Odd Bits Salvaged
By The Editor

He was the type of fellow who inspired happiness and good will, fun and laughter.

k-k

If, by chance, you were sorta down in the dumps and felt kinda crossways with the world, if he should come in on one of his pop calls you were feeling better and laughing when he departed.

k-k

He made inspiring pop calls to our office frequently when serving as county agent of Knox County. More than that—he and his wife would come and spend the day with us—and we with them. It was a good tonic to be around him.

k-k

So it was a shock to us, and a feeling of deep personal loss, to learn at noon Sunday of the death of R. O. Dunkle of Graham. Although he had retired as county agent, he still went about cementing friendships.

k-k

We had known the Dunkles for more than 30 years. Mrs. Edgar has known them still longer. Before their marriage, Mrs. Dunkle taught school in Gray County and had boarded with Mrs. Edgar's parents. We felt impelled to pay a visit to the Dunkle home Sunday afternoon after learning of his passing. They were almost kinfolks to us. They were nearly kin, too, to Mrs. Ray Holcomb, who accompanied us to Graham, because their son, Glen, married Mrs. Holcomb's niece, Sue Moorhouse of Benjamin.

k-k

Dunkle usually called on us once or twice a year after moving to Graham. We shall miss him and his visits. He was a good county agent, a good Christian man, a very dear friend.

k-k

Friday of this week, you will be privileged to spend "the most important five minutes you can spend."

k-k

That's when the bloodmobile will be in Munday, and it actually takes about five minutes to make a donation of blood to this important cause—that is if you can step right in and be taken in without a waiting period.

k-k

Blood is urgently needed, yours is needed. Every year medical science discovers new applications for blood in the fight against injury and disease. The need is constantly increasing, and the only source for blood is donations by people like you.

k-k

Blood given to the bloodmobile while in Munday goes to the credit of Knox County. Although your own blood might be used to save a life in some far-away place, our county will still have it to its credit to be used locally when needed.

k-k

Giving to the bloodmobile eliminates the necessity of going to Wichita Falls or any other place to give blood to a sick friend. A local person in a hospital in Dallas or Galveston may have blood from Knox County's supply in the Red Cross blood bank in Wichita Falls. It will be there for our use when needed.

k-k

This project is one of the many worthy ones to which the late Dr. D. C. Eiland devoted much of his time and energy. It was largely through his efforts that Knox County has been organized for this important endeavor, and he was looking forward to the bloodmobile's visit to Munday.

k-k

Many have paid tribute to this good doctor since his passing less than two weeks ago. You can pay him a further tribute—and one which he would have appreciated most of all in life—by giving just one pint of blood to this humane cause.

k-k

The bloodmobile will be at the First Baptist Church in Munday from 12-noon until 6 p.m. Friday. There will be receptionists, doctors and trained nurses on hand to assist and no one will be privileged to give blood unless they pass the required tests. Remember, too, it is advisable not to eat for four hours prior to making a donation.

k-k

This is a most worthy cause, and it is hoped that many people in the area will "answer the call."

Your hometown merchant is your friend. Patronize him first!

Bloodmobile Will Visit Here On Friday

Five Candidates To Run For Post In U. S. Congress

Within a short time after Rep. Frank Ikard of Wichita Falls submitted his resignation to Gov. Price Daniel as congressman from the 13th Congressional District on November 8, five candidates for his vacated post—four Democrats and one Republican were campaigning for the post.

The five included Democrats Graham B. Purcell, Jr., 89th District Court Judge from Wichita Falls; Vernon Stewart, state representative from Wichita Falls; Jack Hightower of Vernon, district attorney from Wilbarger County, and James P. Horany, Archer City lawyer and businessman.

The lone Republican to announce his bid for the post is Joe Bailey Meissner, Jr., Wichita Falls businessman and former city councilman.

Although Mr. Ikard's resignation

Bids Sought On New Post Office

The Post Office Department is seeking competitive bids to build and lease the new post office at Munday, Texas, Postmaster General J. Edward Day announced today.

Under the Department's Lease Construction Program, the site selected at the northeast corner of intersection of "G" Street and Ninth Street will be assigned to the successful bidder, who will purchase the property, construct the building according to departmental specifications and lease it to the Post Office Department for a basic period of ten years, with four five-year renewal options.

The Department's capital investment will be limited substantially to postal equipment. The building will remain under private ownership with the owner paying local real estate taxes. Postal space in the present unit will be made available for other purposes.

Bidding documents will be available and may be obtained from Mr. V. E. Bell, Regional Real Estate Officer, Room 200, Post Office Building, Lubbock, Texas. The Real Estate Officer will supply bidding forms, building specifications, lease provisions and other information. Bids must be submitted to the Real Estate Officer by 2:00 P.M. January 17, 1962.

Kids' Parade To Open Christmas Shopping Season

A kiddies' parade with decorated bicycles, tricycles, kiddie wagons, wheelbarrows, doll buggies, dogs or other pets will officially open the Christmas shopping season in Munday.

The parade will be held at 2:30 p.m., and children with their decorative ideas will parade the downtown streets.

Local merchants, working with the Munday Chamber of Commerce are offering prizes of \$15 for first place, \$10 for second and \$5 for third, for the most original entries. Just dec-

Local F. F. A Teams Place In Contest

The Oilbelt District leadership contest was held in Olney on Saturday, November 11. The Munday chapter had two teams entered in the contest, a radio team and a junior chapter conducting team.

The radio team consisting of three members, Dewey Myers, Leon Looney and Ricky Couch, won fourth place out of eight teams.

The junior conducting team consisted of seven members, Dowell Matthews, James Welch, Skip Lane, Jimmy Duncan, Jimmy Garden, Travis Floyd and Gary Latham. The team won sixth out of ten places.

The teams were accompanied by their advisor, Tom Alvis.

tion had been expected for about a month, the announcement saying it had been submitted to Gov. Daniel on Wednesday afternoon caught most political observers by surprise. His resignation becomes effective on December 15.

Gov. Daniel immediately set the following day, December 16, as the date for a special election to fill the post.

Under a new state election law which goes into effect later this month, the two top candidates in such an election will face each other in a runoff.

Ikard is resigning to accept a post with the American Petroleum Institute as its executive vice president. He will live in Washington, D. C., and his duties will center largely around legislation and public relations on behalf of API—the world's largest group of oil and gas producers.

Ikard was elected to his seat on September 8, 1951, in a special election to fill the unexpired term of Ed Gossett, who also resigned.

First to send his announcement to The Munday Times was Jack Hightower of Vernon, who stated some two months ago he would run. His was followed closely by the announcement of Judge Graham Purcell.

Munday Moguls Win Second Place In District By 28-0 Win Last Friday

With Douglas McGrady leading the way with two touchdowns, the Munday Moguls secured second place in District 11-A football last Friday night by a decisive 28 to 0 win over the Archer City Wildcats on the local field. This game closed the 1961 season for the Moguls.

Playing before a "Dads' Night" crowd, the Moguls closed out their best season since 1946 with a 5-1 district record and a 7-3 season record.

It was Munday's game from the opening whistle, as Archer City never got inside the Mogul 20 yard line. The Wildcats were able to rush for only 18 yards in the first half. Munday rushed for 219 yards in the game and stymied the Wildcats offense for 74 yards on the ground and 69 in the air. The Moguls recovered one Archer City fumble and turned it into a touchdown.

Amerson Gets Big "Spot" With Eagles

Glenn Amerson has taken over Tom Brookshier's right wing-back position for the Philadelphia Eagles for the rest of the season, and his first game was with the Giants last Sunday. "Brookie" is out of the Eagles' lineup because of injuries.

Amerson is not completely green at the wingback spot, even though he was the deep three-back in Texas Tech. He and fellow rookie Irv Cross played the entire game at wingbacks against the Cards when Brookshier and Jimmy Carr were sidelined and Glen later played out the last quarter against the Steelers in Brookshier's spot.

Glen says he knows he has a tough campaign ahead of him and stated "There's not gonna be anybody can fill Brookie's shoes but I hope I can make him proud of me as his pupil."

Former County Agent Dies At Home In Graham

Funeral services were held at 2:30 p.m. Monday from the First Methodist Church in Graham for R. O. Dunkle, 65, retired county agricultural agent, who died Saturday night at his home in Graham. He suffered a heart attack.

Services were conducted by Rev. Bruce Weaver, and burial was in Pioneer Cemetery at Graham.

Dunkle moved to Graham from Benjamin in 1946, and retired as Young County agent several years ago. A native of Colorado, he was a member of the Methodist Church, Graham Masonic Lodge, and a veteran of World War I. He had served as county agent in Gray, Deaf Smith, Throckmorton, King, Knox and Young Counties.

He is survived by his wife, Mrs. Marjorie Dunkle of Graham; one son, Glen Dunkle of Dallas; two sisters, Mrs. Ed Blaine of Fort Worth and Mrs. Sam Goings of Colorado Springs, Colo.

Walter Patton, Area Pioneer Dies Tuesday

Walter Patton, 87, who was reported to have lived in Haskell County longer than any other living person, passed away at 12:45 p.m. Tuesday in a Wichita Falls hospital where he had been a patient for four weeks.

Born September 18, 1874, in Hill County, he moved to Throckmorton County in 1882, and then to Haskell County. He married Dora Phillips on June 7, 1903, and had lived on his present farm seven miles east of Weinert since 1930.

Mr. and Mrs. Patton did much of their business in Munday, and he was well known to local people.

He is survived by his wife; one daughter, Mrs. Ted Arnold of Mansfield; two sons, Jack Patton of Ralls and Floyd Patton of Weinert; a brother, T. D. Patton of El Paso; his step-mother, Mrs. Bada Patton of Seymour; a half-sister, Mrs. Johnny Quisenberry of Seymour, eight grandchildren and five great-grandchildren.

TURKEY DINNER FRIDAY

The Gorie Cemetery Association will be serving Thanksgiving dinner on Friday, November 17, in the memorial building. Serving begins at 11:30 a.m. Come for a good feed.

UNDERGOES SURGERY

Mrs. M. H. Dean underwent major surgery at noon Tuesday in the Bethania Hospital in Wichita Falls. The surgeon was Dr. Reagan. Her condition appears to be as well as could be expected. Mr. Dean was with her for surgery. Her room number is 411.

Wichita Falls Man Open Gulf Service Station In Goree

Mr. and Mrs. Macon Johns and their three children, formerly of Wichita Falls, have moved to Goree and Mr. Johns has opened the Gulf Service Station there.

Mr. Johns is experienced in this type of work, and he assures the people he will give them every service offered by a modern service station. He solicits the patronage of motorists and assures them their business will be appreciated.

Dr. David Eiland To Practice Here

Dr. David Chase Eiland, Jr., son of the late Dr. D. C. Eiland, is returning to Munday and is taking up the medical practice of his father, it was stated this week.

Dr. Eiland went to Little Rock, Ark., this week after his household effects. He has purchased the Joe Voss home in Munday, where he and Mrs. Eiland and their three children, Diana Kay, David Chase III, and James Allen, will make their home.

Dr. Eiland is interrupting his internship at University Hospital in Little Rock in order to fill the vacancy left by the death of his father. He will continue to be associated with Dr. C. G. Markward in the local office, as well as with Dr. T. S. Edwards and Dr. T. P. Frizzell at the Knox City Clinic.

During the time he was in medical school and during his internship, Dr. Eiland had been associated with his father in the Munday office on vacation periods.

Munday School Is Accredited

The Munday Independent School was visited by accreditation teams in April, 1959, March 1960, and April, 1961. Following these visits, school officials were warned of conditions that did not meet accreditation standards.

After the visit in April, 1961, the committee reported the standards were so nearly met that a progress report would be requested of the school early in the 1961-62 school year. This report was submitted to the agency in September, 1961.

In a letter to Supt. Willis Apple on November 10, K. C. Clover, consultant, stated in part, "The report was accepted and as a result we plan to recommend to the State Commission on School Accreditation that your school be considered as fully accredited. You will receive an official letter to this effect at a later date."

posing counsel in the case in District Court at Haskell.

The suit, styled J. E. Walling Jr. et al vs. North-Central Texas Municipal Water Authority, has been in court more than a year and has been to the State Supreme Court and back.

In arguments before Judge Williams today, Ed E. King of Abilene, attorney for the plaintiff, charged that the act of the Legislature creating the water authority is unconstitutional because directors of the authority are appointed, instead of being elected.

Snyder Judge To Rule On Validity Of Water Authority After Several Weeks

Hudson Smart, Abilene, and Tom Bullington, Munday, counsel for the water authority, cited cases at law supporting validity of the act under an amendment to the state constitution adopted in 1917. Similar procedure has been followed in forming numerous water districts in the state, Smart told the court.

Also presenting oral arguments on the side of the water authority were Millard Parkhurst, Dallas bonding company attorney, and Robert Lewis, an assistant in the Attorney General's Department at Austin. Lewis told the court that validity of the legislative act had been passed on favorably by the attorney general.

At the conclusion of the hearing, which consumed about two hours, Judge Williams announced that counsel for both sides would be given 15 days in which to file written briefs. He then would announce his ruling after studying the briefs, he stated.

The long drawn out litigation has held up work on the Miller Creek municipal water project, which would supply water to Haskell, Rule, Munday and Goree.

Taxpayers in four towns have approved a \$3,800,000 bond issue and more than \$200,000 has been spent to date in initial phases of the project. Taxes also have been levied and collected for 1960 and for 1961 in all four towns.

Eiland Memorial Fund Is Growing

Interest in the Dr. D. C. Eiland memorial fund, sponsored locally by the Wesleyan Service Guild, has extended over a wide area with contributions being received not only over Knox County, but from friends over a wide area.

Guild members had talked of a project to secure needed equipment and Dr. Eiland had stated that breathing equipment headed his list of needed items at the Knox County Hospital. Upon his death, it was decided that a memorial fund would be started in his memory.

Response has been overwhelming, and early this week a total of \$1,080 had been received and deposited in the Dr. Eiland Memorial Fund. Still other contributions will be coming in.

The fund will be turned over to Dr. Eiland's family for the purchase of breathing equipment for both children and adults. This will be installed in the hospital and designated as a memorial to Dr. Eiland by his friends. If the fund exceeds the amount needed for this equipment, the remainder will be left at the discretion of the Eiland family for some other worthy project.

The sponsoring organization is high in its praise of the many friends who have made this fund possible.

Rhineland Slates Thanksgiving Feed

The public is cordially invited to Rhineland's annual Thanksgiving Social on November 19th in the Columbus Club Hall. Entertainment will begin at 3 p.m. and the supper at 5:45 will be served by the high school girls and their mothers.

This meal was planned by the mothers of high school students. Plates, which may be purchased for one dollar for adults and sixty cents for students, will be stacked with a variety of such delicious home-cooked dishes as turkey and dressing, ham, creamed potatoes, cranberries, congealed carrot salad, green beans and a choice of home-made pies and drinks.

SOCIAL SECURITY MAN TO BE HERE TUESDAY

A SEARCH THAT NEVER ENDS

All of us are familiar, to some extent, with the extraordinary progress made in medicine in the last generation or so, and with the dedicated efforts that are underway to open up new frontiers of knowledge, and to find the cures to yet unconquered ailments and killers.

And modern developments in fields which may seem totally dissociated from medicine have brought new problems to the medical fraternity—and have created a need for research and evaluation.

Take, for instance, the agenda of the American Medical Association's 15th Clinical Meeting, which is to be held in Denver at the end of November. Medical aspects of such American habits as the coffee break, the cocktail hour, auto driving and family pets will be discussed. Another section of the meeting will explore the use of electronics and computers in medicine. With increasing use of nuclear reactors, physicians may soon face the problem of treating injuries from radiation accidents, and this subject will be examined in a series of scientific papers. The virus will be the subject of another series of papers. And attention will be focused on heredity as it relates to human ills, and the knowledge gained by specialists in space medicine will be relayed to practicing physicians.

So it goes. The search for medical knowledge never ends—and the results of that eternal searching bring inestimable benefits to tens of millions of us.

TWENTY YEARS TO GO

The alumni president of a college fraternity recently said that certain obligations must be kept by those who believe in our way of life or it will "be completely swept aside by the mass movement of creeping apathy which is developing in our country." As a convincer, he added, "the average life of a democracy is 200 years, and there are only approximately 20 years left on our lease."

This gentleman was using the above remarks to inspire his fraternity brothers to take a greater interest in their organization by attending an alumni meeting. But his words could well have been addressed to the nation.

Public interest in individual opportunity and free enterprise must be maintained at the grassroots level, if we are to prevent loss of our liberties through apathy toward centralization of government.

REAL VACATIONING

Paul J. Cupp, president of the American Stores Company, writes: "There are some good citizens who raise objection to the vacations taken by our country's Presidents. The frequency, the duration, the publicity of these 'leaves' from work are objected to, often by well meaning people.

"The physical and mental strain under which men in high office work is something of which the average man has little knowledge. The opportunity to get away for recreation and rest is as important as the time spent at the desk.

"The need for vacation periods has been increasingly recognized by industry, both management and labor, and today it is an expected part of life. It is important, however, to recognize it as a need and not an opportunity for further wear and tear on our nervous systems. To endure excessive exposure to sun, or plant poisons, or suffer water accidents or automobile collision is not the purpose of a vacation. It is rather a time to rest the body, restore the soul, revive the spirit and renew the strength. To do this and enjoy it is real vacationing."

MALVERN, ARK., RECORD: "... The desire of bureaucrats in government to run businesses seems to continue unabated. The Department of Interior wants to build \$17 million worth of power lines between Cottonwood and Tracy, California. The Department has asked Congress for \$5 million to start. No doubt transmission lines are necessary. Proof is that lines are already there. Investor-owned companies erected them some time ago. The lines, moreover, have all the capacity that is needed. But the Interior Department wants its own duplicate lines."

NOGALES, ARIZ., HERALD: "... The states and local governments are in far better shape than the federal government. Most are operating under balanced budgets, many have surpluses, and few are bumping against their legal debt limits. This, as we are all unhappily aware, is not the case with the Federal Government. It's clear that the states and communities are in a better position to pay for what they need than is Uncle Sam."

"The risk in giving bureaucrats enough rope to hang themselves is that they'd try to put the government in the rope business!" Montana Power Company.

GOD WANTS US TO STUDY THE BIBLE

We are commanded to study in 2 Timothy 2:15. We must give heed to reading (1 Timothy 4:13) and if we have the desire we can understand the doctrine of God (John 7:17). As Israel was destroyed for lack of knowledge so shall man today. God will forget you as you forget Him. It is very sinful to be ignorant of the Bible and refuse to study!

There are certain characteristics that we must have in the study of the Bible to enlighten ourselves: We must love the truth; we must reverence it as the word of God; We must not corrupt it; We must not handle it deceitfully; We should above all lay aside all prejudice. With this attitude no man can fail to understand what God requires of him in this life.

FREE BIBLE CORRESPONDENCE COURSE

We would like to encourage you to study the Bible and for this reason we offer a free correspondence course to aid you in the study of God's word. Write today: CHURCH OF CHRIST—BOX 211—MUNDAY, TEXAS. GOD WANTS YOU TO STUDY THE BIBLE! Take advantage of this free offer and see for yourself that the Bible can be understood. Your salvation depends upon the WORD (John 6:63) and only the WORD gives understanding (Psa. 119:130).

Mrs. James Boger underwent major surgery at the Bethania Hospital in Wichita Falls last Tuesday morning. She is reported to be doing fair. Her room number is 423.

Munday H. D. Club In Recent Meeting

Mrs. Lola Cartwright entertained the Munday Home Demonstration Club at her home last Wednesday.

The meeting was opened by each member repeating the T. H. D. A. prayer. Roll call was answered by each one telling of "Improvement I Need to Make in My Sewing Center." Mrs. I. R. Cypert gave an interesting devotional on virtues of women found in Proverbs 31, also Mat. 14-15.

Mrs. Gill Wyatt read twelve things to remember, one for each month as follows: The Value of Time; The Success of Perseverance; The Pleasure of Working; The Dignity of Simplicity; The Worth of Character; The Influence of Example; The Power of Kindness; The Obligation of Duty; The Wisdom of Economy; The Virtue of Patience; The Improvement of Talent; The Joy of Organization. She also gave an interesting report from council November 3.

Mrs. A. L. Roden read a five verse poem "It Always Depends on the Thread you Use." Plans will be made at the next meeting for the Christmas party.

Refreshments were served to the following: Mmes. Grady Phillips, Claudia Rodgers, Gill Wyatt, Ralph Glass, A. L. Roden, Otis Simpson, I. R. Cypert and the hostess.

Baptist Circles Meet On Monday

The Dovie Taylor Circle and the Joan Watson Circle of the first Baptist Church met together Monday afternoon for mission study in the home of Mrs. M. H. Reeves.

The prayer calendar was read by Mrs. G. E. Rodgers and prayer was led by Mrs. Buck Tidwell, after which Mrs. Goodson Sellers gave the lesson from the book "Hands Across the Sea."

The closing prayer was led by Mrs. Victor Ortiz. Mrs. Otis Curry and Mrs. Weldon Owens were welcomed as new members in the Dovie Taylor Circle.

Refreshments were served at the close of the program to the seventeen present.

Garden Club Has Meeting Nov. 14th

The Knox City Garden Club met November 14 in the Woman's Club with 25 members and two guests present.

Mrs. B. B. Bowden gave a very interesting talk on how to grow good bulbs and Mrs. B. B. Campbell talked on peonies.

Guild Meeting Is Held On Monday

The Wesleyan Service Guild met at the fellowship hall of the First Methodist Church last Monday night with twenty-one members and one guest, Mrs. Annie Floyd, present. Mrs. J. T. Offutt was hostess.

Miss Merle Dingus, program director, led the program from the book "Edge of the Edge."

Plans were made to have the bazaar and bake sale to be held at Reid's Hardware on November 8.

President, Mrs. Oscar Spann, reported the Dr. Eiland Memorial Fund, sponsored by the Guild, had reached a total of \$1,081. The Guild as a whole expresses their gratitude for the response of the people to this worthy cause.

Baton Twirlers Of Munday Invited To Festival Nov. 25th

Baton twirlers in the Munday area are invited to attend the second annual Thanksgiving Festival to be Saturday, November 25, under sanction of the National Baton Twirling Association.

The new Iowa Park High School gymnasium has been selected by contest officials as the site for the event which last year hosted scores of baton twirlers from several states.

Directors of the event are Bonnie Baxter and Brenda Freeman of Wichita Falls.

Over 200 trophies and medals will be awarded to winners in events for all ages. Divisions include beginners, intermediates and advanced girls' solo, boys' solo, fancy and military trilling, two-baton, flag baton, trilling, duets, large and small teams, and junior and senior corps.

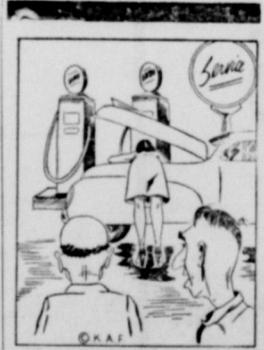

In addition to naming "Thanksgiving Sweethearts" and awarding special showmanship trophies, other new features, to be announced, are being planned for the 1961 Festival.

Entry blanks may be received by writing to Contest Chairman, 1511 Beverly Drive, Wichita Falls, Texas.

David Robnett, who is stationed in San Antonio, spent the week end here with his wife, who is with her parents, Mr. and Mrs. Chalmer Hobert.

SEE! A GRANDDAUGHTER

From down San Antonio way the arrival of a girl caused near panic for Grandpa and Grandma S. G. Smith because after six grandsons they had become reconciled to the fact there could be no granddaughters. It was a little exciting to the parents, Mr. and Mrs. Bobby Graham, too, so they had no name picked out for a little girl. This wonder child made her arrival in San Antonio at 5 a.m. Saturday, November 11, 1961 and she weighed over 9 pounds. Her two brothers, Robert Allen, 6, and Danny, 4, are wondering what in the world to do with a sister. Her other grandparents is Mrs. W. L. Caldwell of Goree.

Robert V. Heard of Amarillo, Texas, has been appointed area manager of refined products sales for The Shamrock Oil and Gas Corporation in Texas, Oklahoma, Kansas and Nebraska. Announcement of the promotion was made recently by Leo J. Wilmoth, Shamrock's vice president in charge of sales.

Heard will supervise all refined products sales in the four-state area. He will also work closely with the company's sales representatives in his territory. Shamrock's sales representative in Munday is W. W. Riner.

The new area manager has been with Shamrock since February, 1956, when he was employed as training station manager. He has also served as district supervisor of sales training and retail sales supervisor. He will continue to live in Amarillo.

Knox County Has Six Accidents During October

The Highway Patrol investigated 6 accidents on rural Highways in Knox County during the month of October, according to Sgt. Frank Jirelk, Highway Patrol Supervisor of this area.

These wrecks accounted for three persons injured, and a property damage of \$1,600.00.

With the indications that fall has changed into winter, it is time for our driving habits to change with it. It is a good idea to follow the Boy Scout motto, "Be Prepared."

The veteran Highway Patrol Supervisor listed some tips to help the driver winterize his driving.

- (1) Frost or ice means to slow down before you reach the bridge. It is too late to do anything once you are on the slick surface.
- (2) Check your exhaust system thoroughly, don't risk carbon-monoxide poisoning.
- (3) Be extra careful at railroad crossings with windows up. In a sealed car you cannot hear the train.
- (4) Check windshield wipers now. They will be carrying an increasing load from now on.
- (5) Clear all fog or any form of precipitation off windows and windshields. Don't just rub a small hole to peep through. Use defrosters to help keep the windshield clear.
- (6) Make a definite, conscious attempt to adapt your driving habits to the changing season. Your life may depend on it.

Mrs. Coy Tuggle, Mrs. Cecil Gullett and Mrs. Lily Green visited Mrs. Evelyn Malmos of Seymour, at the Hendrick Memorial Hospital in Abilene on Wednesday of last week. Mrs. Malmos underwent surgery some two weeks ago and is reported to be doing fine.

JUST PRETTY SHARP

That's right, I'm a pretty sharp girl for I was born at Sharp's Maternity Hospital in San Diego, Calif. at 5:08 p.m. on November 6, 1961. I tipped the scales at 7 pounds and 4 ounces and am 21 inches long. My mommie and daddy, Belva and Gaylon Chamberlain, are making such a fuss about me—you'd think I was the only baby in the world. By the way they've named me Dana Gaylene. Besides mommie and daddy, some pretty proud people are my grandparents, Dave Jetton of Munday and Mr. and Mrs. Horace Oneal of Haskell and my great-grandparents, Mour, W. L. Moore and M. L. Chamberlain of Goree.

HOME FROM HOSPITAL

Carl Roddy Griffith, who suffered injuries in a car accident several weeks ago, was able to be brought home from Dallas, where he has been hospitalized, last Saturday. He is reported to be progressing nicely.

David Earle of Midwestern University in Wichita Falls spent the week end with his parents, Mr. and Mrs. E. D. Earle.

James Holcomb of Midwestern University in Wichita Falls was a guest of his parents, Mr. and Mrs. Ray Holcomb, over the week end.

Mr. and Mrs. M. L. Wiggins have as their guests this week Capt. and Mrs. Roy Bouldin, Jennifer and Patrick, who are enroute to San Angelo where Roy will enroll in school for a period of six months before getting his assignment for overseas duty. Roy received his wings in 1955 and has been flight instructor at Perrin AFB in Sherman since graduation. He received his promotion to Captain last month.

Miss McGaughey is a graduate of Vera High School and is attending McMurry College. Her fiancé is the son of Mrs. Ernest Ray Brooks, Sr., and the late Mr. Brooks. He graduated from Breckenridge High School and is employed at General Dynamics Astronautics in Abilene.

Mrs. Muriel Mitchell spent the week end in Muenster with her daughter and family, Mr. and Mrs. Michael Sloan, Sandra and Susan.

Miss Carolyn Hobert of N. T. S. U. in Denton was a week end guest of her parents, Mr. and Mrs. Chalmer Hobert.

LOCALS

Thanksgiving Transition

The very first Thanksgiving Day was celebrated in Plymouth Colony for quite a simple reason. Colonists and friendly Indians shared that first feast in gratitude for a bountiful harvest after a winter of great hardship.

Now, three centuries and forty years later, we are thankful for the growth of our Nation. We are thankful for its great strength which stands as a fortress of protection for free people in a world filled with tyranny and oppression.

Let us, as good Americans, express these thanks and rededicate ourselves to preserve and maintain this spirit of freedom.

Vernon District Attorney Resigns His Office; In Race For Congressional Post

Jack Hightower of Vernon, District Attorney of the 46th Judicial District, composed of Wilbarger, Hardeman and Foard Counties, has announced as a candidate for Congress to fill out the unexpired portion of the term of Representative Frank Icard of Wichita Falls. Mr. Hightower has resigned his office and will devote his entire time to the campaign.

JACK HIGHTOWER

Mr. Hightower is a native of Hall County and received both his academic and law degrees from Baylor University in Waco. He is married to the former Colleen Ward of Tulsa, Texas. They have three daughters, Ann, 8, Amy, 5, and Allison, 2.

Mr. Hightower was elected Representative in the 53rd Legislature from the 82nd District composed of Cottle, Foard, Hardeman and Wilbarger Counties. He did not seek re-election.

He was appointed District Attorney, assuming office January 1, 1955, and was elected in 1956 and 1960, each time without opposition.

He is a past president of the Texas District and County Attorneys Association. He also served as a member of the Texas Law Enforcement Study Commission and received the honor of being designated as "Outstanding District Attorney of Texas" in 1959 by the Texas Law Enforcement Foundation.

He served in the United States Navy in World War II.

In connection with announcement of his resignation as District Attorney and as a candidate for Congress from the 13th District, Mr. Hightower issued the following statement, briefly outlining his position on national issues now confronting the people of this district and the entire United States.

"I regard the security of the United States and the entire free world as the paramount issue of our time. The maintenance of a strong defense must be given priority over all other considerations. Our defense must be adequate for any emergency, supported by an equally strong national economy. However, it is not necessary to put the Constitution in cold storage or to continue the policy of unbalanced national budgets.

"The international crisis now faced by the free world is not a temporary emergency. Tensions between the Communist Empire and the free nations will continue. Therefore, to deal with this constant crisis as if it were something which would soon pass is to invite disaster.

"America must be strong—strong militarily, strong in industrial productive capacity,

strong in public finance and above all strong in moral integrity.

"The American people have risen to every national emergency in their history. In World Wars I and II our country became the arsenal of democracy and our immense productive capacity plus our willingness to sacrifice quickly brought total victory. The spirit which brought us safely through those days is needed now. We cannot afford the luxuries of waste in either public or private affairs or social experiments on projects not necessarily required for meeting the nation's primary needs.

"I favor continuation of foreign aid but believe or help should be confined to nations which are trying to help themselves and will, if the necessity arises, fight on our side. The American taxpayer cannot carry indefinitely the burden of solving all the problems of the world, particularly in those nations which choose to be what they call neutral or uncommitted.

"I believe the American people can maintain a strong national defense, do everything we need to do in aiding other nations, and continue to grow and progress with a sound economy without continuing to add to the national debt.

"I believe the idea of states rights carries with it states responsibilities and that the best way to combat the creeping paralysis of concentration of authority in the Federal Government is for the states and local communities to solve their own problems. I oppose Federal aid to education and socialized medical service. I support a farm program based on sound economics with a minimum of government control and a maximum of in-

dividual freedom in order that American farmers may again enjoy freedom of choice and decision.

"I believe in the right of workers to organize, choose their own bargaining agents and negotiate with management in an atmosphere of mutual respect and freedom without undue pressure or intervention from government representatives.

"I favor maintaining the present oil depletion allowance as essential to a strong and healthy oil industry which is so vital to the national defense.

"I favor retention of the Connally amendment to the treaty establishing a world court which reserves to this country right to determine what cases shall be submitted to this international tribunal.

"I am a lifelong Democrat and have consistently supported party nominees. I will be anxious to discuss these and other issues of personal or national importance at any time."

Mr. and Mrs. Jim Reeves and Mrs. R. M. Almanrode were in Austin over the week end to attend the unveiling of the Monument to the Veterans of WWI on Sunday afternoon at 1:30 p.m. Mrs. Almanrode and Mr. Reeves attended the Dept. Barracks and Auxiliary board meeting while there.

Mogul Band Is Contest Winner

The Mogul Band ended the current marching season with "a bang," as they were declared first division winners in the annual Interscholastic League marching contest in Wichita Falls last Tuesday.

The contest, which is one of 14 of its kind, is sponsored by the University Interscholastic League at Austin.

The ratings are given on a basis of a "I" being superior, a II being good, a III average and IV below average. Munday was the only band in the Class A region to be awarded I. Thirty-two bands were present, and others to receive an I are: Seymour, Burk Burnett, Olney, Graham, Ryder of Wichita Falls and Wichita Falls High School.

Judges were Bill Tregoe of Pampa, Bill Woods of Levelland and Everett Maxwell of Abernathy. All of the judges complimented the local band on its wonderful spirit, nice sound and wonderful marching.

A twirling contest was also held at the Barwise school. Placing from Munday were Eddie Littlefield, I; Ann Moorhouse and Exa Lee Peysen, II, and Sandra Massingill and Shirley McCarty, III.

Mr. and Mrs. John Phillips and children visited Mr. and Mrs. Jerry Scott and children in Electra and with Mr. and Mrs. Joe Duke in Wichita Falls.

Mr. and Mrs. Press Phillips and Helen left last week for a visit with Mr. and Mrs. Quinten Spann and family in Phoenix, Ariz.

"All Delays Are Dangerous In War"

When an invading germ or virus attacks your body a war begins. If your body senses that it is losing, it asks for help. You may become unusually tired, have persistent pains or other trouble-some symptoms.

Any delay can make the battle hard to win. Home remedies, that only treat symptoms, may mask the real cause and permit the illness to gain a strong hold. The best way to win your war against sickness is to go to your physician at the first sign of trouble. Let him diagnose the cause and prescribe the proper treatment.

And remember, if an emergency ever occurs when you need a medicine after our pharmacy has closed, we will re-open our prescription department for you—no matter what the hour.

Many friends called during the afternoon to wish Mr. Bilbrey many more happy returns of the day. Refreshments of cake and coffee were enjoyed by all present.

Goree Home Demonstration Club Meets

The Goree Women's Home Demonstration Club met Wed. Nov. 8, in the home of Mrs. J. C. Watson.

A short business meeting was held with Mrs. W. M. Cooksey presiding in absence of the president. Mrs. Cooksey also gave a council report.

Miss Kinsey gave a very interesting talk on "Family Food Stock Pile for Survival." She also gave a demonstration on how much food of different kinds one person would need for a two weeks period in case of a fall-out emergency.

Refreshments were served to Mrs. W. M. Cooksey, S. C. Roberts, W. C. Morton, Eldon McSwain, Miss Kinsey and the hostess, Mrs. J. C. Watson and Marsha Carol.

The next meeting will be Nov. 22 in the home of Mrs. S. C. Roberts. Visitors are always welcome.

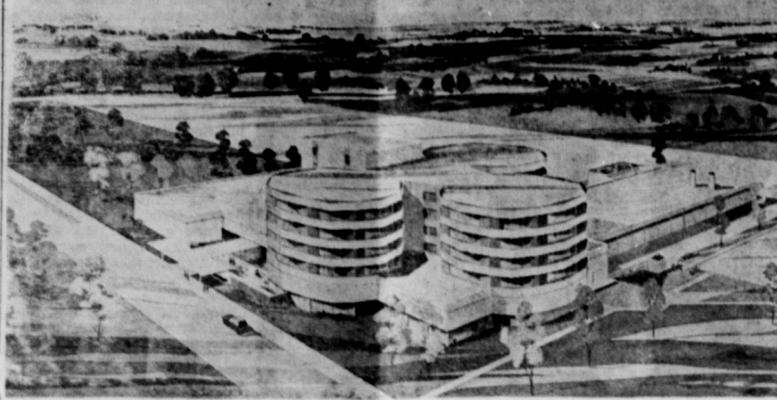

Junior High Football Banquet

The Junior High Football season came to a close Friday night, Nov. 10, with the football banquet. The theme of the banquet was autumn. The decorations were paper footballs and megaphones. Colors were black and gold.

Forrest Martin was master of ceremonies. The program was put on by the pep squad girls. E. B. Hosea gave the invocation.

The menu consisted of cocktail, baked ham, sweet potatoes, green beans, lettuce and pineapple salad and hot rolls. Dessert was strawberry shortcake.

The highlight of the banquet was the crowning of the football sweetheart and hero. Shirley Struck was crowned sweetheart and was presented with a corsage of red roses, and \$7.50 to

Knox Prairie Philosopher Is Now Worried Because Rest Of The World May Get Most Of Our TV Programs, Too

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek discusses a cultural problem this week, without much effect on it.

J. A.

Dear editor:
Ordinarily more newspapers than magazines turn up here on this Johnson grass farm but yesterday I found a magazine on the road near my place and took it home and last night instead of watching television I looked it over. A tube was burned out any-
way.

There was one article in it that got me to thinking. According to it, scientists will soon whip the problem of sending television across the ocean and before long, American television shows will be available all the time to the people of the rest of the world.

Now this writer was worried about this, he's afraid the rest of the world will get the wrong impression of us. "Dare we entrust to commercial television the broadcasting of America's image to the rest of the world?" he asked. "What will barefoot Congolese think of a master of ceremonies on a quiz show bestowing free refrigerators, cash and a multitude of other prizes upon screeching ladies?"

This is one problem I'm not going to lose any sleep over. In the first place, I don't suppose the Congolese will think any more of it than I do, and in the

second place, if those barefoot Congolese sitting around in their mud huts watching T. V. get unhappy about our material possessions, they could at least sell their television sets and buy some shoes.

If I understand this writer, it's all right for us to have refrigerators and such things, so long as we don't let the rest of the world know about it.

He was worried also about the cultural impression American television will make on the people of the rest of the world. "Do we want Burmese to think that private eyes and Western sheriffs are our national heroes?" he asks.

This displays a considerable ignorance of human nature. Americans watch these shows all the time and they don't think Western sheriffs and private eyes are national heroes. They know, and the Burmese can find out too, that not a one of them ever hit a home run or made a touch down.

I claim the rest of the world is not any better than us and if science is going to bring American television shows to them, they'll just have to face up to it. You don't find us crying to the Burmese to protect us from Russian fall-out, do you?

Yours faithfully,
J. A.

... and no smoke!

Open the door to a gas broiler and take out your steaks... flame-browned outside, tender and juicy inside. You get the aroma—but not the smoke! With gas, you keep the oven door closed and let the flame consume the smoke. Meat lovers also appreciate the automatic meat thermometer on new gas ranges—to cook roasts to perfection! And the automatic self-basting rotisserie gives you evenly-browned, moist, delicious results every time. Isn't it time to treat yourself to the flavoring flame of a modern gas range? Buy today!

Judge Purcell Of Wichita Falls In Congress Race

Judge Graham B. Purcell, Jr.

Judge Graham B. Purcell, Jr., Democratic candidate for Congress in the upcoming special election, says he will bring his campaign to every part of the 13th Congressional District.

Purcell, judge of the 89th District Court at Wichita Falls since 1955, paid tribute to outgoing Rep. Frank Ikard in his announcement and said that he'd feel it a privilege to be associated with the present administration.

"I am a life-long Democrat, have always been a Democrat and am running as a Democrat in this race."

Purcell, who has a long record of civic, religious and youth service in his community, stressed moral values in his announcement.

"Integrity in public office and strengthening the moral fiber of our entire citizenship is, in my opinion, an important duty of our national leaders. I will strive to carry out the duties of this office with this obligation in mind."

Purcell, a five-year combat veteran of World War II, has had experience and training which uniquely qualifies him for federal legislative office. He holds a bachelor of science degree in agriculture from Texas A&M College (1946) and a law degree from Baylor University (1949). He is married and has four children.

Purcell, a 42-year-old native of Archer City, Texas, has been

Baptist Church To Broadcast Services

Services from the First Baptist Church can now be heard at 850 on your radio dial each Sunday at 11 a.m. and 7:30 p.m. Plans are underway for a daily broadcast which will include hymns, devotionals and announcements concerning the activities of the church.

This broadcasting system has been given to the church in memory of J. B. Bowden by Mrs. J. B. Bowden and Mr. and Mrs. G. W. Hawkins and Jan. Mr. Bowden passed way May 7, 1941. He had been an active member and a deacon of the local First Baptist Church since 1915 having moved to Munday that year from May, Texas in Comanche County.

Installation was done by the Lako Distributing Company of Brownfield.

Cub Scouts In Meeting Thurs.

Pack No. 76 of Cub Scouts met on Thursday evening, November 9, in the fellowship hall of the First Methodist Church. Some 80 parents and boys were present.

After the flag ceremony, V. E. Moore, chairman of the pack committee, officiated at a ceremony in which the resignation of Charles Baker as cubmaster was accepted, and Rev. Rex L. Mauldin was installed.

Charles has served in this capacity for three years. His sons are now enrolled in the Boy Scout troop.

A series of skits were presented by the four dens, after which awards were presented to eligible members. A total of 54 awards were presented.

Thirteen boys were inducted into the Cub Scouts as Bobcats. Two were graduated into the Boy Scout troop.

W. R. Moore, Jr., scoutmaster, presented the Webelos Badge to Bill Baker and David Key and accepted them officially into the Boy Scout troop.

The cup went to Den 2, of which Mrs. O. O. Putnam is den mother. They had earned an average of 3.0 awards per boy. Den 1, Mrs. Paul Howland, den mother, was runnerup. They had earned an average of 2.4 awards per boy.

After the awards presentation, refreshments were served.

Kids' Parade—

(Continued from Page One)

orate anything you have and enter the contest.

The contest is open to children 12 years of age or under. If your child does not have a bicycle or tricycle, perhaps they may borrow one from an older child.

Leading the parade will be the Junior High Band and the Senior Mogul Band—and somewhere in the midst, either in front of or behind the band, will be Santa Claus with some original means of conveyance.

A band concert under the direction of Bobbie Brooks, band director, will be held on the city hall lawn following the parade, after which winners in the parade will be announced.

Officials stated that all Christmas decorations will be in place on the city hall lawn in time for the official opening of the Christmas shopping season.

GILLILAND 4-H CLUB BOYS MEET

The Gilliland Boy's 4-H club met at the Gilliland school Wednesday, November 15. Dwight Reeves called the meeting to order. Marshall McGrady read the minutes.

Jack Moore, county agent, discussed proper feeding analysis for better livestock feeding to the sixteen members present.
