Look To The East

by Aaron Edgar

We as a people are prone to be looking for something that says exactly what we want to say, especially at times of joy and happiness or when illness and sorrow come our way.

That's why, we think, the patronage of greeting cards has been ever on the increase. In any event, we usually can find one that's befitting the occasion. The humorous side, as well as uplifting ones, can change a lonely heart to one of hope and encouragement.

The many cards the Edgars received recently were of such a variety, and they came from many places, such as Tulsa, Okla.; North Fork, Colo.; Lexington, Va.; to name some out-of-state places, and from Houston, Dallas, Lubbock, Lamesa, and San Angelo, to name a few of the places outside of Munday and area.

We appreciated so much "mail time" at the convalescent center, because this almost always meant the comfort of enjoyable cards. These brought messages other than the printed ones that were comforting. For example:

From the Penicks, Russell and Helen, came this inspirational poem entitled "The Weaver":

"My life is but a weaving
Between my Lord and me;
I may not choose the colors,
He knows what they should be;
For He can view the pattern
Upon the upper side,
While I can see it only
On this, the under side.

"Sometimes He weaveth sorrow,
Which seemeth strange to me,
But I will trust His judgement
And work on faithfully.

"Tis He who fills the shuttle,
He knows just what is best,
So I will weave in earnest
And leave with Him the rest.

"Not till the loom is silent
And the shuttles cease to fly
Shall God unroll the canvas
And explain the reasons why -
The dark threads are as needful
In the Weaver's skillful hand
As the threads of gold and silver
In the pattern He has planned."

author unknown

From our longtime farmer-friend, Joseph Decker of Rhineland, a fifth generation of bee keepers, who wrote:

"I hope you will be well soon. I am praying for you. I am eating okay, eating yellow water melons. Been eating them for 72 years now, cantaloupes, too. It's been hot and dry. Keeps me busy watering, also do a little chopping. I am now 90 years old, the oldest man around here in Rhineland. Best wishes and prayers."

From Lexington, Va., Mary Hope Pusey writes: "Your 'Look to the East' has touched me deeply so many times, and at others has brightened my sagging spirits. Your kindness at the loss of my sister made me so glad that there were still old friends who remembered and cares."

From Weatherford, Blanch Nelson wrote: "I have appreciated you through the years, and my prayer is that God will give you a speedy recovery."

From Goree, Emma Scales, whose job of cleaning our house was interrupted by our illness, said: "I am praying for you all. May God Bless!"

The printed message on a card from Goodson Sellers, who is Mr. Humor himself, stated: "Our relationship is pretty unusual - I'm pretty and you're unusual!"

The inspiring part of them all was that they included prayers for our recovery and well-being. We remarked several times that the Lord has been pretty busy listening to all those prayers. A "prayer chain" was organized, even, in two of the churches in Quanah! Cards came from the Lions Club and several Sunday school classes in local churches, these being signed by all members present at the time.

"Don't it make you happy that you live in a little town," one of our dear friends remarked a few days ago.

Another interesting thing about the many cards purchased here in Munday is

(Continued on Page 2)

Plainview Firm Awarded Bid For HUD Project

Bids for the Munday HUD project were opened at 1:30 p.m., September 27, at the Munday City Hall.

Present from the firm of Jacob & Martin, Engineers, Abilene, were Kenneth Martin and John Conely; also present were Doris Dickerson, Munday Mayor Pro-Tem, and Walter Hertel, City Administrator. Contractors present were Dickie Wall (High Plains Pavers Inc., Plainview); Glenn Ashley (A. & A. Construction Company, Olney); Billy Aaron (Zack Burkett Construction Company, Graham); and Steve Strain (J. H. Strain & Sons Inc., Tye).

Mayor Pro-Tem Dickerson asked Kenneth Martin to preside at bid opening. At precisely 1:30 p.m. bid opening commenced. One bid (arriving minutes late) was not opened.

Martin announced base bids opened as follows: (Using foundation course #3) West Texas Construction Company, Abilene, \$434,502.08; High Plains Pavers Inc., Plainview, \$419,303.70; Zack Burkett Construction Company, Graham, \$482,050.34; J. H. Strain & Sons, Tye, \$457,715.10; A. & A. Contractors, Inc., Olney, \$593,787.00. Crushed aggregate or soil asphalt base also bid will be evaluated, also utility and culvert deductibles are to be considered.

Apparent low bidder using base course #3 was High Plains Pavers Inc. Martin stated bids will be evaluated and the bid will probably be awarded by the Munday City Council in approximately one week.

Bid opening adjourned with unanimous approval of all present.

The City Council of the City of Munday, Texas met in special session at 8 p.m., Wednesday, October 5, at the Munday City Hall.

Members present: Mayor James W.

Farm Bureau Convention Set For Saturday

The Knox County Farm Bureau will hold its annual convention at 6 p.m. Saturday, October 15, at the Munday High School cafeteria and auditorium.

Members and guests will enjoy a meal of barbecue on buns, beans, chips and homemade ice cream and then adjourn to the auditorium for a business meeting.

Entertainment for the convention will feature Stan Decker on the piano, and bingo games will be played after the business meeting.

Don Welch, local farm bureau manager, said he expects a good crowd for this affair, which is a highlight of the Farm Bureau year.

MOGUL TODD THOMPSON hauls this pass in as he is being pursued by Rotan defenders. In the district opener, the Yellowhammers nailed the Moguls by a 20-0 score for Munday's third loss of the season against as many wins.

Reid, Doris Dickerson, Bob Therwhanger, Jessie Tucker and Bobby D. Burnett. Members absent: Von Marr.

Mayor Pro-Tem Dickerson called the meeting to order. Minutes of the September 13, 1983 regular meeting were read. No alterations. Mayor Reid entered meeting at this point. Mayor Reid stated minutes were approved as written.

First business presented was a letter from Jacob & Martin and bid evaluation sheet showing the 17 varied items as bid; additive alternates on base 1, 2 and 3; also deductibles on utility easements and culvert deductibles. If base foundation course other than No. 3 is selected, some street footage would require deletion to be within funding requirements of available money.

After discussion and evaluation of bids as tabulated, Bob Therwhanger made a motion that the City Council accept the bid of High Plains Pavers, Inc., on their low bid with #3 foundation course; and that utility and culvert deductibles not be exercised, for a bid total of \$419,303.70. Bobby D. Burnett seconded the motion. Voting for awarding the bid to High Plains Pavers, Inc., Plainview, were Therwhanger, Burnett, Tucker and Dickerson. Noes, none. Carried. Mayor Reid is authorized to execute the formal agreement when it arrives for City approval.

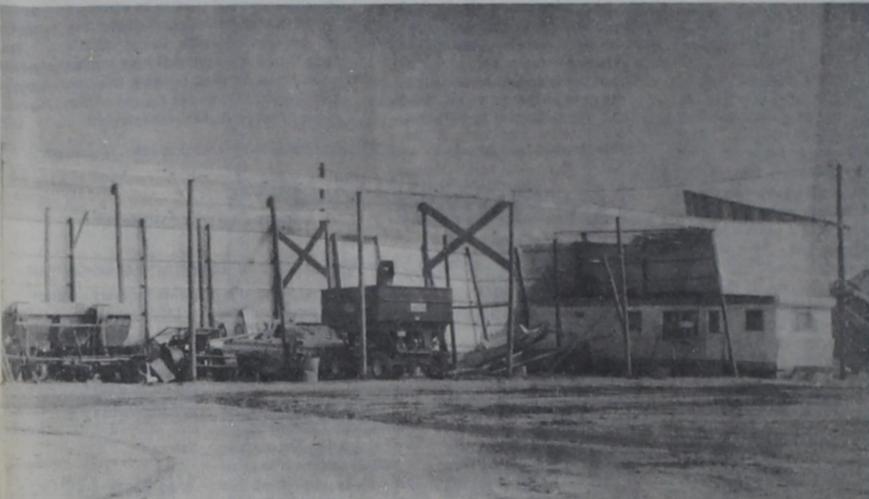

Next business was discussion of employee retirement, insurance, or raise questionnaire requested by the Council. Employee poll revealed most to be in favor of the retirement plan at this time. More detailed information should be available by the next meeting. No action taken at this time.

Therwhanger moved the meeting adjourn. Burnett seconded. All in favor.

Rotan Trounces Moguls In Fumble-Ridden Game

The Rotan Yellowhammers came to Munday last Friday night and recovered seven Mogul fumbles enroute to handing Munday their third loss of the season. Rotan turned the ball over twice but the less aggressive Mogul offense could not capitalize on the Yellowhammer mistakes.

Munday received the opening kickoff but was not able to move the ball downfield and was forced to punt after gaining only eight yards. On their first offensive possession, Rotan drove to the Mogul 8 yard line before losing the ball on a fumble. But again the Moguls had to punt after four plays. Rotan returned the punt to Munday's 27 yard line, and in six plays Charles Williams scored the first touchdown of the game from nine

ALTHOUGH OTHER PARTS of the Big Country received more wind damage than the Munday area during Thursday night's storm, Floyd Reed can attest to the fact that Munday wasn't completely spared. His barn

south of town was neatly unroofed by the wind that accompanied 1.41 inches of much needed rain. We didn't, however, particularly need winds of this magnitude.

Clouds Bring Rain, Cooler Temperatures To Our Area

Two cells of thunderstorms lodged over Knox County last week and brought much needed rain to our dry land.

A good cloud cover brought cooler weather on Thursday, October 6, and just under an inch and a half of moisture fell that night. Munday was spared most of the bad weather as some neighboring towns received some wind damage and experienced flooding problems. Damage in Aspermont was termed severe.

The cool temperatures stayed with us and another inch of rain fell Saturday

night and Sunday morning making for some fine "sleeping weather". Goodson Sellers, official U.S. Weather Observer in Munday, reported 2.45 inches during the week, giving us a total of 20.99 for the year. At this time last year, we had received 29.45 inches, so our rainfall is still down somewhat from the norm.

Early morning clouds and fog provided a real autumn atmosphere early in the week.

Following are the temperatures for seven days ending at 5 p.m. Monday, October 10, as compiled and recorded by Mr. Sellers.

| | TEMPERATURES | |
|--------------------|--------------|-------|
| | HIGH | LOW |
| October 4 | 87 | 69 |
| October 5 | 90 | 53 |
| October 6 | 87 | 67 |
| October 7 | 79 | 60 |
| October 8 | 66 | 60 |
| October 9 | 75 | 62 |
| October 10 | 78 | 57 |
| Rainfall this week | | 2.45 |
| Rainfall to date | | 20.99 |

United Fund Drive Begins Monday

Monday, October 17, is the starting date for the local United Fund campaign. Workers will be going door-to-door to collect donations for the 1984 Munday area United Fund budget, which helps to finance several local organizations, as well as national projects. The fund drive will continue through October 30.

Goree residents are reminded that workers will be involved in a door-to-door campaign in that city this year. In the past, a fund-raising dinner has been held in Goree to benefit the United Fund, but the decision was made this year to have the door-to-door campaign instead.

Persons and businesses in both cities will be asked to contribute generously so the 1984 goal of \$6,970 can be reached.

Lions Club Sets Pancake Supper

Hungry for pancakes, anybody? You will be able to appease your appetites at the Lions Club's annual pancake supper, which is slated for Friday, October 21, beginning at 5:30 p.m., at the high school cafeteria in Munday. They'll shut down at 7 p.m., so everybody can go to the Mogul-Haskell football game.

For the price of \$2.50 for adults and \$2.00 for boys and girls, they're going to give you all the pancakes you can eat. Don't expect seconds on the sausage, though. Pork is pretty high these days, you know!

So whet your appetites and come on down for a fill-up. Enjoy the association of friends while eating.

Go Moguls!

Bargains Galore At Rummage Sale

The Munday Historical Association will again hold a rummage sale at their usual location at 120 Main Street. The sale, to be held this weekend, will run from 9 a.m. until 5 p.m. on Friday, October 14, and from 9 a.m. until noon on Saturday, October 15.

M. L. Wiggins urges everyone to come and look through the selection of merchandise. Members of the Historical Association want to close out the rummage sale, so prices will be marked down in an effort to sell all remaining merchandise.

Your purchases will help the Historical Association clear the debts it incurred during the printing of "Our Home Town", Munday's history books.

(Continued on Page 2)

Life-Saving Tool Shown To Residents

A good-sized crowd of firemen, ambulance volunteers and interested citizens gathered Monday night in the street next to the senior league field for a demonstration of the Jaws of Life rescue tool.

The equipment was shown by Darryl Huff of Texas Fire Fighters Equipment Company in New Braunfels. In an impressive demonstration, Huff demolished a vehicle in a very short time, removing the doors and roof. This showed very effectively the ease with which this tool can open a jammed car door so emergency personnel can rescue victims who may be trapped inside.

The need for a Jaws of Life in Knox County has been made even more real by the recent truck accident and the death of one of the men involved in the accident, Billy Ray Wade, on Monday afternoon.

The firemen have kicked off the fund drive by donating a large sum, and the ambulance service matched this amount. Other donations have been made by Raymond Carden, L. M. Patterson and Lowe Brothers.

A special account has been opened at the First National Bank in Munday for donations to the Jaws of Life fund. Persons wishing to contribute to this fund may do so at the bank, or you may give your donation to any fireman, to Bobby Hutchinson at Munday Gin and Seed or Thelma Maston at the Farm Bureau office.

Ambulance Service To Assist Firemen With New Project

Bobby Hutchinson, Munday Ambulance Service coordinator, has expressed his interest in the Fire Department's decision to purchase a Jaws of Life rescue tool.

"A Jaws of Life would be a real benefit to the Ambulance Service," Hutchinson said, "and we want to do everything we can do to help the firemen realize their goal."

He pointed out that persons who plan to make a donation to the Ambulance Service might consider donating to the Fire Department for the purpose of adding to the Jaws of Life fund. Such donations will ultimately benefit the city's ambulance operation, also.

Hutchinson added, "We can't begin to properly thank the citizens of Munday for their generous contributions to the Ambulance Service. I feel this generosity will now be extended to the Fire Department, and they will be able to raise the money for the Jaws of Life in a short time. Our community has needed equipment like this for a long time, and it will be a real asset to the county."

The local ambulance made 18 calls in September, 1983. Total charges accrued were \$1,591. The ambulance has been called out 171 times thus far in the year, and approximately 64% of the 1983 charges have been paid.

It's A Girl

Lynette Hollar of San Marcos has a baby sister who was born at 11:20 p.m. Monday, October 10. Her name is Jennifer Lynn, and she weighed eight pounds and eight ounces.

Her proud parents are Randy and Julie Hollar. Grandparents are Marge and Alvin Hollar of Munday, Sue Graber of Columbus and Ray Graber of Mountainview, California.

The new arrival also has a great-grandmother, Lillian Williams of New Braunfels, and a great-great-grandmother, Hazel Vaughn of New Braunfels.

CORRECTION

In last week's engagement announcement for Danny Brown and his bride-to-be, Sherri, we failed to list her mother, Ida Wester, of Guyton, Oklahoma.

MOGULS

(Continued from Page 1)

to Tony Gruben for 24 yards and the extra point try was no good.

The team will try to get back in the win column at Paducah Friday night. The Dragons are coming off a 42-0 pounding by Hamlin. Kickoff will be at 7:30 p.m., and local fans are encouraged to make the trip to cheer the Moguls on to their first district win.

Coach Edwards Comments

We lost the Rotan game because we did not execute well. When a team loses seven fumbles in a game they are experiencing an extreme lack of concentration and intensity. We could have won the game; in fact, I don't think we should have lost it. The Moguls will have to develop mental toughness to win district games.

There were many missed assignments in the game, and there was no reason to

fumble that many times. We apparently do not handle pressure very well. These points are ones we will bring out in practice this week.

Jim Earl Dockins is our Mogul of the Week and Head Hunter. He had 21 tackles and was in on almost every tackle we made. Paul Wright is our pick for offensive player of the week. He had his best game of the season, showing improved blocking and better defensive play as well. Greg Urbanczyk is the defensive player of the week. We moved him to nose guard this week and he had a good game.

Paducah is rather an unknown entity. The Dragons have lots of injuries and have shifted personnel around. They have not run a consistent offense or defense this year and seem to be searching for the right combination. We hope they will be searching after Friday night's game. But the Moguls will have to play much better football to bring this one out. We will have to win the rest of our games to have a chance at the playoffs.

LOOK TO THE EAST

(Continued from Page 1)

that on only one occasion was there a duplication. It has always been amazing to us that among all the cards selected, no two decided on the same card. This is the first time this has happened to us!

But the fact that so many people remembered "an old worn-out newsman" and his wife during this period remains as one of the greatest joys of this period. We're profoundly grateful!

A FEW FALLING LEAVES dotted the yard of Mr. and Mrs. J. Weldon Smith when this photo was taken. The graceful trees, along with the neat green yard and shrubbery make this Yard of the Week one of the most attractive in town.

The World's Greatest Secret

We all like secrets, don't we? I think the thing we like best about secrets is telling them. The Apostle Paul was a man like us in that he too liked secrets and enjoyed telling them. In Colossians Chapter one, Paul talks about the greatest secret in the world. He said it was a secret that God had kept from eternity past but had now told His people and was allowing His people to tell the world. Do you know what that secret is? It is "Christ in You, the hope of glory."

The most important message ever shared is that Christ in you is your only hope of glory. This is true in two ways:

1. Christ in you is the only hope you have of going to heaven. The only ones who are saved are those who have Jesus Christ in their lives. John says that the ones who have the Son (Christ) have life and the ones who don't have the Son have not even seen life. Being saved - being a Christian - does not mean

just accepting a set of doctrines, being a member of the church, or submitting to ordinances. Being a Christian is having Jesus Christ as Lord in your life.

2. Christ in you is also the only hope you have of having glory in this life. The purpose in man's existence is to glorify God - to show forth His character and nature. So many Christians try very hard to serve God, to please Him, to glorify Him and yet fail over and over. The reason is because man in himself cannot be like God. We can't live like God wants. The exciting thing is, we don't have to! Jesus is in the Christian, and when we surrender fully to Him and walk obediently by faith, Jesus' life flows through us. Then we walk in victory; then we exhibit His nature and character; then we experience His grace and

power for every situation.

Life's greatest secret is that Christ in you is the hope of heaven when you die and victorious, fulfilling life now. Do you know this secret? Are you experiencing it? If you are, share it with someone else.

Victim Of Local Truck Wreck Dies

Billy Ray Wade, 27, of Breckenridge, died about 1:45 p.m. Monday, October 10, at Hendrick Medical Center in Abilene from injuries he received October 2 in a truck accident in Munday.

Services were pending. Wade was born June 5, 1956, in Graham and attended Breckenridge High School. He was a truck driver and heavy equipment operator for Triple M Company.

The driver of the truck, Gregory G. Smith, continues to be listed in serious condition.

Firemen Receive Donation For Fine Service

The Munday Volunteer Fire Department recently received the following letter from Germania Farm Mutual Insurance.

Enclosed is a check for \$100.00 in appreciation of the service your department rendered by responding to a fire call on September 6, 1983, involving insured property of Germania Farm Mutual member Bobby L. Sosolik.

Volunteer fire departments such as yours have been a tremendous help in keeping fire losses to a minimum, not only for policyholders of this Association, but for all people in the State of Texas. Your services not only keep fire insurance rates as low as possible, but because of your efforts, many lives are saved together with a tremendous amount of valuable property.

We extend our special thanks to the members of the Munday Volunteer Fire Department for the services rendered in this case.

Sincerely yours,
Edwin S. Schmid
President

Services For Mrs. Davila Held Monday

Mickie Alcalá Davila, 37, of Dallas, died Thursday, October 6, in Dallas Medical City Hospital.

Born September 14, 1946, in Goree, she was a member of the Assembly of God church and a secretary for Texas Instruments.

Services were held at 2 p.m. Monday, October 10, at the Templo Emmanuel Assembly of God church in Munday. Officiating were Josue Elorrea, A. Medina, Fred Ramos, Paul Maldonado, Evelyn De La Torre, Nacho Hernandez, David Lara and Ramon Martinez. Burial was in Johnson Memorial Cemetery under the direction of McCauley-Smith Funeral Home.

Survivors include her husband, Rev. Joe E. Davila Sr.; a son, Joe Davila Jr.; three daughters, Tammy, Jo Ann and Irene Jeanette Davila; six brothers, Fidel, Isidro, Daniel, Eliseo, Robert and Earnest Alcalá; and five sisters, Rosa Garza, Lydia Vasquez, Paula Garcia, Julia Alcalá and Benita Harwood.

Benjamin News

By MRS. GLADENE GREEN

FOOTBALL

Coach Tracy Beaty's Benjamin Mustangs defeated the Vernon Northside Indians 40-34 here Friday night.

The Mustangs held the lead the entire game. The fourth quarter was scoreless but they had a good enough lead and the opposition not enough time to come out winners! Troy Oxford had four TD's and Glenn Heard scored one. Troy Pratt kicked the extra points.

On Thursday night, the junior high traveled to Northside and came home with a victory. We congratulate both teams.

HERE AND THERE

N. T. and Aldene Ward of Pueblo, Colo., visited her brother and his wife, the H. T. Meltons, the last of the week. Also visiting the Meltons last week were Van Earl Sams of Vernon and Jacky

and Mary Young of Lubbock.

Pete and Kay Lindsey of Dickens were Benjamin visitors Monday.

Weekend guests of Clodell

Duke were the Butch Dukes of Lubbock and the Ken Roberts of Hereford. On Saturday, Clodell, Jan Pollock and Gaye Roberts were in Olney for a sports fest where Wendy Pollock, student at VRJC, played in the tennis tournament (doubles). Wendy and her partner placed second.

PUBLIC NOTICE

Pursuant to the Gas Utility Regulatory Act, Lone Star Gas Company hereby gives notice of the Company's intent to implement a new schedule of rates effective November 8, 1983

to be charged for natural gas service to residential and commercial customers in the environs area (outside incorporated limits) of Munday, Texas

The rate schedule is expected to furnish a 4.88 percent increase in the Company's gross revenues in the environs of Munday, Texas

A Statement of Intent has been filed with the Railroad Commission of Texas and is available for inspection at the Company's business office located at 126 West Main, Munday, Texas

Any affected person desiring to contest such changes in rates can file a complaint with the Director of the Gas Utilities Division, Railroad Commission of Texas, 55 North-I.H. 35, Austin, Texas, 78711.

Results Of Residue Tillage Study Announced By SCS

The Soil Conservation Service in Knox City is conducting residue tillage studies in the county to determine the effect of various plows on the amount of residues left from certain crops. These studies are being conducted on wheat, corn, grain sorghum and guar. The residues left on the surface of the soil are being measured each time after the field is plowed.

To date only the wheat study is complete. The results are as follows:

On a Hardeman fine sandy loam with 10,750 lbs. of straw left per acre after harvest, chiseling left 72% of the straw on the surface for each plowing of 10,750 x .72 = 7740; tandeming left 37% of the straw on the surface for each time plowed or 10,750 x .37 = 3978 lbs/acre.

On a Miles loamy fine sand with 4360 lbs. of straw left per acre after harvest, a stubble mulch plow left 98% of the straw on the surface after each plowing or 4360 x .98 = 4273 lbs/acre.

Since wheat is an important part of the crops planted in Knox County these studies can be very important to farmers in the county. As we

all know, wind erosion is a serious problem in Knox County. Residues on the soil surface can be very effective in reducing the erosion so that our children and grandchildren can enjoy farmlands as productive in the future as they are today.

For example, a field about 1/4 mile long will lose about 11 tons of soil per year from wind erosion alone if 500 lbs/acre of residues are left. Through the use of different plows or fewer plowings an increase of residues to 1250 lbs/acre will effectively cut wind erosion to less than 1 ton per acre per year. Many of the soils in Knox County will not continue to produce in the future if wind erosion is over 5 tons/acre/year.

Reduced wind erosion is not the only reason to leave stubble on your field. This stubble will help keep moisture from evaporating from the soil, it will allow more water to penetrate the soil, it will make the soil easier to plow, and eventually can increase fertility.

To learn more about wind erosion or how much erosion is taking place on your land, contact the Soil Conservation Service in Knox City.

MEMBERS OF THE WEINERT School 1983-84 pep squad are pictured above. Shown from left in front row are Dianne Carroll, Margaret Castorena, Ana Perez and Monica Estrada. In center row are Irene Estrada, Tina Briscoe, Lupe Estrada, Laurie Hester and Karen McGuire. Girls in the top row are Kelly McGuire, Stacia Adams and Cynthia Castillo. Shelia Castorena is not pictured.

Munday Historical Society

Directors To Attend State Meeting

Lonnie Offutt of Munday, Charles Griffith of Benjamin, C. H. Cornett of Knox City, Louis Baty of Gilliland and Billy Kinnibrugh of Vera, directors of the Wichita-Brazos Soil and Water Conservation District, will be in McAllen October 24-26, 1983, to attend the forty-third annual state meeting of Texas Soil and Water Conservation District directors. The meeting will be held in the McAllen Civic Center.

Others attending from the Wichita-Brazos Soil and Water Conservation District will be the directors' wives and Judy Fairchild of the Soil Conservation Service in Knox City.

The purpose of the meeting is to review developments affecting Texas conservation programs. An array of top agricultural leaders and legislative and congressional officials will highlight the meeting. Speakers will include State Senators Grant Jones of Abilene, Bill Sarpaluis of Canyon, U.S. Congressman Charles Stenholm of Stamford, Tom Benson, president, Federal Land Bank of Texas, Austin, and Billy Griffin, state conservationist, Soil Conservation Service, Temple.

Approximately 1,000 SWCD directors including other conservation leaders are expected to attend the meeting.

Six Weeks Honor Roll

"A"

Freshmen - Teresa Ward, Jay Donoho, Douglas Schumacher, Howard McPherson, David Hertel and Jeff Bruce. Sophomores - Donna Welch, Gregg Sanders, Kelly Wren, Laura Myers and Salwa Choucair.

Juniors - Ron Redder, Mary Jane Kuehler and Carol Pennartz.

Seniors - Paula Waggoner and Julie Partridge.

"B"

Freshmen - Karen Kuehler, Chris Baker, Christy Morgan, Karen Munoz, Jimmy Sosa and Lino Hernandez.

Sophomores - Scotty Jackson, Shawn Cude, Dent Offutt, Mark Brown, Neil Waggoner, Tammy Decker, Jeff Vinson, Martha Castillo, Randy Kuehler and Janet Williams.

Juniors - Janet Myers and Cheryl Wilde.

Seniors - Donna Welch, Wilda Smith, Missie Stewart, Ronnie Brown, Jeannette Kuehler, Kathy Booe, Rose Fernandez and Paul Wright.

VRJC Classes To Begin

Mrs. Paula Schur, Munday coordinator for Vernon Regional Junior College, has announced that VRJC will again offer continuing education classes in Munday.

The first class to be offered will be ground school aviation. This course will cover the principles of flight, aircraft construction and weather navigation. It is a non college credit course.

For more information concerning fees, dates and location, contact Mrs. Paula Schur at 422-4631 before October 25.

The Mogul Booster Club needs your support. Join up today!

Our Sincere Appreciation

Eileen is now walking again, and once again we realize the goodness of God through the kindness, concern, and help of all of you while Eileen was in the hospital and since she has come home.

Your prayers, visits, letters, cards, phone calls, the beautiful flowers, and the food brought to us helped so much during the long weeks she was in the hospital. The many, many donations are so greatly appreciated. We know that many sacrifices were made to help.

So, sincerely and humbly we thank each one of you - our friends, neighbors, relatives, ministers, doctors, and nurses for being a very special part of our lives. God bless you!

Eileen Coffman Lane and Jud The Olen Coffman family

October Senior Citizen Enjoys Helping Others

Mrs. Maggie Gaines was born at Alford in Wise County, Texas, the daughter of Mr. and Mrs. J. H. Bilbrey, longtime residents of Goree who are now deceased. She moved to Knox County in 1918. On July 31, 1925, she married Jim Gaines and moved to Munday. Mr. Gaines passed away in Munday in June, 1979.

Mrs. Gaines is a member of the First Baptist Church in Munday. She was a charter member of the Munday chapter of the American Association of Retired Persons and is now working with the local senior citizens group as a volunteer for the Knox County Aging Services. Mrs. Gaines is also a volunteer who spends almost every Saturday afternoon at the Munday Nursing Center. A member of the "Sing-Along" group who bring cheer and inspiration to residents of the nursing center, Mrs. Gaines enjoys visiting with each individual at the home after their program.

Two sons were born to Mr. and Mrs. Gaines, Gordon, who lives in Odessa, and Robert, who resides in Abilene. Mrs. Gaines also has

MRS. MAGGIE GAINES
Senior Citizen of the Month

seven grandchildren and one great-grandson. Although her family would like to have her near them, she chooses to make her home in Munday where she can enjoy a host of friends whom she has known for more than 50 years. She has one sister, Mrs. Linnie Coffman of Goree.

Mrs. Gaines enjoys playing "84", crocheting and sewing. Munday is her home and she plans to live here as long as she is able so she can be active in church, volunteer

work and dedicated service to her many friends.

Maggie Gaines is loved by all who know her, and we are privileged to name her our Senior Citizen for the month of October.

THIS GROUP of children attended the production of "Rumpelstiltskin" in Wichita Falls on a field trip with Munday's new Council for the Arts. They are, back row left to right, Lanasa Wilson, Marissa Swan, Angie Stone, Sarah Nagel and Kandis Longan; front row, Brent Selzer, Dustin Sloan and Brant Reed.

Lone Star Official Urges Audits Be Discontinued

The Residential Conservation Service program required by Congress - and the companion Commercial and Apartment Conservation Service program soon to go into effect - are ineffective and should be discontinued, a Lone Star Gas Company official told Congress recently.

Testifying before the House Energy Conservation and Power Subcommittee in Washington, Lone Star Vice President Neal Hall said neither program merits continuation.

"Neither program can ever be cost-effective and, as a consequence, places an unnecessary cost burden on Lone Star's customers," he told subcommittee members. "Lone Star urges repeal of both of these programs to the benefit of its more than 1.2 million customers who otherwise must continue to pay needlessly higher utility bills."

Hall's comments refer to Congress's mandate that utility companies must offer home energy audits to all eligible commercial and apartment customers. These conservation programs are required by the National Energy Conservation Policy Act of 1978 and the Energy Security Act.

"Unlike the many conservation programs and information Lone Star historically has offered, the RCS program is not cost-effective for our customers," Hall said. The reduction in natural gas usage by customers who have had the RCS audits is minute, particularly when you realize that some 97 percent of customers neither want nor use this program, Hall continued. It has cost Lone Star, and ultimately the customers, some \$2.1 million to date. In other words, Hall said, the RCS program has achieved conservation at the cost of more than \$82 per thousand cubic feet of gas conserved.

Speaking after the hearing, Hall added, "On behalf of its customers, Lone Star has opposed these programs since their inception." He also lauded Congressman Ralph Hall (D-Rockwall) for making the hearing possible. He said, "In doing so, the Congressman has provided consumers of this area an outstanding service."

Rep. Hall represents the 4th Congressional District of Texas.

Tuesday - Fish, cheese wedge, lettuce wedge, cornbread, cobbler, milk.

Wednesday - Barbecue ribs, mashed potatoes, Ranch Style beans, hot rolls, fruit,

Arts Council Attends Play

The newly organized arts council, dubbed "Cultural Organization for Munday Enrichment", made its first scheduled field trip last Wednesday. Thirteen adults and children traveled to Wichita Falls Memorial Auditorium to see a line production of "Rumpelstiltskin."

The musical theatre production was performed live by the Texas Youth Theatre. All those in attendance from Munday were thoroughly entertained. At the program, the Munday group, along with several area schools, was recognized.

Those attending were Martha and Brent Selzer, Brant Reed, Kandis Longan, Judy and Sarah Nagel, Nancy and Marissa Swan, Tammy and Dustin Sloan, Angie Stone, Pansy Koenig and Lanasa Wilson. Guests of the Selzers, Richard and Libby Zuber of Wichita Falls, also joined the Munday group.

The Arts Council plans to organize many more out-of-town cultural activities as well as sponsor several programs in Munday throughout the year. Plans are now under way to invite Peter Fox, Executive Director of the Texas Assembly of the Arts Council, to the next meeting.

All citizens interested in joining and supporting this group should make plans to attend the meeting. You may also join by sending your dues of \$15.00 a year per family to Judy Nagel, treasurer.

Attend Meeting And Workshop

Pat King and Mrs. Marguerite King attended the Western District Texas Federation of Womens Clubs board meeting and workshop at the Big Spring Country Club in Big Spring Saturday, October 8.

Mrs. King conducted a Leadership Development Workshop for the Western District.

Speakers during the day included Mrs. Bettye Green, state president-elect, and Mrs. Marian White, state historian.

SENIOR CLASS OFFICERS at Munday High School are, from left, Eugene Escamilla, secretary-treasurer; Jamie Vasquez, vice-president; Jeannette Kuehler, reporter; Kent Josselet, president; and Paul Wright, student council representative.

THEY'RE THE FAVORITES of the Munday High School class of 1984. Elected senior favorites are Charlotte Hernandez and Jamie Vasquez.

Area Grid Roundup

HAMLIN BLANKS THE DRAGONS

The Hamlin steam roller rolled along Friday night as the Pied Pipers humbled Paducah 42-0. The Pied Pipers have been scored upon twice this season.

Hamlin's Earl Titus intercepted a Dragon pass in the opening minutes, and on the first play from scrimmage, Piper quarterback Jeff Lawlis found Bobby McGee open for a 37-yard scoring pass.

Jerry Woods and Eddie Bolden also scored in the first quarter. Bolden made his second touchdown a little later, and then quit for the night, after rushing 132 yards on 14 carries during the first half.

Jimmy Woods and Coy McGee continued the scoring for Hamlin in the second half.

HASKELL INDIANS RUN PAST PANTHERS

Haskell got back on the winning track this week with a resounding 39-0 win over Seymour in the district opener for both teams.

Quarterback Todd Harris, Carl Dever and Robert Ivey scored for Haskell.

The Indians now own a 5-1 record for the year and Seymour is 2-4.

GOREE SQUEAKS BY ROCHESTER

A fourth-quarter comeback attempt failed for the Rochester Steers as they fell to Goree 22-19 in a six-man district game.

In the battle of the running backs, Goree's Richard Dixon came out on top of Jerry Don Garcia, with 214 yards on 34 carries compared to 146 yards on 19 carries for Garcia.

The two players scored the majority of the points in the game.

WEINERT BEATS MIAMI WARRIORS

Larry Bruggeman scored twice and Ricky and Johnny Perez had one tally each to lead the Weinert Bulldogs to a 25-7 victory over Miami.

Eric Smith scored Miami's only touchdown. The Warriors are 0-4 in district and 1-4 for the season, while Wein-

Junior High, JV Continue Winning Ways

A combined seventh and eighth grade team from Munday took an exciting 18-12 last-minute victory over the Rotan team Thursday night.

Leading 12-6 with 12 seconds left in the game, the Braves' hopes for a win plummeted when a Rotan player ran 80 yards to tie the score at 12 all. But the Braves got the touchdown right back as Rotan tried an onside kick which Munday recovered, and Anthony Stinnett took the ball in from midfield as the last seconds ticked off.

Stinnett had two touchdowns for the evening and Trey Thompson scored once.

Coach Jim Edwards said the junior high players are improving a great deal and showing more promise each week.

The Munday junior varsity also won their game at Rotan by a 14-8 score.

Ryan Wright accounted for both Mogul touchdowns and Jeff Bruce completed a two-point play on an option.

Coach Edwards said the JV's, who are now 3-3 after losing their first three games and then coming on strong, simply out-muscled their opponents. "This is the second week in a row that they have played outstanding defense and are really hitting hard. They are at the point now where they are beginning to put it to the other teams."

The junior high and junior varsity teams will take on Paducah this week when the Dragons come to Munday on Thursday (today), October 13.

ert now stands at 2-2 and 3-2

BENJAMIN UPSETS VERNON NORTHSIDE

The Benjamin Mustangs built up a halftime lead and hung on to upset Northside 40-34.

Troy Oxford, Troy Pratt and Glenn Heard contributed touchdowns for the Mustangs. Joel Wilkinson, Junior McGee and Ricky Lee scored for Northside as the Indians tried to come back in the fourth quarter. But Ben-

jamin dug in and held their opponents off to preserve the win.

KNOX CITY DOWNS CROWELL

Quarterback Wayne Hutchinson and flanker Dwayne

Watkins combined for three touchdowns and Hutchinson ran for a fourth as Knox City defeated Crowell 35-6.

Knox City scored three touchdowns in the first quarter for a 20-0 lead before the Wildcats got on the score-

board in the second period when Ricky Borchardt went 60 yards to set up Billy Henry's one yard scoring run.

Otis Lockhart also scored for the Greyhounds, who share the District 3-A lead with Jayton.

United Fund Is Backing Munday 4-H Program

Officials of the Munday area United Fund are pleased to add a community organization to the others which are financed by the United Fund. This year a portion of the United Fund budget will go to the Munday junior 4-H club.

The club, which was recently named the Clever Clover 4-H Club, meets the third Tuesday of each month at the First United Methodist Church. There are 28 members, and attendance at club meetings ranges from 20 to 40 young people.

Programs at the meetings are educational in nature. Some programs planned for this year include a lesson on preventive dentistry by Dr. Dale Selzer, a discussion of CPR by Bobby Hutchinson, a film, "Ill Effects of Smoking and Dipping", presented by the American Cancer Society, and a class in dog obedience given by a Baylor County extension agent. The 4-H'ers themselves give illustrated talks and method

demonstrations.

Club members who wish to work on an outside project have approximately 65 from which to choose. Some examples of these projects are Clothing and Textiles, Foods and Nutrition, Horse and Pony, Horticulture, Parliamentary Procedure, Photography, Poultry, Rabbits, Sheep, Swine, Beef, Public Speaking, etc.

The 4-H club motto and pledge sums up what the Munday Clever Clover 4-H Club is all about:

"In support of the 4-H motto - To make the best better - I pledge my head to clearer thinking, my hands to larger service and my health to better living for my club, my community, my country and my world."

A program of this type which benefits many of our young people is certainly deserving of United Fund support.

PUBLIC NOTICES

"BECAUSE THE PEOPLE MUST KNOW"

PUBLIC NOTICE
Section 31.04 of the Penal Code of the State of Texas provides that theft of service is a crime.

CenTex Cablevision will prosecute any and all persons under this article who are availing themselves of TV cable services without the proper rental payment to CenTex Cablevision.

A person who damages or destroys any property belonging to CenTex Cablevision will also be prosecuted under Section 28.03 of the Penal Code.

Both of these offenses could be a Class A misdemeanor, which carries a fine of up to \$2,000.00 and/or confinement in jail for a term not to exceed one year. 50-6tc

CARD OF THANKS
Munday Volunteer Firemen extend their appreciation to C. H. Thomas Jr. for his donation to the department. It will be of great benefit to our projects.

CARD OF THANKS
We wish to express our sincere thanks to all the wonderful people who expressed concern while Mildred was in the hospital. The visits, phone calls, cards and flowers, and especially your prayers, were greatly appreciated and will never be forgotten. God bless all of you. Mildred and B. B. Bowden

CARD OF THANKS
The family of Mae Henson wishes to extend their thanks and appreciation to everyone who showed such love and compassion for us in our time of grief and sorrow. Mere words cannot express our thanks and joy in knowing so many people loved and respected our mother. Thanks to everyone. The Mae Henson family

CARD OF THANKS
Members of the Munday Volunteer Fire Department express their thanks to T. J. Partridge for the donation he made after a recent fire. Such donations benefit the department and the community.

CARD OF THANKS
Words cannot express our appreciation for the food, flowers, words of comfort, and other acts of sympathy you showed us during our time of sorrow. Friends are our greatest asset and we will be forever grateful to you for your kindness. The family of Mavis Alexander

CARD OF THANKS
Thank you for your prayers, cards, visits, telephone calls, flowers, letters and other acts of kindness while I was in the hospital and recuperating at Laura's. No one knows until they have been there what every kindness means. Fidelia Moylette DC

CARD OF THANKS
The Munday Volunteer Fire Department extend a grateful "Thank you" to Stewart Brothers for their generous donation. Such contributions are extremely valuable to a volunteer department and are greatly appreciated.

Alexander Rites Held In Weinert

Mavis L. Alexander, 50, of Weinert, died at 4:30 p.m. Monday, October 3, at the Veterans Administration Hospital in Houston.

He was born April 28, 1933, in Weinert, and served in the U.S. Army during the Korean war. Mr. Alexander was a heavy equipment operator and a member of the Foursquare Church.

Services were held at 10 a.m. Wednesday, October 5, at Foursquare Church with Rev. Kathryn Bryd and Rev. Paul Chambers of Rochester officiating. Burial was in Weinert Cemetery under direction of Holden-McCauley Funeral Home of Haskell.

Pallbearers were Arvil Alexander, Pete Brockett, Waymon Alexander, J. W. Alexander, Ronnie Alexander and Melvin Vojkufka.

Survivors include a daughter, Mrs. Bob Burch of Horatio, Ark.; a son, Marty Leon Alexander, also of Horatio; his parents, Mr. and Mrs. Leonard Alexander of Weinert; two brothers, Billy of Plains and Jimmy of Friendswood; and a sister, Mrs. Tiffen Mayfield of Weinert.

Senior Citizens Name Committee To Elect Officers

The Munday Senior Citizens held their monthly meeting on Thursday, October 6, in the Community Center with Virginia Cary presiding.

Opening prayer was voiced by Merle Dingus, followed by the Pledge of Allegiance given in unison.

Minutes of the previous meeting were read and approved. The treasurer's report was given with 18 members registered.

A nominating committee was appointed consisting of Merle Dingus, chairman; Ruby Roden, Louise Moore and Eunice Raynes. They are to bring a slate of officers to the November meeting. Election will be held at that time with installation in December.

Other items of business were discussed and taken care of.

Game nights for October are the 13th and 20th, and the 27th is for singing.

Grace for the noon meal was given by Eunice Raynes. A delicious meal was enjoyed by all, followed by a period of fellowship. After lunch a film, "Lindbergh", was shown.

The meeting adjourned to meet again November 3 at 10:30 a.m. Any Senior Citizen will be welcomed. Virginia Cary, Reporter

CARD OF THANKS
We would like to take this means of expressing our appreciation to everyone for the concern shown us during Louise's recent hospital stay.

For the flowers, plants, cards, visits, prayers and all other acts of kindness, we will always be grateful.

It's times like these when we realize just how great friends are.

Lyle and Louise Stodghill

Have a good week!
