Odd Bits Salvaged
By The Editor

Cold front followed by cold front; tocast weather followed by shirrtail weather — a splendid type of weather for contacting the common cold. We got ours!

k-k

We've hardly quite figured out why it is called the common cold, unless its the fact that it treats almost everybody in the same manner — just like common ordinary folks. But you're most likely to contact it under uncommon conditions than under common ones.

k-k

For instance, if you're exposed to it, sleep with someone who is nursing it, you think you're dead sure to catch it — but don't. Then it hits you just out of a clear, blue sky, like our did last Thursday.

k-k

Most doctors, we've heard, agree that they can't cure the common cold. We heard this story: "I can't cure your cold," the doctor said, "but just go ahead and let it run into pneumonia! We've got a cure for that, now."

k-k

And another story. A victim of the common cold asked his doctor how long he would have it. "If you go to bed, stay inside and take care of it, you'll likely get over it in two weeks. If you go ahead as usual and don't do much about it, it will take you about 14 days to whip the blamed thing."

k-k

At the insistence of the "woman of the house," we tried remedy No. 1 during the week end, except that she wanted us to stay inside Saturday morning, too. We spent that afternoon, night and Sunday just about as inactive as a living person could be — that is, one with a chest cold that had gone to the head. There's no such thing as inactivity with a cold like that!

k-k

Came Monday morning, and we felt better as if remedy No. 1 had begun to work. But it became necessary for us to show a little activity around our place of business — so we've switched to remedy No. 2. Give us another week after you read this, and we should have the ailment pretty well whipped!

k-k

The deadline is drawing near. Remember, Saturday, January 31, is the last day for paying your poll taxes. That little poll tax receipt may become a very valuable piece of paper before the year is over.

k-k

There's a whole batch of questions and answer in this week's paper regarding the bond election for repairs to our county courthouse. You should read these before you definitely make up your mind to save that measly \$1.75 a poll tax receipt will cost you.

Report on Chester Borden: Mr Braly showed us a copy of a letter from Homer Lee of Wichita Falls last Monday. "Chester is getting along fine," he wrote, "and if he continues to make progress he will be out of the hospital before too long." Grapevine reports are that it will likely be the latter part of this week. Chester's doctor exercised his "veto power" several days ago when Chester asked that a telephone be placed in his hospital room — evidence that the old boy's coming along.

VEGETABLE SPECIALIST WILL VISIT COUNTY

Mr. Clyde Singletary, Vegetable Specialist for the Texas Agricultural Extension Service, will conduct a meeting with the vegetable growers of Knox County next Wednesday night at 7:30 p. m. at the American Legion Hall in Munday to discuss the various problems of local vegetable producers.

All growers and other interested persons in the area are invited to attend and take part in this discussion.

Oil Activities

Bill Lysle No. 3 Sabilla Andres in the Knox L-M (Tannehill) Field, six miles north of Munday, pumped 65.03 barrels of 37 gravity crude per day from 40 perforations at 1890-1900 feet in a recent test. Gas-oil ratio was 100:1. The hole was bottomed at 1944 feet.

Knox Officials Voted Increase In Pay Recently

All Knox County elective officials have been voted salary increases by the commissioners court.

For most of the officials this increase will amount to 20 per cent. This is the first increase county officials have received in several years. The pay of the county judge, county attorney, sheriff, tax assessor-collector, and county clerk was boosted from \$4,440 to \$5,280 annually. Pay of the four commissioners was increased to \$4,440 from \$3,700 per year. The commissioners also receive \$25 a month for in-county expenses.

Receiving lesser salary raises were the county treasurer, who will receive \$3,750 instead of \$3,600 and the district clerk, whose pay was raised from \$2,850 to \$3,000.

The sheriff's department was authorized to pay its first deputy up to \$4,000 per year. Maximum pay for deputies in the tax office and county clerk's office is \$225 per month for the first deputy and \$200 for the second.

Extra clerks will receive \$6 per day. Other salaries paid by the county are: justice of the peace in each precinct, \$50 a month plus fees; constable at Knox City and Munday, \$50 per month; county service officer, \$1,650 per year; county agent, \$1,700 per year; and home demonstration agent, \$1,300 per year plus \$500 travel expenses for the agents.

Knox City Man Dies On Tuesday Of Heart Attack

George P. Oliver, 74, died unexpectedly of a heart attack on Tuesday morning at his home three miles west of Knox City. He was a retired farmer.

Born July 29, 1875, in Erath County, he moved to Stonewall County with his parents when a small child. He had lived near Knox City for the past 40 years.

A bachelor, Mr. Oliver is survived by two sisters, Mrs. Faye Taylor of Quitaque and Mrs. Keeler Holmes of Floydada; a sister-in-law, Mrs. Ross Oliver, with whom he lived, and several nieces and nephews.

Funeral services were held at 3:30 p. m. Wednesday from the First Methodist Church in Knox City with Rev. Walter Driver of Roscoe officiating. Burial was in Knox City Cemetery.

ATTEND MEETING

Mr. and Mrs. Omar Cure, Gene Kissinger and Mrs. Vera Patterson attended the district Farm Bureau meeting in Wichita Falls last Monday.

Third row: Cindy Lou, daughter of Mr. and Mrs. Gene Brown; Mitzie, daughter of Mr. and Mrs. Rudolph Moore; Cammie, daughter of Mrs. Louise Grundy; and Susan, daughter of Mr. and Mrs. W. H. Stewart.

Winners in the contest were: Randy Bob Cybert, first; Debbie Young, second; daughter of Mr. and Mrs. Seitz, third.

Rhineland Girl, 19, Dies Sunday Of Suffocation; Funeral On Tuesday

Hattie Ann Fetsch, 19, daughter of Mr. and Mrs. Albert Fetsch, died unexpectedly at her home in Rhineland at 8 a. m. Sunday. She apparently died of suffocation, which was believed to have occurred during an epileptic seizure.

Born March 5, 1939, in Rhineland Miss Fetsch was a 1957 graduate of Rhineland High School and later attended Holy Angel School in Jonesboro, Ark., for some time.

Family rosary was held at 7:30 p. m. Sunday at McCauley Funeral Home. Funeral services were held at 9:30 a. m. Tuesday from St. Joseph's Catholic Church in Rhineland with the pastor, Rev. Anthony Schroeder, officiating. Burial was in St. Joseph's cemetery under the direction of McCauley Funeral Home.

Serving as pallbearers were Francis, Raymond and Edward Redder, and Carl Schumacher, all cousins.

Her brother preceded her in death September 1, 1958.

Four Cage Games Slated For Friday

Munday's first conference basketball games will be played here Friday, January 30, with Crowell as their opponent. Crowell won their first conference game by beating Paducah's boys and girls last Tuesday night.

The first game will start at 4:30 Friday afternoon and will be the junior boys teams. Immediately after this game the B teams will play.

"The Munday girls and the Crowell girls will start their game at 7:00 Friday evening and the Munday and Crowell boys game will be at 8:30.

Bond Sales For County Short Of Goal During '58

W. E. Braly, Chairman of the Knox County Savings Bonds committee, announced that 1958 sales in this county totaled \$213,752 which equaled 90.2% of the 1958 goal. December sales were \$21,174.

"December sales in Texas were 15% greater than December 1957. Total state sales for the year were \$171,851,685 or 98.2% of the year's goal. Sales in the nation last year were \$4,689 million. While sales increased 4% last year, redemptions of matured and unmatured bonds decreased 11%," Mr. Braly continued.

"The U. S. Treasury Department is grateful to those who gave so much of their time and effort in promoting the sale of bonds. Bankers who sell bonds as a free service to both customers and nation, advertising media who donate advertising, volunteers who are active on the local committees and hundreds of others make this great thrift program possible," he concluded.

Mogul Musicade Set For March 13

The annual "Mogul Musicade" has been set for March 13, it was announced this week, and band members are hard at work at rehearsals in order to make this one the best Musicade since they were started several years ago.

Members of the Band Boosters Club are asked to meet at the band hall at 7:30 p. m. Monday to make preparations for decorating the auditorium for this annual event.

In order to make the Musicade a success, it takes a lot of work and beforehand planning, and committees must be appointed. It is urgent that all band parents be on hand for this meeting.

A county-wide bond election has been called for Saturday, February 7, on a \$55,000 bond issue for repairs and improvements to the county courthouse in Benjamin, Judge L. A. Parker and other county officials announced last week.

The election was called at a meeting of the Commissioners Court on January 19. The bonds, if approved by the voters, will mature in not more than 15 years and bear interest at a rate not exceeding 4 per cent.

Although the election calls for an ad valorem tax, county officials state the tax is already

Sen. Moffett Gets Many Assignments

Senator George Moffett of Chillicothe, senior member of the Texas Senate, was recently named on eleven important committees for this session of the Legislature, it was learned Wednesday. This constitutes a heavy workload for the senator from this district, since he is on almost half of the twenty-four committees.

His assignment are as follows: Agriculture and livestock; chairman; oil and gas, vice chairman; constitutional amendments, contingent expense, finance, legislative, congression and judicial districts, interstate cooperation, military and veterans affairs, state affairs, water and conservation, and governor's nominations.

ATTEND BANQUET

Mr. and Mrs. Hugh Beaty, Dr. and Mrs. Delmon E. Alexander, Mr. and Mrs. Goodson Sellers, Mr. and Mrs. M. L. Wiggins, Mr. and Mrs. J. C. Harpham and Mr. and Mrs. Levi Bowden attended the Chamber of Commerce banquet in Seymour last Thursday night.

Farmers' Fields May Be Measured In Advance For Compliance On '59 Crop

Any farmer who wants to be entirely sure of compliance with the cotton allotment for 1959 may have the acreage measured in advance of planting, according to Gaylon C. Scott, Chairman of the Knox County Agricultural Stabilization and Conservation Committee. This service, which is offered to all producers of cotton is called "premeasurement."

Every year, Mr. Scott said, there are some farmers who ei-

ther exceed or underplant their cotton allotments through inaccurate measurement on their own part or because of incorrect information about the size of permanent fields. In the case of over planting, this can often cause unnecessary expense for fertilizer, seed, and soil treatment. Underplanting could cause loss of farm income. A farmer who uses premeasurement service on his farm pays to have the work done by regular ASC performance reporters. The premeasured acreage will be accepted as the official measured acreage for all ASC purposes provided the farmer plants within the measured area. A later trip will be made to the farm to determine that these requirements have been met, but in most cases an additional survey will not be required.

Premeasurement may be requested by application to the County ASC office by not later than April 1, 1959. The farmer will be asked at the time of application to deposit sufficient funds to cover the cost of the work.

Local Youths Will Exhibit Calves At Fort Worth Show

Knox County will have two exhibitors entered in the Junior Steer Show at the 1959 Southwestern Exposition and Fat Stock Show in Fort Worth, Jan. 30 through Feb. 8.

Their entries will be among 285 animals competing for premiums totaling \$4,731 in the junior steer department, \$1,000 more than was offered in the same show last year. Cash awards of about \$195,000 will be offered in other livestock, rodeo and horse show events at the show.

Knox County exhibitors are John and Frances Reneau, both of Munday.

INJURED IN FALL

Mrs. Riley Bell received a broken shoulder when she slipped and fell at the Church of Christ last Sunday when leaving church after services.

assessed and the bond issue will call for no new increased taxes. Neither will there be lower taxes if the issue fails to carry — no change whatever is anticipated in the tax setup.

"The county is in good condition on its bonded indebtedness," Judge Parker said. "The only indebtedness is on the recently built modern jail and on the new wing to the Knox County Hospital."

The courthouse, which was completed in 1935, has had no major repairs or improvement county officials point out, and is in need of repairs. One of the major expenditures would be on the roof, Judge Parker said.

Eligible to vote in the February 7 election are all resident property taxpayers of the county, who have duly rendered their property for taxation and who are other wise qualified to vote.

In an ad in this week's issue of the Times, officials are answering a number of important questions which will likely come up between now and election day.

Court Action Delays Progress On Reservoir

(Special) — Court action challenging the validity of a \$3,800,000 bond election in the North Central Texas Municipal Water Authority was still hanging fire this week, two months after notice of an election contest was given water authority officials.

The bond election, held last Oct. 11, carried in all four towns comprising the Water Authority — Haskell, Rule, Munday and Goree.

Later, parties in Rule and Goree, represented by Tom F. Glover, Seymour attorney, gave notice of intention to contest the election in the two towns.

This had the effect of blocking any further progress in developing the municipal water program planned by the Authority until the litigation is cleared up.

Because of this fact, officers and directors of the Water Authority have been anxious for a speedy hearing on the contest action, in order to avoid any prolonged delay in the contemplated water program.

"We are confident that the courts will uphold validity of the bond elections held in all towns, including Rule and Goree," W. E. Johnson of Haskell, president of the Authority says.

Any hearing on the Rule election controversy will be heard in district court of Haskell County, while litigation stemming from the Goree election will come up in Knox County district court.

Car Title Needed For New '59 Tags

Knox County motorists will be required to produce titles to their automobiles when they request new license plates, starting February 1, John Smith, county tax assessor-collector, stated last week.

Smith said he wished to remind motorists early to begin looking for vehicle registration papers.

The Texas Highway Department has asked that titles be shown before plates are issued, since the Texas Title Act went into effect a decade ago but the measure has not been stringently enforced. This year titles will be mandatory.

The move is the result of abuses of the old method of license issuing, which required only the receipt of the previous year's license purchase at the time new plates were obtained. Abuses included registration of a vehicle by a new owner in the previous owner's name. This means the old owner will reap speeding tickets and the like cited against the new owner.

Deadline for obtaining the new plates is April 1st.

WORLD WAR VETS TO MEET IN GOREE

Veterans of World War I will meet at the Legion Hall in Goree on Sunday, February 1, at 3:00 p. m. It was announced this week by R. F. Horan, Adjutant. He also stated that the ladies are invited and to bring your wife and be there. Refreshments will be served.

NEW ATTRACTION — Boys and girls of Texas who spend their vacation at The Salvation Army Camp Hoblitzelle, near Midlothian, will find a new pet to romp with while at the camp. Gift from orphans of Switzerland and Swissair, the Airline of Switzerland, a 20-month old St. Bernard dog, weighing about 140 pounds, strong as an ox, but gentle as a lamb has been presented to the out-door camp. The St. Bernard is shown upon his arrival by air at Love Field, with Major William T. Pyke, Divisional Secretary of The Salvation Army in Texas. The St. Bernard, who has been named "Swissair," in honor of his donor, is now a permanent resident of Camp Hoblitzelle where he will officially greet all campers upon their arrival.

HAPPY BIRTHDAY, BOY SCOUTS!

The Boy Scout movement has reached ripe middle age. Boy Scout Week, which will be observed during the February 7-12th period, will mark its 49th anniversary.

But the passage of time has certainly not dimmed Scouting's vigor. It is looking ahead to ever-greater achievements, to an ever-expanding influence. And in this age, with juvenile delinquency rampant, the movement deserves the active support of every decent and responsible citizen.

In its nearly half-century of existence, the organization has touched the lives of more than 28,500,000 Americans. Today there are more than 4,780,000 boys and leaders playing the "game of Scouting". This works out to one of every four boys in the 8 to 16-year-old groups, and the hope is that this proportion will be materially increased.

Dr. Arthur A. Schuck, Chief Scout Executive, puts it this way: "Looking ahead for the next five years we must recognize that never has it been so important or imperative that the youth of our nation be trained to high idealism, acquired through unselfish service, by self-reliance, and cooperative effort."

The ideals and objectives of Scouting have remained unchanged since the movement's birth. But changes have been made in organization methods and operating techniques in order to meet the needs of the time. At the moment, if Scouting is to be brought to more of the boys who want it, here must be more trained leaders and more facilities including camps. Meeting this challenge should be regarded as a pleasure and a privilege.

Meanwhile—Happy Birthday, Boy Scouts!

Wheeler McMillen of Farm Journal writes: "The pitchfork, scoop shovel and bushel basket are giving way in the barn to automatic devices. The barn itself has to change, too. Almost no farmer would think now of using the types of field machinery that were the newest and best in 1920; yet many struggle along with barns and sheds that were built in 1900 or earlier. It will be cheaper to tear down some of those old structures and start anew than to remodel. I look for a spurt toward more efficient farm work buildings; estimates indicate that 50% to 85% of them are obsolete."

—SAY YOU SAW IT IN THE TIMES—

LOOKING AHEAD

J. A. Livingston, the widely syndicated financial writer, questioned 61 of America's leading economists and business analysts as to what they expect this year to bring. The consensus: "A nice, comfortable year. No boom. No wild inflation. Just low, steady, profitable prosperity for all of us."

This view is predicated on various anticipations. One is that the cost of living will hold practically constant, rising only from its recent level of 123.9 to 124.9 next December.

It now remains to be seen whether this confidence is justified. And there are "ifs" involved which could upset the predictions of the ablest forecasters.

One, of course, is government spending. Washington reports say the President's budget will be a balanced one, or nearly so. But no one knows if Congress will go along with that.

Then there is the wage problem. It's certain that major wage and fringe benefit boosts will be demanded in steel and elsewhere. If the demands succeed, if the increases are not accompanied by an offsetting rise in productivity, it's hard to see how prices can be kept stable for long.

The point is that the principal forces that underlie inflation show no evidence of being restrained. So long as this is the case, the danger signs will remain on the horizon.

BEST VOICE FOR THE MERCHANT

Reports indicate that holiday sales ran three to four per cent over the preceding year.

But this experience was not universal. New York City sales of department and specialty stores lagged in the pre-Christmas weeks. And the reason was the strike which shutdown all the metropolitan newspapers.

Merchants tried to make up for this loss of advertising media by issuing broadsides and intensifying radio and TV announcements. That helped—but it couldn't take up the slack. According to a spokesman for a leading store, when people lack the suggestions made in newspaper advertising, "They're slower to make choices. If you have a special gift item on hand, you've got to tell people about it or they don't know it's there."

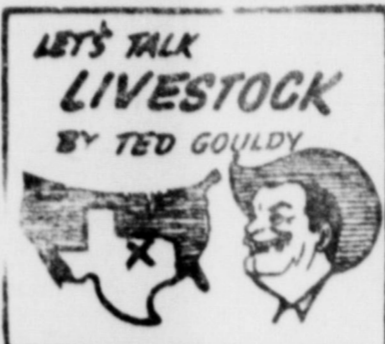

In any community, big or little, the local newspaper is still the best advertising voice the merchant has.

CATTLE, CALVES OPEN WEEK WITH ADVANCES

Fort Worth, January 26 — Cattle and calves were active and prices were fully steady to stronger. Some sales of cows and calves ruled 25 to 50 cents higher and stocker and feeder cattle and calves were very active at unevenly strong to higher rates. About a dozen loads of fed steers cleared at strong prices.

Good and choice slaughter steers and yearlings sold from \$25 to \$28, the higher figure for some handyweight heifers. Medium and lower grades sold from \$18 to \$25.

Fat cows sold from \$18 to \$20.50, and canners and cutters drew \$14 to \$19, a few shells under \$18 to \$23.50 for slaughter purposes, with odd head to \$24. Some lightweight stocker bulls sold to \$28.

Good and choice slaughter calves bulked at \$25.50 to \$29.50, and fancy lightweights were quoted to \$30. Medium and plain butcher sorts sold from \$22 to \$25, and cull and common sorts sold from \$17 to \$22.

Good and choice stocker steer calves drew \$30 to \$33.50, and

heifer calves of comparable kinds sold from \$30 down. Stocker steer yearlings ranged from \$30 downward.

HOGS HOLD AFTER SLOW START MONDAY

Hogs opened 25 cents or more lower and closed about steady with the close last week. Choice butcher hogs ranged from \$17.25 to \$17.50, a few to \$17.75, with weights at the top prices usually falling in the 195-240 pound bracket. Pigs weighing from 130 to 155 pounds sold at \$15 to \$16.50. Sows sold from \$13 to \$15.

SHEEP, LAMBS OPEN IN STRONG TRADE

In the sheep division, trade was fully steady to strong and spots were unevenly 25 to 50 cents higher, quality considered, on both slaughter and feeder lambs. Good and choice slaughter lambs drew \$16 to \$17, both woolled and shorn lambs achieving the top figure. Good and choice feeder lambs cashed at \$16 to \$18 the top figure on some over 90-pound lambs which carried a percentage of ewes. Yearling and two-year-old muttons sold at \$13 to \$15. Slaughter ewes and goats ranged from \$7.50 to \$8.50.

STOCKER SALE SCHEDULE AT FORT WORTH SET

Special stocker and feeder cattle sale dates were announced for the Fort Worth Livestock Market by Manager Ted Gouldy of the Market Institute, this week, and for the first time in more than 30 years the cattle will be offered for sale by auction in some of these events.

In the 1920's a series of special stocker sales at the market were staged and in these events the cattle were sold by auction and by private treaty. Since that time trading has been all at private treaty on the yards at Fort Worth except for horses and mules.

Gouldy reported, "At a meeting of the Board of Directors of the Fort Worth Market Institute, dates and rules for the special stocker and feeder sales for 1959 were discussed. It was again pointed out that there had been numerous requests from patrons of these special sales in the past that Fort Worth offer them an auction sale."

"These patrons of the Fort Worth market expressed the view that numerous of their friends and neighbors would like to patronize these special sales but they preferred a special sale by auction. Spokesmen for the Texas Angus Association and the Texas Hereford Association, co-sponsors on some of the events, have informed us that many of their people would like to patronize the sales if we would provide an auction."

"Our members feel that in view of this obvious desire for this type of sale, we should arrange

Legal Notice

NOTICE OF ELECTION FOR THE ISSUANCE OF BONDS OF THE STATE OF TEXAS COUNTY OF KNOX

To The Resident Qualified Electors of Knox County, Texas, who Own Taxable Property In Said County And Who Have Duly Rendered The Same For Taxation:

TAKE NOTICE that an election will be held on the 7th day of February, 1959, within Knox County, Texas, to determine if said County shall issue Court-house Improvement Bonds and if a tax shall be levied on all taxable property within said County sufficient to pay the interest on said bonds and create a sinking fund sufficient to pay the principal thereof at maturity, in pursuance of an ORDER FOR COURTHOUSE IMPROVEMENT BOND ELECTION made and entered by the Commissioners' Court of Knox County, Texas, on the 19th day of January, 1959, and which order is in words and figures as follows:

ORDER FOR COURTHOUSE IMPROVEMENT BOND ELECTION THE STATE OF TEXAS COUNTY OF KNOX

ON THIS the 19th day of January, 1959, the Commissioners' Court of Knox County, Texas, convened in special session at the regular meeting place thereof in the Courthouse at Benjamin, Texas, with the following members of the Court, to-wit:

L. A. Parker, County Judge, Presiding; and, T. C. Carter, Commissioner, Precinct No. 1; W. W. Trainham, Commissioner, Precinct No. 2; J. B. Eubank, Jr., Commissioner, Precinct No. 3; George Nix, Commissioner, Precinct No. 4;

being present and, among other proceedings had by the Court, were the following:

The County Judge introduced the following election order:

WHEREAS, the Commissioners' Court of Knox County, Texas, deems it advisable to submit to the resident qualified taxpaying voters of said County, who own taxable property in said County and who have duly rendered the same for taxation, a proposition for the issuance of bonds of said County, for the purpose hereinafter stated: therefore,

BE IT ORDERED BY THE COMMISSIONERS' COURT OF KNOX COUNTY, TEXAS:

That an election be held in said County on the 7th day of February, 1959, which date is not less than fifteen (15) nor more than thirty (30) days from the date of the adoption of this order, at which election the following proposition shall be submitted to the qualified taxpaying electors who own taxable property in said County, and who have duly rendered the same for taxation, for their action thereupon:

"SHALL the Commissioners' Court of Knox County, Texas, be authorized to issue the bonds of said County in the total principal sum of FIFTY-FIVE THOUSAND DOLLARS (\$55,000), to mature serially at such time as may be deemed most expedient by the Commissioners' Court, but not later than FIFTEEN (15) years from the date thereof, and to bear interest at a rate not to

exceed FOUR PER CENTUM (4%) per annum, payable annually or semi-annually, and to levy ad valorem taxes sufficient to pay the interest on said bonds and create a sinking fund sufficient to pay the principal thereof at maturity, for permanent improvement purposes, to-wit: the construction of improvements and repairs to the County Courthouse Building in the City of Benjamin, the county-seat of Knox County, Texas, pursuant to authority conferred by the Constitution and laws of the State of Texas?"

ALL VOTERS who are legally qualified voters of said Knox County, Texas, and who are resident property taxpayers of said County, and who have duly rendered their property for taxation, shall be entitled to vote at said election; and said election shall be held under the provisions of Chapters 1 and 2, Title 22, Revised Civil Statutes of 1925, and the Constitution and laws of the State of Texas.

IT IS FURTHER ORDERED that the ballots for said election shall be prepared in sufficient number and in conformity with Chapter 6, V.A.T.C.S. Election Code, as amended, and that printed on such ballots shall appear the following:

"FOR THE ISSUANCE OF BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF"

"AGAINST THE ISSUANCE OF BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF"

EACH VOTER shall mark out with pen or pencil one of such expressions, thus leaving the other as indicating his or her vote on the proposition.

THE POLLING PLACES AND OFFICERS of said election shall be, respectively, as follows:

Precinct No. 1, Benjamin - Courthouse, Collins Moorhouse; 2, Truscott - Schoolhouse, J. G. Adeock; 3, Gilliland - Schoolhouse, Dolph Martin; 4, Vera - Schoolhouse, Paul Weiss; 5, Goree - City Hall, S. C. Roberts; 6, S. Munday - Legion Hall, Chester Bowden; 6A, N. Munday - Wardlaw Butane Office, E. H. Nelson; 7, Rhineland - Schoolhouse, A. J. Loran; 8, Sunset - Schoolhouse, Roe Myers; 9, S. Knox City - Legion Hall, Claude Reed; 9A, N. Knox City - Ford Motor Co., Bill Langford; 11, Brock - Church House, Oswald Warren.

SPECIAL CANVASSING BOARD:

J. W. Barker, Herbert Partidge, D. V. Gilbert

THE MANNER of holding said election shall be governed by the General Laws of the State of Texas regulating General Elections.

A COPY of this order signed by the County Judge of said County and certified to by the County Clerk shall serve as proper and sufficient notice of said election.

NOTICE of said election shall be given by posting and publication of a copy of this order, at the top of which shall appear the words "NOTICE OF ELECTION FOR THE ISSUANCE OF BONDS". Said Notice shall be posted in each of the election precincts of said County, and at the County Courthouse, not less than fourteen (14) days prior to the date on which said election is to be held, and be published on the same day in each of two successive weeks, in a newspaper of general circulation published in Knox County, Texas, the first of said publications to be made not less than fourteen (14) days prior to the date set for said election.

The above order having been read in full, it was moved by Commissioner J. B. Eubank, Jr., and seconded by Commissioner George Nix that it be passed. Thereupon, the question being called for, the following members of the Court voted "AYE": Commissioners Carter, Trainham, Eubank and Nix; and none voted "NO".

WITNESS THE SIGNATURES OF THE MEMBERS OF THE COMMISSIONERS' COURT OF KNOX COUNTY, TEXAS, this the 19th day of January, 1959.

/s/ L. A. Parker, County Judge, Knox County, Texas

/s/ T. C. Carter, Commissioner of Precinct Number 1

/s/ W. W. Trainham, Commissioner of Precinct Number 2

/s/ J. B. Eubank, Jr., Commissioner of Precinct Number 3

/s/ George Nix, Commissioner of Precinct Number 4

THE ABOVE AND FOREGOING notice is issued and given by me pursuant to authority conferred by the above and foregoing order of the Commissioners' Court of Knox County, Texas, and I HEREBY CERTIFY that the above and foregoing is a full, true and correct copy of the order of said Court ordering such bond election and also the Minutes pertaining to the passage thereof.

WITNESS MY HAND AND THE SEAL OF THE COMMISSIONERS' COURT OF KNOX COUNTY, hereto affixed, this the 19th day of January, 1959.

Zena H. Waldron, County Clerk and Ex-Officio Clerk of the Commissioners' Court of Knox County, Texas (Com. Crt. Seal) 27-2c

OUR CHANGING AGRICULTURE

by Wayne Clift, Teacher of Vocational Agriculture Goree High School

Vocational Agriculture And Business Training

The ability to manage one's business well is desired by everyone. But how does one learn the art of management?

This ability, like many others, can only be learned through experience. This important fact is realized and provided for in the vocational agriculture program at Goree High School.

Vocational agriculture students are afforded opportunities to learn business management in dealing with individual and FFA projects.

The individual projects of students consist of crop and livestock projects and are usually referred to as the students supervised farming program. Each student is required to have one before he is allowed to take vocational agriculture. Growing these projects and keeping records on them provides students with very valuable experience in business management.

Students learn about the economic laws involved in buying and selling commodities. Too, they learn how to manage their land, labor, and capital in order to make the maximum amount of profit.

Last year the value of crops and livestock produced by the 20 vocational agriculture students

at Goree High School was \$600.00. Producing products valued at this much requires the use of good managerial abilities.

Such managerial abilities not only are beneficial to students at the present time but such abilities will be of value when the student finishes high school and enters business for himself.

These managerial abilities, even though learned in relation to farming activities, will be valuable to the person who enters an occupation related to farming.

Next week Mr. Clift will discuss "Farm Mechanics in Vocational Agriculture."

Deer Bagged By Third Of Hunters On Public Areas

Approximately one-third of the hunters who received permits to shoot on management areas of the Game and Fish Commission during the season just closed killed their deer. This is contained in a report of the director of wildlife management.

Best kill of the season was reported on the Kerr Wildlife Management area, where there was a 59.70 per cent kill by 201 hunters who bagged 120 deer.

More than 4000 persons had applied for permit, but only 250 were issued, after their names had been pulled in a public drawing.

The Sierra Diablo area, in far west Texas, produced a 50 per cent kill for 66 hunters who got 33 deer. There were 504 applicants for the 80 permits on this area.

On the Black Gap area there were 123 deer killed by the 313 hunters, for a 42.49 per cent success. A total of 401 permits were granted for this hunt.

The Engeling area in East Texas produced 55 deer for 209 hunters reporting, giving the area a 26.31 success.

There were only 10 deer killed on the Angelina area, where 323 hunters reported out of 551 names drawn. The success here was only 3.9 per cent.

In totals there were 351 deer killed, or approximately half those marked for kill when the hunts were set up. This amounted to 31.56 per cent kill for the 1112 hunters reporting. Of the kill there were 176 bucks and 175 antlerless. There were also 24 javelina killed during the season.

ARRIVES IN GERMANY

News Flash — Frankfurt, Germany, January 28, 1959. Andrew William Mullin made his arrival, everyone is fine. And this is all grandmother and grandfather Clyde Nelson know about their new grandson. Mrs. Nelson thinks maybe the daddy was so excited that he didn't think to say how much he weighed in the telegram. Mrs. Mullin is the former Ann Nelson.

A HAYNIE BOY!

Won't anybody believe me when I tell them it was a boy, guess they thought it couldn't be done, so said Gene Roland Haynie Monday when telling of the arrival of their son, David Andrew, David made his arrival at 3:33 a. m. Monday, January 26, 1959. He weighed 7 pounds and 4 ounces. His two older sisters, Pam and Cindy, are all agog over a brother and can hardly wait for their mother to bring him home from the Knox County Hospital. His grandparents are Mr. and Mrs. B. O. Norvill and Mr. and Mrs. Charlie Haynie, Sr.

Visiting Mrs. W. A. Floyd and Earl last week end were Mrs. Ruby Senn of Fort Worth, Mr.

and Mrs. Gordon Swaner of Arlington, Mrs. Edward Swanner, W. J. and Annette, Knox City; Mrs. Annie Floyd, Wayland and Harold, Mr. and Mrs. Joe Lynn Phillips and Chris, Munday, and Mr. and Mrs. J. G. Swaner of Wichita Falls.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Phyllip Struck of Odessa are announcing the arrival of a son, born January 14, on his big sister's 2nd birthday. Grandparents are Mr. and Mrs. Leroy Brooks of Goree and Mr. and Mrs. Aubrey Struck of Weatherford. Great grandparents are Mr. and Mrs. A. A. Brooks of Goree and Mrs. Little of Stamford. The little boy has been named Ricky Lee.

JOHN A. SMITH

ASSESSOR - COLLECTOR, KNOX COUNTY

Press Release

ELECTION CALLED—SATURDAY, FEBRUARY 7TH
\$55,000 COURTHOUSE IMPROVEMENT BONDS

No Increase In Tax Rate

The Commissioners Court of Knox County last November employed a well known firm of Fort Worth architects to make a careful examination of the present condition of the Courthouse. Their report of this survey states that when the building was erected, it was a first class building, well built and designed, however, over the years much damage has taken place and deterioration has set up principally due to weather, water leakage, freezing and ravages of time.

According to the architects estimate the cost will be approximately \$55,000.00 to correct the defective conditions now existing and to put the building in first class condition; so in order to conserve our investment in the Courthouse, an election on the authority to issue that amount of bonds will be up to the qualified voters in a bond election Saturday, February 7th.

Many questions will be asked with probably some inaccurate answers so we set out below important questions with correct answers.

- QUESTION—When was our Courthouse built?
ANSWER—Completed in the year of 1934.
- QUESTION—How much did it cost?
ANSWER—\$93,300.00
- QUESTION—How much would it cost if built at present day prices?
ANSWER—According to architects estimate about \$350,000.00
- QUESTION—How many bonds do we owe on our Courthouse?
ANSWER—NONE - All have been paid.
- QUESTION—How much will my tax rate be increased to pay these \$55,000.00 of bonds?
ANSWER—NONE - Your tax rate for Courthouse, Hospital and Jail purposes will remain the same as heretofore.
- QUESTION—Why will my tax rate for the above purposes be the same?
ANSWER—Because all the Courthouse Bonds have been paid and because of the excellent financial condition of the Hospital and Jail Bond Sinking Fund set up to pay that debt.
- QUESTION—When will all of the Hospital Bonds be paid?
ANSWER—March 1, 1966 - Seven years.
- QUESTION—When will all of the Jail Bonds be paid?
ANSWER—February 15, 1974 - Fifteen years.
- QUESTION—When will all of the proposed Courthouse Bonds be paid?
ANSWER—March 1, 1970 - Eleven years.
- QUESTION—What tax rate is levied for Courthouse, Hospital and Jail purposes?
ANSWER—25c - The statutory tax for permanent improvements.
- QUESTION—Would my tax rate for permanent improvements be reduced if this election should be defeated?
ANSWER—NO - Because this tax money must be used for temporary repairs and upkeep each year which will not solve the immediate need to prevent further deterioration of our Courthouse.
- QUESTION—Who can vote in this election?
ANSWER—Qualified electors who have personal or real estate property on the County's tax roll and hold a 1958 Knox County poll tax receipt or are exempt from paying for same because of age.
- QUESTION—When is the election?
ANSWER—Saturday, February 7th.
- QUESTION—Where do I vote?
ANSWER—At the same place you vote in General Elections.
- QUESTION—It apparently is good business to protect my investment in our courthouse without any increase in my tax rate. Is this correct?
ANSWER—YES - PROTECT YOUR INVESTMENT - NO INCREASE IN TAX RATE -

STOCKMEN ALERTED ON SCREWORM FLY

Screwworm flies have been found in isolated areas of the South recently and stockmen are urged to report promptly any attacks of this pest on their animals. A quick report to the county agent, accompanied by a specimen could help officials bring the fly under control.

State and federal officials are conducting a campaign to eradicate screwworms from the entire Southwest. The program is based on the fact that when a female screwworm fly mates with a sterile male she produces only infertile eggs. Flies are sterilized by radioactive cobalt, a product of atomic-energy research. Continued release of sterile flies in an infested area eventually eradicates the species.

SCHOOL LUNCH PROGRAM IN 1959

Texas is due to receive its share of the more than \$200 million in federal funds allotted for the school lunch program this year. Federal authorities have apportioned \$93 million to the states as a contribution to the operation of school lunch programs, another \$50 is available for actual purchases of lunch foods and commodities valued at about \$75 million are included.

Last year, two billion lunches were served to about 12 million school children — or 30 percent of the total school enrollment. Nearly 60,000 of the nation's

schools participated in the program.

Most of the food is purchased from local producers and suppliers. Much of the rest comes from government surplus items.

FARM PRODUCTION COSTS

Prices paid by the nation's farmers have increased approximately 2 1/4 times since 1935-39, according to the Agricultural Research Service, wage rates have risen nearly 5 times and are still advancing; prices for power and machinery have more than doubled. On the other hand, prices of fertilizer have leveled off at about 50% above those of the 1935 period and prices paid for feed, although nearly twice as high have declined during the past several years.

Looking ahead to the 1959 season, prices paid for goods and services used in production and cost per unit of production probably will be somewhat above the levels of last year. Wage rates to hired labor and prices for non-farm goods and services used in production also are expected to average higher. With normal weather and current production also are expected to average

Knox Prairie Philosopher Says Average Driver Can't Use Enough Gas To Pay For An 8-Lane Highway

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek must be a little tax-conscious, his letter this week indicates.

Dear editor:
I was sitting by the fire the other night flipping through a magazine when I ran into an article saying the United States government is looking for inventors, and it went ahead and listed a long string of things this country needs to have invented.

Now I never have invented anything, outside of a few excuses, but I've had a lot of experience trying to keep other people's inventions running, and that impressed me by that list was what it left out. It left out what looks like the Federal government itself ought to be the first to think of and put at the head of the list.

What this country needs, over

and above all other gadgets and labor-saving devices and handier hydrogen bombs, is a new source of tax revenue.

It doesn't make any difference whether it's President Eisenhower in Washington, Governor Daniel in Austin, or the governor of any other state, including Alaska, and the mayors of most cities and towns, everybody is looking for a new source of tax revenue.

Right now, everybody seems to be in a rut, and about all anybody can think of is to put a new tax on cars and gasoline. Any time any official has to wrestle with the problem of finding new revenue to balance a budget, he generally comes up with the idea of raising the tax on gasoline.

This makes sense, in one way, as most people will give up nearly everything, including groceries and clothes, before they'll stop driving their car.

But I'm afraid they can go too far in this direction. Of course their argument is that we're building 30 billion dollars worth

of new highways across the nation, not counting all the side roads and local highways, and the best way to pay for them is to tax the users.

Well, I'll tell you You can tax a driver to pay for a simple highway, one he uses every few days, and it makes sense, the user ought to pay, but it's going to be mighty hard to tax a man going one way for three more lanes going in the same direction and four more going in the other. The average man just can't use enough gasoline to pay for an eight-lane highway, unless they make cars that burn eight times as much gas, and I think they're working on that too.

The problem is too big for me, but if a man wants to go down in history two notches ahead of Thomas Edison, Alexander Graham Bell, Robert Fulton, and the Wright Brothers, let him invent

a new source of tax revenue. And I think he'd better hurry. Yours faithfully, J. A.

United Fund's Officers Named

The board of directors for the newly organized United Fund for Munday was announced this week by Travis Lee, who was named by the Munday Chamber of Commerce to complete the organization. They are as follows:

Charles Baker, Goodson, Sellers, Charles McCauley, Rev. G. N. Allison, Charles Hogsett, Harold Paden, and Mmes. O. O. Putnam, Hugh Beatty and John Peysen.

Chairmen for the drive are: Mrs. John Peysen, drive chairman; Travis Lee, budget, and Harold Paden, publicity.

The United Fund drive will cover contributions to the various drives, such as: March of Dimes, Heart fund, Cancer fund, Blue Birds, Red Cross, Library, etc., combining all drives into one.

The Salvation Army drive was completed last fall and will not be included in the present drive, but will be included in the 1960 drive which will likely be held in October.

The present United Fund drive is scheduled for the week of February 9-14.

Chemical Brush Control Discussed In A&M Leaflets

Chemical brush control is dealt with extensively in three leaflets published by the Texas Agricultural Extension Service.

They are L-413, "Brush Control with Ammate," L-414, "Brush Control with 2,4,5-T" and L-415, "Chemical Brush Control." Authors are G. O. Hoffman and B. J.

Ragsdale, extension range specialists.

Each leaflet contains a chart giving instructions and information about the particular chemical it deals with. The charts explain the kind of brush, size of brush, method of application, chemical mixture, season of application and kind of equipment needed. Diagrams are included in addition to detailed instructions on how to make cuts and the amount of chemical solution to apply.

These leaflets are available free of charge from local county agents or the Agricultural Information Office, College Station, Texas.

Tax-Man Sam Sez:

How to determine the number of income tax exemptions you get shouldn't be too much of a problem for most taxpayers. However, more people get tangled up with the Internal Revenue Service in an audit of their tax return over dependents than any other item.

The law is liberal on allowing exemptions for children attending schools even though they may have earned enough income to file a return on their own. The taxpayer must make sure that each dependent meets the requirements spelled out in the tax instructions.

It pays to carefully study your tax instructions on dependents. You may find you are entitled to some extra \$600 exemptions by reading these instructions. On the other hand you may find that you are not entitled to an exemption and save yourself an audit by Internal Revenue.

Mr. and Mrs. Edward Smith and Mr. and Mrs. Clarence Booe visited Mr. and Mrs. Lee Bowden in Lubbock last Sunday.

Mrs. W. B. Neill and daughter, Mrs. Gunn and children, left last Tuesday for New Orleans, La., to send the Gunn car to Germany. Mrs. Gunn and children will join her husband, who is stationed with the U. S. Army in Germany. They plan to leave next Saturday.

Mrs. Claude Hill visited her son and family, Mr. and Mrs. Claude Larry Hill and Gary, in Lubbock last week. They brought Mrs. Hill home and visited here over the week end.

Miss Gayle Littlefield of Kilgore Junior College spent the midterm semester holidays with her parents, Mr. and Mrs. E. B. Littlefield.

TITLE A PREREQUISITE TO REGISTRATION

The "Texas Title Act," which became effective on October 1, 1939, provides, with named exceptions, that a certificate of title is a prerequisite to registration of motor vehicles. Section 63 (b) reads as follows:

(b) The department or any agent thereof shall not after the 1st of January, 1942, register or renew the registration of any motor vehicle, unless and until the owner thereof shall make application for and be granted an official certificate of title for such vehicle or present satisfactory evidence that a certificate of title for such vehicle has been previously issued to such owner by the Department. Provided, however, this shall not apply to automobiles which were purchased new prior to January 1, 1936."
