Look
To The
East

By AARON EDGAR

Just what is a mixed blessing?

Positioned in the post office lobby the first of last week, we asked that question of a number of people who came in after their mail. "Donno" was the reply of all of them.

Then in came our neighbor from the east of us, and we asked her the question, knowing that we'd get a different; and, maybe, a satisfactory answer.

"Well, they're all mixed," she replied. "Some of them are bad!" Which sort of added to our confusion!

What brought this all about was a headline in the Wichita Falls paper: "Rain brings mixed blessings to city". On the same morning the following headline was in the Abilene paper: "Rains close roads in six area counties."

And this might pose the question: When is a blessing not a blessing?

We'd never even thought of a mixed blessing. A blessing, to our not-too-well educated mind, had to be good, and when bad infringed on its rights, it ceased to be a blessing. A disaster, maybe, but no longer a blessing!

We'd never thought, either, that the Supreme Master of the Universe would mix His blessings up. Like He had a grab bag at hand and would reach in and pull out a blessing when we asked for it.

We have on occasion, asked the Lord to send us a blessing "from his storehouse of blessings", never fully realizing what we were asking, except that He might be able to open the door to His enormous storehouse, where the blessings were all sorted out and arranged in order, and select one that would just exactly fit our needs.

But more about mixed blessings. We suppose the enormous amount of rainfall surely must have been a "good" blessing, or a super one, to people over a wide area. But those people in Wichita Falls and other towns who had to evacuate their homes because of flooding conditions didn't feel supremely blessed by an outpouring of the elements. This might be classified as a "bad" blessing, if you get the meaning!

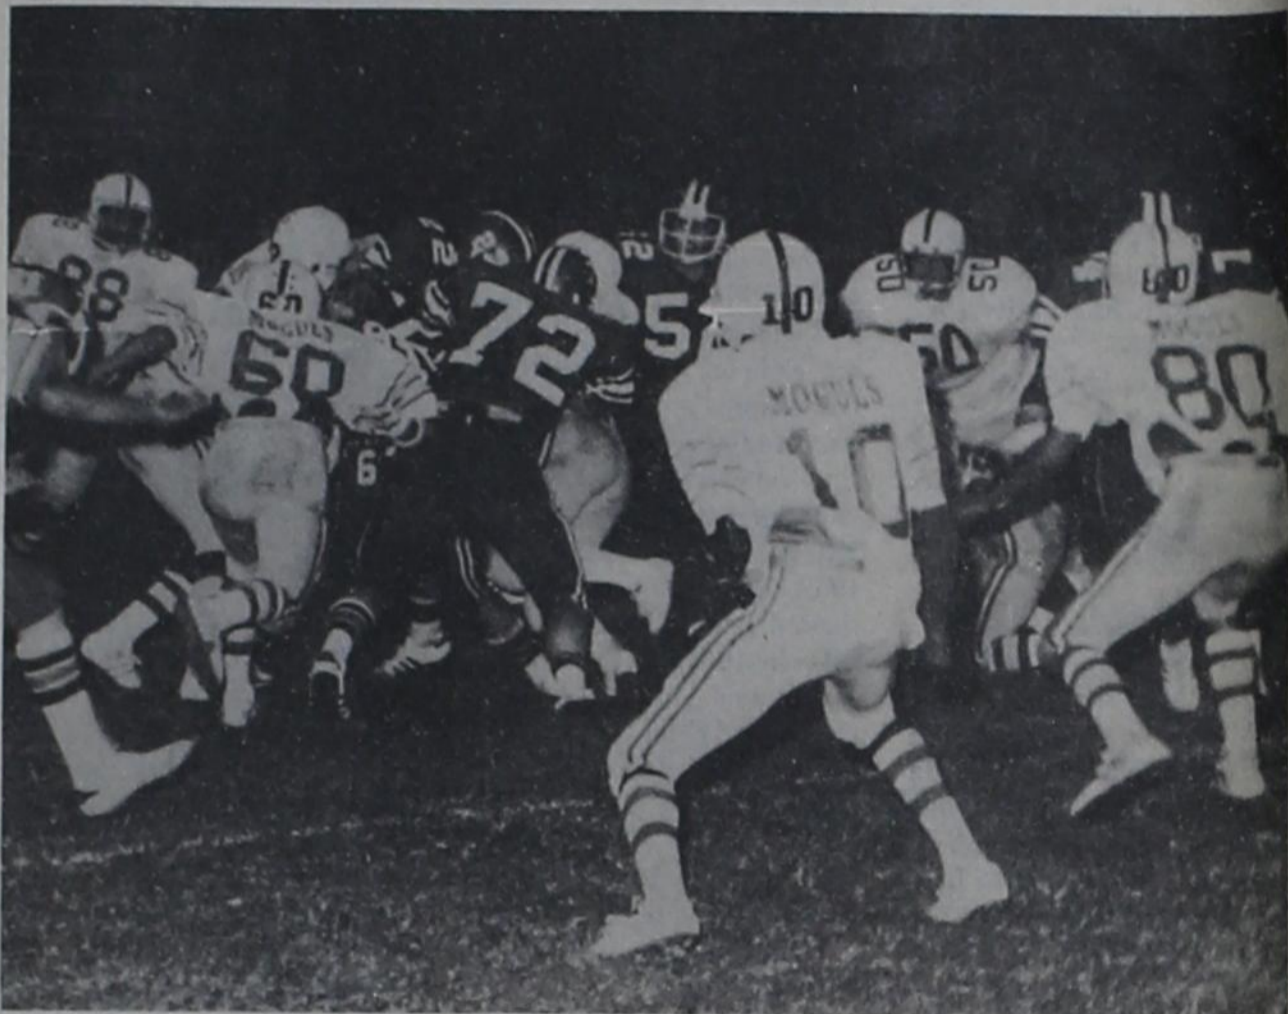

The following day an editorial appeared in the Abilene paper. We quote in part:

"As with so many things in life, the Big Country rains are a mixed blessing. The spigot from the sky seems to have been stuck in the 'on' position, allowing much welcomed - and long overdue - water to be pumped into Abilene's main storage area....

"Where the rains are causing justifiable complaints is in the areas to the north and west. Roscoe, Hamlin and Haskell are having far too much of a good thing. Floodwaters covered roadways and invaded homes, disrupted sanitary sewer systems and generally created hardship....

So there's your mixed blessing, if you are inclined to call disaster a blessing. Our only excuse for im-

MOGUL DEFENSE is shown in action against the Electra Tigers last Friday night. Moguls in the photo are Victor Shields, 88; Bryan Kuehler, 60; Dave Hunter, 10; Allen Brown, 50; and Joey Kuehler, 80. The Moguls lost their battle to Electra.

Moguls Suffer 34-7 Defeat At Hands of Electra, Idle Friday

The scrappy Munday Moguls dropped from the ranks of undefeated teams this season when they "took a trip" to Electra last Friday night, and the Class 3-A Tigers handed them a crushing defeat to the tune of 34 to 7.

This was Electra's third win in five starts. The Moguls also have three wins, one loss and one tie thus far

Band Boosters Meet

Boosters for the Big Purple Cloud met on Monday night, October 5, with 14 members in attendance.

The Calendar sale has been completed for this year. However, if you failed to buy a band calendar or need extras they do have several on hand. If you are interested in a calendar, please call Mrs. Leona Elliott at 422-4078.

Band Boosters will hold a Thanksgiving bake sale at the Munday M System store on November 26. They would appreciate the area people keeping this date in mind and purchasing baked goods from them for the holiday. This effort helps the band.

The Mogul Band will travel to Wichita Falls for a practice session on Monday, October 20. They will then participate in the Marching contest on Tuesday, November 4. The public is invited to attend this contest.

City Council Minutes

SPECIAL SESSION
The City Council of the City of Munday met on September 29, 1980, at 8:00 p.m. at the Munday City Hall in special session.

Members present: Mayor James W. Reid and Aldermen Larry Smith, M. M. Booe, Ray Lynn Hardin, Donald Hobert and A. Dale Selzer.

Members absent: None. Purpose of the meeting was to examine applications for a secretarial position at the city hall. Seven applications were examined and considered by the council.

After consideration of applications the administrator was instructed to promote Mary Groves to the permanent position Judy Wilde vacated.

in the season. Electra opened the scoring at 3:45 in the first quarter on a three-yard plunge, this being set up on a Mogul blocked punt. Three minutes later, the Tigers again got possession and added another score. They ended the half with a 21-0 lead.

The heavier Electra linemen kept the Moguls pretty well bottled up, but they continued to battle against the bigger odds.

The Moguls defense held its own in the third period, holding the clawing Tigers scoreless. Outclassed and weary, but still determined, the Moguls erased that zero mark late in the fourth quarter. With only 31 seconds left in the game, Chris Moore dumped a screen pass to Lawrence Collier, and the speeding Mogul sidestepped and outraced the Tiger defenders on a 67-yard scamper to cross the scoring mark. Allen Brown added the point after.

Collier was Munday's leading ground gainer, with 63 yards, but the Mogul offense was stymied by turnovers, fumbles and interceptions.

Electra had 19 first downs, 223 yards rushing and 78 yards passing. Munday made seven first downs, gained a total of 93 yards on the ground and 82 by the aerial route.

OPEN DATE FRIDAY
The weary Moguls will enjoy an open date Friday night, just prior to entering district play. This will not be a rest period, however, since

Ray Lynn Hardin made the motion that Cheryl Crawford be hired in the secretarial position formerly held by Mary Groves; provided that, after an interview with Walter Hertel in which city policy employment requirements, pay scale, fringe benefits, sick leave, etc., are discussed, Mrs. Crawford is interested in the position. Hobert seconded. All members voted in favor.

In the event, after the interview, Mrs. Crawford declines, then the council will again meet to select another applicant to interview.

No other business. Selzer moved for adjournment. Smith seconded. All for.

Coach Lowrey and his assistants are continuing daily workouts to iron out whatever rough spots may yet remain in both offense and defense.

Then on Friday night, October 17, the Moguls will "do battle" with the Quanah Indians to open district play on the home field.

COMMENTS FROM COACH LOWREY

I feel like what happened to us Friday night is exactly what the Moguls have been doing to our opponents - forced us into making critical mistakes early in the ball game and they were able to capitalize on every mistake we made.

It all started on the blocked punt which they quickly converted into a touchdown. Pass interceptions and fumbles came next. Before we realized it, we were 21-0 behind.

Offutt Attends Conservation State Meet

Mr. and Mrs. Lonnie Offutt of Munday and Mr. and Mrs. Clifford Cornett of Knox City were in San Antonio three days last week to attend the Fortieth Annual State Meeting of Texas Soil and Water Conservation District Directors. The men are directors from the Wichita-Brazos District V.

The theme of this year's meeting was "Soil and Water Conservation Districts - What Is Their Future?" Purpose of the meeting was to review developments effecting Texas conservation programs and to plan future conservation district programs and activities.

The men attended the general sessions and were fortunate to hear speakers which included State Representative Susan Gurley McBee of Del Rio; Dr. Jarvis Miller, Special Assistant to the Chancellor, Texas A&M University; Congressman Eligio "Kika" de la Garza of Mission and Lyle Bauer of Harper, Kansas president, National Association of Conservation Districts.

Special activities for the ladies included a Tuesday afternoon shopping and sight-seeing tour of San Antonio and Wednesday morning continental breakfast and entertainment.

Kick-Off Time For United Fund

The Munday area United Way will begin the 1981 drive with a "kick-off coffee" on Wednesday, October 15,

All workers are asked to attend this coffee if possible

Munday To Get New Christmas Decorations

Last Thursday afternoon the Bicentennial Executive Committee and several of its committee members met with representatives of local civic organizations and the City Administrator to discuss new Christmas decorations for the downtown area.

During this meeting it was decided to place an order for twenty-three pole

decorations at a cost of \$3,548.60. Half of this amount, \$1,844.76, is in a Bicentennial Fund which was established in 1976. Approximately \$1,300.00 was contributed through the United Fund Campaigns in 1976, 1977 and 1978. The United Fund had designated their share for a tourist park which was to have been erected within the city limits as a "permanent" project started during the Bicentennial year. This project never materialized, so the United Fund Board voted to release their designation of the funds to the Bicentennial Committee to be used for Christmas decorations. An additional \$1,700.00 is needed.

The group expressed that the remainder can be raised through contributions from civic groups and individual donations. The Bicentennial projects in 1976 provided a carry-over balance of approximately \$577.46 which was to have been applied to the tourist park.

The downtown decorations are now nine years old and were purchased by the City of Munday, The Chamber of Commerce and local civic organizations.

The new decorations can be enjoyed by all, and will certainly brighten the town at Christmas time.

The local businessmen and merchants pay the Munday Volunteer Fire Department \$100.00 each year to install and remove the downtown decorations.

Civic organizations or individuals who wish to contribute to the purchase of the new decorations may do so by contacting the Chamber of Commerce and Agriculture.

Attending the meeting last Thursday were: Callie Ann Combs, chairman of the Bicentennial programs; Charles Baker, festival division chairman for Bicentennial programs; Edith Hobert and Douglas Myers, members of festival committee; Norm Anderson, Munday Lions Club president; Paula Schur, 1981 Munday United Fund chairman; David Bordovsky, Munday Jaycees; Gary Schur, president, Chamber of Commerce and Agriculture; Frank Jackson, Chamber of Commerce board member; and Walter Hertel, City of Munday.

The annual Knox County 4-H banquet has been set for Tuesday, October 21, at the Memorial Building in Benjamin. It was announced this week by 4-H leaders. Activities will begin at 7 p.m.

This will be a formal occasion, as it is a highlight of the 4-H year in Knox County.

The banquet is set up to recognize all achievers of the past year, to give incentive for others to become more involved, and to encourage

more youth to join in the 4-H activities of Knox County. Everyone is invited to come and see what 4-H has accomplished this year.

"We need to know how many people will attend so we can set up for the occasion," leaders stated. "You can call in, or write, to let us know how many family members and friends will be coming."

Phone 817-454-2651, or write the Extension Office, P. O. Box 167, Benjamin, Texas 79505.

Rhineland Gins First 1980 Cotton

A call from Tommy Decker, manager of Rhineland Co-Op Gin, on Monday morning of this week brought news of cotton being ginned out that way that very morning - their first for the season.

The cotton was stripped on Saturday and belonged to Glen and Ray Herring. The field had been defoliated before the rain and remained too wet for harvest until Saturday.

Gathered off approximately ten acres, they harvested 3530 pounds, from which they ginned 655 pounds of lint cotton. The turn-out was 19%.

Mr. Decker stated he was real pleased to receive the cotton and hoped the information on the turn-out might help some of the area farmers determine whether they would "harvest or plow up".

Local Housing Director Receives Commendation

Mrs. Jeanie Carden, executive director of the Munday Housing Authority, is recipient of a commendation from the Texas Housing Association.

These are annual awards given to recognize outstanding service of directors. The commendation reads:

"In appreciation of distinguished service and unselfish dedication to the promotion of Housing Programs and Community Development and in recognition of faithful and devoted service to our citizens I hereby bestow upon you, as a token of the esteem and gratitude of this association, this certificate of communication. /s/ Mary Krenzler, president."

The award was presented at the recent annual meeting of Texas Housing Association held in Victoria.

In commenting on this award Mrs. Carden stated,

Knox 4-H's Enter Steers At State Fair

Five Knox County 4-H members plan to enter their steers at the State Fair of Texas in Dallas on October 15-16.

Shannon and Stacia Ryder will have a Hereford and a Cross-breed entered. They are the daughters of Mr. and Mrs. Donnie Ryder of Benjamin.

Doug Brown, son of Mr. and Mrs. Stanton Brown of Benjamin, will show his cross-breed.

Julie and Angie Partridge will enter an Angus and a Cross-breed. Mr. and Mrs. Wendell Partridge of Munday are parents of these two girls.

These youths spend a tremendous amount of time with their project and enjoy it very much. Knox County citizens will be "rooting for them."

MRS. JEANIE CARDEN displays the award given to her by Texas Housing Association, noting her outstanding performance in her position as executive director.

"I feel that completing the modernization program of the units in the east part of Munday, accomplishing the preliminaries for more units for the elderly to be constructed, and the fact that our units are remaining occupied would be some of the factors considered in presenting this award. I was privileged to serve on a committee for the Association which gave me an opportunity to be more aware of their functions.

"The position of executive director has been both a worthwhile challenge and a rewarding experience. The job is made pleasurable due to the excellent commissioners we have, the cooperation of tenants and my fellow workers. I receive this award on their behalf as well as my own."

Immediately calling this a blessing is that in the future it might be proven a "blessing in disguise".
As a child, our father conducted nightly devotionals, we remember hearing him ask the Lord to "bless us according to our needs". We think he never dreamed but that his prayer would be answered with a good, not bad, blessing.

CLYDE DEFEATS HASKELL 15-12
The Clyde Bulldogs journeyed to Haskell Friday night and with "dogged" determination downed the Indians by the close score of 15 to 12.

The winning touchdown came on a 60-yard kickoff return by Ricky Long, Bulldog tailback, with less than three minutes remaining in the game.

The two teams fought on even ground for three periods, then Browning scampered for 60 yards on a Bulldog punt for the first score. The PAT failed. Clyde took the lead early in the fourth stanza by scoring seven points.

Penalties against Clyde set up Haskell's second scoring opportunity, and

again the extra point try filed. Clyde scored again on a 60-yarder, this time adding two extra points.

HENRIETTA DOWNS SEYMOUR PANTHERS
The Class AA Henrietta Bearcats kept visiting Seymour winless Friday night in a 12-6 defensive match.

A 17-yard scoring pass late in the third quarter spelled victory for the host team. The Bearcats had scored early in the first quarter.

The Panthers scored early in the second quarter on a 17-yard scamper by John Geter, with the conversion kick going wide.

GOREE WILDCATS LOSE TO GUTHRIE
The Goree Wildcats en-

gaged the Guthrie Jaguars on Jaguar field Friday night and came home with the small end of a 57 to 31 score.

The host team scored 16 points in the first quarter, 26 in the second and 15 in the fourth.

Goree scored 12 points in the third quarter and 19 in the fourth.

RULE BOBCATS DOWN NEWCASTLE
Two sets of Bobcats, Rule and Newcastle, battled it out at Rule Friday night, with all the scoring being done by the clawing Bobcats of Rule, 71 to 0.

Rule scored almost at will, with Mile Rhoads, tailback, with a halftime lead of 28-0. **ASPERMONT WINS OVER ROCHESTER**
The Aspermont Hornets stung their host Rochester Steers to the tune of 33 to 12 Friday night.

Aspermont is now 4-0 in season play, while Rochester is 1-3. Both teams are in District 4-A.

BENJAMIN DOWNS NORTHSIDE TEAM
Benjamin's Mark Oxford scored early in the first quarter against Northside of Vernon, and led the Mustangs to a 58-38 win at Vernon.

Oxford scored four touchdowns in the District 3-A opener for both teams. He scored on runs of 7, 55, 60 and 24 yards.

KNOX CITY WINS OVER CHILLICOTHE
Opening their District 4-A play, the Knox City Greyhounds went to Chillicothe Friday night and mauled the Eagles to the tune of 48 to 0. It was the third win for Knox City in four starts, while Chillicothe is 2-1-1 for the season.

Tom Robertson, Jay Rutherford and Davis Flores led the scoring for the Greyhounds.

"His Kids" Enjoying Numerous Activities

"His Kids", the First Baptist Church children's choir, are always very busy with activities and practices. On Saturday, October 4, twenty-three members of the choir and six adults boarded two church minibuses and headed for Ft. Worth.

On their arrival to the city, the group enjoyed a picnic lunch at a park and then on to ice skating! After several hours of skating fun, they visited McDonalds for their evening meal. A trip to that particular eating establishment seems to always be a delight to children. They returned to Munday about nine o'clock on Saturday.

Adults going were Mrs. Mickey Jackson, Mrs. Melvin Cypert, Mr. and Mrs. Robert Hosea and Mr. and

Mrs. Keith Davis. Keith is choir director and sponsor of this group.

Another activity this group of boys and girls have participated in recently was a poster coloring contest. The pictured colored depicted the new musical the choir is practicing, "Down By The Creek Bank." Contest winners were Karen Munoz, Holly Jackson, Jay Donoho, Mark Brown and Gary Welch. These winners were treated to supper at the Munday Dairy Queen as their prize.

The new musical is quite a challenge to these young people and they are putting their "all" into it. They will perform the musical in the near future at an evening service at First Baptist Church.

"TITHING: A Discipline of The Christian Life"

Living as Christians in a community requires several disciplines be developed that will give us guidance in life. In previous articles I have mentioned worship, prayer, study, and serving. Another discipline I believe that is to be appropriated by Christians is that of tithing our income for the work of God and His Kingdom.

The Hebrew people were commanded to tithe. In Deuteronomy we are told, "Year by year you shall set aside a tithe of all the produce of your seed, of everything that grows on the land - corn, new wine and oil, and the first-born of your cattle and sheep."

(Deut. 14:22-23, NEB). Apparently all the people didn't follow this admonition because the prophet Malachi, speaking for God, said: "There is a curse on you all, the whole nation of you, because you defraud me. Bring the tithes into the treasury, all of them; let there be food in my house. Put me to the proof, says the Lord of Hosts, and see if I do not open windows in the sky and pour a blessing on you as long as there is need." (Mal. 3:10, NEB)

Jesus rapped the Pharisees for their attention to tithing their produce and neglecting justice and mercy and faith. I understand him as saying that they should do both. (Matthew 23:23). Paul told of one Christian group that gave beyond their means for the support of the Christian in Jerusalem, but it was only possible for them to do this because they "first gave themselves to the Lord." (2 Cor. 8:3-5). In this same letter, Paul writes: "He who sows sparingly will also reap sparingly, and he who sows bountifully will reap bountifully." (2 Cor. 9:6).

Tithing is a discipline of the Christian life and through it we can learn what is important in life. What comes first in life for you? For many it is personal comfort and success. Others will say pleasure and recreation are high priorities. When these come first in life there is usually little left over in time, energy, or money; but, if there is God can have some of it. The discipline of Tithing reverses this order. Jesus said, "Seek first God's kingdom and his righteousness and all things needful for life will be yours as well." (Matthew 6:33) In a covenant to tithe recognition is given to the fact that it is God, not man, who is the center about which life revolves. We deny, ignore, or forget this truth at our own peril - the peril of living a shallow life.

Tithing also teaches an awareness of the presence of God. To know God's presence comes from the acknowledgment that God is the owner of everything. Yes, we have title to property and we have control and use of it for a period of time; but eventually that control and title will pass to another. The affirmation of one who is a faithful follower of God is "God is the owner; I am his steward."

Tithing helps to teach the happy virtue of gratitude. There is no way we can thank God enough for what he has provided for us and given to us: the soil, the air, the rain, the seed, and the mystery between them that causes plants to grow and produce. There is no way we can thank God enough for his love that Jesus came to show to our world. Nor can we thank him enough for the sacrifice Jesus willingly made for us and our salvation. Tithing is a way of saying, "Thank you, God."

We need to worship God, pray to him, study his word, and serve in his name in the world; but we also need to tithe to let him know that we know what is important in life and that our commitment to him is real.

Happy Birthday
From all of us who love you so.

Letters to the Editor

Dear Editor,

This country was founded on biblical principles. As long as we respected and lived by these principles our nation was blessed more than all other nations.

As we have begun to neglect these christian principles our country is beginning to experience problem after problem. These problems will multiply if we continue as we have.

If you love your God, your family, and your country, you can surely see that we need to get back to a way of life that God can honor and bless.

I am not telling you how you should vote on November 4. I simply want you to take a prayful look at each candidate and his platform and compare them with the principles found in God's word.

Yours truly, Cindy McWhorter

Enclosed is a check to renew my subscription. I can't afford to miss the happenings at home.

Sincerely, Mrs. Clyde Nelson
Editor's Note: Mrs. Nelson has made her home in Weatherford for the past several years and we miss her in Munday. It is always good to hear from her.

Jr. High, Jr. Varsity Hit By Electra; K-City Next

Munday Jr. High and Jr. Varsity had a bad time with their games on Thursday with Electra. The three Munday teams lost their battles.

The Jr. High boys are working hard to ready themselves for their game this Thursday (today) against Knox City - O'Brien. The Jr. Varsity team is preparing to take a win from Knox City too. Munday will be the visiting team with the games being played at O'Brien. Game time is 5:00 p.m.

COACH DENNIS COMMENTS 7th GRADE

The score of 26-0 was the outcome of our game on Thursday with Electra on top. They had a team of big boys and they played physical.

Our boys were out-matched in size all the way. However, I was not disappointed in the Braves' efforts. The Braves seemed to be a little "awe-stricken" at first but by the middle of the second quarter they gained some confidence in themselves. In the second half our players came out and played a better ball game.

8th GRADE

The eighth grade game was a good ball game. I didn't feel we played all that well the first half, however, even though the score was 6-6 at that time. The final score was 12-6 in favor of Electra.

In the second half our playing improved. The lines began blocking better and the backs began to run harder.

Electra scored the go-ahead touchdown with about

three minutes left in the game. We stopped their two point conversion which left the score at 12-6.

We then took their kickoff and marched the length of the field and first and goal on the one yard line. Even with the Braves good effort, Electra was able to stop us on the one. The difference we felt was in age and strength. Electra possessed both.

We felt like the boys' effort was real good. We turned the ball over with less than one minute left in the game.

COMMENTS ON JR. VARSITY GAME

By COACH LANKFORD
Our game with Electra ended with them out front, 24-6. They were a quicker, more physical ball club and we were not physically or mentally prepared to play them.

We had fifteen players out and this alone is really a handicap. I feel the game with Electra was a classic example of the let-down after a victory with Quanah the previous week.

Thursday we will face Knox City and we will be out to avenge our first loss of the year when they stopped us. I believe the Jr. Varsity boys have the incentive to go out and win this one.

To be honest, we were fairly well pleased with the boys efforts, but we are working to improve. They all realize we were not prepared for what we faced with Electra.

Because of their excellent sense of balance, rats can fall from a one-story building in a single bound and land feet first.

County Boll Weevil Infestation Report

Inspection of thirteen cotton fields south of the Brazos River showed that boll weevil populations range from 0 to 7,200 per acre.

Heaviest infestations were found in irrigated fields that are still producing squares on which the weevils are feeding and reproducing. The weevil populations found in dryland fields ranged up to 2,600 boll weevils per acre.

These populations may seem high but in past years, in early October, there have been populations of 10,000 to 20,000 boll weevils per acre in many of these same fields.

The damage that these boll weevils are now causing is not important. Most of the bolls that will be harvested are larger than one inch in diameter and are safe from boll weevils. However, part of these weevils, the diapausing weevils, will feed on the squares and small bolls and build up the fat reserves needed to overwinter.

According to Emory Boring, Area Extension Entomologist, boll weevil infestations in Knox County are heavier than in any of the other twenty-one counties in the Rolling Plains. Mr. Boring inspected Knox County cotton crops on Monday, October 6.

To keep boll weevils from being a problem next year producers will need to establish a uniform planting date of about May 20th or later. Fields that are known to be infested with boll weevils, early each year should be inspected starting in mid-June. Where overwintered boll weevils are found,

insecticide applications should be made just prior to the 1/3 grown square stage of cotton. Boll weevils do not deposit eggs in squares that will survive, until the squares are 1/3 grown.

FAVORITE ELECTIONS

By IRENE CASTILLO
CONNIE LAMBETH
and KIM GENTRY

Last week, Oct. 1, 1980, Goree High School held elections for favorites. The entire student body has the responsibility for electing most of the favorites. It is an honor to be elected to these positions. Besides the honor of being elected, a favorite also has a reserved space in the annual. Pictures are taken in November. The results were announced in an assembly the same day and the favorites are as follows:

Mr. and Mrs. G. H. S. - Roman Arismendez and Shelli Estes.

Most Outstanding - Freddy Allen and Irene Castillo.
Most Likely to Succeed - Eddie Sanchez and Kelly Lambeth.

Best Citizen - Eddie Sanchez and Kelly Lambeth.
Best Personality - Eddie Sanchez and Shelli Estes.
Most Athletic - Roman

Arismendez and Shelli Estes.

Elections were also held for class favorites. Each class selects a girl and a boy for the honor of representing their class as favorites. The following students were elected as favorite representatives of their class:

Senior Favorites, Eddie Sanchez and Kelly Lambeth; Junior Favorites, Robert Lee Mayes and Mary Martinez; Sophomore Favorites, Virgil Reagins and Kim Gentry; Freshmen Favorites, Paul Arismendez and Linda Lambeth.

The students at Goree High School feel that congratulations are in order for these students.

are:

President, Irene Castillo; vice-president, Mary Martinez; secretary, Nora Castillo; reporter, Christina Sanchez; historian, Dolores Arismendez; song leader, ruby Allen; parliamentarian, Kelly Lambeth.

These members will hold office until April when officers are elected again. Projects are sponsored regularly. F.H.A. decided to sponsor the most spirited boy and girl every week until football season is over. The F.H.A. meets every month and another project will be started soon.

SPIRIT IS EVERYWHERE AT GOREE HIGH SCHOOL

By RUBY ALLEN
and MARY MARTINEZ
Spirit is everywhere at Goree High School because the F.H.A. is sponsoring "Most Spirited of the Week".

The Committee members for the football season are Ruby Allen, chairman; Mary Martinez, Nora Castillo and Connie Harding. Their project is to "pep up" school spirit. To accomplish this, a couple is awarded a decorated ribbon when they show the most spirit of the week.

The faculty nominates the two students and the results are given at the pep rally. Receiving the award thus far are Connie Harding, Sam Tyra, Shelli Estes, Bruce Yeager, Eddie Sanchez, Kelly Lambeth, Ruby Allen and Roman Arismendez.

This project has been very effective and we are proud of the committee for such a brilliant idea!

WHAT TO DO IF YOUR LIGHTS GO OUT

We'll do our best to keep it from happening, but let's face it. Even with the miracles of modern technology, it sometimes occurs in the best of systems.

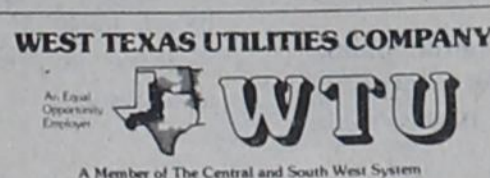

So, if your power goes off, we hope you'll help us get it back on as quickly as possible.

HERE'S WHAT YOU SHOULD DO:

1. Check your neighbors. Call them or go outside and see how widespread the outage is.
2. If your house is the only one affected, check your breaker box.
3. If the trouble is not on your side of the meter, call us - your local WTU office - and give us the following information:

- Your name and address
- Time of the outage
- The area affected (as many addresses as possible)

We'll take it from there. Please don't prolong the call with questions that can't be answered. We'll be getting many other calls, depending on how widespread the outage is. And, if you're answered by a recorded message, it means that the dispatcher already has been swamped with calls and that we're working on the problem.

Remember, our goal, as always, is to provide reliable electric service at the lowest practical cost. And if an outage does occur, we aim to restore service without delay. We appreciate your help.

Achievement Day Planned

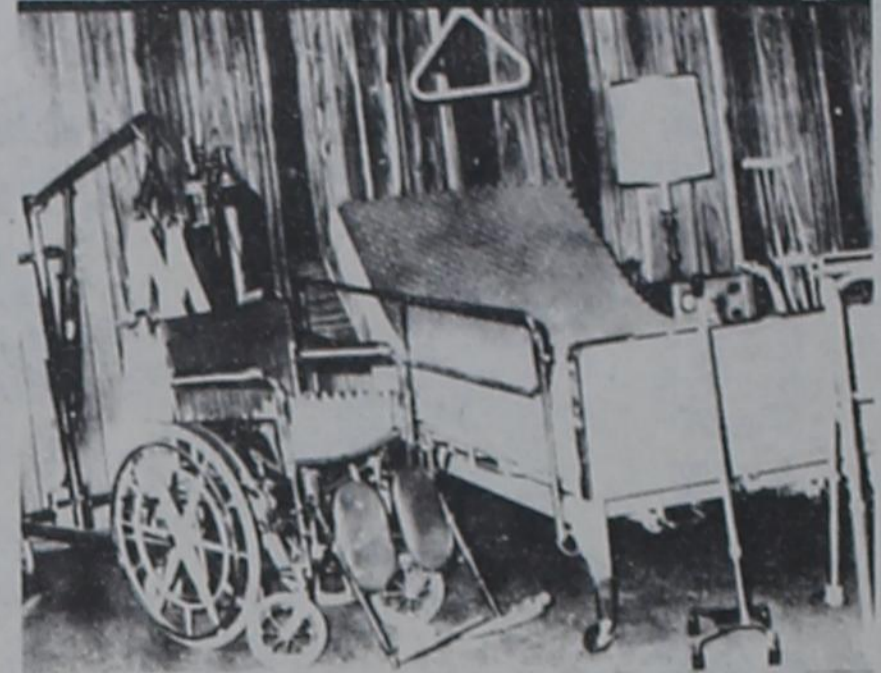

Saturday, October 11, is the day Knox County Extension Homemakers members have been waiting for. That's the day the Extension Homemakers Achievement Day will take place beginning with registration at 9:00 a.m. at the Munday Community Center.

Entries will be exhibited and judged in several different divisions including needlework of all kinds, clothing, canned and baked goods, horticulture, fresh flowers, and crafts.

Judging will begin at 10:00 a.m. At this time a representative from the E. M. T. will bring the program. After a covered dish luncheon at 12:00 noon, awards will be presented.

Everyone is invited to attend the Awards Ceremony and see what Knox County Homemakers have been doing for the past year.

Notice
The good rains caused the homecoming planned for West Beulah Baptist Church on September 28, to be cancelled. It is again scheduled for Sunday, October 12, beginning at 3:00 p.m.
