BIG CIRCULATION CAMPAIGN OPENS

Interest Will Be Charged on City and School Taxes

In a joint meeting of the city council and school board held on Tuesday evening it was definitely decided by both bodies that interest at the rate prescribed by law, 6 per cent, would be charged on all delinquent taxes.

This meeting was called by reason of the fact that some had gotten the impression that both interest and penalty had been remitted on delinquent taxes, but as a matter of fact only the 10 per cent penalty had been remitted and no further concessions will be made.

It is the contention of both the city council and the school board that to remit the interest on delinquent taxes would be to subject those who have paid their taxes promptly each year a rank injustice, and would certainly discourage a continuance of this practice. While we realize that times have been made hard and that it has been impossible for many to meet their tax payments when they were due, we believe that those who have had the extension of time should pay this small interest charge. There are others who could have paid their taxes but who have not done so, and these have retained the use of their money at lesser rate of interest than they would be asked to pay in the ordinary run of business.

We believe that future welfare of our municipality and our schools depend upon the attitude of the taxpayers, and should any discrimination be made, it should be in favor of those who are prompt in the payment of their taxes, however, it is our opinion that no favoritism be shown, and that those who do not pay their taxes when due should be willing to pay the 6 per cent interest prescribed by law. It has not been the disposition of either your city council or school board to push the citizenship for tax payments, but we wish to call attention to the fact that your city and schools have obligations that must be met, and we all would view with displeasure any condition that might place our community in jeopardy of receivership, and we, as citizens and as officials, want to urge the fullest possible co-operation in the payment of taxes, and in this connection we pledge rigid enforcement in the conduct of the affairs entrusted to us.

Respectfully submitted,
CITY OF MUNDAY,
J. A. Kennedy, Mayor,
J. C. Campbell,

P. T. A. Notes

What is the P. T. A.? It is an organization made up of parents and teachers.

What is its purpose? It works on projects which add to the advantages of the children in school.

Who should belong? Every parent who has a child in the P. T. A. What good does it do? It serves to bring parent and teacher into closer relationship, and thus benefit the child.

What has it done for the Munday School?

1. It put sidewalks around the school campus.
2. It helped in giving lunches to undernourished children during one of our worst winters.
3. It furnished the Community Hall with stage curtains.
4. It has spent much money in providing the school with library books, reference books, dictionaries and magazines.
5. It provided the school campus with trees.
6. It furnished the campus with play equipment.
7. It bought a flag-pole and flag for the school.
8. It has done other things to help forward the interests of the pupils in our schools.

Let us add to this imposing list of accomplishments by making this a second year for our P. T. A.

Answers to Inquiries

Q. Will my Blue Eagle be withdrawn if I am unable to comply with all the provisions of the permanent code of my industry?

A. Permanent codes provide the manner of their administration. Any appeal for exceptions to provisions of administration must be made to the administrative body established in the code.

Q. There are two firms in my town which have not signed the President's agreement. What do you advise?

A. Some have not signed because they do not understand the purpose; others because they feel they cannot. In any event, they deserve no critical comment until their cases have been considered by the local compliance board. A dependable method has been designed and is operated to take care of any case of any kind without detriment to any employer who wants recovery.

Q. Owners of small establishments here complain they are "being told" they may work only 54 hours per week. Is this correct?

A. No. The President's Re-employment Agreement places no limitation on hours in towns of less than 2,500 population.

Q. When an employer signed the President's Re-employment Agreement, is he permitted to add this clause: "Provided that we waive no constitutional right or immunity?"

A. No. There can be no modifications or "interpretations" except the regularly authorized "consent clause" referring to substitutions or to labor contracts made prior to signing. "Interim" evasions will be prosecuted.

Q. I am an American citizen living abroad, engaged in importing American products. Am I entitled to the Blue Eagle?

A. Yes; provided your importations are manufactured by firms who are NRA members, and provided further, you have yourself signed the President's Re-employment Agreement and are living up to it.

Q. Have there been further modifications of the substitutions for retail coal dealers with respect to watchmen and delivery men?

A. Yes. The policy board of the NRA, with the Administrator's approval, exempted watchmen from any limitation as to hours, and ruled that delivery men may work 48 hours per week.

Oakie-Skeets Teamed Again In Flimucial

Jack Oakie and Skeets Gallagher are teamed once more as the foremost comedy team of the films in Paramount's first big musical comedy of the new season, "Too Much Harmony," which comes on Sunday to the Roxy Theatre.

They were acclaimed throughout the country a few years ago after scoring an outstanding success in Paramount's "Closely Harmonized." In "Too Much Harmony," they play a pair of dumb vaudevillians, once a great pair of low comedies who have since gone high-brow to their own ruin. In their act is Judith Allen.

Bing Crosby, star of a Broadway show, steps off in the small town in which they are playing, catches a glimpse of the act and offers to take them to New York in order to give the girl a chance. He falls in love with her, but when he gets to New York finds that she's engaged to Jack Oakie. Crosby has a fiancée of his own, Lilian Tashman, a gold-grubbing blonde. She and Oakie are ready to tear the roof off when they learn of the attachment between Crosby and Miss Allen.

And the Broadway show in which all are starred has much "too little harmony" until Oakie and Gallagher put their "bright" minds to work to solve the problem.

Arthur Johnson and Sam Coslow have written eight new tunes for the picture, including "Thanks," "Buckin' the Wind," "Cradle me with a Hot-Cha Lullaby," "Black Moonlight," (ed to last page)

Gin Accident Is Fatal To Gilbert White Tuesday

Gilbert B. (Red) White was fatally injured in an accident at the Farmers Union Gin on Tuesday evening when he became entangled in the belting at the plant near the oil mill. As there were no eye witnesses to the accident it is not known exactly how the accident occurred, but it is believed that he became entangled between the belting of a pulley as he was applying belt dressing to a belt. He was found by fellow workmen within four or five minutes after he was seen to walk in the direction of where the accident occurred. The R. G. Campbell ambulance was summoned and he was carried to his home a short distance from the gin. He breathed some thirty minutes after the accident despite the fact that his skull was badly crushed.

Deceased had been a citizen of Munday for some fifteen years, having come here as a youth with his parents, Elmer and Mrs. J. M. White, and in addition to his parents he is survived by his wife and three small children, four brothers, John, Monroe, Truman and Jack White and two sisters, Misses Birdie and Ronald, all of whom reside here except Monroe, who resides near Cameron, Texas.

Gilbert was born at Waller, Texas March 2, 1909, and was 33 years of age. He was an industrious man and had for a number of years been associated with his father here in contracting work.

Funeral services were conducted on Thursday afternoon at the North Church of Christ by Elder E. J. Smith of Crowell, assisted by Rev. W. H. Albertson, pastor of the Baptist Church. Interment was made in Johnson cemetery.

The Times joins the many friends of the family in extending our sincere sympathy to the bereaved members of the family in their great sorrow.

W. M. S. Presents Musical Comedy On Friday, Oct. 13th.

"Cool Knights," a musical comedy in three acts with snappy choruses and lively music and a cast of 100 local people will be presented at the community auditorium on Friday evening, October 13th under the auspices of the Woman's Missionary Society. The cast is to be entirely home talent and the story of "Cool Knights" centers around a group of college students who form two clubs, one the "Man-Haters Club" and the other "The Royal Order of Cool Knights." They are shipwrecked on an island, and how their problems are solved and how their college is reunited provides an evening of good, wholesome fun and amusement.

You will see Lowry Rigby play the part of the college hero and Miss Anice Palmer in the part of Betty, the college beauty. Percy is played by Sidney Lee and "Tomboy" will be played by Miss Maxie Dingus, all supported by a strong cast, with excellent in-between acts. Don't forget the date and don't let us be "Cool Knights."

WELL ARRANGED PANTRY IN LONESTAR H. D. CLUB

"I not only have to plan for my family to live at home but for my daughter, who will be away in school and keeping house," said Mrs. Maggie McCaughey, 4-H Pantry demonstrator in the Lone Star Home demonstration club. "I do not have a definite count but I have put up between 400 and 500 containers, mostly quart, and my canning isn't nearly finished."

Before the achievement program, which is to be held in school during the month of October, Mrs. McCaughey plans to have her pantry filled and arranged by the following grouping: Leafy Vegetables, Starchy Vegetables, Other Vegetables, Fruits, Meats, Pickles and Relishes, Preserves and Jellies, Time Saving and Accessories all on shelves, preferably wide enough and just far enough apart for a single row of cans or jars. These shelves will be labeled as will the containers. Boxes for temporary supplies of potatoes, onions, dried peas and beans will be arranged in convenient places in the cellar, where this pantry is to be assembled.

All-Day Picnic Is Scheduled For Rhineland Oct. 12

An all-day picnic concluding with a big dance at night is scheduled for Rhineland on Thursday, October 12, according to an announcement made Monday by Prof. John J. Hoffman, superintendent of the Rhineland schools. The event is being held on Columbus Day and will be under the auspices of the Rhineland lodge, Knights of Columbus.

Aside from the fact that delightful dinner and supper will be served on the ground, there will be held during the day numerous contests in which prizes will be given to the winners, and band music will be provided.

While no definite arrangements have as yet been made for the orchestra for the dance in the evening, Mr. Hoffman stated that it was their aim to procure a good orchestra and the dance will be one of the principal attractions for the younger people, and Mr. Hoffman has requested that we extend to the general public a cordial invitation to attend the picnic and enjoy the day with the citizenship of Rhineland.

Elbert Hughes Is Out of Postoffice After Eight Years

Elbert Hughes, who for the past eight years has been clerk in the local postoffice, tendered his resignation to Postmaster J. B. Renuard Sunday, effective September 20th—exactly eight years to a day after he began work. For the past year, however, the clerk allowance for the local office has been so greatly reduced that he remained on duty largely in the hope of procuring a transfer to another position.

Mr. Hughes stated that he will continue to make his home in Munday and has secured the agency in this territory for the Great Southern Life Insurance Company, and plans to devote a major portion of his time to the insurance business.

KING-WOMBLE

With the Rev. Ashely, pastor of the Methodist church, officiating, Miss Ruth Wombles of this city and Mr. Joe Bailey King of Weintert were united in marriage with the pretty ring ceremony at Weintert on Saturday evening, after which the young couple left for a brief wedding trip to Abilene and other points, after which they will be at home at Weintert.

Mrs. King is the daughter of Mr. and Mrs. A. E. Wombles of this city, and was practically reared in this community. She graduated from the Munday High School in the class of '30, and has always been active in church circles and a popular member of the younger social set of the city.

The groom is a son of Mr. and Mrs. J. B. King of Weintert and is associated with the Nuff Gin Company. He is better known in Munday and vicinity by reason of his activity in baseball circles, having for the past year or so been a member of the Munday baseball club and was with this club a portion of the past season, going to the Govee club in the last fall. He is a young man of exemplary habits and we join their many friends in wishing for them a long and happy married life.

Mrs. Jimmy Frazier of Coolidge, Texas, is here visiting in the home of her parents, Mr. and Mrs. J. J. Keel.

Local NRA Board Allows One Hour More To Barbers

The local NRA Compliance Board met on Friday afternoon and heard a plea from Worth Gafford, local barber, for an extension of working hours, especially on Saturdays, and after hearing the viewpoint of other barbers the board agreed that an additional hour on Saturday night should be granted, and hereafter the barber shops will close at 10 o'clock instead of 9, as they have during the past few weeks.

The board will meet on Friday evening of each week and its mission is to co-operate with all in bringing about as near as is possible a compliance with the President's Recovery program, and it should not be understood that it is the purpose of this board to arbitrarily interfere with any individual or concern except when complaints are made in writing, an only then in the capacity of an arbitrating board.

P. T. Association Here Inaugurates Membership Drive

The P. T. A. of Munday has set as its first goal of the year the building up of an intense interest in the organization on the part of the patrons of the community. No great degree of real interest has ever been aroused, the work has been carried on by a few, and the community as a whole has not felt the responsibility which is necessary to the functioning of an alive P. T. A. That situation is to be remedied.

A membership drive is on. For twenty-five cents one may become a member of the organization. Every parent should take enough interest in the school to wish to help in any possible way. That help can come through the P. T. A. Your quarter is not all that is asked of you. That is the least of your help. But a sincere interest in forwarding the advantages of your children, a willingness to help in P. T. A. projects, and your cooperation in every way are needed. May we have them?

Although the twenty-five cent enrollment fee is necessary to get your name on the roll—yet, you may come to every meeting and take part in all P. T. A. projects without paying the enrollment fee. For it is your own presence at the monthly meetings and your help in all the P. T. A. work which are needed and wanted. So—whether you enroll or not—come out to the meetings. You will enjoy them and your cooperation will be appreciated.

A prize of \$2.50 will be given to the room enrolling the greatest number of parents by the 16th of October. Enroll now and help make this year's P. T. A. the most successful one Munday has ever had.

Saturday Banner Business Day For Munday Merchants

Saturday was a banner day for the business concerns of the city and notwithstanding the fact that every store in the city had added a number of extra salespeople, they were crowded until well in the night looking after the wants of their customers. Some of the merchants declared that their business Saturday was the largest they have enjoyed in three years and many commented that the large crowd of shoppers reminded them of the good old days.

WITH THIS ISSUE WE INAUGURATE OUR PRIZE-GIVING CIRCULATION CAMPAIGN; FIRST IN OVER SIX YEARS

First Prize is New Standard Two-Door Chevrolet Sedan; Three Other Wonderful Prizes as well as Cash Commissions will be Given.

We have inaugurated this Campaign for the purpose of increasing our circulation as well as to collect the delinquent subscriptions to the Times. It is our desire and aim in this campaign to have the Times reach every home in Knox county, and in order to do this we are offering four wonderful prizes to ladies who participate in the Campaign. The Capital or Grand Prize, is a Chevrolet Standard Two-Door Sedan, bought from the Moore Chevrolet Co., of Munday; the Second Prize will be a high class overstuffed three-piece Living Room Suite, valued at \$250, which will be on display next week; the Third Prize will be One Hundred (\$100.00) Dollars in cash, and the Fourth Prize will be one of finest Coleman Gasoline Ranges on the market. This Range has four burners, with warming closets below and a high shelf above, and is full white enameled. You may see it on display in the Times office.

On this page is printed an Entry Blank and all you have to do to become a member of this Prosperity Club is to clip and fill out the Blank, bring it to the Campaign Manager, get your supplies and you are ready to start to work. There is no red tape nor any strings tied to this Campaign; it is open to every lady in this county, and it costs absolutely nothing to enter, and costs you nothing to win either of these wonderful prizes.

Ordinarily cash commissions are not paid in circulation campaigns but only the prizes are offered, but in this campaign we are going to offer a cash commission, therefore one could enter this campaign now, and work up to the closing period, and if they averaged but \$25 business a day they would be making fair wages. Everyone who takes part wins a fine prize or a handsome sum in cash. There will be no losers in this Campaign.

Some live lady is going to start right out Monday morning and in a few short weeks will have a new automobile. Remember it costs nothing to enter this campaign. All you need to do is nominate yourself and you will be given 5000 votes to start. Come at once to the TIMES office and you will receive receipt books, sample copies, and full working kit and you may start right to work. The time is short. Don't lose a moment.

This is not a money-making proposition on the part of the TIMES. If it was, we could not give away such valuable prizes for such a short campaign. We desire to have a paid up subscription list and reach every home in Knox county by the first of the new year and are willing to pay liberally to the ladies who will go out and get these renewals as well as new subscribers.

We are anxious to have Candidates in the towns of Knox City, Goree, Rhineland, Weintert, Benjamin, and all communities adjacent to the town of Munday.

State Fair Ready To Open Saturday

Dallas, Texas, Oct. 4.—With the greatest agriculture, livestock and poultry shows on record entered and now being arranged; with more than 250 major manufacturing plants of the state with their exhibits in place, and with one of the best amusement programs in history of the organization all set, the 47th annual State Fair of Texas will open its gates on next Saturday, October 7th, 1933.

Officers, directors, superintendents and other connected with the state exposition have gone many steps forward this year to give to Texas and the Southwest its greatest fair, Otto Herold, who is serving his second year as president, said here Monday.

The theme of the agriculture, livestock and poultry show will be "Replacement Programs," and will be carried throughout—suggest programs for replacement of cotton acreage for the 1934 farmer. The Agriculture Department will show progress of diversification during the past 14 years with comparative exhibits; the livestock department will emphasize "utility livestock" and the poultry department will paint a picture of more food for the home by raising chickens.

The Texas Manufacturers Show is expected to be a revelation to the world, as it will show Texas factories manufacturing practically every kind of product necessary to the comfort and advancement of mankind in this state. This is expected to be the largest "made-in-Texas" show ever held in this state.

The amusement program will be headed by the three elaborate musical productions in the auditorium—"Bitter Sweet," Oct. 7 to 12; "Nina Rosa," Oct. 13 to 17, and "Floradora," Oct. 18 to 22.

Two Southwestern Championship sport contests will be held at the State Fair of Texas—the cowboy championship to be held in the livestock arena, Oct. 7 to 18, and the motorcycle races which will be held under the sanction of the American Motorcycle Association, for the official championship of the Southwest. These races will be held in the stadium on each Sunday afternoon and night during the 1933 exposition.

Mr. and Mrs. L. S. Hardgreave are rejoicing over the arrival of a fine daughter, who made her arrival upon the scene of action on Tuesday at the Wichita Falls Clinic-Hospital, and we are glad to announce that both mother and daughter are getting along nicely.

Statement by Publisher

For this circulation campaign we have secured the services of Clarence D. Knight, manager of the West Texas Circulation Service, with headquarters at Abilene, and in so doing we feel that we can assure everyone interested that the campaign will be conducted upon the highest plane. Indeed Mr. Knight is not altogether a stranger to Munday, having been associated with this paper for some time back in its early days when it was under the ownership of Thos. Durham. Mr. Knight will be in charge of the campaign and will be glad to confer with anyone interested and give any information not contained in this announcement published in this issue.

Additional Teacher Will Be Employed In Sunset Schools

Supt. T. W. Harber stated this week that an additional teacher will be added to the high school department of the Sunset Consolidated Schools when the term re-opens about October 30. The addition will give the school five teachers in the high school and eight in the grammar school. The addition to the faculty is made necessary by the crowded condition due to the fact that a number of students outside the district have enrolled in he school.

Time Limit On Signing Wheat Contracts Given

Within the next ten or fifteen days all producers desiring to share benefits of the Wheat Reduction plan must sign Wheat Contracts of Application for Wheat Contracts.

Last week the wheat producers met in Benjamin and elected the following committeemen: Tom West, Sam Shipman, Cecil Haynie, W. A. Ryder, Earl Sims and A. W. Wilde. Anyone seeking information concerning the Wheat plan can make contact with any of the above committeemen or see the County Agent.

Everyone growing wheat should learn the details and if he can receive benefits by signing a contract then it is his privilege to do so.

W. E. Jones,
County Agent.

"LIVE AT HOME"

More than half of the 1460 farm families in Knox county are participating in the "Live at Home" program as outlined by the Extension Service, College Station.

"It costs an average family of five about \$600 per year for food if every member is properly nourished and all food is bought. How much of this can the farm supply? From 40 to 60 per cent has been the rule on most farms in times past. During these depression years many of the most alert farm families have raised percentage produced at home to 75 and even to 90 per cent. By following the demonstration plan outlined a family may produce 100 per cent of its annual food requirements. To do this it will take 25 acres of average Texas land, about \$200 worth of livestock, the ordinary work stock, farm implements, fences, and buildings that most farms already possess.

This living at home demonstration, toward which any farmer can work in a short time, calls for 2 meat hogs, a flock of 50 hens, on best animal, 4 milk cows, and if desired a few sheep. Under average conditions 6 acres would be devoted to sodas grain pasturage in summer and small grain pasturage in fall and winter; 12 acres in corn and grain sorghum or other grain crops; 4 acres in hay and ensilage crops; 1-2 acres in garden, 1-2 acres in orchard and 2 acres for such crops as sweet potatoes, melons, cane for syrup and field peas.

Such a system will produce all the food needed for a family of five, and all the feed required for main-

taining the livestock indicated, including work stock, without any cash expense except about \$100 for buying cans and jars, sugar, coffee, some flour and spices, and a small amount for purchase of seed, livestock medicines, and incidentals. This cash will be forthcoming from the sales of surplus dairy, poultry and other products available in certain seasons of the year in excess of the family needs.

EYES ARE EXAMINED NOW!

Not many years ago the "Spectacle Quack" would spread out a collection of cheap "Specks," on a barrel head, while he "barked" his wares to the passing crowd.

But the day of the Spectacle Fakir, the Eye-glass Peddler, the Mail Order Miss-Fits, and the bargain-counter odds-and-ends is passing.

People have learned, and are learning, that it is dangerous to gamble with their eye-sight. You cannot afford to take a chance. Why should you?

You should give your eyes the benefit of the best Eye-Service science and skill can supply—that's Optometric Service, as practiced by the competent Optometrist.

Your eye-sight is one of the greatest blessings God has bestowed upon you. A "gift" you cannot replace—a gift you should never abuse. Guard it and it will always bless you. Protect it and it will protect you.

SAM'S SURVEY

Last Friday seemed like the day of all days for most of us. The Moguls went into the game with a fighting spirit and came out with the victory in their favor. With all of the team co-operating splendidly, Aycock went down old Scruggs field for three touchdowns and one goal. Williams also went down for one touchdown. On the first kickoff Aycock got the ball and went down the field for a gain of about thirty yards, at first it seemed like a touchdown but one of Woodson's players reached out and pulled him down.

In the first half the Moguls scored three touchdowns and Woodson scored one, and in the last half Woodson scored one and the Moguls scored one, an extra point making the score 25 and 12.

On Friday of this week we meet Aspermont on our home field and we expect to beat them fully as badly as we did Woodson.

Revision of Psalm Twenty-three

By A. Fische

The soph is my master, I shall not complain.
He maketh me bend over in undignified positions; he leadeth me to pretend that it is funny.
He restoreth my vigor; he keepeth me on line and in the path of duty for his own sake.
Yea, though I tolerate these only through the shadow of his weapon, I will speak no evil, for he is with me; his board and belt, they discomfort me.
He prepareth a paddle for me in the presence of mine enemies; he appointeth me with it; my anger runneth over.
Surely goodness and strength shall follow me until next year, then I shall dwell on the fish the entire year.

GOOD TIME—YOU BET

Last Friday night the pep squad gave the football boys a real treat. They took them to a "tank," a real spot too, north of Geesee where a supper was served. We found Mr. Jones can really "take it" like a sport. He is certainly jolly at a time like that. Mr. Reed is also a "surpriser" and can Pedegree—(My mistake, Hardegree, poor spelling)—run? He CAN run! We were glad to have Norene Bowden and Dorothy Campbell along to brighten up the games. When you do something like this, Mesdames Palmer, Ingram, and Barnes are excellent chaperons. The boys really had a good time. They will permit the girls to do it again some time!

JUNIOR REPORT

"We've got a class.
We're here to tell.
And all our members
Study like
Yea, Juniors, keep it up!!!
"Boogy" Aycock and "Moochy" Blanton both showed us how last Friday. They always have and always will. Some of our girls yelled for them too. We really need more "pep" from the student body and boys will sure help.
These teachers up here are overflowing with work. History, Span-

ish and Chemistry tests all in one day makes it like the Niagra Falls.

We are glad to have newcomers who are always welcome. Ruth Moore, Ralph Layne and L. W. Maples are classified with us this year.

Mesdames A. A. Smith and M. H. Reeves have consented to be our room mothers this year. Won't we have fun? Yea we will. If anyone in Munday can show us a good time, these two ladies can. Yea, sir!

In English we have been studying the beginning of literature. Of course Benjamin Franklin and his dear "Poor Richard's Almanac" would appear. It would be interesting without this. Our little junior, Bill Dingus, originated a new saying "He who works to a sweat will hit his collar."

SOPHOMORE REPORT

The sophomore class as a whole has settled down to the usual "grind" now and everyone seems to be enjoying the school work. (?)

We have quite a few of the sophomore boys going out for football and from the game Friday they are plenty good.

There are more sophomore girls in the pep squad this year than usual and we're sure a peppy bunch.

We are planning a party after the six weeks exams, and if the other classes do not watch out we shall be leading the social calendar for the year.

Two Jews were walking down the street and a man stepped out and held one up. The other Jew said, Oh, please, mister, shoot him in the coat, the pants is nice.

And then there's the Scotchman who found a box of aspirin lying on the sidewalk and knocked himself in the head.

FRESHMEN

The student body held a pep rally last Thursday evening in front of the High School building and quite a few were present.

Mr. Hardegree said because of such warm weather that the freshmen boys would not be requested to bring wool for a bonfire, as they have done in the past. So the bonfire was postponed to a later date, awaiting the arrival of cooler weather.

There have been quite a few absent the past few days and we sincerely hope that they may be able to be back with us soon. Monday was the second day of October and the second nother. This cold weather caught the student body sleeping and it sent a cold chill over both our bodies and the building.

The Freshman Reporter wishes to thank Mr. Hardegree for his compliment on the report of the past week.

SENIORS

"It takes money to make the mare go" was the definite conclusion of the senior class in their last meeting. We agreed, unanimously, to pay a small class fee to the treasury of our class, for miscellaneous expenses. However, two exemptions were made from this agreement. They were Mr. Hardegree and Miss Couch, our

sponsors. We are proud of having with us some seniors taking post-graduate courses. Those who are reporting to some of the classes are: Lucille Hunter, Katie Beth Bowden and Betalou Greer.

It is a general custom, when we inaugurate a new faculty member to get the "dirt" on him sometime during the year. We are giving it to you early so you can form your own opinion, before old acquaintance takes the grip on you.

MR. REED

Seldon James Reed was born January 19, 1909 near Fulton, Ky. His father, a proud farmer, started him to school in Water Valley Grammar school. He graduated from Water Valley High School with high honors. He lettered in football and baseball. On leaving Kentucky he came to Texas, where he won more honors in Simmons University. He majored in chemistry, with zoology as his minor. He graduated from Simmons June 7, 1933, and came to M. H. S. as his first year of teaching. He has come to us with the best recommendation any teacher has for several years.

His favorites are:
Subject: Science.
Hobby: Chasing buttercups.
Sport: Football. (He likes the kick.)
Food: pies (are you sure its not eyes?)

Some of the few Reedisms that we are already familiar with:
He never goes to class without a tie.

He never becomes humiliated.
He doesn't part his hair in the "middle."

He attends church regularly.
He goes to bed at an early hour (sometimes.)

PAYS CLAIM \$2,162.40

The Mutual Life Insurance Company pays claim of \$2162.40 to Mrs. Ruby Pannell, Mrs. Jewell Drury and John C. Hightower, deceased, formerly of Albany.

The face value of these policies was \$2,000.00, the \$162.40 was the amount paid this Association by Mr. Hightower during his life time which was returned to his Beneficiaries under our premium refund plan.

COZY DAYS AHEAD

for HOMES HEATED WITH IMPROVED GAS APPLIANCES

It's time to think of comfort, to plan so that when winter winds begin to blow, your home will be a haven of warmth—a cheerful, cozy place where raw chill is barred from every room—a place where the whole family can enjoy life comfortably, luxuriously.

You can modernize your home heating most easily these days, with so many improved types of gas heating appliances at your command.

There are floor furnaces that require only a small space beneath the floor, yet heat large areas efficiently. There are circulators that provide healthful, circulating warm air for rooms that are hard to heat. There are individual gas steam radiators, manufacturing steam heat on the spot. For the larger home, there are gas-fired central heating plants that circulate warmth all over the house, and gas conversion burners to modernize old heating systems. And there are many styles of improved space heaters ranging from the simplest models to reproductions of old-world designs.

Some one of these improved types of modern gas equipment—maybe a combination of types—will bring summer time to your home this winter. With your home so equipped we are safe in predicting "Cozy Days Ahead," regardless of the winter.

You'll find a wide variety of modern gas heating appliances at your gas appliance dealer or your gas company. Either will be glad to give you dependable advice on any home heating problem.

FARM AND RANCH LOANS

I wish to announce that The Munday National Farm Loan Association is now in a position to intelligently take applications for Federal Land Bank loans at 4 1/2% interest.

Also that I will take applications for Land Bank Commissioner's loans, which are based on 75% of the appraised normal value of the farm or ranch, and or chattel mortgages.

I have just had a conference with one who has the correct knowledge and information concerning both of the above kinds of loans, and feel now that I can take applications of the above kind with a maximum possibility of success, and the possibility of a minimum cost to the applicant.

MUNDAY TIMES ANNOUNCES PROSPERITY CLUB WITH BIG CIRCULATION CAMPAIGN

OPENS MONDAY, OCT. 9; CLOSSES SATURDAY, NOV. 18

First Grand Prize!

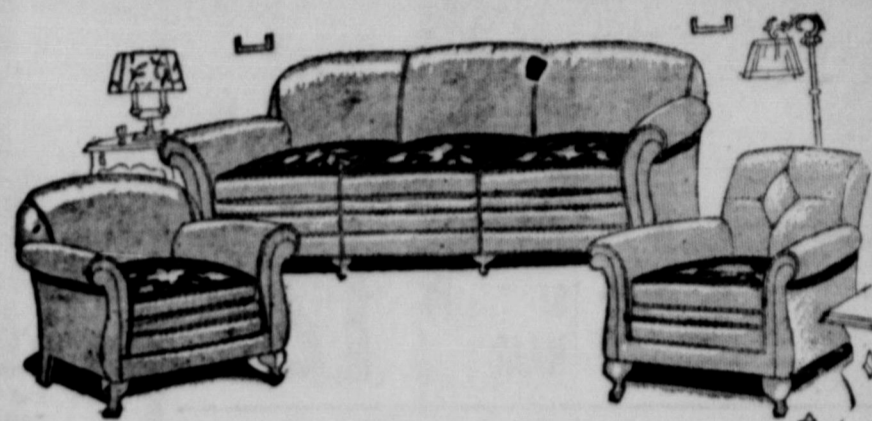

The First or Grand Prize to the lady who secures the greatest number of votes, is a new 1933 Standard Chevrolet Two-Door Sedan, bought from the Moore Chevrolet Co., of Munday and at present on display in their show room. They have all models of Passenger cars and trucks; genuine Chevrolet parts

THIRD PRIZE \$100

One hundred dollars in spot cash is our third prize and may be won by anyone in the Campaign, whether in the city limits or out in the rural districts. We consider that you would much prefer cash than a prize that could be bought for one hundred dollars.

This prize alone should be enough inducement for any lady to work entirely through the Campaign of six short weeks.

Second Great Prize

Our Second Prize is a \$250 Living Room Suite of three pieces. We consider this one of the very best prizes we could have selected for our Candidates. Please bear in mind that this Second Prize goes to some Candidate outside the City Limits of Munday only, and cannot be won by anyone in the City.

ENTER THIS CAMPAIGN NOW and WIN

Fourth Important Prize

A wonderful "COLEMAN" Gasoline Range, one of the highest grade ranges on the market. Has four burners on top with warming closet below and shelf above; full white enameled. This stove is now on display at the TIMES office.

Work Only Will Win

There is only one way in which you may win either of the prizes we are offering in this Campaign, and that is to work for them. The work is pleasant and lasts only a few short weeks. The more you do the more votes you will likely turn in, and it takes votes to win.

THIS CAMPAIGN WILL CONTINUE SIX WEEKS

Rules and Regulations

Any lady is eligible to enter this Campaign, but the manager reserves the right to reject objectionable entrants.

No employees of this newspaper, or member of employees' family will be eligible to enter the Campaign, however, this does not apply to our correspondents.

This Campaign is for individuals only—not organizations.

Winners will be decided by the votes they cast, just like any other election.

Candidates may work where they please, collecting on delinquent subscriptions and renewals as well as securing new subscriptions. Votes will be issued for all.

Cash must accompany all orders where votes are desired. Each Candidate is an authorized agent for this newspaper, and it is distinctly understood that each Candidate will be held responsible for all money collected and reports shall be made each day and MUST be made at least twice each week to the Campaign Manager. It is distinctly understood that ANY candidate failing to make a cash report at least twice each week shall be declared INACTIVE and she will be disqualified and forfeit all right to either a prize or cash commission.

No candidate shall be eligible to win two prizes, or prize and commission.

Votes may be held in reserve or polled at the discretion of the Candidate, up to and including the last day of the Campaign.

In fairness to all candidates the ballot box will remain under lock in the First National Bank the entire last week of the Campaign. In doing this the publisher, the campaign manager nor anyone else will know the results of the campaign until the campaign manager nor anyone else will know the results of the campaign until report.

No statement or promise, either written or verbal, made by anyone varying from the Rules set forth here will be recognized. Any questions or controversies which may arise concerning the Campaign will be settled by the Campaign Manager according to the Rules and his decision shall be final and conclusive.

In becoming a Candidate or participant in this Campaign, Candidate agrees to abide by the conditions set forth above.

Vote Schedule

	Price	Votes
1 Year	\$1.50	1,500
2 Years	\$3.00	3,000
3 Years	\$4.50	4,500
4 Years	\$6.00	6,000
5 Years	\$7.50	7,500

The above schedule will prevail throughout the entire Campaign. Positively no subscriptions will be accepted for more than five years.

How to Enter and Win

There are no strings of any kind to this Campaign; any Lady is eligible to enter, and all you have to do is to call at the TIMES office and fill out your entry blank, which gives you 5000 votes FREE, get your Receipt Book and Sample copies of the TIMES and you are ready for work. Votes can be secured only by securing new subscribers, or collecting delinquent subscriptions for the TIMES. The prizes are absolutely FREE of any cost to you. Neither does it cost one cent to enter this Campaign—now or later—and if you fail to win one of the four prizes offered you will receive a generous cash commission on all cash you collect.

An early start is a great advantage, for you will have more time and less competition NOW. You will not find it at all difficult to secure new subscriptions or collecting delinquents among your friends and acquaintances and just a few short weeks is all that is necessary for your success. When you are too busy to get out and work use your telephone. One of the commonest expressions is: "I haven't the time." Generally that person has plenty of time, if she would only use it in the right direction. JUST FIGURE FOR A MOMENT: How long would it take you— at your present occupation—to save and set aside an amount equal to the amount of the CAPITAL PRIZE? Many people have not saved that much in the past two years and we are offering this to you for only a few short weeks of pleasant work. Somebody is going to win this beautiful new automobile and it might as well be you. Enter this Campaign today and let's all start together.

WHAT IS YOUR SPARE TIME WORTH? What will it bring you if you do not take part in this Campaign? We are offering you an opportunity to profit to an almost unbelievable extent for every moment you devote to this Campaign. Clip the Entry Blank on first page of this issue, fill it out, bring to the Campaign Manager today and become a member of this Club.

PAY YOUR SUBSCRIPTION AND HELP YOUR CANDIDATE!

NOW IS THE BEST TIME You Have Ever Had to Pay Your Subscription to the TIMES, and subscribe for it for your friends back home, and in that way you will help some worthy lady win a prize for which anyone should be proud. Undoubtedly you will have a choice among our many Candidates in this Campaign. Pay your subscription to her today and let your money do double duty for you.

Notice

For further information, entry blanks, working outfits, sample copies, etc., call at the TIMES office in person and ask for the Campaign Manager.

We have arranged a separate department and employed a man who will devote his entire time to this Campaign.

For further information call at this office or telephone 97.

Everyone Wins Prize

Everyone who participates in this campaign will be paid a cash commission on all money collected by them, provided they make two or more reports each week after they start work, and in event such Candidates do not win one of the four prizes. Candidates in this Campaign have a definite aim.

Where to Work

Candidates will not be restricted in any way as to the locality in which they may get subscriptions. Collecting delinquent subscriptions or advance payments from old subscribers earns votes as well as new ones. This is the opportunity to crystalize dreams of a lifetime.

Eligibles

Only women, married or single, may compete in this Campaign; no clubs or organizations are eligible. There will be a prize or award for everyone who enters this Campaign and works to its close. If you do not win one of the four prizes you will be paid a cash commission on all money you collect. There's not a chance to lose!

HOW WOMEN CAN WIN MEN AND MEN WIN
The Favor of Other Men

Unless two pints of bile juice flow daily from your liver into your bowels, your food decays in your bowels. This poisons your whole body. Movements get hard and constipated. You get yellow tongue, yellow skin, pimples, dull eyes, bad breath, bad taste, gas, dizziness, headache. You have become an ugly-looking, foul-smelling, sour-thinking person. You have lost your personal charm. Everybody wants to run from you.

But don't take salts, mineral waters, oils, laxative pills, laxative candies or chewing gums and expect them to get rid of this poison that destroys your personal charm. They can't do it, for they only move out the tail end of your bowels and that doesn't take away enough of the decayed poison. Conscience won't help at all.

Only a few flow of your bile juice will stop this decayed poison in your bowels. The one mild vegetable medicine which starts a free flow of your bile juice is Carter's Little Liver Pills. No colored (mercury) in Carter's. Only fine, mild vegetable extracts. If you would bring back your personal charm to you, management taking Carter's Little Liver Pills according to directions today. It's at drug stores.

Before "something just as good" for a may drive, loosen teeth or soiled rostrum. Ask for Carter's Little Liver Pills by name and get what you ask for. ©1933, C.M. Co.

NEW CAFE
Mr. and Mrs. A. M. Henderson of Rochester have opened a new cafe in the Tull building, where they invite the public to visit them. Mr. and Mrs. Henderson formerly resided at Seymour and are known to many people over this section.

J. E. Reeves of Haskell was here the latter part of last week transacting business.

Paul Penleton left first of the week for Houston, where he will be associated with the Anderson-Clayton Co., cotton buyers.

Mr. and Mrs. Henry Mason of Wichita Falls were here Sunday visiting in the home of Mr. and Mrs. H. A. Penleton.

Jerome Decker of Munday route 1 came in Saturday and had his name enrolled as a subscriber to the Munday Times, and we are indeed glad to add him to our rapidly growing list and trust that he will continue to read and enjoy the paper.

George McCarty of Chattanooga, Tennessee is here this week visiting in the home of his uncle, G. W. Haney, and other relatives. George went to New Orleans to witness the Dixie Series, and came on here for a visit with relatives.

J. W. Zeissel of the Rhineland community came in early this week and gave us his subscription for the Munday Times and Semi-Weekly Farm News. This clubbing offer of \$2.00 is proving very popular, and we have received a number of subscriptions already on this combination.

From the Abilene Christian College comes the information that Miss Madalynne Fritz, daughter of Mr. and Mrs. D. C. Fritz, has enrolled as a student in that institution of learning. Miss Madalynne is a graduate of the Munday High School of the class of '32. Mr. and Mrs. Fritz have recently moved to Abilene in order that their daughters might have the educational advantages available there.

Hood News

The nice weather we have had for the past three weeks has been greatly appreciated by the farmers who are trying to gather their crops. The staging Sunday night was enjoyed by several good singers from Parker county and Messrs. Brewer, Frasier and Turpin of the New Hope Community.
