Thinking Out Loud

By J. A. K.

Mundayites were well provided this year with places to go for the Fourth of July, and the town was deserted Wednesday.

The grand goblin of this column went to Rhineland to help Peter Loran, John Hoffman, Aug. Schomacher and other Rhinelanders celebrate the completion of the new bridge, which Mr. Loran states can in reality be called the Rhineland bridge.

And it was very evident that the citizenry of that community had spent considerable time and labor in making plans to entertain the visitors, for they had erected an arbor to provide shade for the hundreds who cared to hear the music and speaking, and had built various stalls for the amusement of those who cared to participate in the various games of skill.

Inside the hall tables had been arranged to feed the visitors and the efficiency with which they handled the more than a thousand hungry customers at noon would do credit to any group of ladies, and when we say that the food provided was bountiful and excellent we let it go at that merely for lack of adjectives at our command.

And we don't propose to stop talking about this celebration until we pin a bouquet of daisies on the folks that were there. Conservatively estimated at 3,000 people, we can truthfully say that we have never seen a more orderly gathering. Close attention was given the speakers on the program and everyone seemed to find just the kind of amusement that appealed to their individual fancy, and everybody had a grand time with not a disturbing incident throughout the entire day, which is indeed a credit to the citizens of that community and Knox county as a whole.

While at Rhineland the writer took time out to visit Francis Albus, who is recuperating at his home there following a motorcycle accident in which he lost a limb. He is getting along nicely and is able to hobble about some on crutches, and best of all he's not in the least downhearted over the mishap and expects to be just as good as new when he can have a cork limb fitted.

And incidentally, John J. Hoffman expressed his thanks to the Times and other Knox county newspapers for their co-operation in giving publicity to the celebration, adding that his only fear was that we had overdone the job and gotten more folks out to their celebration than they could care for, but such was not the case. For the Rhineland people, men, women and children, pitched into the job and completed it in a most creditable fashion.

First Half Season To Be Concluded With Sunday Games

Sunday's games will conclude the first half of the Wichita Valley league, and should Monday win from Aspermont in the final game here Sunday we will at last be tied with Rule for first place, and in case of a tie a series of games will be played to determine the winner.

During the last half games are scheduled for Sundays and Wednesdays and some of the teams are materially strengthening their line-ups with a view of offering stubborn competition for the last half, and some real baseball will be witnessed during this half of the season.

CARD OF THANKS

We wish to express our heartfelt thanks for the many generous acts of kindness and thoughtfulness shown us during the illness and upon the death of our loved one, Mrs. Emily Crownover, and let us assure you that we shall always feel grateful to each and every one who in any way assisted in lightening our sorrow.

Mr. and Mrs. G. W. Russell, Geo. L. Crownover, Frank Crownover, Lee Crownover, Clark Crownover

Mrs. Bill Donnell and children of Throckmorton are here this week visiting in the home of her mother, Mrs. G. C. Spann, and other relatives.

Willis Knight Holds Hamlin To 4 Hits to Win

Holding the hard-hitting Hamlin aggregation to four scattered hits, the Champs won over Hamlin Pipers Sunday afternoon on the local sandlot with a shut-out, while the Champs were pounding the offerings of Lefty Courtney and Walker for an even dozen hits which netted five tallies. Knight also contributed to the win by hitting.

Munday Loses to Haskell Braves In July 4 Game

The Champs were defeated 7-1 by the Haskell Braves Wednesday afternoon in the first mid-week scheduled game of the season. The Champs were unable to connect with the mystifying curves of Dot Pittman, a former member of the Haskell line-up but recently released by the Palestine club of the West Dixie league.

Skipper Lee Haney protested the use of Pittman in this game and it is likely that a decision of league officials will recognize his protest, since Pittman was clearly ineligible to participate in the game Wednesday according to league rules.

Munday's Protest Sustained
Skipper Lee Haney went to Haskell late Thursday afternoon to meet with President G. H. Bender of the Wichita Valley League with reference to the protest of the July 4th game with Haskell, and after hearing the protest made the following ruling:

Haskell, Texas, July 5, 1934.
Mr. Lee Haney,
Munday, Texas.
Dear Sir: Your protest of the Munday and Haskell game played at Haskell July 4, 1934, account of playing Don Pittman, whom you claim was ineligible.

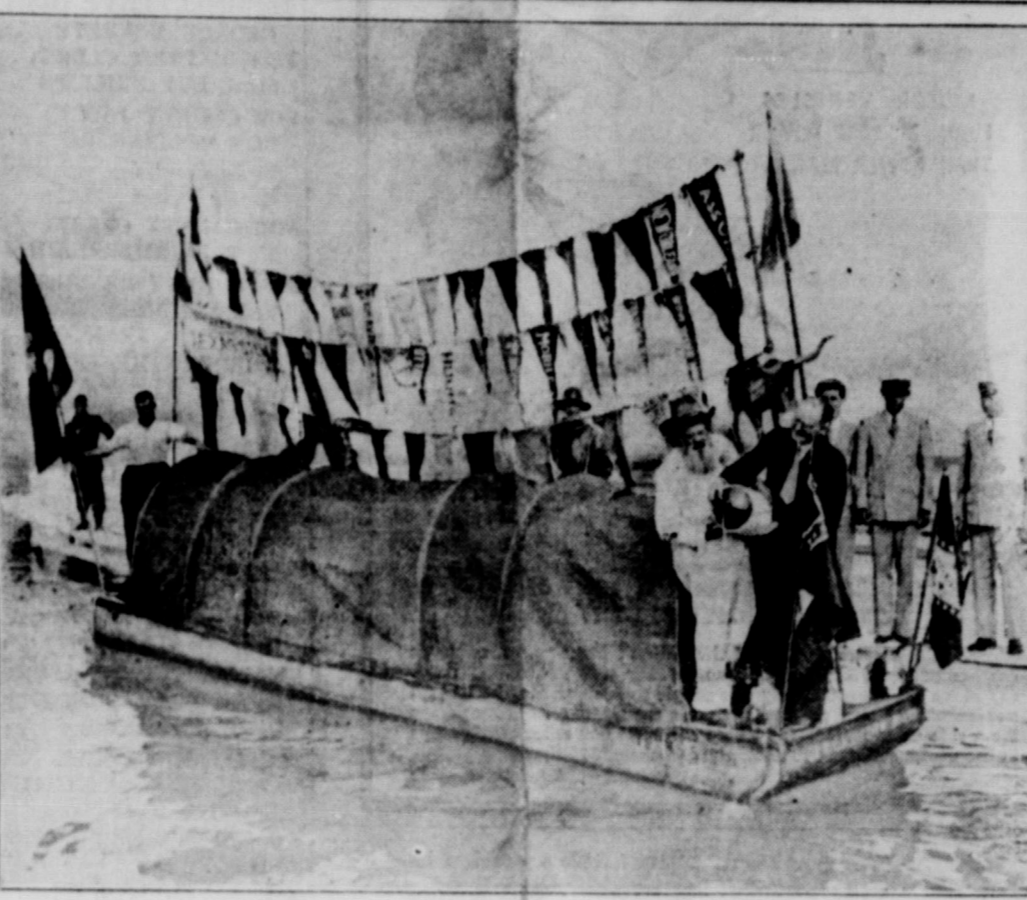

I am ruling this game forfeited to you 9-0; the game will go on record this way. Am making this ruling due to the fact that all papers were not in my office when game was played.

Yours truly,
G. H. BENDER, Pres.

Copy to H. B. Atkinson, Manager Haskell club.

Mr. and Mrs. G. T. Gillespie of San Fernando, California, were here Monday visiting in the home of Mr. Gillespie's sister, Mrs. H. C. Haml, and Mr. Haml. Tuesday guests in the Haml home included Rev. Haml's sister, Mrs. Will Hobbs, and Mr. Hobbs of Gainesville and his niece, Mrs. Chas. Umstead of Wichita Falls.

Texas "Scowboy" Mixes Water of 19 Rivers at Fair

In a bit of ceremonial at the new World's Fair in Chicago, B. M. Hatfield pours out of a jug water from 19 rivers and canals and streams into the Fair lagoon. Hatfield, Trinity river, Intra-coastal canal, Pensacola, and Lake Michigan. Hatfield, bearded "scowboy," filled the jug on a 4,500 mile motored boat trip from Texas. Victor Kieba, Chicago city sealer, who offered Commodore Hatfield the keys to the city, is looking on. Hatfield's lagoon fleet are in the background. Water from the following points was poured into the World's Fair lagoon by "Commodore" Hatfield: Trinity river, Intra-coastal canal, Pensacola, Fla., Bayou La Batre, Bayou Terribone, Bayou Houma, Gulfport, Miss., Harvey Locks, New Orleans, St. Louis, Mo., St. Paul, Minn., Prescott, Wis., Dubuque, Ia., Mobile, Ala., Burlington, Ia., and Ottawa, Ill. He started his long boat trip from Ft. Worth, Tex.

Possible Ginnings Here Will Be 5,871 Under Bankhead Law

Possible ginnings here under the Bankhead bill will be approximately 5,871 bales, according to figures compiled by H. A. Pendleton, who together with others are protesting Knox county's allowable under the bill, which has been announced as 20,965 bales.

These figures are approximate, but are based on a percentage of former years, and the allowable under the Bankhead bill will be less than the ginnings here in any of the last five years except one.

Ginnings in Munday for the past five years, according to Mr. Pendleton, are as follows:
1928-29, 7,415; 1929-30, 4,860; 1930-31, 6,181; 1931-32, 7,500; 1932-33, 15,975. Five year average 8,386.

Knox County Is Given Loan For New Court House

Announcement was made in the daily press Friday of the granting of a loan and labor grant of \$100,000 for Knox county for the purpose of erecting a new court house. The money procured from the Government includes a loan of \$70,000 and a labor grant of \$30,000, for which application was made by the Commissioners Court last November, and which has been pending since.

Ex-Seniors Sunset School in Reunion

The ex-seniors of Sunset Consolidated school, including members of the classes of '22, '23 and '24, spent an enjoyable day at Seymour Park last Thursday, June 28. There have been but three graduating classes in the history of the school, and each of the classes was well represented. The day was spent in playing games, swimming and viewing the numerous beauties of the park.

A delightful luncheon was served to the following: Arnold Land, Geo. Gaines, Bud Clayburn, Hershel Freeman, Lonnie Offutt, John Curry, Elmo Fleniken, Myrtle Partridge, Mary Elizabeth Shannon, Lillian Verhalen, Ruby Reeves, Marguerite Bumpas and Nina Neuberry. The occasion was sponsored by Mr. and Mrs. Gordon Swanner and an effort will be made to make this an annual event with an ever-increasing attendance.

Last Sunday we had quite an increase in Sunday school attendance and the interest was good in both the preaching services. Next Sunday morning the subject will be "The Church Behind Closed Doors." There will be no evening service on account of the Presbyterian meeting at the tabernacle.

You have a cordial welcome to any and all our services.—W. H. Albertson.

Revival Meeting To Begin Sunday At Auditorium

Plain gospel preaching on profound subjects will characterize this meeting. With his strong character and triumphant spirit, Dr. Fincher, the evangelist, will stimulate the Christians to more zeal for the Lord and will attract the unsaved to a higher plane of living.

Dr. Fincher's chief mission during his fifteen years of evangelism has not been to obtain visible and immediate results, but rather to revive the Christian people and set them to work along definite lines of endeavor which will result in increased attendance at all Sunday schools and new vitality and growth in the churches. In many cities which he has visited, the Sunday school attendance doubled within a few months after his campaign. His method was first proven in Houston where he took the pastorate of a small church and within a period of thirteen years he received two thousand members.

The orchestra of Mr. T. T. Tucker will play each evening. Special music of various kinds will add to the inspiration of the services.

Come and share the blessings that are in store for you.

O. H. Berry is In Charge of Affairs First State Bank

O. H. Berry of Hamlin is in charge of the liquidation of the First State Bank here, succeeding A. A. Allen, who has gone to Vernon to assume his duties as liquidating agent for a number of defunct banks in that section. In addition to having charge of the liquidation of the bank here Mr. Berry will also serve as liquidating agent for banks at Sargent, Wehnert and Hamlin.

Mr. Berry has been engaged in the banking business in Hamlin for the past sixteen years and severed his connection with the business there when the two banks were consolidated.

FIRST BAPTIST CHURCH

We are beginning a revival meeting at the tabernacle July 22. Rev. J. R. Balch of Seymour will do the preaching. The singer will be announced later. Mrs. Ingram is chairman of the music committee. We are planning to put on a program that will be appealing, attractive and uplifting. We will be happy to have the co-operation of every one in the town and community.

Last Sunday we had quite an increase in Sunday school attendance and the interest was good in both the preaching services. Next Sunday morning the subject will be "The Church Behind Closed Doors." There will be no evening service on account of the Presbyterian meeting at the tabernacle.

You have a cordial welcome to any and all our services.—W. H. Albertson.

16 New Chevrolets Delivered By Moore During Month June

Bill Moore reports the sale of sixteen new Chevrolet cars and trucks during the month of June, which he states is the best June in the history of his business in Munday, and which he attributes to the growing popularity of the Chevrolet line, and especially the knee-action feature in new Chevrolet cars, and the reputation that is being established by these new cars for standing up under rigid tests and low cost of operation.

Incidentally, we might mention that Bill Moore has expanded on his advertising through these summer months, and in addition to carrying extensive lineages on the new Chevrolet through the co-operation of the manufacturers, he has also carried extensive co-operative advertising for Good Year tires, and his business in this line has also shown a very satisfactory increase.

Clint Small Talks About State Affairs On Visit to Munday

Senator Clint Small discussed state affairs in his talk to Knox county voters on Friday afternoon, and his address varied from the usual political address with reference to the tax question. He stated very positively that he could see no method by which the state tax rate could be cut within the next two years and added that it was his contention that any candidate who asked for votes on such a promise did not do so in good faith. Mr. Small pointed out that the last session of the legislature reduced the cost of government more than seven million dollars and that salaries of state employees had been cut to rock bottom, and that any further reductions in salaries would be at the cost of efficient service.

Senator Small criticized those candidates for governor who are advocating old age pensions and at the same time talking about reducing taxes, stating that it was a physical impossibility to pay pensions to citizens without taking it away from others.

Those who heard Senator Small's address were favorably impressed with his candid manner in presenting his candidacy. He stated that he had rather not have the governor's office than to get it through promises that could not be fulfilled, and rested his claim with the mere statement that the best and most efficient administration his many years of public service and close study of political economy would enable him to render.

Kenneth Moulton, John Zada and Quinton Wiggins of Peasler, Texas, were guests in the home of their grandmother, Mrs. J. T. Lee, and other relatives here over the weekend.

Mr. and Mrs. D. E. Bowen and children spent Saturday visiting in the home of her brother, Alvin Floyd.

Rhineland Host To Thousands For 4th Celebration

A crowd estimated at from three to four thousand attended the Fourth of July celebration at Rhineland Wednesday celebrating the opening of the Rhineland bridge, and despite the fact that the attendance was far in excess of the expectations of those in charge of arrangements the citizens of that community proved themselves equal to the situation and everyone had a most enjoyable day.

The program of the day was opened by a band concert by the Lone Star Band, following which Peter Loran made a few brief remarks, stating the reason for the celebration and expressing the gratitude of the community that a long-felt want had been supplied in the removal of the bridge to its new location and that, at last, it was the real Rhineland bridge. Mr. Loran then introduced Prof. John J. Hoffman who extended the welcome in behalf of the citizenship of the community.

The response was made by Judge James A. Stephens of Benjamin who praised the pioneer spirit that had continued to carry on for ideals despite disappointments.

Following the preliminaries, the speakers platform was given over to the candidates who continued throughout the major portion of the day to lay their claims before the audience.

On the midway there were many attractions including ducking stool, doll racks and other forms of amusement, which were well patronized throughout the day.

At noon a delightful dinner was served in the hall and the Rhineland folks again lived up to their reputation for good eats, and there was an abundance for everyone, and again in the evening hundreds were cared for at the supper hour.

The day's program was concluded with a big dance on the outdoor platform where more than 200 couples danced to the delightful music of Gordon Shay's orchestra to their heart's content.

The sponsors of the celebration were delighted at the response and have asked that the newspapers convey their gratitude to the citizens over the county and to adjoining counties for the liberal response which made the event a success from every angle.

The celebration was held for the purpose of raising funds to apply toward the completion of St. Joseph's Catholic Church at Rhineland, which has been under construction for some years and upon which work has been delayed recently due to lack of funds, and with the success of the celebration on Wednesday much additional work can be done toward the completion of the edifice.

Mrs. E. J. Crownover, 92, Dies at Home of Her Daughter Saturday

Mrs. E. J. Crownover, who was possibly the oldest person in Knox county, died at the home of her daughter, Mrs. G. W. Russell, on Saturday morning and funeral services were conducted at the Baptist church Saturday afternoon by Rev. W. H. Albertson, after which interment was made in Johnson cemetery.

Mrs. Crownover, whose maiden name was Emily Moore, was born May 7, 1842, in Warren county, Indiana. When only four years of age she moved with her family to LaGrange, Fayette county, Texas, where she was married to Mr. Crownover in 1859. During her many years as a resident of Texas, she had resided at Burnet, Cross Plains and in Mitchell county. Mr. Crownover preceded her in death in 1905 and for a number of years she had made her home here with her daughter, Mrs. G. W. Russell. She was the mother of nine children, five of whom survive, George L. Crownover of Lorraine, Texas, Frank Crownover of Rising Star, Texas, Lee Crownover of Roscoe, Texas, Clark Crownover of El Paso, Texas, and Mrs. G. W. Russell of Munday. She is also survived by one brother, Smith Moore of Moulton, Texas, 33 grand-children and 41 great-grand-children.

Early in life deceased was converted and joined the Baptist church and her long life was consecrated to her Master.

Fred Kubala and daughter, Elizabeth, returned home on Friday of last week from LaGrange, Texas, where they went to attend the funeral of Mr. Kubala's mother. While in that section of the state they visited at Houston, Galveston and other points.

RUBBER from gas

The discovery by the research laboratory of the Du Pont Company of a way to make a substitute for rubber out of gas is one more proof of the value of pure science. Only chemists familiar with every phase of that complex science would have dreamed of the possibility that you can heat coal and limestone and obtain produce acetylene gas by adding water, and then by adding salt get a new chemical, chloroprene, which coagulates into a substance which, while not real rubber, makes just as good automobile tires as rubber does.

Natural rubber is so cheap now that it doesn't pay to use this new product. But if another war should send rubber up to \$2 a pound, as the last one did, or even an eighth of that price, the United States would be independent of the South American and East India rubber growers.

Now almost the only things we have to import are things we could get along without in case of war, such as coffee, tea and chocolate.

MOVIES house cleaning

There is great promise in the latest move to "clean up" the movies. The Federated Council of Churches of Christ in America, representing practically all of the Protestant denominations, has joined forces with the Council of Roman Catholic Bishops to take direct and aggressive action to safeguard the morals of the young folk who constitute the bulk of the movie audiences.

It is time that the churches, as the source of moral instruction, took a position in the matter of the movies from which they cannot be cajoled by the powerful political and financial interests which fatten on the distortion of truth and the debasements of ideals.

HOUSES cost too much

Most houses cost too much. Everybody who has given serious study to the subject of housing agrees to that. Better houses can be built for less money, and the day is coming when everyone will realize that. I don't know how long it will take before one can buy a house as one buys an automobile, all ready to set up and live in, but many folk predict that is coming soon.

If automobiles were built with as much waste of time and labor as goes into most houses, the cheapest car would cost \$50,000 or so.

On the other hand, many houses cost little enough. I read the other day of a family in Serbia that built itself a new house for 16 cents! That was all the money they spent and it went for window-glass. The men-folk of the family quarried the stone, cut the wood, did all the work and built a bigger house for a growing family.

Some of my country neighbors have done almost the same thing. Good houses, too, they have constructed with their own hands. That was the way the first every house in America was built in the pioneer days, and some of them are still livable. My own farm home, built in 1786, is good for another hundred years or more. I think we are going to see a return to simpler and less expensive housing for everybody.

Munday Closes On Fourth; Celebrate At Nearby Towns

Munday was closed tight on the Fourth and Mundayites spent the day celebrating with nearby towns. Many went to Stamford to attend the closing day of the Texas Cowboy Reunion; many others went to Rhineland where they celebrated the opening of the new Rhineland bridge across the Brazos, and some went to Seymour where a picnic was staged, and numerous baseball fans went to Haskell in the afternoon to witness the Munday-Haskell baseball game.

THE NEW COURT HOUSE

Knox county is to have a new court house. Announcement was made from Washington last week that an application for \$100,000 for this project had been granted by the Public Works Administration.

Indeed the same condition exists with reference to the court house as was said to exist with reference to the grammar school building in Munday some months ago when an election was held to determine whether the Munday Independent School District should procure funds from the same source and under the same terms.

Put in the application for funds for the court house the matter was not submitted to the people, but the responsibility assumed by the Commissioner's court of Knox county.

Some few years ago there was enacted a law in Texas limiting the power of the Commissioners' Courts to issue bonds or warrants beyond a limited amount.

Personally we believe that Knox county should have a new court house, just as we believed that Munday needed a new grammar school building.

The incident itself offers very little to the citizens of Knox county to worry over, since the obligation is not excessive and the county gets a bargain in the deal.

reigned in Palestine when Jesus was born. The policy of Rome was tolerant; local customs and even local prejudices were not greatly interfered with, and the Jews were permitted to carry on their worship and, to a large extent, the internal affairs of their government as they chose under their own rulers.

It is necessary to have this little historic background in order to understand why there were two rulers simultaneously in the days of Jesus; Herod the King whom Jesus characterized as "that fox," and Pilate, the Roman governor; and why the Jewish crowds, fired by patriotic enthusiasm, sought to take Jesus, "Son of David," by force and make Him their king; and why, when he refused, they melted away from under Him and allowed the shouts of "Hosanna" of Palm Sunday to be drowned out on Friday by shouts of "Crucify."

As nearly as scholars can figure it out, Jesus was born about 4 B. C. The Christian chronology was not fixed until the sixth century, and our subsequent study of Roman records indicates that a mistake of about four years was made. Assuming the date 4 B. C., therefore we now approach the nineteenth hundredth anniversary of Jesus' thirtieth birthday.

Home Demonstration Club

With Mrs. Tom Jones.
The Home Demonstration club met Friday, June 29, in the home of Mrs. Tom Jones. Miss Jewell Faulkner gave a very interesting talk on the Extension work and reports from several of the club leaders for June were given in showing the amount of canning and other work for the month and we were real proud of our report. After the business session Miss Faulkner spoke on what constituted a balanced meal after which she served a typical balanced meal which consisted of fried chicken, gravy, baked corn, beet pickles, fresh beans, tomatoes and lettuce and ice cream. Those present were Miss Faulkner, Mrs. Frank Bowley, Mrs. T. R. Smith, Mrs. S. B. Krump, Mrs. P. G. Lansford, Mrs. Ralph Weeks, Mrs. G. L. Pruitt, Mrs. Chas. Matlock, Mrs. J. E. Edwards, Mrs. Elmer Dickerson, Mrs. John Rensau, Mrs. J. M. Perdus, Mrs. Cartwright, Mrs. Rowell King, Miss Sarah Smith and Miss Ophie Pruitt.

Harrell, second vice-president; Mrs. Pitzer Baker, recording secretary; Mrs. W. V. Tiner, corresponding secretary; Miss Fannie Isbell, treasurer.

Winners of Prize Awards Announced At Cowboy Reunion

Stamford, July 4.—Rodeo champions were declared and grand prizes awarded tonight in climactic events of the fifth annual Texas Cowboy Reunion, which drew a holiday crowd of more than ten thousand for the afternoon performances.

Saddles Presented

Saddles were awarded to champions of four rodeo events and to the favored sponsor and the old-timers calf-roping contest. Presentation of the gifts, sponsored by the Dallas Salesmanship club was made by George I. Plummer, club president, who headed

best calf roper among old-timers over 55 years old; W. E. Shipp of Harmony second in the contest, and Will Dawson of Roscoe, third.

Rodeo judges were Slaughter, Tom Hickman, former Texas ranger captain of Fort Worth, and Frank Rhoades of Throckmorton. A substitute judge served while Slaughter competed in the cutting horse contests.

Gist Re-elected

The cowmen early Wednesday re-elected John M. Gist of Odessa as president; and re-elected these other officers: Clyde Burnett, Benjamin, first vice-president; A. J. Swenson, Stamford, treasurer; Charles E. Coombes, Stamford, secretary, and Walt Cousins, Dallas, historian.

Joe Matthews of Albany was named second vice-president to succeed John Davis of Throckmorton.

Lewis Ackers of Abilene was chosen chairman of the board of directors. This group also includes Doc Ellis, Spur; John C. Burns, Fort Worth; Tom Burnett, Iowa Park; Tol Ginn, Aspermont; John Davis, Throckmorton; and Claude Jeffers, Mataber.

Coombes was named custodian of the "bunkhouse," new headquarters building, open for the reunion this year.

Other honorary officers of the reunion: V. Ribble, Crowell, range boss; C. F. Ratliff, Midland, wagon boss; Fred Franklin, Guthrie, wagon cook; and Virgil Hudson, Haskell, horse wrangler.

While Miss Florene Allen as "Miss Munday" remained in the competi-

tion with the nine other sponsors in the early eliminations at the Texas Cowboy Reunion at Stamford this week, she was eliminated in the final awards, however, since there were 53 entries, to be placed among the ten leaders is indicative that Munday's sponsor made a favorable impression.

Mr. Naud Burnett of Greenville has been visiting in the home of Mr. and Mrs. Grover Sullivan.

Mr. and Mrs. C. N. Edwards spent the Fourth in Cisco with friends.

Mrs. J. W. Rodgers returned home Wednesday from a two weeks visit with her cousin, Mrs. H. G. Albright of Vera.

DRASTIC PRICE REDUCTIONS UP TO \$50 BRING CHEVROLET

to the record low price of

\$465

AND UP, F. O. B. FLINT, MICH.

When Chevrolet announced price reductions several weeks ago, something important happened... something of vital concern to every buyer of a low-priced car: Chevrolet stepped into the most favorable price position it has enjoyed in a long time!

Reductions amounting to as much as \$50—the most substantial price cuts announced in the low-price field this year—dropped Chevrolet's base price to a new low figure of \$465. Just compare this price—compare any Chevrolet price—with those of other cars. Then compare what you get for what you pay! There'll be no question in your mind which car to buy, once you do.

Chevrolet offers patented Knee-Action—and others do not! Chevrolet alone has a Fisher body! And the same thing applies to cable-controlled brakes, Y-K frame, shock-proof steering, and 80-horsepower valve-in-head, six-cylinder engine. Chevrolet gives you far more features—for finer quality—a far better name for dependability. Yet the price of the Chevrolet Standard is lower than that of any other six or, of course, any eight in the world.

FAIR COMPETITION

Prices on all classes of job printing done in our plant are based on the Price Determination Schedule of the National Graphic Arts Coordinating Committee of the Graphic Arts Code. This schedule of prices has been thoroughly investigated, and approved by Hugh S Johnson, Administrator.

In adopting the Price Determination Schedule we feel that we are co-operating with President Franklin D. Roosevelt in his effort to restore better conditions to people in every walk of life. We feel and believe that it is our duty as an American citizen to extend this co-operation to our President, and we shall be guided by the schedules of prices declared by the code authorities to be fair to us and fair to our patrons.

All printing establishments are not co-operating. There are concerns which sell printing at lower prices. Indeed there are plants here in Texas who work Mexican labor at wage scales that no skilled craftsman would consider as a living wage. Such concerns seek to procure orders on low prices alone. Such concerns are doing nothing toward the re-establishment of respectable wage scales, but prefer to chisel on legitimate industries that are co-operating with our President.

THE MUNDAY TIMES

Misses Dorothy Sullivan and Roselle Jones have returned home after a visit to Lubbock.

We are publishing in this issue the full schedule of the Wichita Valley league, which we ran some two months ago, but since many fans failed to keep the schedule we are inserting it again for the benefit of those interested.

Can't Eat Can't Sleep Can't Work

A Sign You're Run Down!

When your appetite has fled and you're so tired and nervous you can't even work, much less sleep, it's a sign you're run down. It may be due to overwork, worry or sickness, but whatever it is, your condition calls for a good tonic. There is nothing better than Grove's Tasteless Chili Tonic, for it is iron and tasteless quinine combined. Iron, as you know, is a noted blood builder, while quinine tends to purify the blood. Thus you get two effects of vital importance in any run-down condition.

Old and young find new appetite, new strength and energy in Grove's Tasteless Chili Tonic. Try it for just three days and see the difference it makes in you. You feel like a new person. Grove's Tasteless Chili Tonic is pleasant to take and contains absolutely nothing harmful. Get a bottle today at any store.

Time Lost is Money Lost

It costs money to be sick. You see it directly if your pay envelope is short. You lose out on some important work if you live on a farm or if you are one of the few who are not docked for lost time. You can't afford to show up on the job unless you are feeling fit. The boss wants results — not excuses.

How many times do Gas on Stomach, Headache, Sour Stomach, "That Tired Feeling," That "Morning After" Feeling, Neuralgic, Rheumatic, Sciatic, Muscular or Periodic Pains keep you at home or interfere with your doing a full day's work? All these troubles are caused or made worse by too much acid in your body. To correct this condition take
