ARNOLD KOENIG'S CALF IS GRAND CHAMPION

BISHOP HOLT SPEAKS HERE LAST MONDAY

Methodist Bishop Now Touring Churches Of Conference

Bishop Ivan Lee Holt, in company with Mrs. Holt, visited the First Methodist church here last Monday morning on his scheduled tour of Methodist churches of the Northwest Texas Conference. Bishop Holt, who is the newly elected bishop of this conference, preached at the local church, the services beginning at ten o'clock. He went from Munday to Knox City, where he preached at 11:15 o'clock, and was in services at Haskell Monday night.

Bishop Holt brought an inspiring message to those who were present for the services. His sermon centered around the thought: If you are to escape the responsibilities which are yours, you must meet them face to face. The speaker presented many fine thoughts on the happiness which comes to those who meet their responsibilities as they come to them.

Although Bishop Holt has been preaching several times daily, his voice was clear and distinct, and he held the attention of his audience. Because of cold weather, which prevented many from attending, the assembly was smaller than had been expected. A number of persons called at the parsonage and met Bishop and Mrs. Holt during the short time they were in Munday.

They are being accompanied over this district by Rev. E. B. Bowen, presiding elder, and Mrs. Bowen.

"Many Thanks"—

G. S. Snapka Expresses Thanks To People For Their Aid

G. S. Snapka was in the Times office on Tuesday, and he seemed very grateful to the good people of Knox county who gave the Snapka family assistance after their automobile accident recently.

"I just want the folks to know that I appreciate everything they did for me and my family after this unfortunate car accident," Mr. Snapka said. Several members of the family were sent to the hospital at Knox City for treatment.

Mr. Snapka stated that all of the children injured in the accident are improving nicely.

Six New Scout Suits Are Issued To Local Boys

Uniforms Awarded To Scouts Who Pass Local Tests

The Munday Boy Scout troop began getting their uniforms last week when local scoutmasters took six of the scouts to Wichita Falls and "suited them out."

Cecil Cooper, scoutmaster, stated that the uniforms are being awarded the scouts on the merit basis: that is scouts making the highest grades on tests are awarded their uniforms first.

Uniforms last week were awarded the six scouts who made the highest grades above 70 on scout tests. They are: Hugh Longino, grade 85; Charles Baker, 81; Dick Harrell, 80; Harold Longino, 77½; Jimmie Silman, 74; and Glenn Dee Rayburn, 73.

These tests are to be given every two weeks, and the six scouts making the highest grades will be awarded their uniforms. This procedure will be repeated until the entire troop has the regulation scout uniform.

This method of awarding the uniforms is proving an added incentive for scouts to "get up" their scout assignments.

\$99,000 in Checks Received Here

Soil Program Checks Come To Farmers

County Agent Walter W. Rice reported Tuesday that approximately \$99,000.00 in government checks were received the first of this week and are being distributed to farmers of the county just as rapidly as possible.

The 350 checks which were received by the county agent's office represent government payments on the 1938 soil conservation program, embracing only the farmers' part in the program.

Farmers whose checks arrived in this shipment were notified by the county agent's office the early part of the week.

TICKETS FOR C. OF C. BANQUET ARE ON SALE

Dr. Bass Toastmaster For Banquet Here On March 7th

Tickets for the annual banquet of the Munday Chamber of Commerce went on sale the first of this week, as members of this committee began disposing of the limited number of tickets for this annual feed. As has been announced before, the banquet plans are to accommodate only 200 guests.

Many local people are looking forward to the annual banquet, and to renewing acquaintances with Walter Cousins, former Munday business man, who will be principal speaker.

Dr. J. Horace Bass, superintendent of the Munday schools, will act as toastmaster, and an interesting and entertaining program is being planned. Invitations were mailed this week to a number of neighboring towns to have representatives present for the banquet.

Towns expected to be represented are: Benjamin, Vera, Knox City, Goree, Haskell, Abilene, Wichita Falls, Sunset, Seymour and Rhineland.

The committee in charge of ticket sales is composed of W. E. Braly, Lee Haynes, J. C. Campbell, Leland Hannah, W. W. McCarty, Dick Atkinson, and W. G. Gafford.

Mr. and Mrs. Cecil Webb and sons, Keith, Kenneth and C. E., of Pringle, Texas, visited in the home of Mr. Webb's mother, Mrs. Etta Webb, the first of the this week.

Moguls vs Avoca Will Open Tourney At Four O'clock

Play in the second annual AAU Tournament, sponsored by Munday Lions Club, begins Friday afternoon at four o'clock when Munday Moguls and Avoca answer to the opening whistle. Following at five o'clock will be Weiner against the strong Williams High School team of Hardeman County.

The second session will open Friday evening at 7:30 with two of the best games of the entire tournament. Sunset Eagles will meet the Ringgold team and this will be followed by the Quail-Trent game. All of these teams are potential winners, and the Quail team is the defending champion. Other games to follow Saturday and Sunday evening will be announced from the floor as further brackets will depend on the outcome of the first round of play.

Finals in both championship and consolation flights will come Saturday evening at 7:30 o'clock. These games offer people an opportunity to see some of the best teams in the state in action. Maurice Orr, former all-American football player of SMU, is the head referee for each session will be 25 cents for adults and 15 cents for school pupils.

Arthur Lawson Local Employee Of Gas Company

Arthur Lawson, with his wife and two children, moved to Munday this week, where Mr. Lawson will be employed by the Community Natural Gas Co. The Lawsons came to Munday from Merkel.

Mr. Lawson is taking the position of sub-district manager here, which was formerly held by Porter Bryan.

Don Ferris, who recently moved here, is with the new business and service department of the company. Both Mr. and Mrs. Lawson come here highly recommended as citizens and as church members. Mr. Lawson is a member of the Methodist church, while Mrs. Lawson's membership is with the Baptist church.

Buddy Gafford Has Operation

Buddy Gafford, 12-year-old son of Mr. and Mrs. Worth Gafford, underwent an operation for acute appendicitis at the Knox City hospital last Saturday.

Buddy is reported to be rapidly recovering and is expected to be brought home the latter part of this week.

Jack Welch Goes To Lynn County

Foard County Man Is Transferred Here

Jack Welch, who has been serving as administrative assistant to County Agent W. W. Rice, tendered his resignation on February 15 to accept a position in Lynn county.

Mr. Welch will serve as county administrator for the Farm Security Administration in Lynn county. Assigned to Knox county to fill the vacancy created by Mr. Welch's resignation is Joe Harper, formerly of Foard county. Mr. Harper was transferred from Foard county, having filled a similar position there.

Mr. Harper comes to this county very highly recommended by farmers and others of Foard county with whom he has worked.

Medical Group In Monthly Meet Tuesday Night

Stamford Doctors Are Voted Members Of Local Society

The Knox-Baylor-Haskell counties medical society met last Tuesday night at the home economics cottage in Munday for their regular monthly meeting.

After the luncheon, which was served by the home economics girls of Munday High School, guest speakers, Dr. John W. Pace and Dr. Frank Solem, gave very interesting papers as their part on the program. The group holds its regular meetings at Munday each month.

Present for the meeting were the following doctors: J. W. Pace, John F. Bunkley and R. K. Lowry; Seymour; W. M. Taylor, Goree; T. W. Williams and Ernest Kimbrough of Haskell; Ike Hudson and John Youngblood, Stamford; Jerome Moch and W. M. Rogers, Rule; T. S. Edwards, T. P. Frizell and O. J. Emery, Knox City; D. C. Eiland and R. L. Newsom, Munday.

Doctors Ike Hudson and John Youngblood of Stamford were voted in as members of the society, they having formerly been members of the Baylor County Medical Society.

Miss Bernice Morley returned to her home in Quanah last Monday after a week's visit here with Miss Frankie Sanders.

Matched With Local Boys For Monday Night

Fight Fans Assured of Good Card; Seymour Negro To Fight

A "fistic battle" that will carry many a wallop and provide entertainment for all fight fans is scheduled for next Monday night at the school gym. Monday night's card is expected to exceed any fight card promoted in Munday this far in the season—and here's the reason:

Battling Baugh is matched! That sensational hard-fighting negro from Seymour who has slugged his way into fine approval from local fans, has been matched with another hard-fighting negro. Baugh's challenger hails from Rochester and has been training for three years under the direction of T. B. Bagwell, of Rochester, boxing trainer.

But Baugh isn't afraid! He doesn't care how tough they get—just so they stay in his weight class! Both managers of the negroes have guaranteed that their boys will be here, ready to fight—and that's not all!

Olney is sending her fighters to Munday, to be matched with local fighters. Some six or eight of Olney's crack fighting team—some of whom have competed in the Golden Gloves Tourney at Fort Worth—have been matched with Munday boys for return bouts.

Munday went to Olney on Thursday night of last week, made a good showing and won some decisions over Olney's fighters. In these fights Monday night our boys will be after more decisions.

Then other bouts will be added to fill out the card. In addition, another wrestling exhibition is being planned.

Local boys who are matched with Olney are: Raymond Caron, Lewis Warren, Ned Albert, Joe Dean Clough, Troy Denham and Red Denham.

"Nuf said! Just follow the crowd to the school gym next Monday night. You won't be disappointed."

Funeral For Mrs. Tomlinson Held Wednesday

Knox County Resident For Past 20 Years Passes Away

Mrs. Sarah Annie Tomlinson, a resident of Knox county for the past 20 years, passed away at her home in Munday last Tuesday evening at six-thirty o'clock.

Mrs. Tomlinson was born in Arkansas on July 7, 1867, and died at the age of 71 years, 7 months and 14 days. She was a well known and beloved resident of this county.

Surviving her are her husband and eight children, who are W. B. Tomlinson of Munday, J. F. Tomlinson of Ropesville, Mrs. Pearl Marler of Olney, Mrs. Ruby Hancock of Munday, J. E. Tomlinson of Munday, Mrs. Lola Combie of Olney, L. E. Tomlinson of Skellytown, Mrs. Addie Cadwell of Knox City and Mrs. Dollie Guthrie of Munday.

She is also survived by three brothers and six sisters, who are: Frank, Joe and Willie Berry, Mary Spaldin, Lucy Hancock, Lue Gabbett, Delie Dawson and Nellie Boyd. Other survivors include 42 grandchildren and 7 great grandchildren.

Funeral services were held from the family home at three o'clock Wednesday afternoon, conducted by Elder Ballard of the Church of Christ. Interment was in the Johnson cemetery with the Mahan Funeral Home in charge of arrangements.

Pallbearers were Rufus Basom, John Lemley, Ernie Reynolds, Grady Blair, Gene Brazzell, and Alvin Floyd.

Youth's Crusade Rally Is Held At Stamford Mon.

Between 450 and 500 Young People Are In Attendance

Last Monday night a crowd estimated at between 450 and 500 met at the Saint John's Methodist Church in Stamford to attend the district Youth's Crusade Rally.

Principal speakers for the evening were Rev. A. H. Carleton, pastor at Clyde, who is the crusade leader for this district; Raymond Ince of Spur, who gave an interesting talk entitled "Youth Is Ready."

The main speaker was Bishop Ivan Lee Holt, who made an interesting and inspiring talk which was directed especially to the youth. Bishop Holt was on his tour of the various Methodist churches in this district and those of the Northwest Texas Conference.

35 Enrolled In School Band As Interest High

Former Director The Childress Band In Charge Here

With enrollment mounting each week, prospects are that Munday will have a first-class high school band within the near future.

Paul Martin, former band director at Childress, is changing his band work from Childress to Munday and is in charge of the local band. Mr. Martin has been working with the local group of students for the past several weeks and stated that the band would be composed of both high school and grade students. New members have been added to the band each week, and the present enrollment is around 35.

Mr. Martin is also director of the Olney band, and stated that he would continue his work at Olney and Munday. Instruction will be given at Munday on Wednesday afternoon of each week, Friday afternoon and night and Saturday.

"As soon as we have a band properly functioning, the entire community will have a band when they need one on various occasions," Mr. Martin said. "This band of course, will be furnished the community without charge." Mr. Martin has his own bus, capable of transporting his band.

Those who have enrolled in band work are: Colleen McCarty, Bernice Wallace, Gladys Booe, Ben Bowden, Doyle Jones, Weldon Higginbotham, Juracy Jones, Dixie Atkinson, Dick Harrell, Eleanor Hendrix, John Spann, Jr., Harold Longino, Bobby Haymes, Wayne Blacklock, Mary Alice Beck, Bud Phillips, Juanice Jones, Hugh Longino, Frankie Boone, Betty Golden, Bobby Broach, Orrin Jo Bowden, D. P. Morgan, Alfred Hendrix, David Eiland, Charles Baker, Jimmie Lee Haney, Wanda Pentecost, Evelyn Reeves, Milton Thompson, Kenneth Baker, Sargent Lowe, Joseph Borden, G. C. Conwell, Helen Albertson, and W. G. Wilburn.

Mrs. Ledbetter, Sister of Local Man Dies Tues.

"Aunt Pert" Ledbetter, 66, sister of R. L. Myers, died on Tuesday evening of last week at Dallas. Mrs. Ledbetter had visited here on several occasions and was well known to Munday citizens.

Mr. and Mrs. Myers, Mrs. Roscoe Partridge and Roe Myers attended the funeral in Dallas.

Mrs. Ledbetter had been a member of the Five Mile Baptist Church there for fifty years.

Mrs. Etta Webb was in Knox City last week end, visiting friends and relatives.

COMPETITION IS KEEN IN 4-H CLUB SHOW

Aberdeen-Angus Calf Wins Over Hereford For Top Honors

To Wichita Falls

Ten Best Calves To Be Entered in District Competition

Much interest was shown and competition was keen in the fifth annual Knox County Livestock show which was held at Knox City last Saturday. Twenty well-proportioned fat calves were shown by club boys of this county.

The Hereford "white face" calves, heretofore unbeatable in local livestock shows, took a back seat for the black Aberdeen-Angus steer from the Masterson ranch.

Arnold Koenig, first year exhibitor from Rhineland, placed his head of fat beef at the head of the heavyweight division and left him there. Gaylon Scott, who exhibited the grand champion at Wichita Falls last year, placed his Hereford at top position in the lightweight division.

These two calves were shown for grand championship honors, and soon Ralph Howe, Crosby county agent, slapped the Angus calf as winner of the entire show. The Knox City Lions club presented Koenig with a beautiful sterling plaque for winning the grand championship.

Prizes in the two divisions were: \$7.50 for first, \$6.00 for second, \$4.50 for third and \$3.00 for fourth. Each boy who showed received \$2.50, which included tenth place. To win the lightweight class—780 pounds and under—Scott had to beat out a younger brother, Eldon Scott, who had the grand (Continued on Page Eight)

O. V. Milstead Moves Family Here First Of Week

O. V. Milstead, who owns the Milstead General Repair Shop in Munday, went to Fort Worth last week and returned to Munday the first of this week, moving his family here to make their home.

Mr. and Mrs. Milstead have three children: O. V., Jr., who will enter high school here; Bonnie Jean, a seventh grade student, and Lou-trelle. They arrived here last Tuesday evening.

Mr. Milstead was unable to move his family here last year, because he could not secure a house in Munday.

No Jail Break!—Knox Sheriff Goes To Hospital; Inmates Still In Jail

Freedom means so much to some people that they're willing to use numerous means of obtaining it!

Three boys who were confined to the Knox county jail evidently decided the proper way was to "slug" Sheriff Louis Cartwright and escape to the freedom of the wide open spaces. But Cartwright had a different idea!

Last Tuesday morning, Sheriff Cartwright took breakfast to three of his "boarders," Trusdale Coffee, Boyd Wieck and Eugene Mansfield. They pounced upon him, using chains from cell beds for weapons, evidently thinking it would be an easy matter to gain freedom.

Cartwright's methods of defense were his fists and jail keys, which he started using effectively as he yelled for help. When Deputy Orvel Capohart came to his assistance, Cartwright had subdued the would-be jailbreakers.

Cartwright received treatment at the Knox City hospital for painful head bruises; and, we understand, the three inmates are on a whole-some bread and water diet and have plenty of time ahead of them to ponder over the error of their ways!

"What a Man Does For Himself Dies With Him—
What He Does For His Community Lives On and On"—

WHO OWNS A COMPANY?

A typical American company recently set about finding out who its owners are. It had known, of course, that the company president was no more the sole owner than is the President of the United States the sole owner of the country he administers. The company learned it is owned by average citizens, living average lives, investing their money in average companies because they have faith in American industry and the American plan of producing work and dividends from honest work and honest products.

Many persons might be called indirect stockholders. The enjoy returns without actually owning stock of the company. It comes about, for example, through them having insurance policies on their lives, or homes, or places of business issued by insurance companies that are part owners through shareholdings in the average company. Such investments of paid insurance premiums safeguard the ultimate payment of an insurance policy. Thus each policy holder benefits indirectly by the advance of the companies in which the insurance company has investments. The same is true of those holding shares in investment trusts. Likewise, this may be said of those using the facilities of universities, hospitals, and clinical foundations. These institutions keep going on the earnings of their endowments, realized from holdings in stocks of average American companies. Partnerships in estates are another example.

A breakdown of stockholders of this average company showed that 4,300 of them are men. Some are wealthy. More are not. Then, there are 4,084 women—mothers, wives, sisters, daughters, sweethearts, widows, women who are in business for themselves, teachers, secretaries, clerks, office managers, doctors.

Thus an average American company is owned mostly by ordinary citizens engaged in the regular pursuits of life. But as the result of the ownership being shared by such institutions as universities, hospitals, and charitable organizations, the benefits are passed on to those of the general public who enjoy their facilities and services. This indirectly shares with non-stockholders the fruits of ownership. The public in this way is better off when the average company progresses.

UNWISE CLASS LEGISLATION

The mania for regulating everybody continues to exhibit itself. Among the most recent bills introduced into the Texas legislature is one which would prohibit the advertising of prices for eye-glasses. It would confine advertising to what is known as "educational or institutional" copy.

Now, we see no reason why an optometrist or a firm of optometrists should not have as much right as a grocery store. The service which is rendered is dependent wholly upon the character of the individual and cannot be made a matter of legislation, except that there are general statutes which cover fraud and misrepresentation, but the advertising of prices is in itself a measure of protection to the public against fraud. And it is the customer's privilege to seek service from whom he pleases with knowledge of knowing what it is going to cost before he enters the door.

Such restrictions by legislation as are proposed could have only one tendency, and that is to make easier the charging of higher prices. Any restriction on price publication is a restraint on competition which is the life of business.

How very far this tendency to regulate and restrict is being carried was revealed Thursday by the Dispatch-Journal's Austin correspondent who pointed out that there are now bills before the legislature to license and regulate these classes: naturopathic practitioners (those who treat ailments through diets), itinerant merchants, plumbers, librarians, blacksmiths, shorthand reporters, school janitors, real estate operators, contractors, religious practitioners, school equipment dealers, hospitals, chiropractors, loan brokers and welders.

Anyone who will read the list will agree that it is ridiculous to require the examination and licensing workers in some of these trades or professions. The purpose in many instances, as the correspondent points out, is to selfishly restrict the number of persons who engage in these occupations. Carried to the ultimate extreme, we would have all occupations so bound round with prohibitions that we would have practically a caste system set up, with the chances slim for any person changing his occupation. And the cost of government by reason of the number of bureaus created to administer and enforce regulations continually goes higher.

The legislature will be wise if it pitches most of these proposals into the wastebasket and confines its work to the passing of laws which are unquestionably essential to the public welfare.—Dallas Dispatch Journal, Feb. 10, 1939.

Men's evil manner live in brass. Their virtues we write in water.—Shakespeare.

HIGHEST FIRE LOSSES IN FIVE YEARS

The fire demon is on the rampage again in America. Losses are highest in five years. More homes are going up in smoke. More business establishments are giving up to their arch enemy—fire. And this means that more workmen are losing their jobs.

In eight of the twelve months of the past year there was a definite increase in the fire losses. For 1938, the National Board of Fire Underwriters reports an increase of more than \$17,000,000 over 1937. This is a serious rise in the nation's fire waste—all the more serious because the record shows a more rapid gain in loss in recent months.

Everyone hears of the fire tragedies that wipe out whole families and cause such terrible suffering. What they apparently do not realize is that these unfortunate happenings are multiplied throughout all of America until the annual toll of fire in human lives reaches 10,000 with double that number seriously injured! What a price to pay for carelessness and lack of information about common fire dangers!

With such a record, no one has the right to think that fire will never reach them or their loved ones. Take steps to banish this destructive force before it is too late. The best way is through information and eternal vigilance. Search out the fire dangers in your home and place of business and eliminate them. Then be on guard continually.

In this way America can stop the increase in fire losses—both in lives and property.

THE PRESENT HIGH COST OF DEBT

Children of today are pointed to by many as those who will have to bear the entire brunt of paying off America's rapidly rising debt at some future time. The national debt is pictured as something for future payment. However, these people are thinking only of the principal of the national debt. They overlook the startlingly significant sum that must be paid annually as interest alone on the public debt.

This item of interest has become a major cost of government. In the coming fiscal year, it will exceed by \$185,000,000 the combined costs of maintaining Congress and the departments of Agriculture, Commerce, Interior, Justice, Labor, Post Office, State, Treasury, and all other regular Federal activities. The interest figure from another angle, will be 43 per cent higher than the annual cost of running the government was before the World War.

The cost of \$1,050,000,000 in carrying charges in the fiscal year beginning July 1 in proportion to the size of the national income, will be 78 per cent greater than in 1929. This amounts to almost one dollar out of every five of total federal tax collections.

All of us thus are paying daily in interest charges on this debt. It is a big and growing part of our daily cost of living. We today, are paying the interest, whether we realize it or not. Tomorrow, the children of today will have to try to pay the principal as well as an even greater amount of interest.

PULL TOGETHER FOR PROSPERITY

Not for years have the times been so ripe for all parties in our national society to get together in a genuine effort to cooperate for the national welfare. Unmistakably, the people of America want such cooperation. Unmistakably, the nation needs such cooperation.

So we say to industry, to labor, to agriculture, to government, to everybody—"let's all pull together."

After all, it's an old American custom.—From an editorial in La Verita of Waterbury, Conn.

Three Presidents served the Republic of Texas; Sam Houston, Mirabeau B. Lamar and Anson Jones. Houston served two terms.

Negro slaves, captured by Gulf coast pirates from Spanish slave ships, were sold in Galveston for one dollar a pound.

Blessed is the man who walketh not in the counsel of the ungodly copperheads, nor opposes the march of the gimmers on Washington (with apologies to Solomon).—Bonham Favorite.

A.C.C., Abilene To Be Host For Bible Lecture

Early correspondence indicates that nearly half the states in the union will be represented at the 21st annual Bible Lectureship at Abilene Christian College scheduled for February 19 through 23.

Prominent Church of Christ ministers from over the Southwest each year fill the roster of speakers. This year's list includes about 20 men, with Yater Taunt, minister from Denver, Colo., coming the greatest distance to deliver his lecture.

General theme of the lectureship this year is "Christian Stewardship." The six round-table discussions will center around "The Church." These discussions are set for Tuesday through Thursday, one each morning and one each afternoon.

The college is sending out hundreds of invitations and will play host to the several hundred expected. Last year's out-of-town attendance was estimated at 400 visitors.

SMALLPOX DANGER

With a dozen cases of smallpox and the first death from this disease in nearly twelve years, Dallas has occasion to take precautions against this scourge. Nationally, smallpox has declined drastically in recent decades, as a result of compulsory vaccination of school children and other groups, but many Texans—especially Negroes and Mexicans—evade vaccination, and this increases the hazard for epidemic of a certainly preventable disease.

The fact that one Dallas man, sick with smallpox, visited Houston, Corpus Christi and other cities and rode in a bus with other passengers is especially unfortunate. The action of San Antonio and Austin hospitals in refusing to treat him because he was a non-resident does not speak well for the hospital policies of those cities. Hospital authorities in those cities seemed not to care how many people the sick man exposed to smallpox, as long as he did not bother them for treatment.

Since it is easy for the disease to spread from a dozen victims to hundreds of others, Dallas people

Junior Report

Quite a discussion arose Friday when the Juniors had finished reading the story "The Lady or the Tiger." Briefly, the story is as follows:

Once there was a king, very barbarous in his beliefs and customs. He punished his people that did wrong by letting the accused person open one of two doors, which were exactly alike in size and shape. Behind one door stood a very beautiful girl, and if he should happen to open it, the girl would walk out and they would be immediately married. On the other hand if she should open the other door, a very hungry tiger stood ready to spring upon him and devour him.

Now it happened that the king had a very beautiful daughter, and when he found that a very handsome boy had been keeping her company, he immediately accused the person of doing something against his will and declared that the boy had to face the two

doors. The nights to follow filled the king's daughter with agony and pain. She could picture in her mind her sweetheart being married to another girl. But she also pictured him being torn to pieces by the hungry tiger.

Finally the day came. The people did not know whether they were going to witness a wedding or a killing. The boy entered—tall, brave and handsome. Every one's eyes were fixed on him. Now it happened that the king's daughter knew which door the lady stood behind and also the tiger. The boy shot an anxious look at her, as if to ask "Which?" The girl seemed to know what he asked and she pointed to the right. The boy opened the right door.

"And so," ended the story, "I leave it to all of you: Which came out of the opened door—the lady, or the tiger?"

After much discussion, the majority of the class finally came to the conclusion that the tiger came out of the door... but some just

could not imagine such a thing. They still believe the girl did. What do you think?

Freshman News

Friday at noon, Mr. Hardegree very mysteriously said we might go over to the grade school to their chapel program. When the program had concluded Mr. Moore announced the presentation of the sweaters. At the conclusion of his speech, he introduced Dr. Bass, who, in turn, gave the floor to Mr. Cooper who presented the sweaters.

He opened a large box and brought forth a beautiful sight. The sweaters had a purple brushed wool body with gold leather sleeves, and a large M on the front.

Three freshmen boys—William Walton, Weldon Higginbotham and A. E. Kitchens received sweaters. Others were L. B. Patterson, Wayne Patterson, Marvin McCarty and Bennie Foytik.

Sophomore Report

Information, Please! Can you answer a few simple questions about things in general? If you think so just sink a brain into these.

How many people will the auditorium seat?
 What teacher teaches Algebra 1?
 How many seats are there in the study hall?

How many freshmen are enrolled in Munday High School?
 Has the "Little Yellow Basket" been found?

Active work has actually begun for participation in the Interscholastic League meeting which is to be held March 24. Declaimers, extemporaneous speakers, ready-writers, and spellers are all busily engaged in preparing for these county events.

We wish to announce that on Thursday, February 23, the official A. U. tournament will begin its second session in Munday. This

By TOM FIZDALE

In case you didn't know it, Mr. and Mrs. Radio Listener, you are the most important factor in the entertainment world today. Such a great exposition of showmanship as the 1939 San Francisco World's Fair has just paid tribute to your judgment by scheduling radio headliners to open their enterprise and agents of motion picture stars reveal that a radio program is the greatest insurance of continued popularity a screen star can have. Eddie Cantor, Benny Goodman, Ray Noble and other headliners are the radio entertainers who will lead-off the San Francisco Jubilee and you can bet that the New York World's Fair will use the same pulling power when it gets started.

Speaking of Ray Noble, Vivian Leigh's studio has ordered her to stay clear of the suave Burns & Allen maestro and his wife for fear she'll never pick up the southern accent she needs for the "Scarlett" role if she is exposed to their veddy English accent.

Carl Frank is cast as a flirt in Her Honor, Nancy James, CBS' swell daytime drama, but he does his flirting under the watchful eye of his wife, Barbara Weeks, star of the show. Heh! Heh!

Bob Ripley has added a mystery control, new radio invention, to his collection of Believe-It-Or-Not's housed in his Mammoth (N. Y.) Estate.

Most sprightly daytime musical show is that Smile Parade emceed by many Ransom Sherman. Formerly one of radio's screamingly funny Three Doctors, Emcee Sherman is a candidate for outstanding honors in brightening up the airways. Keep an ear on him.

Versatile Barbara Luddy, First Nighter leading lady, has chalked up another achievement. Decided to crocheted a scarf for a friend but experts said it couldn't be done. So she invented a new stitch, made the scarf, and now the experts are taking lessons from her.

After careless motorists had twice mowed down the small white fence around Bob Hope's house he put up a red lantern and a sign reading: "Danger, Men at Work." It worked.

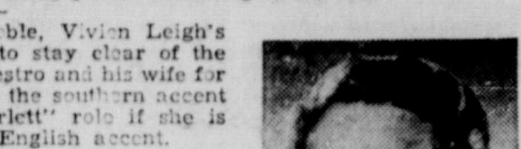

Joe Emerson, Hymns of All Churches soloist, is making one of his rare personal appearances early in March. Will appear in a church concert in Minneapolis.

tournament is held especially for basketball teams which lost places in their county tournaments by some misfortune and who wish to compete for high honors in this great event. Teams from all over Texas will be here. We want to extend each participant in this tournament a hearty and cordial welcome, and we hope that his stay here in Munday will be a very happy one. Let's all cooperate to make it so.

Friday afternoon seven of Munday's football boys were presented with beautiful purple and gold Munday High School jackets. These boys were the only ones out of 37 players to abide by the strict training rules to the end and win one of these symbols of the things for which our school stands. After a very interesting introduction by Coach Billy Cooper, the following

boys walked to the stage, made a speech and received one of these beautiful jackets. The boys were William Walton, Wayne Patterson, L. B. Patterson, Weldon Higginbotham, Marvin McCarty, Bennie Foytik and A. B. Kitchens.

These jackets were bought by the Lions Club for the school. The Lions Club has done much this year to bring about a better football team in Munday, and we wish to thank the Lions for the great work they have done.

Home Ec Report The Home Economics classes seem to be exceedingly busy. The first year class is studying vitamins and minerals. It is a sure thing, few of these girls will ever be

dieticians. One should know about things that are as important in one's life as "food."

In the second year classes, the girls have finished their made-over dresses and have begun to think about tailored dresses. The only thing the girls don't like about making over dresses was that some of the mothers were so pleased with the outcome that they dug out more work for their daughters.

By this time every one in town has heard of the "Beautification Contest" sponsored by the Lions Club. The third year girls have been selected to judge the entries. They expect nearly every home in Munday to cooperate with them. Just look around and see how the yards were improved in last year's contest!

Diginettes!

We Wonder— It seems that Jane and Sue are both after D.P. again.

Where does Allene get all her chewing gum? Why did D.P. stop going to Weidner? (Or has he stopped?)

We never have been able to find out whom Kathleen is after.

Who is this boy that Beth, Zell and Helen are after? Why doesn't Jack ask Kathleen for a date?

Whom was Lamoine with Sunday night at the show? Why does Kathleen write so many things for the Tom Tom?

It couldn't be that she is the one who is interested in the A.A.U. Tournament. Anyway we have been told that it is she who is interested in them. So Lamoine says.

Someone, I'm not telling who, Kathleen, said that they hoped you found one that you didn't have to keep guessing all the time. Maybe he would get tired of it before some people do.

Kathleen said that the girls would start fixing their hair and painting their nails. Just keep an eye on Kathleen and see how she makes out. Her hair and nails will be just as pretty as any of the girls.

Folks, the big moment is near at hand! Only about three weeks more will elapse until the moment you've been waiting for arrives. Yes, it is the Senior Class' presentation of "Bashful Bobby." Thrills and laughs will be yours. Imagine a boy, if you can, too bashful to confess his love to his childhood sweetheart. Imagine still further the thrills and surprises you will get when Bashful Bobby shows up.

Lochinvar, the great lover. Folks, you'll be hearing more about this play, but plan now to see this great event of the year. We'll be expecting you. . . .

This year Baylor University asked each school to select in some manner the most outstanding students of that school. These students are chosen on the basis of scholarship, personality, outside social participation, and potentiality. The Munday High School has chosen the five following students whose names will help compile the Who's Who Column. They are Ann Atkinson, Bennie Foytik, Peggy Jo Haynie, Lenore Longino, and Jimmie Boone.

Chasing Clouds Costly Business

The strange occupation of chasing clouds can become a very costly undertaking. 20th Century-Fox found this out while they were making "Tail Spin," a smashing melodrama of three women who fly, coming to the Roxy Theatre Sunday and Monday.

To obtain clouds of the required density and formation, Paul Mantz famed flier, headed one expedition into the clouds, and Tony Le Vier, winner of the Greve Trophy race, headed the other. They spent three full days in the search until they finally found what they wanted—a beautiful arrangement of cumulous clouds over Kernville, Calif.

The studio accounting department figured out that it cost exactly \$3,819.20. That's a lot of money for clouds!

County Council Of P-TA To Meet Here Feb. 28th

The county council of Parent-Teachers Association will meet in Munday on February 28th at 2:30 p.m., in the school auditorium, at which time Mrs. C. C. Hogue of Knox City will have charge of the program on Safety.

Mr. V. W. Favors, maintenance foreman of the highway department in this county will sponsor one number on the program; another will be rendered by John Ingram's class and a third will be supplied by a member of the West Texas Utilities Co.

The safety program promises to be interesting and educational, and all P-T.A. units are urged to have representatives present.

Mrs. J. C. Campbell was taken to the Wichita Falls Clinic Hospital last Sunday for examination and treatment.

Russell-Meinzer Wedding Ceremony Performed at Vera

Miss Marie Russell and Mr. Bobbie Meinzer, both of Benjamin, were quietly married at Vera last Sunday night at ten o'clock. The marriage ceremony was read by Rev. Evans, Baptist pastor at Vera.

The bride is the daughter of Mr. and Mrs. Aubrey Russell. The bridegroom is the son of Mr. and Mrs. Wyman Meinzer of Benjamin.

The bride was beautiful in a pale blue crepe dress and coat with navy accessories. The groom wore a dark suit.

They were accompanied by the groom's sister, Miss Nella Beth Meinzer and Mr. Bert Louis Swann of Holiday.

The couple returned to Benjamin and went directly to their home, where they had everything in readiness for housekeeping. Both the bride and groom are well known in Knox county and are very popular among the younger social set.

Mrs. W. R. Moore Is Hostess To Luncheon Club

Mrs. W. R. Moore was hostess to members of the Luncheon Club last Thursday. Luncheon was enjoyed at the noon hour, and games of forty-two were enjoyed during the afternoon.

Present were the following members: Mrs. C. R. Elliott, Mrs. Tom Benge, Mrs. S. E. McStay, Mrs. Tom Haney, Mrs. Fred Broach, and Mrs. R. E. Alexander.

Guests were Mrs. H. A. Pendleton and Mrs. C. P. Baker.

Mr. and Mrs. Jack Suggs are the proud parents of a daughter, born February 19. The child has been christened Linda Lee.

Young Women's Missionary Circle Meets Monday Night

On Monday night, February 20, the young women's circle of the Methodist Missionary Society met in the home of Miss Merle Dingus.

Members present were: Miss Dingus, Miss Cloe Mayo, Miss Ruth Baker, Mrs. Earl Clayburn, Mrs. Red Leathers, Mrs. Aaron Edgar, Mrs. Cecil Cooper, Mrs. Glenn Stone, Mrs. Joe Bailey King, Miss Frankie Sanders was the only visitor.

A very interesting program was given after which the circle adjourned to meet on Monday night, February 27, for a program on "Love."

Sunset Home Demonstration Club Meets February 14

The Sunset Home Demonstration Club had an unusually interesting meeting Tuesday evening, February 14 in the home of its president, Mrs. A. P. Garrett.

Council representative Mrs. R. M. Almanrode gave the council report. Mrs. Lonnie Offutt discussed the "Making of Down Comforts," for the benefit of those who did not go to the demonstration at Benjamin recently.

After the business meeting, Miss Astin gave a demonstration on "Dried Fruit Cookery." She prepared a rice pudding, and prune whip, which was served, together with sandwiches, cake and coffee by the hostess. A valentine theme was featured in decorations and menus.

The next meeting will be Feb. 28 in the home of Mrs. J. W. Henderson. Those present were: Mesdames R. C. Partridge, Lonnie Offutt, R. M. Almanrode, J. T. Sykes, Roe Myers, Reginald Walling, J. S. Shannon, I. W. Walling, J. W. Henderson, and the hostess.

The Study Club Meets February 17 At Club House

The Study Club met Friday, February 17, at the club house. Mrs. Jack Mayes, president, presided at the meeting.

After the roll call, Mrs. R. B. Bowden directed the following program:

Acting Lauded—

LEONORA CORONA

Denton, Texas.—At her glamorous best, lovely Leonora Corona, star of Julia Smith's opera, "Cynthia Parker," won the highest praise of critics when the opera had its world premiere at the North Texas State Teachers College here February 16-17.

Cast as the tragic heroine of an opera which was based on the life story of a Texas white woman who was captured as a child by Comanches, the former Metropolitan prima donna gave a moving and scintillating performance. She is shown above in the Indian costume Cynthia wears when she is captured by Sul Ross and his Texas Rangers after Ross slays Nona, chief of Comanches and husband of Cynthia.

Mr. and Mrs. Don Farris were visitors in Stamford last Sunday afternoon.

Mr. and Mrs. W. R. Cabaness and son, Ralph, visited relatives in San Angelo and Sweetwater over the week end.

Dr. Joe Davis Injured Friday In Car Mishap

Dr. Joe Davis came in from his ranch in Kendall county last week end and spent several days here visiting with old friends. When the cold weather hit Monday night, Dr. Davis began making preparations to return to the warmer climate.

Dr. Davis was considerably skinned up as a result of a car accident on the trip to Munday. He stated that ice was forming on his windshield, and finally got so thick he barely had a "peep hole" to see where he was going.

Near Boerne, he met another car, occupied by two persons, and they were apparently driving under the same circumstances. The cars met, and Dr. Davis suffered facial bruises in the accident. He was "knocked out" for a few minutes, but was soon able to resume his trip.

Mr. and Mrs. Raymond Stapp were visitors in Lueders last Sunday.

The Girls Scouts met on February 19th. We have skipped a few meetings lately.

Some of the Girl Scouts have heard from Anna Lois Bryan at Seymour. She's joined the Campfire Girls. We hope that she will take as much interest in it as she did the Girl Scouts.

The Yucca Patrol will give a program next Thursday. Then the Iris Patrol will give a program and a little party for the Yucca Patrol.

Next week we will give the names of those who have passed the tenderfoot test and paid their 50 cents, also the ones who will get badges.

Billie Lou Speece and Lola Jones are the Patrol Leaders who we pass our tests to.

Members present were: Miss Crawford, leader, Billie Lou Speece, LaVerne Haney, Betty Golden, Betty Morris, Mildred Jones, Latreace Johnson, Lola Jones, Joyce Speece, Ruthie Jane Hickman, Helen Haymes, Betty Lou Boone, Marion Roberts, Sue Barton, Bernice Douglas, and Edna Lois Wardlow.

HOW MUCH Does Advertising Cost?

NOT LONG AGO we heard a house-to-house salesman tell a prospect: "I can sell you this gadget 25 per cent cheaper because my firm doesn't advertise."

HOW MUCH DOES ADVERTISING ACUALLY COST?
—As a customer every day in your life, you are entitled to know. AUTOMOBILES are extensively advertised. But only 3½ per cent of the selling price of a car goes for advertising, or about \$17 on a \$500.00 machine. Before large-scale advertising, you paid \$1,000 for a car not so good.

COFFEE, canned foods, soft drinks, etc., have large advertising budgets. Only 5½ per cent of the selling cost, or one-half cent on a 10-cent can, is used for promotional advertising. The average retail store spends from 1 per cent to 4 per cent on advertising. That costs you from 1 to 4 cents on a dollar purchase.

IS IT worth your while to pay this much for the knowledge that advertising gives you? And do you think the extensively advertised products would be possible without the volume production that is entirely dependent on advertising?

Seniors
One of the most interesting programs of the year is scheduled for Friday night, March 3, by the Senior class.

The Seniors invite everyone who cares to enter any musical number, readings, playlets, skits, dancing, and other interesting things may be entered. Cash awards of \$3.00, \$2.00 and \$1.00 will be given for first, second and third places respectively.

Immediately after the program will be a cake walk.

The price of admission will be 10c to everyone. The Seniors urge that everyone come to the program, as it promises to be one of the most interesting programs of the year.

The members of the staff for the school annual have been selected, and production will start forward immediately. The following staff was selected.

Nathan Mitchell, Editor-in-chief.
Buddy Sams, ass't editor.
Lloyd Feemster, Business manager.
Minna Lo Porter, Production

manager.
Duyane Parker, Claudia Lee Snailum, Sports editors.
Robye Jo Trainham, Social and literary editor.

Polly Chamberlain, Art editor.
Frances Diersing, Faculty adviser.

Juniors

It seems as if it has been only a few days since mid-term and here it is exam time again. Everybody seems to have waited until the last minute to prepare notebooks and now the pupils are having a hectic time trying to do everything at once.

Besides being exam time, everybody is studying for the literary events in the Interscholastic League meet.

Sophomore Class

As February draws near to the close the Sophomores are growing more excited. Six weeks exams are coming this week, and after that, we hope no more exams will be given in our old school building. The Sophs are all working, (if

that is possible) and worrying. Only two exams seem to be worrying them, however, history and English.

Interscholastic League

All events for the Interscholastic league are moving forward rapidly. All literary events are well under way, with practically all the students participating.

Field and track events are drawing somewhat more interest than usual, as the county meet will be held here at Benjamin.

The one-act play has been selected and the characters will be selected soon. The play is entitled "The Elopement." It is a farce with four characters, written by Howard Reed. The play is directed by Wendell Watson.

Eugene Patty and Bonnie Patty of Westover visited friends here last Sunday.

Don Farris was a business visitor in Seymour last Saturday.

To Kite Flyers— Utilities Company To Aid Boys For Safe Kite Flying

The approach of kite-flying days has prompted the West Texas Utilities Company to invite youngsters hereabouts to notify the local office in order to prevent possible accidents resulting from entangled kite strings in electric line wires.

"We remember when we used to fly kites," said Wm. R. Cabaness, local manager for the company, "and we're willing to do the work when it comes to rescuing a kite from light and power poles and lines."

He urged that boys notify the local office in event their kites become entangled so that an experienced pole-climber can help get it down.

"The safest thing," he said, "is not to fly kites near the lines due to the danger of contact with current. We are anxious to prevent possible tragedy from interfering with the fun of flying a kite."

He urged parents to cooperate by insisting that dry, clean string always be used for kites and kite-tails instead of damp string or wire, he said, "is a dangerous practice."

Red Leathers, Barton Carl of Goree, and Sidney Lee went to Fort Worth Monday night, where they saw the final bouts in the Golden Gloves tournament. They reported some real good bouts.

Wifie—I'm going home to mother. I'm through with you.
Hubby—All right, Here's your fare home.
Wifie—Say! How about the return trip?

New Employees Are Added to FSA County Office

Howard M. Williamson, Knox supervisor for the Farm Security Administration, is preparing to go into the heavy lending season with an expanded office force, he revealed today, with the appointment of Mrs. Lillie Mae Daughtrey and Miss Lois A. Williams as supervisor of Home Management and Junior Clerk typist, respectively.

"We expect our heaviest number of loans to be completed within the next 45 days," Mr. Williamson said. "We have a much larger list of applications than last year, but the regional office has assured us that there is no prospect at this time that funds will be lacking for any eligible borrower. However, complete plans of farm and home management and sound rental agreements must be worked out with each individual family before a loan is made."

"To further expedite the making of farm and home plans," Mr. Williamson continued, "prospective borrowers are being called to meetings in groups of ten to a dozen for all-day 'group planning' before making a loan, we must consult with the man and wife in each family and together lay down a sound and detailed plan for the coming year which will provide home-grown food for the family, feed for the livestock, and enough cash to repay the loan."

Clifford B. Jones assumed official duties as president of Texas Technological College February 1, with the opening of the spring semester. The college administrative council extended formal welcome to the new president and his wife at a reception Thursday evening, at which all full time employees of the college were present.

The Faculty Club, social organization, will entertain President and Mrs. Jones with an informal dinner February 22, according to W. L. Stangel, the president. Faculty wives and women faculty members honored Mrs. Jones at a tea Wednesday afternoon.

"What am de maffah, Ah ain't seen you round about lately?"
"Man, Ah dun been sick, Ah has. Why, for days an days Ah wuz afraid to look in de papah, fear Ah would see my name in de died column."

Many Pay Visit To Texas Museum

Visitors from nineteen states and almost ten thousand "home folk" examined Texas Memorial Museum during the first seven days it was open, Dr. E. H. Sel-lards, director, declared.

The four-story \$600,000 building, built by State and Federal government funds, University of Texas alumni and American Legion contributions, was formally opened on the University campus two days before the inauguration of Governor W. Lee O'Daniel. The building houses exhibits in five natural sciences.

First week's visitors registered from Iowa, California, Georgia, Ohio, Kentucky, Minnesota, New Mexico, Michigan, Louisiana, Missouri, Oklahoma, New York, Kansas, Indiana, Wyoming, Illinois, Arkansas, Alabama, and North Carolina.

Liquor Control Board Praised For Its Work

The old "abuses" of pre-prohibition have been largely prevented from returning to Texas because of the "strong enforcement" of the liquor laws, according to former State Sen. V. A. Collins, a leader of the dry forces for 30 years.

Declaring that he was strongly opposed to the sale of liquor in any form, the former Senator nevertheless commended the Liquor Control Board indirectly for its persistent and successful efforts to win respect for the law.

Former Sen. Collins, one of the dry leaders in the Legislature who fought to keep in the constitution the requirement that "the open saloon is forever barred," predicted the return of state-wide prohibition if the law is liberalized and strict enforcement relaxed.

Mrs. Caughran Has Minor Operation

Mrs. Austin Caughran was taken to the Wichita Falls Clinic hospital last Friday, where she submitted to a minor operation.

According to latest reports from the hospital, Mrs. Caughran is recovering from the operation very rapidly. It is likely she will be returned to her home at Munday the latter part of this week.

The Eagles In Action
 The Sunset High Eagles swept to a 42 to 22 victory over the Weiser team Saturday night of last week to become the winners of the invitation tournament held there Thursday, Friday and Saturday. The Eagles entered the tournament and Thursday night they defeated the Paint Creek Pirates by a score of 46 to 31. As the game opened Sunset obtained a lead which they held throughout the game. Both teams played good ball and the game was clean and fast-moving.

The Eagles returned to Weiser Friday night and trimmed the Weiser B team by a score of 36 to 26. The mechanism of the Sunset team was slackened to a certain extent, however, because of the absence of the sparkling forward, Strickland, who was ill. The game was well-played however, and Bur-

ton pulled down scoring honors with eleven points. The winning of this game placed Sunset in the finals with the Weiser A team on Saturday night. The final game consisted of one thrill after another as it was a quick, snappy game with plenty of action. The Eagles played the best game and emerged the victor with a score of 42 to 22.

The Sunset team received a beautiful trophy, which, added to the others won by them this year, makes the sum of five first place trophies, which is a good record for any team. The Eagles enjoyed the Weiser tournament and express their appreciation for the excellent treatment they received while they were there. The Sunset team is entered in the A.A.U. tournament at Munday which starts Thursday, February 23, and runs through February 25. Everyone is invited to attend the tournament and support the Eagles.

My Old Checked Cap
 How well I remember my old checked cap
 That I wore and wore so long,
 Sometimes I wore it forward
 right
 And sometimes wore it backward
 wrong.

O many a time I lost it
 And had to wear another,
 But it was always found again,
 Generally by my mother.

It fell into the water several times
 And twice it got partly burned
 And once it got lost for good and
 all,

Just where—I've never learned.

This poem was written by Billy Clay Matthews, a fifth grade pupil.

Freshman Report
 Since the six weeks examinations are so near at hand, all the Freshmen are very busy working on their English notebooks.

The girls in Home Economics are studying color, and what color each girl in the class could wear best. They are also studying color combinations. They are finding this study very interesting and helpful.

Sophomore Homemaking Report

The sophomore homemaking club had their second meeting last Wednesday on February 15. Some interesting reports were given on parliamentary practice.

The girls are making over dresses. Each girl is doing her best, since the girl with the highest grade has a good chance to go to Galveston.

They are also planning their home projects. Most of them intend to make dresses. They are all interested in their homemaking course, and if it keeps up they will soon have a class of real seamstresses.

The president of the sophomore and freshman club, and the junior-senior club officers are going to Seymour on March 4, to a meeting. They are planning for a grand time.

"Three Days of Grace"
 Watch for it!... Wait for it!
 It's Coming Soon!!

It's "Three Days of Grace," the three-act comedy which has been selected by the junior class of Sunset for their annual play. It is a carnival of hilarity created by the rivalry of Babs and Connie Brooke and their country cousin, Grace, a girl athletic marvel, and contending for the favor of an egotistical young athlete, Bill Thornwald. For Bill's sake, Grace pretended to be a clinging-vine, baby-talk girl, and Babs and Connie snub their sweethearts who retaliate by inducing Spud Bowser, a superb athlete, to dress up as a girl, vamp Bill, and beat him at every game. It's fast and furious fun.

Don't Miss It!

Seniors On Parade
 E. G. Parkhill, Jr., son of Mr. and Mrs. E. G. Parkhill was born June 3, 1921 in the dear old Sunset community.

E. G. has been associated with the Sunset School ever since he entered the third grade. He attended the Gillespie School until the third grade and then started to Sunset.

The Senior Class is very proud of E. G., for his being selected by the student body as the most popular boy in the Sunset School in 1938. E. G. does excellent work in school and was salutatorian of the seventh grade in 1935. He has also won two honor certificates while he has been in the high school for having an average of above 90 throughout a year's work. E. G.

THE POCKETBOOK OF KNOWLEDGE

won county spelling three years in grade school.

When a sophomore in school, E. G. played a minor part in the junior play of 1937. He played a very comic part in the play as 'Muggsy' and was the making of the play 'For Pete's Sake.' The people of this community will long remember what a good 'girl' E. G. could make. E. G. had a very outstanding part in the Junior play last year and with his ability to act will probably have an outstanding part this year.

E. G. speaks of his musical ability as being a pastime but it proves to be not only entertaining to himself but to everyone else as well. He plays the piano, accordion, and saxophone. He was a member of the Sunset School Band in 1937.

Old-Timer Tells of Worst Stampede In Erath County; Caused by Parrot

One of the old-timers of Erath county tells of the following story about a cattle stampede 50 years ago that practically wrecked the town of Stephenville—all because of a parrot!

"During the '70's, some of the cattle herds being driven North passed through the frontier village of Stephenville. The town consisted of several log cabins with sheds of rawhide lumber. They also had porches of the same material, covered with boards made of pin oak.

"The central and largest structure served as a court room, and one of the others as a saloon where for a quarter of a dollar a purchaser could get a 'fair-sized drink' drawn from a spigot in a fifty-gallon barrel into a tin cup.

Parrot Started Dog Fights
 "Usually there was a group of cowboys in town, and there were more dogs than there were inhabitants. Dog fights furnished the chief amusement. One of the county officers owned a large parrot which usually perched on the roof of the courthouse porch. Naturally, the bird had picked up a considerable amount of cowboy lingo, including profanity. One of the parrot's chief expressions was 'ye-oh-sic-em,' which usually started a dog fight.

"One day a herd of about 1,500 Longhorn Texas steers was being driven through town. The parrot flapped his wings, gave a cowboy yell, and screamed 'ye-oh-sic-em!' In a second all the dogs in town charged the steers, which stampeded and knocked down all the porches along the 'street' and even demolished the interior of some of the shacks.

"The town looked like a cyclone had struck it—and it took two days to get the herd together again."—Stephenville Empire-Tribune.

Mrs. Ben Farmer and daughter, Wynette, of Knox City were shopping in Munday last Saturday afternoon.

Public Power District Given Rep. Johnson

Austin.—Purchase of the Texas Power and Light Company properties in a 16 county Central Texas area recently by the Lower Colorado River Authority, created a unique situation for Cong. Lyndon Johnson, ardent champion of the Authority.

The transaction gave Johnson a district served almost entirely by publicly owned power systems, the only such congressional district in Texas and one of the few in the country.

Under the T.P.L.-L.C.R.A. trade, only two counties in Johnson's district, Williamson and Burleson, are not involved in the deal. The county seats of both of these counties already are served by municipal plants.

The eight other counties of Johnson's ten county district are in the 16 county area involved in the transaction.

Mr. and Mrs. Tom Riggsby, Mr. and Mrs. Lowry Riggsby, Mr. and Mrs. Wesley Russell, and Thomas Riggsby, visited friends and relatives last week in Munday, Texas, Strawn, Texas, and other parts of Palo Pinto County.

Mrs. A. E. Womble is visiting her mother, Mrs. J. H. Strube of DeLeon, Texas, this week.

Senior Class News

We, the Seniors of Rhineland High, are very glad that those dreadful exams are over, but still we have three to take which makes us feel a little bit blue.

In English we have begun to take up diagramming sentences, which we hope will be interesting to us. Maybe some day we can teach somebody else how to diagram. (We hope.)

Monday one of the Seniors tried to diagram "The Six Silly Seniors" but they couldn't find the predicate of the direct object. "Well, I don't blame her at all, do you?"

We wonder why Lucille gave her gum such heck Friday. Could it be that she was angry or just thinking hard?

We also wonder why Bernice, a Junior student, was singing The Dipsey Doodle Monday morning. (Could it have been the effects of the night before?)

We were wondering why Alma and Jean were so thrilled over some Valentines they received through the mail. They really and truly were happy Wednesday morning. Boys, look out! One of these days you will send them one and they will not be so gay over it.

The Seniors were informed that there ought to be a tax on traveling up and down the streets aim-

lessly. Angeline, you better watch out or you may go broke paying taxes.

Famous Sayings
Mr. Hoffman—If you don't like it, you can lump it.

Bertha—I don't see any sense in doing it that way.

Wilma—Now, you think that was smart, don't you?

Gosh-e-e, I don't care either, that ain't fair!

Josephine—Shoot fire, ain't we through yet?

Teresa—Gee Whiz, mine is just as good as hers.

Lucille—What do you mean, anyway? We're gonna get it yet.

Juniors

The Juniors are sorry to report that for the first time this year, we are rather sad and dejected after examinations. But, after all, very few people are happy all their lives.

Even with those gloomy examination returns we were very pleased to hear of the return to our class of our former classmate, Rosa Lee Chandler, who has been attending school in Pampa, Texas.

We have been very puzzled since Friday morning, when Mr. Hoffman said that Lucille could vote, because she was "of age." She must have grown up overnight or something. Any further information on this subject will be greatly appreciated.

Still Coughing?

No matter how many medicines you have tried for your common cough, chest cold, or bronchial irritation, you may get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel germs and phlegm.

Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained. Creomulsion is one word, ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

Could You Guess Why...

Jean is trying to add up the numbers fifty-five and thirty-nine. (So you won't have so much trouble, Jean, the sum is ninety-four.)

Rosa Lee is looking forward to Saturday.

Sophomore Report

Even if we Sophs do act a little dumb sometimes, we make good grades on exams. The class seemed to be a little worried about algebra, but we pulled through.

Can You Imagine This...

Wayne not having his name on the blackboard.

Richard not chewing gum.

Cletus not eating pickles.

Prentice not flying airplanes.

Albert getting his algebra.

LaVerne not getting her lessons.

Genevieve not flirting with the boys. (Wayne?)

Florine facing the front of the room.

Geneva trying to keep from laughing.

Catherine forgetting her bottle and nipple.

Ethel missing a dance.

The Sophomores have decided that the Seniors are having fun here lately, so we have composed a poem about them. Maybe the Sophomores are having fun, too.

Seniors, when you are out having fun

The Sophomores hear the clock striking one,

But, Sophomores, where are you When the clock strikes two?

We wonder why Genevieve came to school last Wednesday morning explaining that she was good the night before. Maybe she was, but we are not dumb, because we know what took place the night before.

The class decided to write something about their reporter:

It seems funny that Ethel, our reporter, is always writing about us and never about herself. We have decided to let the readers know a little about her. Well, she's good when she is sleeping, but when she is out having fun she just wants to keep it up. She may not like this, but we do. Don't we, Sophs?

Freshman Report

Oh! What a surprise to some of the freshmen when they saw their mathematics papers! Did they fail? Well, just ask them!

Since all of the other grades have been putting their favorite songs in the paper, we decided we would do the same:

Roselia: "Out on the Texas Plains."

Florine: "A Sweet Little Headache."

Grade School News
Examinations are over once more, and we are glad!

We are glad to have Victor Snappa back in school. He had been absent several weeks.

Educated
Jerry—Of all my friends, I like the old ones best.

Ted—How come?

Jerry—They're old enough to know better than to borrow money from me.

Speed to Burn
Hogge—Is your stenographer a fast worker?

Wiggs—She's so fast that she has to use a water-cooled typewriter with an asbestos ribbon.

All Both at Once
Charlie—Somebody to see me? Was he tall or short?

Ed—Both!

Charlie—What do you mean?

Ed—He was tall and he wanted to borrow a dollar.

PEEP SHOW

FOR LADIES ONLY
—BY—
MIGNON

Winter is an icicle
Dripping into Spring
Running into rivulets
Making nature sing.

As I am writing this effervescent the prairie is having one of those tantrums, like a youngun' not knowing whether to kick or scream or both. She is throwing a young dust storm and along with it little whirls of snow keep swirling around as if undecided whether to go ahead or let the sand have the full range. But here on my desk is Spring. Golden jonquils as fresh and sweet and lovely as a dewey eyed baby after its morning nap. What a beautiful thing is friendship—what joy it brings, what humbleness it gives my heart—and what inspiration do these lovely blossoms bring. Once they were but brown hairy bulbs covered with a mound of ugliness. They had to strive and push forward and put their feet down into the cold and dark, they had to be watered, they had to have sunlight but otherwise they went right ahead never once thinking they could do anything else but sometime lift their lovely heads to the sun and raise their golden cups in beauty, having overcome every difficulty.

From Vad's, Oklahoma's scintillating columnist, I find this definition of millinery: The art of concocting any kind of a crazy chapau to ride atop or aside a female's dome.

"Who takes of beauty wine and daily bread,
Will know no lack when bitter years are lean."
—David Morton

I fly about from place to place
With scarcely time to wash my face
But Gosh oh gee, I have such fun
Even my hose are on the run.

This week end I'm taking off to Anadarko, that Indian town where a red-dyed river flows along at the edge of the city and where the sky tucks down so cozily like a great tepee with the brilliant Northern Star holding up the middle. My Home Town—in Oklahoma (though really my Home Town is in Texas down on the San Saba) and the home folks are doing so many wonderful things for me that I

Absent-Minded
It was a warm day, and a dull case concerning the rights of river commissioners was being argued. Counsel made speeches of interminable length, and the judge fell into a doze.

"But we must have water here, your honor," thundered the defending lawyer in such stentorian tones that the judge came to.
"All right," he murmured hastily, "but only a very little in mine."

Freight Rate

Hearing To Go

To Washington

Abilene, Feb. 14.—The West Texas Chamber of Commerce campaign against freight rate discriminations, already grown into a nationwide movement, will be discussed at a meeting in Wichita Falls, on Monday, February 20.

Additional affiliates to the WTCC-sponsored Freight Rate Equality Federation will be sought at the session to strengthen the regional organization's case when it's representatives testify before the Foreign and Interstate Commerce Committee hearing in Washington, February 28. Organizations have joined the Federation by the score; additional affiliates are needed, officials said.

The Wichita Falls meeting, called by President H. S. Hilborn, Plainsview, will open at 2:00 p.m. in the Wichita Club in the Hamilton Building. WTCC directors, local Chamber of Commerce presidents and secretaries and other interested persons from more than 30 towns are expected to attend.

Col. E. O. Thompson of the Texas Railroad Commission and WTC manager D. A. Bandeen will attend the committee hearing in Washington. Copies of the WTCC report on freight rate discriminations recently were furnished on request to every member of Congress. This and other data furnished by the organization had aided the freight rate equality bloc of 65 Senators and Congressmen in its work in the present session of Congress.

President Hilborn says that although remarkable progress has been made in the rate equality campaign, the battle is far from won and its ultimate success calls for the cooperation of the entire Southwest.

"The Indiana Legislature has appropriated \$10,000 to fight us on freight rate adjustments. With opposition of this kind we cannot relax in our campaign for one instant. West Texas has taken the leadership for removal of discriminations and we must present a solid front if we are to win," Hilborn declared.

Mrs. E. N. Jones of Paducah spent the week-end here, visiting her son-in-law and daughter, Mr. and Mrs. "Red" Leathers.

Rupert Williams, a student at A. & M. College, visited his parents, Mr. and Mrs. P. V. Williams, over the week-end.

Imagine there'll be a deal of smoke in my eyes. I may die in the poor house, or debtors prison, but I shall never be a pauper, as long as there are those I love, and those who love me enough to tell me right out loud. Wherever it be the sign language of my old time Indian friends, of a bright, quick smile from a little child, or the warm clasp of a friend, I am rich.

I have always a pinch hitter in reach it seems. What a pleasure it is to have as my guest reviewer this week, Elsie Smith Parker, one time editor of the "Southwestern," poet, author and friend, who will review Elizabeth Conley Neal's beautiful book, "Moments of Meditation."

Foreword by Winter King c 1938. Saxon Publishing Company, Dallas, 12.00.

"I always think the cover of a book is like a door, which opens into someone's heart, where I've not been before" to paraphrase the well known lines of a famous author. So with this book by Mrs. Neal, it is an open door into the heart of a woman who has looked on life and found it good.

She has a keen knowledge of the classics, for a line here and there is like remembered music, in a new setting. She loves and sees beauty in the simple things, for the book is filled with little word pictures, when with consonant and vowel she builds the fairy pictures of the imagination which shift and change with our every mood.

Simple things of life, which after all are the things which spell happiness to each one of us are in this book, and there is a poem, a picture for our every experience, our every problem, our every joy.

One of the great sages has said "The only things we ever learn are the things we already know—maybe this is the secret of the book."

The dear forgotten friendships, our neglected prayers, our brothers and sisters, our parents, glimpses into the great heart of Mother Earth, and love for God and man—that is all the book tells of, but you cannot read it without a stir and tug at the heart strings, a flood of memories, a joy in the zest of living, and of such things are great books made.

—Elsie Smith Parker
