

Kracker Krumb's

Odd Bits Salvaged
By The Editor

Duck hunting weather got here ahead of the duck season. For those who like the incomforts of early morning duck hunting, it seems to us last Monday morning was tailor made.

k-k

Anyway, the duck and goose shooting season opens on Saturday, 30 minutes before sunrise, and it's a pretty good guess that Munday's nimrods will be out after them this week end. "Watch your shooting time," the Game and Fish commission warns. And here's some other things it might be wise for you to remember:

k-k

A federal duck stamp costing two bucks is required of all hunters of migratory waterfowl. Be sure and get one before you go duck or goose hunting.

k-k

Many wild game birds have been banded this year. If you kill a banded bird, give this band to your local game warden, or mail it to the Game and Fish Commission in Austin.

k-k

Be sure before you shoot. This is advice to water fowl hunters this year because of the mixed bag limits on ducks and geese. Get a copy of the latest game laws from your local game warden or sporting goods dealer.

k-k

Hunters be careful! Don't shoot a companion, a farmer's cow, or more than your limit of game. Remember to treat all guns as loaded. It's always an unloaded gun that kills a man!

k-k

Hunters are warned not to shoot from an automobile or a motor boat. Either is against the law and can cost a heavy fine. Successful hunters will make arrangements in advance and won't get caught poaching on hunting areas. This can be very costly when you are caught.

k-k

So with these warnings from the Commission, and with our help in putting them before you in this "column," we hope you have a very successful season. And if on one of those nippy mornings you have more than usual success afield; remember, we'd like to enjoy a duck dinner — you furnishing the ducks, or we'd even accept a goose!

k-k

The general election which comes up next Tuesday don't mean much in this area, so far as political parties are concerned, since we're primarily Democratic. Noticed though where Ike and Dick are appearing this week in places "where the G. O. P. is in trouble." To us that seems to be most everywhere, but maybe that quote meant where they are in the most trouble. Two years from now, we're guessing, the G. O. P. will really be in trouble.

k-k

One of the most popular "pieces of Merchandise" being sold here recently is the rat poison being distributed by the Farm Bureau following the recent rat eradication meetings. Folks in the Farm Bureau office haven't been able to keep an ample supply of the poison, and ever so often someone comes in to inquire if more has been received.

k-k

Gene Wood isn't the type who relies on the old adage — build a better mousetrap and the world will beat a path to your door. He's willing to rely on the old fashioned spring-type of trap, and the rats are coming to his door. He has the trap set at the rear of his business building, and he traps 15 rats or more per day. Perhaps he could catch more if he'd devote more time to tendin' his trap.

JERRY ANDERSON'S PARENTS OF SON

We're very much provoked at certain people in McAllen, namely the Jerry Andersons and Mrs. Clyde Yost. We know the Jerry Andersons have a new son, that he arrived at 2:30 a. m. Friday, October 24, 1958, and that he weighed 8 pounds and 4 ounces, is 20 inches long and has dark hair. We also know how far it is around his head, the length of his foot and his chest expansion — but we don't know his name. Mrs. Yost has called grandpa Yost on and written several times giving these details and not once did she mention his name. His grandparents are Mr. and Mrs. C. L. Anderson of McAllen and Mr. and Mrs. Clyde Yost of Munday. The newcomer also has great grandparents, Mr. and Mrs. Tom Cluck and C. G. Yost living in Munday.

Moguls Lose To Iowa Park Friday Night

A gallant fighting but crippled bunch of Munday Moguls could not hold the onslaught of the Iowa Park Hawks last Friday night, as the Hawks continued their winning streak with a lopsided score of 44 to 0. The game was played on the Iowa Park field.

A 14 yard pass play from quarterback Mack Mills to end Bobby Gilbreath drew first blood for the Hawks. The extra point try was no good.

Since the beginning of the season, the jinx-ridden Moguls have lost five of their star players to injuries, but the crippled team is continuing its fighting ways against these odds.

John Woodall, one of the three quarterbacks that guided the Hawks, scored the second TD on a keeper for two yards. Jimmy Banks, left half, ran over the extra two points. The right side had its chance as right half Tony Waters ran 11 yards for the third score of the first half.

Jimmy Banks again carried the ball to run it over on a sensational dash through the middle and then down the side for 48 yards and the six points. Jackie Brooks, a 115-pound quarterback, ran over the extra points.

Munday ran out of steam on the Hawk five as they ran out of downs in their closest bid for a score.

Jimmy Banks dashed on another long run up the middle for 44 yards and a touchdown. Roy Boutwell kicked extra point. Tony Waters plunged from two yards out and the try for extra point was good which ended the scoring.

Bobby Partridge was named outstanding on defense for Munday and Roy Boutwell for Iowa Park.

Munday Youths Collect \$67.35 In Drive For C.R.O.P.

Youths from the First Baptist Church, Church of Christ, and First Methodist Church went out "trick or treating" for C. R. O. P. last Sunday evening. A total of \$67.50 was collected in the visitations.

For every dollar collected, 300 pounds of food will be sent to starving people of other lands through the World Service of the churches. Teams in the drive were as follows:

Team 1 — Kenneth Smith, Claire Harpham, Jan Pendleton, Kathy Burnett and Mrs. O. O. Putnam.

Team 2 — Mrs. L. A. Bowden, Jerry Bowden, Mickey Jackson, and Nancy Cowan.

Team 3 — Rex Mauldin, Janis Weigel, Margaret Clowdis, and Melvin Cypert.

Team 4 — Mrs. Oscar Cypert, Jerry Jetton, Barbara Kirschner, Martha Kay Elliott and Linda Kay Smith.

Others who attended and enjoyed supper and a sing-song in Fellowship Hall of the Methodist Church are: Jimmy Lee, John Walter Massey, Sharon Cypert, J. B. Rutherford, Carol Odell and Billy Frank Fitzgerald.

Oil Belt F.F.A. Names Officers

At a recent meeting of the Future Farmers of America, Oil Belt District, held in Jacksboro, the following officers were elected:

President, Donald Latham of Woodson; vice president, William McGaughey of Seymour; secretary, Bobby Knight of Breckenridge; treasurer, Lacy Berry of Jacksboro; reporter, Ronald Edleman of Olney, and sentinel, Aubrey Loftis of Graham. Officers were installed by an installation team from Tarleton State College in Stephenville.

Billy Ray Henson of Texas Tech in Lubbock was a week end guest of his parents, Mr. and Mrs. H. D. Henson.

FAR TOO MUCH LAND

"Just one little error," says Jack Idol after reading our story about the "Double Dutchman Creek" dam on the League Ranch last week. "We expect to irrigate 1,000 acres instead of 10,000." Yeah, just one little zero isn't much of an error, but when it amounts to 9,000 acres — well, that's lots of land!

FIRST AID in peacetime is very important; after a nuclear attack, it might mean life or death because there would be few medical personnel for millions of casualties. This family is practicing some of the simple first aid techniques described in the civil defense "Handbook for Emergencies" to be distributed to all families October 11 by Boy Scouts.

Omer Cure Named President Of Knox Farm Bureau In Meeting On Tuesday

The Knox County Farm Bureau held its annual convention last Tuesday night at the American Legion hall in Munday for the purpose of electing officers and shaping policies of the organization for another year.

J. Omer Cure of Munday and Gilliland was elected president for 1958-59, to succeed L. B. Patterson, who has served during the past year. Mr. Cure has been very active in the Farm Bureau for a number of years, and a successful year is expected under his leadership.

Named on the nominating committee to select the board of directors for another year are: Mr. Cure, Wayne Hutchinson of Knox City, and Jerry Tomanek of Gilliland. Directors will be elected in a meeting next Monday night in the Farm Bureau office.

Several new resolutions pertaining to agriculture in Knox County were adopted, these to be placed before the state convention in Corpus Christi on November 9-14. Policies of the state Farm Bureau are shaped through such resolutions passed by county organizations.

Those planning to attend the convention are: Mr. and Mrs. Cure, Mr. and Mrs. Hutchinson, Mrs. Vera Patterson, office secretary; Gene Kissinger, local office manager, and Mrs. Kissinger. If others desire to attend, the local office should be notified so reservations can be made for them.

Gems Of Thought

"PROCRASTINATION"

By the streets of "by and by," one arrives at the house of "never." — Cervantes

Procrastination is the thief of time. — Edward Young

He that is good at making excuses is seldom good for anything else — Benjamin Franklin

We cannot boast of ourselves of to-morrow; sufficient unto each day is the duty thereof. — Mary Baker Eddy

Who escapes a duty, avoids a gain. — Theodore Parker

Undue procrastination indicates that a man does not see his way clearly; undue precipitation, that he does not see it at all. — Shakespeare

FLOYD PATTONS ARE PARENTS OF SON

It is hard to tell who is the most excited, Penny or Floyd, over the arrival of John Walter. Jenny is the big sister, Floyd is the papa, and they are a very excited pair. John Walter made his arrival at the Knox County Hospital at 5:40 p. m. Wednesday, October 30, 1958. He weighed 8 pounds and 9 ounces. His parents are Mr. and Mrs. Floyd Patton of Weinert. Grandparents are Mr. and Mrs. Walter Patton of Weinert and Mr. and Mrs. E. Y. Johnson of Munday. This little boy was named after both grandparents.

UNDERGOES SURGERY

Henry Clay Dingus entered Harris Memorial Hospital in Fort Worth last Sunday and underwent brain surgery on Monday morning. Relatives returning from his bedside late Tuesday reported that he is getting along nicely. His many friends here wish for him a speedy recovery.

State Amendments Feature Of Ballots For General Election

Moffett Urges Heavy Vote On November 4th

The Munday Times has received the following statement concerning the general election next Tuesday, November 4th, from Senator George Moffett of Chillicothe, State Senator from this senatorial district:

"It is of considerable importance that a large number of citizens turn out and vote next Tuesday.

"The law provides that the number of votes cast at the general election this year will determine how many delegates and votes each county in Texas will have in the Texas Democratic state convention in May, 1960. This 1960 state convention will choose the delegates from Texas to the National Democratic Convention, which will nominate the Democratic party's candidate for President in November, 1960.

"If you want to increase your county's voting strength in choosing the delegates which will pick the next president of the United States come out and vote on November 4, 1958."

Ballots for the November general election, which will be held nation-wide next Tuesday, were delivered to the county clerk last Friday for preparing election boxes for Knox County.

Many who are highly versed in political affairs are urging voters to go to the polls next Tuesday, although the election in Knox County merely means voting for your political party.

Chief interest in the election among local citizens will be in the nine state constitutional amendments which appear at the bottom of the ballot. A number of these are hotly contested amendments and will likely cause a heavy vote in Texas. A brief digest of these amendments follows:

Number One on the Ballot (HJR 1) — Provides for annual sessions of the legislature, changing the compensation, per diem and travel expenses of members of the legislature and authorizing temporary residence of the Lieutenant Governor and Speaker of the House in the Capitol Building.

Number Two — Authorizes each county to establish, after approval by its voters, a retirement, disability and death compensation fund covering the elective officers of the county or precinct, as well as the appointive officers and employees of the

county or precinct.

Number Three — Provides that vacancies in the office of County Judge and Justices of the Peace shall be filled by the Commissioners Court only until the next General Election.

Number Four — Provides that any District, County, or Precinct official serving a four-year term must resign before announcing for a different office if there remains unexpired more than one (2) year of the term for which he was elected.

Number Five — Provides that a Home Rule City may provide by Charter Provision, and a City operating under the general laws may provide by majority vote, for a longer term of office than two (2) years for its officers, either elective or appointive, or both not to exceed four years.

Number Six — Provides for pension to retired Texas Rangers who are ineligible to participate in the Employees Retirement System of Texas, and their widows.

Number Seven — Authorizes the Legislature to make appropriations and establish procedure for advertising the historical, natural, agricultural, industrial, educational, recreational and other resources of Texas.

Number Eight — Gives the Legislature the power to authorize vendor payments for medical care in addition to the amount paid in the form of direct public assistance to and on behalf of needy recipients of Old Age Assistance, Aid to the Blind, Aid to Dependent Children or Aid to the Permanently and Totally Disabled; providing for the acceptance of funds from the Federal Government for the purpose of paying such assistance.

Number Nine — Authorizes the Legislature to create a Hospital District coextensive with the incorporated limits to the City of Amarillo, Texas and a county wide Hospital District in Wichita County, Texas, and Hospital Districts in Jefferson County, Texas.

Munday Classroom Teachers Assn. To Study Recommendations Of Hale-Aiken

The Munday Classroom Teachers Association met in regular session on Wednesday, October 22, with Supt. W. C. Cox as the principal speaker.

Mr. Cox spoke on "Greater Understanding of Educational Problems" as made by the Hale-Aiken

committee recommendations last September. Mr. Cox has worked with the "Grass Roots Study" on the local and county level. Merit ranking, a ten months session, and the ad valorem tax were the chief problems that were discussed.

The association's officers are as follows:

Mrs. Wendell Partridge, president; Mrs. Jerry Kane, first vice president; Bill Hulse, second vice president; J. H. Bardwell, third vice president; Mrs. Joe Canafax, secretary and Miss Juanita Smiley, treasurer.

The association is affiliated with the Texas Classroom Teachers Association. The state theme for this year is "More Competent Teachers Increase Educational Opportunities For Youth."

Homecoming Dates Set at Midwestern

In a joint announcement today by Homer Donohoo, Jr., co-president of the M. U. Ex-Students Association, and James Estes, president of the University Student Government, the schedule of homecoming events was made public. The M. U. homecoming has been set for Friday and Saturday, November 21-22. The various activities for the two-day celebration include:

Friday, November 21: 5 p. m. barbecue for exes, students, and faculty in the University Center. 6:30 p. m., the traditional bonfire, and at 7:30 the student variety show in the main auditorium.

Saturday, November 22: 7:30 a. m. two breakfasts at the Kemp Hotel for all former athletes since 1922. (1) the former athletes coached by Dr. D. L. Ligon will meet in the Zodiac Room, and housewife in this area is invited to this "Live Better Electrically" cooking school.

Mrs. Andrews, a senior home economist for Frigidaire Sales Corporation and recognized as one of the outstanding economists in the Southwest, is well known for her practical approach to the problem of stretching the kitchen dollar and at the same time providing balanced, nourishing meals.

She will bring the latest methods in food preparation at the school, featuring new ideas, new methods and new recipes. Every housewife in this area is invited to this "Live Better Electrically" cooking school.

Knox County Hospital Notes

Patients in the hospital October 27:

Rhonda Burleson, Aspermont; Mrs. W. E. Pack, Knox City; Mrs. Howard Peek, Goree; Easter Smiley, Knox City; Mrs. Charles Moorhouse, Munday; Mrs. J. J. Denton, Sr., Knox City; Mrs. Eva Ray Estes, Munday; Mr. and Mrs. W. L. Moore, Goree; Dorothy Jackson and babies, Knox City; Florene Dutton, Knox City; Mrs. Steve Reyes, Knox City.

Patients dismissed since October 20th:

Mrs. Pat Chamberlain, Knox City; Emilio Guerra, O'Brien; Drew Morrow, Munday; Jan Roberts, Munday; Mrs. Barbara Dodson, O'Brien; Mrs. Walter Beasley, Rochester; Mr. and Mrs. R. L. Huckabee, Weinert; Mrs. Sterling Lewis, Knox City; Mrs. Roy Reynolds, Knox City; Mike Turner, Knox City; Mrs. H. H. Partridge and baby, Munday; Mrs. Joe Phillips and baby, Munday; George Eiland, Lamesa.

Births: Mr. and Mrs. H. H. Partridge, Munday, a girl; Mr. and Mrs. Joe Phillips, Munday, a boy; Mr. and Mrs. Jesus Rivera, Weinert, a boy.

Deaths: Mrs. O. E. Hubbard, Knox City.

METHODIST MEN TO MEET ON TUESDAY

The regular meeting of Methodist Men's Club will be held at 7:30 p. m. next Tuesday at the Methodist Church. All men of the church are urged to attend.

An interesting program on the general subject of "Let's Find out what our City is Doing" will be held, with Mayor V. E. Moore as speaker and moderator for the discussion period. The program will give you an opportunity to know some facts concerning the city government and city activities.

Class Entertains Mothers Recently

On Wednesday evening, October 22nd, Class 6-B of Munday Junior High School served as host to their mothers.

The Good Manners Committee welcomed and registered the guests. Then they were directed into the Class 6-B reading room which had been decorated with autumn and golden leaves adorning the serving table. A special display of pupils' notebooks, maps, folders, and library materials occupied the southern section of the room. The mothers inspected the work that had been placed on display.

Dovell Matthews recited the motto for the day. Each day Class 6-B has a new motto that is written and remembered.

Millie Moore directed a geography quiz with the "Golds" defeating the "Blues".

The Refreshment Committee served cookies and punch to their guests. The cookies were baked by the 6-B girls under the supervision of Sue Cypert and Laquita Morgan. The 6-B boys prepared the punch.

Mothers that visited during the afternoon were Mmes. H. D. Matthews, Jr., Welton Leflar, A. A. Smith, Jr., Ralph Cypert, W. R. Moore, Jr., Ernest Perkins, J. L. Walling, Joe Gray, James Carden, Herbert Arledge and Everett Thompson.

LAST NAME'S PONDER — THAT'S ALL WE KNOW!

We'll have to wait to find out his name as Gramma Hill (Mrs. L. J.) was much too excited to remember everything when she called Monday morning from Lubbock saying she had a new grandson. We did find out that he arrived at 1 a. m. Monday, October 27, 1958, and that he weighed 8 pounds and 5/8 ounces and that he was such a pretty boy even if he was her grandson. His parents are Mr. and Mrs. Scotty Ponder who live in Lubbock. His other grandparents are Mr. and Mrs. E. R. Ponder of McLean. Guess when Mrs. Hill comes home we'll find out the name of the wonder child.

Miss Florence Gaines visited in Stamford last week end with Rev. and Mrs. F. R. Pickins and attended church services at the First Methodist Church while there.

TOP-FLIGHT SALESMEN

How is retail trade doing? Reports from every section of the country show gains in volume. And this is a real show in the arm to an economy that was sagging. Increased sales at the retail level mean increased orders at the wholesale level. The factory wheels spin, the unemployment rolls drop, and everyone feels the good effects in one fashion or another.

The retailers of this country deserve credit for helping hold the line. They are top-flight salesmen. When the recession moved in, they didn't turn to the wailing walls and bow their heads. They did everything in their power to attract business and to stimulate trade. They kept up their advertising and in many instances increased it. They made their displays more attractive. They offered the best possible prices. And consumers read, looked, and responded.

And that's one important reason why the recession has been milder than many people anticipated. But it should never be forgotten that the benefits of mass distribution as typified by the major chain store systems can only continue to be achieved in a free market economy. Nor should it be forgotten that if the country is in for another round of inflation the inevitable consequences of rising costs cannot be stopped at the retail counter.

THE BIGGEST THING OF ALL

There is plenty of serious news to hold the attention of the American people — the integration problem, the troubles in the Middle and Far East, the coming election. But the biggest thing of all in the minds of most people, according to a recent poll, is the cost of living.

And with good reason! We face a \$12 billion-plus Federal deficit. The wage-price spiral is starting another climb. The dollar, measured in purchasing power, gets smaller and smaller. So, to millions, plain bread-and-butter is the gravest problem.

ONAWAY, MICHIGAN, NEWS: "It appears at the moment that the UAW will get a substantial increase in the new contract with the Big Three auto companies. This will naturally increase the cost of living . . . The only thing possible to do is to arrange to increase our income, so that we can meet the increased cost of labor. It'll be hard on small business."

GULL'S PARADISE LOST

The Early American magazine tells of the sad plight of the seagulls of St. Augustine, Florida, which, according to report, "are starving to death in the midst of plenty, because they have forgotten how to fish."

The gulls used to live on the waste from the local shrimp fleet. They didn't have to catch fish—or teach their young the techniques of fishing. Then the shrimp fleet moved away to Key West and paradise was lost. The Early American says: "A few of the birds had the intuition to follow the fleet. A few more were enterprising enough, or had enough instinct left, to take to the sea once more. But many of them can be seen sitting sadly where they were left, starving to death because no one will bring them shrimp, while out in the Gulf there is a sea of food for the taking."

These gulls were victims of the gull equivalent of a welfare state. Their needs were met in return for little or no effort on their part—and the result was a steady attrition of the qualities and abilities that go to make self-reliance and independence. And what the welfare state does to the lower orders of life, it does to the human animal as well.

THE PAST AND THE FUTURE

Food industry executives have been taking a long look at the future — and the past.

That occurred when the National Association of Food Chains held its 25th meeting in Chicago early in October. A spokesman said: "It is natural that on our Association's Silver Anniversary we would schedule a certain amount of history. But this has been done only to point up the lessons we can learn from the past. We in the food industry have learned that we can go forward only by looking to the future . . ."

This attitude is typical of American retailing. It isn't satisfied to stand on its outstanding past achievement in creating a system of mass distribution that has brought unparalleled abundance, convenience and economy to the American family. It is looking ahead to the new challenges the coming years will bring.

The two-cent daily newspaper used to be common in this country, but now it has gone with the wind. The last of these papers, the Hanover, Pennsylvania, Evening-Sun, has raised its prices to five cents.

Checking Accounts —

Weekly Health LETTER

Issued by Henry A. Holle, M. D., State Health Officer

Air is the most important one commodity for the existence of man. He can go for weeks without food, a very few days without water, hours without protection from the elements, but only a few minutes without his most precious commodity — air.

The importance of clean air is indicated by the fact that Govern-

or Daniel has set aside this week, October 19-25, as "Cleaner Air Week."

This is an excellent period for all of us to evaluate the air cleanliness of our communities and if it is not all that it should be to in turn evaluate the efforts the community is making to control the air cleanliness for us.

Are you as an individual citizen satisfied with your communities' air standard?

A number of communities throughout Texas are happily enjoying the benefits of good clean air without effort to control it. Unfortunately, many other communities are not so blessed and are therefore concerned with

the cleanliness of the air over their communities.

It isn't only the big industrial cities that have difficulties. Any Texas town that has any kind of industry, including cotton gins, may have a problem without realizing it. Should there be such a problem, it certainly would be well to take inventory of the efforts your community is making in your behalf regarding cleaner air.

Already there is much study and effort being done in Texas to evaluate and remedy some of the air pollution problems.

The State Department of Health has completed its part in a national air pollution appraisal. The report of the complete findings is being readied.

Cooperating in the national air sampling network are eight stations in Texas at Dallas, Houston, Port Lavaca, Austin, Waco, San Antonio, Fort Worth and El Paso. Dallas and Houston operate on a permanent basis while the rest serve only one year in three, however, some operate every other year.

These air samples are analyzed for dust and other solid mater-

ials, and beta ray radiation activity. In addition the State and local departments of health cooperate with the Atomic Energy Commission in sampling atom bomb fallout, with the aid of the U. S. Public Health Service.

Some cities have their own separate programs for studying air pollution and several additional cities and counties have active air pollution committees trying to conduct their own separate surveys.

Every cleaner air program needs the individual support of all its citizens.

59 FORDS AWARDED GOLD MEDAL

by Comité Français de l'Élégance
 at Brussels World's Fair

THE WORLD'S MOST BEAUTIFULLY PROPORTIONED CARS

Why did the Comité Français de l'Élégance bestow upon Ford its highest award? One firsthand look and you'll see why these altogether-new 59 Fords were called the world's most beautifully proportioned cars. You'll see it in the new Thinline Roof and see-it-all rear window . . . in every clean and gleaming, low-swept line.

Yes, every brand-new Ford styling feature . . . from Fashion Star Grille to Iris Eye Safety Taillights—is designed to keep that brand-newness! Its Diamond Lustre Finish, for example, never needs wax to keep its glitter. And when we tell you Ford's low first cost, you'll realize that this 59 Ford is beautifully proportioned to your budget, too!

CITY LIGHTS BECKON FIRE ANT
The pain-in-the-neck pest of the century, the vicious little import- ed fire ant, has evidently charted new worlds to conquer, and two of Texas' major cities — Houston and San Antonio — are among

John Hancock Farm & Ranch Loans
INSURANCE WRITTEN ON PROPERTY, AUTOMOBILES OR ANYTHING INSURABLE
J. C. BORDEN

First Natl. Bank Bldg — Phone 4241 — Munday, Texas

the first top prizes in the fire ant's line of fire.
Both Houston and San Antonio have been found to be infested in varying degrees by the native South American fire ant, whose sting is extremely painful and whose stone-hard earth mounds play havoc with the landscape.
To combat this unwelcome intrusion, both cities, assisted by Texas and U. S. Departments of Agriculture and local and county officials, have begun to take definite steps toward eradication.

In Houston, where more than 20,000 acres are infested, a cooperative city-county program has been inaugurated which will provide for ground treatment in various sections of the city. Aerial application of insecticides in Houston is prohibited by city ordinance.
In addition to direct preventive and eradication efforts in sections of the city, treatment and inspection of Houston plant nurseries by Texas Department of Agricul-

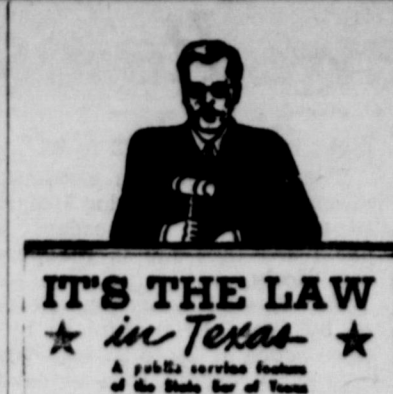

ture inspectors has practically eliminated these potential fire ant hideaways from the area of concern.
Although no definite plan of action against the fire ant has been formulated for San Antonio, county officials have appropriated funds scheduled to be matched by city funds for treatment of private property in the city. A committee is now being organized to initiate the program, which will likely be similar to that planned for Houston.

One of the greatest matters of concern in the eradication plan is that connected with eliminating risk of contamination and poisoning in the treatment of private property with the necessary ant-destroying chemicals. In this respect, fullest precaution possible has been taken in selection of the chemical — granular heptachlor — and in prescribing instructions to be followed by persons living in areas to be treated. A sampling of these instruc-

tions include: prior to treatment, close windows and doors, cover or turn upside down water and feed containers for animals and pets, cover all leafy vegetables, preferably with plastic, remove fish from open ponds and cover ponds with plastic, cover open cisterns; after treatment, sprinkle lawns and gardens with water thoroughly, but prevent children and pets from drinking from puddles which might form, wash all garden vegetables thoroughly before eating, keep dairy cattle from grazing in treated area for a period of 30 days, and keep children from playing in treated area for several days.

Mr. and Mrs. Lynn Machen and daughters of Abilene were week end guests of his parents, Mr. and Mrs. Ernest Machen.

Mr. and Mrs. Howard Thompson and children spent last week end with her parents, Mr. and Mrs. Bob Guffey, in Megargal.

STOP FOR SCHOOL BUSES
Thousands of school children are now trooping back to school throughout Texas. Many of them are being transported by school buses. Most people are careful when approaching a school bus which may be standing beside the road or school to pick up school children or allow them to alight. However, we have already had some very bad accidents this

year because a child or a motorist, or both, were careless at that very time.
Most Texans are aware of the law which requires a driver to come to a complete stop when overtaking from the rear a school bus which has stopped to receive or discharge school children. After stopping immediately behind the bus, he is then allowed by law to proceed past same at a speed "which is prudent, not exceeding ten (10) miles per hour, and with due caution for the safety of such children."

What many persons do not realize is that the very same rule applies when MEETING a stopped school bus. While everyone is interested in protecting our children, unthinking violators of this simple safety rule greatly outnumber those who comply. Failure to follow the law in this case can lead to fines up to \$200.00 even when no accident occurs. Following an accident in which some child is injured or killed, the penalties are naturally much more serious.

Although the above rule does not always apply when passing a stopped school bus in a business or residential district of a town, the necessity for extreme caution even in those locations is obvious.

When it comes to overtaking and passing moving vehicles, exercise of ordinary common sense will generally keep a driver within the law. For instance, when passing a car it is only common sense to proceed on past it a safe distance before cutting back to the right side of the highway. Also, any driver would realize the danger of increasing his speed while another is attempting to pass him.

In the same category is the prohibition against passing on the right under most ordinary conditions. Of course, you may legally pass on the right in a few specific instances, such as when the vehicle overtaken is making or about to make a left turn, or upon a one-way street with two or more lanes, or upon a four-lane highway.

However, our traffic laws state that even when passing on the right is allowed, it shall be done only under conditions permitting such movement in safety. And, in no event should such passing be accomplished by driving off the pavement or main-traveled portion of the roadway.

Familiar to all are the no passing zones designated by dash lines placed to one side of the center stripe on our highways. Not so well known are the restrictions against crossing the center line when approaching within 100 feet of or when traversing any intersection or railroad grade crossing.

A driver should never cross the center line of a highway when the left side of the road is not clearly visible and free of oncoming traffic. Generally speaking, when not engaged in passing another vehicle, one should not drive to the left of the roadway.

Goree News Items

Mrs. Wesley Darilek and daughters of Megargel are visiting her parents, Mr. and Mrs. T. M. Tucker.

Mr. and Mrs. Charlie Edwards and family of Wichita Falls, Charles Edwards of Graham and Mrs. Ammie Edwards of Throckmorton visited in the home of Mr. and Mrs. Woody Roberts last Sunday.

Miss Glenda Jane Lowrance of Wichita Falls and Johnny Lowrance of Lubbock visited their parents, Mr. and Mrs. Jeff Lowrance, over the week end.

Mrs. Willard Free and daughters, accompanied by Mrs. Buster Styles of Seymour, were business visitors in Haskell last Tuesday. They also visited Mr. and Mrs. Theo Free.

Miss Johnette Hill of Hardin Simmons University in Abilene spent the week end with her parents.

Mr. and Mrs. T. M. Tucker have returned home after visiting with Mr. and Mrs. Claxton Tucker and their new granddaughter in Lubbock for several weeks.

Mr. and Mrs. Boyd Baker and daughter of Amarillo returned her father, Jerry Hudson, home this week. Mr. Hudson has been visiting the Baker family and another daughter in Amarillo. Mrs. Baker and daughter remained for a week's visit with relatives.

Mrs. Willard Free was honored with a surprise pink and blue shower by several friends at her home here last Monday evening.

The Goree Wildcats defeated the Vera Pilots last Thursday

night by a score of 72 to 25.

Mrs. Earl Peterson underwent minor surgery at Baylor Hospital in Dallas last Wednesday. Reports are that she is recuperating nicely.

The Goree Kittens were defeated by the O'Brien juniors by a close score of 24 to 25 last Tuesday night. During the half-time, the pep squad marched, and immediately afterwards, Miss Patricia Knight, daughter of Mr. and Mrs. Clarence Knight, was presented a lovely corsage of yellow mums. She in turn crowned Max Mathis, son of Rev. and Mrs. C. R. Mathis, as football hero for the year. They were escorted on the field by Jane Carl and Gary Land.

Hunt And Fish License Sales Show Increase

Anticipating a record year, more than 41,000 Texas sportsmen bought hunting licenses during September, according to the Fiscal Director of the Game and Fish Commission, September 1 began the second year of the \$3.15 hunting license fee.

On the basis of revenue collected, the Director reported receipt of \$123,443.45 from hunting license sales. This is an increase of approximately \$14,000 for the same period in 1957.

Remitting agents had until October 10 to pay for licenses sold during September; therefore, this does not include money on all licenses sold, the Director explained.

Fishing license sales totaled \$154,275.60 for the month. This figure represents more than 77,000 resident fishing licenses.

Sales of all types of licenses is expected to increase this year due to the good condition of game and fish populations throughout the state, the Director said.

Mr. and Mrs. Joe Duke and Jo Ann of Lovington, N. M., visited her parents, Mr. and Mrs. A. B. Warren, and other relatives from Wednesday of last week until Monday.

Week end guests in the home of Mr. and Mrs. H. E. Walker were their son, Charles Walker, and his roommate, Tommy Freeman, of Stamford. Both boys are students at T. C. U. in Fort Worth.

Brenda Garrett And Don Elliott Marry October 24

Miss Brenda Garrett became the bride of Don Elliott at 7 p. m. Friday, October 24, at the Church of Christ, Minister Harold Paden officiated at the double ring ceremony.

The bride was attired in a sapphire blue street length dress of wool orlon trimmed in blue satin. Her accessories were blue. She carried a bouquet of white carnations atop a white pearl covered Bible.

Miss Linda Garrett, sister of the bride, served as maid of honor. She wore a royal blue street length jersey and carried a bouquet of white carnations.

Jerrell Elliott served as his brother's best man.

Mr. Elliott is a 1958 graduate of Munday High School and lettered 4 years in football. He is employed at the Gulf Service Station at the present time.

Mrs. Elliott will graduate from Munday High School at mid-term. They are making their home at the apartment of Mrs. Will Phillips.

Speed doesn't shorten the road ... it shortens your life!

Methodist WSCS Meets With Guild Monday Evening

The Methodist W. S. C. S. met with the Wesleyan Service Guild at 7:30 p. m. Monday at the Methodist Church for a program on week of prayer and self-denial.

Rev. Rex Mauldin played soft music during the program, and a solo was sung by Mrs. Mauldin. Mrs. J. C. Rice gave a very interesting devotional. Others having part on the program were Misses Ruth King, Oscar Spann, Betty Baker and Oates Golden. Rev. Mauldin closed the meeting with prayer.

Be watching for the Guild's bazaar, which will be held in November.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Herbert Partridge are announcing the arrival of a daughter Friday, October 24, 1958, at 6 p. m. She weighed 7 pounds and 7 ounces and has been named Texann. She has two older sisters, Donna and Patti. Her grandmothers are Mrs. E. Partridge and Mrs. Iva Palmer of Morgan City, La.

Miss Gaither And Lee Bruce Will Marry December 20

Mr. and Mrs. Bill Gaither of Munday are announcing the approaching marriage of their daughter, Dianna, to Lee Bruce, son of Mr. and Mrs. Ivan Bruce of Dallas.

The wedding is planned for 8 o'clock Saturday night, December 20, at the First Methodist Church in Munday. The public is cordially invited to the wedding and the reception.

Prepare Soil For Flower Bulbs Now

Soil prepared now will be ready during the next week or so to plant hyacinths, daffodils, narcissi, janquils, day lilies and many other bulb like plants. Beds prepared now will also be ready in December for tulips and Dutch irises.

Consider location first. For best effects, landscape architects recommend planting bulbs in clumps or groups. They fit well into bays or corners of the back yards or in front of screens or border plantings. Avoid spoiling the spacious effect of the lawn by scattering blub beds at the forefront of home grounds or planting them in rings around trees or shrubs.

Sunshine is not important if you expect only one crop of blooms from your bulbs. For a second season of blooms, full sun or sun the greater part of the day is needed by most bulbs.

Good drainage is necessary to prevent decay and insure proper growth. Soil fertility is not important if new bulbs are bought each year. It is a factor however, in producing blooms for the next year.

To fertilize, scatter one-half

bushel of barnyard fertilizer or a bushel of well decayed leaf mold and two cups of commercial fertilizer over each 25 square feet. Spade well into the soil to a depth of 8-12 inches and keep moist for 5 or 6 weeks.

Mrs. Joe Jackson of Santa Rosa, N. M., visited her sister and husband, Mr. and Mrs. A. B. Warren.

Mrs. Nora Broach attended market in Dallas several days this week.

MONDAY SCHOOL LUNCHROOM MENU

Monday: milk, scalloped potatoes with meat, buttered carrots, English pea salad cornbread, peach slices.

Tuesday: milk, Spanish rice with meat, candied sweet potatoes, green beans, hot rolls, butter, cookies.

Wednesday: Vienna sausage, pinto beans, green salad, cornbread, fruit cobbler.

Thursday: milk, steak and gravy, creamed potatoes, black-eyed peas, hot rolls, butter, cookies.

Friday: milk, turkey-a-laking on cornbread, green beans, carrot sticks, apricots.

SUNSET JUNIOR HIGH LUNCHROOM MENU

Monday: Chili beans, potato salad, cabbage and apple slaw, peach cobbler, cornbread, butter, milk.

Tuesday: Beef and vegetable stew, cheese and pimento sandwich, orange jello, coconut cake, cornbread, butter, milk.

Wednesday: Turkey and dressing with giblet gravy, green beans, whole cranberry sauce, ice cream, hot rolls, butter, milk.

Thursday: Wieners and saurkraut English pea salad, boiled buttered potatoes, cherry pie, cornbread, butter, milk.

Friday: Creamed tuna, fresh snap blackeye peas, lettuce, pineapple and cheese salad, lemon frosted cake, hot rolls, butter, milk.

Mrs. J. M. Roberson accompanied Mr. and Mrs. Floyd Roberson of Truscott to Fort Worth last Saturday and Sunday to visit Mr. Will Roberson, who is a patient in a hospital there.

The Women's Society of Christian Service observed a "Quiet Day of Prayer" at the Vera Methodist Church last Monday from 10:00 a. m. to 2:30 p. m. The program was under the Spiritual Life Leader, Mrs. Clifford Roberson. Others having part on the program were Mrs. Olen Coffman, Mrs. Wesley Trainham, Mrs. W. P. Hurd, Mrs. Arthur McGaughey, Mrs. Jess Trainham and Mrs. J. M. Roberson.

Cotton Producers Advised To Watch Seed Situation

A continuation of the unfavorable weather could mean trouble so far as saving high quality planting seed from this year's cotton crop is concerned, warns Fred C. Elliott, extension cotton specialist.

In some sections, he says, cotton harvesting conditions are even worse than those of a year ago. Excessive moisture, cotton root rot and angular leaf spot diseases are contributing to lower quality seed from some areas. An early frost, he adds, could further complicate the situation. Continued high moisture in the field is a cause for high free fatty acid content in the seed and this lowers germination. Good weather, however, could change the picture and seed from even late plantings would be of good quality, he says.

Elliott advises that sufficient quantities of good quality seed of known varieties be saved and carefully stored. A continuing check of seed in storage is suggested. This is one of those seasons, he points out, when even seed with a low moisture content

Jaycees Seeking Outstanding Young Texans For 1958

Grand Prairie — Across the vast expanse of Texas the search is on to find the Five Outstanding Young Texans of 1958. Dr. Douglas Guthrie, Jr., President of the Texas Junior Chamber of Commerce, announced today that Nomination Blanks have been mailed from Texas Jaycee Headquarters in Grand Prairie to all Jaycee clubs in the state, and to many civic, fraternal, religious, labor, educational, and professional groups throughout Texas. Nomination Blanks may be obtained by contacting the local Jaycees or requesting one from the Texas Jaycees, Box 428, Grand Prairie, Texas.

Annually, for the past several years, the Texas Junior Chamber of Commerce has honored the five top men of the year between the ages of 21 and 35 who have made outstanding contributions to their work and professions and to the general welfare of the people. These men have come from all walks of life and are exemplars of the purpose of this program — to present to the world concrete evidence that success in our free enterprise system is still available to those individuals who strive to achieve. Communists, or those known to have Communist leanings, are excluded from consideration.

Last year's winners included Walter N. Corrigan, San Antonio; Jack Jeffus, Wichita Falls; William P. Ludwig, Jr., Texas City; C. Cullen Smith, Waco; and Hugh E. Wilson, M. D., Dallas.

Each year the public is invited to nominate young men from their own communities who are deemed worthy of such a high honor. Neither nominees nor their nominators are required to hold membership or be affiliated with a Junior Chamber of Commerce. A panel of business and professional men, serving only in the public interest, will make the selection. Deadline for receipt of Nominations is December 8, 1958. The 1958 winners will be honored at the Annual Awards Banquet to be held in Denton, Texas, on January 10, 1959.

cannot be stored and their keepable quality forgotten until next spring.

Here are Elliott's suggestions for handling the seed situation. Check seed closely by cutting a sample with a knife before storing; store only seed with high germination (90 percent is very good) and low free fatty acid content; save seed for bulk storage containing less than 12 percent moisture unless good facilities for drying and cooling are available; small quantities of seed should be turned and sacked and large quantities for bulk storage should be cured by pulling air through them with a fan and duct system.

USDA research shows that a moisture content of 13.6 percent is the critical point beyond which storage may quickly become disastrous, says Elliott. The moisture content in all stored seed, if possible, should be brought down to 10 or 11 percent. Air should be pulled through the seed only during daylight hours and in fair weather with the hours between 10 a. m. and 4 p. m. as the preferred period.

Local county agents should be contacted for more detailed information, suggests Elliott.

BROTHERHOOD MEET

A program by the Baptist Brotherhood will be given at their regular monthly meeting Tuesday night, November 4, at 7:30. There is also to be a covered dish supper and all members are urged to attend.

JOE CHRISTOPHER'S TOO LONG; HELL BE CHRIS

Joe Christopher tipped the scales at eight pounds and four ounces when he arrived at 4:30 p. m. Saturday at the Knox County Hospital. He set up a howl, however, because his name is too long — so he will be Chris (or Kris) for short. His parents are Mr. and Mrs. Joe Lynn Phillips of Munday. Grandparents are Mr. and Mrs. J. C. Phillips of Munday and Mrs. Annie Floyd of Mesa, Ariz.

Barton Carl attended market in Dallas the first of this week.

The Band Booster Club will hold their regular monthly meeting at the Band Hall Monday night, November 3. All members are urged to attend.

Mr. and Mrs. H. D. Henson and Mr. and Mrs. Larry Kuehler and twins, Jerry and Sherri, visited in the home of Mr. and Mrs. Billy Joe Pruitt in Wichita Falls last Sunday and helped the twins celebrate their 1st birthday. Also present for the occasion were Mr. and Mrs. Dub Gresham of Wichita Falls.

The upcoming big game hunting season in Texas should be a good one, reports Ed Cooper, extension wildlife specialist. But, he warns, if hunters do not observe the rules of safe hunting, the season can be disastrous. Safe hunting depends on the common sense, courtesy, and vigilance of all those who hunt, he says.

Mr. and Mrs. George Spann and little daughter of Big Spring visited their parents, Mr. and Mrs. Chester Lain and Mr. and Mrs. Oscar Spann, over the week end.

Mr. and Mrs. J. L. Blackard and children of Levelland visited his mother, Mrs. L. B. Snelson, over the week end.

Tax-Man Sam Sez:

People who get divorces often have income tax trouble as a result of the divorce.

Texas is a community property state. The husband and wife each owns one half of the salaries the other one earns up to the date of the divorce. They each own one half of the expenses and deductions for tax rate purposes up to the date of the divorce. When the man and wife agree

to go their separate ways, they should remember that each will owe income tax on all community income up to the date of the divorce. Settling income tax problems at the time you settle the other community property affairs can save time and trouble.

Drive carefully. The life you save may be your own!

BENJAMIN NEWS

Week end visitors with Less Brown and Mr. and Mrs. J. D. Brown were Mrs. R. B. Tucker and son, Stanley, of San Antonio, Mr. and Mrs. Roy Tucker of Oregon and Mr. and Mrs. Curtis Brown and children of Lubbock.

Mr. and Mrs. Duyane Parker and children of Lawton, Okla., visited his parents, Judge and Mrs. L. A. Parker, several days last week.

Mr. and Mrs. J. D. Lovel and daughter Christine, of Muleshoe and Mr. and Mrs. Jim Lovel and children, also of Muleshoe, visited in the home of Mr. and Mrs. Ode Tension last Sunday.

Mr. and Mrs. Myers Ryder and daughters, Vickie and Debbie, of Wichita Falls spent the week end with his mother, Mrs. Lillie Ryder.

Mr. and Mrs. O. L. Kirk were business visitors in Seymour last Friday.

Mr. and Mrs. Clarence Clowers visited their daughter, Mrs. Billie Powers, and Mr. Powers and children in New Mexico last week.

Cora Bell Kuykendall is visiting with friends in Abilene this week.

Mr. and Mrs. Pete Barnett visited Mr. and Mrs. Murry Rodgers and family in Claremont last Sunday.

Mr. and Mrs. Charles Hertel and children of Jal, N. M., visited his mother, Mrs. Nora Hertel, and other relatives here over the week end.

Mrs. Betsy West has returned home after spending several weeks with her children in South Texas.

Mrs. Bobbie Meinzer and children of Carlsbad, N. M., spent

the week end with her parents, Mr. and Mrs. Orb Russell.

Mr. and Mrs. R. D. Hamilton and family of Fort Worth visited their parents, Mr. and Mrs. Bill Hamilton and Mr. and Mrs. A. Golden, over the week end.

Week end visitors of Mr. and Mrs. W. H. Dobb and family were Mr. and Mrs. O. B. Londmon and children of Slaton.

Judge and Mrs. L. A. Parker visited Mr. and Mrs. Jack Garrett in Sweetwater last Sunday.

Shower Honors Brenda Garrett On October 23rd

Miss Brenda Garrett, bride-elect of Don Elliott, was honored October 23 with a bridal shower in the home of Mrs. Chalmer Hobert.

In the receiving line Mrs. Hobert greeted the guests with the honoree, her mother, Mrs. Frank Garrett and the future groom's mother, Mrs. Larry Molmas of Seymour.

Miss Linda Garrett, sister of the elect registered the 35 guests attending.

The serving table was laid with a white cutwork cloth over blue, centered with the punch bowl with streamers of blue and gold revealing names of the couple, featuring love birds on silver glittered stands holding wedding bells on a silver ribbon. On either end of the table were blue candles. Serving were Misses Shirley Phillips, Dianna Gaither and Carolyn Hobert.

Hostesses for the occasion were Mesdames Hobert, Grady Phillips, Lonnie Offutt, A. C. Boggs, Bill Gaither, James Gaither, John Phillips, Chancy Hobert, Vera Patterson and Les Phillips.

Traffic Safety Theme Of Munday Study Club Meeting

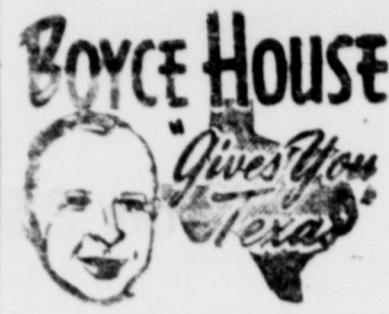

The Munday Study Club held its regular session at the clubhouse, Mrs. H. R. Hicks was program leader who directed a TV type "21" program, with a group of men, Tom Bullington, Charles Baker, Joel Massey, and Harold Paden, putting their wits against clubwomen, Mesdames Oscar Spann, Marion Elliott, Paul Pruitt, and Tommy Harper, on the subject of traffic safety. It was declared the game was a tie.

At the business session, the president, Mrs. R. M. Almarode, announced that Mrs. Hicks and Mrs. Don Combs would meet at the chamber of commerce with groups from other organizations of the town to discuss a civic center.

Mrs. A. L. Smith, chairman of the finance committee, reported on suggested projects for the coming year.

A letter was read from Miss Eudora Hawkins concerning traffic safety and one from the Texas Heritage Commission.

The hostess, Mrs. J. C. Borden, served refreshments to the members and guests.

The absence of crowds is one of the changes that strikes those of us who remember 25 or 30 years ago.

"Farmer Jim" Ferguson spoke to an audience of thousands that rocked with laughter and cheers in Marine Park in Fort Worth in 1932. And the traditional rally on the courthouse lawn the night before the primary would draw five thousand or more.

T.C.U. attracts big crowds to its gridiron battles now but the high school games lure only a fraction of the attendance they once did. Back in the 1930's if the "Mighty Mites" of Masonic Home were playing, Farrington Field, seating 17,000 would be packed.

One Saturday, the horse races at Arlington Downs were viewed by 50,000, declared to be the largest crowd in the history of sport

in Texas up to that time. Now the only races are the Quarter Horse sprints at Brady, Fredericksburg and a few other towns in the Hill Country.

A parade in Fort Worth on Armistice Day, would crowd the sidewalks almost all the way from the railroad station on lower Main to the courthouse.

In fact, just about any event that offered spectacle, color, and entertainment could count on a throng.

They roped off the streets the day the T. & P. opened its beautiful station and the estimate of the crowd was 20,000.

When an overpass was dedicated, the ribbon-cutting, the speeches and the square dancing in the street would bring a massed and milling mob.

Not only was this true of Fort Worth but of Texas in general.

The double log cabin at Holland's Lake was the scene of an old-timers reunion. On the day that "Alfalfa Bill" Murray, governor of Oklahoma (a former Parker County) spoke, the dust hung in a cloud, as a line of cars inched along, the entire length of the three miles from the Weatherford Courthouse to the grounds. Estimates were that at least 10,000 were there.

When the railroad was built into Woodson, the free barbecue drew some 14,000. (The rails have long since been taken up.)

The West Texas Chamber of Commerce convention (in Brownwood in 1924 and, the following year in Mineral Wells) was the occasion of a parade that included some 40 bands and the procession was witnessed by 50,000—which was about four times the population of the host city.

The Fourth of July was a day of excitement, too. There would be plenty of doings at the grove—families would bring picnic baskets; there would be a speech by a great man, perhaps a State Senator or even a Congressman; fireworks; harness races; all kinds of contest, such as three-legged races and sack races; and the vendors of lemonade and the instantaneous photograph-takers would have a field day.

At Pioneer, where in 1922 an oil boom was in progress, the celebration of the Glorious Fourth drew 5,000—and they were not even missed from the crowded main street, half a mile long.

On one occasion, J. R. Record, managing editor of the Star-Telegram, suggested I work up a motorcade to Weatherford. (I was a reporter.) A few articles in the paper and the result was the longest motorcade that Fort Worth ever sent forth.

Just to make a drive of 60 miles in the open air of night (in that pre-air-conditioning time) to pay a visit to a neighboring city and to eat a slice of chilled Parker County watermelon, how many people do you think went?

Two thousand!

Talking pictures in technicolor and on the wide screen; radio; television—these are the factors that are usually credited with making crowds in Texas, and elsewhere, a rarity—but I think that the world has become more sophisticated, more skeptical—less given to enthusiasm, less wide-eyed with wonder, more grown-up, if you please.

But I believe this generation is the loser thereby. Folks may be smarter but they have a harder time having a good time.

LOCALS

Mrs. Muriel Mitchell visited her daughter and family, Mr. and Mrs. Michael Sloan and daughters, Sandra and Susan, in Muenster over the week end.

Mrs. Emma Mayo visited her daughter and family, Mr. and Mrs. Wade Mahan and children, in Odessa over the week end.

Mr. and Mrs. Bill Rippetoe and children of Lubbock visited her parents, Mr. and Mrs. Milton Dean, a few hours last Saturday afternoon enroute to Fort Worth for a visit with his parents. They also visited again Tuesday enroute home.

Mr. and Mrs. Bill Lemley visited Mr. and Mrs. John Lemley in Wichita Falls over the week end.

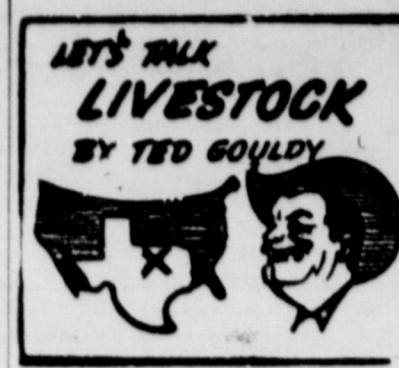

Glen Amerson and Miss Rose Mary Kay of Texas Tech in Lubbock visited Mr. Amerson's parents, Mr. and Mrs. J. H. Amerson, over the week end.

Mrs. S. E. Robertson and Mrs. Jimmie Bullington spent the week end with Mrs. Robertson's sister, Mr. and Mrs. A. J. Sanderson in Weinert.

Two new Agricultural Extension Service publications, L-408, "An Inside Look at Texas' Agricultural Industry" and L-409 "Farm and Ranch Income Tax Management" are now available at the office of local county agents or from the Agricultural Information Office, College Station, Texas.

White Auto Store
Mr. and Mrs. A. B. Warren

Fort Worth — Slaughter classes of lambs were fully 50 cents to \$1 lower here Monday. Feeders, older sheep and goats ruled steady. Weakness developed in the slaughter trade early as one of the major packers, with large numbers of directs received over the weekend, was not a factor in the trade. Up until noon not a single sheep had been weighed to this national packer and its buyers were not making a serious effort to obtain any supplies even at the reduced levels on slaughter lambs.

Good to choice slaughter lambs sold from \$20 to \$21. Stocker and feeder lambs were reported from \$18 to \$21.50. Yearling wethers cashed at \$16 to \$19, and two-year-olds sold at \$15 down. Slaughter ewes sold from \$7.50 to \$8., and goats cashed at \$7 to \$8.

SLAUGHTER CATTLE HOLD STEADY, STOCKERS STRONG
In the cattle yards cows were slow and steady to weak at Fort Worth Monday. Other grade and

classes of cattle and calves were generally steady, with some spots stronger on stocker classes.

Good to choice slaughter steers and yearlings drew \$24 to \$26.25 a load of 1,004 pound steers at \$26.25. Medium and lower grades cashed at \$17 to \$23.75, two loads of fed heifers at \$23.75.

Fat cows cleared at \$18.50 to \$20, odd head higher and canners and cutters sold from \$13 to \$18.50. Bulls brought \$18 to \$23.

Good and choice slaughter calves sold from \$24 to \$26.50, with plain and medium butcher sorts from \$18 to \$23.50, and culls around \$16 to \$18.

Medium and good stocker steer calves sold from \$27 to \$31.50 and medium to good heifer calves sold from \$24 to \$28. Medium to good stocker yearlings drew \$24 to \$27.

HOGS 25-50c LOWER CHOICE HOGS \$19.00-19.25

Hogs were 25 to 50 cents lower at Fort Worth. Choice hogs topped at \$19 to \$19.25 and medium to good hogs sold from \$17.50 to \$18.75. Sows sold mostly at \$17 to \$18, a few higher.

Mrs. George Conwell visited relatives and friends in Fort Worth over the week end.

Knox Prairie Philosopher Getting Baffled Over Just How Anybody Could Inject Foreign Policy Into Politics

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek discusses foreign policy this week, which is out of his field.

Dear editor: All during the Congressional campaigns throughout the past few weeks I've been reading indignant statements by different people saying we ought to keep our foreign policy out of politics, and I wish to say that if foreign policy has been injected into politics, I didn't do it, I don't even know what our foreign policy is.

For example, I know we must have some policy toward say Formosa, but how can you expect me to know what it is when nobody in Washington does either?

However, I'm not sure there's anything wrong with injecting foreign policy into politics, lots of candidates inject honesty into politics and some of them don't know what that is either. If you're going to limit politics to what a man knows, I know some candidates whose campaign wouldn't last longer than five or ten minutes. I figure mine, if I was running, would last one or two.

Speaking of foreign policy, I read the other day where a man in Washington said the United States now has fewer friends in the world than ever before. This is the sort of statement that intrigues me.

In the first place, I don't even know how many friends I had abroad before, not to mention now. Foreign friends added up by somebody else are somehow different from friends in your own neighborhood. With the latter, you can find out for yourself, but with the former, you have to take somebody else's word for it, and as a result you never know which side they're going to turn up on when the chips are down.

Some of our best friends in the first world war were our worst enemies in the second, and some of our allies in the second are our worst enemies now. You get the feeling that foreign friends frequently are like your welcome in some stores. You're welcome only as long as you're spending money there.

If you catch any politician in-

jecting our foreign policy into politics, I wish you'd let me know about it. I'd like to corner him and ask him what it is. Yours faithfully, J. A.
