Volume 29.

Munday, Texas, Thursday March 22, 1934

Number 41

## TODAY and TOMORROW

By Frank Parker Stockbridge

### FARMERS—Success rule

My friend Charles F. Collison, who knows more farmers than any other man I know, and who writes in the Minneapolis Tribune more horse-sense about farming than any other writer with whose works I am familiar, printed a piece of the other day which bears out my contention that most of the trouble farmers find themselves in arises from the same source as most of the troubles the rest of us are in—ourselves.

Charlie Collison tells the story of John Linster of Elm Grove Farm, near Northfield, Minn. John Linster has been running the same farm for 34 years. He is so far from being discouraged that he has bought another 160 acres over in Wisconsin, for his son. The secret of this farmer's success is the secret of anybody else's success; he never spent any money until he had it, never borrowed money until he knew where it was going to earn something for him, never discarded anything old for something new merely for the sake of change, and kept a strict record of every cent received and spent.

Those rules, coupled with knowing one's trade or business thoroughly are all there is to success. Anybody can succeed who follows them.

### LAWYERS—That we like

The older I get the more I am impressed with the fact that any law is only as good as the public sentiment behind it. If the people like it, it is a good law; if they don't obey it.

If every motorist who disobeys the local speed laws were arrested there wouldn't be jails enough to hold them. But no police force could be maintained large enough to enforce the speed laws strictly.

The best laws are those which leave people free to do whatever they like to do, restraining them only from interfering with others' rights and punishing them promptly and severely for doing any thing which results in injury to another's person or property.

### ENGLISH—1,000 words

More than five hundred million people, a quarter of the world's population, either speak English or live under the flag of the two great English-speaking nations. Our language is the most widely spoken of all.

It is not as easy for these broad other tongues to express themselves correctly in English as in some other languages. For that reason, as I have pointed out before in this column, efforts are being made on both sides of the Atlantic to organize a simple vocabulary of less than a thousand English words by means of which any idea can be expressed. This, it seems to me, is far more sensible than the various attempts to create a new "universal language," such as Esperanto or anything else which is not already familiar to millions.

### PRAYER—Its purpose

I heard a woman say not long ago that she had lost her faith in religion. She had prayed and prayed for something she wanted and had not got it. It struck me that there was something decidedly wrong with the church or the teacher of religion from whom this woman got her selfish idea of the use of prayer. I have never found anything in the Bible to suggest that one can petition the Almighty for personal benefits and expect to get them.

Those who profess faith in God but try to dictate to the Supreme Being as to how every detail of their lives should be shaped have a totally false idea of the teachings of religion, says my friend Harry Fosdick, whose sermons draw the largest crowds in New York. I agree with him that many people regard themselves as the center of the universe, and what they need most is the sort of faith that assures them that all they need to do is to live up to the Golden Rule and take what comes without whimpering.

Mrs. J. S. Kendall, Clifford Brock and Robert Lane were in Big Spring Saturday. They were accompanied home by Mrs. Kendall's mother who will visit here for a short time.

Mr. and Mrs. Luther Lytle of Peaster and Mrs. G. H. Hall and son Garland of Axtel, New Mexico were guests in the G. H. Beatty home over the week end.

## Funeral Services For Mrs. Lytle Held Here Thursday

Funeral services for Mrs. W. R. Lytle of the Hefner community were held at the Methodist church here on Thursday afternoon of last week with the Rev. S. A. Stifford, pastor of the Hefner church officiating. The remains were laid to rest in Johnson cemetery.

Deceased was born near Hollow Rock, Tennessee, December 24, 1853, and grew to young womanhood there, and at the age of sixteen she was affiliated with the Methodist church and was ever faithful to her church. She was married on August 12, 1875 to W. R. Lytle and in 1893 they came to Texas, first locating near Weatherford, where they resided until 1903 when they came to Knox county, at which time this county was practically unsettled and the family is therefore one of the earliest settlers. Nine children were born to them, four boys and five girls, all but two of whom survive. The surviving children are Mrs. G. L. Hunter, Mrs. A. E. Ford, Mrs. G. H. Beatty of Munday, Luther Lytle, Peaster, Texas, Mrs. G. D. Hall, Axtel, New Mexico; and Corbet Lytle of Haskell, A. S. Albert Lytle, died some few years ago.

In addition to the above named children Mrs. Lytle is survived by her husband, two sisters and one brother.

Pallbearers were composed of grandsons of the deceased while the flower girls were granddaughters. Honorary pall bearers included Joe Warren, Bob Barton, Floyd Clayburn, W. A. Baker, Jim McCutcheon, D. C. Osborne, C. L. Mayes, Willard Reeves, George Oliver, J. C. Cure, J. R. Walton, J. C. Campbell, Pat Murphy, Tom Cowser, W. S. Bailey, A. H. Holder and Bob Lambeth.

## For Lieutenant Governor

## HARRIS SENATOR ASKS ELECTION AS LT. GOVERNOR

Houston, Texas.—Senator Walter Woodul of Houston has formally announced his candidacy for the office of Lieutenant Governor, saying:

"I aspire to the honor of being Lieutenant Governor of this state. I was born in Texas and educated in her schools, including the University. I volunteered to serve in the National Guard on the border in 1914 and served in the world war. I have been privileged to represent the people of Texas in both houses of the legislature, and I believe I know the problems of the state.

"As the campaign progresses, I will discuss and give to the electorate my position on pertinent issues."

Senator Woodul has represented Harris County in the senate for the past six years and was unanimously elected president pro tempore at the last regular session. He was born in Laredo, Texas, and worked his way through the University of Texas. He led in the organization of Houston Community Chest, is active in the civic life of this city, and is one of the leading lawyers in this section of the state. Senator Woodul was elected state manager of the Garner-for-President forces in Texas and served in that capacity at the National Democratic Convention in Chicago.

Senator Woodul married Miss Ethel Eldridge of Baytown in 1917, and they have one son. He is a member of and active worker in the South End Christian Church of this city.

Dr. and Mrs. E. M. Roberts, Jr. are spending the week in Sulphur Springs visiting in the home of Dr. Roberts parents. They were accompanied by Mrs. W. H. Atkinson who stopped at Terrell for a visit with her sister.

Mrs. E. G. Post of Haskell was here Thursday.

Mrs. Roy Sanders of Haskell was visiting her parents here Thursday.

## BUILDERS OF TEXAS... (IN THE AGRICULTURAL, AMUSEMENT, EDUCATIONAL, FINANCIAL, INDUSTRIAL, POLITICAL, PROFESSIONAL AND RELIGIOUS FIELDS.)

**DR. GEORGE W. TRUETT**

BORN IN CLAY COUNTY, NORTH CAROLINA, MAY 6, 1867, AND AT AGE OF 20 WAS PRINCIPAL OF WYVASSSEE COLLEGE.

ACCEPTED CALL AS PASTOR, FIRST BAPTIST CHURCH IN DALLAS IN 1897—HAD 765 MEMBERS; HAS 6,500 NOW—ONE OF LARGEST BAPTIST CHURCHES IN AMERICA.

APPOINTED BY PRES. WILSON AS ONE OF 12 MEMBERS TO VISIT FRANCE IN 1918—WAS LATER ONE OF SPECIAL COMMITTEE TO IRELAND BY BRITISH GOVERNMENT.

RAISED \$92,000 TO BRING BIBLE TO UNIVERSITY OF FINANCIAL DESIRE, WAS GRADUATED THERE AND OBTAINED PRESIDENCY OF SCHOOL BUT REFUSED.

CALLS FOR LONDON APRIL 11<sup>th</sup> TO MAKE AN ADDRESS BEFORE THE GENERAL ASSEMBLY OF BRITISH BAPTISTS ON THE 100<sup>th</sup> ANNIVERSARY OF THE BIRTH OF CHARLES HADDON SPURGEON, FAMOUS BRITISH MINISTER. ONLY OTHER SPEAKER ON PROGRAM WILL BE PRIME MINISTER, HON. RAMSEY MACDONALD.

## Nation-Wide Radio Memorial Services Saturday For Simpson

A nation-wide memorial service will be held Saturday morning at 11:30 for John A. Simpson, late president of the Farmers' Educational and Co-operative Union of America, who died recently in Washington after appearing before various committees in the interest of legislation favorable to the farmers of the nation. J. E. Edwards, secretary of the state organization, has asked us to pass information on to the many members of the organization in this community to listen in on the program, which will be on the regular Farmers Union hour over the MGC chain.

Mr. Simpson, whose home was at Oklahoma City, had been president of the Farmers Union for a number of years and was regarded as one of its most able leaders, and was prominently mentioned as Secretary of Agriculture in President Roosevelt's Cabinet. He was well known here, having spoken here some few years ago and having conferred with officials of the local union upon a number of occasions.

## "Builders of Texas" New Series To Be Run in The Times

The Times has made arrangements for the publication of a series of cartoons dealing with outstanding men of the state under the title "Builders of Texas", the first of which is published in this issue with Dr. Geo. W. Truett of Dallas as the subject. We believe that the series should be of special interest to Texans and are pleased to announce that we have arranged to run the entire series, which are to be produced by the Harper Standard Engraving Company of Dallas.

Recently mentioned as Secretary of Agriculture in President Roosevelt's Cabinet. He was well known here, having spoken here some few years ago and having conferred with officials of the local union upon a number of occasions.

## Rabbit Drive Nets 500 Rabbits With Two Men Wounded

The rabbit drive held on Wednesday southeast of Munday resulted in about 500 casualties among the rabbits and came near resulting in several for the participants. Lee Haynes received a few small shot in his forehead but was able to continue the drive and it is said his wounds did not in any measure impair his appetite at the noon hour, and Jim Frost also received a few shot in his hip, but he too suffered no serious results.

A beautiful feast of barbecued beef was spread at noon and notwithstanding the fact that a much larger number participated in the drive than has ever done so heretofore, there was an abundance of good things to eat and much left over.

## FORD TO BUILD HUGE EXPOSITION AT THE 1934 CHICAGO WORLD'S FAIR

A GREAT Ford Exposition, portraying the tremendous part the arts, sciences and virtually every other industry plays in the manufacture of today's motor cars, is planned by the Ford Motor Company for the 1934 World's Fair.

The Ford Exposition will be housed in a giant building 340 feet long to be built in the heart of the fair grounds on an 11-acre plot bordering Lake Michigan and flanking the main fair boulevard. Construction of the building will start Mar. 1.

In the dominant central building will be housed Henry Ford's "Drama of Transportation," depicting the development of wheeled vehicles from the chariots of ancient Egyptian kings to modern motor cars. Every model of Ford car made since 1908 will be included.

In the smaller building to the left will be housed some of the priceless historic exhibits from the Edison Institute at Dearborn, Mich., including the one-story brick workshop, complete with the original tools, where Mr. Ford in 1893 built with his own hands his first motor car. This first car will be displayed inside the shop.

Henry Ford and Edsel B. Ford show to Rufus C. Dawes (center), president of the World's Fair, the scale model of the giant Ford Exposition building to be built at the 1934 Fair. (Lower) The Ford building as it will be seen from Leif Erikson drive. Opposite the building will be a huge park bordering Lake Michigan.

display an imposing array of exhibits, most of them in action, show how steel, aluminum and other metals, soy beans, corn, wool, cotton and other farm products and the products of myriad industries are converted into car parts. The building also will house displays of cars and a big movie theater. Along the east side will be an open-air balcony equipped with chairs and lounges where hundreds may relax.

Across the drive fronting the lake will be a big Ford Park, beautifully landscaped and also fitted with seats and other comforts for fair crowds.

## Photographer Here To Attend Meeting At Mineral Wells

Geo. W. Miller, who recently opened a photograph studio here in the Tull building, will leave the first of next week for Mineral Wells, where he will attend a meeting of the Southern Photographers association, at which meeting a code will be adopted for members of his profession.

Mr. Miller came here from Graham where he has resided for a number of years, and has been doing a nice business here, and having seen his work we must immediately conclude that he is an expert in his line, and he has done a number of portraits for local citizens.

## Kennedy To Seek Re-Election As Mayor of Munday

In response to numerous inquiries as to whether we would be a candidate in the April election for re-election as mayor of the city, we wish to state that after giving the matter due consideration we have decided to again be a candidate for this office, and naturally will appreciate the consideration of the citizenship. During the one term that we have served we have always striven to look after the interests of the city, and we believe that, with the full cooperation of the members of the council, we have been fairly successful in doing so, for, despite the fact that the funds of the city were lost in a bank failure prior to the time we assumed the responsibility, every obligation of the city has been cared for promptly and we are indeed glad to say that the financial condition of the city is such at this time that all the bonded obligations falling due throughout the year can be paid off at maturity. Certainly we are not claiming credit for all this, for it has been largely through the cooperation of citizens that this has been done, and we are indeed grateful for the cooperation that has been given the city officials in the perplexing problems that have come before the body during the two years and it would afford us pleasure to serve a second term in this capacity if our services have been satisfactory to the citizens of Munday.

So far only two names have been definitely placed on the city ballot for April 3. Tom Haney has agreed that his name be again placed on the ballot for re-election and Jack Mayes has agreed to be a candidate for alderman. Other names may be filed, but at this time none have been filed other than the above.

In the school trustee election to be held the following Saturday we have been authorized to announce the names of Leland Hannab, who is serving by appointment, Dick Atkinson and J. D. Kethley for the three places that are to be filled in the election.

## Munday Baseball Club To Start On Training Tuesday

The Munday baseball club will begin training for the opening of the baseball season on next Tuesday afternoon, according to Skipper Lee Haney, who urges that all who have agreed to play with the local aggregation during the coming season be present for the work-out on that date.

Haney announces the acquisition of a number of additional players to the Munday line-up, which he believes will materially strengthen the team and give every indication of a winning club at the very opening of the season. Among the new players that have signified a willingness to wear a Munday uniform during the season are Lawrence Wilde and Albert Luran of the Rhineland community, Lynn Waldrip, a former Knox City athlete, Bob Couch and "Cut" Coffman of Gore. These players, together with the list given in last week's paper will give the home guard a line-up that should not bring any great amount of joy to the opposing clubs.

Manager Haney also announces that the games this year will be played on the athletic field at the school buildings, and will therefore afford everyone in town an opportunity to see the games, as the park will be within walking-distance of town. He and the other fans are very hopeful that plans may be worked out whereby the park may be enclosed and a grandstand built for the accommodation of the fans, and which would be of great value to the community from time to time in holding various kinds of events.

## RHINELAND

Our volley ball team won second place in the Knox County Interscholastic League contest at Sunset last Saturday. A trick of fate robbed us of first place. We are proud of the record our girls made. Our school is greatly handicapped in many ways in these contests. The greatest of these is the limited material from which to choose. There are only eleven girls in our high school this year. To pick and develop a winning team from this limited number is no easy task for any coach. Mr. Hoffman is to be congratulated for his splendid job of coaching.

Spring is in the air. The high school boys have been seen out on the baseball diamond during the past week and are getting ready for real action.

Our English teacher, Miss Mary de Aguirre, who has been ill for the past several weeks, has returned to her home on Thursday of last week from the General Hospital at Wichita Falls.

Miss Frances Diering who has recently undergone an operation for appendicitis at Lubbock was brought to her home on Thursday of last week by her parents. Reports are that she is doing nicely, but had to sever her connections as a student with Texas Tech for the remainder of the term. Frances was a sophomore.

Mr. John Albus and son, Clement, and Mr. August Schumacher made a business trip to Henrietta on Saturday of last week.

Mr. Ferdinand Fetsch and sons Albert and Leo, made a business trip to Amarillo on Friday of last week. Mr. Conrad Kuehler made a business trip to Olney last Monday.

Mr. Joseph Blake visited in Windthorst during the later part of last week.

Mrs. George Simoniz Sr. returned from Abilene last Monday after visiting there several months.

Miss Elizabeth Schlabs of Wichita Falls spent Sunday here visiting relatives and friends.

The following visited in Wichita Falls: Mr. and Mrs. J. C. Kuehler and sons, William and Julius and daughter, Victoria; Mr. Kilian Hommer and son, Alfred, Mr. and Mrs. Ferdinand Fetsch and sons, Albert and Felix and daughter, Angewig; Mr. Conrad Kuehler; Messrs. Victor Diering and Miss Mary Rutz.

Mr. Leo Schmitz and Miss Lorraine Duerr left for California last Tuesday after visiting for several months in the home of Mrs. Joseph Albus.

—Reporter

## PHILIPPINE VISITORS SEE HOME DEMONSTRATION WORK CARRIED ON HERE

A delegation from Knox County attended the Jones County Home Demonstration Council, Anson, Saturday, at which time two young Philippine women, for four years Home Demonstration workers of Manila, were visitors. The two, Misses Presentation Atienza and Natavidad Brodeur, were accompanied to Anson by Miss Mildred Horton, State Home Demonstration Agent, and Miss Myrtle Murray, District Two Home Demonstration Agent.

The young women have been in the United States for more than a year, studying the extension program operations of the United States Department of Agriculture. Recently they have been touring the States observing first-hand the Home Demonstration work. They are to spend some time in Texas alone and were to go to Lubbock from Anson where they plan to attend the Quality Meat Show, March 25-30.

Miss Atienza and Miss Brodeur both appeared on the program at this meeting, contrasting the Extension work here and in the Philippines, and telling the group many interesting things concerning their native land, including modes of living, education, and costumes—which were modeled and discussed at length.

These women learned so many interesting things about rug-making, home and yard improvement, gardening and canning since they have been in Texas and marvel at the variety of projects the Home Demonstration Service offers here. They are sure to take new phases of work learned in the United States back to their native land where a Home Demonstration staff of 14 women is laying the foundation for extension service.

## SINGING CONVENTION

The Knox County Singing Convention will meet at Hefner in the afternoon of Sunday, March 25. It is the regular meeting for the election of officers. Everyone is invited to attend.

## Style Show

WE ARE PLEASED to announce that we have made arrangements with the Roxy Theatre for a Style Show on Tuesday evening, March 27th, immediately following the first show, at which time we will model the latest in Spring wearing apparel.

The Theatre management has made arrangements for a change of picture program for the event, and you are cordially invited to see our display at this time.

## The Hat Shop

## SOCIETY

### Mrs. Merle Joyce Honoree at Lovely Shower

Clusters of jonquils, in bright yellow, and massings of deep hued purple violets and bowls of fragrant sweet peas brought springtime to the entertaining suite of the Matt Dillingham home Friday evening when Mrs. W. E. Reynolds, Mrs. Jake Morris and Mrs. Matt Dillingham entertained with a beautiful miscellaneous shower honoring Mrs. Merle Joyce, who before her marriage recently was Miss Ilene Bowden.

With Mrs. Louise Ingram at the piano, the following musical program was rendered: violin solo by Miss Louise Ingram; piano duet by Misses Betsy Reeves and Louise Ingram; a solo by Mickey Joe Akers; piano duet by Nadine Salem and Mickey Joe Akers accompanied by Mrs. Salem at the piano. Miss Stella Brock sang "Under A Blanket

Of Blue" and "I Love You Truly." Mrs. Oscar Spann gave a reading and Gail Reynolds sang "Gypsy Love Song," and Mrs. E. M. Ammons read several poems.

The gifts were artistically displayed. A refreshment plate of iced punch, cookies and mints, with sweet peas as favors was served to thirty-six guests.

### Highland Club Meets in Billingsley Home

Judge and Mrs. M. F. Billingsley were hosts to the Highland Club Friday evening at their home. High score was held by J. Horace Bass and Mrs. Oates Golden.

Dainty refreshments of strawberry mousse and coconut cake was served to Messrs. and Mesdames Riley, B. Harrell, L. M. Palmer, R. B. Davy, Oates Golden, W. R. Moore, W. H. Atkinson, Avis Maples, Miss Florence Williams and J. Horace Bass.

### Monday Night Club Meets

With peach blossoms and violets as decorations a pretty setting was made for the Monday Night Club in the Fred Broach home when Mr. and Mrs. Broach entertained Monday evening. A dainty salad plate of congealed cranberry salad, crackers and hot coffee was served. High score was held by Russell Matson and Mrs. Tom Haney.

The guest list included Messrs. and Mesdames H. A. Pendleton, W. R. Moore, W. H. Chapman, Tom Haney, Russell Matson, and Mrs. Louise Ingram.

### Mrs. Jack Mayes Entertains

The Tuesday Club met in the Jack Mayes home Tuesday afternoon for the bi-monthly game of bridge, with Mrs. Jack Mayes hostess. High score was held by Mrs. Tom Haney. A dainty salad plate was served Mes-

dames H. A. Pendleton, Tom Haney, P. V. Williams, Avis Maples, Ike Huskinson, Oates Golden, Chas. Mayes, Fred Broach, Russell Matson, R. H. Neff and Mrs. Walt Mayo and Miss Clolell Mayo of Goree.

### Miss Dolores Campbell Entertains J. U. G. Club

The J. U. G. club met in the home of Miss Dolores Campbell Wednesday afternoon for five games of bridge. A St. Patrick's motif was emphasized in bridge appointments and in the ice cream topped with a green cherry and white cake with green icing. High score was held by Misses Vivian Rogers. The guest list included Mrs. Sabers Jones, Mrs. Carl Jungman, Mrs. Harry Williams, Mrs. Rex Holder, Miss Vivian Rogers, Miss Jeanette Campbell and Miss Louise Atkinson.

### LANKFORD-RICHBOURG

Mr. J. B. Richbourg and Mrs. R. S. Lankford drove over to Haskell Sunday afternoon and were united in marriage by Bishop H. A. Boar, who was there at that time attending a church conference.

Mrs. Lankford has been a resident of Munday for the past several years, while Mr. Richbourg has resided here for some two or three years, having come here from Spur, and during his residence here has made a large host of friends.

We join the many friends of these excellent people in wishing for them a full measure of happiness throughout their married life.

### CARD OF THANKS

I wish to express my sincere thanks to Dr. A. A. Smith for the faithful service he has rendered by treating sixteen members of my family for measles, pneumonia and influenza, and I will say that I believe that there is no better doctor in this country, as I have known him for nine years. I also want to thank Judge Osborne for the assistance given in providing medicines.

J. A. CHAVEZ

## The Biggest \$525 Worth of Tractor on the Market

### McCormick-Deering Farmall 12

NO MATTER how you look at it, you get the most value for your money in the McCormick-Deering Farmall 12 Tractor—priced at \$525, f.o.b. Chicago. This tractor is the 1-pow size of the original, successful Farmall. It is designed to provide all-purpose power on small farms and to serve as auxiliary power on large operations. The Farmall 12 pulls a 16-inch plow bottom or two 10-inch bottoms, plants and cultivates at the rate of 25 to 33 acres a day, middle busts, handles haying operations, pulls tractor binder and corn picker, cuts ensilage, grinds feed, etc. And it does all these jobs on an unusually small amount of fuel—one gallon or less per hour in the hardest kind of work.

Come in and let us tell you more about the Farmall 12. There are two larger sizes also—the regular Farmall and the 3-pow Farmall 30.

## SPORT DOPE

The Sunset girls' volleyball team won the county championship last Saturday, winning over Rhineland, runner-up during the county meet. Third place was won by Knox City. The decisive victory of our girls means that they now have a chance to go to the district meet to be held at Breckenridge, Texas, on April 6th and 7th, and compete for the district championship. With a little more intensive practice between now and then, we believe that Sunset has an excellent chance to win. By the way, this makes the third year that Sunset will go to the District meet under the coaching of Mrs. R. R. Davenport.

We liked the uniforms worn by the team representing Rhineland, best of all. We think they have an excellent team and congratulate them on winning second place.

The practice track meet with Knox City last week resulted in a tie in track events and a decided win for Knox City in field events. The score ended 32 and 32 in track, and 18 to 0 in field events.

The sandstorm last Saturday played havoc with the playground ball competition that was scheduled to determine the county championship in this event. Since the event is not one to be represented at the district meet, it was postponed until April 14.

## CLIPPINGS

It was a pleasant surprise on Saturday of last week to note the versatility of the fairer members of the Sunset faculty. Especially did they present a very excellent background for a display of salted goobers, stem-winders and waxes. We enthusiastically recommend them for any occasion as lending atmosphere and affording background, whether it be in the school room, selling peanuts, or in a home.

The characteristic cumbersome, clumsiness of a certain member of the Sunset High Junior Class made its debut to the public at the county meet last Saturday. He is an outstanding student (height of awkwardness, only) and was being employed freezing cream, when he thoughtlessly removed a chair and precipitated three gallons of milk, eggs, etc., onto the floor.

Carl Streigl is our nomination as possessing the broadest smile in school. At his best, his ears disappear and must meet at the back of his head. We would like to see other smiles like his.

Homer Rowell, familiar figure around the Sunset school, and J. L. Hughes concluded a deal this week involving one hog's ham.

Miss Gladys Williams, attended a shower, last Friday evening, honoring a girl friend who had recently married. Miss Williams said, wistfully referring to the occasion, that "always, it's like that. One by one they go."

We wish a number of the other teachers in school would follow Mrs. Cecil Burton's example and make their rooms a little more attractive. It's a treat to visit her room and enjoy the pretty flowers and green plants that she has growing in the windows.

We observed considerable activity in the vicinity of the grammar school last week in the way of washing windows. It certainly helped the appearance of the rooms. We favor fixing dates for the county meets a day before you hold them in order to escape the indifference of the weather of this county. And then we are not sure. Disregarding the unfavorableness of the weather last Saturday, there was a splendid attendance. Incidentally, the administration asks us to thank those contributing milk, eggs and sandwiches for the way they responded.

Miss Bessie Chyle Leath, bridge expert of the Sunset High School faculty, says that life is very much like a bridge game.

One girl—one heart.  
 One proposal—One diamond.  
 One husband—One club.  
 One quarrel—One spade.

## HONOR ROLL FOR SUNSET HIGH SCHOOL

SENIORS: John Curry, Harold Partridge, Jimmie Lois Frasure, Thelma Frost, Inette Little, Dolly Nix, Marjorie Stewart.

JUNIORS: J. C. Walling, Jonel Williams, Druella Wren.  
 SOPHOMORES: Jeanette Reddell, Mat Verhalen, Johnnie Little, Jack Frost, Loree Driggers, Gwendolyn Groves, Louise Burnison, Bessie Hunter, Pete Swann, F. G. Offutt.  
 FRESHMEN: Lois Marie Williams, Margaret Shannon, Amerolis Hutcherson, Mary Helen Partridge, Juanita Forehand.

## Honor Roll—Grammar School

FIRST GRADE—A average: Maxine Jones Glenn Dobbs, Billy Ivey. B average: Rosemary Hertel, Wanda Partridge, Bonnie Russell, Billy Bob Burton, Glynn Myers, Duaine Russell.  
 SECOND GRADE—A average: George Elvin Strickland, J. D. Rowell, Imo Lee Card, Margie Reed. B

average: Margaret Jean Womble, Edna Fay Hardin.

THIRD GRADE—A average: Jerrell Smith, Ruth Jeanel Partridge, Pauline McAfee. B average: Evelyn Offutt, Doris Jane Burton, Lola Mae Cord, James Cude, Randall Stogner, Alyne Ward, Iris Tankersley, Marvin McAfee, Vernon Voss, Rufus Voss, Bertha Fae Jennings, Bobby Floyd, Wanda Lynn Crouch, Billie Smith.

FOURTH GRADE—All B's: Donnie Partridge, Jackson Allen, Tommy Jean Johnson, Loma Rhea Clark, Rachel Strickland, Kenneth Myers, Raymond Crouch.

FIFTH GRADE—A average: Cecil Joe Burton, Margaret Gene Hardin, Virginia Parkhill. B average: Louis Herring, Juanita Hunter, Thelma Burnison, Bernice Strickland, Odie Smith, Howard Payne Shannon, J. R. Hill, Katie Bell Sweatt, Claude Harrison, Corrine Wardlaw, Ola Lemley, Harold Frasure, M. C. Cude, Howard Myers, R. E. Dobbs, Mary Herring, E. G. Parkhill, Wardell Sweatt.

SEVENTH GRADE—A average: Willie Joy Floyd. B average: Floyd Frost, Leroy Henderson, Fuller Shannon, Herbert Partridge, Askelen Stogner, Nell Marie Nix, Fay Marie Partridge, Ida Lou Walling.

## SENIORS

Well, we will start this biographical column off with John B. (Red) Curry. Not of course, that he is the most important senior, but just merely unique.

John was born a long time ago, ('way back in 1914), and he has lived nineteen years since then, and isn't tired of living yet. He has existed in Eule and Munday, until he started to school at Sunset in 1931. He is a very industrious lad whose likes tend toward Spanish, Popeye and blondes. (Wotta combination!) He'd rather aggravate Miss Leath and read funnypapers than to eat; but when he does eat he likes water and spinach. Like most modern day people he has a motto and an expression. His motto is: "Do unto others before they do unto you" and his expression is: "Funnist thing, I just laughed and laughed." His ambition is to live to a ripe old age. He says that the most important thing that ever happened to him, was when he was born. This is his life in a nut-shell, and here's hoping it isn't cracked.

## SOPHOMORES

We were surprised yesterday to find one of our sophomores missing. Saturday Jeanette Reddell and Dale Phillips were married in Oklahoma. We shall miss Jeanette, for she was our Sophomore reporter and one of the best students in the class, as well as our friend. We wish for her a great deal of happiness.

We Sophomores haven't had our party yet but we are going to, as soon as the county meet is over. Well, do you think the Sophomores

are not smart? Ten of us on the honor roll this month! We are the Master Minds. No other class has so many honor roll students. We can last it over even the nifty Seniors. Three cheers for the Soph!

## FRESHMEN

Our week end was not as full as expected by us Freshmen. The combination of sand and cold wind put off the high school junior boys and girls playground ball, in which most of us Freshmen indulged. Of course the other junior ball games were put off. Although this mis-hap hindered our enjoying a good time playing baseball, we enjoyed the exciting volleyball tournament. We suppose the reason we enjoyed the games was Sunset's coming out of each game with the big end of the score and carrying off first place honors. The Freshman class was well represented in the games. These representatives were Juanita Forehand, Elizabeth Karp, Mary Helen Partridge and Margaret Shannon.

We were very glad to see Leland Crouch, a Freshman who had the measles, 'turn out' for the tournament. J. B. King, another victim of the measles, has our best wishes for a speedy recovery.

It seems that Harold Tom cannot keep his mouth shut, especially in the English class. This is the kind of conversation Miss Blanton and Harold Tom carry on:

Miss Blanton: "If you don't in your mouth keep your tongue, in the class of half-wits you will be put among, and go down to the grave unsung, With tears unshed and bells unwrung."

Harold Tom: "If a buzzard am I, Although I don't intend to cry I will only heave a sigh And patiently be quiet until you die."

We have been having quite a few tests this week. A Freshman, Buddy Bumpass, who reached this question, "What causes a depression?" wrote, "God knows, I don't! Merry Christmas!"

When the paper came back he found Mr. Hughes' notation, "God gets 100. You get 0. Happy New Year!"

We find this not quite up to date on greetings. They are both quite behind time as this is nearly three

months after a Merry Christmas and Happy New Year.

## JUNIORS

We are wondering if one of the Juniors has married too, for Velma, Edna and Druella are all absent today. Maybe the week-end was just too much for them! (We hope it is not the other, for one high school student is enough to lose at one time!)

The Juniors are very proud of their classmate, Edna Hudson, and we have a right to be, for she is an excellent volleyball player. (Druella is too!)

This morning when Miss Blanton came into the Study Hall Mr. Hughes asked everyone to stand. Of course we did, for it is considered very rude to be seated when an older person is standing. Get the point? Christmas time as revealed in Washington Irving's works is very interesting. (So J. C. doesn't think!) Elvis adores debates on religion. (If you don't believe me, just start an argument with her on that subject!)

## NOTICE OF ELECTION

By virtue of authority vested in me by the State of Texas, notice is hereby given that an election will be held within the corporate limits of the City of Munday, Texas, on the first Tuesday in April, 1934, the same being the 3rd day of April, for the purpose of electing a mayor to succeed J. A. Kennedy, and two aldermen to succeed T. R. Haney and D. E. Holder.

The place of holding said election shall be at the city hall in said city and all persons residing within the corporate limits of said city, and otherwise qualified to vote, shall be entitled to vote in said election. H. B. Williams is appointed as presiding officer of said election and shall make returns thereof as provided by law.

Said election shall be held in accordance with the laws of the State of Texas governing city elections.

J. A. KENNEDY, Mayor,  
 City of Munday, Texas.

## Chickens -- Turkeys

Don't take chances, give your fowls and baby chicks Star Parasite Remover in drinking water. It kills disease causing worms and germs in inception. Keep them free of lice, mites, fleas, blue bugs. Keeps their health and egg production good and saves much trouble and losses at a very small cost or your money refunded.

**Are YOU HAPPY After Meals**

Or Do Gas on Stomach and Sour Stomach make you Miserable?

Too much food, or the wrong kind of food, too much smoking, too much beer, make your body over-acid. Then you have distress after eating, gas on stomach, heartburn, sour stomach. ALKA-SELTZER relieves these troubles promptly, effectively, harmlessly.

"Morning After Feeling," Muscular, Sciatic and Rheumatic Pains

Alka-Seltzer makes a sparkling alkaline drink. As it contains an analgesic (Acetyl-Salicylate) it first relieves the pain of everyday ailments and then by restoring the alkaline balance corrects the cause when due to excess acid. Carbonated mineral spring Alka-Seltzer tastes like magic. Contains no dangerous water—works like magic. Contains no dangerous drugs... does not depress the heart... is not laxative.

Get a drink at your Drug Store Soda Fountain. Keep a package in your home medicine cabinet.

## Enjoy Dependable Food Preservation With a Modern Frigidaire

Constant, dependable, safe refrigeration is one of the most important necessities in the modern home of today. Present living conditions demand a method of food preservation that assures clean, healthful foods... which need is filled best by the modern Frigidaire.

This important "Electrical Servant" will give you the constant temperature of below fifty degrees that is necessary to keep foods free from bacterial growth... and it will give you this health insurance AUTOMATICALLY.

Built with scientific precision and to fit the need of your modern home, a new Frigidaire is a household necessity... And you can't afford to be without its many important superiorities, for Frigidaire "pays for itself" with its many time, labor and money-saving advantages.

Ask a salesman for a complete demonstration, and plan NOW for that Frigidaire you NEED.

Terms can be arranged to suit your convenience.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule... and operating costs amount to but a few pennies a week?

#### SENIORS

**"Dosh The Doshers"**  
 Docia Irene Phillips was born in Munday, Texas, on November 4, 1916. She is another talented person we are proud to have in our possession. She has taken piano and voice. Docia has also, like many other of our classmates, appeared before the microphone, for, as you fans know, she is a member of that famous "Phillips Quartet." She can sing anything from "The Last Roundup" to "Jesus, Lover of My Soul" with ease and skill, whether she is singing Spanish, English or Dog Latin—it makes no difference, she's plenty good.  
 Well, that's the dope on her musical talents, so we'll go to her other talents. She has played three years of volley ball, and this year is singing the M.H.S. representative in declamation for the county meet, which is to be held the latter part of the week.  
 Here are her favorites:  
**Subject:** Spanish.  
**Saying:** "Shutcha Mouth," or "Got any chewing gum?"  
**Town:** Weimert.  
**Ideal boy:** Brunette, and with plenty of sense (he doesn't live here, does he, Dosh?).  
**Past time:** Stamping letters.  
**Weakness:** Brunettes (My, my, again—who is he?).  
**Writer:** She doesn't know, but I guess it's Shakespeare.  
**Hero:** Popeye.  
**Song:** "I'm Poveye, the Sailorman."  
**Movie Star:** Miss Oyl (her first name's Olive).

#### IT SEEMS TO ME

Girls, it seems to me,  
 Have recognized the tendency  
 That the local lads have adopted  
 In going to K.C.  
 The local lassies, it seems to me,  
 Have been just a little too care-free  
 When slamming doors, in suitor's face  
 And other things that are taking place  
 They should use a little discretion  
 By any means, quit mistreatin'  
 The masculine sex of this race.  
 You call at her house,  
 And ask for a date,  
 Maybe it's measles,  
 Or a dress to make.  
 Maybe, it seems to me,  
 That her Ma won't let her go,  
 Or, maybe she didn't want to, so  
 What could be done about it but  
 —Go to K.C.  
 You see girls in town  
 Just riding by;  
 They see an out-of-town boy and  
 cry, "Yoo-Hoo."  
 Now girls, do you think that's fair,  
 "Yoo-Hoo" out-of-town mugs and  
 give  
 Us the air?  
 You see boys in town  
 And treat 'em cold,  
 But still next day,  
 You ask so bold—  
 "What made you try to high-hat  
 me  
 yesterday?"

Some girls, it seems to me,  
 Are so stupid and ill-mannerly  
 They haven't learned yet  
 or either forget—  
 "That a man is supposed to be  
 spoken to first"  
 And still they wonder why boys  
 go out of town for their girl  
 friends.

#### SOPHOMORE NEWS

The Sophomores are issuing their first "Can You Imagine?" column this week. Here it is:  
**"CAN YOU IMAGINE?"**  
 Dawin's staying at home last Sunday night?  
 Lucille's being in love?  
 Rupert's going with a Freshman girl last Sunday night?  
 Fred's working last Saturday afternoon and not going to Sunset?  
 Sylva's having the measles?  
 W. R. going riding with his bird dog Sunday afternoon?  
 Buddy's hunting for a girl last Friday night?  
 Drucilla's going to church Sunday night?  
 Evelyn's not knowing who came to see her last Wednesday night?  
 Odessa's wanting to talk about her trip to Fort Worth in Home Ec. II class instead of her Home Project?  
 Emma Lou's being cold?  
 Everett's being in a hurry to go home from Sunset last Saturday afternoon?  
 Phillip's going to the show instead of studying?  
 Robert's going with a Munday girl?  
 Clifford's going with a different Sophomore girl last Thursday night?  
 We will try to give you the rest of our "Can You Imagine?" column next week.  
 We have noticed some of the beautiful printing which appeared on our school building and walk last week, and we must say that who

ever did it should enter our high school spelling, because they are wonderful spellers.

Two Sophomore girls and one Freshman girl, with one Sophomore boy and two Freshman boys, journeyed over to Sunset last Saturday to attend the tournament. Did they enjoy the games, especially the one between Knox City and Rhineland? Ask them about it.

We are glad to hear that Sylva Barnes, who is ill with the measles, is better and we hope she will be back soon.

We hear that there is scarlet fever in town and we surely do hope that no one in our class takes it. We also hope that Miss Clifford doesn't take it, because we understand that she hasn't had it.

#### 'Twas The Week Before Exams

(With Apologies)

'Twas the night before exams  
 And all through the houses,  
 Not a creature was stirring,  
 There were no carousers.

The books were all opened,  
 Each page studied with care,  
 The finals were coming, they  
 Soon would be there.

The students were cramming,  
 No thoughts were of bed,  
 They peered into notebooks,  
 They loped and they read.

Pale face and ashen, and studying  
 With all might and main,  
 They didn't want to take  
 That course over again.

The seconds and minutes,  
 And hours, how they flew,  
 More frightened and scared,  
 The poor students grew,  
 Exhausted and anxious,  
 They knew they were  
 Dumb at their best,  
 But they knew they must pass,  
 Or pa would do the rest.

Cramming and studying.

All seemed in vain;  
 They couldn't remember after  
 Reading again and again.

Science, history, English and math,  
 But one minuter later it  
 All seemed to disappear.  
 The finals are coming, regardless  
 of fate,  
 So study studies, study, study, 'ere  
 It's too late.

#### What My Grammar Thinks of Me

Last night I found my grammar and geometry conversing at an hour when all good books should have been in bed. I stood quite still and heard every word they said.

My grammar rustled her pages and confided to the geometry, "I was very embarrassed today when Gordon James put a capital on 'measles'."

"We must have patience, my dear," geometry sympathetically replied. "Why, she doesn't even understand ratios and proportions."

"I've told her again and again that names of diseases are not capitalized," my grammar cried indignantly, "but she positively refuses to remember."

"It's a shame," geometry remarked. "That isn't all," continued my grammar; "She mistreats me and marks on my clean pages."

"But what can we do?" asked her friend. "She persists in staring vacantly through the window."

"I resent being neglected," pouted my grammar.

"I have often thought of getting lost," geometry declared.

My grammar exclaimed in alarm, "Oh, that would never do! It is our duty to help her on the road of learning. When this task is completed, I believe I shall have a star in my crown as a token of duty well-performed as a grammar."

#### FRESHMEN

We are very proud of J. O. McMahon, one of our class, who won the home contest in declamation. We

expect much of him in county and district.

Some of the Freshmen spent enjoyable days at Sunset Saturday and at Knox City Sunday.

Our champion match-chewer found his match at Sunset Saturday. He found that a certain girl could chew (Continued on back page)

**ALLIS-CHALMERS**

A. GOLDEN, Munday, Texas

America - here they are!

To fill the record-breaking nationwide demand, Chevrolet cars are being produced at a record-breaking rate of

**4000**  
 units a day!

*Drive it only 5 miles and you'll never be satisfied with any other low-priced car*

CHEVROLET factories are breaking records, trying to give America all the cars it wants. 4000 units a day are rolling off the assembly lines. February output was twice that of January. March output, according to present indications, will be three times that of January. More Chevrolets are now being produced than any other make of automobile in the world. And today, Chevrolet is happy to report that all its dealers will soon be in a position to make immediate deliveries.

When you consider how short a time the new Chevrolet has been in production—when you consider, also, that the 1934 car is not last year's model improved, but a basically new automobile, with sweeping changes in design—this production record becomes somewhat of an accomplishment. But, a still greater accomplishment, in our opinion, is the way that these cars have all been produced!

Despite continued nationwide pressure for more and more volume, every car that has left the factories has been built and tested to meet Chevrolet's highest standards of care, precision and quality. The result: When you place your order for a new Chevrolet, you'll not only get a big rugged "Knee-Action" car—you're also assured of getting a typical Chevrolet car in economy, dependability and long life!

## Irene Jay Dance Review

The Irene Jay Dance Review play in the Community Auditorium Friday night, March 30, is sponsored by the Junior Class of Munday High School.

This is Miss Jay's first performance in Munday, although she has given performances in most of the leading theatres in West Texas. This show comes to Munday highly recommended for its entertainment value and interest.

The review consists of a variety of dancing, singing and comedy with all numbers beautifully and appropriately costumed.

Miss Jay and her partner, Horace Davis, do several unusual numbers: a sensational solo; of special interest are the following: an acrobatic group of children, a chorus of pretty girls, several talented child intertainers, a personality team, and a dancer who taps on toes.

Miss Jay who has dance studio's in Abilene, Sweetwater, and Stamford is bringing a group of 20 pupils to Munday for the performance.

# EASTER SALE

BEGINNING SAT. MARCH 24 CONTINUED TO EASTER

Succeeding our Emergency Sale which was the talk of the entire country, and in which all previous sales record for this season of the year were broken and many lines were completely sold out the first few days. Many people asked us how we could make such prices and still stay in business and to which we truthfully replied "WE COULDN'T IF WE DIDN'T."

Many items which were sold out have been replaced for this Easter Sale and we hope to establish another record during this event.

You will find all goods as advertised but no goods will remain long on our shelves at the sacrifice prices we are making.

We wish especially to call your attention to our showing of Ladies' new Silk Dresses, Millinery and piece goods which arrived this week for your Easter wear.

Remember, everything in our stock will continue until Easter at the same sacrifice prices and at a time for your Easter requirements.

Come in and see for yourself and then like others you too will be convinced.

<p><b>Ladies' New Silk Dresses</b> In pastel shades, including several sport numbers. All of which arrived this week for Easter wear. **H. D. CLUB.**

ITINERARY FOR 4TH WEEK OF MARCH HOME DEMONSTRATION AGT.

Monday—Expansion work.  
Tuesday—Office.  
Wednesday—Lubbock Meat Show.  
Thursday—Lubbock Meat Show.  
Friday—Lubbock Meat Show.  
Saturday—Office.

"My garden is with my aunt, but I am sure I am going to have a good one," said Willie Mae Hitchcock, Garden Demonstrator in Truscott 4-H Club. "I not only plan to plant tomatoes but I hope to have a variety of vegetables and all we can use fresh and canned," she also said.

"Since I am a demonstrator, I hope to fulfill my goals—that is, to take care of the family garden and produce a variety of fresh vegetables for the maximum number of months possible and a surplus for canning." Willie Mae will make plans and will keep all records of expenditures and production, listing the amounts used fresh, sold and canned.

I already have my tomatoes planted in a hotbed and I plan to transplant them, as soon as the weather permits, on tile. I also plan to plant several other varieties of vegetables, said Sibyl Spivey, Truscott 4-H Club.

Most of the 4-H girls in that club have very similar plans for gardens, some will lay tile. In the end these girls plan to help raise plenty of vegetables for the family.

**THE KNOX COUNTY HOME DEMONSTRATION COUNCIL.**

The Knox County Home Demonstration Council, composed of the president and one elected representative from each of the women's clubs, met Saturday March 10, at Benjamin, in regular session with seven Home Demonstration Clubs represented.

The house was called to order by the chairman, Mrs. R. M. Almonrode, Gillespie. The roll was called, minutes were read and approved.

A report was given by the Expansion Committee. They reported a total of 96 non-club members had been assisted with some phase of Home Demonstration work during January and February.

Plans for having cash prizes at the County Exhibit in the fall, were discussed.

The Council plans to send a complete exhibit of 35 entries to the Quality Meat Show, Lubbock, March 28-30. Three cans form an entry in the following classes: pork roast, sausage, liverpaste, mince meat, boned chicken, roast beef, steak and chile.

The council purchased the labels for these entries and they can be had at the Home Demonstration Agent's office.

Plans were made to take an exhibit to Dairy Products to Albany, April 13-14. Each club is asked to have at least one entry in each of the following:

- American Cheese—3 lbs.
- Butter—1 lb.
- Cottage Cheese—1 lb.
- Whole Milk—1 qt.
- Market Cream—1 pt.

Plans are also under way to secure a bus to take a group of club women to Albany April 14 to see and hear the judging.

The following clubs turned in their Educational fund: Benjamin, Hefner, Hood, Munday, Gilliland, Union Grove and Gillespie.

The chairman introduced Mrs. W. H. Chapman, President of the County Federation of Women's Clubs, who talked to the Council on the importance and advantages of Federating the Home Demonstration Clubs.

**GILLESPIE HOME DEMONSTRATION CLUB.**

The Gillespie Home Demonstration Club met on Wednesday, March 14, in the home of Mrs. R. M. Almonrode. There were twelve members present. Our club was fortunate to have two new members join: Mrs. Tom Stogner and Mrs. H. D. Gammill.

Miss Faulkner gave us some valuable information concerning grapes and berries. Contrary to some beliefs, this country is quite adaptable for the raising of grapes and berries.

We learned that Texas is divided into eight districts according to climate and soil, and that certain varieties grow best in certain districts. Knox County is in district eight. Grapes best suited for this district are: Moore's Early, Delaware, Niagara, Concord and Carman. The Austin Mays and Young berry are dewberries best suited for this country. In the line of blackberries, Early Harvest, McDonald and Dallas are best.

It is well to know how to plant prune and train your berries in order to obtain best results.

Mrs. Almonrode is setting out quite a few berry plants, including strawberries. Many of us have been harboring a local superstition which solemnly avers that "fruit doesn't thrive here." It can be grown here successfully. Most farm families have to grow their own fruit or go without. Without fruit in the diet there can be no health. Why not re-stock our orchards this year with plenty of fruit-producing plants?

Our next meeting will be held at the Sunset School building, Wednesday, March 28, at 2:30. Our club will welcome anyone who can possibly come.

—Reporter.

**Leonard Kuehler Is Signed By Baseball Club in E. T. League**

Leonie Kuehler, former member of the Munday baseball club, will have on April 8th for Palestine, where he will join the members of that club of the East Texas League in their spring training, and should be make a favorable impression, which his many friends are confident he will, he will wear a Palestine uniform during the coming season.

Mr. and Mrs. H. M. Michels have returned from a visit to Bastrop, Texas. Mrs. Michels was called down on account of the illness of her sister whose condition is slightly improved.

Mr. and Mrs. Tom Haney, Jimmie Lee and LaVerne were in Fort Worth Friday to see the Stock Show.

**Tom-Tom**

more matches than he. She chewed up several before he could get any in his mouth.

What A Bugler!

Two negroes were bragging about their buglers.

First Negro: "When our bugler calls us in the morning, we get up and dress before we wake up."

Second Negro: "Dat ain't nothing at all. When our bugler calls us to mess, I looks down at them potatoes and beans and say, 'be still, dar, you strawberries, you is kicking off all the whip cream!'"

**Has Worked MIRACLES for Me....**

Enthusiastic users—users who get better results than they had expected from Dr. Miles' Aspirin-Mint, write us every day. "Wonderful!" "Marvelous!" "Miraculous"—are words quite generally used by these enthusiastic users. Repeatedly they write: "It does more than you claim for it."

Mrs. Ruth Culp, the cheerful lady whose picture is shown here, says: "I use your wonderful Aspirin-Mint Tablets which have worked miracles for me in breaking up Colds as well as relieving the pains of other ailments."

Mrs. Ruth Culp, 46 East Chestnut Street, Norristown, Pa.

Perhaps you would have a similar experience. Why don't you try it?

Your druggist has Dr. Miles' Aspirin-Mint and would be glad to sell you a small package for 15c or a large package for 25c. He will cheerfully refund your money if you are not entirely satisfied.

**DR. MILES' Aspirin-Mint**  
The modern, mint-flavored medicine for Colds, Headache, Neuralgia, Neuritis, Rheumatism, Sciatica, Lumbago, Muscular Pains, Periodic Pains.
