### **Stop Chills** and Fever!

Rid Your System of Malaria!

Shivering with chills one moment and burning with fever the next-that's one of the effects of Malaria. Unless checked, the disease will do serious harm to your health. Malaria, a blood infection, calls for two things. First, destroying the in-fection in the blood. Second, building up the blood to overcome the effects of the disease and to fortify against further

Grove's Tasteless Chill Tonic supplies both these effects. It contains tasteless quinine, which kills the infection in the dumne, which kins the infection in the blood, and iron, which enriches and builds up the blood. Chills and fever soon stop and you are restored to health and comfort. For half a century, Grove's Tasteless Chill Tonic has been sure relief for Malaria. It is just as useful, too, as a repersal tonic for old and young Pleasant general tonic for old and young. Pleasant to take and absolutely harmless. Safe to give children. Get a bottle at any store.

## NOW FOR THE HOME STRETCH!

There are only nine more days until this BIG PROSPERITY CLUB CIRCULATION CAMPAIGN will become a thing of history. If there ever was a time a candidate should work it is the last two weeks of a campaign. It is true the last week's ballots will only count the regular voting schedule of 1,500 votes for each one year's subscription, but you should consider the ballot will count just as much for you as it will for the other candidates. NOW is the time your ballots will count more, really, than they ever have. Enlist the help of your friends this last few days and be a winner! Many a race has been lost on the last few days just because the candidate thought they had the prize already won. Possibly it would take only a few more votes to put them over the top. So get out and get those votes NOW.

## Saturday Night, Nov. 25, at 6 O'clock is Zero Hour

## The Judges

E. W. McGLOTHLIN, Vice-President, First Nat'l Bank

J. HORACE BASS,

Superintendent Munday Public Schools
C. A. FILAND
Director, First NaCl Bank

The gentlemen named above have kindly consented to act as a committee of judges to make the final count to determine the winners. They are all well and favorably known business men who have no personal interest in the Campaign or any one of the Club members, and are serving in the interest of the TIMES to see that every vote is counted according to the rules and regula-

On Saturday night, November 25, the ballot box will be removed from the First National Bank by the Campaign Judges, to the office of the Munday Times, where the Judges will check votes and prizes will be awarded at front of the Times office.

### Double-Locked Ballot Box

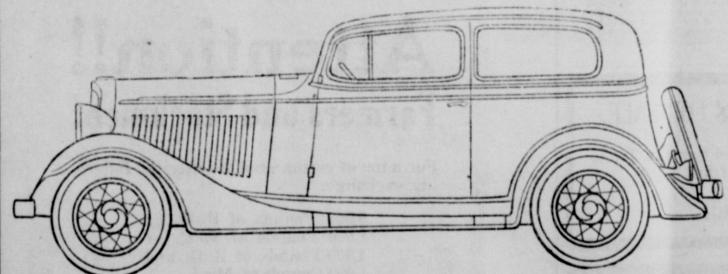

In fairness to all candidates the ballot box will remain in the First National Bank the entire last week of the Campaign under double lock and key, Editor Kennedy will have charge of one key and your Campaign Manager the other, therefore, the publisher, the campaign manager nor anyone else will know the results of the campaign until the judges open the ballot box on the last night, count the votes and render their decision.

## Important Notice

Personal checks will positively not be accepted in the locked ballot box during the last week of this campaign.

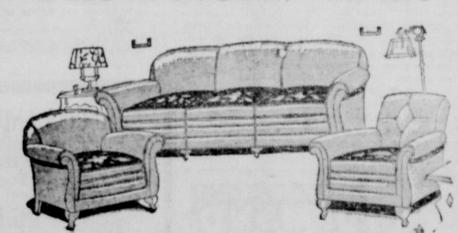

This ruling is made in absolute fairness to all club members or candidates and will be strictly adhered to. All reports for sales must be accompanied by CASH, Cashier's Checks, or Money Orders only. If any personal checks are in the ballot box they will not be considered and no votes issued. All candidates should have checks made to themselves, and have them cashed and place the money in the ballot box with their reports.

## The First or GRAND PRIZE

GRAND PRIZE is Standard Chevrolet Two-Door Sedan, bought from Moore Chevrolet Co., and goes to the lady who secures greatest number of votes during the Campaign.

## The Second Prize

SECOND PRIZE will be a 3-Piece Overstuffed Living Room Suite, bought from the Mansell Bros. Hardware and Furniture Co., and can be won only by a Candidate outside the City limits of Munday.

## 48-lb Sack Flour FREE

We have asked the Munday Times to allow us to co-operate with them in their Big Circulation Campaign, and in order to show our appreciation of the Times and its drive to increase its circulation we are going to give to the lady who wins the Coleman's Instant-Gas Range, a 48-lb sack of Peacemaker Flour and a 3-pound Can of Maxwell House Coffee.

We carry the most complete line of Standard Brand groceries in the Munday trade territory, and at prices you can afford to pay.

## Better Lighting Will Ease Your Budget Worries

There are budgets that really will work . . . budgets that will show how to bring expenses within income! But they weren't created at a dark and gloomy desk . . . they were the result of calm and intelligent analysis under the cheering atmosphere of good light.

It's surprising what a difference adequate lighting makes! . . . Troubles take on a less terrifying aspect when subjected to the clear, eye-soothing brilliance of the modern electric light. It's not only much easier to work, but the absence of eye-strain keeps your mind clear and alert.

Next time you sit down to plot out the month's expenses, or to write a letter, be sure your light is adequate. You'll find the difference amazing

A trained employe will be happy to inspect your home-lighting arrangements. There's no obligation, of course . . . and chances are that a simple rearrangement of your present fixtures, or adjustments giving you adequate sized lamps where they're needed, will be all that's necessary. というないとは、 はないないとなっているというと
