SCRAMBLING QUARTERBACK Dent Offutt sprints away from Hawley defenders for the first touchdown in Friday night's Mogul win over the Bearcats. Offutt gained 104 yards rushing for the night behind Todd

Thompson's 146 yards. The Moguls had an easy night in their second home victory, winning 53-6 over the out-manned Bearcats.

Moguls Steamroll Over The Bearcats

The Munday Moguls never punted the ball and the Hawley Bearcats never kept it long enough to do much of anything with it, as the

Fire Prevention Demonstration Is Upcoming Event

Local residents will have an opportunity to see for themselves how fire can be man's best friend or his worst enemy by observing a graphically animated fire prevention demonstration.

The demonstration is scheduled to be presented at 7 p.m., Monday, October 8, at the Munday Community Center, according to Mickey Jackson, president of the Munday Volunteer Fire Department. Ben Bullard, assistant safety director for the Texas Farm Bureau in Waco, will make the seven-part presentation.

Bullard will discuss the three elements which are necessary for fire, fire prevention and fire control. His animated demonstration will involve actual flames of all classes of fire with an explanation of the recommended control of each fire. Texas Farm Bureau safety personnel have presented this educational fire prevention program over 1,800 times for some 422,392 persons in 228 or more different Texas counties.

The program is being brought to Munday and the local fire department under the sponsorship of the Knox County Farm Bureau. The public is encouraged to attend.

A special highlight of the program will be the presentation of awards to winning fire prevention posters submitted by students in Munday elementary and junior high schools.

Students in kindergarten through eighth grades will construct the posters, and they should be turned in by Friday, October 5, so firemen can judge them over the weekend. These works of art should be done on the half size, or 14x22, poster boards.

Plans Formed For United Fund Drive

The 1984 United Fund Drive in Munday has been set for late October. Organizational and budget meetings have been held by the United Fund directors, and new board members have been elected.

Ted Jordan will serve as drive chairman this year, and Larry Swan will be in charge of publicity.

Further information on the 1984 drive, including the exact dates, will be published in a later Courier issue.

Moguls overpowered Hawley for a 53-6 win here Friday night.

The lopsided defeat came courtesy of an impressive offensive display put on by Munday backs. Five scored in all as the Moguls massed over 400 yards rushing, much of it in the first half.

It was Todd Thompson's night to shine, as the quick junior scored four touchdowns and led all rushing stats with 146 yards. Dent Offutt had 104 yards rushing, Tom Collier added 84, and the other backs, Ronny Lowrance and Jim Earl Dockins, rushed for 41 and 63 yards, respectively.

Hawley received the kickoff, and two running plays and an incomplete pass left them two yards from the original line of scrimmage, forcing them to punt. In two plays, the hungry Moguls were in the end zone on a 38 yard quarterback keeper by Dent Offutt, and Ronny Lowrance kicked the extra point. The touchdown, with 9:53 left in the first quarter, was the first of the four scores made by the Moguls on their first four possessions.

The Bearcats succeeded in making a first down on the next series, but were soon forced back by a swarming Munday defense and the Moguls took over at their 27. Tim Collier, Ronny Lowrance and Todd Thompson alternated on the ground down to the Hawley 31, and Collier sped through a hole for paydirt on second down. The try for extra points was no good, but the Moguls had a 13-0 lead before the first quarter.

(Continued on Page 2)

High Attendance Records Important To Local Schools

Munday Independent School District has always stressed the importance of good school attendance for the entire year and will continue to do so in the future. The formula for state funds in relation to average daily attendance has been changed effective this year.

As a result of this change, attendance in the months of October and April has taken on added importance. Funding for ADA will be based on the best four weeks out of October and April. The base funding per ADA is now at \$1,290.00 and will increase slightly next year.

An increase of ten students over 1983-84 has been set as a minimum goal for these attendance periods. Parents and students are encouraged to make extra effort to avoid being absent from school during these two months. This is not intended to encourage attendance of children who are ill and need to be home.

Local Firemen Score High In Fall Contests

Munday Fire Department volunteers and their families enjoyed a fire meeting at Vernon on Sunday, September 16. Thirteen cities were represented at the fall meeting.

Munday won four trophies in six events during the department contests. These contests utilize skills needed in fighting fires, and are actually good practice sessions for the firemen.

Placing first in the six-man hookup with a time of 30 seconds was a team of Jessie Andrade, Buford Berryhill, Bill Williams, James Merrell, Charlie Cooks and Richard Albus. Windthorst was second and Olney third in the event.

Janet Williams and Janice Merrell were second in the two-woman hookup race behind a Crowell team. Burkburnett finished third.

Munday won a second-place trophy in the men's polo contest with a team composed of Richard Albus, Charlie Cooks and Jessie Andrade. Archer City won the contest with Bowie coming in third. Janet Williams, Cathy Albus and Martha Andrade, the women's polo team, were third behind Archer City and Knox City.

The only Munday teams which did not place were the two-man hookup team and the six-woman hookup squad, which consisted of Janice Merrell, Janet Williams, Maurine Williams, Cathy Albus, Martha Andrade and Christy Williams.

Munday fire chief Bill Williams said Munday would host the fall meeting in 1985.

Lions See Slides Of Passion Play

Munday Lions Club enjoyed a very interesting presentation by Mrs. Bill Golden of Seymour on her visit to Oberammergau, Germany, the site of the famed Passion Play.

Mrs. Golden explained that the village in southwestern Germany was afflicted with a terrible plague many years ago, losing 300 of its citizens to the dread disease. A fire was built around the city, and no one could come in or leave. City officials vowed that if the plague would be lifted from their city, they would thank God by presenting a play depicting the life, death and resurrection of Christ every ten years. Thus, the Passion Play was born.

Mrs. Golden showed slides of the play and its characters and described the events surrounding each presentation.

Special guests at Tuesday's meeting were Bill Golden, Mrs. Charles Baker, Mrs. E. B. Littlefield and Mrs. W. H. Stewart.

Munday Voters Okay School Bond Proposal

Munday voters gave their overwhelming approval to a \$700,000 school bond issue Tuesday by a margin of 393 to 39.

The election drew a good turnout, despite a small number of absentee votes. At the close of absentee voting on Friday, only nine absentee ballots had been cast, but voters made up the difference on Tuesday.

The bond package calls for renovation of the elementary school building and the addition of two classrooms and a band hall at the high school. The creation of a two-campus district will move all students north of Highway 222 and will result in better utilization of teaching and maintenance personnel.

The bonds will be repaid over a 15-year period, and school trustees said taxes would not be raised at the present time, due to increased state funding from which the school has benefitted this year. The board will begin working with the architect as soon as possible, aiming for a construction date early in 1985, and the work is scheduled to be completed by the beginning of the 1985 school year.

Passage of the bond election will be of great benefit to students in the district, as the junior high building has suffered structural damage throughout the years and the Texas Education Agency recommended it be vacated or renovated in the near future. Trustees pointed out that accreditation by the TEA is vital to schools, and Munday had to take steps to keep its accreditation.

The board concluded that it would be more economically feasible to renovate the elementary school, which is also in need of several improvements, and to add classrooms

at the high school than it would be to rebuild the junior high. Existing space in both buildings will be better utilized to gain more classrooms.

Munday school superintendent Doyle Lowrance, speaking Tuesday

evening on behalf of the school board, said he was very gratified with the results of the election and pleased that voters endorsed the action of the board. He feels voters will not regret their decision.

CABLE TV, BUILDING PLANS, RATE HIKES . . .

Councilmen Confer Over Full Agenda

The City Council of the City of Munday, Texas met in special session on Monday, September 10, at Munday City Hall.

Members present: Mayor Doris Dickerson and Aldermen Richard Albus, Garon Tidwell and Jessie Tucker.

Members absent: Gary Decker and Von Marr.

Mayor Dickerson called the meeting to order. Minutes of the August 14, 1984 meeting were read. Tidwell moved minutes be approved as written. Albus seconded, all in favor.

Rickie Herring met with the Council to discuss City Hall and fire station building plans. The Council viewed drawings prepared by Herring for desks, counters, shelves, cabinets, doors, etc. Building planning was discussed in some detail. No official action taken.

Earl Proctor and Rickie Herring will meet with the Council to further review and discuss building plans and specifications on Tuesday, September 11, 1984 at 7 p.m.

No further business. Tidwell moved to adjourn. Tucker seconded. All in favor.

LEE STOREY, third from left, presented this Texas Sesquicentennial flag to Knox County in a ceremony held Wednesday, September 12, in the courthouse assembly room. Several areas of the county were represented at the gathering, at which Storey complimented the local Sesquicentennial steering committee for their detailed master plan of county activities to be held during the state-wide celebration in 1986.

County Sesquicentennial Committee Receives Flag

A representative group of Knox County citizens were present Wednesday, September 12, to see the Texas Sesquicentennial flag presented to county Sesquicentennial committee officials. Making the presentation was Lee Storey of Austin, West Texas program officer for the state Sesquicentennial celebration committee.

County judge Homer T. Melton accepted a plaque designating Knox County as a Texas Independence County. Storey cited the county as being one of the first to receive official sanction from the state committee, and complimented the local committee for their hard work in submitting the necessary paperwork and plans in such a short time.

Storey also presented a pin to Janice Tolson, co-chairman of the Knox County committee, for her efforts on its behalf. The other co-chairman, Sue Oxford, was unable to be present at the gathering.

The Sesquicentennial flag, which was accepted by Judge Melton on behalf of the entire group, will fly at Benjamin for the present time, and

will be taken to all other towns in the county before the Sesquicentennial celebration in 1986.

Attending the presentation ceremony along with Judge Melton and Mrs. Tolson were Benjamin mayor Butch McCanlies and Munday mayor Doris Dickerson, Jessie Roberts of Benjamin, Gladys Meek of Gilliland, Evelyn Balis and Doris Crownover of Knox City, Annette Brown and Jeanette Zeissel of Rhineland and Paula Schur and Phillis Urbanczyk of Munday.

Chairmen of Sesquicentennial committees in this region will attend a workshop in Canyon September 29 to share ideas for various ways to celebrate this special anniversary of our state.

Mrs. Tolson said anyone interested in attending this workshop will be welcome. Persons planning to make the trip should contact Evelyn Balis at 422-2251 days or 658-3001 evenings by noon Friday, September 21, to register. Price for lunch at the workshop will be \$5, and Mrs. Balis needs to have this paid by Friday.

The City Council met in regular session on Tuesday, September 11.

Members present were Mayor Doris Dickerson and Aldermen Garon Tidwell, Richard Albus, Jessie Tucker, Von Marr and Gary Decker. No members were absent.

Mayor Dickerson called the meeting to order. Minutes of the previous meeting were read and Decker moved minutes be approved as written. Albus seconded. All in favor.

First business was review of City Hall and fire station plans. Rick Herring met with Council to work out interior details and to secure Council guidance in regard to other building details. Changes desired by the Council to this time will be incorporated into the plans. Proctor and Herring believe plans will be ready to advertise for bids by Courier publication time next week. If so, advertisement for bids will be in the Munday Courier on September 20, 1984. Another meeting will be held prior to publication for further plan review.

Gee Gee Barnes of CenTex Cable Company met with the Council to discuss changes being incorporated soon.

1. A new free channel will be added on approximately November 1, 1984. This will be Nashville.
2. "Disney Channel" and also "Showtime" will be offered as two new pay channels. (Probable charge is \$9.95 monthly each. If cable customer has two or more pay channels, probable charge approximately \$8.00 each a month.)
3. A new rate increase of 75¢ will commence on November 1, 1984; also state legislature has mandated 5% sales tax be applied. (August bill with no pay TV will be \$9.75 + 75¢ + 53¢ sales tax = \$11.03.) Council action not required (cable rate changes no longer require Council action).

Leon Ivey of Lone Star Gas Company met with the Council in regard to a rate increase request. August, 1983 was date of the last rate increase, he said. A rate increase of 8.66% is requested. After discussion Albus made a motion to suspend the rate increase from the effective date September 14, 1984, 30 days forward to October 14, 1984 (for further study). Gary Decker seconded the motion. All members voted in favor of the suspension.

A letter was read from the Texas State Department of Health regarding Munday water supply approval. A problem has arisen regarding water storage capacity. Steps will be taken to try to work out the problems.

After discussion, the Council requested City Administrator Hertel to prepare an amendment ordinance for the new City Hall and fire station to meet steel building requirements.

MOGULS WIN
(Continued from Page 1)

ter ended.
The Bearcats' troubles weren't over by any means. On their second play of the next series, Mogul Greg Urbanczyk recovered a fumble, and five plays later Todd Thompson rushed six yards for his first six-pointer of the night. Hawley was plagued by bad luck, fumbling on their next possession, and Collier and Thompson just had ten yards to go, with Thompson plunging seven yards for the TD.
Munday began committing turnovers late in the second quarter, giving up a fumble and a pass inter-

ception, but with 4:20 left in the half, Thompson rushed for 46 yards to make the score 32-0. Exactly four minutes later, Lowrance surged in from the one, capping a 36 yard drive, and the Moguls carried a 39-0 lead into the dressing rooms at half time.

Receiving the kickoff to begin the second half, Lowrance and Jim Earl Dockins bulled their way up the middle eight successive plays, with Dockins taking the ball for the final 23 yards to the goal line.

The Bearcats put together their only scoring drive in the final quarter. After the Moguls gave the ball up on downs at the Hawley 48, the Bearcats uncorked their passing game, and quarterback Jake Womack connected for 15 yards to Duain Manuel for the TD. The points after failed, but the Hawley cheering section had something to yell about, as their team finally put six points on the scoreboard.

The Moguls roared right back, beginning at their own 38, and Thompson carried for his last touchdown from the Mogul 48, bringing the final score to 53-6.

This week the Moguls go on the road to face the Rotan Yellowhammers. The Hammers have several starters back this year after a 6-4 season in 1983. The biggest threat on offense is tailback Charles Williams, who rushed for three touchdowns in his team's defeat last Friday night. Kickoff time at Rotan is 8 p.m., and local fans are urged to drive over and support the Moguls.

Coach Edwards Comments

Hawley was not as strong a team as we had anticipated. We played a good game, executing well in most areas.
The team needs to concentrate on its passing game, as this is one area in which we haven't been very successful in our last two outings. But overall, I think everyone played well, and it was very much a team

effort.
The reserves played real well against Hawley, seeing about as much action as the varsity. This is good experience for them, but we have to take care that our first string stays in good condition for the harder games when they may have to play the entire night.

Rotan should give us all we can handle Friday night. They have a big quick team with some outstanding players. We will need to out-think as well as out-hit the Yellowhammers.

We are still in pretty good shape as far as injuries go. Ryan Offutt is progressing satisfactorily, and we are looking for him to be back in action before long. If we can keep from getting anyone else hurt we should be okay.

Our junior varsity had another fine effort Thursday night at Hawley, defeating our opponents 28-0. We scored the first time we had the ball, and this gives us a real edge. Anthony Stinnett had two touchdowns in the game and Curtis Taylor and J. B. Jones each added another score.

The sixth and seventh grade team played an exceptionally good game for their first time in competition, tying Hawley 8-8. Terry Collier rushed for the Braves' touchdown, with Perry Collier running in the two extra points. The eighth graders were not so fortunate, losing their game by a score of 38-0.

Our junior high will combine for one game Thursday (tonight), September 20. We will be playing Rotan here at 6 p.m., and the JV game will follow. We hope to see a large crowd of boosters in the stands.

Friday - Cheeseburgers, trimmings, potatoes, fruit, milk.

CITY COUNCIL

(Continued from page 1)

ments at the present location (by next regular meeting).

City Hall demolition was discussed. Possible bidders were mentioned; however, to date only one firm bid has been made. Others are to be sought.

After discussion, Gary Decker moved that a new delinquent tax collection contract with McCreary, Huey and Veselka be approved. Albus seconded the motion. Voting for were Albus, Decker, Marr, Tucker and Tidwell. Noes, none. Carried. Full text of contract is in McCreary, Huey and Veselka files of the City.

Next business discussed was latest West Texas Utilities rate increase proposal. Don Butler of Touche and Ross (City's rate consultants) mailed a sample ordinance to Munday for consideration of passage. Frank Jackson of West Texas Utilities Company met with the Council. He presented an instrument to the Council requesting the City of Munday to waive the timing requirements for consolidation of the appeal of its decision as to West Texas Utilities requested rate increase in Docket No. 5764. Discussion. After discussion Garon Tidwell made a motion to give Mayor Dickerson the following authority to proceed:

1. That the ordinance requesting rate reduction be passed if needed now.
2. That if Don Butler, rate consultant, so recommends, the waiver to timing requirements presented by Frank Jackson be signed.

3. That 1 & 2 above are not to be done if rate consultant recommendations are to delay until next regular meeting. Gary Decker seconded the motion. All members voted for.

Next discussed was salary consideration for all employees. Due to several factors, such as approximately \$5,000 sales tax loss (due to low sales), current high operating expense, etc., Albus moved that any salary increase consideration be postponed at this time. Gary Decker seconded. All members in favor.

After discussion Gary Decker moved that Doug Morton be paid for five makeup days (worked on off days) at same rate of pay as regular salary. Marr seconded. All for. (This allowed to aid Morton moving. It is understood that makeup days will not be allowed in the future and time off will have to be taken as soon as possible after being earned.)

Gary Decker moved that bills be paid as follows: from operating fund, \$17,803.55 (Water Authority part is \$9,457.00); from airport fund, \$75.75; from ambulance fund, \$103.23; from swimming pool fund, \$70.90. Marr seconded. All in favor.

Garon Tidwell moved for adjournment. Albus seconded. Carried. All in favor.

Foster Parent Orientation Class Announced

Finding suitable foster parents for children is a continuing effort of the Texas Department of Human Resources, according to Patsy Riley, Foster Home Developer for this area. In order to explain the foster parent program to families who might be able to serve children and the community in this way, the Department of Human Resources is planning an orientation for prospective foster parents which will be held at the First National Bank community room in Throckmorton at 7 p.m. Monday, October 1.

This orientation will serve as an introduction to the special foster parent training classes to be offered on succeeding Monday nights for six weeks. This training program was developed by NOVA University in Florida and deals with all aspects of foster care. The course is designed to prepare new foster parents with the special parenting skills needed in caring for another person's child.

If you would like additional information about foster parenting, please call or write Patsy Riley, Texas Department of Human Resources, P. O. Box 191, Seymour, Texas 76380. The phone number is 817/888-3536. You may also call your local DHR office, leave your name, address and phone number and Mrs. Riley will get back in contact with you as soon as possible.

Remember, there may be some child who is temporarily in need of just the kind of loving, stable environment that your family can provide. If you feel you would like to help, be sure to attend the foster parent orientation and information meeting. There is no charge of any kind for the classes and attending them does not obligate a family in any way.

Services For 'Bridge' Edgar Held At Quanah

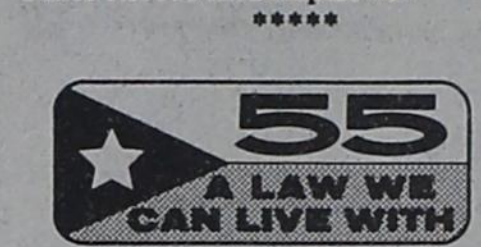

Altha Bridge Edgar, age 85, passed away Monday, September 17, 1984 at Quanah Memorial Hospital following a brief illness.

Services were held at 4 p.m. Wednesday from Knowles Memorial Chapel with Dr. Edgar Fox, pastor of First Christian Church, officiating. Burial was in Quanah Memorial Park under direction of Knowles Funeral Home.

Serving as pallbearers were David McGaughey, Douglas Myers, M. L. Waggoner, Clint Norman and Buford Berryhill, all of Munday, and Billy Pete Reeves of Quanah.

Born Altha Bridge on September 30, 1898 in Hardeman County, she married Robert Aaron Edgar December 17, 1938 in Amarillo. He preceded her in death on February 17, 1984. She moved to Munday following their marriage. She held several positions and was employed by Production Credit Association at the time of her retirement. She was a member of the United Methodist Church.

Mrs. Edgar had been residing with a niece, Evelyn Rodgers Phillips, in Quanah at the time of her death and is survived by numerous other nieces and nephews.

BIRTHDAY HONOREES for the month of September at Munday Nursing Center are, standing, John Weathersby, in wheel chair, Ruby McNeill, and seated on couch, Beatrice Hutchinson and Lola Moore. Maggie Gunn, another honoree, is not pictured. The honorees and other residents were treated to delicious birthday cake and punch and a program of singing provided by the Munday Senior Citizens.

Munday Nursing Center News

BY NANCY CYPERT

Henry Liberda of Wichita Falls visited his uncle, Joe Kubena, on Monday.

Fannie Seale and Margaret Pool of Beaumont visited their brother, Thomas Black, on Monday.

Mr. and Mrs. David Little visited his grandmother, Ellen Ball, this week.

The Senior Citizens Group came Wednesday afternoon for the birthday party. We have five residents with birthdays in September, John Weathersby, Lola Moore, Beatrice Hutchinson, Maggie Gunn and Ruby McNeill. The residents were served delicious cake and punch. After refreshments the Senior Citizens led singing. Our thanks go to the Senior Citizens for bringing us the party and entertainment.

Vera Cluck of Seymour visited Elva Yost on Thursday.

Essie Moore of Seymour visited Lola Moore this week.

Dorris and Louise Tuggle of Plains visited his mother, Leoma Tuggle.

Dr. Moylette and Dayle Kuehler came Thursday afternoon and called bingo for the residents. Each player received a prize of their choice. Many thanks to these ladies for coming.

J. C. and Katie Reagan of Cross-

byton visited his mother, Maude Reagan.

Alice Moore of Wichita Falls visited her mother, Ruby McNeill, over the weekend.

Howard and Ruby Myers, Marie Burns and Jean Kiser came Friday afternoon for Bible study. The residents always enjoy this time and want to thank this group for coming.

Judy Brewer of Abilene visited her grandmother, Myrtle Tomlinson, over the weekend.

The Senior Citizens Group came Saturday afternoon for the sing-along. We want to thank these friends.

Wanna and Tammy Hunter of Iowa Park visited Mary Johnson over the weekend.

Mr. and Mrs. Alvin Bellinghausen of Amarillo visited his parents, Hubert and Rosa Bellinghausen, over the weekend.

The Munday Church of Christ came Sunday afternoon and held church services. The residents are very thankful to this group for sharing their time with us.

Recent Bride Is Shower Honoree

Mrs. Rickey Gonzales, the former Cindy Maston, was honored with a bridal shower Tuesday evening, September 11, in the home of Mrs. Dan Offutt in Munday.

Mrs. Offutt greeted guests at the door, and Mrs. Boyd Baker introduced them to the honoree, her mother, Mrs. Glenn Maston of Munday, and the groom's mother, Mrs. Amador Gonzales of Knox City. Other special guests included the bride's sister-in-law, Mrs. Greg Maston of Munday, and Mrs. Nellie Rios and Mrs. Manuel Quintana, both of Knox City, friends of the groom's family.

Kathy Booe, cousin of the bride, Connie Dockins and Mrs. Mike Echols served refreshments from a table covered with a beige linen cloth and centered with a fall bouquet of silk flowers. Appointments were crystal.

Hostesses for the occasion were Mmes. Doyle Blair, John Rayburn, Byron Gass, Don Welch, Doug Parker, Chance Hobert, Boyd Baker, Floyd Patton, Bunny Hutchens, Tom Oustad, Dan Offutt, Alvin Hines, Gwen Cure, Freddie Caram, Frank Jackson, Larry Swan, Donald Hobert, Chalmer Hobert, Al Cartwright, Joe Lane, George Oustad, Lala Morgan and Dorothy Bryant.

Birthdays And Anniversaries

September 20 - Kandis Longan, Hub Thompson, Pete Ramos, Beatrice Hutchinson, Charlotte Brown and Amanda Myers; Mr. and Mrs. Bill Smith.

September 21 - Belinda Stone, Tony Shahan and Melton Morgan.

September 22 - Dorothy Lee Howry and Andrea Longan.

September 23 - Gary Welch, Dolores Lambeth, Patsy Ford and Danny Hertel; Mr. and Mrs. Harold Cockrell and Mr. and Mrs. Lynn O. Jackson, Sr.

September 24 - Mr. and Mrs. Rickie Herring.

September 25 - Shirley Gass, Marissa Coop, Melinda Burgin, Scott Thompson, Louise Hamilton, Elaine Michels, Jason Bowman and Theresa Claus.

September 26 - Jennifer Baker, David Bolton, Winnie Hobert and Dana King.

.....
Until the middle of the 19th century, most shoes were made "straight" - they could be worn on either foot.

Weinert Couple Will Celebrate 50th Anniversary

Mr. and Mrs. Mack R. Boykin of Weinert will be honored on their fiftieth wedding anniversary on Sunday, September 23, with a reception from 2 to 4 p.m. at the Haskell National Bank building.

Hosting the celebration will be their two sons, Mr. and Mrs. Raymond Boykin of Vernon and Mr. and Mrs. Doyle Boykin of Texas City.

Mr. Boykin and the former Helen Phemister were married on September 29, 1934 in Weinert. They moved from Bowie to Weinert in 1944 and he owned and operated the Weinert Garage until his retirement. Mrs. Boykin was employed at Mayfield Grocery. They are members of the Church of Christ.

Everyone is invited to attend the reception.

Munday Homecoming Mums Are On Sale

The 1984 Munday Homecoming is drawing closer, and MHS pep squad members have announced the sale of homecoming mums began Wednesday and will continue through Tuesday, September 25.

The girls urge everyone to order their mums as soon as possible. They will be furnished by Perry Kuehler at Irene's Flower Shop, and do not have to be paid for until they are picked up at the shop.

Don't forget to order a mum for someone special, or for yourself, to commemorate homecoming. Any member of the Munday pep squad can take your request.

Your Satisfaction Is Our Security

THE MOGULS TOOK a 39-0 lead in the dressing rooms at halftime in their game with the Hawley Bearcats. Ronny Lowrance is at the bottom of this pile, as he plunged through the Bearcat line from the one with 20

seconds to go in the half. Lowrance was one of five backs who scored in the game, and he also kicked five extra points in the 53-6 win. The Moguls may have a more difficult game this week at Rotan.

Area Grid Roundup

HAMLIN OVERTAKES CLYDE BULLDOGS

Clyde took advantage of a Hamlin fumble early in the game but couldn't keep up the momentum, as the Pied Pipers came back to defeat Clyde 20-13.

The Bulldogs led 7-0 after scoring on the third play of the game when Scott Gordon recovered a Hamlin fumble in the end zone. But they returned the favor, giving up an interception in the second quarter that resulted in the first of Hamlin quarterback Jeff Lawlis' three touchdowns for the night.

Clyde was still ahead 7-6 at halftime, but Hamlin went ahead in the third quarter and took control with a third touchdown in the fourth period. Clyde's second score came on another fumble reception with only 37 seconds left to play.

TRIBE SHUT OUT BY ELECTRA

The Haskell Indians remain winless after a 37-0 trouncing at the hands of the Electra Tigers Friday night. The Tigers are 2-0 after their homecoming victory.

Running back Charlie Lott scored three touchdowns to dominate the game for Electra. Edward Willis added a six-pointer, as did Bradley

Schlegel, who caught a 44-yard bomb from quarterback Royce Reynolds.

A fine defensive effort by Electra helped keep the Indians in their own territory most of the game.

CISCO OUTSCORES YELLOWHAMMERS

The big first half led the Cisco Lobos to their first victory of the young season as they topped the Rotan Yellowhammers 49-26.

Wade Shackelford passed for two touchdowns and ran for another. Also contributing scores for the Lobos were Danny Kearney, Steve Albert, Jason Potter and Johnny Ramirez.

Rotan's Charles Williams tried his best to save the game with three touchdowns covering almost 250 yards. Rudy Garza also added a score for the Yellowhammers, now 0-2 in Class AA play.

ALBANY, ANSON KNOTTED AT 6

Both teams had to contend with a strong wind and were forced to settle for a 6-6 tie when the Anson Tigers visited Albany Friday night.

The Lions drew first blood, with Jimmy Cooper scoring after Paul Ivy returned a pass interception 52 yards to the Anson 34. Ivy was the

game's leading rusher with 86 yards on 17 carries.

On the first series of the second half, Anson stayed on the ground for eight plays and drove 58 yards before Curtis Woodard took the ball in for six points. The Tigers missed the point after, but a penalty on Albany gave them another chance to win the game. The second PAT attempt was low.

Both teams gave up several turnovers.

SEYMOUR SLIDES PAST KNOX CITY

Ernest Curley led the Seymour Panthers to a 23-14 win over the Knox City Greyhounds to even the Panthers' record to 1-1 for the 1984 season, while the Hounds have yet to win a game.

Curley scored on a 38-yard run in the first quarter to boost the Panthers to a 7-0 lead, but a 10-yard pass from Andy Correll to George Rocha and a four-yard run by Willie Robinson gave Knox City 14 points and put them ahead at halftime.

Curley's four-yard touchdown in the third quarter narrowed the gap, but he missed the extra point, and Knox City still led 14-13. Taking the advantage of a 35mph wind, Curley kicked a 37-yard field goal on the first play of the fourth quarter, and

added a 73-yard touchdown run late in the game to assure his team the victory.

Curley ended the game with 324 yards rushing, compared to 154 for the entire Greyhound team.

ARCHER CITY EDGES QUANAH

The Archer City Wildcats employed a balanced ground game to their advantage in a close 9-7 defeat of the Quanah Indians in Archer City Friday night.

Robert Stallcup started the scoring with a field goal to give Archer City a three-point lead in the first quarter. Quanah took control in the second quarter when Stanley Payne recovered a fumble and ran 43 yards on a draw play, and Timmy Hodges kicked the extra point.

Both defenses rose to the occasion on several big plays. Payne and Bobby James of Archer City had outstanding efforts both on offense and defense. The Wildcats took the lead back in the fourth period on a short run by Beau Henry, who led all rushers with 98 yards.

Quanah almost pulled the game out with seven minutes left, but a first and goal at the Archer City 10 netted nothing but a failed field goal attempt, and the Wildcats ran out the last few minutes to preserve their win.

Area Six-Man Football Report

The Goree Wildcats upped their 1984 record to 1-1 Friday night with a 58-46 win over Rochester.

It was the Randy Reagins show for Goree, as the junior back scored five touchdowns, including a 75-yard kickoff return, carried for 317 yards and intercepted two passes. Also scoring touchdowns for Goree were Larry Castillo, Grady Weaver, Tommy Martinez and Spencer Dixon.

John Mark Wyatt equaled Re-

gins with five touchdowns for the Steers. Willie Brown added the other Rochester touchdown. The Steers fall to 0-2 for the season.

Goree reeled off five unanswered touchdowns in the second and third quarters to seal the victory. The Wildcats take on the undefeated Weinert Bulldogs at Goree this Friday night.

In other area six-man game, Weinert rolled over Benjamin by a score of 46-14.

Louis Perez led the Bulldogs with four touchdowns, and Shannon Forehand threw two TD passes for the winners. Ed Perez also contributed to the Bulldog attack.

Jeff Pierce and Buster Redwine accounted for Benjamin's scores, and Pierce, Chad Tolson and Glenn Heard added strong defensive plays for the Mustangs, but it wasn't enough to stop the Bulldogs.

Weinert is at Goree this week, while the Mustangs will host Rochester.

News items, locals and advertising must be turned in to the Munday Courier by Tuesday noon for publication in that week's paper.

Weinert Mum Sale Begins

Weinert homecoming mums will go on sale Thursday (today), September 20, and the sale will continue through Friday, October 5. Prices of the mums will vary, and persons ordering the flowers must pay for them when they are ordered.

Contact any of the Weinert High School cheerleaders or their sponsor, Kerri Urbanczyk, to place an order, and the mums may be picked up in the Weinert homemaking room on the morning of homecoming, Saturday, October 13.

Mrs. Urbanczyk urged that persons who wish to buy mums do so as soon as possible. She can be reached at school at 673-2401 or at home at 422-5137.

Support the Moguls with your attendance at Friday night's game.

Farm And Ranch Report

DAVID TUNMIRE
COUNTY EXTENSION AGENT-AG

Desiccating Cotton May Pay

The drought has contributed to premature opening of cotton bolls. This coupled with the recent hot dry windy weather means that some cotton will be ready for harvest long before our normal freeze date. Producers may wish to preserve both cotton quality and yield by desiccating the crop to allow early strip-harvesting.

"Once unharvested cotton is mature, the longer it stays in the field, the lower the yield and grade," points out Al Alexander, Extension agronomist. In a drought year such as 1984, many of the varieties lose much of their stormproof characteristics. On some fields, bolls are already beginning to exhibit a loss of storm-proofness.

Extension and research studies at Lubbock conducted in recent years indicate that once cotton is open, with exposure to the weather, a 9% loss in lint weight is experienced after four weeks, and a one grade quality reduction occurs after five weeks, even without severe adverse weather conditions.

The decision of whether or not to desiccate must be based on economics. Will it pay? To answer this, costs of desiccation must be weighed against probable yield and grade differences. The most commonly used desiccants in the Rolling Plains are Arsenic Acid, Paraquat and Gramoxone. At the recommended rates of application of each of these, total costs of application should be from \$7.50-\$9.00 per acre. At present cotton prices, a savings of approximately 15 pounds of lint per acre would be required to pay for the operation.

Desiccants such as Arsenic Acid, Paraquat and Gramoxone kill tissue and stop all growth and development of the plant. This means that desiccation should be delayed until bolls are mature. Arsenic Acid may be applied when 75-80% of the bolls are open. Paraquat and Gramoxone are labeled for use after 85% of the bolls are open. Desiccated plants can usually be stripped and moduled or ginned within seven to ten days following application.

Be sure to follow all label instructions and precautions. These mater-

ials can be hazardous if not used properly. For further information, feel free to contact me. My office is located on the second floor of the county courthouse.

Annual Rolling Plains Economic Program Meet

The 1984 annual meeting of the Rolling Plains Economic Program will feature a "Gambler" theme to address issues facing the agricultural family. The annual meeting is scheduled for October 5, 1984, in the Vernon Regional Junior College auditorium.

Registration begins at 9:30 a.m. in the lobby of the college Administration Building. Coffee and donuts will be available, furnished by the Vernon Chamber of Commerce. Those wishing to attend should pre-register at the county Extension office in the Knox County Courthouse. The \$7.50 registration fee includes lunch.

The day-long program will focus on solutions to problems facing agriculture and its families today. Featured speakers include Congressman Jack Hightower, "What the Cards Are" (Agricultural Policy Directions); Congressman Charles Stenholm, "What to Throw Away & What to Keep" (The Development of the 1985 Farm Bill); Dr. Zerle Carpenter, Director of the Texas Agricultural Extension Service, "When the Dealin' Done" (Challenge to Agricultural Families for the Future); Dr. Bill Dugas, Extension agricultural meteorologist, "The Secret to Survival" (Agriculture and Weather); Dr. Larry Cotten, director, Vernon Center-South, "Readin' People's Faces" (Stress and the Family); Bud Leslie, district director of Farmers Home Administration, "Never Count Your Money" (Financing Agriculture); and Robert Kensing, Extension economist-management, "When to Hold 'Em & When to Fold 'Em"

Registration begins at 9:30 a.m. in the lobby of the college Administration Building. Coffee and donuts will be available, furnished by the Vernon Chamber of Commerce. Those wishing to attend should pre-register at the county Extension office in the Knox County Courthouse. The \$7.50 registration fee includes lunch.

(Economic Decisions in Agriculture). Rolling Plains Economic Program is a regional organization sponsored by the Texas Agricultural Extension Service to promote economic growth and development and improve family living in a 30-county area. R-PEP chairman Dick Yeager of Vernon and vice-chairman Jim Schur of Seymour will preside over the meeting.

Eaton Attends Texas Municipal Court Workshop

Ernie Eaton, City Manager of Benjamin, attended the first workshop held by the Texas Municipal Courts Association on September 12-15 at the Sheraton Hotel in Amarillo.

Experts covered such topics as Constitutional law, contempt, court administration, court costs, evidence, family law and juveniles, legal authority and jurisdiction of municipal courts, magistrate duties, pre-trial and trial procedures, recent court decisions and Attorney General's opinions, recent legislation affecting municipal courts, and search warrants. In addition, judges were given brochures from agencies that work in all facets of community life - everything from crime prevention to protecting the elderly.

The workshop fulfilled the hours of training required by state law for the continuing education of Municipal Court judges.

The Texas Municipal Courts Training Center just received its grant and is now planning on two other workshops this year in El Paso on October 17-20 and Austin on November 6-9.

TMCTC is dedicated to the improvement of the Municipal Court System and the administration of justice in the state of Texas.

Retired Teachers Begin New Year

The Knox County Retired Teachers Association will begin its new club year with a visit to the Field Museum in Haskell on Tuesday, September 25. Jessie Roberts will be program director for the first fall meeting.

Members are asked to meet at the museum at 2:30 p.m. on that day.

To cut cheese with ease, warm the knife before slicing.

Pipe Outlet Terrace Use Increasing

Three years ago Lawrence Hrn-cirk, who farms in Wilbarger County, constructed a system of pipe outlet terraces. Since then numerous systems have been constructed in Wilbarger, Wichita, Baylor and Childress Counties.

The idea of using pipelines for terrace outlets has been around for a long time. Pipe outlets have been used for several years in other parts of the country where fields are typically smaller and steeper than the Rolling Plains of North Texas.

Pipe outlets have several advantages. Waterways can be reduced in size or eliminated. Fields with pipe outlet terrace systems lose almost no soil to water erosion. Gullies can be stabilized without constructing expensive grade stabilization structures in many instances. County roads can be protected, thus reducing maintenance costs.

The disadvantages must be considered also. High initial cost is the main disadvantage. Pipe outlets placed in level terraces will add \$200.00 to \$400.00 to the cost of each terrace. Pipe outlets require an additional cost of \$250.00 to \$500.00 for each graded terrace. Outlet risers must be farmed around, and weeds are also a problem around the riser. Terrace heights must be carefully maintained. Pipe outlet terraces are more likely to fail than terraces with an open outlet if the original dimensions are not maintained.

A pipe outlet consists of a perforated riser, main line, and outlet pipe with a rodent guard. Polyethylene plastic, PVC plastic, steel, or

Screening Clinic Scheduled Here

The Texas Department of Health will sponsor a screening clinic from 10 a.m. until 2 p.m. Thursday, September 27, at the Munday Community Center.

Screening tests for diabetes, high blood pressure, anemia, vision, hearing, weight and urinalysis will be offered. The public is urged to take advantage of this clinic, which is free of charge. Any abnormal findings will be referred to the patient's personal physician.

Go, Mighty Moguls!

soil around the pipeline. This can be accomplished by several methods. Back sloping the pipe trench and hand tamping the pipe with the use of water to moisten the backfill is one method. Installing the underground outlets one or two years prior to terrace construction to allow thorough settlement of the fill around the pipe is another method of installation.

Soil conservation service personnel are available to help plan and install pipe outlet terrace systems. Please come by the office at Knox City or call 658-3526 for assistance.

ASSUMING TWIRLING DUTIES for the Munday Junior High band this year are, shown from left, Debbie Cypert, eighth grader, daughter of Mr. and Mrs. Melvin Cypert; Holly Jackson, eighth grader, daughter of Mr. and Mrs. Mickey Jackson; Ann Parker, seventh grader, daughter of Mr. and Mrs. Doug Parker; and Jenni Bowman, seventh grader, daughter of Mr. and Mrs. Don Bowman.

It Happened In ★ 1969 ★

LOOK WHO'S HERE

Mr. and Mrs. Austin Tomlinson Jr. are announcing the arrival of a little son named Jody Scott. Jody made his arrival at 9:40 p.m. Wednesday, August 13, 1969 at Knox County Hospital. The little tyke weighed in at 6 lbs., 10 oz.

The proud grandparents are Austin Tomlinson Sr. of Rhineland, Mrs. Mary Ruth Tomlinson of Lubbock and Mrs. Gloria Clower of Benjamin.

Also sharing the spoiling will be great-grandparents Mr. and Mrs. J. E. Tomlinson of Munday, Mr. and Mrs. C. B. Clower of Benjamin, Mrs. M. L. Jacobs of Lubbock and Mrs. Tom Lenley of Jacksboro.

August, 1969

TWISTER HITS RHINELAND, GIN AND HOMES DAMAGED

The Rhineland Co-op Gin suffered the heaviest damage from the twister, small in stature but potent in destruction, that dipped down on the community of Rhineland last Friday afternoon.

Approximately thirty trailers were stored on the gin lot awaiting cotton harvest and at least sixteen were completely destroyed while others were partially damaged. One trailer was blown into the south portion of the gin office porch, ripping at least half of it off before landing on its side against a post.

Lowry Wilson, gin manager, estimated the damages from \$30,000 to \$40,000 with the burr hopper suffering the worst damage.

A garage owned by Louis Redder was ripped from its foundation and tossed into the newly constructed home of Mrs. Vince Orsak, damaging the roof considerably and breaking out several windows.

The carport at the John Ed Wilde home, on the west end, was torn from the house and landed in a jumbled mess in the middle of the road east about 25 yards from the point of origin.

SEPTEMBER, 1969 STRICKLAND MOVES TO NEW LOCATION AFTER MISHAP

Melvin Strickland announced this week that he had moved to a new location after his buildings were demolished last Saturday morning when an anhydrous tanker truck failed to make the curve on Highway 277 and rammed into his premises.

Munday had a sleepy bunch of citizens Saturday morning but no casualties were reported by anyone being overcome by the fumes. Traces were present in some isolated spots at mid-morning but gradually dissipated with only a few water holes to remind people of a hectic night.

Services For Mrs. Akin Held Monday

Pearl (Hudson) Akin, 73, died September 14 at her home in Austin after a short illness. She was born May 10, 1911 in Penelope, Texas. She was the daughter of the late L. L. and Carrie Hudson of Knox City.

Her funeral was Monday at 2 p.m. at Central Christian Church in Austin.

She was preceded in death by her brother, Warren B. (Buck) Hudson of Knox City.

She is survived by her husband, Ray, of the home; one daughter,

Elizabeth of Austin; four sons, Harry, Johnny and Ricky, all of Austin and Charles Ray of Hacienda Heights, California; two brothers, Ike of Ft. Worth and C. J. (Shorty) of Laton, California; four sisters, Neoma Savage of Dallas, Eniver Clarke of Ruidoso, N.M., Edna Martin of Throckmorton, and Lillian Rae Verhalen of Knox City.

Weekend College Classes Announced

Are you interested in getting a college education, but you say you don't have the time to take classes

during your regular work week?

Why not consider taking advantage of courses that are being offered by Vernon Regional Junior College on the weekends. VRJC will be offering a weekend college for all students who are interested in taking courses. The courses will be taught on the Vernon campus. Weekend college is a great way to work toward your degree during your leisure time.

For further information on weekend college, contact Vernon Regional Junior College, 4400 College Drive, Vernon, Texas 76384, (817) 552-6291.

Public Service Announcement

A representative of the Vernon Social Security office will be at the Munday City Hall between 9:30 and 11:30 a.m. Wednesday, September 26.

He will assist citizens in filing applications for Social Security Retirement, Survivors, Disability, Medicare and Supplemental Security Income benefits.

To transact Social Security business by telephone, call the Vernon office at 552-9346 between 9 a.m. and 4:45 p.m. weekdays.

THESE SIXTH AND SEVENTH grade students make up the Munday Junior High band, which is under the field direction of eighth grader Angie Partridge. The band performs at junior high pep rallies and games and

is learning more about the instruments and the music they play with every class. In a few months time, these young people will be a well-trained unit ready to step in and take their parts in the Purple Cloud.

Demonstration To Show Need For Child Restraint Seats

"I'm just going a few blocks. I don't think anything will happen."

"I can brace myself in an accident."

"But my baby looks so lonely sitting in the back seat in that big car seat. I'll buckle my seat belt and I can hold him if we should have to slam on the brakes. He'll be okay in my lap."

These are common excuses for not putting on a seat belt or not putting a child in a safety seat. These are also deadly excuses.

Almost 4,300 people were killed on Texas highways and streets in 1982 and thousands more were injured. According to statistics, auto accidents are the leading killer and crippler of children under four years old.

While nothing can be done to make car travel completely safe, there is something simple and inexpensive that can stop the steady increase in car deaths and serious injuries - the use of seat belts and child safety seats.

The Texas Automobile Dealers Association, the Texas Medical Association, The Texas Highway Users Federation and the Texas Safety Association are sponsoring free demonstrations of the effectiveness of seat belts and child safety seats.

The demonstrations will include exhibits of a federally-approved child safety seat. Statistics show that thousands of children were saved from death or serious injury because they were properly strapped in a safety seat. Beginning October 31, Texas law will require that passengers two years and younger be in a restraint seat and youngsters two to four years old be in a seat belt or in a safety seat.

The public and the media can also observe or ride in a convincer, which will demonstrate the effectiveness of seat belts in an accident at only 10 mph.

Representatives from the sponsoring organizations and the De-

partment of Public Safety will be on hand to discuss with the public and the media the need for using restraints while in a car. They will also distribute reading material encouraging the use of seat belts and child safety seats.

TADA President Gene Fondren cited National Safety Council statistics as the need for such a public education program. The Safety Council says almost 200 lives have been saved this year in Texas because people were wearing seat belts. But, the Safety Council says, almost 1,100 deaths and 28,800 serious injuries in Texas could be prevented each year if everyone wore seat belts and restrained their children.

The Wichita Falls demonstration, which is to be one of 16 held in September and October, is scheduled for Tuesday, September 25, 10 a.m.-12 noon at the Kiva Inn at 401 Broad Street.

Reynolds Rites Held In Knox City

Ida Reynolds, 73, of Knox City died at 4:35 a.m. Tuesday, September 11, at Stonewall Memorial Hospital in Aspermont.

Services were at 3 p.m. Wednesday, September 12, at the First Baptist Church chapel in Knox City. Jimmy Rogers of Olney, a lay minister, officiated, assisted by Rev. K. E. Woolley of Benjamin, a retired Baptist minister. Burial was in Knox City cemetery, under the direction of Smith Funeral Home.

Pallbearers were T. A. Watson, Rob Harrison, Billy Gene Johnston, Allen Lowrey, Steve Wilson and L. D. Abbott.

Mrs. Reynolds was born February 17, 1911, in Groesbeck and moved to Knox County in 1942 from Kaufman County. She was a Baptist.

Survivors include four sons, Claude of Haskell and Lee, J. B. and Billy Joe, all of Knox City; three daughters, Josephine Lewis and Mary Frances Brieden, both of Knox City, and Belle Rogers of Haskell; 25 grandchildren and 22 great-grandchildren.

MORE, SMALLER FARMS IN TEXAS

Farming in Texas is continuing to expand, according to figures recently released from the 1982 Census of Agriculture. The U.S. Census Bureau defines a farm as any place from which \$1,000 or more of agricultural products were sold or normally would have been sold during the census year. The number of individual or family farms in the state rose 5.7 percent from 1978 to 1982 while the U.S. total fell 1 percent. At the same time, family farm acreage fell 5.4 percent in Texas and 4.7 percent in the U.S., notes an economist with the Texas Agricultural Extension Service. Farms of one to nine acres increased 43.3 percent in Texas during the four-year period while those with 10 to 49 acres increased 47.3 percent.

BRIGHT MARIGOLDS fill the flower beds of Earlene Kuehler at 1281 W. Eden in Munday. Offsetting the vivid gold flowers are beds of fragile petunias in pale shades. Hanging plants, a window box full of blooms and spreading shade trees all contribute to a pleasant atmosphere in this Munday Garden Club Yard of the Week.

Goree News Items

By MRS. GRACE SMITH

HOSPITAL NOTES

J. C. Watson is receiving medical treatment at General Hospital in Wichita Falls.

Mrs. Arthur Hargrove is taking chemotherapy treatments in Ft. Worth this week.

Bill Decker, Seymour Hospital.

CEMETERY ASSO. MEETS

The Goree Cemetery Association met for their regular meeting Thursday evening, August 30. Jack Beaty, president, was in charge of the meeting. The minutes of the last meeting were read by the secretary, Mrs. Merle Moore. A motion was made and seconded to accept the minutes as read. Motion carried. The time of the meetings was changed from 8 p.m. to 7 p.m. As there was no other business, a motion was made to adjourn the meeting. Motion carried. The next meeting will be Thursday, October 11. You are invited to attend these meetings.

A period of fellowship followed, which was enjoyed by all present.

HERE AND THERE
Mr. and Mrs. Elkin Warren visited his brother and wife, Mr. and Mrs. Roy Warren, in Lubbock last Thursday. They also visited Mr. and Mrs. John Dawdy in Idalou.

Mr. and Mrs. Greg Melton of Haskell visited her grandparents, Mr. and Mrs. Johnny Moore, on Sunday. Greg is the new pastor at the Goree Church of Christ.

Jim Roberts of Arlington and several members of the Dallas Fire Department visited Jim's mother, Mrs. Ina Roberts, and in the Wallace Roberts home during the weekend.

Mr. and Mrs. Riley Bell received word on Friday of the death of his sister-in-law, Mrs. Wilma Bell of Blanco. Mrs. Bell is survived by one son, Hugh Curtis Bell of Florence. Funeral services were held at Blanco.

Mrs. Gladys Lambeth and her son and family, Mr. and Mrs. Billy Lee Lambeth, Joe David and Anna, of Lubbock, visited Mr. and Mrs. Steve Bevell and family in Austin several days recently.

Mrs. Lura Wetsel of Stinnett has been visiting her sister, Mr. and Mrs. Ruby Hammons. Other visitors in the Hammons home during the weekend were Mr. and Mrs. Hugo Remier of Stinnett, Mr. and Mrs. Jimmy Paul Howell and Paula of Joshua, Danny Cooksey of Stephenville and Mrs. Ward Cooksey of Seymour.

Mr. and Mrs. Keith Dixon of Littlefield and Mr. and Mrs. Jimmy Paul Howell and Paula of Joshua visited Mr. and Mrs. Les Jameson during the weekend.

Visiting Mr. and Mrs. Jerry Atkinson and Matt the first part of last week were her grandparents, Mr. and Mrs. Bob Stewart of Lovington, N.M.

Mrs. Ann Bell of Abilene spent the weekend with Mrs. Etta Mae Frazier.

Mrs. Mildred Simpson of

Graham visited her sister, Mr. and Mrs. Dewitt Green, last week. Other visitors in their home last Tuesday were Mr. and Mrs. Charles Horry of Wichita Falls and W. T. Green of Olney.

Mr. and Mrs. Ira Hargrove visited their sisters, Mrs. Alice Harris and Mrs. Pearl Strickland, in Haskell on Saturday.

Visiting Mr. and Mrs. L. O. Chamberlain last Monday and Tuesday night was his uncle, A. F. Williamson of Lubbock.

Mrs. Grace Smith visited her aunt, Mrs. Tommie Bramlett, at the care home in Seymour last Wednesday afternoon.

Mr. and Mrs. Merle Lambeth visited Mrs. Corrie Walton and other relatives in Wichita Falls the first of last week.

Mr. and Mrs. Edwin Reeves of Weinert visited Mr. and Mrs. Felton Jackson and Andy last Tuesday. Mr. and Mrs. Benny Jackson and family of San Angelo visited in their home during the weekend.

Mrs. Mary O'Dell of Woodson visited her parents, Mr. and Mrs. Louis Hutchens, and her grandmother, Mrs. Etta Kirk, on Saturday.

Mr. and Mrs. B. J. Roberts of Hurst visited his mother, Mrs. Ina Roberts, and in the Wallace Roberts home several days last week.

Mr. and Mrs. Gary Nemeck and Terry of Hawley visited her parents, Mr. and Mrs. Ewen Beaty, Friday night and attended the football game at Goree. Karen Beaty of Munday visited her grandparents last Monday and Sharon Beaty visited them on Saturday.

Mrs. Arthur Hargrove is visiting her son and family, Mr. and Mrs. Eddie Hargrove and Luke Aaron, in Euless this week while she is taking therapy treatments in Fort Worth.

Visiting Mrs. A. R. Pace on Saturday were her sister and husband, Mr. and Mrs. Raymond Mercer of Haskell.

Miss Essie Moore of Seymour visited Mrs. Tennie Tynes last Wednesday.

Mrs. Virginia Land visited Mr. and Mrs. Bill Decker at the Seymour Hospital on Saturday.

Mr. and Mrs. Jack Nuckols visited her mother, Mrs. G. W. Brown, in Seymour on Sunday.

Have a nice day!

New Unrefrigerated Milk

I have had several inquiries recently about the new ultra high temperature milk product that is now on the market.

Ultra high temperature (UHT) milk is real, fresh, fluid Grade A milk that is heated to 280 degrees F, quickly cooled to room temperature and then packaged in a five-layer aseptic package.

UHT milk can be found in the juice section or dry milk section of some grocery stores. Gordon Smith of M-System Supermarket in Munday has carried the new product and will continue to carry it. It is sold under the brand name "Real Fresh". The combination of ultra high temperature processing and aseptic packaging gives the milk the unrefrigerated shelf life of months.

The UHT process does not involve adding preservatives and the nutritional value of the milk is not changed. Some might notice a very slight change in flavor but chilling the milk well before consumption should solve this.

What has changed is the convenience. For example, the lowfat white milk could be ideal for one or two-person households or for consumers who use small quantities of milk. Once opened, it will stay fresh twice as long as refrigerated milk.

People with busy lifestyles and those who have little time to shop may also find UHT milk a convenience, since it can be stored on a

shelf or kept unopened in the refrigerator for months.

UHT milk is also handy to have in case you run out of milk, or for cooking and baking needs, but it's not designed to replace refrigerator milk entirely.

Chocolate, strawberry or orange creme flavored lowfat UHT milks are available in half pint containers. These flavored milks could be good alternatives to other beverages for children since they offer essential vitamins, minerals and calcium. They sell for a little less than 50 cents per half pint and in our area seem to be more popular than the larger quart containers of white milk.

The availability of UHT milk may mean that more people will use milk for sack lunches, picnics, traveling and other situations where refrigeration is a problem.

It can be carried along just like other non-refrigerated beverages and quick-chilled or served over ice. Or it can be frozen the night before packing it into a lunch box. By noon it will have thawed, and the cold milk will be ready for drinking.

Would you let your child walk a railing three stories high every day? Of course not! Yet this is the same danger to a child as driving 30 mph without the child being restrained in an approved child safety seat or belt.

Scissor a slice: Yes, you can use scissors to easily slice pizza.

DAVID KEITH BOOE and LISA ANN GRIMM

Engagement Announcement

Mr. and Mrs. Elton Scott of Seymour are proud to announce the engagement and approaching marriage of her daughter, Lisa Ann Grimm, to David Keith Booe, son of Mr. and Mrs. M. M. Booe of Munday.

The bride-elect is a 1982 graduate of Seymour High School and attended Vernon Regional Junior Col-

lege two years. She is employed by Seymour Day Care Center. David is a 1981 graduate of Munday High School and is a partner in Booe Construction.

The couple will exchange wedding vows Saturday, November 24, 1984 at the First Baptist Church in Seymour.

CARD OF THANKS
We want to thank our wonderful friends for each expression of concern we received while Sonny was a patient in the hospital. The flowers and plants, cards, visits, delicious food and especially your prayers were appreciated more than you can imagine.
How fortunate we are to live in this community, because there are no finer people anywhere than there are in Munday, Texas!
Sonny and Tommie Crawford

Benjamin News

By MRS. GLADENE GREEN

Merkel visited Edith West one day last week. *****

Americans drink about five billion bottles and cans of soft drinks each year.

ATTENDS J.P. SCHOOL

Don Griffith, Justice of the Peace for Precinct 2, attended a J.P. training program last week. The 20-hour school was held at the Quality Inn in Amarillo. Don said there were about 100 J.P.'s from over the state of Texas and it was a very informative series of sessions. He believes he learned a great deal by attending.

HERE 'N THERE

Ruby Wynn of Munday, Gary and Mildred Hamilton of Azle and Juanita Dikes of Ft. Worth visited the Van Greens during the weekend. Dorthy and Randy Hibdon, Chrystal and A. R., visited his parents in Hobert, Okla., last weekend.

Clodell Duke and Jan Pollock visited the Denny McCarthys in Iowa Park Sunday and helped Will McCarthy celebrate his birthday.

Mr. and Mrs. H. T. Melton spent the weekend at White River. They were joined there by their daughter and son-in-law, Jack and Mary Young, and the Young's grandson, Dusty Collins, all of Lubbock.

Mickie Smith of San Antonio visited her parents, the Vernon Smiths, recently.

Pete Waldron of San Antonio was a recent guest of Jack and Kathie Waldron, Tres and Justin. Craig Hertel, who is teaching school at Northside, Kent Hertel of M.S.U., Wichita Falls, and Scotty Hertel, also of Wichita Falls, spent the weekend with their parents, Don and Louise Hertel.

Dutch and Imogene Young were in Wichita Falls Thursday to be with their daughter, Brenda Gallaher, who underwent ear surgery. Reports are that Brenda is doing well following the surgery.

Bill and Sammy Pierce visited P. H. Pierce, who is seriously ill in Bethania Hospital in Wichita Falls, on Sunday.

Mr. and Mrs. George West of

The most efficient, the most economical heating and cooling system for your home.

THE Electric heat pump.
It's part of "the plan" — the Energy Saving Plan
Here's how it works:

For Winter Heating

1. Heat is absorbed by refrigerant in the outside coils.
2. The compressor pressurizes the refrigerant and sends it to the inside coils.
3. The heat from the inside coil is circulated through the house by the fan.
4. The refrigerant flows outside and the cycle is repeated.

THE ELECTRIC HEAT PUMP: It can save you money on your home energy bills. And when it's used along with other WTU-recommended energy conservation measures according to the ENERGY SAVING PLAN, you can save even more. WTU will pay YOU money when you install an electric heat pump to meet the E.S.P. requirements that add to your home's comfort and energy efficiency. That's where the ELECTRIC HEAT PUMP comes in — it's part of "the plan" because it's the most efficient system for heating and cooling. During the winter it removes heat from the outside air and pumps it into your home. In the summer it reverses the process and becomes an air conditioner, so you get even comfort year-round. CALL YOUR LOCAL WTU OFFICE OR A FACTORY-TRAINED ELECTRIC HEAT PUMP DEALER TODAY TO FIND OUT MORE ABOUT SAVING ENERGY AND MONEY ON YOUR HOME ELECTRIC BILLS.
