## SANTA IS COMING TO MUNDAY

### New Turkey Market Open

Opening Price Is 14 Cents For Munday  
MARKET CLOSING ON CHRISTMAS

### New Crop Should Better Past Marketing

The Christmas turkey market opened in this city last Monday morning with produce men paying 14 cents. However, local produce men are not expecting many birds to be placed on the market before this week end.

With a fair movement of turkeys in the Munday area during the Thanksgiving market, local buyers are expecting a larger volume of business from now until Christmas Day. Only an estimated 3,000 birds were sold on the Thanksgiving market.

R. D. Atkinson, manager of the Atkinson Produce in this city predicted the 3,000 sold on the previous market would be surpassed during the present selling period.

Quality of the first crop was average during November, Atkinson stated, but he believed that many of the farmers will have their entire flocks fattened for the December market.

Many farmers reported in November that they would not have their birds in readiness for market until Christmas.

It was estimated that \$6,000 was paid to farmers in November for turkeys and it is believed that from \$7,000 to \$8,000 will be derived from the December crop.

### Ten Moguls Are Awarded Football Letters For '37

Coach Howard Cobb announced the lettermen for the 1937 Mogul gridiron warriors this week. Ten local boys were awarded letters for their work.

Those receiving letters were Captain J. B. Pollack, John Phillips, Joe Albertson, Billy Lowrance, Orville Matlock, James Carden, Hollis Barnicoat, Jack Pippin, Winston Blacklock, and L. B. Patterson.

Men who completed their football careers for Munday high school this season are John Phillips, James Carden, Joe Albertson, Hollis Barnicoat and J. B. Pollack.

Considered one of the best linemen in the team this year was Iasy Mankovsky, who came here too late to play enough to qualify for a letter. Iasy has another year of eligibility and is expected to be one of the outstanding linemen in this area.

Five lettermen and several squadmen will be back next fall to form the ground work for another eleven. Several junior boys, most of them husky for Juniors are expected to bosom out and carry on Mogul colors to bigger things.

Coach Cobb is to be congratulated for the fine success enjoyed this year. Handicapped by infirmity, injuries and other conflicting matters, he performed something of a miracle in compiling the record made this year.

Their record against class B competition was more impressive than their record against class C teams. Holding Seymour to a 7 point win and stopping Stamford, B conference champs for nearly four quarters before bowing 6-0 and pinning a 12-6 defeat on Hamlin, makes the bright side of the Mogul record. They won three, lost four and tied one.

### Attend Funeral Of Hassen Youth

Mr. and Mrs. George Salem left Tuesday morning for Moran, Texas to attend the funeral of Hanie Hassen, nephew, who died Monday night at the home of his parents.

The son of Mr. and Mrs. F. N. Hassen, former residents of this city, the youth was 9 years of age at death. Funeral services were held at Moran Tuesday afternoon.

Bill Billingsley, son of Mr. and Mrs. M. F. Billingsley has been visiting in the home of his parents here.

### BAPTIST SUNDAY SCHOOL TO OPEN REVIVAL SUNDAY

REV. HARVEY NELSON, DALLAS, WILL BE IN CHARGE IN THE CAMPAIGN

The Sunday School department of the First Baptist Church of Munday will begin a series of meetings to be held each night to re-organize the school, J. E. Reeves, superintendent announced this week.

Rev. Harvey Nelson, First Baptist church pastor of Dallas, will have charge of the reorganization of the local Sunday School.

Rev. Nelson will deliver the morning preaching service at the church and will have charge each night throughout the week of services. The meeting will close Sunday night, December 19, Reeves stated.

Those participating will study a book on Sunday School and church work. A religious census will also be taken in the city during the weeks campaign.

Services will be dismissed next Sunday night in order that the congregation may attend the Cantata to be presented by the Munday Choral Club.

### Former County Resident Dies Sunday Evening

Mrs. J. A. King, former resident of Knox county died at her home in Gorman, Texas, last Sunday evening at 5:50 p.m.

Deceased was 82 years, 7 months and 16 days old and had resided in this county from 1901 until 1934, at which time she moved to Gorman.

Funeral services were conducted at the First Baptist church in Vera Monday afternoon at 3 o'clock, with the Rev. John Evans, pastor, officiating. Burial was made in the Vera cemetery.

Survivors include two daughters, Mrs. R. C. Spinks, Sr., of Vera, and Mrs. R. L. Horn, Gorman, Texas, one son, Will Johnson, Bellvue, Texas. R. C. Spinks, Jr., of this city was a grandson of the deceased.

### Weinert Over Top in Drive

Weinert went over the top in their annual Red Cross drive closed Thanksgiving Day, it was reported this paper.

With their quota set at \$50, the town of Weinert secured subscriptions totaling \$65 for the Red Cross drive. School children conducted the drive in that city.

A. J. Malouf, merchant of Knox City, was attending to business in this city Saturday afternoon.

### Charles Daniel Garrett Succumbed To Brain Tumor Last Friday; Burial Held At Winters Cemetery Saturday

Charles Daniel Garrett, son of Mr. and Mrs. A. P. Garrett of the Sunset community, succumbed to an 18 months illness caused by the ravages of brain tumor at his parents home last Friday morning at 6:45 a.m.

The youth, popular in the Sunset community, was born August 12, 1924 at Abilene, Texas. He was 13 years, 3 months and 21 days old at time of death, and for the past three years had resided with his parents in the Sunset community.

Funeral services were conducted from the First Methodist church of Munday with the Reverend H. A. Longino, pastor, officiating. The services were held at 10 a.m. Saturday morning, and the body was taken overland to Winters, Texas, for interment in the Winters cemetery by the Mahan Funeral Home. A brief service was conducted at the grave. All arrangements were placed in charge of the Mahan Funeral Home.

Palbearers were Roe Myers, T. W. Harber, R. C. Partridge, I. M. Walling, W. C. Kimbrough and Clyde Russell.

Honorary palbearers were N. T. Underwood, J. W. Bigony, Robert Walling, Alvie Russell, Reg Wall-

### Annual American Legion Drive Is Expected to Read Sixty; Teams Have Passed Quota Set At Forty

Fifty-Five Members Added to Lowry Post Here

The annual membership drive of the Lowry American Legion Post of Munday was still breaking all previous records it was disclosed here first of the week.

The drive, headed by Captains Lee Haynes and Buel Bowden, was started with a quota of 40 memberships, which was reached in the later part of November.

First report given out by the two captains showed that 49 members had paid in their dues and the second report, given out this week, showed 54 members.

Jim Reeves, new commander of the local post, is still of the opinion that the total membership will be boosted to 60 members by close of the drive, December 14.

The team coming up with the least number of memberships will be hosts to the winner at a big feed at the Legion Hut. Impetus to the drive is expected as the closing date draws near.

Survivors include the parents, Mr. and Mrs. A. P. Garrett, one sister, Dorothy, and Mrs. A. P. Garrett, Sr., grandmother, Wingo, Texas, and John McKenzie, grandfather, of Odessa, Texas.

Aunts and uncles surviving are Mr. and Mrs. W. H. Chapman, former Munday residents, Odessa; Mr. and Mrs. R. H. Porter, San Antonio, Texas; Mr. and Mrs. Lonnie Hancock, Wingo, Texas; and Mr. and Mrs. P. H. Garrett, of Menard, Texas; cousins are Mr. and Mrs. Earl M. Holt, Abilene, Texas.

### Two Persons Get Theatre Tickets

The Munday Times again reminds its readers that they are inviting two persons to be their guests at the Roxy Theatre next Sunday or Monday.

Showing, is the new picture, "The Awful Truth," co-starring Irene Dunn and Cary Grant. The production is one of the new releases.

### Larger Office For Mill Here

Larger office quarters were being made available for the Graham Mill and Elevator company here last week, Jack Mayes manager of the local office announced.

### City Schools Close 17th

#### LOCAL SCHOOLS WILL CLOSE FOR 17 DAY PERIOD

Friday, December 17 Set As Closing Day Here

Munday High School students will be given a longer vacation period than usual during Christmas Holidays, it was announced this week by Superintendent of Schools, J. H. Bass.

The schools will shut down Friday, December 17, and will remain closed until Monday morning, January 3, Bass reported. The shutdown period will be for 10 days.

Length of holidays in the rural schools of this area will vary, some not getting as much as others, due to the long closing period during the cotton gathering rush.

Sunset will be closed the same period of time as Munday, in spite of the long lay-off during cotton-picking, Superintendent T. W. Harber announced.

#### Operetta Will Be Presented Friday Tomorrow Evening

The first and second grades of the Munday Elementary school system will present an operetta, entitled "In Doll Land," Friday evening, December 10, at the auditorium of the elementary school building at 7:30 o'clock.

Synopsis of the opera is based on the dream of two little girls. The two tiny tots have been placed in a dark closet for punishment, go to sleep and dream they are taken to doll land. Their interesting experiences in doll land make an interesting spectacle.

The public is cordially invited, and there will be no admission charge. L. M. Palmer, grade school principal, announced.

#### Expenditure Of WPA Funds For County Are Up

Expenditures of the WPA in Knox county during the past two years totaled \$132,839, it was reported this week from the regional offices at Fort Worth for this area.

Funds raised to match the WPA money totaled \$37,908, the report stated further.

Total expenditure of the 21 counties served by the Fort Worth office during the two year period totaled \$12,327,221. While the sub-political divisions spent \$2,696,933, or 28 per cent of the total spent by the WPA.

Included in the Knox county WPA program was the new elementary school building built in Munday last year.

#### 15 SHOPPING DAYS LEFT

#### 15 SHOPPING DAYS LEFT FOR GIFT PURCHASES

#### Postal Clerks Ask Cooperation Of Citizens

With only eight days left for Christmas shopping local merchants were making final preparations to care for the annual buying spurge of shoppers.

Merchants of Munday report an unusually heavy buying campaign by consumers of the large Munday trade area, and is expected to take part of the strain off the annual Christmas rush.

Postmaster Lee Haynes urged that patrons who will mail Christmas packages to do so as early as possible as the rush in the mails is already heavy and will probably increase greatly within the next few days.

Early mailing assures delivery by Christmas, Haynes stated.

With several business houses decorating their stores daily both inside and front and the street lighting sponsored by the Chamber of Commerce, Munday presents a beautiful spectacle to visitors and shoppers in the city.

The wise shopper will save time and money by shopping the advertisements appearing in the Munday Times. Every conceivable gift for any member of the family can be secured by reading local merchants display advertising in this paper.

#### Fair Store To Start Selling Event Friday

The Fair Store, of this city, will open its doors Friday morning, December 10, for the biggest selling event sponsored by that firm in several years. George Salem, proprietor, stated today.

A large double page circular, printed by the Times commercial printing department, has been mailed this week to consumers of the Munday trade area.

Merchandise has been marked down, Salem stated and will include a large array of staple Christmas goods, along with regular merchandise.

#### Send Us Your Santa Letters

Hey! Kiddies! Write your letters to Santa Claus, care of The Munday Times. We will print your letters to him before Christmas morning, so he will know what you want.

We already have received letters to Santa, but we want yours. Send them now.

#### MUNDAY C. OF C. ANNUAL TREE TO DRAW HUNDREDS

All Kiddies of the Munday Area Invited  
CANDIES, TOYS WILL BE GIVEN  
Over 1,000 Toys Are Ready for Distribution

Old Saint Nick will visit in Munday, Friday, December 24th, and be present at the annual Chamber of Commerce Christmas tree to be held at the corner of the City Hall.

All kiddies of Munday and the Munday trade area are invited to be here for the affair as guests of the local Chamber of Commerce organization, Mrs. Louise Ingram, secretary, stated. Negro children will also be included in the event and will receive presents at the close of the program.

Bags of candies and toys will be given the children present and it is possible that fruit will be included with the candies.

Tom Bengt, president of the organization stated that over 1,000 toys had been received from Santa's headquarters to be distributed. Automobiles, airplanes, huggies and horns, music boxes and dolls will be included in the gifts.

Santa Claus will arrive at 1:00 p.m. and will remain until all the kiddies have received their toys and everybody is made happy, then the cheerful old fellow will set off to get ready for his big round the world trip Christmas night.

#### MOGULS BEATEN BY BOMARTON IN TWO TIFFS HERE

The Mogul basketball team displayed a better brand of ball in their game with Bomarton Tuesday night on the local court, with the invaders winning by a spurt in the final period.

Trailing throughout the game, the heretofore impotent Warriors came to life and battled the Bomarton crew to a standstill. It was the final game of the Brazos valley conference, inaugurated before the close of the football season by Munday and several small county schools.

Lanky Haynie, center, led the offensive with 19 points for the locals. Thurman starred for Bomarton, Final score was 24-30.

The Palmer coached Munday junior quintet lost a thriller to Bomarton 9-11 in a circuit game. Blacklock led his mates during the game for Munday with his stellar defensive work. Munday threatened the Bomarton lads leads in the fourth period, but they stiffened enough to eke out the win.

The junior girls volley ball team won seven games from the Rochester their undefeated standing. keep their undefeated standing.

#### Final Judging Of Cotton For 4-H Boys Here

County Agent W. W. Rice this week urged all members of 4-H clubs who are participating in the county-wide cotton growing project to be sure to save samples of their staples.

The final judging of the contest to determine winners for the cash prizes offered by the winners of Knox county will be held in this city Monday, December 20.

A total of \$100.00 has been posted by the county winners to be awarded to winners of the contest, set as the closing date of the event, November 19, had been originally but as only about half of the contestants were present and had their samples ready date was postponed by a unanimous vote of the boys present at the first judging.

## Another Step Forward

Highly pleasing to the business men and citizens of Munday was the announcement released last week by the local board of trustees that that body would promote a higher type of athletic program in the local school system next year.

Expressed by business men as a glaring need, a stronger football team, playing class B competition, instead of the lowly class C, is regarded as a step forward for the school system.

Some persons may have arrived to the opinion that in stating they would secure a new coach, the board of trustees intended to let Howard Cobb out of the school system. Such is not true and was intimated in any manner to this publication. Cobb will be retained as an instructor and possibly work in the capacity of assistant coach. The story that appeared in last week's Times headed "New Deal For Munday Grid Team in 1938," was not taken from a report given by Dr. Bass, school superintendent, but was given out by the board of trustees.

The Munday Lions club is working with the board of trustees in the movement, and as the Lions club instigated the movement for better athletic teams they will probably undertake the lighting of the local grid field.

## Let's Aid Farm Youth

Business men and school patrons are more and more becoming aware of the need of vocational agriculture in the local school system.

The untiring efforts of W. W. Rice, county agent, in working with the 4-H clubs of this county and in the Munday district, is bringing to light the startling effects brought about in our farm youth by this movement.

It fits them better for future farming and will indirectly make Munday a better city, in that Munday depends entirely on farming for livelihood. In fact, without farming, we are lost in this community.

Local men are becoming interested in the vocational agriculture idea and have already taken part

in 4-H work, by assisting local farm youth in projects. Under way now is the calf feeding project, the cotton growing project and better poultry movement. Realizing the need for vocational agriculture in the high schools of the nation, Congress enacted laws allowing one fourth of the salary to be paid by the state and out fourth by the federal government for services of a vocational agriculture instructor.

Should Munday secure such an instructor in their school system it will make this city the farm center of Knox county and Munday would automatically become the show place for all farm exhibits. Munday, the largest city in the county should lead the way for every community in Knox county.

## Driver Under Control

(Fort Worth Star-Telegram)

Accompanying the Fall report of the State Department of Public Safety showing 1,241 traffic deaths and 9,784 injured since January 1, Col. H. H. Carmichael, department director, declared that four-fifths of the crashes were due to excessive speed on the highway.

Where the danger comes in at excessive speeds is when the driver must be the controlling factor for safety. When he sees an object on the road, a curve or other traffic hazard, the driver then must act. This has been described as driver reaction, which at high speed must be practically instantaneous reflex movements almost before the mind takes in the situation fully.

Therefore the motorist for his own life primarily must never let himself get into a spot on the highways where he is not sure that he can extricate himself. In other words, the safety problem is primarily keeping the driver more than the car under control. Colonel Carmichael's findings on the danger of speed are supported by statements in safety campaigns currently conducted by many national magazines.

**IT IS ALRIGHT TO BE A LOUDSPEAKER, IF YOU TALK—BUILD MUNDAY**

The Sunday schools of the local churches are stressing larger enrollments and are increasing in attendance each Sunday. You are expected in Sunday school next Sunday at one of the local churches.

## PRECAUTION AGAINST FIRE HAZARDS

Local fire chief, Clint Hawes, and state fire marshal headquarters urged precaution against fire during the Christmas holidays.

Materials used to decorate Christmas trees are, in most instances, highly inflammable, and for that reason, utmost precaution is urged in homes and business houses to prevent fire. We repeat again a statement made by Hawes recently, "we had rather prevent a fire than fight one."

full pension of \$30 for every person over 65 regardless of need. Various possible candidates had representatives there trying to line up the old folk's vote.

The amusing thing is that with one exception none of the talked-of candidates have made any public statement as to whether they favor pensions for everybody, or for the needy only. The meeting broke up without any candidate securing an endorsement, but with the understanding that one would be endorsed later on.

Now everybody is interested one way or the other. Whether we favor pensions for everyone, or for the needy only, we ought to know just where these candidates stand. Certainly no secret commitments or promises should be acceptable to even those who favor pensions for everybody.

We don't know yet, of course, just who will be candidate for governor. Several months are still ahead before the time expires for announcements, but the point is that none of us ought to tie ourselves up to any candidate until we have some open public statements as to their views not only on this important question but on many others.

Many people, for instance, on both sides of the question, would like to know the platform of each candidate on sale of liquor by the drink; on the general sales tax; on taxing oil and other natural resources; on an income tax; on a one-house legislature; on the race track gambling law; and on law enforcement.

## Single House Is Backed By Gerald Mann

Marshall Dec. 3—That the much-debated question of unicameral legislation may become a major campaign issue in next year's Democratic primaries was indicated here Thursday when former Secretary of State Gerald C. Mann of Dallas proposed that Texas follow the example of Nebraska in adopting a one-house law-making system. Speaking before the Marshall Rotary Club Thursday, Mann declared Texas will never have efficient state government until its antiquated "patch-quilt" Constitution has been scrapped.

"We need a new stream-lined Legislature that will travel farther with less gas, fewer punctures and no blowouts," he said. As state Democratic committee man from Dallas county Mann long has advocated modernization of the Texas Constitution. Should he decide to make the race for Attorney General next year his stand for a one-house Legislature would be of singular interest.

**Checks and Balances**  
 "You talk of checks and balances. Our bicameral system does just the opposite. There is no check. There is no balance. There is too much buck passing. The House member says: 'That's O.K. They will correct it in the Senate.' The Senator says: 'Let it go. It will have to be written in conference any way.' And in the conference committee almost every piece of important legislation is written by a committee struggling desperately

in the final hours of a session. Sometimes a new bill is written and sent back to both houses to be accepted or rejected without amendment. Here we have a committee with unlimited powers composed of very few members writing out important legislation, a committee hand picked, not by the people, but by the speaker of the House, and the lieutenant governor whose interest may be inimical to the interest of the majority. Where is the check? Where is the balance? The lobbyists get the check. The people get the balance."

## Cox Urges Care Of Communicable Children Disease

Austin, Texas, Dec. 9.—"It is a great mistake to treat even light cases of measles, chickenpox, mumps, scarlet fever, or any other of the communicable diseases of childhood as though they did not amount to much," states Dr. Geo. W. Cox, State Health Officer. "Treatment of that sort makes it possible for these diseases to spread and cause serious outbreaks among children whose impaired resistance makes them easy victims to any form of infection."

"Some of the most serious outbreaks we have had of scarlet fever, as well as of other diseases in different parts of the State, have been traced to mild cases—that is, to cases too light for the doctor to be called. In some instances the children have continued to go to school and to associate and play with other children. In others, after they have been kept at home for a few days suffering from what was believed to be just an ordinary cold, they have returned to school and scattered germs around among their schoolmates. Eventually a group of cases—sometimes very serious ones—have developed from the carelessly handled mild case. The result was another epidemic that could have been prevented."

There are several things worth remembering in connection with children's diseases. Nearly all of these diseases begin with a digestive upset or with symptoms closely resembling those of the common cold. Accordingly, it is a wise thing for mothers to regard every digestive upset and every common cold with suspicion until you are sure it is not the beginning of something more serious. Your doctor is the best judge of the seriousness of such symptoms and you will save suffering and anxiety if you put the child to bed, send for your doctor and follow his advice.

**STANDARD FORD V-8 . . . 112" wheelbase; 85 or 60 horsepower engine; Improved Easy-Action Safety Brakes; Center-Poise Ride; All-steel body; Broadcloth or Mohair upholstery; Mohair extra in "60"; Mahogany-finished trim; One tail light, sun visor; Twin horns; 3 body types; 3 colors.**

**F**ORD offers two new cars for 1938—the Standard Ford V-8 and the De Luxe Ford V-8. They are different in appearance—but built to the same high standard of mechanical excellence—on the same chassis.

Because people liked our 1937 car so well, they bought more than of any other make. They liked its looks, its smooth performance, and the way it handled. We have improved on that car in the newly styled Standard Ford V-8.

But some folks wanted still more size and style, with the same Ford advantages. For them, we designed a new De Luxe line.

The De Luxe Ford V-8 Sedans are longer with more room, larger luggage space, and finer appointments all around.

De Luxe cars are equipped with the 85-horsepower engine only.

The Standard is even lower priced than the De Luxe. It has graceful new lines and well-tailored interiors—with a choice of engine sizes—85 or 60 horsepower.

Before Ford made V-type 8-cylinder engines available to every one, they were used only in expensive cars. Since then, four million Ford owners have learned the genuine enjoyment of driving an eight-cylinder car with all-around economy. The thrifty "60" engine, especially, makes possible in Standard models a very low first cost and equally low operating cost. With two distinct designs, two engine sizes and two price ranges, you'll find a 1938 Ford car to fit your needs exactly.

**PRICES FOR CARS DELIVERED IN DETROIT—TAXES EXTRA**

Standard Ford V-8 (60 hp.)—Coupe, \$599; Tudor, \$644; Fordor, \$689. Standard Ford V-8 (85 hp.)—Coupe, \$629; Tudor, \$669; Fordor, \$714. De Luxe Ford V-8 (85 hp. only)—Coupe, \$689; Tudor, \$729; Fordor, \$774; Convertible Coupe, \$774; Club Coupe, \$749; Convertible Club Coupe, \$804; Phaeton, \$824; Convertible Sedan, \$904.

Standard and De Luxe cars equipped with bumpers, bumper guards, spare wheel, tire, tube, tire lock and hand, cigar lighter, twin horns, and headlight beam indicator on instrument panel, at no extra charge.

In addition, De Luxe cars are equipped with extra tail light, windshield wiper, sun visor; also de Luxe steering wheel, glove compartment lock, clock, and chrome wheel hands, at no extra charge.

We Now Present

# Two New Ford V-8 Cars For 1938

Here's what we believe is the biggest automobile news of the year—TWO new Ford V-8 cars for 1938. Two distinctive lines, differing entirely in appearance, body size and other important features. Lucille Petrus Named President Of Junior Class

The Thanksgiving holiday had a great effect on the Juniors Friday morning, when they returned to school. We got along fairly well in our geometry, considering that "it was the morning after the night before." Yes, we are hoping for another holiday soon. Tuesday morning the Juniors elected their class officers. They are as follows:  
President, Lucille Petrus.  
Vice President, Angeline Decker.  
Sec.-Treas., Bertha Stengel.  
The Junior girls are very proud of their new volleyball and net, which they received during the past week.

Sophomores Report Start of Volley Ball Practice

Examinations are here, but that doesn't seem to affect the Sophomores. Although they are studying more than usual they are still happy and cheerful. Volleyball practice is under way, and we hope that we will soon have a team that we may well be proud of. Regina and Helen have quite a few things in common. They both have dark hair, they both like to pick on their classmates and friends and they both complain about literature being too deep for them to understand. Why, Helen says she's even too green to burn! Dorothy says equilibrium is something in your ears. Freshmen, we know you are having a hard time with your Science. Don't lose your grip. GRADE SCHOOL NEWS

The sixth and seventh grades have been pleased to have Miss Albus as teacher for some of their subjects. For the past few days many of the pupils were thinking that pulling was easier than the mental work for examinations. This sentence taken from one pupils work gives a new meaning to the word "perish." "All the people who go to church will perish."

Senior Students Elect Officers

The Seniors held a class meeting last week and the following officers were elected:  
Rose Ann Kreitz, President.  
Gerald Stengel, vice-president.  
Alphonse Kuhler, sec-treas.  
Pink and white were chosen class colors and "Tonight We Launch, Where Shall We Anchor?" was selected as our class motto.

Miss Lois Spragzins, Home Economics teacher, spent the holidays in Lubbock. She reported that she saw a grand football game; and also a cute little house.  
Mr. Kimbrough, wife and child, spent Thanksgiving at his home, in Buffalo Springs, Texas. He reports a trailer accident, though no damage was done except to his car.  
Mr. and Mrs. E. G. Parkehill and family spent the holidays "riding over Texas." They visited in the Valley, on the Coast, and other places of interest.  
Mr. and Mrs. Jack Krause and Mr. and Mrs. Holbrook all of Fort Worth, visited Mr. and Mrs. R. C. Partridge.  
Miss Mary Helen Partridge, who was spending her holidays at home, visited school Monday morning.  
Mr. and Mrs. N. T. Underwood left last Wednesday evening and went to visit their parents in Brownwood and Paint Rock.  
Miss Virginia Curry went to her home at Rule for Thanksgiving.  
Miss Exa Payne Houston and Mrs. Ottis Cash visited their sister in Truscott Thanksgiving.

CHURCH NEWS

EDITORIAL  
It is fitting that once each year the attention of the nation should be focused on the Bible. The Governor endorses Universal Bible Sunday to be observed in the churches of the land on December 12. Whatever one's shade of religious belief he is bound to pay his respect to the Bible. On the Bible all branches of the Christian church unite. The 10 Testament comprises the Sacred Scriptures of the Jews. The Bible was the chief book of the fathers of our country. Out of its teachings grew our schools, our colleges, the customs of our courts and the notable humanitarian enterprises that mark our nation's life. It is inextricably woven into our literature. Its phrases form the title of our most popular books. The Bible has outlived all other books. Emerging from a hoary antiquity it is today the world's best seller. Written in languages long dead it has been preserved in its entirety in 174 other tongues and has been in part translated into over 800 more. The vigor with which it is finding its way into the languages of the race is not abating, for, according to the American Bible Society, some portion of the Scriptures is appearing in a new tongue at the rate of one every four or five weeks.  
This is a phenomenon without parallel in literary history and

should give pause to every serious student of our nation's life and the life of the world. No man can consider himself well-posted who does not know this book. Though a volume of more than a thousand pages it can be brought for a few cents. Do you own a Bible? Do you read it?

FIRST BAPTIST CHURCH  
Next Sunday morning we are beginning an intensive Sunday school revival under the leadership of Rev. Harvey Nelson of Dallas. He comes highly recommended, knows Sunday school work, and will have something of interest to all ages. We are anxious to have the cooperation and help of every member in the church. If you are interested in the church and the Lord's work come and help put over a program for a better and more far-reaching Teaching Section to everyone who can and will to be in these services. Meetings each night throughout the week, except Saturday, at 7:30. If you are a teacher of officer in the Sunday School, we are expecting you to make every possible effort to be in these services, lending your support, cooperation, and efforts. There will be no preaching Sunday evening on account of the Christmas Cantata rendered by the Music Club at the Grammar School Auditorium.  
W. H. Albertson

METHODIST CHURCH

Those present at the services last Sunday were highly pleased with the results. There certainly was food enough for every one present and just lots put back in the baskets. We appreciated having the Hood people with us in body, as well as others who had not been in services for some time. Mr. A. J. Bunts was back in services again to the delight of his old friends. That's the spirit, let's just keep it up.  
The organization of the years work is getting well under way and there is a spirit to tackle the job that awaits us. People are responding to the "Budget Method" of financing the work of the church and ere long there will be subscriptions to cover the entire needs for the year. By each one responding when seen by the Stewards the "big drive" usually had at the end of the year will be eliminated. Well founded plans are being worked out for other interesting occasions in all phases of the church activities.

Kipling's poem entitled "IF," one verse seems to portray this superb truth.  
"If you can talk with crowds and keep your virtue,  
Or walk with Kings—nor lose your common touch,  
If neither foes nor loving friends can hurt you,  
If all men count with you, but none too much;  
If you can fill the unforgiving minute  
With sixty seconds worth of distance run,  
Your's is the Earth and everything that's in it,  
And—what is more—you'll be a Man, my son!"  
The Sunday evening services are called in, to attend the Cantata held at the Elementary School Building at 7:30. The Choral Club of town has worked faithfully and will appreciate the general public's attending this program. There are no charges.

THIS CAKE TRAVELLED 422 MILES TO WIN A BET

WHEN pretty Loretta White (now Mrs. C. P. Jaeger) returned to her home in Chicago after a honeymoon in Bermuda, a friend wagered the seven-weeks bride that she couldn't bake a perfect cake. Even if she had been much too busy with radio work before her marriage to try out her skill in the kitchen, the new Mrs. Jaeger was determined to make a good cake. She persuaded her husband to drive her to Minneapolis...

Time: Bake 30 to 35 minutes. Temperature: 350° F., moderate oven. Size of Pans: Two 8-inch layer pans for thick layers; two 9-inch layer pans for layers of medium thickness. Note: To measure brown sugar, pack it down well in measuring cup. Brown Sugar Marshmallow Nut Icing 2 cups brown sugar 1/2 cup milk 1/2 cup butter 12 marshmallows (cut in small pieces) 1/2 cup chopped nuts Method Boil sugar and milk together slowly without stirring until mixture forms a soft ball when dropped into cold water (222° F.). (Keep pan covered during first 3 minutes to prevent crystals forming on sides of pan.) Remove from heat. Add butter and marshmallows. When butter and marshmallows have melted and mixture is cool, beat until creamy. Add nuts. Continue beating until icing is of right consistency to spread smoothly on cake. Note: If the icing seems to stiffen too quickly, thin it a bit with cream or warm water. Carefully add only 1/2 tsp. at a time—to avoid making icing too runny to handle.

Method Cream shortening, add sugar gradually, and cream thoroughly. Blend in well beaten eggs. Sift flour once before measuring. Sift flour, soda and salt together and add to creamed mixture alternately with the sour milk and water. Blend in melted chocolate and vanilla. Pour into well greased and floured cake pans. Bake. When cool, spread Brown Sugar Marshmallow Nut Icing between layers and over top and sides of cake.

WARNING ISSUED BY STATE FIRE MARSHAL OF HAZARDS CAUSED BY HIGHLY INFLAMMABLE DECORATIONS

List of "Don'ts" is Given Out From Office

Austin, Dec. 16.—Marvin Hall, Texas fire insurance commissioner today called attention to the number of unusual fire hazards which should be guarded against during the festivities of the approaching holiday season. "A destructive fire is the sworn enemy of the peace and happiness that Christmas should properly bring," Hall explained. "It is important, therefore, to be familiar with the hazards common to the month of December which have in past year caused wasteful loss of life and property." Some of the "Don'ts" as listed by Commissioner Hall are as follows: 1. Don't decorate evergreen trees with highly inflammable materials. 2. Don't place cotton or lighted candles on the Christmas tree. 3. Don't carelessly smoke or get near an open flame when wearing a cotton Santa Claus beard. 4. Don't place a lighted candle in the window near curtains or other inflammable material. 5. Don't allow small children to handle fireworks. 6. Don't use pennies or wire to replace blown-out electric fuses. 7. Don't use kerosene or gasoline to start or quicken a fire. 8. Don't permit children and other members of the family to get too close to stoves and open fireplaces. "Among the many things the people of Texas have to be thankful for this Christmas," Hall said, "is the exceptionally low fire loss of the last eleven months. The first six months of 1937 showed a lower fire loss than any six-month period during the last twenty years. It is doubly important during this last month of the year, then, to think of the fire dangers to life and property which continually threaten to blight rejoicing because of a careless act or the use of an unsafe article. "If we Texans will but observe diligently all safety rules, particularly those pertaining to fires, Hall concluded, "this Christmas will be one of joy and happiness for all."

PEEP SHOW FOR LADIES ONLY BY MIGNON

I'm counting up the things I want To fill my Christmas sock But could old Santa read my mind I know he'd die from shock. Yeah, and by the time we get the tenth-of-the-month bills paid it will be time to start charging Christmas presents. If people could just realize that the loveliest gifts in the world are those that cost nothing. Nothing in the way of cash, perhaps, but only effort and thoughtfulness. This week I received a big box of greenery, pine cones and needles, real holly and Spanish moss from old Mississippi. To me they were the first installment of Christmas cheer, a gift that was prompted by the real spirit of giving. The spirit of will. There they lay like rubies unselfish friendliness, and good amid the waxy leaves of the holly and surrounded by trailing wisps of moss the color of platinum. A priceless gift matching the priceless friendship of the donor, which is truly a joy forever. Eugenia White, of Oklahoma

CHURCH NEWS

The Munday Methodist circuit was disbanded by action taken at the recent annual conference held at Quanah. Rev. Frank Story had served the circuit for the past year. The Hood congregation will be united with the Munday church. Hefner and Thorp will be added to the Romarton charge for the next year. Hefner will have services one Sunday each month, Thorp will have morning services twice each month and night services once each month and the remainder of the church services will be given by the Romarton church. J. A. English has been appointed to the newly formed charge. Rev. Frank Story former pastor of the Munday circuit, which has become dissolved, has been transferred to Kellyville for the next year. The Kellyville charge is a new one, and is considered an advancement in his work. The city is a new oil field.

POPULAR SHOW TO PLAY MUNDAY ALL NEXT WEEK

Brunks Comedians In City First Time Since 1933

Under the auspices of the Munday Fire Department, Brunk's Comedians, popular tent show, will present a week of entertainment here starting Monday of next week. The big tent will be located one block south of The First National Bank.

The show has changed its program from the regular vaudeville and drama combination of the past. All vaudeville and music now comes before the main play going away with interruptions to the thread of the story. Twenty people make up the personnel of the show. Music is furnished by a five piece orchestra. Both plays and vaudeville will be a complete change every night, and all plays are made up largely of comedy. The show is playing in Munday for the first time in 1933. Admission is only 10 and 20 cents with a part of the proceeds going to the local Fire Department.

RECOMMENDATION FOR TODAY Coconut Tarts and Coffee

Here's the perfect answer to "something delicious and different" for the next time you entertain your club: A luscious golden goodness packed with crisp coconut ravelings and toasted almonds!

Coconut Tarts 1 cup sugar 1/2 tsp. vanilla 1/2 cup cornstarch 2 tsp. lemon juice 1/2 tsp. salt 1 1/2 cups coconut 1 cup boiling water 1/2 cup chopped nuts (filberts, pecans, or toasted almonds) 4 tsp. butter

Mix sugar, cornstarch and salt together and add boiling water. Cook over hot water 20 minutes, until mixture is thick and clear. Add slightly beaten egg yolks and cook 2 minutes longer. Remove from fire. Add butter, vanilla, lemon juice, 1 cup of the coconut, and the chopped nuts. Cool, then pour into cooled baked tart shells. (Use Flaky Pastry recipe.) Sprinkle tops with remaining coconut, and bake 20 minutes in a moderate oven, 350° F. AMOUNT: 8 tarts.

Flaky Pastry Tart Shells 1 1/2 cups unbleached flour 1/2 tsp. salt 1/2 cup shortening 1 cup water (3 to 4 tbsp.) 1 1/2 tsp. butter

Sift flour once before measuring. Sift flour and salt together. Cut in shortening with 2 knives or a pastry blender—leaving some of the shortening in lumps the size of giant peas. Add ice water. (Sprinkle water lightly over flour and shortening. Blend it in lightly with a fork—can make dough stay together, you have plenty of water in it.) Round up dough on cloth-covered board (using flour rubbed into cloth to keep dough from sticking). Pat and roll out in oblong shape. Dot with 1 tsp. butter. Fold so as to make 3 layers. Turn half way around, pat and roll out. Repeat—using remaining 1/2 tsp. butter. Roll out thin, about 1/8 inch thick. Cut rounds of pastry to fit loosely over the backs of shallow fluted tart pans or muffin pans. Prick pastry with fork to prevent puffing. Chill before baking. Lay tart pans upside down on a cool sheet and bake 10 to 15 minutes—or until the brown coloring begins to appear. Use very hot oven, 450° F. for the first ten minutes, reducing the heat to 350° F., a moderate oven, to complete the baking.

Betty Crocker Advises Question: What do you think of using baking powder in pie crust? Answer: You can use baking powder if you wish—not more than one-half teaspoon to a regular pie crust recipe. It tends to make pastry a little lighter, even if the dough is handled too much. For an experienced cook, however, baking powder is not necessary. Question: What is the difference in the measurement of cold and melted shortening? For instance, how much firm lard is equal to 1/2 cup melted? Answer: In general, if you take your measurements accurately, you will find that they are about the same; that is, 1/2 cup firm lard is about the same measure as it is when melted. Question: When a recipe calls for can sugar, what difference does it make if I used beet sugar? Answer: None. Question: Is it correct at a party to serve tea or coffee in cups placed successively on the plate that holds the other food? Answer: Yes, it is said to be correct for the stand-up affair; but not for a sit-down luncheon.

If you worry about what to serve, if you dread to start the next meal, just drop a card to Betty Crocker in care of The Munday Times and ask for this week's menu. Complete menus for the week with recipes for the main items will be sent you at no cost. Please enclose 3 cent stamp to cover return postage.

# Choral Club Cantata Sunday Night

**CHURCHES WILL DISMISS NIGHT SERVICES HERE**

Mrs. H. A. Longino  
Directing Club Cantata

**PROGRAM STARTS AT 7:30 SUNDAY**

**Stage Will Have Special Lighting Effects**

The Munday Choral Club will add more color to the Christmas holidays by presenting a Christmas Cantata Sunday night, December 12, at the elementary school auditorium at 7:30 o'clock.

The Cantata, entitled "Chimes of the Holy Night," is a beautiful story in song, depicting the birth of the Christ, as the son of the Father and savior of man.

Special arrangements featuring members of the club intersperse the cantata. The thirty members of the Choral Club will be robed in white for the presentation. The stage will have special lighting effects with a huge white star placed in center back stage. All other lights in the house will be out during the program.

The Cantata was written and composed by Holton and Berg. Director is Mrs. H. A. Longino and accompanist is Mrs. Jim McDonald.

The Methodist and Baptist churches will discontinue the regular Sunday night preaching services in order that members of the congregations may attend the Cantata.

A balcony section will be reserved for colored citizens who desire to attend.

Choral Club members have been practicing on the Cantata for the past two months. Monday night, December 13, the group will present the program at Seymour in the Methodist church.

**BENJAMIN P. T. A. MET LAST WEEK**

Members of the Benjamin Parent Teacher Association met in the assembly room of the Knox County courthouse last Wednesday for a study program.

Mrs. M. T. Chamberlain of that community was director of the program for the afternoon. Subject discussed by the association was "A Parent Looks At Home Work."

## Annual Banquet For Officers Of H.D. Clubs Held

More than 75 persons attended the annual banquet staged last Tuesday night at the assembly room of the Knox county courthouse, for the out-going and incoming officers of the nine county home demonstration clubs.

The banquet was served by the Sunset high school girls, all members of the home economics department of that school and all arrangements were under the direction of Miss Nina Astin, county home demonstration agent.

Only out of county guests for the affair was Miss Vaughan, home demonstration agent for Haskell county, who made a short address to the group.

Mrs. O. L. Patterson, prominent county club woman, presided at the banquet as toastmistress. Each officer, both incoming and out-going were introduced and several short impromptu talks were given from over the county.

Following the banquet a program was presented by girls from county 4-H clubs.

**Weinert P-T.A. Met in School Auditorium**

The P-T-A. met in the high school auditorium Wednesday, November 24 and together with the students of the entire school enjoyed a very instructive and beautiful Thanksgiving pageant directed by Mr. Julian Perrin, science teacher.

The center of the stage was the Thanksgiving table of America. The history of the various peoples of America was read by James F. Cadenhead, Jr., while students representing these countries came on the stage and place their offerings upon the table. First to come were the Indians in their paint and feathers wrapped in their colorful blankets and bringing their offerings of corn. Next were the Spaniards, English, Germans, negroes, etc., each in appropriate costumes.

Members of the choral club sang appropriate songs for each group accompanied by Mrs. James F. Cadenhead at the piano.

Before this lovely pageant was presented a group of twelve boys and girls of the first grade sang "Turkey Gobblers Said." Mrs. Carl Palmer, primary teacher directed and accompanied them.

## Weinert Study Club Meeting

Mrs. W. L. Johnson was hostess for a meeting of the Weinert Matrons Club held Tuesday, Dec. 2. A short business session presided over by Mrs. H. Weinert in the absence of the president, Mrs. Tony Goble. Mrs. Henry Smith conducted a very interesting and instructive drill which was needed very much in our club.

Mrs. Johnson was assisted by Mrs. J. K. Kane in serving refreshment plate consisting of hot coffee, sandwiches, fruit jello with cream and cookies to Mesdames R. H. Jones, T. L. Hawkins, T. D. McKinney, Vern Derr, Bailey Guess, Henry Smith, J. K. Kane, H. Weinert, J. W. Liles, and the hostess, Mrs. W. L. Johnson.

**W.M.S. Christmas Tree Party To Be Tuesday**

The Baptist Women's Missionary Society will have their annual Christmas party at the home of Mrs. Ben Blacklock Tuesday afternoon at 3 o'clock.

The ladies will have a Christmas tree and all members are urged to be present. Names were drawn previously for the event.

Mrs. Clyde Nelson will assist Mrs. Blacklock in duties of hostess.

**Munday Study Club Has Two Meetings**

The Munday Study club met November 19 for their guest day program at the club house.

One of the outstanding current novels, "And So . . . Victoria," by Vaughn Wilkins, cleverly reviewed by Mrs. Herbert Barnes.

Mrs. Joe Davis rendered two vocal numbers accompanied by Mrs. M. P. Billingsley.

On December 3, the following program was given: Poetry of the Bible, by Mrs. H. A. Longino; Musical Poems, by Mrs. D. T. Mauldin; Christmas Songs, by Mrs. H. A. Longino.

The two programs were followed by short business meetings of the club. Both programs were well received.

Mr. and Mrs. Riley B. Harrell spent last week end in Abilene visiting friends.

## EARLY BIRD GETS WORM

Your reaction to the above is probably to ask "who wants a worm anyway," but the same adage holds for Holiday Goods. The early shopper finds the most complete selections and is able to pick the best values. Our holiday stock contains the kind of items a wise bird would pick and our price tags were designed for Scotchmen. We are particularly proud of our Wemdon Lavender line of toiletries, our big line of fitted and unfitted bags and our complete stock of Elgin watches. We have the famous HALL-MARK line of Gift Wrappings. "Beautiful packages distinguish both the gift and the giver," it pays to wrap your gift nicely. Come to see us often.

## J. W. BIGONY NEW INSTRUCTOR FOR SUNSET SCHOOLS

Taught Three Years Previous in Benjamin Schools

J. W. Bigony, a new teacher at Sunset High School, spent his high school and college years in East Texas State Teachers College at Commerce, Texas. This is his fourth year to teach school. He taught three consecutive years at Benjamin, Texas. There he taught science and industrial education his first year, the second year he taught math and science, the third year he taught math and Industrial Education and was assistant scout master.

Mr. Bigony lettered three years in football in high school. He belonged to the Junior Science Academy two years, and he served on the program committee. Mr. Bigony majored in math and Industrial Education. When the professor was absent he taught Freshman math in college.

This year Mr. Bigony teaches shop in high school to the Seniors, Juniors, Sophomores and Freshmen in the morning. In the afternoon he teaches in grammar school.

Mr. Bigony's sport is football, and his hobby is making wooden "what-nots."

Mr. Bigony is married. His wife attended college at Commerce. She lacked only one half year getting her degree. She has taught school two years. Mr. and Mrs. Bigony, together with Mr. and Mrs. I. W. Walling live in the teacherage which was built on the Sunset school grounds last summer.

## Fresh Students Planning Party

The freshman class recently met and planned a class party for Christmas. The time and place has not been determined yet.

We are sorry to hear that our sponsor, Mr. Bigony, is ill.

This week is the time for second six weeks exams. We are also sorry to hear that.

## Exams Caught the Juniors Napping

Examinations caught the Juniors asleep this six weeks as they came two days early; but hold on! We'll all pull through.

The Junior Class has been dramatizing scenes from Shakespeare's drama, Julius Caesar. Some members of the class have been doing some art and fringe work, also.

The Juniors and Seniors have begun to plan their Christmas party.

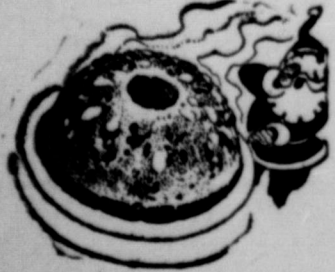

The Junior Class is proud of its members who are on the basketball team. We know that the team could not win so many games as they do if it were not for the Juniors.

The Juniors extend their sincere sympathy to their classmate, Dorothy Garrett, at the death of her brother, Dan.

## KEEPING TAB ON The Eagles

By BUDDY BUMPAS

The Sunset Eagles won the first game last Wednesday night by a score of 18 to 12, in a triple-header with Munday. Captain Howard Myers did a swell job of leading the attack.

The Senior Boys won their seventh straight start of the season by scoring 38 points to their opponents 14. Orville Strickland, playing a hustling game, was high point man with 11 points. Herb Partridge, one of the most dependable players, fouled off to hold down scoring.

The Eagles are still on top of the heap in the Brazos Valley League undefeated. Benjamin and Weinert are tied for second place; each have lost one game.

Sunset plays their last League game Friday night with Benjamin as their opponents. Sunset will be playing with a missing cog, because Captain Stogner sprained his ankle on the eve of the great game. If Stogner does get to play, he will be unable to give his best.

If Benjamin defeats Sunset, there will be a three way tie for League Champions between Sunset, Benjamin and Weinert. If Sunset wins, Sunset and Weinert will play to distinguish the League Champs.

The Sunset Eagles won two games over the Weinert Bulldogs but at the same night they dropped two games.

The Sunset "E's" subs of the Sunset Senior Boys' team, won the first game of the night, without any difficulties, by a margin of 19 to 14. The "B" team has some good material, and Coach Kimbrough says if they will keep working they will get to enter some of the tournaments that will be given this year.

The Junior Boys dropped their game with a score of 19 to their opponents 16. The Juniors had a hard working team, but they were just too small for the large Weinert Pups.

In the third game, the Sunset Girls could not stop the large forwards from Weinert, although they fought hard. So the Girls lost by a score of 16 to 44. A few weeks ago the Sunset Girls beat the Weinert Girls, so losing this game just evened up the score.

The Sunset Senior Boys started their game off fine, and they were

## Home Economics Clubs Organized For Sunset Girls

The Sunset Junior-Senior Home Economics Class met Monday November 29, during their regular class period and organized their Home Economics Club.

They started this meeting by electing the following officers: President—Faye Marie Partridge Vice President—Nettie Griffith Secretary—Frances Gray Treasurer—Lillian Hackney Reporter—Dorothy Gammill.

A committee consisting of Dorothy Garrett, Hallie Phine Clarke and Lillian Hackney was appointed to select the club flower, color, motto, and a good name for the club.

The girls have many goals that they hope to achieve this year, and they are all enthusiastic and ready to start their work. Their chief goal is social development. They also plan to make some money to go to the State Rally for Home Economics Clubs.

They have decided to meet twice a month. Their first regular meeting will be Monday, December 6, during their regular class period. The Freshmen-Sophomore Economics girls organized a club in Home Economics Monday, November 29. The following officers were elected: Margaret Hardin—President. Virginia Parkhill—Vice President. Juanita Hunter—Secretary. Nellie Louise Prather—Reporter.

The president appointed a committee to select a name, motto, and color for the club.

The girls really have something to work for, and all of them are doing their best to attain their goal.

## Junior Home Ec Girls Have Meet

The Junior Home Ec Club members met Monday, December 6. The main purpose was to select a name, motto and colors for the club. The name is to be decided in the near future, but our motto is something we are all trying to fulfill: "We cook, we sew, we play, we work hard every day." Colors are black and silver prominently chosen.

This was our second meeting.

a great deal in the lead at the end of the first half. But, after leaving the third quarter, they found themselves in a tie at the end of the game. But Captain Stogner and his Eagles made four points to their opponents two in the extra five minute quarter. The Eagles won by a score of 39 to 37.

The Eagles have not played a game on their home court in the last week or so. So all you loyal supporters come to their next game and give them plenty of backing.

## GRADE SCHOOL NEWS!

**The Third Grade**  
 This week the third grade pupils are decorating their rooms and writing letters to Santa Claus. They have the Santa Claus fever so badly that they are making toys, also.

**The Sixth Grade**  
 No longer can the sixth grade be called the "dirty dozen" by Mr. Harber, as there is one new student: Dorman Sipes from Olney. The new students that have started in for the first time since the summer session are: Fletcher Gates, Roy Lee Yost, and Monele Snell.

**The Seventh Grade**  
 The seventh grade students are studying a unit, which is called the cotton unit. The students and their teacher, Mr. N. T. Underwood are studying the by-product of cotton. The subject became so interesting that they had to go to Munday and visit the cotton gin and the oil mills. They learned all about the growth and process of ginning cotton and the milling of cottonseed oil.

The Junior Girls have started practicing basketball the last few days under the supervision of Mrs. R. L. Davenport. The Junior boys basketball team has played a few games and they have been successful in them.

The seventh grade students are preparing to take the six weeks exams.

## Home Ec Girls To Serve Feed

Tuesday night, December 7, eight of the Junior and Senior Home Economics girls will go to Benjamin to serve at a banquet to the Home Demonstration Club of the County. The girls are all dressed to go, because they can put into actual practice what they have been studying.

## First Grade To Build Toy Store

The first grade pupils are looking forward to a big Christmas. They are going to build a toy store and fill it with toys that they make themselves. The children are making gifts for their mothers, fathers, brothers, and sisters. They are trying to be good so that Santa Claus will come to see them.

## SNOOPY SAYS...

Marguerite Jarvis not being sleepy on Monday morning. J. E. Hunter not liking apples. Nellie Louise Prather not being a snooper.

Howard Myers not taking a history test. Could it be because a certain Sophomore girl is carrying Howard Payne's picture.

Askelon looking like Leroy Linn. A certain girl from Munday carrying Kleenex at the ball game. Could it have been for Askelon's use?

Miss Spraggins not crying over a show.

## SECOND GRADE CONTINUE WORK ON POST OFFICE

The second grade is still working on its Post Office unit. The children are going to make some toys and Christmas presents and send them through the mail to the Post Office that they are building.

## Seniors Waiting For the Holidays

The Seniors and everybody else, are in a state of nervous excitement and apprehension over the six weeks exams. Some of them let the time slip up on them and they have had to dig to get their work up. Of course if a student fails, that lets him out of athletics. And, to most students, being out of athletics means being out of a part of the school that is really worthwhile.

With a more joyful feeling the seniors are looking forward to the Christmas holidays. They are busy thinking up what they want for Christmas so they can write and tell Santa.

## EXPRESS SYMPATHY

The Sunset Faculty and Student Body wish to express their sympathy to Mr. and Mrs. A. P. Garrett and daughter, Dorothy, for their recent bereavement in the loss of their son and brother, Dan.

Dan had been in very poor health since August 1936, and for the past several months was confined to his bed.

Mr. and Mrs. Garrett and daughter are spending several days with the C. M. Shelton family at Abilene.

## LISTLESS BALL BEATS MOGULS FRIDAY NIGHT

Goree Five Swamps Moguls Here 30-14

## JUNIORS STAGE LOSING FIGHT

Junior Girls Volley Ball Team Wins Over Goree

Munday dropped two games to invading Goree basketball quintets last Friday night on the local court and won a girls volley ball game.

The girls opened the evenings play with their victory to keep an unblemished record for the new season.

Coach L. M. Palmer's junior quintet dropped their tilt to Goree after they had led the way for more than three periods.

The Goree lads came to life in the closing minutes of the final period and filled the hoop with two-pointers. Trailing 10-12 they pulled up even and then went on to reach 20 while Munday snagged a free toss making the score 13-20.

The Moguls dropped their game in an uninteresting affair 30-14. It was a parade of Goree passing and point making throughout the game, while the locals played listless brand of ball.

Munday had difficulty in handling the ball, heaving wild passes all over the court and letting passes slip through their hands.

## Take A Chance With Life Says Tom Tom Editor

By Margaret Tiner  
The gayest thing about life is that the whole of it is made up of taking chances, for you take a chance every time you make a choice. Big or little, it is still a chance you take. That second spoonful of sugar in your coffee is a chance—and so is the butter on your bread.

Indeed, all eating is a chance, perhaps a good chance. And either you take the chance by partaking of food, or you take the bigger chance of perishing of hunger.

From the very beginning of life we have been measuring things and taking chances; small chances, mostly, no doubt. The point is that life itself is a training in taking chances. Since that is so, bravery should be common. The coward is the exception: the one who shrinks from going ahead, from making a choice, from taking a chance.

Perhaps that is why little pity is felt for the shrinker; he is outside the herd, and no fellow feeling exists for him. But the fellow who exposes himself to danger, the man who will take a chance—he is the hero because he does that thing which all Nature drills into us as virtue, a virtue of necessity; of making a choice, of taking a chance, of putting up a fight.

When one of these outstanding takers-of-chances does it before the whole world, and fails, we are sorry for him because he is one of us. When he wins gloriously, we win with him, so there is no jealousy felt. We all exult together because a taker of chances, one of us, has won again.

These heroic takers of chances are a tonic for the human race. They leaven the lump of humanity, without which leaven man's career here below is without salt or savor. Not only their victories count, even the mistakes they make have a way of teaching the rest of us the right road to go by. So they earn their keep—and no bill we, the rest of us, have to pay because of their adventures can weigh in the scales against the good they bring about in the world.

## SPORTS News and Views

By Thomas Riggsby

It seems that the Moguls have forgotten how to play the game of basketball, or they are in a big slump. I know that the Moguls are capable of playing a better game than they played last Friday night. The fans are hoping for a revival of fight by the local quintet.

The junior five have been handling the ball well but they are having trouble slipping the sphere through the netting. Their defensive play is brilliant at times, but they are inclined to lag at times. Coach Palmer has been putting his lads through stiff goal shooting workouts and defensive play.

The Mogulettes volleyball crew are still wading through all opposition towards an undefeated season. The lassies announced that they were going to go the limit in sustaining a victory march, and make good their threat to date. More power to them.

I wonder where the people are when the Moguls play a trio of games here. I have seen a larger crowd watching men dig ditches than were out to see the games the other night. The prices have been reduced, children 10c, adults 15c, or the whole family 25c.

Our hats off to the Mogulettes pep squad. The girls really showed the true Mogul spirit and attend nearly every game in a group. At times were the only supporters for the Mogul gridiron warriors.

Another student that comes in for a good cheer is Mac Haymes. Mac acted as student manager for the eleven during the past season. His work was much help to Howard Cobb, coach.

## Fresh to Have Class Party On Friday Evening

The Freshmen are looking forward to a class party this Friday night. We have not decided the necessary details as to where the party will be, what time, or what kind of party.

Classes are still dragging along with some of these "sleepy-headed" Freshmen who should be home in bed or else "wake up for a change."

## Juniors Strong Supporters Of MHS Basketball

The Juniors are still here and going strong, and are still backing Munday High one hundred per cent, as you noticed last Friday night at the Volley Ball and Basket Ball games. Those of us who couldn't play were there yelling.

A number of our Junior Boys and girls are looking forward to the Football banquet which will be held the fourteenth of this month. We are all thinking about the new cheer leaders who will take the place of our present leaders. We think that we could not choose more efficient leaders; but since our present leaders are seniors, we shall have to choose new ones.

Monday morning the third year girls were grieved very much when we found that Oscar, Willie, Flory, and Berthie (our white rats) were dead. We got these rats in order to make two experiments, and we are really disappointed that we can not carry out this project. The cause of their death is unknown. We have come to this conclusion, however, that they caught a chill from the cold winds during our absence over the week end and shook to death. Poor Things!

## LADDERS!

When you think of a ladder, there is much to be said for it as an example. It points upward and leads to higher things, all of which are reached, step by step—round by round. Those that try to cheat in climbing the ladder and skip a few rounds are apt to slip and fall. That means a fresh start and extra climbing—lost motion.

If you feel that the heights you can attain are not worth the struggle and long climb, perhaps the stubby ladder will be your best bet. You can take your time, "climb" when you feel like it and still reach the top or attain your goal. You can pick a low stubby ladder of a nice high one that gains strength as you put rounds behind you. Even if you never reach the top, they make interesting climbing—and if you do reach the top, there is always plenty of room up there.

for he wants to meet all the family. This huge tree celebration does not bar home-room programs if the room so desires, after the general tree, and some of the rooms are going to do this. All the rooms will be decorated in some way so as to keep up the Xmas spirit among all.

## The VALTER VINGHELL COLUMN

By . . . ?

Now I take up my little pen, fill it up with my deskmate's ink, borrow a piece of chewing gum from Miss Couch, pick up some paper about three seats back, and now I am ready to sling some mud, but not my own—someone else's.

I'll admit that some cars are kind of wild, reckless, (mostly run down) but I think that Loraine Finley's car is the roo'in', toggin' shootin', backinest car in town, because it threw her out of the door and as a result look at the shiner on her chin.

Miss Doracy: What was it Sir Walter Raleigh said when he placed his coat on the muddy road for Queen Elizabeth to walk on? Dan Billingsley: Step on it, kid.

There are lots of things that I don't know: But when I found out that Leslie Phillips' nickname was Reverend, that just took me for a row.

Fern Jones has had her eyes on New York, and lots of other places, but Hollywood is the latest or else why has she been rushing a boy from Los Angeles.

There are lots of sensible enjoyable games in this 'ol world, but Judson Giddings has certainly aroused my curiosity when he keeps asking, "O.K., let's get a game started." Is your curiosity aroused as much as mine? Wonder what he has in the back of his mind?

CRACKS AT THE CROWD  
Guest: Ah, there Mrs. Laney, I seldom get as good a dinner as this.  
Dewey: Neither do we.

Mr. Phillips: How did you get your clothes so terribly torn?  
Johnny: Trying to keep a little boy from being licked.  
Mr. Phillips: Ah, a brave deed. Who was the little boy?  
Johnny: Me.

## SERVICE IN APPRECIATION OF YOUR CONFIDENCE . . .

Two years ago, when State Laws killed our Burial Associations, we faced a hardship in building an entirely new organization under strict State Supervision.

We believed, however, that if we could give our friends as good protection for their money as they could get elsewhere, that they would prefer to keep as near home as possible.

The moment a death occurs to our policy-holders, we consider it their money. We pay as quickly as possible after we are notified. The undertakers who have had charge of funeral arrangements for our deceased policy-holders, or the friends of those bereaved families will vouch for the fact that we have certainly paid our claims promptly.

We have made arrangements with a bank in most towns in order that you may pay your premiums there, thus saving you postage. If you send the premiums direct to the office and enclose your notification card, we mark it paid and pay the return postage on it as your receipt.

When payments are made for six months or longer in advance, we give a five per cent discount. Last, your telephone call notifying us of the death of a policy-holder is paid for by us, that we may complete our SERVICE to you as quickly as possible, for your advantage in this emergency.

If you do not have this protection, write us for information.

# Cottonseed Is Not An ECONOMICAL FEED

Why Feed Dirt, Trash, Excess Oil and Lint on Cottonseed?

... When you can save money by selling your cottonseed and buying meal and hulls?

COTTONSEED MEAL is a concentrated feed, highly digestible. Cottonseed is a different kind of feed from the meal. It contains oil that is likely to cause digestive troubles if fed in an amount necessary to furnish the required protein to balance the ration.

**1938 Ford V-8 Standard Tudor Sedan**

**M**OST popular of all the Ford V-8 body types is the standard Tudor sedan, shown above. A longer hood, more sweeping lines and newly-designed front end, grille, fenders and hubcaps are featured. The car is available either with 85 horsepower or 60 horsepower V-8 engine. Interiors are attractively appointed. The front seat is full width. The seat back is divid-

ed. The sections are hinged diagonally and swing inward as they are tipped forward so as to leave a wide passageway on either side for entrance to the rear seat. Like all Ford body types the Tudor sedan has a large built-in luggage compartment. The standard cars are engineered for owners who demand the maximum of economy in first cost and operating cost.

**Alvin Christopher is Fatally Wounded During Fray**

**WILL HUMBLE FIRES SHOTS**

Participants Were Negroes; Man is Arrested

Will Humble, negro cottonpicker, was jailed Saturday night on charges of murder set forth in a complaint filed by members of the sheriff's department as the result of the fatal wounding of Alvin Christopher, another negro, who was grilled almost instantly when three shots from a revolver fired by Humble found their mark in Christopher's body.

The shooting occurred at a small shack occupied by negro cottonpickers on the farm of E. W. McBeth, eight miles west of Weinert, Sheriff Kemp of Haskell county, called to the scene, stated that investigation disclosed that Humble had gone to the small shack, occupied by Mr. and Mrs. Walter Johnson, colored, and became enraged when he found Christopher present. Johnson, also in the house, ordered Humble to leave after he began abusing Christopher, he told officers. Showing Humble toward the door, Johnson said that the negro whirled from his grasp and fired at Humble with a pistol, three shots taking effect, striking the victim in the right breast, the stomach and the right hip.

At least two of the wounds were fatal, according to a statement made to officers by Dr. J. F. Cadenhead, Weinert physician who was called by officers to aid in the investigation. Inquest was conducted by Justice of the Peace S. L. Craggins of Weinert, who also ordered Humble held under bond of \$2,500 to await Grand Jury action. Other officers who assisted in the investigation included County Attorney Walter Murchison, District Attorney Ben Charlie Chapman and Deputy Sheriff Riley Lewellen.

**Annual Cowboys' Christmas Ball Slated at Anson**

Anson, December 2—There'll be goatees, mustaches and whiskers decorating numerous faces in Anson during the coming month as men of the town begin to grow these facial adornments, and it is all to help lend an old time air to the Cowboy's Christmas Ball which is held here annually. Ladies too will be decked out in flowing blouses, ruffled skirts and quaint basques as did the women of the eighties.

Dates for the Ball this year are December 20, 21, 22 and 23 with the ball to begin each night at 8 o'clock in the high school gymnasium.

Besides facial adornments of the men boots will accompany the bar-bare wall of the bass viol and fiddle as such dances as the schottische, waltz, square, heel and toe polka and Virginia reel will be the order of the night.

**Holiday Workers Urged to Secure Account Numbers**

Wichita Falls, Nov. 30.—Persons who expect to work temporarily in stores, shops, and other business establishments during the holiday season were urged to obtain their social security account numbers now and "avoid the Christmas rush" by J. Gordon James, manager of the Wichita Falls office of the Social Security Board.

"Thousands of extra workers will be employed in the various retail lines between now and the end of the year, and all of this employment is covered by the old-age insurance provisions of the Social Security Act," James said. "The fact that these workers are being employed only temporarily does not exclude them from participating in the program."

"Since many of these workers will be entering employment for the first time, it will be necessary for them to obtain social security account numbers as they take their jobs. In fact, many employers are now requiring new employees to secure account numbers as a prerequisite to going to work. Therefore, prospective workers—and particularly those who live outside Wichita Falls and must communicate with this office by mail—should apply for account numbers now in order that their account cards may be issued to them without delay."

"Application forms, available in Wichita Falls, and elsewhere in the area at local postoffices, should be filled out and returned to the Social Security Board, 514 Radio Building, Wichita Falls, Texas. To those who apply at our office personally, we are able to issue an account card in just a few minutes. Account cards are forwarded for applications received by mail on the same day they are received, provided they are properly executed," James said.

It was explained that persons who already have established social security accounts should not apply for another number. James emphasized that a worker keeps his social security account number reporting it to each of his employers throughout his working life, regardless of the number of firms by whom he may be employed.
