Munday Pupils Ready For Scholastic Meet At Benjamin

Knox City Takes Lead In Contest For Knox Crown

Facing the difficult task of overcoming a substantial lead already picked up by Knox City, upwards of 10 pupils and teachers of the Munday schools will go to Benjamin Friday and Saturday hoping of retaining the county interscholastic league championship won last year.

Thinking Out Loud

By J. A. K.

TOL is a very conservative individual. He has in his make-up no flare for flashiness, and the mere fact that he has written during the past few days have been colored a dainty purple comes from no desire on his part to be ultra modernistic or in any manner appear out of harmony with the gray hairs that are beginning to make their appearance atop our thinktank, but rather of this hue and color through our efforts to gladden the hearts of the kiddies on Easter. To be explicit the coloring on our fingers is nothing more than Easter egg dye, and clings on with bulldog tenacity. Now, that makes it plain that TOL isn't a jellybean.

Interest Lags On Eve Here of School Ballot

Interest in the school election is lagging here. The voters of Munday, Texas will have their first of numerous opportunities during 1932 to cast their ballots when, on Saturday, they will choose school trustees. Three days later those residing within the incorporated towns and cities, will vote a second time when they will participate in the elections of city officers. The eve of the election brought an increased though still lagging interest in local elections. Perhaps some interest was centered in the trustee election in the Sunset school district west of town than in any other.

8-Team Brazos Valley Baseball Loop To Open Season's Play April 17

Reorganization of an eight-team Brazos Valley baseball league with the season opening set for April 17 was effected Monday night at a meeting held at the Sunset school at which 10 towns in this section were represented. Teams entered in the circuit are Munday Knox City, Rhineland, Sunset, Weiner, Gore, Rochester and Bomerton, Seymour and Truscott also were represented at the meeting and expressed the desire to try out in the league should any vacancy occur. Munday was represented at the meeting by Howell Barton, Tuesday night, a number of those who expect to try out for the team met at the City Hall, and initial plans for the starting of practice were formulated. G. R. Coffman of Gore was elected president, and K. Kid was elected president of the league, to succeed L. E. Loveless, who removed recently from Munday to Seymour. E. Griffin of Weiner was named secretary treasurer. It was decided at the Sunset gathering to play a split season, 14 games to be scheduled for each half. Games will be played on Sunday during the first half, while two games will be played weekly during the second half. The winners of each half will play a series of games at the close of the season to decide the championship. The league is to be strictly amateur, and each team will finance its own operations. Each team, however, will be required to post \$1.10 with the league treasurer from the receipts of each home game played. Of the amount, \$1 will go toward a trophy for the team winning the championship, and the 10 cents will be for such incidental expenses as postage.

Lucille Harris In Contest For Treasurer Post

Miss Lucille Harris, born of pioneer parents within a few miles of Munday and a resident of Knox county virtually all of her life, announced Thursday she will be a candidate for county treasurer of Knox county, subject to the Democratic primaries in July. Her life-long residence in the district who will be between the ages of seven and 17 years by next Sept. 1 got the information to him without delay.

Brief Items Of Local News

SUNSET SCHOLASTICS
The scholastic population of the Sunset common school district this year will show a slight decrease as compared with last, according to information given this week by Superintendent R. R. Davenport, who is now completing the annual census.
The scholastic population last year of the district last year was 372, and this year Mr. Davenport estimates it will be not more than 20 less. The average daily attendance at the school during the last month was 309.
Mr. Davenport asked that any patron of the school knowing of any child residing within the district who will be between the ages of seven and 17 years by next Sept. 1 get the information to him without delay.

Court Restrains Interference By Local Official

The Stamford and Western Gas company won the first round of fight to install higher gas rates Monday when it obtained an injunction in federal district court at Wichita Falls Monday forbidding the city from interfering with the company's intention to put a new schedule into effect here Saturday. No notification had been received as to when the increased rate would go into effect, though the meter readings of the city will be by the meter readings of the city should the new rate be put in effect. The gas company will be required to post a bond of \$7,500 to protect gas consumers against its action should the new rate not be committed. The new charge will scale downward 217 ward from \$1.50 for the first 1,500 cubic feet to 50 cents net for quantities between 5,000 and 2,000 feet. The average daily attendance at the school during the last month was 309. The present charge is 75 cents per 1,000 feet with a minimum rate of \$2 per month. The new rate will have the effect of increasing bills of about \$1.50 per month. In granting the injunction, Fimer Hobeal Judge W. H. Atwell held that the gas franchise does not form part of a readjustment of rates, as it is intended for the city by J. S. Kend and D. T. Mauldin, city secretary, also were at the hearing.

SUIT FILED IN JUSTICE COURT FOR J. C. BORDEN HERE TO SEEK REFUND OF GAS CONNECTION FEE

A civil suit seeking the refund of a \$2 reconnection charge allegedly to have been collected unlawfully by the Stamford and Western Gas company was filed in Justice court here Monday on behalf of J. C. Borden, a member of the city council, by M. F. Billingsley, attorney. Citations issued by Justice of the Peace W. S. Bailey in the case were made returnable in his court on May 6. The suit, Mr. Billingsley said, probably will be the first of a number of similar nature to be filed by gas consumers alleging that reconnection charges have been unlawfully collected from them. A number of such persons are said to have conferred with attorneys relative to the filings of actions similar to that of Mr. Borden's. Mr. Borden alleges that after having caused his gas to be turned off during the summer months, he ordered it reconnected in the fall. The gas company, the allegations continue, levied upon him and collected last Oct. 28 a charge of \$2 for making the reconnection. The suit filed by Mr. Billingsley for Mr. Borden was the first of its kind growing out of the attempt of the gas company to enforce a reconnection charge. The reconnection charge, however, already has been the subject of extended court controversy, the city having sought and obtained from Judge Isaac O. Newton in the 50th district court last fall an injunction restraining the gas company from collecting the charge. The injunction still is in force.

First Crop Loan Check Received In Knox County

W. H. Walling, who farms near Munday, received federal crop loan check No. 1 among those which already have been received in Knox county, according to information given Thursday by members of the county loan committee. Several such checks already have reached Knox county loan applicants, it was added. All told, 35 or 40 farmers of the county have filed applications for the loans and they are being acted upon as speedily as possible. Others who intend to apply were advised by the county committee to do so without delay. An important point to bear in mind by any who plan to seek loans, it was added, is they must be prepared to agree not to plant more than 65 per cent as much cotton as they planted last year. Otherwise, members of the committee explained, the application cannot even be considered. The number of applications for loans from Knox county has been considerably fewer than was expected, it was said. The condition is one from which satisfaction was derived, as it was said to be indicative of improving conditions. Members of the county committee are H. A. Pendleton and E. W. McGlothlin of Munday and John W. Smith of Knox city. Mr. McGlothlin was appointed after Tom Isbell had resigned his place on the committee when he left a few days ago for a brief rest in Mineral Wells.

Vera Man Falls From Truck and Breaks Leg Here

resides in the vicinity of Vera, suffered a badly broken thigh bone early Friday night when he fell beneath a truck on which he had been riding about two miles north of Munday on state highway 30. Mr. Wiggins was brought to Munday by a passing motorist and the injury was dressed by Dr. A. A. Smith. The injured man, then was taken to his home with the advice that an X-ray examination of the bone be made at the earliest opportunity. The splintered bone penetrated through the flesh. Mr. Wiggins, who has a wife and six children depending upon him for support, related that he had been to Burkholder's in search of work. Returning, he secured a pile on the truck, standing on the running board of the vehicle. He said that he lost his hold when the driver of the truck suddenly shifted gears, causing him to fall beneath the wheels. Times want ads get results.

Change In Name of Munday Bank Causes Errors

No Ma'am, the First National Bank in Munday is not liquidating its affairs. It is very much in business, doing right well, thank you, and hopes and expects to continue that way, its officers declare. However, the First National bank of Munday, the assets of which were acquired by the newly organized bank in Munday, is liquidating its affairs and gave notice to that effect as required by law in last week's issue of the Times. Inquirers since have wanted to know if the notice referred to the bank in Munday. For their information, the bank in Munday and the bank of Munday are separate institutions.

ISBELLS MOVE HERE

Misses Maude and Fannie Isbell and Tom Isbell have completed their removal from Gore to Munday so that Mr. Isbell may be nearer his duties as vice-president of the First National Bank. They are residing in the place belonging to Mrs. E. M. Wilson in Northwest Munday. Mr. Isbell and Miss Maude went to Mineral Wells this week for a brief rest.

BAUMAN PRAISES NEW CAR

Published pictures of the new model Ford automobile fail to do the car full justice, according to the assertion of E. H. Bauman, who returned during the week from a meeting at Dallas attended by more than 300 dealers. The new models probably will be available for display here within a few days, he announced.

REPAIRING LANE HOME

Five workmen now are engaged in making repairs to the home of John Lane, which was heavily damaged by fire about three weeks ago and members of the family expect to again occupy the dwelling before many days. All of the outer walls are being utilized but much interior reconstruction has been made necessary. Nothing inside the house escaped damage although some of the furnishings and fixtures are being salvaged, Mr. Lane reported. The family is residing temporarily in rented quarters.

OBSERVE ANNIVERSARIES

These are days of numerous anniversaries for the household of Mr. and Mrs. Walter Bowers, the 50th birthday anniversary of both Mr. and Mrs. Bowers occurred during February. On last March 25, they observed the 29th anniversary of their wedding. The celebration of the occasions will be deferred until next April 11, when their daughter, Thelma, who resides in Wichita Falls, plans a visit home. Mr. Isbell and Miss Maude went to Mineral Wells this week for a brief rest.

'CRAMMATION' AILS CHICKS

Adversity for humanity is proving to be prosperity with poultry with the result that 'cramation' is taking a heavy toll, particularly among baby chicks, according to Dr. J. A. Russell, veterinarian. Chicken feeds are so cheap as compared with prices of previous years that many poultry owners are inclined to 'cram' too much feed into their flocks. Dr. Russell said. Numerous ailments have been the result and the loss among baby chicks has been heavy.

Sunset School Believed Sure of Affiliation

Belief that the Sunset school has assured the eight units of affiliation with the University of Texas are English, Spanish and early European history. Belief that the Sunset school has assured the eight units of affiliation with the University of Texas are English, Spanish and early European history. Miss Cullum announced following her inspection that the school will be recommended with reservation for recognition as a standard Class A school. The school set district came into existence the result of the consolidation of other districts last year. Further announcements concerning Sunset included the school assumed a nine months term, the baby class during June 8; teacher salaries thus far have been met in full and in cash, but it probably will be necessary to issue some of the pay days; the time of the school closes; the time of which last year's taxes may be paid without penalty or interest has been extended to May 5; board of trustees has reelected R. Davenport superintendent, and son Barber as principal, and Mr. R. R. Davenport as primary teacher. The remaining teachers will be elected after the trustee election Saturday. The Sunset school is a faculty of 12 teachers. The subjects in which the school is seeking affiliation with the University of Texas are: English, Spanish and early European history. The subjects in which the school is seeking affiliation with the University of Texas are: English, Spanish and early European history. The subjects in which the school is seeking affiliation with the University of Texas are: English, Spanish and early European history.

MRS. SMITH IMPROVED

Mr. and Mrs. E. E. Akers and their daughter Miss Adrian, Mickey Jo and Emel Ophelia, who in DeLeon and Gorman Sunday visit relatives. In DeLeon, they visited Mrs. Akers' sister, Mrs. J. Smith, a visitor in Munday numerous occasions, who is recovering from an illness. In Gorman they were guests of Mrs. E. David, the daughter of Mr. Mrs. Akers.

Thinking Out Loud

Editor O. C. Harrison was recently elected president of the Seymour Golf club, and just about the time he takes over the duties of office he huris a challenge into the face of TOL to come over and compete with him on his rock-ribbed course. TOL was playing golf when O. C. still clung tenaciously to tennis, and when we do go over and give him a sample of our brand of golf he'll likely be contented thereafter to merely caddy for us.

Munday Legion Group Joins In Protest Meeting

Seven representatives from the Munday American Legion were present at a meeting at Stamford Monday night at which resolutions were adopted asking the board of directors of the West Texas Chamber of Commerce to disapprove the action of its tax committee in opposing legislation to authorize the immediate payment in full of world war adjusted compensation certificates.

Last Call Made To Insure Full School Census

Here's the last call to make certain that the scholastic census for the Munday independent school district is as nearly complete as possible. City Superintendent H. H. Riley, census enumerator for the district, reported Thursday he has made a house to house canvass of the area and has exerted every effort to make certain that no child has been overlooked. But it is possible that some may not have been enumerated, and every name left off will mean the loss of several dollars which otherwise would be available from the state toward the operating expenses of the city schools next year.

Thinking Out Loud

Each event toward deciding the county league title were held at the Sunset school last Saturday afternoon when the volley ball and play ground baseball championships were decided. Results were: Volley ball: Sunset, first; Benjamin, second.

Thinking Out Loud

Alton Harris, who has farmed in the vicinity of Munday for the last 12 years, has taken a job riding range on the Swensen ranch in Throckmorton county. The ranch is one of the largest in West Texas, comprising about 163,000 acres. Mr. Harris was in Munday on a brief business trip Saturday.

HARVEY HARRIS

Perhaps no state office concerns the people as a whole more directly than does that of railroad commissioner. No state body can hit the people as quickly or as hard in the pocketbook as can the Texas Railroad Commission.

Yet it invariably has been true in state elections of the past that eight of the races for places on the Railroad Commission been obscured by the excitement attending some other contest. Yet it is of far more concern to people as a whole as to who are elected railroad commissioners than it is to who is elected governor. Among others of its powers, the Railroad Commission probably has more to say as to what public utilities rates—those for such things as electricity and gas, shall be than does any other official group.

All of the foregoing is by way of preliminary to saying that it looks as though recent events in Wichita Falls are pushing a citizen there to the fore front as a candidate for a place on the Railroad Commission.

We refer to Judge Harvey Harris, a former county judge of Wichita County, who has been accorded the lead in a fight seeking lower gas rates in Wichita Falls.

Judge Harris is not a candidate for a place on the Railroad Commission. We don't pretend to know whether he aspires or for that matter, would consider such an office. We don't know what his chances of election would be if he should become a candidate, although we are satisfied the race would be no picnic for him. However, we do know of one vote that could be counted now if Judge Harris gets into the race.

It is sufficient to say here of the Wichita Falls gas controversy that some serious questions regarding the membership of the Railroad Commission have been raised there. Judge Harris' avowed motive for the initiative he has taken has been "to build a fire under the railroad commission", and incidentally, he seems to have done it. Mayor Nelson of Wichita said in sworn testimony that the city council there and that a state association of city officials are convinced that the people could not obtain justice from the present railroad commission in matters relating to utilities rates.

We have long believed that, with the exception of Pat M. Neff, the people have had no real representative on the rail body. Now that Mr. Neff has accepted the

presidency of Baylor University, the people generally have lost a sympathetic friend from the state commission.

Perhaps we are in error, but we believe that a house cleaning of the railroad commission is desirable, and that the job should be done as quickly and as thoroughly as possible. Whether he desires it or not, Mr. Harris has moved into a position of leadership for the accomplishment of that end.

A new boiler produces steam without first boiling the water and operates at the tremendous pressure of 3,500 pounds to the square inch.

SENIOR BIOGRAPHIES

Lucille Lowrance

Lucille was born on February 10, 1915. When she was two years old she moved with her parents to the farm home where she is now living. She started to school in the Munday Grammar school when she was six years old. Lucille has the distinction of being the only "red-head" in the Senior class. I imagine the next thing you will think of now is about her disposition, since a fiery temper usually is associated with people with red hair. No, Lucille is not excessively fiery and quick tempered; she has just the right amount of temper to have a pleasant disposition. She has always been a pleasant student in school.

Vincent Lane

Vincent was born September 21, 1915, at Munday. He has lived here since then. (You will notice that he is like many of the Seniors in this respect.)

He has attended the Munday schools all his life. Playing golf and tennis may be said to be Vincent's favorite hobbies and recreations. No doubt you will remember his winning second place in the second flight of play at the Tri-County golf tournament last year. That was enough to make golf the favorite hobby of anyone. He likes tennis, too, and is entering boys' tennis in the interscholastic league tournament this week end. Golf and tennis occupy a good part of his time. He was manager of the Mogul football team in 1930. He seems to be interested in athletics, doesn't he?

Frances McCard

Frances was born August 11, 1914, at Frost, Texas. She moved to Italy, Texas, when she was two years old, then to Corsicana, Texas, when she was five years old. She lived there about five years, then she moved back to Italy. After living there about three years she moved to Munday with her parents and entered the seventh grade with our class. Frances was queen of our class that year and was in the coronation of the queen at the high school carnival. She has been in all the coronation ceremonies of the school since then. Her favorite

hobby is going places.

Maxine Newsom

Maxine was born August 23, 1915, in this town where she still is living at the present time. She entered the Munday Grammar school when she was seven years old and has attended the city schools since then. She says her favorite pastime and hobby is going up and down the "drag" with her "three sisters". (She is one of the four sisters, you remember.)

Maxine was our class queen last year and so we crowned her queen of Munday High school at the annual carnival. We have decided that her favorite expressions are "ca-a-n't wait" and "oh, sure, sure".

JUNIORS

We are now engaged in plans for the Junior-Senior reception to be given April 8. Both Juniors and Seniors are looking forward to this gala affair.

Due to a recent reclassification we lost several of our Juniors. We are very sorry to see these people leave our class, but are glad for them that they have become distinguished Seniors.

STALLION—An standing a good stallion at F. T. Jarvis place 5 miles west of Munday. \$7.50 to insure.—W. W. JARVIS. 3729

NOTICE

Members of the Farmers Union of Munday will meet Saturday afternoon, April 2, at 2:30 o'clock at Farmers Union hall for the purpose of electing a board of directors. All members are urged to attend.

J. E. Edwards, secretary.

LIQUIDATION NOTICE
The First National Bank of Munday, located at Munday, in the State of Texas, is closing its affairs. All note-holders and other creditors are hereby notified to present the notes and other claims against the association for payment.

Dated March 21, 1932.
C. A. Eiland, President.
46-9to

LEGION GETS INVITATION

An invitation to attend a tri-state rally of the American Legion to be held at Perryton, Texas, on April 17 and 18 has been received by members of the Munday post, according to Frank Decker, commander.

Legionnaires from Texas, Oklahoma and Kansas are expected to participate in the event and numerous prominent speakers are to appear on the program, it was announced.

Miss Janelle Stodghill of Seymour spent the week end here with her mother, Mrs. E. H. Stodghill.

Mr. and Mrs. Earl Owen and little son, Dick Davy, who is convalescing from a serious illness, were here from Vernon, East Texas, to visit her parents, Mr. and Mrs. E. B. Davy.

Earl Williams, son of Mr. and Mrs. Walter Williams, has returned from South-west Texas where he had been working.

Myrtle Leary, who has been seriously ill at her home here for the past two weeks, was again well improved Thursday and was believed to be on the road to recovery.

E. J. Roberts, Sr., divided time during the last week end between Cross Plains and Wichita Falls. In Cross Plains, he visited the family of his son, E. J. Roberts, Jr. Then he went to Wichita on business.

NOTICE OF ELECTION.

By virtue of authority vested in me by the laws of the State of Texas, notice is hereby given that an election will be held within the corporate limits of the City of Munday, on the first Tuesday in April, 1932, the same being the 28th day of April, for the purpose of electing a mayor to succeed C. L. Mayes, and two aldermen to succeed Fred N. Warren and G. W. Tate.

The place of holding said election shall be at the City Hall.

WHEN BABIES FRET
FRET means are those when a baby is too fussy or frowny to be hung to sleep. There are some ways a mother cannot not see, that there's quick comfort in Castoria.
For diarrhea, and other infantile ills, give this pure vegetable preparation. Whenever coated tongues tell of constipation; whenever there's any sign of sluggishness, Castoria has a good tooth; children love to take it. Buy the genuine—with Chas. H. Fletcher's signature on wrapper.
CASTORIA

SAVE WITH ICE

Ice is now in the reach of everybody, as we are making a substantial reduction in the price of Ice for CASH. The following prices are now in effect:

PLATFORM PRICES:	
100 pounds	50c
50 pounds	25c
25 pounds	15c
12 1/2 pounds	10c

DELIVERED PRICES:	
100 pounds	50c
50 pounds	27 1/2c
25 pounds	15c
12 1/2 pounds	10c

We feel sure that the prices quoted are the lowest in the history of Munday, and remember, we made a substantial reduction in the price of ice when our plant first started operation.

WE Deliver Every Day. Place your Card in window or Phone us.

Ice is much cheaper than the food you waste by not having refrigeration. Start using ice now and let us serve you.

NOTICE TO SCHOOL STUDENTS.—Those who plan entering our Essay Contest should get your papers to us not later than April 15th, as the contest will close on that date, and awards will be made as soon thereafter as is possible.

Departing Mundayites Honorees at Party

On Thursday evening of last week the Munday Study club paid a delightful compliment to two of its very efficient members, Mrs. L. E. Loveless and Mrs. Fred Warren, both of whom are soon to reside in Seymour.

The members of the club were met at the Roxy theatre by Meses J. D. Kethley and E. M. Ammons and were escorted by them to see "Mother's Millions", the life of Betty Green portrayed on the screen. However the comedy on the moving of furniture about the house was about as well enjoyed as the feature picture.

Afterwards, delicious refreshments of sherbet and cake were served at the Tiner Drug store.

Although the occasion was enjoyed, members of the club joined in expressing deepest regret at losing two of its most popular and valuable members.

Those present, additional to the honorees were Meses. Frank Decker, Leland Hannah, C. L. Mayes, J. R. Smith, M. H. Reeves, Dorsey Rogers, Bud Reynolds, E. H. Stodghill, Florence Williams, Kethley and Ammons.

Missionary Society Holds Monthly Meet

The Woman's Missionary society of the Baptist church held its monthly joint business and social meeting Tuesday afternoon at the home of Mrs. Bud Reynolds, with Mrs. Reynolds and Mrs. Clyde Nelson as hostesses.

After Mrs. A. U. Hathaway had said the devotional, a brief business session was followed by a delightful social hour.

Delicious iced punch and cake were served as refreshments to about 15 members and guests who enjoyed the occasion.

Reid-Jennings Nuptials Are Solemnized Here

Miss Ava Dell Reid, more popularly known as Billie, of Munday, and Cecil Jennings of Decatur, whose business as cotton buyer has kept him here during the last several months, were quietly married at an impressive ceremony solemnized Sunday at the home of Mr. and Mrs. Howell Burton, intimate friends of the bride with whom she had made her home for the last three years.

Rev. J. H. Crowe, pastor of the First Methodist church, performed the ceremony. The couple left immediately afterward for Wichita Falls, but returned here Monday and will make their home here at least temporarily.

Miss Reid was attended during the ceremony by Miss Helen Houser as maid of honor. Joe Lynn

Rooms 1, 2 and 3
Pendleton-Island Building
Munday, Texas

Mayes was best man. The ring ceremony was used for the occasion by Dr. Crowe.

The bride wore a sport ensemble of green and white with harmonizing accessories suitable for traveling. She carried a bouquet of Easter lilies and green fern. Miss Houser was clad in a tan and white sport ensemble.

Mrs. Jennings is the daughter of Mrs. Blanche Reid of Oklahoma City, and she spent nearly all of her girlhood and attended school in Oklahoma. During her three years residence here, she has won a place of popularity among the younger set. Mr. Jennings is a buyer for the Neil P. Anderson company in Fort Worth and his duties have required his presence in Munday virtually without interruption for the last year. During that time he has won high esteem among his business and social contacts.

Owing to the nature of his duties, Mr. and Mrs. Jennings' plans as to their place of future residence are somewhat indefinite.

Others present at the wedding included Dr. and Mrs. E. M. Ammons, Meses Bobby Harris and Maxine Pendleton, Guy Lankford of Stamford, an intimate friend of the groom and H. A. Pendleton, Jr., and Masters DeFrance and Billy Joe Burton.

Mrs. Duval Entertains As You Like It Club

Members of the As You Like It club enjoyed a delightful evening when they were the guests of Mrs. E. Duval on the occasion of their regular assembly.

Mr. and Mrs. L. E. Loveless, who are completing their removal to Seymour, were guests of special honor on the occasion. Mrs. Loveless has been one of the most popular members of the club, and keen regret was expressed by others of the group that they will be lost to the citizenship of Munday.

Mr. and Mrs. H. F. Barnes made

high score during the play which constituted the diversion of the evening.

Delicious cake and ice cream were served as refreshments to Messrs. and Meses. Tom Hanev, R. D. Atkinson, E. S. McCord, J. D. Kethley, H. F. Barnes, Oats Golden and Loveless and Mr. Duval.

Mrs. Pendleton Hostess To Three-In-One Club

Members of the Three In One club were guests through a pleasant afternoon at their regular meeting Thursday, to which Mrs. J. A. Pendleton was hostess.

A salad course and iced tea were served by the hostess to Meses J. R. Smith, Jack Mayes, Carl Jungmann, Dorsey Rogers, P. V. Williams-Oates Golden, W. H. Atkinson, E. S. McCord, W. P. Farrington, R. H. N. C. L. Mayes, H. H. Langford, J. C. Borden and W. E. Moore and Misses Clodell Mayo of Goree and Adrien Akers

Fred Broach, Jr., Given Birthday Party

A long to be remembered observance of the 13th birthday anniversary of Fred Broach, Jr., was celebrated Friday evening when his parents gave a delightful party to a number of his friends in his honor. The birthday anniversary did not occur until March 30 but the party was given on Friday evening so as to avoid conflict with school studies.

After those assembled had spent a highly enjoyable time in the play of games, the event was climaxed when a gorgeous birthday cake was revealed by Mrs. Broach. Adorning it were 13 lighted candles, and it was sliced with all the hilarity traditional to such occasions.

Ample cognizance of youthful appetite was taken by the hostess in the serving of refreshments, which consisted of frozen Bavarian cream and angel food cake. An added touch were the Easter rabbits filled with candy eggs which served as place markers.

The guest list included: Wanda Sloan, Sylvia and Gordon James Barnes, Lucille Neff, Louise Ingram, Virginia Smith, Darwin Campbell, Margaret Whittemore,

Betsy Reeves, Winnifred Warren and Margaret Tiner, and Rupert Williams, W. R. Moore, Jr., J. B. Duval, Preston Ingram, Joe Lynn Kethley, Glenn Wallace Kennedy, Arthur Smith, Jr., Willard Bauman, Clifford Brock, Vinton Tiner and L. B. Lee.

Mrs. Pendleton Entertains Monday Night Club

Mrs. H. A. Pendleton was a charming hostess at her home this week to the weekly gathering of the Monday Night club.

After Mrs. J. D. Kethley and Oates Golden had made high scores during the evening of play, nut pie heaped with whipped cream and coffee were served a refreshments to Messrs. and Meses. W. R. Moore, E. Duval, W. H. Chapman, J. D. Kethley, E. S. McCord, E. W. McGlothlin and Oates Golden.

Wednesday Club Meets With Mrs. Bauman

Roses and chrysanthemums used as home decorations provided a lovely setting for the regular meeting of the Wednesday club at the home of Mrs. E. H. Bauman Wednesday afternoon.

Mrs. G. H. Craig held high score in the games.

Delicious refreshments were served Mesdames Joe Davis, U. R. Houser, H. H. Langford, C. L. Mayes, Carl Jungman, J. A. Kennedy, Mat Dillingham, E. W. McGlothlin, E. S. McCord, Adrian Mason, G. H. Craig and Mary Denton.

Mrs. Mary Wilson and Meses Ola and Ollie Frazier and Martha Pace were guests here Sunday at the home of Walker Bevers. They reside in Haskell.

Mr. and Mrs. John Lane and Mr. and Mrs. D. E. Holder spent Sunday visiting the family of W. A. Wythe in Anson.

ROXY THEATRE

Friday and Saturday, April 1-2
New adventures of "Get-Rich-Quick Wallingford" with William Haines, Jimmy Durante (the new comedy sensation), Ernest Torrence and Leila Hyams. It's a laugh riot! Also sixth episode of, "Finger Prints" and comedy, "Radio Rhythms".
