

THE MUNDAY TIMES

Volume XXVII.

Munday, Texas, Thursday, December 3, 1931.

Number 30,34

City Tax Payments Are Urged To Avert Crisis

Civic Leaders To Avoid Drive Here For Relief Funds

Although no community chest campaign is planned in Munday during the present season, those in position to contribute clothing, food or other articles which might be needed to relieve the destitute have been urged by officials of the chamber of commerce and city authorities to do so.

One particular need at the present time, according to R. D. Rawls, secretary of the chamber of commerce, is for warm clothing. Anyone with garments they do not need or with other contributions were asked to telephone either Mr. Rawls at D. T. Mauldin, the city secretary.

Merchants and Others Called Upon by Officials for Charity

Merchants and others called upon by individuals for charity were advised by officials to refer applicants either to Mr. Rawls or Mr. Mauldin.

Gifts Falling Into Wrong Hands Will Be Heavily Penalized

Gifts falling into wrong hands will be heavily penalized, it was declared, the transient destitute will not be permitted to remain here to become a burden on the community. The appeals from transients have been comparatively few.

Among those to be aided were an aging couple, the wife suffering from a foot injury which made her virtually helpless, who arrived here several days ago in a ranch-shack cart drawn by two burros several days ago. As they appeared in the business district, the man was coaxing the burros forward by walking beside them and holding a head of milo maize in front of them just out of reach of their mouths. They were supplied with food, bed clothing and remained here several days waiting for break in the unfavorable weather before resuming their journey.

Tom An' Jerry Creator in Munday

R. E. Ryan, cartoonist, and originator of the comic strip "Tom An' Jerry" which is featured thru the Federal Syndicate and appearing in the newspapers all over the country, is in Munday with his wife.

Travel Gives Ryan Ideas for His Work

Travel gives Ryan ideas for his work and at the same time he makes an effort to introduce his characters where they are not appearing in the local papers.

A Series of Cartoons Were Drawn for the Times, These are on Display in the Windows of the Paper and Will be Changed from Time to Time.

Ryan is also the owner of the Radio Chemical Co. in Cinn., Ohio. Where the radio products are made. While here he is advertising one of his products at the Lovelace Drug Store, through demonstration. This demonstration is going on now, drop in and see it. "I will have many a good word to say for Texas and the reception tendered to me all over the State" was Ryan's statements in the Times office today.

Improvements Made At Gas Station Here

The work of remodeling gasoline pumps and installing under-surface air and water tanks was started Tuesday at the Gulf company station of which R. B. Bowden is manager here. The improvement will tend to further beautify the station and will make the servicing of cars more convenient, Mr. Bowden said. Improvements will cost approximately \$100.

Carbuncle Sends Local Citizen To Wichita Hospital

S. A. Bowden, pioneer citizen here, was taken to the Wichita Falls Clinic hospital Thursday afternoon where he is to undergo an operation for the removal of a carbuncle which has formed on his neck at the base of his skull.

Mr. Bowden's condition was reported to be serious and the operation was declared necessary to hope of recovery.

Cooperation Asked In Guarding Clues Left By Burglars

When visited by thieves, leave conditions as you find them until authorities have investigated.

By so doing, the chances of an arrest and conviction will be much increased as will be the probability of recovering the missing property.

The Advice is that of Sheriff C. R. Elliott.

Authorities frequently are handicapped in their investigations of burglaries and large thefts, the sheriff explained, because curiosity seekers will unintentionally destroy clues which might otherwise prove of the utmost importance.

Particularly is that true, he said, of finger prints. A finger print clue, he explained, is about as important to a conviction as any that can be left by a violator, yet it is one which is most easily marred. For that reason, he explained, victims of thefts or burglaries should take every precaution to prevent the handling of any article or the defacing of any surface with which intruders have come in contact.

"We have a cooperative arrangement with authorities both at Abilene and Wichita Falls whereby the services of a finger print expert can be obtained within a few hours after a violation has been discovered in this county," the sheriff continued. "It therefore is to the advantage of everyone to make every effort to preserve any clues that may be left by the violator."

Illness Fatal At Arizona Home For J. A. Fenstermaker

Word of the death of J. A. Fenstermaker, a resident of Munday more than 30 years ago, at his home in Cottonwood, Ariz., last Nov. 27, was received by friends here during the week.

Survivors of Mr. Fenstermaker include his widow, the former Mrs. R. B. Wilson, property owner and resident of Munday for many years to whom he was married several months ago.

Friends recalled that Mr. Fenstermaker and Mrs. Wilson were acquaintances here before either married prior to the time of Mr. Fenstermaker's settling in Arizona where, for a third of a century, he engaged in the mining business. The acquaintance was renewed largely through chance after Mr. Fenstermaker had lost his wife and Mrs. Wilson had been widowed. Mr. Fenstermaker's death was due to natural causes, friends were advised. No word was received as to what funeral arrangements were made.

Installment Tax Proves Big Help To Knox Citizens

Knox county tax payers took advantage in surprisingly large numbers of the opportunity to pay their 1931 taxes in installments, according to reports from Benjamin.

Munday was the last day for the payment of the first of the two installments of county and state taxes, and Miss Sarah Wright, county tax collector, kept her office open beyond the usual closing time as a convenience to citizens. Taxes of those failing to make an installment payment became delinquent, as in the past, on Feb. 1, when the usual penalty is added. The totals of payments through Monday night had not been tabulated.

Munday Officials 'Sitting Tight' In Gas Charge Fight

Munday city officials continued Thursday to sit tight and await any move that might be made on behalf of the Stamford and Western Gas company and the Community Natural Gas company attacking the temporary injunction granted the city recently to forbid the collection by the gas company of a \$2 reconnection charge.

City officials said they had received an intimation as to whether the gas company representatives would ask a hearing in the injunction order, which was issued out of the 50th district court. The order forbidding the collection of a reconnection charge is being obeyed meantime, it was added.

Munday officials declared they are satisfied to let the matter remain as it stands, although any attempt to dissolve the injunction and restore the charge will be resisted.

Much Interest In Canning of Meats Shown In County

At least twice as much meat will be canned in Knox County homes in accordance with specifications of the extension service of the A. and M. college this year than last, according to the assertion of Miss Grace Nelson, county home demonstration agent.

The statement was made after Miss Nelson and W. E. Jones, county farm agent, had conducted the fifth of a series of meat cutting and canning demonstrations Tuesday at the home of Mr. and Mrs. Howell north of Knox City. Twenty persons other than Mr. and Mrs. Howell attended the demonstration, which drew from Mrs. Howell the remark that she would not have believed it possible that a person could learn so much in a single afternoon.

After Mr. Jones had demonstrated methods of slaughtering a calf and of cutting the carcass in preparation for canning, a total of 80 cans of veal products were put up under Miss Nelson's supervision. The food canned included roast, steak, chili and soup stock.

Other similar demonstrations will be given at intervals during the winter at centrally located points in the county.

Miss Nelson is now engaged in the preparation of her annual report and is convinced it will show that there has been a huge increase in the number of cans of vegetable and fruit products put up in the county as compared with last year.

Rainfall Mark In Munday Near Total For Whole of 1931

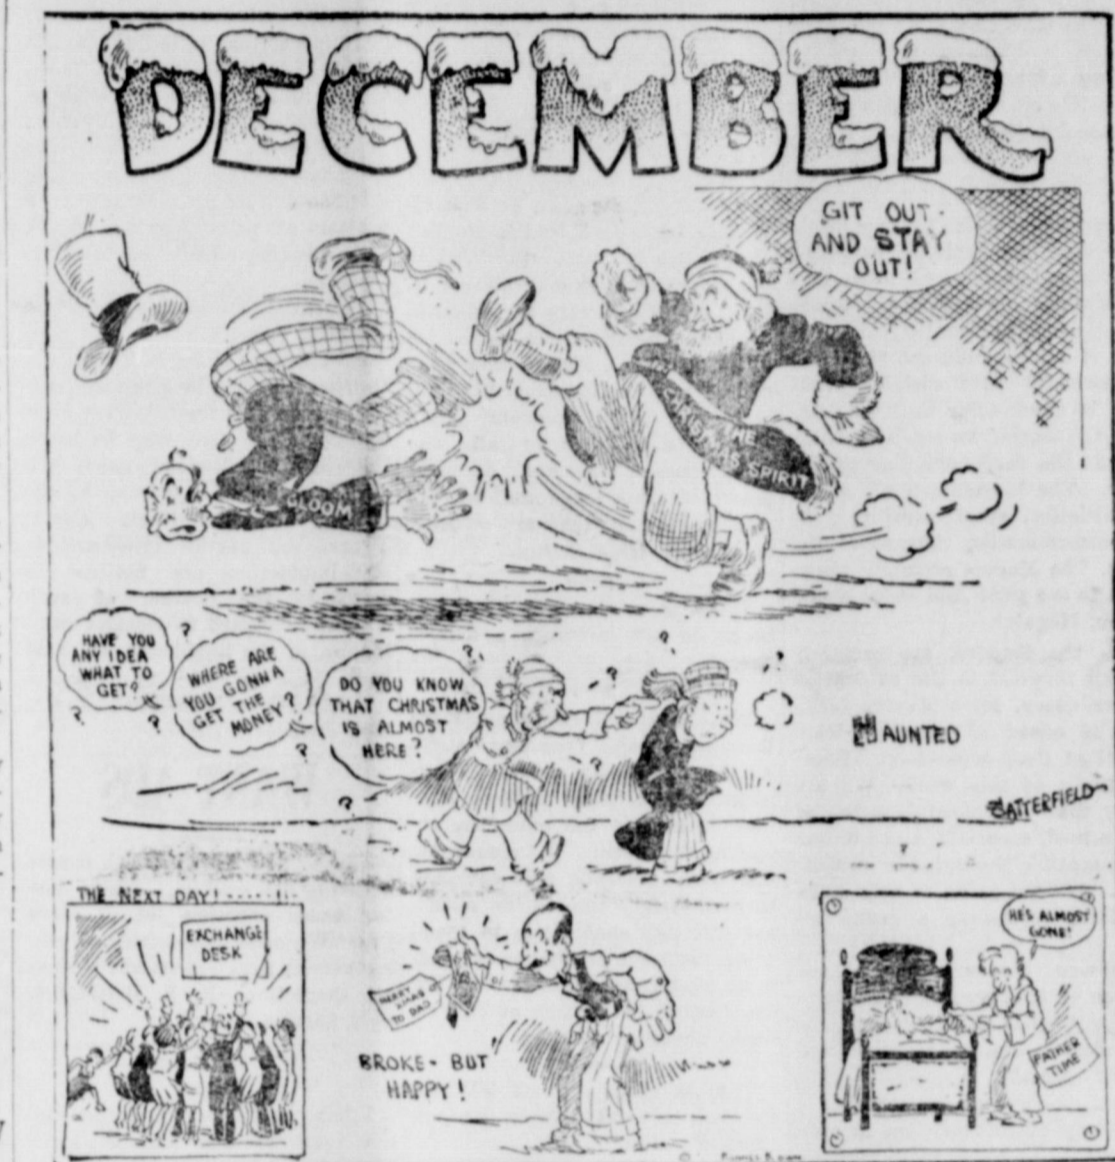

Precipitation in Munday was increased to within less than a third of an inch of the total for the entire year of 1930 by moisture recorded during the past November and up to Dec. 3, according to information given Thursday by A. E. Whittemore, weather observer here for the government.

Precipitation here since Jan. 1, 1931, through Wednesday totaled 22.17 inches as compared with 22.45 inches for the whole of 1930. Rainfall during the past December was 3.37 inches as compared with 1.14 inches in November 1930. Precipitation since last Nov. 30 here has been .56 of an inch while for the whole of last December it was 1.53 inches, Mr. Whittemore reported.

The Lowest Temperature Recorded During the Last Two Weeks of Inclement Weather was 23 Degrees on Nov. 27, While the Minimum Last Monday Night, when Sleet, Snow and Rain Fell, was 31 Degrees.

The first killing frost of the current season has yet to appear. Last year it did not occur until Dec. 17, according to Mr. Whittemore.

Rainfall during the last two months has definitely broken a drought which continued through most of the summer. Last October 7.25 inches fell as compared with 9.12 during October, 1930, which set an all time official record in Munday for any single month.

VOCATIONAL AGRICULTURE CLASS AT LOCAL HIGH SCHOOL TO HOLD POULTRY SHOW HERE NEXT MONTH

Arrests Expected With Solution Of Munday Burglars

Announcement that arrests are expected momentarily of men suspected of at three major burglaries here was made by Sheriff C. R. Elliott while in Munday during the course of investigations in the case.

Sufficient evidence had been uncovered, the sheriff said, to cause the filing of a burglary complaint against one man in connection with the taking of merchandise valued at about \$700 from the Economy Store about two weeks ago. Officers also were seeking a second suspect in connection with the case, he added.

Sheriff Elliott expressed the further belief that the investigations would solve the mystery surrounding the burglaries last spring of the Fair Store and the Piggy Wiggy store here.

Moore Chevrolet To Display 1932 Models Saturday

The announcement that he is backing his own belief in the business future of Munday and its territory by bringing in a carload shipment of 1932 model Chevrolet automobiles was made here Thursday by W. R. Moore, Chevrolet dealer here.

The new cars, including the latest models of coupe, coach, sedan, and truck, will have their first showing here at the Moore Chevrolet display rooms Saturday.

Citizens Asked To Observe Health Law

A reminder that citizens must comply at once with the ordinance enacted recently requiring that pits be placed beneath outdoor toilets was given Thursday by D. T. Mauldin, city clerk.

Most citizens affected already have complied with the ordinance which has as its purpose as a public health measure the elimination of the surface level outdoor toilet.

The ordinance now is in effect and the penalty for violation may be a fine of \$100, each day comprising a separate offense.

Big Reduction In Egg Produced In Trade Area Here

Plans for a poultry show sponsored by the department of vocational agriculture of the Munday High school, to be held in January, were announced Thursday by R. D. Rawls, head of the department.

Dates for the show had not yet been set. Premiums are ribbons are to be awarded.

Following the plan of last year, the first day of the show will be "rooster day", when anyone with a rooster he wishes to swap will be invited to bring the bird along. The feature proved one of the most popular of last year's exhibit.

The vocational department of the high school will have an educational display illustrating many of the requirements successful poultry production.

"In connection with the show, will attend and talk on, "Essentials for successful poultry production."

A small fee will be charged those exhibiting birds, this charge will be small, just sufficient to take care of feed and hand bills. Birds shown will be cared for during the day and night by students of the vocational agriculture classes.

Now is the time to start getting the birds ready for the show, birds will be judged by experts, 60 per cent for production and 40 per cent on the standard of perfection.

Schedules Changed Of Valley Trains

Changes of schedule of Wichita Valley trains to speed service by about 25 minutes each way between Wichita Falls and Abilene and to improve connections with lines at Wichita Falls and Stamford were put into effect Sunday.

The northbound train leaves Abilene on the new schedule at 6:40 a. m. and arrives here at 9:44 a. m. The southbound leaves Wichita Falls at 2:15 p. m. and arrives here at 4:57 p. m.

Postmaster Rensau announced that rural carriers will wait until mail arriving on the morning train has been put up before starting their deliveries. They will leave the postoffice each morning about 10 o'clock.

J. C. Walker, farmer, residing on route No. 1, brought a load of cotton here Wednesday to be ginned. He reported that although the inclement weather has been injurious to cotton remaining in the field, the benefits to grains and the seasoning provided by the moisture will more than offset any loss.

J. A. Warren Fails To Skate On Bone And Breaks Ankle

J. A. Warren can climb fences with the best of them but he has failed to master the art of skating on a bone. As a result he is laid up at his home on route No. 3 with a broken bone.

As Mr. Warren descended from the fence he stepped on a round bone. It rolled and he fell heavily, suffering the broken ankle.

The accident occurred about 10 days ago. He still is unable to move about, however.

Munday Gridders Play Burk Friday In Benefit Game

The Munday independent football team sponsored by the American Legion will contend for their third victory in as many starts when it meets an all-star eleven from Burkett here Friday afternoon at 3 o'clock.

The proceeds of the contest will go to the community chest. The chamber of commerce is cooperating with the Legion post in staging the event. John Spann, president of the chamber, and Frank Decker, Legion post commander, and Tom Haney and L. E. Lovelless, Legion committeemen, are in charge of arrangements.

Paul Pruitt, a mainstay of last year's high school football team, has been named captain of the Munday squad, while the team will be an all-star group comprising several members of the high school teams both of this year and last. The battle promises to be the hardest the Munday eleven, already victorious over Seymour and Knox City, has faced, as the Burkett team is said to have played the heavier schedule.

Rain, Sleet, Snow Fall As Winter Holds Grip Here

Winter weather in wide varieties, with the forecast of more of like nature to come, was the lot of Munday along with the remainder of most of the state during the past week.

The period of inclement weather, now approaching its third week, reached its worst Monday night when rain, sleet and snow divided time with each other. Although snow fell heavily for a period during the night, it melted as it reached the ground.

The moisture was welcomed by farmers of the territory as a seasoning for the crops of next year. Damage to cotton was negligible.

Weather Reduces Cotton Weighings To Seasonal Low

Lee Haymes, public weigher, took an enforced rest during the week while weather conditions and thinning crops combined to reduce the number of bales of cotton weighed to the lowest for any similar period since the movement started for the current season.

Only 51 bales were hauled during the week, increasing the season's total there to 4381. Mr. Haymes estimates that 95 per cent of the crop has been gathered.

Local Nimrods Shiver Through Duckless Day

Monday's weather was too cold even for the ducks in the opinion of Mat Dillingham, P. V. Williams and R. B. Bowden, who shivered through a shotless day on the banks of the Brazos. Although nearly a bushel of gun waddings found in their small blind testified to previous successful hunts there, the Munday nimrods failed to get a shot, they reported.

Miss Jewel Laney came home for the Thanksgiving holidays with her parents, Rev. and Mrs. J. A. Laney. Jewel is a student assistant in Chemistry in Texas Tech and gets her A. B. degree next August from Tech.

Obligations Near \$12,000 Due Here During Next Year

The city of Munday is threatened with the most serious financial crisis in its history unless citizens respond to the appeal to pay their municipal taxes, according to the statement issued Thursday by Mayor C. L. Mayes.

Explaining that officials have been lenient in pressing the payment of city taxes so that efforts could be concentrated on the collection of school taxes, Mayor Mayes asserted that it has now become vital that current municipal revenues be brought in.

The funds are needed, it was added, to avoid defaulting principal and interest payments aggregating \$11,960 on city bonds and arrears which come due during 1932.

The appeal to pay city taxes was accompanied by a declaration of Mr. Mayes that citizens already have responded to the fullest to one test, with the result that a warrant for \$1,395 was issued this week to retire city water works improvement bonds which matured.

"Many citizens may not realize," as one city official explained, "that the payment of taxes in advance of the date on which they become delinquent involves financial sacrifice on the part of the taxpayer. It, of course, is to be remembered that the failure of a city to collect sufficient revenue to meet its obligations may lead to a situation of serious possibilities to the property owner. The result is that the taxpayer, by paying his city taxes now, not only helps to protect the credit of his city but protects his own holdings as well.

"Taxes become delinquent on Feb. 1. It frequently occurs that property owners who owe the largest sums wait until the last moment to pay up. That plan is adopted because the taxpayer desires to retain for himself the interest on his own daily balances for the longest possible time. Taxes become due Oct. 1, and ordinarily the taxpayer has no more to gain by paying his taxes on Jan. 31 than on the preceding Oct. 1. As a matter of fact he stands, ordinarily, to lose. The revenue to him in interest to be derived from money due for taxes during the four months period between Oct. 1 and Feb. 1 might be substantial.

"This, however, is no ordinary year. The closing of the city depository, the First State bank, has left the city without funds to meet bonded obligations as they come due. The result is that property owners stand to lose more by delaying the payment of taxes than they possibly can gain."

While city funds on deposit are protected by personal surety which officials believe will prevent any loss, funds from that source are not likely to be realized in time to apply on obligations for which they were intended.

Mr. Mayes explained some of the possible results of failing to meet bonded obligations as they fall due.

The bonded and warranted debt of the city, he said, totals \$117,500. Payments due principle and interest during 1932 total \$11,960. The defaulting of the obligations, as outlined by officials could result in:

The placing of the city affairs in the hands of a receiver. The maturing of \$117,500 indebtedness for immediate collection.

The setting of a rate to retire the indebtedness. The levy would become a preferred claim from which homesteads would not be exempt and the property could be subjected to tax sales.

The total of outstanding indebtedness and sums in principle and interest due during 1932 were listed by Mr. Mauldin as follows:

Fund	Outstanding	Due 1932
City Hall	\$5,000	\$1,180
Water Works	45,000	5,760
Street Imp.	22,000	2,200
Fire	44,000	3,610
Fire Truck war.	2,000	11.25
Totals	\$117,500	\$11,960

Taxes assessed on the current roll total approximately \$15,000, Mr. Mayes said.

MUNDAY VISITED BY FORMER TEACHER

On Wednesday of last week the students of Munday High School were honored by the visit of a former superintendent, Mr. J. E. Rhodes, who spoke to us for some time. Mr. Rhodes is now superintendent of the Van Public Schools of Van Zandt County. We were told many interesting features of the school which has been greatly enlarged since Mr. Rhodes has been in charge. General changes which have taken place in our buildings and campus were complimented, and Mr. Rhodes stated that in building the school at Van he had kept in mind Munday High School. The school spirit was complimented and the only things Mr. Rhodes said he had not introduced in the new school were "The Department of Sign Painting" and "The Flag-raisers' Union." Much encouragement for the Moguls to win was given, as he said one of his principal purposes of the trip was to witness the defeat of Knox City. In the afternoon we were visited by Betty Carolyn. Mr. Rhodes charming young daughter and coming Van cheer leader.

On Wednesday afternoon, we received a visit from Mrs. Maud Mann, also of Van, who taught many of the present high school students in their grammar years. Many of the students were glad to see her as she was a very popular teacher when most of the present high school students were wondering if they would ever get out of the grades.

ENGLISH CLUB

Last Monday, at assembly period the English club met and a few members, assisted by Mrs. Adrian Macon, rendered a very enjoyable "Womanless" program. Those taking part in the program were Paul Penleton, Howard Albertson, Caz Lansford, Jerry Kethley, and the boy's quartette composed of Otis Perdue, Caz Lansford, Vincent Lane, and Lee Alfred Parks. This program disclosed some unusual musical and dramatic ability in our high school which we are "plenty" proud of.

Strength of mind is exercise, not rest.—Pope.

BONFIRE ON SCRUGGS' FIELD

Did you see the bonfire on Scruggs' Field, Wednesday night? Or did you by any chance happen to hear some noise on the same night? If you were not there you missed a "lot o' fun". There were speeches by ex-letter men, ex-Munday High students and teachers, and football boys and teachers of 1931-32. The pep squad gave some inspiring, "peppy" yells, and the rally ended with "The High School" song by everyone.

"We're loyal to you, Munday High; We're purple and gold, Munday High; We'll back you to stand against the best in the land; For we know you have sand, Munday High."

PAIN

HEADACHES
NEURITIS
NEURALGIA, COLDS

Whenever you have some nagging ache or pain, take some tablets of Bayer Aspirin. Relief is immediate.

There's scarcely ever an ache or pain that Bayer Aspirin won't relieve—and never a time when you can't take it.

The tablets with the Bayer cross are always safe. They don't depress the heart, or otherwise harm you. Use them just as often as they can spare you any pain or discomfort. Just be sure to buy the genuine. Examine the package. Beware of imitations.

Aspirin is the trade-mark of Bayer manufacture of monoaceticacidester of salicylic acid.

SAFE

Take away the idea of perfection and you take away enthusiasm.—Rousseau.

LAF-O-LOT

Something must be done, our editor is getting so absent-minded that she forgot to report to English class this morning.

For crying out loud.—Castora.

Were you satisfied with the proofs of your picture or did they look too much like you?

Then there was the football player who turned around after each play so that the spectators would be sure to see his numbers.

Many a man has had the course of his life changed by the reading of a book.—Emerson.

SENIORS

Here we are, back at school again after our Thanksgiving holidays! Of course, we enjoyed them too! We enjoyed that football game with Knox City Thanksgiving day! Even if our boys did not "beat the Greyhounds" they certainly held them in check after that very unexpected touchdown made by Knox City at the very beginning of the game. The Moguls certainly showed initiative, sportsmanship, grit, and determination throughout the game. The Moguls certainly showed there to see you! And we're proud of you, Moguls!

We, the Seniors, are certainly looking forward to the coronation of our queen, Miss Maxine Newson, as queen of Munday High School at Boop-oop-o-deop, Thursday night of this week. We are happy that our queen is queen of high school, especially since it was made possible through our own efforts. We are going to help make the Boop-oop-o-deop a grand affair.

We want the coronation of our "Queen of Munday High School" to be the "grand finale!" Just be sure and be there that night and see for yourself.

By way of information, in case you wanted to know, those stickers with various slogans on them, such as "Beat Knox City," "Fight 'em Moguls," "Beat the Greyhounds," etc., which were handed out and stuck over all the cars and buildings in town before the game with Knox City, were arranged through the efforts of three of our Senior boys backed by the Senior Class.

Practice on our play, "I Will! I Won't!" was discontinued last week but we resume practice on it today. We have decided to practice in the afternoons instead of at night for about two weeks; then we will practice at night until time to give the play.

JUNIORS

The Juniors are in rather low spirits this week. They saw the Munday Moguls bow to Knox City, Thanksgiving day, in one of the most thrilling battles that has been played here this season; then the poor Juniors must face the defeat at the hands of the Seniors in the ticket selling contest. That's enough for any class to bear in one week's time. But the Juniors are forgetting the past, and are thinking of the future. They are planning to help make the coming school carnival one of the best that has ever been sponsored by Munday High School.

Mend your speech lest it mar your fortune.—Shakespeare.

HIGH SCHOOL STUDENTS BROADCAST

Wednesday, the same boys quartet that took part in the English club program went to Wichita Falls to broadcast over station K. G. K. O. They were accompanied by Paul Penleton who played the violin, and Mrs. Macon, who played the piano. Although they are amateurs, their program was a thoroughly enjoyed by all who heard them. We are certainly proud of these boys and we are glad to say that they are students of Munday High School.

There is no time in life when books do not influence a man.—Besant.

Plans are still being made for Boop-oop-o-deop Thursday night. At this particular time it is imperative that many patrons show their loyalty to the school by attending this event. We assure you that your presence will not only be a material value to the school, but will also enable you to spend a pleasant and profitable evening. Bring your pennies and come to the Community Auditorium at 7:30 o'clock, Thursday evening.

Trouble springs from idleness, and grievous toils from needless ease.—Franklin.

SOPHOMORES

We know everyone enjoyed this past Thanksgiving with its football game and good Thanksgiving dinner. It's too bad that Thanksgiving just comes once a year.

Even though the Moguls did not win the Thanksgiving game, we are proud of the showing our Sophomore boys made.

Mrs. Mann, one of our former teachers, was a very welcome visitor of our English class, Wednesday.

Those can conquer who think they can.—Emerson.

FRESHMEN

Louise Ingram was one of the many Freshmen that were not in town Thanksgiving Day. That is probably one of the reasons that we did not see as many of our class at the game as we had expected.

They are never alone who are accompanied by noble thoughts.—Sidney.

Time is never lost that is devoted to work.—Emerson.

To All Persons Interested in The Liquidation of The First State Bank, Munday, Texas.

Notice is hereby given that on all applications to sell the assets of the First State Bank, Munday, Texas, in liquidation, or sell or compound all bad or doubtful debts or real or personal property due and owing to said bank, that notice of same will be given by posting a written or printed notice at the two following places in Munday, Texas:

Front door of First State Bank, Munday, Texas.

CHILDREN CRY FOR IT—

CHILDREN hate to take medicine as a rule, but every child loves the taste of Castoria. And this pure vegetable preparation is just as good as it tastes, just as bland and just as harmless as the recipe reads.

When Baby's cry warns of colic, a few drops of Castoria has him soothed, asleep again in a jiffy. Nothing is more valuable in diarrhea. When coated tongue or bad breath tell of constipation, invoke its gentle aid to cleanse and regulate a child's bowels. In colds or children's diseases, you should use it to keep the system from clogging.

Castoria is sold in every drugstore; the genuine always bears Chas. H. Fletcher's signature.

Fletcher's CASTORIA

Noted Speaker To Preach Sunday At Church of Christ

E. W. McMillan, minister of the Church of Christ at Abilene Christian College and one of the outstanding figures of his denomination, will preach at morning and night services at the Church of Christ here Sunday.
 Morning services will begin at 11 o'clock and evening services at 7:45 o'clock. Mr. McMillan is recognized as one of the most powerful pulpit orators in the state and a general invitation has been extended to hear him during the services here.
 Sunday school will begin at the Church of Christ here at 10 a. m. and the young people's program will start at 7 p. m.

BAPTISTS LET'S GO!

Sunday was a very stormy day, but our attendance was nearly normal. Folks that's simply splendid, we need you and you need us; so we will be expecting even more this Sunday, no matter about the weather.
 Sunday closes the campaign for financing the church. If you have not made your plans for your share in God's work do so at once, so that we may complete the whole plan this Sunday morning. May we not fail in this great matter. To do so would mean failure to our Heavenly Father and failure in our own line, for He has entrusted us with a great task.
 Come Sunday and do your part. God requires no more than that a man be found faithful.
 —Reporter.

J. P. Patterson, farmer residing on route No. 1, Knox City, was a business visitor here Wednesday.

FIRST METHODIST CHURCH

 —J. A. Laney, Pastor.

Len Bellows, district representative and manager of the Massey Lumber company at Seymour, made a routine business call on W. H. Chapman, manager of the yard here, this latter part of the week.

Leo Haymer, grand visitor for the Royal Arch Chapter here, has returned from Waco where he attended the annual school of instruction of the state chapter.

Mrs. Merle Laid and daughter, Miss Lucille, have returned from Abilene after having spent several days with relatives there.

Rev. Laney and family were dinner guests of Mr. and Mrs. Leon Gilliam of Haskell last Friday.

NOTICE IN PROBATE

THE STATE OF TEXAS,
 To the Sheriff or any Constable of Knox County—Greeting:
 YOU ARE HEREBY COMMANDED to cause to be published once each week for a period of ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Knox County, a copy of the following notice:
 The State of Texas
 To All Persons Interested In the welfare and Estate of Frank Zeissel, a person of unsound mind, J. W. Zeissel has filed an application in the County Court of Knox County, on the 1st day of December, 1931, for Letters of Guardianship on the person and Estate of Frank Zeissel which said application will be heard by said Court on the 21st day of December, 1931, at the Court House of said County, in Benjamin, Texas, at which time all persons interested in said Estate are required to appear and answer said application, should they desire to do so.

HEREIN FAIL NOT, but have you before said Court, on the first day of the next term thereof, this writ, with you return thereon, showing how you have executed the same.
 Witness my hand and official seal, at Benjamin, Texas, this 2nd day of December, 1931.
 M. T. CHAMBERLAIN, Clerk, County Court, Knox County, Texas.

HEREIN FAIL NOT, but have you before said Court, on the first day of the next term thereof, this writ, with you return thereon, showing how you have executed the same.
 Witness my hand and official seal, at Benjamin, Texas, this 2nd day of December, 1931.
 M. T. CHAMBERLAIN, Clerk, County Court, Knox County, Texas.

NOTICE TO DEPOSITORS AND CREDITORS OF FIRST STATE BANK MUNDAY, TEXAS

First State Bank, Munday, Texas, closed its doors on the 22nd day of October, A. D. 1931, and is now being liquidated by me as provided by law. If you have a claim against said bank, you are hereby notified to present the same with legal proof thereof to me at Austin, Texas, within ninety days after the 3rd day of December, A. D. 1931.
 Form for proof of claim will be mailed to every known creditor, and additional forms may be procured from the office of the Banking Commissioner, Austin, Texas.
 JAMES SHAW, Banking Commissioner of Texas.
 Dated at Austin, Texas, this 3rd day of December, A. D. 1931. (Dec. 3-14L)

 The State of Texas
 To All Persons Interested In the Estate of W. F. Zeissel, deceased,

Fred Zeissel has filed an application in the County Court of Knox County, on the 30th day of November, 1931, for Letters of Temporary administration on the Estate of W. F. Zeissel, deceased, and the said Fred Zeissel was appointed Temporary Administrator of the Estate of W. F. Zeissel, deceased on the 1st day of Dec. 1931, by the County Court of Knox County, Texas, which appointment will be made permanent at the next regular term of this court, unless contested, provided the court is of the opinion that a permanent administrator is necessary which said application will be heard by said Court on the 21st day of December, 1931 at the Court House of said County, in Benjamin, Texas, at which time all persons interested in said Estate are required to appear and answer said application, should they desire to do so.

HEREIN FAIL NOT, but have you before said Court, on the first day of the next term thereof, this writ, with you return thereon, showing how you have executed the same.

WHITE-FORD

Monday night, December 1st, at the Methodist parsonage, Mr. Curtis G. Ford and Miss Nora White were married by Rev. J. A. Laney. Miss White is the accomplished and pretty daughter of Mr. and Mrs. C. White of the Hood community, where she is well known and loved by her many friends. At the wedding she wore a lovely lavender satin backless dress trimmed in cream color piping. All accessories were of brown except a tan camel hair coat trimmed in brown.
 Mr. Ford is the son of Mr. and Mrs. A. E. Ford of Brownfield and is a farmer of sterling worth in the Hood neighborhood. He wore the conventional black. Miss Ola White and Mr. Ed Gibson accompanied them to the parsonage.

ROXY THEATRE

Friday and Saturday, Dec. 4-5.
 Raoul Walsh's—
 "THE BIG TRAIL"
 Vividly Enacted on Fox Movietone by a cast of 29,000 including Ray Wayne, Marguerite Churchill, E. Brendel and Tully Marshall. The most important picture ever produced. Every man, woman and child should see this picture. Also the first chapter of Red Grange's "THE GALLOPING GHOST."
 Sunday Matinee and Monday and Tuesday, Dec. 6-7-8:
 "DADDY LONG LEGS" with Janet Gaynor, Warner Baxter and Una Merkel. If you will only see this picture—we guarantee you will be glad you did. One short subjects on this program make it one of the best programs of the season. Football fun. Don't fail to see—
 "THE WEDGE PLAY"
 Wednesday and Thurs. Dec. 9-10:
 "THE BRAT" with Sally O'Neil, Allan Dinehart, Frank Albertson and William Collier, Sr. Also good comedy.
 Facts about the making of the BIG TRAIL—
 Start, April 20, 1930, at Yuma, Arizona.
 (100th anniversary of start of original pioneers.)
 Finish August 20, 1930
 Extras 20,000
