Look
To The
East

By Aaron Edgar

Looks like we'll need to dig out our old Elgin pocket watch.

They may be coming back into style, you know.

Some years ago, the trend began growing stronger toward the wrist watch, those where you might tell the time of day just by raising the wrist to eye level—just as easy as "the flick of bic."

Now they have watches of almost any style, make or description. Even the digital watch is sort of taking the day today.

But it's not often that you see a pocket watch.

Along with the advent of the wrist watch came changes in men's clothing. One of the changes that was hardest for us to become accustomed to was doing away with men's vests in suits.

A vest was the most useful and most needed garment in men's clothing. It just didn't seem stylish to don a suit without the vest as a third piece. It seemed even more comfortable to wear the vest, even with double breasted suits.

The vest contained four very convenient pockets, two top pockets and two further below and nearer the middle. These were very convenient for carrying a number of men's necessary items.

Besides, a well-fitted vest with sturdily attached buttons, when properly worn, helped to keep the bulging tummy less noticeable.

Even in the fall or early spring, when a coat wasn't necessary for comfort, men would usually shed their coats and continue to wear the vest, it generally being unbuttoned at this stage. This was worn without the coat because of the convenient pockets.

But vests are coming back!

Just recently we received an advertisement in the mail showing a new style in men's suits. It was a neatly striped vest suit "tailored precisely by one of America's most respected makers in the mainstream of contemporary styling—that speaks eloquently of your good taste."

We noticed particularly that a watch chain was worn with this style, running from a right pocket to the left and threaded through the third buttonhole from the top.

Now this was just like a former boss of ours wore his vest. On one end of the chain was his pocket watch; on the other was a tiny penknife that wasn't worth much except for cleaning the finger nails or picking stickers out of the hand. It was stylish, though!

When the vest went out of style, men had to resort to the watch pocket in their trousers. When watches were worn in this manner, the golden watch chain which had to be run into a side pocket of the trousers became almost unnoticeable.

Finally, they quit putting watch pockets in men's trousers. That's when our pocket watch had to be relegated to some storage compartment in the house.

Airport Dedication Set For Friday

Want To Take A Trip?

Want to take a trip pretty soon? A fun-filled trip, but one for the benefit of the Munday area?

That's what is being planned for people of Munday who are interested in securing an industry for our area.

A seminar for Munday people, only, who want to know the procedure in

Lions District Gov. Speaks At Lions Meeting

Hubert A. Owens, a former band director of the Munday Mogul Band, now district governor of Dist. 2E-1, Lions International, paid his official visit to the Munday Lions Club last Tuesday.

After a few humorous remarks of his experiences in Munday, Owens launched into an interesting and inspirational address on the aims and objects of Lions Clubs.

He said that "Lions work away, little realizing the astounding work we do for the unfortunate, crippled, blind and diabetic children."

The district which he serves has 62 clubs with 2,600 members. Lions International is in 149 countries with 30,000 clubs and a membership of 1,200,000. The goal is to reach 2 million members this year. Texas hopes to increase its membership from 40,000 to 50,000.

Some of the Lions goals, as related by Owens are: active support of the Texas Lions Camp for crippled children with 100% support from members; 100% support of Lions Care Program, which has this year the building of a 4-room school in Peru; 100% support of the District Eye Bank, whereby people may have cornea transplants if needed, and active support of Water Inc., for the conservation of water, "which is very precious in the southwest."

Owens visited briefly with old friends at the close of the meeting.

securing an industry will be held in Austin on Thursday, November 4. Members of the Texas Industrial Commission will meet with local people in this seminar and instruct them on proper procedure.

It is hoped that at least 30 people will sign up to make this trip. If successful in this figure, the trip can be made by chartered bus. You'll have fun, and you'll be putting in a plug for Munday in one of the town's most urgent needs.

If you can make the trip, please register your name at the local Chamber of Commerce office.

It's Time To Renew

"Be sure to keep your paper coming!"

These words are music to the ears of the Munday Courier staff when one of the subscribers reminds them that they enjoy the paper and don't want to miss a single issue. And with the Courier recently celebrating its sixth birthday, renewal time for the majority of our subscribers has arrived. In order to "keep that paper coming" you need to send or bring in your renewal soon as possible.

Generally, we send out renewal notices, but with over one-half of our subscription list due in November, the month would be out by the time we get around to notifying everyone. And with postage rates increased, it gets pretty costly to send out several hundred post cards.

We would appreciate it very much if you would come in as early as possible and renew your paper. Look at the date on your paper and if it says, 11/4/76, you need to renew, and we promise to do our best to keep our readers "the best informed readers in Knox County."

COMING EVENT
Eastern Star will meet Tuesday, October 19, at 8 p. m.

DEMONSTRATING The new video tape equipment just added to the Munday Mogul Band is band director Jerry Frazier. As he photographs the trophies in the trophy case, the image is reproduced on the television screen. Frazier said possibilities for the use of this equipment are almost limitless.

Video Tape Equipment Added To Band Program

The Big Purple Cloud is proud to announce the arrival of a brand new, gleaming set of video tape equipment for the use and improvement of the Munday band program, according to Jerry Frazier, band director.

This equipment was purchased by the Band Boosters Club with funds raised by their various activities. Mr. Frazier and all students in the band program express their gratitude to this fine organization for this valuable gift of equipment and for their enthusiastic support. Thanks is also expressed to the townspeople for their support of the Band Boosters in their efforts to raise funds.

WEATHER

For seven days ending at 7 a. m. October 12, 1976, as compiled by Goodson Sellers, U. S. Weather Observer.

TEMPERATURES

	HIGH	LOW
Oct. 5	71	50
Oct. 6	66	45
Oct. 7	48	46
Oct. 8	63	37
Oct. 9	84	37
Oct. 10	86	44
Oct. 11	83	48

The video tape equipment will be put to many valuable uses in the school's music program. In working with the high school and junior high bands, Mr. Frazier will be able to tape practice sessions, then play them back immediately on a television unit complete with sound. Students may see individual and group mistakes and may immediately begin to improve what is wrong. The tape may also be stopped at any point to single out problem spots.

At the elementary level, Mr. Frazier plans to use the video tape exclusively. Instructional units on individual instruments and topics can be taped and viewed in practice rooms by one or more students who need help, leaving the instructor free to work with other students at the same time.

"Possibilities for the use of this equipment are almost limitless," Mr. Frazier stated. "Anyone in the community who is interested in seeing the equipment is invited to attend the next

Band Booster meeting. Once again, we say "Thanks, Band Boosters' for your help."

Fall Festival At Benjamin October 16th

The Benjamin Ex-Student Association is sponsoring a Fall Festival Saturday, October 16 starting at 1:00 p. m. The afternoon activities will include horse races, jack pot and match racing climaxed by a barbecue following the races. All entry fees will be jack potted.

A dance will be held Saturday night on the "Slab" in Benjamin with music by The Sundowners.

Proceeds from the festival, barbecue and dance will be used for the Community, Social and Service Building in Benjamin.

An ad elsewhere in the paper gives the location and prices.

Munday Vs. Crowell

Battle Rages For A Full Hour, But The Score Remains The Same

The Munday Moguls went a-visiting Friday night all prepared for a battle. They were met by the Crowell Wildcats, who apparently had the same thing in mind.

The tables were turned, however, because the two teams waged defensive instead of offensive scoring battles. When the final whistle sounded ending a full hour (four quarters) of the fierce defensive struggle, the score remained the same as when they started.

It was nothing for Munday, and none for Crowell! The contest was a hard-fought, but apparently clean, defensive battle.

Crowell tried three field goals but had one blocked and two that failed to go through the uprights.

About the only consolation either team had was in the fact they didn't get beat. Both teams have had to settle for a tie on two occasions this season, and they have identical season records: two wins, two ties and one loss.

The statistics are also interesting. Crowell had 11 first downs to Munday's five, and the Wildcats had 150 yards rushing to 64 for the Moguls.

Both teams were two for six in passing, but Munday passed for 85 yards, while

Fly-in At Nine O'Clock To Open Ceremonies

Formal opening and dedication of the new Munday Municipal Airport will be held on Friday, October 15, at the airstrip three miles northeast of Munday.

The 3,200-foot paved and lighted strip with beacon light is now operational and available to the public. This is the first phase of construction on the site. Plans are in the making for hangars, a communications system and other facilities.

The total cost has been \$201,000, with 75 per cent of the cost being furnished by the Federal Aviation Administration. The Texas Aeronautic Commission, the City of Munday and private contributions make up the balance. It was begun in October, 1971, and completed in March of this year.

Dedication of the air strip will begin at 9 a. m. Friday with a fly-in. Coffee and doughnuts will be served to early arrivals.

Congressman Omar Burleson of the 17th Texas District will give the principal address. He will be introduced by State Rep. W. S. (Bill) Healy of Paducah.

Others on the program will be Gerald Musick, chief engineer, Federal Aviation Administration, Fort Worth; Leonard Henry, engineer Texas Aeronautics Commission, Austin. Clint J. Norman, mayor of Munday, will emcee the program.

Trophies will be awarded to the first arrival, first woman pilot and the pilot traveling the farthest distance, with other trophies being awarded during the afternoon hours for dropping flour bombs on fixed targets, and spot landing contests.

A free barbecue will be served to all visitors at the noon hour.

The landing strip, located on eight acres of land, provides ample space for future expansion. In October, 1971, the project was sought through an Airport Advisory Board commissioned by the City Planning Commission under direction

of the late Mayor J. E. Reeves, who was mayor of Munday for 12 consecutive years. Mr. Reeves retired in April of this year and passed away in May.

The advisory board responsible for securing and completion of the land, grants and local financing was composed of M. L. Wiggins, chairman; Robert Nix, Doris Dickerson, Dr. W. H. Stewart, C. P. Baker and Mrs. Callie Ann Combs.

The Munday High School Band, directed by Jerry Frazier, will furnish music during the morning ceremonies.

The public is invited to attend the dedication and barbecue. Mayor Norman extends a special invitation to all area pilots and flying enthusiasts. Static displays from area military bases will be set up at the site.

Co. Convention Of Farm Bureau Is October 18

Monday, October 18, has been set for the 1976 convention of the Knox County Farm Bureau, according to Don Welch, local agency manager. The convention will be at the Munday High School.

Plans call for a barbecue supper, door prizes and entertainment featuring a country and western band. The nominating committee will present names of several members to fill places of retiring members of the board of directors.

Resolutions to be presented will include: ad valorem tax, commodity price supports, exports and imports, Red Cross training, and agricultural chemicals.

"This has been a great year for Farm Bureau," Mr. Welch said. "We have added, 94 families during the year, and we hope to make it 100 by convention time."

Moguls Take On Rotan Friday

The Munday Moguls will entertain the Rotan Yellowhammers in another conference game next Friday night on Scruggs Field.

This promises to be an interesting game—and one that could play a part in keeping the Moguls in the running

for the district race. They'll be preparing for this contest with the idea of adding another victory to their record.

Local fans are urged to attend the game and support the Moguls. You'll be glad you did!

ONCE A YEAR The Munday Lions Club sponsors what is known as a "Broom Sale", but many household items are included in the sale. Here W. H. Bellinghausen, Aaron Edgar and Douglas Myers pose with "products made by the blind" during the club's annual sale last Tuesday.

**Goree Manages
Win From Bethel**

The Goree Wildcats edged
out a 6 to 0 win over the
Bethel Baptist Spartans at
Bethel last Friday night.

After three quarters of
battling on a wet, sloppy
field, with both the Wildcats
and the Baptists trading
blows, Goree made the
touchdown that spelled the
difference. Oddly enough,
the credit went to the
Wildcat defense.

The TD was set up when
Mark Coffman, tackle, block-
ed a Bethel punt on the
10-yard line. The ball fell
into the hands of safety Mike
Ehols on the 22-yard-line
and he ran it in for the
touchdown.

**Weinert Wins
Over Lueders-Avoca**

Quarterback Mike Stew-
art accounted for three
touchdowns and passed for
two more Friday night at
Weinert as the Bulldogs
took an easy victory over
the Lueders-Avoca Raiders.
The score was 47 to 19 in the
District 4-B six-man contest.

Walter Patton scored two
TDs on runs, and Brian
Adams, fullback, got one on
a two-yard plunge.

**Haskell Adds One
Over Yellowhammers**

The Haskell Indians clob-
bered the Rotan Yellowham-
mers by a 47 to 8 score
Friday night at Rotan.

The Indians defense held
the host team to only five
first downs, while they
romped behind halfbacks
Vonnie Hise and Kelvan
Marshall, who combined for
five touchdowns.

Haskell is ranked 20th in
the state Class A football.

**Paducah Annexes
Her First Victory**

Led by quarterback Lee
Tippen and halfback Weldon
Jones, the Paducah Dragons
got their first victory Friday
night by defeating their
visitors, the Aspermont
Hornets, by a lopsided score
of 49 to 6.

Tippen passed for two
touchdowns and ran for
another, while Jones scored
three times, once on an
electrifying 70-yard punt
return.

Aspermont's score came
in the last minutes of the
first period.

**Pied Pipers Shut
Out Knox City**

Delbert Thompson gained
a total of 234 yards Friday

night to lead his Pied Pipers
to a 35 to 0 shutout over the
Knox City Greyhounds. The
game was played at Hamlin.

The host team scored 13
points in the first period,
then after a scoreless second
quarter, they added 8 in the
third and 14 in the fourth.

Hamlin is now 4-1 for the
year and 2-0 in district play.
Knox City is 1-1 in the
district and 3-2 for the year.

Cotton Programs To Be Discussed At Stamford

STAMFORD -- Area cotton
leaders will have an oppor-
tunity to hear firsthand
reports from officials of
Cotton Incorporated (CI) on
current and projected mar-
ket and research develop-
ment programs in behalf of
U. S. growers.

The informational meet-
ing is scheduled for 10 a. m.,
Oct. 14 at the City Hall in
Stamford.

Herman Propst, leading
cotton grower of Anson, will
preside.

R. H. Whorton, Roscoe
producer, is scheduled to

detail progress being made
through the current dollar-a-
bale effort and to outline
cotton's research and oppor-
tunity needs and opportuni-
ties. CI staff members also
will take part in the
program.

The meeting is among a
series of 29 being held across
the Cotton Belt for producer
leadership discussion of
issues at stake in the cotton
referendum expected to be
held late this year on in-
creased assessments. Over-
whelming support of the
need for expanded cotton
promotion and research
programs was expressed by
cotton leaders in recently

completed public field hear-
ings conducted by the U. S.
Department of Agriculture.

Mr. Propst explained that
producers' programs are
getting results, but inflation
has eroded the buying
power of their \$1-perbale
contribution by more than
40 percent. In addition,
federal budget cuts have
eliminated supplemental
government funding for the
programs.

"Cotton is at a big price
disadvantage with its major
synthetic competitors," Mr.
Propst continued, "and we
must expand our research
and promotion if we are to
maintain markets."

Andrea Jones, Jerry Walling Wed In Groom Baptist Church

In a double ring ceremony Saturday afternoon, September 25, 1976, in the First Baptist Church of Groom, Andrea Jones, daughter of Mr. and Mrs. Bobby Jones, Groom, became the bride of Jerry Walling, son of Mr. and Mrs. Lendon Walling, Munday.

Rev. John Gillispie read the service before an altar banked with arrangements of greenery flanked by brass candelabras on each side holding light blue cathedral tapers. Aisle pews were marked with white satin bows.

As an organ prelude, Miss Debbie Fields, Groom, played appropriate wedding selections. Mr. and Mrs. Jack Hutson sang, "If" and "Time In A Bottle." "The Wedding Prayer" was sung as a benediction. The traditional wedding marches were used.

The bride given in marriage by her father, attired in a formal gown of sheer organza over taffeta designed with a Victorian neckline of Clunx lace and a bib of lace enhanced by seed pearls forming the bodice. Her long tapered sleeves of Clunx lace were bordered in pearls and enhanced by a lace flounce at the cuffs which fell softly over the hands. Her soft princess line skirt fell to a deep lace flounce enhanced by lace appliques and swept to back fullness which cascaded into a full chapel train. The veil consisting of a beaded head piece and full chapel train, boarded with Clunx lace. She carried a cascade arrangement of phalaenopsis orchids, roses, carnations and baby's breath.

Maid of honor was Miss Mary Beth Bennett of Friona, Tex. Bridesmaids were Miss Gwyn Jones, Amarillo, sister of the bride and Mrs. Jamie Welborn, Munday, Tex. The Maid of honor wore a long dress of light blue crepe with a midriff waist line of white

and blue eyelet. The short puff sleeves and ruffle at the neckline were also of eyelet. The bridesmaids wore identical dresses to that of the Maid of honor except in pale yellow. They carried colonial bouquets of a phalaenopsis orchid and carnations.

Little Miss Mandie Walling, Lubbock, niece of the Groom, flower girl was dressed identical to the maid of honor in pale blue. Ring bearer was Master Jim Ford of Grandberry, nephew of the bridegroom. Lighting the candles was Brian Yancy, Abilene, cousin of the bridegroom.

Bruce Yancy, Abilene, cousin of the bridegroom served as best man. Groomsman were Lynn Walling, Lubbock, brother of the bridegroom and Randy Terry, Friona. Seating wed-

ding guests were Chris Butler, Lubbock, cousin of the bride, Troy Ritter, Groom, brother-in-law of the bride and Johnny Earp, Weinert, Tex.

A reception honoring the couple immediately followed the ceremony in Fellowship Hall of the church. The bride's table was laid with a floor length light blue satin cloth centered with the divided tier wedding cake topped with a nosegay of roses and carnations. On either side was a silver candelabra complimented with arrangements of carnations and roses. The silver punch bowl was presided over by Miss Becky Gooch, Pampa and Mrs. Donald Burgin of Groom, while Miss Martha Kuehler and Miss Marla Ritter of Groom served the cake.

The bridegroom's table was laid with a floor length light blue satin cloth. Mrs. Lynn Walling, Lubbock, sister-in-law of the bridegroom, and Mrs. Bruce Yancy, Abilene presided at the silver coffee service and served chocolate cake to guests.

Mrs. Troy Ritter, Groom, sister of the bride, was at the guest register.

For traveling Mrs. Walling wore a blue and white dress of ultressa. Her corsage of phalaenopsis orchids was from her bridal bouquet.

The bride was a 1974 graduate of Groom High School and attended WTSU two years.

The bridegroom was a 1974 graduate of Munday High School and attended WTSU two years.

The couple will reside in Munday, Texas.

Pre nuptial events were a wedding shower in Groom given in the home of Mrs. Truman Bridges with Mmes. Austin Crowell, Fred Brown, Leroy Frederiksen, John Krizan, C. M. Ham, Tom Britten, Wallace Bichsel, Jack Stephens, Donald Ritter, Earl Barker and Stella Patterson. The Silver punch bowl was presided over by Sharon Britten and Connie Crowell. Guests were registered by Mrs. Troy Ritter. A wedding shower was given in Munday, Texas in Fellowship Hall of Gillispie Baptist Church with Mmes. Robert Hosea, Cecil Welch, Buddy Cypert, Howard Voss, Joe Warren, Herschell Alexander, Bobbie Kegley, T. J. Partridge, Earl Claburn, Agnes Myers, Mildred Hendrix and Billy Cypert. The crystal punch bowl was presided over by Mrs. Jamie Welborn and Miss Brenda Walling. Mrs. Buddy Cypert registered the guests.

Officers for the coming year for the Chapter were elected as follows: president, Glen Smith; vice president, Earl McNeill; secretary, Mrs. R. M. Almanrode; treasurer, Mrs. R. B. Cary. These officers will be installed at the November meeting. At the close of the business session, Mrs. E. Mrs. E. W. Harrell gave the blessing for the food. The delicious meal and fellowship were enjoyed by all.

In the afternoon session Mrs. Logan from Knox City showed a film on the Swine Flu shot program. This film was produced by the Texas Dept. of Health. The severe epidemics of various types of flu seem to occur about every 10 years. The worst occurred in 1918 when there was no effective vaccine. Since that time the flu has killed many thousands here and abroad. The shots will be available here in a short time. Watch the papers for the date.

E. V. Shackelford showed the film "Journeys End" after which the meeting was adjourned. There were 27 members and 2 visitors in attendance.

The regular game night will be October 16. The Chapter now has 60 members. Reporter, Grace Gollehon.

AARP Meets

The Munday Chapter of AARP met in regular session Thursday, October 7 at 10:30 a. m. Mrs. Ben Tuggle led the opening prayer. Mrs. R. M. Almanrode, chapter president, directed the audience in singing "America" with Mrs. M. L. Raynes at the piano, then the pledge to the flag was given.

Mrs. R. B. Cary took the count on members who had taken part in community activities and she read a letter clipped from the Abilene Reporter News urging members to vote. A report was given on the board meeting held Wednesday, October 6 at 10 a. m. The Defensive Drivers Course will be taught at the Community Center in late November, date to be determined later.

Members are invited to visit the Senior Citizens group in Quanah October 14, also to Gilliland October 20 for a fun day in which several counties will participate.

Officers for the coming year for the Chapter were elected as follows: president, Glen Smith; vice president, Earl McNeill; secretary, Mrs. R. M. Almanrode; treasurer, Mrs. R. B. Cary. These officers will be installed at the November meeting. At the close of the business session, Mrs. E. Mrs. E. W. Harrell gave the blessing for the food. The delicious meal and fellowship were enjoyed by all.

In the afternoon session Mrs. Logan from Knox City showed a film on the Swine Flu shot program. This film was produced by the Texas Dept. of Health. The severe epidemics of various types of flu seem to occur about every 10 years. The worst occurred in 1918 when there was no effective vaccine. Since that time the flu has killed many thousands here and abroad. The shots will be available here in a short time. Watch the papers for the date.

E. V. Shackelford showed the film "Journeys End" after which the meeting was adjourned. There were 27 members and 2 visitors in attendance.

LOOK WHO'S HERE
Wish I knew who to blame for not getting my arrival in the Munday Courier on time so that you'd know the Cooks had a son. I am Jeffrey Dwayne Cook and I arrived at 5:07 a. m. Wednesday, September 29, 1976 at the General Hospital in Wichita Falls. I weighed 5 pounds, 8 ounces and was 19 1/2 inches long. My parents are Mr. and Mrs. Johnny Cook of Gilliland and I have a big sister, Alicia Rachelle, who is very excited over having a brother. My grandparents are Mr. and Mrs. J. T. Cook of Gilliland and Mr. and Mrs. Dorse Collins of Munday. Great-grandparents are Mrs. J. D. Cook and Mrs. J. C. Black, both of Truscott and Mrs. P. V. Williams of Munday.

Bill's Blabbin

By Bill Bowley

Got a phone call from grandson No. 2, Joey Bowley, last week all elated because he had received a promotion. His rating is Sr. Airman now. He was trying to tell us in a short way so he said Big S, little R, big A, which was greek to us until he told us he was now Senior Airman. We congratulated him, and of course we were very proud for him.

blab
Talk about stupid dreams, the one we had Sunday night was just that. We dreamed we were eating cold oysters. Seems as if there was a paper sack of them and they were in little round balls and we were eating them out of

the sack. UGH.
blab

Just wish we could get our hands on the thief that stripped our pear tree. It wasn't overloaded, but it probably had three or four dozen pears on it which would have been ample for us to make pear preserves for breakfast.

blab
Went through a very torturous weekend. Had to have a couple of teeth pulled and we got all 'swole' up, especially in the right jaw. We moaned and groaned most of the weekend and nearly starved. We like soup, but our appetite called for more, but the vacancy of where our teeth used to be rejected the idea.

blab
Are you getting to see enough ball games? We sure got fed up over the

weekend. We'd watch until getting so bored, we'd have to get up and walk around outside. Once we wandered caty-cornered over to our niece's, the Redders, house and that put us in a much better mood, because we felt so sorry for her.

blab
Rhiney and Billy are paneling her whole house, and if we thought we had a mess with just doing the bathroom at our house, you should see the mess hers is in, and she has three school children. She was taking it much calmer than we ever could, but did say she would be glad to see her house straightened up once more. Sure is going to be pretty though. What's that saying? 'The bitter with the sweet, or 'sompin' like that.

Parents Have Role In Emotions Of Children

Parents need a clear view of their role in developing the emotional health of their child—that they are the builders of a firm foundation for children, Dorothy Taylor, a family life education specialist, says.

"We're going through a time in history when pressures to conform are great. The parent's job is to recognize this and play a role which is something more than passive yielding. "To restore balance, they may sometimes have to help their children stand alone. This is best done when parents demonstrate in their own lives that it is possible to differ from the majority now and then, and that one may gain self-respect and

the respect of others by not always conforming."

Miss Taylor is with the Texas Agricultural Extension Service, the Texas A&M University System.

Children need leadership and authority. Children need parents who now and then question their wish to be different. Parents must be ready to say "no" when necessary. They also need parents who help them counter the drive for conformity—whether it's a choice of friends, mode of dress, speech habits, behavior or moral values. Children learn early that there is such a thing as individual conscience, this specialist reminds.

"Parents must be on the

side of the child's emerging conscience, resourceful in finding ways of helping him do right and avoid wrong. This means consistent discipline within the framework of love. Children want parents who stand for something—children need ideals toward which to strive," she said.

"Parents' job is to educate and civilize their children. This is a gradual, step-by-step process that takes endless patience and the willingness to see children as creatures of growing change.

"Another way parents can help in building emotional security in a child is to know in advance what the common stumbling blocks in growing

up are. With some advance knowledge about growth and the obstacles to growth, parents can develop skill in helping a child over the bumps so he can go forward.

"Parents should use enough pressure to be challenging—but not so much that it discourages a child from trying," she reminded.

All parents want their children to be happy. They want to be able to say "yes" to children whenever possible and to make their home a place where children and their friends will feel free to be themselves. But this doesn't mean being a good pal and joining "bull sessions" is all there is to do, Miss Taylor said.

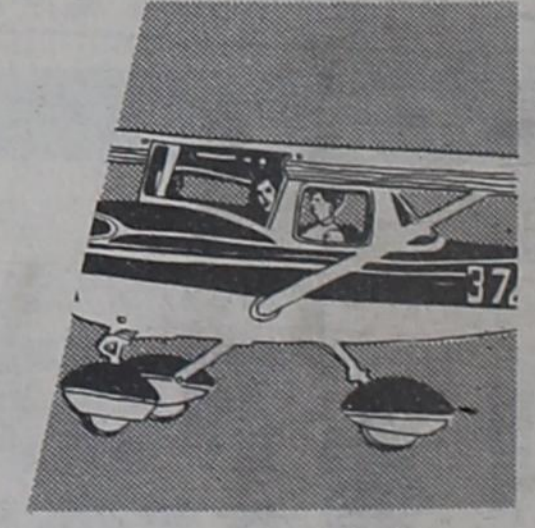

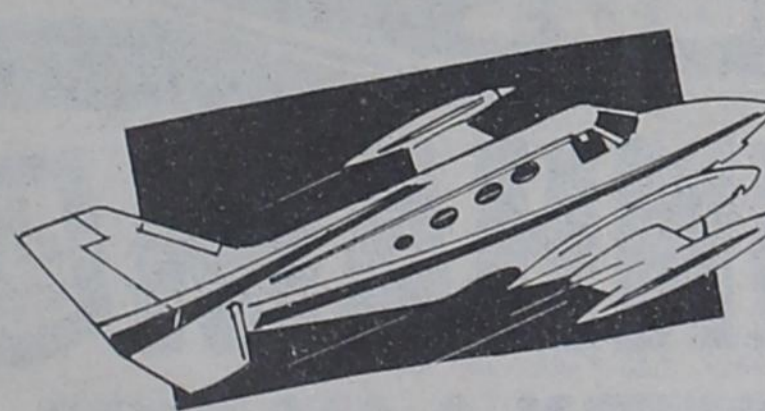

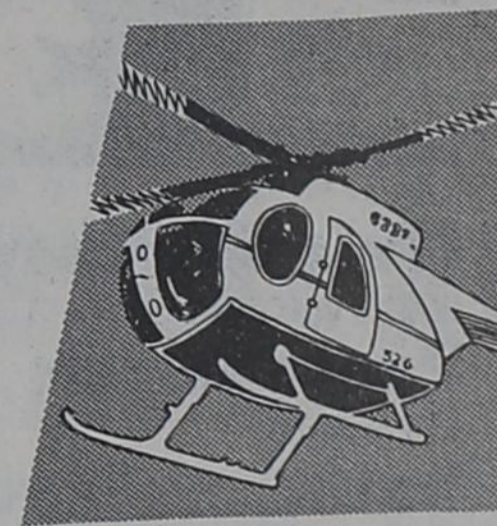

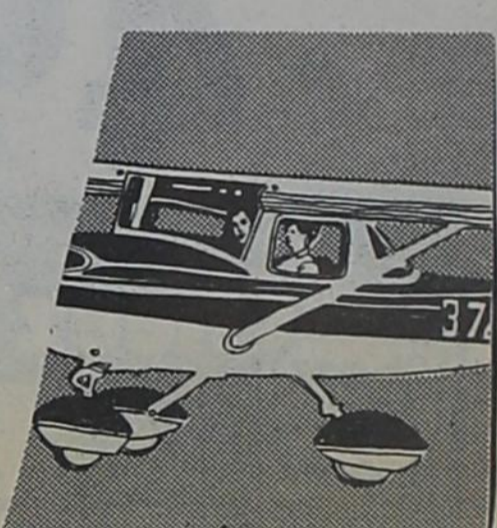

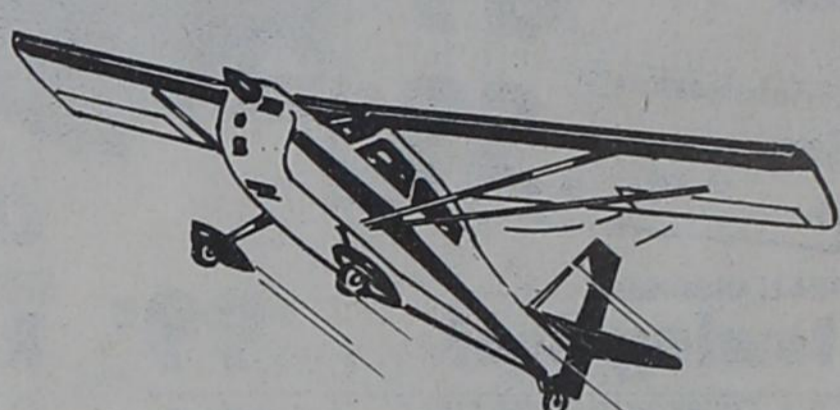

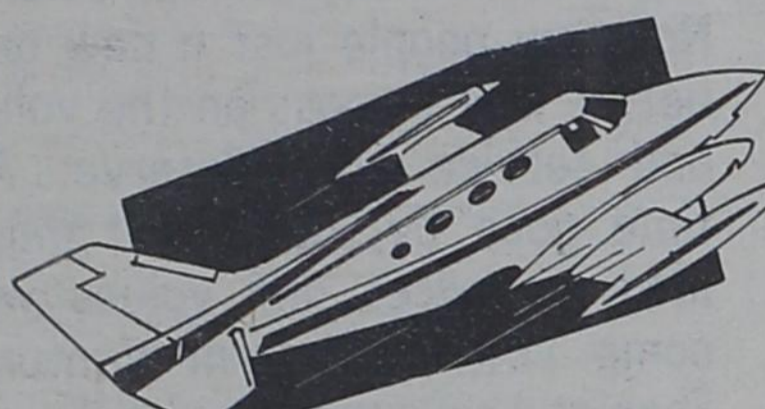

"Most parents learn as

they go along and manage well. Each one has to feel his way and discover what is needed for his own particular family. As this self confidence grows, parents become less anxious and to recognize that the new generation's ups and downs are an inevitable part of growing up." *****

MUNDAY SPLITS DOUBLEHEADER

by Omar Choucair
Robert Mays rushed for two touchdowns to lead the Braves to a 16-6 victory over the Aspermont Hornets Thursday night in the rain. Joe Bob Gray made the conversion on the last touchdown.

The eighth-grade Braves came out on the short end as they lost 8-0 in a hard fought battle.

TOM TOM SENIOR CLASS NEWS

by Tim Hertel
The Senior class has been staying busy thus far in their final year in High School. As most of you know the Seniors sold doughnuts a couple of weeks ago and the sales went very well as we sold 175 dozen doughnuts. We appreciate the willingness of the citizens of Munday to buy our doughnuts and we would like to urge you to continue buying them as we will be selling doughnuts again this Saturday and will sell them several more times before the end of the year.

We would also like to remind each of you that the Seniors will sponsor the annual chili supper this year on Friday, November 5. The price of the tickets has not

yet been set. Tickets will go on sale about a week before the chili supper.

We would like to express our appreciation to Bob Therwhanger, the senior sponsor, and to Liz Andrade our class president, for all that they have done to help us.

TOM TOM JUNIOR MUGGLES DEADLOCK WITH STAMFORD

by Montie McAfee
The Munday Junior Varsity, whose game with Stamford was cancelled Thursday because of rain, traveled to Stamford Saturday morning to play the Bulldogs. The two teams played four quarters of scoreless football as the scoreboard showed 0-0 at the end of the game.

The Muggles threatened to score many times in the game but couldn't cross the goal line. Stamford never threatened to score but the defense played well, holding the Muggles at the 10 yard line as time ran out.

With the tie, the Muggles stand at 0 wins 2 losses and 2 ties going into the game with Haskell this week.

Cotton Strippers Leaving State Require Fumigation

All cotton strippers moving east out of Texas must be fumigated to prevent the spread of the pink bollworm. That warning comes from

O'Brien: Oscar Gutierrez.

Dr. Ray Frisbie, entomologist with the Texas Agricultural Extension Service.

Frisbie points out that the cotton crop in the Mississippi Delta region and other parts of the South has suffered from drought stress and is smaller than usual. So, producers in those areas plan to use stripper harvesters rather than the conventional spindle pickers to gather their crop since stripping is a once-over operation.

Strippers are used almost exclusively in western regions of Texas to harvest cotton, and farmers from the southern states are making

arrangements to contract these machines to harvest their crop. And, since these strippers may be moving from pink bollworm infested areas in Texas on their way to various southern locations, they must be fumigated before crossing the state line.

The pink bollworm is one of the most destructive pests of cotton, and this precaution must be taken to prevent its eastward spread, emphasizes Frisbie.

SBA Region Is Awarded Trophy

The Small Business Administration has awarded the Regional Office of the Year trophy to Region VI, which serves Arkansas, Louisiana, New Mexico, Oklahoma and Texas.

Fred S. Neumann, Director of the Region, accepted the award at ceremonies held in the Agency's Washington Auditorium. "We are of course proud of this award, but just as pleased to know that small business in this five state area is the ultimate winner," he said.

Loans to small businesses in Region VI totaled \$285 million last year. This was the highest volume in the history of the Region, and the highest in the country. Neumann anticipates this figure will be even higher in the year ahead.
