Bass Tournament Is Only A Week Away

The Munday Chamber of Commerce's second annual bass tournament will begin early Saturday morning, May 28, with fishermen asked to be on the lake at 6 a.m. Entrants may grab a sausage burrito and a cup of coffee on their way, courtesy of the Chamber, and hamburgers will be available during the day so fishing can continue non-stop for those in search of a big prize.

Signs will be posted at the entrance to Miller Creek Reservoir to direct fishermen and spectators to the headquarters area. Registration at the lake will be \$35, and those who pre-register by Saturday, May 21, will only have to pay \$30.

The Chamber of Commerce will locate at the lake headquarters on Friday, May 27. A fish fry is planned for contestants on Saturday evening, and fishing will continue until 3 p.m. Sunday, when awards will be presented.

Sponsors for the tournament include Osbornes, Dairy Queen, Ralph's Auto Repair, the Fair Store, Munday Auto Supply, M-System, Jo's Beauty Shop, Knox County Farm Bureau, Ralph Cypert, P-M Supply, Angler's Choice, Reid's Hardware and the Munday Courier, Munday; Jurecek-Manly Marine and Vita Auto Parts, Seymour; Haskell Marine, Haskell; Penman Propane, Rochester; and Pumpers Supply and Equipment and Clonts Hardware, Knox City.

Rebates Point To Economic Recovery

City and county officials are still receiving encouraging news from State Comptroller Bob Bullock about the shape of our slowly improving economy. The county received a total of \$21,483.81 this month in sales tax rebates, a 36.65 percent increase from May 1987.

Munday's May rebate check was \$6,811.55, compared to \$6,183.60 last May. For the year, Munday has received \$21,580.35, an increase of 16.22 percent over 1987.

Knox City gained \$12,899.10 this month, bringing their 1988 total to \$39,198.78, a 34.76 increase from last year. Goree's check was for \$1,297.06, up 39.44 percent from last May, and the city's total for this year is \$4,015.73, giving them the biggest increase, 45.09 percent.

Benjamin is up 4.23 percent for 1988 with \$1,133.03 in total rebates. The county seat's May check was \$476.10, which is down a little from last May, but that undoubtedly reflects the weeks Benjamin was without a grocery store.

Golf Scramble Planned May 22

Area golfers need to be practicing their putting and driving techniques, as the Lake Creek Golf Club will sponsor its first scramble of the season on Sunday, May 22, at the club course.

Tee-off is at 1:30 p.m. sharp, and all area golf enthusiasts are invited to join the scramble.

Applications For Emergency Farm Loans Being Accepted

Applications for emergency farm loans for losses caused by freezes March 28 through April 3, 1987 are being accepted at the Farmers Home Administration (FmHA) office located in Knox City, FmHA county supervisor Bobby G. Cude said last week.

Knox County is one of forty in Texas recently named by Secretary of Agriculture Richard E. Lyng as eligible for loans to cover part of actual production losses resulting from the adverse weather conditions.

Cude said farmers may be eligible for loans of up to 80 percent of their actual losses or the operating loan needed to continue in business or

DOUBLE GOLD FOR PURPLE AND GOLD

MOGULETTE KATHY WILDE is interviewed by Bill Hart, senior sports writer for the Abilene Reporter News, after she broke the State Class A girls' record in the 100 meter hurdles competition at the state track meet in Austin Saturday. Kathy, the sophomore daughter of Kay Wilde and Edwin Wilde, ran the hurdles in 15 seconds flat to break the old record of 15.2. She also ran on the 400 meter and 800 meter relay teams and finished third in the triple jump competition, helping the team to win its first state championship.

City Council Okays Budget, Other Items

(Editor's Note: The following city council minutes furnished by Walter Hertel, Munday City Administrator.)

The City Council of the City of Munday, Texas met in regular session May 10 at the Munday City Hall.

Members present: Mayor Doris Dickerson and Aldermen Jessie Tucker, Garon Tidwell, Jessie Andrade and Richard Albus.

Members absent: Gene Brown. Mayor Dickerson called the meeting to order. Minutes of the April 12, 1988 meeting were read. Andrade moved minutes be approved as written. Jessie Tucker seconded. All for.

Bobby D. Burnett, city attorney, met with the city council. Mayor Dickerson asked the city administrator to brief the council on purchase of 35.71 acres of land for a proposed dump site. Total cost of the tract was discussed. Burnett explained the procedure, costs and possible problems of acquiring property under eminent domain by condemnation. No council action was required, authority for land purchase having been granted previously.

Henry Dancer, police chief, met with the council to explain his position on vacation and days off time. Gene Brown, police commissioner, had written recommendations to clarify employment guidelines in this regard. After discussion the matter was tabled by Mayor Dick-

erson until the police commissioner is present. Dancer reported that the notice on dogs running loose in the city has been republished in the Munday Courier; also that he is expecting sample copies of a Vicious Dog Ordinance from Texas Municipal League soon which the council might want to consider. He then left the meeting.

Mayor Dickerson informed the council that he and City Administrator Walter Hertel would attend a legislative task force public hearing in Ft. Worth on May 11. They requested opportunity to testify in regard to new "no burn" requirements and other landfill problems created by new requirements; new fees; and Safe Drinking Water Act excessive requirements.

Next the council discussed the street paving seal coat project for 1988. Albus moved the city advertise for bids and give notice of same, with bids to be opened at the next council meeting on June 7, 1988.

Munday Brings Home State Track Crown

The quest for athletic excellence is never-ending, but the search for another elusive state championship at Munday High School came to a temporary halt last weekend as the Munday Moguls and Mogulettes duplicated a feat that only one team had ever accomplished before - a complete sweep of both boys' and girls' team championships.

Ironically, the first team to achieve a double championship at the state track meet was Karnack, also a Class A squad, which won the meet last year. But Munday was able to go them one better this year - the Mogulettes scored more points at the meet than any other Class A team has posted.

The girls racked up 84 points, outdistancing runner-up D'Hanis, which scored 56 points (40 of these points came from phenomenal junior Alison Calicoatte, who won four gold medals). Other standings in the girls' division included Booker with 45 points, Paducah with 36, Irion County with 32 and Rochester with 22.

It was a closer contest on the boys' side, with Munday taking a narrower victory over defending champ Karnack, 64 points to 52. Rissel came in with 38 points, Oakwood had 30 and Paducah and Wheeler tied with 22 points each.

Several state Class A records bit the dust in Austin Saturday, and three of them were broken by Munday. Super sophomore Mindy Myers now holds the 1600 meter standard of 2 minutes and 16.8 seconds. Kathy Wilde's 15-second time in the 100 meter hurdles is also a record, and the Mogul mile relay team, which consists of Perry Collier, Trey Thompson, Terry Collier and Anthony Stinnett, ran a record-breaking time of 3 minutes and 18 seconds in their event.

Myers didn't stop with just winning the 800 meter race, she also brought home a gold medal from the 1600 meter competition and a silver from the high jump contest, posting personal best performances in each event. The Mogulettes mile relay team of Angie Offutt, Alicia Cook, April Offutt and Mindy Myers cut seconds off their time to grab the gold medal in their contest, and the 800 meter relay team placed third and the 400 meter relay team fourth in the state competition. Kathy Wilde also contributed extra points to the team effort, taking third place in the triple jump.

Anthony Stinnett, the only Mogul

entered in two individual contests, won a silver medal in the long jump and a bronze in the 400 meter dash. Trey Thompson also captured a bronze medal in the 800 meter run and the 400 meter relay team finished third as well. Fourth place points were contributed by Lowell Hutchens in the shot put, Perry Collier in the 400 meter run and Terry Collier in the 200 meter dash.

Understandably, both coaches were extremely pleased with the results of the meet. "I just can't say enough about it," enthused girls' coach Gina Farmer. "It was a great weekend and the girls performed exceptionally well."

The coach denied any disappointment that the sprint and 800 meter relays didn't place higher. "We just don't have a real 'burner' to put us ahead on the last leg, and I think that problem will be taken care of next year. We really had great times on all our relays. We hoped to break four minutes on the mile relay, but that will be our goal next year."

Coach Farmer praised her "work-horses", Mindy Myers and Kathy Wilde, for their efforts. "Mindy showed such guts and determination in the mile relay when she was passed on the last leg and just gave a great effort to regain the lead. And Kathy really did a fine job in the hurdles. Angie Offutt had a good day coming out of the blocks. She stayed calm and was like a cheerleader for all of us."

Farmer's final praise went to the fans. "The support was amazing. There was a whole section of Munday people there. That is a long way to go for a track meet, and the girls

Baccalaureate Set For Sunday

The 26 seniors who will graduate from Munday High School next week will be honored at a baccalaureate service at 8 p.m. Sunday, May 22, at the high school auditorium. Ray Hunter, minister of the Munday Church of Christ, will deliver the baccalaureate message.

Class honor students have parts on the program during both baccalaureate and commencement. Deborah Brown will voice the invocation Sunday evening, and Sam Hunter will word the benediction. Jeremy Hutchinson will read scriptures, and the class will sing "Because He Lives" and "Victory In Jesus" led by Annette LeFevre and accompanied by Mrs. Sandy King. Mrs. Lisa Myers will serve as organist during the processional and recessional.

Ushers for baccalaureate and commencement will be Chad Bordovsky, Scott Hutchens, Holly Jackson, Denise Kuehler, Lynn Parker, Angie Partridge, Kent Sanders and Michael Waggoner, junior honor students.

The public is invited to join parents and friends of the graduates in attending the special service.

Local Bloodmobile Falls Short Of 60-Pint Quota

Volunteer blood donors took time to give 40 units of blood at the Red River Regional Red Cross Bloodmobile here Monday, according to Latreace Lane, local American Red Cross volunteer chairman.

"Although we fell short of our Bloodmobile goal," Mrs. Lane said, "donations which were collected will help to ensure adequate supplies for those who need blood, and I'm pleased to recognize those donors and volunteers who worked so diligently at the Bloodmobile."

"Five young people, three of them high school students, were first time donors," Mrs. Lane continued. "We highly commend these young people and hope that this first contribution will establish a lifetime of being regular donors."

First time donors were Scott Jackson, Glen Reid, Alexis Bordovsky, Annette LeFevre and Wayne Hutchinson. Donors who achieved gallon markers were Robert Elliott, one gallon; Melton Morgan, three gallons; Barbara Ratliff, four gallons; and Tony Shawver, seven gallons. Shawver came in for some

extra praise as one of the area's most faithful blood donors who gives regularly not only in Munday but at other area Bloodmobiles, doing his part to help our community and those of our neighbors.

Mickey Jackson and James Merrell of West Texas Utilities in Munday put up the street sign reminding residents of the bloodmobile, and they also helped unload the Red Cross truck after it arrived at the site. Winters Matthews and Virginia Cary registered the prospective donors, four of whom were deferred. Ernestine Dickerson handled the blood bags, and trained personnel assisting Red Cross workers were Lois Beaty, LVN; Pat Hutchinson, EMT; and Betty Hamilton, LVN and EMTSS. Mickey Jackson, Buford Berryhill, Bobby and Pat Hutchinson and Ray Lynn Hardin helped load the truck for its return to Wichita Falls.

Canteen workers were Marie Smith, Elaine Gulley and Lisa Booe. Providing food and other items for the canteen were Shirley Smith,

MUNDAY HIGH SCHOOL senior Glen Reid was one of five young people who donated blood for the first time at the Bloodmobile held here Monday. Glen reclines comfortably on the Red Cross cot as a technician goes through the steps involved in taking a blood donation. The Bloodmobile fell far short of its goal this time, with only 40 pints given.

Track

(Continued from page 1)

and I really appreciate that kind of encouragement. It helps to have your hometown fans there yelling for you."

The coach is looking forward to coming years, when talented seventh and eighth grade runners will beef up the depth on the track team. More athletes will be participating in field events, also, and the 100 meter speed that was lacking on this year's team should be provided.

Boys' coach Jim Edwards said every one of his athletes gave 100 percent in Austin. "We had our best performances of the year," he commented, "and I think this was the most competitive Class A meet I've ever seen. Many of the times were better than in the 2-A meet. The times just amazed me. So many records were broken or tied.

"I was pleasantly surprised by the performance of our freshmen," Edwards continued. "Perry was in eighth place going into the finals and brought it up to fourth, and it was a tremendous accomplishment for him, as was Terry's fourth place finish in his event. The same can be said for Trey Thompson; he lowered his time even further to place third in the 800, and it was a big achievement."

Going into the mile relay with a small lead, Edwards said he was very conscious of how easy it is to be disqualified, but he still felt Munday would win the relay to take the championship. "Our guys ran a great race, but I expected them to. I knew nobody could put four legs together for that race like we had."

Summing up the win, Edwards stated, "We try all year to condition our kids toward good performances at the regional and state meets. It's hard to prepare them for a meet that's two weeks after the initial victory. They have to work very hard to stay in shape and keep their times down, and these young men and

Vera Man Dies In Seymour Hospital

Lifetime Knox County resident Olen W. Coffman, 72, died Thursday, May 12, in the Seymour Hospital. Funeral services were at 10:30 a.m. Saturday, May 14, at the First United Methodist Church in Vera with Rev. Delmar McBeath, pastor of the Vera Baptist Church, and Rev. Eddie Allsup, Methodist pastor, officiating. Burial was in the Vera Cemetery under direction of Archer Funeral Home of Seymour.

Born August 24, 1915, in Knox County, he was a retired farmer and rancher. He married Frances Wirz in 1937, and she preceded him in death November 1, 1987.

Survivors include three daughters, Barbara Moore of Seymour, Marianne Coffman of Denton and Eileen Coffman of Archer City; two sons, Olen Jr. of Vera and Robert of Goree; two sisters, Velma Parker of Odessa and Doris Bartlet of Seymour; a brother, Grover of Bomarton; and six grandchildren.

City Council

(Continued from page 1)

Tucker seconded. All in favor.

The council reviewed the swimming pool leak problem. This is being checked out by city workmen at this time and possible methods of repair were discussed.

The council reviewed the city's garbage service cost to Goree for approximately the last 60 days. Weinert has mentioned the possibility of a request for garbage pickup. The council is gathering information on this request at this time. No official action required.

A mutual aid contract for fire protection service was discussed. The contract is between the cities of Munday and Knox City to aid each other in time of need for fire protection and will result in insurance key rate credit for both cities. Albus moved the mutual aid agreement be passed. Tidwell seconded the motion. Voting for were Albus, Tidwell, Andrade and Tucker. Noes, none. Passed. (Full text in city's fire department file.)

The council reviewed Munday Housing Authority minutes. No action required.

A report was mailed by Oscar Mangis for Knox County Appraisal District in regard to 1988 taxable values. For the City of Munday, estimated taxable value for 1988 is \$15,379,510. No council action required at this time.

Leonard R. Lindstrom, senior loss control consultant for Hartford Specialty Co., has made recommendation to the city that a walkway be constructed at the sewer plant for safety. Hartford is our insurance company safety specialist. Recommendations discussed. Tidwell moved that a walkway at the sewer plant be constructed turn key according to Exhibit A, 5-10-88, as submitted at a cost of \$450. Andrade seconded. All for.

Mayor Dickerson next advised that the public hearing on finalizing the budget is now ended. No one, other than the city council, appeared to discuss the budget. Questions were asked City Manager Hertel in regard to the budget. Andrade moved the budget for 1988-89 be approved as presented. Tucker seconded. All members for.

The election returns of May 7, 1988 city officers election were examined. The following results were found: for mayor, Doris Dickerson, 141 votes, Bill Smith, 1 write-in; for aldermen, Richard Albus, 106, Gary Howry, 39, David Booe, 100, Gene Brown, 138, Stas Decker, 10 write-ins. Tidwell moved that Doris Dickerson be declared elected as mayor; also that Richard Albus and Gene Brown be declared elected as aldermen; all three for two year terms. Andrade seconded. Carried. All members for; Mayor Dickerson was duly sworn in by Mayor Pro-Tem Tidwell; Richard Albus was duly sworn in by Mayor Dickerson.

Andrade next moved that Floyd Reed Jr. be appointed as a director representing Munday to the board of directors of the North Central Texas Municipal Water Authority for a two year term from May 31, 1988 to May 31, 1990. Albus seconded, all in favor.

Andrade moved bills be approved as follows: from airport funds, \$54,81; from ambulance funds, \$602.15; from Certificate of Obligation funds, \$48, from operating funds, \$11,869.35. Tucker seconded. All members voted for.

Tidwell moved the meeting adjourn. Albus seconded. All in favor.

It's A Boy!

Rev. and Mrs. Wayne Varnell of Goree are anxious to announce the arrival of their baby boy, Richard Vance, who was born at 4:03 p.m. Sunday, May 15, 1988 at Wichita General Hospital. He tipped the scales at 7 lbs. 4 oz. and measured 19 1/4 inches long.

Mr. and Mrs. Ferman Richard Varnell of Austin and Mr. and Mrs. Leland Vance Marshall of Corpus Christi are the proud grandparents.

CHANDA CURRY, daughter of Clyde and Connie Curry of Lubbock, received a superior rating, the highest given, in the Lubbock Independent School District poetry festival May 10 at Lubbock Christian University. Chanda took first place in competition at Haynes Elementary School to win the right to represent her first grade class in a field of 29 students from other Lubbock primary schools. She recited the poem "My Dog" by Marchetta Chute. Chanda is the granddaughter of Howard Thompson of Munday and Gloria Masters of Abilene and the great-granddaughter of Jo Jarvis of Munday and Jackie Guffey of Graham.

Bloodmobile

Carla Key, Elsie Stewart, Dorothy Jeffcoat, Joyce Walling, Betty Tidwell, Cathy Albus, Maurine Williams, Peggy Hertel, Rhonda Richardson, LaRue Patton, Nettie Partridge, Vera Tomlinson, Cheryl Urbanczyk, Polly Decker, Jinx Burnison, Dorothy Cooks and Pat Hutchinson.

"I'm especially proud to live in a community filled with such giving people, Mrs. Lane concluded, including not only the blood donors, but all the volunteer workers it takes to conduct a successful Bloodmobile visit. We made the effort and because of that effort, we're saving lives."

Extension Students Must Take Test

Students who enroll for a math course at the Haskell extension center of Western Texas College this summer will be required to take a pre-entrance test.

The test will be given at registration and will probably require a minimum of 30 minutes. Registration is scheduled from 6:30-8 p.m. on Thursday, May 26, in the Haskell Elementary School cafeteria.

Math courses on the Haskell summer schedule are college algebra (MTH 133) and intermediate algebra (MTH 132). Students taking intermediate algebra will also take developmental math (MTH 002).

Western Texas College has given this pre-entrance test to students on its main campus for over a year in response to state requirements. Texas will be requiring placement testing for students enrolling in math and English courses starting with the 1989 fall semester.

Information about the Haskell extension center can be obtained by calling Bill Blakely at 817-864-2891.

Farm Loans

Top Elementary Academic Award Winners Announced

TO COMPETE IN WORLD GAMES: Heather Brown, left, and Lorin Clem are in Lubbock this week for the World Age Group Games, a competition for power tumblers. The girls will be pitted against 245 contestants from all over the world in their 10 and under age group. Finals for the contest are Saturday and Sunday. Heather and Lorin are members of the Munday Gymdandeez.

Top academic scholars in each class at Munday Elementary School were announced this week by elementary principal Doug Donoho. Students recognized had the highest total grade point average in their respective homerooms.

Top first graders were Tracee Tomlinson, student of Anna Decker and daughter of Larry and Vera Tomlinson; and Brent Selzer, student of Nancy Wilde and son of Dale and Martha Selzer. Second grade scholars are Andrea Brown, daughter of Chris and Brenda Brown, in Margaret Hill's room; and Ambra Welch, daughter of Larry and Annette Welch, in Melissa Josselet's room.

In third grade, top students are Lanasa Wilson, daughter of Debbie Pankhurst and Lowry Wilson Jr., in Linda Bunton's room; and Kandis Longan, daughter of Bill and Karen Longan, in Alta McGuire's room.

Zane Donoho, son of Doug and Nahwana Donoho, and Marc McWhorter, son of Bob and Cindy McWhorter, are fourth grade honor students. Their teachers are Linda Edrington and Nell Sloan, respectively.

Fifth grade academicians are Donny Browning, son of Larry and Donna Browning, in Kristi Bufkin's room; and Doug Edrington, son of James and Linda Edrington, in Peggy Urbanczyk's room. Top sixth graders are Jason Bowman, son of Don and Shirley Bowman, in Linda Chapman's room; and Michele Berryhill, daughter of Buford and Cheryl Berryhill, in Leona Partridge's room.

These top scholars and other award-winning students will receive recognition at the elementary awards assembly set for 2:30 p.m. Friday, May 20, in the elementary school gymnasium.

★ VERA HAPPENINGS ★

By Mrs. Thelma Coulston

Mr. and Mrs. J.L. Trainham visited her mother, Mrs. Ruth Ellis, in Bowie Sunday.

Mrs. Keith Beck returned home Wednesday following a few days as a patient in General Hospital in Wichita Falls.

Mrs. Maddie Hardin and Mrs. Viola Howell of Seymour were in Holliday during the week to attend the graduation of their grandson, Barry Hardin, from Midwestern State University. Barry is a son of Mr. and Mrs. Larry Hardin of Wichita Falls.

Mr. and Mrs. Berry and two children of Davidson, Okla. were Sunday visitors in the Duward Richard home.

Larry Dan Gore and Travis Bradford of Wichita Falls visited Larry's parents, Mr. and Mrs. Dalton Gore, and attended the funeral of Olen Coffman at the First United Methodist Church Saturday morning.

Mrs. Carl Coulston, accompanied by her brother, Lyndal Hughes of Euless, visited their sister, Mrs. Winnie Grace Turner Wednesday and Thursday in Olton, and her husband, Buster, who is in the nursing home in Hale Center.

Weekend visitors in the Jerrell Trainham home were Mrs. Georgia Forkner of Amarillo and the Bobby Laird family. Also visiting in the Trainham home were Mr. and Mrs. Ray Trainham and son of Ulysses, Kan.

Mr. and Mrs. Kent Beck and family of Duncan, Okla. were visitors in the Harold Beck home and attended memorial services for her grandfather, Plenna Hardin, at the First Baptist Church in Seymour Friday.

Members of the Vera Baptist Church honored their pastor, Rev. Delmer McBeath, with a surprise luncheon on his 62nd birthday Sunday at the church.

Mr. and Mrs. Cecil Ingle of Crockett spent Sunday with friends

in the Vera community. The couple was enroute to Brownfield for a visit with a daughter. Cecil was a member of the Funderburk family who lived in the Vera community from around 1927 to 1937. The family lived in the old Milton Ford house west of Vera and Mr. Funderburk farmed some of the W.H. Bratcher land, was the Vera blacksmith and ran an ice house. Cecil was a son of Mrs. Maude Funderburk and had four brothers, twins Clyde and Clarence, Durward and Spurgeon. Virgil Funderburk had eight children, Newt, Hailey, Claud, Norman, Lizzie, Evie, Emma and Irma. Dalton Gore and George McKinney were helpful in recalling this information.

The Jim Berrier family of Lubbock spent the weekend with Vicki's parents, Mr. and Mrs. Carl Coulston.

Sammy King of Dallas has been visiting with his grandparents, Mr. and Mrs. George McKinney.

The Dan Boones of Jacksboro were visitors in the Clifford Boone home.

Graveside Services Held Here Saturday

Woody Royce Screws, 68, a former Munday resident, died Tuesday, May 10, in Albuquerque, New Mexico. Graveside services were at 11 a.m. Saturday, May 14, at Johnson Memorial Cemetery in Munday with Ray Hunter, minister of the Munday Church of Christ, officiating. Arrangements were under the direction of McCauley-Smith Funeral Home.

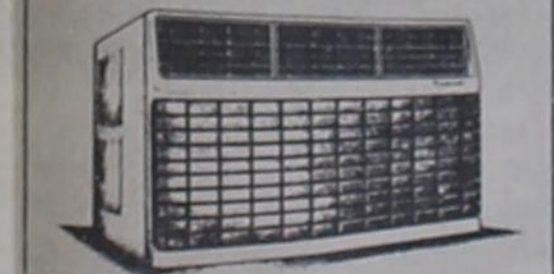

He was born January 10, 1920, in Haskell and was a longtime resident of Williamsburg, New Mexico. He was an oil well driller.

Survivors include his wife, Dolly; two sisters, Alta Lusk of Haskell and Mildred Mapes of Euless; and two brothers, Delbert of Waco and Garland of St. Vrain, New Mexico.

Drop a thimble over the center tube in a percolator coffee pot before adding ground coffee; that way grounds won't fall in the water.

Tumblers Entered In World Contest

Two Munday Gymdandeez tumblers will compete with the USA team this month at the world power tumbling meet in Lubbock.

Lorin Clem, daughter of Mr. and Mrs. Daron Parker, and Heather Brown, daughter of Mr. and Mrs. Gene Brown, advanced to the world meet by placing in the top three of their age group at the state qualifying meet. They will compete against 245 girls in the age 10 and under division.

The meet is being held this weekend and finals are set for May

21 and 22. Twenty-nine countries have been invited to the world meet, which is staged every two years. The 1986 competition was held in Paris, France. Lubbock won the bid this year and the 1990 contest will be in Germany.

To qualify for the world meet, the girls have put in many hours of practice in the gym in regular classes and on their own time as well. The Munday Elementary School gym has been provided as a practice site for the young gymnasts.

WINNING AWARDS at the annual All-Sports banquet held Monday night at the high school gym were three seniors and a sophomore. From left are Anthony Stinnett, Best All-Around Boy Athlete; Mindy Myers, Best All-Around Girl Athlete; Esther Escamilla, winner of the Sammie Rayburn Bowman Memorial award; and Ernest Escamilla, winner of the Fighting Heart award.

Athletes Showcased At School Sports Banquet

A year of champions was capped at the annual All-Sports banquet held Monday night at the high school gym. A table laden with trophies won by band and athletic teams this year was a focal point of the room.

Themed "Another Colorful Year" the banquet's decorations featured every color of the rainbow. Posters and inflated plastic "crayons" carried out the theme, and table streamers and placemats were in various colors. Small flowerpots holding tissue flowers stood on the tables. A meal of chicken fried steak, baked potatoes, salad and cobbler was prepared by Mrs. Bobbie Kegley and other members of the cafeteria staff.

Rev. Russ Byard, pastor of the First United Methodist Church, gave the invocation, and Munday school superintendent Doyle Lowrance welcomed the audience. The first groups to come in for recognition were the organizations which support athletic events, including the Purple Cloud band and the cheerleading squads. Band director Rodney Bennett handled the introduction of the band and cheerleader and pep squad sponsor Gina Farmer had words of praise for those girls.

Honored during the banquet were all the students who have participated in athletics during the 1987-88 school year. The teams were introduced by their respective coaches. Athletic director Jim Edwards presented the football team, while girls' coach Gina Farmer introduced the Mogulette basketball, track and cross-country squads. Ralph Klinkerman recognized the Mogul basketball team and the tennis squads, and Mark Dobson presented the golf teams.

As always, the highlight of the banquet was the announcement of special awards for special athletes.

The best all-around athlete honors surprised no one, going to senior Anthony Stinnett and sophomore Mindy Myers.

Stinnett, son of Ida Jo Stinnett, led the Moguls to the state football semi-finals and was named the most valuable player in Class A. He was an All-District basketball choice and won two individual medals at the state track meet while running on two relay races as the Moguls won their second state track title.

Mindy, daughter of Billie Jake and Dot Myers, won two gold medals and a silver as well as running on a winning relay team when the Mogulettes won their state track championship. She was named to the All-State cross country team and was the most valuable player in Munday's basketball district.

Esther Escamilla, daughter of Mr. and Mrs. Sylvio Escamilla, won the Sammie Rayburn Bowman memorial award, given to a Mogulette who has exhibited an abundance of team spirit and effort. Esther participated in Mogulette basketball and track. Her twin, Ernest, was awarded the Fighting Heart recognition for his performance in football, basketball and track. Ernest and Esther are senior students.

MHS principal Bill Kingston worded the benediction to close the banquet.

City of Munday

Carriker Is Choice Of Demo Chairman

County Democratic chairmen from the 30th Senatorial District chose Rep. Steve Carriker of Roby as a party nominee to succeed Ray Farabee in the state Senate. The district's executive committee met May 14 at the home of Democratic state committeeman Calvin Gambill in Seymour.

Carriker received votes from the county chairs of Floyd, Cottle, Dickens, King, Knox, Clay, Cooke, Grayson, Kent, Stonewall, Haskell, Throckmorton, Young, Scurry, Fisher, Jones, Mitchell and northern Denton counties. Chairmen of Motley, Childress, Hardeman, Foard, Wilbarger, Baylor, Archer, Montague, Jack, Shackelford and Callahan counties cast their votes for Rep. Charles Finnell of Holliday, and Helen Farabee of Wichita Falls received the vote from Wichita County.

After the initial rollcall, Carriker was named by acclamation of the county chairmen. Finnell and Mrs. Farabee then joined Carriker in a show of party unity. The three candidates will face each other in a special election on August 13, and the winner will finish Farabee's current term of office, which ends December 31. The lone Republican candidate, Bobby Albert of Wichita Falls, will, if he wins the August election, face Carriker on the November general election ballot. Filing period for the August election extends until July 13.

Knox County was represented at the meeting by Democratic chairman David Counts of Knox City, who had said earlier that a great majority of the county's residents he contacted were in favor of Carriker's receiving the nomination. Although many felt the general public should have been allowed to vote for the general election nominee, Counts said the county chairmen polled their constituents to get an accurate picture of what Democratic voters wanted.

VRJC To Offer Summer Classes

Vernon Regional Junior College will offer semester hour college transfer courses at the Seymour Extension Center this summer. These courses are available to anyone who wishes to acquire knowledge for personal enrichment or to begin a program of study leading to a college degree.

Registration for the first summer term will begin at 5:30 p.m. Thursday, June 2, at Seymour High School. Registration for the second summer term will take place on July 14, also at 5:30 p.m.

To be offered in the first summer semester is college algebra. The class will meet from 6 to 9:45 p.m. each Tuesday and Thursday night at Seymour High School and is good for three semester hours.

Three semester hours of composition and grammar will be taught in the second summer session. Hours, nights and location will be the same as in the first semester.

The courses may be taken by high school students who have completed their junior year if they can submit written approval from the public school administration. At least 15 students must enroll in each class before it can be offered.

For additional information, call Beth Arnold at 888-5392 in Seymour.

GLENDIA (COLE) ANDERSON of Wichita Falls was among 27 students who received associate of science degrees in nursing at commencement exercises held May 14 at Midwestern State University. Mrs. Anderson, who attended Goree High School, took her nurses' training at Bethania Hospital. Attending the commencement exercises were her father, John Cole, and Mr. and Mrs. Archie Struck of Goree and Mrs. Earlene Meinzer of Benjamin.

AMONG THOSE HONORED at the Knox County American Heart Association chapter meeting last week were the officers and directors pictured above. Shown from left are Wendell Partridge, the 1987-88 president who will serve in that capacity next year also; Peggy Guinn, president-elect; Mrs. Grace Welch of Knox City, who was recognized for serving 25 years as a member of the county Heart Association chapter; Nancy Whittemore, secretary; Dawn Flavin of Wichita Falls, regional director; and Winters Matthews, treasurer.

VOLUNTEERS RECOGNIZED

Successful Heart Association Year Ends With Salad Supper

Certificates of appreciation and new officers and board members were the main topic of conversation at the final 1987-88 meeting of the Knox County American Heart Association chapter, held May 10 at the Munday Community Center. A salad supper was followed by the business meeting, presided over by Wendell Partridge, chapter president.

Attending the meeting were Partridge and his wife, Leona, Winters and Hank Matthews, Nancy Whittemore, Ernestine Dickerson and Alice Reneau, Munday; Florence Miller, Gilliland; Bea Parks and Virginia Griffith, Benjamin; Ruth McElroy, June Tankersley, Peggy Guinn, Grace Welch, Barbara Carnes, Peggy Hughey and Jan Watson, Knox City; Clyde and Aleitha Beck, Vera; and Dawn Flavin of Wichita Falls, regional director.

Minutes of the last meeting were read and approved. The treasurer's report given by Winters Matthews included a contribution total of \$7,851.30. This figure is broken down as follows: memorials, \$1,080; board solicitations, \$85; Munday Turkeywalk, \$747; Knox City Turkeywalk, \$883; special gifts, \$10;

house-to-house campaigns in Gilliland, \$185; in Rhineland, \$65; in Benjamin, \$328; Goree Jump Rope for Heart program, \$600.21; Munday jump rope project, \$1,808.52; Knox City business drive, \$1,162; Munday business drive, \$897.

It was noted that Knox County is second in the 16 counties in this region in fundraising. The regional director commended the directors for their efforts toward this goal and Partridge expressed his feelings that Knox County residents are quick to give generously to any worthy cause, whether it be for disease research, to help local needy persons or to assist youths in achieving success.

Partridge received a president's plaque in appreciation for his work during the 1987-88 year. Certificates of appreciation were presented to several persons who have assisted the chapter in various ways. Grace Welch of Knox City has logged her 25th year of membership in the American Heart Association. Others earning certificates were Mark Dobson of Munday and Greta Waldrip of Goree for coordinating the jump rope projects in their res-

pective schools; to Peggy McGaughey, June Tankersley, Jane Rowan and Margie Clonts of Knox City; Nancy Whittemore, Winters Matthews, Ray Hunter and Joyce Nix, Munday; Annette Welch, Rhineland; Florence Miller, Sybil Simmons and Loys Welch, Gilliland; and Bea Parks and Jessie Roberts, Benjamin.

A proposed slate of officers was read by Ernestine Dickerson, a member of the nominating committee. New officers, who were elected by acclamation, include Wendell Partridge, president; Peggy Guinn, president-elect; Winters Matthews, treasurer; Nancy Whittemore, secretary.

Also named by acclamation as new board members were, Aleitha Beck, Barbara Carnes, Peggy Hughey and Jan Watson. Ralph and Frances Cypert were suggested as possible new members, and Mrs. Miller reported that Loys Welch requested that her name be removed from the list of directors.

Flavin elaborated on the standards of certification for the new board members. Wendell Partridge was nominated as Knox County's delegate for the affiliate annual meeting, and the regional director encouraged members to attend the regional workshop in Wichita Falls on June 16. The president extended appreciation to Flavin for her enthusiasm and encouragement of heart association directors.

The volunteer leadership conference will be held in August, and meetings for the 1988-89 year will begin in September.

RESIDENTS OF THE MUNDAY Nursing Center participated in a balloon release in observance of National Nursing Home Week. Each balloon contained a resident's name, and hopefully, whoever finds the balloons will respond. The residents also enjoyed a cookout, with Freddie Caram and Kenneth Hendrix grilling hamburgers outdoors and giving the senior citizens a rare treat. Shown releasing their balloons are, from left, Myrtle Tomlinson, Grace Moorman, Susie Trammell, Tommie Polson, Linnie West, Edith Runnels and Beulah Hosea.

JANE'S NEWS NOTES

Jane Rowan

County Extension Agent - Home Economics

BACK CARE

It may surprise you to learn that you can hurt your back even when you're sound asleep, since certain lying down positions put stress on your lower back.

As with sitting, standing and all other waking activities, it's important to avoid swayback posture when sleeping or lying down. That's why sleeping face down on your stomach or sleeping on your back with your legs straight can be bad for your back. Both of these lying down postures tend to cause your lower back to curve into a swayback position.

There are two recommended sleeping postures. The preferred one is to sleep on your side, both arms in front, with your knees and hips bent so your body is in a partially curled up position. Some people are most comfortable in this position with a pillow between their knees. The pillow helps to prevent the top leg from dropping forward over the bottom leg which causes your back to twist.

Lying on your back is also an acceptable sleeping position if your legs and knees are slightly bent and raised. You can do this by putting one or two pillows under your knees. Raising the knees and legs helps flatten out the lower back and prevents swayback.

Your mattress should be firm. Sagging mattresses spell trouble because your back won't have proper support. If your mattress isn't firm you can put a board under it to help give your back proper support.

And use a pillow just large enough to fit the space between your head and the mattress, so that your head is in line with your spine, and not tilted either up or down.

SETTING DYES

There are a variety of "home remedies" for setting dyes in fabrics.

The two most popular methods recommend using salt water or vinegar. These methods probably have their origins in the old dying processes where salt was used in the dyeing procedures for cotton and linen, and vinegar was used during the dyeing of wool.

The University of Nebraska recently investigated a variety of these treatments. They concluded that none of the treatments were effective and that some actually increased the amount of color loss in the fabrics following laundering.

Contrary to the results of the University of Nebraska Study, here is a home remedy that claims to set dye in denim:

- 1 cup table salt
1 cup white apple cider vinegar

Place new fabric in machine and fill with hot water (as hot as possible), add salt and vinegar and run fabric through the normal washing cycle. You may want to add some fabric softener at the appropriate time. Dry the fabric as you normally would. Once you have set

your dye, never put the fabric back in hot water, launder it in cold.

Now if you're curious about the validity of the home remedies, try it for yourself!

BACK CARE:

ABDOMINAL EXERCISES
Doctors tell us that being overweight and out of shape play an important role in back pain. Being overweight contributes to back pain because carrying around extra pounds increases the mechanical load or stress on your lower back. So if you're overweight start a sensible diet and exercise program to take off those extra pounds. But, whatever your weight, it's important to get your body in better physical shape.

It's always best to check with your doctor before starting an exercise program and especially if you already have back problems. But experts generally agree that an exercise program to strengthen abdominal muscles can help prevent backaches.

A good way to strengthen abdominal muscles is to do exercises that are variations of the common sit-up. And all sit-ups, by the way, should be done with your knees bent, never with your legs straight.

One of the easiest versions is to lie on your back with your knees bent and simply suck in your stomach muscles as hard as you can. Hold this position briefly then relax and repeat. Be sure not to hold your breath, but to breath normally.

Another easy variation is, again lying on your back with your knees bent, to raise your head far enough to look at your feet.

A slightly more difficult version is called a curl up. Lying on your back with your knees bent, curl your head, neck and upper back up off the floor as far as you can. Then slowly uncurl your body back to the starting position. And again be sure not to hold your breath.

As with any exercise program, start gradually and advance at your own pace. And to see the best results, exercise every day. No matter what the sit-up version your knees should be bent, never straight. And be sure you aren't holding your breath.

NEW TYPE OF POLYESTER

The DuPont Company recently announced the development of a new type of Dacron polyester staple fiber that they say is 50% more breathable than cotton. Several major mills will be marketing this new fiber in blends with cotton under the new DuPont certified mark, "Light Spirit Blend."

The new blends are being targeted for sportswear. The new fabric allows moisture to wick out readily and dry more quickly. This is an advantage because it will give more comfort to the wearer, helping him/her to stay cool and dry.

The first macaroni factory in the U.S. was established in 1848.

Former Resident Is Buried May 12

Roberta Murphy Parks, 95, a former resident of Munday, died May 10 in a San Angelo nursing home. Graveside services were May 12 in San Angelo.

Born in Weatherford, she moved to Munday in 1906 with her family, which operated a variety store here for several years. She married Boone Clarke Parks in 1916, and he died in 1918. She taught in the Bomarton and Lake Creek schools in Baylor County and in Frona before moving to San Angelo in 1920, where she retired from teaching in 1956.

Survivors include a daughter, Florence Cooper of San Angelo; and two granddaughters.

Goree Navy Airman Serves In Pacific

Navy Airman John G. Gray, son of Joe D. and Marguerite H. Gray of Seymour, former Goree residents, recently returned from a six-month deployment to the western Pacific aboard the aircraft carrier USS Midway, homeported in Yokosuka, Japan.

During the deployment, Gray participated in exercise Team Spirit 88, an annual event designed to improve the defensive readiness of the U.S. and Republic of Korea forces. Additionally, the ship made brief port visits in Japan and the Republic of the Philippines.

Gray, a graduate of Goree High School, is the grandson of Mrs. Johnnie Gray of Munday and Mr. and Mrs. Felton Jackson of Goree.

Hypertension Accounts For Many Deaths

During May, National High Blood Pressure Month, the Texas Department of Health (TDH) warns that heart attacks and diseases of the heart are still the leading cause of death in Texas. In fact, heart disease accounts for more than one-third of all deaths in the state each year.

Ironically, one of the most deadly of cardiovascular diseases, high blood pressure, is one of the most preventable and controllable.

Dr. Clift Price, associate commissioner for personal health services, said, "A huge majority of the deaths our Vital Statistics Bureau records every year, particularly the heart disease deaths, are entirely preventable, if only the public will follow the simple, well-publicized advice the medical community has recommended for years."

Dr. Price said that anyone who smokes, is overweight, gets little or no exercise, eats too much salt, suffers much stress daily or uses birth control pills is at risk of having abnormally high blood pressure, also called hypertension.

He said, "Most people who develop hypertension can find out if they have the condition easily and painlessly. And after they know they have high blood pressure, they usually can control it, either by modifying their lifestyles or by using specialized medications."

High blood pressure is difficult to detect from how one feels physically. There are usually no warning signs, such as dizziness or nervousness. In fact, a person with high blood pressure may feel as if he or she is in excellent condition.

Dr. Price stressed that the only real means of determining whether someone has developed high blood pressure is regular health checkups, during which blood pressure is routinely measured.

"Meanwhile," Dr. Price said, "to decrease the risk of developing hypertension all most people have to do is stop smoking, lose weight, use less salt and get regular exercise.

"I know all this sounds almost too simple," Dr. Price added. "But the truth is that a large proportion of the nearly 40,000 Texans who died from cardiovascular disease last year could still be alive if they had heeded the advice we have emphasized for years."

TRUSCOTT-GILLILAND NEWS

By Mrs. Clara Brown

The weather has been edging into summer. With hot, 90 degree afternoons and high, dry winds, it has felt less like May than the late July part of summer. The tanks are going down and the grass is not going far past that first burst of green growth. Rain might help some of the late wheat but the early wheat is probably too far along to be helped. Wheat crop predictions are on the low side.

Paul Bullion entered the Vernon hospital Sunday following a heart attack.

Quite a few people came over from Crowell for Grandma's Sunday Dinner, despite this column's giving the wrong date last week. Next meal with Grandma will be June 12.

Lavita Burgess has reported finding a dog on the farm-to-market road between Gilliland and the Lubbock highway. She was heading north and the dog was heading south when she stopped to see about it. She says it is good natured and wants to get in the pickup every time the door opens so she thinks it is someone's family pet. She found it last Wednesday and there were no other vehicles in sight when she stopped. The dog weighs about 40-50 pounds and has coarse, black curly hair.

Lavita said their daughter, Barbara Zeissel of Munday, came over Saturday afternoon with her two daughters, Mindy and Miranda.

Visiting the Jack Browns Sunday afternoon were J.H. and DeAlva Gillespie of Crowell, Bob and Kyleen Gillespie of Quanah, Leslie and Mary Jane Thomas of Crowell, Henry Faske of Crowell and Jim, Cathy, Robert and Brenda Gillespie of Matador. First-grader Robert and "almost three" Brenda showed the grown-ups how to fish, though their Aunt Kyleen did catch the biggest one.

Kay and Emily Gray of Vernon visited Kay's parents, Newell and June Looney, on Sunday.

Jo Kay Hays and her daughters of

WINDOW BOXES OF BRIGHT blossoms and lots of greenery flourish at the home of E.B. and Orbyrie Littlefield at 1150 W. Dallas. The many shrubs and beds of lush ivy give this neat yard a springtime green effect and won it the Yard of the Week distinction.

Knox Historical Commission Plans Museum Fundraiser

The Knox County Historical Commission met recently at Benjamin to elect officers and hear reports. Kenneth Roberts of Benjamin was named vice-president; Kay Looney of Munday is secretary; and Doris Crowner of Knox City was voted treasurer. Clara Brown of Truscott remains in charge of the commission.

The goal of a Knox County museum will be promoted at the Knox County Vegetable Festival, when citizens of Munday and nearby communities coordinate several museum fundraising activities. A cake walk, a bingo game in air-conditioned surroundings, a cake decorating contest, an auction and a square dance exhibit are planned, and an exhibit describing historical commission goals will be part of the cake walk tent.

All cake bakers in the county are invited to contribute to the cake walk, which will be coordinated by Munday workers. It is hoped that the project will help put the museum fund over 20 or 25 percent of the way toward the first goal of \$50,000.

The historical preservation and museum committee, which consists of Kenneth Roberts, Douglas Myers and Bill Baker, was asked to continue looking into possibilities for acquiring a building for the museum. Historical commission chairman Clara Brown asked to

meet with the committee soon to discuss establishing sub-committees for archives, museum exhibits, etc.

Moulton Wiggins, cemetery survey chairman, gave a report on the progress of the survey. He said everyone who has discussed the survey with him has agreed with the importance of conducting it now. Several families are requesting worksheets to fill out on family members buried in Knox County. These are available from survey committee members in each community. Membership on this committee is open to anyone who wants to help in any way.

Mrs. Faye Railsback of Knox City was named to the historical commission advisory committee and was voted grants chairman for the commission. The Texas Historical Commission has scheduled a grant workshop at Sweetwater in June, and Mrs. Railsback will try to attend.

Most people think of only the aluminum can when they consider recycling. There are, however, hundreds of aluminum products, including pudding and meat containers, TV dinner trays, lawn chairs, automobile parts, siding gutters and downspouts, venetian blinds - anything made of aluminum - which can be sold for recycling.

You Can't Be Recycled

MOGULETTE STATE CHAMPIONSHIP TEAM and alternates: from left, Coach Gina Farmer, Denise Kuehler, April Offutt, Mindy Myers, Jae-Jae Reneau, Eva Campos, Angie Offutt, Alicia Cook, Kathy Wilde and Esther Escamilla.

THE MILE RELAY TEAM of Anthony Stinnett, Terry Collier, Trey Thompson and Perry Collier broke the state record with a time of 3 minutes, 18 seconds and vaulted the Moguls to the state championship.

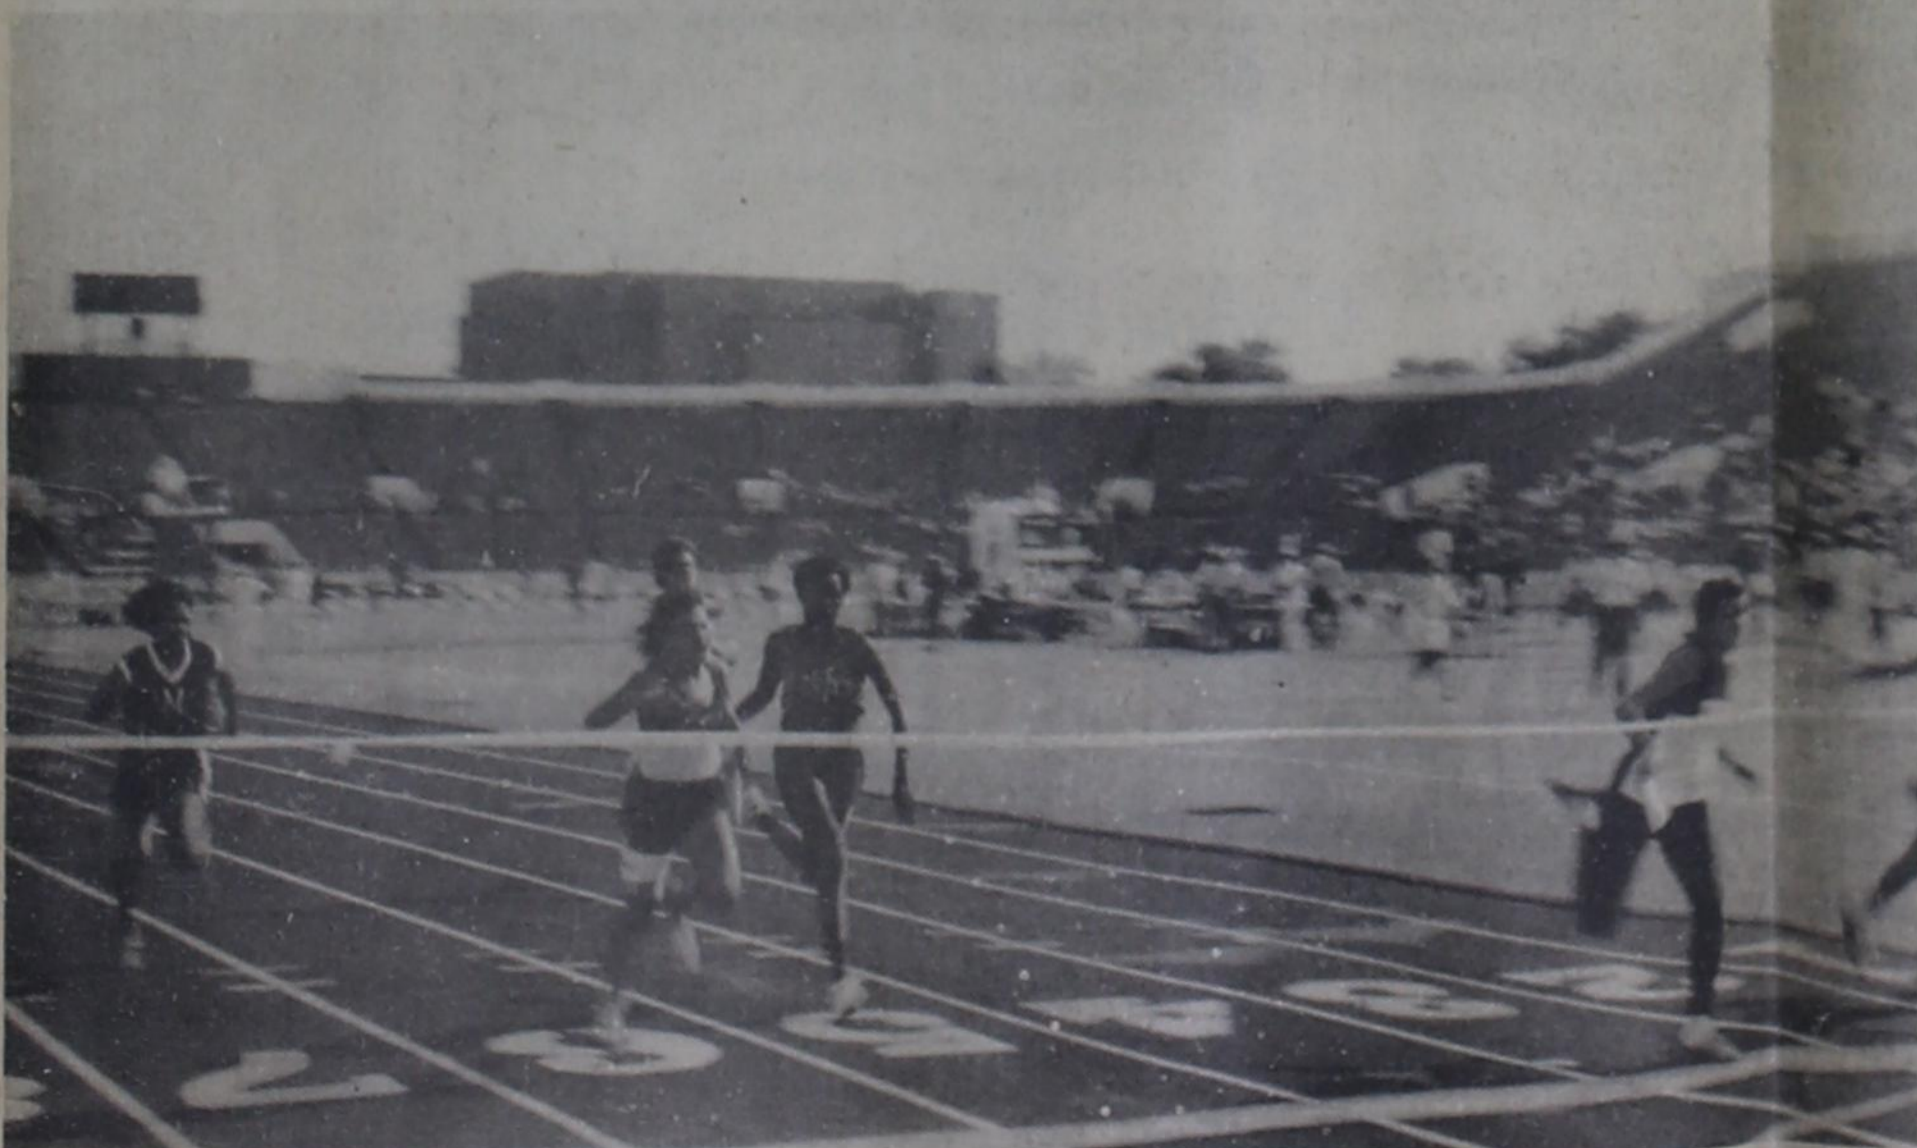

THREE MEDAL WINNER Mindy Myers breaks the tape to win at the state meet. She brought home gold medals in the 800 and 1600 meter runs and a silver in the high jump.

MOGUL STATE CHAMPIONSHIP TEAM and alternates: from left, Coach Jim Edwards, Perry Collier, Marc Andrade, Trey Thompson, Lowell Hutchens, Chad Bordovsky, Anthony Stinnett and Terry Collier.

MEMBERS OF THE MOGULETTE mile relay team are, from left, Mindy Myers, April Offutt, Alicia Cook and Angie Offutt. They ran a 4:01 for the gold medal in that event.

MOGULETTE MINDY MYERS gave a great effort to finish first in the mile relay to give her team the gold medal and the team championship. She was passed earlier in the lap but gutted it out to regain the lead.

THE 800 METER RELAY team finished third with a time of 1:46.9. Clockwise from left are Kathy Wilde, Angie Offutt, Eva Campos and Alicia Cook.

Band Dignitaries Selected At School

Munday band director Rodney Bennett has announced the recent selection of band personnel for the 1988-89 school year.

Repeating her duties as drum major will be Angie Partridge, daughter of Mr. and Mrs. Wendell Partridge. Angie will be a senior next year. This year's assistant drum major, sophomore Ann Parker, will also hold the same position when school resumes in the fall. She is the daughter of Mr. and Mrs. Doug Parker.

Varsity twirlers will be junior Alicia Cook and sophomore Angie Offutt, daughters of the Johnnie Cooks and the Dan Offutts. Tonya Kuehler and Misty Zeissel will serve as junior varsity twirlers. Both will be freshmen next year and are the daughters of Mr. and Mrs. David McGaughey and Greg Kuehler and the Wayne Zeissels.

Returning to captain the flag corps during her senior year will be Debbie Cypert, daughter of Nancy Cypert and Melvin Cypert. Other members of the flag corps will be senior Holly Jackson, juniors Shawna Simpson, Lisa Steedley, Neomi Hernandez, Amy Hosea and Jenni Bowman and sophomore Christy Williams. Parents of these girls are the Mickey Jacksons, Janice Merrell, Sherry Reynolds, Mr. and Mrs. Pedro Hernandez, the Robert Hoseas, Don Bowmans and Mr. and Mrs. Bill Williams.

Twirling for the junior high band will be Kammi Haynie, Brandi Crawford, Mandi Moore and Melissa Berryhill. Parents of eighth graders Kammi and Brandi are Nancy Tolleson and Don Haynie and the Gary Crawfords; while seventh graders Mandi and Melissa are the daughters of the Ray Moores and the Buford Berryhills.

Correction

We goofed again! Salwa Choucair was not valedictorian of the 1986 graduating class at Munday High School, as stated in an article last week. Kelly Wren held that honor, and Salwa was salutatorian. We apologize to all concerned.

SOUTHWESTERN OKLAHOMA State University students will begin doing their pharmacy practice courses, a series of three rotations in selected pharmacy sites across the state of Oklahoma, during the 1988 fall semester. The students are fifth-year pupils who are completing requirements for graduation or lack one semester of course work. They will work under the close supervision of registered pharmacists at the respective sites. At far right in the top row is Sheryll Elliott, daughter of Robert and Leona Elliott, who will be working in Tulsa, Sand Springs and Claremore. She is a graduate of Munday High School.

1988-90 Beta Chi Officers Installed

The Beta Chi chapter of Delta Kappa Gamma Society International met May 14 in the fellowship hall of the First United Methodist Church in Aspermont for their final spring meeting. Old Glory and Aspermont members were hostesses for a salad luncheon.

President Christi Stapleton called the meeting to order. Minutes of the April 17 meeting were read by Mary Martin, who substituted for secretary Shirley Sloan. To close the business session, Mrs. Stapleton thanked the officers and committee members who have served during the biennium. Lillian Logan, acting for Maribeth Williams, presented the 1988 Beta Chi Woman of the Year achievement award, a red rose, to Mrs. Stapleton.

Marie Ward, research chairperson, presented a paper and com-

ments concerning the proper way to wear the Delta Kappa Gamma key. For the Founder's Day observance, Mrs. Ward listed the names and gave a brief statement about each of the 12 international founders. To new members, she introduced two volumes on the society's history, and she concluded by reminding those assembled of their rich heritage as woman educators.

Linda Edrington, ceremonial chairman, conducted the installation of officers for 1988-90. Each outgoing officer or her substitute read a brief biographical sketch of the incoming officer and then presented her a lighted red candle. New officers are Jackye Leonard, Rule, president; Willie Dippel, Old Glory, first vice-president; Jo Cox, Haskell, second vice-president; Adrian Brothers, Knox

City, recording secretary; and Alice Jones, Rule, corresponding secretary. Margaret Chafin remains treasurer.

To show their unity, the new officers lighted a single white taper together, and the ceremony was concluded with the singing of the Delta Kappa Gamma song with Ellen Rieger accompanying.

Thirty-one members from Hamlin, Rochester, Munday, Knox City, Sagerton, Old Glory, Rule and Haskell were present.

The next Beta Chi meeting will be October 4 at the First Baptist Church in Haskell, when Rep. Rick Perry of Haskell will present updates on legislation for education.

Hardin Rites Held Friday In Seymour

Plenna A. Hardin, 76, a longtime Knox County resident, died Wednesday, May 11, in a Wichita Falls hospital. Funeral services were at 4 p.m. Friday, May 13, at the First United Methodist Church in Seymour with Rev. Eddie Allsup, pastor, officiating. Burial was in the Vera Cemetery under the direction of Archer Funeral Home of Seymour.

He was born June 30, 1911, in Baylor County and resided in the Vera area for many years, moving from Vera to Seymour in 1973. A retired farmer and a member of the First United Methodist Church, he married Leola Dunn January 13, 1973, in Seymour.

Survivors include his wife; three sons, Clete and Bobby, both of Seymour, and Ron of Wichita Falls; four sisters, Nina Ritchie of Idalou, Donnie Bell Crouch of Seymour, Imogene Polzin of Montana and Joice Fisher of Hurst; four brothers, Grady of Seymour, Emory of Fort Worth, Bill of Corpus Christi and Calvin of Phoenix, Ariz.; 11 grandchildren and nine great-grandchildren.

The Lord's Corner

by Dr. Pete Bradfield, pastor
First Baptist Church

THE PERFECT PASTOR

Results from a computerized survey indicate that the perfect pastor preaches exactly 15 minutes. He condemns sin but never embarrasses anyone. He works from 8 a.m. until midnight every day.

He makes \$60 a week, wears good clothes, drives a new car and gives \$50 a week to the poor. He is 28 years old, has been preaching for 25 years, is wonderfully gentle and handsome, loves to work with teenagers and spends countless hours with senior citizens. He makes 15 calls daily on parish families, shut-ins and hospital patients and is always in his office when needed.

If your pastor does not measure up, simply send this letter to six other parishes that are tired of their pastor. Then bundle up your pastor and send him to the church at the top of the list. In one week you will receive 1,643 pastors. One of them should be perfect.

See you next week, and remember: you're not ready to live until you're ready to die.

MUNDAY CHAMBER OF COMMERCE AND AGRICULTURE

The 1988-89 year began in March for the Munday Chamber of Commerce and Agriculture. One committee which is the lifeblood of the chamber is the membership committee. During the next year these dedicated volunteers will be approaching non-members to join the chamber. The chamber has a place for everyone in making our city better.

If you want things changed, kept the same, or whatever - your chances of getting something done are stronger if you are more than one voice. What one individual cannot accomplish can be done in a group. Let your chamber help you.

Members -- support this committee by sending them prospective members. Help spread the word about your chamber and what we are trying to do!

How Does My Chamber of Commerce Work For Me and My Business?

FOR THE RETAILER...

Works for industrial and business development which brings with it new residents with new money to spend in the stores.

Maintains a continuous program for inviting convention delegates. National surveys reveal that 20 percent of the convention dollar is spent in retail stores.

Cooperates with retail organizations and associations on retail promotions.

FOR THE SERVICE ESTABLISHMENT...

Works for an ever-increasing population, assuring additional customers and income.

Works toward the increasing development of highways, recreational areas, new industries and the expansion of existing industries, all of which increase demand for the service organization.

FOR THE MANUFACTURER AND WHOLESALE...

Works for the best shipping services at the lowest possible cost, furnishes advice on all freight transportation matters.

Compiles various statistical information on trade territory population, purchasing power and market strength.

FOR THE CONSTRUCTION, REAL ESTATE, INVESTMENT AND INSURANCE FIRM...

Provides an ever-expanding market for construction, real estate and insurance dealers through its program of attracting new industry, new residents, promoting business and working for new highways and streets.

Encourages expansion programs and modernization for established firms.

Actively works for fire prevention.

FOR THE PROFESSIONAL...

Works continuously for growth of the city, business expansion and population increase to assure the professional a prosperous place in which to make a living.

Seeks better transportation services to make the city more accessible and convenient.

Conducts an over-all program which is keyed to improve the economic income of the professional's patients and clients for maximum benefit.

FOR THE FARMER, RANCHER...

Encourages and promotes sound agricultural programs and practices with major attention to soil conservation and livestock programs.

Frequently coordinates planning of agricultural agencies and sponsors joint efforts in the improvement of techniques for more income from farm and ranch.

FOR THE HOTEL, MOTEL, RESTAURANT OPERATOR...

Works to attract and service conventions, trade shows, conferences and sales meetings which bring new money into the economy. National surveys indicate that more than 40 percent of the convention dollar is spent in hotels, motels and restaurants.

Works to expand the tourist business.

Brings in sports and amusement attractions with large crowds.

FOR THE HOME AND AND PROPERTY OWNER...

Conducts an intensive city beautification program with cleanliness, street lighting and other projects aimed at making your city a better place in which to live.

Cooperates with church, cultural and entertainment groups to provide a more interesting and meaningful life for residents and visitors.

Cooperates with educational facilities to insure a quality educational system.

WHY SHOULD I BE A MEMBER OF MY CHAMBER OF COMMERCE?

Because the Chamber of Commerce unifies the public spirit of my community and directs it into useful and constructive channels.

Because I have a business stake in this community which can best be safeguarded by working with others through the Chamber of Commerce to protect and advance all business.

Because my support is "plowed back" to yield manifold benefits in new industry, increased payrolls, health, safety, legislation, business protection and community advancement.

Because the Chamber of Commerce cannot carry out its broad program of work to protect and advance business without personal service and adequate financial support.

Because through the Chamber of Commerce I can best dis-

charge my obligations to this community in which I live and earn my living. I realize that every person owes a debt to the community that cannot be paid in taxes -- a debt of personal service.

Because active membership in my Chamber of Commerce carries with it a sense of accomplishment and inner satisfaction from the knowledge that I am doing my share in an important job.

Although everyone in the community benefits from the work of the Chamber of Commerce I can accept those benefits with a sense of pride ONLY if I have had a part in bringing them about.

Build your business by building your community —
BE A MEMBER OF YOUR
CHAMBER OF COMMERCE

YOUR CHAMBER OF COMMERCE

● **WHAT IT IS** Your Chamber of Commerce is a voluntary organization of citizens who are investing their time and money in a community development program - working together to improve the economic, civic and cultural well-being of the area.

Any citizen who is interested in helping to develop the area (which means more money, more business, more jobs and better living for everyone) is eligible to be a member of the Chamber of Commerce. The dues structure is designed to permit even the smallest business to be a member.

The work of the Chamber is financed by the investment of the members who support it on the basis of their ability to pay and their interest in the progress of the area.

The Chamber of Commerce is composed of Committee workers, Directors, and Officers who serve without pay. A Chamber executive and staff who devote their full time to the Chamber of Commerce are the only paid employees.

● **WHAT IT DOES** The Chamber of Commerce is a service institution and an action organization. It provides a medium through which people can take effective action for the progress of the community.

It helps to create job opportunities through stimulation of industrial and commercial growth.

It seeks the improvement of community facilities - streets, highways, parks, schools, marketing facilities and human resources.

It brings conventions, sales meetings, and other gatherings to the city.

It works toward developing the agriculture and agricultural industry of the area.

In all these functions the Chamber of Commerce is serving as a department - a partner - of every business and every professional person in the area.

● **HOW IT FUNCTIONS** The Chamber of Commerce functions through working committees of the organization. Money, planning, inspiration and guidance are useless unless the members work vigorously on the committees of their choice.

Careful study is made of the community needs and an action blueprint, the program of work, is designed.

The goal of the program is always to create more dollars for more people and to improve the economic welfare of the community.

Every member has a voice in determining the policies and projects and every member is needed to work on active committees to get the job done.

HOSPITAL NOTES

Mrs. Dewitt Green and Mr. Hallie Campbell were in Graham last Tuesday for Mrs. Campbell's medical checkup.

VISITORS

Mr. and Mrs. Greg Melton and Taylor of Haskell and Mr. and Mrs. Elkin Warren were dinner guests in the Taylor Allen home on Sunday.

Mrs. Joe Birkenfeld and Mr. and Mrs. Frances Birkenfeld of Rhineland visited Caroline Loran in Panhandle last week.

Jerry Bradley of Arlington spent the weekend with his parents, Mr. and Mrs. Lloyd Bradley, and his aunt, Mrs. Ola Mae Lewis. They all made a business trip to Monahans on Saturday.

Visiting Mr. and Mrs. Riley Bell last Tuesday afternoon were her brother and wife, Mr. and Mrs. Eldon McKinny of Seymour.

Royce Don Mitchell of Wichita Falls visited his grandmother, Mrs. Mable Jacobs and Jeanette, on Saturday.

Mrs. Sharon Fox of Lubbock and her daughter, Mrs. Jerry Powell, Katy and Hunter, of Arlington visited her parents, Mr. and Mrs. George Hunt, last week.

Mrs. Claudia Harrell of Munday visited her sister, Mr. and Mrs. Jim Cooke, Sunday afternoon.

Mr. and Mrs. Jack Steward and their daughter and family, Mr. and Mrs. Buddy Cypert, Cody, Jacy and Kristin, of Graham attended graduation exercises Saturday for their son, James Steward, who graduated from North Texas State University at Denton.

Mr. and Mrs. Bobby Crane of Tuscola visited her mother, Mrs.

Genevieve Tyler, and her sister, Mr. and Mrs. Wallace Roberts, on Sunday.

Mrs. Hazel Cypert of Munday visited Mrs. Virginia Land last Thursday.

Mrs. Amy Hammons of Seymour visited Mrs. Ruth Hammons and Mrs. Estelle Rinehart on Friday. Mrs. Betty Spann of Iowa Park has also been visiting in their home. Mrs. Spann also visited her brother and wife, Mr. and Mrs. Louis Hutchens.

Mrs. Felton Jackson visited her brother and wife, Mr. and Mrs. Edwin Reeves, in Weinert Sunday afternoon.

Mr. and Mrs. Dewitt Green and Mrs. Hallie Campbell visited Mr. and Mrs. Charles Horry and Steven in Wichita Falls last Monday.

Matt Atkinson of Haskell spent the weekend with his grandparents, Mr. and Mrs. Charles Atkinson.

Mr. and Mrs. Taylor Allen visited their son and wife, Mr. and Mrs. Keven Allen, in Abilene Friday and Saturday.

Visiting Mr. and Mrs. Bill Orsak last Monday was Harold Decker of Amarillo.

Mr. and Mrs. Brad Hosea, Amber and Andrea, of Wichita Falls spent the weekend with his parents.

Mrs. Goldie Brown, accompanied by her son, Jerry Brown of San Angelo, attended graduation exercises at Midwestern University Saturday evening. Mrs. Brown's nephew, Ray Lynn Parham, graduated with a bachelor's degree.

Visiting in the Felton Jackson home during the Mother's Day weekend were Mr. and Mrs. Joe Bob Gray, Cami and Crysta, of Stephenville, Mr. and Mrs. Forrest Kinney and Brandon of Dallas and Mrs. Marqueritte Gray and Angie of Seymour. Also visiting in their home last Monday were Rev. Danny Jackson and J.J. and Cecil Forester and son, Bill, all of Lubbock.

Mrs. Winnie Lambeth accompanied Mrs. Mary Bowman of Munday home from Midland Sunday afternoon after visiting relatives for several days. Mrs. Lambeth visited Mr. and Mrs. Bobby Lambeth, Mr. and Mrs. David Brand, Suzanne and Rodney, and Mrs. Susan Neeley, Holley and Hillari, while in Midland. She also visited Mr. and Mrs. Scott Wells and Christopher in Andrews.

Mr. and Mrs. Joe Bob Gray and daughters, Cami and Crysta, of Stephenville and Mr. and Mrs. Terry Gray and Kayla of Rhineland visited Mr. and Mrs. Felton Jackson during the weekend.

Mr. and Mrs. Archie Struck and John Cole of Goree and Mrs. Earlene Meiner of Benjamin attended graduation exercises at Midwestern University Saturday evening. Mr. Cole's daughter, Mrs. Glenda Anderson of Wichita Falls, received her associate of science degree in nursing at the commencement exercises.

THIS 67-POUND YELLOW-CAT was taken from a trotline at Miller Creek Saturday by Billy Harris, Rocky Myers and Sam Tyra, shown from left. The fish measured 52 inches in length, with a span of 6 1/4 inches between the eyes. Tyra said the catch was weighed on a pair of 160-pound cotton scales, and he won't verify their accuracy, but regardless of the exact weight, the fish is a whopper!

Letter To The Editor

The American Cancer Society collected \$2,452.14 for Munday's 1988 Cancer Drive.

The workers were Carol Cottingham, Wanda McAfee, Frances Cypert, Joye Baker, Elvis Phillips, Carmen Munoz, Barbara Zeissel, Joyce Walling, Donna Cypert, Beverly McGaughey, Jean Reneau, Tommie Crawford, Pat Smith, Arleda Decker, Pam Reed;

Also, Dorothy Patterson, Shirley Smith, Arie Tidwell, Rennie Patterson, Maxine Wilde, Margie Hollar, Louise Fruehwirth, Jan Williams, Janice Dutton, Pansy

Koenig, Ruby Meers, Maurice Willis, Jeannie Wren, Ruth Horton, Nolan Phillips, Dolores Lambeth, Almeda Blair, Jeanne Haynie, Ernestine Dickerson;

Others were Shirley Angerer, Marie Caram, Allene Brown, Margie Key, Ray Hunter, Marie Smith, Kelly Myers, Beverly Crowl-over, Liz Valencia, Melissa Josselet, Stella Caram, Konnie Kuehler, Kay Looney, Donna Miser and Sue Bryan.

The American Cancer Society wants to thank these people for their time and hard work for making this another good year.

Thank you,
Shirley Amerson

CARD OF THANKS

After 82 years in Munday, I am moving to California to be near my daughters. I can't imagine ever being happier in another town or finding any nicer people than those in Munday, but I know there are some wonderful experiences waiting for me in the Golden State.

To my many friends in Munday, I extend my gratitude for your companionship, support and thoughtfulness and for all the times you helped me and my family. Your love has always made any difficulties easier to bear, and I know our friendship won't end even when I am miles away.

This is my open invitation to anyone who is in our area to stop by for a visit - I'm going to miss everyone and I know I'll be glad to see some familiar faces.

Munday and its residents will remain in my prayers.

Love to you all,
Johnnie McAfee

★ FARM AND RANCH REPORT ★

by Donnie Peters

CONTROL WEEDS EARLY

Lawns are a very important part of the landscape of a home, and the lawn without weeds is even prettier.

Bertha Driver of Benjamin and I were discussing her lawn last week. Bertha had been having problems with goat heads in her lawn and wanted to know how to control them. I recommended a product called Wipeout. This product is labeled for many broadleaf weeds that include careless weeds, dandelions and others.

I went on to tell her about another product that can be sprayed on simultaneously which would control grassy weeds such as grass burrs and crab grass. That product is MSMA. This herbicide is labeled for bermuda grass lawns.

If you have a St. Augustine lawn a product called DSMA should be used to control grassy weeds.

A surfactant should also be added to the mix. This will loosen the tension of the water and assist you for better coverage. There are commercial surfactants available but household dish washing soap will work fine.

After this has been done you should have a lawn which will make your neighbors jealous and make you proud.

The information given herein is for education purposes only. Reference to a commercial product or

trade name with the understanding that no discrimination is intended and no endorsement by the Texas Agricultural Extension Service is implied.

Ranch Management Field Day Slated

A ranch management field day will be held on Tuesday, May 24, at the Memorial Building in Benjamin. Registration will begin at 10 a.m. and the program is set for 10:30 a.m.

Dr. Nelson Adams, beef cattle specialist for District 3, Rolling Plains, will discuss heifer selection. J.F. Cadenhead, range specialist for District 3, will address mesquite control methods. The afternoon session will include a tour to the Moorhouse Ranch and the O.L. Patterson, Jr., ranch. A noon meal will be furnished, compliments of Citizen's State Bank of Knox City and First National Bank of Munday.

Pre-registration is required by May 20, and interested persons should call the Knox County extension office at 454-2651.

The field day is sponsored by the Knox County Livestock and Range Committee. Members of the committee are Donnie Ryder, O.L. Patterson Jr., Greg Huber, Marvin Zeissel, Bob McWhorter, J.M. Emerson, John Reneau, Kenneth Baker, Randal Kinnibrugh and David Key.

Calendar

May 19 - Chamber of Commerce.
May 20 - Elementary awards assembly; junior-senior prom.
May 22 - Baccalaureate.
May 23 - Fire Department.
May 24 - Lions Club.

★ Weinert News ★

By Mrs. Myrtle Pheister

The weather news is no news! We remain dry and windy with cloudless skies! Some of the farmers are dry-planting their cotton, hoping to be ready for a rain if it comes. Others are baling hay.

Folks are going fishing, it seems, because the farm work is at a stand still. Without a miracle soon, there will be very little grain to harvest in our area.

Toby and Alice Yates with Gene and Dorothy Brown of Munday spent last week touring the Ozark Mountains in Arkansas, with stops in Eureka Springs and Branson, Missouri. They reported beautiful weather and lots of greenery.

Bob and Crystella Raynes spent a few days in Great Bend, Kansas, where they attended the annual gathering of the Raynes brothers and sisters. Lois and Harry Robertson with Mr. and Mrs. Jiggs Raynes and their families, hosted the reunion. Others who were in attendance from Texas included Christine and Buck Roberts and Lou Munzert of Seminole.

Alton and Mildred Sanders were in Abilene on Sunday for a surprise birthday party for their 11 year old granddaughter, Amanda Sanders of Merkel. The party was hosted by her parents, Jerry and Joyce Sanders, at Skateway of Abilene. Amanda's brother, Jeremy, had to make a trip to the hospital emergency room on Saturday night with his eyes but was able to attend the party.

Ed and Mary Murphy with Shanna and Lane were at Lake Brownwood to attend the annual family reunion of Ed's grandfather's family, Mr. and Mrs. Gordon Cross, his mother's parents. They did all the fun things that a lake weekend calls for, and arrived back home safely.

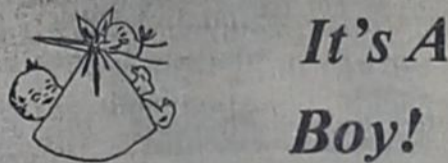

Sallie Sanders entertained five of her sons and daughters last week, and nine of the family members accompanied her to worship services at the Foursquare Gospel Church.

Those who came were Sue and Butch Cox of Daingerfield; Marie and B.D. Kirkland of Ft. Worth; Oman and Wilma Sanders of Coleman; Shorty and Dud Phelps of Haskell; and Jackie and Sandra Sanders with their newborn son of Cross Plains. Jackie's pre-maturely white hair will cause many to ask if the baby is a grandson! Congratulations, Jackie and Sandra!

Jerry and Doris Walker were in Archer City on Thursday night to attend a school play entitled "The Adventure of Tom Sawyer" in which their grandson, Justin Parrott, had a leading role. Justin and Rance, his brother, spent the weekend with the Walkers in Weinert.

Betty Raynes took her mother, Mrs. Williams, to Tulsa, Oklahoma to spend the weekend with Betty's sister there. Bobby Raynes and Robin and Renita Raynes were in Austin for the state track events.

Several from the First Baptist Church attended the 100th birthday party of the Baptist Women's Missionary Union hosted at the First Church in Rule on Tuesday night. Attending from Weinert were Mrs. Donnie Crump, Mrs. R.S. Sanders, Mrs. Bobby Raynes, Mrs. Erma Liles and Mrs. Margurite King.

It's A Boy!

Mr. and Mrs. Howard Voss are proud to announce the arrival of their second great-grandson, Shaun Matthew Morgan, who arrived Monday, May 16, 1988.

Scott and Suzanne Morgan of Mesquite are the proud parents of Shaun and his big brother, two-year-old Stephen.

Grandparents are Don and Sue Munson and Mr. and Mrs. Joe Morgan, all of Mesquite. His other set of great-grandparents, uncles and aunts are anxious to start spoiling him.

WATKINS PRODUCTS

Call 422-4622

Jo's Beauty Shop
Munday, Texas

Floyd and Helen Stout were at Possum Kingdom State Park last week and hosted his brother, Clarence and Annie Stout of Ft. Worth, to a weekend outing. Floyd and Helen belong to the Good Sams Club and are always involved in doing something nice for others.

Marvin and Myrtle Pheister have returned home from a week's stay in Round Rock, Austin and the Gainsville area. They visited their son, David and Peggy, with Greg and Marcus, in Round Rock, and a grandson, Bryan and Rose, with baby Jonathan, in Austin and also a nephew, David and Sylvia Sanders, Erin and Rebecca (son of David Sanders, Myrtle's brother).

They found everyone well and working before they left for Gainesville, where Marvin enjoyed a visit to his birthplace, "old stompin' ground", the burial places of his grandparents and other kin. He renewed acquaintances with school friends and relatives and attended the Decoration Day services at Mt. Hope Cemetery at Mountain Springs near Pilot Point. Many of those in attendance were the Pheister relatives, including the Carl Scoggins family; Archie Henry Aiken and her husband, Raymond; and the Noble Henry family, all former residents here.

Ted and Faye Jetton also attended the services, and later visited with Ted's sister, Vesta, in Gainesville.

We extend congratulations to Pete and Imo Brockett who will celebrate an anniversary this week. And also to our birthday people, a great big "Happy Birthday" to Mildred Guess, Woody Turnbow and Zachry Wood.

Our little baseball team, the Astros, are to be commended for winning their game this week. Players are David Crump, Dusty Yates, Cory Wood, Jessie Castorena, Jeremy Harlan, Timmy Perez, Heather and Heath Guess, and Bobby Carrizales. Coaches are Joe Yates and Bob Wood.

We especially congratulate Perry Patton, son of Floyd and LaRue Patton, who was married recently to

Miss Karen Beaty, daughter of Lois Beaty of Munday. Perry is a 1980 graduate of Weinert High School and is employed at Stewarts Texaco Station in Munday. Karen is a graduate of Munday High School. They will make their home in Munday.

The Weinert seniors will be honored on Thursday night with a party hosted by the First Baptist Church of Weinert. Time is 7 p.m., and the place is the gym of the First Baptist Church in Haskell.

Baccalaureate services for the 1988 graduating seniors will be at 8 p.m., May 22 in the Weinert School gymnasium. Paul Chambers, pastor of the Weinert Foursquare Gospel Church, will be the speaker for the occasion.

The Weinert Church of Christ was in charge of the Sunday evening devotional at the Munday Nursing Center on May 15. Ted Jetton directed the singing and Roy Pheister brought a lesson on prayer to those in attendance.

Velma Jetton of Haskell with her grandson, Tommy, son of T.W. Jetton of San Jose, California, were in Weinert and visited Ted and Faye Jetton on Monday. T.W. is much improved from the stroke he suffered in December, is able to walk some with a walker and is learning to adjust to his disabilities. We are happy to hear of his continuing

progress.

D.I. and Mattie White were in Ft. Worth for the weekend to attend the annual high school banquet held for the graduating seniors, including their grandson, Todd Hackney.

D.I. was involved in a farm accident on Monday, and suffered the loss of a part of a finger. He is recuperating at home after Dr. Mc-Smith sewed the finger back on. Now we will continue our prayers that it will heal.

W.R. and Joyce Hager were in Stamford to check on the progress of W.R.'s mother who has been ill, and report she is improving in health.

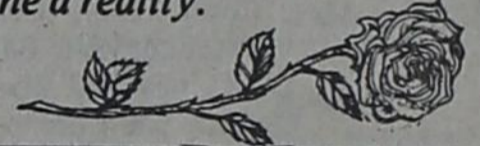

Eddie and Myrnie Sanders were in Snyder last week to visit relatives there. The Way's mother was a sister to A.J. Sanders, and several of her descendants reside there.

Have a nice day!

CARD OF THANKS
We thank you for your loving thoughtfulness and your expressions of sympathy.
The family of
Josie Mays

THANK YOU

We would like to thank Quality Implement, M-System and the First National Bank for sponsoring Lorin Clem and Heather Brown in the upcoming world gymnastics meet. We appreciate your helping the girls' dream become a reality.
