## Farmers Protest Cotton Damage From Herbicides

A representative group of farmers who have sustained cotton damage during recent weeks from what they believed to be aerial spraying of pesticides held a protest meeting at 2:30 p.m. Tuesday in the offices of Farmers Grain Co-Op. This group represented some 10 or more sections of cotton

farms reported to have received damage.

From this meeting, it was indicated that no specific activity could be pinpointed. Farmers began to witness wilted and dying conditions in their cotton crops such as might have been caused by herbicides. Some expressed belief that conditions also indicated sand damage as might have been caused during the heavy wind and dust storm of July 12.

Ronald Bertrand of Vernon, district supervisor of the Texas Department of Agriculture, called the meeting to order, and his group passed out pesticide damage complaint forms for farmers to sign.

"We don't know the extent of damage done," he said, "and you will need to farm this land as usual and

see what develops. We also don't know just now if you are in a controlled area and could become eligible for damage under either the Texas Herbicide Law or the Texas Pesticide Control Act. As the group filled out their complaint forms, Bertrand was asking that someone accompany his forces on inspection tours of the damaged cotton.

Some 30 farmers attended the meeting.

## Local Welder Receives Electric Shock

Blaz Sosa, owner of a welding shop in Munday, received an electrical shock while welding under a vehicle Friday afternoon.

A "raw" wire was the culprit and knocked Mr. Sosa unconscious for a period of time after touching his arm.

After being aware of Mr. Sosa not making noise under the car, a man in the shop called to him. When no answer came, he touched Mr. Sosa and received a shock himself.

The ambulance transported Mr. Sosa to Knox County Hospital where he remained until Sunday afternoon. He is reported to be doing well at this time.

## SUMMER BAND BEGINS AUGUST 13

The Big Purple Cloud will begin preparation for 1979 marching season at 8:00 Monday morning August 13, at the band hall. The general schedule for the first week will be 8:00 a.m. to 12:00 a.m. and 6:30 p.m. to 8:30 p.m.

Those students wanting to play football and band should go to football workout, then come to the band practice in the mornings.

## The Weather

For seven days ending at 5 p.m., Monday, July 30, as compiled by Goodson Sellers, U. S. Weather Observer.

	HIGH	LOW

July 25	98	74
July 26	99	70
July 27	99	68
July 28	100	73
July 29	100	76
July 30	99	76
Rainfall year-to-date	13.43	

## 'Birds Can't Talk' Favorite Expression of Mynah Bird

A customer might be standing by the counter of Jello and puddings in a local grocery in Munday and be startled by a squawky phrase, "Birds can't talk". Looking around and observing no one appearing to have made such a remark, the shopper might well hear, "Help!"

A glance upward reveals a cage on top the frozen food compartment. Inside this ordinary cage sits Joe, a mynah bird.

Joe makes his home with Jay and DeAnn Haynie in Munday. He belonged to DeAnn's grandfather in Knox City, and when the grandfather passed away, Joe was given to DeAnn. He was already trained to talk, when the Haynies received him as a gift.

Jay Haynie is employed by the store, and takes Joe to visit there often.

Joe is quite a conversation piece when he is at the store, as well as coming forth with quite a conversation himself.

When people realize Joe is the one conversing, they usually stand looking at him several minutes. He will sometimes squawk a clear, "What's your name?" Or he may say, "My name's Joe."

One might turn to walk away, thinking Joe has exhausted his vocabulary, and hear, "rid'em cowboy". He can also say, "Joe's a pretty, pretty bird", "hello Joe" and "oh yeah".

If Joe decides to demonstrate his "smokers cough", heads will turn from several isles around.

One lady was reaching

for milk when she heard, "Talk to me Joe". Looking around she saw only an acquaintance by the cottage cheese. She observed the other lady a few minutes, positive the words came from her mouth, but not understanding why. Then a "gurgle" and a "squeak" quickly brought her attention overhead and to her surprise, she was peering at a mynah bird, eye to eye.

DeAnn does not mind Joe going visiting, as it does give her a rest. It seems when Joe talks he expects an answer and if he doesn't get one, he becomes quite belligerent.

People are quite amused at Joe, even after they know who's talking. He talks clearly and is a delight to children of all ages.

## Slow-Pitch Tournament Slated August 2 - 3 - 4

A ladies slow-pitch tournament is scheduled for this weekend to be played on Putnam Field in Munday. The games will begin at 6:00 p.m. on Thursday and Friday, August 2 and 3 and on Saturday the play-offs will start at 4:00 p.m.

Teams that have entered at this time include two teams from Munday, Seymour, Knox City, two Haskell teams and a combination team of Anson and Abilene ladies. They expect other teams to enter before deadline.

The Lady Bugs and Leisure Lodge teams will be representing Munday in this tournament. Jessie Andrade coaches the Lady Bugs and Ray Lynn Hardin and Freddie Caram are coaches for the Leisure Lodge team.

A concession stand will be open, operated by the ladies. Concession proceeds will be used to do some "fixing up" on the Senior League field.

## Football Season Approaching

### District 7-A Winners Predicted

Predictions made by Dave Campbell, in "Texas Football" magazine, has the Haskell Indians picked as number one in 7-A football play. Last year Haskell emerged as a state quarter-finalist, after being in a three-way tie with Knox City and Munday. The fact that Haskell lost only a few players from last year's

team will be their big asset. Seven starters will return to the Indians. Harris, the returning starter at quarterback and Monnie Hise, a 4.6 speedster at safety, are a couple of Haskell's strong points.

Knox City is ranked second this year. They have lost, for this season, all but four first team starters on

offense and two on defense. They will have, however, senior quarterback Dwayne Johnson, who runs and passes equally well.

Munday is rated third, after a 7-3 season standing last year and a 5-1 district standing. The Moguls have ten returning lettermen. "Texas Football" calls Phil Johnson "a massively mobile tackle". He is a senior starter, stands at six feet three inches and weighs 210 pounds. Phil clocks in at 4.8 in the 40. He was an all-district performer in 1978. Keith Sanders and Lenny Welch will both be in the line to aid Phil.

David Johnson, Ricky Sosa and Ernie Valencia will be back as guards. Other benefits of the Moguls are three year quarterback Omar Choucair and Johnny Dockins, returning fullback. Head coach Steve Rodgers comments on the Moguls strength, "Our attitude and returning most of our offensive personnel will go a long way." He continues, "We are looking forward to our players returning and preparing for the season opener with Seymour. We had a good spring and are hopeful of being contenders in the district race."

Only two seniors are starting for Crowell with Juniors completing the lineup. Though ranked fourth, these Junior starters may find last year's experience a real asset to this season's play. They just might come through with a good bit of "know-how".

Quannah is predicted by Campbell to be in fifth position, being a bit weaker this year, after losing three starters. Quannah does, however, have some show in speed and quickness that might well make up for the starter loss.

Aspermont has sixth place assigned them by Campbell. They experienced a 2-8 game last year, with only five lettermen returning. However, they have in their possession a speedy Ned Swink in the offensive backfield that might make a difference in Aspermont's showing.

The Paducah Dragons will have a quickness that will make them tougher this season, but Campbell sees no challenge in the Dragons. They had a 4-6 team last year.

Predictions are interesting, but they are just that "predictions". The real winner is never known until the teams are put to test and the season ends. So we will wait and see and in the meantime we anticipate an exciting football season.

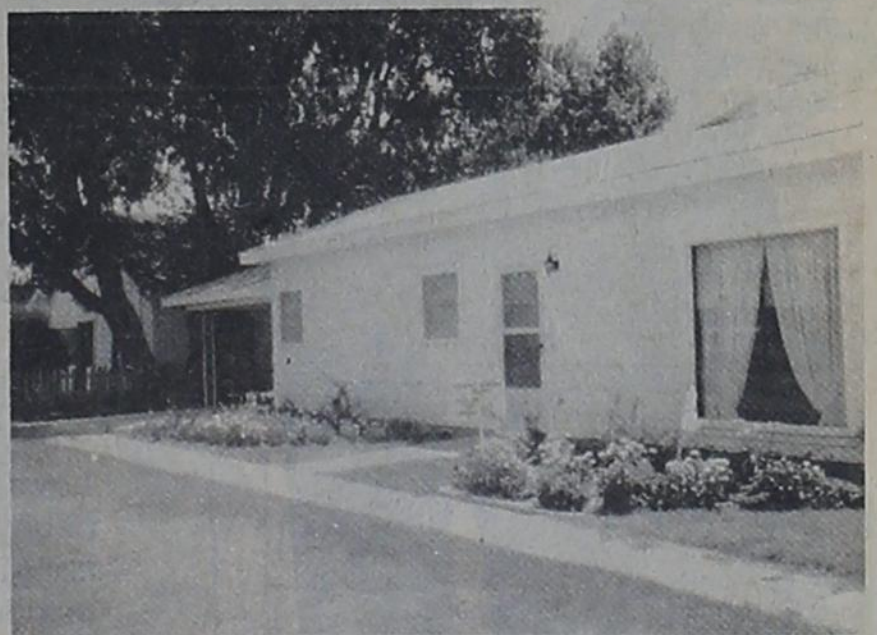

## Grants Received To Aid Meals Programs

The Governor's Committee on Aging at its quarterly meeting Friday awarded 19 grants totaling some \$5 million in federal funds to support meal programs and other special services for older Texans.

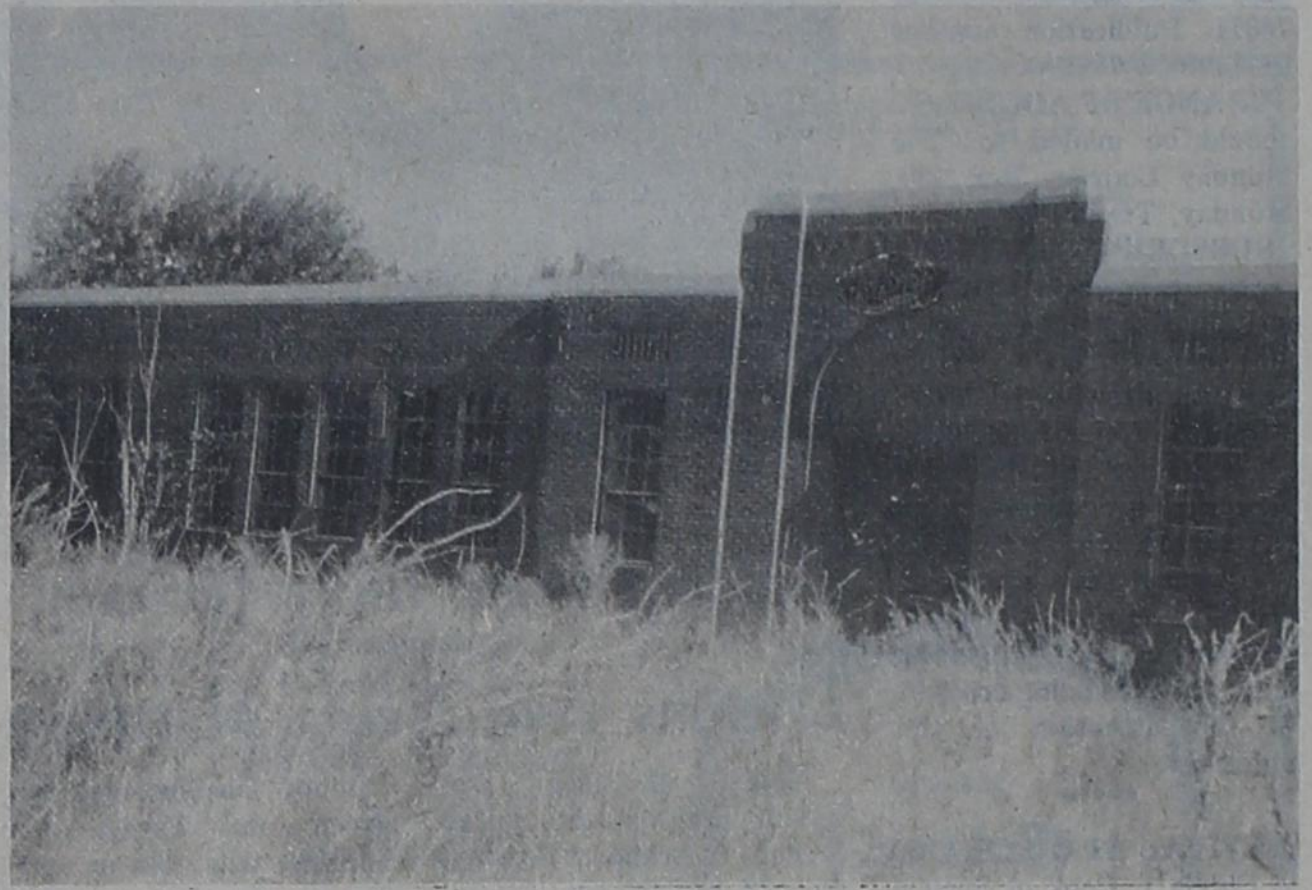

The grants provide refunding for three of the state's 28 Area Agencies on Aging and monies for nutrition projects serving

the elderly in 71 counties.

West Central Texas Council of Governments in Abilene received \$725,532 for a project being expanded to serve the following counties: Brown, Callahan, Coleman, Comanche, Eastland, Fisher, Haskell, Jones, Kent, Knox, Mitchell, Nolan, Runnels, Scurry, Shackelford, Stephens, Stonewall, Taylor and Throckmorton.

A YARD STARTED FROM "SCRATCH" is the yard of Mr. and Mrs. L. L. Wise, located across the street south of Beatty's Grocery, and has been selected as August yard of the month by Munday Garden Club. The blooming beds of periwinkles and marigolds caught the eye of the judges.

GOODBYE, NOW! Here is a portion of the remains of Sunset Rural High School, once a proud monument dedicated to education of youngsters of this area, that is in process of being torn down. This was the scene, too, of many community gatherings, as well as educational programs.

## Old Sunset School Soon Will Be Only A Memory

Ruins of the old Sunset Rural Consolidated School, once an imposing building that was filled with classes of a 11-grade school and with hallways filled with scuffling feet and laughter of youngsters, will soon be just a fond memory to many people.

Sight of the old building, showing decay from ravages of the weather and the victim of vandalism, brought back those memories of many who attended school there and many former graduates. But this will soon vanish from the scene.

A contract - only verbal as of July 30, but soon to be made official - has been entered into between the Partridge heirs and James Schenk of Scotland, Texas, for tearing down the building and cleaning up the debris. The 10-acre tract of land will possibly be reverted to farming operations again.

Mr. Schenk has moved a

trailer-type building to the scene, and is in the process of removing much of the building's interior. Just how long it will take for him to completely demolish the building and clean up the area depends on the amount of labor he can secure to aid him in salvaging the materials.

The school was originally the Gillespie School and was created August 10, 1891. School opened October 3, 1891, with twenty-five scholastics.

The Gillespie School was destroyed by fire in 1930, and the Sunset Rural High School was formed by consolidating Gillespie, League, Jungman and Red Top Schools with an enrollment of about 500 students.

T. W. Harber, who became superintendent in 1932-33, served for the longest period - until 1941-42. The largest graduating class was in 1940, with

21 members. The last graduating class was in 1949.

Sunset was consolidated after its demise, and the building housed the Munday Junior High School, with students being transported to school by bus.

The land had been dedicated for the school, but when it closed in 1965 upon completion of the new Munday High School building, ownership went back to the Partridge Estate.

After being inhabited by only rats and other animals seeking refuge from the weather for these 14 years, the once proud old school is being removed from the scene. But the memories of activities there will remain among the school's ex-students for many years to come!

They say "Goodbye" to Sunset School with a tinge of sorrow!

## School Tax Exemptions Present Local Problem

Munday Independent School District tax assessor-collector, Mrs. Velma Melton, has been busy taking exemptions as of late.

In accordance with laws passed by the state legislature, all persons are entitled to receive an exemption of \$5,000 from the market value of their residence homestead for the purpose of school taxes.

In addition, all persons who are 65 or older or under a disability for purposes of payment of disability benefits under Federal Old-Age, Survivors, and Disability Insurance are entitled to an additional exemption of \$10,000 from the market value of their residence.

As of July 26, 1979 homestead exemptions had been claimed by 355 people in Munday school district. Exemptions for over 65 and/or disabled had been claimed by 193 residents of the school district and 21 veterans exemptions have been in effect previous to this year.

Homestead exemptions total \$1,123,080; over 65 and/or disabled total \$1,056,280 and veterans exemption total \$35,400. These figures represent a total of \$2,214,760. This will be the amount of value in dollars by which the Munday school tax roll will be decreased, because of

exemptions. In other words \$2,214,760 worth of property that has been taxed in the past can not be taxed this year. This is a loss in tax dollars of \$32,114.02, based on 1978 tax rate.

The Texas legislature has passed this bill as a tax relief amendment. However, in retrospect, the Munday Independent School District will have to have this amount repaid in tax dollars to operate the school as usual.

The State is going to reimburse 45% or less of the loss to the school districts. The exact percentage will be decided by the legislature at a later date. The school districts will need to apply for reimbursement by November 1.

Hence, to make up the balance of the tax loss the local school board must increase the tax rate for the residents of the Munday school district in order to meet overall operating expenses and to overcome the exemption loss. Inflationary times such as these might well cause an increase in taxes, but the exemption allowed by the legislature has made it a necessary reality.

The Bill Kingstons visited during the weekend with his parents, Mr. and Mrs. Bill Kingston, in Fluvanna.

## Moorhouse to Head Local Cystic Fibrosis Drive

Mr. Wallace Moorhouse has accepted the Chairmanship of the Annual Fall Campaign on behalf of the Cystic Fibrosis Foundation.

He will be recruiting volunteers within the Community to plan a "Breath of Life Campaign" to take place this fall in Munday. The purpose of this Fall Campaign will be to provide the community with information about Cystic Fibrosis and to raise funds to support research, education and care programs for children af-

ected by cystic fibrosis, and other lung-damaging diseases like severe asthma, chronic bronchitis, and bronchiectasis.

Cystic Fibrosis is the number one genetic killer of children. Approximately one in every twenty Americans is a symptomless carrier of the recessive CF gene. Cystic Fibrosis is inherited when both parents carry the recessive gene. At the present time, no cure for Cystic Fibrosis is known.

**REVIEW AT GILLILAND**  
Clovie T. Cook of Springfield, Missouri will hold a revival at the Gilliland Church of Christ beginning Thursday night, August 9 through Sunday night, August 12. Services will be held at 8:00 p.m. each night Thursday through Saturday and 10:00 a.m. Sunday morning.

Everyone is invited to attend and hear the gospel messages.

Mr. and Mrs. Goodson Sellers visited their daughter and family, Mr. and Mrs. Glenn Marugg, in Woodward, Okla., several days during the weekend.

MRS. JOHNNY DOCKINS

## Wedding Vows Unite Johnny Dockins And Nelda Martinez

Nelda Martinez and Johnny Dockins were united in holy matrimony Sunday, July 29 at 6:00 p.m. in the Munday Community Center. Pastor George Blue officiated the ceremony.

The bride is the daughter of Mrs. Grace Martinez of Arlington. The groom is the son of Mr. and Mrs. David Dockins of Munday.

The bride was attired in a long white lace dress, styled with a V-neckline and below the elbow lace sleeves. She carried a bouquet of pink carnations.

Mrs. Dennis Dockins, sister-in-law of the groom, served as matron of honor. Mrs. Dockins wore a floor length pink dress.

David Dockins served his son as best man and Charlie Cooks was groomsman.

Bobby Dockins was ring bearer and Teresa Ann Dockins was flower girl. They are brother and sister of the groom.

A reception was held following the ceremony. Wedding cake, punch and cookies were served from a lace covered table.

The bride attended schools in Arlington and the groom is a Junior in Munday High School.

The couple will make their home in Munday.

Dr. and Mrs. James Bowden, Angela and Alan of Waco visited his grandmother, Mrs. Lina Bowden, in Leisure Lodge. They also visited his uncle and aunt, Mr. and Mrs. G. W. Hawkins.

## Texas Wheat Growers Elect New Directors

Three new directors have been elected to the Texas Wheat Producers Board, Agriculture Commissioner Reagan V. Brown has announced.

Robert Graves of Perryton will represent the Northern Plains area; Leo Witkowski of Hereford, the Central Plains area, and Winston Wilson of Quanah, the Rolling Plains area. Wilson is also president of the National Association of Wheat Growers.

The board of directors oversees the research, promotion, marketing, and educational programs of the Texas Wheat Producers. Three directors are chosen every other year to complete the nine-member board.

The Texas Wheat Producers is one of the eight commodity boards which are administered by the Texas Department of Agriculture. Under the Commodity Referendum Law, farmers can form a statewide association and assess fees on marketed produce to create funds for their programs. The Department certifies their elections and assists them in their goals.

Other members of the Board are Dwight Hamilton of Olney, Otis Harman of Tulia, Ken Kendrick of Stratford, W. R. Moore of Munday, and Troy Sloan of Spearman. C. L. Edwards of Panhandle is the current chairman. Bill Nelson serves as the executive director for the Board.

Mrs. Ruth McKennon has returned home after visiting relatives for a week.

She accompanied a niece, Mrs. Vernon Bowen, to Lubbock, visiting Mr. and Mrs. Bowen and their daughters several days. While in Lubbock, she also visited her brother, Mr. and Mrs. W. M. Brown.

She visited a sister, Mr. and Mrs. Ray Chandler, and two nieces, Mr. and Mrs. Gerrel Davis and girls and Mr. and Mrs. Herman Wheatley Jr. in Brownfield.

She also visited Mr. and Mrs. Dan Hathaway, another niece, in Levelland.

## Farm And Ranch News

By TOMMY ANTILLEY

Several cotton fields in Knox County have been checked on a regular basis the past few weeks to determine the extent of insect infestation and damage. The later part of last week fields showed to have high levels of beneficial insects with numerous lacewing eggs present. Cotton bollworm eggs were present in only slight numbers in one irrigated field north of Knox City.

As reported earlier, the

peak bollworm egg lay will occur August 6 with numbers of eggs increasing until this date. Producers should be continually inspecting fields throughout this period. Bollworm eggs appear on the leaves near the terminals and some of the young squares. These appear as small light colored eggs that have a definite ribbed look when viewed

under a magnifying glass. These should not be confused with lacewing eggs that are small white eggs attached on the end of a hairlike pedestal.

Cotton is squaring very well and if we can get by this peak egg lay without spraying we will be in excellent shape the remainder of the season.

## HOW TO BUILD A FRIENDSHIP

Deep friendships are rare today. Wouldn't it be good if Christians were "exceptions", but this is not always so, even though most of us feel a great need for deeper fellowship. We may have acquaintances and casual friends, but few of us enjoy intimate, life-changing relationships outside our family.

Marriage meets only one dimension of our need for companionship. God created friendship to meet another need. In John 15:11-17 Jesus elevated friendship by calling us his friends.

No worthwhile friendship is found - it is built, and the quality of the bricks we use will determine the quality of the friendship. Christians, in fact, can build friendships which have almost no Christian qualities. We need to build friendships established on principles in God's Word.

One episode in the famous friendship of David and Jonathan crystallizes the essential nature of a godly friendship... "Now David became aware that Saul had come out to seek his life while David was in the wilderness of Ziph at Horesh." (I Sam. 23:15-18) In

this last meeting, Jonathan lives out five essential features of a biblical friendship.

The first characteristic is giving. A friend is one whose needs you can meet - not one who meets your needs. True friendship begins with the commitment to be a friend, not to have a friend.

Second, a friend encourages his friend in God. Jonathan went to David because he knew that David had been grossly mistreated and betrayed. He knew that David faced bitterness and discouragement, so he encouraged him.

Re-examine your friendships to discover whether you are encouraging your friends in God. Are you having a positive spiritual impact on their lives? It is amazing how often Christian friends never pray together or discuss God's Word.

A third mark of friendship is common interest. C. S. Lewis observed that "lovers are always talking to one another about their love; friends hardly ever talk about their friendship." The quality of a friendship is nearly always determined by the quality of that which we have in common. We share our lives with people who share a like vision. With some the link is sports, with others occupation, etc.

A fourth mark of friendship comes from Jonathan's words: "You will be King over Israel, and I will be next after you" (I Sam. 23:17). Jonathan renounced the throne because he knew David was God's choice to be King. A friend is someone committed to helping his friend realize God's purpose and potential.

Finally, true friendship declares its commitment. "So the two of them made a covenant before the Lord." (I Sam. 23:18) They were committed to one another. Too often we drift in and out of relationships, but David and Jonathan teach us the value of commitment.

Before we can be a friend

like Jonathan, we need to have a Friend who can lead us in friendship. Christ is that friend. "The man of many friends comes to ruin, but there is a friend who sticks closer than a brother" (Proverbs 18:24).

## Now Is Time To Treat Pecan Crop

Homeowners and orchardists with pecan trees need to take action in the next few days to combat a problem which annually plagues them about this time of year, causing a loss of the pecans.

"Every year in late August, there are complaints that full size pecans are turning black and dropping off the trees," said Dr. Robert W. Berry, area plant pathologist with the Texas Agricultural Extension Service. "The nut is filled with a dark liquid having a very bad odor."

The problem is stem end blight, sometimes called sticky shuck. And now - the end of July - is the time to combat it, Berry said.

It is caused by a disease that attacks the pecan when the nut is starting to form a shell and the internal part is just a bag of liquid, the Extension plant pathologist explained. That should be about July 25 in the Rolling and High Plains, but because of recent cool temperatures will probably be four or five days later this year, Berry said.

The problem is treated by a fungicide program starting when the nut is reaching this susceptible "water embryo" stage, Berry said. The fungicide to use is benomyl, which is marketed under such trade names as "Benlate," "Greenlight Systematic Fungicide," and "Fertilome Systematic Fungicide," he said.

Three applications, one every seven days, is needed, the plant pathologist said. The first should be made about July 25-28, when the pecan is full of liquid; the second about August 1-3, and the final application should be made about August 8-10. Berry cautioned users carefully to follow the manufacturer's directions on the label of the brand of fungicide being used.

## Seventy-Two Year Old Man Sentenced

A 72-year-old Arkansas man has been sentenced in Federal Court for defrauding the Supplemental Security Income (SSI) program, James Harper, Manager of the Vernon Social Security Office announced today.

Robert L. Vaughan, Jr., of Fayetteville, was sentenced by U. S. District Judge Paul X. Williams to five years probation and ordered him to repay \$6,382.00 he had received in SSI payments to which he was not entitled.

Vaughan was charged with making false statements about his financial resources in his claim for SSI payments.

SSI is a program which provides case assistance to the needy who are over 65, blind or disabled.

"It is our duty to help needy aged, blind and disabled people," Harper said, "But we are determined that money intended for the needy will not go to people not in need. We will continue to seek out and prosecute those who falsify the record to qualify for assistance intended for the poor."

The Vaughan case was developed by a unit of fulltime investigators who are assigned the job of investigating SSI and Social Security fraud in the Five-State Dallas Region. There are 26 fraud cases in various stages of prosecution by United States Attorneys in the Regions and many more cases are currently under investigation.

## Mrs. McCown Funeral Held In Knox City

Nadine McCown, 50, of Knox City died at 8:20 p.m. Monday, July 23, 1979. She was dead on arrival at Knox County Hospital.

She was born May 22, 1929, in Old Glory and married John R. McCown on May 2, 1950, in Sagerton. The couple moved to Knox City from Lueders in 1957. She was a member of First Baptist Church.

Services were held in the First Baptist Church in Knox City, Wednesday, July 25. Rev. John Gillispie, pastor, officiated. Burial was in Highland Cemetery in Stamford, directed by Smith Funeral Home.

Pallbearers were Henry L. White, Don Hawkins,

Wayne Rowan, Thomas Wayne Williamson, Larry McCown and Tommy Warren.

Survivors include her husband, John; two sons, Jerry and Johnny, both of Knox City; a daughter, Mrs. Mike (Judy) Wyatt of Bowie; her father, Albert Suter of Knox City; a brother, Nelson Suter of Old Glory; and a granddaughter, Jennifer Wyatt of Bowie.

Sue Griffith of Houston visited her parents, Mr. and Mrs. Donald Hobert. Her son, Brandon, who had been visiting his grandparents returned home with her.

## For earlier maturity—bigger yields

We recommend

# Ambush

INSECTICIDE

When bollworms or tobacco budworms infest your cotton fields there's no time for half way control measures. That's why thousands of growers rely on a new insecticide AMBUSH for dependable control.

AMBUSH insecticide is applied only when insect pressure begins to build up. So you must check your fields on a regular basis. As you know, each area will vary by climate, soil type, type cotton seed variety—so check with our representative in your area, he will give you instructions on the best method of application for your particular cotton operation.

Here are some of the important advantages you get with AMBUSH insecticide: effective control of budworms and bollworms, healthier plants, earlier maturity and bigger yields. Don't delay, order your supply today.

MRS. SALVADOR SOSA JR.

### Ester Luna And Salvador Sosa, Jr. Exchange Vows

Ester Luna and Salvador Sosa, Jr. exchanged vows on July 14, 1979 at 4:00 p.m. in the First Baptist Chapel of Amarillo, Texas with Rev. Bob Stroble officiating.

Parents of the couple are Mr. and Mrs. Lupe Luna of South Plains, Texas and Mr. and Mrs. Salvador Sosa, Sr. of Munday.

The bride, escorted to the

altar by her father, wore a floor length gown of white quiana trimmed with Venise lace. The empire style featured a high neckline and cap sleeves. Matching Venise lace trimmed her Juliet cap with chapel train and fingertip veil. She carried a bouquet of blue and white roses.

Rose Lange served as matron of honor and bridesmaids were Debbie Mahoney and Stella Rose, Amarillo. Flower girl was Brandy Kesler of Amarillo and serving as ring bearer was Scotty Salazar, nephew of the bride, Grand Prairie, Texas. Serving the bridegroom as best man was Ricky Sosa, brother of the groom, Munday, Texas, and groomsmen were Joey Luna and Ricky Luna of South Plains, both brothers of the bride. David Blew of Hereford and Trinidad Rendon of Amarillo were ushers.

The bride is currently employed by Mason & Hanger, Silas Mason Company in Amarillo. The bridegroom is a graduate of Munday High School and West Texas State University. He is a language teacher in the Amarillo Independent School District.

### CLAYBORN COUSINS HOLD REUNION IN GOREE

The fifth annual Clayborn cousins reunion was held on Sunday, July 29, at the Memorial Building in Goree. The grandchildren of the late Floyd and Bell Clayborn gathered for a noon meal and a three generation get-together.

Attending were Pete and Pauline Beecher, Melvin and Ballie Cooksey, Ray and Sue Harlan, Gerald, Peggy and Bill Myers, Bill and Daisy Yates and Nell Haskin of Goree; Troy and Margaret Moore and Jinx Burnison of Munday; Toby and Alice Yates of Weinert; Cleo and Dorothy Pierce of O'Donnell; Terri Doss of Lamesa; Bill and Dean Hudson, Charles and Judy Hudson, Deana and Robin and Jerry and Judy Johnson, Terry, Norena and Beth of Lewisville.

Mrs. Abigail Reynolds was very pleased with her recent visitors, Dr. and Mrs. Dale Clafin and son, Brandon. Carol is the granddaughter of Mrs. Reynolds. They were enroute to California. Dr. Clafin is a flight surgeon and is to be stationed at a base near Los Angeles, California.

### Clark Infant Funeral Held In Abilene

The infant child of Mr. and Mrs. Kenneth Clark of Abilene died at 3:00 a.m. Saturday, July 28, 1979.

Graveside services were held at 3:30 p.m. Monday at Cedar Hill Cemetery under direction of Elliott-Hamil Funeral Home of Abilene. Rev. Jack Riddlehoover, pastor of Pioneer Drive Baptist Church, officiated.

Survivors are the parents, Mr. and Mrs. Kenneth Clark of Abilene; two brothers, Scottie and David, both of the home; maternal grandparents, Mr. and Mrs. H. D. Alexander of Munday; paternal grandparents, Mr. and Mrs. Joe Clark of Abilene; two uncles, Waymon Alexander of Munday and Dale Clark of Abilene; one aunt, Mrs. Judy Hertel of Lubbock.

### Nutrients Are Recycled By Cut Grass

Mulching lawnmowers that cut up grass clippings and deposit them back on the lawn are an excellent way to recycle plant nutrients, says lawn care expert Dr. J. B. Beard, a professor in Texas A&M University's Department of Soil and Crop Sciences.

Although the mulching mowers eliminate the raking and bagging of cut grass, there is some concern that returned clippings will form thatch, a layer of dense brown organic debris that can cause great problems for homeowners.

Beard contends there is no truth to the theory that grass clippings contribute to thatch build-up.

"On the contrary", he says, "the disposal of clippings is wasteful. There are nutrients in grass that are beneficial to a lawn and if they are not returned in some manner, fertilizer must be added instead."

Mr. and Mrs. Dick Partridge and sons, Richard and Charlie, of Bluff City, Tenn., came in Monday for a vacation visit with Dick's parents, Mr. and Mrs. Harold Partridge, and other relatives.

## Vera Happenings

By MRS. THELMA COULSTON

Dan McGaughey of Las Vegas, Nevada was a recent visitor of his brothers, James, Arthur and Bob McGaughey and their families. Dan also visited with a sister, Mrs. R. N. Smith in University Hospital in Lubbock.

Mr. and Mrs. Gene Kautzman and three of their sons, Seattle, Washington, and Mr. and Mrs. Bud Shoopman, Azle, were recent visitors of Mrs. Kautzman's uncle, Mr. and Mrs. Carl Coulston.

Mr. and Mrs. Weston Parris spent Thursday thru Sunday visiting in the homes of Mr. and Mrs. Jimmy Randolph in Abilene and Mr. and Mrs. Wes Talbot in Ballinger.

Mrs. Ronald Lee Tullis of Hale Center, Texas was a guest of her friends, Mr. and Mrs. Jerrell Trainham and family Thursday thru Saturday. Friday Mrs. Tullis and Mrs. Trainham were business visitors in Wichita Falls.

Elizabeth and Heather Bratcher of Temple spent a few days last week with their grandparents, the Claudell Bratcher. Their parents, Mr. and Mrs. Larry Bratcher and Rob came for them Saturday.

Mr. and Mrs. Al Cartwright and Cathy visited Mr. and Mrs. Lou Cartwright and Ali in Houston, Mississippi several days last week. They also visited with their daughter, Mr. and Mrs. Jim Peek in Commerce. Cathy remained for a longer visit in Commerce.

Mr. and Mrs. Glenn Amerson and children were weekend visitors in his parents' home, Mr. and Mrs. Howell Amerson. While here they also visited Mr. and Mrs. James Amerson. The children, Brent and Holly remained for an extended visit.

CALL IN YOUR LOCALS TO THE MUNDAY COURIER, 422-4314.

Debrah Beck of Denton spent the weekend with her parents, Mr. and Mrs. Harold Beck and Keith.

Mrs. Glenn Feemster accompanied Mr. and Mrs. Jack Timberlake of Leveland and Bud Roberts of Tulia to Dallas last Wednesday where they attended the funeral of Mrs. Timberlake's brother, Fred Roberson. Burial was in the cemetery at Lake Dallas. While there they visited in the home of Mrs. Jimmy Jefcoat.

Danny Jackson of Seymour was guest speaker at the Vera Baptist Church last Sunday morning in the absence of the pastor, Rev. and Mrs. Douglas Crow who are spending a few days at their cabin in the Davis

Mountains.

Mr. and Mrs. Tommy Jackson and three children of Ft. Worth stopped for a visit with his uncle, Mr. and Mrs. Carl Coulston last Friday. The family was enroute home from a vacation trip to the Caverns at Carlsbad, and to Almagar-da and White Sands, N. M.

Cards have been mailed with information about Vera Homecoming which to be held Sunday, Sept. 2, 1979 on the Vera Baptist church grounds. If you or some of your children did not receive a card it was because we did not have an address.

You are urged to contact them and give them this information. The noon meal will be catered and reservation should be mailed to Mrs. Glenn Feemster no later than August 25. Meal tickets are \$3.50 for adults and \$2.10 for children under 12 years of age.

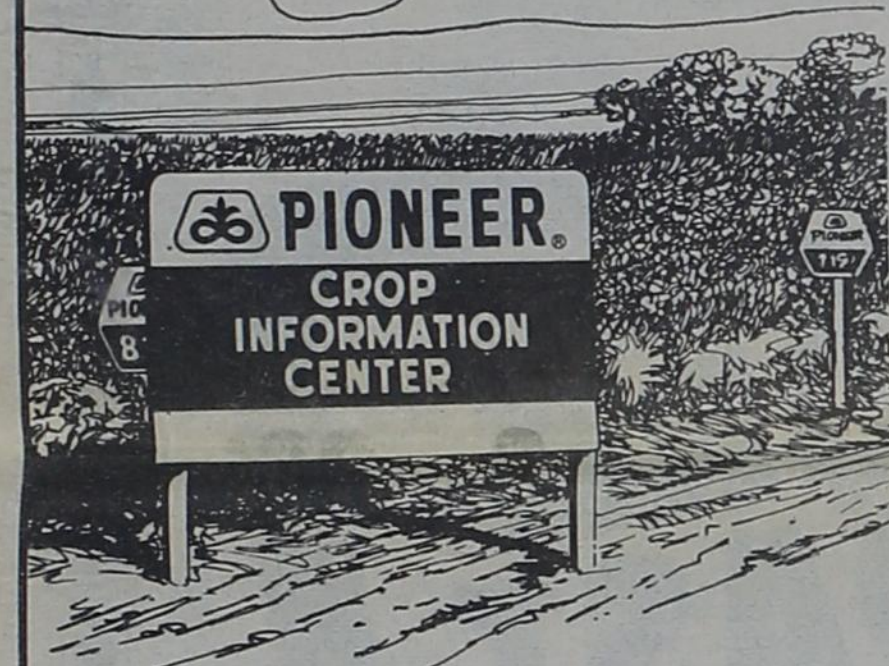

Mr. and Mrs. Paul Weiss have returned home from a

vacation trip to points of interest in Colorado.

Mrs. Glenn Feemster received word Saturday evening of the tragic deaths of a former Vera resident, Mrs. Eva Roberson West and her daughter, Mrs. Jean Boyd of Wichita Falls who were fatally injured while stopped to assist at the scene of a motorcycle accident in the mountains of Colorado. Mrs. West was a sister to Rev. Clinton Roberson, Mrs. Annie Feemster and Mrs. Dena Hamm, all former residents of the Vera Community. Mrs. West was 73 years of age and Mrs. Boyd, 51. Mrs. Glenn Feemster, accompanied by a sister, Mrs. Pierce Rogers of Abilene, attended the memorial services in Wichita Falls, Tuesday.

Mr. and Mrs. Harld Beck and Mr. and Mrs. Arthur McGaughey visited one day last week with Mrs. R. N. Smith in a Lubbock hospital.

## Visitors Welcome

Proof of Performance

Field

Four miles West of

Weinert on FM 617

There's no better way to find out how a hybrid or variety performs in your neighborhood than actually seeing it for yourself. That's exactly what you can do at Pioneer Crop Information Centers and Proof of Performance fields. From the day they're planted until they're harvested these fields are yours to inspect anytime you please.

At Crop Information Centers you'll see the effects of various cultural practices on Pioneer brand seeds including double-row versus single-row planting, corn kernel size variations, planter speed and planting date comparisons, disease tolerance tests, irrigation studies and more. At Proof of Performance fields you'll see side-by-side performance comparisons involving Pioneer brand hybrids and varieties. With firsthand knowledge like this, you can decide on cultural practices and choose your seed on the basis of fact, not guesswork.

Stop at your nearest Pioneer Crop Information Center or Proof of Performance field. You're always welcome.

Watch for Harvest Hotline in this newspaper.

Performance and yield information from these fields will be published immediately following harvest. Watch for results.

Registered trademark of Pioneer Hi-Bred International, Inc. ©PHYB '79 Pioneer is a brand name, numbers identify varieties.

Mr. and Mrs. Arthur Hargrove visited Mr. and Mrs. M. L. Wallace at Munday on Sunday.

Mr. and Mrs. Arthur Hargrove visited Mr. and Mrs. M. L. Wallace at Munday on Sunday.

Mrs. A. R. Pace visited her sister, Mrs. Hallie Chatman in Haskell on Saturday.

Mr. and Mrs. Eldon McSwain attended a birthday dinner honoring Mr. McSwain Sunday at the home of their daughter, Mr. and Mrs. Richard Atwood in Seymour. Others attending were Mr. and Mrs. Vernon Moore, Goree, Terry and Eldon Roy Hamilton and Beckie Hawkins, Dallas and a friend, Rusty of Seymour. Also attending from Seymour were Mr. and Mrs. C. F. Rainwater and some other friends.

Mr. and Mrs. Jack Nuckols visited their daughter and family, Mr. and Mrs. Larry Forester and Mandi in Vernon on Sunday.

Mrs. David Moore of Athens visited last week with her mother, Mr. and Mrs. Wallace Roberts and in the Johnny Moore home. Her children, Melanie and Davy, who had been visiting here for several weeks, returned home with their mother.

Mr. and Mrs. Harold Beaty report that their

daughter's, Mr. and Mrs. Darl Sharp of Jakarta, Indonesia, home was in the flood area at Webster near Houston. The house was completely covered in water. The water was so deep that boats could travel over the house. Mr. and Mrs. Sharp and family, who had been here and at Houston for several weeks had returned to Jakarta a week ago. Mr. Sharp's parents were staying at their home at the time of the flood. They were able to get out of the house and save their car and van. They do not know the extent of the damage at this time. Mr. and Mrs. Beaty and a daughter, Mr. and Mrs. Tommy Howry and family of Levelland, will be going to Houston this week. Mrs. Sharp will also be flying back from Jakarta to see if anything in their home can be salvaged.

\*\*\*\*\*

**TO FAMILY REUNION**

Rev. Ivan Allen, pastor of the Munday and Goree Methodist Churches, left Friday to attend a reunion of his family at Jacksonville, Fla. He drove to Oklahoma City, where he was joined by a brother for the remainder of the trip by plane. Rev. Jarrell H. Sharp, superintendent of the Seymour District, directed services at the local Methodist Church Sunday.

**TEXAS TALK**

**Petroculture promoters** promise brighter days ahead for American producers. First ... Petroculture. That's the name being given any agricultural products produced for conversion to any material replacing petroleum or petroleum-based products. Gasohol is the most visible result of applied Petroculture. However, researchers are rapidly developing new strains and adaptations of plants which could be grown strictly for energy conversion of petroleum replacement value. Among plants likely to make it in U.S. Agriculture are: the jojoba (HO)Hobah for the production of an oil almost identical to that of the sperm whale; the guayule (wy-OO-lee) for its rubber producing qualities and the euphorbia (you-FORE-bee-ah) for its production of a still-experimental chemical which seems to be almost identical to crude oil. American Agriculture ... adding energy to the list of items to be produced for the consumer.

**FORMER RESIDENTS REPORT GRANDSON'S ACCOMPLISHMENTS**  
Mr. and Mrs. John E. Robinson of Haskell are "pleased as punch" over the recent accomplishments of their grandsons, Tommy Robinson and Gary Bill Womack, Haskell. These young men are the nephews of Mr. and Mrs. Robert Hosea who are also pleased with these fellows. Tommy won a gold medal in the Discus Throw at the Junior Olympic Relays in Lubbock competing against the top athletes of Texas, Louisiana and Mississippi. Tommy will now go to Lincoln, Nebraska to try for the 1980 Olympics which will be held in Moscow, Russia. Tommy will be a senior at Gregory-Portland, Portland, Texas this fall. Gary Bill Womack, 14 years old, won trophies at the Texas State Trapshooting Tournament July 11-14 in San Antonio. He was the high Sub-Junior in the Topper-vein Handicap, State Doubles, State Singles and won the Sub Jr. High All Around. Tommy is the son of Mr. and Mrs. Tommy Robison, Portland, Texas, and Gary Bill is the son of Grace Womack, Haskell and Bill Womack, Olney. \*\*\*\*\*

BEVERLY KINNIBRUGH, TERRY MOORE

### Engagement Announced

Mr. and Mrs. John Kinnibrugh of Gilliland, announce the engagement of their daughter, Beverly, to Terry Moore, son of Mr. and Mrs. O. W. Moore of Amarillo.

Beverly is a graduate of West Texas State University and is a Medical Technologist at Hendrix Medical Center in Abilene. Terry also attended West

Texas State University and is an employee of Pantex in Amarillo. The wedding will be September 8.

Helen Myers, who is teaching in Arlington, and Greg Myers, who is attending pharmacy school in Weatherford, Okla., visited their parents, Mr. and Mrs. Douglas Myers, over the weekend.

### Introduction Tea Honors Bride-Elect

Miss Metz Moore, bride-elect of Scotty Abbott was honored with an Introduction Tea July 27, 1979, 7:30-8:30 p.m. at the Community Center. Receiving guests were the bride-elect, bride's mother, Mrs. Bob Moore, Quannah, groom's mother, Marlene Abbott, Lovington, New Mexico, groom's grandmother, Mrs. E. C. Maxwell, Odessa, bride's sister, Mary Moore, Quannah and groom's aunt, Mrs. J. R. Grogan, Clovis, New Mexico.

Presiding over the serving table were Mary Denise Zeissel and Debbie Speck. The table was accented with a candlelight net over candle crepe cloth with appointments of silver and crystal. The centerpiece was silver candelabra with blue candles, white daisies, glamelias and lemon leaves. George Ann Abbott, sister of the groom, registered guests.

Hostesses were Mrs. J. T. Cook, Mrs. Leon Johnson, Mrs. Earlene Kuehler, Mrs. Johnnie Cook, Mrs. Kenneth Hendrix, Mrs. Joe Lynn Phillips, Mrs. Al Kuehler, Mrs. Ray Herring, Mrs. Phyllis Westmoreland, Mrs. O. R. Miller, Mrs. Lewis Beaty, Mrs. Jessie Andrade, Mrs. Ray Lynn Hardin, Miss Cindy Hardin, Miss Mary Denise Zeissel, and Mrs. H. A. Reeves.

Charles and Glynda Patterson of 9150 Cardwell, Houston, Texas want the whole wide world to know they have the sweetest little baby girl at their house now. She was born July 25th, weighed 7 lbs. and her name is Brooke Elaine.

Needless to say her grandparents Clifton and Mozelle Patterson of Munday and Ray and Ina Kemper of Amarillo are very proud of her and can't wait to see her.

### Bob Hope Welcome Is Set For Rehab Benefit

Plans for a massive airport reception in Abilene for Bob Hope on Friday afternoon, August 3, have been announced by Dick Bowen, chairman of the joint venture for crippled children. He is scheduled to arrive at Abilene Municipal Airport at 2 p.m., where he will be met by Abilene Chamber of Commerce Redcoats, the community band, and many Abilene civic leaders and dignitaries.

Hope is coming to Abilene for a \$100-a-plate benefit for the West Texas Rehabilitation Center in cooperation with the petroleum industry. The sell-out event is at Abilene Civic Center.

Hope will speak to the crowd at the airport reception prior to leaving in a motorcade for the Rehab center and a whirlwind of activities which will culminate in his performance before a sell-out crowd in the evening.

### Munday Track Team Make Finals At State In Waco

After running all summer the boys track team, associated with Texas Amateur Athletic Union, coached by Larry Thompson, went to the state meet in Waco, Friday, July 28. They had qualified for state July 12, in Abilene.

The boys ran real well in Waco with Terry Lowery qualifying for the finals in the 50 yard dash and the 440 relay team also making it to the finals. Terry Lowery, Todd Thompson, Frankie Stinnett, and Don Dixon ran the 440. The boys had a bit of hard luck in the 440, dropping the baton on a hand-off. Making it to the finals, however, is quite an accomplishment for these youngsters and they are to be commended for their efforts. These boys were running against ten and eleven year old youths from Houston, San Angelo, Waco, Plano and Perryton.

It has been an unusual program in the fact that the boys have done their practice running on their own. Larry said, "With Little League and all the other activities, they simply had to practice individually. We did get together once a week and practice hand-offs and the rest was up to them." Larry expressed his admiration for the boys participation and the boys themselves.

They would bring sleeping bags to the Thompson residence each Friday night and sleep there to be ready to travel early on Saturday morning. Larry and Cindy transported the team to the meets each week in their vehicle and they covered quite a number of miles. They attended meets at Hereford, Mason, Lubbock, Amarillo and Abilene and then the final one at Waco.

### YOUNG PEOPLE HAVE DEVOTIONAL

The young people of the Church of Christ met in the home of Mr. and Mrs. Boyd Baker Sunday evening after church services, for a devotional. They enjoyed singing together and entered in a group discussion on "Our Values" led by Don Bunton. Afterwards they all enjoyed banana splits for refreshments.

Attending were Kathy Booe, Cindy Maston, David Booe, Tim Nix, Montie McAfee, David Booe, Robbie Baker and Camille Cure, who was visiting from Houston. Adults present were Dan and Pam Cox, Boyd and Sue Baker, Dan and Becky Offutt and Don and Linda Bunton. Unable to attend was Cathy Cartwright and James Steward, who were visiting out of town and Teresa Cypert, who was ill.
