

### Miss Alvina Bellinghausen And John Lerner Marry At Rhineland On Sat.

Nuptials for Miss Alvina Bellinghausen and John Lerner were read Saturday afternoon by Rev. John Walbe, O. S. B. in the Rhineland St. Joseph's Catholic Church.

Parents of the couple are Mr. and Mrs. Joe Bellinghausen of Munday and John T. Lerner of Wichita Falls.

The altar space centered with a white satin covered. The altar was illuminated by white tapers in gold candelabra, flanked by baskets of white gladioli.

Given in marriage by her father, the bride wore a floor length gown of white chantilly lace and nylon tulle over satin. The scalloped neckline featured iridescent sequins and pearls. Long sleeves tapered to points over the wrists. The bouffant skirt featured lace inserts outlined with tulle ruffles. A pearl tiara held an elbow length veil of illusion. The bridal bouquet was of feathered carnations.

Serving her sister as maid of honor was Miss Evelyn Bellinghausen. Miss Sue Weber of Wichita Falls and Miss Janell Kueh-

ler of Munday were bridesmaids. Their hair length gowns were of coral tulle and accents by cascading floun. Hairpins were styled in a classic French style. Each attendant carried a colonial bouquet of white gladioli.

The groom's best man was his cousin, Donald Martin of Wichita Falls. The best man was Herbert Delaney and the ring bearer, John of Munday. Groomsmen were Dan Bellinghausen and Dan Sims.

The Parish Hall was the setting for a reception, hosted by the bride's parents following the ceremony. The bride's table was covered with a pink linen cloth. In the center was the three-tiered wedding cake with white candelabra placed on each side.

The bride is a graduate of Rhineland High School and is now employed at the Wichita Falls First National Bank. Mr. Lerner is a graduate of St. Gregory's High School of Shawnee, Okla., and is a senior student at Midwestern University in Wichita Falls where he is majoring in

Math. The couple plan to make their home in Wichita Falls.

### Miss Mary Lakey, Claude Larry Hill Marry January 2

Mr. and Mrs. Claude Larry Hill have established residence at 2419 14th Street in Lubbock, following their marriage on Thursday, January 2, in the home of Rev. and Mrs. E. L. Hill in Munday.

Mrs. Hill is the former Mary Frances Lakey, daughter of Mr. and Mrs. L. Lakey of Lubbock and the bridegroom is the son of Mr. and Mrs. Claude Hill of Munday.

The bride wore an avocado suit with black accessories.

After the ceremony, the bride and groom returned to Lubbock to continue their studies in Texas Tech. Mr. Hill is a junior student, while Mrs. Hill is a sophomore student in the college.

Mr. and Mrs. E. W. Harrell took their little grandson, Gene, to his home in Portales, N. M., and remained for a week end visit with Mr. and Mrs. Gene Harrell and children.

### Miss Krahn And Bennie Ledbetter Marry December 27

Miss Jane Virginia Krahn of Houston became the bride of James Bennie Ledbetter of Fort Chaffee, Ark., on Friday, December 27, in the St. John's Lutheran Church in Cypress. Rev. H. J. Schelter officiated at the 7:00 o'clock candlelight ceremony.

The bride is the daughter of Mr. and Mrs. Anton B. Krahn of Cypress and the groom is the son of Mr. and Mrs. J. C. Ledbetter of Munday.

Given in marriage by her father, the bride wore a white chapel train gown with sequin-studded flowered motifs on tulle godets, princess styled waist with sequined Sabrina neckline and lace panel skirt. The train was of alternating ruffled lace and tulle. Her fingertip illusion veil was held by a bandeau of lace and sequins. She carried a white orchid atop a white Bible.

Miss Leatha Peterson was maid of honor and Misses Joyce Koehn, Gladys Krahn, sister of the bride, and Estelle Jahn were bridesmaids. Their dresses were of French blue satin with tulle overskirts. They wore headdresses of pearl bands and carried bouquets of pink carnations.

Reginald R. Ledbetter, cousin of the groom, served as best man. Terry Donald Harrison, Gene Zaboroski and Bob Stevenson were groomsmen. Ushers were Vernon Bishop and Johnny

Orsak.

Miss Patsy Kitzman, soloist, sang "O Perfect Love." Flower girls were Vicky Lynn Froehlich and Cheryl Dahmon.

The reception following the ceremony was held in the home of the bride's parents.

The newlyweds plan to live in Arkansas for the duration of the groom's training at Fort Chaffee and will move to Munday next Spring.

### LOCALS

Mr. and Mrs. Ed Bell of Lovington, N. M., and E. C. Harlan and family of Brownfield were recent guests of Mrs. Kate Browning.

Mr. and Mrs. Paul Hill of Port Lavaca visited Mr. and Mrs. Ralph Weeks last Thursday and Friday. They came at this time to attend the funeral of Mrs. Hill's brother-in-law, Ralph Ketken, who passed away January 1 at the Haskell County Hospital.

Mr. and Mrs. Quentin Spann and sons of Moss, Okla., visited relatives here over the week end.

Mr. and Mrs. George Spann have returned to their home in Lubbock after spending the holidays here with their parents, Mr. and Mrs. Oscar Spann and Mr. and Mrs. Chester Lain.

Mr. and Mrs. Nolan Phillips visited Mr. and Mrs. George

### County Council Meets Friday In Assembly Room

Members of the Knox County Home Demonstration Council met at 1 p. m. Friday, January 3, in the assembly room in Benjamin to prepare recommendations for club approval for the year.

At 2 p. m. the regular Council meeting was held, with the chairman, Mrs. J. G. Adcock of Truscott, presiding. Representatives from all the clubs in the county were present with the recommendations being presented for the year. The Standing Rules were adopted without change. The clubs will report on acceptance of the recommendations at the February meeting.

Workshops on care of walls and floors and preparation for upholstery will be held in the agents office on January 9th at 9 a. m.

The yearbook committee, Mrs. Calvin Christian, Mrs. R. M. Almarode and Mrs. L. A. Parker will meet with the program chairmen of each club on January 13th at 2 p. m. in the assembly room.

The THDA chairman reported that the training meeting will be held on January 29 at 9 a. m. The club members have a busy year ahead and much interest is being shown.

Beard and children in Eula last Sunday.

Mr. and Mrs. A. E. Richmond and children of Carlsbad, N. M., were week end guests of her parents, Mr. and Mrs. Charlie Haynie, Sr.

Mr. and Mrs. Howard Collins of Lubbock visited relatives and friends here during the week end.

Mr. and Mrs. D. C. Link and children of Andrews were guests of her parents, Mr. and Mrs. Oscar Spann, over the week end.

Miss Bera Fay Spann attended a conference executive meeting of the Methodist Youth Fellowship in Lubbock last Saturday. Miss Spann is a senior student in McMurry College in Abilene and returned to her studies last Sunday after spending the holidays here with her parents, Mr. and Mrs. Oscar Spann.

Mr. and Mrs. James Henson and sons of Shallowater were recent guests of his parents, Mr. and Mrs. H. D. Henson.

Mr. and Mrs. Coy Phillips and daughters of Levelland and Mr. and Mrs. Bobby James Phillips of Ropesville visited relatives and friends here over the week end.

### Book Review Heard By Study Club At Weinert

The Weinert Study Club was hostess to the neighboring clubs of this vicinity Thursday, January 2, when Mrs. L. E. Dudley of Abilene reviewed "The King Ranch" by Tom Lea.

Members of the Munday Study Club who attended this friendship program and book review were Mmes. G. R. Eiland, P. V. Williams, J. S. Shannon, A. L. Baker, H. F. Jungman and C. P. Smith.

Drive carefully. The life you save may be your own!

## THE PERSONALITY SHOPPE

Haskell, Texas

## Electricity can save you from carrying 2 1/2 tons of wet laundry 40 miles to the clothesline!

In a year's time, a leading magazine tells us, the average housewife of a family of four washes 2 1/2 tons of wet clothes and walks 40 miles in hanging them up on the line.

We're glad electric dryers and automatic washers make this big job a little one. And, of course, this is just one of the many jobs electricity helps you with each day.

What else do you use that helps so much to do so many things - yet costs so little?

West Texas Utilities Company

Electricity costs so little - you can afford to use lots of it!

By John C. White, Commissioner

**THE TROUBLE WITH COTTON**

Although 1957 will be happily recalled by Texans as "the year the drought was broken," it will also be remembered by everybody in the cotton industry as the "trouble year."

The trouble with cotton didn't miss anybody. It ranged from the farmer to the processor and on up to the government. The farmer probably suffered

**New Tractor Features Power Plus**

This is Allis-Chalmers' big, new Model D-17 farm tractor which has just been introduced to the farm equipment market. Powered by a 50-plus horsepower engine (manufacturer's rating) — in either gasoline or diesel — the low line, high clearance model is shown demonstrating its power by pulling a five-bottom plow.

Performance of the improved "Power-Crater" engine, according to the company, has increased power three to five per cent on the same quantity and grade of fuel.

This new concept in farm tractors expands power farming to include not only power-shift rear wheels, automatic hydraulic "Traction Booster" system, and power steering, but also Roll-Shift front wheels whose spacing can be safely changed without jacks or blocks. Now, for the first time in a farm tractor both rear and front wheels can be quickly and easily spaced for matching tread widths to all farm jobs.

to the state. Vaccine — and early warning — undoubtedly lessened the epidemic's impact.

As the official state agency for city planning assistance, the State Health Department processed 14 applications for federal financial aid. Total cost of projects, all in cities of less than 25,000, is \$451,252, of which the federal share is \$216,483.

Spring floods were behind the urgency of 58 special health projects costing \$417,000, including control of insect vectors, rehabilitation of water plants, and elimination of thousands of farm wells.

Almost 1,100,000 pounds of food had to be removed from sale channels as being unfit for human consumption during the year.

Four separate episodes of radioactive isotope mishandlings were investigated, and a toxicological information center was initiated to instantly provide information on antidotes in cases of industrial and household chemical poisonings. The center

operates in cooperation with the Texas Medical Association.

Almost 1,800,000 shots of polio vaccine were distributed throughout Texas, cutting the incidence of polio to less than half that of the previous year. Only 729 cases were reported in 1957, compared with a five-year median of 1751 cases.

Five hundred nursing homes, housing 8,000 aged people, were inspected and licensed during 1957, and 21 hospital construction projects were approved by the State Board of Health under terms of the Hill-Burton Act.

Construction of city sewerage plants with federal help got underway with the allocation of \$3,500,000 to 42 separate projects, and a statewide water sampling program was begun. With game wardens collecting samples, some 500 samples per month are being analyzed at the State Health Department laboratory.

The past year saw 2116 medically indigent crippled children placed under care, and penicillin and department-manufactured

biologics were furnished in record quantities to physicians of medically indigent patients.

F. E. Jetton had all his children home on December 29th. Due to his serious illness they couldn't have their Christmas any earlier. All of his children and grandchildren present were Mr. and Mrs. Floyd Jetton and Roddy of Azle; Paula Fry of Fort Worth; Mr. and Mrs. S. B. Jetton and Lynelle, Mr. and Mrs. Vernis Lambeth, Douglas, Donald Lynn, Rhonda Kay, Mr. and Mrs. Dave Jetton, Belta Ann, Joey, Garon, and Myrtle Jetton all of Goree; Mr. and Mrs. Bobby Lambeth and Cindy of Midland; Mr. and Mrs. James Hendon of Wichita Falls; Mr. and Mrs. Edwin Lee Jetton, Jerry and Sheryll of Munday; Miss Donna Sue Jetton of San Angelo was unable to come.

The meal prayer was by James Hendon and the day was spent visiting. Mrs. Floyd Jetton finished the day by taking moving pictures of each family.

**Special Offer**

**On Tailored-To-Measure Clothes**

We can now offer our customers their choice of two special concessions, on over 100 special fabrics, on orders for new tailored-to-measure clothes.

**Offer No. 1 - 20 Pct. Discount**

A discount of 20 per cent will be allowed on the retail cost of orders for suits, topcoats, slacks or sportswear on these fabrics.

**Offer No. 2 - Extra Trousers Free**

If our customer wants extra trousers, he can order a suit, topcoat or sport coat-and-pant at the regular price and receive extra trousers free of charge.

The trousers can match the suit, or you can select odd trousers from the same price range or lower. All selections must be made from the special numbers on our list.

**KING'S Drive - In Cleaners**

more and lost more than anybody. His troubles started back in the spring at planting time, although he certainly didn't complain, because who could complain about rain at that time? But anyway, the rains came and washed out what had been planted or else delayed planting by precious weeks.

When the cotton finally got planted, the farmer thought he had it made. And it did look good for awhile, although it would have helped if some of that spring rain had waited until mid-summer to show up.

The rains did come back, though — at harvest time. And they are still plowing cotton in Texas as a result.

Texas farmers have lost millions of dollars from fallen, degraded or ruined cotton. And along with the losses have been equally serious losses throughout the cotton industry. Cottonseed crushers, for instance, felt sharp losses when normally heavy receipts in the fall failed to show up. Ginners have had a long, drawn-out season with the many processing difficulties that come with a wet harvest.

The Texas Department of Agriculture's important pink bollworm control program took a backseat to economic necessity in the matter of delayed harvesting when cotton stalk plow-up rules were extended, re-extended and finally left open in many areas. However, eventual plow-

up of cotton stalks has been expected and it is hoped an effective kill of insect larvae can be accomplished even at this late date.

Perhaps the most encouraging outcome of this trouble year for cotton is that U. S. surpluses are expected to be shortened considerably, paving the way for a good market for Texas cotton to come back to in 1958.

**Weekly Health LETTER**

Issued by Henry A. Hoels, M. D., State Health Officer of Texas

It was a good year for public health.

For the first time in Texas history, live births passed the quarter-million mark. More than 252,000 births were recorded as the year ended, compared with 72,000 deaths. That's a healthy 3 1/2 to 1 ratio of births over deaths, and indicates a natural population increase of 180,000.

Other health events were equally significant. An influenza epidemic — the worst since 1918 — caused a flurry of activity among health officials in months just before the year died. Before it was over almost two million doses of vaccine were rushed in-

**YOU TOO WILL BE MONEY AHEAD**

**When You Do All Your Buying At Your Local Merchants**

Save on gasoline or bus fare . . . shop at the stores near your home. You'll find all the nationally advertised and accepted brands at the same prices you'd pay if you traveled miles to buy. No need to "stock up" — Buy just what you need, as you need it!

You'll find that your local businessman has your interest at heart. He wants to keep you as a steady customer. That's why he gives you his personal, friendly service, and stands behind every item he sells. So go as you are — park with ease — shop at your leisure. You'll save time and money.

# 27 Wells Completed In County In 1957

Knox County led the North Texas District No. 9, in the discovery of new oil pays in 1957 with 27 oil strikes finalized — all but two of them in the shallow Tannehill sand series. The other two were in the Strawn sand.

Young County ranked second with 23 discoveries; Archer was third with 18, and Wise County, fourth with 14. Completions in Knox County were as follows:

1. Fletcher Oil & Gas Drilling Co. No. 1 W. L. Moore, 1 1/2 miles northwest of Goree, pumped 84 1/2 barrels of 38 gravity oil per day from perforations at 1908-09 1/2 feet. Goree, West (Tannehill) Field.
2. Bobby M. Burns No. 1 Lee, two miles northwest of Knox City, flowed 120 barrels of oil per day through 10/64-inch choke from perforations at 2296-2301 1/2 feet. Knox City (Tannehill) Field.
3. M. J. Frances et al No. 2 Hertel, five miles north of Goree, pumped 54 barrels of 36 gravity

- oil per day from perforations at 1756 1/2-64 1/2 feet. Saint Mary (Tannehill) Field.
4. Anderson Petroleum No. 1 Mrs. Cora Lee Plumlee, 2 1/2 miles north of Munday, pumped 36 barrels of 35 gravity oil per day from perforations at 1908-21 feet. Plumlee (Tannehill) Field.
5. Smith & Breyer No. 1 Joe Davis, four miles northeast of Knox City pumped 68 1/2 barrels of 38.7 gravity oil per day from perforations at 2083-86 feet. S-B (Tannehill) Field.
6. Front Range Oil & Uranium Co. No. 1 A. B. Urbanczyk, 5 1/2 miles west of Munday, pumped 111 barrels of 35 gravity oil, plus 7 per cent water, per day from perforations at 2033-36 feet. Hackathorn (Tannehill) Field.
7. Lomax & Maxwell No. 1 Kuhler, three miles east of Rhineland, pumped 76 barrels of 36 gravity oil per day from perforations at 1875-85 feet. L-M (Tannehill) Field.
8. Fain & McGaha No. 2 Mrs.

- Naomi Johnson, 2 1/2 miles northwest of Goree, pumped 51 barrels of 34 gravity oil per day from perforations at 1822-28 feet.
9. Katz Oil Co. No. 1 John M. Wylie et al, two miles northwest of Knox City, flowed 110 barrels of 37.5 gravity oil per day through 18/64-inch choke from perforations at 4861-67 feet. Wylie (Strawn) Field.
10. Harold Shappell No. 1 J. M. Bradberry, 1 1/2 miles southeast of Knox City, section 45, pumped 38 barrels of 35 gravity oil, plus 50 per cent water, per day from open hole at 2179-85 feet. Big Four (Tannehill) Field.
11. Grace - Schlittler Operating Co. No. 1 Allie F. Benedict, one mile north of Knox City, pumped 85 barrels of 39 gravity oil, plus 30 per cent water, per day from perforations at 4674-79 feet. Knox City, North (Strawn) Field.
12. Arnold H. Bruner & Co. No. 1 F. E. Walker, six miles west of Knox City, pumped 75 1/2 barrels of 38 gravity oil per day from perforations at 2412-22 feet. FEW (Tannehill) Field.
13. Dublin-Kiel No. 1 V. Golden, five miles northeast of Goree, flowed 25 1/2 barrels of 35 gravity oil in four hours through 1/4-inch choke from perforations at 1686-1707 feet. Golden (Tannehill)

- Field.
14. E. L. Wilson No. 1 Whitten, two miles north of Knox City, pumped 14 barrels of 36 gravity oil, plus 80 per cent water, per day from perforations at 2252-54 feet. Knox City North (Tannehill) Field.
15. James E. Kemp No. 1 Howell Estate, seven miles west of Knox City, pumped 26 1/2 barrels of 35.1 gravity oil per day from perforations at 2308-11 feet JEK (Tannehill) Field.
16. Anderson Petroleum No. 1 Ada Jarvis five miles southeast of Knox City, pumped 53 barrels of 35 gravity oil per day from perforations at 1067-74 feet. Jarvis (Tannehill) Field.
17. A. O. Phillips et al No. 2 Mrs. M. Alexander Estate, 1 1/2 miles northwest of Knox City, pumped 63 barrels of 38 gravity oil, plus 6 per cent water, from perforations at 2321-26 feet. Knox City, Northwest (Tannehill) Field.
18. Akin & Dimock No. 1 John Michels, three miles northeast of Knox City, pumped 26 barrels of 35 gravity oil per day from open hole at 2220-27 feet. A&F (Tannehill) Field.
19. Fain & McGaha No. 1 O. A. Parker et al, four miles northeast of Knox City, flowed 75 barrels of 36 gravity oil per day

## PENNIES SAVED ON SHOPPING TRIPS CAN BE WASTED AT THE GAS PUMP

Connie Done

"It doesn't make any sense to drive miles to a supermarket to save on purchases," the elder Done argues with convincing logic, "if the money is wasted in making the trip."

Connie prides herself on economical driving. That she's an

expert was proved recently when she won a teen-age contest in the family's 1956 Chevy over a varied 100-mile course with an average of 20.56 miles to the gallon. According to Connie, there was no trick to it. She says she merely observed the following rules:

- 1—Don't accelerate too quickly, whether from a standing start or on the road. Even with an automatic shift, pick up speed gradually. If your car has a manual shift, shift as soon as possible.
- 2—Avoid sudden stops. With a red light ahead, let the car coast, if traffic permits. If it looks like I'm going to be stalled at a railroad crossing, I turn off the engine.
- 3—Tire pressures affect economy. Keep the tires well inflated to save money. The result may be a slightly harder ride, but the car steers easier.
- 4—Car windows should be closed as much as practical. A drafty car means you're also carrying a load of air currents that resist progress.
- 5—Determine your car's most economical driving range. Try to stay within that range on the open highway as much as traffic and road conditions and speed laws will permit. Don't strain your engine. Experience will teach you that the engine isn't as smooth if you press too hard on the accelerator.

"The most important thing about economical driving is that it keeps you conscious of your job," says Connie. "An economical driver is generally a safe one."

## Proper Care Can Add Life To All Farm Machinery

Up to 30 percent can be added to the life of farm machinery by giving it proper winter care. And too, says W. L. Ulich, extension agricultural engineer, time will be saved in getting the machinery back on the job when it is needed.

Here are suggestions from Ulich on winter machine care. Keep machinery under shelter when not in use. Coat with grease or a rust preventative all bright metal parts such as mower sickles, plow wings, cultivator and other plow points as well as the working parts of machinery. Rubber tires should be blocked up to take the weight of the machine off them while in storage.

Gasoline should be drained from auxiliary motors. Spark plugs should be removed and three or four ounces of cylinder oil dropped into each cylinder. Turn the motor over a few times and replace the plugs.

The cooling system on all motors not used during the winter season should be drained. Place a cover over the engine exhaust pipe to keep out moisture. Lubricate all machinery when it goes into storage and charge all batteries. It's a good idea, says the engineer, to remove the batteries from the motor and to check them regularly to see that they remain fully charged.

Finally, says Ulich, while the machinery is in storage give it a thorough inspection for worn and broken parts. Make note of the repairs needed so that the repair jobs can be done in advance of their next period of use.

With the continuing price-cost squeeze, proper machinery care can cut farm expenses and machinery replacement costs and make the farm operation more efficient and profitable, concludes Ulich.

## LOCALS

Mrs. Dub Gresham and children and Mrs. Billy Joe Pruitt of Wichita Falls visited their parents, Mr. and Mrs. H. D. Henson, during the week end.

Billy Ray Henson returned to school at Texas Tech in Lubbock after spending the holidays here with his parents, Mr. and Mrs. H. D. Henson.

Visitors of Mr. and Mrs. Irving Blankinship over the week end were Mr. and Mrs. Cordas Ray Lambeth and family of Wichita Falls and Tuck Blankinship of Guthrie.

Mr. and Mrs. Calbert Haskin of Wichita Falls visited their parents, Mr. and Mrs. Delbert Haskin, and Mr. and Mrs. Pete Beecher, the past week.

Miss Cindy Edwards and Dusty Latham visited Mr. and Mrs. Buster Styles in Seymour last Monday night and Tuesday.

The Goree senior girls and boys basketball teams were defeated by the Benjamin senior girls and boys teams last Tuesday night.

Roy Mathis visited his parents, Rev. and Mrs. C. R. Mathis, recently.

Miss Dorothy Harrison visited friends in Wichita Falls the past week end.

Refreshments were served to Mrs. Arnold's first grade pupils Tuesday evening by Myrna Edwards and Louise Gundy honoring Marsha Jean Edwards on her seventh birthday.

Miss Carol Coffman of Wichita Falls visited her parents, Mr. and Mrs. Buster Coffman, last Tuesday night.

Earl Peterson was called to Dallas with Mrs. Peterson at Parkland Hospital. She is to have an operation.

## NEWS FROM VERA

(Mrs. Thelma Lee Couiston)

Mr. and Mrs. Edd Allen have been visiting with their son, Mr. and Mrs. Thurman Allen, in Jacksboro.

Mr. and Mrs. Earl Struck and family and Mr. and Mrs. C. N. Struck and children were visitors in the home of Mr. and Mrs. Bill Struck and family in Vernon Sunday.

Mr. and Mrs. Morris Christian and family of Seymour spent Sunday with his parents, Mr. and Mrs. Luther Christian, and Diane.

The Women's Society of Christian Service will begin the foreign Mission Study on Japan, Monday afternoon, January 15, at 2 P. M., under the direction of the Secretary of Missionary Education, Mrs. Wesley Trainham. Everyone is urged to be present for each session.

Visitors in the home of Mrs. A. S. Jernigan, last week end, were Mr. and Mrs. "Red" Parton of Fort Worth and Mr. and Mrs. A. L. Thomas of Dallas and Mr. and Mrs. Edd Trainham and Bobby of Holliday.

Mr. and Mrs. Clifford Roberson visited with Rev. and Mrs. S. A. Wolfe in Moran and Mr. and Mrs. Robert Trainham in Santo, last Friday through Monday.

Mr. and Mrs. R. J. Pack of Gainesville visited her aunt, Mrs. W. P. Hurd, last week end.

The Vera High School girls basketball team was defeated by

## Ready For Takeoff

Kraft A. Ehrlicke, General Dynamics Corporation scientist, displays fleet of space ship models he believes will take man to other planets. At a recent meeting of the American Rocket Society in New York, Ehrlicke showed his models, described plan that he believes will see humans on the moon within five years. He was given the Society's top award for "sound, realistic plan for space travel." Attached to General Dynamics' Convair-Astronautics Division, Ehrlicke has played a vital role in the development of the Intercontinental Ballistic Missile, Atlas.

the Weinert and Knox City girls team in a tournament at Knox City last Thursday and Friday afternoon.

Mr. and Mrs. Raymond Carol and family of Louisiana visited Saturday and Sunday with Mrs. Carols grandparents, Mr. and Mrs. H. H. Gore.

Mr. and Mrs. Donald Reeves, Don and Ronnie of Brownwood spent the week end with her parents, Mr. and Mrs. George Hughes.

Mrs. Ernest Beck, Sr., was admitted to the Baylor County Hospital last Friday.

Virginia Jackson and Jeannie Beasley returned to Wichita Falls, Sunday after spending the holidays with their parents, Dorell Coffman accompanied the girls to Wichita Falls where he is visiting with his father, Grover Coffman.

Mrs. and Mrs. R. L. Brown of Seymour visited Sunday with his mother, Mrs. J. T. Brown.

Mr. and Mrs. A. M. Bradford and Donald have been spending a few days with their daughter, Mr. and Mrs. J. N. Armstrong

and family in Midland.

Mr. and Mrs. Wesley Trainham were hosts to the annual get-together of the Trainham families, in their home on New Year's Eve Night. Present for the occasion were Mr. and Mrs. Sam Shipman, Mr. and Mrs. Jess Trainham, Mr. and Mrs. Bernie Welch, Mr. and Mrs. Edd Trainham and Bobby of Holliday and Mr. and Mrs. Bill Feemster. The entertainment consisted of forty-two, singing songs and playing games. A wonderful time was had as is always the case when the Trainham "boys" and "girls" get together.

Mrs. Jimmie Fuller underwent surgery in the Baylor County Hospital, last Saturday morning.

## LOCALS

Doc Roberts of Texas Tech in Lubbock spent the holidays here with his parents, Mr. and Mrs. Joe B. Roberts.
