TODAY and TOMORROW

By Frank Parker Stockbridge

REALITIES . . . are few

Most of us live in a dream world, in which we think that there is some magic process, if we could only find it, which would make us happy and prosperous. When something unpleasant happens we are prone to attribute it to malicious fate, which can only be overcome by finding some new incantation which will work the right magic and set everything straight again.

Few people are courageous enough to face realities. The realities of life are terrifying to those who have been brought up to believe that "somebody" is always going to look out for them. They are not at all frightful to the few who realize that nothing in life is essential to happiness except food and shelter.

I try to be tolerant of everybody else's follies and frailties, but I get disgusted with people who think they are being badly used merely because they can't have everything they desire at the moment they desire it.

DRINKING . . . and accidents
Vermont reports five times as many automobile accidents since the repeal of prohibition as in any year previous. Vermont newspapers and officials are unanimous in blaming this on liquor. The Government collected \$86,000,000 in taxes on distilled liquors and \$169,000,000 on beer in the year ending July 1, but only \$4,000,000 on wine. Better wine is made in the United States than in France or Italy, but we are not a wine-drinking people.

The dream of sudden prosperity through repeal has proved merely a dream. Hundreds of concerns that got liquor licenses in New York, thinking everybody was going to rush to the bars, have abandoned them rather than pay the high license fees. Many liquor dealers have gone broke.

It took a hundred years of education to arouse public sentiment against the abuse of alcohol. Now the effort seems to be in the other direction. Prohibition was unwelcome as a national program. It will take a couple of generations to bring us back to a sane, balanced understanding of the liquor question. Meantime, drunken drivers will kill off a growing percentage of sober folk.

PRODUCTION . . . distribution
One good result of the depression and the consequent efforts of thousands of intelligent thinkers to find out what caused it and how to prevent another one, is that we have learned, for the first time, a lot of facts that nobody knew about our economic system.

When we have all the facts maybe somebody can do something about it, though it takes a long time for facts to become generally known. A lot of loose talk has been heard in the past few years about "over-production." Men have been punished for denying that America was producing more goods than we could consume. But now it has been ascertained, with what seems to me convincing definiteness, that in almost every line of industry the equipment for production is far below what would be needed if everybody were to be supplied with all the goods he needs.

The problem is one of distribution, and that is not going to be solved in a day. But I think that we are coming out of the depression with a great deal more accurate knowledge on this and many other economic problems.

WAR . . . doubtful
Maybe, by the time this appears in print, the nations of Europe will be flying at each other's throats, and I doubt it. I do not believe that the assassination of King Alexander of Yugoslavia will precipitate a war. That is not to say, however, that no European country wants something that it can only get by going to war.

Inter County Meet Draws Mundayites To Wichita Falls

Approximately 100 women from Knox County were in Wichita Falls Tuesday for the semi-annual meet of the Inter-County Federation held at the Woman's Forum club house, under the general chairmanship of Mrs. Ben G. Oneal. Mrs. W. H. Chapman of Munday is president of the Knox County federation and sponsored the program given by this county.

A colonial dance directed by Mrs. Joe Davis and presented by 12 girls from here, was very effective as they were appropriately dressed in colonial period dresses, dancing a square dance and Virginia reel.

The Choral Club from Munday, a new organization, made their initial appearance in the number "By the Waters of the Nile" with the Waters of the Nile. Mrs. Pitzer Baker, so popular was this number that the group was invited to return to Wichita Falls for an evening engagement and also to appear on programs at Seymour and Fort Worth.

A playlet written by Miss Constance Browning of Knox City was presented by a group from Benjamin and represented "Pioneering in Knox County." This group has been invited to return to Wichita Falls for an appearance in the Pioneer program in November.

Knox County was awarded the prize for having the largest number present. Munday was represented by more than fifty women.

The Schoolboy Tiger

DETROIT . . . Above is a close-up study of Lynwood "Schoolboy" Rowe, the pitching ace of the Detroit Tigers and the mound sensation of the American League season. He is expected to star in the World Series game.

Cartwright News

Health conditions of the community are splendid at this writing. Miss Lillie McAfee visited Miss Esterline Gulley last Sunday. Mr. A. Hill visited relatives at Thorp last Sunday.

Mr. and Mrs. W. H. Moore entertained the youngsters with a social last Saturday night. Miss Esterline Gulley visited Miss Florence Gaines last week. Ruth Smith, who is attending school at Munday spent last week end with home folks.

Tom Harnon of Munday spent Saturday night with Thurman Gulley. Miss Eva Dale Loving visited in the home of Miss Mary Belle Yates Saturday night.

Mr. and Mrs. A. D. Wallace went to the lake last Monday. Cecil Gulley and wife visited Mr. and Mrs. Whitt Gulley last week end.

Mr. and Mrs. Harlan Clayborn and children visited in Coleman, Texas last week end. Mrs. C. B. Yates and children visited in Goree last Wednesday. Mrs. Brice Dobbs and children visited her parents here last Sunday.

BUILDERS OF TEXAS

BORN IN TYLER, TEXAS, 1891. EDUCATED IN PUBLIC SCHOOLS AND STARTED OUT IN LIFE INSURANCE BUSINESS IN THAT CITY.

A. MORGAN DUKE OF FORT WORTH

CAME TO DALLAS AS INSURANCE SALESMAN WITH COMPANY 7 YEARS AND ADVANCED TO GEN. MANAGER FOR TEXAS, OKLA. MISSOURI AND KENTUCKY WITH ANOTHER COMPANY 7 YEARS AS STATE MANAGER AND 7 YEARS AS ONE OF ITS 5 EXECUTIVE OFFICERS.

MR. DUKE IS PRESIDENT TRINITY LIFE INSURANCE CO AND TRINITY BOND INVESTMENT CORP. WITH THE PURCHASE IN JULY 1934 OF THE HARVESTED LIFE INSURANCE CO OF DALLAS.

ORGANIZED TRINITY BOND INVESTMENT CORP OF FORT WORTH IN 1930 ORGANIZED TRINITY LIFE INSURANCE CO IN 1932. SOLD FIRST POLICY.

MR. DUKE, WITH A LONG AND INTIMATE KNOWLEDGE OF TEXAS AND HER RESOURCES HAS ACHIEVED WIDE RECOGNITION AS AN ORGANIZER AND INSURANCE EXECUTIVE, AS SHOWN IN THE SUCCESS OF HIS ENTERPRISES.

TRINITY LIFE INSURANCE CO ISSUED ITS FIRST POLICY AUG. 15, 1932. INSURANCE IN FORCE (AS OF OCT. 15, 1934) APPROXIMATELY \$10,000,000 WITH TOTAL ASSETS APPROXIMATELY \$1,000,000.

Master Bridge Champion

PAS
NEW YORK . . . This laughing girl, Miss Elinor Murdock (above), proved herself to be the master of master bridge players when she took them all "in stride" to win the individual masters' championship tournament here. She is the first woman ever to win the title.

Sheriff Loses In Effort To Abolish Marble Machines

Sheriff C. E. Elliott, who some weeks ago served notice that marble machines were on the "kibosh" in Knox County, carried the matter to the County Court Tuesday after having made a number of arrests in the county. The case upon which he lost was made up that against Carl Favor of Knox City, and since all the other cases were identical, they were dismissed following the ruling of the court that the machines were not unlawful under the statutes of the State of Texas.

The case was tried before Judge N. S. Kilgore former county judge, who was named to hear the case after County Judge J. W. Melton had disqualified himself due to the fact that the drug store in which he is interested was operating machines. The defendant was represented by Jesse Owens of Vernon while the prosecution was conducted by County Attorney Carl Patterson.

HOOD NEWS

Rev. Culbertson preached here Sunday morning. There was a singing at the home of Mr. and Mrs. Claud Thompson Sunday evening.

Mr. I. B. Gresham and family spent the latter part of last week visiting relatives in Hall and Childress Counties.

Mr. and Mrs. Uron Beatty of Rule, Mr. and Mrs. H. E. Garrison, Mr. and Mrs. R. B. Jones and Mr. Wilburn James and family spent Sunday with Mr. and Mrs. Melvin Thompson.

Mr. and Mrs. Elmer Hendrix and family visited Mr. and Mrs. J. T. Jones of Lake Creek Sunday.

Rev. and Mrs. Don Culbertson and Miss Lora Finley and Helen Polson were dinner guests of Mr. Bill Hood and family Sunday.

Senator Oneal's Final Plea For Amendment No. 1

TO THE VOTERS OF KNOX COUNTY:

This communication is with reference to the proposed Constitutional Amendment No. 1 as it appears on the ballot to be voted on November 6th.

Last week I gave out a statement to the voters of the Twenty-Third Senatorial District requesting that they vote for this Constitutional Amendment which would permit the Legislature to classify property for the purpose of taxation. At that time I called attention to the efforts that are being made to defeat this Amendment, by those who own a large amount of property that is escaping taxation, property that could be brought into the field of taxation, if this amendment is adopted.

First, I want to call your attention to the State Finances at this time. For that purpose I quote from a letter received on the 25th of this month from Mr. R. S. Calvert, Stationer of the Comptroller's Department of the State of Texas:

"Dear Senator: In line with our telephone conversation this afternoon, advise that the deficit in the General Revenue Fund at October 1, 1934 was \$7,178,382.84 and in the Confederate Pension Fund \$4,684,309.46.

It is further reference to our conversation regarding the school funds advise that nothing has been paid on the 1934-35 apportionment which amounts to approximately \$25,747,227.00. Assuming that the apportionment should be paid monthly throughout the twelve months of the fiscal year instead of all being paid within the nine month school year, then on October 1, 1934, there would have been due \$2,145,692.00 but there was on hand at that date \$874,496.75 leaving a deficit of approximately \$1,271,195.25.

Yours Very Truly,
R. S. CALVERT, Stationer
Comptroller's Department.

Taking the total of these items, the State now lacks \$13,133,789.39 of paying what it now owes. This amount must be made up by taxes. Next year this deficit will be still greater. In addition we will have to pay approximately a million dollars in 1935 on the "breast bonds" issued in 1928 we will have to pay approximately three million dollars on those bonds.

A large amount of this burden is now falling on the tangible property of the tax payers, including land, houses, cattle, etc. At the same time billions of dollars worth of property known as intangible property such as stocks, bonds and notes, are escaping taxation, because the rate is so high. The only way to bring this property into actual tax paying is by giving the Legislature the power to classify it and to put a low rate of taxes on the same.

The State of Ohio about 1931 amended its Constitution so as to permit the classification of property. In a letter to me dated September 26, 1934, from the Vice-Chairman of the Tax Commission of Ohio, the Vice-Chairman wrote:

EIGHT CONSTITUTIONAL AMENDMENTS TO BE SUBMITTED TO TEXAS VOTERS IN GENERAL ELECTION NEXT TUESDAY

In addition to the election of a complete ticket from Governor to constable next Tuesday Texas voters will pass upon eight changes in the Constitution of the State, and despite the fact that much has been written for and against these amendments few people seem sufficiently interested in them to familiarize themselves with their meaning, and it seems likely that only a small portion of the voters of the State will avail themselves of the privilege of voting since there are no contests of any consequence but every qualified voter should go to the polls and vote, especially since some of these amendments are of vital importance to the future of Texas.

RHINELAND

Mrs. Ethie Lee P'Pool visited our school last Thursday afternoon. The Rhineland 4-H club met in the school auditorium last Friday afternoon. The members made a report on all the club work they had done since the last meeting held some time ago. The club was visited by Mrs. Cooper, the district Home Demonstration Agent. In her talk to the girls she assured them that the club girls would certainly be a success if the members continued to work with interest.

The Senior class organized last Tuesday. The following officers were elected: Monica Loran, President; Ralph Schumacher, vice-president; Albert Franklin, secretary; treasurer; Irma Homer, reporter. Blue and white were selected as the class colors and sweet pea as the class flower. The class motto is "Labor Omnia Vincit," meaning "Labor conquers all." Miss Alice Frerich, our English teacher, acted as chairman.

Mr. Hoffman is inquiring about the whereabouts of the mule that kicked the mother-in-law. Anyone that can supply sufficient information, please report to the senior boys. Mr. John Schumacher, who was injured in an automobile accident enroute from Fort Worth to Munday, is improving.

Mr. Tony Payson of Scotland, Texas visited friends and relatives here last week end.

Mr. L. J. Kaehler is having a new home erected in the south part of town.

FIRST BAPTIST CHURCH
All services next Sunday at the usual hours. Sermon subject for Sunday morning: BAPTISTS, PAST, PRESENT AND FUTURE.
Sunday November 11th, Reverend J. D. Brannon, will be with us and will continue on through the following week in a Sunday School Training School. May we plan to make it a good week for our work.
W. H. Albertson.

Girl "Casey Jones"

McCRORY, Ark. . . Joyce Short, 13, is perhaps the world's youngest locomotive engineer. She drives the engine on the country's shortest railroad, the one mile Augusta Trunway and Transfer Co., here. Her grandfather taught her the trade.

Cotton Ginnings In County About One-Fourth 1933

Cotton ginnings in Knox County up to October 18 were only about one-fourth of the amount ginned up to the same date last year, as shown by figures given out by Hoyie A. Sullins, special agent for the Department of Commerce. His report reveals that there were 7,729 bales ginned at that date this year as compared with 29,538 bales ginned on that date last year.

The President's Mother on Her 80th Birthday

HYDE PARK, N. Y. . . The above portrait of the President's mother, Mrs. Sara Delano Roosevelt, was taken at her home here on her 80th birthday, September 21st. The President, grandchildren and three great-grandchildren attended the birthday luncheon.

Effort To Abolish Marble Machines

Sheriff C. E. Elliott, who some weeks ago served notice that marble machines were on the "kibosh" in Knox County, carried the matter to the County Court Tuesday after having made a number of arrests in the county. The case upon which he lost was made up that against Carl Favor of Knox City, and since all the other cases were identical, they were dismissed following the ruling of the court that the machines were not unlawful under the statutes of the State of Texas.

The case was tried before Judge N. S. Kilgore former county judge, who was named to hear the case after County Judge J. W. Melton had disqualified himself due to the fact that the drug store in which he is interested was operating machines. The defendant was represented by Jesse Owens of Vernon while the prosecution was conducted by County Attorney Carl Patterson.

NOTICE TO THE PUBLIC: Any erroneous reflection on the character or standing of any person or firm appearing in its columns will be gladly corrected upon calling the attention of the management to the article in question.

NOBODY WANTS TO PAY THE BILL

Patriotic Texans have been thinking, talking, writing Texas Centennial for some months, and now that the Governor has called the law-makers into special session for the purpose of making an appropriation the program seems to have struck a snag. It is very evident that the law-makers are not so impractical as to make an appropriation for the celebration without at the same time enacting a tax measure of some kind to liquidate the indebtedness, and there's the hitch.

A bill has been introduced to levy a tax against electric current and gas, and naturally that bill is being stubbornly opposed by the utility interests, and it should be. The sales tax has been brought in disrepute recently in Texas and the politicians are wondering just who should be made to pay for the Centennial, if an appropriation should be made.

Thousands of patriotic Texans had their enthusiasm dampened when Dallas was selected as the Centennial city over San Antonio and Houston both of which are, figuratively speaking, built upon ground which ran red with the blood of Texas heroes. Houston with her San Jacinto battleground and San Antonio with her Alamo and missions, could have made every Texan who visited the Centennial feel that they were treading upon hallowed ground and could have given the celebration a touch of reality that no amount of money can give to the celebration at Dallas.

But the celebration has been "knocked off" to the highest bidder, and patriotic Texans and others who visit the Centennial will have to draw upon their imagination for the historic color, except possibly from the fact that Sam Bass and the James boys passed that way on one of their reconnoitering trips in dodging the strong arm of the law.

Anyway, Texas is going to have a Centennial celebration, and the legislature will make an appropriation for it if some patriotic group of citizens will come forward and sanction a tax on their particular business to pay the bill.

THE AMENDMENTS

Former Governor James E. Ferguson in his Ferguson Forum urges voters to vote against all the amendments next Tuesday, giving as his reason for such advice that not one in five hundred have read the amendments, and in this he is very likely correct.

But, it seems that we have reached a tragic state in governmental affairs if we are to vote "no" on all such matters submitted simply because the public is not sufficiently informed or interested to inform itself. Anyway, the general public has little room to complain about governmental affairs if it is true that it is so indifferent concerning the affairs of state.

Some of the amendments to be voted on Tuesday are of real concern to the people of Texas, and without discussing the merit of any particular one, let us say that we believe the citizens should inform themselves and cast their ballot accordingly instead of merely going to the polls and voting "no" as a course of least resistance.

ANOTHER TRAGEDY OF THE FEE SYSTEM

Sheriff W. B. Arthur of Dickens County was slain Saturday by two prisoners in the Dickens County jail who were being held for trial, despite the fact that both already had long penitentiary sentences hanging over them, one with more than 200 years.

One naturally wonders why such criminals as Stalcup and Brown are held for trial when they already have such long sentences, and the only answer that can be given is that officials responsible for their being held for trial on other robbery charges are merely interested in the collection of fees accruing from such trials and convictions. Stalcup and Brown merely faced additional sentences, while the officials responsible for their being held for another trial merely looked forward to additional fees, to which they are entitled under our fee system.

State law enforcement officers might take a tip from Federal officials who have been running down some of the notorious criminals recently, but who are not seemingly concerned about the Frank Buck idea of bringing them back alive.

But Federal officers are not dependent upon fees, nor are they permitted to participate in any reward.

OUR CLUBBING RATES

The Times offers the usual clubbing rates to its subscribers again this year. The rates for the daily papers together with the Times are as follows:

The Fort Worth Star Telegram, daily and Sunday, and Times, \$7.60.
The Star Telegram, without Sunday, and Times, \$6.60.
The Wichita Falls Record-News or Daily Times and Munday Times, \$5.50.

We can quote you the lowest authorized publisher's price on any newspaper or magazine, and will be pleased to give our subscribers the advantage of clubbing rate prices in connection with any listed publication, and we guarantee proper dating and delivery.

Funeral services were held Sunday afternoon at Cleburne for W. C. Glasgow, former Cleburne banker and brother to our former fellow-townsmen and mayor, A. J. Glasgow, now of Seymour. Deceased was 73 years of age and had been engaged in the banking business at Alvarado for more than thirty years.

TO WHOM THIS MAY CONCERN:
As Secretary-Treasurer of Haskell-Knox County Burial Association, the following statement is made:

That on June 11th an application came into our office for Mrs. Hester A. Harwell, Et. L. Sargent. Since the death of Mrs. Harwell it has developed that we were misled as to the condition of her health at that time, and upon investigation I am convinced that Mr. Harwell, whom I have known for 27 years, nor the family were not responsible for this mis-information.

As is our custom to have some member of the family who puts in the family sign a statement before a Notary that the statements made on date of application were true on date of application, which Mr. Harwell would not do, and convincing the Sec'y-Treas., that he did not mislead or mis-inform, solicitors who took the application, I am paying this claim from my personal funds, as I do not feel it just to ask the membership to pay this claim, from information that I have.

While I am paying this claim, personally, I am instructing future solicitors to be more careful, and fair with members also warning others that there will be other claims paid, until statement is made before Notary that condition of health as stated on application to secure this protection was true and correct on date of application. I do this in justice to the loyal members we now have responding so nobly, and to warn those who think it all right to make any statement without foundation of truth, that they may impose unfairly upon our Association, which the writer intends to handle fairly and honestly and such future payments will be restricted to refund of actual cash paid into this Association by deceased member.

Respectfully,
W. H. LITTLEFIELD,
Secretary-Treasurer.

TO WHOM THIS MAY CONCERN:
I take this method of thanking W. H. Littlefield, Sec'y-Treas. of Haskell-Knox Co. Burial Association for benefits we received from the death of my wife, Mrs. Hester A. Harwell.

Owing to the facts that I could not honestly sign a statement required and which Mr. Littlefield is now demanding from all members when claims are paid, as a protection to members of the Association, and after investigation by him from which he is assured that we, as a family, did not mislead to secure this Policy.

He is therefore paying this claim personally, as he does not feel it just to ask membership to pay it. Mr. Littlefield's action in this is in keeping with his reputation for fair dealing, as established by him to those who have known him, as I have, for about 27 years.

H. F. HARWELL, SR.

MOGULS BEAT WOODSON

Last Friday the Munday Moguls went to Woodson and beat the Woodson Cowboys on their assorted rock-and-sand field. The rocks were just young hooligans, but they were plenty hard. Just ask any football player. The Moguls starting lineup was: Captain Kethley, left end; William Elland, left tackle; Broach left guard; Greer, center; Barncott, right guard; Blanton, right tackle; Smith, right end; Pruitt, halfback; Trammell, halfback; West, quarterback; and Bob Layne, fullback.

To start the game the Moguls kicked off to the Cowboys. Both teams fought hard during the first two quarters but neither team could score.

The half started with the Moguls kicking off again. The Cowboys fumbled the ball and the Moguls covered it. West broke through the line and ran forty yards for a touchdown. The Moguls certainly did some fine blocking; therefore, they made a touchdown. However, they failed to make the try point, leaving the score 6 to 0 in our favor.

Later, in the third quarter, a Woodson backfield man broke loose and made a wide end run reaching the goal. Nevertheless, they failed to make the try point. This made the score a tie.

In the fourth quarter Pruitt caught a punt and ran forty-five yards for a touchdown. Again the Moguls failed to make their try point, leaving the score 12 to 6 in favor of the Moguls.

William Elland fell on one of the boulders on the Woodson field during the first quarter and broke his shoulder. He finished the game, not knowing it was broken until a day later.

Substitutes were G. R. Elland for William Elland, who went back into the game later, and Zeisel for Blanton, who also went back into the game.

The Moguls all played a good game and the coach is proud of them. If they keep improving as they have been, we will have a powerful team by the end of the season.

This Friday is an open date, but the Moguls play Rule here November 11, and they expect to win the game. When Monday played Rule before, the score was a tie.

SH-H-H!
The grand opening of the famous L.O.T.H. Club was announced Monday morning in the Study Hall of Munday High School.

Sounds rather sophisticated, does it not? It really is not though; but if you do not believe me, attend one of their regular meetings from 4:00 to 5:00 o'clock.

It was so difficult to decide who should be the president of the club last year, that the office was left open. Let's fool them this year and not even have any members.

But nevertheless, sh-h-h! "Cause Hardegree'll get you "If you don't watch out!"

Did you hear Eddie Cantor's program Sunday night? If you did, you are fortunate; if you did not, I am sorry for your sake.

I marvel in Mr. Cantor's presentation of his program and I wish it could be played on schedule at a later time for the benefit of those

who do or would go to church. Eddie Cantor is the most original, to my notion, of all radio comedians but before his program ends, he always gives some sensible sketch that deserves deepest consideration.

Last Sunday night his program was most important to education. He stated that every dollar paid for taxes toward education is a premium well given and to a good cause. He explained how the politicians of the United States were trying to economize by cutting down on the part of the budget due to education. He asked the whole nation to join him in preventing this move which would be disastrous to the schools. He said that more teachers today would cause the need of less policemen tomorrow. The Parent-Teacher Associations of the nation are already doing their part, so why can't we?

A SMILE

Nothing on earth can smile but man. Gears may flash reflected light, but what is a diamond flash compared to an eye flash and a mirth-flash? Flowers cannot smile, this is a claim that even they cannot claim. It is the prerogative of man; it is the color which love wears, and cheerfulness and joy—these three. It is the light in the window of the face, by which the heart signifies that it is at home and waiting. A face that cannot smile is like a bud that cannot blossom, and dries up on the stalk. Laughter is joy, and sobriety is night, and a smile is the twilight that hovers gently between both.

SENIOR SCRAPBOOK

We did win just as we said we would! Our candidate, Miss Gordon James Barnes, was elected Queen of Munday High School in a big way. We are very proud of her too. Our greatest delight is that we won over the Juniors. They never had a chance, because we did not give them one.

Lois Ingram will be the Senior Attendant to the Queen next Wednesday night. We think that these two girls will be the center of attraction in the coronation ceremony. We wish to express our appreciation to everyone who helped our candidate to win. Especially do we want to thank the business men for their cooperation.

Here's to the Seniors of 1934-35!!!
Associate with men of good quality if you esteem your own reputation.
—George Washington.

CORONATION CEREMONY

The Seniors won! Yes, the great contest was over last Friday, and Miss Gordon James Barnes was elected Queen of Munday High School by a majority of 300 votes. The Coronation Ceremony this year was different from any Munday High has ever presented and we think it the most attractive.

While Mrs. Louise Ingram played "Priest's March" by Mendelssohn, the process, Mary Moore and Mattie Marie Isbell entered at the back of the auditorium. As they stepped upon the stage the Prince Charming, Fred Broach, Jr., entered. The first attendants announced were Princess

Margaret from the House of Tiner and Prince Burl from the House of Meers. Next were Princess Wanda from the House of McGlothlin and Prince Joe from the House of Kethley. Then came Princess Darwin from the House of Campbell and Prince Clifford of the House of Brock. The last attendants to march up the aisle were Princess Louise of the House of Ingram and Prince Glyn from the House of Bilbrey. Then King Vinton of the House of Tiner was announced. As he entered from the left the crown bearer, Joseph Borden, entered at the back of the auditorium. Princess Gordon James of the House of Barnes entered with the train-bearers, Charlotte Anne Williams and Opal Louise Maples. After the King crowned the Queen each attendant courted before the Queen and left the throne. It was beautiful indeed.

The Queen wore an apricot velvet dress with white sequins across her shoulder, and her train was of cream satin. Princess Louise wore a white crepe dress with rhinestone trimmings. Princess Darwin wore a black crepe dress, which certainly gave her an air of distinction. Princess Wanda was gorgeous in her white velvet and lace gown. Princess Margaret wore a dress of becoming tomato red crepe with a black net cape. Mr. Bass had no idea such pretty girls did shadow the door of Munday High every day; in fact, neither did I.

PICKED UP AT RANDOM

A cute little blonde haired girl certainly is getting popular (and she is just a Freshman). She has two boys worshipping her. They both live in one town, and it is not Munday either. She gets a lot of mail from one of these boys, but the other seems to be rather slow.

Wonder why a certain young man from Wichita Falls comes to Munday every week end possible? Tah, Tah.

What certain girl was taken home at 10 o'clock last Saturday night, and the boy came back to town and rode around with girls from Knox City. We know a certain Munday girl that had better watch her step—she must be slipping!

We wonder why Rupert always sings, "I Ain't Got Nobody?" Betty says it isn't true.

Wanda June, hadn't you better quit making those curves and corners so fast on Sunday nights?

We wonder why Fred likes to ride up and down alleys on Saturday night?

Mr. Larimer thinks that the Halloween date has changed, because he celebrated about a week early by wearing an orange and black tie to school.

"Ignorance is bliss." At least Arthur seems to think so—just ask him how to trade a horse when you

have only nine dollars.

Robert, what is that cute little souvenir you had and where did you

get it?
Gordon James, what is it all about?

Our Great Price-Cutting Clearaway Sale

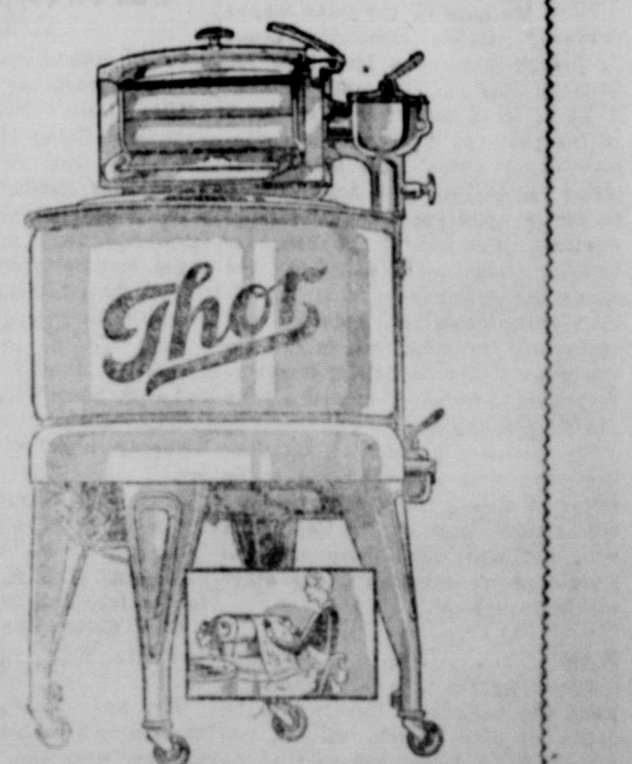

Due to the continued warm weather we are continuing our Clearaway Sale over for another week, and the same low prices will continue throughout all next week, so take advantage of this extension and buy your fall requirements.

- 36-inch Outing, good heavy quality, light and dark colors, Clearaway price, yd. 11c
- English Prints, fast colors, Clearaway price, per yard 10c
- Curtain Scrim, all shades, Clearaway price, per yard 10c

The Economy Store

Washday's Blue Monday Banished by a New Thor

THOR! That name has meant the highest quality in home appliances to women all over America for more than a quarter of a century. Now you can own a real Thor Washer for the price of a "cheap" washer. And what a difference in quality! A big gold-flecked green enamel tub; Thor Super-Agitator that gets the dirtiest clothes clean in 5 to 7 minutes... safety wringer. It seems impossible that the price is so low. Just a few cents a day is all you have to pay for this clothes-saving Thor.

If you are ironing the old-fashioned back-breaking way, you should by all means learn the marvels of the new Thor Automatic. It has convenient knee control... Automatically converted heat... scratch-proof shoe... and special pleat and press control.

Do you know that your increased use of Electric Services is billed on a surprisingly low rate schedule... and adds only a small amount to your total bill?

West Texas Utilities Company

Time Lost is Money Lost

It costs money to be sick. You see it directly if your pay envelope is short. You lose out on some important work if you live on a farm or if you are one of the few who are not docked for lost time. You can't afford to show up on the job unless you are feeling fit. The boss wants results—not excuses.

How many times do you get Gas on Stomach, Headache, Sour Stomach, "That Tired Feeling," "That Morning After" Feeling, Neuralgia, Rheumatic, Sciatic, Muscular or Periodic Pains keep you at home or interfere with your doing a full day's work?

ALKA-SELTZER

The New Pain Relieving, Alkalinizing, Effervescent Tablet. It is called Alka-Seltzer because it makes a sparkling alkaline drink, and as it contains an analgesic (Acetyl-Salicylate) it first relieves the pain of everyday ailments and then by restoring the alkaline balance corrects the cause when due to excess acid. Alka-Seltzer is pleasant to take, harmless, non-toxic.

Why don't you try it? Get a drink at your drug store soda fountain for a nickel. Buy a package for home use.

The Sunset Glow

BY THE SUNSET CONSOLIDATED SCHOOLS

Editor-in-chief VIRGINIA LANE
Assistant Editor PETE SWANER
Business Manager EDNA HUDSON
Sports Writer HOWARD VOSS
Senior Reporter DRUCILLA WRIN
Junior Reporter LOUISE BURNISON
Sophomore Reporter MARGARET SHANNON
Freshman Reporter FULLER SHANNON

Here is a thought we believe worth passing on to you: "There is a great virtue in sweeping out one's own house and trimming its lamps before starting on the house and lamps of a neighbor, and since new dust settles every day, and lamps, I believe, need constant trimming, I know not whether you were or not. If you did not come to our carnival be sure and come to our ball games Friday night."

When you read this the carnival will be over, but we are working very hard to make it a success, and we wanted all of you to be present whether you were or not. If you did not come to our carnival be sure and come to our ball games Friday night.

HOWARD'S EAGLE CRY

Our third round of the league went over with a bang for Sunset. Both games were in our favor. You missed four-fourths of your life if you missed them.

We will play Weinstet here Friday, November 2nd. Three games as follows:

- Sunset Junior Boys vs. Weinstet Junior Boys.
- Sunset Girls vs. Weinstet Girls.
- Sunset Senior Boys vs. Weinstet Senior Boys.

The season is far enough in season now that all players are in good shape. So come to the Eagle's nest and enjoy some real up-to-date basketball games.

SUNSET 4-H CLUB

The 4-H club girls of the Sunset community met with Miss Jewell Faulstich, the Home Demonstration Agent, for the purpose of organizing or continuing the 4-H club work.

As the work was a great success last year, we intend to make it an again under the following officers: President—Margaret Partridge.

Secretary—Juanita Forehand. Reporter—Margaret Shannon. Last year the Sunset club sent delegates representing Knox County

to the Lubbock Meat Show, the Short Course at College Station and the Dallas Fair. Also some of the products were exhibited at the Haskell Fair.

JUNIOR REPORT

All the Juniors are studying rather hard because it might be best when exams come.

As this was seen through the eyes of Miss Blanton, Lincoln's Gettysburg Address.

Fourscore and seven years ago (say eighty-seven) our fathers brought forth (founded) would be a nation (let's get the name in there big) conceived in liberty (sounds awkward, say "with the idea of freedom") and dedicated to the proposition that all men (we ought to have "women" in there too. There's a lot of women in this country; it's a big field) are created equal.

Now we are engaged in a great civil war (make this the first paragraph—we take too long to get into the story) testing whether that nation (or any other nation so conceived (see above) and so dedicated) can long endure. (Endure what? Make it "last.") We are met (say "have met") on a great battlefield of that war. (Put in the name.) We have come to dedicate a portion of that field as a final resting place (don't beat about the bush—say "cemetery") for those who here gave their lives that that nation might live.

(We are sorry, Mr. Lincoln, but this simply won't do. Take it and think it over and see if you can't give us good, hard-hitting, straight from the shoulder copy.)

A number of girls were discussing their fingernails when Virginia said, "It will be pleasant, too, when girls' fingernails get out of the red."

From all we have heard Jimmie and Elwood must be getting in practice in boxing for the Halloween carnival.

SOPHOMORES

Our treasurer Elizabeth Farr, reports only a small sum in the treasury. She says the reason for this is that it takes all the nickels and dimes to pay library dues, as the fees on over-due books mount up.

It seems as if Juanita Forehand and Juanita Floriken are learning to drive a car; only they take these notions of driving by spells, and at these times they can't seem to concentrate on driving.

Miss Turman asked the question "What are the first two estates?" Lettie Faye answered, "The first and the second."

FRESHMEN

We're really beginning to get interested in this Halloween carnival we're hearing so much about. From all the signs and indications going on around here, "the goblins"'ll get you if you don't watch out."

Mr. Akin: And so remember, boys and girls, sweat every fly you see and that will be millions less before the year is over.

Fay Marie: "Why didn't Noah sweat them two flies on his ark?"

Mr. Akin: "Class is dismissed."

SENIOR REPORT

This week is a very busy week for us. We all have a part in the Carnival. We hope that it will be a big success.

Mother: "J. C., I know thousands of little boys and girls who would be glad to eat that spinach."

J.C.: "Name three of them."

WHY NOT?

If a female duke is a duchess, Would a female spook be a spook?

If a male goose is a gander, Then would a male mouse be a mander?

If the plural of child is children, Would the plural of wild be wildern?

If a number of cows are cattle, Would a number of bows be lastle?

If a man who makes plays is a playwright, Would a man who makes hay be a haywright?

If a person who fails is a failure, Would a person who quails be a qualifier?

If the apple you bite is bitten, Would the battle you fight be bitten?

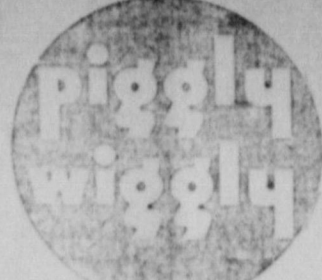

If a young cat is a kitten, Then would a young rat be a ritten?

If a person who spends is a spendthrift, Would a person who lends be a lendthrift?

If drinking too much makes a drunkard, Would smoking too much make a thousand?

But why pile on the confusion? Still I'd like to ask in confusion.

If a chap from New York's a New Yorker, Would a chap from Cork be a Corker?

SOCIETY

Munday Music Club Holds Second Meeting

The Munday Music Club held its second meeting in the home of Mrs. George Sulem, October 28. The subject was "Tan Passin' Play."

Mrs. J. R. Smith gave the "Early History of the Play," Mrs. A.V. Maples "The Inflection of 'Villains' Life," Mrs. D. E. Hubert, "The Origin of the Play," Mrs. Aaron Blanton, "Character Study," Mrs. W. Taylor, "Music of the Play," Mrs. E. Q. Warren of Knox City was the leader.

Each number on the program was intensely interesting and so impressive that each one present felt as if she had really seen the Passion Play at Oberammergau.

The next meeting will be November 22 in the home of Mrs. M. P. Billingsley. —Reporter.

Munday Nite Club in the Pendleton Home

A Halloween motif was suggested in the appointments used Monday evening when the Munday Nite Club met in the Pendleton home with Mr. and Mrs. H. A. Pendleton hosts.

Delicious refreshments of nut pumpkin pie were served to Messrs and Mesdames W. R. Moore, W. H. Chapman, Fred Branch, Tom Haney, J. D. Kethley, R. E. Day, and T. G. Benge.

Saus Soud Club in the Isbell Home

Asters, roses and cosmos were used for decorations Tuesday evening when Mr. and Mrs. Hubert Isbell entertained the Saus Soud Club in their home.

Mr. and Mrs. E. M. Roberts, Jr. held high score.

Apricot chicken pie topped with whipped cream and coffee was served to Messrs and Mesdames Riley B. Harrell, E. J. Roberts, Jr., G. A. Blanton, Ira Bowden and Glenn Mc-Glothlin.

Chas. Foyt, accompanied by Carl Quisenberry of Seymour, made a trip to the Carlsbad Cavern first of the week.

BRUGGEMAN-KUEHLER

On Tuesday morning, October 23, Elizabeth Bruggeman became the bride of Louis Kuehler in a beautiful wedding ceremony in St. Joseph's Church at Edineland, the Rev. P. Benface officiating.

Miss Gertrude Kuehler, sister of the groom, served as the bride's only attendant. She was gowned in Nile green crepe with harmonizing accessories.

Herman Fricke, cousin of the bride, acted as best man.

The bride was attired in a lovely gown of white satin and wore a bridal cap adorned with a wreath of waxed buds. She carried a beautiful bouquet of white chrysanthemums with fern.

The groom and best man were conventional black.

The bride is the daughter of Mr. and Mrs. Phillip Bruggeman and the groom is the son of Mr. and Mrs. Herman Kuehler. Both young people were reared in this community and were favorites among the younger set.

The reception was held at the home of the bride where a large number of guests enjoyed an elaborate dinner and supper.

In the evening the young couple gave a big dance, the music being furnished by the Wichita Falls Aviators.

We join their many friends in wishing them happiness and success throughout their life.

CARD OF THANKS

We wish to express our sincere thanks to our many friends who helped us in any way during the illness and death of our loved one, May God's richest blessings rest upon each and every one of you.

Mrs. C. M. Parson and Babies Mr. and Mrs. W. R. Parson and family.
Mr. and Mrs. Carl Worden and family.

Mr. and Mrs. Joe Warren and granddaughter Jennie Sibyl Warren, have been visiting Mr. and Mrs. H. L. Davis at Midcoff the past ten days. Mrs. Davis is a daughter of Mr. and Mrs. Warren.

Mr. and Mrs. Coy Turgle

These Lost Liberties!

The New York Post: The great hunt for "lost American liberties" is on.

The first hunter to announce his "find" is Colonel Hanford MacNider, former American Legion commander and former Minister to Canada. Diligent searching by the Colonel has produced the following "lost liberties":

"Has not the man forced through necessity to give up his rights to farm his own land as he sees fit lost his liberty?"

"Has not the man who cannot buy even a loaf of bread at a price satisfactory to himself and the grocer lost his liberty?"

"Has not the man who cannot sell his services at his own wage lost his liberty?"

The Colonel has not even touched the surface of our "lost liberties." He's missed most of the important ones. Just to help him we append a few:

The American citizen has lost the liberty to employ children in sweatshops at pitiable wages for long hours.

BATTERY, STARTER
GENERATOR AND
RADIATOR REPAIRING

AND OTHER GOOD FARMS
SMALL CASH PAYMENTS
BALANCE FINANCED
J. C. BORDEN
Real Estate & Insurance

He has lost his liberty to put his money in a bank with little hope of ever getting it out.

He has lost the liberty to palm off worthless stock on his fellow-citizens. He has lost the liberty to rig the market and defraud investors.

And, what must shock Mr. MacNider even worse—the American citizen is rapidly losing his liberty to starve to death.

Mrs. T. R. Smith has returned from Dallas where she went to meet her three sisters who are singing there for a ten-day conference. They are known as the Three Draton Sisters. This was their first meeting in over ten years, the youngest being only six years of age at that time. Mrs. Smith heard them sing their own compositions as well as other selections. Mrs. Smith was accompanied on Dallas by Mr. and Mrs. D. T. Holder of Wichita Falls, relatives of Mrs. Smith.

Licensed Operator OF THE Super High-Tone CLEANING SYSTEM the Last Word in Dry Cleaning

Positively Odorless... No Shrinkage... No Fading Brightens Colors

This system consists of a pressure method by which cleansing fluids are forced in and out of the cleansing machine at the rate of 1000 gallons per hour, and outgoing fluid is thoroughly purified and is as clear as crystal when it returns to the machine, hence all clothing is cleaned in crystal-clear fluid.

We have also installed a drying machine that will remove all lint from clothing and turns out fur-trimmed coats and woolen garments fluffy and with all the original beauty restored, eliminating that dull, mashed appearance.

The new machines place our plant in a position to serve you as efficiently as modern dry cleaning methods have developed, and we place this service at your disposal at no additional cost to you, and we respectfully ask that you avail yourself of the modern service we are in a position to render.

Boy Pursues Ancient Sport of "Falconry"

LOS ANGELES... O. E. Cannon (above), is reviving a sport of "ye goede olde dages" known as falconry, the sport of kings. He is shown here with "Ethel," a trained Cooper's hawk falcon which he captured in Mexico. Cannon takes "Ethel" on hunting expeditions for rabbits, chipmunks and other small animals.

Every one of them said that cash diamonds are really double what had ever been in their memory. They were three or four years ago, went to New York and met a circle of business men whom I know well. Both reported that business was good...

As I write this I have just come from lunching with another business man. He gave it as his opinion that people are "baited" the depression was a year then at any previous time. These folk are going to get their money because they have come to the end of their resources. They cannot do any thing longer, they have no money left with which to buy.

I have a distinct feeling that, perhaps, in or out of Government, has yet put the finger upon the weak spot in our economic system which makes it possible for such conditions to continue.

SECURITY... "clear" real estate. The only people, men or women, who are in a secure position today are the ones who own money and who have some means of income not dependent upon the daily turnover of trade. These are the self-sustaining farmers of whom there are many.

I have one friend whose property consists of real estate in a large western city. His grandfather founded the fortune which his father conserved and which has now come under his management as trustee for all the heirs. The policy laid down by the founder of the fortune was never to borrow a cent, never mortgage a piece of property. If the rents were not enough to live on, cut down personal living expenses but don't impair the capital by selling a sou of it.

My friend has been accustomed to spending a hundred thousand a year or more. Now he is living at the rate of about \$12,000 a year. But every piece of property he owns is rented, although what the tenants or so tenants can pay is not much more than enough to pay the taxes and upkeep. The property still stands, however, and some day prosperity will return and rents will go up again.

Real estate comes the nearest to offering security of anything I know of. But not when it is mortgaged.

INVESTMENTS... diamonds. I talked the other day with the diamond expert of America's most famous jewelry house. He told me...

CASH... it's scarce. The other day I talked with five or six of my country neighbors in the course of one Saturday evening.

The West Texas Utilities Company has had a number of salesmen here the past week doing special work. The following were among those working: R. J. Hawk, Odie Clooninger, C. E. Rappe of Vernon and Ray Clayton and Artie Reynolds of Quanah, Texas.

R. D. Tarpen dropped in Tuesday and ordered his 9-47 changed to 31-Allen, Texas, stating that he was leaving for the valley Thursday morning, where he will operate a tourist camp, and the many friends of the family over the Munday country will join us in wishing for them a full measure of success in their new home.

SENATOR ONEAL

(Continued from Page One)

munication contains this statement, following the figures he gave: "We think this clearly demonstrates that under the classification law, the burden of taxation has been lifted from real estate and placed upon that class of property which existed, but was not listed for taxation prior to the classification law."

Nineteen of the states of the Union are now successfully using the classification law. Lack of space prevents my giving more of them.

This is the opportunity for the tax payers now bearing an unjust part of the tax burden to give the Legislature the power to relieve them by spreading the tax burden to property now escaping.

If this amendment is not adopted, I am firmly convinced that a most determined effort will be made to saddle on the people a heavy sales tax.

AGAIN I URGE THE VOTERS TO VOTE FOR THE PROPOSED PROPERTY CLASSIFYING CONSTITUTIONAL AMENDMENT. IT WILL APPEAR AS AMENDMENT 1 ON THE BALLOT NEXT TUESDAY.

BEN G. ONEAL.

Visit our Market and give us a trial.

Carl Edwards of Paonia, Colorado, is here visiting in the home of his sister, Mrs. G. R. Elland.

Stanley McCarty has returned to Munday from Edcouch, and will be associated with his father, W. W. McCarty in the jewelry repair business. Stanley is a graduate of the Bradley Technical College of Chicago, and has been engaged in the repair business for the past several years.

Louis Cartwright has our sincere thanks for a renewal to the Times and also the Fort Worth Star Telegram. Our clubbing rate saves the subscriber 50-cents on the two and many of our subscribers, like Mr. Cartwright, take advantage of the combination rate each year.

C. B. Sexton, came in Monday and ordered his Munday Times changed from Munday to Palacios, Texas, where the family is moving this week, and where Mr. Sexton will engage in farming and they will keep informed on the happenings of the Munday country through the columns of the Times.

Judge D. C. Osborne has returned from Fort Worth, where he attended the state convention of County Judges and Commissioners association, and he reports a very enjoyable time despite the fact that he is just recovering from a recent illness, and he states that he is gaining strength daily and is feeling fine.

EXTRA! Good service, courteous workmen, ladies' and children's hair cutting given special attention. Expert Massages and Scalp Treatments. McCARTY'S BARBER SHOP

TODAY AND TOMORROW... (Continued from Page One) I have to smile, though somewhat sadly, at the numerous peace movements among well-meaning persons who haven't the remotest notion of the causes of war. Ladies' sewing societies adopting resolutions against war will never bring peace.

PEACE... resolutions. I have to smile, though somewhat sadly, at the numerous peace movements among well-meaning persons who haven't the remotest notion of the causes of war. Ladies' sewing societies adopting resolutions against war will never bring peace.

I do not expect to live to see the last threat against the world's peace removed. My great-grandchildren, if such there be, will not see it. Meanwhile, peace societies will continue resolving but wise statesmen will be preparing for war in time of peace.

MORALS... then and now. I am not one of those who believe that the moral standards of the human race is deteriorating. I don't know that I would say they are improving, but when by and large, I think there is little difference between morals of 1934 and those of the period of my own adolescence, say 1884.

The principle difference is that people talk and write more about breaches of morals than they used to in the days when such things were not discussed in public. Boys and girls behave about the same as they used to, and I think about the only difference is that there is less parental restraint. There are more divorces, true, but that doesn't signify that there weren't as many grounds for divorce fifty years ago as now. It is simply that it is no longer regarded as disgraceful to be divorced.

Just now many things are done and exploited publicly that used to be regarded as strictly private affairs. The pendulum will swing back, as it has many times in the course of history, and we shall see another era of hushing up morals lapses instead of magnifying or glorifying them.

CASH... it's scarce. The other day I talked with five or six of my country neighbors in the course of one Saturday evening.
