Look To The East

By AARON EDGAR

When people go on strike, nobody wins!
At least, that's the conclusion we've reached after witnessing reports of strikes of every description in years past. When nobody wins, the logical conclusion is that everybody loses.
Workers of an organized group may not want to strike, individually. But as members of the union, they must follow orders of the headmaster, or the majority.
It may mean trying to live on union pay, which may or may not be sufficient to provide a living for the family. In this instance, all the family suffers—or loses.
Strikes are called against the management, and this is what happens: The management suffers in loss of revenue when operations are stopped, or hampered. Workers lose in days and days of idleness as bargaining goes on, the dependents lose by lack of funds to provide sustenance, and nobody knows which way to turn.
We lose, even! If nothing else, we lose our temper; and, maybe, our good faith in people, especially the unions.
A good "for instance" was the long baseball strike that ruined the regular season. Now that it's settled players and club owners are trying to make the best of it by trying to end a split season.
Club owners lost, players lost, people lost. There was a loss at every turn, in our opinion.
Following the game, called the national past-time, we found baseball holding its own in drawing crowds. Then came the strike. We, the people, had no game to go to, no game on the tube, nothing to look forward to, so we just naturally lost interest.
When play was finally resumed, we see the games being played in stadiums that are scarcely one-third full, and rarely over half full. Somebody is losing a big batch of revenue.
When football came into its own for the season, we find stadiums filled to capacity, from small high school games to college activity, and on into the pro games. No matter the size, stadiums are filled to capacity.
A strike of pressmen at the Sunday Times in London recently ended their strike of about a week in duration, after the owner, Australian publisher Rupert Murdoch, threatened to close the newspaper and its sister publication, the daily Times of London. Several issues of the paper were cancelled, as union members refused to cross picket lines.
The dispute involved 101 men and imperiled 3,900 jobs at Times Newspapers, Inc.
Now, the "beer that made Milwaukee famous" is not brewed in Milwaukee. The "tap ran dry" there when the Jos. Schlitz Brewing Co.'s Milwaukee plant officially closed, ending a brewing tradition that began in 1849.
The brew is being produced at other plants, but not in Milwaukee, after 700 employees went on strike in a dispute over a new contract. Do you think the 700 workers won? Or the brewery? Or their sipping customers?
Our air traffic remains in pretty much of a mess, since the air controllers went on strike, and many of them were fired by President Reagan.
We've had occasion to talk with one who said it's pretty much of a mess. Planes are running behind schedule. Instead of direct routing, passengers are routed a round-about way.
If this battle is being won, who's winning it. Certainly not the passengers.
During the weekend, we heard news that the hunger strike in Ireland has been "phased out". This is another instance in which nobody has won! Several suicidal deaths from hunger. Some strikers have had an "about face" and stopped the foolishness. Parents of others have taken over after their sons sank into comas, and asked doctors to step in and save their lives.
It just isn't a winning game, do you think?
Guess who's buried in Lee Harvey Oswald's grave? Oswald is, that's who, proving that the admonition "rest in peace" is not always carried out!

STORY HOUR at the City-County Library in Munday included a film last Thursday morning which this happy group of youngsters pictured above enjoyed very much. They are from left, Farrel Selzer, Amy Huffman, Doug Edrington, Kimberly Redden, Deonne Kingston and Suzanne Fitzgerald. Second row, Betsy Peek, Cory

Swan, Jeffrey Cook, Todd Davis, Donny Browning, Jamie Howry and Amanda Crawford. Story Hour is scheduled to begin at 10 a.m. each Thursday for several more weeks. All four-year-old children are invited to attend.

Moguls Edge Electra 7-6 In Penalty Marred Battle

In a game fraught with penalties by both teams, which resulted from a highly defensive battle, the Munday Moguls were able to edge by the Electra Tigers by the close margin of 7-6 in Friday night's non-conference game on Mogul Field.
The game was one of the toughest defensive battles of the season for both teams, as evidenced by the fact that neither team managed to score in both the second and fourth quarters.
The Moguls found their stellar offensive plays voided early in the first quarter, as the game opened with strong defensive plays for both teams.
Moses Dena was the first Mogul to cross into pay dirt with an exciting 41-yard scamper, which was called back because of a motion penalty.
Again, a second TD try went into the end zone, only to be called back. Lawrence Collier figured in this 10-yard touchdown run, but a penalty on the Moguls caused the ball to be brought back.

On the very next play, Robert Boyd hit Dave Hunter with a 15-yard pass into the end zone—and this one was for keeps! Lawrence Collier's toe sent the pigskin through the uprights, and the Moguls were leading 7-0, never to be caught!
Then followed a defensive battle that lasted throughout the second period, with neither team being able to put anything on the record books.
The Tigers got their six points in the third quarter, when Perry Dupree went around left end to score. The enthused Tigers then tried to go ahead with another left end rushing play for two points, but their efforts failed.
This was followed by a fourth quarter of stubborn defensive plays by both teams, with the game ending by the slender margin of 7-6, with the Moguls holding the margin!
The game was termed a defensive struggle all the way, with penalties being rife by both teams. Statistics showed that the Moguls were penalized for more

yardage than they gained on offensive plays—125 to 120!
After this hard-fought battle, the Moguls will take an open date for resting weary bones before journeying to Quanah on October 23 to open district play against the Quanah Indians.

Former County Judge To Appear On Program

Representatives of the Knox County Commissioners' Court are expected to attend the annual conference of judges and commissioners in El Paso next week. The conference begins on Wednesday, October 14, with registration in the El Paso Civic Center.
According to President Giles Dalby, Garza county judge, the three-day conference will attract judges and commissioners from throughout Texas.
Of interest locally is the fact that a former Knox County Judge, Sam Clonts, will appear on Friday's programs. Clonts is presently executive director of the Texas Association of Counties.
Friday morning, Clonts will be on a panel discussing "County Government: From the Legislative Point of View." In the afternoon, he will address the group on activities of the Texas Association of Counties during the year.
Current officers of the association are Judge Giles Dalby, El Paso, president; Norman Troy, Jefferson County commissioner, first vice-president; and Winston Reagan, Henderson County judge, second vice-president.
The conference concludes on Friday night with the officer installation and dance.
County Judge Homer T. Melton and Billy Gene Johnston, commissioner, plan to attend the conference.

Cotton Lost In Fire

Munday Volunteer Fire Department answered a call at approximately 4:30 a.m. Tuesday. The destination was Knox Prairie Seeds, Inc.
Eighteen bales of ginned cotton was loaded on a trailer ready for the compress. The origin of the fire is unknown according to Joe Decker, manager of Knox Prairie. The bales belonged to several different farmers.

Local United Fund Sets Budget Drive Kick-Off

"One gift works many wonders - when you give the United Way" is the theme selected by Keith Davis for the 1982 United Fund Budget Drive. Mr. Davis is the drive chairman. The budget drive "kick-off" will be held on Tuesday, October 13 at 10:00 a.m. in the office of the Munday Chamber of Commerce.
"All persons who will be working in the budget drive this year are encouraged to take a coffee break at 10:00 o'clock and come to the Chamber of Commerce office for a few minutes," Mr. Davis said. "The packets for workers will be distributed at that time, and it would be very encouraging to have the room packed with people." There will be coffee and cookies available for persons who come by the office to pick up packets. Persons who are unable to be present for the kick-off Tuesday morning are asked to pick up their packets sometime that day so they will not be delayed in getting started on this important task.
"One gift works many wonders - when you give the United Way" is truly the story of our United Fund. Elsewhere in this issue of the paper you will find an ad listing the various agencies being supported through the Munday United Fund, Inc.

Following the kick-off on Tuesday, campaign workers are encouraged to make their contacts as soon as possible. Plans are to complete the drive in two weeks. This means that workers need to make their contacts by that time, and turn in their reports at the Munday Chamber of Commerce office.
"We appreciate all the workers in this United Fund campaign and their willingness to give of their time and make the effort to make it a success," the Rev. Ivan E. Allen, chairman of the Board of Directors, said. "It would be impossible to carry out this important function in the community without them."

Domino Tourney Slated Saturday At Benjamin

Members of Benjamin Volunteer Fire Department are making plans for a partnership domino tournament to begin at 7 p.m., Saturday, October 10, at the Benjamin Memorial Building.
These men issue a warm welcome to all domino players in the area. A concession stand will be open.

Varied Subjects Covered At Hospital Board Meeting

The Knox County Hospital District Board of Directors met in regular session September 24, 1981.
Board members present were Greg Clonts, president; Vernal Zeissel, vice-president; Gaylon Hord, Stanton Brown, Bernard Brown and Terry Keener.
Others present were Dan Powers, consultant, and Randy Abernathy, administrator.
Minutes for the meetings of August 20 and August 24 were read and approved.
There was a discussion of audit proposals for the fiscal year end September 30, 1981, submitted by Russell Altmiller of Olney and Mason, Nickels and Warner of Lubbock. The poor condition of the books and particularly the accounts receivable was discussed. Stanton Brown motioned for approval of the audit proposal of Mason, Nickels and Warner, CPAs, Lubbock, Texas. Vernal Zeissel seconded the motion which carried unanimously.
Mr. Powers reported that a comprehensive review of patient charges had been made and that appropriate pricing changes had been requested from Blue Cross.

The board unanimously adopted a bank account signature resolution (on file at hospital) on a motion by Terry Keener and seconded by Stanton Brown.
The board reviewed cash position, accounts payable and other financial information. Bernard Brown motioned to pay the accounts payable and approve the cash position statement. Vernal Zeissel seconded the motion which carried unanimously.
The meeting adjourned at 10:30 p.m.

CONNIE BECK

Connie Beck Receives Scholarship

Connie Jean Beck, daughter of Robert Beck, has been awarded a \$250.00 scholastic scholarship for the 1981-82 academic year at Vernon Regional Junior College.

Alternate players are: Dwight Burgess, Jeff Anderson, Raymond Carden, Gaylon Albus, W. W. Coffman, Ruddy Latham, Phillip McAfee and J. W. Smith.
Other entries may be received between the present time and tee-off time.
The first person making a hole-in-one will receive a free haircut from any bar-

ber entered in the tournament. The one with the highest net score (tailgate) will be winner of a 19-inch color television set.

CHARLES (Charlie) Siepel, Knox County Extension agent, is already getting involved in the 4-H and other programs, as well as meeting the people of Knox County. Having began work on September 21, Mr. Siepel has had the opportunity to work with 4-H youths who showed their animals at the Haskell County Fair, and also met with each 4-H club in the county. He and his wife, Marlene, and their two daughters, Mixie and Masie, are making their home in Knox City.

Aspartame - A New Sweetener

A new sugar substitute - aspartame - is expected to be on the market in about six months, says a food technologist with the Texas Agricultural Extension Service, Texas A&M University System. The new product will be marked under the tradename "Equal" by C. D. Searle Co.

Composed mainly of two amino acids, phenylalanine and aspartic acid, the product is about 180 times sweeter than sucrose (sugar). Aspartame is supposed to be virtually indistinguishable from sugar in taste, has no bitter or metallic aftertaste, and seems to act like a flavor enhancer for some fruits.

However, it is not stable to heat for prolonged periods.

Call your news to The Courier, 422-4314.

Knox County Cancer Society Elects Officers

The Knox County unit of the American Cancer Society met for their first meeting of the year on September 29. Jeff Bullock, division leader of Wichita Falls, was in attendance.

Mrs. Armon Smith, president, expressed appreciation to all the volunteers for their efforts in making the past year a success.

Nominations for new officers were presented and motions were made to elect the following: Mrs. Armon Smith, president; Mrs. Sharon Newton, vice-president; Mrs. Norman Clark, secretary; and Mrs. George McKinney, treasurer. Motion was made and seconded to prepare tickets on an afghan to be given away in late November as a special events item. Presentation of a certificate of authorization for the Knox County unit was presented by Mrs. George McKinney.

The following board members were recognized: Joetta Boyd, Paul Clayton, Ronnie Cude, Valera Hertel, Hank Matthews, Geneva Navratil, Mr. and Mrs. K. E. Woolley, Mrs. Clifford Boone, Mrs. W. H. Everett, Mrs. April Stamps, Mrs. Sharon Newton, Mrs. Norman Clark, Mrs. Olan Coffman, Mrs. Armon Smith and Mrs. George McKinney.

Special guests attending the meeting were Armon Smith and George McKinney. The next meeting is scheduled for October 22. Plans will be made at the meeting for the Great American Smokeout program.

YARD OF THE MONTH selection has been made by Munday Garden Club. This month's honor yard belongs to Julia Mae Hicks. The green lawn and cedar varieties accent the large assortment of flowers. A moment of observation brings to the viewer roses in bloom, zinnias, moss, caladiums and a number of small flowers too numerous to mention. The overall appearance of the yard is extremely neat.

Heart Assoc. Has Regular Meeting

Members of the Knox County chapter of the American Heart Association met for their regular monthly meeting at the Munday Community Center on Monday, October 5. Discussion was held on the various programs planned for the year.

Winters Matthews will continue to serve as memorial chairman for the Heart Association. Area people may make their contribution to Mrs. Matthews by mail or in person. Envelopes for mailing memorial contributions may be picked up at McCauley-Smith Funeral Home and Smith Funeral Home in Knox City. This is a very important part of the American Heart Association's donations.

Tournament Benefits Hospital

A golf tournament held at Knox City Country Club last weekend netted \$540 to benefit the Knox County Hospital.

Munday entrants swept the field. Championship flight: first place, Bufkin and Coffey; second, Zeissel and McCoy; third, Smith and Smith; tied for fourth, Medford and Wilde, and Sosa and Felan.

First flight: first place, Zeissel and Offutt; second, Staggs and Staggs; third, Selso and Jessie; fourth, Gambill and Davis.

Coach Lankford Comments

For the second week in a row the Moguls were plagued by penalties and mistakes, but a solid defensive effort enabled the Moguls to win 7-6 over Electra here Friday night.

Two touchdowns and two or three plays which gained good yardage for the Moguls were called back because of penalties. The Moguls' lone score came on a pass from Robert Boyd to Dave Hunter. The extra point was kicked by Lawrence Collier.

Our defense allowed only one score and stopped Electra's try for the two points to preserve the victory. After being embarrassed by allowing Rule to score 20 points last week, the Mogul defensive unit buckled down and showed some of the pride they had exhibited early in the season.

We are happy to have an open week this week. The extra time will permit a couple of injuries and various bumps and bruises to heal. It will also give us more time to prepare for our district opener with Quanah on October 16.

MOSES DENA, 21, is headed for a touchdown in the first quarter of the game with Electra on Friday night. The touchdown was called back, but the Moguls went on to win the game 7-6. At left is Mogul Junior Ramirez, 73, and at right is Victor Shields, 76.

Mogul JV Wins Over Electra

by Coach Bill Kingston and Coach Robert Redden

The game against Electra ended with the Mogul JV winning 32-6. It was most definitely our best game offensively.

The blocking was real fine, and helped Quincy Adams to gain several long runs in the ball game. Quincy scored the five touchdowns with runs of 99 yards twice, 65 yards, 45 yards and 25 yards. He also made the two extra points.

Some personnel changes

were made, and Greg Urbanczyk, in a new position for him at tight end, did exceptionally well. Guards Abel Sanchez and Brad Angerer did well and tackles Pat Angerer and Mark Redder made a good showing in the game.

Greg Sepeda has been playing split end, and Thursday night he did a fine job as wide receiver. Quarterback Paul Wright is improving every week.

Defensively the boys did a superb job. They were able to stop Electra twice on our one yard line. Leanro Hernandez did well both on of-

fense and defense. Robert Hemphill alternated with Greg Sepeda as wide receiver and did a good job. Jamie Vasquez also did a good job.

The score makes the game sound one-sided, but really it was a much better game than the score implies. The Mogul JV was able to gain 530 yards.

This week when we play Knox City-O'Brien, the JV team will have a new recruit. Ronnie Brown decided to come out for football, and we are pleased to add him to the squad.

Quarterback Club Meets Weekly

You are reminded that the Quarterback Club meets each Tuesday evening in the high school cafeteria at 7:30 p.m. A film of the previous Friday night's game is shown with an analysis presented by the coaches.

The Quarterback Club needs your support. They are now in the process of paying for a new camera and will appreciate all donations.

7th Grade Game Scoreless 8th Grade Wins Over Electra

The 7th grade game was probably the most evenly matched game we have had this season, with the game ending in a scoreless tie. The defense played well on both teams. We were in pretty good position on their 9 yard line when time ran out on us and the game was over.

Offensive standouts include Curtis Taylor, Jeff Bruce, Douglas Schumacher and Lino Hernandez.

This week we travel to O'Brien for our second game of the season with the Knox City-O'Brien team. They won the other game 20-14, so we are looking forward to this game.

The 8th grade game was really one of the best Jr. High games I have been a part of or even seen.

We took the opening kick-off and drove to about their 30 and stalled on downs. They took over and on the first play from scrimmage, we recovered a fumble.

From that point, we drove the ball down the field and Dent Offutt scored on a quarterback sneak. The two points were completed by a pass from Dent to Ryan Wright, and the game stood at 8-0. They took the ensuing kick-off and marched the length of the field and scored. With a good defensive play by the Braves, the score remained at 8-6.

Not long before the half, Dent Offutt, on an attempted pass play, scrambled for 45 yards and a touchdown. The two point try succeeded with Dent passing to Ryan, and we led 16-6.

In the second half, Electra came back after having made some defensive adjustments which stymied our offense they were able to score two unanswered touchdowns. The score was 20-16 at this point in the game.

Late in the 4th period with approximately 3 1/2 minutes to play, Electra attempted a field goal. It was off to the right and no good. The Braves took the ball on the 20 and marched 80 yards with

several big plays in the drive. One was a sweep to the right by Todd Thompson and another was a 4th down and 15 scramble by Dent Offutt for a first down. The big play of the series was a 45-yard pass to Ryan Wright from Dent. Ryan was experiencing some interference, but was able to make the catch, and took the ball 20 yards for a score for the Braves. The two point try was incomplete, which gave us a 22-20 edge with 53 seconds to go.

Jesus Ramirez kicked the ball deep into their territory, where their 6'1", 180 lb. tail-back took the ball and returned it down the right sideline to the 15-yard-line, where Dent made a touch-down-saving tackle. The defense held them for three plays, then on 4th down with eight seconds to go, they attempted another field goal. It was blocked by Dent, and recovered on the 25-yard-line. The Braves took the next play and fell on the ball to end the game at 22-20.

In nine games of play, this was the first time the Electra Jr. High has lost. Coach John Poulos coaches the Electra boys. I was outstandingly pleased with the effort of our boys, especially the way they played as a team. Big plays were made by individuals, but the overall team effort was the difference in the ball game. This was the most physical game our boys have been in. The win and the experience of that kind of game should help the team.

We will face a much-improved Knox City-O'Brien team there this Thursday (tonight). In our first contest this year, the 8th grade Braves won 28-0, and they will be out for revenge.

Mr. and Mrs. J. Weldon Smith spent the weekend in Springtown and Fort Worth. They went at this time to visit Mr. Smith's mother, who is being hospitalized in Ft. Worth with a broken hip.

ASCS Employees To Be Honored At Open House

There will be an Open House in honor of Knox County ASCS employees, Doug Meinzer, Dorothy Jean Lain and Wanda Phipps on Wednesday, October 14, 1981. Farmers and other friends are invited to call from 1:00 until 5:00 p.m. at the Knox County ASCS Office, 1101 E. Main in Knox City.

Douglas Meinzer has completed 30 years of service. Doug began work in February 1955 and is now a chief field assistant over 21 counties. He is a graduate of Benjamin High School. He is married to the former Bobbie Floyd. They are the parents of three children, Judy Price of Cisco, Penny Baker of Amarillo, and Tyke, a junior in Knox City High School. They have four grandchildren, Scotty, Christi, Sandy and Timmy. Doug is a member of the First Baptist Church, the Knox City Fire Department, and the Knox City-O'Brien School Board.

Dorothy Jean Lain, chief program assistant, has completed 25 years of service. She is a graduate of Knox City High School. She started to work for ASCS in June of 1954. Dorothy Jean has a daughter, Patti Lewis, of Knox City, and two grandsons, Brandon and Aaron Lewis.

Wanda Phipps, program assistant, has also completed 25 years of service. She started work in September of 1956. She is a graduate of Benjamin High School. Wanda is married to Leonard Phipps, and is a member of the Four-square Church.

John Rector, county executive director, Kay Fannin and Anne Underwood, program assistants, cordially invite you to come by for refreshments and help celebrate their co-workers accomplishments.

Local Woman's Father Dies In Hospital

Alonzo Hunter McElmurray, 85, of Merkel, father of Mrs. Merle Anderson, died at 8:15 p.m., Monday, October 5, 1981 at the West Texas Medical Center in Abilene.

He was born July 23, 1896 in Abilene and moved to the White Flat Community west of Trent at age 5. He attended school at both White Flat and Trent. He was a school board member at Trent, White Flat and Nolan County schools. He served on the Board of Stewards for the Methodist Churches in Trent and Merkel. He had lived in Merkel since 1954. Mr. McElmurray married Elsie Kegans December 23, 1916 in Trent. She preceded him in death in 1969. He and Kathleen Barry were married July 20, 1972 in Weatherford.

Funeral services were held at 10 a.m. Thursday morning (today) at the United Methodist Church in Merkel. Burial was in Trent Cemetery. Grandsons serving as pallbearers were Ricky McElmurray, R. Jeff Anderson Jr., Max Anderson, Tim Beasley, Lon Beasley and Carlton Stribling.

Survivors include his wife; one son, Clovis McElmurray of Trent; three daughters, Mildred Snow of Ft. Lauderdale, Fla., Merle Anderson of Munday and Lonelle Teaff of Merkel; a sister, Lydia Payne of San Angelo; thirteen grandchildren; twenty-three great-grandchildren; and two great-great-grandchildren. He was preceded in death by a son, Max, in 1941.

October Is National Stamp Collecting Month

"Discover Stamp Collecting - The Hobby of a Lifetime", is the theme of the first annual National Stamp Collecting Month, to be observed October 1-31, 1981. Postmaster Dolores Lambeth said today.

"The fall observance will include issuance of a special souvenir card, unusual Post Office lobby displays and philatelic items especially designed to attract newcomers to the hobby," Postmaster Lambeth continued.

"Millions of Americans recognize that stamp collecting generates increased knowledge of geography, biography, history and science. Children who engage in this hobby have a good time acquiring new or used stamps, and the hobby stimulates their intellectual growth. Teachers tell us that boys and girls frequently use their stamp collecting information in preparing and presenting class projects."

The Postal Service is sponsoring the month-long observance in cooperation with the Council of Philatelic Organizations (COPO) which includes national, regional and local organizations involved in all aspects of stamp collecting. A number of local youth stamp clubs, school and library administrators, community service organizations and government leaders.

"An adult who introduces a youngster to the hobby is giving that child a lifetime gift," Postmaster Lambeth said, "because stamp collecting does not depend on age, stamina or the weather."

"Many families treasure stamp collections, work on them together, and pass them along from generation to generation. In an age when all too many of us spend our leisure time solely as spectators, stamp collecting is a hobby in which everyone can participate. That's the message the Postal Service wants to get across during the 'National Stamp Collecting Month,'" Postmaster Lambeth concluded.

Former Area Residents' Kin Killed

Sam Edward Teaff, 30, son of Colleen Kelley Sedwick and Jack Teaff, was killed Saturday, September 26, 1981, in a sky diving accident when his parachute failed to open. Services were held Tuesday, September 29 in Seattle, Washington.

Survivors, besides his parents, are twin sons, Simon and Sam of Ft. Worth; three brothers, Allen Teaff, Paul Teaff and John Sedwick Jr., of North Bend, Washington; and grandparents, Mr. and Mrs. W. H. (Pete) Kelley of Aquilla, Texas. Mr. and Mrs. Kelley are former residents of Goree.

Colleen Sedwick's address is 7505 Moon Valley Road S.E., North Bend, Washington 98045.

Thompson Boys Show Lambs At Lubbock

Todd and Trey Thompson, Knox County 4-H members, participated in the South Plains Panhandle Fair held at Lubbock. The boys showed their lambs on Friday, October 2.

Todd placed third in the lightweight fine wool division. Trey placed sixth in the same division. Todd was awarded fifth in heavyweight hampshire cross and eighth in lightweight suffolk.

The boys reported that there were as many as 85 entries in some of the divisions. They showed at the West Texas Fair in Abilene and Haskell County Fair previous to attending the Lubbock show. Todd and Trey are the sons of Larry and Cindy Thompson.

Even before a child's first birthday, he can benefit from being read to and told simple stories. Vital for language development, it also gives the toddler the enjoyment of undivided attention from another member of the family.

Wiggins To Attend Meeting

M. L. Wiggins will attend the mid-year meeting of the West Texas Chamber of Commerce which has been set for October 16-18, in Abilene. Water Resource Development, National Issues and the "Texas 2000" program will be among topics addressed during the regional chamber's regular fall conference.

Speakers appearing on the program will include Congressman Charles Stenholm, representing the 17th District of Texas; State Senator Grant Jones of Abilene, chairman of the Senate Finance Committee; House Speaker Bill Clayton; Louis Beecher Jr., chairman of the Texas Water Development Board; Dr. Herbert Grubb, Director of Planning, Texas Department of Water Resources and Ray Hutchison of Dallas, attorney and legislative consultant.

Education Classes Begin

Registration for adult education classes began Tuesday, October 6 and will continue until October 13. Classes meet from 6 p.m. to 9 p.m. each Tuesday evening at Munday High School. Students may enter at the east door.

Classes in English as a second language, adult basic education and GED requirements will be offered. Applicants must be 17 years of age or older.

For further information contact Ruth Ishmael, 422-4456 or Martha Andrade at 422-4756.

WE ARE ENJOYING A WHOLE LOT OF A GOOD THING

For many years now, most of us have taken a plentiful supply of electricity for granted. We've found more and more uses for electricity, because, as Reddy Kilowatt kept telling us:

- Electricity is Reliable
- Electricity is Clean
- Electricity is Efficient
- Electricity is Quiet
- Electricity is Flexible and
- Electricity is Low in Price

Electricity is still all of these things . . . even low in price compared to other goods and services. But there's no escaping the fact that costs of supplying it are constantly going up . . . and so is usage.

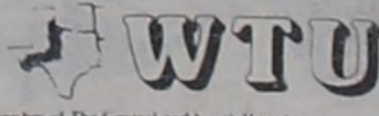

People in WTU territory are using more electricity than ever before (9,020 kilowatt-hours per residential customer in 1980, compared to 5,856 in 1970).

With the demand for its product steadily increasing, WTU can't stand still. It must grow, too.

The growth is carefully planned, with the customer's welfare foremost in mind. WTU is considering only the necessities. But to keep giving the kind of service you're used to, we're going to be involved in some costly updating of production, transmission and distribution facilities. And, of course, we must maintain a staff of people qualified to keep the system operating. You can depend on WTU to continue providing a reliable supply of electricity. But let's all realize what it takes to produce it, and use it wisely. It's too good to take for granted.

Reddy Supplies the Energy . . . But Only You Can Use It Wisely.

Positive Attitudes Are Prevalent At Hospital

Positive attitudes predominate at this time with the Knox County Hospital administrator, Randy Abernathy; the employees; the hospital board of directors; and Dan Powers, manager. In short, the people associated with the hospital feel the situation is good and are confident that progress is being made.

Mr. Abernathy recently stated, "We have hired two additional registered nurses, one for the 3 p.m. to 11 p.m. shift, and one for the 11 p.m. to 7 a.m. shift. A ward clerk, which is a new position, has been hired. An additional maintenance man has been employed to work full time in painting, repairing and in general giving the hospital a face-lift which is badly needed. Our staff is 98% complete at the present time.

"We have a great group of people here. The have backed Mr. Powers and myself 110%. Several employees have been here less than 45 days but have adjusted very well and eased together as a whole entity as it should be, and I am real pleased. The morale is good and I'm excited about the future."

During the short time Mr. Abernathy has been here, he

RANDY ABERNATHY

has found that everyone he has talked with wants the hospital very much. This includes board members as well as the people in the area, the medical staff and the hospital staff.

It is taking some night work for Mr. Abernathy and Mr. Powers but they are making progress and they feel within three months they will have one of the smoothest-running small hospitals in existence.

Patient service is cited as their main goal. They emphasize the fact the "the equipment, medical staff and

nursing staff are second to none."

In closing his comments, Mr. Abernathy said, "The physical plan of our hospital is sufficient at this time. It is old and it is small, but a patient is able to receive excellent care. In no way will the age and size of the hospital cause a patient to be neglected.

"I would like to add that the cooperation among our department heads is good. The 'I don't care' attitude is simply non-existent. By the end of October our cash flow should be sufficient in that our billing is being worked out. In short, the people of this area will have a hospital they can truly be proud of, and I am pleased to be a part of it. I would also like to say that the problems which occurred were not due to any one individual and can be solved."

Thompson Family Has Reunion

The Thompson family met for a reunion October 3 and 4 at Quartz Mountain Resort, Altus, Oklahoma.

Those attending were: Mrs. Ella (Thompson) Allison and Clinton and Iona Allison, Clinton, Okla.; Mutt and Hazel Rinnels, and Dick, Linda, Aron and Cory Rinnels, Canute, Okla.; Ben and Ela Fulks, Pampa; Julia and Billy J. East, Borger; Jack and Helen Sweatnam and Joan Cross, Amarillo; Bonnie Hillhouse, John and Jim Thompson and Kim Casper, Angel Fire, N.M.; Janice Thompson and children, Jon, Derrell and Daniel, Stinnett; and Mrs. Docia (Thompson) Rowland, Clois and Dorothy Rowland, and Steve and Dana Logsdon, Vernon.

Also, Ronald, Sharon and Tammy Tirey, Harrod; George and Jean Landon, Enid, Okla.; Mrs. Opal (Thompson) Thornon and Billy and Patsy Kinney, Paducah; Art and Wanda Smith, Lubbock; Duane, Janet and Allen Walsh, Denison; Frank and Alva James, Wichita Falls; and Mr. and Mrs. Hub Thompson, Munday.

Miracles - Today?

Mark 16:17 - "And these signs shall follow them that believe; In my name shall they cast out devils, they shall speak with new tongues," v. 18, "They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover."

It is the teaching of some today, that we still have miracles! The verse above mentions "speaking in tongues" among several others. However, Paul says in I Corinthians 13:8, that "Tongues will cease." The question would then arise, "When?" Verse 10 says, "When that which is perfect is come." Then another question, "What is perfect?" Another word for perfect is complete or mature. Thus tongues will cease when we have God's full revelation. The purpose for tongues was to aid in the confirmation of the word of God (Mk. 16:20). II Tim. 3:16,17 - "all scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: That the man of God may be perfect, thoroughly furnished unto all good works."

Now, several obvious reasons why miracles (speaking in tongues) no longer exist.

1. N.T. Miracles were undeniable (Notable - Acts 4:16). Those who propose to speak in tongues today remind me of people who have made U.F.O. sightings. They really have no proof. Very few will believe them, nor should they believe.

2. Speaking in tongues? What is it? In Acts Chapter 2, speaking in tongues was described as "people hearing in their own languages". To really prove or disprove speaking in tongues would be quite easy. Just ask them what language they are speaking. The apostles had no previous knowledge of the various languages that they spoke on the day of pen-

tecost. The had about 15 different nationalities represented, and "they all heard them speak in their own language!"

3. It is the claim of some "believers" that miracles are still here. Yet, if they can speak in tongues, why can't they do the rest of the miracles that were promised to the believers? Such as (v. 17,18) casting out devils, drinking deadly things and not being hurt, and laying hands on people and curing the sick.

In I John 4:1, John gave this warning, "Beloved, believe not every spirit but try the spirits whether they are of God: because many false prophets are gone out into the world." Simon, in Acts Chapter 8, tricked the people with his "magic", making people think he was some "great one". Isn't it really easy to distinguish between a real miracle and a false one? Beloved, Beware!

Thus - there are no miracles today, other than God answering prayer through natural ways! Jesus fed the 5,000, he raised the dead, he walked on water. His disciples also did equal miracles through the power of the Holy Spirit. Now, really, can anyone speak in tongues today? Of course not! No more than one can raise the dead today, or cure the sick, or cast out demons!

In closing, some people would have you pray for a miracle (a supernatural event). Jesus said, "A wicked and adulterous generation seeketh after a sign (miracle) and there shall no sign be given."

Letter to the Editor

Dear Editor,
Enclosed is a check for renewal to The Munday Courier for another year, as my daughter and I like to keep up on the news of our home town people we know. My daughter is Burna Dean (Suggs) Clark.

Sincerely yours,
Mrs. C. F. (Port) Suggs

AARP Meets On Thursday

The Munday Chapter #1437 of the American Association of Retired Persons held their monthly meeting on October 1 in the Community Center with D. E. Whitworth presiding.

Opening prayer was given by Leona Blankenship, followed by the Pledge of Allegiance given in unison.

Minutes of the previous meeting were read and approved. The treasurer's report was given with 19 members and one visitor registered.

Motion was made by Ruby Roden and seconded by Louise Amerson that the same officers hold their office again next year. Motion carried. Motion was made and seconded to have snacks and cookies on singing nights. This motion also carried.

October 8 and 29 were designated as game nights, with October 22 for singing.

The president read a piece, "Life After 40". It was funny and very true.

A report was given on the Nursing Home birthday party in September. Everyone felt it was a success.

Grace for the noon meal was voiced by Mrs. Harrell, followed by a delicious meal and a period of fellowship.

The afternoon program consisted of two films. The first was "Garden of God", made in the Holy Land, and the other was a comedy, "Money Muddlers", with Abbott and Costello. Both were enjoyed by all.

The meeting adjourned to meet again November 5 at 10:00 a.m. Anyone interested will be welcomed.

Virginia Cary, Reporter

LOCALS
Mrs. Frank Nance is now home after visiting her daughters, Mrs. Kenny Smith and Mrs. Jimmy Leach in Odessa and Midland. Mrs. Smith brought her mother home and remained for a few days visit.

Dayspring Group Will Perform

Dayspring is a fine arts team from Hardin-Simmons University, whose purpose is to share the gospel of Jesus Christ to others. The group ministers through singing, puppets and drama.

In the past year, this fine arts team has shared with churches, schools, a department store during Christmas, and in chapel. The group derived its name from the scripture passage in Luke 1:78, where Jesus is referred to as the "Dayspring"

If you are interested in Dayspring coming to your church, or to share in

another function, please contact the HSU Religious Activities Office or Ken Montgomery, HSU Box 1166, Abilene, Texas 79698.

Jungman Recuperating
H. F. Jungman of Seymour, former long-time resident of Munday, is reported to be improving following surgery for a broken hip which he suffered in a fall at his home on September 29. He is in room 570, General Hospital, Wichita Falls.

Rev. and Mrs. Roger Loyd and daughter, Melanie, of Dallas spent the weekend with Mrs. Lloyd's parents, Rev. and Mrs. Ivan E. Allen.

Area Grid Results

KNOX CITY BLANKS CHILLICOTHE TEAM

Knox City's Greyhounds loosed their fury on the Chillicothe Eagles and kept them winless as the Hounds racked up a decisive 53-0 score.

Glen Hedgecocks scored two runs of five and 61 yards. Dwayne Watkins passed for two TDs and ran five yards for yet another. The touchdown passes were to David Flores and Kevin Leach.

Tyke Meinzer threw to Wayne Hutchinson for a touchdown, and Steve Lynn ran four yards for another. Knox County missed three out of six point-after kicks, but Meinzer and Flores each added a field goal.

CLYDE BULLDOGS DEFEAT THE INDIANS

Clyde's Bulldogs were not very nice to their visitors Friday night, since they routed Haskell's Indians by a shutout of 25-0.

Quarterback Jimmy Taylor got the Bulldogs into high gear in the first quarter with a 35-yard pass to Bryan Cook to culminate a 65-yard drive. Tommy Ramos made the score 14-0 by scoring on a five-yard run.

The host team also scored in the second quarter on a 30-yard run by Ricky Long. Linebacker Scott Berry intercepted a pass to set up this score.

The Bulldogs scored twice more in the third period to end the punishment against the Indians.

RULE WHIPS THE NEWCASTLE ELEVEN

Rule's Bobcats added another victory to their record by journeying to Newcastle and humbling their opponents by a score of 42-6.

Rule scored 15 points in the first period, made 2 TDs in the second, and added 13 more points in the fourth stanza.

Newcastle got its six points in the third on a 40-yard Tom Turner pass to Ricky Corona, but the PAT try failed.

REAGIN WINS FOR GOREE WILDCATS

Virgil Reagin tossed four touchdown passes Friday night as the Goree Wildcats crushed the Guthrie Jaguars 36-6 in a six-man football contest at Goree.

Reagin hit Matt Presnall on a two-yard pass in the first quarter to initiate the scoring, but the extra point

kick failed. Bucky Decker, Joe Bob Gray and Robert Arismendez also score touchdowns for the Wildcats.

BENJAMIN DEFEATS VERNON'S NORTHSIDE

The Benjamin Mustangs racked up an early lead Friday night, then hung on to beat Vernon's Northside 30-24 in six-man high school football at Benjamin.

The Mustangs led 16-6 at halftime and 24-18 at the end of the third period. Both sides scored a touchdown in the fourth quarter.

After Northside's Clint White started the scoring with a 1-yard run, Benjamin's Troy Pratt passed 25 yards to Troy Oxford to put the Mustangs ahead. Jim Mancille passed to Kent Hertel for the next counter, while Mancille and Oxford figured in two more touchdowns for the Mustangs.

PADUCAH WHIPS NOTRE DAME TEAM

Paducah's Dragons proved that they are still in the running by defeating Notre Dame of Wichita Falls 37-7 at Jaycee Park.

Paducah scored in every quarter with 7, 12, 8 and 10 points. Jeff Walker ran 71

yards on 13 carries to lead the Dragons, who ran their District 7-AA record to 4-1.

HENRIETTA STOPS SEYMOUR PANTHERS

Henrietta's Bearcats took a trip to Seymour Friday night and stopped the stubborn Panthers by a score of 24-14.

Henrietta was on the short side of an 8-7 score in the first half, then pulled in front in the third period, but Seymour evened it up early in the final period. The Bearcats got their final scores on a touchdown by Steve Miller and a field goal by John Geter.

Henrietta is now 5-0 for the season, while the Panthers are 1-3.

ASPERMONT BLANKS ROCHESTER STEERS

Aspermont's Hornets completely shut out the Rochester Steers Friday night by a score of 53-0 in the opening District 4-A game for each team.

The Hornets erupted for a 27-0 first quarter lead, then went to their reserves as the score continued to pile up. They scored in the third and fourth quarters by two or more touchdowns.
