

Kracker Krumb's

Odd Bits Salvaged
By The Editor

Have you paid your 1957 taxes yet? There's not much time left. Saturday, all unpaid taxes become delinquent and penalty and interest will be added. The Munday school, the Gortee school and the City of Munday, have ads in this issue of the paper reminding taxpayers of this fact. These very important institutions are operated on the funds received from your tax money, and ours. Let's keep our schools and city government going.

Have you gotten that little slip — your poll tax receipt — which entitles you to vote in the coming elections? You don't have any more time to get them than to pay your 1957 taxes!

And you'll surely want to vote in all elections. We have a city election coming in April, a school trustee election about the same time, the Democratic Primary in July, the runoff election in August, and the general election in November — a lot of voting for a dollar six-bits.

We've heard the soil bank cussed and discussed. Some say it's helping some farmers and not helping others one iota. We recently ran across an open letter to Secretary of Agriculture Ezra Taft Benson in one of our exchanges which gives a method by which the farm program would help a lot more people. Here it is:

Dear Mr. Secretary: My friend Boredeaux over in Terrebonne Parish received a \$1,000 check from the government this year for not raising hogs. So I am going into the not-raising-hog business next year.

What I want to know is, in your opinion, what is the best kind of farm not to raise hogs on and the best kind of hogs not to raise?

I would prefer not to raise razorbacks, but if that is not a good breed not to raise, I will just as gladly not raise any Berkshires or Durocs.

The hardest work in this business is going to be keeping an inventory of how many hogs I haven't raised.

My friend Boredeaux is very joyful about the future of this business. He has been raising hogs for more than 20 years and the best he ever made was \$400 until this year, when he got \$1,000 for not raising hogs.

If I can get \$1,000 for not raising 50 hogs, then I will get \$2,000 for not raising 100 hogs.

I plan to operate on a small scale at first, holding myself down to about 4,000 hogs, which means I will have \$80,000.

Now, another thing: These hogs I will not raise will not eat 100,000 bushels of corn. I understand that you also pay farmers for not raising corn. So will you pay me anything for not raising 100,000 bushels of corn not to feed the hogs I am not raising?

I want to get started as soon as possible as this seems to be a good time of the year for not raising hogs. — Octave Broussard, Louisiana.

P. S. — Can I raise 10 or 12 hogs on the side while I am in the no-raising-hog business — just enough to get a few sides of bacon to eat?

SCHEDULE CHANGED IN SOCIAL SECURITY VISIT

The Social Security Administration announces a change in the schedule of travel for the month of February only. The representative will spend the entire day, Thursday, February 13, in Munday, Texas. Persons with social security business are urged to see the representative on this day.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Larry Don Lain are announcing the arrival of a daughter on January 21. She made her arrival at 8:45 p. m. in the Knox County Hospital. She weighed 7 pounds and 6 ounces and has been named Patti Renea. Her grandparents are Mr. and Mrs. Fred Lain and Mr. and Mrs. W. L. Pack, all of Knox County.

Cliff Ratliff of S. M. U. in Dallas spent the week end with his parents, Mr. and Mrs. R. L. Ratliff.

Vera Girl Is Selected As Homemaker Of Tomorrow; In State Competition

Miss Jan Richards, student in the Vera Consolidated School, has been selected as the Betty Crocker "Homemaker of Tomorrow."

She received the highest score in a written examination on homemaking knowledge and attitudes, administered December 3, to senior girls in the graduating class. Her examination paper will be entered in competition to name the state's candidate for the title of All-American Homemaker of Tomorrow, and will also be considered for the runner-up award in the state. She will receive an award pin designed by Trifari of New York for her achievement.

The national winner in the fourth annual Betty Crocker search conducted among 327,000 young women in 11,800 of the nation's public, private and parochial high schools, will be named April 17 at a banquet in the Waldorf-Astoria Hotel in New York City.

General Mills is sponsor of the program designed to assist schools in education for home and family living. This year's huge entry brings the four-year participation over the million mark. A total of 1,071,000 girls have enrolled in this national homemaking project since it was launched in 1955. A total of \$106,000 in scholarships will be awarded this year.

Each state's Homemaker of Tomorrow will receive a \$1,500 scholarship and an educational

JAN RICHARDS

trip with her school advisor to Washington, D. C., colonial Williamsburg, Va., and New York City. A \$500 scholarship will be awarded the second ranking girl in each state. The school of the state winner will receive a set of Encyclopaedia Britannica.

The scholarship of the young woman named All-American Homemaker will be increased to \$5,000. Girls who rank second, third and fourth in the nation will receive \$4,000, \$3,000 and \$2,000 scholarships, respectively.

Oil Activities

Another pumper was finaled in Knox County when Paragon Corp. reported a daily pumping potential of 53.09 barrels of oil, plus 6 per cent water, for No. 3 B. W. Golden, in the Goree field, 1 1/2 miles east of Goree. Pay was perforated at 1680-98 feet. Total depth was 1810, and gas oil ratio was 200-1.

Two wildcats were staked in the county as the week ended, as follows:

Wesley Stephens of Graham No. 1 J. W. Coffee, eight miles northeast of Goree, to 1900 feet.

J. D. Thompson of Throckmorton No. 1 Emil Jakubec, six miles northwest of Goree, to 1999 feet.

Edward C. Harman et al, Dallas, No. 1 J. C. Elliott et al, is a 2,000-foot wildcat venture three miles south of Munday. It is separated from Tannelhill production by a 1,960-foot dry hole.

Missionary To Get Recordings of Singing Sunday

The first Sunday singing of the Churches of Christ in this area will be held at the Munday Church of Christ at 3 p. m. Sunday, February 2, it was announced Tuesday.

Recordings will be made of the singing, and these will be sent to Payne Hattox and his family in Sweden. Mr. Hattox, a former pastor of the Munday church, is serving as a missionary in Sweden.

The public is cordially invited to attend the singing.

District Deputy Makes Visit To O. E. S. Chapter

Munday Eastern Star Chapter was hostess to the district deputy, Mrs. Lucille Martin of Rule, when she made her official visit on Tuesday evening, January 21. She brought greetings from the worthy grand matron and explained her program for the year. Instructions were given and several points of practice made by the officers of the chapter.

The worthy matron, Mrs. Jane Almanrode, presided and at the end of the evening presented a chapter gift to the honoree. The deputy's husband, Mr. Lonnie Martin accompanied his wife, and both were dinner guests of Mr. and Mrs. R. M. Almanrode before the meeting.

Guests were present from Rule, Stamford, Seymour and Knox City with chapter membership well represented. At the February meeting the program committee, Mmes. Alta Bowden, Bessie Shannon, Sue Bowden and Dorothy Putnam, will have charge of the entertainment for the Masons and their wives. Meetings of study and instruction will be announced then and preparations made for the school to be held in Abilene in the Spring.

County Fails To Reach '57 Goal In Savings Bonds

Knox County achieved 70.4% of its 1957 Savings Bonds goal. This announcement was made today by W. E. Braly, Chairman of the Knox County Savings Bonds committee. Total sales in our county were \$216,535 during 1957, which was 70.4% of our 1957 goal of \$307,580.

Sales in Texas during 1957 were \$165,686,403, which was 85.8% of the State 1957 goal of \$193,100,000.

Chairman Braly had this reminder, "Labor Unions, fraternal, civic, service, patriotic and veteran's organizations, eleemosynary institutions and local and state government bodies are now eligible to purchase Series E and H Savings Bonds. Any organization interested in purchasing E or H bonds can make application at their local bank."

Rice Announces For Re-election To Justice Post

J. C. (John) Rice, who is serving as Justice of the Peace for Precinct 6, Munday, this week authorized The Munday Times to announce his candidacy for re-election to this post, subject to the action of the Democratic Primaries.

During his tenure of office Mr. Rice has been very diligent and attentive in performing his duties and has given very fine co-operation with peace officers and all others which this office serves.

"I am seeking re-election solely upon my past record and my ability to carry on the duties of this office," he said, "and if the voters see fit to re-elect me, I will give them another term of faithful service, doing all in my power to carry on the duties of office in an efficient and business-like manner.

Your vote and influence in the coming elections will be greatly appreciated."

Marcellus Johnson Dies Last Sunday

Marcellus Johnson, 61, well known local colored man, passed away at 10:15 p. m. Sunday at the Knox County Hospital. He had been ill for five days.

Johnson had been employed at the oil mill here for several years. He was born October 25, 1896, in Centerville and was married to Fannie Thomas on June 10, 1922. He had been a resident of Munday since 1927.

Funeral services were held at 3 p. m. Wednesday from West Beulah Baptist Church, with Rev. J. L. Shellman of Anson officiating. Burial was in Old Glory Cemetery by McCauley Funeral Home.

Survivors include two daughters, Minnie Lee Goudeau of Oklahoma City, and Willie Pearl Glover of Denver, Colo.; one son, M. J. of Munday; his parents, Mr. and Mrs. Tom Johnson of Centerville; two brothers, four sisters and six grandchildren.

Dicky Morrow of Texas University in Austin visited his parents, Mr. and Mrs. R. T. Morrow, during the between semester holidays.

Livestock Judging Contest Slated At Benjamin With Knox County Steer Show

Livestock judging teams from seven 4-H Clubs and four F. F. A. chapters in Knox County will compete in a livestock judging contest at Benjamin at 9 a. m. Saturday, February 8. This contest will be held in conjunction with the annual Knox County Steer Show.

Banners will be awarded the three highest scoring teams, and trophies will be awarded to the individuals scoring highest in each of the three divisions of the contest, which includes beef cattle, sheep and swine.

The judging contest has been scheduled this year to provide more boys an opportunity to participate in the livestock program. Animals used in the contest will

be selected from projects being conducted by 4-H and F. F. A. members in the Benjamin area.

Judging of the entries in the county steer show will take place following the contest, and prizes will be awarded at that time.

Roy McClung, county agent of Baylor County, will judge the show and make the official placings of livestock entered in the judging contest.

Polio Victim Is Sent To Dallas

Tony Sosa, son of Mr. and Mrs. Blaz Sosa, and one of Knox County's polio patients, was taken to Dallas on Wednesday for treatment for pneumonia. Because of his polio condition, local doctors who were treating him believed it necessary to send him to Dallas to be placed in a respirator.

Tony is one of the patients which the Knox County chapter is helping with its polio funds. This is a very good reason for your contributions to the 1958 March of Dimes.

V. E. Moore was a business visitor in Dallas last Tuesday.

School Trustees To File 30 Days Before Election

Under Article 2745c (laws passed by the 55th Legislature) applications for candidates to have their names placed on the ballot for local school trustee, or for county trustee, shall be filed at least 30 days prior to the date of election. Ballots shall be printed not less than 20 days prior to the election date.

The county clerk must be furnished ballots to be used in case of absentee voting. County Superintendent Merick McGaughey stated.

Seymour Lawyer Announces For State Office

"The Home, the Church, and the school are the foundations of our society and well-being. As your representative, I shall ever strive to secure and strengthen these foundations." Donnell Dickson, veteran Baylor County lawyer, said today in announcing his candidacy for the office of State Representative of District 83. The district is composed of Baylor, Throckmorton, Knox and Haskell Counties.

Dickson is a native of Baylor County, his parents coming to this district in the 1870's. His mother is still a resident of Seymour. With his long experience as an attorney, and as a farmer and stockman, Dickson feels he knows the wants and needs of the people of the counties in the district.

He is married to the former Grace Brooks Caldwell, and they have one son, Joe, who is stationed in Germany with the United States armed forces.

In making his announcement for the office Dickson said, "I believe in a sincere devotion to our State and Federal Constitutions, and the protection they guarantee; a determination to have our laws, and those who administer them, conform to common sense and plain justice, especially when they affect the lives and well-being of the aged, the children, the schools and the veterans; and an honest effort to outlaw and prevent crime at all levels, returning honor and morality to government."

The theme of Donnell Dickson's platform will be: "The people of this district are entitled to first consideration in all public matters."

As Dickson seeks the office of State Representative, he stated that he would appreciate having the voters of the district discuss with him any matters about which they might be interested.

"I will appreciate your help at the polls in the Democratic Primary July 26," Dickson concluded.

Tommy Powell Assigned Duty At Ft. Jackson, S. C.

FORT JACKSON, S. C. — Private Tommy J. Powell, son of Mr. and Mrs. W. P. Spelce, has been assigned to Co. C, 4th Bn., 1st Trng. Reg. at Fort Jackson for his basic infantry training.

Upon his arrival at Fort Jackson, he was initially assigned to the U. S. Army Personnel Center where he was issued his clothing, given a complete physical examination and a comprehensive battery of aptitude tests to determine the Army duty assignment for which he will be best fitted.

During his basic training he will be taught to fire the M-1 rifle. Also included in his training will be instruction in such subjects as military courtesy, first aid and personal hygiene.

Upon completion of his basic training, he will receive further advanced infantry training or will be assigned to an Army school. Fort Jackson offers schooling in several specialties associated with an Army division.

Fort Jackson is one of the country's largest Infantry Training Centers and also conducts a program of training for men under the provisions of the Reserve Forces Act of 1955.

Munday Couple Hurt In Accident

Mr. and Mrs. T. L. Thompson of Munday were injured in an car accident in Dallas last Friday afternoon. They had gone to Dallas to visit their son and family, Mr. and Mrs. Aristol Thompson, and were nearing their destination when the accident occurred.

More seriously injured was Mrs. Thompson, who suffered broken ribs, an injured pelvis and internal injuries. Latest reports from the Dallas hospital where she is receiving treatment are that her condition remains very critical.

Mr. Thompson, who received broken ribs in the accident, was released from the hospital the first of this week.

R. M. Almanrode was a business visitor in Wichita Falls and Bowie last Tuesday.

HOW TO HAIL THE TRIUMPH OVER POLIO

A new kind of celebration is in full swing in this country. This month thousands of communities in every part of the land are observing the 20th anniversary of the National Foundation for Infantile Paralysis. It was National Foundation leadership and National Foundation money, provided through the annual March of Dimes, that made possible the Salk vaccine and the hope that polio epidemics eventually will be eliminated forever in America.

Think what that means! No more mass imprisonment in iron lungs each summer; no more shriveled arms, legs, hands; no more dread in the hearts of millions of parents each time their children come home with "the symptoms".

The best way to celebrate a blessing like this is to show our gratitude. And the best way to be grateful for the Salk vaccine is to think about the blighted lives of those for whom it has come too late and to do what we can to wipe out or relieve their helplessness. There are, in America, some 100,000 boys and girls, young men and women, who have had polio and who need further rehabilitation.

These people can benefit, some of them tremendously, if modern techniques of rehabilitation are applied to their disability. It is the purpose of the March of Dimes to finance the care they need. The cost will run to many millions. And the March of Dimes looks to us—to every one of us—to give what we can toward this wonderful objective.

Let's not forget those who were not as lucky as we. Let's remember, as the March of Dimes puts it, that "Survival Is Not Enough". Let's give!

RAYMONDVILLE, TEXAS, NEWS: "America's draftees — who were sent to Korea or are presently serving all over the globe — represent a typical cross-section of American youth. Their collective understanding of their country and the world is that of their generation. And, up to now, nothing much has been done to inform young America on the overriding problem of our day and their future — the titanic struggle-to-the-death between Communism and Freedom."

According to Chain Store Age, the home baking needs market is the biggest in history, with \$770 million a year spent on these items in food chains alone.

THE BEST FOR THE LEAST

The reconvened Congress has plenty of business on its hands. It is flooded with proposed laws touching on every conceivable phase of the national life. The problem, so to speak, is to separate the wheat from the chaff of possible legislation.

In the domestic field, a series of laws relating to transportation should be given top spot on the agenda.

The primary purpose of this legislative effort — which has the full support of farm and business organizations, top men in the government, newspapers and magazines throughout the country, and all manner of other groups — is to get rid of outmoded regulatory policies and philosophies which are a hangover from the days when the railroads had a virtual monopoly of commercial transportation.

For instance, if a railroad wants to charge a lower rate for doing a job than is charged by a competitor it frequently finds that it is not allowed to — on the grounds that this would take business away from the competitor. That is much as if a store was denied the right to cut prices because business would be taken away from another store down the street.

These proposed laws would give each and every form of domestic transportation the opportunity to compete on a fair and equitable basis — and to make the most of their own special advantages. That means the public would get the best of service at the lowest cost.

BARTOW, FLA., POLK COUNTY DEMOCRAT: ". . . 25,000 surgical operations are being performed in the United States every day in the year . . . and most of the surgery done today would have been declared impossible by even the best physicians 50 years ago . . . Few professions have made greater changes or achieved more beneficial progress than has the art of medicine."

WILMINGTON, N. C., STAR: "The latest phase of the (McClellan) committee's probe into the union's affairs involves New York City's \$50 million annual garbage-hauling industry. In Teamster tradition, the garbage haulers, belonging to the union, have been charged with squeezing out all other competition, using gangster methods."

6-B Class Makes Study Of Water

Class 6-B has been making a study of water and sanitation problems in our community.

Students were divided into three committees. Garbage disposal chairman, Sue Armstrong; water supply chairman, Annette Henderson, and sewage disposal chairman, Dewey Ray Myers.

Much valuable and worthwhile information was given to the students by E. W. Harrell, city secretary. — Kathy Burnett, reporter.

Mr. and Mrs. W. C. Hertel and daughter, Henrietta, attended the Fat Stock Show in Fort Worth over the week end.

Mr. and Mrs. Raymond Hargrove and Virginia and Mr. and Mrs. Ralph Hargrove, all of Lubbock, spent the week end in the Ralph Weeks home and the A. H. Hargrove home in Goree, Virginia also visited Miss Joen Lain in Knox City on Sunday.

Mr. and Mrs. Dwight Carmon of Aspermont were Saturday guests of her brother and wife, Mr. and Mrs. Terry Harrison.

Former Goree Man Honored When Ball Park At McCamey Is Named For Him

A former Goree man, Nealie Moore of McCamey, was honored last October when a baseball park in McCamey was named for him. The plaque which he holds in the accompanying photo reads: "Presented to Nealie W. Moore for his outstanding years of work with the youth of McCamey in teaching the highest principles of sportsmanship."

Moore is a gangpusher in the McCamey district and was given honorable mention in the "TP Panorama," a magazine published for employees of the Texas Pacific Coal and Oil Co.

During the summer of 1957, two baseball parks were constructed in McCamey. One was a regulation field and the other a regulation Little League field, both lighted for night baseball.

Dedication of the park was made in October, when an American League team and an army team played there, and in honor of Moore the park was named "Neele Moore Park."

It was only natural that one of the park be named for him

because of his outstanding years of work with the youth of McCamey in teaching the highest principles of sportsmanship. The plaque was presented by the Baseball Federation and McCamey Chamber of Commerce.

Moore is the son of Mr. and Mrs. W. L. Moore, retired Goree team coach.

He is a 1923 graduate of Goree High School where he participated in all sports. He is also a graduate of Draughon's Business College in Wichita Falls.

He has been active in baseball and as a leader of youth since his graduation from high school.

His wife is the former Mary Martin, also of Goree. She also loves baseball and has always been present to cheer him on. She participated in the dedication, and both she and her husband were asked to speak. This honor, coming as a surprise to both of them, and neither of them remembered what they said in their responses, but they were very happy for the honor bestowed upon Moore.

L. H. Shropshire was a business visitor in Dallas the first of this week.

The Subway Barber Shop in Fort Worth is gone — the small building which housed it for twenty-five years has been replaced — but the Subway lives in the memories of its patrons.

Especially is Bruce Chenault, the proprietor, remembered — a quiet man, with a good sense of humor.

Probably his greatest feat was a bit of legerdemain, so to speak. A rare coin dealer, who was a customer, exhibited a penny (let's say it was of 1860 mintage) which he said was worth \$10.

Under pretense of examining the coin, Chenault substituted another in the envelope which he then returned to the dealer. Then Bruce said, "I'm going to start keeping a lookout, maybe I'll come across one."

He opened the cash drawer, removed a handful of change and drew forth the rare coin. "Did you say '1860'?" he asked. "Yes," said the expert. "Look" — and Chenault handed over the penny.

The dealer said, "I'll give you \$10 for it," and he drew out some bills.

Chenault said, "Suppose you look in your envelope first" and the dealer discovered the switch.

There was a roar of laughter in which everybody joined except Chenault. With the delicacy of a true artist, he only smiled.

I attended the funeral of a noted man sometime ago and, as the crowd was filing out of the auditorium, I noticed two prominent men right ahead of me — and they were talking about a business matter before they even got out of the church.

I wonder how much respect they expect when their time comes?

Mr. and Mrs. Scotty Ponder of Lubbock visited their parents, Mr. and Mrs. L. J. Hill and Mr. and Mrs. E. R. Ponder, over the week end.

Dr. and Mrs. Delmon E. Alexander were in Dallas the first of this week where Dr. Alexander attended a dental meeting on Sunday and Monday.

NEWS FROM VERA

(Mrs. Thelma Lee Coulston)

Mr. and Mrs. Hollis Gore of Hobbs, New Mexico, visited over the week end with Hollis' parents, Mr. and Mrs. H. H. Gore.

Mr. and Mrs. Don Railsback, Donna Sue, Brent and Bruce of Knox City visited Sunday with Mrs. Railsback's parents, Mr. and Mrs. Arthur McLaughlin.

Douglas Gore and Barbara Kay Weiss were crowned Mr. and Miss March of Dimes of the freshmen and sophomore classes last Saturday night.

Mrs. C. G. Campbell of Wichita Falls visited during the week end with her parents, Mr. and Mrs. A. M. Bradford.

Mr. and Mrs. Sammy Parham visited recently with their parents, Mr. and Mrs. C. A. Parham, Sr., and attended the funeral of Mrs. D. E. Patterson in Seymour.

Mr. and Mrs. L. V. Fisher and boys of Fort Worth spent Sunday with her parents, Mr. and Mrs. E. C. Hardin.

Mr. and Mrs. John Murphree and children of Midland visited recently with Mr. and Mrs. Willis Peddy and Mrs. Mae Murphree.

Mr. and Mrs. Carlton Struck and family visited Sunday with relatives in Abilene.

Week end visitors in the home of Mr. and Mrs. Rube Richards and Jan were Louis Richards of Dickens, Emmett Richards of Venita, Oklahoma, Mr. and Mrs. Charles Roberson and family of Dallas, Mr. and Mrs. Lee Sims and Mrs. Floyd Jordan of Wichita Falls.

Mrs. Clarence Allen and daughter, Nancy, of Abilene visited Sunday with Mrs. Allen's mother, Mrs. Jim Hughes and Mr. and Mrs. Eld Allen.

The Vera High School girls are now washing cars on Saturday afternoon at the school house in order to raise money for their junior and senior trip. They would appreciate your bringing your car by and promise to do a good job.

College students home between terms include Karen Sullins from Texas Tech and Benny Carl Coulston and Barbara June Townsend from North Texas.

Mr. and Mrs. Clifford Roberson spent last week end with the John Gray Whorton family in Lubbock.

Mr. and Mrs. Gene Kinder are announcing the engagement and approaching marriage of their daughter, Beverly Jean, to Donald W. Brown, son of Mr. and Mrs. Fred Brown of Vera, Texas. The wedding date has been set for February 14, with vows to be exchanged in rites at the First Methodist Church in Denver City, Texas. The bride-elect is a junior student at Denver City High School. Mr. Brown graduated in 1951 from the Vera High School and after attending Draughon's Business College in Abilene, enlisted in the Navy where he served for four years. He is now employed by the Warren Petroleum Company at Lovington, New Mexico.

Chris Boggs visited in the home of Mr. and Mrs. Charles Yost in Abilene several days last week.

Business Trend For Knox County Cited In Survey

The number of wholesale, retail and manufacturing businesses in Knox County have increased 9.8 per cent in the last five years, according to statistics released by A. J. Hemphill, district manager of the Fort Worth office of Dun & Bradstreet, Inc.

Hemphill said all the growth was in Knox City and Munday, with Knox City showing a 24.6 per cent increase and Munday a 16.4 per cent rise.

A total of 213 businesses were counted in the county in November, 1957, compared to 194 in November, 1952.

Only manufacturing, wholesale and retail businesses are included in the count. It does not include services and professional businesses such as barber and beauty shops or stock and real estate brokers.

Here is a comparison of the number of businesses in several Knox County towns.

Knox City — 76 businesses in 1957; 61 in 1952.

Munday — 92 businesses in 1957; 79 in 1952.

Goree — 22 businesses in 1957;

23 in 1952.
Benjamin — 11 businesses in 1957; 12 in 1952.
Gilliland — four businesses in 1957; five in 1952.
Truscott — four businesses in 1957; nine in 1952.
All towns in the county showed a decrease in the number of businesses except Knox City and Munday.

LOCALS

Mr. and Mrs. Lloyd Lucky and family of Abilene visited her mother, Mrs. Della Parnell, and other relatives here over the week end.

Mrs. Terry Harrison and Mrs. Emil Hoff and children visited Mr. and Mrs. Verbon Voss and children in Dublin last Sunday. Mrs. Terry Harrison also attended market in Dallas the first of this week.

Charles Walker of T. C. U. in Fort Worth visited his parents, Mr. and Mrs. Henry Walker, over the between semester holidays.

Miss Anita Tidwell of Texas Tech in Lubbock spent the between semester holidays with her parents, Mr. and Mrs. Jack Tidwell.

Bridal Shower Given To Honor Miss Ann Nelson

A bridal shower honoring Miss Ann Nelson, bride elect of Jimmy Mullins, was held in the home of Mrs. J. C. Campbell Saturday night from 7:30 until 9 o'clock.

Guests were greeted at the door by Mrs. Campbell, who introduced them to the honoree, her mother, Mrs. Clyde Nelson, and sister, Mrs. C. B. Morquette of Austin.

The table was laid with a white cutwork cloth over pink. On one end were two large white heart shaped cakes decorated with pink rose buds with the name Ann on one and Jim on the other. Floral decorations in the diningroom were pink carnations arranged with hearts and wedding bells. The register table held a beautiful arrangement of pink snapdragons. Mrs. M. H. Reeves served the cake and Mrs. Earl McNeill ladeled the pink bride's punch.

The wedding gifts were beautifully displayed in the three bedrooms.

Hostesses for the occasion were Misses Campbell, Jim Reeves, Clyde Yost, Don Wardlaw, Leland Hannah, B. L. Blacklock, Earl McNeill, S. B. Campsey, Virgil Yost, A. L. Smith, Jack Tidwell, M. H. Reeves, W. E. Reynolds, Edwin Johnson, Joe Patterson, J. C. Elliott and Freddie Morrow.

Miss Nelson plans to leave by plane on February 6 for Frankfurt, Germany and will marry on the 9th which is the wedding anniversary of her parents.

Little League Names Officers

A meeting of those interested in activities of the Little League baseball teams this summer was held on Thursday night, January 23, in the Chamber of Commerce office. Officers for the year were named, as follows:

J. Omer Cure, president; Bernard Brown, vice president; G. N. Allison, secretary; Paul Pendleton, treasurer, and Lonnie Ofutt, players pool chairman.

Little Leaguers will need leadership of team managers this year, and officers are requesting that men interested in serving as managers submit their names to Paul Pendleton at the bank with in the next few days.

Plans were also started for improving lighting facilities on the playing field before the season begins.

Tax-Man Sam Sez:

The income tax folks spend a lot of time sending back income tax returns that Papa signed and forgot to have Mama sign. One taxpayer wrote the Internal Revenue that he had enough trouble with his wife without letting her know how much money he made.

Since Texas is a community property state, Mama has to know how much Pop made because she is responsible for taxes on half of it. Every year the Revenue folks tell taxpayers to have both husband and wife sign the joint return. Every year thousands of tax returns are sent back by the Internal Revenue folks who forgot to sign.

If you don't want to take up corresponding with the Internal Revenue Service, get Mama's signature the first time.

Texas Champs in 4-H Achievement

State honors for 1957 were received by two Texas 4-Hers for outstanding records in the 4-H Achievement program. They were presented with certificates of recognition for their contribution in 4-H Club and community activities.

Clydel Young John Landers

The 16-year old winners are Clydel Young, of Cameron county, and John Landers, of Menard county. Clydel was a state delegate to the National 4-H Club Congress held recently in Chicago. Her trip as well as other achievement awards were provided by Ford Motor Co.

Clydel participated in clothing and leadership. She organized and led a clothing club and was an officer in the 4-H Junior Leaders Club.

At the age of 10, John began 4-H work with a flock of sheep. He has since shown several grand champion animals. Helping younger members learn how to shear sheep has been one of the important contributions to his local 4-H work.

The Cooperative Extension Service directs the 4-H Achievement program.

Mrs. Beck Hostess To Guild Members On Monday Night

The Wesleyan Service Guild met January 27th at the First Methodist Church. Mrs. Francis Haymes, director of the program, gave a review of the Bible study, "Gospel according to St. Mark," for this year. A very inspiring devotional was given by Mrs. Maude Ponder. Others taking part on the program were Mrs. John Rice and Miss Merle Din gus.

Mrs. Marie Baker, president, conducted a business meeting. The youth of our church was discussed and a committee was appointed to meet and plan some type of entertainment for the youth which will be presented at the next meeting.

Nineteen members were served refreshments by hostess Mrs. Roberta Beck.

Mr. and Mrs. D. W. Sharp and children, Lynell and Steve, of Florey visited her parents, Mr. and Mrs. John Reed, last Tuesday and Wednesday.

Speed doesn't shorten the road. It shortens your life!

Vera 4-H Club Girls In Meeting

The Vera 4-H Club girls met recently with all members present. June Fuller, president, called the meeting to order, and Marianne Coffman, secretary, called the roll and read minutes of the last meeting.

Peggy Jackson and June Fuller, both award winners at the annual awards banquet at Munday on December 25, reviewed highlights of the banquet. Other award winners were Marianne Coffman and Janelle Jackson of Vera.

Miss S. C. Kinsey, home demonstration agent, gave a demonstration on cake fillings and icings, which was very beneficial to the girls.

The following were elected demonstrators and adult leaders: Peggy Jackson, food demonstrator; Freida Wiles, clothing demonstrator; Mrs. Fred Wiles and Mrs. Olen Coffman, adult leaders. — Peggy Jackson, reporter.

Mr. and Mrs. G. P. Lansford and Son Lansford and children of Fort Worth were week end guests in the home of Mr. and Mrs. J. R. King.

FOR HIGH OFFICE — Mrs. Harry Griffiths, prominent club and civic leader of Austin, was presented for the first vice presidency of the Texas Federation of Women's Clubs by the Austin Woman's Federation, of which she is a past president. She was also endorsed by Fifth District, T.F.W.C.

Mrs. Griffiths has been regional vice president, Fifth District president, and at present is state and district program

chairman. She has served 11 years on the state board and 13 years on the district board. She is a life member of the Woman's Society of Christian Service of the Methodist Church and a life member of the Y.W.C.A.

James David Gaither of Texas Tech in Lubbock is spending the mid-semester holidays here with his parents, Mr. and Mrs. James Gaither.

Fortune And Travel Awaits Winner In 1958 Contest For U. S. No. 1 Homemaker

The 1958 "Mrs. America" contest to find the "Nation's No. 1 Homemaker" is under way throughout the United States and fame, fortune and travel await the winner. She will appear at home shows, conventions and on radio and television as the official representative of the American home.

Entry forms giving complete contest rules will be available January 20 at offices of Lone Star Gas Company, one of the four gas companies conducting the "Mrs. America" contest in Texas, and the stores of participating gas appliance dealers. Midnight of March 15 is deadline for entering the national home-making competition.

Lone Star will conduct one-day regional eliminations in Dallas, Fort Worth, Abilene, Greenville and Waco the first week in April. Each regional winner will be awarded a top-of-the-line deluxe gas range and runners-up will receive \$25 U. S. Savings Bonds.

Lone Star's five regional home-making champions along with regional winners from other sections of Texas will compete in the "Mrs. America" state finals to be held April 14-15 at Galveston in the Galvez Hotel. The winner will receive valuable prizes and awards and be crowned "Mrs. Texas" with the right to enter the national finals to be run off at Fort Lauderdale, Florida, May 1-13. She will compete against winners from the 47 other states and the District of Columbia.

Regional, state and national finals will cover menu and meal planning, table setting, dishwashing, cooking, laundry and sewing, hair styling, cake baking and other homemaking events. Contestants will be judged also on personal attractiveness, poise, personality and interest and work in behalf of church and community affairs. Personal attractiveness will be judged on good grooming, tasteful dress and pleasant appearance.

Numerous women's clubs, chambers of commerce, service clubs and other groups have sponsored entries in previous "Mrs. America" contests. However, such sponsorship is not required for participation by a contestant.

Some 65,000 women throughout the country enrolled in the 1957 "Mrs. America" contest. These included 364 Texas housewives, 231 of which resided in towns and cities served by Lone Star Gas Company.

Lone Star representatives point out that the "Mrs. America" chosen in 1958 will bring international recognition and publicity to her home town or city and she will receive prizes and awards valued at thousands of dollars and fees for personal appearances at the rate of \$100 per day and expenses. The prizes include an all-expense paid trip to Hawaii for her and her husband and a houseful of automatic gas appliances.

CHILDREN'S BOOK TO BE PUBLISHED

A March publication date has been announced by The Naylor Company, San Antonio, Texas, for "Down Mexico Way," a children's book by Mrs. Julius S. Cohn, Harlingen, Texas.

The book, designed to acquaint American youngsters with their contemporaries "south of the border," has been illustrated, in four colors, by Mrs. A. R. Schwartz, of Galveston, Texas.

Mrs. Schwartz is the daughter of Mrs. Cohn. "Down Mexico Way" is the first collaborative effort of this mother and daughter team.

Bill Thornhill of Seymour was a business visitor here last Monday.

Political Announcements

The Munday Times is authorized to announce the candidacy of the following, subject to the action of the voters in the 1958 Democratic Primaries:

For District Clerk, Knox County, Texas:

A. E. (BUCK) PROPPS (re-election)

For County School Superintendent:

MERICK McGAUGHEY (re-election)

For County Clerk, Knox County, Texas:

MRS. ZENA WALDRON (re-election)

For County Treasurer of Knox County:

W. F. SNODY (re-election)

For County Judge, Knox County:

L. A. (LOUIS) PARKER (re-election)

For Justice Of Peace, Precinct No. 6:

J. C. RICE (re-election)

For State Representative, 83rd District:

DONNELL DIXON (re-election)

Notice, Farmers

This is to announce that Charles Spraggins and Jack Thomas are no longer connected with Oklahoma Irrigation Service of Altus, Okla., and Munday, Texas.

The Goree girls basketball team defeated Knox City girls last Tuesday night. The Goree boys were defeated by Knox City's team.

HELLO, THERE, WORLD GLAD TO BE HERE

Hello everyone, I'm here, I arrived at the Rolly Ryan Memorial Hospital in Richmond, Texas, January 21, 1958. I weighed 6 pounds and 10 ounces. My name is Randy Wayne Pavlock. I have two brothers, Rodney, who is 3 years old and David, 2 years. My parents are Mr. and Mrs. Albert Pavlock. My grandparents are Mr. and Mrs. Jack Franklin and Mr. and Mrs. John Pavlock of Richmond. Mr. and Mrs. F. W. Franklin of Goree are my great grandparents.

SIX JOELY ONES — Are these six future citizens, who are: Top row, left to right, Mielde, daughter of Mr. and Mrs. Bobby Earl Hutchison; Diane, daughter of Mr. and Mrs. Joe Clonts, and Glenn Robert, son of Mr. and Mrs. Paul Pruitt. Bottom row, Lisa and Lee, children of Mr. and Mrs. Elbert Owens, and Billy, son of Mr. and Mrs. Millard McSwain.

Goree Carrier Awarded Safe Driving Plaque

Postmaster Etta L. Chamberlain awarded Sam G. Hampton, rural carrier, with a 17-year safe driver's pen from the National Safety Council, Washington, D. C., in a "This Is Your Life" program at the January meeting of Brazos Valley Postal Employees. The meeting was held in the Hampton home in Goree at 7:30 p. m. January 16.

Invocation was given by Postmaster Lee Haymes of Munday. Mrs. Chamberlain led a round table discussion on postal problems and questions prior to making the award to Mr. Hampton, when she asked some of the postmasters who had known him for many years to aid in helping give some of his colorful experiences in his 35 years of postal service.

He served as Goree postmaster before transferring to the rural route 17 years ago. At the present time he is serving the former three routes of Goree, now consolidated into one route 79 miles long.

Mr. Hampton has never had a serious accident. Of course, he has killed a few chickens, hit one dog, has been stuck in the mud several times and had numerous types of car trouble.

He has used several makes of cars, including two Jeeps, and sometimes made part of the route on foot. He says he well remembers his first trip as substitute carrier in 1916, when he served the route in a two-wheel cart drawn by mules.

Several people on his route say they can set their clocks by his schedule at their boxes each day.

Some other things he remembers and appreciates from the patrons are the fresh vegetables, melons, country sausage and Christmas candies and cakes, even home-made jelly, which he has received.

A refreshment plate of coffee and fruit cake was served to the following who were present for the occasion:

M. E. Trice, Rule; Mrs. Gus-siedel Buckner and Mrs. Ken-

neth Newberry, Rochester; Tom West, Benjamin; Mrs. Paul Bul-lion, Truscott; Mrs. Glenn Feem-ster, Vera; Mr. and Mrs. Charles Snyder, Bomarton; Lee Haymes and Miss Merle Dingus, Munday; Mr. and Mrs. Reuben Bates, Mrs. Chamberlain and Mr. and Mrs. Hampton, Goree.

SUGGESTIONS ON DIVISION OF SOIL BANK PAYMENTS OFFERED

The Soil Bank Farm Program was set up by an act of Congress in 1956 with the objective of reducing production of allotment crops and converting cropland to permanent cover (or trees) as a soil conservation measure. The program is divided into two parts — acreage reserve and conserva-tion reserve.

To accomplish the objectives of the program, the government compensates the producers who participate in the Soil Bank. But it seems that the division of the payment between landlords and tenants may be a barrier in getting full participation of rented farms.

The Texas Agricultural Extension Service has just released a publication, "Dividing Soil Bank Payments Between Landlord and Tenant", that offers suggestions on the division of payments.

This publication gives exam-ples for dividing soil bank pay-ment for cotton put in acreage reserve; dividing soil bank pay-ment for wheat put in acreage reserve; and dividing soil bank payment on acres put in conserva-tion reserve — five-year agree-ment.

Also included in the publica-tion is an example of the form for dividing the soil bank pay-ment.

This helpful publication may be obtained from local county agents or from the Agricultural Information Office, College Sta-tion, Texas. Ask for MP-238.

School trustee elections in Knox County will be held on Saturday, April 5, he said.

Mr. and Mrs. Dee Mullican vis-ited his sister and family, Mr. and Mrs. C. E. Broer and chil-dren, in Houston over the week end.

Gary Offutt, who is attending Texas University in Austin, is J. T. Offutt, during the mid-sem-ester holidays.

News From The U. S. Congress

The Great Plains Conservation Program is the new conservation tool which has been fashioned to speed up soil and water con-servation in those portions of the Great Plains States that are subject to wind erosion. The Great Plains claims about 37% of all our Nation's land and 40% of all its crop lands. This is the area which has suffered most from the extreme droughts that have occurred about every twenty years. Just a year ago mois-ture conditions were critical in Texas. Six million acres of land were in condition to blow, and over half a million had been damaged by wind erosion. Last winter one million and three-quarters acres of land were seriously damaged by wind erosion. A number of the counties in the western part of our District are

in his program which is now ready to get started. It will move along at a fast pace.

This week the House appro-priated additional funds in a sup-plemental appropriation to pro-vide additional financing for our missile program. This measure will no doubt receive speedy ap-proval in the Senate. As we have pointed out heretofore, there can be little question but what there is a need for some additional funds, but our real crying need is for better management in our Defense Department.

The Committee on Ways and Means continues to hold general tax hearings which are the first of this type that have been held in a good many years. As they unfold, it becomes more appar-ent that a reasonable reduction in personal and some business taxes would actually not affect the revenues of the Government because the present rates are so oppressive.

Many proposals have been made to encourage our young people to complete a college edu-

Some have proposed Fed-eral scholarships, and others have suggested direct aid to our colleges and universities. I have introduced a bill that would al-low a student to deduct as an ex-pense from his or his parents' income tax all of his expenses for tuition, fees, and books, while attending college. This would give some effective immediate relief to college students and would not require any great Fed-eral bureau to administer it and also would not put the Federal Government in the education business.

TO BROTHER'S RITES

Johnny Fruehwirth left Tues-day night by plane from Fort Worth for New York upon re-ceiving word of the death of his younger brother, Buddy Frueh-wirth, who was killed in an ac-cident Tuesday morning.

Billy Ray Henson is spending the mid-semester holidays with his parents, Mr. and Mrs. H. D. Henson.

BACK TO THE FARM—AND OFF UNEMPLOYMENT LIST

The old and uneasy sign of business and production let-ups—unemployment—has reared its unwelcome head once more, and once again our government planners begin to wonder how to get around this problem.

Operating on so tight a production and employment schedule as has American business in recent years, the least sign of downward adjustment invariably throws thousands of workers out of jobs and causes us to wonder just what is wrong with our economic system, employment-wise.

The most feasible resolution of many of our unemployment problems is to reclaim many of the jobless back to the valuable post they left during trying times—agriculture.

There appears to be a close connection between rural population declines and recent increases in unemployment. Those farmers who left the land in times of stress, such as our recent crippling drouth, found unskilled jobs in the labor market at a time when production, business and government spending levels were high. And when the slack appears between labor needed and labor available, it is the ex-farmers who are usually the first to be laid off.

In the past seven years, our farm population dropped from twenty-five million persons to twenty-two and a quarter million. This means a loss of nearly three million rural citizens in less than ten years — one of the

most rapid declines in history. If we could re-absorb into agriculture all these people, it would take a tremendous cut out of our unemployment roles.

In Texas, the ratio between farmers lost and unemployed persons is even higher. In the closing weeks of 1957 we had 149,000 unemployed persons on the rolls. Since 1950, we have lost 231,000 persons off Texas farms. For that terrific loss, of course, we have the drouth largely to blame.

But the prevailing attitude in higher governmental circles of "get rid of the small farmers" hasn't helped the situation any. If agriculture is to help relieve the unemployment situation and it can — Washington has got to do an about-face and begin encouraging a return to the farm.

WHAT IS LAW?
Some people find confusing our different state and national laws dealing with the same

things. Income tax laws for an example.

Surely, they say, you can have no real justice, unless there is some one "best way" to do each thing — to hold property, to manage traffic, to pay taxes, or to enforce contracts.

So it bothers them. Why should Englishmen drive on the left side of the street? Why should married couples hold title under community property laws in some states and not in others?

Is law merely a man-made contraption?

Is it true that like good manners much law is man-made, growing out of custom or local problems? In card games you can play many different games with one deck. You merely change the rules. But as with cards and all games, the law goes deeper than convention into man's basic needs for order, for a grasp of the part he is to play, and for a way to settle disagreements.

Law provides an orderly way to do things so that people can make long-range plans and work together. Its rules help you to find out where you stand — your rights and duties. And last, law has binding ways of settling disputes if need be, first to keep the peace, and then win people over by dealing with them in ways that satisfy their sense of fairness.

You can find these traits of law in most groups from the most primitive to the civilized.

As man finds out more and more about himself and his world, as his experience and wisdom grow, the law may get better. For example, as the psychological laboratories find out more about man's reaction times, his fears and faults, our laws about driving, for instance, may improve.

And here is another purpose the different kinds of laws may serve. You may look upon each as a sort of experiment. Some turn out badly, and some well.

But in the give and take of public discussion, these efforts may yet bring us more nearly to the "one best way" — if any such thing exists.

(This column, prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

Gems Of Thought

REWARD
The reward of one duty is the power to fulfill another. — George Eliot
We receive but what we give. — Coleridge

Perhaps the reward of the spirit who tries is not the goal but the exercise. — E. V. Cooke
The reward of a thing well done, is to have done it. — Emerson

Consciousness of right-doing brings its own reward; but not amid the smoke of battle is merit seen and appreciated by lookers-on. — Mary Baker Eddy

No man, who continues to add something to the material, intellectual, and moral well being of the place in which he lives, is left long without proper reward. — Booker T. Washington

IT PAYS TO ADVERTISE!

CATTLE TRADE OPENS UNEVEN, SOME LOWER

FORT WORTH — The trade in fat steers and yearlings, heavyweight calves and slaughter cows opened on a steady to weaker basis at Fort Worth Monday. Bids and sales were mostly weak to 25 cents lower and these kinds, and some buyers were bidding 25 to 50 cents lower, but getting very few on that basis.

Fat calves scaling under 550 pounds, bulls and stockers and feeders, were generally steady. Comparative prices:

Good and choice slaughter steers and yearlings sold from \$22 to \$25.50, while common and medium sorts sold from \$15 to \$22. Fat cows cleared at \$16 to \$17.50, and canners and cutters drew \$10 to \$16. Bulls sold at \$15 to \$21.

Good and choice slaughter calves sold from \$22 to \$26.50, heavies mostly \$25.50 down. Medium and plain butcher sorts sold from \$15 to \$22, and cull and common sorts brought \$12 to \$15. Good to low choice stocker steer calves drew \$23 to \$27.25, and heifer calves sold from \$25 down.

HOGS OPEN STEADY; CHOICE HOGS \$21.00

Offerings of hogs were a little heavier in the cornbelt Monday but at Fort Worth prices were steady with last week's close.

Choice hogs topped at \$21 and medium to good hogs cashed at \$18 to \$20.50. Sows were reported from \$15 to \$17.50, with a few heavyweights to \$18. Stags cashed at \$12 to \$14.

SHEEP AND LAMBS STEADY; CHOICE KINDS SCARCE

Trade in the sheep division was generally steady at Fort Worth Monday. Strictly choice kinds of lambs were virtually lacking, except for some sifted

lambs from the stock show which sold at \$24.50. Other good and choice slaughter lambs cashed at \$22 to \$23.50, some lambs with No. 1 pelts at \$23 to \$23.50 and some shorter skins around \$22 to \$22.50. Stocker and feeder lambs cashed at \$19 to \$23.25, the higher figure for some lambs with No. 1 pelts. The market closed on a very bearish note due to drying up of inquiry, which was credited to reports of slow meat trade in the East.

Slaughter ewes sold around \$9.50 to \$10.50. Aged bucks sold around \$9. Goats cashed around \$7.

Weekly Health LETTER

Issued by Henry A. Hollis, M. D., State Health Officer of Texas

AUSTIN — If the people of the United States were informed that a vaccine had been found that was effective against traffic accidents and that clinical tests and records had demonstrated this accident prevention vaccine was successful, only a fool would fail to protect himself with a vaccination.

Further, if you were told that last year, all traffic accidents had been reduced almost 80 percent over two years ago, because of this vaccine with its resultant reduction in deaths and crippling effects, you would undoubtedly hail it as the greatest boon to life since milk pasteurization.

Why then is there so much apathy among adults in obtaining the protective benefits of the Salk anti-polio vaccine?

The success of the vaccine is proven beyond any shadow of doubt. The incidence of paralytic polio is reduced in the whole of the United States.

There were 816 cases of paralytic polio in Texas in 1955; last year there were only 365, a large proportion of which were adults and children below age 5.

Many parents have taken for granted the fact that their school children will probably receive their polio shots at school, but fail to protect themselves or their pre-school-age children.

This attitude could cost the life of your small children, or even your own.

Anti-polio vaccine is available for everyone now, and the Texas State Department of Health strongly recommends that everyone be vaccinated, especially pre-school-age children and young adults.

The continued marked reduction in the incidence of paralytic polio is dependent on the immunization of the entire population.

Remember, it takes eight months to complete your series of three polio shots, but if you start now, you will at least have partial protection by the onset of the polio season in Texas this spring.

We don't have a vaccine against automobile accidents yet, but you can guard against the crippling effects of paralytic polio, if you act soon.

LOCALS

Mr. and Mrs. George Hanke of Coleman were week end guests in the home of his sister and husband, Mr. and Mrs. George Zeissel.

Mrs. Jim Gaines spent last week with her son and family, Mr. and Mrs. Gordon Gaines and children, in Ropesville. She returned home Sunday with her husband, who was a week end guest in the Gaines home.

Miss Bera Fay Spann of McMurry College in Abilene was a guest of her parents, Mr. and Mrs. Oscar Spann, over the week end.

Mr. and Mrs. George Spann of Lubbock spent the week end with their parents, Mr. and Mrs. Chester Lain and Mr. and Mrs. Oscar Spann.

Miss Gayle Littlefield of Kilgore Junior College is spending the between semester holidays with her parents, Mr. and Mrs. E. B. Littlefield.

Glenn Amerson of Texas Tech in Lubbock is a guest of his parents, Mr. and Mrs. Hal Amerson, during the between semester holidays.

Mrs. Ralph Watkins and children of Wichita Falls visited her parents, Mr. and Mrs. W. E. Reynolds, on Wednesday of last week.

Mrs. Gerald Sanderson, Jerri and Rodney, of Big Spring are spending this week with her mother, Mrs. O. E. Howard, and Mr. Howard.

Week end guests of Mr. and Mrs. Royce Hanna were Raymond and Marlene Hoffman and Mrs. Betty Lou Aiken and son, Brad, of Morton.

Mr. and Mrs. T. W. Searcey of Dallas visited relatives here and Goree over the week end.

Knox Prairie Philosopher Puzzled Over Argument Farm Program Should Be Dropped Because It Won't Work

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek apparently is trying to write thoughtfully this week, but we can't tell whether he succeeds or not.

J. A.

Dear editor: Sometimes I get mixed up on the thinking that goes on in Washington, which is only natural, as I also get mixed up on the thinking that goes on out here on this Johnson grass farm.

For example, I was reading in a newspaper last night, for your information, I walked up to a newsstand in town and paid a nickel for it day before yesterday, where an agricultural expert, testifying before a Congressional committee in Washington, said "Last year it cost over three billion dollars to carry out the present farm price support and stabilization program. If this had brought a solution to our problem, it would have been a bargain. Instead, the problem is still with us."

As a result, he was in favor of abolishing the program.

I don't understand this type of thinking, on the grounds that it runs counter to all the other thinking that goes on in Washington and out here too.

For instance, take Foreign Aid. Last year we spent many times

more than three billion dollars on foreign aid, but how many countries do you know of who don't need aid as much this year as last? If there ever was a problem that's still with us, after years of tackling it, it's foreign aid.

Or take national defense. We spend around 40 billion dollars a year on defense, but the problem is still with us, in a worse way than it ever was.

Or take education. Counting what the whole country spends, from the first grade through college, we must spend a billion dollars a year on education, yet you don't even have to get off this farm out here to find a man who could stand some more, and it's my idea you can find plenty more without even coming this far, maybe without even leaving town, maybe without even leaving your block, maybe, well, there's no use in nar-

Walter C. Hadley, Pastor

rowing this down any further, ain't that what you say? You reckon that Washington expert wants to abolish schools because some people are still ignorant?

Trying to permanently solve the farm problem is like trying to permanently solve the problem of a new car. You can buy a brand new 1958 model today because your family is hollering for one to maintain its social standing, but that won't solve your new car problem, unless you can abolish the calendar. Manufacturers are already working on plans for the 1959 model to make your 1958 model look old-fashioned, and anyway, I've never seen a car, new or old, that didn't cost money to run.

If you're going to abolish a program just because it hasn't solved the problem, you'll be faced with the job of abolishing churches, marriages, police departments, hospitals, highways, schools, foreign aid, national defense, automobile mechanics, weather forecasting, radio, television, and possibly newspapers. We'd better change the subject.

Yours faithfully,
J. A.

Mr. and Mrs. Gene Roland Haynie and daughters of Lubbock and Lloyd Haynie of Wichita Falls visited their parents, Mr. and Mrs. Charlie Haynie, Sr., over the week end. The Gene Roland Haynies also visited her parents, Mr. and Mrs. B. O. Norvill.

Miss Charlotte Hannah of Lubbock was a week end guest of her parents, Mr. and Mrs. Leland Hannah.

Mrs. Dee Clough left Monday for Fort Worth to spend the week with relatives.
