**Look To The East**

By AARON EDGAR

Climb aboard the "memory train" with us! Let the little choo-choo take us back some three decades to events that are not pleasant to remember - except for the ray of hope that came later.

Polio. The word brought fear to our hearts, and despair to many if a patient was declared a victim of this dread disease.

The polio virus raced through the country every summer, leaving behind shriveled arms and legs, steel braces and those metal cylinders that became known as iron lungs.

Going on the theory that the polio virus thrives on filth, Munday staged gigantic clean-up drives getting rid of places that breed flies and mosquitoes. We even borrowed, or hired, Haskell's fogging machine, and those manning it would speak through a "fog horn", saying it was coming, to open all doors and windows of our homes as the fogger passed.

A little later, Munday purchased its own fogging machine. There were 38,000 to 40,000 cases of polio each year.

Then came hope! The annual terror was lifted 25 years ago April 12.

It was on this date in 1955 that results of a nationwide test of vaccine against polio were revealed. The vaccine worked!

Dr. Jonas Edward Salk, a scientist at the University of Pittsburgh who developed the vaccine, was heralded by presidents and kings. He became a saint to a generation of parents who lived in daily fear of polio.

Dr. Salk said: "People had prayed for it and they saw it in the realm of the miraculous. From my point of view, it was an exaggeration of what we did."

It was several years before the vaccine was manufactured in sufficient quantities for nation-wide immunization.

When the Sabin vaccine was introduced, polio already was on its way out in the U. S.

Knox County had a county-wide immunization effort by use of the Sabin vaccine, administered by placing a few drops on a tiny sugar cube.

This was on Sunday, September 16, 1962, when a total of 4,471 people received the Type I Sabin vaccine in the county: 1,843 at Knox City and 2,626 at Munday. The school gyms were used for this purpose. Persons receiving it at Knox City ranged from 97-year-old Mrs. C. W. Pulleg to a three-week-old infant.

The number and age range at Munday were: under one year, 55; one to five years, 344; six to 14 years, 619; 15 to 39 years, 736; over 40 years, 866.

Sunday, September 23, was designated as "makeup day" for those who failed to receive the vaccine a week earlier. At this time, a total of 1,175 persons were inoculated - 735 at Munday and 440 at Knox City, making a total of 5,646 persons, or about 75% of the county, receiving the vaccine.

Polio was on its way out! (Continued On Page 2)

## Flower Show Is Cancelled

The annual flower show sponsored by the Munday Garden Club has been cancelled. The show was slated for Friday, April 25, in the old Moppet Shop building.

Dry weather and a late spring have taken their toll of spring flowers, bulbs and shrubs which usually make up the artistry of this annual show. The fact that "show flowers" were so scarce contributed to cancellation of this show.

Officers reached this decision after consultation with various members of the Munday Garden Club. The annual show has been a highlight of the club over a period of many years, and it is with reluctance that members decided on cancellation.

## To Move To Petersburg

Coach Steve Rodgers, head coach at Munday Schools, has tendered his resignation to the Munday School Board and Superintendent Douglas Myers. He and his family will be moving to Petersburg during the summer. He will be assistant coach at Petersburg and Mrs. Rodgers will teach in elementary, as she has in Munday. Petersburg is near both their families and the children will have the opportunity to be with their grandparents more.

Steve and Jancy made this statement that we would like to share with our readers, "The decision to leave Munday has been a difficult one to make for us. Thanks to the citizens of Munday, this has been "home" to us for five years. We appreciate the friendships and support that have been extended to us. We would like to take this opportunity to wish the very best for Munday, its citizens, its school system, and its athletes. We plan to keep up with you for a long time to come."

It is Munday's loss to have this good family move from here but we wish them the best in their new location.

## To Keep Time Spring Ahead Next Sunday

If you want to keep the time and be on time, spring out of bed and spring forward by setting your timepieces an hour ahead at 2 a.m. Sunday. That date marks the beginning of Daylight Savings Time!

If you think you won't feel so springy at that hour, just set your clocks and watches forward one hour at bedtime Saturday night. If you don't do this, you'll probably be an hour late for all of Sunday's activities, such as Sunday School, church services; and, maybe, dinnertime!

You may gripe about this, too, but we'll put up with it for about six months, when we "fall back" in the fall!

## All Sports Banquet Date Set May 13

The 1980 All Sports Banquet will be held in Munday High School gym, Tuesday, May 13, at 8 p.m. Any of the coaches will have tickets for sale.

You may also purchase your ticket from an athlete, a Quarterback Club member, or at Munday High School.

## UNDERGOES SURGERY

## Local Volunteer Firemen Guests At Fish Fry

Monday night, April 21, approximately 30 people assembled at the "fire hall" and ate fish until they were "filled to gill" as the saying goes. The firemen were guests of a fish fry planned especially for them in order to let them know they are appreciated.

Joe Lane and Troy Moore were the instigators of the affair. They have enjoyed fishing so much and the supply tends to increase somewhat when you fish as much as these two do. One of them commented when they came home from Lake Nocona recently, "We have enough fish to feed the town of Munday". Then they thought about feeding our firemen and proceeded from there.

Joe and Troy caught, cleaned and cooked the fish but they had help on the other part of the menu. Donations were made by Dwight Key, Larry Thompson, Kenneth Baker, Loyd Waggoner, reporter.

Patterson, Bully Ratliff, and Jerry Kane. Each of these men expressed a desire to help with the supper to show appreciation to our volunteer firemen. Latrece Lane was the salad maker and Margaret Moore prepared apricot cobbler. And as if this wasn't enough for anyone, they also had beans, fried potatoes, onions, pickles, ice tea and bread. The firemen set up for the meal and prepared the tea etc.

Joe and Troy were cooking the fish at the Moore residence Monday evening and had an ideal set up. Both men performed like professionals. They prepared well over 100 fish for the meal.

Our firemen are a real asset to our community and we appreciate these men taking the time and effort to do this for these volunteers. As Troy said, "We all appreciate them but we just forget to show it sometimes."

THE FISH ARE FRYING as Joe Lane and Troy Moore see the job well done. These two men cooked over 100 fish and treated the volunteer firemen to a fish fry on Monday night, April 21. Joe and Troy had caught and cleaned the fish at Lake Nocona and decided to let the firemen feast on their catch.

**Knox Historical Commission Needs Local Participation**

The Knox County Historical Commission met in the Assembly Room of the Knox County Court House on April 19th at 2:30 in the afternoon. This was the regular monthly meeting. Present were Mrs. Virginia Casey, Mrs. Louise Moorhouse, Mrs. Frances Coffman and Mrs. Gretchen Colehour.

During the business session members discussed at length plans for the future. The Texas State Historical Commission and all two hundred and fifty-four county Commissions are working to preserve Texas's past. Consideration is being given to setting aside a week during which public attention is focused on the historic events in each county. Elements of the state preservation program include beautification of areas surrounding historic sites and markers; the locating and recording of historic landmarks; the surveying of historic buildings and districts; honoring pio-

neers and early settlers; involving youth in historic activities; touring historic homes, museums, sites, and markers.

The Knox County Historical Commission hopes to bring together information on the pioneers and early settlers whose accomplishments have been so important to later generations. Letters, diaries, early documents of all kinds, books, utensils, tools, and the like are sought. The list is endless. Letters can be duplicated as can diaries and other documents. These can be used in the future for another edition of the Knox County history. Commission members urge young and old alike to contribute to this county-wide project. Interviews with pioneers and descendants of pioneers can prove valuable as well as interesting.

The Commission members cleaned another of the book-cases which were recently acquired and already more items are being placed in

these cases. Mrs. Coffman brought the membership card which was issued to her in 1934 as a member of the Knox County Historical Society. Mrs. Colehour brought an old "Bitters" bottle which was found some years ago on the Brazos River and a tool which was used to remove spark plugs from he Model T Ford. This tool had belonged to Mrs. Colehour's late father, J. W. Howell of Knox City. These items are mentioned only to show what can be used as museum materials.

The next meeting will be on May 24th, the fourth Saturday of the month at the same place and time. The public is invited to attend these meetings. Much help is needed to preserve the past of our county. This is a challenge.

During the business session members discussed at length plans for the future. The Texas State Historical Commission and all two hundred and fifty-four county Commissions are working to preserve Texas's past. Consideration is being given to setting aside a week during which public attention is focused on the historic events in each county. Elements of the state preservation program include beautification of areas surrounding historic sites and markers; the locating and recording of historic landmarks; the surveying of historic buildings and districts; honoring pio-

neers and early settlers; involving youth in historic activities; touring historic homes, museums, sites, and markers.

The Knox County Historical Commission hopes to bring together information on the pioneers and early settlers whose accomplishments have been so important to later generations. Letters, diaries, early documents of all kinds, books, utensils, tools, and the like are sought. The list is endless. Letters can be duplicated as can diaries and other documents. These can be used in the future for another edition of the Knox County history. Commission members urge young and old alike to contribute to this county-wide project. Interviews with pioneers and descendants of pioneers can prove valuable as well as interesting.

The Commission members cleaned another of the book-cases which were recently acquired and already more items are being placed in

these cases. Mrs. Coffman brought the membership card which was issued to her in 1934 as a member of the Knox County Historical Society. Mrs. Colehour brought an old "Bitters" bottle which was found some years ago on the Brazos River and a tool which was used to remove spark plugs from he Model T Ford. This tool had belonged to Mrs. Colehour's late father, J. W. Howell of Knox City. These items are mentioned only to show what can be used as museum materials.

The next meeting will be on May 24th, the fourth Saturday of the month at the same place and time. The public is invited to attend these meetings. Much help is needed to preserve the past of our county. This is a challenge.

**PHILDA SLOAN**  
By Alma Sosa

Philda Sloan is a Senior, too. She was born March 26, in the year '62. And she says her favorite color is blue. Mexican food is her favorite dish. Country and western is the music of her wish. "Eight Is Enough" is her favorite show. She listens to WBAP we all now know. Track is her favorite sport. She'd rather do this than be on a tennis court. "Centennial" is her favorite book. Though "Seventeen" she likes to look. If she won't talk, it's not because she is snobby. She is deep into her reading which is her hobby. She is in a hurry to attend college at McMurry. Teaching kindergarten is what she plans to do. I can't think of a better job choice, can you?

**ALMA SOSA**  
By Susie Esquivel

Alma Sosa is a senior year. She is glad to let everyone hear. When Alma doesn't hear rock, She practically goes into shock. She she listens to KRBC. With this station, Alma does agree. She really loves the book "Thornbirds". But she can't explain it, in mere words. In her spare time she enjoys reading. And when she gets so involved, she forgets about eating. Alma loves to play with words. And in Journalism she uses them, which you may have heard. Alma would rather play volleyball. Than roaming around the hall. Alma plans to go to North Texas State. Where she wants to begin her fate.

**MARY ANN SEPEDA**  
By Shari Offutt

There is a senior girl in Munday High. If you haven't noticed her, this is what you try. Listen for the name Mary Ann Sepeda, born October 13, 1960. She has long black hair, not a pixie. Apple cobbler is her favorite food. Listening to rock music really sets her mood. A show she likes very much happens to be "Starsky and Hutch". She listens to KOMA all day. Volleyball is the sport she likes to play. "The Promise" is her favorite book. In "Seventeen" she likes to look. If she happens not to be looking, You'll catch her in the kitchen cooking. Her favorite subject in school is math. Texas Tech is her chosen path. Yes, that's where she'll go, but the job of her choice She is yet to know.

**JOY SHAWVER**  
By Alma Sosa

Joy Shawver is a senior at M. H. S., And yellow is the color that she likes best. Fresh fruit is her favorite food. And rock music really sets her mood. Her favorite TV program is "Mash". And to her, listening to KRBC is a smash. Her favorite sport is basketball. Which is okay, if she has a bad fall. The "Thorn Birds" is her favorite book. And "Glamour" and "Seventeen" is what she looks. Business law is her favorite class. Her hobbies are crocheting and reading so don't give her no sass. Midwestern State University is where she will go. She wants to be a dental assistant, as we all now know.

## Choucair, State FTA Officer, Participates In Conference

Recently, Mr. and Mrs. Joe Choucair and Mrs. Karen Longan accompanied Omar Choucair to Austin to attend the 1980 Texas Future Teachers Association Leadership Conference. Omar is the present state parliamentarian for the organization, and will be retiring from the office May 1. Omar, along with the other state officers elected last year, conducted the very impressive conference like veteran public officials. With the election of new officers, the retiring officers said goodby to one of the

most important years of their lives. Making the event even more special to Omar was the presence of his parents. Mr. and Mrs. Choucair were introduced at the banquet by President Eddie Reeves. In regard to our young people and especially to the group she works with at Munday High School, Mrs. Longan stated, "Those in our society today who have little faith in our teenagers have not seen the young people in organizations such as these. They display maturity, sincerity, diligence and honesty plus an excitement about life that many of us have lost. Young men and women like Omar

and others in our own school are a source of pride for our community. We should congratulate them and thank them for the honor they have brought to their school and to us as citizens of Munday." To hold one of the six offices in an organization of 15,000 members, as Omar does, is quite an accomplishment. Lenny Welch has also excelled this year. He was chosen first runner-up in a speaking contest from 19 district winners across the state of Texas from all-sized schools. Sometime, we, as local citizens do not realize the magnitude of our students achievements.

## Special Day Set Aside For Prayer

April 29 has been set aside for christians from all over the nation to go to Washington D. C. for a prayer rally. They will raise their voices in prayer for our nation. In another part of The Courier, there is an ad explaining more about the rally.

People that are unable to attend are encouraged to use this day for special prayer in this endeavor. Churches in Munday and surrounding areas are admonished to set a special time aside on this day for the members to join together in prayer for our nation and its leaders.

Some may choose to meet at the church buildings or in homes. However you choose to do it, don't forget to pray for our leaders on this day and every other day. \*\*\*\*\*

## TWO BOYS MAY HAVE LEARNED LESSON

Two boys (not from Munday), ages 12 and 15, stole a bicycle from the Joe Tidwell residence, on Thursday, April 17. A concerned, observant neighbor called Mrs. Tidwell to say she had just seen the cycle stolen. The bike belonged to Doug Tidwell.

When Mrs. Tidwell told her oldest boy, James, he "took off" on foot after the two and caught them near Munday Leisure Lodge. When he stopped them he stated that he was taking the bicycle from them and he literally did just that!

The Munday Police Department personnel wish to express their thanks to the observant neighbor and a very conscientious young man. \*\*\*\*\*

## IN TOUCH

By IVAN ALLEN, PASTOR  
FIRST UNITED METHODIST CHURCH

**PAUL SAYS 'GOOD-BYE'**  
Saying "Good-bye" is often a difficult task, and many persons endeavor to find a way to keep from it. It is difficult for us to say "farewell" to persons whom we've worked with and whom a relationship of love and trust has developed. We do not like to say "good-bye" to our friends, but saying "good-bye" is a part of life. We will all be faced with the necessity of doing it at some time.

The Apostle Paul knew the experience well because he traveled far and wide to share the Good News of Jesus Christ with people. He had established a Church in Ephesus, and the people in the Church saw his teaching as having authority in the Christian community. But Paul left Ephesus and went into other communities to share Christ. As he went from one community to another, he received an offering for the destitute Christians in Jerusalem and offering to the Christians there in person.

Paul had begun his trip to Jerusalem when the ship put in at Miletus, a city not far from Ephesus. He sent word to the church leaders in Ephesus, asking them to meet him in Miletus. When they came Paul said to them: "Behold, I am going to Jerusalem, bound in the Spirit, not knowing what shall befall me there;..." (Acts 20:22). He then testified about his relationship with Christ and the sufficiency of Christ to sustain those who turn to him. It was then he said: "And now, I commend you to God and the word of his grace which is able to build you up and to give you an inheritance among all who are sanctified." (Acts 20:32).

Paul told the Christian leaders from Ephesus "Good-bye", feeling that this was the last time he would see them. If imprisonment or death did not come to him in Jerusalem (which many feared), then he would embark on a journey to Rome to share Christ with the people there. In reading Acts 20:17-38 it seems to me Paul reminds the people that he has served Christ faithfully but with humility; that there are Christian truths that can not be overlooked, and that the way ahead will not be easy.

### I. Christians Serve Christ Faithfully, but with Humility

Paul told those leaders from Ephesus: "You know how I lived among you from the first day I set foot in Asia, serving the Lord with all humility and with tears and with trials which befell me." He was maligned because of his witness for Jesus Christ, but he did not relax his stand. He said: "I reckon my own life to be worth nothing to me, in order that I may complete my mission and work the Lord Jesus gave me to do, which is to declare the Good News of the grace of God." (Acts 20:24)

What a commitment! What a challenge for persons today who have committed themselves to Christ. In a pamphlet I

received a few years ago, Roy Pearson makes the statement, "There are no vacations for Christians. They do not get them, they do not take them. They do not even want them; for their aim is not to escape their vocation in Christ, but to fulfill it." Professing Christians are to live each day by the precepts of the Gospel of Jesus Christ, helping others to find purpose and excellence in life.

### II. Church Leaders Must Not Overlook Christian Truths

Paul told the Ephesian leaders, "To Jews and Gentiles alike I gave solemn warning that they should turn from their sins to God and believe in the Lord Jesus." (Acts 20:21, TEV). This means they were to repent of sin and put away the gods that were being worshipped by the heathen people in the land.

Today repenting of sin means among other things, turning away from the gods of the secular world we have taken to ourselves and committing our lives to the God and Father of our Lord Jesus Christ. An encounter with Jesus and the recognition of his Lordship in our lives is a transforming experience for us. It sets us on a new wave-length and what we transmit to others has a different emphasis. We love God first and foremost and we show that love by having love for others and doing good for them. Discipleship to the Lord Jesus Christ calls for disciplined living.

### III. The Christian Does Not Travel An Easy Road

Paul told the church leaders, "I know that after my departure fierce wolves will come in among you, not sparing the flock; and from among your own selves will arise men speaking perverse things, to draw away the disciples after them." (Acts 20:29-30). Paul seems to be saying there will be problems that will come from persons outside your group, but there will also be problems develop because some on the inside will want to lead people astray. Paul was very perceptive and advised people to be alert and to remain true to the standards of excellence that Christ has given.

Problems face the Church today. Some of these are attacks from the outside and must be dealt with. We, too, need to be alert. But many churches have enemies within that are probably far more dangerous than those which come from the outside. Some churches have divisions because of differing philosophies which are held by various leaders. This will create some problems, but it is my feeling that the poison which is the most deadly is to be found in the indifference and mediocrity that is present in many congregations. The Church today cannot be a cozy, costless fellowship. It has inherited demanding standards of excellence from God. It must observe these standards if it is to be faithful to the mission it has been given by the Lord.

# Baptist Children's Choir Attends State Festival

Twenty-five children and nine adults, members of the children's choir and sponsors, attended the State Musical Festival at Plains Baptist Encampment near Floydada. They departed the First Baptist Church building at 1 p.m. on Friday, April 18.

When the group arrived, there was time enough for several hiking trips up hills and down - a new experience for some and fun time for all. After the evening meal, the children "went to work" (but a pleasant work it was) learning a story song, "Three Crosses in Jerusalem", which tells the life of Christ. They rehearsed the cantata Friday night and Saturday morning. They presented it, along with sixteen other choirs, on Saturday.

When rehearsal ended Friday night, a Walt Disney film was shown for their entertainment and proved to be a delight to everyone. After a good night's rest in the cabins, breakfast, the cantata, lunch and another romp around the camp grounds, they were home-bound about 2 p.m. Saturday.

Keith Davis directs this choir known as "His Kids" and has done a fantastic job with them. They are a

## School Board Minutes

Members of the Munday Independent School Board held their regular meeting on Thursday, April 10, with all members being present.

Robert Hosea and Byron Gass were sworn in for three-year terms, to expire in April, 1983.

The board was re-organized, as follows: president, Phillip McAfee; vice-president, Wm. (Spike) Bryan; secretary, Robert Hosea.

Motion was made by West and seconded by Gass to pay bills as listed. Motion made by Hosea and seconded by Hendrix to adopt a resolution to assess and tax automobiles for 1980.

Motion made by Hendrix and seconded by Reneau to assess taxes on 100% value, instead of 75%, and rate to be lowered to equal the same amount of taxes collected in 1979.

Adjournment was at 8:55 p.m.

## It's A Well Known Fact: We Have The Nicest People

Munday is a "good community", and we are proud to be a part of it. We hear a positive comment about our town much more often than we hear a negative statement. Often people do kind and thoughtful deeds and we don't hear about them. In talking with Karen Longan recently, we could see she was "full of gratitude" for all the nice things people had done for the students in the play. We decided to give "a rose" to some of these people on Karen's behalf.

The necessities for the one-act play could not have been obtained had it not been for people of the community. People donated time in making costumes for their children. Others like Pat Smith, Dorothea Awalt, Mary Cartwright and Mrs. Weldon Leflar loaned antique furniture. Pat even refinished some of the furniture in time for the cast to use it.

Earlene Kuehler took two days of her vacation to travel to Vernon and then to Midland to assist the cast with their make-up. She was a definite asset to Mrs. Longan and the cast.

Ronnie Cude loaned an antique violin for use in the play. Rev. Tom Robertson recorded several songs of himself playing the fiddle so that the recordings could be used effectively as though the fiddle was being played on stage.

One day the girls in Ann Therwhanger's Sunday School class at the First Baptist Church, prepared a

supper, complete with home baked bread and homemade pie, and delivered it to the Longan home. Shanna Bryan, Kelly Fisher, Robin Elliott, Kimi Moon, Joy Shawver and Julie Smith were the cooks on this occasion. They realized Mrs. Longan had been away from her family because of play rehearsals and the meals had been of necessity hurried and simple and they, along with Mrs. Therwhanger, decided there was something they could do about it and did!

Sue Haynie, Waunita Bellinghausen, Tommie Crawford, Susan Frazier, Mrs. Henry Sosa, Phillis Reed, Opal Brewer, Mrs. Earl Claborn and Lou Ann Kelton each loaned costumes and props for the play.

In closing the conversation, Mrs. Longan stated, "Without people like these, the one-act play would not have been a success. We owe them many thanks and appreciate everyone so much."

But we want to present one more rose - to Bill Longan. In case we might not have this opportunity again, we go on record as saying Bill is a very understanding husband and a good father to be supportive of Karen's activities with the students of Munday High School. She does an excellent job with these students and we know she couldn't be as effective if it were not for Bill, always standing by.

### FARM & RANCH STD HD ROTARY TILLER MAKES GARDENING EASIER

Equipment needed for a productive home garden may vary from a hoe, shovel and rake to a small tractor. In addition, a valuable piece of equipment might be a rotary tiller.

Tillers are available in all sizes and price ranges and do a good job of getting garden soil in shape for planting.

Extremely hard soils may be difficult to till deep, so several trips may be necessary over the area, tilling a little deeper each time. If the blade doesn't penetrate the ground easily, consider

applying a small amount of water to the area. Moisture will generally loosen soil and make it easier to till, especially the first time.

However, avoid working garden soil when it's too wet. Optimum moisture conditions for tilling and planting the garden are about the same.

A rotary tiller should last several years for the average home gardener. Before buying a tiller, consider the total cost of owning, operating and storing the machine, how much it will be used, size of the garden, and other possible alternatives. Unless a large garden is planned on a continuous basis, renting or

borrowing a tiller rather than purchasing one may be the best solution.

When operating a rotary tiller, wear tight-fitting clothing that can not become entangled in the tines. Of course, the first key to safe operation of any garden equipment is to become familiar with the machine.

## Dad, This One's For You

By GLENDA J. FLORES

This poem has to be to someone special, but not so perfect, but yet, someone I love very much. This poem has to be to someone I've loved and helped and has helped me and someone that I've touched.

Dad, this ones for you. For so long, you've counted my pennies for me, walked and talked with me. You showed me, looked and pointed and probably thought I didn't see.

I know theres times when you wanted to hit me and just yell at me forever, But somehow, you just held it in, and I don't know, you just never.

So many years you carried me and picked me up and just took me everywhere with you.

And lots of times, when I was mean and yelled and screamed, you didn't know what to do. And I just don't know how you did it, Daddy, playing the games that little girls play and me using you as my doll caddy.

How many times I cried and just couldn't understand.

But to me you were the best, I always thought you were grand.

I know what you did for me. I don't know how, I only wish I could repay all-of it back now.

I don't have the money to buy you things, or the time to cook you a good meal, but Daddy, I know in His own way, God will.

## Benjamin News

By GLADENE GREEN

### 4-H NEWS

The local 4-H'ers have been quite busy for two weeks. They met April 8 with 18 members present. Troy Pratt was welcomed as a new member. Lana Sue and Oscar Gideon furnished refreshments, and Shane Spinks and Kemp Jones handled the "clean-up" duties.

The skate-a-thon, to be held April 26, was discussed and plans were made to finalize the trip. Debbie Bufkin was also elected treasurer.

### ELEMENTARY UIL MEET

The elementary UIL meet was held recently in Old Glory and Lueders-Avoca.

Benjamin tied with Weir for second place with 55 points. Eight schools were entered. Attending from Benjamin were:

Beverly Tolson, Misty Pierce, Stacia Ryder, Lana Gideon, Mitzie Lindsey, Troy Oxford, Troy Pratt, Debbie Bufkin, Shane Simmons, Shannon Parker, Francine Redder, Kelly Westmoreland, Kent Hertel, Tory Reed, Lori Griffith, Amy Griffith, Sue Gideon, Shane Spinks, Todd Benson and Hope Balaros.

Results were: Spelling, 7 and 8, Lori Griffith, first; Troy Pratt, third; fifth and sixth grade, Amy Griffith,

first, Becky Griffith, second; number sense, Lori Griffith, third.

The picture memory team tied for third place, composed of Becky Griffith, Sue Gideon and Shane Spinks.

In poetry, Todd Benson advanced to the finals, in seventh and eighth grade, as did Hope Balaros for fifth and sixth grade.

In the regional UIL meet last weekend at McMurry College in Abilene, Benjamin was represented quite well. Although they didn't bring home a bunch of first place honors, they do deserve a bit of commendation for their efforts, also for those who helped these students to advance as far as they did.

Debbie Lindsey was in the finals, but did not win. The debate team won second place and will be going to state. Craig Hertel and Jessie Estrada are members of the team. A nice job, boys.

**HERE AND THERE**  
Mrs. Laura Benson visited

her son and family, the Tommy Bensons, in Clyde recently. Also visiting in the home was his daughter, Gayle of Marble Falls. Carl Benson was a weekend guest in the home and returned his mother home.

Mr. and Mrs. Van Green visited his parents in Denton last weekend. They were met there by their daughter and husband, Jack and Diana Daniel of Saginaw.

\*\*\*\*\*  
Mr. and Mrs. Jimmy Leach and children of Midland spent Saturday of last week with her parents, Mr. and Mrs. Frank Nance. Winnie Hobert and Mrs. Nance returned to Midland with them on Sunday. On Monday they were joined by Mrs. Kenny Smith of Odessa. They all went to Uvalde to be with W. C. Nance, who had surgery on Tuesday. The ladies returned home Thursday and are happy to report that W. C. is doing just great.

## WAKE UP!

"It is becoming more evident every day that religious and Christian freedom is under government attack in America. With no regard or respect for the First Amendment of the U. S. Constitution, government at all levels is attempting to control or destroy our God-given freedoms." **Wake up, preachers! Wake up, Christians! Pray! Stand up! Speak up! Before it is too late!** God said in Hosea 4:6, "My people are destroyed for lack of KNOWLEDGE." Christians must be knowledgeable, we must understand what is behind all the bad news we hear. We are told to "pray with the understanding also." How can we pray with the understanding if we do not understand? God does not want us to keep our heads buried in the sand. It is time for God's people to begin to pray with all our hearts and understanding, "God, heal our land!" We must "put legs on our prayers" and rise up and take a stand for RIGHTEOUSNESS. "Righteousness exalteth a nation" (Proverbs 14:34). We must take a stand against sin, whether it is found in our government or among the people. If we do not soon become what Jesus said we are to be, the SALT to preserve, and the LIGHT to show the way, we will no longer have a nation where we can freely preach the gospel.

All but the most apathetic sense that America is in a time of crisis. "The most pressing needs of our time are for an avalanche of prayer and truth. Without the prayer, no one will believe the truth. Without the truth, prayer will be like arrows shot aimlessly, hitting no target." God has laid it upon our hearts to get the truth out to His people, to do it briefly and concisely, to interpret complicated bills so that all may understand and pray. We must become God's mighty army to take action where it counts. We must let our Legislators know that Christians are rising up in righteous indignation "against the evil doers" (Psalm 94:16).

## WASHINGTON FOR JESUS

APRIL 29, 1980

1 Million Christians!

For once, the city of Washington, D. C. will not be the site of a demonstration or a protest. Instead, it will be blessed with a once-in-a-lifetime celebration of the Lordship of Jesus Christ!

Christians, if you are able to attend the rally in Washington, feel free to take your camper or other facilities and go!

Otherwise, we can meet in our respective places (homes, church buildings, etc.) to make a joint effort with our prayers here at home.

### II CHRONICLES 7:14

If my people, which are called by my name shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.

## Jasper Bevers, Lifelong Resident, Dies On Thursday

Jasper Lee Bevers, 74, who spent a life of service to others, died suddenly at 1:30 p.m. Thursday of an apparent heart attack suffered while working with a surveying crew north of Goree.

He was born October 27, 1905, in Haskell County and was a lifetime resident of the Munday area, being a son of the late Mr. and Mrs. W. C. Bevers, pioneers of the area.

Jasper didn't confine his activities to the immediate area, but once remarked that he "had lived all over this part of West Texas." He was a retired grocer and salesman, was a director and past president of the Texas Cowboy Reunion Association at Stamford, and a member of the Methodist Church.

During his tenure as president of the Cowboy Reunion, he added many items of ranch life paraphernalia to the Old-timers Bunkhouse Museum at Stamford. He served many years as chief cook for the annual oldtimers dinner at the reunion and enjoyed associating with those of another era.

A retired groceryman, his skills at canning won him several awards at the Munday Vegetable Festivals, and frequently visitors to his home received "samples" of his art.

An ardent sportsman, Jasper spent much of his spare time at either hunting or fishing and often shared results of these activities with his friends.

Funeral services were

held at 2 p.m. Saturday from the First United Methodist Church in Munday with the pastor, Rev. Ivan Allen, officiating. Burial was in Gillespie Cemetery under direction of McCauley-Smith Funeral Home.

Serving as pallbearers were Hugh A. Beaty, Troy Moore, Kenneth Baker, Wendell Partridge, Joe Tidwell and Lynn O. Jackson. Named as honorary pallbearers were Riche Smith and directors of the Oldtime Cowboy Reunion Association in Stamford.

Surviving him are three sisters, Mrs. Damon Lewis and Allene Koenig, both of Munday, and Mrs. Russell Doran of Odessa; and a brother, Joe L. Bevers of Dallas.

### It's A Girl

Mr. and Mrs. Tommy Potts of Waco announce the arrival of their daughter, Amanda Michelle. She was born on Saturday, April 12, 1980. She weighed seven pounds, ten ounces. She is gifted with a sister, Stephanie, who is seven years old.

Grandparents are Mr. and Mrs. Gene Wood, formerly of Munday, and Mr. and Mrs. Uel Potts of Lometa.

### Benjamin 4-H News

A Weiner roast was hosted for the 4-H youths on April 15, by Lewis, Gay and Shane Spinks at their home in Benjamin. Small puppies, a trampoline and a tremendous amount of good food helped in making it a fun time for all who attended.

Guests were: Homer, Jan, Jennifer and Lori Rolston; Susan, Kemp and Lanum Jones; Donnie, Jimmie Kay, Stacia Ryder and Jason Patterson; Charles, Linda, Lori, Amy, and Becky Griffith; Kim Cash, and Mickey, Scott and Holly Jackson, of Munday.

Also Sherri Parker, Mitzie Lindsey, Misty Pierce, Debbie Bufkin, Troy Pratt, Jim Mazurkiewicz, Sharon Book, Sue Gideon, Sue and Sulynn Oxford, Lana and Sue Gideon, Paul Engler and his pilot, Gary.

Slides of the 4-H camp at Brownwood were shown to the group, and everyone expressed their appreciation to the Spinks family for having them as their guests.

### CLUB RAFFLE

On April 16, a 4-H raffle was held by the Benjamin Club and they would like to thank everyone for the excellent community support shown in this endeavor.

Lori, Amy, Becky and Linda Griffith baked a coconut pie that was won by Louise Hall. Sue Godeon drew Mrs. Hall's name.

Stacia Ryder drew the name of Sonny Bufkin as winner of a sock-it-to-me cake baked by Stacia and Jimmie Kay Ryder.

### The Courier Receives Commendation

The Munday Courier recently received a certificate of appreciation from the Texas Nursing Home Association, commending the newspaper for the regular publication of news from Munday Leisure Lodge.

A letter accompanying the plaque, from U. A. Hyde, director of public relations, stated, "It is a worthy public service. It provides a tremendous boost of morale to the residents of nursing homes by assuring them that they are still a part of the mainstream of community life."

The staff of The Courier appreciates this commendation. However, we are indebted to Mrs. Mildred Hendrix, who writes the news at the present time, and to those who have compiled it before her. Even though there are a few times we simply do not have space for the news, we are pleased to have it in The Courier, Mildred turns it in to us faithfully and it is our turn to say "thanks".

### It's A Boy!

Mr. and Mrs. Tommy Lavy of Henrietta are pleased to announce the arrival of their son, Danny Glen. He was born on Sunday, April 20, at 6:30 a.m. in the General Hospital in Wichita Falls. He weighed four pounds, eleven ounces.

He is welcomed by his three year old sister, Crystal. Also delighted with his arrival are his maternal grandparents, Mr. and Mrs. Charles Pruitt, of Wichita Falls, and his other grandparents who live in Henrietta (and can easily spoil him). He has a great aunt and uncle, Mr. and Mrs. Troy Moore living in Munday.

### News From Leisure Lodge

By MRS. MILDRED HENDRIX

Ruth Jamison and Rosemary Farley of Kerrville and Billie Jameson of Goree visited Daisy Bates, Aunt Minnie Brooks and Lillie Carnahan recently.

Evelyn Roberts of Goree visited her brother, Jim Draper.

John Bates of Seymour visited his mother, Daisy Bates.

Joe Guerrero returned home from Laredo, where he visited his sister for a few days. He reported a good time.

Jewel Mullins and son of Arkansas, old-time friends, visited Maggie Gunn. Mrs. Mullins said it had been fifty-two years since they had seen each other, and they had a very good time talking over old times. The Mullins also visited Dicie Goode.

Also visiting Mrs. Goode was her son, Bill Goode.

Helen Allen came Monday for reading and discussion time. We have more and more to come and enjoy this time together. We appreciate Helen very much.

Jim Homer of Fort Worth visited his mother, Anna Homer, over the weekend.

Madeline and Dale Wilde of Dallas visited their aunt, Anna Homer, and Semer Williamson last weekend.

Sue Bryan and Marie Smith called bingo on Tuesday. Everyone enjoyed it and the refreshments were delicious. After the games, twenty-two residents gathered in the living room for another treat. The Brownies and their leaders, Jean Reneau, Nancy Cypert and Becky Offutt, came with gifts and refreshments. The girls had some money left from their cookie sale that they wanted to share with someone, especially those of Leisure Lodge. They brought a new cloth for the birthday table, a new tape recorder and cassette player, a new weight scales and several 8-track tapes.

We want them to know how much we appreciate these things.

The ladies from the Church of Christ came Wednesday afternoon to host the April birthday party. Mrs. Josie Mays was the only one having a birthday this month. It was a lovely party, and residents expressed thanks to the ladies.

Mr. and Mrs. Curtis Seale of Goree visited Maggie Gunn and Minnie Brooks.

Mr. and Mrs. J. C. Watson visited his mother, Oma Watson.

Mr. and Mrs. Cecil Temple of Lawton, Okla., visited Kate Glasgow.

Mrs. Robert Hertel and Mrs. Ted Hertel called bingo Thursday. We had seven-teen players, the largest number in a long time. Everyone enjoyed the games and received a prize.

Bible Study was well attended Friday afternoon. We had 30 to gather to hear Bro. Tom bring a very good study.

Wasn't Saturday a beautiful afternoon for a sing-along? That's what took place at Leisure Lodge, with Mrs. Bera Spann at the piano. Everyone had a great time.

The worship service Sunday afternoon is always well attended. We have precious

Christian residents here who are hungry for the word of God, and it's wonderful that pastors of the churches take care of this need.

Maybe it's because I'm activities director that I'm so pleased with our program, but it would have never gotten off the ground without you wonderful volunteers, the nurses and nurses aides who so graciously helped to get residents to the activities. I would be more than pleased to share these programs with you, and invite you to join us in any activity.

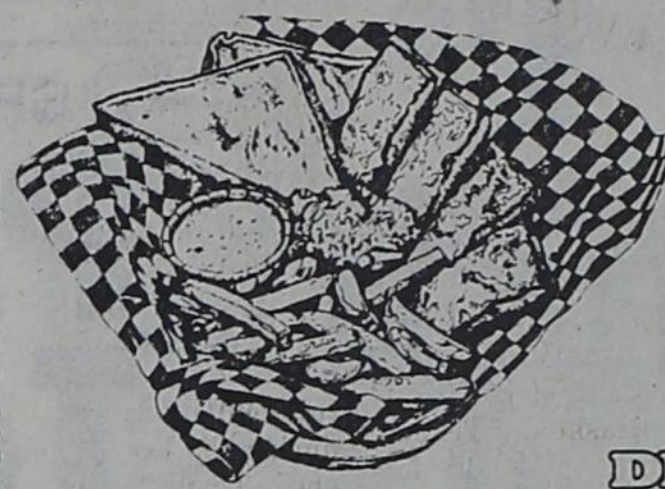

Recent visitors to Leisure Lodge were Mrs. Jerry Mocek and Mrs. Lenora Fojtik of Seymour.

Douglas Michalik of Lubbock visited his grandmother, Anna Homer, last weekend.
