Look
To The
East

by Aaron Edgar

(This Look to the East column was taken from the June 9, 1977 Courier.)

Periodically, we receive offers to participate in some giant give-away sweepstakes.

Or maybe it's a big merchandise bargain that's hard to resist.

From the amount of stuff like that which comes through the mails, it would appear that the U.S. Postal Service was in business in a big way. Yet, we continue to read about the service losing money.

These give-aways are being offered by most any magazine or periodical that has you on the mailing list. Some are sent out, even if you don't read their publications.

There are some most persistent, like Readers Digest, that is almost continually engaged in a sweepstakes that is appealing.

Along with the offer is an opportunity to purchase a condensed novel, a garden book, or something - or even to renew your subscription to the monthly publication.

Emphasis is placed on the fact that "you do not have to buy" to be a winner. Just mail in your lucky number within the prescribed time and almost be assured of a fantastic surprise.

Two envelopes are enclosed for your selection. One is a "Yes" envelope indicating you will make a purchase or renew your subscription; the other is a "No" deal, indicating that you are not interested, "but let me know if I'm a winner."

It has been suggested to us that the "no" job never does get past "file 13"; thereby has no chance in the winning circle. However, there's the guarantee that every prize will be given away.

In addition, there are those oil companies with whom you have a credit card that are always tantalizing the card holder with a fantastic deal. A lot of the time, they invite you to join their travel club that is designed so you may pay your dues by the month just by adding them to your credit purchases.

The services are almost too good to be true - that is if you travel a lot. We're at the age that we're a long way from home if we get past Abilene or Wichita Falls; hence, the services are hardly worth while.

These oil companies have merchandise offers, too, with a variety of things you may purchase and pay them out the easy monthly payment way with your credit card.

You are sent colored folders with attractive photos of such items as radios, television sets, cameras, tape players, super duper battery powered lights, calculators, and numerous other items. Just give them time!

The most recent offer to reach our mailbox was for such items as: a Quiltron calculator with optional stand, Worldstar multiband radio, Sentry safe, Worldstar binoculars, and Worldstar portable 8-track AM/FM player - these all in one mailing.

We ran a tape on the prices of these and arrived at the figure of \$389.60, all on the "send no money" plan.

It is our opinion that if these oil companies would concentrate on supplying the motoring public with their products at reasonable prices, and stay out of the merchandising field, we would all be better off.

We've been offered the opinion that we will be paying \$1.00 per gallon for gasoline by Christmas. If and when that happens, we won't have much money left to take advantage of their merchandise offers.

Abell Ag Co. Now Dealer For Hybrex

Abell Ag Co. in Munday is now the dealer for Hybrex hybrid wheat seed.

Come by and talk to Ronnie Baker about the advantages of planting a Hybrex seed. Hybrex offers higher yields, superior pasturing value, and increased profits.

THE FLAG CORPS of the Munday High School marching band add color to halftime performances. These girls work long hours practicing their routines.

Moguls Lose Tough Game To Knox City

The Munday Moguls traveled to Knox City Friday and suffered their first loss of the season to the tune of 15-12. The Greyhounds snapped a four-year losing streak to the Moguls.

After winning the toss, Munday elected to receive and began their march from the 20 yard line. The Moguls looked as if they were going to score on their first possession, as the offense wasted no time moving downfield. Quincy Adams carried for 31 yards and Dent Offutt passed to Todd Thompson for 13 more, but Wayne Hutchinson stopped the drive by intercepting a pass on the Greyhound 13-yard-line. Knox City came back and drove to the Munday 18 before the defense held Munday took over on downs.

On Munday's next drive, Ronny Lowrance carried for 17 yards and Offutt and Adams added 18 and 19 yards, respectively, but the Moguls were stopped on the Greyhound 23 at the end of the first quarter.

Behind the passing of Knox City quarterback Wayne Hutchinson to Joe Flores and the running of Otis Lockhart, the Greyhounds moved through Mogul territory and scored their first touchdown of the night, with Lockhart carrying from six yards out. He also carried on the conversion, giving the Hounds an 8-0 lead.

Munday was held on its next possession.

Munday Youngsters Show Winning Lambs At Fair

Eight local youths exhibited lambs at the West Texas Fair at Abilene over the weekend with very good results.

In finewool lightweight lambs, Tyler Thompson placed 12th. Todd Thompson was 12th in finewool heavyweights. In the lightweight finewool cross division, Todd was 9th, Trey 11th and Tyler 16th.

In heavyweight finewool cross lambs, Kent Latham placed fifth. Jae Jae Reneau was sixth and Missy Reneau fifth in lightweight medium wools, and Tyler Thompson was eighth in this class.

Robin Reneau was 12th with her mediumweight medium wool, and Trey Thompson was 10th.

In heavyweight medium wools, Todd Thompson won first place, and his lamb was named the champion medium wool of the show. In lightweight Southdowns, Trey Thompson was first, Todd was seventh and Tyler eighth. They had the reserve champion Southdown in the fair.

Also participating in the show was Bryan Latham. He and Kent are the sons of Mr. and Mrs. Ruddy Latham. Todd, Trey, and Tyler are the sons of Mr. and Mrs. Larry Thompson and Robin, Missy and Jae Jae are the daughters of Mr. and Mrs. John Reneau.

Fair results were furnished to The Courier by Knox County extension agent Charles Siepel.

tion and forced to punt for the first time this year. Kent Josslet performed this duty, kicking the ball 37 yards to the Greyhound 38, where it was picked up and returned to the 49. The Mogul defense stopped Knox City cold, yielding only 1 yard. The Greyhounds punted to the Mogul 20, and two plays later Quincy Adams scored on a 79-yard run around left end. Dent Offutt tried to run the conversion in after the snap was bobbed, and he was stopped on the 1/2-yard line, leaving the score 8-6.

Moguls To Go Against Forsan

The Munday Moguls, with a 2-1 record, will travel to Forsan to take on the Buffaloes at 8 p.m. Friday, September 23.

Forsan is 1-2 on the season but was the runner-up in the North Zone of District 7-A last year with a 6-3-1 record. The Buffaloes lost some of their starters to transfers and are now fielding a young team.

Fans traveling to Forsan will have a round trip of about 350 miles. Forsan officials recommend that you take the Cosden Refinery exit on I-20 just west of Coahoma; then take Farm-to-Market road 700 around the south side of Big Spring. When FM 700 intersects highway 87, turn left. Some 8-9 miles south, signs will indicate the Forsan exit, and the town is about three miles east of highway 87.

Gene Thompson, president of the Munday Mogul Booster Club, said that the chartered bus will be at the school at 3 p.m. Friday. Ticketholders should be at the bus by 3:15.

TIM COLLIER, NO. 83, is on the ground with the ball in this action shot taken at the Munday-Knox City game last Friday. Mogul No. 76 to the left of the picture is Johnny Collier. The Moguls lost a disappointing game 15-12 to the Greyhounds.

City Remains Strong In Tax Rebates

State Comptroller Bob Bullock sent checks totaling \$41.1 million in local sales tax payments to the 974 cities that are in the one-percent city sales tax.

"Last September, we were reporting the biggest allocation based on a single month's tax collections in the history of our state," Bullock said. "This month, with sales tax receipts running about one percent behind last year, shows us just how fast things can change."

Munday's check this month was \$3,037.83, just a little smaller than the \$3,160.17 the city received last year at this time. Munday's 1983 total is \$37,047.26, 4.11% higher than the 1982 figure.

Goree is a little ahead this year too, having received \$3,564.17, which is 7.44% more than their total up to this time last year.

Knox City received a much larger check this month than they did in 1982. Their \$3,244.87 is almost twice the amount of their September, 1982 check, but our neighbor to the west is still lagging behind a bit in total receipts. This total of \$52,221.97 is smaller than last year's total by just .52%.

Benjamin is way down from 1982, with only \$1,850.80 in total receipts this year, as opposed to \$2,089.53 at this time last year. Weinert's 1983 receipts are down about \$20 from last year's.

In other neighboring towns, Haskell is showing some increase, and Seymour and Crowell are both showing decreases from last year's tax receipts.

The September checks were for taxes collected on sales made in July and reported to the Comptroller by the end of August.

Have a nice day!

Council Approves Water Annexation Petition

The City Council of the City of Munday, Texas met in regular session at 8 p.m. Tuesday, September 13, 1983, at the Munday City Hall.

Members present: Mayor James W. Reid and Aldermen Doris Dickerson, Bob Therwanger, Jessie Tucker, Bobby D. Burnett and Von Marr.

Members absent: none. Mayor Reid called the meeting to order. Minutes of the August 18, 1983 special meeting were read with no alterations. Mayor Reid stated minutes were approved as written.

Bob McWhorter met with the Council. He made application and requested permission to tap the City Water Line at a fire plug on East Main Street. He agreed to meet all City requirements, pay all expenses and lay his own line to his home some .7 miles from the city limits. A 3/4 inch meter is to be furnished by the City (any and all other charges are to be paid by McWhorter); also he will maintain the water line. Meter is to be set at the fire plug. Water rate to be charged is same as Water Authority pipeline rate at this time. However, the City of Munday retains the right to change water rate as Council deems necessary.

After considerable discussion Burnett made a motion to amend the May 1, 1969 Ordinance pertaining to outside city limit water connections: Amendment stating that the City of Munday may - but is not required to - sell water to persons who are not eligible to be annexed to the Munday City Limits; provided that any such person shall pay all costs, plus any reasonable fees and water rates that might be set by the Munday City Council. Any addition of customers to any pipeline must be approved by the Council. Marr seconded that motion. Voting for were Burnett, Marr, Tucker, Dickerson and Therwanger. Noes, none. Carried.

Therwanger moved that Bob McWhorter's application for water be approved. The City is to furnish a 3/4 inch meter. All other costs and provisions of the foregoing Ordinance are to apply. Marr seconded. All members voted for. Any meter required above 3/4 inch in size to be paid for by customer.

Dan Offutt also requested water for a new house to be built north of Munday. This area is annexable. The Council requested that Mr. Offutt file the proper annexation petition. The Council will act later on the petition. Survey costs for description of property are to be paid by Offutt.

Burnett moved that the five members presently serving on the Knox Co. Appraisal District Board be submitted and recommended. Clyde Voss, D. B. Gass, Dwight Burgess, W. R. Moore Jr., and J. V. Carver are to continue service on the Appraisal District Board. Dickerson seconded. All members voted in favor.

The Council next read a letter from Centex Cable Co. which advised that the Munday system is scheduled, along with several other area cities, for improvement and upgrading of service in the next few months. No action required.

The Council next considered passage of a resolution to approve the 1983 tax roll. Bob Therwanger moved that a resolution be passed approving the 1983 tax roll as prepared by the Knox County Appraisal District, Benjamin, Texas. Said resolution is passed to meet requirements of Section 26.095 of the Texas Property Code. Tucker seconded the motion. All members voting for.

The new street project will require approximately 400 ft. of Schedule 40 6" sewer main on East Main Street and Elm

Ave. Dickerson moved the City Administrator secure best price available and purchase 400 ft. of Schedule 40 plastic pipe. Therwanger seconded. All members voted for.

Don Bulter of Touche and Ross furnished several brochures on the latest West Texas Utility rate increase request before the P.U.C. This was reviewed and required no action now.

Bobby Hutchinson, ambulance attendant, requested permission to help Seymour with transfer of patients until approximately September 23, when City-County there will take over service. Council decision was to allow Bobby to handle this matter as he deems best.

The H.U.D. drainage and paving project progress was reported on by City Administrator Hertel. Various problems are being worked out with bid openings scheduled for Tuesday, September 27, 1983 at 1:30 p.m. at the Munday City Hall.

Next discussion was employee salaries and fringe benefits. After discussion Burnett made the motion that City Administrator Hertel check out the T.M.L. retirement system for city employees; also that cost of hospital insurance be checked out. Employees are to be polled to see if a small salary increase, retirement benefits or hospital insurance is most important to them. It is felt the budget will allow only one of these three items to be considered this year. Marr seconded the motion; it carried with all in favor.

Therwanger moved bills be paid as follows: from airport funds, \$271.55; from street paving special, \$9126.55; from ambulance funds, \$557.24; from swimming pool funds, \$155.90; from operating funds, \$17,195.42. Dickerson seconded. All in favor.

Therwanger moved for adjournment. Tucker seconded. Passed, all voting for.

Story Of Nazi Prisoner To Be Presented At Goree

The true-life story of Corrie ten Boom, a former Nazi prisoner, will be presented through the motion picture, *The Hiding Place* on Sunday, September 25 at 6:00 p.m. at the First Baptist Church of Goree.

This remarkable story of tragedy and victory shares the experiences of a family who was willing to risk all for others. The ten Booms became involved in the Dutch Underground during the German occupation of World War II by hiding Jews in a secret room built in their house, thereby aiding them in their escape from the Nazis. As a result of a raid by soldiers, Corrie's family was taken prisoner and Corrie was sent to the dreaded concentration camp "Ravensbruck".

The Hiding Place portrays the dehumanizing agonies of a concentration camp... the personal confusion and conflicts of both victors and vanquished... the confrontation of military might and gentle ministry... and the costs of caring for others.

Millions of readers have cried, suffered and triumphed with Corrie ten Boom and her family through the book *The Hiding Place*. Now a motion picture captures all the power, excitement and sheer dramatic force that sets this story apart from all others. See *The Hiding Place* and share a miracle of love.

Social Security Representative Here Wednesday

A representative of the Vernon Social Security office will be in Munday on Wednesday, September 28. Anyone needing answers to questions about Social Security can see him at the City Hall between 9:30 and 11:30 a.m. on that date.

He will assist citizens in filing applications for Social Security Retirement, Survivors, Disability, Medicare or Supplemental Security Income benefits.

To transact Social Security business by telephone, call the Vernon office during business hours of 9 a.m. to 4:45 p.m. That telephone number is 817-552-9346.

County To Receive State Road Grant

Texas treasurer Ann Richards has sent checks totaling \$7.3 million in grants to the state's 254 counties for road construction and maintenance projects.

The legislature appropriates money each year for the Lateral Road Program, and the money is disbursed by the State Treasurer. Grants may be used by counties for the purchase of right-of-way and for construction and maintenance of lateral or farm-to-market roads or state highways.

Richards said the \$7.3 million is allocated to each county under a formula based on the county's area, rural population and lateral road mileage.

Knox County received \$16,730.55 in state funds. Amounts received by other area counties were Archer, \$18,707.06; Baylor, \$12,524.20; Foard, \$12,466.76; and Throckmorton, \$14,961.30.

Mrs. Fannie Seale and Mrs. Margaret Poole of Beaumont visited their brother, Tom Black, several days last week.

Henry Liberda of Wichita Falls visited his mother, Mary Nacol, and his uncle, Joe Kubena, on Tuesday.

Valerie Kinnibrugh of Truscott visited her mother, Henrietta Burgess, last week.

Brenda Smith came Tuesday morning and conducted the devotional. We thank Brenda for coming and sharing with the residents.

Mary Zeissel of Rhineland visited Elizabeth Carnahan on Wednesday.

The September birthday party was held last Wednesday. Ladies from the Senior Citizens Group were hostesses for the party. Residents with birthdays in September are John Weathersby, Lola Moore, Angela Redder, Loufana Eubank, Beatrice Hutchinson and Maggie Gunn. Delicious cake and punch were served and enjoyed by all. After refreshments the ladies conducted a sing-along. We want to thank this group of ladies for coming and bringing this enjoyment to the residents.

Mr. and Mrs. Raymond Redder, Mrs. Suzanne Jones and sons, Rusty, Dustin and Justin, all of Seymour, came Wednesday afternoon to be with their mother and grand-

mother, Angela Redder, during the birthday party. This was Angela's first time to see her seven-week-old twin great-grandsons, Dustin and Justin. Everyone enjoyed seeing and holding the babies!

Alice and Brenda Rneau came Thursday afternoon and called bingo for the residents. They received prizes of their choice. Many thanks to Alice and Brenda for coming.

Mr. and Mrs. Hershall Mansfield of Knox City visited her sister, Gurtha Smith, on Friday.

JARRED CROWNOVER
Munday Youngster Mentioned On Tonight Show

For those of you who didn't know it, we Munday residents have a celebrity in our midst. A young celebrity, but a real star never-the-less. How many of us have ever been seen on national television?

The above picture of 16-month-old Jarred Crownover, son of Mr. and Mrs. Robby Crownover of Munday, was seen by millions of viewers Tuesday night, September 13, when it was shown on Johnny Carson's "Tonight Show". The picture was sent in by Jarred's grandmother, Shirley Banks of Iowa Park.

Carson read on the air a letter from Mrs. Banks. In it she said that Jarred's mother wished the "Tonight Show" came on a little earlier in the evening, as Jarred enjoyed watching it. In this photograph, Jarred was 13 months old, and already a seasoned Carson fan.

As luck would have it, the Crownovers were not watching the show the night their son's picture was aired. But they hope to be able to purchase a tape of the program so they can preserve Jarred's moment of stardom for posterity!

MOGULS LOSE

(Continued from Page 1)

City's next possession was cut short when Paul Wright intercepted a Hutchinson pass on the Mogul 41-yard line. Adams lost four yards on the next play, then Offutt ran to the right and hit Frankie Stinnett on a 63-yard pass to give Munday the lead. Again the extra point try failed as the half ended with Munday ahead 12-8.

The third quarter was a defensive battle as the fighting Moguls forced Knox City to punt twice and had to punt once themselves. Late in the quarter Munday started a drive on their own 19-yard line. Ten plays later the Moguls had a first down on the Greyhound 12. Tim Collier carried to the 8, then the Knox City defense dropped Munday for three straight losses and took over on their own 20.

Aided by a 15-yard personal foul penalty, the Hounds drove 80 yards in eight plays. Lockhart, in trouble behind the line of scrimmage, made a desperation throw to Wayne Hutchinson, who ran it in for the score. The PAT was

good, giving Knox City a 15-12 lead.

The Moguls came back as Kent Josselet took the kickoff on the six-yard-line and returned it to the 44. From there Munday drove to the Greyhound 35 but the clock ran out, giving Knox City the win.

Adams led the Moguls with 163 yards rushing before he left the game in the second half with a knee injury. Ronny Lowrance had 27 yards for Munday, Tim Collier had 24 and Robert Hemphill had 22. Quarterback Dent Offutt was held to -13 yards rushing. Todd Thompson caught one pass for 13 yards, Frankie Stinnett hauled one in for 63 yards and a touchdown, and Paul Wright caught one pass for 24 yards.

Attorney General Notified Of Local Oil Violations

The Texas Railroad Commission has asked the state Attorney General's office to seek an injunction and civil penalties against Mesa Oil Inc. of Lubbock for oilfield pollution violations in Knox County.

Railroad Commission inspectors found violations of the Texas Water Code, the Texas Natural Resources Code, and the Commission's Oil and Gas Division rules on the Mamie Winchester lease operated by Mesa about a mile and a half west of Munday.

Acting on a complaint, Commission investigators on April 28 found evidence of oil and saltwater inside firewalls (emergency containment levees) at a battery of storage tanks. They also found three abandoned wells that had not been plugged as required.

Three unauthorized pits were also found on the lease. A field test of a fluid sample taken from one of them indicated a chloride content of

8,300 mg/l (milligrams per liter).

The Commission issued a pipeline severance and assigned a zero allowable for the lease on May 6. A pipeline severance forbids an oil gatherer from taking oil from the lease, and the assignment of a zero allowable means that wells on the lease cannot be legally produced.

Another inspection, on May 18, revealed that the operator had taken no remedial action, and on June 1 the Commission put seals on equipment on the lease. Two subsequent inspections, the

latest on August 17, revealed that no remedial action had yet been taken by the operator.

ROBERT LEE DEFEATS FORSAN
Robert Lee scored twice in the third quarter to erase a one-point Forsan lead and take a 34-21 victory in District 7-A action. Forsan is Munday's opponent this week.

Mitch Hayes, Brad Jenkins and Todd East scored for Forsan. Forsan is now 1-2 for the season.

ROTAN HAMMERS ASPERMONT
Undeclared Rotan turned a football game into a nightmare for the Aspermont Hornets by pounding them for a 76-0 non-district victory.

Charles Williams scored three touchdowns for Rotan, and Greg Ruben and Tim Carillo both turned pass interceptions into points for the home team.

Rotan, a District 4-AA team, massed over 300 yards offense against 117 yards for Aspermont.

HASKELL SQUEAKS BY ANSON TIGERS

A tough goalline stand by the Haskell defense prevented a last-minute touchdown that could have meant a win for Anson, and the Indians remain undefeated after their 14-6 victory Friday night.

Defense was the name of the game, with all the scoring done in the first half. Anson made six points on a touchdown pass from Mike Wilson to Mark Salas, but the conversion failed. Haskell came back with a pass interception by Carl Dever that set up a Todd Harris pass to Patrick McCoy for a TD, and Dever later returned a punt 63 yards

to give the Indians the lead for good.

With a first down on the Haskell four-yard line with 1:22 left on the clock, it looked like the Tigers might take over, but the Indian defense rose to the occasion to protect their win.

CISCO TAKES WIN OVER SEYMOUR

Seymour came back from an early 13-0 deficit to take the lead against Cisco early in the fourth quarter, but Josh Potter scored with less than two minutes remaining to give the Cisco Lobos a 19-14 non-district win.

Joe Perry and Johnny Ramirez scored in the first half for the Lobos, and Billy Beamon put the Panthers on the scoreboard first. Monty Morris scored on a three-yard run with ten minutes left in the game to put the Panthers up 14-13, but the Lobos drove through in eight plays for the final score and the win.

HAMLIN ROLLS OVER ALBANY

Eddie Bolden and the Hamlin Pied Pipers rolled along their victory trail with a 49-0 win over Albany Friday night. Hamlin is undefeated with three shutouts.

Tailback Bolden scored four touchdowns before the second string came in. Hamlin's passing game was not up to par, but the Pipers didn't need it anyway, as Albany only suited up 15 players because of injuries and was out-gunned from the start.

The Lions' only threat came late in the game when Hamlin fumbled a pitchout at their 13 and Albany recov-

ered. Hamlin's first string defense, which had been on the bench most of the last quarter, came back in and shut the Lions out, not allowing them the "for pride" touchdown, even though the Pied Pipers were ahead 49-0.

MUSTANGS RACE BY GUTHRIE

Benjamin's six-man Mustangs ran up a six touchdown lead before letting their opponents score, and went on to take a 54-18 victory over the Guthrie Jaguars.

Troy Oxford rushed for 197 yards, ran for two touchdowns, passed for two more and was the team's leading tackler in the Mustang win. Troy Pratt and Kent Hertel added two touchdowns apiece, and Oscar Gideon and Glen Heard tacked on one each for Benjamin.

Ronnie Quintanilla was Guthrie's leading rusher with 149 yards and two touchdowns, including a 68-yard kickoff return. Chad Piper also scored for Guthrie.

PADUCAH LOSES TO QUANAH

A trick play in the second quarter gave the Quanah Indians a 13-7 lead over the Paducah Dragons, and it was enough to win the ballgame.

The Quanah center fell down and slid the football behind his feet, while the quarterback swept to the left, drawing the Dragon defense with him. Indian guard Dallas Prescott picked up the ball and ran 55 yards for the score, which broke a 7-7 tie.

Stanley Payne of Quanah was the game's leading rusher. The Dragons' only score came on a 27-yard pass from Richard Gregory to Larry Trevino. Mark Guzman scored Quanah's first touchdown.

In other six-man action, the Weinert Bulldogs were defeated by Vernon Northside 50-28.

Coach Edwards Comments

We lost the Knox City game because we could not execute the way we wanted to. We had lots of good hustle, but our own mistakes hurt us.

The boys played real hard in the game. This was the first really emotional game the team had played, and sometimes I think they were trying too hard. They missed tackles and made some other mistakes just from being over-eager.

Many of our players had real strong games. Defensively, the middle of the line, the linebackers and defensive ends played very well. I'm proud of them because they never quit.

We knew we had to stop the big play against Knox City, and for most of the night we did. They did not have many big drives, and they were very fortunate and very alert on their last touchdown play, when we had Lockhart trapped behind the line of scrimmage for a loss and he saw a man onen and threw the ball.

Our player awards were hard to choose this week. Mogul of the Week is Dent Offutt. Dent showed tremendous poise at times at quarterback. He was under extreme pressure a good bit of the time, and he handled it very well. Kent Josselet, who had an outstanding game offensively and defensively, was right up there in the Mogul of the Week competition, but we named him the outstanding defensive player.

Our outstanding offensive lineman is Jesus Ramirez. He has shown tremendous improvement and did a fine job blocking. Tony Wilde did a good job covering kicks, and he is our Head Hunter pick. Jerry Shields came in when Quincy was injured and real-hustled on defense. Pat

Angerer also came in and did a fine job.

Quincy Adams has a bruised knee and probably some sprained ligaments. The chances of him playing in the Forsan game are very slim. Kregg Sanders has a pinched nerve in his neck, a recurring injury that has given him a lot of pain.

Our game with Knox City was a good, hard-hitting game. It could have gone either way. We had some chances to win, but our drives were broken up either by fine defensive play by Knox City or by our own mistakes. To win games, we must avoid breakdowns in fundamentals - blocking and tackling. Now we have to forget about our loss and look ahead to our next game.

Forsan has a 1-2 record. They have a young team that runs a T-formation offense, with two good players in Mitch Hayes and quarterback Todd East. I expect it to be an exciting game. We need to be playing hard games so we can learn to play the fourth quarter. We need this experience before our district games start.

We will appreciate all the fans who make the long trip to Forsan.

In other games last week, our seventh grade team lost to O'Brien 8-0, and the eighth graders had an excellent drive in which they came from behind to win 18-16 over Knox City-O'Brien.

The junior varsity team was defeated 12-6 by Knox City.

Junior high and JV teams will be at home again this week for games with Quanah. The seventh graders will play first, with their game beginning at 5 p.m. and the eighth grade and junior varsity games to follow. These teams have been involved in some hard-fought contests, and we invite all our fans to come watch them play.

Give our town a helping hand. Join the Chamber of Commerce and support all its projects.

Mrs. Josselet Celebrates 90th Birthday

Mrs. Felix (Flora) Josselet was honored on her 90th birthday by members of her family at the community center on Sunday afternoon.

Born September 19, 1893 in Arlington, Flora is the daughter of the late Henry and Minnie Kreger. She married Felix Josselet May 15, 1910, in Haskell.

Following the death of her husband in 1971, Mrs. Josselet moved from the home-stead farm to Haskell where she has devoted her time and talent to piecing quilts. During her lifetime she has probably pieced over a hundred quilts, seventy-five of these have been projects of the last ten years. Favorite patterns include the turkey track, bear paw, double wedding ring, duck track, fan and Dresden plate.

The serving table was covered with one of Mrs. Josselet's turkey track quilts. Other quilts, belonging to family members and friends, were on display.

Welcoming guests with Mrs. Josselet were her daughters, Almeda Pedneau of Livingston and Juanita Massey of Munday, and a niece, Alma Terrell.

The hand painted personalized guest book, which included a family tree, was the art work of her great-niece, Paula Everett. Registering guests was a niece, Nina Dunnam.

Assisting at the serving table were her granddaughters, Julie Smith and Judy Massey, and great-granddaughter, Stacy Massey, all of Amarillo; Rebecca Yarbrough of Pasadena; and great-nieces, Mollie Moeller and Paula Everett.

Greeting guests were great-grandson, Greg Massey of Amarillo, and great-nieces, Tiffany and Tara Moeller. Mrs. Josselet has five grandchildren and fifteen great-grandchildren.

Including family and friends, over 100 people graciously came to honor Mrs. Josselet on her 90th birthday.

Don't throw out overripe bananas. Mash or sieve them, sprinkle on a little lemon juice and freeze. Use later in cake or bread batter.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS

SPECIAL ELECTION NOVEMBER 8, 1983

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 91 proposes a constitutional amendment which requires a county with a population of 30,000 or more to be divided into not less than four nor more than eight justice of the peace precincts. A county with a population of 18,000 or more but less than 30,000 shall be divided into not less than two nor more than five justice of the peace precincts. A county with a population of less than 18,000 shall be designated as a single justice of the peace precinct or, upon a finding of necessity by the commissioners court, shall be divided into more than one justice of the peace precinct but not more than four. The amendment provides further, that in any precinct in which there is a city with a population of 18,000 or more, two justices of the peace shall be elected. The amendment allows a justice of the peace, constable or commissioner to continue in office until the expiration of his term, although a change in precinct boundaries results in the officer no longer being a resident of the precinct for which he was elected or appointed and allows a justice of the peace or constable to continue in office until the expiration of his term even though a change in precinct boundaries results in the abolishment of the precinct or more than one justice of the peace or constable serving the precinct. Vacancies in the office of justice of the peace or constable that result from a precinct boundary change shall be filled by the commissioners court until the next general election. The amendment would take effect on January 1, 1984, and counties with populations of less than 30,000 and with more than four justice of the peace and constable precincts would have until January 1, 1987 to comply with the amendment.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing fewer justice of the peace and constable precincts in counties with a population of less than 30,000 and providing for continuous service by justices of the peace, constables, and county commissioners when precinct boundaries are changed."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 105 proposes a constitutional amendment which would limit a homestead in a city, town or village to a lot or lots amounting to not more than one acre of land, together with any improvements on the land. The constitutional requirement that, at the time of

designation, an urban homestead not exceed ten thousand dollars in value without reference to the value of any improvements on the land would be eliminated.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment replacing the limitation on the value of an urban homestead with a limitation based on size."

PROPOSITION NO. 3 ON THE BALLOT

Senate Joint Resolution 1 proposes a constitutional amendment that authorizes the Legislature to enact legislation that permits representative associations of agricultural producers to collect refundable assessments on their product sales to be used solely to finance programs of marketing, promotion, research and education relating to those products. It provides, further, that adoption of the proposed constitutional amendment will bring into effect Senate Bill 607, Acts of the 68th Legislature, Regular Session, 1983, with rejection of the amendment resulting in Senate Bill 607 having no effect.

PROPOSITION NO. 4 ON THE BALLOT

House Joint Resolution 30 proposes a constitutional amendment which authorizes the Legislature to enact laws to provide for the succession of members of the Legislature in the event of enemy attack and allows the suspension of procedural rules imposed by the Constitution in the event of, or immediate threat of, enemy attack. The amendment empowers the Governor, after consultation with the Speaker of the House and the Lieutenant Governor, to suspend the constitutional requirement that the Legislature hold its sessions in Austin and allows the suspension of procedural rules by the Governor issuing a proclamation in which the House of Representatives and Senate concur by resolution approved by a majority of the members present. Suspension of the constitutional rules may not exceed a period of two years under a single proclamation; however, the Governor may renew the suspension by issuing a new proclamation concurred in by the House of Representatives and the Senate through a resolution approved by a major-

ity of the members present.

The amendment will appear on the ballot as follows: "The constitutional amendment authorizing statutory provisions for succession of public office during disasters caused by enemy attack, and authorizing the suspension of certain constitutional rules relating to legislative procedure during those disasters or during immediate threat of enemy attack."

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 12 proposes a constitutional amendment that authorizes the Legislature to enact legislation providing for the use of the permanent school fund and income from the permanent school fund to guarantee bonds issued by school districts. The amendment provides, further, that the Legislature may appropriate part of the available school fund for administration of the permanent school fund or of a bond guarantee program established pursuant to the amendment.

The constitutional amendment will appear on the ballot as follows: "The constitutional amendment authorizing use of the permanent school fund to guarantee bonds issued by school districts."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 1 proposes a constitutional amendment which would permit the Legislature to provide for the garnishment of wages to enforce court-ordered child support payments. The garnishment remedy would not be available for other purposes.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment allowing the Legislature to provide for additional remedies to enforce court-ordered child support payments."

PROPOSITION NO. 7 ON THE BALLOT

Senate Joint Resolution 14 proposes a constitutional amendment that authorizes the Veterans' Land Board to provide for, issue, and sell general obligation bonds of the State of Texas in an amount not to exceed \$800 million to provide financing to veterans of the state. The amendment requires that three hundred million dollars of the state bonds be dedicated to the Veterans' Land Fund. The Fund is to be used to purchase land to be sold to veterans under such terms, rules and regulations as may be authorized by law. The amendment creates the Veterans' Housing Assistance Fund and requires that \$500 million of the state bonds authorized by the amendment be dedicated to the Fund. The Veterans' Housing Assistance Fund will be utilized by the Veterans' Land Board for the purpose of making home mortgage loans to veterans for housing within the state and for the administrative

costs of administering the fund and issuing the bonds. The amendment provides, further, that if there is not money in either the Veterans' Land Fund or the Veterans' Housing Assistance Fund available for payment of principal and interest on the general obligation bonds issued pursuant to the amendment, then money coming into the Treasury in each fiscal year is appropriated in an amount sufficient for payment of principal and interest due in that fiscal year.

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment for financial assistance to veterans and to authorize the issuance of \$800 million in bonds of the state to finance the Veterans' Land Program and the Veterans' Housing Assistance Program."

PROPOSITION NO. 8 ON THE BALLOT

Senate Joint Resolution 1 proposes a constitutional amendment that authorizes political subdivisions to exempt veterans' organizations from ad valorem taxation on their property. The amendment requires that the veterans' organizations be chartered by the United States Congress, be composed of members or former members of the United States Armed Forces, and be organized for patriotic and public service purposes. The amendment provides, further, that political subdivisions may exempt fraternal organizations from ad valorem taxation on their property. The amendment requires that the fraternal organizations be organized to perform and be primarily engaged in charitable or benevolent functions. The Legislature would be authorized to enact laws that prescribe eligibility requirements for fraternal organizations to benefit from the exemption and to pass legislation limiting the types or amount of property owned by a fraternal organization which may be exempted from ad valorem taxation.

PROPOSITION NO. 9 ON THE BALLOT

House Joint Resolution 70 proposes a constitutional amendment to authorize the Legislature to provide, by local or general law, a method by which judges of statutory courts with probate jurisdiction may be assigned to any other statutory court with probate jurisdiction and to any constitutional county court in any county in the state.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to change the Board of Pardons and Paroles from a constitutional agency to a statutory agency and to give the board power to revoke paroles."

Etos son los informes explicatorios sobre las enmiendas propuestas a la constitucion que apareceran en la boleta el dia 8 de noviembre de 1983. Si usted no ha recibido una copia de los informes en español, podra obtener una gratis por llamar al 1/800/252/9602 o por escribir al Secretario de Estado, P.O. Box 12887, Austin, Texas 78711.

jurisdiction and to county courts."

PROPOSITION NO. 10 ON THE BALLOT

Senate Joint Resolution 17 proposes a constitutional amendment that authorizes the Legislature to enact laws which would allow a city or town to expend public funds to relocate or replace sanitation sewerage laterals on private property if done in conjunction with the replacement or relocation of sanitation sewer mains serving the property. The amendment requires that the law authorize the city or town to affix a lien on the private property, with the consent of the owner, to cover the costs of the replacement or relocation of the sewer laterals on the property. The lien may be enforced until five years have expired since the date the lien was affixed. The amendment provides, further, that the law require that the costs of the replacement or relocation of the sewer laterals on the private property be assessed against the property with repayment to be amortized over a period not to exceed five years and at an interest rate provided by law.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to permit a city or town to expend public funds and levy assessments for the relocation or replacement of sanitation sewer laterals on private property."

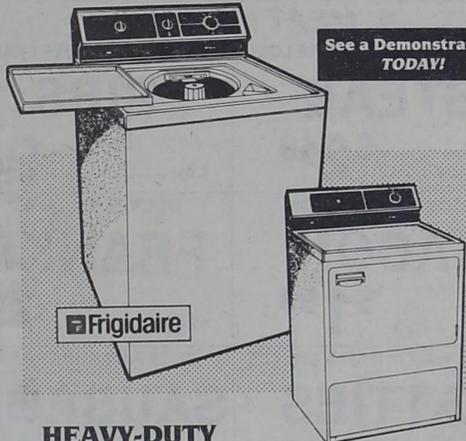

PROPOSITION NO. 11 ON THE BALLOT

Senate Joint Resolution 13 proposes a constitutional amendment that would change the Board of Pardons and Paroles from a constitutional agency to a statutory agency and would eliminate the Governor's power to revoke paroles. The Legislature would be authorized to establish the Board of Pardons and Paroles and to require it to maintain records of its actions and the reasons for its actions. The amendment would empower the Legislature to enact parole laws. Constitutional language specifying the qualifications and terms of office for members of the Board of Pardons and Paroles is eliminated. The constitutional language governing the composition of the Board of Pardons and Paroles and the manner of filling vacancies on the Board is eliminated.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to change the Board of Pardons and Paroles from a constitutional agency to a statutory agency and to give the board power to revoke paroles."

Goree Drops Game To Harrold Hornets

Goree's old nemesis, the Harrold Hornets, came to town for a Thursday night game and outscored the Wildcats 36-26 for a District 3-A six man victory. The Hornets, 2-0 for the season, take the district lead to defend their 1982 championship. Goree is now 0-1-1.

The Wildcats scored first on a two-point safety when Don Dixon tackled Coy Cato in the Hornet end zone. The teams traded touchdowns, with Bobby Cato's six-yard run giving Harrold a 6-2 lead that was quickly changed when Richard Dixon scored on a 53-yard run for the first of his four touchdowns.

Harold scored again on a pass from Casey Robinson to Bobby Miser, then Willie Gates intercepted a Goree pass and returned it for the score. Richard Dixon ended the first half scoring with a 49-yard run, but the extra point try failed, and the score stood 22-16 in favor of Harrold.

Each team scored two touchdowns in the second half, but Harrold was more successful on extra point tries. Goree had the most yards total offense, 282, with Richard Dixon gaining most of the rushing yards. Harrold intercepted two passes and lost three fumbles, while Goree fumbled four times.

Goree will travel to Benjamin this week to face the Mustangs in their second district game.

Farabee Explains Amendments

Although some candidates for the 1984 elections have already announced, Senator Ray Farabee (Wichita Falls) is reminding his district that there is also a 1983 election that they need to vote in. At stake are eleven constitutional amendments, two of which were sponsored by the senator.

"On the years when there is no election for statewide office and voters do not hear candidates campaigning, it is easy to forget that there is still an election. This year it will be held on November 8, and voters will have the opportunity to vote on constitutional amendments dealing

with child support, the pardon and paroles system, the Permanent School Fund and other issues. I urge voters from all of these amendments," Farabee said.

Farabee outlined five of the eleven amendments, and promised that his office will release information on the other six in following weeks.

Amendment 1 would authorize counties with a population of 30,000 or less to have fewer justices of the peace and constable precincts. Farabee noted that this amendment would save counties money.

Amendment 2 proposes to

On November Ballot To Voters

change the homestead exemption of urban homesteads from a monetary limitation to the size limitation also used by rural homesteads. This change will avoid future amendments to the Constitution when the price of land or the standard of living changes.

Amendment 3 would allow the Legislature to grant agricultural producer associations the authority to collect refundable assessments on their product sales. Farabee said that such an amendment would allow agricultural producers to promote their products in a more cost-effective manner. He explained that passage of the amendment would not automatically result in mandatory assessments, but would give producer associations the right to hold a referendum to decide if the assessments should be levied.

Amendment 4 would authorize provisions to temporarily fill the offices of state senators and representatives when incumbents are unable to fulfill their duties during emergencies caused by enemy attack. It also sets a procedure for the suspension of certain legislative procedural rules during these emergencies.

Amendment 5 proposes to allow the use of the Permanent School Fund to guaran-

tee school bonds. Because the current economic conditions result in high interest costs for school construction, many districts have not expanded their schools to accommodate the new students moving into Texas. Senator Farabee explained that if the state guarantees these bonds, interest costs can be brought down and necessary building and renovating will cost taxpayers less. Farabee also said that this is virtually a risk-free program for the state, and will benefit school children, teachers and the education system of Texas.

Older Brownie Troop To Meet Tuesday

There will be an organizational meeting for second and third grade Brownie Girl Scouts on Tuesday, September 27 at 5 p.m. in the Munday Methodist Church.

Each girl must be accompanied by a parent or guardian who needs to sign registration forms. There is a \$3.00 fee for dues.

Mrs. Judy Burnett, troop leader, will be assisted by Mrs. Cheryl Berryhill. First regular meeting is scheduled for Tuesday, October 4.

Local Women In Vocational Nursing Class

The 1983-84 class of the Seymour Hospital Authority School of Vocational Nursing began its training on Monday, September 12. There are 14 members involved in this class.

These women will study vocational nursing for the next twelve months, and will be eligible to take their state board exams in October, 1984. The students will receive their caps in February.

Class members will receive on-the-job training at the hospital, the nursing home and the day care center. They will study obstetrics and newborn care at a Wichita Falls hospital.

Amelia Taylor, R.N., of Wichita Falls is the director of the class. Members are Dorothy Stafford, Patricia Rutledge, Delores Killian, Virginia Crespin and June Gillig of Seymour; Kathleen Morgan, Kay Wilde and Penny Phillips of Munday; Brenda Brown, Jackie McKinney and Jean Logsdon of Knox City; Carlene Harlan of Goree; Inez Chavez of Vera; and Barbara James of O'Brien.

Officers elected by the class are Virginia Crespin, president; Dorothy Stafford, vice-president; Inez Chavez, secretary-treasurer; and Penny Phillips, reporter.

THESE HIGH-STEPPERS are the Goree Wildcat Drill Team and cheerleaders. They perform at halftime of the Goree football games. Drill team sponsor is Mrs. Willie Eldredge. Pictured in front row are the cheerleaders, Sheila Estes, Cindy Reagins, Jenny Russell and Linda Lambeth. In second row from left are Pat Aguilar, sophomore; Stacia Gray, junior and co-captain; Rachael Mateos, freshman; Dolores Arismendez, senior and captain; and Teresa Castorena, sophomore. In back row are Susan Johnson, freshman; Jackie Russell, freshman and lieutenant; Sandra Allen, sophomore; and Tiffany Gentry, sophomore.

Lela Odell Barnes Dies At Houston

Mrs. Lela Odell Barnes, widow of Herbert F. Barnes of Houston, formerly of Plains, died Wednesday, September 14, 1983.

Funeral services were held at 1:30 p.m. Friday from the George H. Lewis & Sons Funeral Home chapel with Joe N. Lacy, pastor of Bethany Christian Church, officiating. Graveside rites were at

4:00 p.m. Saturday at Willow Cemetery at Haskell.

Mrs. Barnes was born April 19, 1891 at Haskell and was a speech teacher in both public and private school systems. She graduated from Texas Christian University in 1913. She was a member of Plains Methodist Church.

She is survived by a daughter, Sylvia B. Pope of Houston; two brothers, J. J. Odell of Adair, Okla., and John L. Odell of Abilene; two granddaughters, Geryl Smithmen of Houston and Sylvia Broach of Levelland; and six great-grandchildren.

Wichita-Brazos SWCD Director Election Set

An election for a director to serve in Zone 5 of the Wichita-Brazos Soil and Water Conservation District Board is scheduled for Tuesday, October 4, 1983 at the Gilliland Community Center in Gilliland, according to Lonnie Offutt, chairman of the board. The election will be held at 10:00 a.m.

State law decrees that to be eligible to vote in a soil and water conservation district director's election, a person must own agricultural land within the subdivision where the election is being held. The person must also live in a county all or any part of which is in the district and the voter must be 18 years old.

Legal qualifications state that a candidate for the office of a soil and water conservation district director must own land in the zone he represents, be 18 years of age and be actively engaged in farming or ranching. He must also live in a county all or part of which is in the district.

Zone 5 of the district includes an area from a line beginning at the South Wichita River in Knox County, north to the North Knox County

boundary and taking in the following area: land in Knox County north of the South Wichita River. This includes the towns of Truscott and Gilliland.

Current members of the board of directors of the Wichita-Brazos SWCD are Lonnie Offutt of Munday, chairman; C. H. Cornett of Knox City, vice-chairman; Charles Griffith of Benjamin, secretary; Louis Baty of Gilliland and Billy Kinnibrugh of Vera, members.

The purpose of the Wichita-Brazos SWCD, with headquarters in Knox City, is to promote sound soil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters and other issues af-

fecting private property rights of landowners.

The district board of directors coordinates the conservation efforts of various local, state and federal agencies and other organizations and has authority to enter into working agreements with these governmental agencies and private concerns to carry out its purposes.

All conservation programs managed by the district are of a voluntary nature to the landowner or operator.

Council For The Arts To Meet Monday

A good crowd gathered for the first meeting of the Munday Council for the Arts last Thursday. Because of the interest generated at the meeting it was decided to officially organize the group. On Monday, September 26 at 7:30 p.m. all interested citizens of Munday should attend the organizational meeting at the Community Center.

Items on the agenda include: naming the organization, scheduling of activities, report of committee to find gymnastic instructor, and election of officers.

The purpose of this organization will be to bring cultural experiences to the citizens of Munday. This will be accomplished by taking groups to see professional and university theatre and ballet productions, museums, and other programs.

In addition, attempts will be made to bring qualified instructors to Munday in such areas as art, piano, dance and gymnastics.

If you have questions, call Karen Longan at 422-4438 after 5:00.

National Farm Safety Week September 18-24

Protecting rural children and teaching them safety measures is the emphasis of National Farm Safety Week September 18-24, according to George R. Gustafson, Executive Vice President of the Texas Safety Association.

The 40th annual observance of rural safety has been proclaimed by President Ronald Reagan and is being sponsored by the National Safety Council and the U.S. Department of Agriculture.

Farm safety is a particular concern in Texas, where 100 persons lost their lives in farm accidents last year, according to Gustafson. The statistics are tabulated by the Texas Farm Bureau, based on data furnished by the Texas State Health Department. These records show that of the 100 deaths, most were related to tractors, firearms, drowning, electric current and machinery, he said.

Safety leaders estimate that the incidence of these rural-type accidents is actually much greater than those numbers reported, Gustafson said.

Although farm fatalities are a major concern, farmers and ranchers should also be aware that up to 20,000 disabling injuries and up to 250,000 serious injuries requiring medical attention occur to Texas farmers and ranchers each year, according to Dr. Gary S. Nelson, Extension Specialist Safety Engineering, Texas A&M University and Texas Safety Association Vice President for Agriculture.

According to Nelson, "If you are a farmer or a rancher, the probability of experiencing a serious injury this year is 1 in 5."

Mr. and Mrs. Roy L. McNeill of New Braunfels, Mrs. Anita Tyler of Conroe, and Miss Bertha McNeill of Wichita Falls visited Mr. and Mrs. Earl McNeill during the weekend.

Sodseeding Winter Pastures

Extend your warm-season pasture's grazing period by sodseeding a cool-season grass or legume into it.

A common example is rye-grass sodseeded into bermudagrass to provide winter and spring grazing.

Before deciding to sodseed, carefully consider the disadvantages and advantages.

Because of the warm-season base grass, sodseeded pastures furnish less fall and early winter grazing than those planted in prepared seedbeds. Also, some warm-season grazing is lost with sodseeding, and sodseeded pasture may retard the growth of warm-season grasses during a dry spring.

In addition, sodseeded pastures require more nitrogen than those planted on a prepared seedbed and are highly dependent on rainfall near or after planting.

On the "plus" side, sodseeding uses land during a normally unproductive period by extending the pasture's grazing period. Also, seedbed preparation is simpler with sodseeding, thereby reducing land preparation costs.

Sodseeded pastures also provide better footing for grazing livestock due to the warm-season grass root system. In addition, fertilizer applied will help warm-season grasses next spring.

"Need" is the determining factor when deciding between sodseeding and prepared seedbed winter pasture.

Stocker calf operations need fall and winter grazing, so the producer is almost forced to pick the prepared seedbed. Spring-calving cows and calves winter well on good hay, and sodseeded pastures provide early spring grazing.

If you decide to sodseed,

allow the warm-season grass to make early September growth but don't fertilize. In late September, graze or closely cut the grass so sunlight can reach the soil.

Plant in late September-early October. While specially designed equipment is preferred, a standard drill can be used. The most popular method, disking, is the least effective.

Ryegrass at 20-30 pounds per acre can be seeded alone, overseeded on small grain or seeded in a legume mixture. Seed oats, wheat, barley, triticale or rye at 100-120 pounds per acre.

Fertilizer is the key to successful sodseeding. Determine needed nutrients by a soil test, and apply nitrogen only after the sodseeded grass is up and again in late February.

Lastly, allow the sodseeded pasture to grow five or six inches before grazing it.

Happy 21st little one. We are proud of you. Mother and Dad

PUBLIC NOTICES BECAUSE THE PEOPLE MUST KNOW

PUBLIC NOTICE OF INTENT TO CHANGE RATES

Notice is hereby given that San Miguel Electric Cooperative, Inc. (the "Utility") intends to change rates for electric utility service effective October 4, 1983, or as soon thereafter as permitted by law. The changes are applicable to all areas to which the Utility provides electric utility service. The Utility owns and operates an electric generating plant providing electricity to one class of customers comprised of South Texas Electric Cooperative, Inc. (STEC) and Brazos Electric Power Cooperative, Inc. (Brazos). STEC and Brazos are affected by the proposed rate changes. 27 other electric cooperatives and 7 cities receive power from STEC and Brazos for distribution to retail customers in Texas. The Utility expects an additional 14% in revenues as compared to adjusted revenues for the period July 1, 1982 through June 30, 1983.

Implementation of the proposed changes is subject to approval by the Public Utility Commission. A statement of intent including the proposed revisions of tariff and schedules and a statement specifying in detail each proposed change, the effect the proposed change is expected to have on the revenues of the Utility and the classes and numbers of Utility consumers affected is on file with the Public Utility Commission of Texas. Earnest Castevens Attorney for the Utility 47-4tc

ORDINANCE NO. 99

An ordinance prohibiting persons 18 years or under from remaining or being found upon the streets of Goree, Texas after eleven o'clock at night, Sunday through Thursday and twelve o'clock at night, Friday through Saturday and providing for enforcement.

Be it ordained by the City Council of the City of Goree, Texas.

Section 1.
Any person eighteen years or under who shall be found upon any of the streets, alleys or public places of the City of Goree, Texas, at night, later than eleven o'clock p.m. on Sundays through Thursdays and twelve o'clock p.m. on Fridays through Saturdays, shall be guilty of a misdemeanor.

Section 2.
Be it further ordained that the foregoing section shall not apply to any person eighteen years or under who shall at the time of being found upon the streets or alleys or public places of said city be accompanied by his or her parent or guardian, or to any person or persons in search of the services of a physician.

Section 3.
Any police officer who finds a person eighteen years and under violating the provisions of this ordinance shall obtain information from such person as to his name and address, age and the name of his parent, parents or guardian. Such person shall be instructed to proceed to his home. Written notice shall be mailed to the parent, parents or guardian, advising of the violation.

Section 4.
Any person who shall violate any of the provisions of the ordinance shall be deemed guilty of a misdemeanor and upon conviction there of shall be fined in any sum not less than twenty-five dollars nor more than two hundred dollars and each offense and each day that such violation continues shall constitute a separate offense.

Section 5.
All ordinances or parts of ordinances in conflict herewith are hereby repealed and if any sections, sentences or phrases of this ordinance shall be declared unconstitutional such invalidity shall not effect any of the remaining sections, sentences or phrases of this ordinance.

Passed, adopted and approved on the 19 day of September, 1983.
Attest:
Jim Cooke
City Secretary
Felton Jackson
Mayor of Goree

BIRTHDAY PARTY

Jacy Collins was 3 years old Saturday, September 17, and his parents, Mark and Tammy Collins, honored him with a party in observance of his "day". A cowboy cove and all the birthday part trimmings were served the guests. Friends and relatives on hand to help him celebrate were Sharon Newton, Josh and Jordan, Dorothy and O'dell Carver, and Dorothy Anderson of Knox City, Molly Collins and Granny Clifton of Seymour, Gary,

Stacy and Ryan Antilley of Guthrie, and Wade Pierce, Leigh Ann Smith, Aaron and Adam, Jo Ann McNitt, Dickie and Laura McCannies and Fred and Jan Carver, all of Benjamin.

HOSPITAL NEWS

Leola Isbell, Oma Parker, Rosie Brown and Appolonio Estrada are patients in the Knox County Hospital at this time. They are all improving and are not sure how long their stay will be. We wish them a speedy recovery.

Mike Golden is in the Seymour hospital today (Monday). Mike suffered a blackwidow spider bite during the weekend. This should be a reminder to all of us to watch closely for these pesky and many times very dangerous little "critters".

HERE 'N THERE
Gladene and Van Green spent Sunday afternoon with their daughter and family, the Gordon Taylors in Paducah.

Jonnie Williams and Mary Tom and Rex Bohannon attended the funeral of their brother-in-law and uncle, Leo Taylor, in Burnett Tuesday.

Bud and Von Conner are vacationing in Red River, N.M. this week.

Bobby Trainham was in Idalou one day last week on business.

Wendy Pollock, a student a VRJC, was home for the weekend. *****

Senior Citizens To Sing Tonight
The Munday Senior Citizens will have their monthly singing at 7 p.m. Thursday, September 22 in the Community Center. Several out-of-town singers have been invited to attend.

Any senior citizen will be welcomed. If you like to sing or just listen, feel free to attend.
