NUMBER 27

## Kracker KrumbS

Odd Bits Salvaged By The Editor

Some interesting tid-bits of news can be gleaned from perusing the daily papers on Sunday. Nelson, Lee Roy Leflar and Gene the event each year We engaged in this pasttime a while Sunday. Here's some of what we found:

The New York Stock Exchange reported that one seat on the Exchange sold for \$190,000, which was \$15,000 below the previous sale. The highest price of 97 memberships transferred last Munday for this event. year was \$225,000. At those prices, we could barely manage a peep at "the seat" with one eye

set record retail sales for the fourth quarter of 1961, well over sales for the same period of 1960.
They stacked up like this: Chevrolet, more than 483,000 cars, as compared with 417,463; Rambler, 110,400 cars as compared to 104,-517 in 1960; Chrysler, 13 per cent ahead of the record comparable period in 1954; Cadillac, 43,737 cars, against 43,216 for 1960. It seems that people of other professions boost that record better than newspaper people. We haven't added to that record

Business says rushing outlays time of the accident. for research and development, increased population, higher education and changes in family life patterns will "fuel the long-range boom" to where the average family income will be \$10,000 by 1970. It'll take more research to figure out how much the family will have after taxes.

k-k

Doctors in England expect to reported to be good.

Clardy and his parents were visiting the Kelchers in Knox eap a rich harvest from the dances look as if they were caught in an automatic washer. They expect dancers to wind up with slipped discs. It appears to us that those engaged in the dance have some cogs upstairs hat are not meshing correctly.

k-k If you want to become the bestdressed lady in the U.S., just become the President's wife. Mrs. dressed in a poll conducted by Stewart Rites the New York Culture Group, Inc. Second on the list was Mrs. Loel Guiness, wife of an inter-Lady's sister, Princess Lee Radziwill, and Mrs. Charles Wrightsman, a friend and neighbor, were among the 12 women on the official 1961 list.

### CHURCH OF CHRIST

The only way the religious world can have the unity which Christ prayed for (Jno, 17:20-22.) is through strict obedience to His word. Then there will be no division among us, we will be perfectly joined together, in the same mind and same judgement, (1 Col. 1:10.). "So we, being many, are one body in Christ, and every one members one of another."

United In One Body

"There is one body," (Eph. 4:4). "But now are they many numbers, YET BUT ONE BODY," (1 Cor. 12:20). What is the "one body?" "And He is head of the body, the church," (Col. 1:18).

United In One Church

Since there is "only one body" and the body is "the church," then there is only one church. Which church is this? It is the one Christ said he would build (Matt. 16:18). "The one he purchased with his own blood," (Acts 20:28). It is the one the Lord added those to that were being saved (Acts 2:47). Paul called it the church of Christ (Rom 16:16). When we obey the true gospel of Christ, the Lord will add us to His body, the church. Since the church is the body of Christ, for us to be in Christ is to be in His church.

How Do We Get Into Christ, The Church?

"Know ye not, that so many of us as were BAPTIZED INTO CHRIST were baptized into his death?" (Rom. 6:3). "For as many of you as have been BAPTIZED INTO CHRIST have put on Christ," (Gal. 3:27). "For by one Spirit are we all BAPTIZED INTO ONE BODY," (1 Cor. 12:13).

If all religious people will lay aside the doctrines of men, obey the gospel just as it is revealed to us in the Bible, the Lord will add us to his church; and we will all be one in Christ, and there will be no division among us. All united in 'one body," all worshiping God in the same way. "God is a Spirit, and they that worship him must worship him in Spirit and in truth," (Jno. 4:24).

WTU's outlook for 1962 is for even more...

In this new year, West Texas Utilities will continue our three-step area development program.

. We will continue our own current expansion program to permit us to serve even more people.

2. We will continue to promote the business and industrial advantages of this area in national publications.

3. We will continue to work with all area communities in their local development programs. This is our 1962 schedule, because more than ever

our service area faces GROWTH UNLIMITED.

#### Miss Patterson And Roger Dale Bell Marry December 22

Miss Mary Ethel Patterson became the bride of Roger Dale Bell in a ceremony Friday, December 22, at 8 p.m. in the Church of Christ in Munday with Minister Payne Hattox officiat-

Mr. and Mrs. Clifton Patterson are parents of the bride and the the bridegroom is the son of Mr. and Mrs. Riley D. Bell.

Members of the high school sextette sang "Because" and "Always." They wore identical white

dresses and red corsages. Miss Linda Kay Smith was the bride's maid of honor. She wore a tailored dress of red wool crepe with matching pillbox hat, white shoes and gloves and carried one

long stemmed white carnation. Joe Lynn McMahon served the groom as best man.

Given in marriage by her father, the bride wore a street length dress of white silk organza over white satin. The molded bodice was fashioned with a Service at the church January scalloped neckline with fingertip sleeves and bouffant skirt A crown of chantilly lace and seed pearls held her shoulder length veil illusion and she carried a bouquet of 12 white carnations.

Patterson and Tommy Decker. time of great sorrow A reception followed at the

church with members of the

RHINELAND, TEXAS

Editor's note: The Knox Prairie Philosopher on his johnson GET YOUR FARM LOANS grass farm on Miller Creek discusses a new scientific research Wha Hancool problem this week, not to scientifically.

Dear editar:

It's amazing sometimes to find out what scientists are up to. For example, the other day I

read that a group of scientists for several months now have ing for radio signals from other and suddenly they pick up a planets, on the assumption there broadcast from this Earth. is life out there somewhere and Can you be sure it'd sound inif so maybe those people have telligent? What makes you think ita Falls last Saturday. discovered radio.

The result of the listening was and report: "We listened for but "We listened for but did not find intelligent radio signals from other worlds."

It's not for me to be advising scientists, but I'd like to say they shouldn't give up.

Look at it this way: say there WANTED-A chance to figure are similar scientists on some your next plumbing or wiring planet far out into space and job. No job too large or too right now they've hit on the small. Please call 5441 instead same idea, trying to find out if of my home. Jack Clowdis there is life on some other planet Plumbing and Electric Service. too. All right. They've got their 16-tfc radios tuned in, they're switch-

> in southwest part of Munday, consisting of 21/2 acres, 3-bedroom modern home, well, storm cellar, pine, fruit and pecan trees. Will do our best to trade with you. Exclusive. Three bedroom home on pavement, with outbuildings, close to town and churches. Need other listings on dwellings.

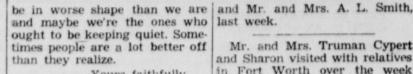

Texas. 27-3tc WALL TO WALL - Carpeting and linoleum. Expert workmanship and popular prices. See us for any size job. Boggs Furniture. Phone 4171. 27-tfc

Wallace Moorhouse, Munday,

FOR SALE -- Breakfast roomsuite; Hot Point range; wall furnace, all in good shape. Mrs. Chester Bowden, phone 2066.

FOR SALE-6 room house with bath. Garage; new tile store building 28x48, 2 acres of land. Call 436-2761, Goree, Texas.

FOR SALE - 960 acres sandy land, sub-irrigated with 300 acres cotton allotment, 2 houses, nicely improved. Price \$100,000. This place located near Spur, Texas and could be sold in two separate deals. Wallace Moorhouse, Munday, Tex-

#### RECREATIONAL TRAINING CAMP IS ANNOUNCED

College Station-The 1962 edition of the Longhorn Recreation vations should be sent to Capt. and Leadership Laboratory will be held February 18-24 at the 15. Glen Lake Camp, Glen Rose,

According to Dr. Bardin H. Nelson, Department of Agricultural Economics and Sociology, Texas A&M College, the non-profit organization is designed as a stimulating experience to help adults learn to lead recreation. The Lab is open to Boy and Girl Scout leaders, 4-H Club adult leaders, county extension agents church recreational specialists and community leaders.

Craft training to be offered includes scrap crafts, camperaft, outdoor cooking, basketry, ceramics, copper enameling and mosaics. There will also be a masquerade party and a session on creative dramatics reports Dr. Nelson. Other activities will include recreational singing, party games, recreational activities planning, family recreation and square and folk dancing.

tendance is limited to 100 adults tend to register early. Detailed son

information on the training school can be obtained from local county extension agents. Reser-W. P. Knox, Route 4, Box 392, Austin, Texas, before February
