## Look To The East

By AARON EDGAR

That ole sink hole out in the Wink-Kermit area has us worried, too.

Things like that just don't happen without a cause, the cause seems to be hard to find.

The thing has been acting up, now, for better than a month. It was first a 20x20 foot bubbling cavity that was discovered by an oil field worker who was hunting for pipeline leaks.

He left out quickly to get his supervisor. Some 20 minutes later, he returned with his supervisor and discovered the hole was then nearly 150 yards long.

Land and whatnot continued to be lobbed off into that sinkhole that's yawning like a sleepy hippopotamus, swallowing up pipelines and edging closer to an oil company's tank farm and closer and closer to Texas Highway No. 115, now not too many yards away. It's kinda spooky to travelers riding along the highway.

It has cost a construction company around \$20,000 just to fence the thing off for safety and security.

It's caused re-activated rivalry between the two towns of Wink and Kermit. Both are now trying to claim ownership of the geological puzzle. Wink, with a population of 1,025 is actually two miles closer to the sinkhole than Kermit with all its 7,900 people.

People of Wink think Kermit is always taking credit for everything, and a 12-year-old Wink girl said: "Somebody said that if Wink should fall into the gigantic hole, Kermit would be so jealous they would jump in, too."

The population of the two towns seem to think the crater was caused by collapsing caverns in New Mexico, tremors from Mt. St. Helens volcano in Washington, or something.

Geologists blame the hole on eroding salt domes, possibly due to oil drilling techniques, and have estimated that a hole two miles wide and eight miles long could open up eventually.

## Sales Tax Payments Show Increase

State Comptroller Bob Bullock Thursday said city sales tax payments to Texas cities for the first seven months of 1980 are running about 20 percent more than payments during the same period in 1979.

He said payments for July to 1980 total \$25 million

compared to \$23.5 million during July of 1979 - a 6.6 percent increase.

Sales tax payments are just slightly ahead of the inflation rate for the first six months which the federal government has set at about 13 percent, Bullock said.

Payments made to Knox

County's communities were reported as follows:

Munday - \$1,501.55 for June; \$21,695.13 to date this year.

Knox City - \$3,046.46 for June; \$30,362.42 to date.

Knox City - \$3,046.46 for June; \$30,362.42 to date.

Benjamin - \$900.88 to date.

Goree - \$2,760.68 to date.

The optional one-percent city sales tax is collected with the state sales tax by merchants and businesses and rebated on a monthly basis by the comptroller's office to cities where it is collected.

## Walling Receives Lone Star Farmer Award

Greg Walling proudly walked across stage at the annual FFA convention held in Houston last week to receive the award of Lone Star Farmer. Greg is the first FFA member from Munday to receive this award in several years.

The Lone Star Farmer award is the highest FFA honor which a member can receive in the state of Texas. Only one other award, a national award of the American Farmer, is higher than the award attained by Greg.

Requirements for this honor include being a member three years or more in the local FFA chapter, making at least a \$500 profit on a FFA project which can either be animals or a job that is agriculture oriented, and keeping accurate records for each of the years' activities while a member of

GREG WALLING

FFA. In addition to these guidelines, the member along with his advisor, must make application first on the district level. If the application is passed in district it is then in area competition and finally in state judging.

Greg Rawdon, local advisor, stated, "I'm real pleased with the extra effort Greg has put forth in order to accomplish this feat. Each year Munday should have one or more FFA members to achieve this honor - it does take extra time, effort, pencil work and some extra 'brain work' but it can be done.

"I am encouraging the members to work toward this achievement and my hopes are that we will have several Gold Star Farmers next year," he said.

Greg will enroll in West Texas State University this fall with a major in math. He is the son of Mr. and Mrs. J. L. Walling.

## Census Workers 'Still At It'

Census takers are making their rounds in this area, calling at households which have not mailed back their 1980 census questionnaires. They are making telephone calls at most households which have mailed back incompletely filled out questionnaires.

Billy Yarbrough, manager of the district office, says the round-up should be completed in the next few weeks.

"You can easily tell if someone who knocks on your door is a census taker," the manager advises. "We all wear red, white, and blue identification cards with the U. S. Department of Commerce seal and 'Census Enumerator, Official Credential' printed on them, and each bears the wearer's signature. Census takers also carry large portfolios holding lettered 'U. S. Census - 1980' against a red, white, and blue background. The portfolios contain maps, questionnaires, and other supplies."

Householders should promptly report to the police anyone who claims to be a census taker but cannot produce this identification.

## Jones Joins ASCS Staff

Clint Jones, a native of Sudan, recently joined the staff at the Soil Conservation Service office located in Knox City. He will be the soil conservation technician associated with Carl Hutchinson and Pete Elliston.

Jones is a graduate of Sudan High School and received a degree in Agriculture Education from Texas Tech University. He is married to the former Doris Howell of Knox City. Mr. and Mrs. Jones moved to Knox City from Crosbyton.

## Munday Post Office Ready For Registration To Begin

As the date for Selective Service registration nears, the personnel at Munday Post Office have the necessary registration cards to begin the process on July 21.

A proclamation signed July 2 by President Carter requires men born in 1960 to register July 21-26 and those born in 1961 to register July 28 - August 2.

The law requires those persons born in these two years to register if they are a citizen of the United States or if they are a resident alien. Persons who are on active duty in the armed services are not required to register.

The process will be conducted during regular business hours at the post office. The person registering is required to fill out the registration card that will be handed them by the clerk, and to have identification with them such as a driver's license.

The post office clerks have the responsibility of only checking the card for completeness, checking the identification and post marking the card.

The post office is only in the position of handling the cards so the government

does not have to pay a special group for the registration. Therefore, they will not be expected to argue any point or answer any questions. The Selective Service information telephone number is 202-724-0424.

About 90 days after registering, persons will receive an acknowledgment letter from the Selective Service System. If any information is incorrect, an enclosed form should be returned.

Maximum penalty for failure to register is \$10,000 fine and/or five years in prison.

## All-Stars Win First Game Of Area Play-Off

Munday Little League All-Stars went against Knox City at Seymour on Monday night, July 14, in the first game of the area play-offs. Munday won over their opponents 14-2. Dent Offutt pitched for Munday.

On Tuesday night, too late to be in this week's Courier, Munday will face the Seymour team. The loser of Tuesday night's game will oppose Knox City on Wednesday night. The last game in the competition will be on Thursday night. Winners of Tuesday night and winners of Wednesday night will play this game. Game time each night is at 7:30 p.m.

In the first inning of the game between Munday and Knox City, no one scored. Mark Brown singled out to right field but was out on a double play when Todd Thompson knocked a fly to first base. Dent Offutt

walked but a fly hit first by Ryan Offutt ended the top of the first. Two of Knox

City's players struck out and one was tagged out on second.

**ON TO DISTRICT!** These girls are the Knox County winners of the annual Fashion Revue. From left, is Salynn Oxford, Patricia Sanders, Lorrie Rolston, Karen Daniel, Amy Griffith, and Lauren Reed. Lorrie Rolston, Amy Griffith and Lauren Reed will represent Knox County at the District Fashion Revue in Abilene on Tuesday, July 29.

Taylor, Jones and Smith struck out for Munday in the top of the second. Knox City had two strike outs but racked up a score in the bottom of the second.

When the third inning was over, the score was 1-1 when Lowrey scored for Munday.

Munday boys seem to get rolling in the top of the fourth making the score 8-1 when their time at bat was over. Scoring for Munday were Taylor, Jones, Smith, Jackson, Brown, Dent Offutt, and Ryan Offutt. Munday held Knox City to

one point to begin the fifth inning.

Munday made five more scores with Knox City holding at one point for the game in the fifth inning. Munday scorers were Jones, Lowrey, Browning, Brown and Thompson.

In the top of the sixth, Randy Kuehler scored for Munday and Knox City scored to make the final score 14-2.

The Courier will have the final results of the area games in next week's issue.

## City Council Minutes

The City Council of the City of Munday, Texas met on July 8, 1980 at the Munday City Hall at 9 p.m. in regular session.

Members present: Mayor James W. Reid and Aldermen Ray Lynn Hardin, M. M. Booe, Donald Hobert, and Larry Smith.

Members absent: A. Dale Selzer.

Mayor Reid called the meeting to order.

Minutes of the June 13th regular and June 27th special meetings were read. Hobert moved approval except the item where the Mayor Pro-Tem is to be an automatic member of Johnson Memorial Cemetery Association Board of Trustees; this item as passed should have read "A member of the Board of Trustees will be appointed by the City Council so long as any tax funds are required to operate the cemetery." Hardin seconded minute approval. All for.

Jeanie Carden, Executive Director and J. H. Amerson, Chairman of Munday Housing Authority Board of Commissioners met with the Council. A draft of building use agreement by the Knox County Aging Services Program was presented to the Council. The agreement was left at City Hall several days ago and Munday was explained by Dorothy Vanderslice, Program Director (from COG) for the Knox County Aging Services Program. A meal would be provided 3 days a week (for 3 years) through the cooperative agreement with Knox County, Munday and the Housing Authority would provide facilities for the meals. Mrs. Carden and Mr. Amerson offered the Community Center for the 3 meals a week. Booe moved the agreement be amended as recommended by Mrs. Carden, passed, and a full text copy be filed in Munday Housing Authority file. Hobert seconded. All for.

## Gillespie Revival Continues

The Gillespie Baptist Church revival, which began last Sunday will continue through Sunday, July 20. Services are being held each night at 8 o'clock. A nursery is provided for the convenience of those with small children.

Ed Stewart, pastor of First Baptist Church in Temple, is evangelist for the revival. In 1950, while attending Hardin-Simmons University, he pastored the Gillespie Church. This was his first full-time pastorate and he performed his first wedding ceremony and first baptismal at Gillespie Baptist Church. Since then he has pastored churches at Bridgeport, Galena Park, and Temple, Texas and Midwest City, Okla.

Don Roberts of O'Brien is song leader. A cordial invitation is extended to everyone in the area to attend this revival.

## Photo Album Planned For Munday's History

An added feature - that of a memorial photo album - is being planned for the book. History of Munday, which is in process of being compiled.

The memorial album will be in addition to the one or two photos allowed for personal family histories. It will be featured in the back of the history book, and may include photos of family groups, pioneer homes, early-day farming equipment, business houses, etc.

The history committee has decided that a charge of \$25.00 be made for the memorial photos in order to help defray expenses of publishing the book. These pictures will be arranged four to a page, when possible in the photo album.

All those desiring to have early-day photos in this section of the history book are asked to contact some member of the committee as soon as possible.

July 15, was originally set as the "cutoff" date for history material, but this date has been extended to July 21 by the committee. It is hoped that all material may be submitted to the printer, James McCrain of Archer City, by the latter part of July.

Deposits in the First National Bank of Munday at the close of business on June 30, 1980 showed an increase over the reported figure as of March 31, of over \$345,000. Total deposits the end of June were \$18,505,663.48 compared to \$18,200,766.19 in March.

Deposits continued high in 1979, peaking in December. The figures for the first six months of 1980 continue to show an increase.

The Munday area, as reflected by the amount of deposit, is fortunate to have a strong banking institution. The economic conditions apparently continue to look good in this area as compared to the nationwide economic declines.

## Trainham Grocery Burglarized

A burglary occurred at Trainham Grocery in Goree after midnight on Thursday night, July 10. Sheriff James Redwine stated that the burglar was sighted as he was leaving the building through a broken glass door, by Kent Trainham.

Sheriff Redwine said the burglar was fired on by Kent Trainham after Trainham ordered him to stop. The wounded man was taken to a Wichita Falls hospital by Munday Ambulance Service where he was listed in satisfactory condition early this week.

The incident is under investigation by the Knox County Sheriff's Department.

## Benefit Dinner Planned

Friends of Noraline Willoughby have a Barbeque dinner planned for Sunday noon, July 20, in the Munday Community Center. Dinner will be served from 11:30 a.m. to 1:00 p.m.

The menu will be Curley's barbeque, both brisket and sausage, beans, potato salad, slaw, and dessert. Tickets are \$3.50 per person and can be purchased at Awalt Auto Supply, West Texas Utilities, First National Bank and Smith Drug.

Proceeds will be deposited in the special fund for Noraline at First National Bank in Munday.

The Courier has Eaton stationary in stock.

## Weather

For seven days ending at 5 p.m. Monday, July 14, 1980 as compiled by Goodson Sellers, U. S. Weather Observer.

## Greek Guest In The Spinks Home - A Pleasant Experience

Dimitrios (Jim) Papatheodorou from the Village of Elatia, state of Lokridos, in the country of Greece, visited in the home of the Lewis Spinks family of Benjamin, for ten days. He left on Monday, July 14, to attend the annual 4-H Congress in Lubbock. After completion of his Texas visit, he will stay with families in Connecticut. He will depart for his homeland on October 30, 1980.

JIM PAPATHEODOROU

He is visiting this country on behalf of the International 4-H Youth Exchange. The exchange with Greece is in cooperation with a rural youth program of the Ministry of Agriculture. Gerber Baby Foods Co. is paying the trip expense.

While Jim is in the United States, his parents will be one of the host families for an American boy who is in Greece under the sponsorship of the USA 4-H Club.

At 22 years of age, Jim is presently a senior at a Greek University. However, the term "senior" is not used by Greeks. Jim says he is between his third and fourth year as a University student. His major is Agriculture Machinery with a minor in Economics. Academically, he ranks third out of 600 agriculture students. He learned the English language by books and records and speaks English very well. Mrs. Spinks was relieved at this and added, "There were still times when his dictionary was handy for both of us."

He was able to look over the campuses of two of the Universities in Abilene and was very impressed.

His family owns a 50 acre farm in Greece, which is considered large by Greek standards. Crops of cotton, tobacco and tomatoes are grown to sell to "industry". They raise sheep and pork for home use. Sheep milk is used in many homes. Jim's mother makes feta cheese

gallon there and deisel if \$2.00 per gallon.

In Jim's home, wine is served daily with lunch, which is the main meal of the day, and with dinner too. Also before lunch, the men are served ouzo, a drink of 45% alcohol. His mother prepares all the meals for her family and also works on their farm. His mother would like to have silverware from America and his sister, seventeen, would like some American gin and clothes. Jim would like very much to have a hunting gun from this country.

An incident at the onset of Jim's arrival made a strong impression on him - one that was very obvious. Kristi Boone of Knox City, prepared a cake for him, decorating it with area cattle brands and wording a big "welcome" on it. Jim could not understand why a complete stranger would do such a thing for him. "No words can express his delight and thrill of this gift to him", explained Mrs. Spinks.

Fascinated by the size of the farm and machinery on Cactus Growers Farm, Jim was privileged, through the graciousness of Charles Durham and Terry Jobe, to satisfy his curiosity of the farm lifestyle. He also spent time with Charles Griffith on his farm and was introduced to still another aspect of farming.

Jim enjoyed eating beef steaks, as well as a number of other American foods but he did not like the "working cowboy" lifestyle of the ranch. He only liked the "rodeo cowboy" which he saw perform at the Stamford rodeo.

One request from Jim when he arrived was to take him to see a cinema. The day this trip was to be made Jim was so involved with the tractors he would not go.

Jim explained to Mr. and Mrs. Spinks that Greece and

America are not political friends because of the American sale of firearms to Turkey, an unfriendly country to Greece. His disapproval of America was shown in the mention of the Iranian problem. He prefers Kennedy for the next president and did not like Carter. Even though he prided himself with his knowledge of American politics, he looked puzzled when asked about Reagan and said, "Who's he?"

"It was obvious in these political discussions," Mrs. Spinks said, "that he had many misconceptions about our politics but still he knew a great deal to have learned it all from books." Jim's religion is important to him, having roots from ancient Greece. They have ten gods of nature he explained. "In fact, if Jim could find a Greek speaking person, he would debate religion or politics any day of the week," stated Mrs. Spinks.

The Spinks family has enjoyed making a new friend. Mrs. Spinks said, "We would not take for the experience of having this young man as our guest and learning about his people and his country. We feel we have learned many things that a tourist could not learn. We know his parents must be very proud of such a fine son and are pleased that he accepted the challenge of coming to America."

daughter, Shannon of Bowie and Mrs. Adolph Bayers of Gilliland were visitors in the Claudell Bratcher home and accompanied them to the Lively Homecoming, Sunday.

Terry Alexander and a friend, Laine Ray of Grapevine visited Friday with Terry's aunt, Mrs. Lona Feemster. Other visitors Friday evening were Mr. and Mrs. Bobby Roberson of Benjamin.

Mr. and Mrs. Wayne Sutton visited a daughter, Mr. and Mrs. Steve McManus and family and Mr. and Mrs. Leslie Sutton in Grand Prairie.

Mr. and Mrs. Lee Wayne Feemster visited his mother, Mrs. Glenn Feemster, the weekend of July 5th, and attended the Feemster family reunion at the V.F.W. Hall in Seymour on Saturday.

Cindy Sullivan of Wichita

Falls spent the weekend with her parents, Rev. and Mrs. Douglas Crow.

Visitors in the Olen Coffman home last Friday were her sisters, Mrs. Bertha Martin, Mrs. Minnie Dornier and Mrs. Rosalena McMahon, and a brother, Mr. and Mrs. Clements Wirz of Seymour, Mr. and Mrs. Sam Wirz of Redlands, Calif., and a brother-in-law, Grady Nelson of Alpine.

Gidget and Heidi Miller of Perryton spent a few weeks recently with their grandparents, Mr. and Mrs. Loran Patterson. They returned home with their parents, Mr. and Mrs. Bill Miller. Other visitors were Violet's mother, Mrs. Tom King of Seymour.

\*\*\*\*\*  
Mrs. Ruth McKennon spent July 4th holiday with Vernon and June Bowen, of Lubbock; Mr. and Mrs. Steve Burrow and their sons, Grant and Steven Ryan. Also she had a visit with Janna Kay and Evans Toney and Joshua and friends. Mrs. McKennon returned home on Wednesday.

## WTSU Awards Area Students Scholarships

West Texas State University has announced that the school's President's Honor Scholars at WTSU have been named from 160 schools in a five-state region for the 1980-81 academic year.

Greg Walling of Munday, son of Mr. and Mrs. Lendon Walling and Deena Walker of Weinert, daughter of Mr. and Mrs. Jerry Walker, are among the 350 students from the region to have been chosen to receive \$100 scholarships.

Scholarship recipients must be members of National Honor Society chapters in high school or a similar honor organization or graduate with honors.

President's Honor Scholars will be honored at a reception at WTSU on September 9 and parents will be invited to a reception on September 27.

Karl Schumacher of Hereford is visiting his grandparents, Mr. and Mrs. Bill Orsak this week. Mrs. Bessie Orsak and Miss Melinda Motl of Seymour visited on Saturday.

Mrs. Mildred Fitzgerald of Seymour visited Mrs. Mayme Fitzgerald last Thursday.

Mr. and Mrs. Peck Mayo of Bowie visited Mr. and Mrs. Eldon McSwain Sunday.

Mr. and Mrs. Ronald Hardin of Wichita Falls visited her parents, Mr. and Mrs. Homer Lambeth on Saturday.

Mr. and Mrs. Jerry Hammett, Waco, and Larry Don Hammett of Duncan, Okla., visited their aunt, Mr. and Mrs. Riley Bell Sunday.

Mary Hutchens of Woodson visited her parents, Mr. and Mrs. Louis Hutchens on Saturday. Mr. and Mrs. Richard Hutchens of Wichita Falls and Mrs. Etta Kirk visited on Sunday.

Mr. and Mrs. Dale Huffman and Amy of Munday

and Brian Huffman visited Mr. and Mrs. Billy Huffman on Sunday.

Visiting Mr. and Mrs. Grady Williams Saturday evening was his nephew and wife, Mr. and Mrs. Bill Butterfield of Lubbock.

Mrs. Lana Mae Lowrance attended the reunion of the relatives of the late Frank and Alice Lowrance at Lake Greenwood during the weekend. Also attending the reunion were Mr. and Mrs. Johnny Lowrance and family and Mr. and Mrs. Doyle Lowrance and family of Colorado City and Mr. and Mrs. Sammy Byars and family of Lubbock.

Mrs. Margaret Wallace and Mrs. Bobbie Kegley of Munday visited with Mrs. Don Lane Sunday.

Brian Beaty visited his grandparents, Mr. and Mrs. Jack Beaty, Saturday and Sunday.

## West Texas Fair To Award Scholarship

The 1980 West Texas Fair and Rodeo will award two merit award scholarships to a young woman and young man through the Youth Department of the Modern Living Mall and Livestock Departments.

Applicants must have demonstrated an interest in these two departments of the fair in past participation as well as plans for future participation. Members of a 4H Club, FHA or PFA chapter are only eligible to apply for the \$250.00 scholarship to the college or university of his or her choice.

High school students with a good grade average for a two-year period are encouraged to apply, and they must have shown willing-

Chris Christensen of Christensen Aviation, Munday, receives his copy of the new Big Country Telephone Directory from Jim Hilger, area manager of the Big Country Directory, Abilene.

## NEW TELEPHONE BOOKS ARE HERE!

The new Big Country Telephone Directory for Knox, Baylor, and Throckmorton counties has now been delivered. This directory includes Seymour, Knox City, Munday, Throckmorton, Benjamin, Elbert, Goree, Lake Kemp, Megargel, Truscott, and Woodson.

The new phone book is published annually by Associated Publishing Company in Abilene and is a handy reference of business buyers and sellers in this area. It is designed to be a complete source of information in both the white and yellow pages.

Geographically designed, one book covers an entire market area and is compact with easy reference. It is the most complete source of information on businesses and residences in this area. It is also available to guests at area motels. Particularly significant are the lower advertising rates, according to Jim Hilger, area manager.

As the Big Country Telephone Directory is put into daily use in the area, the Knox County Community will find it most useful and very convenient. If you have not received your free copy, pick one up at Christensen Aviation, downtown Munday, or at the Chamber of Commerce.

KATHY WILDE

### Kathy Wilde Is Finalist In Pageant

Kathy Wilde, daughter of Mr. and Mrs. Edwin Wilde, has been selected as a finalist in the Texas Tri State Pageant which will be held in Houston on Sunday, September 14, 1980.

All contestants are chosen by a "candidate at large" contest. Kathy entered by mail, stating pertinent facts about herself. She later received a request for a picture. Last week, she was notified that she was in the finals.

State winners of three titles will be named at the pageant - Tiny Miss, Baby Miss and Little Miss. Each will receive a beautiful trophy, crown, banner, scepter and prizes. They will then have the opportunity to represent their state in the 4th Annual National Finals.

It is necessary for Kathy to obtain sponsors and boosters to aid her in the expense of the trip. Her parents are not allowed to pay the expense, according to the rules. At this time, Kathy is working toward this goal so she will be contacting people to sponsor her. Anyone wishing to assist Kathy may contact her at 422-4426.

She will be a third grade student in the Munday Schools this fall. She is a member of the Ranger PeeWee team and has participated in Brownie Scout work. She has taken instruction in tap, twirling, ballet, jazz, and acrobatics.

Her parents are Mr. and Mrs. Edwin Wilde. Mrs. Bertha Wilde and Mr. and Mrs. Ray Ford are Kathy's grandparents.

### FALL VEGETABLE GARDENING

A fall garden can be even more productive and more fun than a spring garden on the Texas Plains. Experienced plains gardeners know that our late summer and fall weather favors more productive growth than the harsher spring climate.

The quality and yield of many vegetables from a fall garden are often better than from a spring-summer garden. The cooler weather of fall will result in a longer harvest period for many vegetables. Lettuce and leafy greens are sweeter and more tender. Buttercrunch lettuce, collards, Green Comet broccoli, Jade Cross Brussels sprouts and Rhubarb chard will continue to grow to be a part of your Thanksgiving feast.

Careful planning of the fall garden is very important. The first fall frost occurs in mid-October in most Panhandle counties, in early November in the South Plains and in early to mid-November on the Rolling Plains. Planting must be timed to allow the frost sensitive vegetables to mature and be harvested before frost. Those which will tolerate frost are planted to permit harvest to continue after the first fall frost.

Vegetables adapted to fall gardens can be divided into four groups by their tolerance of freezing temperatures. Some warm season vegetables adapted to fall gardens - but killed by frost - are snap bean, southern pea, summer squash, winter squash, cucumber, sweet

corn, and early maturing pepper and tomato varieties.

The second group includes cool season crops - usually damaged by light frost when mature - such as head lettuce, cauliflower, kohlrabi, English pea, celery, cabbage, and broccoli. The third group contains those which are moderately tolerant of repeated light frosts: carrot, parsnip, beet, Brussels sprouts, leaf lettuce, endive, radish, rutabaga, turnip, and watercress. Members of the fourth group, which tolerate night after night of freezing and have even survived a mild plains winter, include bulb onion, green onion, chives, garlic, leek, multiplier onion, shallot, spinach, parsley, collard, kale, and the Buttercrunch and Romaine varieties of lettuce.

Seed of snap bean, baby lima bean, broccoli, cabbage, carrot, collard, chard, sweet corn, cucumber, and summer squash, sown in early to mid-July will produce crops ready for harvest before the first fall frost. Beet, kohlrabi, leaf lettuce, English pea, and spinach seed sown in early to mid-August will likewise provide abundant fall harvests. Mustard greens, radish, turnip and cress sown in early to mid-September will make it to the table in October and November.

Gardeners have several choices for starting their fall gardens. Summer vegetable seedlings require constant attention. Seed sown in the garden in summer is one choice but will require repeated irrigation and careful attention to pest control. It is often easier to start seedlings of tomato, pepper, cabbage, broccoli, cauliflower, Brussels sprouts and parsley in boxes or pots of potting soil, culture them in or near the house, and transplant them to the garden when they are 4 to 5 weeks old.

Additional advice on the timing of fall garden plantings and recommended varieties for fall gardens can be obtained from your county extension agent's office in Benjamin.

### Agent Reports

By APRIL WERLEY

#### FIGHT THE 'CRAZIES' ON SHOPPING TRIPS

Some people get the "crazies" when they shop - then their budget goes "crazy", too.

Some of those people are me and you.

Experts have "names" for these shoppers - the "bargain buyers", the "depressed shopper", the "spiteful buyer", the "status" buyer and the "wishful" buyer. These "names" describe several spending personalities.

Study their symptoms below, and if any are yours, then fight the "crazies" and save more money than you ever dreamed of.

**BARGAIN BUYERS** - get pleasure from imagining they are outwitting the seller. Accumulating bargains becomes a game more important than the products. Not paying the original price is - for some people - a way of asserting superiority and independence.

**DEPRESSED SHOPPERS** - use buying to compensate for frustration and gloom. It's a way to "boost the spirits", they think. But, of course, it's also a way to fritter away cash.

Once in a while, a "fling" may be emotionally healthy, but when it becomes a habit, or the items are expensive, new ways of solving depression would be more economical.

**SPITEFUL BUYERS** - they "work so hard and get so little attention" that they just go out and buy something to get back.

Unfortunately a buying spree rarely relieves the feeling of neglect for very long, and, worse yet, the purchase is rarely something they feel good about later.

**STATUS BUYERS** - will fall for anything that makes them stand out in a crowd. Sellers know people are willing to pay more for a product that reflects luxury. For example, cars feature options that have nothing to do with safety or economy. These luxury options simply appeal to status buyers.

**WISHFUL BUYERS** - spend money on products that promise a "wish come true" - young, slim, smooth skinned.

Did you make a wishful purchase today? or any other "crazy" purchase? We hope not.

### Letter to the Editor

**EDITORS NOTE:** The following is a letter received recently by Mr. and Mrs. Togo Moorhouse of Benjamin, from her brother, Wilson Hunter. Mrs. Moorhouse is the former Lucille Hunter.

Mr. Hunter, a native of Knox County, retired from the Army several years ago and makes his home in St. Petersburg, Florida. He travels extensively during the summer and recently made a trip to Russia. The Moorhouses would like to share the letter with Mr. Hunter's friends.

I was gone two weeks. The FINNAIR flights across the North Atlantic - eight hours non-stop New York to Helsinki, Finland - were nice and smooth with good food and movies. It was a huge DC-10. One could walk around often aboard the plane.

We transferred planes after an hour at Helsinki to a smaller Russian jet, then on down to Moscow - two hours. We were met by our American tour escort at Moscow airport. There were seventeen of us and we were whisked to our hotel by chartered bus. We stayed at the new 30 story Cosmos Hotel, shaped like a half-moon. It was very modern and our rooms were the best ever.

Most of our meals were served in the hotel as we all ate in a group. Very formal, very very good food such as caviar on our hard-boiled eggs for breakfast.

We had a big, new, and good chartered bus to take us from our hotel on various tours each day. We went inside the Kremlin walls where the seat of Russian government is located. There we saw the beautiful cathedrals, towers, worlds largest bell and largest cannon.

One night we attended an opera "Madame Butterfly" at a huge, new, modern

music hall named "Palace of Congress" located inside the Kremlin walls. One day we stood in a long line to view the body of Lenin inside a big granite tomb just outside the Kremlin walls at "Red Square". Also, across the street we visited Gum's Dept. store - huge!

We visited Armory Museum inside the Kremlin. What a collection! Rode a modern sub-way in Moscow after a 400 foot, fast, steep escalator took us to the bottom! There are over eight million people in Moscow.

After four days in Moscow we flew 400 miles north to Leningrad where we also had a nice hotel and daily tours to interesting museums. Rode Hydrofoil-plane boat up the bay to a beautiful summer palace of a Russian Tsar with beautiful fountains, etc. Had a gala farewell dinner, chiskabob(?) vodka and champagne, with Russian floor show. Marvelous trip, worth every penny. I'm fine.

Love,  
Wilson

### Ambulance Report

Bobby Hutchinson reports fifteen ambulance calls completed during June. Total charges made for the calls is \$785.00 with \$110.00 now paid.

January 1980 still tops the list with 23 calls made in the month with eighteen calls in February, eight in March, seven in April and eleven in May.

Bobby expresses his continued appreciation on behalf of the ambulance volunteers for the contributions being received for the new ambulance.

### VISITING GRANDMOTHER

Dustin and Nicole Morrow of Fort Worth enjoyed a week's visit with their grandmother, Mrs. Pauline Morrow.

### Public Notice

Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas effective August 12, 1980, unless otherwise determined by the Commission.

It is expected that the requested rate schedule will furnish an 11.65 percent increase in the company's intrastate revenues.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and is available for inspection in each of the company's public business offices in Texas.

# WHY GAS IS PLENTIFUL, EFFICIENT AND RIGHT FOR THE TIMES.

It's time to kiss rumors goodbye and settle down with reassuring facts, one of which is that gas is plentiful for the residential and commercial customers of Lone Star Gas Company.

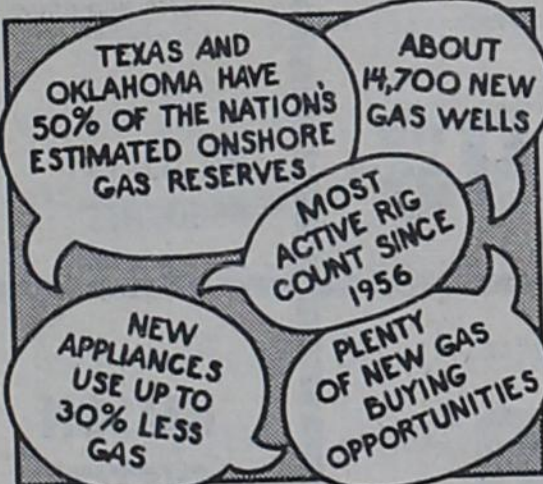

Rumors are usually more exciting than fact, but the fact is that approximately 2,500 drilling rigs were at work in the United States in December 1979. This was the highest active rig count since 1956.

Despite persistent rumors that America is running out of natural gas, industry statistics reveal an increase in the ratio of successes to failures in gas-well completions in 1979.

As a result, the United States has about 14,700\* new gas wells it didn't have a year ago. And exploration is expected to increase - not decrease - as higher gas prices offset the increasing cost of drilling.

Another reassuring fact is this: 50% of this nation's estimated remaining onshore gas reserves are in nine major basins in Texas and Oklahoma. Lone Star's pipelines connect with eight of these basins, so we'll have plenty of opportunities to buy new gas.

The new gas appliances can help you hold down your utility bills.

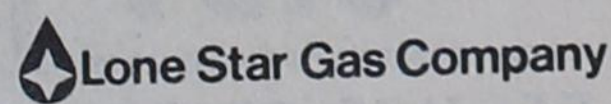

Gas is the naturally efficient energy that works in its original form, free of energy conversion costs. Direct use of it in your appliances actually conserves energy and saves you money.

Now, with the new energy-efficient appliances that use up to 30% less gas to do the same jobs your old appliances do so reliably, economical natural gas becomes even more economical.

The new gas appliances can help you hold down your utility bills without cutting back on the comforts and conveniences energy can provide. It's why natural gas and the new gas appliances are so right for the times!

## IN TOUCH

By, DAN COX, MINISTER  
CHURCH OF CHRIST

In Matthew 6:25 Jesus says, "Take no thought about your life, what you shall eat or what you shall drink, nor about your body, what you put on. Is not life more than food, and the body more than clothing?" In this passage of scripture, Jesus is not trying to encourage flippancy, nor is he against a thought-out life or looking ahead. Rather, he was teaching us that God desires for us to look to the future with faith! Psalms 37:5 plainly says, "Commit your ways to the Lord; trust in him, and he will act." If we are going to face the future with faith, there are two simple rules we might think about.

The first rule is to "TRUST GOD". Give God a blank check with your life, as did Mary, the mother of Jesus, in Luke 1:38. She faithfully exclaimed, "Be it unto me according to your word!" She was willing to do all that God had planned for her. If you find your trust in God wavering, remind yourself of His promises: He will work all things for the good of those who love him (Rom. 8:28). He provides escape with each temptation (I Cor. 10:13), and He will be with us even through the hard tests of life (Hebrews 13:5).

Think also about the power of God - how nothing is impossible for Him (Mk. 14:36). If we fully trust God, we will find the power to let go and allow God to lead us in our lives.

The second rule for facing the future with faith is: "ASSUME YOUR RESPONSIBILITIES." We must pick ourselves up from worry and do what we can. In Mark 14 Jesus commends a woman for anointing him by saying, "She has done what she could." Unproductive worry time can be converted into constructive helping time. Our responsibilities also include telling God our needs and enlisting His aid. "Let your requests be made known to God" (Phil. 4:6). Matt. 7:7ff tells us those who ask will receive. Try sitting down and crystalizing your worry. Is it really that important? Think about what you were worrying for ten years ago. Your worry is probably needless! Learn to believe in yourself. Paul writes, "I can do all things through Christ who strengthens me" (Phil. 4:13). God provides the grace when needed, as well as the strength. Decide for yourself that you are going to handle all of your problems separately. Take

### Threat Of Screwworms Continues

Although the weather continues hot and dry, livestock producers still need to be on the lookout for screwworms. Dr. John Holcombe, executive director, Texas Animal Health Commission, warns.

The eradication effort is now centered in Mexico where millions of sterile screwworm flies are being dispersed to mate with native populations which result in no offspring. TAHC inspectors are working closely with producers along the Texas-Mexico border. "We must rely on individual producers throughout the state to watch for possible screwworm infestations. We urge cattlemen everywhere to send in suspected screwworm samples to the eradication center in Mission. Special mailing kits for doing this chore are available at county agent's offices and from veterinarians," he said.

Thus far, only one confirmed case has been found in all of Texas. That was in Coleman County.

"This is not the time to become complacent. We need to know if there are any cases of screwworms in the state. When and if we find one, that area will be saturated with sterile screwworms in order to wipe out that infestation. An unreported screwworm outbreak can hurt the entire program. This is why we need to keep watching for possible screwworm infestations and send in suspected samples," Dr. Holcombe explained.

### REV. AND MRS. ALLEN HOST FAMILY REUNION

Rev. and Mrs. Ivan E. Allen hosted a family reunion last weekend which included their children and most of Ivan's brothers and sisters. People began to arrive on Friday and by Friday evening about half of those who came had arrived. Others came on Saturday and all except their son, Roger, left for their homes or other points on their vacations on Sunday.

The time was spent visiting and playing games that could be played indoors. On Saturday evening the group of twenty-nine adults and three children enjoyed a barbecue supper in the Fellowship Hall of First United Methodist Church. The meal was catered by Curley and Dortha Awalt. Several of those attending the reunion attended worship in Goree or Munday prior to their departure on Sunday.

Persons attending from out of town were: Rev. and Mrs. Roger Loyd and Melanie, Lubbock; Mr. and Mrs. Charles Allen, San Antonio; Roger Allen, Lake Jackson; Mr. and Mrs. Frank Allen and Marian, Houston; Mr. and Mrs. R. G. Strickland, Amarillo; Mr. R. D. Allen and Darrell and Ann Rowe, Oklahoma City; Mr. and Mrs. David Turner, Lubbock; Mr. and Mrs. Roy Smith, Greg and Courtney, Olathe, Kansas; Mr. and Mrs. Wesley Agler, Wes, Karen, and Richard, Irving; Mrs. A. G. Townsend, Copperas Cove; and Mr. and Mrs. Elmer Tate, John and Calvin, Austin.

### FLASH FROM THE PAST

In 1913, for the first time in America's history, Americans bought more automobiles than carriages and sleighs. (If gas gets any more expensive, we may see a reversed trend.)

### Threat Of Screwworms Continues

Although the weather continues hot and dry, livestock producers still need to be on the lookout for screwworms. Dr. John Holcombe, executive director, Texas Animal Health Commission, warns.

The eradication effort is now centered in Mexico where millions of sterile screwworm flies are being dispersed to mate with native populations which result in no offspring. TAHC inspectors are working closely with producers along the Texas-Mexico border. "We must rely on individual producers throughout the state to watch for possible screwworm infestations. We urge cattlemen everywhere to send in suspected screwworm samples to the eradication center in Mission. Special mailing kits for doing this chore are available at county agent's offices and from veterinarians," he said.

Thus far, only one confirmed case has been found in all of Texas. That was in Coleman County.

"This is not the time to become complacent. We need to know if there are any cases of screwworms in the state. When and if we find one, that area will be saturated with sterile screwworms in order to wipe out that infestation. An unreported screwworm outbreak can hurt the entire program. This is why we need to keep watching for possible screwworm infestations and send in suspected samples," Dr. Holcombe explained.

### REV. AND MRS. ALLEN HOST FAMILY REUNION

### VISITING FROM NEBRASKA

Mrs. Jo Marie Scott, Chris and Shellie of Gering, Nebraska, will be visiting Mr. and Mrs. Jerry Cobb, Mr. and Mrs. Gary Wilde, Mrs. Agnes Hill and other relatives and friends for three weeks.

Mrs. JoNell Cobb, Mrs. Judy Wilde, and Mrs. Scott visited in the home of Mr. and Mrs. Tommy Cloud in Arlington during the weekend.

## Local Youths Winners At TAAF Track Meet

Several local youths entered the Texas Amateur Athletic Federation regional track meet in Abilene last Saturday. Munday made a good showing and several young people qualified for the state competition in Abilene on Friday and Saturday, July 25-26.

In the Bantam division (nine and under) Trey Thompson won second in the 100 meter and third in the

200 meter. Denise Kuehler won first in the 220, second in the 100, third in high jump and second in long jump. Tyler Thompson also participated in this division.

Todd Thompson ran in the Midget Division (ages 10 and 11). He was first in broad jump, first in 100 meter, first in 200 meter, and second in 400 meter.

In the Junior Division, ages 12-13, Dent Offutt came in second in broad jump. Terry Lowrey also participated in this event.

Ann Kuehler was first in the 220 in the Junior Division, fourth in 100 meter, fourth in long jump and third in high jump.

Kelli Smith placed second in high jump, second in long jump and second in 100 meter in the Junior division.

Kevin Smith was first in high jump in the senior division with a jump of 6'2".

In the 440 relay, Kim Bateman, Leah Raugh, Luci McElhany of Knox City, and Denise Kuehler of Munday

came in first. First and second places of each event will advance to state competition.

Mrs. Loree Atkinson

**HELP WANTED:** Stubb's  
Exxon - 422-4751. H. B.  
Stubblefield.

**ASLEEP AT  
THE WHEEL**

Many people don't realize  
that prescription tran-  
quilizers are very risky as  
far as driving is concerned.  
And you don't have to be  
zoned out to be in danger!  
"Downers" slow reflexes  
and impair judgement. One  
British study showed that  
drivers on Valium or any  
other mild tranquilizer are  
five times likelier to have  
car crashes than non-users.  
(Texas State Dept. of  
Highways). \*\*\*\*\*

Richard Porter III of  
Denver, Colorado is visiting  
his grandparents, Mr. and  
Mrs. R. N. Porter and  
Tammy.

**Activities of Colored People**

By ALINE JOHNSON

S. K. opened with Pastor  
Bee and wife and I'm told  
they all were pleased.

Subject lesson: The  
Bible, Lamentations. Here  
is the saddest in the Bible. It  
consists of five poems or  
songs grieving over the  
destruction of Jerusalem  
and the exile of the Jewish  
people in 587 B. C.

Although its traditional  
title included the phrase of  
Jeremiah, the book itself  
does not reveal its author. In  
II Chronicles 35:25 reference  
is made to the speaking of  
Jeremiah and the singing of  
the chorus when King Johias  
was killed in 609 B. C. and  
they are written Lamen-  
tations.

It is read annually in  
Jewish Synagogues but  
most Christians are not  
acquainted with it as a book.  
Some of its verses, however,  
are used in describing the

**HUDSON REUNION  
AT KNOX CITY**

The Hudsons held a busy  
and enjoyable reunion in  
Knox City from Friday June  
27, through Sunday June 29.  
In addition to all the visiting,  
games and reminiscing; they  
celebrated a niece's birth-  
day; everyone arose at 6  
o'clock on Sunday morning  
for a sunrise wedding; and a  
surprise party for I. L. (Ike)  
Hudson's 80th birthday  
ended the get-together.

A worship hour was held  
at 11 o'clock on Sunday with  
Rev. Ray Akin of Austin,  
assisted by his son, Charles  
Ray Akin Jr. of Los Angeles,  
conducting the service.  
Everyone was reminded of  
the influence of their  
ancestors and urged to  
attain higher goals. The  
service ended with everyone  
joining hands and singing  
"Blessed Be The Tie That  
Binds."

Guests registered from  
Dallas, Fort Worth, Arling-  
ton, Grapevine, DeSoto,  
Austin, Abilene, Hereford,  
Amarillo, Forest, Miss.,  
Hammond, La., Ruidoso, N.  
M., Duncan, Okla., Still-  
water, Okla., and Los  
Angeles, Calif.

**suffering of Christ.**

Let us study God's word  
to prove ourself as a  
workman neither not be  
ashamed but rightly divid-  
ing the word of truth. I  
wish I could explain all I  
wanted to tell you about  
God's word.

You all that are Christ-like  
please don't forget our good  
Dr. R. L. Newsom, send up  
to God a special prayer. Not  
only for him but for all.

Parents please keep your  
boys and girls out of the  
streets and they will thank  
you when they get grown.

**News From Leisure Lodge**

By MRS. MILDRED HENDRIX

Mr. and Mrs. Wesley  
Martin of Dallas visited her  
mother, Mildred Warren.  
Sue Tore of San Antonio,  
Bea Smith of Seymour, and  
Bryan Shupee and Adrain of  
Austin visited Carrie Elliott.

Donny and Karen Micha-  
lik of Austin visited his  
grandmother, Anna Homer.  
Reuben Bates of Wichita  
Falls visited his mother,  
Mrs. Bates.

Jonell Patterson visited  
friends in Leisure Lodge.  
Billie Jameson visited  
Mrs. Bates and Aunt Minnie  
Brooks.

Mildred and Al Robertson  
and Patsy Mayfield visited  
Opha Owens.

Mr. Haynie, Minnie  
Brooks and Mildred Warren

were visited by Lorene and  
Carl Smith of Wichita Falls.  
Donna Michalik of Lub-  
bock visited her grand-  
mother, Anna Homer.  
Mrs. Lenora Fojtik and

Iris Fojtik of Seymour  
visited Vlasta Hlavaty.  
The Church of Christ of  
Munday held our Sunday  
services. We appreciate  
them very much.

**Brides Need New SS Card**

New brides, along with  
anyone else who has had a  
recent name change, should  
visit the Vernon Social  
Security Office to arrange to  
have their names changed  
on their social security  
records and to apply for a new social  
security card showing their  
new name, James Harper,  
Social Security branch  
manager in Vernon, said  
recently.

Unless the bride plans to  
use her maiden name after  
marriage, the record should  
be changed so that earnings  
are correctly reported to the  
correct record.

To apply for a new social  
security card, which will  
show the person's new  
name, but old social security  
number, he or she should  
come to the social security  
office.

In addition, two items of  
evidence showing the per-  
son's identity under both the  
new and old names must be  
submitted. Possible evi-

dence includes:  
Drivers license, State  
identity card, voter's reg-  
istration, marriage record,  
divorce decree, work badge  
or building pass, passport,  
court order for name  
change, welfare case record,  
insurance policy, or any  
other document showing  
identification data such as  
physical description, photo-  
graph, or signature.

Only original documents  
or copies certified by the  
issuing agency are accep-  
table, Mr. Harper said.  
Uncertified photocopies are  
not acceptable.

For more information  
about applying for a social  
security card, ask for a copy  
of the leaflet, "Applying for  
a social security number".  
To obtain a copy call this  
new social security toll-free  
number: 1-800-392-1603 be-  
tween the hours of 8:00 a.m.  
and 5:00 p.m. Monday  
through Friday.

**Kilowatts Are  
Getting More Precious  
All The Time**

This insulator and rack is used to bring your electric service from the utility pole to your home.

	1972 Cost	1979 Cost
Secondary Rack	70c each	\$1.55 each
Spool Insulator	33c each	70c each
5/8 x 10" Machine Bolt	30c each	85c each

These essential parts are just an example of how rising prices are affect-  
ing the cost of producing electric energy. Of course everything else has  
gone up, too. Materials, equipment, labor -- nothing has escaped the  
effects of inflation.

Which means that we at WTU are striving harder than ever to operate  
efficiently and economically as we meet the daily needs of our cus-  
tomers.

**WEST TEXAS UTILITIES COMPANY**  
WTU  
A Member of The Central and South West System

As always, WTU's goal is to provide a dependable supply of electric energy  
at the lowest practical cost. We hope you'll use it wisely.
