationwide poll must approve the quotas if they are to continue.

**SAFE DRIVING DAY**—December 15 has been proclaimed S-D Day by President Eisenhower. The goal of the Safe Driving Day is for every community to go accident free for the 24 hour period.

All of us in Knox County should strive to be in that group of accident free communities.

Week end guests in the home of Mr. and Mrs. Jim Reeves were her sisters, Mrs. Lillian Little, of Fort Worth and Miss Dorothy Perry of Washington, D. C. Miss Perry remained for a longer visit.

Drive carefully. The life you save might be your own.

### Speaking of PUBLIC SAFETY

The National Street and Traffic Safety Lighting Bureau enthusiastically endorses "S-D Day" sponsored by the President's Action Committee for Traffic Safety.

"S-D Day" is safe driving day. Wednesday, December 15th, has been designated as a day to demonstrate that traffic accidents can be reduced materially when the motorist and pedestrian accepts full responsibility for observing the letter and spirit of all traffic regulations.

The goal of "S-D Day" is for every community to go accident-free for a 24-hour period.

"S-D Day" offers all types of local organizations an opportunity to join in a common effort against a common enemy: the traffic accident toll.

Why shouldn't this be accepted as a challenge?

The returns from this concentrated effort to eradicate traffic accidents seem great enough to justify local cooperation.

Endorsement of "S-D Day" by the Lighting Bureau ties in with this organization's national educational program pointing up the importance of proper illumination for safe traffic visibility at night.

Mr. and Mrs. M. L. Hurst of Faxon, Okla., spent the past two weeks with their daughter, Mrs. Edwin Johnson, and family. They returned home with Mr. and Mrs. Leonard Howell, who were Sunday guests in the Johnson home.

Mr. and Mrs. Tom Howard of Ranger and Mr. and Mrs. Erma Howard and son of Fort Worth visited his sister and aunt, Mrs. Ann McClaran and Miss Edna Howard, over the week end. Sunday guests in the home were their nephew and wife, Mr. and Mrs. Jim Howard of Moran.

Mr. and Mrs. H. F. Jungman, Mrs. J. D. Crockett, Mrs. Bill Hertel, Mrs. Ray Holcomb and Mrs. Aaron Edgar were business visitors in Abilene last Tuesday.

Drive carefully. The life you save might be your own.

### Gilliland Club Meets December 1

The Gilliland Home Demonstration Club met on Wednesday, December 1, in the club room with 16 members answering roll call. Mrs. Elton Carroll was in charge.

Mrs. Charlie Groves called the roll and read minutes of the previous meeting. Mrs. W. T. Cook gave the council report.

Plans were made to build the club's picnic benches and for the Christmas party which will be held December 18 at the school gym. Each person is to bring a gift, and one for their children. Refreshments were served by the hostesses.

Mrs. Emil Hoff and son left Wednesday afternoon by train from Wichita Falls to New York where they will continue their trip by plane to Rehlmain, Germany to join her husband, who is stationed there. They will be there for two years.

Dr. and Mrs. J. B. Reneau and children were Wichita Falls visitors last Saturday.
