Odd Bits Salvaged
By The Editor

Next Saturday, we get to vote!
k-k
This will probably be our last opportunity to voice our decisions by means of the ballot until the general election in November, at which time we will pass on a total of 14 amendments to the State Constitution. More will be said about these later.
k-k
But next Saturday, we'll pass on two important issues. They are purely local issues, so far as the people of Knox County are concerned—and they should receive the consideration of all qualified voters of the county.
k-k
One is a \$125,000 bond issue for adding a new wing to the Knox County Hospital and for improving present facilities of the hospital.
k-k
Most anyone who has occasion to be at the hospital will realize that these two are sorely needed. Present facilities are such that they do not meet state standards—such as kitchen facilities, the elevator, the need for more bath-rooms, improving the operating room, etc. A lot of the time, too, the hospital is filled to near capacity.
k-k
We have an investment of thousands of dollars in our courthouse at Benjamin—and it is the opinion of many, including this editor, that this investment should be protected. The building has been allowed to deteriorate throughout the years and is in such condition that repairs are deemed necessary.
k-k
The architect who inspected the building stated that certain parts have deteriorated as a result of water leakage, freezing, etc., and a great deal of the work he recommended should be done immediately to prevent rapid deterioration.
k-k
The work which the architect recommends include maintenance which would have been done during the years since the building was constructed, but has not been done. The bond issue of \$60,000 is estimated to take care of the immediate essential repairs and maintenance.
k-k
They say, too, there won't be an increase in taxes, which means, if true, that our present tax rate will remain the same. But it will take some 30 years to pay off the two bond issues, which means there will likely be no reduction in taxes over this period. We can't remember, though, when they have been reduced.
k-k
Anyway, if you're a qualified voter—one who pays property taxes—you should vote on these issues next Saturday. How you vote is your business. How we vote will be our business.
k-k
Not too many years ago, the people defeated a bond issue for repairs to the courthouse building. We believe it should have carried at that time, and the repairs made, but a majority of the voters thought otherwise.
k-k
It may be another story Saturday, or it might be the same story. But the story won't be complete without your ballot—so be sure and vote.
k-k
The rains over the week end made most everyone happy; except, maybe, gin operators and farmers who have brought bracers into the county to help gather the cotton crop. We understand that this labor coming from Mexico must be guaranteed a certain hourly wage, whether they work or not, so any layoff due to weather conditions is expensive.
k-k
Not nearly as many bracers will be coming into the area this year, due to these expensive conditions.
k-k
The Munday fireboys are plagued again by people following the fire trucks when a fire alarm is sounded. They point out that this is unlawful and persons so doing are subject to heavy fines. They pointed out, too, that the law will be enforced in the future. So if you've been practicing this in the past, be very careful from here on out!
k-k
Mr. and Mrs. R. M. Almarode returned home last Saturday from six weeks vacation and visit in Tennessee, Arkansas, Georgia, Alabama, Mississippi and Oklahoma. They attended the Forest family reunion in Rising-fawn, Ga.

Amerson Takes Turn For Better; Off Serious List

A physician at a Harrisburg, Pa., hospital said Sunday that Glen Amerson of Munday, defensive halfback for the Philadelphia Eagles, was suffering from a non-infectious type of encephalitis.
Amerson, in a serious condition, collapsed during the National Football League team's practice last Friday.
Saturday, surgeons performed exploratory surgery on Amerson, who suffered head injuries in an auto crash at Lubbock last spring. After the operation, they ruled out tumors or clots and said his trouble was in no way related to football or the auto crash.
A Harrisburg physician said Monday that Amerson is "off the serious list," but is suffering partial paralysis of the right side.
He said Amerson has responded favorably to all tests, but is expected to remain in the hospital for two weeks—and it is doubtful if he will be able to play this season.
His parents, Mr. and Mrs. J. H. Amerson, went to Harrisburg by plane Saturday upon learning of their son's condition.

Most anyone who has occasion to be at the hospital will realize that these two are sorely needed. Present facilities are such that they do not meet state standards—such as kitchen facilities, the elevator, the need for more bath-rooms, improving the operating room, etc. A lot of the time, too, the hospital is filled to near capacity.

He said Amerson has responded favorably to all tests, but is expected to remain in the hospital for two weeks—and it is doubtful if he will be able to play this season.

His parents, Mr. and Mrs. J. H. Amerson, went to Harrisburg by plane Saturday upon learning of their son's condition.

Munday Women Win Second Place In Bowling League

The local women's bowling team, sponsored by the "M" System Store of Munday, won second place trophy in the Thursday morning "Early Bird" League last Thursday. The girls closed regulation play in a first place tie with the Haskell warehouse team, and were defeated in the playoff.
Members of the local team are: Glenda Little, Ida Mae Maske, Margie Sargent and Beth Hieskell.
Luncheon was held at the Hi-way Drive-in at Haskell for the bowlers and their sponsors. Trophies were presented at the luncheon.
Mrs. Sargent was awarded a trophy for being the most improved bowler in the league. The local women's team will also participate in the winter league.

Munday And Goree Men Are Serving On Aircraft Carrier

COAST OF CALIFORNIA (FHTNC)—Tommy D. Proffitt, aviation structural mechanic airman, USN, son of Mr. and Mrs. James S. Proffitt of Munday and Jerry L. Brown, Airman, USM, son of Mr. and Mrs. Joe A. Brown of Goree, are serving aboard the attack aircraft carrier USS Kitty Hawk, a unit which participated in "Exercise War Dance," a training exercise off the Coast of California, Aug. 27-31.
The exercise, which involved 11 ships and 10,000 men of the First Fleet, centered around a fast carrier striking force which was opposed by submarines and aircraft, including medium bombers, using all types of weapons.
The exercise began with a hypothetical limited war situation which escalated rapidly and culminated in a supposed general war.
The special exercise was commanded by Vice Admiral R. T. S. Keith, commander of the First Fleet.

"Six Flags" To Open On Week Ends Only

After the Labor Day holidays, "Six Flags Over Texas" is being operated on week ends only. During the three summer months, it has operated seven days a week from 10 a.m. until 11 p.m.
Now, with the beginning of school, the 105 acre tourist attraction will be open on Saturdays and Sundays from 10 a.m. until 10 p.m. until the park closes its season after the Thanksgiving holidays.
During the full time operation this summer, the park has employed 915 collegiate age hosts and hostesses of which 200 will return to their respective schools in a five-state area.
Through the week preceding Labor Day, the park has had 1,097,034 visitors during the 1962 season. These persons have come from all 50 states and over 40 foreign countries.

Amen Saab of Houston University visited his uncle, Sied Waheed, several days last week.

VOLUNTEERS HONORED—At a luncheon last Saturday in Wichita Falls, 45 Knox County junior and senior high school girls who served as "Volunteers" during the summer were awarded Red Cross training certificates and pins. In order to be eligible, the teen-agers had to complete six hours of training plus a minimum of 25 hours of volunteer service. They are pictured in front of the Wichita County Red Cross chapter house.

Moguls To Open Season Saturday At Rochester

Football is in the air! And the Munday Moguls will officially open the 1962 football season at 8 p.m. next Saturday when they meet their traditional season-opener foes, the Rochester Steers, on the Rochester field.
This has been an interesting game through the many years these two teams have been meeting, and the one Saturday night is expected to be a thriller from the opening whistle.
Some 28 or 30 members of the Mogul squad have been engaged in daily workouts for some three weeks. A number of them are newcomers on the first squad, and little is known of how they will perform in the games.
"We don't know just what we have this early in the season," Coach Wayne Bingham said Tuesday. "Our boys have been showing up good in workouts, but we just don't know how they will perform under pressure. Most of the boys are light, but they have been working hard—and we expect to win some games this season."
Plans are being made for a large attendance from Munday this game. "We hope Munday is deserted Saturday night, and everyone is at Rochester," an ardent football fan stated.

Addressing the group, Dr. Arthur Beyer, Midwestern University professor and a Red Cross youth leader, said youth should set objectives and know what they are working for.
Master of ceremonies for the luncheon program was Miss Jean McCarty, Wichita Falls, a member of the Red Cross Midwestern Area Youth Council. She was presented by Mrs. Cliff Deaton, volunteer field consultant for Texas.
Those from Munday receiving Red Cross certificates and pins were Cindy Alexander, Shirley Booe, Janette Brazzell, Janet

Bullington, Patricia Burgess, Sharyn Burgess, Kathy Burnett, LuAnn Combs, Kay Cook, Joan Cude, Peggy Duke, Becky Duncan, Martha Ford, Judy Hardin.
Jan Hawkins, Donna Haynie, Vicki Heiskell, Sue Kane, Mickey King, Judy Lemley, Jere Moore, Marsha Moore, Carol Phillips, Suzanne Phillips, Frances Renau, Lila Ann Rhoads, Paula Snyder, Beverly Stewart, Barbara Walker, Barbara Walsh, Lynda Welch, Gail Wood, Patsy Yandell.
Knox City "volunteers" were Glenda Cox, Pamela Darr, Cheryl McCown, Judy Meizer, Wanda Mincey, Paula Myers, Anita Poteet, Claudia Reed, Linda Reed, Jan Sutton, Carol Thomas, and Martha Jay Waldrup.
During their visit to Wichita Falls, the Knox County visitors toured the new Cerebral Palsy Center at Sixth and Denver and the Fowler Children's Home at Fifth and Broad.
Mrs. D. C. Eiland, chairman of the Red Cross Volunteers for Knox County, and in charge of the group of visitors, said training had been given the "volunteers" by Miss Beulah Sanders, RN, superintendent of the Knox County Hospital, Mrs. Alton Fitzgerald, RN, and Mrs. Charles Markward, RN, all of Knox City and Mrs. Jessie Smith, RN, of Munday and Mrs. Paul Cargill, chairman of volunteers for Wichita County.

During the past summer the volunteers gave a total of 1603 hours of hospital service averaging 35 hours of service per member. However, three of the girls Janette Brazzell, Patsy Yandell and Suzie Phillips gave 50 hours each.

Mrs. Eiland reported that Knox County had completed a Red Cross senior life saving class in Munday during the summer instructed by Elton Floyd. The six persons completing this course were Norris Morgan, Neva Morgan, Judy Anderson, Vicki Heiskell, Donna Haynie and Joan Cude.

Knox County "Volunteers" Receive Red Cross Training Certificates Saturday

Forty-five Knox County junior and senior high school girls who served as "Volunteers" during the summer vacation period, were awarded Red Cross training certificates and pins during a luncheon ceremony last Saturday at Underwood's Cafeteria in Wichita Falls.

The ceremony followed completion of a six-hour training course by the Knox County Red Cross, followed by a minimum of 25 hours of volunteer service in the Knox County Hospital.

The Knox County "volunteers" were luncheon guests of the Munday Chamber of Commerce and Knox City Lions Club which also provided the Red Cross pins awarded the teenagers.

Addressing the group, Dr. Arthur Beyer, Midwestern University professor and a Red Cross youth leader, said youth should set objectives and know what they are working for.

Master of ceremonies for the luncheon program was Miss Jean McCarty, Wichita Falls, a member of the Red Cross Midwestern Area Youth Council. She was presented by Mrs. Cliff Deaton, volunteer field consultant for Texas.

Those from Munday receiving Red Cross certificates and pins were Cindy Alexander, Shirley Booe, Janette Brazzell, Janet

ALL GONE: This little girl licks her lips to no avail—the Sabina oral polio vaccine that she just swallowed is odorless and tasteless, but it may protect her against polio for years to come. The vaccine is administered to infants via a dropper, to young children in a spoon or paper cup, and to older children and adults absorbed in a sugar cube. The vaccine is distributed by Pfizer Laboratories, division of Chas. Pfizer & Co., Inc.

Bond Election To Be Held Saturday

Qualified property tax-paying voters of Knox County will be voting on two important issues on Saturday, September 8.

One is a bond issue of \$125,000 for the purpose of adding a new wing to the Knox County Hospital and for improving facilities of the present building.

The other is a bond issue of \$60,000 for making urgent and necessary repairs and maintenance work on the county courthouse at Benjamin.

The new hospital wing would provide for nine additional rooms, six with adjoining bath and one with private bath. Two of these rooms would provide facilities for colored patients, the other seven for white patients, providing a total of 4,400 square feet to present hospital facilities.

In addition, the kitchen, storage and dining room areas would be enlarged, four additional baths installed, the operating room modernized and a new elevator would replace the old one. It was stated that, should the bond issue carry, the present hospital building would be repaired and repainted throughout.

Several facilities, such as the kitchen, operating room and elevator, have been criticized by the State Department as not being up to standard.

Architects have recommended a number of needed repairs to the courthouse, but a number of them were termed essential to correct defective conditions which now exist in the building which should be remedied at once. Part of the work recommended consists of items which would be desired to place the building in first-class condition to last for the next several years.

The \$60,000 bond issue, it was pointed out, would take care of all the essential items—such as those which should be done at once.

Petitions bearing the signatures of more than the required amount of qualified voters were presented to the Commissioners Court prior to calling the election. It is hoped that every voter in the county will cast his ballot, either for or against these propositions, next Saturday.

Heavy Rains Fall Over Area

Rains which began falling here last Friday have transformed this dry area into wet, soggy land. The rains came on Friday, again on Sunday, then Tuesday and Wednesday.

Heavy rains, ranging as much as four inches between Munday and Weinert came Tuesday, further delaying cotton harvest but were generally welcomed by farmers with late maturing cotton and those getting ready to plant their fall wheat.

Although Munday received about an inch Tuesday, an area three miles south of town received around four inches, causing flooding of highways.

H. D. Henson, who farms the McNeill land, reported about 3 1/2 inches by 3 p.m. Tuesday.

Rains drenched Knox City with 2.50 inches, while 3.50 inches were reported on the J. T. Cyfert farm, 1 1/2 miles east of Knox City.

Goree reported 1.15 inches Tuesday and has received equally as much rain, if not more, than Munday.

Unconfirmed reports from the Rhineland area were that around 5 inches have fallen during the week.

Cotton harvest was getting well under way when the rains started, and 400 bracers were brought in by one gin to help in the harvest. Another gin had reported 87 bales of cotton ginned up until Monday.

H. P. Hill, U. S. weather observer, said Munday received 3.57 inches up to 7 p.m. Tuesday. An additional .32 of an inch fell since that time up to 3 p.m. Wednesday.

W. R. Petty entered the Bethania Hospital in Wichita Falls last Tuesday afternoon for observation of a heart condition.

Munday Cotton Classing Office Opens Fifth Year Of Operations On Tuesday

The Munday classing office of the Cotton Division of the Agricultural Marketing Service began its fifth year of operation last Tuesday, according to B. B. Manly, Jr., supervisor of the Abilene classing office, under which the local office is operated.

The Munday office will again be in charge of A. D. Peebles, with Wylie Cain assigned to the office. Temporary help will be provided when necessary.

The suboffice at Munday was first opened in the fall of 1958, with P. K. Barr in charge. That year a total of 62,570 bales were classed.

In 1959 K. E. Voelkel was in charge and the office classed 82,602 bales. Voelkel was in charge again in 1960 and 107,561 bales were classed.

Peebles' first year was 1961 and the office classed 115,217 bales.

Cotton ginned in Knox, Haskell, Baylor and Throckmorton counties and at the Perrin in Jack County and the Newcastle gin in Young County is classed at Munday.

The office is supplied with the latest Fibronaire equipment.

At present no one is sure what the 1962 cotton crop will do, Manly said.

"We do expect production to be below the 1961 figure due primarily to adverse weather," he said.

THE RECORD SPEAKS

The Chicago Daily News recently had something to say about the much-maligned medical profession which reserves the widest possible reading. Here, in part, is its view: "In these times doctors seem constantly to be under attack as self-centered, venal, 'old-fashioned' in their fear of socialization of their profession, even callous in their regard for the welfare of the older portion of the population.

"We don't doubt there are some bad doctors; the AMA is constantly policing its own vast membership, disciplining those who take too easy a view at the profession's high standards.

"But the record of the past couple of decades eloquently reflects the wisdom of entrusting the medical profession with its assigned tasks and the freedom to carry them out in its own way. One by one the great scourges—diphtheria, smallpox, typhoid, polio, tuberculosis—have been or are being wiped out. Cancer's days are clearly numbered, heart disease is under vigorous and effective attack.

"A single statistic . . . sums up the progress: If the 1937 death rate were still operative, 4,400,000 healthy Americans now living would be dead.

"These results did not just happen. An immense amount of hard work, of dedication, and service above and beyond the normal scope of duty brought them about."

"This is what the record shows, and all the political attacks we have seen and will yet see can't change it. Political tinkering with U. S. medicine is a menace.

ECONOMY, THE PRICE OF TAX REDUCTION

The American people are wiser than many of their elected and appointed leaders.

That is the deduction one can make from a recent Gallup poll concerning the tax question.

Almost all of us, to say the obvious, would enjoy lower taxes. But when Dr. Gallup asked: "Would you favor or oppose a cut in federal income taxes at this time, if a cut meant that the government would go further in debt?" almost three-quarters of the representative citizens polled—72 per cent—voted their opposition. Only 19 per cent were on the other side, with 9 per cent offering no opinion.

The American people have learned, from hard experience, that deficit financing is a primary breeder of inflation, and that the cheapened dollar that results does far more harm than any attainable degree of tax reduction can do good. The statistics tell that story. Average family income in

this country is about \$5,000 a year. A 10 per cent tax cut—which is a higher cut than is generally regarded as possible—would give this family only 80 cents a week more in spendable income. That would hardly lead to a thrilling upsurge in the economy.

The real need is to reduce the corporation taxes, and thus release big sums of money for plant expansion, modernization, and the creation of new jobs. But no tax cut can be economically or socially justified if spending-as-usual is to be continued. And that, seemingly, is what the welfare-staters want—which is a way of saying that they want to risk more inflation, and, sooner or later, a two-bit or a 10-cent dollar.

ANOTHER MOUSE TRAP

The Chicago Sun-Times observes: "Emerson's mousetrap shows up in many different guises. The quote about the world beating its way to the door of the man who makes a better mousetrap is an illustration that competition and the free enterprise system is good not only for business but for the consumers—the buyers of mousetraps."

Cause of this editorial comment was the installation, by one of the country's leading oil companies, of a filtering device on all its gasoline pumps. Cleaner gasoline is thus delivered to the cars of the company's customers.

The company, of course, hopes that the innovation will increase its service station business. And so it's an example of how the profit motive makes for better products, in big ways and small.

MADISON, FLA., ENTERPRISE-RECORD. ER: "We do not see how the federal government can reduce its taxes, as it plans to do . . . Mind you, we are not opposed to the tax reduction, for we think the taxes are too high, but along with the tax reduction should come a corresponding reduction in expenditures—and that would be very much in order. The government, as so many individuals have done, has let its expenditures get out of hand."

MARSHFIELD, MO., MAIL: "A rough-hewn philosopher has said: 'We Americans sure have been living high on the hog these last few years. But the trouble is, it ain't our hog. It belongs to our children.' He has expressed a very real moral problem. Are we going to drop our national debt, amounting to over \$7,000 for every American family, into the laps of our children and tell them it is their problem to handle as best they can? What kind of morality is that?"

CHURCH OF CHRIST

GOREE, TEXAS

"If And Why"

"If" is one syllable but important. Many things hinge on the "if". We are new creatures "if" we be in Christ. (2 Cor. 5:17.) We are Christ's disciples "if" we continue in his word. (Jno. 8:31.) Some "ifs" call for a "why."

IF CREEDS OF MEN ARE NECESSARY; WHY does the word of God "Thoroughly furnish the man of God unto every good work?" (2 Tim. 3:16-17.) Why has God "Given unto us all things that pertain unto life and godliness?" (2 Peter 1:3.) Why condemned for going beyond his word? "He that goeth onward and abideth not in the teaching of Christ, hath not God." (2 Jno. 9.)

IF MEN HAVE RELIGIOUS AUTHORITY; WHY does Christ claim all authority? Christ said, "A, authority is given unto me in heaven and in earth." (Matt. 28:18.) WHY is Christ to be pre-eminent? "That in all things he might have the pre-eminence." (Col. 1:18.)

IF ONE CAN BE SAVED IN ANY NAME, WHY is salvation in Christ's name only? "For there is none other name under heaven given among men, whereby we must be saved." (Acts 4:12.) Why glorify God through the name "Christian?" "Yet if any man suffer as a Christian, let him not be ashamed, but let him glorify God on this behalf (this name)." (1 Peter 4:16.)

IF SAVED OUTSIDE THE CHURCH, WHY is the subject to be taught? "Go ye therefore, and teach all nations, baptizing them . . ." (Those taught) (Matt. 28:19.) WHY is the subject to first believe? "He that believeth and is baptized shall be saved." (Mk. 16:16.) WHY is the subject to repent? "Repent and be baptized . . ." (Acts 2:38.) A little child can do none of these, therefore is not a subject for baptism according to the word of God.

BENJAMIN NEWS

Mrs. J. L. Bohannon and her three boys from Moah, Utah have returned to her home here where the boys will attend school.

Mr. and Mrs. J. D. Harris and daughter, Beth, of Houston visited her mother, Mrs. Nita Jackson, here last week. Sunday guests of Mrs. Jackson were Paul Gibson of Rule and W. C. Jackson of Nevada.

Mrs. Gladys Glenn of Amarillo visited in the home of W. A. Glenn and a number of friends here over the week end.

Mr. and Mrs. Charles Jennings of Fort Worth spent the week end with their parents, Mr. and Mrs. Claude Jennings, other relatives and friends.

Mr. and Mrs. Brady C. Wampler, Cecil, Minnie and Howard of Rule visited her mother, Mrs. Cora Gillentine, other relatives and friends and attended the singing in the Church of Christ here Sunday.

James Grady Hudson and a friend from Cotton Center are here visiting his parents, Mr. and Mrs. Grady Hudson.

Mr. and Mrs. Roy England and children of Santa Anna were week end guests of Mr. and Mrs. Homer T. Melton and Jimmie and other friends.

Miss Carolyn Hitch of Anson spent last week as guest of Miss Judy and Nannie Lou Gilbert.

Mrs. Muriel Johnson and L. J. Johnson, Jr., of Fort Worth visited with Mrs. Leola Isbell, other friends here over the week end.

Mrs. D. V. Gilbert, Nannie Lou and Judy, Mrs. Hester Hall and Janis and Carolyn Hitch, of Anson were visiting in Wichita Falls last Wednesday.

Mr. and Mrs. Malcolm Shipman of Flagler, Colo., are here visiting with relatives and friends and attended the Shipman reunion over the week end.

Mr. and Mrs. Albert Alexander and son, Alvin, visited his mother, Mrs. Alexander, in Luling and relatives in Austin and their daughter, Mrs. Charles Strong, and Mr. Strong and children in Athens last week.

Mrs. Lizzie Kyle is now in the hospital in Abilene for treatment. Her friends hope she will be back home soon.

Recent visitors of Mr. and Mrs. J. W. Herndon were Mrs. Vera May Peters and daughter, Sharon, of Abilene and Mr. and Mrs. Bruster of Fort Worth and Ray Herndon and a friend of Memphis.

Wayne Searcy of Denton is spending a few weeks this summer with his mother, Mrs. Ruth Griffith, and family. He will enter college again in Denton this fall.

Mr. and Mrs. J. D. Brown spent the week end with Mr. and Mrs. Curtis Brown and children in Lubbock. Their granddaughter, Debbie Brown, returned home with them for a visit.

Mrs. Allie Moorhouse accompanied Gladys Glenn to Amarillo Monday to visit, then go from there to Taos, N. M., to visit her son, Jimmie, and friends.

Mr. Lee Snallum was visiting in Wichita Falls Wednesday of last week.

Mona Dell Mobley, Charles P. Pribyla Marry On Sunday

Miss Mona Dell Mobley, daughter of Mrs. Lila Fay Mobley, became the bride of Charles Patrick Pribyla, son of Mrs. Frank Pribyla of Bomarton, on Sunday 5:00 p.m. at the home of the bride's mother, Rev. Bennie Hagen, pastor of the First Baptist Church of Goree, officiated at the double ring ceremony.

Vows were said before an arrangement of white gladioli. Traditional music was played by the bride's sister, Mrs. John Loyd Lambeth, who also sang "The Lord's Prayer."

Matron of honor was Mrs. Gene Bingham, sister of the bride, who was dressed in a frock of pale blue brocade silk with

white circular sheer veil for hat. Her corsage was pom-pom Chrysanthemums. Best man was John Loyd Lambeth, brother-in-law of the bride.

The bride, given in marriage by her uncle, Elkin Warren, wore a white brocade silk sheath and white hat of sheer veil tulle attached with binding of seed pearls. She carried a bouquet of pom-pom Chrysanthemums on a white Bible.

A reception was held in the home. Cake service was attended by Frances Warren, and punch was served by Mrs. Jimmie Rounton, sister of the bride.

The bride was graduated from Goree High School in 1956 and

from Hardin Simmons University in 1960. She had taught two years in the Arlington Junior High School, Arlington, Texas.

The bridegroom graduated from the Seymour High School. He also attended Midwestern University. He is engaged in farming at Bomarton.

Miss Carolyn Hobert of Dallas visited several days this week with her parents, Mr. and Mrs. Chalmer Hobert, and brother, Tony Hobert.

Mr. and Mrs. Zane Franklin and daughters visited Mr. and Mrs. Fred Hughes and Mike in Abilene last Monday.

Help your teen-agers do better homework!

The pressure is on for better grades. How can you as a parent help your children do better homework, better schoolwork? Start them on the "look it up" habit that not only builds word power but teaches youngsters how to think for themselves. Buy them a copy of Webster's New Collegiate Dictionary, a Merriam-Webster.

Look for the word Merriam. This is the dictionary required or recommended by almost every school and college. Insist on a genuine Merriam-Webster.

"Diseases Which Afflict Us Are As Different As The Features On Our Faces"

When a physician treats a sick person, he may first relieve pain or other discomforts, but he always concentrates on curing the cause of the trouble... When people try to treat themselves, they seldom can cure the cause because of lack of knowledge of how to properly diagnose.

Home remedies that temporarily relieve pain can sometimes create severe danger, because they enable the disease to take a firmer hold and eventually to become more difficult or impossible to cure. Always let your physician determine the cause of your sickness and prescribe the proper treatment and you will prevent serious trouble.

And you could possibly prevent still more serious trouble, by bringing, or having your prescription phoned by your physician to us...

TWO LEGALLY REGISTERED PHARMACIST on duty to give you around the clock service.

Your prescription, whether it be an original or a refill is compounded by a legal Registered Pharmacist. No Non Registered clerk is allowed to pick up a bottle in our Prescription room.

PRESCRIPTIONS ARE OUR BUSINESS

HESSTON V-22 TWO ROW COTTON HARVESTER

with REVOLUTIONARY brush action!

The new Hesston V-22 Cotton Harvester, field proved, and now in the third season, is the answer for once-over cotton harvesting. Designed to fit most farm tractors, the two-row V-22 handles up to three bales per acre for as little as \$7.50 per bale. Even green bolls are saved for later opening. You harvest a better grade of cotton by eliminating plant trash and dirt. The V-22 excels, whether in low- or high-yielding fields of storm-proof, storm-resistant, dry-land, or irrigated cotton. Durable, but compact and light in weight for harvesting when ground conditions won't support heavier machines. Bearings are packed and sealed for life, providing low service time. Large or small, the Hesston V-22 will fit your operation... and best of all, you can afford it!

THIS HESSTON DEALER HAS ALL THE DETAILS OF THE V-22

Miss Joyce Marilyn Johnson And Roy Tom Watts Marry On Saturday

The Church of Christ in Munday was the scene of the double ring ceremony of Miss Joyce Marilyn Johnson of Hamlin and Roy Tom Watts of Stamford at 7:30 p.m. Saturday.

Payne Hattox, pastor of Goree Church of Christ, officiated. Nuptial music was presented by an A Cappella group from Abilene Christian College.

Parents of the couple are Mr. and Mrs. Albert L. Johnson of Hamlin and Mr. and Mrs. Roy V. Watts of Stamford.

The bride, given in marriage by her father, wore an original gown of white peau de sole and was fashioned with a fitted bodice with round neckline accented with appliques of lace embroidered with seed pearls and iridescents. The bouffant skirt, accented in front with lace appliques and fabric roses, extended into a chapel train.

Her fingertip veil of silk illusion fell from a crown of pearls and aurora borealis beads. She carried a white orchid surrounded by carnations atop a white lace covered Bible.

Mrs. Parker New of Seymour

was matron of honor and Misses Carol Phillips, Neva Morgan and Londa Cavitt of Hamilton were bridesmaids. Their dresses of polished cotton were designed with full skirts and draped necklines in back. Mrs. New's dress was light blue and bridesmaids' dresses were in a darker shade of blue. They wore circular veils caught in circlet headpieces matching their dresses and carried nosegays of white pompoms.

Derrell Black of Anson was best man. Groomsmen were Robert George Watts, brother of the groom, Jerry Hill and Wilmer Sims, all of Stamford and ushers were James Hughes of Stamford and Mike Shearer of Flint, Mich.

David Holloway of Anson and Vickie Lynn West lighted candles. Flower girl was Laura Leigh Johnson and ring bearer was Phillip Wayne New.

Fellowship Hall of the church was the scene of the reception following the ceremony. In the houseparty were Sharon Wyatt and Donna Haynie, Shirley McCarty, Verna Leigh Rawlins and Mrs. Leon Johnson, all of Munday.

MRS. ROY TOM WATTS

Miss Garland Is Shower Honoree

Miss Ronnelle Garland, bride-elect of Bob Cude, was honored with a shower Tuesday night in the home of Mrs. Bob Brown.

Miss Sandy Brown greeted the guests and presented them to the honoree, her mother, Mrs. Ronald Garland, and Mrs. Elmer Cude, mother of the groom to be.

Miss Joan Cude registered the guests.

The table was covered with a white lace cloth over pink with a centerpiece of pink carnations. Appointments were crystal and silver. Mrs. Leon Johnson served the punch and Mrs. Gene Haynie served the cake.

Hostesses were Mmes. Tom Morton, W. G. Welborn, Bob Brown, Harold Partridge, Zane Franklin, J. H. Amerson, Omer Cure, Donald Hobert, Gene Haynie, Leon Johnson, Ray Lynn Hardin, Elwin Darter, Lee Bruce and Misses Verna Leigh Rawlins and Sandy Brown.

TO WED SEPTEMBER 14

Mr. and Mrs. Ronald Garland of Wichita Falls are announcing the engagement and approaching marriage of their daughter, Ronnelle, to Bobby Gene Cude, son of Mr. and Mrs. Elmer Cude of Munday.

The wedding is planned for Friday, September 14, at 8:00 p.m. in the First Christian Church in Wichita Falls.

Mrs. Pearl Lightfoot of DeLeon and Mr. and Mrs. Charles Lightfoot of Ft. Worth visited Mrs. Clara Nabor and J. M. Terry several days this week. Mrs. Pearl Lightfoot is a sister of Mr. Terry and Mrs. Nabors.

Activities of The Colored People

By Fannie Mae Johnson

Mr. Lee Odis of Dallas visit Mr. and Mrs. Walter Jones last week.

Mrs. Eller Mae McDonald have return back to Dallas to business college.

Miss Daisey Lee Ross visit her parent on the week end. She return to Wichita Falls on Yesterday.

Mrs. Aline Ross have improved wonderfully from her illness. Mrs. Elnora Hendrick left Sat-

urday morning for Los Angeles, Calif., to visit her son and family.

Mrs. Charity Cherry is visiting her brother and family in Wichita, Kans.

Pastor Wilson and family came Sunday. West Beulah didn't have church Sunday night on account of rainy weather. The church members considered that God's will must be done. Man cannot change God's plans in this world of sickness and sin, God's will must be done.

Mrs. F. M. Johnson wants to thank Mrs. Louise Williams of Wellington for the books she brought her. I want her to know I want to know more about God's will. We all should try to learn more about what God would have us do, the way He would have us live, then we will have a crown when this life is over.

Mrs. Ben F. Bruton and Durwood left August 24 for Laredo for a three day visit with Lt. Elwood Bruton at Laredo A. F. B. The course of the trip took them through old Mexico, the Texas Coast, the Alamo and the State Capitol.

Mr. and Mrs. H. S. Phillips of San Angelo visited their nephew and wife, Mr. and Mrs. C. C. Jones, an other relatives over the week end.

Durwood Bruton left last Monday for Dallas where he will teach electricity in the Robert T. Hill Junior High School.

Mr. and Mrs. Kenneth Stubblefield and sons of Fort Worth visited their parents, Mr. and Mrs. Earl Brewer and Mr. and Mrs. H. B. Stubblefield, and other relatives over the week end.

3" stalks and brush—a cinch!

Heavy duty, for sure! Has been demonstrated on rows of 4" x 4" posts. Easily cuts tough growth like bois d'arc, salt cedar, broom corn. Yet, fits lighter tractors: 20 to 40 HP. Fine shredding. Optional shredding attachment features patented intermeshing blades, makes fine litter of cotton and grain stalks to turn under for soil enrichment. Cuts 60" swath.

Fan-type blades available to lift light materials like corn stalks off ground.

A-shaped blade carrier and free swinging blades protect against stump damage. Extra heavy blades and carrier develop tremendous momentum, are the secret of the efficient "gyro action" cutting.

Also lift models and other sizes. 60" lift model fits all standard 3 pt. lift, 2 pt. Fast Hitch, and AC Snap Coupler. Larger models include 66", 84", 100".

Goree News Items

Goree PTA Elects New Officers

The Goree PTA held its first meeting of the year on August 28, under the direction of the new president, Mrs. Jack Coffman.

Other officers for the year are, Mrs. W. D. Cunningham, vice president; Mrs. J. C. Watson, treasurer and Mrs. Tommy Greenwood, secretary.

The committee discussed plans for several new projects for the year and some new committees were appointed for each of the projects.

We ask that you support the PTA, be a part of it. In your PTA you can work with other men and women who care about what happens to children and youths in their homes, schools and communities. You can make a strong and successful attack on all influences that tend to destroy our children's happiness and security, and you can add your voices to millions of other voices that demand and enforce laws protecting youth. Yes, in your PTA, "YOU," as an individual count, and are counted upon.

Mr. Lloyd Bradley is recovering at home from injuries received while working on a truck. Mr. Bradley spent several days in the Knox County Hospital last week. Clifford Bradley of Fort Worth spent the week end with his parents.

"Keep New Clothes Looking New"

So, of course, you want to keep new clothes looking new. Well, here's a tip one of the biggest clothing manufacturers gave me—and I tell my listeners on my CBS Radio program—insist on Sanitone Drycleaning. Sanitone Drycleaning gives you extras, like spots removed scientifically; minor repairs made; professional-rated press—fit, shape restored—and special finishes make the fabric feel new. So, for more than just drycleaning, insist on Sanitone! 99

Knox Prairie Philosopher Is Not A Bit Worried About The Plan To Move 2 Million Farmers Into Town

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek has found out about the suggestion to reduce the farm population, his letter this week indicates.

Dear editor:
A lot of farmers around the country I understand are up in arms because the Committee for Economic Development, a group of 200 leading industrialists and business executives, having studied the farm problem, has come out with the pronouncement that the way to solve the problem is to move two million farmers off the farms in the next five years.

It seems to me that what the Economic Development Committee is saying is that if you move two million farmers to town, the ones still left may not make any more, but there'll be less of them to complain.

I have thought about this proposal all week now and I find it doesn't disturb me, mainly on account of I ain't going. The reason I'm not going to a city is that in the first place I like it out here on this Johnson grass farm, and in the second place, where would you find a city so hard up it'd need me?

I know it's kind of galling to a farmer to look up from his problems and have some city people tell him the only solution is to move in with them, but the Committee for Economic Development could have come up with a lot worse solution.

For example, what if they had decided the solution was the other way around, that more city people ought to move to the country? If there's anything that'll make a farmer madder than telling him he ought to quit and get a job in town, it's telling him he ought to make room for city workers in the country.

What some people don't understand is that, as bad as the farm problem is, it's not as bad as us farmers make out. We make it sound worse than it is mainly to keep city people from crowding in on us.

Solving the farm problem by moving two million farmers to town is like solving the problem of under-paid school teachers by cutting the number of teachers in half.

I suppose there are some farmers who wouldn't object maybe to moving to town, but the trou-

J. A.

ble is they've already looked around a little in town, studied the financial status of a lot of town people, and had just as soon stay in the frying pan as jump in the fire.

If you can't quite make ends meet anyway, why move to town when you can do it just as well in the country?

Yours faithfully,
J. A.

LOCALS

Attention, Stockmen!

For hornflies, grubs, ticks and lice control, just pour on Ruelene 25-E. Just 7-cents per cwt. for all these controls!

Eiland's Drug Store
Jesse G. Smith, owner

Coming Soon

So you may shop while it is cool and after work hours, we are going to be open until 8 o'clock at night. Our lot will be open, and lights will be up. You may look over our stock of new and used cars.

Opening Night Will Be Monday, September 10!

Opening special will be—1962 Ford 1/2-ton pickup 1,645
(Below Dealer's Cost)

We will be open nights Monday through Friday. We have farmers' plan on financing — one-stop service and insurance. Come by and look our stock over.

Save money on 1962 models, while they last!

We are ready to do business—are you? Bring your title and wife!
