Look To The East

Strikes and strikers. These are two dirty words in our vocabulary.

We recall back in the early 1940s, when we were "pounding the concrete" searching for news and advertising for our paper, dropping in on G. B. (George) Hammett, who was manager of Banner Ice Co. in Munday.

On a number of occasions, our conversation would get around to labor unions, for it was then that a concerted effort was being made to organize all sorts of labor into one union or another.

If an organizer should enter his place of business, he often said, he would show the "intruder" to the door in a most forceful manner.

We both were in agreement about one thing: that if we didn't like our job, we were getting too little pay, and such, we'd just quit and find us another job.

Things have changed in the past forty years!

Now, workers can go on strike at the drop of a hat, almost. We've experienced strikes (not as a participating member) in almost every phase of industry or service.

In recent years, it reached into athletics. First, there was the baseball strike that messed up managers, players, fans and the general public to practically ruin one season of play.

When games were resumed, the "no shows" revealed that the public had sort of soured on the game.

We don't think we've ever experienced a time when strikes didn't hurt a whole batch of people. And it rather became apparent that "we, the people" were bearing the brunt of the burden.

The worst possible strike one could imagine would be the one named in an article handed us some days ago. The writer of "If God Should Go On Strike" chose to remain anonymous, but here's what was written:

How good it is that God above has never gone on strike.

Because he was not treated fair in things he didn't like.

If only once He'd given up and said, "That's it, I'm through!"

"I've had enough of those on earth, so this is what I'll do: 'I'll give my orders to the sun - cut off the heat supply!"

"And to the moon - give no more light, and run the oceans dry,

"Then just to make things really tough and put the pressure on,

"Turn off the vital oxygen till every breath is gone!"

You know, He would be justified, if fairness was the game,

For no one has been more abused or met with more disdain

Than God, and yet He carries on, supplying you and me,

With all the favor of His grace, and everything for free.

Men say they want a better deal, and so on strike they go,

But what a mess we've given God, to whom all things we owe.

We don't care whom we hurt to gain the things we like.

But what a mess we'd all be in, if God should go on strike.

SHERYLL ELLIOTT

ELAINE BROWN

Munday High Names Honor Graduates

Doug Donoho, Munday High School principal, has announced the names of the 1983 honor graduates.

Sheryll Elliott has been named valedictorian of the senior class with a 95.96 average. Elaine Brown is salutatorian with an average of 95.87.

Sheryl is a member of the Future Homemakers of America and the National Honor Society, serving as an officer for both these organizations. She is on the annual staff and has been a member of the library staff. She has participated in choir and band, has been a band officer and named to the all-district band. She was named class favorite her sophomore year and has been a Miss Merry Christmas nominee.

Elaine serves as president of the Future Homemakers of America and the National Honor Society. She has also been involved in band, being selected to the all-district band her freshmen year. She entered UIL ready writing and poetry competitions, and has been named to the Society of Distinguished American High School Students and Who's Who

Worker Is Injured In Storage Tank Accident

Jerry Mack Jackson, an employee of Bradley Grain Storage System of Winters, was painfully but not seriously injured in a fall while working on the grain storage tank being erected at Farmers Grain Co-op.

The accident occurred at about 9:30 a.m. Saturday, as workers were putting the finishing touches on the interior of the huge storage tank. Jackson was working from a 36-foot extension ladder, when he became overbalanced and fell some 35 feet to the concrete floor. His fall was broken, however, by Dean Hunkel, foreman of the work crew, who was holding the ladder for Jackson.

Goree, Munday Churches Unite For Day Of Prayer Activities

May 5 has been proclaimed by the President of the United States as a day of prayer for our nation. Individuals, churches and communities are being asked to spend time in prayer for a spiritual awakening. Special activities are being planned throughout the land. In response to this proclamation, the churches of Munday and Goree are planning some very special opportunities for the community to unite in prayer for our country.

Activities will begin at midnight with a prayer vigil. The following churches will

be open at designated times from midnight until noon: First Baptist Church of Munday, First United Methodist Church of Munday, The Believers Chapel, The Assembly of God, St. Joseph Catholic Church, First Baptist Church of Goree, and the First United Methodist Church of Goree. The prayer vigil will conclude with a prayer service downtown.

The climax of the day will be a community prayer rally at 8:00 p.m. in the First Baptist Church of Munday. The theme for the service will be II Chronicles 7:14 which says: "If my people,

which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

Area residents are invited to come together for a service which will be led by representatives from various churches. The Assembly of God Church will lead in a time of praise and thanksgiving for our rich heritage and for God's blessings on our land. The First United Methodist Churches of Munday and Goree will lead in a focus on prayer for our local

leaders and local needs. The Believers Chapel will lead a time of considering the "real" battle we are in. National issues will be discussed and lifted up on prayer led by the First Baptist Church in Goree.

There will be a combined choir, and anyone interested in singing in the choir is encouraged to be in the choir loft before 8:00. Special music will be presented by various community persons.

The churches urge every Christian citizen of our area to take time to pray for our nation and be a part of the activities of this day.

CONTRACT AWARDED TO EULESS FIRM . . .

Spillway To Be Raised At Millers Creek

The project to impound additional storage of water in the Millers Creek Reservoir that has been requested by the North Central Texas Municipal Water Authority, is nearing the construction stage.

Bids that had been submitted by contractors on raising the service spillway three (3) feet, were publicly opened and read aloud at the Water Authority office in Munday, on Wednesday, April 13th. Following evaluation and recommendation by the Authority's engineers, the Board of Directors, in a meeting of April 19th accepted the bid of Tank Builders, Inc. of Euless, Texas in the amount of \$22,464.00.

The Construction Conference, with officials from the construction firm, engineers and officials from the Water

Authority will be held at the offices of Freese & Nichols, Inc. in Fort Worth on Monday, May 2nd, and actual construction is to begin shortly thereafter, with a 90 day completion date.

The current capacity of the reservoir, when full, is 25,520 acre feet. This additional storage will allow the reservoir to impound 30,696 acre feet. An acre foot of water, being 325,851 gallons, will prove very beneficial to member towns

Date Set For Annual Flower Show

The Munday Garden Club will present their annual flower show, entitled "The Music of Flowers", on Friday, April 29, in the old Eiland Drug building where the Moppet Shop was formerly located. Judging of the flowers will be done in the morning, and the show will be open to the public at 2 p.m.

Classes of arrangements and exhibits will include abstract, small and mass designs, and those using only dry, fresh or green material. A special class is open to all school students and will be judged in elementary, junior high and high school divisions.

A bake sale will be held in conjunction with the flower show and cake and pies will be available for purchase.

Mrs. Dan Offutt is flower show chairman this year, and she stressed that anyone who would like to submit an entry to be judged is welcome to do so. Garden Club members invite all local residents to come and view the exhibits between the hours of 2 and 6 p.m. You will have an opportunity to see some lovely flower arrangements and purchase some delicious baked goods as well.

Fishpond Stocking Program Underway

The Wichita-Brazos Soil and Water Conservation District is again sponsoring a fishpond stocking program for the Knox County area. Orders are being taken now and must be in to the Knox City SCS office by May 18.

Fish will be delivered by late May to a central delivery point in Knox County where you can pick up orders and transport the fish to your ponds within a short period of time.

Species available for delivery through the program are: 3-5 inch channel catfish, 6-8 inch channel catfish, 2-4 inch Florida black bass, 2-4 inch Native black bass, 2-4 inch Hybrid sunfish, 2-4 inch bluegills and Fathead minnows by the pound.

The fish are guaranteed live delivery to your ponds if you transport and place the fish in your pond within two hours from the time you receive them. The fish are also guaranteed to be healthy and free of parasites and disease.

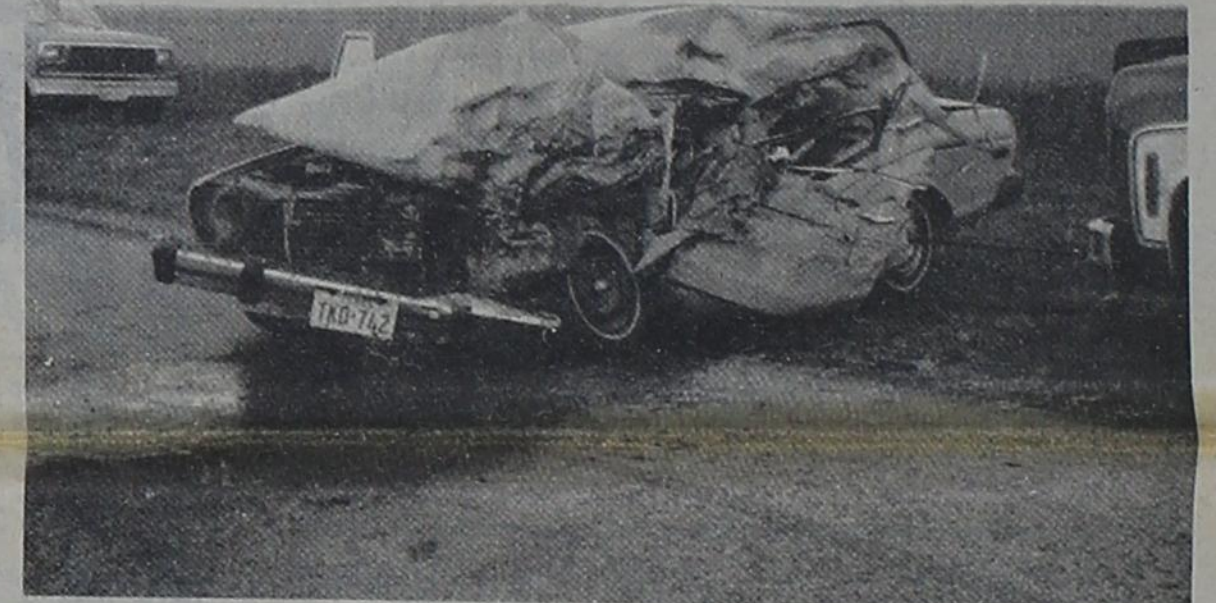

The District SCS is sponsoring this program because the Texas Parks and Wildlife Department no longer provides fish for stocking to landowners in Texas. The District SCS can obtain and provide the fish for you at a considerable savings from what it would cost you to travel and purchase them from a commercial fishery. In addition to the low discount prices available, large orders of 1,000 fish or more will get an additional five cents per fish discount.

Get your orders in now before the deadline. For more information, contact the Knox City SCS office.

and also to the non-members that are currently purchasing water from the Authority.

A number of other towns and districts

in the area are requesting purchase of water from this reservoir, which the Authority may be able to serve when the additional storage can be captured.

THIS VEHICLE, driven by Jamie Vasquez of Munday, was in an almost head-on collision with a truck belonging to the Texas Highway Department during a severe dust storm Friday, April 22. Jamie, the son of Mr. and Mrs. Victor Vasquez, remains in the intensive care unit of Bethania Hospital in Wichita Falls with multiple injuries. The driver of the truck, Lyndon Walling of Munday, escaped with minor injuries.

Munday Youth Seriously Injured In Accident

Jamie Vasquez, teenage son of Mr. and Mrs. Victor Vasquez of Munday, remains in serious condition at Bethania Hospital in Wichita Falls after the vehicle he was driving collided almost head-on with a truck belonging to the Texas Department of Highways and Public Transportation.

The accident occurred on Farm Road 3202 near Sunset on Friday afternoon, April 22, during a severe dust storm that reduced visibility to a very short distance.

The Vasquez vehicle, a small Datsun, was virtually demolished. The state

truck received extensive damage, but the driver, Lyndon Walling of Munday, escaped with minor injuries. He was able to leave the scene of the accident to obtain help. Munday Ambulance Service personnel extracted the youth from the vehicle and transported him to Wichita Falls.

At press time, the full extent of Jamie's injuries was unknown, but he is reported to have suffered a severe concussion as well as a broken leg and arm. He is in the intensive care unit of the hospital.

The accident was investigated by the Texas Department of Public Safety.

City Council Appointments Announced By Mayor Reid

The City Council of the City of Munday, Texas met in special session at the Munday City Hall on Monday, April 18, 1983.

Members present: Mayor James W. Reid and Aldermen Bob Therwhanger, Jessie Tucker and Bobby D. Burnett.

Members absent: Von Marr and Doris Dickerson.

Mayor Reid called the meeting to order. A public hearing was held to secure public input for Revenue Sharing Funds expected to be received from April 1, 1983 to March 31, 1984. (Amount on hand, \$424.00 - expected to be received is \$11,524.00 - total, \$11,948.00.) No one was present other than the Mayor and Council. Revenue Sharing Funds will be incorporated into the regular budget at the next budget hearing.

After discussion, Burnett moved that Cirilo Sanchez salary be increased by 15% per hour beginning April 15, 1983 since he now has his commercial operators license. Therwhanger seconded. All members in favor.

Mayor Reid next made the following departmental appointments for aldermen: Doris Dickerson, Mayor Pro-Tem

and street department; Von Marr, ambulance; Jessie Tucker, parks, cemetery and airport; Bobby D. Burnett, water, sewer and garbage; Bob Therwhanger, police department.

No other business presented. Therwhanger moved to adjourn. Burnett seconded. All for.

Miss Myers Feted With Bridal Shower

Miss Darla Myers, bride-elect of Mark Coffman of Weinert, was honored with a bridal shower in the Munday Community Center on Sunday, April 24. Guests called between the hours of 3 and 4 o'clock in the afternoon.

Receiving guests with the honoree were her mother, Mrs. Billie Jake Myers of Rhineland; the prospective groom's mother, Mrs. Don Coffman of Goree; and the groom's grandmothers, Mrs. Buster Coffman and Mrs. G. C. Brockett.

The serving table was centered with a fresh flower arrangement in the bride's chosen colors of pink, yellow, blue and orchid, accented with pink candles. The table covering was white, and crystal appointment were used. Cookies, nuts, mints and punch were served.

Melissa Myers registered guests. Sharing duties at the serving table were Elaine Brown, Kristi Smith, Beverly Brown and Cherie Welch.

Hostesses were Annette Brown, Betty Kuehler, Mary Myers, June Blake, Peggy Presnall, Nell Haskin, Nell Grisham, Francelle Echols, Dulah Lambeth, Catherine Carl, Geneva Pennartz, Rose Marie Brown, Valera Hertel,

Ruth Brown, Mary Smith, Maxine Kuehler, Berneice Steward, Dean Nuckols, Arleda Decker, Betsy Zeissel, Judy Underwood, Trudy Trainham, Judy Wilde, Debra Harlan, Earlene Kuehler, Mary Zeissel, LuRose Schumacher and Teresa Bruggeman.

Wheels of Life Sponsors Sought

Riders for the May 7th St. Jude Children's Research Hospital "wheels of life" bike-a-thon are now asking Munday citizens to back their efforts by pledging a contribution for each mile they ride.

"Money earned by the riders will help continue St. Jude's life-saving study of childhood cancer," said Jean Reneau, local chairman. "Please support your rider with a generous pledge and help them get the funds to us as soon as the ride is over," Mrs. Reneau urged.

Each rider will be given a lap card as he/she registers at the Mogul Field House on May 7th. Each time they ride through the check point twice, their card will be initialed, and when the ride is completed it will be checked and signed to show the rider has earned what his sponsor pledged. Riders will then return to collect the pledge.

They will be wearing a bracelet saying "I'm riding

for Terry". Terry is a Jude patient who represents all victims under study at the research hospital.

The ride will begin at 9 a.m. at Mogul Field and participants will ride two laps of the route to complete a mile. Raod blocks will be erected for the riders' safety.

You may still sponsor a rider by calling 422-4491, Jean said. She also has sponsor registration forms.

Do-At-Home Eye Test Introduced

A do-it yourself Home Eye Test for Adults that will enable people to determine if they are seeing as well as they should is being introduced this month by the Texas Society to Prevent Blindness as part of its April Prevent Blindness Month activities.

"The purpose of the test is to alert an estimated 10 mil-

lion Americans over the age of 25 that they have lost some vision and that they need to have their eyes professionally checked to prevent further loss of sight," says John L. Mann, M.D., an ophthalmologist who is the Society's State Medical Chairman.

"If a person fails any of the three tests, the Society suggests a retesting on another day. If failure results on the second try, a professional eye examination is recommended."

"The majority who fail may only require glasses or a

change in their current prescription. But, on the other hand, since the test can also warn of more serious eye problems such as glaucoma, cataract, or macular degeneration, its results should not be ignored," Dr. Mann stressed.

Those who wish to test their eyesight with the new self-help kit should send one dollar (\$1.00) to cover postage and handling to Prevent Blindness, P.O. Box 20/20, Houston 77252.

NATIONAL DAY OF PRAYER

OUR PRESIDENT has proclaimed May 5 as a Day of Prayer for our Nation

Because God's abundant blessings have given us such a great heritage, let us join together with Christians all over the nation to ask Him for a great spiritual awakening.

All the ends of the earth shall remember and turn to the Lord, and all the families of the nations shall bow down and worship before You. For the kingship and the kingdom are the Lord's, and He is the ruler over the nations.

THE SPRINT RELAY TEAM from Munday will be running in the regional meet in Lubbock May 6-7 after finishing second in the district meet at Hamlin last week. Members of the relay team are, left to right, Lawrence Collier, Quincy Adams, Todd Thompson and Jerry Shields. Paul Wright, not pictured, will serve as alternate.

Regional Athletic Results

Several Munday girls participated in the regional athletic competition in Lubbock last weekend. Although none will be advancing to the state level, they all did a fine job.

Kelli Smith placed fifth in the high jump competition. Laura Myers finished eighth in the mile run, and Regina Jones was ninth in the long jump. These girls are the daughters of Mr. and Mrs. Richie Smith, Mr. and Mrs. Billie Jake Myers and Mrs. Louise Jones, respectively.

Girls track coach Bill Kingston said, "I am real proud of these girls, as I am of the entire team. We were very satisfied with their performance this year."

In the regional tennis meet, Cherie Welch and Angela Meers met the second seeded team, New Deal, and lost 6-1, 6-0. Kristi and Kelli Smith met the Morton number 2 doubles team, which was seeded seventh in the tournament. The Morton girls won the match, 7-5, 6-2.

Coach Ed Pugliese said, "Considering that our girls were unseeded and going against highly rated teams, I feel they did a super job, and I am very proud of them."

Parents of these girls are Mr. and Mrs. Don Welch, Mr. and Mrs. Boyd Lynn Meers and Mr. and Mrs. Richie Smith.

In boys' district tennis action last week, the singles and doubles players from Munday competed at Hamlin but failed to place anyone in the regional meet. These boys are Chris Moore, Danny Hertel, Pat Angerer, Jamie Vasquez, Kent Josselet and Craig Burleson.

FHA's Attend State Convention

Julie Partridge and Wilda Smith, newly-elected president and first vice-president of the Munday FHA chapter, attended the 1983 state FHA convention in Dallas April 21-22. Julie served as a voting delegate at the convention.

Highlights of the conference were keynote speakers and presentations. The business meeting was conducted Thursday evening, and the installation of the 1983-84 state officers climaxed Friday evening's session.

Mrs. Rose Marie Brown, chapter mother, and Mrs. Penny Winchester, Munday homemaking instructor and FHA advisor, accompanied the girls to Dallas.

M. L. Wiggins attended the funeral of his brother-in-law, Tom Webb, in Midland last Monday morning.

Mr. and Mrs. Willard Bauman of Huntsville are visiting Nell's sister, Irene Claburn, and other relatives and friends here this week.

Moguls Qualify For Regional Meet

Six Munday Moguls will be running in a regional qualifiers meet in Sudan this Saturday in preparation for their contests in the regional track meet, which will be held May 6 and 7 at Texas Tech University in Lubbock.

These tracksters won a trip to the regional meet by being in the top two places at the district meet held last Thursday in Hamlin. The Moguls placed fifth in the meet with 64 1/2 points. Rotan won the meet, followed by Paducah, Hamlin, Haskell, Munday and Seymour.

Munday junior varsity won their division with 155 points.

Danny Sloan will be participating in the 1600 meter run. The 400 meter relay team, which is composed of Jerry Shields, Todd Thompson, Quincy Adams and Lawrence Collier, will also be making the trip to Lubbock. Paul Wright will go along as alternate to the relay team.

Coach Jim Edwards commented, "I felt that each team, from seventh grade to varsity, competed to the best of their ability, and I was real proud of every one of these kids. The times in our district were among the best in the entire region, so I feel we have a good chance of taking someone to state. We are competing in the qualifiers meet in Sudan this Saturday so we can get accustomed to the climate west of us, as this sometimes affects the way a team competes."

Shannon Ryder, Herbert Propps Marry In Benjamin

Miss Shannon Devorah Ryder became the bride of Herbert M. Propps on Friday, April 22, at 7:30 in the evening in the First Baptist Church in Benjamin. Rev. K. E. Woolley, retired minister of the church, officiated.

Parents of the couple are Mr. and Mrs. Donnie Ryder and Mr. and Mrs. Herbert E. Propps, all of Benjamin.

The couple stood beneath a brass arch complemented by brass spiral candelabras and a unity candle, all accented with lily-of-the-valley and greenery.

Mrs. Charles Griffith of Benjamin was pianist and Mrs. K. E. Woolley, also of Benjamin, was organist. Don Roberts of O'Brien sang "Forever Love" and he and Mrs. Fred McGregor of Benjamin performed a vocal duet of "Just You and I."

Given in marriage by her father, the bride chose a gown of white lace and chiffon. The bodice featured a Queen Anne neckline accented with re-embroidered Alencon and Venetian lace trimmed with pearls and iridescents and sheer bishop sleeves with deep lace cuffs. The semi-empire waistline was surrounded with Venetian lace edgings, and the full chiffon skirt fell into a chapel train encircled with matching edgings. Her veil was a long mantilla of imported English illusion encrusted with re-embroidered Alencon lace appliques overhead and down the sides.

For her bouquet, the bride chose a cascade of fresh yellow roses, white daisies and

MRS. HERBERT PROPPS
formerly Shannon Ryder

gypsophilia with white picot streamers.

In keeping with tradition, she wore a 50-year-old diamond drop given to her by her grandmother, Mrs. Eunice Friday. Something new was her wedding gown, her bridal veil was borrowed from a bridesmaid, Stasia Antilley, something blue was the traditional garter, and she wore a six-pence in her

shoe.

The bride presented long-stemmed red roses to each mother during the ceremony.

Stacia Ryder of Benjamin, sister of the bride, served as maid of honor. Bridesmaids were Mrs. Stephen Kuehler of Vernon, Wendy Pollock of Benjamin and Mrs. Gary Antilley of Guthrie.

They wore identical dresses of white voile over buttercup yellow taffeta fashioned with fitted bodices accented with sheffley lace and pirot necklines. The skirts were full, and the waistlines were defined with spaghetti belts. Their headpieces were combs trimmed with yellow daisies, pearls and gypsophilia with yellow satin streamers. The maid of honor carried a nosegay of yellow and white daisies, and the bridesmaids' flowers were nosegays of yellow daisies.

Sulynn Oxford of Benjamin and Bill Bland of Aspermont, cousins of the couple, were candlelighters. Rhonda Whitten of Seymour and Jason Patterson of Benjamin, cousins of the bride, were flower girl and ring bearer. Train bearer was Jay Whitten of Seymour, also a cousin of the bride.

The flower girl and candlelighter wore dresses of yellow cotton and polyester blend accented with ruffles on the bodice and bottom of the skirts. Their headpieces

matched those worn by the bride's attendants.

James Propps of Benjamin was best man for his brother. Groomsmen were Sace Hardman, Scott Rusk and Earl Sinclair, all of Panhandle. Mark and Troy Oxford of Benjamin, cousins of the bride, and John Mark Kinnibrugh of Gilliland were ushers.

A reception was held at the Benjamin Ex-Students Memorial Building following the ceremony, hosted by the bride's parents and her grandparents, Mr. and Mrs. Bill Ryder of Benjamin and Mrs. Eunice Friday of Dallas. The reception was catered by Sue's of Haskell.

An arrangement of white daisies and yellow gladioli centered the bride's table, which was covered with a white quiana cloth with a tulie overlay. The four-tiered wedding cake was topped with crystal doves and decorated with yellow daisies. The cake, yellow punch, nuts and mints were served from crystal and silver appointments.

The groom's cake was covered with a white quiana cloth accented with an arrangement of yellow and white daisies. Chocolate cake in the shape of a horseshoe was served, as was coffee from a silver service.

Reception assistants were Mrs. Dave Oxford of Benjamin.

Church Women Attend Luncheon

Saturday, April 24, was a special day for the ladies of the Church of Christ in Weinert, as they held a salad luncheon in conjunction with the gospel meeting being held at their church. Sue Hackney, wife of Jim Hackney, minister of a Church of Christ in Fort Worth and the leader of the gospel service, was speaker at the luncheon.

Forty-two women registered for the special program, among them two special guests, Eva White of Haskell and Annie Marshall of Rochester, mother and aunt of Mrs. Hackney. A number of women from Munday and Knox City attended.

Betty Hook registered guests, and Mattie White gave the invocation. Kristi Hutchinson was song leader.

Terri Potter introduced Mrs. Hackney, whose subject was attitude. She said no hill is too high to climb if one keeps the right attitude toward God and his fellow man. Fay Jetton voiced the benediction.

min, Mrs. Jack Whitten of Seymour and Mrs. Charles Ball of Dallas, all aunts of the bride, and Mrs. Kynn Patterson of Benjamin, the bride's cousin, all of whom served at the bride's table; and Mrs. Bill Bland of Aspermont and Lisa Johnson of Vernon, the groom's aunt and cousin, who served at the groom's table.

The servers also assisted at the food table, which held cold cut and vegetable platters, finger sandwiches, dips and chips, cheese balls, a fruit bowl, coffee and tea.

Michelle Bufkin of Benjamin registered guests at both the wedding and reception. Christi Whitten of Seymour, cousin of the bride, handed out rice bags and scrolls at the reception.

The groom's parents hosted a rehearsal dinner at the Benjamin Community Center the evening before the wedding. The dinner was catered by Under the Rainbow of Haskell using a western theme with lanterns, bandana tablecloths and rustic western arrangements.

Linda Martin of Seymour played assorted stereo music at the reception. After the formal reception, the Moon River Band from Truscott played western music for the guests.

For travel the bride wore a pantsuit with blue and white pinstriped seersucker pants and white eyelet embroidery blouse with matching jacket. After a short trip to Wichita Falls, the couple will take a delayed honeymoon to Ruidoso, New Mexico this summer. They will live at the Truscott camp of the Beavers-Mulky Ranch, where the groom is employed.

The bride is a 1981 graduate of Benjamin High School, where she was named Miss BHS, most athletic, cheerleader, senior class favorite, Miss School Spirit, FFA and football sweetheart, friendliest and best all-around, won all-district honors in basketball, was listed in Who's Who Among American High School Students, and was a member of the 4-H and FFA. She attended Vernon Regional Junior College where she was in the rodeo club, played intramural basketball and volleyball and was named 1982 Aggie Council Sweetheart.

The groom graduated from Panhandle High School in 1981. He was senior class favorite and officer, friendliest, FFA president and district officer, senior Who's Who, played football and basketball and was a member of the student council and National Honor Society. He also attended Clarendon Junior College, where he was a member of the livestock judging team.

Captain Michael D. Putnam of Phoenix, Arizona stopped by Wichita Falls on a cross country flight for a brief visit with Mr. and Mrs. Floyd Bowman. Martin Bowman and Dorothy Putnam met him, and Mr. and Mrs. Don Bowman, Jeni and Jayson took him back to his plane.

Howard Thompson And Joyce Melton Marry Recently

Howard Thompson and Joyce Melton, both of Munday, were united in marriage on Sunday, April 3, at 2 p.m. in the home of the bridegroom's parents, Mr. and Mrs. Bob Jarvis. John Phillips, Munday justice of the peace, officiated.

Chad Curry of Lubbock was candlelighter. Robby Thompson of Odessa served as best man, and Mrs. Mary Ann Hurst of Clifton, sister-in-law of the bride, was matron of honor.

Mrs. Terri Brown of Rhineland and Mrs. Sherri Doty of Sudan registered the guests. The table was accented with a crystal vase containing yellow roses. Tommy Thompson of Carrollton provided music with selections from "The Bridal Bouquet".

A reception following the ceremony was held in the Jarvis home. The serving table was covered with a yellow linen cloth imported from Ireland, with appointments of crystal and gold and yellow candles. A bouquet of yellow roses centered the table.

The wedding cake was served by Connie Curry of Lubbock, and punch was served by Debbie Collier of Krume.

About 45 relatives and close friends attended the wedding.

Macadamia Pineapple Squares Prepared In A Few Minutes

You can prepare delectable macadamia nut cookie squares in about 10 minutes flat. The recipe below uses a prepared pie crust mixture pressed into a pan (it's not necessary to roll it out), a quick filling using canned crushed pineapple, and a topping of elegant macadamia nuts from Hawaii. (They're available these days at your local supermarket.) Macadamia Pineapple Squares are sumptuous served with after-dinner coffee. They'd also make a show-stopping contribution to a dessert party.

MACADAMIA PINEAPPLE SQUARES

- 1 package (9 oz.) pie crust mix
- 2 eggs, divided
- 1 can (20 oz.) crushed pineapple, drained
- 3/4 cup firmly-packed light brown sugar
- 1/4 cup butter or margarine, melted
- 2/3 cup chopped macadamia nuts

Preheat oven to 350 F. In a medium bowl place pie crust mix; stir in 1 beaten egg; mix well. Press into an 8-inch square baking pan. Top with pineapple. In a small bowl beat remaining egg; stir in brown sugar and butter. Pour over pineapple. Sprinkle with macadamia nuts. Bake until firm, 35 to 40 minutes. Cool on a rack. Cut into 2-inch squares. YIELD: 16 squares

B-K Electric is giving this mother some free time

while she washes clothes

Do you ever stop to think how many time-consuming chores are done by electricity.

Washing clothes by hand took a long time. With the help of an electric washing machine, you save this time for your family and yourself. And the cost? About a nickel a load.

Electricity. It makes our lives fuller, richer and more fun. Yet it's still one of the least expensive things you can use. In fact, it's the next best thing to volunteer help. So use it wisely.

Date Set For Band Concert

The fifth grade, sixth grade and junior high-high school bands will be presented in concert at the Munday High School auditorium on Tuesday, May 3. The concert will begin at 7:30 p.m.

Rodney Bennett, director of Munday bands, said band awards for the 1982-83 school year will be presented at this time.

Admission for the concert will be \$1 for adults and 50¢ for students. Tickets can be purchased from any band member, and will be available at the door.

Twenty-eight junior high band members will be in Jacksboro on Saturday, April 30, for a band festival. They are all entered in solo and ensemble competitions.

Reminder To Cotton Producers

The Knox County Cotton Producers and their wives are invited to a fish fry sponsored by the Knox County Boll Weevil Association and the Knox County Program Building Committee on Thursday, April 28, in the Munday Elementary School cafeteria at 7:30 p.m.

The 1983 uniform cotton planting date for cotton will be set at this meeting. All cotton producers are urged to attend. The current weevil population that over-wintered in Knox County is large. We cannot stress how important it will be to the area cotton producers to set and follow a uniform planting date for cotton. Other cotton insect problems for Knox County producers and control practices will be discussed at this seminar.

DANNY SLOAN is shown during his race at the district track meet at Hamlin. Danny qualified for the regional meet in the mile run with a second place finish.

Six Flags Opens New River Rapids

The biggest ride in the history of Six Flags Over Texas, the Roaring Rapids river adventure, opened recently at the Arlington theme park.

The \$4.2 million dollar attraction simulates the excitement of rafting down a wilderness river complete with white-capped rapids, rippling lagoons, threatening boulders and waterfalls which tower above the banks.

Circular fiberglass rafts, encircled by huge flotation tubes, carry twelve passengers each along the thundering waterway.

Six Flags General Manager Ray Williams commented, "Roaring Rapids is as close as the average person is going

to come to the thrill of a ride down a stretch of rapids. Up until now," he said, "the experience has been limited to those folks who could travel to areas and join in guided rafting trips."

He cautioned that, "like the real thing, people can just about count on getting very, very wet."

"As each raft plunges down the final set of rapids, a wave about three feet high breaks over the leading edge of the raft. At that point, it really gets wet," he explained.

Williams said Roaring Rapids holds nearly two million gallons of water in a "riverbed" formed by 11,100 tons of concrete. The river is more than a quarter of a mile long.

Roaring Rapids can carry up to 2,000 riders per hour, making it the largest capacity ride in the Six Flags lineup.

Science students from across the state will converge upon the University of Texas at Austin May 31-June 3 for the annual Texas Energy Science Symposium for High Schools.

The event, in its 23rd year, is expected to attract more than 400 students and their teachers who will hear scientists and engineers discuss energy related topics.

Selected to attend from this area is Donna Welch, a student at Munday High School. Science instructor, Jacquita Welch, will accompany her to the meeting.

Ten investor-owned utility companies, including West Texas Utilities Company, are members of the Texas Atomic Energy Research Foundation which jointly is sponsoring the symposium with the University.

Participants will spend two afternoons on tours of science laboratories at the University, including those which conduct experiments sponsored by the Foundation in the Thermonuclear (fusion) research.

Frank Jackson, local manager of West Texas Utilities, said, "Our Company is privileged to help sponsor this event which has proven a great benefit to the young people who have participated in years past."

"By attending, students and teachers will receive first-hand information from some of the most authoritative energy experts in the nation. It is truly an educational experience," he added.

The Texas Atomic Energy Research Foundation was created in 1957 for the advancement of knowledge of energy, particularly nuclear energy, through scientific and educational activities. Its research efforts are presently directed towards controlling fusion reactions through programs being carried out at the University of Texas at Austin laboratories with the ultimate goal of using energy from nuclear fusion for the generation of electricity.

DONNA WELCH, left, student at Munday High School, has been selected to attend the Texas Energy Science Symposium at the University of Texas. Jacquita Welch, science instructor and also Donna's mother, will accompany her to the meeting.

Applicators from towns as far away as Lubbock tested the accuracy of their planes in spraying agricultural chemicals with the use of a newly developed "swath width analyzer" at the Wilbarger County Airport. Purpose of the fly-in was for applicators to determine exactly where the chemicals fall and how to re-adjust spraying techniques according to varying factors. Around 20 applicators tested their planes at the airport, which is one of 15 testing sites in Texas this year. Each plane was flown three times over a 105-foot track of clear 35 millimeter film in which a computer checks the amount of spray, dye mixed with water, on the film. Each time the film is

Follow Safe Practices To Avoid Tractor Accidents

Spring brings a sharp increase in agricultural activities, and that means more tractor accidents. Overturns still cause the most tractor-related deaths, says Dr. Gary Nelson, safety specialist with the Texas Agricultural Extension Service. "Soft ground from spring rains combined with irregular terrain can trigger a tractor overturn," says Nelson. Also, sudden bumps due to ruts and washouts can cause extra riders to fall off and often be run over by the tractor or a trailing implement. Of course, extra riders should not be allowed on tractors in the first place, he cautions. The specialist points out that vegetation can hide a washout or deep rut. And side slopes of hills require extra driving care even under the best conditions. A sudden drop of just a few inches of the downhill wheel into a hole or rut can flip a tractor before the operator can react to the situation. "A good defense against sudden tipping is to avoid irregular ground, ruts and holes while operating at reduced speeds," advises Nelson. "Speed can turn a small bump into a real trouble spot. Quick turns even at medium speeds on rough ground also can lead to overturns. "Slowing down helps you see trouble spots while reducing the motion that can send you into an overturn," he says. "Also, if your tractor has a rollover protective structure, wear your seat belt to keep you inside the protective device."

B. T. Webb Dies At Big Spring

Mr. B. T. (Tom) Webb, 79, died Saturday, April 23, 1983, at a Big Spring hospital. He resided at 538 Westover Road in Big Spring. Services were held Monday morning at 9:30 a.m. from the Primitive Baptist Church in Midland. Burial was at Fairview Cemetery in Midland. Mr. Webb was born December 6, 1903 in Comanche County, Texas. He was a retired employee of West Texas Utilities Co., having begun his employment in 1928 in the service department at Munday. During the next 13 years he served as serviceman in the Marfa, Alpine, Winters and Junction areas. At retirement he was local manager for the Paint Rock, Talpa and Valera areas. He was a resident of Midland for three years prior to moving to Big Spring. He was a member of the Primitive Baptist Church and active in civic affairs. He was a volunteer fire department member and a member of the Lions Club. He served as District Chairman for Zone 4, Region 2, District 2A-1 of Lions International. Survivors include his wife, Dovie of the home; two daughters, Mrs. Sue Guy Horn of Big Spring and Mrs. M. R. (Ann) Christian of Odessa; one son, B. D. Webb of Pensacola, Florida; seven grandchildren and five great-grandchildren. He was a brother-in-law of M. L. Wiggins of Munday. The family has requested that memorials be made in the form of donations to the American Heart Association.
