Look
To The
East

By AARON EDGAR

His name is Bruce Dern. He's some sort of comedy-drama movie personality. Darned if we know him, though!

He is also a compulsive long-distance runner, and he was in Dallas for a short period shooting scenes. He complained of the heat! "It ain't never cool in Houston, either", he said. It seems it's a hundred both ways - both in temperature and in humidity. "It was tougher on me than anyplace I've ever run". A half-hour of it is all he could take.

Librarians also have their problems in Dallas!

They're experiencing the side-effects of the heat. The higher the temperatures the more materials are checked out of the libraries.

They surmise that the higher the heat, the more people stay indoors, causing more rentals of materials at the library. It's easier to endure the heat leisurely snuggled up reading than out playing golf, mowing the lawn, or hoeing crab grass! "They call it 'southern cabin fever'!"

People up north get snowbound. In Dallas, they get heat bound!

Our Dallas brother stopped here briefly last Thursday, enroute to Wellington, Pampa, and the drama "Texas" in the Palo Duro Canyon. "It's as bad down there as I've ever seen," he said, "and he's been there ever since in the early 30s, when he borrowed \$2.50 from us to go to the Dallas Fair. He never returned home, to stay, that is!"

We'd advise those Dallas people seeking respite from the heat to stay away from Bryan. It's so dry there, we read, that grasshoppers can't find anything to eat in the burned and drought-stricken fields.

They're attacking fence posts!

A photo in a daily paper showed them on the posts, seeking food, 20 to 30 of them to a post.

We'd also advise heat-weary Dallas people - and the Bryan grasshoppers, too - not to come to Munday.

We, too, have had those 100-plus temperatures. Better than 30 days of them. It's so dry and hot here even the grasshoppers know better than to migrate here in quest of food and relief from the heat.

We have the City-County Library that is a credit to any town and county the size of Munday and Knox. We also have two librarians who are happy to dispense books, etc., to anyone desiring them.

But our library couldn't cope with the Dallas population by any means. So, don't all of you bundle up and come here seeking relief.

We've had too much hail. The sun has all its burners trained on this area, and they're turned on full blast.

We've had too much hail, too. This riddled out crops and gardens, including peaches and pecans, and busted most of our rooftops.

Since the hail, we've had too much dry weather - and that's a fact! We, too, are seeking relief, but we don't know where to go. Surely not Dallas, Houston, or Bryan!

History of Munday Has 'Gone To Press'

Ladies Softball Tournery Set

Munday ladies softball teams will host a tournament Thursday, Friday, and Saturday, July 31, August 1-2.

A number of teams will be entered. The schedule was not complete at press time. Game time on Thursday and Friday will be 6 p.m. Play will begin earlier in the afternoon on Saturday, according to Jessie Andrade, coach for one of the ladies' teams.

The two teams from Munday, Lady Bugs and Misfits, will have the concession. Proceeds will be used for equipment. No gate fee will be charged but a donation is in order if you would like to help with the local teams' equipment.

THE 1980 MUNDAY MOGUL ANNUALS have arrived! The shipment came in, and several members of the annual staff met at the high school building to "inspect" the yearbook. They are happy with the "looks of it" and will be on hand on Friday, August 1, from 9 a.m. until 12 noon to get them to the purchasers. "You will need to go to the lobby at Munday High School, and be sure to bring your receipt", stated Philda Sloan, editor of the yearbook. In the event you have not ordered an annual but wish to purchase one, the price of each book is \$10.50. Members of the annual staff present for the inspection are, from left: Missie Stewart, Philda Sloan, Omar Choucair, Kelly Fisher, Paula Waggoner, and Melissa Zeissel.

Hospital Auxiliary Encouraged By Response

Melba Pharr, assistant hospital administrator and director of nurses at Knox County Hospital, was elated with the outcome of the

Grapevine Opry and baked goods auction held at the Munday High School auditorium on Thursday night,

July 24. This was an effort to raise funds for a hospital auxiliary and it proved to be a success!

Hospital employees baked ten cakes and one pie to be auctioned off. The one pecan pie proved to be a "special item" when it brought a total of \$400.00 to benefit the auxiliary. A total of \$780.00 was received from the baked goods. Donations were also received, both small and large. When the dollars and cents were tallied, approximately \$2,000.00 was the total proceeds to go to Knox County Hospital Auxiliary, which is now being organized.

A meeting was held on Monday night, July 28 in the dining room of the hospital. Twelve prospective members, Mrs. Pharr and Mr. Tom Haden, hospital administrator were in attendance.

Vera Mae Mills and Bobbie Olson of Stamford, talked with the group on the organization of an auxiliary and the service an auxiliary is able to perform. Possible future plans for the Knox County Hospital Auxiliary

were discussed.

A steering committee was selected to begin work on the organizational duties. Members of the committee are Shirley Brown of Benjamin, Billye Beth Angle, Betty Albus, Peggy McGaughey, Corrie King all of Knox City, and Pansy Russell of Rochester.

The next meeting will be held in the hospital dining room on August 11.

One Car Accident Injures Two

Two occupants were injured when their car left the highway approximately 1 1/2 mile east of Goree, landing under a bridge.

Munday Ambulance Service answered the call shortly after two o'clock Sunday morning. The victims were taken first to the Seymour Hospital and then on to the emergency room at General Hospital in Wichita Falls.

WTCC Official Speaker At Munday Lions Club Meeting

Ed Coltharp of Abilene, executive vice president of West Texas Chamber of Commerce, spoke to members of the Munday Lions Club at Tuesday's meeting. Mr. Coltharp emphasized that his talk was "merely a visit" with the club, as he touched on many areas of service of WTCC in its vast program for the 132 counties involved. The organization serves as a sort of "watchdog" for its membership in both federal and state legislative programs. He said that some 21 new federal regulatory agencies have been added in the past decade.

Service to WTCC's membership of around 3,000 which the speaker touched upon included: Welfare of the business and community, as well as economic welfare. An active agricul-

tural program as affected by such problems as gin dust and agricultural spraying, industrial development, oil, gas and water resources.

Redistricting, following the 1980 census, is one of the main problems of the area served by WTCC, classed as a rural area. A state legislative district must have about 175,000 people. It appears which will be increased by several thousand by redistrict; which, the speaker said, may find us with less representation in the state legislature.

Robin and Clay Wheeler of Lubbock, are visiting their grandparents, Mr. and Mrs. Lee Roy Leflar, this week.

We appreciate having your news item at The Courier.

Aimee Pratt Benefit Dinner Aug. 11

"Have you ever seen an angel? Well, I have. Her name is Aimee Pratt. When you meet her, she is always smiling." These were the words spoken by a Munday man, Glenn Maston, when he was commenting that a county wide effort should be made to help Aimee and her family.

Smiles are expected from normally healthy children, but Aimee is a cancer victim. She has been fighting this horrible disease since it was first diagnosed on October 14, 1977. She is now eight years old.

To date, Aimee has lost a kidney, a lung and had several other surgeries - the most recent one was a tumor removed from under her arm. She is a patient at M. D. Anderson Hospital in Houston. She has been there almost continuously since January 1980. It is an unbearable expense for her parents, Mr. and Mrs. Jim Pratt of Benjamin, just to be near her.

A benefit dinner has been

planned for Aimee by her friends in Knox County. It will be held at Munday Community Center on Sunday, August 11. Serving time will be from 11:30 a.m. to 1:30 p.m. Take-out plates will be available. The menu will be barbeque brisket, beans, potato salad, slaw and dessert. The meat will be cooked by Curley Awalt and Glenn Maston. All labor will be donated and all proceeds will go to the Aimee Pratt Fund. Anyone wishing to help prepare the meal may call 422-4555 or 422-4802 in Munday.

Price will be \$3.50 per plate. Advanced tickets may be purchased at the Farm Bureau office, Smith Drug, First National Bank, and Awalt Auto Supply in Munday. Other towns in the county will have tickets available at various businesses.

A fund is set up at Citizens State Bank in Knox City and First National Bank in Munday for those who desire to contribute.

Annual County Horse Show Set

The annual Open Youth All Trophy Horse Show will be held in Benjamin on Saturday, August 2. Classes are set to begin at 9 a.m.

Tom Gibbs of Wichita Falls, a well known youth leader and prominent horse show judge will be judging the show this year. Gibbs also trains and shows horses.

Trophies will be awarded through fourth place in all halter and performance

Twenty-Five Registered At Munday

During the first week of registration for young men who were born in 1960, the Munday Post Office handled 25 registrations. Postmaster Delores Lambeth reported to The Courier that some few who were born in 1961 also registered. "If the men came in to register and their birthday was in 1961, we didn't turn them down," she stated.

Beginning Monday, July 28, there will be one more week of registration.

Knox County Designated For Disaster Relief

Knox County has been added to those counties designated for disaster relief by the Small Business Administration, Congressman Charles W. Stenholm said today.

Farmers in the county can apply to their Regional Small Business Administration office to recover losses

caused by drought from August 1, 1979 through May 5, 1980 and for severe hail, high wind and flooding on May 25, 1980.

Applications for physical damage should be filed before October 22, 1980 and for economic injury before January 22, 1981.

Graham Wins District Little League Title

After winning the area Little League tournament in Seymour, Munday All-Stars advanced to District in Haskell last week, and won their first game against Electra, 7-3, on Monday night, July 21.

In Tuesday night's play, Munday opposed Graham. The larger Graham players proved to be too much for the Munday team. The final score was 8-0, with Graham coming out on top.

In the top of the third, a home run was hit by Graham. They racked up five more scores in the top of the fourth. In the top of the fifth, Graham boys scored two more. No scoring was accomplished in the final inning.

On Tuesday night, Electra beat the Rochester/Rule team 22-0. This necessitated Munday facing Electra on Wednesday night. Even

though Munday had downed Electra on Monday night, Electra showed up strong and won over the local boys 10-6.

Munday scored two points in the bottom of the first and held Electra at 0. Browning and Dent Offutt scored for Munday. In the top of the second Electra put 9 scores on the scoreboard, and Munday stayed with 2.

In the third inning, Munday racked up their other four points when Dent Offutt, Ryan Offutt, Sosa and Smith scored.

The last score of the game was made by Electra in the top of the fourth inning.

Graham then faced Electra at Haskell on Thursday night and became district winners with a final score of 8-7. Graham was then due to enter tournament play at Coleman on Monday night, July 28.

Posthumous Award Given To Honor H. Stubblefield

Word has been received here that the late Hilton Stubblefield, son of Mr. and Mrs. H. B. Stubblefield, was selected posthumously to the honorary athletic organization of the Order of the Red Coats at Texas Woman's University in Denton. He was selected as one of the original 16 members of the order.

The following paper was read at the Intercollegiate Athletic Awards Banquet:

To The Family of Hilton Stubblefield:

The Intercollegiate Athletic Program is profoundly grateful for the personal support rendered by this fine man. The physical facilities utilized in our athletic teams were developed or enhanced by his unique ability to do so much with so little.

His enthusiasm and love of young people was demonstrated countless times through projects and work which went far beyond the

call of duty and that enabled us to provide better opportunities for our athletes. Even under the pressure of awesome deadlines he maintained his patience, the loyalty of his men and the God-given gift to complete the task. I never saw a man who didn't love to work for or with him.

We are most privileged to select Hilton Stubblefield as a charter member of the Order of the Red Coats and wish to acknowledge both to the University community and the family our appreciation of his service.

Band Practice To Begin

Ben Hoaldrige, new band director for the Munday Mogul band, has announced rehearsals to begin on Thursday, August 7. He has planned rehearsals for both Thursday and Friday, at 7 p.m.

He would appreciate each band student making an extra effort to be present at this first scheduled rehearsal. "The first meeting will be used for organization", he stated, "but the students will need to bring their instruments."

Thompson Tops In 400 Meter At State Meet

Several local youths were
"in the running" at the
annual Texas Amateur
Athletic Federation (TAAF)
state track meet held at
ACU's Elmer Gray Stadium
on Friday and Saturday,
July 25-26. There were some
1600 participants in the
meet, from all parts of the
state.

Todd Thompson, son of
Mr. and Mrs. Larry Thomp-
son, won first in the 400
meter. In fact, Todd was
able to shave 4 seconds off
the state record. His time on
the win was 58.80. Todd has
run last summer and this
summer in the TAAF track
meets and is a real fine
young athlete. His division
was called the Midget
division for ages 10 and 11,
determined by birthdates.
At district earlier in July,
Todd also was a state
qualifier for the 100 and 200
meter run, but decided to
only participate in the one
event.

Kim Bateman and Leah
Rough of Knox City, were
fourth in high jump.
Ann Kuehler was fourth
in Junior Division pre-
liminaries in the 220.
A relay team consisting of
Kim Bateman, Leah Rough,
Luci McIlhane of Knox

City, and Denise Kuehler of
Munday qualified for the
finals but did not place.
All of the young athletes
agreed it was a real fine
experience to have the
opportunity to participate
and were equally proud of
Todd and his first place win.

It's A Boy!

Henry and Peggy Fetsch
of Atlanta, Texas are the
proud parents of a boy,
Little John Franklin made
his arrival at 9 p.m. on
Saturday, July 26, 1980,
weighing in at 8 pounds and
12 ounces.

He has one sister, Lori
Ann, who is 4 1/2 years old.
Paternal grandparents
are Mr. and Mrs. Albert
Fetsch of Rhineland and
maternal grandparents are
Mr. and Mrs. A. V. Stancel
of Houston.

**Monday, August 18th
Is Bloodmobile Day!**

Your blood is your "gift of
life". Give it!

Make plans now to be at
the Community Center in
Munday on August 18,
between the hours of 2:45
and 6:30 p.m., to make your
"gift of life".

If you are 17 years of age,
you may give blood with
written parental consent,
and all from 17 to 66 years of
age are eligible to make
donations.

The American Red Cross
Blood Center for our area is
located in Wichita Falls, and
serves 41 hospitals in 28
counties. By just living in

one of these covered coun-
ties, a resident may receive
blood at any time of need. It
is not necessary to have ever
donated blood.

The recipient is never
asked to replace the blood,
or to pay for it. The only
charge is the processing fee.

The only way blood can be
drawn, processed and made
available to patients in the
regional hospitals is for
volunteers, like you and me,
to take a little time to donate
blood.

When a patient receives
blood outside "our region",
Red Cross will try to take
care of his or her needs. If
you are charged for blood, as
asked to replace it pint for
pint, or two pints for one,
just contact the blood center
in Wichita Falls or your local
blood center worker.

Your help is needed on
August 18 if Munday is to
meet its quota. Won't you
help?

**Offutt-Roberts
Reunion Held**

Lonnie Offutt and his
family and his sister, Evelyn
Roberts and her family, met
for their annual get-together
on Saturday, July 26, in the
Offutt home.

Curley Awalt and his crew
catered a delicious meal for
the group. Everyone had a
good time, in spite of the
100-plus degree tempera-
ture.

Attending were: Mr. and
Mrs. Lonnie Offutt; Mr. and
Mrs. George Offutt, Brad
and Brian, of Abilene; Mr.
and Mrs. Joe Offutt of
Arlington; Mr. and Mrs.
Dannie Offutt, Dent, Angie
and April, Munday; Camile
Cure of Houston, her mother
and father being unable to
attend due to his serious
illness in Methodist Medical
Center in Houston; and Mr.
and Mrs. J. T. Offutt and
Ryan of Munday.

Also present were Mr.
and Mrs. Tommie Roberts
and Kelli of Seminole; Mrs.
Randy Dulan and sons, Jay,
Corey and Chris, Big Spring.
Missing the reunion were
Randy Dulan; Mr. and Mrs.
Kenny Roberts, Wade and
Stacey, and Mr. and Mrs.
Donald Roberts and son of
Lubbock.

**Applications Being Taken
For Texas State Troopers**

The Texas Department of
Public Safety is accepting
applications for the position
of state trooper. Applicants
selected will enter training
at the DPS Academy in
Austin and classes will begin
January 12, 1981.

Major C. W. Bell, Regional
Commander of the Depart-
ment, said, "General qualifi-
cations are: applicants must
be 20 through 35 years of
age, good moral character,
citizen of the United States,
good physical condition, and
have at least 60 hours of
college."

The student officer will
participate in and study a
variety of law enforcement
subjects while in training.
Upon completion, the gradu-
ate will be qualified to
enter the following DPS
fields: (1) Driver License (2)
Highway Patrol (3) Motor
Vehicle Inspection or (4)
License and Weight.

Each uniformed service
has its own appeal and

assignments will be made
according to the graduate's
aptitude, desires and the
Department's needs.

Major Bell said, "The pay
during the training period is
\$1,034.00 and increased to
\$1,179.00 upon graduation.
After twelve months of
service, the pay will increase
to \$1,346.00. Uniforms, ve-
hicles, weapons, and related
equipment are furnished in-
addition to life insurance,
hospitalization insurance,
paid vacations, state holi-
days, sick leave, and Social
Security benefits. The State
Employees Retirement Sys-
tem provides for retirement
of law enforcement officers
after twenty years of service
at age 50."

The Department of Public
Safety is an equal opportu-
nity employer and is recruit-
ing qualified female appli-
cants as well as persons
from minority groups.

Bell stated that those who
are interested may contact
any DPS office and receive
an application plus complete
information about the bene-
fits and employment proce-
dures.

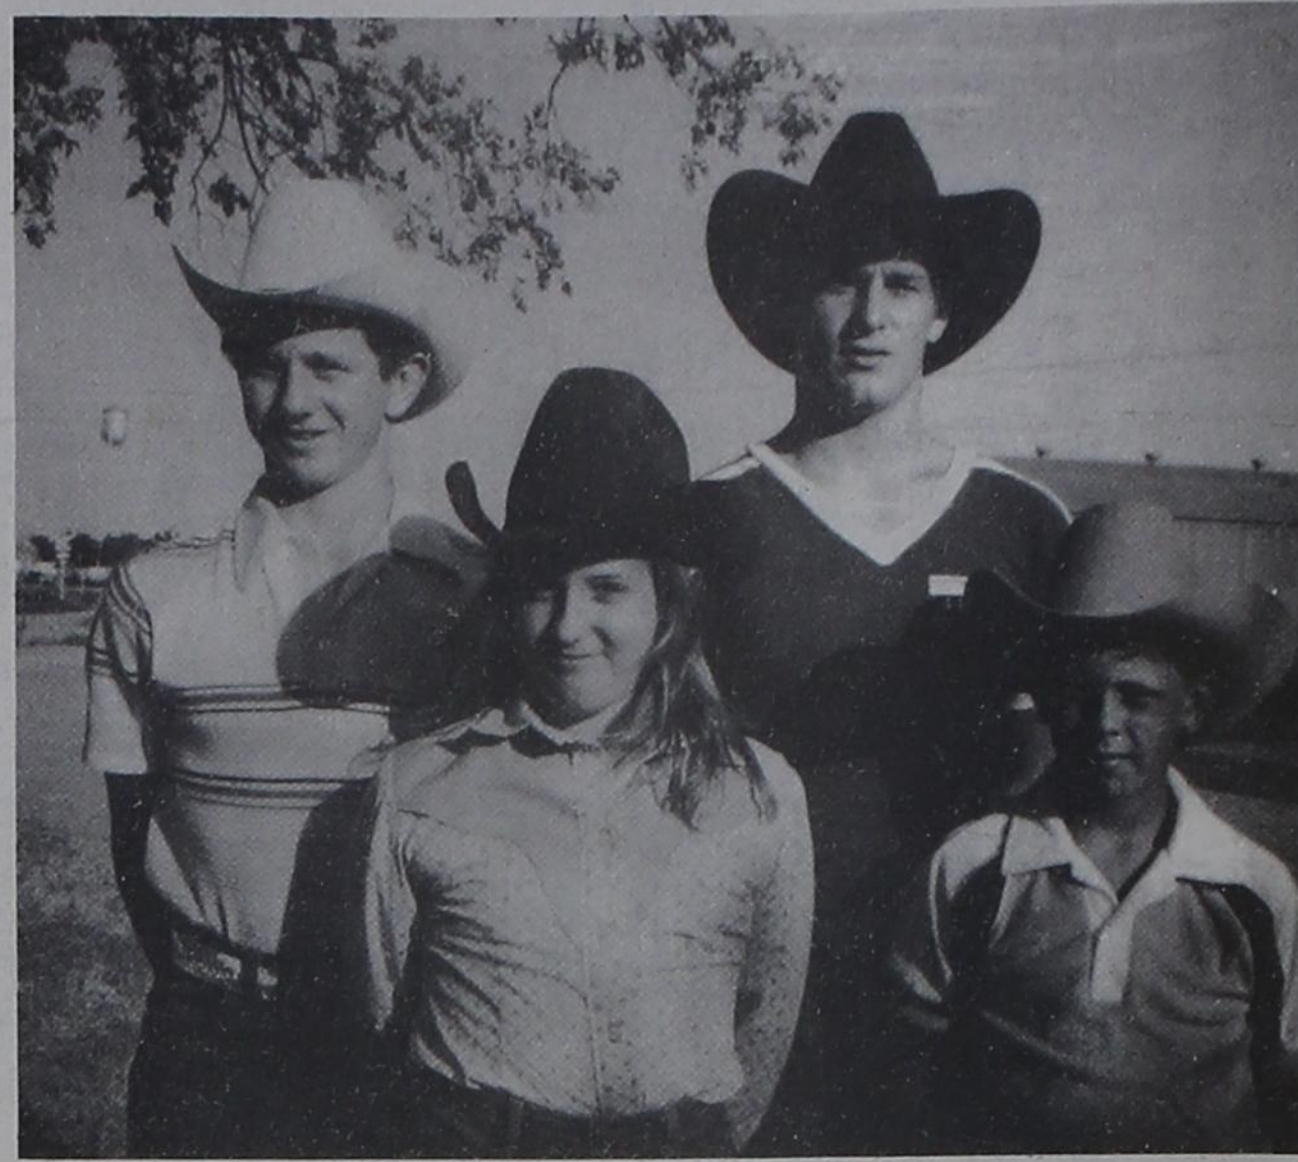

Mr. and Mrs. Earl Ponder
and Mr. and Mrs. M. L.
Raynes visited their chil-
dren, Mr. and Mrs. Felton
Raynes and Mr. and Mrs.
Elmo Dunn, at their cabins
at Arbuckle Lake near
Davis, Okla. over the
weekend.

Kristi, Eric and Ryan
Voss of Burkburnett spent
the weekend with their
grandparents, Mr. and Mrs.
Gene Brown and Mr. and
Mrs. Howard Voss and Aunt
Cindy Guess and Heather,
of Weinert, while their
parents, Donnie and Judy,
were at camp in Glorietta.

The Chalmer Hoberts
attended an ASCS meeting
in Lubbock last week. Their
grandson, Randy, went
along and the Robnett
family was there, too. David
Robnett is the C.E.D. in
Iowa Park. Kevin Robnett
returned for a visit in
Munday. Nikki Hobert was a
visitor on Saturday.

Cindy Looney of Richar-
dson is visiting her grand-
parents, Mr. and Mrs. Bill
Gaither, for a few days.

Mrs. Pauline Morrow and
two companions attended
the 'Grapevine Opry' at the
Munday High School audi-
torium last Thursday night.
After the performance one
of the ladies suggested they
stop by the home of Mr. and
Mrs. Boyd Meers as she had
an errand there. Upon
reaching the Meers' home
Mrs. Morrow was greeted
with a very nice 'surprise'.
Her son and family, Mr. and
Mrs. Dick Morrow, Michele
and Michael from Beaumont,
were there, along with
several sisters and various
nieces and nephews, to
honor Pauline on her
birthday with a surprise
party.

THESE FOUR Knox County 4-H members participated in the Texas State 4-H Horse Show in Fort Worth. They are from left, Brand Cude, Leah Boone, Kelley Boone and Shawn Cude. This is Kelley's second time to qualify for state competition.

**County Youth Place
At State Horse Show**

Four Knox County youths
participated in the Texas
State 4-H Horse Show held
in Fort Worth's Will Rogers
Colosseum.

Shawn Cude of Goree,
rode his quarter horse mare,
Hija to two sixth place wins
in poles. Shawn earned his
trip to the finals by having
one of the fastest fifteen
times run in preliminary
competition among the
seven-five top 4-H pole-
benders at the State show.

Shawn, who will be a
seventh grade student at
Munday Junior High this
fall, has been competing in

qualify for the Texas State
4-H Horse Show.

Brand Cude of Goree, tied
for ninth and tenth in the
judged roping in the in-
vitational section of the
state show. Brand's mount
was his blue roan gelding,
Doctor Mito. Brand will be a
junior student at Munday
High School this fall.

Also participating in the
state 4-H show in the in-
vitational section was
Leah Boone of Knox City,
who showed her paint mare,
an Apache Beauty, in the
hunter under saddle and
hunt seat equitation classes.

Shawn and Brand are the
sons of Mr. and Mrs. Bob
Cude. Kelley and Leah are
the children of Mr. and Mrs.
Joe Boone.

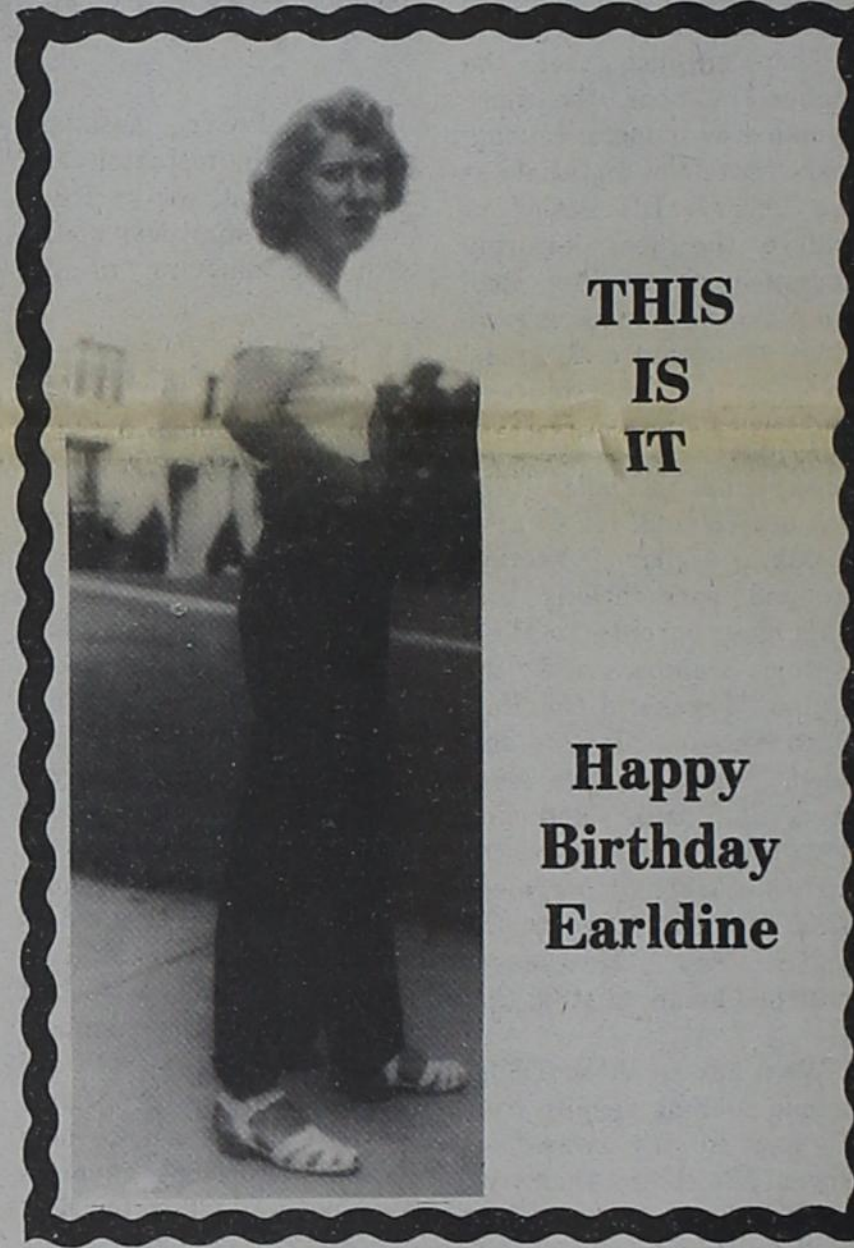

**Robertsons
Relocate
At Loving**

Rev. and Mrs. Tom
Robertson are moving to
Loving, Texas, where he will
pastor the First Baptist
Church.

In the time he has been
pastor at Gillespie Baptist
Church near Munday, they
have been very active in
community affairs. Both of
them have been especially
attentive to the Munday
Leisure Lodge residents and
the residents at Brazos
Valley Care Home in Knox
City.

They made many friends
while living in this area and
they expressed their thanks
to everyone for the coopera-
tion shown them while they
were here.

Letters to the Editor

Dear Editor,

I am taking this means to
let the people of our area
know how I appreciate their
cooperation and participa-
tion in our effort to raise
funds for a Knox County
Hospital auxiliary.

We appreciate so very
much the use of the
facilities. Everyone was so
very nice to help in any way

they could. We appreciate
the donation of ice by Robert
Nix, and other donations. In
fact, everything went so
well - it just couldn't have
been better! Thanks again to
everyone who had a part in
making our undertaking so
successful.

**Texas Wheat Harvest Down
Despite Acreage Increase**

Despite a one million-acre
increase in planted acreage
this year, the recently com-
pleted Texas wheat harvest
netted three million bushels
less than in 1979, according
to Agriculture Commis-
sioner Reagan V. Brown.

The Texas Crop and
Livestock Reporting Service
report forecast the 1980
harvest to be 135 million
bushels, contrasted to 138
million last year. The
number of harvested acres
was 5.4 million, 800,000
more than that of 1979.

"Dry conditions during
the early growing season

and a winter kill cut our
yields," Brown said. "But we
feel lucky to have had the
harvest we did, considering
the extreme heat the past
six weeks."

**W. C. WINCHESTER
DIED TUESDAY**

Word was received by
The Courier that W. C.
Winchester passed away
early Tuesday morning, July
29, at the Wadley Cancer
Institute in Dallas.

Services were pending at
press time. A complete
obituary will be in next
week's issue.

Try
leaving
on a flight
of fancy.

It's one thing to sit around
and dream of faraway places.

But when you decide to go, you've got to
come up with a ticket. Wishing won't make
it so. Saving will get you there.

One of the easiest, safest ways to save is
to buy U.S. Savings Bonds through the
Payroll Savings Plan. A little is taken out
of each paycheck automatically. And the
Bonds will eventually grow into a first-class
ticket to anywhere.

Nothing is too far. Tahiti, London, Paris,
Rome. Even a trip around the world. Or
just a long vacation on a Caribbean island.
Anywhere.

So go ahead, take a flight of fancy.
Then start buying Bonds so
you can take a
fancy flight.

Take
stock
in America.

When you put part of your savings
into U.S. Savings Bonds you're
helping to build a brighter future
for your country and for yourself.

HOT WEATHER CARE FOR CATTLE

Hot summer temperatures can put cattle in stress and cause death losses if they are not managed properly.

With proper management, cattlemen should not lose any cattle or suffer production losses during hot weather.

When outside temperatures range from 90-100 degrees F., cattle should be left alone as much as possible. Avoid movement, crowding and handling of cattle because exercise and excitement increase body temperature. When the animal's physiological mechanisms are already trying to reduce body temperature during hot weather, any extra physical trauma may result in permanent damage or death to the animal.

Also, protect cattle from flies by using sprays, dustbags, oilers or other approved control measures.

In addition, delay surgery such as dehorning and castration during hot weather since excessive bleeding may occur due to the animal's increased blood flow.

It's also vital that cattle have a water supply available. Many creeks and stock tanks dry up during a long, hot summer such as the one we're experiencing this year. If water has to be hauled, remember that a yearling requires 8-12 gallons of water a day during hot weather while a cow nursing a calf needs about 16 gallons.

If cattle must be moved on foot or transported during heat stress periods, this should be done during the early morning, at night or in late afternoon when temperatures are cooler. If cattle must be moved and then later worked, they should be moved to a holding trap in late evening and worked early the next morning. Keep cattle as calm as

possible and avoid overcrowding.

Although wind movement from fans can increase feed intake, daily gains and improved feed conversion for feedlot cattle, shade is about the only economical means for cow-calf operators to change the environment. Research has shown that during periods of 90 degrees F. weather with a relative humidity of 63 percent, cattle under shade gained weight while those without shade lost weight.

To improve management practices, producers must first understand the physiological mechanisms that beef cattle use to control body heat created by increased environmental temperatures. Animals seek to remove excessive heat by increasing blood flow, water is added to the blood and there is a greater rate of respiration and sweating. All cattle possess the ability to maintain body temperatures under heat stress. Studies have shown that Brahman and Brahman cross cattle maintain lower body temperatures and respiration rates due to a lower heat production when compared to other breeds.

It is important to the life processes of the animal that a normal temperature be maintained. The normal body temperature of cattle taken rectally averages 101.5 degrees F. and has a range of 100.4 - 102.8 degrees F. It is lower in cold weather, in older animals and at night. Rising environmental temperatures as well as excitement, exercise and infection increase this body temperature along with the pulse and respiration rates.

The pulse rate indicates the rapidity of heart action. It can be taken either on the outside of the jaw just above the inner dewclaw, or just above the hock joint. The normal

pulse rate is 60-70 per minute.

To determine the respiration rate, place the hand on the flank or observe the use and fall of the flanks. The normal respiration rate is 10-30 per minute.

With proper care during hot weather, cattle can continue to function efficiently. The key is to keep their rate of activity down.

You: Taking Too Many Drugs?

Legal drugs have become a major problem in American society. Consider these facts:

- An average of six prescriptions are filled each year for every man, woman and child in the U.S. The average doubles when prescription drugs given in hospitals are included.

- Some 5 billion tranquilizer capsules are prescribed each year.

Says Dr. Jere E. Goyan, Commissioner of the U.S. Food and Drug Administration (FDA):

"We Americans are an over-medicated society. Patients expect a prescription every time they visit their doctors. Often they'd be better off without a drug, and they shouldn't insist on one."

Goyan, a pharmacist, believes the over-medication problem includes non-prescription drugs as well.

He offers this guidance:

- Don't expect a prescription every time you visit the doctor. There isn't a pill for every ill.

- Discuss with your doctor what the drug is for and what side effects to look for.

- Do follow the doctor's instructions, and those accompanying drugs, when taking medications.

- If you have any questions, ask your doctor or pharmacist.

- Use your head before you swallow.

Officers For 4-H Council Are Elected

Tim Parnell, a 17-year-old Johnson County youth from Alvarado, has been named chairman of the 1980-81 Texas 4-H Council, which helps plan and promote activities of the state's 147,000 4-H Club members.

He and other 4-H Council officers were elected and installed during the recent 1980 4-H Congress here.

New officers also include Nathan Plagens, 17, of Hamilton, first vice chairman; Gary Don Harkey, 18, of Rotan, second vice chairman; Kim Clements, 17, of Dalhart, secretary, and Terri Burrows, 16, of Dripping Springs, public relations chairman.

A 4-H member for six years, Parnell is the son of Mr. and Mrs. Bill Parnell of Alvarado. Besides earning many 4-H awards and honors, he has served as class officer, on the annual staff, and on the football, golf and tennis teams at Alvarado High School, where he is a senior.

Plagens, son of Mr. and Mrs. Donald Plagens, Hamilton, has been active in 4-H for nine years. He will be a senior this fall at Hamilton High School, where he has served as a class officer.

Harkey, son of Mr. and Mrs. Tom Harkey, Rotan, was salutatorian of his high school senior class, lettered in football, basketball and track and was a chapter and district officer in Future Farmers of America. He will be a freshman this fall at West Texas State University.

Miss Clements, daughter of Mr. and Mrs. Charles Clements, Dalhart, is vice chairman of the Panhandle District 4-H Council, has a wide array of projects and

Mr. and Mrs. Tommie Edgar of Dallas visited briefly with Mr. and Mrs. Aaron Edgar last Thursday. They were enroute to Wellington to attend the 50th anniversary homecoming of Tommie's high school graduating class.

honors, and is active in school and community organizations.

Miss Burrows, in 4-H for eight years and daughter of Mr. and Mrs. James Burrows of Dripping Springs, is a member of the student council, band and track teams at Dripping Springs High School, where she is a junior.

The 29-member 4-H Council represents 4-H Clubs across the state and is comprised of the chairmen and vice chairmen of 14 geographic and administrative districts of the Texas Agricultural Extension Service, the parent organization of 4-H. More than 500 4-H'ers took part in the 4-H Congress, a major learning experience for older 4-H members.

TOO OFTEN vandals are "doing their thing" at the Church of Christ building. This photo of the bus is to emphasize to citizens what is happening. Sometime Thursday afternoon or Thursday night, three windows were broken which will require needless expense to repair.

Vandals Strike Again

When you see results of vandalism, you find yourself hoping it will not happen again. But the Church of Christ building area seems to be getting a "full dose" of vandalism this past year. Sometime Thursday, either afternoon or night, two of the large back windows of one of the church buses were broken, as well as a lower window on the back door. Large rocks were found inside the bus. Previously, windows to the building have been shattered. Several different times, the glass on the sign showing times of services as been broken. A plastic product was used to replace

the glass, but it has been broken too, in the past. One of the same bus windows has been broken before. "The Munday Police Department is doing everything we can to stop this senseless property destruction, but we need the help of citizens. We are asking each citizen who might observe children in areas where they should not be or sees the actual act of vandalism to notify us immediately," stated Gerald Saffel, Munday Police Chief.

Lawn mowers cause about 10,000 amputated fingers and toes yearly as well as 62,800 cuts and broken bones.

Funds Given To Help Aimee Pratt

For two days, approximately 30 Knox County 4-H

Club members knocked on doors in the Benjamin and Gilliland area for the purpose of giving people an opportunity to help Aimee Pratt. A total of \$1,443.60 was given.

Aimee is an eight year old Benjamin girl who is a patient in M. D. Anderson Hospital in Houston. It is a wonderful show of love that these young people have demonstrated to Aimee and her family.

All the 4-H members who participated in the collection wish to thank these communities for their support and concern.

We have just arrived home from a trip to the North Western States.

We saw lots of snow on the mountains which feed the beautiful streams that ripple along over the rocks, winding their way down.

The weather was ideal. We used the heater two mornings while driving in the high mountains.

We visited several antique shops and bought many beautiful things.

We want everyone to come see and feel free to prowl through.

We have a discount on every item in the shop, which will continue all through August.

WINNERS AT DISTRICT level in 4-H record book judging are left, Ronnie and Garry Brown, sons of Mr. and Mrs. Clarence Brown of Rhineland. The two Knox County 4-H members will now be eligible for State competition, with their records.

Brown Brothers Win First on Records

Two Knox County Senior 4-H members won first place with their record books at District judging on July 21, in Vernon. Gary and Ronnie Brown, sons of Mr. and Mrs. Clarence Brown of Rhineland, accomplished this feat and their books will now be judged at State level. Ronnie's project area was Agriculture and Garry had Petroleum Power for his project. There were a total of 111 senior records entered.

Shannon Ryder and Richard Daniel, also from Knox County, earned second place on their records. Their projects were Beef and Leadership, respectively. Stacia Carver placed third and Kathy Booe also participated in the competition. A total of thirty-five record books completed in twelve project areas made a record breaking number of books turned in for the Knox County 4-H program. Even though Junior 4-H

members can not progress beyond district, Knox County had a good response from the Junior members and they fared well at district competition. First place awards were earned by Leah Boone, Kemp Jones, Kim Cash, Sulynn Oxford, Christi Morgan, Sue Gideon, Ila Kay Gross, Debbie Bufkin, Stasia Ryder, Becky Griffith, Shane Spinks, Angie Partridge and Julie Partridge.

Second place Junior winners from Knox County were Mark Daniel, Glendon Sanders, Shana Chaney, Karen Daniel, Nichol Walaski, Chad Tolson, Lori Griffith, and Beverly Tolson. Lauren Reed, Amy Griffith and Lorrie Rolston also entered district competition and will be awarded a ribbon at a later date. Their scores will be added to the scores they total in modeling and construction of their garments at the District Fashion Revue held in Abilene Thursday, (today) July 31.

Nephew Of Local Woman Dies July 25

Lem H. West Jr. of Memphis, Tenn., nephew of Lennie West of Munday, passed away on Friday, July 25, in Little River Memorial Hospital in Ashdown, Ark., after a sudden illness.

Funeral services were held Saturday, July 26, at 12:30 p.m. at Jackson, Miss., with interment in Jackson Memorial Gardens.

Surviving him are his wife, Juanita Giles West of Memphis; one stepson, Gary Barnett of Philadelphia, Pa.; three daughters, June West of San Diego, Calif., Terri Mayes of Conroe and Tammy Jackson of Houston; three brothers, Pete West of Anchorage, Alaska, E. L. West of Weatherford, and Wilbert West of Colleyville; two sisters, Sylvia Patterson of Colleyville, and Marlene Copeland of Lubbock.

Mr. West was a native of Munday, and former resident of Jackson, and was a representative for Gulf Steel Corp. He was a member of Southland Baptist Church in Memphis.

Local Couple's Son-In-Law Graduates

Marine Warrant Officer John A. Fails, whose wife, Deryenda, is the daughter of Dick and Mary Thompson of Munday, was graduated from the Warrant Officer's Basic Course.

The 10-week course was conducted at the Marine Corps Development and Education Command in Quantico, Va. It was designed to prepare newly-appointed Marine Warrant Officers for assignment to the Fleet Marine Force, and emphasized the professional, personal and leadership responsibilities that accompany their new rank.

A graduate of Coastal Carolina Community College, Jacksonville, N. C., with an associate of arts degree, he joined the Marine Corps in November 1967.

DRIVELINE

Did You Know? Nearly 100,000 American children are injured every year in car accidents. Over 800 fatalities a year are children under five. Now isn't that a good reason to slow down and buckle up?

History Lesson: The first speeding ticket was issued in 1902 to T. H. Shevlin of Minnesota, who was the first of the hot rodders. He was fined ten dollars for going over ten MPH.

Consumer Tips: The subject today is tires. A recent study suggests that one car in four has at least one seriously underinflated tire (4-6 lbs. under manufacturer's recommendation). An underinflated tire is more likely to blow out, wears ten percent faster, and reduces gas mileage by up to one mile per gallon.

Carry your own air pressure gauge (they're cheap) and check the pressure often. And always check pressure when the tires are cool, since driving can heat up tires, and that heat can increase the apparent air pressure by 4-8 pounds.

Rotate conventional and belted tires every six to eight thousand miles. That helps prevent wear and tear, and it even improves gas mileage.

At 70 MPH, your car encounters wind resistance equal to 30 horsepower. That's twice the wind resistance encountered at 55 MPH, which translates into 3-5 more miles per gallon at the lower speed.

DWI Beware... Texas law now requires automatic suspension of a driver's license even for a misdemeanor conviction for DWI... And there's a reason for it. Experts believe at least half of all traffic fatalities are related to drinking.

Lady Bugs Second In Tournament

The Munday ladies softball team known as the Lady Bugs, joined in a tournament at Anson Friday and Saturday and won second place. Teams entered were Munday, Rochester, three teams from Anson, two teams from Hamlin, and Albany. Albany won first place in the tournament.

Munday played five games during the tournament. They played Albany first on Friday and won 13-4. Their next game was against a Hamlin team on Saturday morning with the Lady Bugs winning 24-7. Anson was their next losing opponent, with a score of 9-8.

Munday then met Albany again at 6 p.m. on Saturday and Albany was tops by one score, 9-8.

At 7:30 Albany and Munday were opposing each other for first place and Albany defeated the Lady Bugs 12-8.

Local Golf Scramble Results

In the local golf scramble played at Lake Creek Golf course on July 19, first place went to Bully Ratliff, Oscar Cypert, W. R. Moore, Jr. and Louis Wise with a score of 64.

The team of Bruce Burnett, Ed Jetton, John Mints and Jo Ima Hill was in second place with 66. Third place was awarded to Gary Schur, Alvin Michalik, Barbara Rathiff and Paul Mints with a 67.

One stroke more also named fourth place winners. With the 68 were Danny Jackson, Daniel Ramirez, Chris Moore and Paula Schur.

In fifth place with a 72, were Felton Jackson, Red Hurst, David Michalik and Wynette Moore.

The next scheduled scramble is on August 10.

Deaths from heart disease decreased more from 1970-1977 than in the entire twenty years before 1970.

Mazurkiewicz To Attend Conference

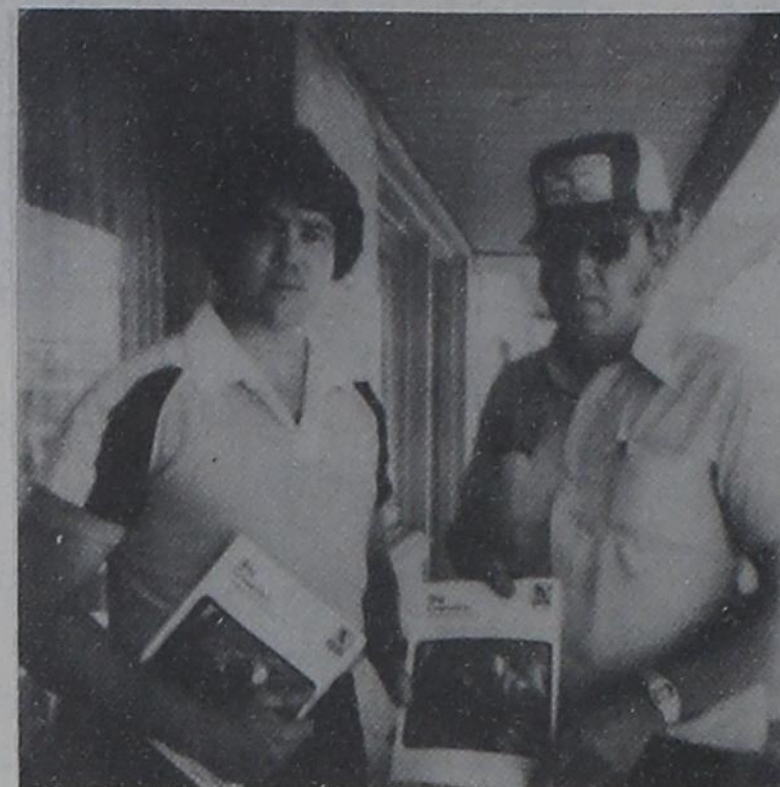

County Extension Agent Jim Mazurkiewicz of Knox County will be among some 400 county agents of the Texas Agricultural Extension Service attending the annual meeting of the Texas County Agricultural Agents Association August 3-6 in San Antonio.

The annual professional conference will be highlighted by a number of keynote speakers, business sessions, and recognition

ceremonies. Highlighting the first day's program will be a special luncheon honoring seven county agents who have been named recipients of the Distinguished Service Award for 1980. The award is the highest recognition bestowed by the National Association of County Agricultural Agents. The National Achievement Award winner will also be recognized.

A special banquet honoring recipients of the "Man of the Year in Texas Agriculture" will highlight the second day's program. New officers and directors of the statewide organization will be elected at the concluding session Wednesday morning, August 6.

Semi-private hospital room rates in Texas are less than in 42 other states.

Chris Christensen of Christensen Aviation, Munday, receives his copy of the new Big Country Telephone Directory from Jim Hilger, area manager of the Big Country Directory, Abilene.

NEW TELEPHONE BOOKS ARE HERE!

The new Big Country Telephone Directory for Knox, Baylor, and Throckmorton counties has now been delivered. This directory includes Seymour, Knox City, Munday, Throckmorton, Benjamin, Elbert, Goree, Lake Kemp, Megargel, Truscott, and Woodson.

The new phone book is published annually by Associated Publishing Company in Abilene and is a handy reference of business buyers and sellers in this area. It is designed to be a complete source of information in both the white and yellow pages.

Geographically designed, one book covers an entire market area and is compact with easy reference. It is the most complete source of information on businesses and residences in this area. It is also available to guests at area motels. Particularly significant are the lower advertising rates, according to Jim Hilger, area manager.

As the Big Country Telephone Directory is put into daily use in the area, the Knox County Community will find it most useful and very convenient. If you have not received your free copy, pick one up at Christensen Aviation, downtown Munday, or at the Chamber of Commerce.

CARD OF THANKS
How do you say thank you to such wonderful people? I am not able to express my feelings for all that people of Munday and surrounding towns have done for me. All the kindnesses shown me are treasures in my heart.
When I heard of the dinner given on July 20, I just could not believe that so many people would take their Sunday to prepare and serve a benefit dinner for me. To each one of you, I say thank you, and may you be blessed with good health, good friends, and all the things that make life great! God bless each of you.

Letter to the Editor

Just A Note Of Thanks
I want to thank the ones who were responsible for again painting the water-tower purple and gold. "It is beautiful".
I was the one who suggested using the school colors several years ago, when it was painted last.
Thanks

News From Leisure Lodge

By MRS. MILDRED HENDRIX
Tuesday evening was bingo time. Christine Nelson and Nina Elliott did the calling. They also brought some very delicious refreshments.
Ladies of the First Baptist Church of Munday did our July birthday party. We had delicious cake and punch in the dining room, then all went to the living room for a time of singing. Birthday honorees were: Bessie Hendrix, Oma Watson, Eva Belrose, George Wofford, Ella Mills, Mildred Warren, Carrie Elliott, Mrs. Robbie Miller. Everyone reported a good time and expressed thanks to those who made the party possible.

Ag Teachers To Attend Workshop

Greg Rawdon and Jack Campsey, Munday Vocational Agriculture teachers, will be among the 1600 teachers to gather in Fort Worth on August 4, for the Annual In-Service Education Workshop and Meeting sponsored by the Vocational Agriculture Education Department of the Texas Education Agency in Austin, under the direction of G. G. Scroggins, State Director, Vocational Agriculture Education.
The first General session will begin at 9 a.m. on Tuesday, August 5 in the Tarrant County Convention Center.
Among other worthwhile sessions planned, Congressman Charles W. Stenholm from the 17th Congressional District will address the audience on Wednesday morning.
Activities of the annual meeting will continue through Friday.

PRAYER: A DISCIPLINE OF THE CHRISTIAN LIFE

It is recorded in the gospel of Luke that a disciple of Jesus said to him one day "Lord, teach us to pray, as John taught his disciples." (Luke 11:1). The response of Jesus was: "When you pray say: 'Father, hallowed be thy name. Thy kingdom come. Give us each day our daily bread; and forgive us our sins, for we ourselves forgive every one who is indebted to us; and lead us not into temptation.'" (Luke 11:2-4).

Prayer was vital in the life of Jesus as he lived on the earth as a man. There were times when he went apart from the crowd to pray. At times he even separated himself from the twelve so he could be "alone with God". One night he went to the Garden of Gethsemane to pray. Later that night he was betrayed and arrested.

Prayer was important for Jesus, it is important for us today. Georgia Harkness wrote in her book "Disciplines of the Christian Life", "There is nothing our time needs more than a resurgence of vital, intellectually grounded, deeply motivated prayer". If we are to experience an influx of God's Holy Spirit in our lives and in the life of our community, it will come through such prayer. We must become a praying people if we are to be faithful servants of our Lord.

Almost universally Christian people believe they should pray. Many do, and through the power of prayer they are able to "move mountains"; but many are frustrated about their prayer life and ask quite honestly how they might experience a more effective prayer life. With the disciples of Jesus they ask, "Lord, Teach us to pray".

If prayer is to be vital in our lives we need to know something of the nature of prayer and grow from there. The definition from the

Westminster Shorter Catechism states: "Prayer is an offering up of our desires unto God, for things agreeable to his will, in the name of Christ, with confession of sins, and thankful acknowledgement of his mercies." This places the focus of prayer on God where it should be and also points out our need of forgiveness and to recognize with gratitude his kindness and love.

To experience a vital prayer life we need to be aware of some obstacles and avoid them. The first: Insecure Foundations. Our prayer life is directly related to what we believe about God. If we are hazy about our belief in God we are only rearranging our own thought patterns when we pray. But as we are firm in our beliefs about God, prayer becomes power.

Second, Self-Centeredness. There must be some self-reference in prayer, for prayer involves meditation and becoming aware of needs, both personal and social. But prayer goes farther, it searches for ways the greatness and power of God can be brought to bear on a particular situation. But when our prayers become petitions for gifts to satisfy our own selfish desires, we are no longer praying, but "bathing ourselves in our own emotions."

The third obstacle to prayer we need to avoid is an Evasion of Responsibility. We need to commune with God, to hear his Word; but prayer must also include action. To pray for guidance without being willing to be used of God to accomplish his purposes is a sham. When we truly experience God's presence in prayer we will act in the way that will be helpful and supportive of people.

Prayer is as personal as each individual. This does not mean it is optional. We must, if we are Christians, be persons of prayer; and in our prayers give ourselves to God for his direction. Prayer is truly a discipline in the life of the Christian.

Mr. and Mrs. Joe Spann of Hereford spent several days last week with Joe's parents, Mr. and Mrs. John C. Spann.

YOUNG PEOPLE ARE GUESTS OF STEWARDS

After church services at Munday Church of Christ on Sunday evening, a group of Junior High and High School youths journeyed to the home of Mr. and Mrs. Jack Steward, north of Goree.

They enjoyed a "hot" game of softball and worked up their appetites for a menu of submarine sandwiches, chips, dips, desserts and punch.

The group joined in a devotional before parting for home.
