Moguls Triumph At District Track Meet

The Munday Moguls will take 12 athletes to the regional track meet to compete in 13 different events after their big win in the district 10-A meet held Saturday in Vernon. The Moguls ran away with their division with a total of 231 points. Knox City came in second with 125.

Crowell won the girls' division, with the Mogulettes a distant second. The Lady Wildcats amassed 153 points to the Mogulettes' 85. Six Munday girls will travel to the regional meet to compete in five events.

Head coach Jim Edwards and girls' coach Randy Burks will accompany Jerry Shields, Tim Collier, Todd Thompson, Dent Offutt, Jim Earl Dockins, Tony Wilde, Frankie Stinnett, Anthony Stinnett, Isias Dena, Kregg Sanders, Hollis Adams, Terry Shields, Janet Myers, Laura Myers, Kelli Smith, Ann Kuehler, Regina Jones and Gwen Jones to the regional competition, scheduled for May 3 and 4 in Abilene.

The wind kept some of the times down at the district meet, but Munday's Coach Edwards said the local team ran well despite the conditions. This marks the third district athletic championship won by the Moguls this school year.

As there was no junior varsity division in the meet, the JV Moguls competed in the varsity events and did very well, winning several places.

Following are the results of the varsity meet.

MOGULS

200 meter run - Jerry Shields, first, 22.71; Tim Collier, second, 23.31; Jeff Bruce, fourth, 23.61.

400 meter relay - Jim Earl Dockins, Jerry Shields, Dent Offutt and Todd Thompson, first, 43.40.

400 meter run - Todd Thompson, first, 51.58; Anthony Stinnett, third, 53.40; Ronny Lowrance, fifth, 54.73.

Conservation Awards Given At Annual District Banquet

The Wichita-Brazos Soil and Water Conservation District honored several area residents at the annual awards banquet held Thursday, April 18, at the Shamrock Cafe in Munday. After a meal catered by Ernesteen Michels, Lonnie Offutt, chairman of the local SWCD board of directors, welcomed guests at the banquet and introduced the directors, Soil Conservation Service staff and their wives to the group. Following the introductions, students from area schools were presented trophies for their entries in the poster and essay contests.

Kacy Longan, daughter of Mr. and Mrs. Bill Longan of Munday, received top honors in the poster contest. This was Kacy's fourth consecutive year to win the local contest and the second consecutive year that she won the Area V competition. She will be attending the Area V awards banquet at Mineral Wells on May 13 to receive her first place award.

Also receiving trophies for posters were Roger Nunez, champion and Jason Brown, reserve champion of Munday. Their parents are Mr. and Mrs. Refugio Nunez and Mr. and Mrs. Eugene Brown.

Mary Jane Kuehler, daughter of Mr. and Mrs. Alfred Kuehler of Munday, won honors for the top essay in local competition. Amy Griffith of Benjamin was awarded a trophy for champion essay and Charlie Vaden of Knox City received the trophy for the reserve champion essay. They are the children of Mr. and Mrs. Charles

Griffith and Mr. and Mrs. Jimmy Vaden.

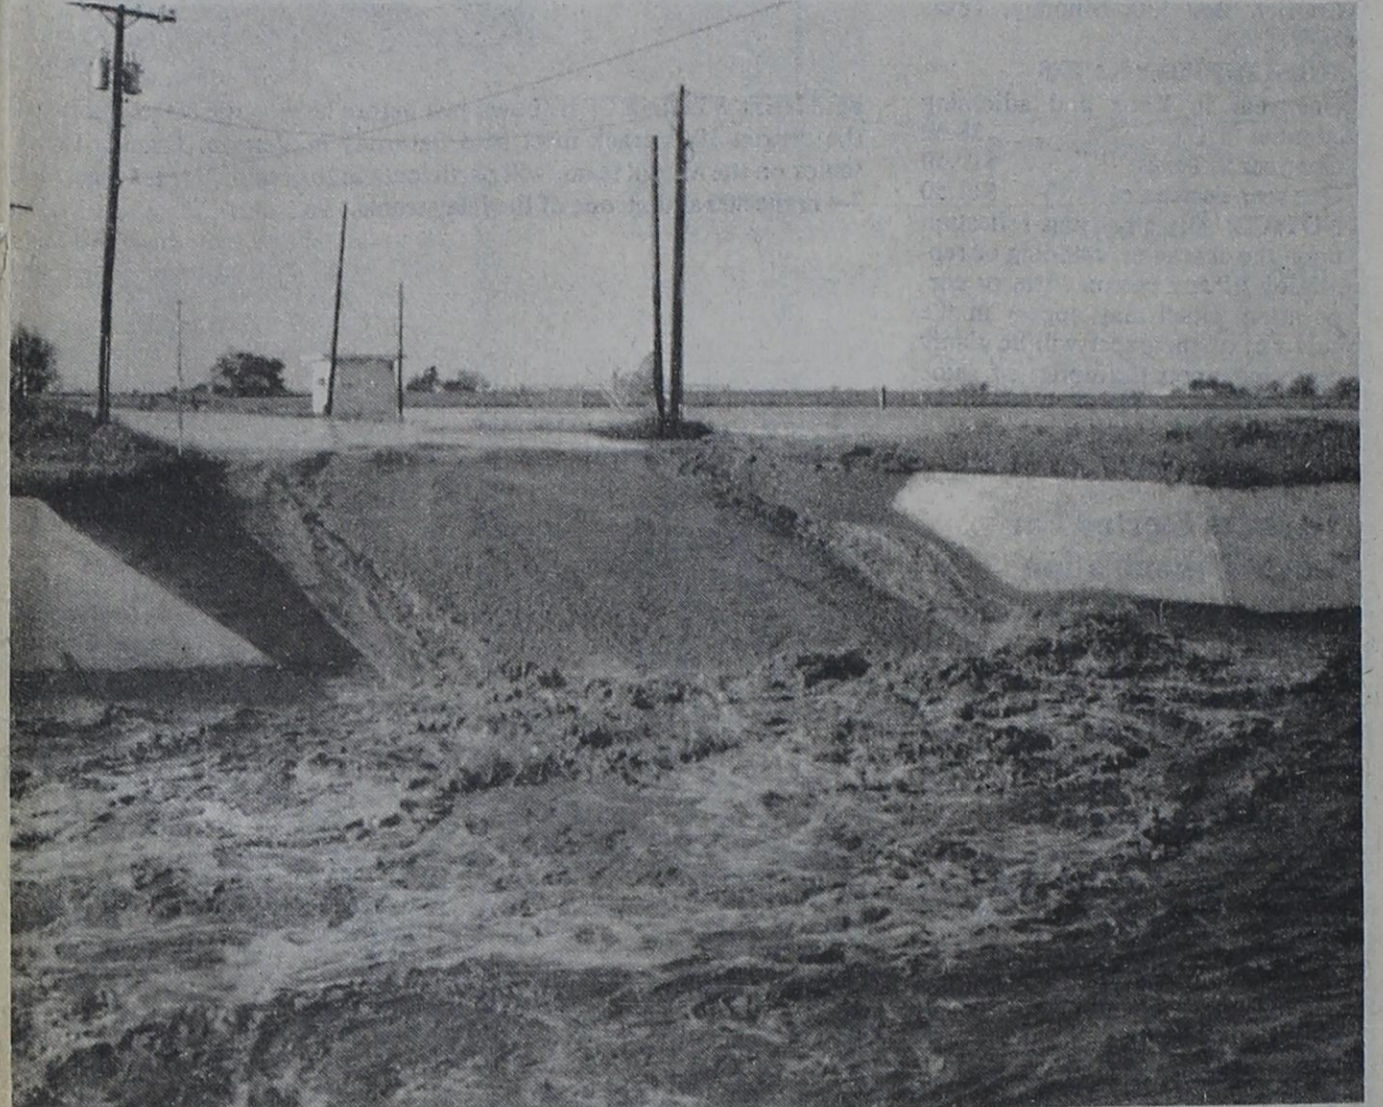

In addition to the recognition given to the poster and essay winners, Offutt announced the selection of Juanita Burnett of Benjamin as the Outstanding Cooperator for 1985. This award is presented to a local landowner who has applied a significant amount of conservation work on his or her land within the district. Offutt stated that Mrs. Burnett has been cooperating with the local SWCD since 1974 and has accomplished most of the conservation work on her land through the USDA's Great Plains Conservation Program. Guests at the banquet were treated to an over-view of Mrs.

Daylight Hours Longer Starting This Sunday

It's that time of year again! Time to move your clocks up one hour, throwing everyone off schedule for a while. Daylight Savings Time begins Sunday, April 28, and we are instructed to move our clocks ahead one hour at bedtime Saturday night.

We will all be missing one hour of sleep Saturday night, but one way to avoid this is to go to bed one hour earlier. If you despise this rude change in your sleeping time, fear not, October will be here again before you know it and you can go back to your old sleeping time once again.

THE CORPS OF ENGINEERS drainage ditch in Munday was put to use in a big way last weekend as torrential rains flooded streets in town. Although the water was high due to the large amount of rain received in a short time, old-timers can attest to the fact that the

flooding was nothing compared to what it would have been were it not for this invaluable drainage system. This shot, taken Monday morning, shows the ditch almost full of run-off water.

Munday Flower Show Canceled

The Munday Garden Club's annual flower show, which was scheduled for this Friday, April 26, has been canceled due to the storms we had last weekend.

The hard winds and hail received here damaged nearly all flowers and plants, leaving nothing for the flower show.

The club will announce if another show is to be held at a later date.

Storms Wreak Havoc To Crops, Property

It was a noisy, wet weekend for Mundayites and for others in the county as thunderstorms brought downpours Saturday and Sunday and the accompanying hail caused damage throughout the county.

The bad weather began late Saturday afternoon, as the dark clouds rolled in from the south and dumped hail as large as golf balls on the city. Rainfall totals stood at approximately two and one-half inches when the storm ended, and crops, gardens, homes and vehicles sustained light to heavy damage in different locations.

But the trouble had just started. More clouds came in on Sunday afternoon, and a real deluge caused water to rise rapidly on city streets.

All three of the city's pumps were working, but, as they are not designed for such a storm, many parts of town began to take on the appearance of a small lake. This rain was accompanied by more hail, this

reaching marble size, and property damage was increased.

Then, as if that wasn't enough, more rain fell during the early morning hours Monday. When it was all over, local U.S. Weather Observer, Goodson Sellers, registered a total of 5.38 inches, bringing our four-month total to 11.27 inches. Reports from around the area estimate that Goree received something over two inches, and Rhineland had around four, with marble size hail.

Insurance agents in Munday were kept very busy early this week processing claims. Most roofs in town received some damage, and many windows and screens will have to be replaced. Vehicles that are not under some sort of shelter also were damaged to various extents.

County Extension agent David Tunmire said damage to crops in the county was spotty. Some estimate that as much as 20 percent of the wheat crop was damaged, but the loss was not widespread. Areas of the county that did not receive hail are in better shape, although high winds caused some destruction all over the county. Vegetable crops appear to have suffered loss of foliage and other damage in varied amounts. It is hoped that some of the potatoes and onions will come back up, but the exact extent of damage has not yet been determined.

Commodities To Be Distributed

The Aspermont Small Business Development Center will distribute USDA surplus commodities in Knox County at the following times and locations:

Monday, April 29 - Knox City Community Center, 9-11 a.m.; Munday Community Center, 1:30-3 p.m.; Goree Community Center, 1:30-3 p.m.

Friday, May 3 - Truscott Community Center, 9:30-10 a.m.; Gilliland school building, 10:30-11 a.m.; Vera Methodist Church, 11:30 a.m.-12 noon; Benjamin courthouse, 1-2 p.m.

Eligible persons must present identification before receiving these commodities. For more information, call the Aspermont Small Business Development Center, Inc., at 817-989-3538.

BELLE BURNETT GRILL, at right, received an award plaque on behalf of her mother, Juanita Burnett, at the Wichita-Brazos Soil and Water Conservation District banquet. Mrs. Burnett, a Benjamin resident, was named the Most Outstanding Cooperator in the district, and the award was presented by Lonnie Offutt, chairman of the conservation district.

Local 4-H'ers To Test Fashion Skills In District Competition

Six Knox County 4-H'ers will compete in the District 3 4-H fashion show set for Saturday, April 27, in Stamford. "In Tune With Fashion" is the theme of this year's show, which is sponsored by West Texas Utilities Company.

Rebekah Duke and Sandy Patterson will represent Benjamin at the show. They are the daughters of Mr. and Mrs. Dennis Duke and Mr. and Mrs. Ronnie Patterson. Missy Reneau, Jenni Bowman, Robin Reneau and Jae-Jae Reneau, members of the Munday 4-H Club, will also compete for district honors. Their parents are Mr. and Mrs. John Reneau and Mr. and Mrs. Don Bowman.

Four categories, daytime tailored, daytime non-tailored, active sportswear and evening and specialty wear, are included in the district event. The top individual in the

Local Businessman Hugh Beaty Dies Suddenly April 23

Munday residents were shocked Tuesday to learn of the sudden death of prominent grocer and lifelong resident Hugh Beaty, who passed away suddenly at 1:25 a.m. in the Haskell Memorial Hospital.

Funeral services were held at 3 p.m. Wednesday, April 24, in the First United Methodist Church in Munday with Rev. Russell Byard, pastor, officiating. Burial was in Johnson Memorial Cemetery under direction of McCauley-Smith Funeral Home.

Beaty was born November 6, 1914, in Munday to George Harrison and Lila Lytle Beaty. He served in the U.S. Air Force during World War II, and had spent many years in the retail food business, owning and operating Beaty's Grocery in Munday. He married Louise Olsen June 11, 1939, in Seymour.

He is survived by his wife; two sons, Bill Beaty of Windthorst and Allen Beaty of Munday; three sisters, Cammie Brown of Arlington, Louise Stodghill of Munday and Mary Zeckser of Oklahoma City, Ok.; and two grandchildren, Bridgett and Eric Beaty of Munday.

Serving as pallbearers were Douglas Myers, J.T. Offutt, Joe Roberts, Wendell Partridge, John R. Rayburn and Clyde Yost.

FRANKIE STINNETT is shown just before he won the 800 meter run at the district 10-A track meet held Saturday in Vernon. Frankie Lee, a senior on the Mogul team, will participate in the regional track meet May 3-4 in the 800 and on one of the relay teams.

WINNING ANOTHER FIRST for Munday at the district track meet was Anthony Stinnett, who placed first in the long jump. Anthony, a freshman student, will be one of a large number of Moguls who will enter the regional track meet after winning one of the top two places in their event in the district competition.

Burnetts accomplishments, including conservation cropping system and residue management, contour farming, diversion terrace, grassed waterway, rootplowing, raking and range seeding, proper and deferred grazing and wildlife upland habitat management.

Due to illness, Mrs. Burnett was unable to attend the banquet, but her daughter, Belle (Burnett) Grill, accepted the plaque presented by the board of directors.

Overall, attendance at this year's banquet was much greater than in previous years and the District Board of Directors thanked all who participated.

Methodists To Revive Pony Express Campaign

Members of First United Methodist Church have proven stewardship campaigns can be exciting and fun, and now they're out to prove a one day drive can be successful. More than sixteen members of the church will fill the roles of "trail bosses" and "route riders" for their third annual Pony Express "run."

Rev. Russell Byard, pastor, said the campaign is based on teamwork -- the same concept employed by the Pony Express more than a century ago.

Three leaders of the church, David Key, Paul Pendleton and W.R. Moore, have been designated trail bosses to supervise the relaying of stewardship "saddlebags" to all of the church's families on Pony Express Routes. The names of 10 church families are written on a run route list on each saddlebag. A family fills in an "estimate of giving" card, seals it in an envelope and inserts it in the saddlebag, which then is hand-carried to another family on the route.

"We've used this unique approach in past years, and we've proven stewardship campaigns can be pleasurable, in addition to having their serious moments," general manager Joe Lowe said. "One of the things many of our members especially like about the Pony Express program is the fact there are no solicitations and no pledges," said finance chairman J. Weldon Smith. "Hard sell is out with this program," he added.

The Rev. Byard said each member is asked simply to estimate the amount he or she will be able to give the church during the coming year. That decision, he said, is made without anyone "looking over their shoulder."

The church had a large turnout last Sunday for a chuck wagon dinner and fellowship singing of western songs led by Norman Anderson and Waymon Alexander.

The Pony Express "run" at The First United Methodist Church has covered several weeks during the past, but this year church leaders decided to conduct a one-day drive. The Pony Express runs in the past were received with such enthusiasm and were so successful that church officials are confident only one day will be necessary this year.

Trail bosses will begin distributing the stewardship saddlebags among members at 1 p.m. Sunday. The bags will be carried from member to member until 6 p.m., when the estimate of giving cards will be totaled in the church office.

And, if this year reflects the past, the total will set a new record for the church. The church's goal this year is \$65,000.00.

"We trust each family to act responsibly in making a decision about the amount they will share with others during the coming year," Rev. Byard stated.

April is Cancer Crusade month and Pearl Ryder, chairperson of the drive for the Benjamin area, reported that of those who were contacted, favorable response was almost 100 percent. The campaign brought in \$364.50 and Pearl expressed much appreciation to all who gave and also to those who conducted the drive. They were Bea Parks, Leola Isbell, Virginia Griffith and Louise Hall.

FORMER RESIDENT DIES

Johnny McGaughey of Stamford, former Benjamin resident, died Saturday, April 20, in a motorcycle accident. Funeral services were held Monday and burial was in the Benjamin Cemetery.

We extend our deepest sympathy to Johnny's family.

Munday Resident Lino Perez Dies Friday In Austin

Lino Perez Sr., a longtime resident of Munday, died Friday, April 19, in Holy Cross Hospital in Austin after a lengthy illness. He was 79 years old.

Rosary was held at 7:30 p.m. Sunday, April 21, at McCauley-Smith Funeral Home in Munday. Funeral Mass was held at 10 a.m. Monday, April 22, at St. Joseph's Catholic Church in Rhineland with Rev. Bob Strittmatter, pastor, officiating. Burial was in Johnson Memorial Cemetery under direction of McCauley-Smith.

Grandsons served as pallbearers. He was born December 17, 1905, in Mexico and married Martina Falzon November 2, 1927, in Edinburg. A member of St. Joseph's Catholic Church, he was a retired farmer and had resided in Munday for a number of years.

Survivors include his wife; seven sons, Martin and Max, both of Chicago, Ill., Chris and Manuel, both of Round Rock, John of Leander, Lupe of Austin and Lino Jr. of Munday; six daughters, Lupe Villareal and Janie Perez, both of Weslaco, Sandy Guerrero of Homestead, Fla., Lala Hill of Ridgecrest, Cal., Mary Alvarez of Abilene and Marsha Davis of Las Vegas, Nev.; one brother, Ben Perez of Weslaco; 35 grandchildren and 18 great-grandchildren.

HERE AND THERE

Most of the Benjamin area residents had the same news Monday, from small amounts to lots of hail damage to their homes and cars from the hail storm Sunday. The rain was appreciated and we are thankful that other than a few who got hit on the head by a hail stone before they could get out of it, there was no personal injury.

Recent guests of Homer T. and Kathleen Melton were W.T. and Aldene Ward of Pueblo, Colo., Jack and Mary Young and Jim and Margie Melton of Lubbock and Jim Melton and Jason, and Judy Eyrse of Abilene.

Jennifer Vacek of Knox City spent the weekend with Stephen, Sheila and Aaron Kuehler.

Clodell Duke, Jan Pollock and Polly Marion of Knox City spent the weekend with the Butch Dukes in Levelland and attended a track meet in Sundown Saturday. Marion Duke, daughter of the Butch Dukes, participated and won 4th place which is quite good.

The Bert Leavertons of Whiteface were weekend guests of his mother, Lou Leaverton.

Audrey Nolan and Virginia Griffith were in Lubbock last Monday to undergo physical check-ups. Audrey says she will be having more knee surgery before too long.

Dub and Jo Cartwright visited his sister in Abilene Sunday.

The Gordon Taylors of Haskell and Rick and Diane Herring of Munday visited the Van Greens Saturday.

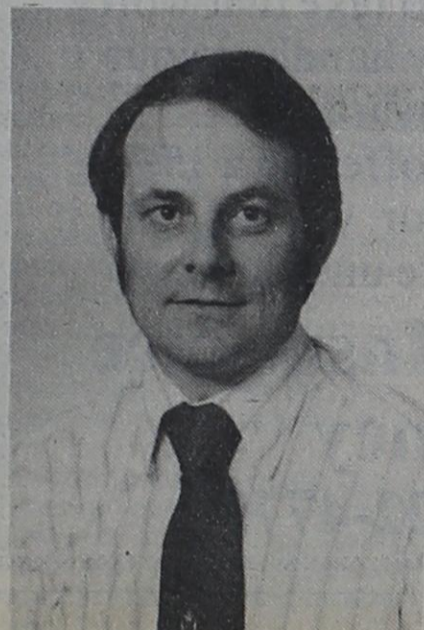

The Hertel boys, Scotty and Kent of Wichita Falls and Craig Hertel of Vernon, spent the weekend with their parents, Don and Louise Hertel.

Derrell and Tami Brown of Ft. Worth were weekend guests of Mike and Vicki Lyles and family. Sunday morning, Derrell conducted worship services at the First Baptist Church of which he is a former pastor.

Barbara and Jim Pratt combined business and pleasure this past weekend when they took a trip to Waco. Barbara attended a postal conference in Waco and then they visited his mother at Buffalo.

KACY LONGAN, shown at right, has won the grand championship in the Wichita-Brazos Soil and Water conservation district poster contest the last several years, and has also won honors in the area competition. Kacy, a budding artist with several awards to her credit, is the daughter of Mr. and Mrs. Bill Longan. Lonnie Offutt, chairman of the soil and water conservation district board of directors, presents her trophy at the annual banquet.

Dr. V.G. 'Butch' Reidenbach

Munday Native Promoted By Halliburton

Halliburton Services of Duncan, Oklahoma, has announced the promotion of Dr. Vincent G. "Butch" Reidenbach from senior engineer to development engineer.

Dr. Reidenbach, the son of Mr. and Mrs. George Reidenbach of Munday, is a 1968 graduate of Munday High School and received his BS, MS, and Ph.D from Texas A&M University. He has been employed as a mechanical engineer in the mechanical research and development department at the Halliburton Service Research Center in Duncan for the past 3 1/2 years.

Butch and his wife, the former Cynthia Kinnibrough of Vera, and their two children, Farrah Dawn and Kyle Alan, make their home in Duncan.

Halliburton Services is one of the world's largest technical oil field service organizations. It operates in some 60 countries, on six continents and is a major division of the Dallas based Halliburton Company.

Former County Resident Dies In Motorcycle Wreck

John N. McGaughey, 53, of Stamford, a former Knox County resident, died Saturday, April 20, in a motorcycle accident near Claremont in Kent County. Officials attribute his death to high gusting winds which caused him to lose control of the vehicle.

Services were at 3 p.m. Monday, April 22, at the First United Methodist Church in Stamford with Rev. Julius Early, pastor, and Rev. Ernest McGaughey of Wheeler officiating. Burial was in the Benjamin Cemetery under direction of Smith Funeral Home.

He was born January 10, 1932, in Elizabeth, Colorado, and married Barbara Johnston December 22, 1951, in O'Brien. A graduate of Texas Tech and Hardin-Simmons Universities, he had been a principal in the Knox City school system, was a 32nd degree Mason and served as Grand Master of the Knox City Masonic Lodge, was a Scoutmaster and was named Knox City's Most Appreciated Citizen in 1976.

He moved to Stamford in 1977 and was appointed superintendent of the school system in 1982. He was a member of the Rotary Club, Lions Club, Exchange Club, Gideon Organization, Texas State Teachers Association and National Education Association. The executive director of the Tri-County Educational Co-op, he worked with the mental health and mental retardation program in Abilene and was a Salvation Army chairman. He was also a member and Sunday School teacher at St. John's Methodist Church, and was a U.S. Army veteran.

Survivors include his wife; two sons, David of Lubbock and Jodie of Dallas; a daughter, Barbee of the home; a brother, Stephen Merrick of Houston; and a sister, Mrs. Vera Vines of Blueye, Mo.

Nothing in the world is fool-proof as long as there is a fool.

Letters To The Editor

The Munday Courier,
Enclosed is a check for \$10.50 for renewal of my paper.

About six weeks ago I broke my ankle, and am at present in the Oak Manor Nursing Home at Flatonia. I will be 94 years young on April 23. I enjoy reading about my old friends from Goree and Munday. I have a gripe at the Post Office though. One week I will get my paper on Saturday. The next several weeks I get it on Tuesday or Wednesday. This week I got the April 4 and 11 edition on Saturday the 13.

Keep up the good work.

Add up what a 9-month John Deere finance charge waiver means to you

Are most advertised "low-rate" finance offers the big deals they're made out to be? Not compared to John Deere's 9-month finance charge waiver on new tractors, 40- to 300-hp.* As the chart shows, the John Deere 9-month waiver is more attractive than most of the low-rate offers you've read about. And, as you can see, paying off the John Deere contract early could result in an effective rate as low as 3.38%.

Don't be misled — compare real finance charges

If balance owed is paid off after	Your effective annual rate**		Your total finance charge**	
	w/8.8% APR, no waiver, is:	w/JDFP 13.5% and waiver is:	w/8.8% APR, no waiver, is:	w/JDFP 13.5% and waiver is:
1 year	8.8%	3.38%	\$2640	\$1013
2 years	8.8%	7.45%	\$4701	\$3946
3 years	8.8%	8.68%	\$6132	\$6023
4 years	8.8%	9.11%	\$6878	\$7127

**Chart is based on a typical situation using current finance charge rates: 48-month contract, \$30,000 amount financed, with 4 annual payments of equal amounts and first payment due 12 months from contract date. Actual rates and finance charges will vary depending on payment schedules and rate changes on variable-rate JDFP contracts.

And the John Deere Finance Plan also includes physical damage insurance and, for qualified individuals, credit life insurance. All that on a tractor with proven high trade-in value. A John Deere tractor with a warranty backed by a solidly established manufacturer. A John Deere tractor we'll treat like our own when it comes to supplying parts and giving shop service. Added together, the 9-month finance charge waiver and the John Deere tractor deliver more real value to you.

COUNTY WHEAT TOUR SET

A county wheat tour has been scheduled by the Knox County Crops Committee for 8 a.m. Thursday, May 2. The tour will leave from the Farmers Grain Co-op in Munday.

Stops on tour will include an irrigated wheat variety test at the Texas A&M University Research Station at Munday and two dryland wheat variety demonstrations by Zeissel Farms and Randall Kinnibrugh. Other stops planned are a wheat leaf rust control demonstration by Randall Kinnibrugh and a wheat fertility demonstration by Ronnie Simmons.

Dr. Robert Berry, Extension Plant Pathologist; Al Alexander, Extension Agronomist; and Emory Boring, Extension Entomologist, will be discussing factors affecting the wheat crop this year. They will also be answering questions at the stops.

The Crops Committee, Vernal Zeissel, chairman, David Albus, Ray Escobar, Louis Baty, B.M. Brown, Maynard Moore, Clarence Brown, Wayland Hardin, Larry Smith and Randy Jones, encourage area producers to attend this very worthwhile event.

EASY STEPS TO STARTING A LAWN

The weather last week sure has given many the itch to fix up their lawns. It is not too early to fix up those established lawns but don't plant bermuda seed yet.

The soil temperature should be at least 70 degrees before you plant bermuda seed. The average soil temperature last week was only 64 degrees. It's not too early to sod a lawn but bermuda seed should wait until after May 1.

Regardless of which of the turf-grasses chosen or whether the lawn is established using sod, seed or even sprigs, the basic steps are the same. Dr. Bill Knoop, Extension Turf-grass Specialist, outlined the following steps to establishing a successful lawn.

Step 1: Removal of weeds. This is the time to use chemicals containing glyphosate like Roundup, Kleenup or Doomsday to get rid of perennial weeds like Dallisgrass and Johnson-grass.

Step 2: Removal of rocks and other debris. Anything left in the soil over about one inch in size could cause problems later on.

Step 3: Application of fertilizer. The best bet is to apply a good balanced fertilizer like 10-10-10 at a rate of twenty pounds per 1000 square feet. If the analysis of your fertilizer is higher, a slightly low application rate may be used.

Step 4: Till the soil. Tilling will move the fertilizer deep into the soil and loosen the soil for good root growth.

Step 5: Rake the soil. This is the final step before seeding, sodding or sprigging and should be used to remove any smaller debris and to level the lawn.

Step 6: Apply seed, sod or sprigs.

Bermuda seed should be applied at the rate of a pound or a pound and a half per 1000 square feet. Sod should be laid in a brick like pattern. Sprigs are sold by the bushel and are usually applied at a rate of about five bushels per 1000 square feet.

Step 7: Roll the lawn. Rolling will firm the soil around the seed or sprigs and help assure good initial germination and growth. Rolling will help in removing any air that might be trapped under the sod. Of course, roots won't grow in pockets of air.

Step 8: Begin watering. Lawns that have been seeded or sprigged should be watered just enough and often enough to keep the soil dark. As the plants develop, the amount of water per application should be increased, but the frequency of watering should be decreased. Newly laid soil should be well soaked and then re-soaked when it dries out.

Step 9: Mowing. Bermudagrass lawns should be cut at one and a half inches as soon as it gets about two and one-fourth inches high. St. Augustine lawns are cut at two inches when they are about three inches high and about the same for tall fescue.

Step 10: Fertilizer. The next fertilizer should be applied about six weeks after the lawn is started and at six week intervals until the first part of September. At 3-1-2 ratio like 15-5-10 or 12-4-8 should be applied at seven to eight pounds per 1000 square feet.

Farmers Co-op Slates Stockholders Meeting

The annual Farmers Grain Co-op stockholders meeting will be held at 8 p.m. Monday, April 29, at the Columbus Club Hall in Rhineland, according to co-op manager Maynard Moore.

A catered meal served by Ernestine Michels of the Shamrock Cafe in Munday will be followed by a business meeting. The agenda includes electing two officers and paying dividends.

All co-op members and their families are invited to attend.

Small Business Week Designated

"Small Business: America at Work" is the theme for this year's National Small Business Week, and the theme tells an exciting and accurate story.

Small businesses, 14 million strong by U.S. Small Business Administration standards, employ about half the nation's private work force. Small businesses are the chief employers of the young, the old and

of women. Small firms have been adding to employment rolls at an unusually fast clip. Last year, industries which are dominated by small businesses added jobs at a rate of about twice that of industries dominated by corporate giants: 11.4 percent vs. 5.3 percent.

Moreover, small firms are creating more than their share of new jobs through innovation and entrepreneurship. An SBS study shows that small firms move relatively quickly out of slow-growing industries and move quickly into

new and emerging industries, a record which helps America's international competitiveness and national productivity.

National Small Business Week is noted annually to pay special tribute to the nation's small business community and especially to those small firms which have been unusually successful and have made outstanding contributions to their community. This year, the week is to be celebrated May 5-11.

What better time to salute our small entrepreneurs and take special

pride in this year's theme: Small Business: America at Work.

Junior High Mogulettes Win District Track Title

One of the best shows of the day at the district junior high track meet was provided by Mindy Myers, who ran a 6:06.74 mile, which would have given her a second place in the varsity division. Mindy, a seventh grader, is the daughter of Mr. and Mrs. Billie Jake Myers and the last in a long line of Mogulette track stars the Myers family has given Munday schools.

The Munday junior high girls' team won their meet by a large margin over runner-up Knox City, 222 points to 149. The boys' squad was second with 116 points behind Knox City's 174. Local junior high teams had competed in very few meets this year, and their coaches were very pleased with their outstanding performance at the district contest.

Results are as follows:

JUNIOR HIGH GIRLS

1600 meter relay - Margaret Harlan, Lynn Parker, Denise Kuehler and Lisa Steedley, first, 4:39.42.

100 meter run - Mindy Myers, first, 6:06.74; Neomi Hernandez, fifth, 6:52.58; Shawna Simpson, sixth, 7:17.01.

400 meter run - Lisa Steedley, first, 68.46; April Offutt, second, 71.60; Jae-Jae Reneau, third, 72.06.

100 meter dash - Angie Partridge, first, 14.12.

3200 meter run - Rosalinda Castillo, first, 14:38.69; Beth McPherson, second, 14:42.96; Chris Burnett, fourth, 15:23.04.

800 meter run - Mindy Myers, first, 2:38.27; Neomi Hernandez, second, 2:48.3; Kacy Longan, third, 2:49.91.

High jump - Denise Kuehler, first; Frances Luster, second; Margaret Harlan, third.

Triple jump - Kathy Wilde, first, 29'4 1/2"; April Offutt, second, 29'1 1/2"; Ann Parker, fifth, 26'7 1/2".

POSTING WINNING TIMES in the 400 meter run in the district junior high track meet were Jae-Jae Reneau, Lisa Steedley and April Offutt. Lisa finished first with a time of 68.46, followed by April with a 71.60 and Jae-Jae with a 72.06. The Munday junior high girls won their division.

Shot Put - Youlanda Wright, first, 24'8 3/4".

200 meter run - Denise Kuehler, second, 28.93; Lynn Parker, third, 29.16; Youlanda Wright, fifth, 30.20.

800 meter relay - Margaret Harlan, Kathy Wilde, Angie Partridge and Lynn Parker, third, 1:59.75.

100 meter hurdles - April Offutt, third, 18.66; Kathy Wilde, fourth, 18.97; Margaret Harlan, fifth, 19.70.

400 meter relay - Rosalinda Castillo, Robin Reneau, Denise Kuehler and Lisa Steedley, third, 56.14.

Long jump - Mindy Myers,

14'2 3/4"; Angie Offutt, sixth, 13'8 3/4".

Discus - Youlanda Wright, fifth, 59'5".

JUNIOR HIGH BOYS

1600 meter run - David Owens, first, 5:35.97; Kevin Jackson, fifth, 5:58.53.

400 meter run - Massey Campos, first, 59.16; Donald Edrington, third, 64.74.

Discus - Lowell Hutchens, first, 139'2"; Michael Waggoner, third, 105'6".

Shot Put - Lowell Hutchens, first, 48'10 1/4"; Scott Hutchens, sixth, 37'2 1/4".

1600 meter relay - Massey Campos, Donald Edrington, Marc Andrade and Michael Waggoner, second, 4:16.10.

400 meter relay - Massey Campos, Scott Hutchens, Lowell Hutchens and Marc Andrade, second, 51.99.

Pole vault - Rohn Kingston, second, 7'0"; Chad Bordovsky and Jason Brown, tie for fourth.

800 meter run - Michael Waggoner, third, 2:31.63; David Owens, fifth, 2:32.64.

Long jump - Massey Campos, fourth, 16'11".

100 meter hurdles - Alonzo Garcia, fifth, 22.67; David Wilde, sixth, 23.09.

100 meter dash - Lowell Hutchens, fifth, 12.99.

200 meter run - Scott Hutchens, sixth, 28.16.

Texas was the first state to evolve a highway beautification program which made use of native trees, shrubs and flowers, and which linked landscaping with safety measures and erosion control.

DESPITE WINDY CONDITIONS at the district junior high track meet, these young ladies turned in sterling performances to help Munday win the meet in the girls' division. From left are junior high Mogulettes Lynn Parker, Robin Reneau, Margaret Harlan and Denise Kuehler.

Munday Men Attend Meetings Marking Area PCA's 51st Year

W.H. (Snooks) Williams of Spur was re-elected to a three-year term as director of Rolling Plains Production Credit Association at the annual stockholders meetings held in Childress and Stamford. Other board members are chairman W.J. Boykin of Northfield, B.H. DeBusk of Anson, Dan Henard Jr., of Wellington and Garon Tidwell of Munday.

A board report presented by W.H. Williams showed the association to have stable credit quality in spite of the existing strain on agriculture today.

The nominating committee report was presented by chairman Bill Young of McAdoo. Elected to serve on the 1986 nominating committee were Jimmy Parker, Childress; Craig Turner, Matador; Duward Campbell, Haskell; Larry Smith, Munday; and Darrell Thomason, Spur.

President R.C. Cobb gave the report from management. Cobb cited the association's strength derived largely from the favorable surplus and reserve positions held which enables Rolling Plains PCA to charge interest rates among the

lowest in the state and nation's PCAs. The association has a net worth of approximately 15 million dollars and loan assets of about 16 percent more at 1984 year-end than in 1983. He also mentioned the favorable position of Farm Credit System bonds in the financial market and investor confidence in the system.

Nationally-known humorist Stanley White, formerly of Avoca, entertained the gathering with a laugh-filled program. Those present also enjoyed a noon barbecue. A total of \$500 in cash was awarded as attendance prizes.

Approximately 400 attended both sections of the meeting. The association maintains offices in Childress, Matador, Munday, Spur and Stamford.

GOREE, TEXAS

THIS GROUP OF Moguelettes saw lots of action in the District 10-A track meet last Saturday. They won first place in the 800 meter relay event, and placed second in the mile relay, as well as participating in individual events. From left are Ann Kuehler, Janet Myers, Laura Myers and Kelli Smith.

WINNING SECOND PLACE in the 1600 meter relay at the district junior high track meet were these Munday Braves. From left are Michael Waggoner, Massey Campos, Marc Andrade and Donald Edrington, who finished the race with a time of 4:16.10.

Senior Class Entertained At Church-Sponsored Suppers

Seniors at Munday High School have been feted recently with the annual suppers sponsored by local churches. Special guests at the meals were Mr. and Mrs. Doug Donoho and Mr. and Mrs. Doyle Lowrance.

A circus theme was used by the First United Methodist Church. Rev. Russ Byard, pastor, was ringmaster, and he welcomed the class and said the invocation. In the second ring, the seniors were given appetizers of popcorn and peanuts, and a clown act by Mike Iley of Haskell was spotlighted in the third ring.

Circus decorations included animal cut-outs made by students of Mrs. Debbie Wilson, decoration chairman. Yellow cloths covered the tables, and centerpieces and favors were made of cotton candy.

The menu included such delicacies as highwire hotdogs, Barnum and Bailey beans, snake charmer chips, lion tamer tea and sword swallower sundaes.

The evening was planned by members of the church fellowship committee, Wynette Moore, Kathy Bowen, Merle Anderson, Shirley Amerson, Juanita Massey, Nell Sloan and Joye Baker.

Saint Joseph's Catholic Church hosted a country supper for the seniors in the Columbus Club Hall. Mary Jane Kuehler asked the blessing, and Kelli Smith gave the response.

The country theme was carried out with red and white checked table coverings, red napkins, kerosene lamps, small galvanized buckets and wash tubs holding peppermint sticks and favors of miniature picnic baskets covered with calico liners and filled with mixed nuts. Other country centerpieces were used in the entry and on the food table.

The menu consisted of country fried chicken, hot German potato salad, tossed salad, beans, pickles, homemade bread and pecan and apple pie.

Ann Kuehler and Laura Myers helped the parish ladies serve the meal.

A western setting greeted the seniors at the Munday Church of Christ. Cowpoke cartoon posters, strategically placed hay bales and a saddle emphasized the theme. The seniors were given red bandannas as they entered the room, and tables were covered with red and white checked cloths. Centerpieces featured antique lanterns and horse-shoes.

Entertainment included a comic western movie. Brisket, baked potatoes, beans, salad, relish tray, hot rolls, and homemade pie were served.

Women of the church planned and served the meal.

Senior Citizens' Domino Party To Be Held Friday

The Munday Senior Citizens will hold a domino party at 6 p.m. Friday, April 26, in the Community Center. This will take the place of the singing night, which will no

longer be held.

All area senior citizens are invited to attend.

FATIGUE ON THE FARM

Simply defined, fatigue is a condition when the body is overworked and can't respond to stimulation. This is a common condition among farm families particularly during planting and harvest.

A fatigued person doesn't respond as quickly to a stimulant. In heavy fatigue they may seem sluggish, listless and uninterested in what is going on about them. As you can well imagine, if a person is not as alert as they should be, accidents are more prone to happen and the farm has plenty of them waiting for the unwary. In fact, it is interesting to note that an Iowa State University study of accidents among farm families found that most accidents occurred during mid-morning and mid-afternoon, during May and August. These are months when a lot of work is done and fatigue is more likely. And the times of the day, right before lunch and late in the day, also are times when fatigue is likely.

Now is a good time to become familiar with the signs of fatigue, so you will know how to cope with fatigue and how to prevent it.

Contrary to what many people think, fatigue doesn't just come from not getting enough sleep.

The first step is to recognize some of the causes of fatigue. Some of these are:

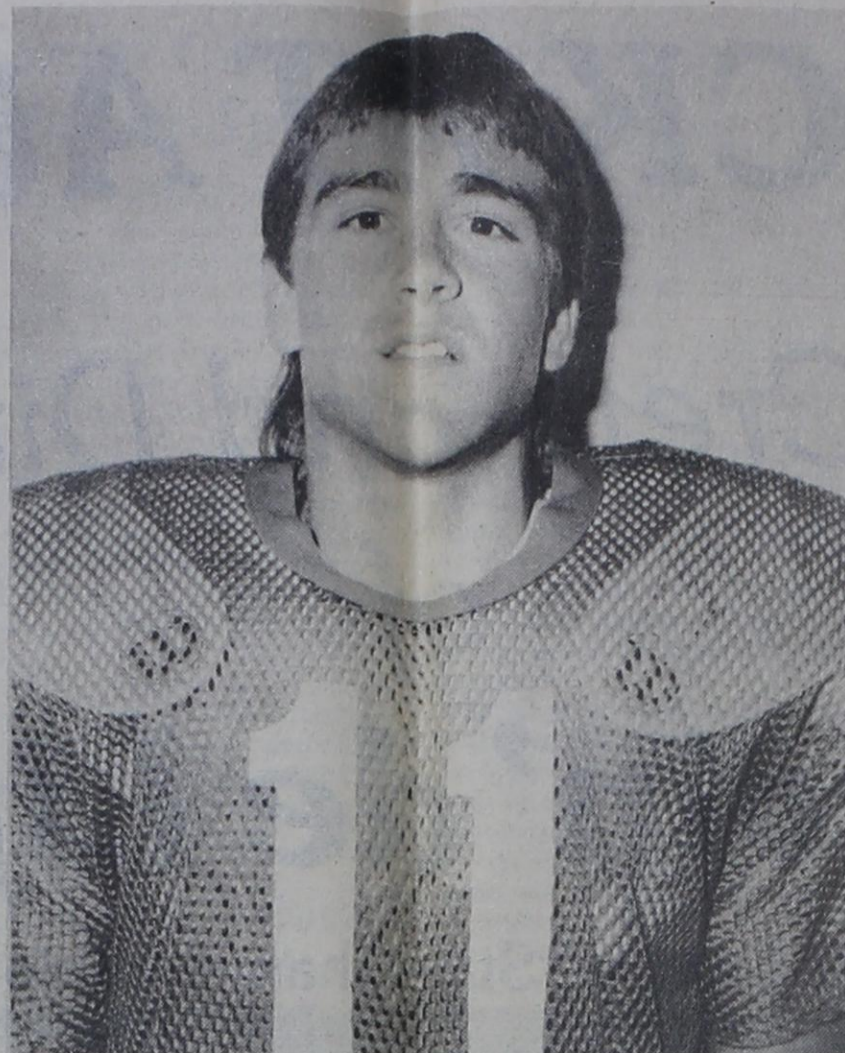

- * Working around noisy machinery.
- * Long periods of standing and sitting in one position.
- * Poor ventilation
- * Inadequate lighting
- * Inadequate sleep
- * Emotional upsets

- * Poor eating habits
- * Stress
- * Over-exertion

Some of these situations are unavoidable, especially during planting and harvesting. But most of these causes can be minimized. Listed below are some examples:

- * Wear ear protection when working around noisy machinery.
- * Make sure the barns and other buildings where work is performed has good ventilation. Open windows so fumes and dust can escape. An inexpensive window fan will work wonders.
- * Make sure work sheds have adequate lighting. Sometimes all this means is replacing a burned out bulb or replacing a 40 watt bulb with a 75 watt bulb.
- * Look for cures for insomnia. Make evening hours relaxing and restful. Don't do anything stressful. Save discussions that might cause stress or emotional upsets for a later time.
- * Plan three healthy meals a day and make sure meal time is a relaxing time. Lunch shouldn't be eaten "on the run." Take at least a few minutes to stop and relax. And supper shouldn't be a time to solve all the children's problems.
- * Over-exertion can do more damage than just causing fatigue. Muscle strain and headaches are two examples. Telling someone not to over-exert himself is difficult advice to heed. But a farm wife can certainly monitor the work load facing her husband and try to ensure that help is available when needed for the most strenuous tasks.

Have a safe farming season!

SHANNON FOREHAND, a junior at Weinert High School, has been selected All-State Quarterback in Class A six-man football by the Texas Six-Man Coaches Association. He was recently notified that he will be featured in an upcoming edition of Texas Football magazine. Forehand had a season record 2,000 yards passing for a total of thirty-five touchdowns. He is the son of Chet and Jeannie Forehand of Weinert.

Hospital Board Grants Staff Privileges To New Physician

The March meeting of the Board of Directors of Knox County Hospital District was called to order in the Physical Therapy Department of the hospital by board president Vernal Zeissel. Members present were Vernal Zeissel, Buster Lowrey, Bernard Brown, Ray Lynn Hardin, Benny Grill, Greg Clonts, Maurine Reeder. Others present were Dan Powers, hospital consultant and Jerry Burleson, administrator.

Jerry Burleson read the minutes of the February meeting. With no additions or corrections, the minutes were approved as read.

At this time, Zeissel recommended the board go into executive session to discuss legal and personnel matters. Greg Clonts made a motion that the board go into executive session. The motion was seconded by Benny Grill.

A motion was made by Ray Lynn Hardin to return to regular session. Buster Lowrey seconded the motion which passed with no opposition. Regular session resumed.

Under old business, Dr. Shirley Sanchez-Barretta, M.D. was granted temporary medical staff privileges by the medical staff. Full privileges for the doctor will be discussed at the next regular board meeting.

Dan Powers then presented the financial reports for the month of February and a list of accounts payable for board approval. Following discussion, Greg Clonts made a motion to accept the financial report as presented and ap-

prove the accounts payable for payment. The motion was seconded by Bernard Brown and passed with no opposition.

With no further business, Ray Lynn Hardin made a motion the meeting adjourn. The motion was seconded by Bernard Brown and passed unanimously. The meeting adjourned.

Sorghum Growers Contest Sponsored By National GSPA

The National Grain Sorghum Producers Association (GSPA) will sponsor the first nationwide sorghum yield contest this year, with top winners receiving a trip abroad. "The contest will focus on yield and management," said Elbert Harp, executive director of the National GSPA, "and will help us gather information on the most efficient and cost-effective ways to grow sorghum."

"We feel this is important because of a trend indicated by recent USDA figures. The cost of sorghum production is up as much as 50 cents a bushel over production costs for corn. If this trend continues, sorghum farmers will find it harder to remain competitive. By sponsoring the contest, the National GSPA will be able to study production techniques and find improvements," said Harp.

"In addition, the information farmers will provide during the contest, such as type of fertilizer used, will help us establish other regional, state and national trends that might affect the market for sorghum."

Contest awards will be made on three levels -- county, state and national. The top winners in each class on the national level will receive a trophy and a trip to a foreign market country. On the state level, plaques will be awarded to the top three winners in each class. The first place winner in each class on the county level will receive a certificate.

The contest entry deadline is 30 days prior to harvest of the contest plot and harvest reports are due by December 1. Applications and rule books are available through the National GSPA, members of the state Grain Sorghum Producers Associations, and supporting seed and agricultural chemical companies.

"Some of the manufacturers supporting the contest are offering cash

awards," said Harp. "These awards vary with each company and are designed to stimulate interest in this very first National Grain Sorghum Yield and Management Contest."

All contest entrants will be scored in relation to their county's established average yield. According to Harp, all calculations will be done by computer in the National GSPA office in Abernathy. The National GSPA will also keep all records on the contest and provide computer printouts of production data to contestants, county agents, university researchers and others.

"We want to promote the profitable production and the consumption of sorghum," said Harp.

In Memory Of Mabel Goode

Their two fires burned as one so long,
It's only now with one flame gone
The light, to those it shown upon,
Looks somehow different with this dawn.

Two fires fueled by common wills,
Allowing each to use their skills
To turn lifes mountains into hills
And on into the soil one tills.

The light that germinates the seed,
Backs bent to pull up every weed,
To give the land what it may need,
To make two lives as one succeed.

Two lights that burned together long,
Now one light's gone away
The light that burned has faded, but
The memories, they stay.

For even though the fire's gone,
And flame has turned to ember,
The beauty that the light exposed,
Will last if we remember

Extension Service To Sponsor Women Landowner's Seminar

Three special seminars on Farm and Ranch Business Management for Women Landowners will be held at Amarillo, May 7-9, Holiday Inn, 1911 I-40 East; at Dallas/Ft. Worth, May 14-16, Holiday Inn South, 4440 W. Airport Freeway (Highway 183); and San Antonio, May 28-30, at Holiday Inn, 77 NE Loop 410.

The seminar is designed to help women explore income-generating and tax-saving opportunities for their farms and ranches, says Dr. Wayne Hayenga, economist and attorney with the Texas Agricultural Extension Service.

Discussions will center on income taxes, leases, business organization and estate planning.

Farm leases and operating agree-

ments take many forms, notes Hayenga, and many of these will be discussed at the seminar, including benefits and restrictions to both landowners and tenants.

Regarding income tax planning, tax-saving opportunities will be explored for business growth, land sales, retirement income and helping out children and grandchildren.

A session on estate planning will deal with wills, trusts, estate tax deferrals, gifts and property titles, Hayenga points out.

Estate planning tools which will be discussed include use of corporations and partnerships, selling part of the business, installment sales, oil and gas interests, special farm land valuation, deferred estate tax payments, life insurance and discounted estate taxes (flower bonds).

A registration of \$80 will be charged, which includes the cost of meals and materials. Advance registrations may be sent to Wayne Hayenga, Department of Agricultural Economics, Texas A&M University, College Station, TX 77843.

Former Rhineland Resident Dies In Pampa Hospital

Adeline Clara Albus, 62, a former Rhineland resident, died at 3:05 p.m. Monday, April 22, in a Pampa hospital.

Rosary was said at 8 p.m. Tuesday, April 23, at McCauley-Smith Funeral Home in Munday. Services were at 10:30 a.m. Wednesday, April 24, at St. Joseph's Catholic Church in Rhineland with Father Bob Strittmatter, pastor, officiating. Burial was in St. Joseph's Catholic Cemetery under direction of McCauley-Smith.

Serving as pallbearers were Dwight Albus, Richard Albus, Gaylon Albus, David Albus, Charles Albus, Jr. and Anthony Albus.

She was born May 29, 1922, in Rhineland and moved to Pampa in 1976. She was a member of St. Joseph's Catholic Church.

Survivors include two brothers, Edwin Albus of Amarillo and Charles Albus of Pampa; and one sister, Mary Alice Albus of Pampa. *****

Goode Rites Held At Goree Cemetery

Mabel Greene Goode, 84, of Swink, Colorado, a former Goree resident, died Monday, April 15, at her home. Graveside services were at 2 p.m. Saturday, April 20, at the Goree Cemetery with Rev. Joe Ainsworth, pastor of the First Baptist Church in Seymour, officiating. Arrangements were under the direction of Seymour Memorial Funeral Home.

She was born August 9, 1900, in Comanche County and moved to Colorado in 1944. She married Charles L. Goode January 22, 1923, in Goree, and was a charter member of the Kim Baptist Church in Colorado.

Survivors include her husband; a daughter, Virginia Phillips of Stafford, Ariz.; a son, Charles L., Jr. of Lake Jackson; five grandchildren and two great-grandchildren.

Heart Association Campaign Begins

Volunteers for the American Heart Association will be calling on Munday residents in May to ask for contributions for the 1985 Heart Campaign.

"The money raised during our campaign goes to support research, professional and public education and community service programs in Munday and Knox County," said Dorothy Brown, local chairman of this year's Heart Association campaign. "With costs rising everywhere and because of the tremendous toll in lives and money due to heart disease and stroke each year, it is absolutely essential that we reach our goal," she said.

"Heart disease, stroke and high blood pressure afflict more than 40 million Americans and are responsible for half of all deaths in this country," Mrs. Brown continued. "Of nearly one million deaths each year from heart disease and stroke, more than 200,000 occur before retirement age. We need volunteers and contributions to help in the fight for your life and ask that you give generously when a volunteer calls on you."

Other key campaign leaders are captains Shirley Gass and Lyndle Reeves. *****

Gymnasts Fare Well In State Exhibition

Eleven members of the Munday Gym-Dandee gymnastics team will participate in the Tri-State Regionals in Amarillo on Saturday, May 4. This contest encompasses gymnasts from Texas, New Mexico and Arizona who are in the top skill levels.

A number of Gym-Dandee entered the state contest in Andrews last weekend. They report that competition was extremely tough, as there were approximately 750 competitors from 27 towns in the meet. The top six gymnasts in the higher ability levels were chosen to advance to tri-state competition. Out of over 30 local gymnasts eligible for the state meet, only 23 entered, and 11 of these are in the ability level required for the advanced contest.

In floor exercises, Dusty Bradley of Knox City placed first in his division and Michele Berryhill of Munday also won a blue ribbon. Alicia Cook and Aaron Kiser placed second, Heather Brown, Christopher Clem, Jenni Bowman and Melissa Berryhill were third. Lanasa Wilson and Doug Edrington were fifth and Lorin Clem placed sixth, and these youngsters will be making the trip to Amarillo.

Winning ribbons in beginner ability floor exercises were Doug Culppeper and Leigh Lain, fourth, Sherri Wilde, fifth, and Will Dutton and Will Vacek, sixth. Cody Jones, Tonya Kuehler and Robyn Clem were awarded participant's ribbons. Christy Williams and Sherri Wilde won first place ribbons in the trampoline competition, Bridgett Beaty was fifth, and Missy Reneau placed sixth. *****

FHA'ers Attend State Conference

Janet Williams and Amy Parker represented the Munday Future Homemakers of America chapter at the 1985 state meeting of the state FHA association, which was attended by about 7,000 members and advisors from Texas. "FHA/HERO: Yesterday, Today and Tomorrow" was the theme for the 1985 meeting, held in the Albert Thomas Convention Center in Houston April 12-13.

This year commemorates the 40th birthday of an organization that has served over 7 million young people. Keynote speakers and presentations by Future Homemakers were highlights of the two-day conference, and interest sessions on elderly, leadership skills, nutrition, self-improvement and employability were held.

Business of the Texas Association was conducted during the House of Delegates session, and recognition of proficiency event participants and installation of the 1985-86 officers climaxed the meeting.
