It was reported that a good number was on hand to help out during the first work night. This is greatly appreciated by league officials, and it is hoped that this support and cooperation will continue throughout the season.

Speech II Class Presents Plays For High School and Junior High

The first play, an up-dating of Charles Kennedy's "The Terrible Meek," presented American soldiers in Viet Nam just after a political execution. One of the three men dying before the firing squad had claimed to be the son of God. In a soul-searching episode, the captain tries to find forgiveness for his part in the murder and a new life in the Way taught by this "foreign" brother. The cast of this classic Easter play included Terry Blanks as the Captain, Robbie Tucker as the Soldier, and Brenda Eager as the Mother.

The second play, "Box and Cox," is a famous farce which has been entertaining audiences for 85 years. A production was given eight years ago as the State U.I.L. winner from Clyde. Tuesday's cast in this zany romp featured John Bonine as Mr. Cox, Don Henry as Mr. Box, and Paula Dugan as Mrs. Bouncer.

An enterprising lady rents her spare room to two men who are unaware of her deception. Mr. Cox, a hatter, occupies the room in the evening; Mr. Box, a printer working by night, occupies the room only in daytime; so Mrs. Bouncer is getting double rent for her room. The "jig" is up for Mrs. Bouncer when Cox unexpectedly receives a holiday. The men discover their co-habitation of the same room and their engagement to marry the same woman, a domineering widow. As with all farces, everything is resolved to the complete satisfaction of all -- including the audience.

holds three degrees from Texas A&M, and is a member of the graduate faculty at Colorado State University. He is responsible for the Texas Community Improvement Program, which is sponsored by electric utility companies and conducted by the Texas Agricultural Extension Service.

Directors heading the chamber, along with Manager Claude Holley: Helen Brown, Walter Bryan, Katie Burleson, Roger Corn, A. V. Curtis, Howard Farmer, Felix Manion, Viva Peek, James Snyder, John Towler, Steve Warren, G. W. Weeks, Terrell Williams, Harvey Womack and R. C. Wristen. All have worked closely with Mr. Holley in making banquet preparations. Retiring directors are Jon E. Hardwick and Don Franke.

Tickets have been available for purchase, and may still be obtained from any director of the Chamber, or at the Chamber office. In purchasing a ticket, you will be supporting the project of the Band Parents, who have been working hard in preparing for the banquet as their project this year. Funds will go toward the balance on band uniforms purchased in the past. Your support will be greatly appreciated by the Band Parents and the Chamber of Commerce.

The 1972 Directors would like to express their appreciation to Manager Claude Holley, along with past Presidents, Directors and members for the outstanding job that has been accomplished for Baird and surrounding areas.

This is the 12th annual banquet, and this will make the 9th year for Mr. Holley. He has made the Chamber what it is today, with his sincere and honest attitude and his work toward the best interest of this town. Mr. Holley will complete his 9th year as Manager June 10, 1972. During the time he has been associated with Baird, he has served as secretary of the Lions Club for seven years, former president of Baird United Fund, former president of Callahan County Luncheon Club, and Callahan County Sheriff's Posse.

Mr. Holley is to be commended for his work with HUD, Housing & Urban Development, in ground work, back-ground and building of the housing projects here in the city. He is presently Vice President of the Texas Chapter of the National Association of Housing Development Officials, and on the Executive Board of Directors of Central Texas Opportunities.

During his nine years here Mr. Holley recalled the meeting of the Chamber Board of Directors in laying a strong foundation for a recreation center, to be built near Baird, later seeing this facility become a reality and named Shady Oaks Recreation Assn., Inc. Mr. Holley announced his support of the new development that will someday become an addition to North Baird, and has done much and will continue to work hard for the completion of this much-needed facility for the city, in businesses and residences.

Many good times have been seen as we follow along behind this man who has done more than his share for this city. Claude Holley enjoys what he is doing and takes no credit for his past success. He is a great promoter and likes to get to the head of any problem and proceed forward - this is one of the reasons he has succeeded in so many projects. As Editor of this newspaper I would like to say, "For you loyal, unselfish and dedicated service to this community, Thank You, Claude Holley."

Putnam School Board Election Saturday; City Election Tuesday

Mr. Robert Lindsey accompanied the junior and senior classes to Fort Worth last Tuesday where they attended an American Citizenship Forum at the Convention Center.

Moran girls came over last weekend and competed with Putnam High School girls in several track events. Our girls came away with one or two 1st place ribbons, but the majority was won by Moran.

Junior high boys and girls participated in a track meet Monday afternoon at Cross Plains. Friday, high school boys and girls go to Strawn for a track meet.

Easter holidays begin Friday and school will re-convene on Tuesday, April 4.

There is to be a school board election on Saturday. The election will be held downtown at the City Office. Be sure and vote.

The City Election will be held on Tuesday, April 4. The City will be electing a mayor and two aldermen.

The Women's Study Club met Monday afternoon at the school building. Mr. Homer Taylor, of Texas State Technical Institute, of Sweetwater, was guest

speaker. Mr. Taylor first showed a film then gave an informative talk about TSTI. In addition to club members, the meeting was attended by the 9th through 12th grades and high school teachers. After answering questions, the meeting was adjourned and refreshments served to club members, high school students and teachers.

Mrs. Bill Everett of Irving was here over the weekend to visit her mother, Mrs. Fred Cook. While here she helped Mrs. Cook move to the rest home in Baird. Mrs. Cook is in Room K, if you care to go visit her.

Mr. Bill Shaner, Mr. Lanville Gilbert and Mr. Cecil Rutherford of Austin, and Mr. and Mrs. F. P. Smith of Ft. Worth were weekend visitors with Mr. and Mrs. Earl Rutherford.

Visiting Mr. and Mrs. R. B. Taylor through the week and during the weekend were Mr. and Mrs. Eli Jewel of Chester, Nebraska, Mr. Butts Olden of Grand Oaks, Michigan, Mr. and Mrs. Joe Kunze and Mr. and Mrs. Randy Kunze of Ft. Worth, Mrs. Hap Sprawls and Mr. Jobie Jobe.

Mr. and Mrs. Donald Bowne of Dallas spent the weekend with Mrs. H. A. Pruet. Also visiting Mrs. Pruet Sunday were Mr. and Mrs. Byron Yeager of Brownwood.

Mr. Arnold Pruet spent several days last week with his father, Mr. J. E. Pruet.

Mrs. Bill McGregor of Abilene visited Sunday with Mr. and Mrs. I. G. Mobley.

Mr. and Mrs. Hubert Donaway and family of Odessa spent last weekend with his parents, Mr. and Mrs. Vernon Donaway. Mrs. R. C. Speegle visited last week in the Dan Horn Community with her sister, Mrs. Billy Dodson.

John D. Isenhower received a nice shower Sunday afternoon; a shower of sparks from some electric lines that set his pasture on fire, with the extremely high winds. The only thing that kept the world from burning up was county roads and Farm-to-Market highways. As usual, a large number of Putnam citizens aided in extinguishing the flames.

Mr. John Ivie of Pecos returned home Sunday after spending the week with his parents, Mr. and Mrs. Clint Ivie.

The snow has finally begun to melt on Putnam Peak. People traveling in that area should be on the alert for slides.

Mr. Bill Leach of Ft. Worth has been awarded the Putnam Flea Market honest citizen award. Mr. Leach arrived at the Flea Market before it was opened Sunday and discovered that a shovel had been left outside at closing time the day before. He placed what he thought was the proper value on the shovel in an envelope with his name and address and instructions on

how to contact him if not enough money and shoved the envelope under the door. It is nice to know there are still people like Mr. Leach left in the world and that most all honest people eventually find their way to Putnam.

Mr. Warren Donaway is spending his Easter holidays with his parents, Mr. and Mrs. Vernon Donaway. He also spent several days visiting in Odessa, and while there attended the wedding of his cousin.

Mr. and Mrs. Clint Ivie had their grandchildren of Valley Mills visiting them last week. Mr. Homer Taylor brought a

group of Boy Scouts from Sweetwater to camp on his father's place over the weekend. The boys had several experiences to remember. They killed a rattlesnake in camp that night, then cooked and ate it. Then the next day, one of the smaller boys caught a 9 lb bass. Some weekend, wasn't it.

R. L. Bigsby, Putnam City Marshal, warns that if people are going to smoke in bed, they should consider one of the newly advertised water beds.

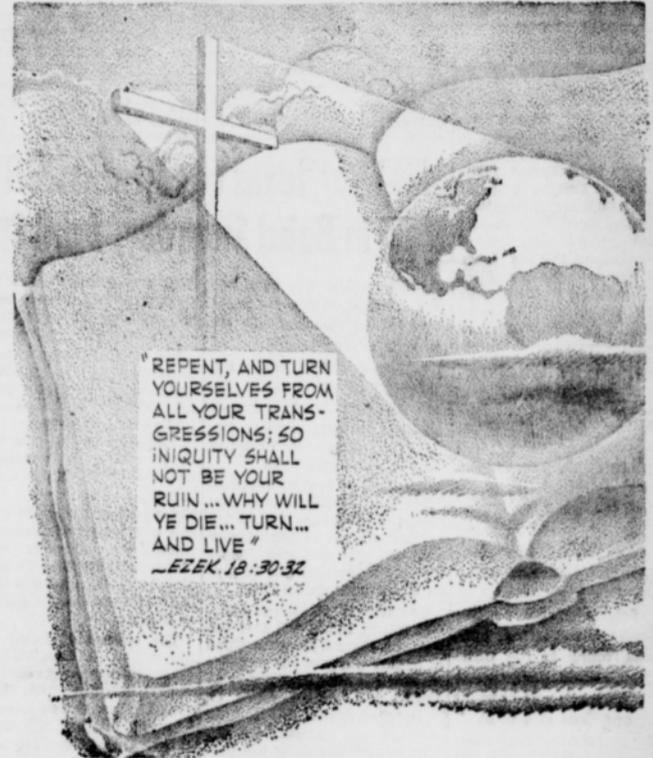

BAIRD — Mr. and Mrs. E. P. Whitaker attended the wedding of their grandson, Gary Wilcox in Dallas Saturday. They also visited their daughters and families, Mr. and Mrs. Burl Ray and Mrs. Juanita Wilcox.

Does your hot shower end in the middle of your hot shower?

And, as if that isn't bad enough, you've got three kids and a very irate wife prepared to tar and feather you for using up their hot water.
 Maybe it's time to move up to a larger gas water heater. Gas water heaters are easy to buy. Easy to install. And they recover hot water up to twice as fast as electric water heaters.
 Make the decision. You'll stop getting into hot water with your family, and start getting into hot water with your shower.
