## Look To The East

by Aaron Edgar

A child's bedtime prayer: "Now I lay me down to sleep. I pray the Lord my soul to keep...."

Next morning at breakfast: "God is great! God is good! Let us thank Him for this food."

A prayer at any mealtime: "Thank you for the flowers so sweet. Thank you for the food we eat. Thank you for the birds that sing. Thank you, God, for everything."

Then, as the child enters the school campus: "Bye for now, Jesus. I can't take you in here with me. I'll be back with you when school's out!"

This is our notion of a hypothetical day in the life of a little child. It appears this could be a reality but for the persistence of religious people.

It was back on June 17, 1963, when "a halter" was put on certain traditions which Americans had taken for granted for almost 200 years - that of freedom of worship.

That was when the U.S. Supreme Court, by an overwhelming vote of 8 to 1, ruled that Bible reading and prayer exercises in our public schools were unconstitutional. It seemed a blow to freedom of religion; yet, it seemed to have something to do with "separation of church and state". Maybe it depends on our interpretation of our constitution.

To our way of thinking, our Supreme Court judges at that time, yielding to a powerful atheistic movement, exercised more knowledge of the "fine points of law" than of their own religious experiences.

Recently, a long and expensive filibuster in our U.S. Senate, led by Sen. Jesse Helms of North Carolina, failed. The cause was lost, for the time being, Helms stated.

Helms' legislation would strip the Supreme Court of authority to act on cases in which state legislation or lower courts had moved to restore voluntary prayer in public schools.

Lubbock school administrators have been engaged in a battle for repealing the ruling that bars religious student groups from meeting on school property. They have gained the legal aid of Leon Jaworski, a former Watergate special prosecutor, to champion their cause.

President Reagan, himself, has come out in support of school prayer. "No one is suggesting that others should be forced into any religious activity," he said, "but to prevent those who believe in God from expressing their belief is an outrage. The relentless drive to eliminate God from our schools can and should be stopped."

In a recent letter to the editor, a Dallas woman closed with: "Home is the place to teach religion. Church, synagogue, temple or mosque are places to celebrate our joy in the love of God. Schools and other secular places are where we practice what we have learned at home. It is

## Roast And Toast To Honor Heatly

State Rep. W. H. (Bill) Heatly, who will relinquish his office on January 1, will be honored by a "Roast and Toast", sponsored by Paducah Senior Citizens, Inc., on Saturday, October 9.

This will be held in the Town Hall Building on the southeast corner of Paducah's courthouse square. A dinner of Ponderosa barbecue brisket and all the trimmings, plus Cleo's fried pies, will be served.

Speakers from Paducah, Austin, Lubbock and other places will be heard at the roast which will follow the dinner. "If you come to the toast, we offer you a captive audience and a good meal," it was stated. "If you come to the roast, we offer you a good meal, the captive audience - and police protection!"

A limited number of tickets to this affair are available at the Munday Chamber of Commerce office.

ALL REMAINING GAMES "FOR KEEPS" . . . .

## Moguls Keep Record Clean By Defeating Tigers 19-7

KNOX COUNTY SHERIFF Gene Nix, left, and jailer C. H. Blackmon, center, are shown accepting a Certificate of Compliance from Joe Slater, supervising inspector with the Texas Commission on Jail Standards. The jail and booking facility have undergone extensive changes in the past year in order to remain in compliance with jail standards. The inspection was made Monday, October 4.

## 48 Pints Of Blood Donated At Bloodmobile Monday

Mrs. Margaret Moore and Mrs. Latrece Lane, co-chairmen for the Red Cross Bloodmobile in Munday report that 48 pints of blood were donated at Munday Community Center on Monday, October 4. 51 persons registered to donate blood, but three were deferred.

First time donors were Liz Nava, Gina Ward, Glenda Flores, David Bangari, David Booe and Jerry Hawthorne, who had previously given to private blood banks, but this was his first time to donate to the Red Cross.

Donors reaching the two-gallon mark were Dorothy Brown, Kim Melton, Melton Morgan and Latrece Lane.

Winters Matthews and Betty Baker handled registration duties Monday. Ernestine Dickerson was in charge of donor cards, and Joye Baker worked with the bags. Medical personnel involved with the bloodmobile were Rene Reed, Ruby Booe and Marguerite En-

sor. Canteen workers were Elaine Gutley and Dean Hudson.

Food donors for the bloodmobile were Pansy Koenig, Geneva Kuehler, Dayle Kuehler, Annie B. Lain, Judy Lain, Faye Lambeth, Dolores Lambeth, Lodeanne Latham, Linda Latham, Mary Ann Lee, Imogene Leflar, Orbyrie Littlefield, Karen Longan, Juanita Massey, Johnnie McAfee, Elba McMahon, Velma Melton, Connie Melton and Thelma Lewis.

Mrs. Lane and Mrs. Moore wish to thank all the workers for their help and express appreciation to those who donated food. The bloodmobiles could not be held without loyal volunteers and those who help willingly when called upon.

Most of all, many thanks go to the donors who took the time to give blood, thereby helping their fellow man. These people are to be commended for their good deeds.

IN KNOX COUNTY BATTLES . . . .

## Benjamin And Goree Add More Victories

Still playing heads-up football, two Knox County teams, the Benjamin Mustangs and the Goree Wildcats, each added a victory in separate games last Friday night. These were six-man contests.

Benjamin's Mustangs took a rather easy victory over the Higgins Coyotes in Mustang territory, the score being a one-sided 70 to 43.

Troy Oxford, always outstanding for the Mustangs, ran for five touchdowns. Alan Baty added two more, then teamed up with James Propps on two scoring passes.

Higgins gave up four fumbles and one interception, which Mustang coach Tracy Beaty credited as "the main reason we stayed ahead". He commend-

ed the Benjamin defensive unit for its showing.

The losers scored 12 points in the first period, 18 in the second, seven in the third, then added six more in the fourth. Benjamin's scores were: 22 in the first, 28 in the second and 20 in the third.

Goree's Wildcats took a trip to Guthrie Friday night and came out on top to a 63-28 score against the Guthrie Jaguars.

Scoring for the Wildcats were Kent Urbanczyk, Virgil Reagins, Mark Fulton, Richard and Don Dixon during sprees of passing and running, adding points in each of the four quarters.

Scoring for the Jaguars were Brent Rankin, Clinton Lewis and Steven Brady.

## Weather Report

For seven days ending at 5 p.m., Monday, October 4, 1982 as compiled by Goodson Sellers, local U.S. Weather Observer.

### TEMPERATURES

	HIGH	LOW
September 28	90	70
September 29	90	71
September 30	86	67
October 1	87	66
October 2	94	69
October 3	84	62
October 4	91	60
Rainfall for 1982		29.40

## Representative To Be In Munday

A representative of the Vernon Social Security office will be at Munday City Hall on Wednesday, October 13, from 9:30 until 11:30 a.m.

He will assist citizens in filing an application for Social Security Retirement, Survivors, Disability, Medicare or Supplemental Security Income benefits.

For anyone who wishes to transact their business by telephone or at the Vernon office, it is open Monday through Friday from 9:00 a.m. until 4:45 p.m. The telephone number is 817-552-9346.

The Munday Moguls battled the heat from two sources - the weather and from heat generated by Electra's Tigers - as they remained undefeated through five non-conference games of 1982 by a 19 to 7 win. The game was played on Tiger Field, and the Tigers were "stewed up" for their homecoming game.

Coach Rogers Lankford attributed what was considered a low score for the Moguls to frequent fumbles, three interceptions and "more than a few" penalties. But for the tiring heat - something the Moguls hadn't experienced in an afternoon game this season - Rogers felt that the Mogul score could have been much higher.

The Moguls established a solid running attack, with Lawrence Collier leading the way with 97 total yards on 16 carries, resulting in two touchdowns. Quincy Adams was also very effective with 70 yards on 11 tries, and making the initial touchdown of the game.

Munday's defense gave up 271 yards, which was unusually high, but they yielded only one touchdown. Munday's big and exciting defensive play was Dave Hunter intercepting a Tiger pass and returning it to the Tiger six. From this point, Collier went over for the final score, and the extra point was added.

The Tigers failed to capitalize on several opportunities to score - and that's where the Mogul defense was working. They were denied twice from the 16-yard-line, then from 19, 22, and two-yard lines.

Munday's second counter came on Collier's one-yard plunge in the first period.

Electra's scoring opportunity came in the second period when they reached Munday's 20-yard line when Mark Nelson recovered a fumbled punt, and Scott Dulaaney went over from two yards out.

Munday's passing was off-balance for the season, as Chris Moore was able to connect with only two of his six tries. The Moguls were flagged three times for ineligible receiver downfield.

Electra's record dropped to 2-3 for the season, and they open 7-AAA district play with Clyde this week.

Munday, with a clean five-game record thus far, enters 7-AA district play Friday when they travel to Rotan to battle the Yellowhammers. All that remains for Munday, now, are district contests.

## American Cancer Society Begins Its New Year Recently

Munday volunteers were hosts at a recent meeting as Knox County's unit of American Cancer Society began its new year in September. Tables in the fellowship hall of First United Methodist Church held refreshing bowls of melons for all to enjoy.

The meeting was called to order by the unit's new president, Katherine Smith. Jeff Bulloch of Wichita Falls, district representative, announced his transfer to the Abilene district and introduced his replacement, Terri Busby.

Bylaws of the organization were read by Bertha McKinney and accepted for the unit by Katherine Smith.

Special awards were presented to Myrtle Everett, for outstanding crusade work; Valera Hertel, for crusade work for sixteen years, and to Bertha Fay McKinney, for public information work.

New officers were presented for election, and were accepted by acclamation. The following new members were elected: Louise Moore, Merle Dingus, Ruby Roden and Shirley Amerson, all of Munday; and Louise Kemletz of Knox City.

Others attending included Valera Hertel, Rhineland; Myrtle Everett, Munday; and Katherine Smith, Loyd Clark, Brenda Miller, Frances Coffman and Bertha McKinney, Vera.

The next meeting will be at 2 p.m. Tuesday, October 19, when plans for GASO will be the topic. A film will be shown.

THESE LIONS ARE preparing to hit the streets with their wares at the annual Lions Club Caravan for the Blind sale. Local buyers started looking through the selection of items early Tuesday morning at the sale headquarters on the city hall square, and many residents took advantage of Lions who were going door-to-door and made their purchases without leaving home. Pictured are Chris Christensen, president of the Munday Lions Club, left, and Douglas Myers.

## United Fund Kick-off Set For Next Monday

Success: Ours depends on you! This is the theme selected by Lyndle Reeves, 1982 drive chairman for the Munday United Fund.

Kick-off date has been set for 8:30 a.m. Monday October 11. All persons who will be working in the fund drive are encouraged to come by the Chamber of Commerce office for coffee and donuts on this special morning. Packets for workers will be distributed at this time.

"We are anxious to have everyone possible to come by Monday morning," Mr. Reeves stated. "Persons who are unable to be present for the kick-off are asked to pick up their packets sometime during the day, so they will not be delayed in starting their solicitation."

## United Fund Drive Slated For Goree

Carol Cottingham, publicity chairman for the Munday area United Fund drive, has asked The Courier to remind citizens of Goree that workers will be canvassing that city for donations during the drive. Dates for the Goree drive will be the same as for the Munday drive, October 11-25.

Goree citizens have been asked to contribute by attending a dinner to benefit the United Fund drive in previous years, but it has been decided this year to eliminate the dinner from the drive agenda.

## Screening Clinic To Be Held At Community Center

The Texas Department of Health will conduct a Screening Clinic at the Munday Community Center on October 13, 1982, from 9:00 a.m. til 12:00 noon.

The following screening tests will be offered: blood pressure, diabetes, anemia, height, weight, and skin disorders. If an abnormality is found the person will be referred to the physician of their choice.

## Harvest Of Milo Begins

The milo maize harvest from plantings made after this area's destructive hail started coming in to local elevators last week.

Some loads were received earlier, coming from hail-damaged crops that were not replanted. These included the farms of Ruddy Latham, Pat Hill, Gene Huckabee, and possibly others.

Maynard Moore, operative of Farmers Grain Coop., said this year's crop is of good quality, testing 58 and 59 pounds

per bushel, and good yields. Some irrigated acreage yielded up to 6,000 pounds per acre.

He attributed good yields on dry-land acreage to the good rains that came just ahead of planting time.

Reporting from Knox Prairie Seeds, Inc., a spokesperson said their first loads of milo were received last Saturday.

Milo is in all stages of maturity, according to reports, and harvest will be spread out from now until frost.

## Farm Bureau Invites Members To Convention

Knox County Farm Bureau will hold its annual convention on Saturday, October 16, at 6:30 p.m. in Munday High School. A supper of barbecue on buns, beans, chips and homemade ice cream will be served in the cafeteria.

After the meal there will be musical entertainment and a short business meeting, followed by games of bingo.

Tickets for the convention should be picked up at the Farm Bureau office by October 11. Local agents Don Welch and Terry Alexander urge all members and their immediate families to attend and enjoy the activities.

## The Hazel Singers To Perform Sunday

The Hazel Family, an eight-member singing group, will present a program in song next Sunday evening in services of the First Baptist Church.

"We feel there is a deep need for music evangelism and that the Lord has a place for us in this area," a representative of the group said. "It is a privilege for us to serve the Lord in this way."

Rev. Jim Way, pastor, and members of the congregation extend a cordial invitation to everyone to attend this program.

## Benjamin News

By MRS. GLADENE GREEN

### HIGH SCHOOL FAVORITES ELECTED

In recent elections, the 1982-83 school favorites were selected. Wendy Pollock and James Propps were elected Mr. and Miss B. H. S. Wendy is the daughter of Jan Pollock and J. E. Pollock of Singapore and James' parents are Herb and Dickie Propps. Mr. and Miss School Spirit are Toni Benson and Randy Engbrock. Their parents are the Vernon Bensons and the Joe Trepanier. Most likely to succeed honors went to Tami Bates and Alan Baty.

FFA Sweetheart is Debbie Bufkin and FHA Beau is Doug Brown. Their parents are the Bates from Truscott, the Lewis Batys of Gilliland and the Sonny Bufkins and the Stanton Browns.

Class favorites are: Senior - Wendy Pollock and Lewis Estrado; Junior - Beverly Tolson and Troy Pratt; Sophomore - Kim Trepanier

and Kris McGrager; Freshmen - Oscar and Lana Gideon. Congratulations to all these young people. **HERE AND THERE**

Recent guests of Clodell Duke were her nephew, Darr Jackson, Jr. of Granbury, and Mike, Mary and Darrell Sawyers of Hamlin.

Michelle Bufkin and Bernadette, Jeannette and DeeDee Kuehler and Caroline Myers of Munday attended the West Texas State Homecoming in Canyon over the weekend.

Weekend guests of Van and Gladene Green were Gordon and Debbie Taylor, Scott, Melissa, Becky and Cody, of Paducah, and Rick, and Diane Herring, Jeffrey and Justin of Munday.

Edith West returned home Wednesday after several days visit with her son and family in Cisco.

Cathy Tomlinson and children of Seymour were Sunday visitors in the home of her grandparents, the C. B. Clowers and the Leroy West.

## Police Report

Police Chief Gerald Saffel

The Munday Police Department had the following activities for the week of September 27-October 3:

Issued 4 traffic citations and 1 warning; assisted ambulance; assisted DPS troopers with two accidents; assisted fire department and made one funeral escort.

There were several warnings given concerning disturbances, and one warning for disturbing the peace with loud noise. Two disturbances at a business were investigated and handled. Two warnings were given concerning burning trash, and the fires were put out.

In the animal control area, two dogs were terminated by request or permission of owner, one dog was reported poisoned by a neighbor, but no proof was found. Four people were warned concerning penning or tying dogs. Three skunks were shot inside the city limits.

The Police Department is very concerned about the problem of skunks. On one evening patrol Officer Cyfert counted 18 skunks. Since skunks are prime carriers of rabies, this creates an immediate danger. Therefore the Police Department will strive to safely dispose of as many skunks as quietly, quickly and odorlessly as possible. Mr. Hertel has told us that his department will assist in disposing of the carcasses.

### Gore Man Promoted

Freddy Allen, son of Mr. and Mrs. Raymond Allen of Goree, has been promoted to the rank of Lance Corporal in the United States Marine Corps.

Allen, a graduate of Goree High School, is serving with the 3rd Force Service Support Group on Okinawa.

Mr. and Mrs. Glenn Marugg of Woodward, Okla., visited her parents, Mr. and Mrs. Goodson Sellers, for several days.

## 1983 Windbreak Seedlings Available

Those producers and land owners in Knox County who are interested in putting in new windbreaks or revitalizing their old windbreaks are urged to contact the County Extension Office in Benjamin. They have a supply of applications for windbreak seedlings on hand in the office.

Species that will be available on a first-come, first-serve basis are: Bur Oak, Green Ash, Honeylocust, Mulberry, Native Plum and Russian Olive. These bare-root hardwoods will cost \$25.00 per 100 trees in multiples of 50 of any one species.

The confers orders must be for a minimum of 30 or more trees in multiples of 30 trees. The species available are Austian Pine, Ponderosa Pine, Arizona Cypress, Red Cedar and Scotch Pine.

The orders must be in by February 7, 1983, but the earlier you order the better your chance of receiving the trees you want. For more information or order forms contact Charles Siepel at the Knox County Extension Office.

### FTA Meeting

by Paula Waggoner

The Munday FTA chapter had its first meeting last Monday, September 29, to organize for the upcoming year. The main topic of discussion was the District FTA Convention to be held in Vernon on October 23.

Several members decided to run for district offices and Mr. and Miss FTA. Munday nominees for district office will be Salwa Choucair for financial secretary and Kelli Smith for Parliamentarian. Paul Wright will compete for Mr. FTA honors, and Kelly Wren and Mary Jane Kuehler will compete in the Miss FTA contest. This is a speech competition judged by a panel of judges. This year's theme is "Goals Begin With Dreams."

Munday will also participate in the name tag contest, which they won last

year, and the district participation and leadership contest.

At the meeting the members also discussed the various projects for the year. One of them will be the Adopted Grandparent

Program that was started last year. The adopted grandparents are residents of the Munday Nursing Center.

Mr. and Mrs. Julius Penartz, S. J. Redder, Herman Redder and Louis Redder

visited in the Raymond Redder home in Seymour last Thursday. Also visiting the Redders were their cousins, Rev. Raymond Redder of Minnesota and Mr. and Mrs. Herman Redder and David of South Dakota.

### THANK YOU

For the many acts of kindness shown during the recent loss of our Father and Mother, Walter and Linnie Trainham;

For the phone calls, memorials to worthy causes, floral arrangements, sympathy cards and many other acts of kindness and comforting words that make us glad that our parents lived in a small community where friendship and brotherly love are so evident;

To all those who brought food to the Trainham home and to the Benjamin Community Center and to the ladies who served the meals, we are so very grateful.

Our prayer is that God will bless each act of kindness.

## Area Grid Results

### THROCKMORTON DEFEATS RULE

Throckmorton defeated the Rule Bobcats in a home town exhibition Friday night by a low score of 7 to 0. The lone touchdown came in the second quarter.

The Hounds held Rule to eight first downs and 135 yards on offense, while they rolled up 18 first downs and 255 yards rushing.

Throckmorton is now 2-1-1 for the season, while the Bobcats are 2-2.

### YELLOWHAMMERS BEST MERKEL

The Rotan Yellowhammers put on a victory show for their hometown viewers Friday night as they defeated the Merkel Badgers in a one-sided affair of 26-0. Each

team had four fumbles.

Rotan moved to 2-3 for the season, while the Badgers stand at 3-2.

### HORNETS BETTER THAN JAYBIRDS

Aspermont's Hornets, entertaining the Jayton Jaybirds, used a stingy defense to stun the Birds to the tune of 17-6.

Aspermont went ahead 7-0 in the second quarter, then added a field goal later.

The Jaybirds, who suffered their first loss of the season, racked up yardage in the fourth quarter and scored six points. Aspermont added their "insurance" touchdown in the final period.

**KNOX CITY IS POOR HOST FOR EAGLES!**  
Dwayne Watkins, quarter-

back, threw for two touchdowns and ran for another to take a decisive victory over the Chillicothe Eagles.

The host team started early by rolling up 21 first quarter points. Watkins scored again in the second quarter, then teamed with flanker Tyke Meinzer for a 28-yard pass for another score.

Stafford scored on a four-yard third quarter run to end the scoring. Knox City is now 2-2 for the season.

### INDIANS RALLY TO DEFEAT INDIANS!

It took three quarters for Haskell's offense to start rolling, to overcome their hosts, the Quanah Indians, 14-6 in an exciting game.

Quanah went ahead 6-0 on a touchdown pass with 8:38 left in the game, but Haskell's Indians scored two touchdowns in less than a minute left in the game to gain the victory.

### WOODSON ADDS WIN OVER MORAN

Woodson's Cowboys went to Moran for a field day, as they humbled their hosts 39-14 in a District 4-A six-man game.

George Mark scored one of the Bulldogs' touchdowns then reportedly suffered a shoulder or neck injury late in the game. Woodson is 2-2 for the year, while Moran is 0-4.

### ROCHESTER STEERS DOWN WEINERT DOGS

Rochester's Steers made a short night for the Weinert

### JV's Remain Undefeated

by Coach Robert Redden  
Munday's Junior Varsity Moguls won their fourth game against no losses in a 24-12 decision over Knox City-O'Brien last week.

Early in the game, Todd Thompson took the handoff from Tim Collier and ran the kickoff back 99 yards to score our first touchdown. Ronny Lowrance kicked the extra point to make the score 7-0. Later in the quarter, Lowrance kicked a field goal to add another three points.

### HARROLD DEFEATS VERNON NORTHSIDE

The Harrold Hornets lost the first quarter battle, but came back to win the decision by downing the Vernon Northside Indians by a score of 61-14 before the game was called midway through the last period.

### CYCLONE HITS PADUCAH TEAM

The Memphis Cyclones raged over their visitors, the Paducah Dragons, in a 14-9 victory Friday night.

Paducah now stands at 3-2, while the Cyclones are undefeated in five outings.

\*\*\*\*\*

### Jr. High Game Report

by Coach Ed Pugliese

Munday Jr. High teams split two games with Knox City-O'Brien last Thursday night. The eighth grade Braves lost their second game in a row to the tune of 20-6. This team has a 2-2 record. The seventh graders upped their record to 4-0 with a hard fought 12-6 win over their opponents.

Our eighth graders simply did a poor job of executing the basics of football - blocking and tackling. If you cannot block and tackle as well as the other team, it is very difficult to win a ballgame. Our lack of speed was a factor in this game, also.

A last-second interception by Anthony Stinnett was the deciding factor in the seventh grade game. He picked off a Knox City pass at the fifty-yard line and ran it in for the touchdown with no time remaining on the clock to give us the win.

I am real proud of the boys; they hung in until the very end and we came out victorious. Anthony Stinnett and Corey Moore had their usual outstanding games.

I want to urge everyone to come to the Jr. High games this Thursday (today) at 5 p.m. We will play Rotan, and we plan to have a few surprises for them.

\*\*\*\*\*

Mr. and Mrs. J. B. King of Brownbranch, Missouri visited Mrs. Marguerite King and Patsy on Friday and attended the Weinert Homecoming on Saturday.

### JV's Remain Undefeated

by Coach Robert Redden  
Munday's Junior Varsity Moguls won their fourth game against no losses in a 24-12 decision over Knox City-O'Brien last week.

Early in the game, Todd Thompson took the handoff from Tim Collier and ran the kickoff back 99 yards to score our first touchdown. Ronny Lowrance kicked the extra point to make the score 7-0. Later in the quarter, Lowrance kicked a field goal to add another three points.

Thompson scored on a 12-yard run in the second quarter, and we made the two-point conversion on a pass play. Our last touchdown was on the same play we executed successfully against Quanah last week, Dent Offutt to Ryan Wright, who lateraled to Todd Thompson.

This was good for a 45-yard TD, and the extra point was blocked, giving the Moguls a commanding 24-0 lead at the half. Knox City came back to score their points in the second half, but we hung on for the win.

The first half of our game was extremely well played, but we were very disappointed in the second half. We just came out flat and gave up two blocked punts that accounted for both of Knox City's touchdowns. We seemed to be unable to move the ball in the last part of the game.

I will say that we were proud of the way our second team performed. The backup defense moved the ball well, and our second string defense played a fine game. Hollis Adams had an excellent night defensively, as did Randy Kuehler, Scott Jackson, Ray Killian, Adam Campos, Scotty Jackson, Johnny Masias and Tony Wilde.

We simply made too many mistakes in the second half, and this kept us from performing as well as we should have.

We will play Rotan here this week following the seventh and eighth grade games, and we hope to have a lot of fan support.

\*\*\*\*\*

Mrs. Marguerite King spent last week in Austin where she attended the Texas Federation of Womens Club board meeting and workshop. While there she conducted the Leadership/Personal Development workshop.

## PUBLIC NOTICE

In compliance with Sec. 43(a) of Art. 1446c, V.A.C.S., West Texas Utilities Company hereby publishes NOTICE that it has filed, on September 13, 1982, its Statement of Intent to make changes in its retail rates charged for electricity and services sold and rendered inside and outside municipal jurisdictions, such proposed changes to be effective October 19, 1982. Such Statement of Intent includes the proposed revisions of tariffs and schedules and a statement specifying in detail each proposed change, the effect the proposed change is expected to have on the revenues of the Company and the classes and numbers of utility customers affected. Systemwide retail adjusted annual revenues are expected to be increased 9.4 per cent by the new rates. Statements of Intent were filed with the Public Utility Commission of Texas and with the following municipalities:

Ablene	Haskell	Quanah

**ABSENT ONCE TOO OFTEN**

"Absent," the boss said to me. It was true. I had a headache. "Absent again," he said another time soon. Yes, my brother from Illinois came to visit. "Absent again," the boss seemed to be repeating himself, but he

was right. The kids had been sick, so we took them for a ride in the fresh air. One more time he said, "Absent again." What was my excuse? I had overslept.

The boss called me in, looked me squarely in the eye, and said, "You are not interested in working for me. You don't really want this job, do you?" "Oh yes, sir, I do. I need the job. It is very important to me and my family." But one thing after another interfered, and I missed work some more. Finally, the boss called me in and said, "You're fired! You were absent once too often!" I walked out of his office, down a long flight of stairs, out of the door . . . into HELL.

You see, my boss had been God. I had been employed as a Christian. Absences were from the worship and work of the church. God was right - I hadn't really wanted the job. I didn't really want to go to Heaven. So, I didn't!

In Luke 14:18, notice excuses made to Jesus: they sound like many that are made today. "And they all alike began to make excuses. The first said, I bought a piece of ground, and I must go and see it. I pray thee, have me excused. And another said, I have bought five yoke of oxen, and I go to prove them. I pray thee, have me excused. And another said, I have married a wife, and therefore I cannot come."

You see most people want to go to heaven, but are not willing to put forth an effort of faith and love: therefore they set their destination - to

Hell, by way of excuse.

How often have you made excuses to the Lord? How many times have you refused to work in the kingdom? How many times have you made excuses for not studying your Bible? God really loves you and wants you in Heaven, but the question remains and the decision is yours: What do you really want?

You see, being absent from the worship of the Lord is only a symptom of a chronic spiritual illness: that is Christ is not really the Lord and Master of your life. If you find yourself making excuses to the church and to the Lord, the only help for you is to go see a doctor. Jesus, the great physician!

In Christian Love  
Larry

**Women's Aglow Fellowship To Meet Oct. 14**

The Aspermont chapter of Women's Aglow Fellowship will meet on Thursday, October 14, at 7:30 p.m., in The Living Church in Aspermont.

Speaker for the October meeting will be Marianne Cassell of Lubbock. She is the author of two books and was instrumental in the organization of a recent retreat for Christian women in leadership held in Lubbock.

Women's Aglow Fellowship extends a special invitation to all interested women of the area to come and hear this exciting speaker.

# Weinert Homecoming Proclaimed Success

Graduates, students, patrons and visitors made the 1982 Weinert homecoming one of the largest in history. Activities began on Friday, October 1, and continued through Sunday, October 3.

Friday night, Bulldog fans formed a victory caravan and travelled to Rochester, where the Bulldogs suffered a disappointing defeat at the hands of Rochester's Steers.

Registration began Saturday morning at ten o'clock. A short program was held at 2 p.m. in the gym, the invocation being given by Dale Carroll. Guests were welcomed by Supt. H. L. Guest; response by Roberta Raynes Jenkins.

High school homecoming queen candidates were presented to the audience, and coming home queen nominees and escorts were

selected. Recognition of classes was led by Linda Yates Stewart, homecoming secretary, and President David Earle conducted the business meeting following.

A pom-pom was performed by Bulldog cheerleaders, Kim Forehand, Kelly Earp, Donna Griffin, Darla Griffin, and Mascot Darlene Carroll. Cheerleaders also led the audience in singing the

school song before the benediction by Jimmy White. A total of 410 people enjoyed the delicious supper of brislet, beans and salads served by the homecoming committee. Homemade desserts were furnished by the generous women of Weinert.

Crowning of the homecoming queen and coming home queen highlighted the activities. Kelly Earp and Shannon Forehand, fresh-

men representatives, were selected by the Weinert school student body as '82 homecoming queen and escort. Coming home queen nominees and escorts were: 1920-45, Clara Bettis Moody and Foy L. McKennon; 1946-59, Wanda Dunnam and Donald Griffin; 1960-70, Kathy Hager and Jimmy White; 1971-82, Karen Earp Harlan and Johnny Earp IV. The crowd selected Wanda Dunnam and Donald Griffin

for their 1982 coming home queen and escort.

A beautiful handmade quilt, made by Weinert's extension homemakers, was given away by the Weinert Home spun Extension Club, the winner being Juanita Dunnam of Haskell.

Auctioneer Joe Yates led bidding on three matching pillows to net a total of over \$500 to benefit West Texas Rehab Center.

A musical trip through the

decades began at 7:30 p.m. Bailey Goss presented music from the 20's, while George Faye and Lee Gray played selections from the '30s.

The class of 1958, led by Wilburn Hill, Darwood and Elwood Bruton, wrote and performed a radio program featuring news and bits from the '50s. Kay Newton Graham, Anita Edwards Watkins and Sandra Mathison Nichols sang selections from the '60s. Alesia Mayfield Rimmer brought back memories from the '70s, while Kristi White Hut-

chinson represented the '80s. The Raynes girls also presented musical selections. The program was closed by Cindy Goss singing "Coming Home".

A community-wide worship service was held at 11 a.m. Sunday in the Weinert gym. Prayers were voiced by Jerry Walker and R. M. Walker. Special music was by the Weinert Foursquare children, a quartet of Alice Yates, Erlinda Mayfield, Doris Walker and Wanda Hester; a quartet of Kelly Earp, Darla Griffin, Laurie

Hester and Stacia Adams. The sermon was delivered by Weinert graduate Terry Sanders, now of Abilene.

The programs and church services were made more comfortable by the addition of evaporative air-conditioning recently installed in the gym. However, contributions are still needed to pay for these. Donations may be given any Weinert faculty member or deposited at Haskell National Bank and the First National Bank in Munday. Your donation will be greatly appreciated.

## Coach Lankford Comments

Coach Rogers Lankford

We were pleased to come away with our 19-7 victory over Electra last Saturday, considering we did not play as well as we had anticipated, especially in the last three quarters.

We had an excellent first quarter, scoring two touchdowns, but turnovers plagued us the rest of the day. We only had the ball on 43 offensive plays, which is around 15 plays less than we have been having in a game. Considering how often they had the ball, we were lucky they only scored one touchdown.

Our defense did come up with several big plays to stop Electra drives deep in our own territory. Dave Hunter had one of the big defensive plays of the day on a pass interception which he returned 64 yards to the Electra 6, and we were able to score on the next play from scrimmage.

Lawrence Collier had 98 yards rushing on 17 carries, and two TD's. Quincy Adams ran 66 yards on 9 carries and scored our other touchdown. Chris Moore had 17 yards on three carries, and Dave Hunter ran the ball 6 times for 49 yards. This is an average of 6.5 yards per carry. On that rushing average we should have scored more than we did, but we suffered two fumbles and three interceptions, which spoiled some good efforts.

The playing conditions - the heat, a hostile homecoming crowd and the fact that we were playing on Saturday afternoon - all contributed to our performance, but we did what we had to do in order to win the game. When a team can win a game even though it is not playing well, this gives a coach a lot of hope for future improvement.

Rotan will be the best team we have played so far, and may be the best team in the district at this stage of the game. They have an unimpressive 2-3 record, but they have been playing good competition and have improved every week. This is the mark of a good football team.

Rotan has a fine running back, and we will concentrate on stopping him and the rest of their offense. The team that controls the ball will probably win this game. Their speed matches ours, and it is likely going to be a very tough, physical game. We will try to make fewer mistakes than we did at Electra, as this will be an important factor.

The buses will leave Munday at 4 p.m. We plan to eat after the game and will probably be back home around midnight.

### ATTEND FUNERAL

Mr. and Mrs. B. B. Bowden attended the funeral of Mrs. Bowden's sister, Mrs. L. M. (Marie) Tabor, in Comanche last Friday. Mrs. Tabor died on Thursday in the DeLeon Hospital.

# LIQUIDATION SALE!

REASON FOR SALE

We are OVERSTOCKED have bought too much merchandise for a store our size and we need to convert this excess inventory into cash NOW. We are an aggressive firm attempting to maintain our amiable reputation in the community and selling fine lines of merchandise, but like many stores there comes a time when mistakes occur and adjustments are in order that is why profits is not the object of this sale. REDUCING INVENTORY - raising cash and stimulating business is our ONLY REASON for this sudden and drastic move. We consider it good business to take losses, swallow our pride and admit our mistakes. Nothing wrong in that is there?

## Farm And Ranch Report

CHARLES SIEPEL  
KNOX COUNTY EXTENSION AGENT

### Protection Of Stored Grain Begins Before Harvest

Insect damage doesn't stop at harvest. Losses caused by stored-grain insects can be at least as extensive as insect damage in the fields. So insect control should not stop with harvest, but continue as long as grain is in storage.

Damage to growing crops is usually quite visible; but damage to stored grain frequently is concealed. Insects may be hidden deep within the grain mass.

Insect damage to growing crops may be offset by various factors such as partial recovery of damaged plants or increased yields. But insect damage to stored grain is final, with no hope of reversal.

Because of these factors, your goal in protecting stored grain from insects should be prevention, rather than cure. Prevention involves several management-related factors.

Since temperature and moisture affect insect survival, steps should be taken to regulate both these conditions. Most insects need a minimum temperature of 60 degrees to develop populations of damaging proportions. To prevent this, grain can be cooled by equipping storage bins with an air distribution system. This forces air through the grain when the grain's temperature

is higher than that of the atmosphere. This process removes heat from the grain and exhausts it from the bin.

Stored-grain insects must have water to survive. If the grain's moisture content is above 10% they can get water from the grain itself. But when the moisture content is below 10% the insects have two choices: they must either break down the grain components or use their own energy reserves. Under such conditions survival becomes difficult. Therefore, if you plan to store grain for long periods, you'll need drying and aeration equipment.

In addition to maintaining temperature and moisture levels, the use of an insecticide is highly recommended. There are three steps in using insecticide to control storage insects: (1) spray bins and equipment about two weeks before storage; (2) treat the grain itself as it moves into the bin; and (3) top dress the grain after the bin is filled.

This preventive treatment has several advantages over fumigation. Fumigants are more expensive than other insecticides. The insecticide such as malathion controls not only existing pests, but its residual action continues to protect the grain.

Secondly, fumigants are highly toxic, they require a certified applicator and specialized equipment. Insecticide, such as malathion, are

some of the least hazardous insecticides with respect to both applicator and environment. They can be applied with simple equipment.

Utilizing both chemical treatment and sound management techniques, you can provide a low-cost, yet extremely effective means for protecting your valuable stored grain.

### Garden Clean-up Reduces Disease

Knox County homeowners can help prevent future plant disease problems in flower beds and gardens by practicing some simple preventive maintenance this fall.

Plant disease organisms usually overwinter in infected plant parts such as leaves, stems and rotted or dried up fruits. Removing infested plant material from flower beds or gardens will help reduce next year's disease problems.

Remove infected leaves and fruits from plants and prune stems or branches back six or more inches below the last sign of infection. Use disinfectant dip such as a 10 percent solution of household bleach for the pruning instrument to avoid mechanical spread of the disease.

Fall plowing should follow this clean-up. Deep burial of plant residue is one method of disease control that has been successfully used by farmers for many years.

Diseases can't be completely eliminated by clean-up practices, but gardeners and homeowners who clean up their gardens and flower beds in the fall will have fewer disease problems next year.

### Abilene MHA To Offer Program On Aging

"As Parents Grow Older" is an educational program for families with aging parents or relatives. It is designed to be of help to those who have concerns or want to improve their communication with elderly parents. A series of six sessions will deal with the aging process, relationships between family members, availability of community resources and ways to help aged relatives remain as vital and self-reliant as possible.

The Mental Health Association of Abilene is offering a group experience to deal with these and other concerns that occur as parents grow older. The series will be held Thursday evenings, October 14 through November 18, from 7:30 - 9:30 p.m. at the Junior League House at 774 Butternut St. Registration is limited. The fee is \$10.00 for materials. To register please call 695-5240 or write the Mental Health Association, 1734 So. Clack, Abilene, Tx. 79605.

### Disaster Loans Available From SBA

Congressman Charles W. Stenholm (D-Stamford) has announced that Economic Injury Disaster Loans from the Small Business Administration will be made available to small businesses in 22 counties of the 17th District.

"These are counties which suffered extensive rain and hail damage this June," Stenholm said. "Because agriculture is the foundation of the Economy in so much of West Texas, many small businesses in the region find themselves in dire straits through no fault of their own."

The SBA disaster loans, Stenholm added, will provide needed assistance to many businesses in the 22-county region, including firms such as cotton gins which depend heavily on farmers for their economic health.

Special disaster payments and other farm program benefits for cotton, wheat and feed grain producers were announced in July. In addition, the Farmers Home Administration is expected to make many West Texas counties eligible for emergency disaster loans to farmers in the near future.

Operators of small businesses in the 22 counties should contact the SBA for more details on the loans, Stenholm said. Three SBA offices in Texas will be dealing with the emergency loans, and will be open from 8 a.m. to 4:30 p.m. beginning Monday, September 27. One office is located at 2306 Oak Lane, Suite 110, Grand Prairie, phone (214) 263-9924; the second is at 1611 10th St., Suite 200, Regency Plaza, Lubbock, phone (806) 762-7481; and the third is at 205 E. 5th St., Room 122, Amarillo, phone (806) 372-2465.

Counties in the 17th District eligible for the SBA loans are Baylor, Borden, Coleman, Crosby, Dawson, Fisher, Floyd, Garza, Haskell, Howard, Jones, Kent, Knox, Lynn, Mitchell, Nolan, Scurry, Shackelford, Stonewall, Taylor, Throckmorton and Young.

### Acreage Reduction Program To Aid Farm Income

National Cotton Council President Ed Breihan said Secretary John Block's announcement of a cotton acreage reduction program along with advance payments should help bolster sagging farm income.

The program announced by Secretary Block calls for a 20 percent reduction from the 1983 base of more than 15 million acres to be eligible for program benefits. An additional 5 percent paid diversion is offered to participants.

An advance payment of 50 percent of the expected 1983 payments will be made at the rate of 6.4 cents per pound for expected deficiency and 12.5 cents per pound for the diversion payment. Sign-up for program compliance and advance payments began October 1, and the advance payments are made at the sign-up.

Breihan commended the Secretary on his action. He pointed out that the Council's board of directors earlier this month had requested that the Secretary use all tools at his disposal to reduce the cotton carryover to not more than 3.5-4 million bales as soon as practical.

The action had been made necessary by an unusually large 1981 crop and weak market conditions, leading to an excessive carryover of 6.5 million bales, Breihan explained.

Take stock in America.

# PROPOSED B-K RESIDENTIAL RATES

The following schedule J-1.0 shows the comparison of existing rates and proposed rates for the residential class. As you will notice at the bottom of this schedule, the existing Fuel/PCA variable of 5.397¢ per kWh has been reduced to 3.169¢ per kWh on the proposed column. Until B-K gets approved rates from the Public Utility Commission all of the Brazos Electric Power Cooperative's (wholesale power supplier) rate increase, that was effective in December 1981, has to be passed through to the consumer in the form of a power adjustment charge. The wholesale power increase will become part of our rates when approved by the PUC; thus the lower proposed Fuel/PCA variable of 3.169¢.

COS  
Schedule J-1.0

### A RURAL RESI WH

	EXISTING RATE	SCHEDULE	
FIRST	25 kWh/MONTH @	.120000	\$/kWh
NEXT	55 kWh/MONTH @	.047000	\$/kWh
NEXT	120 kWh/MONTH @	.027000	\$/kWh
NEXT	300 kWh/MONTH @	.012000	\$/kWh
OVER	500 kWh/MONTH @	.019500	\$/kWh

Minimum = \$3.00, Includes 25.00 kWh

### A RURAL RESIDENTIAL

	PROPOSED RATE	SCHEDULE	
FIRST	25 kWh/MONTH @	.000000	\$/kWh
OVER	25 kWh/MONTH @	.046500	\$/kWh

Minimum = \$6.00, Includes 25.00 kWh

### CUSTOMER CHARGE \$6.00

kWh USAGE	COMPARISON OF RATE SCHEDULES			INCREASE %
	EXISTING \$	PROPOSED \$	\$	
50	6.87	8.74	1.87	27.22
100	11.52	12.66	1.14	9.90
200	19.61	20.48	0.87	4.44
300	26.21	28.30	2.09	7.97
400	32.81	36.12	3.31	10.09
500	39.40	43.93	4.53	11.50
750	57.78	63.48	5.70	9.87
1000	76.14	83.03	6.89	9.05
3000	223.08	239.41	16.33	7.32
5000	370.02	395.79	25.77	6.96
Fuel/PCA	.0539700	.0316900	\$/kWh	

How to use this schedule for the proposed rate increase for 1000 kWh consumption on a monthly bill:

FIRST 25 kWh = \$6.00; NEXT 975 kWh @ 4.65¢ = \$45.34;  
Fuel/PCA : 1000 kWh @ 3.169¢ = \$31.69.  
Add \$6.00 + \$45.34 + \$31.69 = \$83.03 Total Monthly Bill Charge.

The utility commission has not ruled on this proposal. Thus, the example is an estimate only.

Our present residential class rate became effective in June 1973. B-K Electric is no longer able to meet its operating and other expenses on these rates. The total utility plant in June 1973 was \$5,041,984 and as of August 1982 was \$8,099,290. This has been an increase of 38% growth in total utility plant. B-K Electric has experienced the same expense increases as other businesses and should be commended for holding the line as long as they have.

The proposed rate increase package as presented to the Public Utility Commission is available at the cooperative's office at 419 North Main St., Seymour, Texas. We invite you to come by and examine it if you wish. The cooperative's business hours are, Monday - Friday, 8:00 a.m. - 12:00 noon and 1:00 p.m. - 5:00 p.m.

**GORÉE WAS "HOME" FOR MANY YEARS . . .**  
**"Aunt Kate" Glasgow, Area Resident Since 1909, Succumbs**

Katherine (Aunt Kate) Glasgow, 98, passed away at 7:30 a.m. Wednesday, September 29, at Munday Nursing Center, where she had resided for a number of years.

She was born on October 1, 1883, in Mississippi, and was married to Sam Glasgow on December 24, 1903, in Corsicana. He preceded her in death some years ago.

The couple moved to Knox County from Corsicana in 1909, some six years after their marriage, and had an active part in city and community affairs in and around Goree for all these years.

She was a member of the First Baptist Church of Goree.

Due to her advanced age and declining health, she became a resident of Munday Nursing Center some years ago, but she continued to brighten the lives of those about her. Each of the nursing center's weekly news activities prepared for publication usually started out with accounts of those who visited "Aunt Kate" during the week.

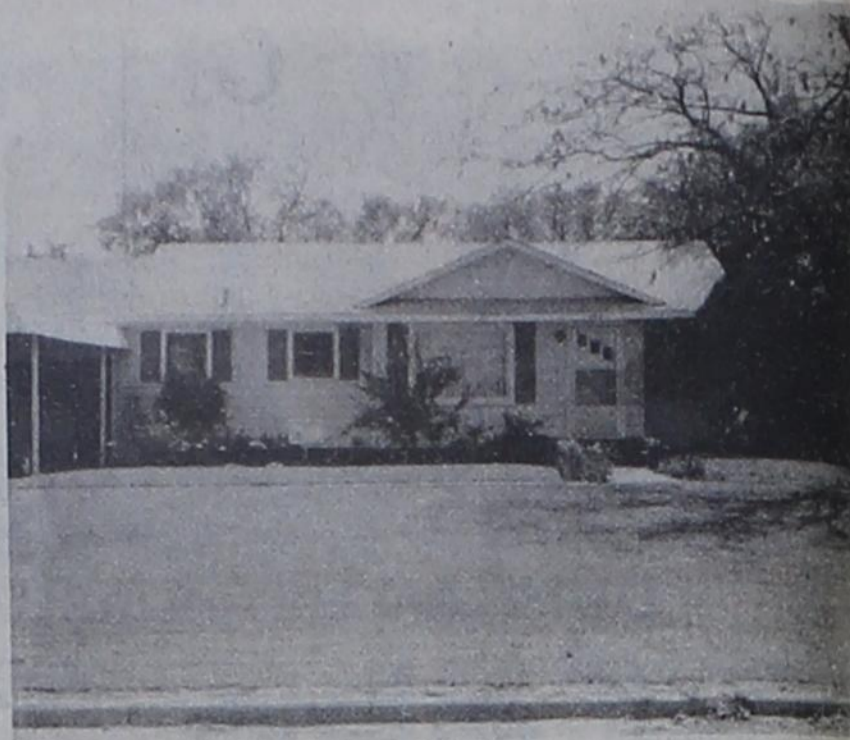

Funeral services were held at 2:30 p.m. Friday from the

First Baptist Church in Goree. Because the church has no active pastor at this time, those who probably knew her best, John Lloyd, (Sandy) Lambeth and Everton B. Hosea, officiated.

Burial was beside her husband in Goree Cemetery, with McCauley-Smith Funeral Home in charge of arrangements. Serving as pallbearers were Fred Jones, Gerald Myers, J. D. Hicks, Lee Paterson, T. J. Trainham and James Peek.

Surviving her are a brother, Joe Weber of Baton Rouge, La.; a sister, Mrs. Ruth Hammons of Goree; seven step-grandchildren; and number of nieces and nephews. A nephew, Joe Lee Weber of Baton Rouge, is a former employee of the old Munday Times.

Rev. and Mrs. Don Travis have had Don's mother, Mrs. Murl Travis of Shattuck, Okla., as a guest in their home for several days. The ladies visited relatives in Sweetwater the first of this week, while Rev. Travis was attending pastors' school at Camp Butman.

**THE HOME OF** Mr. and Mrs. Cecil Booe at 540 West B has been selected as Yard of the Month by Munday Garden Club judges. The green lawn, beautiful spider lilies, marigolds and other flowers in fall colors make the yard a lovely sight.

**Funeral For Mrs. Trainham Held Friday**

Mrs. Linnie Trainham, 74, of Benjamin passed away at 10:50 p.m. Wednesday, September 29, just a few days after funeral services for her husband, at Seymour Memorial Hospital after suffering a stroke.

She was born on November 16, 1907, in Wise County and came to Knox County with her parents, Mr. and Mrs. Bill Stockton, when only a child. She married Walter W. Trainham on October 21, 1925, in Vera. He died on September 21.

Mrs. Trainham was a housewife and a member of the First Baptist Church.

Funeral services were held at 2 p.m. Friday from the First Baptist Church in Benjamin with Rev. K. E. Woolley, retired Baptist minister, and Rev. Arthur Tigert pastor of Calvary Baptist Church in Seymour, officiating. Burial was in Vera Cemetery under direction of Smith Funeral Home.

Pallbearers were Van Green, W. T. Cartwright, Stanton Brown, Lamoine Patterson, Bobby Roberson and Charles Griffith. Named as honorary pallbearers were Mickey Driver, Hester Hall, Leroy West and Ken Patterson.

Surviving her are two sons, William L. Trainham of El Paso, and Robert Lee Trainham of Benjamin; two daughters, Peggy Hertel of

Munday and Joy Jones of Vera; a brother, Claude Stockton of Benjamin; a sister, Ida Feemster of Vera; non; six grandchildren; and two great-grandchildren.

**Love Brown Of Benjamin Dies Sept. 28**

Love Calvin Brown, 77, resident of Benjamin for a number of years, passed away at 3:05 a.m. Tuesday, September 28, at the Knox County Hospital, following a long period of illness.

Mr. Brown was born on July 5, 1905, in Parker County and moved to Knox County from Clay County in 1923. He married Era McMinn on February 3, 1923, in Benjamin.

He was a retired rancher and truck driver, and a deacon in the First Baptist Church.

Funeral services were held at 2 p.m. Wednesday, September 29, from the First Baptist Church in Benjamin with Rev. K. E. Woolley, a retired Baptist pastor, officiating. Burial was in Benjamin Cemetery under direction of Smith Funeral Home.

Serving as pallbearers were Charles Griffith, Dutch Benson, Charles Jones, W. T. Cartwright, Leroy West and Steve Wilson. Named as honorary pallbearers were Togo Moorhouse, Pete Barnett, Collins Moorhouse and Clarence Clower.

Surviving him are his wife, Era, of the home; three sons, Calvin Brown of Perryton, Truman Brown of Edinburg and Stanton Brown of Benjamin; four daughters, Lois Wells of Seymour, Daisey Roberts of Mesquite, Bela Whitmire of Grapevine, and

**Vera Happenings**

By MRS. THELMA COULSTON

Mr. and Mrs. Bob Pendargrass of Lubbock visited in the home of their friends, Mr. and Mrs. Jerrell Trainham, on Tuesday.

Mr. and Mrs. George McKinney entertained the "42" club members with a dinner and forty-two party in their home last Tuesday evening. Attending were Mr. and Mrs. Claudell Bratcher, Mr. and Mrs. Armon Smith, Mr. and Mrs. Clyde Beck, Mr. and Mrs. Billy Kinnibrugh, Mr. and Mrs. Carl Coulston, Mr. and Mrs. Jerrell Trainham, Mr. and Mrs. Gaylon Scott and guests, Mr. and Mrs. Paul Weiss.

Gregory Marek of Wichita Falls spent the weekend with his grandparents, Mr. and Mrs. Clyde Beck and Russell.

Lloyd Wilson remains a patient in the Seymour hospital.

Truman Shipman of Mineral Wells, Darwin Shipman of Midland and Mrs. Irene Sutton and Mr. and Mrs. D. A. Chapman of Seymour visited Mr. and Mrs. Sam Shipman and attended the funeral of Mrs. Walter Trainham in Benjamin last Friday.

Mrs. Viola Howell of Seymour was a recent visitor in the home of Mrs. Maddie Hardin. Other visitors with Maddie this weekend were her brother and wife, Mr. and Mrs. Everett McWhorter of Lipan.

Mr. and Mrs. Robert Coffman and little Hardy of Wichita Falls spent the weekend with Mr. and Mrs. Olen Coffman.

Out-of-town Trainham relatives here for the funeral of Mrs. Walter Trainham were Mr. and Mrs. Lestel Trainham of Mountain

Veba Jones of Hawley; two sisters, Tisha Hickson of Granbury and Mattie McMinn of Lubbock; 15 grandchildren and three great-grandchildren.

A reunion of the children of Mrs. Willie Jennings of Rule was enjoyed in the home of a daughter, Mr. and Mrs. George McKinney, during the weekend. Attending were Mr. and Mrs. E. K. Koelder and son, Gary, and Mrs. Jimmy Ray and Travis of Hale Center, Mrs. Johnny Boyce and Jennifer of Mount Pleasant, Mr. and Mrs. J. W. Jennings and Raymond Jennings of Pampa and Mr. and Mrs. Orville Emerson of Fresno, Calif. Also a guest in the McKinney home Sunday was Mrs. Irma Feemster of

Seymour. Mrs. Royce Young of Plano and a daughter, Mr. and Mrs. Joe Burdine of Dallas, and Mr. and Mrs. Toby Crooks and two children of Seymour helped their mother and grandmother, Mrs. Sabra Rice, celebrate her birthday in the home of Mr. and Mrs. Jerrell Trainham and family, last Saturday. Jona Nelson of Seymour spent last Monday night with her grandmother, Mrs. Maddie Hardin.

## HOSPITAL NOTES

Billy Moore is receiving medical treatment in the Bethania Hospital in Wichita Falls.

Mrs. Edith Mooie received medical treatment at the Haskell Hospital several days last week.

Mrs. Helen Roberts and son, Wally, were in Lubbock on Monday for Mrs. Roberts to see a dermatologist.

## ATTEND FUNERALS

Visiting in the home of Mr. and Mrs. Tony Hammons last week and attending the funeral of Mrs. Kate Glasgow on Friday were, Mr. and Mrs. Cecil Temple, Lawton, Okla.; Mr. and Mrs. Charles Krumpum of Albuquerque, N.M. and her daughter, SuRita, of Wichita Falls; Mr. and Mrs. Raymond Melton, Weatherford, and Mr. and Mrs. L. M. Patterson and Doug Donoho of Munday.

Mr. and Mrs. J. C. Watson and granddaughter, Marcie Hale of Big Spring, attended the funeral of Mr. Watson's cousin, Mrs. Honnell Watson, in Gorman last Sunday.

Visiting in the Lewis Hutchens home last Wednesday and attending the funeral of Alan Hutchens at Munday were Lewis Hutchens, Cisco; Mr. and Mrs. Richard Hutchens and Mr. and Mrs. Gary Hutchens, Wichita Falls; Mrs. Betty Spahn, Iowa Park, and Jerry Hutchens of Seymour.

Mr. and Mrs. Loyd Robertson of Red Springs and Mrs. Tommie Bramlett of Seymour visited Mrs. Tomie Polson and George Rawls on Friday and attended the funeral of Mrs. Kate Glasgow.

## NEW ARRIVAL

Mr. and Mrs. Riley Bell are announcing the arrival of a great-grandson on Sunday morning at 7:30 in the Lewisville Hospital. His name is Michael William and he weighed 8 pounds and 3 ounces.

His parents are Mr. and Mrs. Michael Brown of Lewisville. The maternal grandparents are Mr. and Mrs. Bobby Bell Sr. of Dallas and paternal grandparents are Mr. and Mrs. Michael Brown Sr.

## HERE AND THERE

Visiting Mr. and Mrs. Ewen Beatty during the weekend were Jimmie Dale Beatty, Greenville, Miss.; Mrs. Lois Beatty, Sharon and Karen, of Munday and J. D. Loyacona of Knox City.

Mr. and Mrs. Ruby Hammons visited

last week with her sister, Mrs. Lura Wessel, and her niece, Mr. and Mrs. Hugo Reimer and family in Stinnett. They also visited a nephew, Mr. and Mrs. J. H. Wetsel in McLennan.

Mrs. Dewitt Green has been visiting for the last two weeks with her grandson, Wade Green, of Copperell, who has been seriously ill in the Cooke Childrens Hospital in Ft. Worth.

Harding Cartwright of Wichita Falls visited Mr. and Mrs. Elkin Warren last Friday.

Mrs. Lois Howard and Mrs. Merle Lambeth and grandson, Zane Donoho of Munday, visited Mrs. Blanche Atkinson, Mrs. Peggy Shropshire and Mrs. Vanessa Langston and daughter at New Deal last week. Mrs. Lambeth also visited Chloe Lambeth in Lubbock. Mr. Lambeth accompanied John and Charles Shropshire of New Deal on a fishing trip to Lake Amstead near Del Rio. They reported a good catch of fish.

Mr. and Mrs. Chester Smith attended the homecoming at Weinert last Saturday and Sunday.

Mr. and Mrs. J. C. Watson came home last Tuesday from several days visit at Lake Whitney.

Mrs. Grace Hutchinson of Bridge City is visiting her sister, Mr. and Mrs. Homer Lambeth. Mr. and Mrs. Billy Lee Lambeth, Joe David and Anna, of Lubbock, visited his parents during the weekend.

Mrs. Nancy Beatty and Bridgett, and Mrs. Jeanie Carden of Munday visited Mrs. Tennie Tynes last Saturday.

Roy Shake and Misti of Abilene were dinner guests in the J. C. Watson home on Sunday.

Mr. and Mrs. Elkin Warren visited Billy Moore at Bethania Hospital in Wichita Falls, on Saturday.

Lawrence Huckabee of Munday visited Mr. Lock Atkinson on Saturday. Mrs. Billy Jameson visited Mr. and Mrs. Bob Woodall in Seymour last Tuesday. She also visited in Stamford on Thursday.

Mrs. Winnie Howry visited a few days last week with her son and family, Mr. and Mrs. Jackie Howry, Melanie and Becky in Wichita Falls.

Visiting Mr. and Mrs. Billy Huffman during the weekend were Mrs. David Speck, Elisha and Kyle, of Knox City and Mr. and Mrs. Glenn Huffman and children.

Mrs. Essie Mae Moore visited her brother, Billy Moore, in the Bethania Hospital in Wichita Falls on Friday.

Mr. and Mrs. L. O. Chamberlain visited his father, Mr. and Mrs. Fayne Chamberlain, in the Tahoka Care Home on Sunday.

Visiting Mr. and Mrs. Grady Williams during the weekend were his sister, Mrs. Walter Rutherford and son, Bill Rutherford, of Lubbock. They attended the Weinert Homecoming on Sunday.

Clifton Mooney of Dallas visited his mother, Mrs. Gladys Mooney, during the weekend. Mr. and Mrs. B. T. Matysiak of Rule visited Mrs. Mooney on Saturday.

Mrs. Ruby Walker of Eldorado, Okla., visited her aunt, Mrs. Tomie Polson, and her uncle, George Rawls a few days last week.

## LOOK TO THE EAST

Continued from Page 1

not the responsibility of teachers to take over this holy duty."

We of Munday are proud of our public schools. Although Bible reading and prayer may not be part of the school curriculum, local children are taught by dedicated and religious people. After all, they have charge of the child during more daylight hours, we guess, than do the homes!

Ever since the beginning of the town of Munday, we have been indebted to our schools for liberal use of their buildings and facilities. In the early days, religious people met in Munday's first school building while they were organizing churches and constructing buildings.

This spirit of community cooperation has prevailed on through the years, as extensive building and remodeling programs by our church groups necessitated the use of our school as a place to hold religious services.

We have been permitted to hold revival meetings on our athletic field and in our school auditorium. We still open our football games with prayer - and it may take another court ruling to stop that!

No one by the name of O'Hair can prevent prayer in our hearts and lives. Practically all of us use some method of prayer. We may not be able to give voice to our prayers, but in our hearts we greet each morning with a prayer of thanksgiving for "life, liberty, reasonably good health, and the ability to carry on our duties." Nothing short of this would be satisfying!

Prayer is a solace for the human soul!

## THE TOM-TOM Happenings In Munday Schools

### FTA Officers Attend Workshop

by Paula Waggoner

Munday FTA officers recently attended the District IX, Future Teachers of America Leadership Workshop in Yerton. Those attending were Julie Partridge, president; Cherie Welch, vice president; Donna Welch, secretary-treasurer; Paula Waggoner, reporter; and Kelli Smith, parliamentarian. The girls were accompanied by Mrs. Leona Partridge.

An interesting part of the workshop was the Idea Swap Shop. Each chapter passed out pamphlets and told about their fund raising projects and their school and community service projects to give ideas to the other FTA's present.

The Munday FTA officers are looking forward to a successful year.

### Senior Class Officers Elected

by Sharla Bryan

Danny Hertel has been elected president of the 1982-83 senior class at Munday High School. Other officers voted in at the class meeting held on Wednesday, September 29, were Junior Ramirez, vice-president; James Tidwell, secretary-treasurer; Sharla Bryan, reporter; and Darla Myers, student council representative.

Junior Ramirez and Darla Myers were named senior class favorites.

Also discussed at the meeting was the senior chili

supper, which will be held Friday, October 15, before the Paducah-Munday football game from 5 until 7 p.m. Class members will be selling tickets for the supper.

### Munday FFA Picks Officers

Officers for the Munday chapter of Future Farmers of America for the 1982-83 school year have been elected.

Leading the group this year will be Danny Hertel. Other officers include Danny Sloan, vice-president; Greg Urbanczyk, secretary; Paul Wright, treasurer; James Tidwell, reporter; Chris Moore, sentinel; and Kregg Sanders and Dent Offutt, historians. Advisors for the chapter are Greg Rawdon and Eddy Nelson.

In another election held by the FFA chapter, Kristi Smith was named sweetheart.

### VISITORS

M. L. Wiggins visited the Roy Bouldia family in Denison the latter part of last week, then went on to College Station to see Texas Tech's Red Raiders defeat the Texas Aggies.

Happy Birthday

Brandon Lee Sosa

The Munday Courier, Thursday, October 7, 1982, Page 9

### It's A Girl!

I'm a little early for Halloween, but I am a real treat! My name is Amanda Diane, and I made my grand entrance at 8:23 p.m. on Friday, October 1, 1982, at Haskell Memorial Hospital. I weighed in at six pounds, 14 1/2 ounces.

My proud parents are

Raymond and Debbie Moore. My grandparents all live in Munday and they are Leonard and Zonell Moore and Ann Moore. I have a great-grandmother, Mrs. Annabelle Moore, in Corsicana, and lots of aunts, uncles and cousins, who are going to see that I get plenty of spoiling!

CARD OF THANKS  
 We would like to express our thanks and appreciation to our many friends in Knox County, to Dr. Thompson, Dr. Neufeld, the nurses and staff of Knox County Hospital, and to the staff of Brazos Valley Care Home, for your prayers, friendship and expressions of kindness through your memorial gifts, flowers, food and words of concern during and after the long illness and passing of our beloved husband and daddy.  
 May God bless you all.

**CARD OF THANKS**  
 We deeply appreciate your thoughtful expressions of love and sympathy which were shown to us during the loss of our husband and father. There aren't enough words to express our feelings for all the wonderful things that were done for us during the past week. We want to thank you for the flowers, cards, memorials, food and the words of comfort will never be forgotten. All of this has made this time a little easier for us to bear.  
 Bunny, Lowell and Scott Hutchens

**CARD OF THANKS**  
 Words fall when we try to express our deep gratitude of thanks and love to all our friends. Thanks for helping in her last hours and to all for their cards, flowers and prayers. A special thanks to Joyce and all the nurses and workers in the care center, all through the four years. God bless you all.  
 The family of Aunt Kate Glasgow

**U STORE IT U LOCK IT U KEEP KEY**  
**The Jewel Box**  
 MINI-WAREHOUSE

**CARD OF THANKS**  
 Thanks so much for all the visitors, the phone calls, the cards, the lovely flowers and your prayers in my behalf. I thank the doctors and the entire hospital staff for their love and concern while I was in the hospital.  
 I love every one of you.  
 Tennie Montandon

**CARD OF THANKS**  
 We are again reminded of the blessings of having wonderful friends because of your floral offerings, cards, phone calls, personal visits, memorial gifts and other expressions of sympathy in the death of Mildred's sister, Mrs. L. M. Tabor. Our prayer is that God will richly bless you all.  
 Mildred and B. B. Bowden

**CARD OF THANKS**  
 Words can't express the appreciation that we feel for all you dear friends for what you did in the loss of our beloved dear one. I realize that the time on the clock means nothing when, in the time of our need, you were all there when we needed you. We want to thank everyone who helped clean my house, for all who brought the food to the house, all that sent flowers, all that fixed food and served food at the church, all that visited us in the time when we needed you so much. Thanks for all the prayers said for us, all the pretty sympathy cards sent that are going to be such great comfort to us. I want these thanks to go to everyone who helped us so much. This is a special thanks to everyone because I don't want to miss anyone in this card of thanks because everyone did so much.  
 We also want to send a special thanks to Brother Jim Way who preached a perfect sermon. For not knowing Coy B. and our family, it was just what we needed.  
 We also want to give special thanks to the organist and all the singers for the special songs for our family in the time of our terrible grief. Also a special thanks to all the pallbearers and honorary pallbearers.  
 Richie, a special thanks to you for what all you did for us in our time of sorrow and for the things that you are continuing to do for me in my time of grief.  
 Maurice, Barbara and Dennis

**CARD OF THANKS**  
 We want to thank everyone for every kind expression of love you've shown to us in the loss of our loved one. Thank you for the good food, visits, calls, flowers, cards and prayers.  
 We want to express our thanks to Payne Hattox for preaching the funeral, and to Dan Cox and Larry Swan for assisting him.  
 We want to thank all our friends for everything that was said and done for us.  
 We love all of you more than you'll ever know.  
 May God Bless you.  
 Bunny, Lowell and Scotty Elmer and Ruth Hutchens Clifford and Dorothy Rhoads

**CARD OF THANKS**  
 One secret to choosing a well-balanced yet striking wardrobe is to learn what colors enhance your skin and hair tones and look best on you, says Becky Saunders, clothing specialist with the Texas Agricultural Extension Service. Color should draw attention to your face and make it appear brighter. To find your best colors, try holding different swatches of fabric against your neckline. Opinions of friends may also be helpful in deciding what colors look best on you, the specialist says.

 People once believed that if their palms itched they would receive money.

## October 3-9 Is National 4-H Week

Nearly 90 4-H members and 25 volunteer leaders in Knox County are taking part in special activities for National 4-H Week Oct. 3-9. This year's theme, "4-H Pathways To The Future," challenges members to become self-directing, productive and contributing members of society, points out April Stamps, county agent with the Texas Agricultural Extension Service, Texas A&M University System.

Through practical hands-on learning experiences, 4-H members select and follow pathways that lead to success in personal and career development.

4-H, America's largest out-of-school programs for boys and girls between the ages of 9 to 19, is the youth program of the Cooperative Extension Service of the state land-grant universities and the U.S. Department of Agriculture. Some five million youth are involved in 4-H across the nation, with 140,000 of these in Texas.

The overall mission of the Extension Service is conducting 4-H programs for the development of youth individually as responsible, productive citizens, says Mrs. Stamps.

4-H members learn specific skills in programs such as nutrition, animal science, forestry or gardening. They also learn to keep accurate records, make oral presentations, and develop life-long management, consumer and communications skills, explains Mrs. Stamps.

They use their skills to contribute to community development through such projects as beautification, historic presentation, work with the elderly, energy conservation and involvement in civic affairs, says Mrs. Stamps.

Reviewing 4-H projects in Texas, the top five projects the past year were food-nutrition, electric, safety, clothing and horse.

In the past five years the top 10 projects have been about the same, though they frequently change positions.

Young people from 9 to 19 may participate in 4-H through organized clubs, special interest groups, nutrition education programs, television series, short-term activities and camping.

## Knox County Oil Report

Glenn W. Cooper of Seymour staked well No. 73 367 acres of Perry V. Cartwright Lease, 1,835 feet from south line and 2,877 feet from west line of Sec. 22, Blk. 45, H&TC Survey, A-139, to go to 1,900 feet 1/2 mile southeast of Goree.

Operator also staked well No. 75 on same lease and survey, 750 feet from north line and 2,872 feet from west line.

Velco of Abilene staked wildcat No. 1 on 160 acres of E. L. Horton Lease, 4,300

feet from north line and 1,700 feet from east line of Sec. 25, Blk. 2, DYWRR Survey, A-504, to go to 2,050 feet 3/4 miles northwest of Goree.

Operator also staked wildcat No. 1 on 320 acres of L. Moorhouse Lease, 1,850 feet from southeast line and 2,100 feet from southwest line of Sec. 47, Blk. 13, H&TC Survey, A-101, to go to 2,600 feet 3 miles southwest of Benjamin.

**PUBLIC NOTICE**  
 Lone Star Gas Company, in accordance with Section 43(a) of Article 1446c V.A.T.C.S., hereby gives notice of the Company's intent to implement a new schedule of rates including a cost of service adjustment clause for natural gas service to be charged to the residential and commercial consumers in the City of Goree, Texas effective October 14, 1982.  
 The rate schedule is expected to furnish a 12.96 percent increase in the Company's revenues from residential and commercial customers in the City of Goree, Texas.  
 A Statement of Intent has been filed with the City of Goree and is available for inspection at the Company's business office located at 126 West Main, Munday, Texas.  
 Lone Star Gas Company

**★★ HELP WANTED ★★**  
 By extra conservation, you can reduce the effect of an event which will temporarily increase your electric bills.  
 The San Miguel lignite-fired plant will be shutdown for scheduled maintenance for about 4 weeks beginning October 18. This shutdown will increase the cost of electricity throughout the maintenance period.  
 Normally, most of your electricity is generated using lignite for fuel. A smaller amount comes from natural gas and hydroelectric power plants. The cost of all sources are blended to determine the cost that B-K Electric pays for wholesale power from Brazos Power cooperative.  
 While the San Miguel Plant is shutdown, most of your electricity will come from natural gas plants. Because natural gas is considerably more expensive than lignite, your electric bill will be higher. Try to use less electricity during this maintenance period to control your electric bill.  
 Thank you.  
**B-K Electric Cooperative, Inc.**
