by Joyce Beecher Greenwood  
The haunting melodies of *Moon River* or *Mona Lisa* are not likely to ever again make the music charts. Those were the songs of yesterday. Today's music is more uninhibited, and even though some of us may find it nerve shattering, I don't find most of it offensive.

But when the winners of the top American Music Awards accept that coveted award in an obviously intoxicated condition - actually they appeared to be soused to the gills - and use language like the "Guns and Roses" group used on Broadcast Channels, we've come a long way since Nat King Cole, folks.

Kids have always needed heroes and there's something about the bizarre - the forbidden - that kids find attractive. If you're somewhere near the old half-century mark or older, you remember when Elvis first sang *ound Dog* on the Ed Sullivan Show and the cameras only filmed him from the waist up because of his rhythmic, hip-swinging gyrations. He was an instant hero - not only because he was so rky handsome and spoke with a soft Southern accent, not only because his music was something different - but also, because he dared to do something forbidden on national television in the 1950s.

And who could forget Tiny Tim, singing his little ukelele and singing *Tiptoe Through The Tulips* in his high-pitched voice. He certainly had talent. He was just something different, something strange, something to make parents' stomachs turn. I never worried a lot about the music my kids played - seven notches above loud. I knew that most of it was a passing fancy and their ears would eventually outgrow it. But, when Amy was a very young teen, I stopped by my dad's office one day and found him mad enough to bite one of the paper clips on his desk.

"Read this," he shoved a magazine article someone had given him toward me. "I don't want my granddaughters listening to music like that." It had been written by an advocate of rate music as movies are rated and listed some lyrics to some popular rock songs. The lines that had my dad incensed were from a "Prince" song and they were disgusting. By the time I left his office, I was as red as a tomato.

"This guy's tapes better not appear in this house!" I stormed to a surprised Amy as soon as I got home and passed the article into her lap. "And don't rent that 'Purple Rain' movie or spend one dime on anything that has his picture on it."

She responded with a series of loud yawns and reminded me that some of the country songs I listened to had some pretty risqué lyrics - a point I couldn't defend - but I stood firm.

"Aw, kids just listen to the music," my mother said when I told her about it. "They don't pay any attention to the words."

If that mother will buy that, I hope nobody shows up at her door with a deed to the Alamo because she'll buy anything, I remember straining my ears like crazy to hear the one line of song that caused my dad to ban it, and I was a pretty good kid.

Nobody's shocked by filthy language anymore. We've all heard everything - in fact we're just about saturated with it - but that doesn't make it any less disgusting. Why have we allowed it to permeate our lives? Have our vocabularies really integrated to the point we have to depend on offensive four letter words to express our feelings?

My beautiful cousin, Beth, came by and had spaghetti with us one night and, as we always do, we became engrossed in philosophical conversation that would probably solve everybody's problems if Beth and I ran the world.

THE 1990 MUNDAY MOGULETTES were all smiles last Friday night as they defeated the Knox City Houndettes 69-46 to cinch the District 18A basketball championship. The team holds a 7-0 district record with one game remaining. That contest will be against the Lady 'Cats of Goree on Friday. Tip-off is at 6:30 in the Goree gym.

## MOGULS IN TIE FOR FIRST PLACE

### Mogulettes Defeat Knox City To Cinch District 18A Crown

The Munday Mogulettes cinched the District 18-A basketball crown last Friday night with their 69-46 pounding of the Knox City Houndettes. On Tuesday night the girls traveled to Benjamin, bringing home a 65-36 victory over the Lady Mustangs. The Mogulettes now stand 7-0 in district play, with one district game yet to play. The second place team, Knox City, has a 4-2 record with two games remaining.

In Tuesday's game with Benjamin, Munday's pressing defense kept Benjamin from scoring in the first quarter and Munday lead 25-0 at the end of the first period. The entire team saw action during the game, with everyone contributing to the win. Leading scorers were Mindy Myers with 22 points followed by Kathy Wilde with 12 and Christy Williams with 8. Angie Offutt hit 7 points for the Mogulettes and April Offutt hit 6. Other scorers were Bridgett Beaty, 3; Robin Reneau, Jae-Jae Reneau, and Misti Zeissel, 2 points each and Alicia Cook, 1.

In the Knox City game, the Houndettes raced to a 17-14 first quarter lead, but Munday's pressing defense and running offense seemed to wear the Knox City team down, as Munday outscored Knox City in each of the next three quarters. Kathy Wilde and Christy Williams managed a strong defense against Knox City's post girls' play, thus holding the normally high scoring team to only 46 points. In an excellent offensive game, the Mogulettes hit 27 of 57 attempts from the floor, for a 47% average and had a 74% free throw average, hitting 14 of 19 from the line. Mindy Myers was again the leading scorer with 27 points. Other scorers were April Offutt, 13; Angie Offutt, 11; Kathy Wilde, 9; Christy Williams, 7; and Jae-Jae Reneau, 2.

"The game against Knox City was probably the best entire team defense that Munday has displayed thus far this season," Coach Sloan said.

The Moguls hosted Notre Dame High School on Tuesday night in a non-district contest, claiming the win by a slim two point margin, 66-64. A loss to the Knox City Greyhounds on

Friday night placed the two teams in a tie for first place in district with records of 4-1.

High scorers against Notre Dame were Bobby Dockins, 23; Perry Collier, 12; and Terry Collier 12.

Dockins again took top scorer honors in the Knox City game, hitting 24 points for the Moguls. Terry Collier had 11.

Local teams hosted Haskell here Tuesday night in non-district play and will conclude the season with a district game at Goree on Friday night. Games will begin at 6:30 p.m.

## JUNIOR VARSITY

In junior varsity action last week, the JV boys defeated the Notre Dame junior varsity by a score of 48-30 on Tuesday and on Friday lost to Knox City's JV 51-43.

The JV girls outscored the Knox City JV by a score of 39-19 on Friday. High scorers were Bridgett Beaty, 12; Missy Reneau, 9; Beth McPherson, 6; Susan Whittemore, 6; and Brandy Branam, 4.

Next action for the JV teams will be Thursday night in Haskell.

### Sarpalius Mobile Office To Stop Here Wednesday

U.S. Representative Bill Sarpalius' mobile office will be at Munday City Hall from 10-11 a.m. Wednesday, February 7.

The mobile office, which travels to each town in the district on a monthly basis, allows the congressman to bring his office's services directly to his constituents.

"I have always believed that to be an effective public servant you have to go to the people and hear their wants and needs," Sarpalius said. "I was elected not just to represent you, but to serve you. That's why I have this mobile office."

For more information contact Aaron Alejandro, District Coordinator, at (817) 767-0541.

### Chamber Sets Banquet Date

The annual Chamber of Commerce and Agriculture banquet has been set for Tuesday, March 6, in the Munday High School gymnasium, according to Lynn Fitzgerald, Chamber manager.

Dr. Gary Wood of Austin, a graduate of Munday High School and president of the Texas Research League in Austin, will be guest speaker.

Tickets can be purchased for \$10 each at the Chamber office.

### Plans Being Made For Catholic Dinner

St. Joseph Church members are planning a dinner to be held Sunday, March 4, at the Knights of Columbus Hall in Rhineland. Sausage will also be sold.

Watch the *Courier* for further details.

## AT STATE YOUNG FARMERS CONVENTION

### Lloyd D. Welch Honored As Outstanding Member

Lloyd Don Welch, a member of the Brazos Valley Young Farmers for the past seven years, was awarded the Area IV Outstanding Associate Member award at the State Young Farmers Convention held January 18-20 in San Angelo.

Welch served as vice-president of the Young Farmers organization in 1987-88 and was president in 1988-89. He has served as sheep superintendent of the Knox County Junior Livestock Show, an annual event for young people, sponsored by the Young Farmers, for the past six years.

Additionally, Welch has served on the Young Farmers Consignment Farm Sale committee for the past six years and has been in charge of concession stand duties during that time span.

In making the nomination, Ricky Moeller, Brazos Valley Young Farmer advisor stated, "Lloyd has been an asset to our association and community. He is a gentleman that is always willing to help support civic services, but most of all, help with young people."

Lloyd's wife, Jacquita, also at-

LLOYD DON WELCH

tended the Young Farmers Convention.

Gary Ender of Stamford, was elected state president of the Young Farmers Association during officer elections at the convention. Gary is married to the former Judy Lowe of Munday.

MARK HASKIN

### Mark Haskin Is Candidate For Commissioner

Mark Haskin of Goree has announced his candidacy for Precinct 4 Commissioner of Knox County in the March 13 Democratic Party primary.

A graduate of Goree High School, Haskin was involved in farming until 1987 when he began work for Precinct 4. He feels that his experience in working with the precinct and his knowledge of the county, its people as well as its geographical structure, will enable him to better serve his fellow citizens in the capacity of commissioner.

"If I am elected," Haskin stated, "the job as your County Commissioner will be my only profession. There will be no outside commitments to prevent me from contributing 100% to this position."

Haskin has been a native of Knox County all his life and is married to the former Michele Bowman of Goree. They are the parents of two small sons, Dean and Alan.

"I would appreciate your considering me as your next County Commissioner," Haskin said. "and I ask for your support on March 13."

### Cypert Files For Precinct 4 JP

Truman Cypert of Munday has authorized the *Courier* to announce his candidacy for the office of Justice of the Peace, Precinct 4 in Knox County, subject to action of the Democratic Primary in March.

Cypert was appointed to the office in 1987 to fill the unexpired term of John Phillips, who resigned the position.

Cypert asks the consideration and support of voters in Precinct 4 in the upcoming election.

**WILLIAM L. "SPIKE" BRYAN**, of Munday, president of the Knox County Farm Bureau, visited the Texas Farm Bureau headquarters in Waco January 16 on a one-day orientation trip with other county presidents. Gary Joiner, assistant director of Radio & TV Services, explains video equipment in the organization's state office building. The Texas Farm Bureau is organized in 214 counties in Texas and has a membership of 327,589 member families.

## Munday Teacher Attends TEA Meeting In Austin

Munday Elementary School fifth grade teacher Linda Edrington recently represented the Munday ISD and region at a meeting of the Texas Education Agency in Austin.

The TEA is currently developing the 1990-1995 student assessment program, Texas Assessment of Academic Skills. Field test were given in October, 1989. The next step in the test development process was a review of field test data by committees of Texas educators. Ms. Edrington represented the local district on the Grade 5 writing committee.

The committees represented each of the twenty education service center regions, various types and sizes of districts and the three largest ethnic groups in Texas.

Committee members reviewed 256 pages of instruction and field test items which will be placed in a test

"bank". The items were reviewed for appropriateness, bias, currentness, regionalisms, accuracy of content, and difficulty. A vote was then taken to keep the item, delete the item, or use if necessary at a later testing date.

The educators were asked not to divulge any specific items in the test bank, but they were encouraged to share information about general skills which will be tested.

## Child Therapist Visits Elementary Students

Lori Scarbrough, child therapist with the Great Plains Hospital in Lawton, Oklahoma visited with students at Munday Elementary School on Monday, January 22.

During small group sessions, the therapist talked with the children about personal safety and protection from strangers.

Children learned that it is best to stay away from people unknown to them. They were instructed to refuse rides, candy, money, or gifts from strangers. Students were also cautioned against strangers who try to touch them, lift them up, pull on their clothes, buttons or zippers, and most importantly, to report any incident to parents, teachers, or police.

## Weinert News

By Mrs. Myrtle Phemister

Birthday balloons will fly this week for Heather Guess, Kristi Earle, Joe Frazier, Betty Sanders, Amy Castillo, Helen Turnbow, Kim Stewart, and Cristi Herricks. Happy Birthday all!

Congratulations to Buck and Helen Turnbow who will celebrate a wedding anniversary.

Baby Jane Walker, daughter of Mr. and Mrs. Bill Walker, spent a few days in the hospital last week giving her parents an uneasy time as the doctors tested to find her problems. What was suspected to be meningitis was diagnosed as seizures caused by extremely high fever from a cold, sore throat and teething. She is home now and doing well.

The Lester Hutchinsons have spent several days in Abilene at Hendrick Medical Center with their daughter-in-law, Leisa Hutchinson, who is home now and recovering, and also with Bobby Hutchinson, who suffered a heart attack and underwent balloon surgery on Friday. He is in a stable condition in Humana Hospital, but not out of danger. Our prayers continue for our sick ones.

Sympathy is extended to the Brockett family upon the tragic death of a nephew, Ray Thomas, of Dallas, who was killed in a freak accident near Grapevine on Saturday night.

Mr. and Mrs. Donnie Harbers were in attendance at the three day Texas Baptist Evangelism Convention held at Ft. Worth last week. Donnie is pastor of the First Baptist Church and was enthusiastic about the good speakers who presented their encouragement to all the preachers present.

"Our Hope - Press On" was the theme of the program and Tom Landry was guest speaker on Monday night. Other speakers on the roster included John Bisagno and Tom Ellif as two of the outstanding ones.

Johnny Earp IV was a guest in the home of his parents, John III, and Marilyn Earp, and attended worship services at the Baptist church for Men's Day, with his dad in charge of the program.

Hal Guess and Joe Yates were pulpit speakers and H.L. Guess was at the piano. Special music was a quartet composed of Joe Yates and his sons, T.J., Dusty, and Jace.

Cindy Therwanger, Lauren and Tyler, have returned to their home in Baltimore, Maryland, after several days visit in our area and with her husband's grandmother, Mabel Derr.

Mildred Offutt visited in Munday last week with her aunt, Alma Pack, and a sister-in-law, Juanita Davis.

On Tuesday Mildred, with her son Wayne and Shirley Offutt, of Wichita Falls, were in Wylie for a visit with her daughter, Judy and R.W. Anderson, Valarie and Mellissa.

Mildred and Alton Sanders were in Munday to join a group of relatives in the home of her mother, Jewel Havarán. Others in attendance were two aunts, Aline Cross of Seymour and Annie Mayer of Vernon, and a cousin, Tony and Sammie Mayer, also of Vernon. Mildred spent most of the week in Hamlin with grandchildren Keri and David Sanders, while their parents attended the Evangelism Convention in Ft. Worth.

Ted and Faye Jetton hosted a dinner party in their home last week for good friends, Mr. and Mrs. W.P. McCallum, who left for several weeks stay in the Rio Grande Valley. Others in attendance included Mr. and Mrs. Robert Speer, Mr. and Mrs. Woody Woodard, Mrs. Barney Frazier and Mrs. Hoie Harrell.

Mr. and Mrs. Jerry Don Hudgens,

Bryce and Caleb, were in Muleshoe to visit her mother, Sharon Dale, and her sister, Dianne and Jeff Skipworth, last weekend.

Ernest and Louise McGuire entertained their brother-in-law, John Hamilton, of Harlingen, and his daughter, Frances Clark of Wichita Falls. They also visited in the home of John's sister, Hazel and Russell Rainey.

Sophia and Gilbert Jimenez spent Sunday in the home of Nick and Eva Jimenez of Haskell. After Nick finished his training with the Department of Corrections, he has been stationed as a guard at Palestine, Texas, and was home for the weekend.

Randy Alexander of Stamford visited in the home of his grandparents, Ed and Zella Alexander.

Marvin and Myrtle Phemister were in Ft. Worth on Saturday for the funeral of a cousin, Walter Theo Phemister, of Burleson.

The Foursquare Church members hosted a shower for little Megan Jo Rawlings, infant daughter of Mr. and Mrs. Monty Rawlings of Abilene, on Saturday afternoon. Megan Jo was christened and dedicated at a special ceremony held in the sanctuary on Sunday morning following the worship service. Great-grandparents are

Mr. and Mrs. Thurman Stout, grandparents are Mr. and Mrs. Wayne Stout.

The condition of Ima Stewart's eye caused her cataract surgery to be postponed for two weeks.

John and Laverne Mayfield were in Abilene last week for the birthday dinner of an aunt, Mrs. Baz (Mary) Furrh, who is 90 years old. She resides in the Retirement Center at Hendricks near her daughter, Keith Dodds and husband, at the present. Mary was born Mary Gould, and moved to Weinert when she was a girl, 16 years old, and her parents were early day settlers of our town, having moved here about 1916.

The Ladies Bible Class of the Weinert Church of Christ requests the honor of the presence of their neighbors and friends at their weekly get-together on Wednesdays at 9:30 a.m.

The present course of study has been "The Christian Woman, a New Testament Pattern for Living," and the ladies take turns conducting the class, using only the Bible as their study guide. Out-of-town guests last

week included Jeanette Phillips and Nancy Whittemore, both of Munday.

The Home Extension Club will meet on Tuesday, February 6, at 2 p.m. in the home of Faye Jetton. The program will be presented by Mrs. Lou Gilley, agent, and will be new concepts of microwave cooking. Guests are always welcome.

Mrs. Billie Sparks returned to her home in Marble Falls on Sunday after several days visit with the Herricks family, and other relatives and friends. She is an old family friend and former evangelist in our area. She attended worship services on Sunday at the Foursquare Church.

Woody and Georgia Turnbow spent the weekend with their daughter and helped their grandson, Levi Sorrels, celebrate his 3rd birthday, and enjoyed a visit with their daughter's other children, Luke and Tabitha.

## Nursing Center News

By Virginia Williams

Millie Smith conducted the Monday Bible study, taken from Luke 12: 7 and 8.

Annie B. Lain and Frances Cypert called Bingo on Tuesday. They gave fruit and crackers as prizes to everyone.

On Thursday, Dayle Kuehler and Bertha Moore from St. Ann's Mothers Society called Bingo. Their prizes were hand lotion.

All the residents of the nursing center extend their sympathy to the B. B. Bowden family in their loss.

Arthur Smith Jr. of Munday moved into the nursing center, Room 10. We

all welcome him as a member of our family.

Everyone enjoyed the lovely service and singing on Sunday that the Methodist Church brought. Bro. Gardner read the sermon and Marjorie Key played the piano.

Edith Rannels has returned to the nursing center from her five day hospital stay. We welcome her back.

## Police Academy Testing Dates Scheduled

The Continuing Education Division of Vernon Regional Junior College has scheduled the VRJC Regional Peace Officer Academy this spring. The academy is scheduled to meet from 6 to 10 p.m., Monday through Friday, beginning March 5, for a total of 400 hours of training.

Persons interested in registering for the course must contact VRJC to obtain a packet of information concerning registration procedures.

Testing dates for the pre-screening entrance examination will be Monday, February 5 at 1 p.m. or Tuesday, February 6, at 6 p.m. on the Wichita Falls campus and Thursday, February 8 at 1 p.m. on the VRJC campus in Vernon.

After completing the academy, persons are eligible to take the state licensure test to become a licensed Peace Officer in Texas.

The class will be held at VRJC in Wichita Falls, 4105 Maplewood Avenue. Fee for the course is \$350, and the coordinator will be Joe Foley.

Preregistration is necessary.

For further information or registration forms, contact the Office of Continuing Education at 723-0921, 696-8752, or 552-6291 in Vernon.

MEMBERS OF THE 1990 JUNIOR VARSITY MOGULS basketball team include, back row, left to right, Coach Mark Dobson, Ronnie Whitfield, Ray Hernandez, Charlie Terrill, Matt Angerer, Kevin Myers, Chad James, Junior Masias, Chris Key, Andy Dancer, and front row, Christopher Clem, Kenny Forehand, Gene Shields, Noel Campos, Freddie Sosa, Chad King, Jason Zeissel, and Jay Kingston.

## Texas Rural Hero Nominations Due

Nominations deadline for the 1989 Texas Rural Heroism Award is February 9, according to Texas Safety Association President George R. Gustafson.

The award, sponsored by the Texas Farm and Ranch Safety Council, will be presented March 12 at the opening session of the Texas/Southwestern Safety Conference and Exposition in Houston.

The nominee must have performed a heroic act of human-lifesaving within Texas during 1989. Preferably, it should be related to farming and ranching.

Nominations should include a written account of the incident and the names, addresses, and telephone numbers of all persons involved. Newspaper clippings and photos should accompany the nomination, if possible.

Nominations should be sent to Ben Bullard, president, Texas Farm and Ranch Safety Council, P.O. Box 2689, Waco, Texas 76702-2689.

## County 4-H'ers Travel To Fat Stock Show

Twelve Knox County 4-H'ers will be competing in the Southwestern Fat Stock Show and Exposition in Fort Worth this weekend.

Exhibitors showing swine projects include Amanda Baker of Knox City and Cathy Nelson of Munday.

Melinda Latham of Munday will be exhibiting a lamb.

Showing steers in the competition will be Lance McWhorter, Aaron and Anna Kay Kiser of Munday, Stefani and Scott Stephens of O'Brien, Christi, Rhonda and Jay Whitten, and Jason Patterson of Benjamin and Jason Simmons of Gilliland.

The youth will be accompanied by parents and Donnie Peters, County Extension Agent.

fits. During the 1990s the "baby boom" generation in the workforce has assured a ratio of three workers for each person receiving benefits. However, when the baby boomers reach retirement age, around the year 2010, the ratio will drop to only two workers for each beneficiary. The gradual increase in trust fund reserves now is needed to allow payment of benefits to these future retirees.

While the debate will no doubt continue, the new Commissioner of the Social Security Administration, Gwendolyn S. King, has vowed to protect the trust funds against diversion for other uses. "Our job is to make sure the money is there for the benefits," she said.

Letting the funds accumulate as provided under current law will insure financial stability for well into the next century.

More information about social security financing can be obtained at the Vernon Social Security office, located at 1701 Cumberland Street.

## Munday Garden Club To Meet February 6

Members of the Munday Garden Club will meet at 2 p.m. Tuesday, February 6, in the home of Mrs. J. T. Offutt.

Mrs. Clint Norman, librarian, will show a slide presentation on roses, iris, and wild flowers.

All members and guests are welcome.

Our driest state is Nevada. Its annual rainfall averages 8.8 inches.

## Increase In Trust Fund Reserves Needed For Future SS Payments

As the balance in the social security trust funds continues to grow, so does the public debate about the proper use of this money, according to Frances Braden, resident representative of the Vernon Social Security office. Intended for benefit payments in the next century, the increase has stimulated interest in more short-term uses.

At stake is the combined retirement, survivors, and disability trust funds which increased by \$38.8 billion in the last fiscal year. Those funds are projected to reach a trillion dollars by the turn of the century and peak at about 2.8 trillion in today's dollars by the year 2020.

Some of the current debate centers on consideration which is being given to possible other uses, such as higher

benefits, or the lowering of social security taxes to return social security to a pay-as-you-go system. Both of these suggested alternatives ignore the issues which led to social security's current good health.

In 1983, remedies were devised by the bipartisan Commission on Social Security for a then financially troubled social security system. Congress adopted the Commission's recommendations - higher social security taxes, benefit cuts, and coverage extensions - in an effort to resolve not only the immediate problems, but also insure the ability of the trust funds to pay benefits into the next century.

Projections show that, as the overall population ages, fewer workers will be paying into the system and more retirees will be receiving bene-

## Economic Injury Disaster Loans Available To Small Businesses

The U.S. Small Business Administration (SBA) in Lubbock has announced that SBA is accepting applications for Economic Injury Disaster Loans (EIDL) from eligible small business concerns and small agricultural cooperatives (without credit elsewhere) located in Knox and 38 other Texas counties.

The Secretary of Agriculture made a disaster designation as a result of adverse weather and in some counties range fires which occurred in 1989. Businesses in these counties have until July 17, 1990, to file an application with SBA. Applicants must have sustained substantial economic injury because of agriculture damages caused by the specified adverse weather or range fires. Farmers and ranchers are not eligible for these loans. However, nurseries that are victims of drought disasters are eligible.

The EIDL program is intended to assist agriculture-dependent businesses and small agriculture cooperatives who sustained a substantial decrease in sales (or other forms of economic injury) directly due to losses incurred by farmers and ranchers to whom the business usually sells. In some cases, this may include non-agriculture-related businesses which sustain a substantial economic

loss directly due to the inability of the farmers affected by the disaster to purchase goods and services at their normal levels. Small businesses claiming to have been physically injured by the adverse weather or range fires are not eligible for SBA economic injury loans.

The EIDL program is available only to businesses that are considered small by SBA size standards and do not have credit available from other sources. The interest rate for loans processed under this designation is 4 percent for small business concerns and small agricultural cooperatives without credit available elsewhere. The loans are limited to the financial needs of the applicant based on the actual economic injury and may be made for up to \$500,000. A loan may extend to 30 years, depending in repayment ability.

Eligible victims seeking loan information and application forms may call, toll-free, 1-800-527-7735.

Other counties included in the program include Andrews, Armstrong, Borden, Briscoe, Carson, Cottle, Crosby, Dallam, Dawson, Dickens, Donley, Floyd, Foard, Gaines, Garza, Glasscock, Hall, Hansford, Hartley, Haskell, Hemphill, Howard, Hutchinson, Jones, Kent, King, Lipscomb, Martin, Midland, Moore, Motley, Ochiltree, Oldham, Potter, Roberts, Sherman, Stonewall, and Swisher.

## Seventh Grade Basketball Action

Munday's seventh grade boys' and girls' basketball teams participated in the Haskell junior high tournament last weekend and traveled to Paducah on Monday night.

On Thursday at Haskell, the boys were defeated 37-15 by Haskell's seventh graders. Scorers were Joe Bunton with 7 points; Donny Browning, 3; Keith Myers, 2; and Ricky Thomas, Jeff Cook, and Jeff Dunnam, 1 each.

In Saturday's game, the local boys picked up their first victory of the year by defeating Hamlin 23-22 in route to a third place finish in the tournament. Scorers in the Hamlin game were Keith Myers, 8; Ricky Thomas, 6; Jeff Cook, 4; Joe Bunton, 3; Donny Browning, 2.

In Monday's game with Paducah, the young Moguls lost to the Dragons by a score of 45-19. Scorers for the Moguls were Myers, 8; Cook, 5; Browning 4; and Thomas 2. Also contributing for the Moguls were Brady Smith, Jeff Dunnam, Doug Edrington, Ryan Cottingham, Keith Kuehler and Nathan Herring.

The seventh grade boys have a 1-7 record this year.

In girls' tournament action at Haskell, the seventh graders lost 32-15 to Haskell's first team. Kelly Munoz had 10 points for the team and Gina Vaughn had 5.

In their second game of the tournament, the local girls defeated Haskell's second seventh grade team by a score of 21-11. Casey Martinez had 12 points for the girls, followed by Amy Huffman with 4, Kelly Munoz, 3, and Beatrice Sanchez, 2.

On Monday night at Paducah, the girls lost to the host team by a 43-11 score. Scoring for Munday were Casey Martinez, 5; Gina Vaughn, 4, and Kelly Munoz, 2.

Junior high boys and girls will be involved in a tournament at Quanah this weekend.

## Places Open For Members In Texas Silver Haired Legislature

Prospective members of the third Texas Silver Haired Legislature may now begin filing petitions for candidacy. The filing process will continue through February 29. The election will take place on Tuesday, May 22, 1990. Candidacy forms and petitions can be obtained from the West Central Texas Council of Governments Area Agency on Aging in Abilene or in Senior Citizen Centers around the region.

There are three basic requirements for those seeking election to the Silver Haired Legislature; the individual must be at least 60 years old prior to January 1, 1990; a registered voter; and reside in the region for which he or she is seeking election.

The Silver Haired Legislature was authorized by the 69th Texas Legislature. It is a non-partisan body of senior citizens who will meet in Austin on September 1990 to draft

and propose suggested legislation to be considered by the 72nd Texas Legislature which convenes in Austin January 1991.

The Silver Haired Legislature provides opportunities for the senior citizens of Texas to become actively involved in the issues which concern them. The first two sessions of the Silver Haired Legislature have been judged very successful, with state lawmakers responding positively to majority of the group's proposals.

One does not need to be an experienced politician to serve in the Silver Haired Legislature. A concerned citizen with the willingness to learn about the legislative process and the desire to use that process for the betterment of others will find this to be a challenging and rewarding experience.

For additional information contact the Area Agency on Aging, 1025 E.N. 10th St., P.O. Box 3195, Abilene Texas 79604 or call 915-672-8544.

## One-Act Play Cast Chosen

The cast and crew for Munday High School's one-act play have been chosen and rehearsals are underway. Karen Longan is play director.

**Where The Lilies Bloom**, a play by Celeste Raspanti based on a Newbery Award Honor book by Vera and Bill Cleaver, blends humor and tragedy in its tale of four orphaned Appalachian children struggling to keep their family together. Under the leadership of Mary Call, a determined, ingenious fourteen-year-old, they manage to live up to the promises they made to their father to stay together, not to accept charity, and to keep eighteen-year-old, childlike Devola from marrying their villainous landlord, Kiser Pease.

Cast members include Kacy Longan as Mary Call Luther; Marc Andrade as ten-year-old Romey; Chris Burnett as Devola; Shawna Simpson as four-year-old Ima Dean; Jayson Morgan as Kiser Pease; Jay Kingston as Mr. Connell; Alicia Cook as Mrs. Connell.

Also, Brandi Crawford as Goldie Pease; Missy Reneau as Miss Breathitt; Jeff Herring as Chester; Jon Smith as the preacher; Tony Hunter as Sammy; Ronnie Whitfield as Gaiher; Shanna Murphy as Hannah Jo and Tonya Dunnam as Alma.

Crew members are Jeff Herring, stage manager; Tony Hunter, lighting technician; David Tidwell, assistant lighting technician; Jon Smith, sound technician; Mike Bunton, assistant south technician; and Teresa Smith and Kent Latham, assistant stage managers.

The casts' first competition will be March 19 in the Munday High School auditorium.

## New Class Of Young Leaders Sought By Agricultural Program

The Texas Agricultural Lifetime Leadership (TALL) program, designed to link modern agriculture with industry and other segments of society, is now open for applicants for its second class. The deadline for consideration is February 15, according to Dr. L.S. Pope, who coordinates the program for the Texas Agricultural Extension Service.

"TALL is designed to assist young men and women associated with agriculture in developing leadership skills," Pope said.

The first class of 24 members visited 10 agricultural areas of Texas, as well as Washington, D.C., and northern Europe. During the two-year program, members were able to interact with more than 175 outstanding leaders, Pope said. A similar schedule is planned for Group II.

The basis for selection into TALL is evidence of leadership ability and desire to take on decision-making roles in Texas agriculture, Pope said. To enter, candidates must go through

a rigorous selection process, including an interview.

TALL is sponsored largely from outside grants and scholarships, but participants must pay part of the cost. Members must be between the ages of 25 and 40 and be involved in an agricultural pursuit in Texas.

"Agricultural leaders must make some critical decisions in the years ahead," Pope said. "They must be well-informed on key issues and must recognize the complex society in which we live. Also, they must be able to speak out and willing to address problems facing agriculture."

"It is important that they interact effectively with leaders outside of agriculture."

Candidates for the second class of TALL can obtain additional information from the county Extension Service office, or write Dr. Pope at 242 Kleberg Center, Texas A&M University, College Station, Texas 77843.

Minister, Church of Christ

Q: Why do most Christians not keep the Sabbath?

A: Let's clarify first what is meant by "Sabbath". It has never been Sunday. The Sabbath is Saturday - the seventh day of the week (Exodus 20:10, 31:15; Matthew 28:1). Some people think that the laws concerning the Sabbath were transferred to Sunday. There is no scripture that even hints at this!

God kept the first Sabbath (Genesis 2:3). However, the Bible does not tell us that Adam, Seth, Noah or Abraham kept the Sabbath. God gave the Sabbath to the Israelites through the hand of Moses (Nehemiah 8:13, 13; Exodus 20:11; 31:17). BUT the Sabbath was given only to the Israelites whom God brought out of Egypt (Exodus 20:2, 8-11; Deuteronomy 5:1). God DID NOT make this covenant (contract) with the Israelites' ancestors (Deuteronomy 5:1-21). The reason the Israelites received the Sabbath is because they had been delivered out of Egyptian bondage (Deuteronomy 5:15). Therefore, the Sabbath became a sign between God and Israel, not other nations (Exodus 31:12-17).

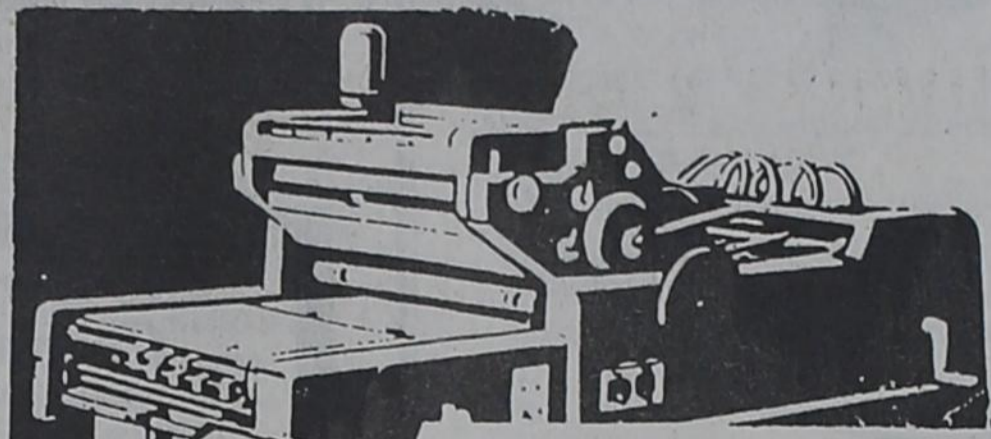

In another place in your letter you ask why Jesus kept the Sabbath. Jesus was an Israelite born under the Law (the Old Covenant/Testament/Contract) (Galatians 4:4). Therefore, he obeyed all true laws under the Old Testament (Luke 2:22-39 -- he was circumcised and sacrifice was offered "according to the Law of Moses"). On the cross Jesus fulfilled the whole Law (Old Testament) and took it away (John 19:28-30; Ephesians 2:14-17; Colossians 2:14-17).

Paul, the apostle who wrote 2/3's of the New Testament, did not "keep the Sabbath." He did teach Jewish people in the synagogue because there were many people there on the Sabbath (Acts 13:14; 17:2,3; 18:4).

Christianity is the spiritual counterpart of the physical Old Testament. For instance, the Old Testament worshippers had a temple of stone. Our temple is spiritual, our bodies (1 Corinthians 6:19). The Old Covenant had a physical sacrificial lamb. Our sacrifice is Jesus, our worship songs and our own bodies in service (Hebrews 9:10:22; Hebrews 13:15; Romans 12:1-2). The Israelites had a physical Sabbath rest. We have a spiritual Sabbath rest which is when we go to heaven after death (Hebrews 4:1-11). That is why Paul told the Colossians to "let no one act as your judge in regard to food or drink or in respect to a festival or a new moon or a Sabbath day -- things which are a mere shadow of what is to come; but the substance belongs to Christ" (Colossians 3:15-17, NAS).

### FARM AND RANCH REPORT

By Donnie Peters

#### CONTROL WINTER WEEDS NOW

The much needed moisture recently received in the area is causing not only fields and range pasture to green up, but also bermuda lawns. However, the greening of lawns is from weeds, and time for control is now.

There are several products on the market that do a good job of controlling winter weeds.

Roundup is used most often as it is available to homeowners and is non-selective, meaning it will kill both

broad leaf weeds and grass alike. Roundup can be applied at a rate of 2 ounces per gallon of water on small weeds or 4 to 6 ounces on bigger weeds.

Another product that will work on broad leaf weeds and grasses is called Quadmec. Quadmec should be applied at a rate of 4 ounces per gallon of water per thousand square feet.

Endothal is a product that will burn back small grasses and broad leaf weeds such as dandelions and clover.

Another product on the market is called Wipeout. This is 2,4-D which will work only on broad leaf weeds.

The time of kill will depend a lot on the kind of weather we will have. Warmer temperatures usually cause a faster response to the herbicide.

Homeowners should also use a surfactant in the spray to improve coverage of the herbicide and increase the rate of kill.

**ENGAGEMENT ANNOUNCEMENT:** Mr. and Mrs. Sylvio Escamilla of Munday have announced the engagement of their daughter, Eva, to Michael Anthony Ukle, son of Mr. and Mrs. Harvey Buckner of Albany. The bride-elect is a 1986 graduate of Munday High School and attended Cisco Junior College. She is employed by Snappy Photo in Abilene. The prospective bridegroom graduated from Albany High School and Hardin Simmons University with a bachelor's degree in physical education. He is employed at Austin Elementary School in Abilene. A March 16 wedding is planned at Elmcrest Baptist Church in Abilene.

**Thank You**

We want to tell the many friends of Homer T. Melton how much we appreciate the expressions of love and concern shown to us during his stay in the hospital and at the time of his death. For the prayers, phone calls, visits, cards, beautiful flowers, food, and for being there to comfort us, we are so thankful.

We feel so blessed to have your love and support.

**The Lord's Corner**

by Dr. Pete Bradfield, pastor  
First Baptist Church

There are three kinds of Christians in the world today: those who **CONTENT** for the faith, those who are **CONTENT** to leave things as they are, and those who are just plain **CONTENTIOUS**. Which kind are you?

You don't need to be a public speaker or high official to make your voice heard for righteousness. If you have a telephone, can write a letter, or belong to a civic club or PTA, then you have ample opportunity to make your convictions heard. Be sure you have done your homework in the Scriptures first; then sometime this week speak the truth clearly, concisely, and (most important) in love. If your faith is worth having, then it is also worth declaring and defending. And the place to begin is right where God has placed you!

See you next week, and remember: what's true of biology is also true of faith: If it isn't growing, it's probably dead.

**February - National Heart Month**

Try the following ideas for modifying recipes to make them "heart healthy".

To reduce cholesterol or saturated fats:

1. Select lean cuts of meat.
2. Serve moderate portions.
3. Replace animal fats with appropriate substitutes.

Examples:

Instead of butter, lard, bacon or bacon fat, and chicken fat, use polyunsaturated margarine or oil.

Instead of sour cream, use low-fat yogurt.  
Instead of whole milk, use skim milk.

Instead of whole milk cheeses, use low-fat cheeses.

Instead of whole eggs, use egg whites or egg substitutes.

Note: Many cheeses, although made with skim milk, have cream added to them. Check labels for fat content.

To reduce calories or fat:

1. Brown meat by broiling or cooking in non-stick pans with little or no oil.
2. Chill soups, stews, sauces and

broths. Lift off congealed fat (saves 100 calories per tablespoon of fat removed).

3. Trim fat from meat. Also remove skin from poultry.

4. Use water-packed canned products (canned fish, canned fruits).

5. In recipes for baked products, the sugar can often be reduced 1/4 to 1/3 without harming the final product. Cinnamon and vanilla also have the impression of sweetness.

6. Use fresh fruit whenever possible. If canned fruit must be used, select water-packed varieties, fruit in own juice or drain heavy syrup from canned fruits.

7. For sauces and dressings, use low-calorie bases (vinegar, mustard, tomato juice, fat-free bouillon) instead of high calorie ones (cream, fats, oils, mayonnaise).

**PAMPER NAILS AND HANDS THIS WINTER**

Pampering your nails and hands is especially important in winter months. Nails as well as hair and skin tend to become dryer and more brittle in winter due to the cold outdoors in combination with dry, indoor heating. Less exercise in winter can reduce blood circulation which also has

a negative effect on nails. Nails grow slower in the colder months creating the need for more upkeep.

Wearing lined rubber gloves when washing dishes and especially when using stronger cleaning products will help protect the hands and nails. Applying lotion several times a day and massaging lotion into nails and cuticles every night will help prevent excess dryness. Since nails are more prone to breakage now, file them slightly shorter and more rounded to keep them in tip-top shape.

**METER TAMPERING NOW A FELONY**

The State of Texas has recently adopted an amendment to the State Penal Code making meter tampering a third degree felony. A third degree felony comes with a punishment of confinement in the Texas Department of Corrections for a term of not more than 10 or less than 2 years. In addition to imprisonment, an individual adjudged guilty of a third degree felony may be punished by a fine not to exceed \$5,000.

Before the amendment of the new law, it was a class A misdemeanor for meter tampering unless the loss of service was more than \$200. Under the new law, any meter tampering regardless of the amount of loss is now a felony of the third degree.

Meter tampering consists of, but is not limited to:

- (1) Diverting electricity from passing through a meter device.
- (2) Preventing electric service from being correctly registered by a meter device.
- (3) Unauthorized activation of electric service.

As a special note to our members, it will also be considered meter tampering if a meter is reset and electrical service is restored by anyone other than a Cooperative employee.

All Cooperative meters are sealed. This seal should not be cut or broken without special authorization. In cases where the seal must be cut for emergencies, the Cooperative should be notified as soon as possible so that the meter can be resealed.

**BE STILL AND KNOW THAT I AM GOD**

The silence of Scripture often speaks as eloquently as its words. On Mount Horeb, Elijah had fled from the noisy violence of his persecutors. The prophet is strained to catch the voice of God in the storm and noise of the wind, earthquake, and fire. But only in the strange calm that followed the sound and fury could Elijah detect the word God had for him. After the fire there was a gentle sound; a still, small voice.

Too often, we only know the uncreative, stony silence of indifference...or the selfish silence of non-involvement like Jesus' followers who turned their backs on Him as He walked alone to Calvary.

We need to learn another type of silence - the silence of listening.

We have grown so accustomed to the business of sight and sound that we often do not appreciate the meaning of silence. We have even interpreted the silence of God to mean that God is absent, when in fact His silence might mean He is more present than ever.

This silence beyond words belongs to the humble believer who knows that faith's best defense lies in its openness to the Power of God and to the word of God - wherever it might come and through whom ever it might be conveyed.

Perhaps the deepest silence we can offer to God is the worship beyond words. The Apostle Paul commends prayers that are too deep to be put into words, which the Holy Spirit offers from our heart and which God completely understands.

He who uses the gift of silence knows that God is full of surprises; and he wants to be ready to receive what God will bestow. His mind is open to new truth, not petrified in old commitments. He is no beguiled by pomp and show, or by wind, earthquake, and fire, but attunes himself to hear the sound of gentle silence. He knows that God will speak to him who listens in expectation.

We should be prepared to accept God's will for us.

"Be still and know that I am God." Psalm 46:10.

**Tax Representative Schedules Visit**

Enforcement Officer Nadine Fancher from the State Comptroller's Wichita Falls field office, will be at Munday City Hall from 9:30 to 11:30 a.m. Tuesday, February 13.

Ms. Fancher will answer questions about Texas taxes and assist taxpayers with paperwork and problems. The public is welcome and there is no charge for the service.

"I don't want to see state taxes turn into a burden for folks who can't get to a field office. Our visits are a service we're happy to provide to Texas taxpayers," Comptroller Bullock said.

Munday area taxpayers who can't attend this seminar can still get individual tax assistance by calling the Comptroller's toll-free telephone number, 1-800-252-5555, from anywhere in Texas.

The Wichita Falls office serves Archer, Baylor, Childress, Clay, Cottle, Foard, Hardeman, Jack, King, Knox, Montague, Wichita, Wilbarger, and Young Counties.

\*\*\* According to the last census, there are 110 million men and 116 million women in the United States.

**Elementary Students Have Special Visitor**

A special guest from the Texas Department of Public Safety visited students at Munday Elementary School recently.

"Trooper Bud", a robot, and his assistant, Trooper Joe Clements, of Wichita Falls were on hand at a school assembly on January 24.

The newest addition to the DPS force, the robot can walk, dance, play music, talk, and move its arms and head. Television camera eyes and a television screen face complete his person.

"Trooper Bud" talked with students and answered several questions about how he worked, what he liked to do, what he ate and how to do arithmetic. Before leaving, the "Trooper" encouraged the group to be good citizens and good students by doing their homework and following instruction from their teachers.
