

THE MUNDAY TIMES

Volume XXVIII.

Munday, Texas, Thursday, March 23, 1933.

Number 43.

Berry Myers Is Adjudged Insane Following Act Here

Quite a bit of excitement was occasioned here last Friday morning when a man approached Frank Meers, who was sitting in his Dodge car, and inquired as to who owned the car. Mr. Meers informed him that he was the owner of the car, and the man informed him in a rather convincing way that he was going to take the car. Mr. Meers naturally protested and when he threatened to call an officer the man fled. Crossing the railroad tracks he got into a car with two other men and drove south on the highway. Mr. Meers and W. W. McCarty followed them some three miles south of town where they found pulling bolts and when they approached the men the one who had demanded possession of the car struck Mr. Meers with his fist and a merry little fight followed. However, Messrs Meers and McCarty succeeded in bringing the man back to town and he was locked in the city jail.

Later in the day a hearing was held at Benjamin in which the man, Berry Myers, was found to be of unsound mind, and he was carried to the State hospital at Wichita Falls one day this week by Sheriff Elliott. Myere came here during the fall from Archer City, and had worked at odd jobs. Members of his family state that he had acted queer for several days prior to the time he was taken into custody.

4-H Club Girls of County Plan To Enter State Meet

"I will be willing to spend all my spare time improving my room if I can have one that is comfortable and suitable for my personal needs," said Sybil Spivey, Bedroom demonstrator in the Gilliland 4-H club, in discussing plans for improving her bedroom with the county home demonstrator agent. Sybil plans to build a closet, refinish the woodwork, put the furniture in the best possible condition, put up new curtains, clean the room thoroughly and rearrange the furniture by grouping it for rest, for dressing, for study and for storage. Bedroom improvement in the girls 4-H clubs is a state contest. Each of the 10 4-H clubs in Knox county has a bedroom demonstrator and all are planning to enter in the contest. The county winner will be decided on the middle of May and all the bedrooms are to be completed by then. "I am sure my bedroom will be a real joy to me when I finish improving it, and think of all the fun I will have fixing it," said Genevieve Allous. Genevieve is a member of the Rhineland 4-H club and was chosen by that group of 24 girls as the bedroom demonstrator. She expects to do her best in achieving the goals set for the demonstrators as well as assist the cooperators, the other club member, to achieve theirs, which are: To arrange the room and clean it thoroughly, make a pair of pillow cases and have a well organized closet.

Miss Lola Blair, Foods Specialist Visits In County

The farm and ranch food supply was the topic discussed by Miss Lola Blair, Extension specialist in Food, from A. and M. college, at the Union Grove Home Demonstration club meeting Friday, March 17. Miss Blair, in her demonstration, suggested the following budget for a family of five in order that they may have an adequate diet during the five months, approximately, that we do not have spring or fall gardens to furnish with a fresh supply: Leafy vegetables, 150 pints. Starchy vegetables, 100 pints. Other vegetables, 80 pints. Fruits and fruit juices, 100 pints. Tomatoes and tom. juices, 175 pints. Meat, 52 cans. Cheese, 52 pounds. Nuts and butter, 4 lbs. per person. Nominny or grain, 5 cans per person. Preserves, 52 quarts. Salt pork and bacon, 52 lbs. Lard, 52 pounds. Pickles and relishes, 52 pints. Honey, 3 pounds per person. "For a family of 2-6 all things should be canned in pints. For a family of 6-9 all things should be canned in quarts (with the exception of corn), and a family of nine or above should can in quarts but double the number of cans called for in the budget," said Miss Blair.

Knox Ginnings Are Almost Double That of Last Year

The final ginning report on the Knox county cotton crop for the year 1932 shows a production of nearly double of the year before. The production of 65,873 bales for last year is by far the greatest production the county has ever made. The record crop of the county before 1932 was a little less than 49,000 bales. The 1931 production was 33,872, which is just a little more than half the production for the past year. The crop for the county in 1930 was only 25,672 bales.

Thinking Out Loud

By J. A. K.

This column was omitted last week and we have not received a single complaint, which is very gratifying. In fact, there probably wouldn't be any if we discontinued it altogether, but this column just must be filled with something.

One of our good friends asked us some time ago how we managed to fill the paper and make it come out even all the time. That was a simple question, and one that is rather hard to answer. About all we can say is that we quit when we get the columns all filled, and, believe me, we're usually ready to call it a day.

Congress has passed a bill legalizing the sale of 3.2 beer, however, the various states will have to deal with the question individually, and those who have a thirst down here in Texas have now turned their eyes toward Austin.

The bone-dry forces down there are contending that it will require a constitutional amendment to legalize the beverage in Texas, which would require the vote of both houses before it could be submitted to the voters.

However, the wet forces have a comeback whereby they can minimize the penalty for violation, which would require a mere majority, and would in all respects meet the requirements of the thirsty Texans.

Another freak egg has been brought to this office. This time it is shaped somewhat like a peanut shell of the double jointed variety, and came from the flock on the G. L. Pruitt farm.

One thing is certain, and that is, through the funds made available by the R. F. C. Munday will be one of the most attractive cities in West Texas. Plans have been made to convert a number of the vacant lots which ordinarily grow up in weeds during the spring and summer, into playgrounds such as tennis courts, croquet and roque grounds, and who knows but what before this thing is over Henry Atkinson and E. J. Roberts may insist on a miniature golf course within the corporate limits.

These two battle-hardened golfers meandered over to the county site of Baylor county the other day and came home with their feathers down after encountering L. E. Loveless and O. C. Harrison, but knowing O. C. and Loveless as we do, we are of the opinion that they "squabbled" these two veterans out of the game.

When O. C. began playing golf a couple of years ago he made many of the courses in this section on his trusty bicycle, but now, since Santa Claus has brought him a new golf bag and all those golf togs, he really needs a truck, and if he is lucky enough to find enough balls to keep going another season, there's no telling what that bird may do.

And some real worth-while work has been accomplished and is being accomplished by these R. F. C. funds in the way of working streets and perfecting a drainage system in the city. This work has been under the direction of D. T. Mauldin, and many have expressed their appreciation of the good work that is being done, and the labor that it has provided has been of untold value to those who are in need of a means of livelihood during these off-season periods.

And Commissioner D. C. Osborne has further aided the cause by sending in his big grader and tractor for several days, and when the work is completed the streets and drainage

Here are photos from the heart of the earthquake zone which took 110 lives and did damage to property estimated at \$50,000,000 in the Los Angeles area of Southern California. Photo No. 1 shows a street scene in Compton where 29 persons were killed by the collapse of building No. 2. Photo No. 2 shows the ruins of a high school building in Long Beach, the town considered the quake's epicenter and where 65 lives were lost; No. 3, shows homeless and penniless refugees being fed by the U. S. Marines at Long Beach.

Home Mission To Raise Funds By Market Saturday

The weekly meeting of the Home Mission society of the Methodist church was held Monday afternoon at the church. Following devotional an interesting program of Bible study was carried out. During a business session the finance committee reported a need of funds, and the members were asked to cooperate in holding a sale of cakes, pies, dressed chicken, etc., which will be held Saturday in the offices of P. V. Williams and Jones & Eiland. The committee states that if any one wishes to place a special order they may do so by phoning any member of the committee, composed of Misses J. D. Kethley, Wm. P. Farrington, H. H. Langford, W. H. Chapman and Lee Haymes, and their wishes will be cared for. The funds derived from this sale will be used to carry on the splendid work being done by this society.

Special Features To Be Presented At Singing Convention

The Knox County Singing Convention meets Sunday, March 26, at 1:00 o'clock at the Methodist church in Munday. A large crowd is expected and some of the best singers in North Texas will be present, including Virgil Stamps and his Quartette with Miss Sessions at the piano. Freddie Martin will also be here with his famous piano accordion. A large crowd from Seymour, O'Brien, Haskell and Gore will be present. If you like singing be sure to be present, as a rare treat is in store for you. Clarence Boyles, President.

Mrs. E. H. Neff is completing the work of enumerating scholars in the Munday Independent School District, and if there are any families residing within the district whose children have not been enumerated they are requested to communicate with either Mrs. Neff, Supt. Jones or G. R. Eiland. The enumeration this year is in excess of that of last year, there being about 620 scholars this year as compared with about 570 last year. The city will be in the best condition in many years.

Rhineland School Rated Highest In Co. Rural Schools

The state inspector for standardization of rural schools, accompanied by Mrs. Ethie Lee P'Pool, county superintendent of public instruction, visited our school last Friday. After a critical inspection our school not only retained its rating as a class A rural school but increased its rating by 30 points, giving our school the highest rating of any rural school in the county. Miss Walker praised highly the work of the pupils and teachers. She especially complimented Mr. Hoffman on the efficient manner in which he and his assistants were conducting the school. State inspection occurs biannually. This is the third successive biannual rating received here. We are proud of our rating and we wish to extend our sincere thanks to all who in any way helped us to make this record possible.

Spring is in the air. The high school boys have been seen out on the baseball diamond during the past week and are quickly whipping into shape for real action. Prospects for the ensuing season are not of the brightest, but captain Clement Wilde is expecting to compile a brilliant record, as has been the custom in the past. Clement expects to match a game with some school team in the county in the near future. Here's hoping for a big season. Swat that pill, boys.

Concentration time is at hand. Examinations are in the offing. Who can not guess the main topic of discussion among the unfortunate? We are all glad to see school again. Owen back with us in school again. Earnest underwent a serious operation for appendicitis sometime ago. The Rhineland 4-H club met last Thursday afternoon in the school auditorium. After the meeting had been called to order and the minutes of the previous meeting had been read, Miss Faulkner, our Home Demonstration agent, gave us an interesting talk concerning our club work and the various contests in which all the clubs of the county will participate. She especially stressed the Bedroom Contest in which all the counties of the state will compete. The club girls are all going to do their very best. Mr. and Mrs. Ray and Brown and the happy parents of a baby girl were last Thursday.

Miss Frances Diersing, a freshman in Texas Technological college at

Fire and Police Chiefs Urge Clean Up and Paint Up

Fire prevention and clean-up work is almost here. Every citizen should have a wholesome pride in his home town, its streets, play grounds and buildings. Home and surroundings freshly painted, with well kept lawns and gardens increase property values and intensify community interest. Cleanliness creates cheer, courage and confidence. So lets clean up and make our town a safer place to live. Grady Thornton, Fire Chief. Shannon Layne, Fire Marshal.

Tips on Taxes

Austin—An important factor in the tax situation is to secure legislation that will give some degree of permanence to economies effected during the present period when economy has become a matter about which there is no debate. It is obvious that conditions are propitious for changes and reforms that will extend benefits of retrenchment beyond the period of the present emergency. It is equally obvious that little will have been accomplished if measures of economy gain approval simply as emergency matters.

To adopt measures temporary in purpose and character that are equivalent to an admission that the cost of government should return to its former high levels would be a distinct failure to make the most of the present opportunity. People are intensely tax-conscious now. They seldom are when business is at normal. For this reason, many think it would be a blunder not to capitalize on present sentiment and write into the organic law some very definite barriers to excessive government costs in future.

It is necessary to bring expenditures down to the capacity of the people to pay in order that the present unbalanced condition of State and local budgets may be corrected. To stop there, however, would leave the larger task of providing proper safeguards and eliminating wasteful expenditures practically untouched. Many people are likely to be misled concerning reports of flat reductions. Such treatment should be applied only to necessary functions of government. Unnecessary services should be abolished.

Agreement is general among students of government and taxation that the most costly and possibly the most wasteful practices are to be found in local affairs. Organization of county governments is notoriously conducive of waste. Constitutional and legislative requirements are largely responsible. County commissioners have only very limited control over the affairs for which they are in theory responsible.

Fees of certain officials are fixed under the constitution by State Law. Ridiculously high earnings are common, and County Commissioners are powerless to make reductions. There are many needless offices, especially in counties of small population, but they cannot be abolished any more than the office of Governor. Practically, County Commissioners must levy the taxes and watch others, over whom they have little or no control, spend the money. They have responsibility without authority.

Several constitutional amendments designed to correct this condition have been introduced in the Legislature. A committee is now trying to combine them into a single measure.

There is a distinct danger that harm may result from too greatly liberalizing authority for issuing bonds and determining limits of taxation as applied to counties. The "home rule" idea sounds attractive. Yet, it has been shown that extravagance in public expenditures, rather than economy, has followed the loosening of constitutional inhibitions. It will be found that the local tax burden has become heavier where the greatest measure of local action is permitted. This is an anomaly, but a study of the local tax map of Texas will substantially bear out the statement that taxes are least burdensome where communities have been slowest to adopt many of the modern devices.

Extreme caution must be exercised in amendments designed to reorganize county government. Elasticity of authority should be in the direction of economy. In the past two decades the tendency has been toward more expensive local government, through

Dr. Richardson Is Elected at Head of Medicos Here

A meeting of the Baylor-Knox-Haskell Medical Society was held here Tuesday night, at which time new officers were elected as follows: Dr. John A. Richardson, Seymour, president; Dr. Wm. P. Farrington, vice-president; Dr. Joe Davis, secretary-treasurer. Dr. C. F. Johnson, Seymour, and Dr. T. P. Frizzell, Knox City, delegates to the State Medical Association, Board of Censors: T. S. Edwards, R. K. Lowry and W. M. Thaxton. Committee on Legislation and Public Instruction: C. F. Johnson, E. F. Heard and T. P. Frizzell. After the business meeting the Tiger Drug Store and Dr. Farrington served the members with refreshments and cigars.

Miss Dessie Kennedy, Former Teacher Here Married On Sunday

Announcement of the marriage of Roy Watson of Wichita Falls to Miss Dessie Kennedy of Haskell, was made Tuesday, the ceremony being read in Haskell Sunday morning at 10:30, in the parlors of the First Methodist parsonage, with the pastor, Rev. W. A. Gordon, reading the pretty ring service. Only the immediate friends and families of the two parties and the bride's Sunday school class were present. Mrs. Wallace Cox played "The Flower Song", and "I Love You Truly", softly during the ceremony. The bride was lovely in a handsome blue tailored suit with silver fox trimmings and blue accessories. She was given in marriage by her father, J. F. Kennedy. Directly following the ceremony, a beautiful dinner was served to relatives and close friends at a table lovely with spring flowers.

Those present were Mr. and Mrs. T. J. Watson, parents of the groom, of Littlefield Texas; Mr. and Mrs. Texas; Mrs. Frank Williams, Misses Ola Bell Kennedy and Mattie Letha Phippen, Mr. and Mrs. J. E. Kennedy, the bride's parents, and Mr. and Mrs. Watson. Mrs. Watson is the daughter of Mr. and Mrs. J. F. Kennedy, pioneer residents of Haskell and prominent in church and civic affairs. She is a graduate of the Haskell High School and completed her education at McMurry College and at the State Teachers College at Denton.

Mr. Watson is the son of Mr. and Mrs. T. J. Watson of Littlefield, and received his education in Haskell. He has been in Wichita Falls several years and is an employee of Perkins Timberlake Company. Mr. and Mrs. Watson are making their home at 1508 Eighth Street.

Mr. and Mrs. T. G. Denge received a telegram on Monday advising them of the death of Mr. Tom Roache of Paris, Texas, an old friend of the family who had visited them here a number of times. He was killed in an automobile accident and his car plunged into a telephone post. Another occupant of the car was unharmed.

Mrs. R. E. Alexander is in Dallas this week buying New Spring merchandise for The Hat Shop.

99 Year Sentences On Robbery Charge Given Two Negroes

Quick justice was meted out to J. C. Richards, 23, and Robert Lee Wilson, 19, both colored, in the 50th Judicial District court at Benjamin the past week, when both were given 99 year sentences in the penitentiary following their plea of guilty to robbery by assault.

The crime for which they were sentenced was committed last Thursday on a Santa Fe freight train between Chillicothe and Benjamin. The two negroes boarded the freight train at Chillicothe and occupied a cattle car in which another negro, Henry Oilphant, 22, of Big Spring, Texas, was traveling. Oilphant is said to have shared his food with the other two negroes, but they proved very ungrateful for his hospitality, for, before arriving in Benjamin, they shot Oilphant, wrapped him in a wagon sheet and left him for dead when the train arrived in Benjamin. Oilphant, suffering from a pistol wound in the face and head, managed to alight from the car and was picked up by railroad employees and brought to town.

Sheriff Elliott arrested the two negroes near the railroad tracks and brought them to the court house where they were identified by Oilphant as his assailants. Judge Isaac O. Newton called the grand jury back into session and the two negroes were indicted, and entered pleas of guilty and received the maximum sentence possible to be assessed on a plea of guilty.

In the robbery of Oilphant they took his suit case containing some old clothes and shoes and 18 cents in money. Oilphant was shot under the left eye and the bullet came out over the right ear, and surgeons at the Knox County hospital, who administered to the wounded negro, stated that it was nothing short of a miracle that he was not shot dead, however, he is reported to be getting along nicely and is being cared for by Sheriff Elliott at the Knox county jail.

One of the negroes, Richards, admitted having served a three year term in the penitentiary for robbery at Waco, Texas.

John J. Switzer, Former Citizen Dies at Royse City

We have received a copy of the Royse City News-Times of March 17, which carries the announcement of the death on March 11th of John J. Switzer, who, with his sons, has been publisher of that newspaper. Mr. Switzer had been in ill health for some time. He was 69 years of age. Mr. Switzer had engaged in the newspaper business for many years, having published papers at Comanche, DeLeon and Weatherford. In 1906 Mr. Switzer moved to Munday and was one of the organizers of the Citizens National Bank here, serving as vice-president and cashier until 1912, and is remembered here by many of the old-timers, who speak of him in the highest praise as a citizen, a Christian gentleman and community benefactor.

First Step Toward Banking Reform

President Roosevelt, with Secretary Woodley of the Treasury at his side, signing the drastic banking bill by the Seventy-Third Congress during the first day of the extraordinary session which was called to meet the financial crisis.

Mrs. W. P. Farrington Hostess

Ace High Bridge Club
Irish green and white were used as a color scheme when Mrs. W. P. Farrington was hostess to the Ace High Bridge club at a prettily appointed party Thursday evening of last week.

Following the games dainty refreshments of salad in the green shade and fruit drink with green cubes were served Messrs and Meses. F. S. Broach, W. H. Chapman, W. R. Moore, Tom Haney, J. D. Kethley, H. A. Pendleton, Mrs. Bess Neff, Dr. and Mrs. W. M. Taylor of Goree, and Dr. Farrington.

Monday Night Bridge Club

Entertained Broach Home
The home of Mr. and Mrs. F. S. Broach was lovely Monday evening with the beauty and fragrance of violets and pussy willow when they entertained members of the Monday Night Bridge club. Mrs. W. P. Farrington and Mr. Broach won high score honors.

A lovely plate, which held marsh-mellow pudding, chicken salad in tomatoes, potato chips, saltines and olives, with coffee, was served Messrs and Meses. W. R. Moore, H. A. Pendleton, Tom Haney, J. D. Kethley, Dr. and Mrs. Farrington and the hosts.

Mrs. H. F. Barnes Hostess

Little Bridge Club
A green and white theme was smartly carried out when Mrs. H. F. Barnes entertained members of the Little Bridge club, including as guests members of the Ace High club. Five tables were placed for contract bridge, with the St. Patrick motif used in the game accessories and reflected in the refreshment plate, which held mousse in the dainty Irish shade, angel food cake iced in the same shade and a fruit drink.

Those present included Dr. and Mrs. W. P. Farrington, Messrs and Meses. W. H. Chapman, Tom Haney, K. B. Davy, W. R. Moore, G. H. Craig, T. G. Bengel, J. A. Kennedy, Oatc Goldens, Mrs. Louise Ingram and Mr. Barnes.

Jesse George and Glenn Wallace Kennedy and T. T. Tucker spent the week end at the Fat Stock Show in Fort Worth.

Jess Burnison, Cecil Burton and Elton Busby were visitors to the Fat Stock Show in Fort Worth over the week end.

AT THE CHURCH OF CHRIST

J. Porter Wilhite, Minister

"The Modern Youth", or "Is the World Growing Worse?", will be divided into two subjects at the church of Christ next Lords day. We are especially anxious that all the young folks of the city be present at both the morning and evening service, and would be delighted to have the parents accompany them. This will be a day just a little out of the ordinary for us, but we believe that it will be well worth our time to devote a few subjects to the condition of the present day youth.

The next Sunday we expect to study the condition of the homes of this day. In other words we will devote this Sunday to the youth, and the next we adults will try to see ourselves as the youth see us. Don't fail to hear these four discourses, which will be the services for the next two Lords days. Come early and get a good seat.

NOTICE OF ELECTION

By virtue of authority vested in me by the State of Texas, notice is hereby given that an election will be held within the corporate limits of the City of Munday on the first Tuesday in April, 1933, the same being the 4th day of April, for the purpose of electing three aldermen to succeed J. C. Borden, J. C. Campbell and W. H. Atkinson.

The place of holding said election shall be at the city hall in said city, and all persons residing within the corporate limits of said city, and otherwise qualified to vote, shall be entitled to vote in said election. H. P. Hill is appointed presiding officer of said election and shall make returns thereof as provided by law.

Said election shall be held in accordance with the laws of the State of Texas governing city elections.

J. A. KENNEDY, Mayor, City of Munday, Texas.

Munday Study Club Observes

Birth of Saint Patrick
Munday Study club members were guests in the home of the president, Mrs. E. M. Ammons, at a covered dish luncheon Friday of last week commemorating the birth of the Patron Saint of the Emerald Isle.

Following the luncheon, which was served at quartette tables with covers of the St. Patrick colors, the guests were delightfully entertained by a number of Irish piano and vocal solos by Mrs. Joe Davis, who, being of Irish descent is peculiarly gifted to render the Irish tunes in a way that touches the heart of all.

Mrs. W. V. Tiner very interestingly discussed "Roads 'Round Ireland", Mrs. Fred Broach gave "Irish Books and Irish People", and Mrs. Marvin Reeves discussed "Ireland's Struggle for Independence". "A Bit of Irish Humor" was given by each, which occasioned many laughs.

After a business session, in which Mrs. Dorse Rogers, president-elect, was elected delegate to the State convention which will convene in Mineral Wells soon, the club adjourned.

Those present were Meses. W. H. Chapman, J. R. Smith, Jack Mayes, Leland Hannah, J. D. Kethley, Dorse Rogers, T. E. Dickerson, R. E. Alexander, J. C. Borden, H. A. Pendleton, H. F. Barnes, J. R. Burnison, D. T. Mauldin, Joe Davis, J. A. Kennedy, Fred Broach, W. V. Tiner, Ira Bowden, H. T. Maples, Jimmie Harpham.

Mrs. T. G. Bengel Entertains

Wednesday Bridge Club
Mrs. Joe Davis held high score honors at the Wednesday Bridge club meeting this week when Mrs. T. G. Bengel was hostess.

At tea time a delicious fruit course was served Meses. Davis, H. H. Langford, Fred Broach, C. L. Mayes, U. R. Houser, H. A. Pendleton, Whit Smith and the hostess.

Mrs. F. S. Broach Hostess

Thursday Luncheon Club
Thursday Luncheon club members were guests last week of Mrs. Fred Broach at an attractively appointed party.

Following the luncheon, served at foursome tables centered with bowls of spring violets, the guests enjoyed games of "42". Those present were Mme. W. R. Moore, C. R. Elliott, H. H. Langford, D. C. Fritz, A. A. Smith, R. E. Alexander, Louise Ingram, W. H. Chapman, H. A. Pendleton, T. G. Bengel, S. E. McJatay and John Ed Jones.

William Phillips

William Phillips, new Under-Secretary of State in the Roosevelt cabinet, assistant to Secretary of State, Cordell Hull. Mr. Phillips was in attendance at the first meeting of the cabinet as pertaining to the financial crisis.

It's SAFE!

Everyone accepts the fact that Bayer Aspirin is the swiftest form of relief for headaches, neuralgia, neuritis, periodic pain, and other suffering. If you've tried it, you know. But no one hesitates to take these tablets because of their speed. They are perfectly safe. They will not depress the heart. They have no ill effect of any kind. The rapid relief they bring is due to the rapidity with which they dissolve.

So, keep these tablets handy, and keep your engagements—free from pain or discomfort. Carry the pocket tin for emergencies; buy the bottle of 100 for its economy. The new reduced price has removed the last reason for trying any substitute for genuine Bayer Aspirin—each tablet stamped with this cross:

T. T. Tucker spent first of the week in Merkel visiting in the home of his parents. He was accompanied by the Rev. C. A. Tucker and family of Haskell.

Chief of Police Shannon Layne went to Hollis, Oklahoma, first of the week and was accompanied home by Mrs. Frank Ready, a sister to Mrs. Layne, who will spend a few days visiting them.

Miss Mary Langford, teacher in the public schools at Sweetwater, Texas, spent the week end here with her mother, Mrs. H. H. Langford. The beautification of the campus at the school building has been furthered along by the liberal contribution of Mr. and Mrs. Joe Kuehler of the Rhineland community, who gave the more than one hundred paradise trees put out, and for which the community as a whole is very grateful.

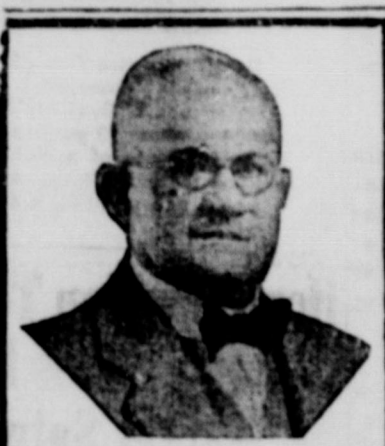

E. B. Frasure of the New Hope community was in town Wednesday after being confined to his home for several weeks with influenza and complications.

Judge D. C. Osborne was in Dallas first of the week looking after business matters and will return by Wichita Falls, where he will attend a state meeting of County Judges and Commissioners.

Tips on Taxes

(continued from first page)

multiplication of services. The chief reason why Texas is in less distress today than many other States is because framers of the constitution imposed certain restraints as to powers of borrowing and taxation. Citizens should analyze county government reorganization measures and let their representatives know their wishes. The present system is archaic and wasteful, but change might prove even worse through removal of the constitutional barriers, along with those provisions which now prevent needed freedom of action.

DR. W. C. ROUNTREE, Fellows Specialist, 1711 Travis Avenue, Fort Worth, Texas. Sufferers from Pellaagra should communicate with me for a remedy which has proven successful for more than fifteen years.

Dr. Rountree will be in Haskell Saturday, April 1, at the Norton Hotel.

Special prices on Wash Dresses... Prices materially reduced! See our line before you buy, and you'll be delighted with quality and prices.

THE HAT SHOP

FOUND! the hidden quart

...Mechanic Elder Schaffner Found the Hidden Quart... Also that Without it, Motors Show 50% to 60% Greater Wear... So He Switched to Conoco

MECHANIC SCHAFFNER REPORTS ON DISCOVERY:

"I never did believe what Conoco Germ Processed oil would do; not until an Essex owner, with 25,000 miles on his speedometer, asked me to check his motor and put in new parts where necessary. It surely surprised me; clearance of pistons was only four 1-thousandths; of bearings only three 1-thousandths of an inch.

"This owner said he had used Conoco Germ Processed oil since the car was new. I have overhauled many another Essex at 25,000 miles, which has not used this oil, and found the wear 50% to 60% greater. Now I recommend Conoco Germ Processed Oil to my friends, and have changed to it in my own car."—Elder Schaffner, Highland, Ill.

Stop Cruel Motor Wear... Escape its Painful Cost

Don't Wait Another Day to Drain and Refill With Conoco Germ Processed Motor Oil

To a motor, lack of lubrication is cruelty indeed. You are too "humane" to permit it, if only you knew the truth. But motors suffer in silence till costly damage is done. Then you pay... and pay... and pay.

50% of motor wear occurs in the moments following a cold start. Ordinary oil drains back into the crankcase and leaves the motor dry, till it is pumped back up again. Not so, with Conoco's hidden quart. It stays up in the motor and never drains away.

This is proved. Even with the crankcase empty, due to accident, users of this oil have driven many miles, without damage, on the "hidden quart" alone.

Isn't it smart and thrifty to have a "hidden quart" up in the parts of your motor, where you are sure it cannot fail? It is so simple to be safe so foolhardy to be in doubt. Tend to it today. Go now, drain and refill with the "hidden-quart oil. Do it for safety's sake.

SENIOR SCRAPBOOK.

By Mildred Burnett

Whoop! O. K. fans, we're here; you just can't scare us off. We're happy, and why shouldn't we be? Three of our Senior girls entered declamation and each won a place. Barbara Eiland, our beloved president, is going to knock the county off its feet when it comes to a showdown. Remember, we're backing you Barbara. Lucille Hunter won second and Katie Beth Bowien third place. We

are really proud of these girls; they're typical examples of what this Senior class has.

Now, let's get to the bedtime stories, taking into account that they are better than any "Ovaline" for sleeping.

Ruth Rice

You're right, some more Rice. This one was born June 9, 1914, in Munday, and she has gone through school here. You may search far and near, but it would be hard to find another

THE MUNDAY TIMES

KENNEDY & KENNEDY, Publishers
JESSE A. KENNEDY, Editor
JULIA A. KENNEDY, Associate Editor

Entered as second class matter January 4, 1919, at the postoffice at Munday, Texas, under the Act of Congress of March 3, 1879.

PUBLISHED EVERY THURSDAY
SUBSCRIPTION PRICE \$1.50 PER YEAR.

TODAY AND TOMORROW

By FRANK PARKER STOCKRIDGE

so neat in attire and one so sensible in the selection of clothes. Folks, she knows a few secrets when it comes to being attractive. And boy! can she sew or can she sew; I'm telling you that she can sew.

Ruth took expression and music a short time, but she was more interested in art so she studied that for approximately eight years. That makes her a seamstress and an artist, doesn't it?

Ruth wants to go to Texas Tech and major in Home Economics. And with such talent, you can put it down in your day book she'll be a success. Ruth has quite a few favorites and here's some of 'em:

Favorite study: Home Economics.
Favorite subject: Love.

Favorite speaker: Eddie Cantor.
Favorite singer: Cab Calloway.

Favorite sport: Making ?
Favorite town: (besides Munday) Goree.

Favorite Movie Star: Olive Brook.
Ideal Man: Tall, dark, handsome, moderate temper, and very sophisticated.

Weakness: "Bo's".
Occupation: Writing letters. (She meant answering them).

Ambition: Stay young (modern woman).

Hobby: Beating Jake to car.

Ruth has proved a good and loyal Senior and we are proud of having her.

James A. Gaither

You're right, here come that eminent and well known Jimmie "Oskar" Gaither, the fellow with an abundance of brainless wit and humorous sayings.

Little Jimmie was born in Munday May 10, 1915. He entered school here and with the exception of eight weeks he has been here ever since.

He likes Munday very much he says, maybe there's a definite reason. We are sure that if we didn't have Jimmie Oak to tease us that our class would lack something vital and important.

James' favorites are:
Favorite study: English.

Favorite sport: Teasing.

Favorite speaker: James Gaither (he doesn't love himself either).

Favorite singer: Miss Palmer.

Favorite book: English 1V.
Favorite story: The Life of Washington.

Ideal girl: Modern, but must be able to cook and sew. (That's a sort of paradox isn't it?)

Occupation: Laughing.

Hobby: Teasing Miss Couch.

Weakness: Brown heads.

Ambition: To be a lawyer. (He hopes to prosecute Jesse George—Why? Ask him.)

RIGSBY'S ROUNDUP

Well, it's spring again, and the Munday Moguls are getting ready to take off all events at the coming track meet. We expect our school to show us something this year.

We also have a good girls' and boys' debating team which we think are going to get somewhere.

Muesday will be well represented in all literary events this year. The Munday girls' volley ball team is coming along fine, and we are expecting something of them during the volley ball meet.

The track meet will be held at Knox City this year on April 1st, and, believe me, we are going to fool K. C. Let's all go.

JUNIORS

It really is a good grand old world—isn't it? We're feeling swell with spring just about here and most of us have a severe case of spring fever.

Listen folks, you really are going to miss a treat, the thing that happens only once in a life-time, the best program that could possibly be given by the Juniors—if you don't come and see Joan Blondell in "Blondie Johnson" at the Roxy Theatre and the excellent "Junior Revue" which the Junior class is going to present. This all happens next Thursday night, March 30, 1933, and honest-to-goodness you'd better come, 'cause if you don't you're "gonna miss the talk of the town". Come, see our Junior girls on the stage, you'll fall in love with 'em.

THE FRESHMAN NEWS

The Freshman class has been studying "Treasure Island" We finished it last Friday and had to write a three page summary of it for Monday.

We Freshmen girls are still basting, sewing and ripping our projects. They will be due March 31, so we had better get busy and work hard on them.

Many of our Freshmen girls are entering in Junior baseball, which will be held Saturday at Sunset, starting at nine o'clock. All that can, be there to help us win.

Three Freshmen girls entered in Junior Declamation; Sylvia Barnes

\$2,500 on deposit in the Postal Savings at one time, postmasters have to reject more deposits than they receive. Also, only comparatively few post-offices are authorized to accept savings accounts.

It seems to me that the new Administration at Washington could perform a greatly-needed public service by making every post-office a savings depository, and permitting individuals to carry as large balances as the commercial savings banks allow.

Nobody has ever lost a cent in Uncle Sam's postal savings banks, and every depositor gets his 2 per cent interest annually.

CHICKENS—TURKEYS
Give STAR PARASITE REMOVER

in their drinking water and disinfect all nests and roosts by spray each month; It will destroy disease-causing germs and worms, rid fowls and the premises of all lice, mites, fleas and blue bugs tone their system, keep them in good health and egg-production and prevent loss of baby-chicks. Begin it use now. Germs and worms always come with the hatching season. No trouble to use, cost very small and your money back if not satisfied. For sale by EILAND DRUG STORE. 40f10

RHINELAND

Lubbock, and a former student of this school, visited here a few days.

Mr. and Mrs. Joseph Kuehler and son, Edmund, and Mrs. Hubert Billingshausen made a business trip to Wichita Falls last week.

Miss Mary Ruddy spent the week end with home folks.

Miss Frieda Koenig accepted a position in Wichita Falls last Monday. Mr. and Mrs. John Michalik and family and Frank Sherveney made a business trip to Wichita Falls.

Wheat is looking better since the warm spell last week.

W. P. McNeill's gin finished the season's work last week after a busy year at Hefner.

School is progressing nicely here. Hefner W. H. D. club met Tuesday evening with Mrs. George Webber. Five members and two visitors were present with two new members coming in. After business, program club prayer, we adjourned to meet next at Mrs. C. B. Warrens, April 4.

Mr. and Mrs. Lee Norwood are the proud parents of a boy, who was born on the 16th. They named him Troy Lee.

Dr. W. E. Payne of Slaton was here to see J. W. Cartwright and his mother of Hood, who are ill.

Mr. and Mrs. G. W. Webber visited in Oklahoma last week.

Mrs. J. C. Newsome and Rose Gabbart of Wichita Falls visited relatives here last week.

HEFNER NEWS

March wind has been blowing here the past few days.

Wheat is looking better since the warm spell last week.

W. P. McNeill's gin finished the season's work last week after a busy year at Hefner.

School is progressing nicely here. Hefner W. H. D. club met Tuesday evening with Mrs. George Webber. Five members and two visitors were present with two new members coming in. After business, program club prayer, we adjourned to meet next at Mrs. C. B. Warrens, April 4.

Mr. and Mrs. Lee Norwood are the proud parents of a boy, who was born on the 16th. They named him Troy Lee.

Dr. W. E. Payne of Slaton was here to see J. W. Cartwright and his mother of Hood, who are ill.

Mr. and Mrs. G. W. Webber visited in Oklahoma last week.

Mrs. J. C. Newsome and Rose Gabbart of Wichita Falls visited relatives here last week.

Judge Oliver W. Lee has been confined to his home for the past seven weeks on account of illness and is suffering from an ailment in his back, and we join his many friends in wishing for him a speedy and complete recovery.

Mrs. Bill Shaw and children are visiting in the home of her parents at Plainview, Texas.

No. 13593
TREASURY DEPARTMENT
OFFICE OF COMPTROLLER OF THE CURRENCY.

Washington, D. C., January 16, 1932.

WHEREAS, by satisfactory evidence presented to the undersigned, it has been made to appear that "First National Bank in Munday," in the town of Munday, in the county of Knox and State of Texas, has complied with all the provisions of the statutes of the United States, required to be complied with before an association shall be authorized to commence the business of Banking;

Now, therefore, I, J. W. Pole, Comptroller of the Currency, do hereby certify that "First National Bank in Munday," in the town of Munday, in the county of Knox and State of Texas, is authorized to commence the business of Banking as provided in Section Fifty one hundred and sixty nine of the revised Statutes of the United States.

IN TESTIMONY WHEREOF, witness my hand this sixteenth day of January, 1932.

J. W. POLE,
Comptroller of the Currency.

An Industrial Necessity

A dependable and adequate source of electrical energy is not only a vital convenience to your home and business life—but a definite advantage from an industrial standpoint.

Major industries contemplating changes in location (as many now are doing) are looking toward the progressive small city as the ideal factory site. And those cities which are assured an adequate and constant source of electric power—distributed over an interconnected transmission line system from strategically - located man generating stations—will be the choice of industrial engineers.

The West Texas Utilities Company is aiding industrial growth, through the rendering of this dependable and inexpensive power supply, in 161 progressive West Texas cities, towns and communities.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule... and adds only a small amount to your total bill?

How to train BABY'S BOWELS

Babies, bottle-fed or breast-fed, with any tendency to be constipated, would thrive if they received daily half a teaspoonful of this old family doctor's prescription for the bowels.

That is one sure way to train tiny bowels to healthy regularity. To avoid the fretfulness, vomiting, crying, failure to gain, and other ills of constipated babies.

Dr. Caldwell's Syrup Pepsin is good for any baby. For this, you have the word of a famous doctor. Forty-seven years of practice taught him just what babies need to keep their little bowels active, regular, keep little bodies plump and healthy. For Dr. Caldwell specialized in the treatment of women and little ones. He attended over 3500 births without loss of one mother or baby.

NATURALLY, folks will wonder why we have inaugurated a Sale right here at the opening of the Spring Season, and in order that they may know the facts, we will say that we have arranged to have our store remodeled from front to back, which will necessitate closing our store for a week or ten days. We are going to modernize the front of our store by installing new plate glass show windows and making other improvements. The interior will be completely remodeled, and it is our aim to have one of the most modern stores in this section of the State when we reopen for business. Now, here's the big reason for this Remodeling Sale:

Our store is chuck full of merchandise—brand new Spring goods—Ladies' Ready-to-Wear, Shoes, Piece Goods, Work Clothing—everything for everybody, and we want to close out as much of this new merchandise as possible before we start moving out for remodeling, and we are therefore cutting the price on everything in our stock to smithereens for this event. Compare our merchandise and our prices, and we know you'll buy it at The Economy Store during this great selling event.
