

KENT AND MELINDA LATHAM bagged all the honors in the sheep division of the Knox County Junior Livestock Show in Knox City last weekend. Kent's honors included Grand Champion, third place and the Sheep Showmanship Award, while Melinda's entry was named Reserve Champion.

LANCE McWHORTER SHOWED THE GRAND CHAMPION MARKET STEER at the Knox County Junior Livestock Show last weekend in Knox City. Lance, a member of the Munday 4-H, won the championship with his Chianina-Limousin-Hereford crossbred heavyweight steer.

Local Sales Tax Rebates Increase Dramatically

If January's local sales tax rebates are any indication of things to come, then Munday is in for a good year economically.

According to the January report issued by the State Comptroller's Office, Munday showed a 37.76% increase over last year's payment. The net payment this period was \$3,952.49, as compared to 1991's total of \$2,869.12. While the total figures do not show a large increase dollarwise, they do indicate a rising trend in the economic situation.

Other communities in the county reported losses, with Goree dropping 37.62% and Knox City falling 5.65%. Benjamin did not report any sales taxes for the period.

Taking all communities into consideration, Knox County showed a 3.05% increase overall. In comparison, Haskell County

showed a 51.26% rise in rebates, while Baylor County and Foard County both reported decreases of 5.77% and 31.38% respectively.

This report reflects taxes collected on November sales and reported in December by businesses filing monthly sales tax returns with the state. Businesses file either monthly, quarterly or annually, depending on the amount of sales tax they collect.

TOM SCHRANDT

Schrandt Announces Bid For 50th District Judge

Former District Judge Tom Schrandt has announced his bid for election as Judge of the 50th Judicial District Court. Schrandt was judge of the 50th District from June, 1983, until January 1, 1985. Since he was on the bench, the budget for the District Judge's office and staff has tripled, rising from \$26,500 a year to over \$79,000 a year. During the same period, the population has fallen nearly 20%.

"At a time when the economy is suffering, we as public officials should do everything we can to save taxpayers money. If I am elected, I pledge to cut \$35,000 of county money from the present District Judges' yearly budget."

Dumpground At Truscott Closes

The dumpground at Truscott has joined the majority of area refuse collection sites and officially closed its gates. January 1, 1992, marked the demise of the garbage facility.

At the present time, the unincorporated community has no plans for disposing of household trash. A community dumpster has been suggested, to be located two miles west of Truscott in a fenced area on a county road. A petition to this effect is being circulated by concerned citizens of the community.

The County Commissioners' Court is presently considering a solution to the situation.

Mr. Schrandt has also served as District Attorney for the 50th Judicial District, Baylor County Attorney, Acting Knox County Attorney, and Wichita County Attorney.

He and his wife, Michele, live in Seymour with their two sons, Michael, age 6, and Christain, age 3.

Mr. Schrandt stated further, "The District Court must be accessible to the people more than once a month. Hearings need to be scheduled when needed and held on time when scheduled."

Goree Group Needs Photos Of Servicemen

The Goree Memorial Building Committee is gathering photographs of servicemen from the Goree area to compile a display in their honor.

The exhibit, to be placed in the Memorial Building, is to recognize Goree men and women who have served in the Armed Forces. If you have a photo of such a person that you would like to be in the display, but wish to have it returned, the Committee will make a copy of the picture and return the original to you.

Photographs may be mailed to Marge Allen, JoNell Patterson, Joy Hord, Cleta Jones or Allene Seals at Goree. Please include the person's name, rank, branch of service and the approximate dates they served if possible.

McWhorter Shows Grand Champion At County Junior Livestock Show

Lance McWhorter, a junior at Munday High School, showed the grand champion market steer at the 1992 Knox County Junior Livestock Show held last Friday and Saturday in the Knox City Bus Barn. Lance, a member of the Munday 4-H, exhibited a heavyweight Chianina-Limousin-Hereford cross, bred in Benjamin by Donnie Ryder.

Lance also took first place in the mediumweight steer division with an Angus from the Crosbyton Club Calf Sale, while his brother, Marc, placed first in the light-weight division with a Limousine-Chianina-Hereford cross bred by Donnie Ryder. They are the sons of Bob and Cindy McWhorter of Munday.

A Benjamin 4-H'er, Jason Simmons, showed the reserve champion steer with a heavyweight Maine-Anjou cross sired by the bull, "Kodiak". Jason is a freshman at Benjamin High School.

Another Benjamin youth, Jason Patterson, exhibited the champion heifer. Jason, who showed a Hereford, is also a member of the Benjamin 4-H.

At Community Center...

Marketing Workshop Slated For Tuesday

A marketing workshop entitled "Increasing Sales in Hard Economic Times" will be presented Tuesday night, January 21, at 7:00 p.m. at the Perry Patton Community Center.

The workshop, sponsored jointly by the Munday Chamber of Commerce and the Carruth Small Business Development Center in Abilene, will be conducted by Mike Bolin. Mr. Bolin has been a marketing professional for 15 years and is currently an instructor of marketing at Abilene Christian University. Students of Mr. Bolin recently conducted a marketing survey in Munday. It is hoped that these results can be incorporated into the workshop

Aaron Kiser, a sophomore at Munday High, won the prestigious Beef Cattle Showmanship award. A member of the Munday 4-H Chapter, he is the son of Danny and Ann Kiser.

While Munday and Benjamin dominated the beef scene at the annual show, Knox City took top honors in the swine division.

Monica DeYoung, a Knox City High School senior, exhibited the grand champion in the market hog division with a heavyweight Chester White. Roni Morrow, a Knox City FFA'er, received reserve champion honors with a me-

diumweight crossbred. Matt Munsell completed the circle of Knox City champions in this division by being named winner of the swine showmanship award. There were 129 entries in the swine division.

Knox City also came out on top in the broiler and rabbit shows held Friday at the Bus Barn. Lane Boyd, a 12-year-old Knox City 4-H'er, won the grand championship honors in the broiler division, as well as several first place trophies for his rabbits. David Gonzales received reserve cham-

Mediplex Home Health Opens Office In Munday

Mediplex Home Health Service recently opened an office in Munday in the 200 Block of East Main, the former location of *Just In Time*.

According to Pam Nelson, Branch Manager, Mediplex will offer skilled nursing services to patients recovering from surgery and homebound elderly who re-

quire medical attention. Their main goal is to monitor the patient's condition and assist the patient's physician as needed.

The facility will also instruct the patient and family members on the disease, necessary medications and treatment. Nurses will work in conjunction with area physicians to coordinate the best care possible for these homebound patients.

The Munday office will serve all of Knox County for a 25-mile radius. In addition to Mrs. Nelson, the facility is staffed by Ila Kay Gross of Knox City, office manager. Local nurses are currently receiving training to assume their duties in patients' homes.

Quality Implement Victim Of Theft

Quality Implement, located on the Haskell Highway, was the victim of theft sometime during the night of Monday, January 13.

Entry was gained by breaking the front window glass of the business. According to Floyd Reed Jr., manager, thieves made off with four chain saws and chains valued at approximately \$1,200. Repairs to the window are estimated at \$200.

The incident is currently under investigation by Knox County Sheriff Henry Dancer.

Another Longtime Courier Subscriber

A recent edition of the Courier told of Mrs. Sue Schedadick, 99, of Wabena, Wisconsin, a former Munday resident, who still enjoyed reading "news from home" in her weekly paper. Mrs. Schedadick, who will be 100 years old on February 13, 1992, is perhaps the oldest female reader of the Courier.

Another longtime subscriber to the Courier is Joseph Decker of Rhineland. Mr. Decker, who will be 100 years old on December 17, 1992, is believed to be the oldest male reader of the Courier.

It's nice to know that these two still enjoy reading the hometown paper. We're happy to have them among our subscribers.

Placement On Ballots To Be Decided Friday

The order in which candidates are listed on the March primary ballot will be decided at 3:30 p.m. Friday, January 17, at the Knox County Courthouse in Benjamin.

All candidates are encouraged to be there, as well as any other interested parties.

Cotton World Price

The adjusted world price for upland cotton remains at 44.07 cents per pound through midnight, Thursday, January 16. Therefore, the loan deficiency payment is still 6.7 cents per pound.

Conservation Sign-Up

A conservation program sign-up will be held in Knox County from January 21 through January 31. Programs covered by this sign-up are as follows:

Seymour Aquifer Project

All farms south of the Brazos River in the Seymour Aquifer Area are eligible to sign up for any conservation practice normally covered by ACP plus others; however, the cost share rate is 75% instead of the usual 50%. You may sign up for an annual practice or a long-term practice (3 to 5 years). This is a special practice designed to help decrease pollution of our underground water supply, the Seymour Aquifer. Since the Aquifer also extends to the area around Gilliland and Vera, these areas have been submitted for approval, but are not approved at this time.

Under this program, we take your application and determine the amount of funds needed and submit a request to our State Office for funding. Please take advantage of this opportunity as it will help you, your land, and our water supply.

ACP - Agriculture Conservation Program

The Annual Program is applicable to the remainder of the county not covered by the Seymour Aquifer Project. Cost share rates are generally 50%; however, critical area shaping is 60% and waterways are 75%. In addition to the standard conservation practices normally offered, livestock water wells and stockwater storage facilities have been added. The regular ACP Program has an ongoing sign-up; however, it would be beneficial if you would sign up between January 21 through January 31 in order for us to see where we stand on funds needed.

LTA - Long Term Agreement

This program is for larger conservation practices and is a contract that runs from 3 to 5 years. All conservation practices eligible under regular ACP are eligible under the LTA including stockwater wells and storage. Cost share rates are generally 50%; however, critical area shaping and waterways are 75% of cost. The sign-up for LTA's is limited to January 21 through January 31. We must send requests to our State Office for funding under this program.

If you are interested in applying for any of these conservation programs please do so January 21 through January 31.

Think about the different relationships in your life. Can you name three people to whom you give:

- ...casual attention _____
- ...inconsistent attention _____
- ...no attention _____
- ...diligent attention _____

Now, where on those four lines would you be forced to write GOD? What kind of attention do you give him: casual? inconsistent? diligent? none? How much time are you giving him in comparison to those activities or relationships you consider much less important?

If you are not satisfied with your answer, then on your appointment calendar for tomorrow reserve an extra half hour as an appointment between you and God. Spend those carefully guarded minutes in prayer, Scripture reading, hymn singing, and meditation. You'll find it's wonderfully habit-forming.

See you next week and remember: the devil is not afraid of the Bible that has dust on it.

EPIPHANY

Epiphany comes from the Greek word meaning "manifestation". It is the term used for an official visit of a King or Emperor to some city of his realm. The apostles applied this term to Christ's manifesting Himself as our Divine King (Saviour) in 2 Timothy 1:10 and in Titus 1:3,4. Epiphany started as a feast of the Lord's nativity celebrated on the day of the winter solstice in Egypt, which was twelve days behind the Julian Calendar (the one we use today). This festival also included the commemoration of the Magi's visit and adoration.

Here is a poem, written by William E. Brooks, which I found in the Christmas Ideals book from 1972, that tells of the visit of the Wise Men to the Infant.

THREE KINGS

To Bethlehem town in the long ago
 Three kings of the East came riding;
 Over the plains where the hot sands glow,
 And over the mountains deep in snow,
 Seeking the King in the manger low...

Three kings of the East ariding.
 To the inn they came, to the stable room,
 And they bowed them low before Him;
 And spices and gold and rare perfume

They piled at His feet in the gathering gloom,
 But the Christ Child's eyes lit up the room

As He smiled at the gray heads o'er Him.

Then into the night to their lands afar,

The bells on their camels ringing,

They took their way where the wide plains are,

But gone from the sky was the Christmas star,

And strangely gone were the fears that mar,

While peace in their hearts was singing.

And ever as dawns the Christmas Day,

The worn old world goes faring,

Seeking the place where the young Child lay,

Where the kings of the East bowed low to pray...

And peace was born to abide always

In hearts that were long despairing.

As we begin a new decade, with all the troubles in the world, let's remember to keep the Christ Child in our hearts and do our part to bring peace to our community, our state, our nation, and our world. Remember the Epiphany, when God manifested Himself in the birth of the Christ Child.

Come join us as we celebrate the manifestation of God in Jesus Christ.

Area Beta Chi Chapter Holds December Meeting

The Beta Chi Chapter of Delta Kappa Gamma held their monthly meeting December 7, 1991, at 2:30 p.m. at the First Baptist Church in Haskell.

President Maribeth Williams called the meeting to order and Dorothy Myers gave the invocation. Minutes of the previous meeting were read by secretary, Cathy Bartley and approved as read. The only correspondence was a letter of transfer from Karen A. Nobel.

Mrs. Williams reminded the nominations committee to have the new slate of officers for the March meeting. Committee chairpersons were instructed to meet following adjournment. Leslie Kupatt noted that anyone interested in obtaining a scholarship should sign up soon.

The Red Rose Salute was presented by Gerre Larned to Janice Dutton, in absentia.

Letter To The Editor

Dear Editor,

I would like to inform the citizens of Munday that the town no longer has a dog ordinance or leash law. We don't have any protection from the dogs that come into our yards, knock our trash over, kill our pets, and destroy our property. The city no longer picks up stray dogs or the dogs whose owners don't have the responsibility to keep their dogs from roaming the streets.

I was not aware that the City Council rescinded the dog ordinance until December 20. Two dogs got into our fenced backyard and killed my daughter's show rabbits. When we called about the dogs being picked up, we were told the City was not responsible for picking up dogs anymore.

I think we need a dog ordinance in Munday. Right now there is a serious dog problem and it will only get worse unless something

is done. I know there are many other citizens that are as concerned as I am about the lack of a dog ordinance.

I only hope that those of us who are upset about this problem will get together so we can try to get something done about this nuisance.

Sincerely,
 Carla West

I used to live 6 miles and 37 minutes from work. Now it's an easy 10-minute drive.

Too many people, too many cars. Let's face it, fighting city traffic every day was no way to start the day. Life is just too short for that kind of hassle.

Since we moved to the country, my drive to work is a time to relax... notice winter change to spring, or summer to fall. Living in the country gives us the peace and quiet we were looking for.

Country living has another advantage... being a member of a rural electric cooperative. Being part-owners means we have a say in how things are run. But best of all is the service we get from the cooperative employees. They have an attitude that just seems to go with folks in the country.

An attitude of service

Old Man Winter Pays A Surprise Visit!!

Although many of us weren't expecting company, Old Man Winter came calling anyway!

Sunday was a beautiful spring-like day, luring many of us outdoors to enjoy the pleasant weather. Monday, however, was quite a different story! Even though the weatherman said there might be a few snowflakes, who suspected the beautiful blanket of white that covered the ground Monday morning?!

But, alas, the winter wonderland soon turned to slush as the

sun peeped out from behind the clouds around noon and the temperature started to rise. While this meltdown was good news to many area cattle farmers, it wasn't quite as welcomed by local students who didn't get out of school in time to take advantage of the first snowfall in several years.

But, who knows! Old Man Winter just may decide to pay another visit to Munday someday soon...and maybe it will be on a weekend so the young and the young at heart can enjoy it!

Knox County Appraisal District

REMINDER TO TAXPAYERS

January 31, 1992

is the last day to pay your 1991 taxes and avoid the additional penalty and interest charges

Homestead Exemptions

Homeowners are not required to file a homestead exemption annually. If you are already receiving the state mandated \$5,000 homestead exemption or additional over sixty-five \$10,000 exemption, you need not reapply for the taxing year of 1992. However, if you became 65 after January 1, 1991 and before January 1, 1992, you need to apply for the additional over 65 \$10,000 exemption. If you have changed your place of residency you need to apply for a new exemption. All homestead exemption applications must be filed with Chief Appraiser Stanton Brown between the dates of January 1, 1992, and May 1, 1992. These exemption forms are available at the Knox County Appraisal District Office, which is located in the Knox County Courthouse.

Ag-Use Exemptions

Annual applications for qualifying land for agricultural use is not required. If you have been receiving the AG-USE exemption on your land in prior years, you need not reapply for the exemption. If you have recently purchased a farm, you need to report this to the Chief Appraiser. AG-USE exemption forms are available at the Appraisal District Office. Deadline for filing new exemptions are between January 1, 1992, and May 1, 1992.

Disabled Veterans Exemption

These exemptions need not be applied for annually. If you received your exemption on the 1991 tax roll, you will automatically receive it for the tax year of 1992. However, if your disability percentage has changed, you need to report the change to the Chief Appraiser. Deadline for filing new exemptions are between January 1, 1992 and May 1, 1992.

Renditions

Taxpayers are reminded that it is still their responsibility to render their property to the Chief Appraiser. These rendition forms are available at the Appraisal District Office. Deadline for tax renditions is between January 1, 1992 and April 1, 1992.

If you have any questions about your exemptions or any other ad valorem tax related question, Chief Appraiser Stanton Brown invites you to write Knox County Appraisal District, Box 47, Benjamin, Texas, or call (817) 454-3891. If the Appraisal District employees can be of any assistance, please let us help.

At Your Service

by Dr. Larry Fitzgerald
Minister, Munday Church of Christ

Q: A friend of mine believes in reincarnation. He says that the Bible even mentions it. Is that right?

A: Your friend is wrong. I've never read a passage that even hints at this belief.

Reincarnation teaches that a soul has many lives. Once a person dies, he or she returns in another body (some even believe you can return as an animal). The concept was made popular in this country by such movies as "On A Clear Day You Can See Forever" and writers such as Shirley McLain.

The Bible plainly says that we are destined to die ONCE and then go to God's judgment. That is why Christ only died once for our sins and when he appears again it will be to save those who are waiting for his return (Hebrews 9:27-28).

In the story (or parable) of Lazarus and the Rich Man in Luke 16, Jesus taught us several things about death: 1. There is both

Garden Club Meets In Boone Home

The Munday Garden Club met Wednesday, January 8, at 2:00 p.m. in the home of Mrs. Sam Boone for their first meeting of the new year.

The business meeting was conducted by the President, Mrs. Lonnie Offutt.

The program chairman, Mrs. J.T. Offutt, honored Arbor Day with each member answering roll call with her favorite tree. The Club voted to add an extra shrub to the Downtown Park area.

Mrs. Verna Matthews gave a very interesting program on "Warm Composting" for the small city gardener. She demonstrated the method of recycling table scraps and newspaper, mixing with sand and water and adding large (fisherman's type) earthworms. This makes a very useful soil for flower gardens and pot plants and can be managed on a small scale with a plastic box in your laundry room or basement. If interested, call Mrs. Matthews for the method and recipe, but not the worms!

punishment and reward after death; 2. we go immediately to either paradise or punishment; 3. we will recognize each other in the afterlife; 4. there are no second chances.

Jesus came to this planet for the purpose of giving you eternal life and happiness (John 3:16). Those who believe in Christ and obey Him will be saved. Those who disobey or disbelieve will go to eternal punishment (John 3:36, RSV; Hebrews 5:9). That is why Christians are so concerned about all non-Christians and are compelled to tell you the good news by which you can be saved (read Romans 1:16).

If you have a question for Larry, write him c/o Box 211, Munday, TX 76371.

I WON'T QUIT

Only four years ago, my opponent in the District Attorney's race asked you to elect him to this same office for a four-year term. You did. He then served about eight months of his term, and then he quit.

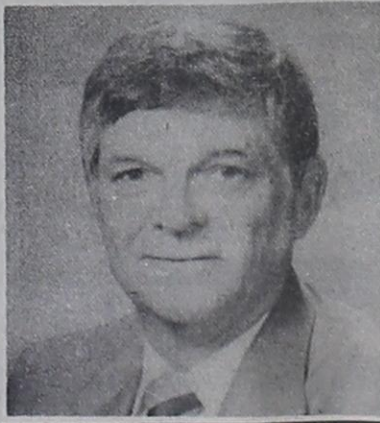

Now he says he wants you to elect him again. I want to be your District Attorney -- and, I won't quit on you.

I served my full term in the Armed Forces and received an Honorable Discharge as a First Lieutenant, U.S. Army, Infantry.

I served two full terms (eight years) as District Attorney of the 46th District (Quanah, Vernon and Crowell) and then voluntarily retired to go into private law practice.

Not only did I serve my full eight years as District Attorney, but I gave it 100% effort and was a 24-hour-a-day District Attorney.

And that's what I pledge to you if you elect me your District Attorney. I intend to make a hand.
