THIS WAS A MILLION DOLLAR RAIN

Talk about a "million dollar rain!"

If that's what we wanted in Knox County, the order should be "filled to the rim" by this time!

It's brought smiles to people's faces, greetings to each other that are more cheery than before, and hearts that are as light as the proverbial feather! Happiness is everywhere - and in abundance.

This was a re-order of what we received Tuesday. It started the abundant offering Thursday night, and local people have just barely seen the sun since that time. Three days of continuous

rain have brought farmers and townspeople "just what we needed," and there's no doubt that it has made the moisture meet.

Some 8 to 10 inches has fallen, according to estimates. It was slow, steady, continuous - nothing heavy or boisterous - and it fit right into the pattern for this season.

Flooding was all around us - near Seymour, Haskell, Throckmorton, Hamlin, Roscoe - just name it, and they had it, except for the Munday area. We had only temporary flooding of streets in Munday, but the "big ditch" took care of this in quick order.

At last, it finally got too wet to plow!

Local people couldn't go places to the east, south and southwest during the week-end, because of flooding conditions, but most everyone seemed content to stay home and enjoy the rain!

Activity will be picking up as soon as drying conditions get under way, as plans for another wheat crop, continued harvesting of grain and cotton, and preparing land for whatever comes next!

The long dry spell is broken! The heat wave has waved goodbye, and it's a brand new world we're living in!

The Lake's Full Once Again!

The Millers Creek Reservoir was approximately 6 feet below spillway before the recent rains. Reports from the reservoir at approximately 9:30 Wednesday was the lake level had risen to within inches of the service spillway.

The creeks were still running and it is expected the reservoir will be completely filled by Thursday. There has been no flooding and none is anticipated unless there is further rainfall on the watershed area.

Register So You May Vote!

If you're not already a registered voter, you must register this week in order to vote in the general election on Tuesday, November 4.

In order to be eligible to vote, persons must register at least 30 days before the election.

This means Saturday, October 4, is the absolute deadline, but wait:

None of the places for registering will be open on Saturday, so you must register at least by Friday, November 3, in the Munday area.

Registration forms are available at the court house in Benjamin, the city hall in Munday, and also at the Chamber of Commerce or City-County Library in Munday. Know that you are an eligible voter - register!

KEVIN SMITH is shown with "the catch" that set the Moguls up for their first touchdown in Friday night's game with the Rule Bobcats. Mike Rhoads, 20, of Rule is coming toward Smith but it did no good because the mighty Mogul held on to the ball.

Undefeated Moguls Win Over Rule Bobcats Friday

Munday's undefeated Moguls were not accustomed to playing in such weather as we had Friday night - wet and chilly and rain still falling, with some mud on the field - but neither were the Bobcats from nearby Rule. There's scarcely been any moisture since the season started.

The Moguls were in control of things from the start, although the game was marred by penalties on both sides, and that old scoreboard racked up more points for the Moguls than the Bobcats could muster. It was 16 to 6 at the final whistle.

The Moguls racked up a 16-0 lead - and that was all. Rule could account for only 6.

Randy Routon took the ball over from the one-yard line to get Munday's first six points, and Craig Paylor booted the extra point. Paylor then added a field goal from 26 yards out to increase Munday's lead to 10-0 at halftime.

Paylor wanted more of the action, however, as he added six more points in the third

quarter on a run from the four-yard marker. His kick was wide this time.

Rule's lone touchdown came in the final quarter on an eight-yard pass from Leon Greeson and David Lisle. Rule then attempted a pass for two points, but it was stopped short of the goal line.

Munday now stands at 3-0-1 for the season, while the Bobcats drop to 1-2.

COMMENTS FROM COACH LOWREY

Overall, the coaching staff was pleased with the Rule ball game even though it lacked some of the sharpness we had shown in some of our other games.

Considering the weather conditions and coming off the big game with Knox City last week, we felt pretty encouraged by the victory.

One of the most positive

things of the game, I feel like, was our hitting and pursuit on defense.

I feel like our defense has just about caught up with our offense as far as execution and technique.

We came out of the Rule game with no injuries and hopefully we will be back to full strength for the Electra game.

From the scouting report on Electra and the films we have seen, they have a much better ball team than their 2-2 record indicates. They do a lot of things offensively, like running out of different sets and using a diversified attack. Defensively, they run a 4-3 and stunt quite a bit.

I think we will have to play one of our better ball games in order to beat Electra plus it is their homecoming.

West Texas Utilities Files For Increase

West Texas Utilities Company has filed application for a general rate increase, Frank Jackson, local manager announced.

The official filing was made Tuesday, September 30, with incorporated towns for retail customers within their jurisdiction and with the Public Utility Commission of Texas for an increase to customers outside incorporated towns.

The proposed rates would produce an increase in total revenue of \$12,729,619. This amounts to 8.27 per cent based on revenues of \$153,914,156 for the test period ending this past June 30.

The company requested that the new rates become effective November 4.

One of the basic reasons for the increase was cited as inflation.

"The cost of providing electric service continues to increase more rapidly than revenue," the manager said.

This rate adjustment would be only the second general retail rate increase in the company's entire history, which goes back more than 50 years. The other increase was in 1973 and amounted to about six per cent across the board.

"We've managed to make that six per cent go a long way," the WTU manager said, noting that every other utility company in the state, and probably in the nation, has had at least one increase since then and most of them have had several.

Several reasons were given as to how WTU has been able to manage without a rate increase during the past several years of double-digit inflation. Chief among these was the timing of WTU's power plant construction. Its newest and largest station was completed in the mid-1970s and provided generation reserves sufficient not only to last for several years but to allow profitable energy sales to other companies.

The Company also cited its reputation as a conservative company with firm control of its expenditures.

However, the WTU manager said, the company can no longer absorb the effects of inflation without risking a dangerous decline in its financial condition. Of necessity, the company is entering into a multi-year construction program which will include a new coal-fired power plant and several

Division Chairmen Named For United Fund

Mr. Moulton Wiggins, United Fund Campaign chairman, has announced his division chairmen for the 1981 drive which will begin on October 15 and end October 31. The goal is \$6525 and with hard work this goal can be reached.

Chairmen for this year are: Brian Key, business; Mrs. Jean Reneau, south residential; Mrs. Sue Baker, north residential; Mrs. Clyde Yost, northwest rural; Mrs. Shirley Gass, northeast rural; Mrs. James Smith, southeast rural; and Mrs. Virginia Burnison, southwest rural.

These chairmen will be calling for volunteers to collect contributions from residents in their areas during the drive. For the

drive to be successful, the coordinated efforts of chairmen and workers are needed. It is hoped the 1981 drive will be as successful as last year when the goal was exceeded.

Chairmen and workers are invited to a kick off coffee at 10:00 a.m. on October 15, in the Chamber of Commerce office. Workers can pick up their packets at that time. If a worker is unable to attend the coffee, they may pick up their packet as soon as possible after this time.

Mr. Wiggins stated, "The United Fund Drive will again be held for only two weeks. All workers will be encouraged to work their envelopes during this time."

Lions Broom Sale To Be Held Next Tuesday

The Munday Lions Club is making final plans for next Tuesday's "blast off" of their annual broom and mop sale, according to Norm Anderson, president.

The Lions Caravan Sales for the Blind will park their truck in the usual place, west of the city hall, a little before 8 a.m. Tuesday. Teams of Lions will be loading their vehicles for a quick takeoff into the business and residential sections of the city to offer blind made products to local residents.

These products will consist of varied types of brooms, mops, dish cloths, and towels, oven mits, lawn rakes, rugs and mats, and a

number of miscellaneous items.

An effort will be made to "cover the town" in this sale, with teams being assigned to different areas in a house-to-house canvass.

Purchases may also be made at the "broom truck" during the morning hours.

This has been one of the main money-raising projects for the Munday Lions Club for a number of years. Proceeds will go to benefit the blind caravan, Texas Lions Camp at Kerrville, and other projects of the Lions Club.

Be ready to greet these Lions with a smile, and a purchase!

Adult Education Classes To Begin At Munday School

Adult Education classes in Munday will begin Tuesday night, October 7th, and will be held each Tuesday night at the Munday High School. Classes will be held for three hours from 6:00 p.m. to 9:00 p.m.

Adults 18 years of age or older and who have been out of school at least one year may register for one of three levels of instruction. The basic level (grades 1-3) will be held for those persons who have little or no schooling, need English as a

second language, and/or are working toward U. S. citizenship. The intermediate level (grades 4-6) will be for those who have completed the basic level and have had some formal schooling. The advanced level will involve those who have completed the intermediate level or have some junior high or senior high school education. The advanced level will prepare the students for the General Educational Development

Quarterback Club Having Good Turnout

Richie Smith, president, stated that attendance is real good at the Quarterback Club's meetings thus far this season. They are held each Tuesday at 8 p.m. in Munday High School Cafeteria.

Both women and men are invited to these weekly meetings. You are privileged to hear the coach analyze the previous week's game as well as hear scouting information on the upcoming opponents. Refreshments are served and everyone has an enjoyable time together.

When the Moguls' next game is at home, there is a drawing for "two boosters of the week". These two are guest of the Moguls in their dressing room before the game. They will observe the players as they tape and prepare for the game. They will be able to join in the prayer with the coaches and players and listen to the pep talks and comments.

Mr. and Mrs. Maynard (Sonny) Moore were the boosters of the week for the Rule game.

HEART ASSOCIATION TO MEET OCTOBER 6

The American Heart Association will hold a regular monthly meeting on October 6, at 5 p.m. at McCauley-Smith Funeral Home. The public is invited to attend this meeting.

Moguls Go To Electra Friday

The Moguls next opponent will be Electra on Friday night, on the Tigers' stomping grounds. Thus far this season Electra has a 2-2 record.

Electra has moved from 2-AA district to 9-AAA. They should have a stronger group of boys this year than they did last year. Last year they finished with a 6-4 season. They own concentrated quickness in their half-backs and also in their quarterback.

The Tigers have ten returning lettermen this year. Friday night's game should be a good one when the Moguls are their guests.

Open House Planned For Sheriff's Office

Open House is planned for the new office of the Knox County Sheriff on Thursday, October 9, from 9 a.m. to 5 p.m. Tours of the newly constructed area will be available. Refreshments will be served.

All citizens of the County are cordially invited to attend the open house and view the new facilities.

New State laws made this structure a necessity in order for Knox County to be within the jail standards of Texas. The final touches are being put on at this time in order to be ready for the open house.

Robert Gaines of Abilene spent the weekend with his mother, Mrs. Maggie Gaines.

high voltage transmission line projects.
The proposed rates were based on detailed analyses of each customer rate class, including studies of their energy usage patterns, the investment required to serve them, and the cost of operation applicable to those customers.

The Company's rate structure, which now has over 125 rates for many types and classes, would be reduced to less than 30 rates. The effect of the increase on the different customer classes would vary according to present relative rates of return from each class.

For example, the typical residential electric bill would increase by about 10 per cent.

Although customer bills have risen substantially in the past few years, the increases have been the result of more usage and higher fuel costs. The average residential customer's electric usage in the WTU system increased from 6,363 kilowatt-hours in 1972 to 8,270 kilowatt-hours this past year.

The cost of fuel has risen from 23 cents per million BTU in 1972 to \$1.96 this past summer. Generally, this fuel cost is the only increased expense that has been shared by the customer under WTU's recent rate schedule.

The city has several options in responding to WTU's rate request. It may approve the increase, deny the increase, or suspend the rates for a certain period of time. The city also has the option of denying the request and ceding future jurisdiction to the Public Utility Commission.

CHILDREN VISIT THE AG SHOP

By DEBBIE VALENCIA
Last Wednesday morning the play school children were invited to look at some of the animals the F.F.A. members have as a project. The children were brought over by Mrs. Winchester and her second period class. The class includes: Don Awalt, Kendra Cooke, Julie Smith, Brenda Walling, Kimi Moon, Debbie Valencia, Florinda Fernandez, Tammy Porter, and Shari Offutt.

The children enjoyed all the animals and were very anxious to touch them. To some of the children this was a first time experience of seeing this type of animal. Each child seemed to be attracted to a different animal.

The animals were furnished by the second period classes of Mr. Rawdon and Mr. Campsey. Lissa Brown brought her registered Angus heifer. Don Awalt furnished two Suffolk lambs, one ewe and one wether. The pigs were furnished by Chris Moore, Danny Rameriz and Moses Dena. The chicken was by Lester Adams.

PEP SQUAD NEWS

By DEBBIE VALENCIA
Pep Squad? Yeah!! Stand up and cheer!! Let them know you're here!! That's right, the Munday Moguls have been cheering the Moguls to their victories. These girls have a lot of "gusto" and they really yell at the ball games. Team work is the key to the group's success. I'm sure everyone really can hear these girls scream at the ball games.

Mr. Donoho told the officers that he thought they had improved greatly these last years that he has been around. It seems that the group has become more involved together instead of each one just doing their own thing.

Tuesday after school, pep squad officers and Mrs. Donoho worked up a skit for Friday's pep rally. The skit was originally written by Bernice Shields. The skit involved all the members of the pep squad, and the music was furnished by the Big Purple Cloud. On Wednesday during activity period and after school the members and officers practiced on the skit.

Local Woman Named Chairman

Cindy McWhorter has been named chairman of the county-wide Reagan-Bush Steering Committee. This committee will oversee the activities of the Reagan-Bush campaign in Knox County.

Other steering committee members are: Mrs. Jean Allen, Munday; Mrs. Betty Smith, Knox City; Mrs. Francelle Echols, Goree; and Mrs. Clara Brown, Truscott.

Mrs. McWhorter said, "I am pleased that these citizens have come forward to join in the Reagan-Bush effort in this county. Their participation indicates the widespread support which Governor Reagan enjoys not only in our county but throughout Texas."

Mrs. McWhorter urges anyone who is interested in joining in this effort to please contact her at 422-4980.

In accepting this chairmanship Mrs. McWhorter stated, "I feel we must have a change in the White House in 1980. Governor Reagan and Ambassador Bush offer a refreshing change in the direction for our country and they stand in total accord with the principles and traditions and beliefs of the majority of Americans and Texans."

Funeral For Eunice Giles Held Monday

Eunice Marie Giles, 55, of Goree, passed away at her home last Friday.

She was born December 20, 1925, in Arinona, Texas, and married Eddie Lee Giles on November 10, 1945, in Paris, Texas, moving to Goree in 1949. She was a member of the Church of God in Christ.

Funeral services were held at 2:30 a.m. Monday from West Beulah Baptist Church with Rev. M. Cox, pastor, and Rev. A. C. Bennett of Abilene officiating. Burial was in Old Goree Cemetery under direction of McCauley-Smith Funeral Home.

Survivors include her husband; a daughter, Mrs. Sherman Hardeman of Goree; a son, Eddie Jr. of Goree; four sisters, Eva Mae Mitchell of Chicago, Ill., Leona Robertson of New York, N. Y., Fannie Lois Pierce and Ann Marie McClelland, both of Paris, Texas; five brothers, J. C., Noble and Leon McClelland, all of Mesa, Ariz., Melvin of Dallas, and Sam of Paris, Texas, and three grandchildren.

AG I CLASS of Munday High School are shown here as they spruce up the entrance gate at the FFA Stock Center. The students and their advisor, Greg Rawdon, are trying to make things look nicer out that way. Standing on the ladder is Johnny Collier while Ronnie Brown stands on the gate to paint. Kent Josselet is shown, trying to steady the gate and ladder. Other students from left are Quincy Adams, Paul Wright, Kelly Fisher. In the foreground is Susan Morrow left, and Karen Caram.

Plans To Save Energy

Plans for conserving energy in the home were outlined at Tuesday's meeting of the Munday Lions Club by two representatives of West Texas Utilities Co.

Don Haynes of Stamford gave a slide presentation on the subject: "Where Does Your Energy Dollar Go?" In this he showed that improvement of operation, equipment and the home could be made to eliminate much of the present energy loss. He also showed charts on the amount of electric energy that is consumed by air conditioning, lights, appliances, etc.

Elimination of heat loss can be by insulation, caulking of cracks, and by controlling drafts around windows and doors.

Valerie Brock, also of Stamford, is assuming the position of energy auditor with the company. Her services will be available in checking homes, then using a computer in determining the methods of conserving energy necessary in homes. This service is expected to get into full swing by 1981.

Lions were checked for brooms, which they are wearing all this week in preparation for the broom sale on October 7.

Lion Anderson called a directors' meeting to follow the regular meeting.

Jerry Tuggle Dies In California

Jerry Tuggle died at 3:30 a.m. on Saturday, September 27, 1980, in a Veterans Hospital in California, after a lengthy illness.

Funeral services were pending at press time. His mother, Mrs. Ben Tuggle, will return to Munday the latter part of this week.

A complete obituary will appear in The Courier next week.

LIBRARY TO RESUME STORY AND FILM TIME FOR PRE-SCHOOL

Mrs. Edith Hobert, librarian for the City-County Library, has asked the Courier to announce to the mothers of 4 and 5 year old pre-school children that the much loved "Story Hour" will be resumed.

Beginning Tuesday, October 7 from 10 to 10:30 a.m. there will be films presented and a story time for the youngsters. Any child, age 4 and 5, is welcome to attend.

NEW BOOKS AT LIBRARY

Several new books have been added to the shelves at the City-County Library for the enjoyment of Knox County citizens.

Among the newest titles are: "Talk to the Deaf"; "Random Winds" by Belva Plain; "Tom Landry" by St. John; "Aunt Erma's Cope Book" by Erma Bombeck; and "Aerobic Dancing" by Wade.

Visiting Mrs. Abigail Reynolds on Friday was her daughter, Mrs. Martha Watkins of Wichita Falls.

You are in Cone. Just a little east of here, Estacado was founded in 1879 by a Colony of English Quakers, under the leadership of Isaac Paris Cox, who purchased for them 82 sections of land. The town, first named Marietta, was renamed Estacado when Crosby County was organized in 1886.

By 1893 the Colony had disintegrated, because of poor crops, due to drought conditions and in 1893 the Quakers moved. See the next CROSSROADS Puzzle to learn what happened to this group of people.

GRID RESULTS

STAMFORD DOWNS HASKELL INDIANS

A pair of TD passes hurled by Mike Cox, plus 218 yards rushing, accounted for a 30 to 13 Stamford Bulldogs win over the Haskell Indians Friday night at Stamford.

Haskell scored on two punt returns, as Joe Benavides ran for 55 yards on one return for the score. Johnnie Hise returned a kickoff 91 yards for the second. This was a non-conference game.

The Indians have yet to win and have suffered four losses during the season.

CROWELL TIES ONE WITH CHILLICOTHE

The Chillicothe Eagles hosted the Crowell Wildcats Friday night, as the two teams battled to a 6-6 deadlock.

The Eagles scored first, when John Mitchell, top rusher for the evening, scored from one yard out. The extra point try failed.

Kevin Baker scored for Crowell in the fourth period by pulling in a 15-yard TD

pass from Guy Todd, Crowell's Lonny Mitchell led his team in rushing with 51 yards.

Crowell is now 0-3-1 for the season, while Chillicothe's standing adds up to three aces, 1-1-1.

PADUCAH WINS OVER SPUR'S BULLDOGS

The Paducah Dragons went visiting Friday night to show the host Spur Bulldogs how to score, racking up a 27 to 6 victory.

Dragon Eugene Rikiet led his team in yardage, racking up 103 in 16 carries.

Carl Clary added 74 yards for Paducah on 16 carries.

WOODSON DEFEATS HARROLD HORNETS

The Woodson Cowboys played host to the Harrold Hornets Friday night and humbled them with a 53 to 8 score in six-man football.

Woodson is now 4-0 for the season, while the Hornets stand at 3-1.

QUANAH INDIANS DOWN IRISHMEN

Playing in a steady downpour, and possibly enjoying it, Quanah's Indians slipped past the Shamrock Irishmen Friday night to the tune of 6-0 in a non-conference game.

Although officials dried the ball with a towel before each play, the Indians lost two fumbles and the Irish gave up four during the game.

The Indians' season standing is now 3-1.

TWO ARE IDLE

The Knox City Greyhounds and Seymour Panthers were idle Friday night, giving them a chance to rest a spell and salve their wounds!

"CAN RAID" HELD SUNDAY NIGHT

The Church of Christ youth knocked on doors of all the members on Sunday night for canned goods to be sent to orphan's homes.

The young people spent an enjoyable time accomplishing their goal and were then served refreshments at the home of Mike and Tammy Sloan.

Mr. and Mrs. Bob French of Garland, visited her parents, Mr. and Mrs. Earl McNeill during the week-end.

Jr. High, Jr. Varsity To Host Electra Here

The 7th grade, 8th grade, and Jr. Varsity teams will have an opportunity to play their third game "in a row" on home territory. The first game will begin at 5 p.m. on Thursday (today) October 2.

In the games with Quanah last week, Munday's 7th grade won 6-0. The 8th grade lost 20-0, and Jr. Varsity won 16-6. The 8th grade team only has nine 8th graders out this year. Five of the boys were scholastically ineligible to play so basically Munday had an 8th grade team only in name. Coach Dennis praised the younger boys for bringing their best to the game and he felt they did the best they knew to do.

COACH DENNIS COMMENTS

The 7th grade team won 6-0 on a pass from Scotty Jackson to Ryan Wright in the third quarter. Ryan broke several tackles to get in the end zone - which turned out to be the deciding factor of the ball game.

The remainder of the game was more or less a defensive stand-off. I was able to use more of our young boys and was real proud of them.

We didn't meet our opponents in size or experience in the 8th grade team. Our 8th grade team was manned with a majority of 7th graders. However, I was real pleased with the ones coming into the game, taking up the slack. Even though they were out-aged by Quanah, this should make them better in the long run. It will help them for next year. I'm surely not disappointed in their performance at all.

This week Electra comes here, I have no knowledge of their record but I have talked with their coach, John Poulos. He stated that fundamentals are being taught his boys and they are running the plays that the Varsity are. I am doing the same with our Braves.

Munday people will remember Coach Poulos as a former member of the Mogul coaching staff.

JR. VARSITY COMMENTS

By COACH LANKFORD and COACH McLESKEY

Our Jr. Varsity team played the best game against Quanah they have played this year. Quanah has a big, fast, strong football team. We got to them early in the game and got their daubers down. Defensively we played real well.

In the first quarter of play Quincy Adams made a 69 yard touchdown run. He then completed the extra point successfully.

In the second period, Quanah scored on a 17 yard bootleg pass but their extra point was no good. At half time the game was 8-6 in favor of the Moguls.

Quincy came back in the third quarter and scored from ten yards out on 18 power sweep toss. Danny Hertel made the extra point count putting Munday out front 16-6.

No scoring was done in the final quarter. The Moguls forced five turn-

overs, however.

We were real pleased with the boys' effort. Everytime they line up on the field, they show improvement. We just hope they continue to do so.

We meet Electra here Thursday. They have a big strong team and will probably be the best we have had to face this year. We invite the fans to come out and watch the Jr. Varsity in action.

Cousins Reunion Held With A Great Time Had By All!

September 17, 1980 began the visiting of the family of the late John and Lenora (Dodson) Spann with six of the seven living children present: Mrs. Edna Thorp, Mr. and Mrs. Otis Spann, Mr. and Mrs. Nolan (Ursel) Phillips, Mr. and Mrs. Edgar (Lola) Morgan, all of Munday; Mr. and Mrs. Quentin Spann of Morristown, Ark.; and Mrs. Irene Carmichael of Antioch, Calif. One sister and husband, Mr. and Mrs. Melvin (Velda) Wainwright of Dallas, were unable to attend.

On Friday night the Cousins started arriving and a Finger-Pick-Up supper was served in the home of Mr. and Mrs. Nolan Phillips where the gathering continued throughout the weekend.

Also this Friday night, learning of the get-together, B. B. and Mildred Bowden, neighbors of the Phillips, surprised the group with a drop in visit bringing a big delicious cake B. B. had baked. The cake and their visit were enjoyed.

The picnic luncheon planned to be on the backyard patio Saturday, was served inside because of

the badly needed rain. It was served from the old family used red and white checked tablecloth. The afternoon was spent visiting and reviewing old times and old, old pictures.

A sandwich supper followed, then a showing of family movies and a gathering around the organ for singing. Hattie (Phillips) Borden from Houston and Marion Phillips from Oklahoma City were present for the sing-a-long.

A breakfast and luncheon on Sunday were enjoyed and then the departing came - even though it was still pouring down rain.

Cousins present at the reunion: Kenneth and Lois Pickens, Clinton, Oklahoma; Junior and Elane Dodson, Foss, Okla.; G. P. and Modell Snider, Clinton, Okla.; Roger and Vera Gauger, Clinton, Okla.; Melton Morgan and daughters, Christi and Susie and Elaine Morgan, all of Munday.

WHAT IS LOVE?

The word love is spoken so frequently that probably each of us hears the term applied to diverse people and objects several times each day. Banded about on television, in movies, novels, and poems, the word seems to acquire a new definition each time it is uttered.

The definition of love therefore, must be personal, limited to the realm of one's experience. For each of us, defining love requires an examination of the emotional response elicited in any situation where the word love is employed.

When I think of the love I feel for my wife, I tend to think of the little things I do to illustrate her importance in my life. We enjoy our love in the evening when we turn off the television and talk about our daily experiences and try to solve the problems of mankind, but there is also a special feeling of love when the T. V. is blaring and the children are having a pillow fight in the living room. Her smile from across the noisy room delivers a message which no words can convey.

Our love is all the good and bad we are able to accept in each other.

When I think of love for my children, I think of their days of birth and the overwhelming need my wife felt to care for and protect them. Love is the first time my children smiled at me, the first hug I received from them, and the first steps they took to reach me.

Realizing the importance of teaching my children the rules to this game we call life is love. It's knowing that I can't make up all the rules; they have a lot to teach me, too. It's remembering what it was like to be a child.

When I think of the love I feel for my parents, I feel it's unfortunate that I had to be a parent before I fully comprehended all they had tried to do for me. It's appreciating, finally, that the times they punished me they sincerely meant it when they said it hurt them more than me. Love is accepting the fact that my parents are my oldest and truest friends, and learning to be a friend to them.

I'm not ashamed to say I have friends whom I dearly love. Friends with whom I've shared years of good and bad times, friends who care about who and what I am and know I share their feelings; they are precious to me.

A multifaceted gem, love cannot be defined; it can only be contemplated. Without love, mankind could not survive.

Perhaps this is why the apostle Paul wrote: "So faith, hope, love abide these three; but the greatest of these is love." (I Cor. 13:13, RSV).

COMPUTERIZED CATTLE MARKETING

A new computerized cattle marketing project called "Cattlex" (for Cattle Exchange) has been launched by the Texas Agricultural Extension Service and Texas Agricultural Experiment Station of the Texas A&M University System and the U. S. Department of Agriculture.

Cattlex is currently in the demonstration and experimental stage for the purpose of developing trading techniques and operating procedures for computerized cattle marketing.

The test project will run daily for nine months.

Computer terminals have been set up at 18 different locations over the state to link together feedlots, order buyers and auction markets. Locations were selected based on cattle volumes and density as well as economy of operation.

To use the system, a producer requests a grader

from a computer terminal location to list and describe the cattle he wants to sell. The description and listing fee is about \$1 per head payable before the lot is offered over the computer system. Included in the description are such things as sex of the cattle, age, grade, breed, weight and flesh condition. A seller may also put a "no-sale price" on the lot which means that he does not want to sell them for less than a certain price.

This information is then consolidated and transmitted by way of a cathode ray tube (CRT), a television-like screen which is a part of the computer terminal. The terminal can also produce a printout of the information.

Each day before the sale begins, buyers gather at the terminal site to review the day's listings on lots of cattle offered for auction. When a sale is made, a printout at both the buying and selling terminals will present a confirmation of sale.

Both buyer and seller will also receive a copy of the individual description of the lot. Title transfer is at the time of official weighing for ranch cattle and after the sale for delivered cattle.

With Cattlex, buyers still bid competitively and sellers still seek the highest possible price. However, the system expands the scope of trading and reduces transportation and stress through more direct movement. Sellers have the advantage of more purchasers while buyers have more lots of cattle from which to choose without scurrying over the countryside.

Recent trends toward more local auction sales as well as direct selling on farms and ranches has resulted in more dispersed, low-volume markets too small to attract large numbers of buyers. However, Cattlex centralizes the price negotiation process in marketing livestock without the costs involved in physically centralizing buyers, sellers and livestock.

Ad added benefit of Cattlex is that it provides fast, up-to-date market information. Interested parties can watch the market as it occurs over the state or nation by simply viewing the CRT at the terminal site.

To see Cattlex in action producers may visit one of the cooperators that is participating in this experimental system of computerized cattle marketing.

Mrs. Marguerite King and Patsy returned last week from a vacation in New Mexico, Arizona and Nevada. They were accompanied by Mrs. King's sister, Mrs. LaVerne Newberry of Oklahoma City. They visited Petrified Forest, Painted Desert, Grand Canyon, Hoover Dam and Las Vegas.

Tractor Maintenance Short Course Offered To Farmers

A tractor maintenance short course for adult farmers will be held Oct. 13-16 under the sponsorship of the Brazos Valley Young Farmers and the High School Vocational Agriculture Department, according to Mr. Greg L. Rawdon, teacher of vocational agriculture, and Mr. Douglas Myers, superintendent.

Richard Pivonka, tractor maintenance specialist with the Vocational Agriculture Division of the Texas Education Agency and the Department of Agricultural Engineering at Texas A&M University, is the instructor. He is headquartered at Texas A&M University.

Pivonka received his B. S. degree in Mechanized Agriculture from Texas A&M University in 1975. From June, 1975 to April, 1977 he has worked for the Rio Grande Valley Sugar Growers, Inc. as a mechanical equipment foreman. He was responsible for the

maintenance of a wide variety of shop and field equipment.

The short course is

Tickets Now Available For Dinner

The date of Sunday, October 12, 1980, has been set for the annual dinner at Rhineland sponsored by the Knights of Columbus. The dinner will be held in the Columbus Club Hall. Serving time will be from 11:00 a.m. to 1:30 p.m. Tickets are available now from any member of Knights of Columbus.

For this delicious dinner of fried chicken or sausage with the trimmings, adult tickets are \$3.50 each and \$2.50 for children twelve years of age and under.

The public may once again purchase sausage by bulk. Call 422-4669 in Munday, and in Knox City call 658-3926 by October 5, to place your order. The sausage order may then be picked up anytime on Saturday, October 11, at Brown's Store in Rhineland.

Munday Jr. 4-H Club Has Organizational Meeting

The Munday Junior 4-H Club had their first meeting for this school year on Tuesday, September 23, in the fellowship hall of First United Methodist Church.

This was an organizational meeting to elect officers and to make plans for the year. Seventeen youths were in attendance. Mrs. Francis Parker and Mrs. Joan Hutchinson are leaders for the Munday group.

Officers elected are: Holly Hutchinson, president; Shawn Cude, vice-president; J. B. Jones, treasurer; Angie Partridge and Jeremy Hutchinson, Council dele-

gates; and Guinn Stinnett, secretary/reporter.

Members planned programs for each meeting throughout the school year. They also selected nominees for outstanding adult leaders. The leader elected will be recognized at the annual banquet this month.

The next meeting will be at 4:00 p.m., Tuesday, October 14, in the fellowship hall of the Methodist Church. All elementary and Jr. High students are invited to attend. If further information is needed, please contact Mrs. Parker or Mrs. Hutchinson.

Mr. and Mrs. Clifford Boone of Iraan are spending a few days in Vera and visiting with her sister, Mrs. Carlo Kuchan.

Activities of Colored People

By ALINE JOHNSON

We didn't have any colored activities for two weeks, Aline Johnson was in the Wichita Falls General Hospital and I want to thank my white friends for the lovely flowers and beautiful cards.

Also my colored friends, Mr. and Mrs. Wellington, they were very nice to me. She and a friend were there every night and day.

I'm very thankful to be home again. Dr. Jerry Myers was my doctor.

I must say of a truth the colored and white nurses were lovely. They all were very sweet and nice.

I do thank each one for their goodness to me ever since I've been home. You know if I could I would call you name by name.

On Monday I had so much company. Sis Hall and Sis Brown from Abilene, Eld.

Munday Church of Christ had charge of the worship services Sunday afternoon. We had a large crowd in attendance. The members who came to help with the singing did a great job and we appreciate them coming.

Donna Cotton and Kenna visited Mildred Warren.

Mr. and Mrs. Wes Martin of Dallas, visited her mother, Mildred Warren, on Sunday afternoon.

Hall, pastor this Munday Church, and I must say I'm always glad for my pastor and wife to visit me. I certainly did enjoy their visit to me in Stamford at the hospital. Mrs. Mary Stafford also her mother, accompanied them there.

Also Mr. and Mrs. Charlie Cooks carried me to the hospital and his mother, Mrs. Addie Stafford, My son, Billy Johnson, also was there from Georgia.

Bro. Dinkins and his mother-in-law came for me on last Thursday evening.

Mrs. B from Goree visit me, also Mr. and Mrs. Charlie Fly, also my cousin Georgie from Knox City.

Let us all stay faithful because we don't know where our name is on roll. I must say I did enjoy all my company Monday, Bro. Murry and Mr. Atkins.

Knox Farm Bureau Holds Annual Meet

Approximately 325 Farm Bureau members donned their raincoats and big smiles because of the welcomed rain, and attended the annual Knox County Farm Bureau Convention on Saturday night, September 27.

Those in attendance were served a delicious barbeque dinner prepared by Curley Awalt. The wonderful meal was "topped off" with homemade ice cream furnished by wives of the directors.

Nine resolutions were passed during the brief business meeting. The resolutions are as follows:

1. Supports the idea that the United States should not sell their agricultural products to communists nations at less than the cost of production.

2. Favors the inspection of combines and trucks entering the state by the Texas Department of Agriculture to prevent the spread of noxious weeds.

3. Supports the idea of having a 10 barrel a day exemption per well from the windfall profits tax.

4. Supports the enforcement of the uniform height code of utility wires over all highways and county roads to allow movement of farm machinery.

5. Supports legislation that would exempt an agricultural employer who hires workers solely for his own operation from having to file as a Federal Labor Contractor.

6. Favors a state refinery tax which would reimburse Texas royalty owners the tax they paid from windfall profits.

7. Opposes the addition of foreign material to grain before shipping the grain to overseas markets.

8. Supports legislation to raise the sales tax by one percent to support public schools with a corresponding reduction in ad valorem taxes.

9. Favors that should the carryover of commodities plus estimated production

exceed the estimated domestic and export use by 10%, an "automatic set aside" should be imposed to bring production back to estimated domestic and export use.

After the business meeting, games of Bingo were played.

Mrs. Gene (Joyce) Nix entertained the group in attendance with a number of selections on the piano.

Last year's directors will continue to serve in their same positions. From Truscott-Gilliland communities, James Cash, Ronnie Simmons, E. D. Welch, and Louis Baty are directors. O. L. Patterson and Charles Griffith are directors from Benjamin. From Vera, Billy Kinnibrugh and Jerry Beck; from Munday-Rhineland, Larry Smith, president, Spike Bryan and Bobby Owens; from Goree, Charles Blake and Boyd Lynn Meers; and Knox City directors are Leo Beason and Merle Tackitt. Omar Cure is an honorary lifetime director.

Knox City To Host Game Session

The senior citizens of Knox City are hosting an afternoon of popular games at the Central Kitchen, located on Main St. in Knox City, at 1:00 p.m. on Thursday, October 7.

All senior citizens of Knox County are invited to come and enjoy the fellowship together. Guests who attend are asked to take dominoes and other games so there will be an ample supply.

If you are a senior citizen of this county, plan to attend and have lunch there, too. For lunch reservations, you will need to notify the Central Kitchen on Monday, October 6.

Call your news to The Courier on Monday of each week.

YARD OF THE MONTH honor goes to Mr. and Mrs. Rhoades Allen. The Allens have completed some changes in the landscaping. The pretty shrubs and neat beds of green plants have a very attractive appearance for October.

Knox Cancer Unit Reports Drive At All Time High

The Knox County Unit of the American Cancer Society met on Thursday, September 25 at Munday Community Center. Linda Vann and Cheri Huff of Wichita Falls were guests at the meeting.

Katherine Smith, 1980 Crusade Chairman and Hank Matthews, treasurer, reported the following figures for this year's contributions: Knox City, \$1438.00; Munday, \$1480.00; Goree, \$140.00; Benjamin, \$245.00; Vera, \$327.00; Truscott, \$73.00; Rhineland, \$305.00; Gilliland, \$97.00; memorial funds, \$2,008.00; and special events, \$793.00; making a total of \$7408.00. This crusade represents the best ever for Knox County.

Special awards were received by Katherine Smith, Francis Coffman, educational secretary, and Loyd Clark, president. The Unit expressed thanks to all who helped make this crusade such a great success.

Special recognition goes to Hank Matthews for his outstanding work as Memorial Chairman and to Paul Clayton for his assistance. Glenn Feemster, Loyd Clark, Valera Hertel and Bertha McKinney were also recognized for the time spent on special event items.

Appreciation was expressed to the Crusade workers: Wilma Beck, Vera; Shirley Amerson, Munday;

Carnie King, Knox City; Ronnie Cude, Goree; Fila Mae Robeson, Benjamin; Mrs. Paul Bullion, Truscott; and Geneva Navratil, Gilliland.

New officers elected for this year are Katherine Smith, president; Geneva Navratil, vice-president; Loyd Clark, secretary; and Bertha McKinney, treasurer.

The Knox County Unit will meet at 3:30 in Benjamin on the fourth Thursday of each month. The public is invited to attend these meetings. It is hoped that more people will join in this rewarding work.
