Community Canning Plant Very Busy Place Tri-County Golf Meet Is In Progress Here This Week

Joe Tom Nuckles Of Seymour Seems Favorite in Meet

Joe Tom Nuckles, Seymour club champ, and medalists with a sensational 69, seems to have all the edge on winning the tri-county tournament which is in progress here this week, and in which there are three flights of sixteen players entered.

With the completion of qualifying rounds on Monday match play started with a vim on Tuesday morning, and the interest of visiting golfers has been very gratifying to members of the local club.

Following is the qualifying score of the various players entering the competition: Jack Wilson, Knox City 73; Bob Hamrick, Seymour 77; Roy Killingsworth, Haskell 80; Lem Bellows, Seymour 82; B. M. Whitaker, Haskell 83; E. W. McGlothlin 81; J. A. Couch, Haskell 78; Cecil Jennings 71; Panny Farmer, Knox City 76; Cedric Harrison, Seymour 78; J. D. Montgomery, Seymour 81; L. E. Loveless, Seymour 84; H. A. Pendleton, Jr. 82; T. E. Craddock, Seymour 81; Vincent Lane 77; J. T. Nuckles 69; U. R. Houser 84; C. B. Breedlove, Haskell 87; Tom Isbell 88; O. C. Harrison, Seymour 90; Go. Wimbish, Haskell 90; R. V. Robertson, Haskell 89; Byron Shupe, Seymour 87; J. A. Wheat, Seymour 85; R. G. Campbell 86; W. H. Atkinson 88; Lee Haney 90; R. E. Baskin, Seymour 91; O. E. Patterson, Haskell 90; Kenneth Edwards, Knox City 89; E. J. Roberts 87; Eugene English, Haskell 84; R. L. Ballenger, Seymour 92; W. N. Hart, Seymour 94; T. Everett, Haskell 96; C. W. Wilson, Haskell 100; W. R. Henry, Haskell 102; E. W. McGlothlin, Jr. 96; Tom Haney 95; E. M. Ammons 92; W. E. Braly 96; A. F. McMinn, Haskell 96; E. M. Roberts 97; J. A. Kennedy 115; J. W. Pace, Haskell 101; F. L. Daugherty, Haskell 95; Henry Atkinson, Haskell 95; T. E. Dickerson 93.

Match play started on Tuesday morning, and during the day the results of the various matches was as follows:

Jack Wilson defeated Bob Hamrick 6-5; Lem Bellows defeated Roy Killingsworth 5-4; B. M. Whitaker defeated E. W. McGlothlin 2-1; Cecil Jennings defeated J. A. Couch 3-1; Panny Farmer defeated Cedric Harrison 9-7; J. D. Montgomery defeated L. E. Loveless 4-2; T. E. Craddock defeated H. A. Pendleton, Jr. 5-3; J. T. Nuckles defeated Vincent Lane 10-8.

Second Flight.
U. R. Houser defeated C. B. Breedlove 6-5; O. C. Harrison defeated Tom Isbell 1-up on 19 holes; R. V. Robertson defeated Go. Wimbish; Byron Shupe defeated J. A. Wheat; R. G. Campbell defeated W. H. Atkinson 6-5; Lee Haney defeated R. E. Baskin; Kenneth Edwards defeated O. E. Patterson 6-5; E. J. Roberts defeated Eugene English 5-3.

Third Flight.
E. L. Ballenger defeated W. N. Hart 5-6; G. W. Wilson defeated T. Everett 1-up; E. W. McGlothlin, Jr. defeated H. K. Henry 6-4; E. M. Ammons defeated Tom Haney 2-up; W. E. Braly defeated A. F. McMinn 6-5; E. M. Roberts defeated J. A. Kennedy 4-3; J. W. Pace defeated F. L. Daugherty; Henry Atkinson defeated T. E. Dickerson 1-up.

Wednesday's Results.
Playing to a large gallery Joe Tom Nuckles and T. E. Craddock laid down a barrage Wednesday afternoon that gave a thrill aplenty, and Mr. Nuckles was uncomfortably pressed by the hefty Craddock several times during the melee, in fact Craddock had him two down at the end of the ninth hole, having shot a record-breaking 32, which is something to talk about, even if he lost the match, 2-up.

Other results of the day were as follows:
Jack Wilson defeated Roy Killingsworth 6-4; Cecil Jennings defeated B. M. Whitaker 1-up; Panny Farmer defeated J. D. Montgomery.

Second Flight.
Byron Shuffe defeated R. V. Robertson; Lee Haney defeated R. G. Campbell 1-2; E. J. Roberts defeated Kenneth Edwards 1-up on 19 holes.

Third Flight.
C. Wilson beat E. M. Ammons 3-2; W. E. Braly defeated E. M. Roberts 1-up.

Munday Wins 15-6 Victory From Knox Sunday Afternoon

Skipper Burton's crew put on a slugging spree Sunday afternoon that swept the Knox City aggregation off their feet in the first two frames of the game, and maintained a comfortable lead for the remainder of the game, despite the efforts of Manager Ed Shaver to stem the tide.

Bobbie Edwards, Knox City's principal hurling reliance, lasted only to start the second frame, when after the Munday lads had registered 5 hits and 7 runs, he was retired in favor of H. Hill, who didn't fare much better, allowing 4 hits and 6 runs in the 3-2-3 innings he performed. J. Hill was then pressed into service and was touched for 4 hits and two runs in the 2-13--innings in which he served his slow curve balls over the plate, and finally Skipper Shaver went in and completed the game and held the hard-hitting Mundayites hitless and scoreless for the final three frames. Abbott completed the nine innings for Munday, and yielded only 3 hits and 6 scores, and several times demonstrated his ability to pull out of tough places.

Sheney Rayburn led the home boys in the matter of sensational swatting, having registered two home runs. Abbott contributed materially to the victory with 4 hits out of five times at bat, while McGraw followed closely with three safeties to his credit.

Sacrifices—Mayes. Left on base—Munday 5, Knox City 9. Bases on balls—Abbott 4, Edwards and J. Hill. Struck out—Abbott 2, Edwards, H. Hill 2, J. Hill 2, and Shaver 4. Innings pitched—Edwards 1, with 5 hits and 7 runs, H. Hill 2 and 2-3 innings with 4 hits and 6 runs, J. Hill 2 and 1-3 with 4 hits and 2 runs, Shaver 3, with 0 hits and 0 runs. Losing pitcher, Edwards. Umpires—Haney and Halsey.

FIRST BAPTIST CHURCH.
All services at the regular hours next Sunday. The pastor will preach at both the morning and evening hours.

There will be special music. J. O. McMahon and Jeff Dean Bowden will each give a reading at the morning service.

Jesus said, "Seek ye first the Kingdom of God, and His righteousness". May we put God first and other things secondary.

—W. H. Albertson.

Chief Grady Thornton, Walter Plunkett and H. D. Warren left on Monday morning for Austin as delegates from the Munday Fire Department to the State Firemen's Convention.

Proud Moments!

Munday Gas Rate Ordinance Passed By City Council

After months of wrangling and court procedure, the city council on Monday adopted the rate-fixing ordinance demanded by the Stamford and Western Gas Company, which will give the citizens a slight reduction on the rate they have been paying since the litigation started.

The new rate, which will likely be effective immediately, is as follows: \$1.50 net of \$1.66 gross for the first 1000 feet. \$1.25 net or \$1.38 gross for the second 1000 feet. 75c net or 83c gross for the next 3000 feet. 50c net or 56c gross for the next 20,000 feet. 45c net or 50c gross for all over 20,000 feet.

With the acceptance of this ordinance the gas company is authorized to collect the \$2.00 re-connect fee, which has heretofore resulted in court action.

While the rate is not what the council would like for it to have been, the acceptance seemed to be about all that could be done at this time, as to have continued the fight against the gas company would have required a survey of their local properties, which would have cost several hundred dollars, and in addition the city would have been put to the cost of a hearing before the railroad commission, and those who have watched results of similar fights over the state are of the opinion that no relief would have come from that body at this time.

Officers Elected By Knox Lodge, A. F. & A. M. For Ensuing Year

The following officers were recently elected by Knox Lodge A. F. & A. M. to serve during the ensuing year: Ira Bowden, worshipful master; E. S. McCord, senior warden; Geo. W. Dingus, junior warden; Lee Haynes, secretary; C. A. Eiland, treasurer; R. G. Campbell, tyler.

TOL has a broken windshield in his car all because he went to the ball game last Sunday afternoon at Knox City. We parked our car away out on the third base line and figured none of the balls would come that way, but pitcher Abbott lined one out in that direction and Henry White failed to get it, so we haven't decided as yet to whom we shall render the bill. In other words, we haven't been able to determine whether our broken windshield is the result of an act of commission or omission.

Thinking Out Loud

The Munday mayor, who is also editor of The Munday Times, and not so darn tall, was complaining about the salary which Jimmy Walker of New York has been paying himself.

Salaries of City Employees Are Cut \$50.00 Per Month

Approximately \$50.00 per month was sliced from the city's payroll at the meeting of the city council on Monday afternoon, the biggest reduction made being that in which the salary of City Secretary D. T. Mauldin was reduced from \$100.00 per month to \$75.00. The reduction was made at the suggestion of Mr. Mauldin himself, who stated that he felt that under present conditions he should make the reduction, and the council accepted the suggestion with an expression of thanks to Mr. Mauldin.

Other salaries reduced were those of the negroes employed in the sanitary department, whose salaries were reduced from \$60.00 per month to \$40.00 per day for each day worked. Janitor service at the city hall was heretofore paid \$50.00 per month, was dispensed with altogether.

This is the second reduction to be made in the salary of Mr. Mauldin, the first being made some months ago when it was reduced from \$125.00 per month to \$100.00, and the voluntary reduction accepted on Monday brings the total reduction in his salary to 45 per cent.

Funeral Services For Mrs. J. A. Stevens Held Thursday

Mrs. J. A. Stevens, wife of Judge Stephens of Benjamin, died in the Knox County Hospital at Knox City Wednesday evening at seven o'clock after a month's illness.

Funeral services were held at the Methodist church in Benjamin, Thursday morning with Rev. Kroy of Benjamin and Rev. Sharp of Knox City officiating.

Where They Play Sunday.

Rochester at Goree.
Sunset at Munday.
Knox City at Rhineland.

Funeral Rites For Miss Opal Maples Friday Afternoon

Funeral services for Miss Opal Maples, who died at Colorado Springs, Colorado, on Tuesday, June 7th, were conducted at the Methodist church here last Friday afternoon, with the Rev. John H. Crowe, pastor in charge, assisted by the Rev. B. J. Osborn, former pastor of the local church, now of Crowell.

The large concourse of friends which taxed the seating capacity of the church auditorium and the beautiful floral offerings revealed the high esteem in which deceased was held by those who had known her from childhood.

Pallbearers and flower girls, named by deceased when she realized that the end was near, and all of whom were close friends or schoolmates, were: Harvey Lee, Ike Huskinson, Jim Nelson, Dr. E. M. Roberts, Henry Atkinson and J. Des McStacy. The flower girls were: Misses Thelma and Kathleen Atkinson, Mary Lanford, Maxine Dingus, and Mrs. Irma Mae Lee.

John Wilson assumed his new duties as postmaster at Knox City on Tuesday morning of last week, according to the Knox County Herald, succeeding Brooks Campsey, who was appointed temporary postmaster following the resignation of Mr. Clark, who had served in that capacity for a number of years.

"MISS MUNDAY"

MISS MAXINE PENDLETON who has been selected by the Munday Chamber of Commerce as "Miss Munday" at the Texas Cowboy Reunion at Stamford, July 4-5.

Rochester Takes Play-Off Tie Here Wednesday

After having all the best of the argument up to the final frame, Rochester put on a hitting spree in the ninth inning in the play-off of the twelve-inning tie game here Wednesday afternoon and put themselves in an almost cinch position to take the series in the Braves Valley league.

She is survived by her husband, two daughters, Misses Lucille and Marguerite, her mother, Mrs. Alexander of Benjamin, three sisters, Mrs. Bissie of Benjamin and Mrs. Florence Williams and Mrs. E. Duval of Munday.

Kathleen and Alene Houser spent the week-end in Quanah, visiting in the home of their little friends, the Wallace twins.

That the canning laboratory recently installed by the Munday Chamber of Commerce at the city hall is meeting the need of the community is evidenced by the fact that the plant has been kept busy almost constantly since it has been ready for operation, and already many dozens of cans of vegetables have been canned that likely would not have been canned had not the plant been made available for the people of the community.

The following rules have been worked out by the committee of the chamber of commerce for the operation of the plant, and those who contemplate using it should be very careful to comply with the few simple requirements imposed:

1. No charge will be made for the equipment, fuel, water, etc.
2. Each individual will furnish his own cans unless other arrangements have been made.
3. All vegetables should be canned the same day they are gathered and meats should be cooled before canning.
4. Appointments must be made at least two days in advance in order that there will be no conflicts.
5. For appointments phone or apply to D. T. Mauldin, chairman of the canning committee of the chamber of commerce. Phone 102.
6. A competent supervisor will be furnished without charge when necessary.
7. All equipment must be well cared for, washed clean and left in a sanitary condition.
8. The individual doing the canning is asked to furnish their own dish cloths.

On Monday morning, in response to a call for volunteers to take instructions in order that they might volunteer their services in supervisory work, the following ladies met in the laboratory and were given detailed instructions by Miss Grace Nelson, county home demonstration agent; Messrs. James E. B. Bowden, W. L. Lansford, Lee West, H. D. Warren, Erin McGraw, H. F. Hill, R. D. Atkinson, J. A. Caughran, D. T. Mauldin, W. R. Moore, S. A. Bowden, Ralph Weeks, M. O. Burnett, W. E. Hammack, O. F. Greer. These ladies have tendered their services without cost, and they, together with members of the local home demonstration club, will gladly assist anyone wishing to use the canning equipment.

**How to play Bridge
AUCTION and
CONTRACT**
by Wynne Ferguson
Author of "PRACTICAL AUCTION BRIDGE"

There is no Auction player in the world who always wins or who always loses, and yet some players, deservedly or otherwise, get that reputation. It is very useful to have a reputation for good luck. It not only gives your partner confidence in you, but also worries your opponents. Card players as a class are superstitious, even though they will not admit it and, when a player has the reputation of "always" winning, he generally does. He has a happy air of success that imparts itself to his partner and opponents alike. "I love to play with you, partner. You always make me feel that we are going to win." Such remarks to a winning player are often heard and show the influence that his reputation exerts.

On the other hand, consider the player who "always" loses. He takes his place at the table with a sad and mournful expression as if Fate has already marked him out as the loser of the rubber. He generally starts out with a remark like this: "Well, partner, I haven't been able to hold a lone card in weeks so watch your step." He takes a queer sort of pride in his bad luck and seems to enjoy talking about it. Needless to say, such a player has a bad influence on his partner and an encouraging one on his opponents. He probably doesn't always lose, but he certainly deserves to always lose. He is his own most formidable opponent and, by his dismal complaints and talk about bad luck, discourages his partner as well as himself.

There is a lot of psychology in Auction and Contract and the winning player is generally the one who comes to the card table not only with the will to win but with the sure belief that he is going to win. Tell your friends of your good luck, but keep your bad luck to yourself. Don't get the reputation of being a "Jonah." All the world loves a winner, but the loser must always weep alone. Practice Coue's auto-suggestion and keep repeating to yourself: "I am getting luckier and luckier day by day." You will be surprised at the results both in your luck and also in your popularity at the card table.

Pioneer Of West Will Hold Meet at Stamford July 4-5

STAMFORD, Texas, June 16.—Pioneer Texas cowboys, who "won and ruled an empire from the saddle" will hold their annual round-up in Stamford in connection with the Texas Cowboy Reunion on July 4, 5 and 6. The oldtimers have their own organization known as the Texas Pioneer Cowboy Reunion Association.

The pioneers will hold their convention and elect officers on the morning of July 4. However, they will be guests of the Texas Cowboy Reunion throughout the three days of the gathering. Membership badges of the pioneer association will admit the veteran cowboy to all rodeo performances, to the chuck wagon dinner each day and the oldtime square dance each night.

Men who were actively employed on the range or trail 35 years ago are entitled to membership. Widows of men who would be entitled to membership also are eligible. Col. R. L. Penick of Stamford, president of the pioneer cowboys and cattlemen to renew acquaintances swap stories and revive memories of the old West, is one of the outstanding features of the Cowboy Reunion each year.

As a part of the rodeo program, a contest in calf-roping will be held for cowboys over 35 years of age, with a handsome \$100 saddle as first prize. The oldtimers also will be represented in the selection of the two most typical cowboys, one of the selections to be over 55 years of age and the other under 35.

Besides President Penick, the officers of the Pioneer Cowboy Reunion Association are Clyde Burnett, Benjamin chairman of the board; Chas. E. Coombes, Stamford, secretary; Starks Daugherty, Anson, treasurer; Frank Rhoades, Throckmorton, range boss, and Walter Cousins, Dallas historian.

RHINELAND

After a few good showers of rain have fallen during the week, the people of this community are rejoicing over the fact that their territory is now soaked with enough moisture to last several weeks. Also some hail doing slight damage to young crops accompanied the shower which fell on June 10.

On Saturday afternoon, Rev. Boniface Spunko, O. S. B., left for Subiaco, Arkansas, where he is attending to business affairs.

Rev. Ignatius Bodmayr, O. S. B., rector of Subiaco College, Subiaco, Arkansas, is attending to pastoral duties during the absence of the pastor, Father Boniface. A cordial welcome is extended to Father Ignatius.

Miss Emma Birkenfeld of Wichita Falls is spending a few days with Mr. and Mrs. Henry Birkenfeld.

Mr. and Mrs. Joe Swint and baby of Breckenridge are visiting in the home of her mother, Mrs. Mary Klug.

Mr. Felix Kuehler returned from Nebraska, where he had been working during the past year.

Mr. Lawrence Friske erected a home for his son, Lawrence, Jr. The home is located northeast of Rhineland on the farm which Mr. Friske bought some time ago.

—Reporter.

QUICK! Relief

BABY FRETFUL, RESTLESS?

Look to this cause

When your baby fusses, tosses and seems unable to sleep restfully, look for one common cause, doctors say. Constipation. To get rid quickly of the accumulated wastes which cause restlessness and discomfort, give a cleansing dose of Castoria. Castoria, you know, is made specially for children's delicate needs. It is a pure vegetable preparation; contains no harsh drugs, no narcotics. It is so mild and gentle you can give it to a young infant to relieve colic. Yet it is as effective for older children. Castoria's regulative help will bring relaxed comfort and restful sleep to your baby. Keep a bottle on hand. Genuine Castoria always has the name:

Wm. H. Fletcher
CASTORIA
CHILDREN'S CATHARTIC

DR. MILES' Aspirin-Mint

Low Rates Will Be In Force During Leuders Encampment

At a two-day meeting of the Leuders Encampment Grounds last week, there were present representatives of seven associations and indications from each one were to the effect that the encampment would be largely attended. It begins July 11 and runs through the 22nd.

Leuders Encampment grounds represent a value of about \$25,000. The tabernacle is said to be the largest of any encampment in the state.

Numerous individuals cottages have been erected. The management is offering free sites for the erection of private buildings. The grounds are only open for those who have property interests at ties the encampment is not in session.

The management is arranging to feed three in a family or from a church group for the sum of \$15.00, or \$5.00 each for the entire seven days. Each additional member of a family will be given his meals for \$4.50. Every effort is being made to help the people get away from any trouble and the prices have been made the lowest by far in the history of the encampment.

It is believed the program is the strongest that has ever been outlined. State workers will include Mrs. J. E. Leigh, Corresponding secretary of the W. M. U. of Texas, Andrew Allen, from the Sunday School Department, and Miss Grace Conn, from the B. T. S. Department.

The small fee of \$1.00 registration per car will prevail again this year. Those who wish to register before the encampment time will please write Mrs. J. E. Burnam, care of Simmons University, Abilene, Texas.

Water Minimum Is Increased By City Council On Monday

At the regular semi-monthly meeting of the city council Monday the water rate was reduced to some extent, the minimum allowance for \$1.50 being increased from 3000 gallons to 6000 gallons. The prevailing rate of 20 cents per thousand gallons for all water used over the minimum was not disturbed by the action of the council.

While the reduction may not be as great as some might wish for, the council believes that Monday now has the lowest water rate of any town in this section of the state, as will be found by comparison of our rate with most towns in this section.

Water Minimum Is Increased By City Council On Monday

Questions and Answers about Conoco Germ Processed Oil

Q: WHAT DOES "GERM PROCESS" MEAN?
A: The word "Germ Process" denotes the scientific method by which this oil is manufactured. Such processing adds immunities to the oil's lubricating properties. North American patent rights to this process are owned by Conoco—only CONOCO oils are Germ Processed!

Q: IS IT DIFFERENT FROM OTHER OILS?
A: Yes, it is the only oil of its kind, and does what no other oil can do. The Germ Process gives it the ability to penetrate and rub into with metal surfaces in your motor. The Germ Process also gives more "slippery" than any other oil. Any oil would be better than a Germ Processed.

Q: WHAT IS THE "HIDDEN QUART?"
A: The "Hidden Quart" is a complete evidence that CONOCO Germ Processed Oil penetrates metal surfaces and gives more "slip" than any other oil. During the first 100 to 300 miles after you first fill

with Germ Processed Oil, a pilot in a quiet room disappears. On later fills, it does not. That's the Hidden Quart—it stays up in your motor and never drains away from your car. Other oils drain away when your car is idle, leaving vital parts unlubricated during the starting period, when almost half of all motor wear occurs. CONOCO's Hidden Quart lubricates before your motor starts—keeping down your starting wear!

Q: WHY SHOULD I CHANGE TO CONOCO GERM PROCESSED MOTOR OIL?
A: Because, by cutting down starting wear, it gives you more horsepower, longer engine life, and saves expensive repair bills. Conoco Germ Processed Oil's extra slipperiness makes your car not only start easier, but also runs better. It forms a stronger protective seal, making starting easier and giving more power. It with-stands extreme dilution and high temperatures. CONOCO Germ Processed Motor Oil gives you the slipperiest lubrication you can buy. Change now to the better oil at any CONOCO Red Triangle station.

CONOCO GERM PROCESSED MOTOR OIL 30
A HIDDEN QUART STAYS UP IN YOUR MOTOR AND NEVER DRAINS AWAY

We Have All Helped to Make ELECTRICITY your most inexpensive servant

The West Texas Utilities Company strives constantly to provide electric service more economically. That's one reason why your electricity is so inexpensive today.

There is another reason. With the rate schedule arranged so that the unit price is less with each additional use, our customers have reduced their own average rates by applying electricity to more and more of their household tasks.

This working arrangement between customer and company makes electric service constantly more useful and constantly lower in cost. As you make fuller use of the service, your rate is always going down.

KEEP CHICKENS UP.

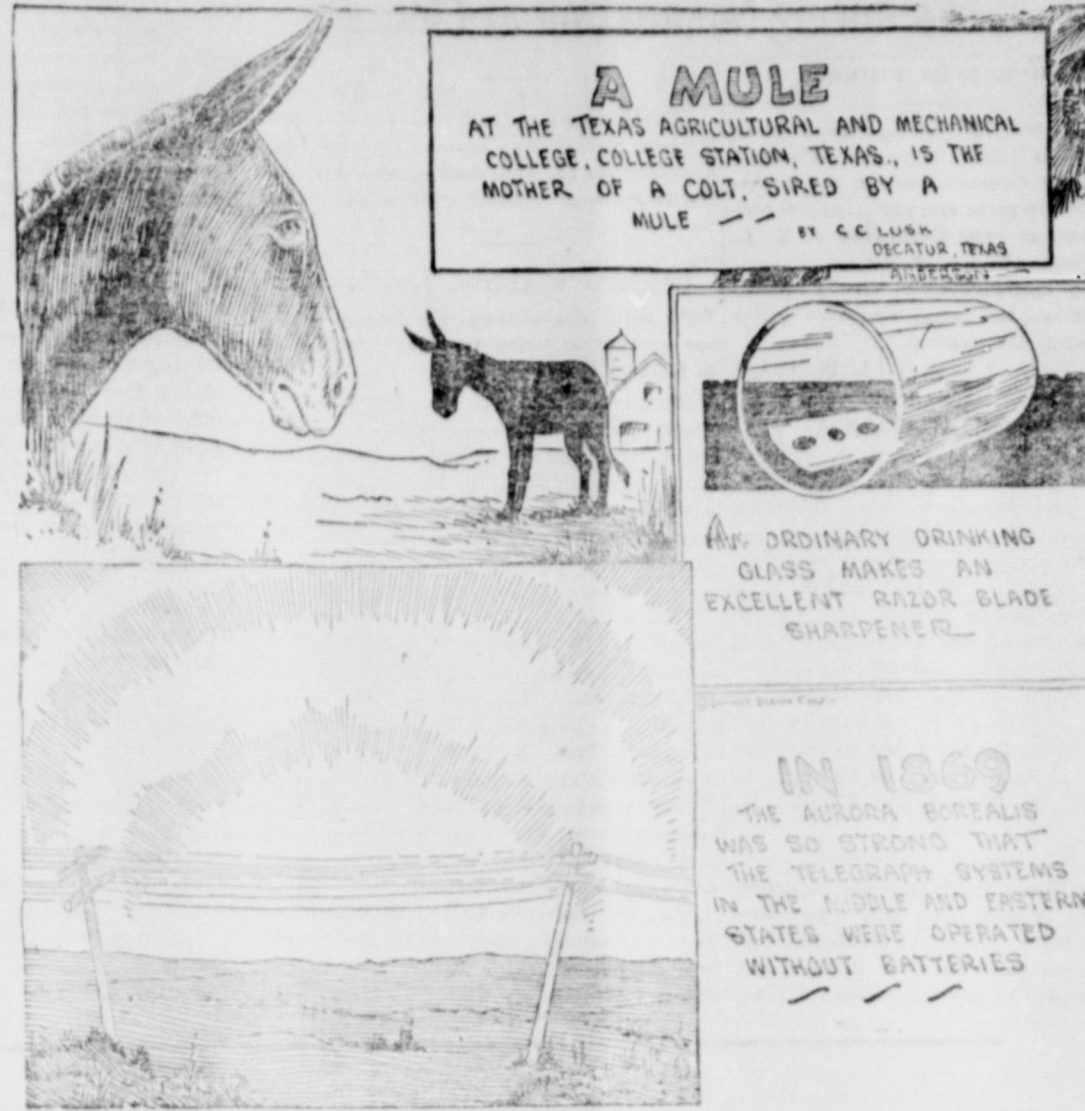

Despite the fact that notice was given some time ago urging citizens to keep up their chickens, a few complaints continue to be heard, and it is hoped that every citizen will observe this law and keep their chickens up. Those who are trying to beautify their yards or make a garden encounter much difficulty when neighbor's chickens destroy their work, so let's be considerate of our neighbor and keep the chickens confined. Thank you.

J. A. KENNEDY, Mayor.

OUR COMMUNITY CANNERY.

The recent action of the Munday Chamber of Commerce in installing a community cannery here is, to our way of thinking, one of the best investments the organization has ever made. Too often we have gone off chasing rainbows and spending our money without getting full value, but in this instance the good that will accrue to this community from this small investment will be very great. Dave Mauldin, who is supervising the plant, reports that many of our citizens are already making reserva-

AN ORDINANCE

Prohibiting the driving of an automobile or motor vehicle within 300 feet in the rear of any fire truck, fire hose cart or other fire fighting apparatus of the City of Munday when such fire truck, fire hose cart or other fire fighting apparatus is being operated on and along the streets of the city of Munday in response to an alarm of fire, declaring violations of the ordinance a misdemeanor and fixing punishment, and reserving from operation of the ordinance members of fire department of the City of Munday in active duty, and persons under supervision and direction of the Fire Chief of the City.

PRINTER VISITORS.

Walter Freeman and family of Brown, Texas, are here this week visiting in the home of his wife's mother, B. T. Mauldin. Mr. Freeman was a citizen of Munday many years ago, having been associated with the Times back in the days of Thomas Durbin. Mr. Freeman recently suffered a stroke of paralysis from which he is slowly recovering, and is getting about yet with some difficulty. He is associated with the Berger Herald.

Another old-timer was here Saturday for a brief visit in the person of W. A. (Billie) Bollinger, of Wichita Falls. Mr. Bollinger was for a number of years associated with this paper as publisher, and he spent a most enjoyable time here shaking hands with his many friends. For several years Mr. Bollinger has been associated with commercial printing concerns in Wichita Falls.

W. E. McNeill was in town Tuesday morning and stated that he had picked up 300 dead sparrows under the trees around his home that were killed by the high winds and rain of Monday night.

Ordinance shall not apply to any member of the Fire Department of city of Munday in active duty or to any person operating an automobile or motor vehicle under the instruction and supervision of the Chief of the Department of the City of Munday.

Section Four: The fact that there is no ordinance or law in effect in the Corporate Limits of the City of Munday prohibiting persons from operating and driving automobiles within close distances in the rear of fire-fighting apparatus when such apparatus is responding to alarms of fire and that such operation of said vehicles endangers the lives of the members of the fire department of the City when engaged in their duties created an emergency which

BE IT ORDAINED BY THE CITY COUNCIL OF MUNDAY, TEXAS.

Section One: It shall be unlawful for any person to drive or operate an automobile or motor vehicle on and along the streets of the City of Munday, Texas, within Three Hundred feet in the rear of any Fire Truck, Fire-hose Cart or other fire-fighting apparatus of the City of Munday, when such Fire Truck, Fire-hose cart or other fire-fighting apparatus is being operated on and along said streets in response to an alarm of fire.

Section Two: Any person violating the provisions of Section One of this Ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by fine not to exceed One Hundred Dollars.

Section Three: The provision of this

requires that the rule requiring ordinances to be read at three several meetings of the Council be suspended and said rule is hereby suspended and it is ordained that this ordinance shall take effect and be in force from and after its passage and publication.

Done passed by the City Council in regular session on the 13th day of June, 1932.
D. T. MAULDIN, City, Sec'y.
J. A. KENNEDY,

FORD TRUCK WEEK

Get the facts about new transportation economy

This is an opportunity to see how the transportation needs of a new business era have been met with new economy, performance, and reliability in the new Ford trucks. Your Ford dealer is ready to give you the complete story.

Body types to fit every hauling need. 50-horsepower 4-cylinder engine. New freely shackled rear springs distribute load stresses. Wide, deep, strong frame gives substantial support for bodies. ¾ floating type rear axle for heavy service. 4-speed transmission. Tubular steel coupling shaft with heavy duty universals at each end. New bi-partible coupling and removable main cross member permit easy servicing of clutch, transmission, and coupling shaft. New comfort and safety for the driver. These features and many others will convince you that the New Ford Trucks can save you money and give you added performance.

FORD TRUCK WEEK JUNE 18 to 25 INCLUSIVE

THE PEOPLE OF TEXAS MUST DECIDE THE FATE OF TEXAS RAILROADS

THE WELFARE of Texas and Texans has gone and will always go hand in hand with the welfare of Texas railroads. Their dependency upon each other is absolute.

In 1929 Texas railroads gave employment to 82,956 employees, to whom they paid annually \$126,674,543 in salaries and wages. In 1930 this number decreased to 79,739 while the payroll declined to \$109,892,226. In 1931 the number of employees fell to 57,958 and the payroll to \$89,505,918.

This represents a decrease of more than \$37,000,000 in purchasing power in Texas communities. There has been a corresponding decrease in purchase of materials and supplies by Texas railroads. The ability to have maintained railroad payrolls and purchases would have been a very important factor in overcoming the present trying economic condition.

The decline in railroad payrolls and purchases is due only in part to economic conditions. The revenues of the railroads have been affected not only by business conditions but to a very large extent by loss of traffic to trucks and buses using the public highways in competition with the railroads.

The time has come when the people of Texas must decide whether the traffic of this state can best be carried by the railroads, using facilities which they built and maintain at their own expense, or by trucks and buses using the highways built and maintained at the taxpayers' expense.

CHICAGO STADIUM, June 15.—Herbert Hoover was renominated for president on the first ballot today by the Republican national convention.

CHICAGO STADIUM, June 15.—With noisy approval, the Republican convention today reelected itself to Herbert Hoover.

State after state first marched in a roaring half hour demonstration in his honor, then recorded its support in the more tangible fashion of official support as the convention resolved the nominating state and passed final adjournment.

Only one was the outpouring of Hoover praise interrupted, but that was in an extraordinary manner. Dr. Joseph I. Francis of Maryland, the only man beside the president to be placed in nomination, tried to address the convention, saying he wanted to nominate Calvin Coolidge.

Not a delegate, he was refused recognition by Chairman Snell, and finally escorted from the platform by police and convention officials.

Then the Hoover seconding speeches went on steadily. Snell said he would hold the convention in session until it finally completed its work late today.

On Texas Farms

By W. H. Darrow, Extension Service Editor.

Cost of living studies made on farms during the last 20 years indicate that 40% to 60% of the family living has been made on the farm. Food has constituted a little less than half the total living costs. As much as 50% to 75% of the food supply has come from the farm, these studies show.

The Texas 4-H pantry demonstration plan represents the extreme limit to which living at home can be pushed. It shows that it is possible to produce 87% of the food requirements for a family of five on the farm. A few of the most efficient home demonstration club women and their families have actually accomplished this, and large numbers are producing as much as 80% of the food at home. There are nearly 30,000 of these 4-H pantry demonstrators and cooperators in the state.

In Jack county the home demonstration clubs are trying to help 976 farm families this year. The home demonstration agent has established demonstrations in canning and care of poultry in nine unorganized communities. In a recent monthly check-up it was revealed that 28 home demonstration club women had shown 77 other families short cuts to a bountiful food supply.

T. O. L.

(Continued from front page.)

Anyway, it's summertime and we don't need it so very bad, and since we're fond of fresh air, we'll just leave it out for a while and give these two ball players time to reach a compromise.

The G. O. P. is putting on its big show this week at Chicago, and newspaper reports indicate that they are having difficulty in keeping a gallery, and even more difficulty in keeping those present away. Their greatest problem is in selling Mr. Hoover and his idea to the people between now and November.

With forty-eight golfers entered in the tri-county tournament here this week, everyone of the Munday club can feel that they have put the tournament over in a big way, and many compliments have been heard on the efficient manner in which the event has been handled by the local committee, and those responsible are to be congratulated.

This bird, Nuckles from Seymour, who sets them a pattern at golf, has his superstitions, one of which is that he will not shave or change clothing during a tournament for fear his luck will change. However, he explained wearing a golf shoe on one foot and a house shoe on the other by saying that he had a blister on one heel, and the one glove he wears while golfing is a brace to a weak arm.

Anyway, he shoots a wicked game, and if you don't think so, just ask some of the boys who have had him to contend with during this tournament.

Agriculture is taking care of its own. No lines are drawn by home demonstration club women in extending the latest and best in the art of food production and preservation. Negroes are getting help in East Texas, Mexicans in Southwest Texas, and a Hidalgo county woman reports teaching the use of a steam pressure canner and sealer to Japanese neighbors.

Recent Bride Given

Mrs. M. H. Reeves, D. E. Holder and Leland Hannah and Miss Ruth Rice entertained with a miscellaneous shower honoring Mrs. Joe Aycock, who, until her marriage, was Miss Fern Hogan, on Friday, June 2, at the home of Mrs. Reeves.

After viewing the many gifts and registering in a hand painted bride's book, the guests were ushered to the dining room where a salad plate was served. Gifts were received from the following: Meses, Geo. Salem, W. H. Atkinson, Merle Ladd, John Ed Jones, S. A. Bowden, Erin McGraw, John Rice, Carl Jungman, W. P. Farrington, Dee Clough, John Lane, H. B. Williams, Clovis Stephens, Henry Craig, J. C. Borden, E. D. Atkinson, E. W. McGlothlin, Ed Bauman, John Spann, H. H. Elley, E. S. McCord, R. L. Ballenger, Alice Whittemore, A. A. Smith, H. P. Hill, Florence Williams, J. E. Murphy, W. E. Aycock, R. E. Alexander, E. B. Dovy, Earl Owens, J. E. Burnison, D. T. Mauldin, J. C. Campbell, and E. M. Armon; Misses Dulores Campbell, Geraldine and Maxine Burnison, Louise Aycock, Orelia and Lela Brock, Maxine Newsome, Lorene Parker, Fervone Williams, Christine Burton, Frances McCord, Madeline Craig, Eleanor Jungman, Hazel Clough, Jeanette Campbell, Leona Keel, Lucille Ladd, Thelma and Kathleen Atkinson.

Bonanza Class Holds

Enjoyable Meeting
Thursday evening of last week the Bonanza class of the Baptist church met and had an enjoyable evening of work as well as social life. The lawn was lighted and a huge picnic lunch was set before eighteen members of the class. And did we have cats.—Yes, that varied from home-made beet pickles to angel food cake and cream. After we had finished our eats, each grabbed a broom, mop or some article that we might use in cleaning our class room. We really dressed it up, too, even polished the windows. We elected the capable Miss Christine Burton for our president. Plans are being made for a hay ride and melon feast. Aside from receiving a blessing from our lesson each Sunday we have a great time. Won't you come

MOORE CHEVROLET Company
Munday, Texas

Join us each Sunday morning at 9:00 if you are not active in some other class? We need you—and want you.—Reporter.

Mrs. J. D. Moyer of Honey Grove, Texas, is here visiting her sister, Mrs. T. G. Benz, having come on to Munday after attending the annual meeting of the Texas Press association last week at Mineral Wells.

Miss Alma McNeill, daughter of Mr. and Mrs. W. E. McNeill, was one of the students at the West Texas Teachers College at Canyon to be awarded an A. B. degree at the close of the recent term. Miss McNeill was one of the eight honor students out of a class of 130 to receive scholarship honors, and was one of twenty to be elected to membership in the Munday Schools and her many friends will be pleased to know that she has won the distinction as a student.

Misses Nellavee and Marcella Anderson of Tulla, Texas, returned home on Wednesday of last week after a week's visit in the home of their sister, Mrs. Grady Thornton.

Mr. and Mrs. Cecil Jennings returned first of the week from a honeymoon trip to Tulsa, Oklahoma City and other points, and enjoyed several days fishing while on the trip. They were accompanied home by Mr. Jennings' brother and wife, Mr. and Mrs. V. O. Jennings and the latter's mother, Mrs. Gardner, of Lubbock, who had joined them on the trip. In Oklahoma City they visited Jennings' mother and other relatives.

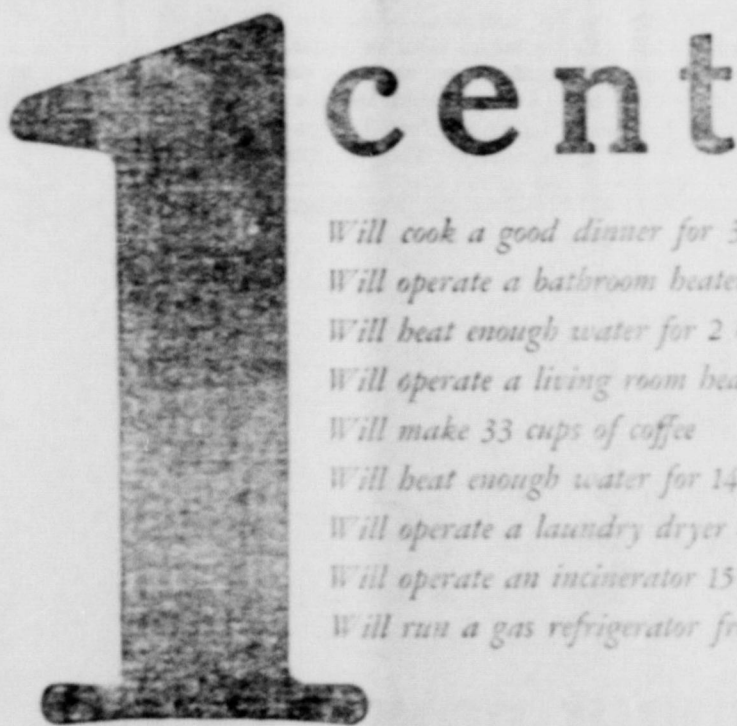

Mrs. W. E. McNeill and daughter, Miss Bertha, and Miss Gladys Green are visiting relatives at Arkadelphia having left for that place on Monday of last week, and plan to return home the latter part of this week.

1c BIG PENNIES

You seldom see the figure 1 cent in an advertisement, because there are so few things that you can buy with Uncle Sam's smallest coin.

Natural gas is one commodity that brings you a lot of comfort and convenience for one cent. In fact, we don't know where else you can get so much real value for so little cost.

Your Natural Gas Penny Is Your Biggest Penny . . .

- Will cook a good dinner for 3 people
- Will operate a bathroom heater for 2 hours
- Will heat enough water for 2 baths
- Will operate a living room heater 45 minutes
- Will make 33 cups of coffee
- Will heat enough water for 14 morning shaves
- Will operate a laundry dryer 45 minutes
- Will operate an incinerator 15 minutes
- Will run a gas refrigerator from 8 to 10 hours
