Look To The East
By AARON EDGAR

We hope Jimmy Carter stands pat!

It appears to us that any person, be he peon, mayor, governor, senator; or, yes, president of the U. S., should be able to decide whether to engage in debate, when to do it, and who he will be debating.

If you have kept up with our "rantings" in this column, you already know our opinion of debates, whether they be merely a two-person argument or a high-up, well publicized, word-throwing, embarrassment-intended verbal conflict between the highest personalities in the nation.

We said before, and we say again, that we've never heard a debate on any subject that settled the question, or changed our mind by one iota. Consequently, we believe that no debate at all is better than a dozen of them!

We guess, however, that the League of Women's Voters has ideas different from ours.

It seems, this league had arrangements pretty well completed for Carter and Reagan to do word-battle under the league's sponsorship. Then John Anderson got enough percentage points that the women's organization invited him to the melee. He accepted, of course!

The "dear girls" then wanted a three-way campaign debate. Carter and his cohorts "kicked over the dashboard", and we say: "Hooray for them!"

Efforts as of mid-week didn't "salve up" the situation, so League officials said they would go ahead with a Reagan-Anderson debate in Baltimore on September 21, as scheduled.

Jimmy's demand was that the two major party candidates, Carter and Reagan, would debate first. Better than a three-way deal, we think, if there has to be a debate. Carter said no.

Alternatives were made. One of these would have been a round-robin series of two-man debates with pairings drawn by lot. This was ditched by Carter forces, because the president might debate Anderson ahead of Reagan, who seems the stronger of the two.

The other was a multi-candidate debate, followed by a Carter-Reagan "jibe at each other", and then some kind of debate between vice presidential candidates.

This remedy, we think, was some sort of left handed upper-cut that landed below the belt - a foul if there ever was one!

League president, Ruth Hinerfeld, is reported as saying the league has no intention of staging a two-man Carter-Reagan debate if the president boycotts the opener. We hope Mr. Carter accepts this as the "final nail" in that phase of the political coffin.

Another ridiculous idea we heard of via radio is that an empty chair will be placed on the speaker rostrum in the September 21 Reagan-Anderson debate. People won't need this reminder that Carter has stuck to his guns!

Both Reagan and Anderson denounced the president's proposal. **CONTINUED ON PAGE 2**

JULIE MYERS is shown accepting the trophy for being selected as a member of the All-Star Track team. The choice of recipients is made by the Texas High School Girl's Coaching Association, and was awarded at the State Awards banquet held recently at the San Antonio Convention Center.

Julie Myers Accepts Award At Banquet

Julie Myers recently attended the State Awards banquet in the San Antonio Convention Center where she received her Texas All-Star Track Team trophy. Coach Danny Diggs, former coach at Munday High School, also attended the banquet as Julie's guest.

School Board To Enter Contract With Law Firm

The Munday Independent School Board members met on Thursday, September 11, in regular session. Members present were Kenneth Hendrix, Phillip McAfee, Byron Gass, Spike Bryan, John B. Reneau, and Robert Hosea. Absent was Mrs. Sandra West.

Motion was made by Bryan and seconded by Reneau to accept previous minutes as read.

Motion was made by Gass and seconded by Hosea to pay bills as listed.

Motion was made by Reneau and seconded by Bryan to sign contract with Pritchard and Abbott for appraisal service for oil, gas, and utilities for 1980-81.

Microwave Cooking School Set

Bob Brown has announced a microwave cooking school to be held at Munday Tire and Appliance in Munday. The session will be at 7 p.m. on Tuesday, September 23, 1980. Two home economists for the Litton Company will conduct the school.

The public is cordially invited to attend. There is no charge for the course.

Class B, Class A, and Class AA schools.

This particular honor is a fitting climax to the years of participation in track events by Julie while a student at Munday. She made her fourth trip to state in 1980, accomplishing another feat never before accomplished by a Munday High School girl. She won the mile three times at state - twice setting new records. Her senior year she won second at state in the mile run.

Julie is the daughter of Mr. and Mrs. Billie Jake Myers and is attending Ranger Junior College.

Bank Alarm Works Well

A motion was made by Bryan and seconded by Hendrix to enter into a Delinquent Tax Contract with McCrary and Huey, tax attorneys from Austin, to collect delinquent taxes for the Munday School District.

Bank Alarm Works Well

On Thursday night of last week, although there was really no doubt before this time, the alarm system in the new drive-in facility of First National Bank in Munday, got a chance to prove it was working satisfactorily.

The alarm was answered by the City of Munday police and it was determined that nothing was "out of order" at the site but the alarm was going strong.

Mrs. Jo Ann Marr, employee at First National in the motor bank, was summoned to unlock the door and turn off the mechanism.

What was blamed for this untimely "work-out" for the alarm? As near as the police could determine, the "very sensitive" system was triggered by crickets around the area.

Munday does have crickets on hand in excess at the present, so sounds feasible.

Moguls Battle Windthorst To 13-13 Tie; K-City Next!

The Munday Moguls battled the Windthorst Trojans here Friday night in a game which ended in a tie, 13-13.

The first touchdown of the game came in the second quarter with 11:34 left to play. Quarterback Randy Routh threw a 10 yard pass to End Kevin Smith. The kick was wide and the score was 6-0.

Thirteen seconds before half-time, Windthorst scored on a four-yard pass from Joe Wolf to End Marvin Teif. With the extra point being good, the Trojans moved ahead by one point.

With 8:44 left in the third period, Munday again pulled out in front on a 13-yard pass from Routh to Joey Kuebler. Craig Paylor made the kick count and the score was 13-7.

A 14-yard run by Joe Wolf with 10:11 left in the game tied the score, and the crucial extra point was missed by the Trojans.

Routh had 164 yards passing for the Moguls, while Anderle ran more than 100 yards for Windthorst.

On Friday night the Mighty Moguls will take a little trip to the neighboring town of Knox City.

The Greyhounds enjoyed a 53-12 victory over the Hawley Bearcats on September 5, and downed Seymour last Friday night 33-15.

The annual game between Knox City and Munday is always of extreme interest to local fans. This year these two fine teams are in different districts, so the game will not be a conference battle.

COACH LOWREY COMMENTS
Many times the difference in winning or losing is what seems like some small insignificant things when they happen, but when you go back and re-evaluate when it is all over, these things can mean that difference.

A penalty at the wrong time, a fumble, and poor execution can be real costly. I felt we had numerous opportunities to win the ball game, and played well enough offensively to have won, but there was always a mistake at the wrong time.

I was more concerned about our break-downs on defense and several critical situations. We had a definite break-down, that is somebody not doing their job properly, which proved to be very costly for us. It seemed everytime a defensive mistake was made by the

First Cotton Ginned

Ginning operations for the Munday area got under way last week when Knox Prairie Seeds, Inc., ginned its first bale of cotton of the season on Friday, September 12. This came a few days earlier than last year, the Rhineland gin having ginned its first bale on September 28, 1979.

This first load of cotton was brought in by Bill Myers, who farms the Cooksey place, north of Gorce. He covered more than 20 acres to gather enough for his first bale, which is an indication of what the drought has done to dry land farming in this section.

Joe Decker, manager of the gin, said this cotton was in poor condition when received, as it had been harvested a little too soon after defoliation had been applied.

"I hate to tell you just how many pounds were on that trailer," Joe said, "but we ginned out a 530-pound bale. The cotton was wet and had to be run through the suction twice in order to dry it out properly. Since this was the first bale, our seed rolls were empty and had to be filled before seed began coming through. We can only estimate that around 1,000 pounds of seed were ginned out."

Decker said that all new cleaning equipment was in process of being installed and had not been completely adjusted when the cotton was ginned.

We expect to receive several other bales within the next ten days, Decker reported. Several farmers have already applied acid to their crops, but it takes about a week or ten days before the leaves are completely killed and dried. Larry Smith is expecting to bring a load to the local gin within a few days.

Weinert Homecoming Plans Are Finalized

Plans are complete and the date for Weinert Homecoming is set for Saturday, October 4, 1980.

Registration will begin at 9:00 a.m. and continue until 2:00 p.m. The program will be held in the high school beginning at two o'clock.

Classes will be recognized at the afternoon program and other special activities are planned. Zanell Franklin of Munday, will sing several selections.

There will be a catered meal by Joe Sanderson of Graham. The delicious meal will be served at 5:00 p.m. in the school gym. Mr. Sanderson catered the meal for the last homecoming and everyone enjoyed it tremendously. Tickets can be purchased

in any way, to take away from them. We were fortunate in that no one was injured. Hopefully, Lester Adams will be back close to full strength in the game this week.

The coaching staff felt that the mistakes which were made came as a result of in-experience, rather than attitude and desire.

This week's opponent is Knox City and they will be extremely tough. They have some outstanding personnel. I characterize them as being a "big play" team offensively - the long run, long pass, etc.

The Greyhounds have a combination of speed, quickness and size. The Moguls will have to play their best game of the young season to win this one.

There is always something about the game with Knox City that brings out the best in the Moguls. We are looking forward to it. We invite all the Munday fans to make the journey to Knox City and support the Moguls.

City of Munday Hires Law Firm To Collect Delinquent Tax

The City Council of the City of Munday met at 7:30 p.m. on September 9, 1980 at the Munday City Hall in regular session.

Members present: Mayor James W. Reid and Aldermen M. M. Booe, Donald Hobert, Larry Smith, A. Dale Selzer and Ray Lynn Hardin.

Members absent: None. Mayor Reid called the meeting to order. Minutes of the August 12, 1980, regular meeting were read and approved with no alterations.

Mayor Reid called for a public hearing as required in regard to an application presented at the August 12, 1980 meeting from Gary and Paula Schur. The annexation application would extend the Munday city limits by adding a 150 ft. x 150 ft. tract adjacent and west of the Golden addition, north of the U. J. Bellinghausen tract and being out of the SE part of the west 160 acres of section 74, block 2, D & W R. R. Company survey, town of Munday, Knox County, Texas. (full text and description in cities annexation files.)

County Youth Building To Become Reality

The meeting on Monday night at Knox County Courthouse to discuss the possibility of constructing a county livestock building was deemed a success by those in attendance.

The green light is on for such a building and officers were elected at the meeting, with executive officers to be named soon. The group will be known as Knox County Youth Building Committee. They will be in the process of securing a charter to determine them as a non-profit organization.

Contributions were received from a number of people present in order for the funds to be available for the preliminary expenses for such a charter etc. Donations will be received and appreciated at any time from now on.

Stanton Brown of Benjamin, was elected chairman, Randy Jones of Gorce, vice-chairman, Bob Cude of Gorce, treasury, and Jim Mazurkiewicz, County

Agent, will serve as secretary. Executive officers will be selected from Munday, Rhineland, Knox City, Vera, Truscott, and Gilliland. This will enable each community to be represented. Munday Ag teachers, Greg Rawdon and Jack Campsey, Knox City Ag teachers, Leon Burkam and Jim Dillion, Benjamin Ag teacher, Buddy Hale and Jim Mazurkiewicz, county agent, will all serve as advisors on this project.

Brine Control In Rivers Of Area Detailed

Don Sanders of the U. S. Corps of Engineers was guest speaker at Tuesday's meeting of the Munday Lions Club. Sanders is in charge of construction of two brine control projects on the Salt Fork and Red River basins. One of the brine control lakes is being constructed near Truscott, the other near Crowell. Photo slides of technical details of construction were shown and explained by the speaker. These consisted of several low flow dams, pipelines, and the two main evaporative ponds where

GOLF WINNERS in the golf scramble held Sunday at the local course are, from left: Wynette Moore, Bruce Burnett, Kelli Smith, Richie Smith, and Mary Smith.

Sunday Golf Scramble Is Fun, Excitement

Twenty-six golfers enjoyed the fun and excitement of another golf scramble, which was held last Sunday on the Lake Creek golf course.

A sort of one-sided family affair was an oddity of the winning team that had a low score of 65. Heading the team were Richie Smith; his wife, Mary, and their daughter, Kelli. Others making the team were Bruce Burnett and Wynette Moore.

Taking second place with

a score of 66 were Jack Nuckols, Dean Nuckols, Marion Waggoner, Stacia Cook and E. B. Littlefield.

Third place winners were Ed Jettison, Jo Ima Hill, Dale Shumate and Oscar Cyper with 67.

Fourth place went to Wayne Zeissel, Barbara Ratliff, Alvin Michalik and Rhoades Allen, also with 67.

Completing the flights were Bully Ratliff, J. Weidon Smith, Barbara Zeissel and W. R. Moore, also scoring 67.

dent's stand right after compromise talks failed. Reagan said: "I am sorry and I am angry..." and that's good for Carter's campaign. The madder Reagan gets, the more often he will stick his foot in his mouth - and we've never heard of anyone being elected to office by making apologies for stupid remarks!

Home Receives Damage

Munday Firemen were summoned to the residence of C. E. Searcey shortly before 10:00 p.m. on Sunday night, September 14. Faulty wiring or a wiring disconnect was determined as the cause of the fire which started in the attic of the house. Firemen had to enter through the roof in two different locations. Damage was necessarily caused by the fire fighters in entering, but Mr. and Mrs. Searcey had nothing but praise for the volunteer

firemen. They said, "We have only a small amount of water damage to our home. This is solely because these men knew what they were doing and how to do it, and we appreciate them so much."
The complete extent of the damage moneywise is not known at this time, but this family realizes it could have been so much worse had it not been for the efficient performance of the local firemen.

CITY HIRES

x regular rate. Hardin seconded. All in favor.

The one day ambulance stand by by Gene Nix on Fridays was discussed. Since salaries have been raised since the ambulance service began, Selzer moved that \$30.00 per Friday be charged for stand by. Smith seconded. All for.

A letter was read from College Station in regard to an industrial development three day school November 18, 19 and 20th. The administrator is to talk with Gary Schur in regard to this school to see if anyone might go.

The Council next examined the annual report to the City of Munday on operations of the Munday Housing Authority for fiscal year 1980. After examination of the report signed by Jeannie Carden, executive director and J. H. Amerson, chairman of commissioners of the Munday Housing Authority, Smith moved the fiscal year 1980 annual report of the Munday Housing Authority be approved (full text to be filed in City files under Munday Housing Authority). Hardin seconded. All members voted for.

Keeping two notaries at City hall was discussed since costs have risen, Selzer moved that the City fund only the office secretary considered full time. Hardin seconded. All for.

A report was given by City administrator Hertel, in regard to recent telephone conversations with the Corps of Engineers. A call from the Colonel's office advised we should have a

reply in regard to possible floodwater inflow into the drainage ditch being improved. No promise of fund availability was made, however, a report should be received in two to three weeks which should outline Corps recommendations.

Selzer moved that the \$16,000 budgeted for street paving be set aside in a special C. D. to be used for street seal coating next summer as soon as funds are available. Hobert seconded. All for. (other budgeted transfers have been made).

Booe moved bills be paid as follows: From Airport Funds, \$44.50; Ambulance funds, \$208.45; Swimming Pool funds, \$20.88; Operating funds, \$14,534.60. Smith seconded. All for.

Mayor Reid set all night Council meetings at 8:00 p.m. until further notice.

Hobert moved for adjournment. Hardin seconded. Carried.

1980 Sales Tax Rebate For Munday Exceeds 1979 Amount

Munday received \$3,630.26 in sales tax rebates for this payment period. This makes a total of \$35,104.95, compared to \$28,817.41 for the same period in 1979, an increase of \$6,187.54 over last year.

Knox City received \$3,186.57 for the payment period ending September 4,

This past week, the different classes have been cleaning around the playground and also the Ag Shop. The Ag IV class built a tow bar last Friday. We also helped in putting up new lights for the football stadium.

This Saturday, September 20, is Haskell Fair time.

Allan Heard will be showing his lambs.

Greenhand officers for this year are: Troy Oxford, president; Toni Benson, vice-president; Kim Conner, secretary; Lori Griffith, treasurer; Troy Pratt, reporter; and Debra Wind-lawn, sentinel. Gail Culifer will be acting advisor for the Greenhand Conducting team.

CARNIVAL PLANS

Plans have been made for the Halloween program and carnival. Committees have been set up. A large number of adults have volunteered for the necessary "jobs" and details will be worked out in the near future. This will be held in late October.

P.T.O. MEETS

The Benjamin P.T.O. sponsored a covered dish picnic at the Benjamin Memorial Center on Thursday, September 4.

The food was delicious, the atmosphere was nice and cool, and they had a good turn-out, for this first meeting of the year.

Members were given a progress report on the school playground by Kenneth Roberts, superintendent of schools. The P.T.O. voted to add two more see-saws for the playground. Two have already been purchased by the Benjamin Spring Chickens Extension Homemakers Club.

The P.T.O. also appointed a committee to draft a letter to the district office of the Highway Dept., asking that something be done about the speeding traffic problem in front of the Benjamin School that resulted from the removal of the red light at the intersection of U. S. Highway 82 and State Highway 6.

The next meeting will be in December. Benjamin Elementary will be asked to give the program.

WINS CONTEST: Marti Ann Coleman, daughter of Mr. and Mrs. William Powell of Snyder, was winner of a Jerry Lewis Muscular Dystrophy contest. Marti collected \$105 for the charity and received as her prize a watch. She attended Munday Elementary School and is the granddaughter of Martha Franklin and great-granddaughter of Jimmie Bullington.

salt water is held for evaporation.

Around 3,600 acres of land was purchased for the project, which Mr. Sanders stated would cost around \$49 million.

He said that 97% of water going into Lake Texhoma is bad, and when the projects were completed it would be 94% good water. A 42-mile pipeline to the evaporative ponds and a pump station have been completed.

The Truscott Lake is to control Wichita River water that flows into Lake Kemp, but water from Kemp and Lake Wichita eventually flows into Lake Texhoma, he said.

Sanders estimated these projects would be completed within the next four years.

The Courier has Eaton stationary in stock.

Two Annual Meetings Set By Farm Bureau

Knox County Farm Bureau will hold its Policy Development meeting on Tuesday, September 23, at 7:30 p.m. in the county office located in Munday. All agriculture producer-members are urged to attend and participate in this year's policy development.

The Knox County Annual Convention is scheduled for Saturday, September 27, at 6:30 p.m. at Munday High School. Members need to contact the county office for free tickets to the barbecue supper and events to follow.

At the Policy Development meeting, critical issues in the coming months pertaining to farmers and ranchers will be discussed.

Of importance to members will be the type of farm programs going into effect in 1982. Federal crop insurance will also be a big issue to be solved.

Discussion will be given to amendments to the Property Tax Code which land-owners saw go into effect last year. Farmers have a lot at stake in this issue.

Subjects covered will be how farmers and ranchers will be affected by federal monetary policies, whether

or not government spending can be slowed and the budget balanced, and whether or not taxes can be cut.

Other issues include government regulations, national health insurance, intrastate truck de-regulation, farm worker union legislation, and agricultural research funding.

Local Business Closes After 41 Years

Because of illness, Mrs. Pauline Morrow shut the doors on her Munday business, Morrow Feed and Ice, last week. She is not physically able to continue the operation of the store and was advised by her physician to close.

This ends a tenure of 41 years for Mrs. Morrow. In her words, "It's hard to do, but I know I must stop."
She and her husband, R. T. (Red) Morrow, opened a produce business in Munday in 1939. He passed away in 1972 and Mrs. Morrow continued alone. The business has been at the present location for the past 30 years.

The Morrrows dealt in eggs, cream, chickens, and other produce when they first opened. Mr. Morrow also had a wholesale milk route to surrounding towns through the years. As years passed and times changed, the Morrrows changed their business accordingly.

Most people referred to the Morrow business as the "ice house", even though feed, candy, cold drinks, ice cream, and other numerous items could be purchased there.

Two years ago Mrs. Morrow changed over to selling bagged ice. Before this, the ice had been delivered from Abilene in block form and she sold it in block or crushed it herself. This conversion made her job a bit easier as far as ice sales were concerned.

Mrs. Morrow was reared in Munday. She is the daughter of Mrs. Emry Mullican and the late Mr. Mullican.

She expressed her appreciation for the Munday and area people's patronage through the years. She said, "I have made many friends through the years and have enjoyed being in business here."

This year the American Lung Assoc. is sponsoring 46 research grants to find out more about our lungs and how they work.

MR. AND MRS. GARY KEITH TIDWELL

Candlelight Ceremony Unites Couple In Marriage At Bovina

Miss Lezi Ann Williams and Mr. Gary Keith Tidwell were united in marriage in a candlelight ceremony on Saturday, September 6, 1980 in the First Baptist Church of Bovina. Officiating was Reverend Jerry Rockwell. Mr. and Mrs. Tommy Williams of Bovina are parents of the bride and the groom is the son of Mr. and Mrs. Garon Tidwell of Munday. Given in marriage by her

father, the bride wore an off the shoulder gown of white chiffon enhanced with Venetian lace and a matching waist length veil. The bride's gown was something new; something old was her maternal great-grandmother's wedding band; she carried an ivory lace handkerchief borrowed from her aunt; and she wore the traditional blue garter. She carried a bridal bouquet of burgandy roses and pink carnations.

Kathy Williams of Bovina, sister of the bride, was maid of honor. Bridesmaids were Linda Gail Tidwell of Munday, sister of the groom, and Kim Drinnon of Haskell. They wore pale pink spaghetti strap gowns with pleated skirts and matching overlays.

Registering the guests was Connie Stewart of Knox City. Candlelighter was Darrell Bradshaw of Lubbock, cousin of the bride. Playing the piano and singing the selections, "Evergreen" and "The Wedding Song", was Ginger Glasscock of Bovina.

Steve McPherson of New Home was best man. Groomsman were Jack Foote of El Paso and Bill Stewart of Knox City. They wore burgandy tuxedos.

Ushers were Barry Thewanger of Munday, Jerry Don Hudgens of Weiner, and Rod Townsend of Rochester.

Following the wedding ceremony, a reception was held in the fellowship hall of the church.

The bride is a 1977 graduate of Bovina High School and a 1979 graduate of Lubbock School of Vocational Nursing. The groom is a 1974 graduate of Munday High School and a 1979 graduate of Texas Tech University with a Bachelor of Science Degree in Agriculture Education.

After a wedding trip to Albuquerque, New Mexico, the couple will reside in Munday where they will be engaged in farming.

Knox Senior 4-H Club To Meet

The Knox County Senior 4-H Club will meet at 7:30 on Monday night, September 22, 1980 at the Knox County Courthouse in Benjamin.

This meeting will be for persons 14-19 and will have a number of important items to complete at this meeting.

All youth interested in the 4-H program and are between the ages of 14 and 19, please make a special effort to be present.

FIVE GENERATIONS are represented in the photo above. In the front row holding Nathan Urbanczyk, is his great-grandfather, Ford Waltrip of O'Brien, and seated next to them is great-great-grandfather, W. F. 'Pa' Waltrip of Knox City, who recently celebrated his 101st birthday. Standing in the back to the left is his mother, Cheryl (Hill) Urbanczyk of Munday, and on the right is his grandmother, Margaret (Waltrip) Hill of Munday.

Celebrates Birthday

Mrs. G. R. Eiland, long-time and beloved resident of Lamesa.

The beautiful birthday cake, decorated in white, yellow and green, had 91 candles on it. It was made by her granddaughter, Jan Cayton, and a friend, Darnell King, of Seminole. Mrs. Eiland's daughter, Barbara Walker of St. Louis, Mo., and her granddaughter, Kay Meyer of Columbus, Mo., called to join in wishing her a happy birthday.

The party was attended by her children, George and Velma Eiland and Jim and Maxine Grammer of Lamesa.

Grandchildren present were: Randy and Carol Eiland of Lamesa, Nelson and Jan Cayton of Seminole, Bill and Phyllis Hill of Hart, Jerry and June Chapman of Seminole, and Jane Merriek of Lamesa.

Great-grandchildren included Shanena and Shad Eiland of Lamesa, Jan and Steven Cayton of Seminole, Tony Fikes of Hart, Susan and Cheryl Chapman of Seminole, Mike

and Melissa Burkett of Lamesa.

Applications now being taken for a site manager to work with the senior citizens food program. The manager would be working with volunteers serving food at the Munday Community Center.

Details and application forms may be obtained from Mrs. Jeanie Carden at Munday Community Center.

SMALL GRAINS NEED FALL NITROGEN

Applying nitrogen for small grains this fall will be important.

Four important reasons why wheat and other small grains need nitrogen at planting or a short time afterward:

- aid in development of good root system.
- for early grazing.
- to hasten decomposition of excess residual straw, and
- for high production of forage and grain.

Sufficient fall growth for early grazing cannot be expected without adequate nitrogen at planting. The advantages of early planting and favorable fall growing conditions can be lost if nitrogen fertilization is delayed until the condition of the stand can be determined. Establishing a good uniform stand requires nitrogen, and most soils are deficient in this nutrient.

To meet nitrogen requirements during the fall growing period, producers can apply the total requirement before planting on heavy textured soils or can apply a small amount at planting followed by top-dressing soon after planting.

Of course, fall nitrogen fertilization is also affected by the amount of straw from the previous crop. The bacteria and other microorganisms needed to decompose the straw require nitrogen and can use that already in the soil as well as

that applied, thus reducing the amount available during the fall.

The general rule in applying nitrogen has been to increase the rate about 20 pounds per acre for each ton of undecomposed straw. However, a portion of this

nitrogen is recovered during the final stages of decomposition so that as much as half of this may be available during the spring months. This means that about half of the "extra" nitrogen could be deducted from the late winter topdressing.

DOING YOUR OWN MINOR HOME REPAIRS

Wish you could do your own minor home repairs? Maybe you can - many homemakers are reporting success in learning these skills. They're also saving money and time, along with cutting down on the frustrations of trying to hire repairmen. Even novices can do many household improvement, maintenance and repair jobs.

CONSIDERATIONS
Before trying to tackle a project, consider these factors:

Do you have time to do the job?

Do you have the necessary tools and supplies on hand?

Can you rent, improvise or buy the needed tools, parts and supplies?

Are you physically able to do the work? (Usually you won't need great strength, just stamina.)

Do you have the interest and patience to study a problem and devise a

workable solution?

Also, compare costs of a do-it-yourself job versus hiring a professional.

Professional fees usually include a basic service-call charge, an hourly labor charge, and a parts and supplies charge. In some cases it's wise to ask for an estimate.

TOOLS - BASICS, QUALITY

If you decide to go ahead yourself, pay special attention to tools. In buying tools, start with basic tools. Buy tools of good quality - "premium" tools are not necessary, but make sure they are good-quality.

Very cheap tools often are unsatisfactory, especially edged tools, such as saws and chisels, because the edges dull rapidly or chip and break.

In selecting basic tools and supplies, be sure to insist on adequate quality for your needs.

You can always rent costly tools that you'll use only occasionally.

Then keep your tools in good condition so they are ready to use. For example, the teeth of a crosscut saw should be nearly as sharp as a needle, chisels and plane irons should be nearly razor sharp.

If you lack the know-how or the equipment to sharpen tools, have a skilled craftsman do it for you.

ORGANIZE TOOLS
In addition, well-planned storage space protects your tools and supplies and makes them easy-to-find, grasp and remove.

Store tools safely, both to avoid damaging the tool and to avoid injuring yourself.

Read the instruction booklets and information labels that come with tools and supplies. File them for future reference.

Plan a definite storage space for all warranties, service contracts, specification sheets, replacement part lists and special instruction on use, repair and maintenance.

Include the make, model, serial number, date of purchase, and service record of all equipment in your files.

GREG BIRKENFELD was photographed as he showed his black Angus heifer at the West Texas Fair in Abilene. Greg purchased this calf with winnings from catching a calf in the Calf Scramble at the fair last year.

PROUD AS PUNCH is Lissa Brown as she shows her Angus heifer at the West Texas Fair in Abilene. Lissa participated in the Calf Scramble last year and caught a calf. She purchased the calf with the earnings plus some funds of her own, fed it out, made reports and then went to "show it off" this year.

Local FFA Members Show "Calf Scramble" Calves

Lissa Brown and Greg Birkenfeld showed their heifers at West Texas Fair in Abilene recently. Lissa won a fourth place and Greg placed ninth.

These were Angus calves the two young people purchased after having caught a calf at the West Texas Fair last year and winning \$200.00 each to buy a calf.

Lissa and Greg put necessary funds with the winnings and purchased their calves from C. W. Curtis, breeder at Baird. Mr. Curtis showed an interest in the project and was present at the fair to "root" for the two Munday FFA members. He was real pleased with their accomplishments.

After purchase, the work began. Reports were filed every two months throughout the year, with the Calf Scramble office of the West Texas Fair. They were also required to file a report with their advisor, Mr. Jack Campsey. In regards to these reports, Mr. Campsey stated, "I was real proud of Lissa and Greg on this project. They were both very prompt with their reports and accepted the responsibility of feeding out their calves. This was a real fine learning experience for both of them."

Lissa plans to show her calf at the Haskell fair this weekend, at Ft. Worth, Houston and the Knox

County show. Greg will show his at the Knox County show.

With the experience gained from keeping records and taking care of their animals, Lissa and Greg now have a fine Angus heifer each to do with what they want. They will have a good return on their money whatever they decide to do.

County Meal Program Off To Good Start

The Senior Citizen Meal Program funded through a grant from the West Texas Council of Governments Area Agency on Aging with Texas Governor's Committee on Aging, is more or less in full swing at the present time.

The Center is located in Knox City and began serving meals on Tuesday, September 2. On Monday, September 8, the day of their grand opening 108 people were served. However, on "normal" days they have not served under 52 people each day.

Mrs. Lillian Logan, Knox County program coordinator, stated that she and the other staff members are very pleased with the response in the program thus far. While preparing the center to open "for business" in Knox City, Mrs. Logan has also been working with the other towns in Knox County. "This is a County-wide program and we have been busily laying the ground work for meals to be served in Munday, Gorse, Truscott, Benjamin, Gilliland, and Rhineland," she said.

The status of Munday progress at the present time is such that a serving place, Munday Community Center, has been obtained for possibly Monday, Wednesday and Friday of each week. The food will be catered from the kitchen at Knox City and served to the people at the Community Center. No plans are being made to take plates to individual homes. However, it is hoped that friends and volunteers will appoint themselves to do this for people who are absolutely physically unable to come to the building. Mrs. Logan said, "We are encouraging everyone who is able to come to the building to do so

meals catered twice weekly. Details of Site managers, etc., are being worked out in these towns.

The preliminary work has been completed in Rhineland. The meals will be carried to the Columbus Hall. A site manager is being obtained and volunteers will be needed.

In connection with volunteers, Mrs. Logan commented, "We are so very interested in including as many people in the volunteer program as possible. We prefer enough volunteers to be involved, both women and men, that we might use them on a rotating basis."

Mr. and Mrs. Aaron Edgar visited relatives in Lubbock last Friday night and Saturday. They attended the annual Bridge family reunion, held this year at the First Federal Savings and Loan Association building. Around 80 members were in attendance.

WINCHESTERS

TAKE TRIP

By DEBBIE VALENCIA and JAMIE VELA
Summertime is usually the time teachers use to rest and relax. Mr. and Mrs. Winchester took the opportunity and spent three weeks in Gunnison, Colorado. They traveled by a self-contained trailer.

They parked the trailer at the National Forest. They toured several mountain passes which were: North Cochetopa Pass, Cumberland Pass, Cottonwood Pass, and Monarch Pass. They also toured the Taylor Reservoir, Alpine Tunnel, Blue Mesa, and visited the Fisherman Inn.

They attended a session of the famous Rocky Mountain Biological Laboratory School, an exhibit of making and shaping bread conducted by an Amish family in Gothic, Colorado, and Nationally Recognized Fire Works Exhibition held on July 4th, which was narrated by the President of Western State College.

They also attended a 100 year celebration in Crested Butte. The most enjoyable thing about the trip was the coolness. Mr. Winchester informed us that the low temperature was 39 degrees and the highest was 80 degrees, which was a big difference from the temperature in Texas.

They were joined by their granddaughter, Amanda, and their friends from Haskell.

NEW STUDENT

By SHARI OFFUTT & JOHN MYERS

We have a pretty new face walking around M.H.S. this year. I'm sure you have noticed her, but have you spoken to her?

In case you haven't, her name is Leslie Barber. She is sixteen years old and is a junior this year. She moved from Dutch John, Utah and attended school at Manila High.

Her parents are Sandy Christensen of Munday, and E. B. Barber of Dutch John, Utah. We all hope she enjoys attending Munday High.

LIBRARY NEWS AND NOTES

The Munday High School Library is in the process of cataloging and organizing their collections. Several students have been selected as staff members and will work each day during their study hall. These students will receive a credit on their high school record for these services.

Several book cards are on file for students who graduated in the past several years but failed to turn in their books. These books are very expensive to replace and sometimes are even out of print. Therefore, if any of the readers come across books in their home belonging to the school or public library, please drop them by the school office or library.

We have found several

copies of encyclopedias in our library that don't belong here. Check your encyclopedias and if you have one or more missing, contact the high school library to see if one of them is yours. We will need to know the name, copyright date, and volume of your missing encyclopedia.

If there are interested citizens who have a few hours of spare time a week and would like to help out in the High School Library, contact Karen Longan. She would like to organize a volunteer library staff in Munday of people who could come an hour or two per week on a regular basis to assist in the reorganization of the library.

NEW FACULTY

By BELINDA STONE

Ben Hoaldrige is the new band director at Munday this year. He is formerly from Burleson, Texas, and attended Cisco Junior College and Midwestern State University.

Mr. Hoaldrige said that he was impressed with the program Munday has and that he is happy to be a part of it. He commented that the band was improving every day, even though it is hard to adjust to a new director. The one goal that the band will be working on this year is to build a highly respected musical organization, not only in Munday, but throughout our region and state.

Mr. Hoaldrige's hobbies include archery, hunting, bowling, watching the Dallas Cowboys and the Houston Oilers. When asked what types of music he enjoys, he stated, "Being a music teacher, you cannot be closed-minded to

any one form. I need to be able to teach all types." He has a rather large record collection at home covering all forms from C & W to hard rock, from jazz to classical, from pop to soul, and from band to choir music.

"A musician can learn something from any song. Most people do not like classical music, but it is a very complex music and for this reason, very difficult to understand. This is also why so many people like C & W and rock music. They are simple forms of music with lyrics, and are easy to understand.

Jazz is his favorite because it is one of America's only true art forms. It comes from the body and soul, and is made up on the spot in a lot of cases. Everyone needs to learn to appreciate all forms, for as with everything there is good and bad within each form."

Mr. Hoaldrige said, "I was really proud of the Mogul win against Anson. They played really well. We have a great group of boys for them to work with. Win or lose, I know they will always do their best."

MOTLEY COUNTY DEFEATS ROCHESTER

The Motley County Matadors took the Rochester Steers to task Friday night at Motley County for a one-sided score of 32 to 6.

The first period went scoreless, but the Matadors broke loose in the second, and were never caught. They chalked up 317 yards

The Wildcats opened the scoring in the first quarter to close a 53-yard drive. A Throckmorton fumble on the 21-yard line set up another score, and others came on a 23-yard run, and a pass, McCord to Hubbard for two-point conversion.

The teams were scoreless for almost two quarters, then the Wildcats' broke loose again. The Wildcats ground out 317 yards to Throckmorton's 103.

KNOX CITY WINS OVER SEYMOUR

The Knox City Greyhounds ate up yardage on

Panther Field Friday night to down the Seymour Panthers to the tune of 33 to 15.

Knox City scores came in the first, second and fourth quarters. Seymour scored in the third and fourth quarters, with a 2-point run contributing to their 15 points. Knox City added two more in the final period.

Knox City of 8-AA is now 2-0, while the Panthers remain winless in 7-AA.

GOREE WINS OVER NORTHWEST EAGLES

The Goree Wildcats opened their 1980 season Friday night by hosting the Northwest Eagles and racking up a 42 to 14 score during the evening.

A 20-point explosion in the second period overcame a Northwest 7-6 lead in this six-man game.

Scoring for the Wildcats were Joe Bob Gray, Roman Ariesmendez, and Sammy Tyra. Northwest scored on a pass, Joe Lancaster to Steve Page. Richard Dean ran over for one, and Tim Rhodes kicked a 2-point conversion.

Marketing costs, led by labor, continue to boost food prices, which may be up 10 to 12 percent by late 1980 compared to a year ago. Labor's share of the retail food dollar will be more than that of the farmer in 1980 - 32 cents compared to 30 cents, says an economist with the Texas Agricultural Extension Service, Texas A&M University System.

The rest of the food dollar goes for the following: 9 cents for packaging, 5 cents for transportation, 4 cents for pretax profits and 20 cents for other costs, such as taxes, depreciation, rent, energy and interest.

Haskell County Fair This Week

The 15th annual Haskell County Fair will bring a flurry of activities to the Haskell area this week, September 18, 19, and 20.

Regular fair activities will begin at 9:30 Thursday in the exhibit hall with the judging of all exhibits. Beef Cattle and Rabbit Judging are scheduled to begin at 1:00 p.m. Saturday.

Other fair festivities will include the Queens Contest Thursday at 7:30 p.m.; and entertainment by a Country and Western Band Friday from 7:30 until 10:00 p.m. as well as an old fashioned Gospel Singing and Quartets Saturday evening, 7:30 to 10:00.

A prize drawing for \$100.00 will be featured each night, Thursday through Saturday, at 10:00 p.m.

Haskell County Fair President Billie J. Ray urges everyone to come out and enjoy the fair. "I think you'll find we have something for everybody!"

Mrs. Kiser Wins First In Sr. Barrel Racing

Mrs. Sharron Kiser of Munday, steered her horse, Lady, around the barrels at a pace that brought her first place in the Senior Barrel Racing at the Quarter Horse Show of West Texas Fair in Abilene. This was the largest Quarter Horse Show ever staged at the West Texas Fair.

This event is just another in a long list of barrel racing events, that Mrs. Kiser enters during the course of a year. She participates in all the area rodeos.

Her mare is American Quarter Horse Association registered. In the Abilene contest, only registered animals could be entered. Lady was the 1973 Novice Horse Champion and has since placed Sharron in

Open Standing every year. Mrs. Kiser has been a member of West Texas Barrel Racing Association, Inc. for nine years. She has

served as director for five years. She was also president of the association last year.

Having ridden and rodeoed since she was twelve, Mrs. Kiser continues to love the sport. She also spends time training horses to sell.

She and her husband, Steve, and their children, April and Dustin, live southeast of Munday.

SAN JACINTO BATTLEFIELD
Four miles west of this intersection is Battlefield Road, entrance to the San Jacinto Battlefield. Here, after an exhausting march from Gonzales, following the Battle of the Alamo, about 600 Texans under General Sam Houston, routed the Army of Santa Anna, numbering over 1,300 men. It took place on April 21, 1836 and lasted only 16 minutes. There were 630 enemy dead, 200 wounded among the 730 taken prisoner. Texas lost 9 dead and 30 wounded. One of the world's greatest victories. It gave Texas her Independence and with her annexation 9 years later, brought into the Union all or parts of Arizona, California, Colorado, Kansas, New Mexico, Nevada, Oklahoma, Utah and Wyoming.

AVISO PUBLICO
Breves Declaraciones Explicativas De Las ENMIENDAS CONSTITUCIONALES PROPUESTAS ELECCION GENERAL 4 DE NOVIEMBRE DE 1980

PROPOSICION NO. 1 EN LA BOLETA
Resolución Conjunta #35 del Senado propone una enmienda constitucional que autorice a la Legislatura permitir a los bancos establecer y operar máquinas registradoras automáticas (teller machines) dentro del condado o ciudad en donde están los bancos compartiendo el uso de las máquinas registradoras de acuerdo con las leyes antimonopolistas, si acaso esta operación resulta conveniente para el público. La Legislatura ya aprobó la autorización de esta legislación (H.B. 1510) para la proposición de esta enmienda.

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional permite a la Legislatura autorizar que los bancos usen máquinas registradoras automáticas (teller machines) dentro del condado o ciudad de su domicilio en un plan de cooperación para conveniencia pública."

PROPOSICION NO. 2 EN LA BOLETA
Resolución Conjunta #97 de la Cámara propone una enmienda constitucional que conceda al Estado y al acusado el derecho de una apelación interlocutoria en los siguientes fallos de la corte en causas criminales: los fallos antes del juicio sobre la constitucionalidad de una ley; sobre la petición para anular, destituir, o desear una acusación; y sobre una petición para suprimir la evidencia.

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional autoriza la apelación de ciertos fallos antes del juicio de una corte en una causa criminal por el Estado o por el acusado."

PROPOSICION NO. 3 EN LA BOLETA
Resolución Conjunta #98 de la Cámara propone una enmienda constitucional que requiera una evaluación de todos los bienes sujetos a los impuestos de ad valorem y proveerá un sujeto a las condiciones y

limitaciones proveidas por la ley y sujeto a la aprobación de un comité ejecutivo del presupuesto que constará del Gobernador, Gobernador Teniente, Presidente de la Cámara de Representantes, Presidente y Vice-presidente del Comité de Finanzas del Senado, y Presidente y Vice-presidente del Comité de Asignaciones Fiscales de la Cámara de Representantes.

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional concede al Gobernador el poder para ejercer control fiscal de los gastos de los fondos asignados según la ley."

PROPOSICION NO. 6 EN LA BOLETA
Resolución Conjunta #8 del Senado propone una enmienda constitucional que permita al Gobernador remover a un oficial de su cargo aunque este haya sido previamente nombrado por el Gobernador y confirmado por el Senado. El remover al oficial será únicamente bajo el consentimiento del Senado, y si la Legislatura no está en sesión, se convocará una sesión extraordinaria del Senado, la cual no durará más de dos días, para considerar la eliminación del oficial en caso.

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional autoriza que el Gobernador remueva a los oficiales nombrados bajo consejo y consentimiento del Senado."

PROPOSICION NO. 7 EN LA BOLETA
Resolución Conjunta #121 de la Cámara propone una enmienda constitucional que autorice a los condados con una población de 5000 o menos, que construyan y mantengan caminos privados cobrando razonablemente por el trabajo. Por ley, la Legislatura puede limitar esta autoridad. Los ingresos recibidos por trabajo en caminos privados se pueden usar solamente para construcción, para adquisición de derecho de paso, o para el mantenimiento de caminos públicos.

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional autoriza que los condados con una población de 5000 o menos trabajen en caminos privados."

PROPOSICION NO. 8 EN LA BOLETA
Resolución Conjunta #36

PUBLIC NOTICE
BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOVEMBER 4, 1980

PROPOSICION NO. 1 ON THE BALLOT
Senate Joint Resolution 35 proposes a constitutional amendment that would authorize the Legislature to permit banks to establish and operate unmanned teller machines within the county or city where the banks are located and to share the use of teller machines on a basis consistent with anti-trust laws, if it finds such operation will serve the convenience of the public. The Legislature has already passed enabling legislation (H.B. 1510) for this proposed amendment.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment permitting the legislature to authorize banks to use unmanned teller machines within the county or the city of their domicile on a shared basis to serve the public convenience."

PROPOSICION NO. 2 ON THE BALLOT
House Joint Resolution 97 proposes a constitutional amendment that would grant the State and the accused the right to an interlocutory appeal from the following trial court rulings in criminal cases: pretrial rulings on the constitutionality of a statute; on a motion to quash, dismiss, or set aside an indictment; and on a motion to suppress evidence. The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing appeal of certain pretrial rulings of a trial court in a criminal case by either the state or the accused."

PROPOSICION NO. 3 ON THE BALLOT
House Joint Resolution 98 proposes a constitutional amendment that would require a single appraisal of all property subject to ad valorem taxation and would provide for a single board of equalization within each county. The constitutional requirement that the county commissioners court sit as a board of equalization would be eliminated, and elected officials of the county or governing body of the taxing unit would be prohibited from serving as members of the board of equalization.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment requiring a single appraisal and a single board of equalization within each county for ad valorem tax purposes."

PROPOSICION NO. 4 ON THE BALLOT
Senate Joint Resolution 18 proposes a constitutional amendment that would allow the Legislature to authorize the conduct of bingo games by certain specified groups for charitable purposes, subject to the limitations that operation of the games must be approved in local option elections and that all proceeds must be spent in Texas.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to authorize bingo games on a local option election basis if the games are conducted by a church, synagogue, religious society, volunteer fire department, nonprofit veterans organization, fraternal organization, or nonprofit organization supporting medical research or treatment programs and if the proceeds are to be spent in Texas for charitable purposes of the organizations."

PROPOSICION NO. 5 ON THE BALLOT
House Joint Resolution 86 proposes a constitutional amendment that would allow the Legislature to exercise fiscal control over the expenditure of certain appropriated funds, subject to any conditions and limitations provided by law and subject to the ap-

proval of a budget execution committee that would be composed of the Governor, Lieutenant Governor, Speaker of the House of Representatives, Chairman and Vice-chairman of the Senate Finance Committee, and Chairman and Vice-chairman of the Committee on Appropriations of the House of Representatives.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to grant the governor power to exercise fiscal control over the expenditure of appropriated funds as provided by law."

PROPOSICION NO. 6 ON THE BALLOT
Senate Joint Resolution 8 proposes a constitutional amendment that would allow the Governor who appointed a previously confirmed official to remove that official from office subject to the advice and consent of the Senate; and if the Legislature is not in session, to call a special session of the Senate which may last no longer than 2 days for consideration of the removal.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to authorize the governor to remove appointed officers with the advice and consent of the senate."

PROPOSICION NO. 7 ON THE BALLOT
House Joint Resolution 121 proposes a constitutional amendment that would authorize counties with a population of 5000 or less to construct and maintain private roads if they impose a reasonable charge for the work. The Legislature by general law may limit this authority. Revenue received from private road work may be used only for the construction, including right-of-way acquisition, or maintenance of public roads.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing counties with a population of 5000 or less to perform private road work."

PROPOSICION NO. 8 ON THE BALLOT
Senate Joint Resolution 36 proposes a constitutional amendment that would change the jurisdiction and authority of the State's appellate courts. The amendment would change the name of the Courts of Civil Appeals to Courts of Appeal and provide that these courts have intermediate appellate jurisdiction over both criminal and civil cases. The amendment would change titles for the Associate Justices of the Supreme Court to Justices and would require members of the Supreme Court to be attorneys licensed in this state while holding office.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to change the name of the Courts of Civil Appeals and the names and qualifications of the justices of the Supreme Court and to prescribe the jurisdiction and authority of the appellate courts."

PROPOSICION NO. 9 ON THE BALLOT
House Joint Resolution 54 proposes a constitutional amendment which defines separate property owned by either spouse as all property, both real and personal, of a spouse owned or claimed before marriage, and that acquired afterward by gift, devise or descent. Persons about to marry and spouses, without the intent to defraud pre-existing creditors, may by written instrument from time to time partition between themselves all or part of their property. Spouses may exchange a community interest in property owned or to be acquired for a community interest in other community property. The amendment would allow spouses to agree in writing that income or property arising from any separate property is to be separate property rather than as community property as it would be in the absence of an agreement. The amendment proposes that a gift from one spouse to another is presumed to include all income or property deriving from such gift.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment allowing spouses to agree that income or property arising from separate property is to be separate property."

Mrs. Lois Livingston of Seymour, Mr. and Mrs. Raymond Hargrove of Lubbock, Mrs. Arthur Hargrove and Ira Hargrove of Goree visited Oma Watson recently.

Tug and Agnes Nesbitt of Graham visited Mr. and Mrs. Haynie and Dr. Newson one day last week.

Mr. and Mrs. Curtis Seale and Ina Scarbrough visited Maggie Gunn and Minnie Brooks.

The residents enjoyed the time Helen Allen spent reading to them Monday afternoon.

The activities direction went Tuesday of last week at Abilene at an all-day seminar. These are always very informative, keeping us up-to-date on ways to better serve our residents.

We appreciate Pat Owens sharing a very inspirational devotional with our residents Tuesday morning; then, in the afternoon, Mrs. On Yost came to call bingo. The activities director appreciates the help given by the staff in helping Mrs. Yost during her absence.

Mr. and Mrs. Tony Hammons of Goree visited Aunt Kate Glasgow this week.

Peggy Joe Richmond was a recent visitor with her parents, Mr. and Mrs. Haynie.

Mrs. Ida Voss was returned from the hospital on Thursday morning.

Reports from the family of Nettie Blankenship are that she is doing better and may be able to return home soon.

Rose Marie Brown and Nell Porter had charge of the bingo games Thursday afternoon. We had more than usual playing, and everyone enjoyed the game and appreciated the prizes they won, since they are items that each one can use.

We all have missed Dr. Moylette this summer, but are so thankful she can be with her daughter, Noraline, in Wichita Falls.

Dean Feemster, director of nurses, attended a workshop in Abilene last Thursday.

Pat McCoy of Wichita Falls visited her mother, Willie Jacobs, this week.

It is good to have Marshall Benner back in the home for his regular visits. He had an accident and was not able to make his daily visits for awhile.

J. C. Watson visited his mother, Oma Watson, this week.

Rev. Woolley and a group from the Gillespie Church came to have Bible study with us Friday. We had a large crowd, and everyone received a blessing from the study.

We appreciate Mary Robertson coming over from Loving, Texas, to do hair this week. Our residents who have their hair done and their families express

thanks to Mary. We are also glad to have Bro. Tom accompany her.

Mrs. Floyd Kirk and Billie Jameson of Goree visited Mrs. Daisy Bates and Aunt Minnie Brooks on Saturday.

Cecil and Pauline Voss of Wichita Falls visited his mother, Ida Voss, on Saturday.

Dennis Watson and son, Johnie David, visited their grandmother, Oma Watson, Saturday afternoon. J. C. and Elizabeth visited Sunday.

Frank Wright went to church with Mrs. Tommy Crawford Sunday and spent the remainder of the day with them.

Lufana Eubank joined her daughter, Shirley, for a drive to Knox City recently, just to look at the crops and enjoy the scenery.

Jim and Maxine Grammer took her mother, Mrs. Eiland, to her home in Munday to enjoy the day with them and several of her grandchildren.

Anna Homer went driving with Alvin and Mag Michalik to Haskell and Stamford, then attended church services. Donna and two friends of Lubbock visited her on Sunday.

IN TOUCH

By KEITH DAVIS
FIRST BAPTIST CHURCH

A certain man moved into a new community. He did not fall among robbers, who both stripped and beat him and departed, leaving him half dead. He just moved in. And by chance a certain neighbor was going by this man's home, and when he saw him, he passed by on the other side, saying to himself, "I'm almost late now for my meeting at the church. If I stop to visit, I'll miss the opening prayer, and I do hate to be late. Besides, the pastor probably knows about him."

And in like manner also another neighbor, when he came to the place and saw him, passed by on the other side, saying, "So, they want us to visit new neighbors such as this one? Well, I don't believe in giving the impression that I'm a fanatic on religion. I'll just wait until the subject casually comes up some day, and then I'll say 'Pardon me, and please don't think I'm the type who goes overboard about such things, but if you ever get a chance, you might like to visit our church some Sunday when you feel like it and the children are not sick and you don't plan to go out

of town, or have company, and you get up in time." But a certain neighbor, as he journeyed that way came to him, and courteously welcomed him to the community and appropriately brought up the matter of his church life. He even offered to come by for him the next Sunday if he needed a way. So, the following Sunday he brought him to the superintendent of the Sunday School and said, "Take care of him during this hour by helping him find a class, and then I will meet him so that we may sit together during worship. And whatsoever service I may be, I will be glad to render."

Which of these three do you think proved himself a true neighbor unto him who had moved into the community?

Mr. and Mrs. Robert Tuggle and baby, Jennifer Louise, of Fort Worth, and her parents, Mr. and Mrs. Glen Jones from Wales, London, visited his grandmother, Mrs. Ben Tuggle, over the weekend. Others visiting in the home were Evelyn Elliott and Coy and Jauna Tuggle.

Notice
As most of you know, I closed my business this past week. I want to take this opportunity to express my sincere appreciation to all of my friends and customers throughout the past 41 years.
Your patronage and support has been most meaningful, and I will treasure the memories of friendships.
