Saturday nights at our house begin with a study of the TV Guide and a decision about whether we'll watch "Platoon" or "Over the Top" again. It really doesn't matter anyway, because after Amy leaves for the evening and Tommy and I have consumed a bag of microwave popcorn and a Coke float, we sleep through whatever's on.

Remember when preparation for Saturday night began on Saturday morning?

Your mother shampooed your hair early and rolled it around metal rollers with the rubber tips because there were no blow dryers or curling irons.

Your next best dress (the best dress was saved for church the next morning) was starched and ironed and your shoes were polished. To have gone to town on Saturday without your shoes being polished would have been disgraceful.

You went to town early -- as soon as your dad could leave the field -- in order to get a parking space, driving carefully over the bumpy dirt roads while your mother held the wicker basket full of eggs cautiously on her lap.

The streets were alive with people shouting greetings to each other as the ladies sat two or three in a group in somebody's car and the men all gathered in the barber shop.

Dr. Eiland had his office upstairs on Munday's main street, and right next to it was a drug store owned by Leland Hannah. With a quarter, a kid could buy a double-dip ice cream cone and a comic book, then sit on the hood of the car and read the comic book while the frosty ice cream trickled down his arm until he licked it all the way around to keep it from dripping. Ice cream cones weren't eaten in a hurry. They were savored, because there wouldn't be another one until the next Saturday.

The Fair Store was called "Baker-McCarty's" and one section of the store was designated for bolts of cloth and sewing notions. There were pattern books with examples of what a finished dress would look like, and a little girl could "put her name" on one of those pattern books so that when the new ones came in, whoever the lucky kid was with her name on the old one got it.

Eventually, there would come that special Saturday when the clerk handed it to you with a smile, "I believe your name is on this pattern book." You could hardly wait to get home and get the scissors to start cutting paper dolls.

The farm families bought groceries on Saturday evenings, but there was no need to hurry home after buying them. There were no frozen dinners to thaw out, no meat or milk to ruin, because the meat was hanging from the rafters in the "smoke house". Just about everybody had a cow named "Bossy" and a separator to separate the milk from the cream.

There were no cold drink machines. Instead, there were "Coke boxes" filled with blocks of ice chipped into bits and placed around the glass bottles of Coca-Cola, Orange Crush, and Delaware Punch.

In Goree, Bob Sadler had a little cafe on the corner across from the skating rink and on Saturday night, you could smell his chili cooking all over town. He'd cook it all day in big metal pots so that by supertime it would be delicious and spicy hot.

A bowl of chili at Bob's was a

First Bale Of Cotton Ginned September 27

The first bale of cotton for the season was ginned at the Knox Prairie Co-op Gin on Tuesday, September 27. The bale weighed 540 pounds and was stripped on the Keith Offutt farm near Munday.

Cotton harvest is slower this year, according to local gin managers, because the quality of the cotton is not as good as in some years past and farmers are reluctant to spend money on defoliation expenses. The Munday Gin and Seed Company has reported that one farmer sprayed some cotton last week, but most of them are holding off for a while. Gin manager, Bobby Hutchinson, expects less cotton this year and of poorer quality.

Dryland cotton is not good this year due to the long periods of drought in the summer. Irrigated cotton is better, but some farmers

have remarked that they've lost several bales because of water standing in the fields from the more than seven inches of rainfall we received two weeks ago.

Jack Nuckols, of Goree Producers Co-op, stated that he expects around 1700 to 1800 bales of cotton this season as compared to approximately 3400 last year, and the grade is expected to be poor.

For the cotton farmer, there seems to be too much rainfall when it's too late, not enough when he needs it or the boll weevils are feasting on what cotton he's got.

But for every farmer--there's always the hope for a better year next year.

Jo's Beauty Shop Has New Owner

Gail Whitley of Truscott has purchased Jo's Beauty Shop in Munday where she began operation on October 1. Mrs. Whitley also owns a shop in Truscott and will continue to operate from both shops.

Jo Heard began her career in Munday as proprietor of Opal's Beauty Shop in 1981. She also served the Munday Nursing Center at that time. In 1982 she moved her business to the Harrell building where she was employed until October 1.

Mrs. Heard has been involved in several activities in Munday during the past seven years. She was instrumental in beginning the bass tournament as well as assisting in other community projects during her three years as a member of the Chamber of Commerce.

Mrs. Heard plans to stay home and help her husband on the farm and take care of her young grandchildren.

"I want to do some fishing," she said, "and just a lot of other things I've not had time to do over the years. And, of course, I want to enjoy my grandchildren."

Barbecue Meal and Musical Saturday Will Benefit EMS

The Munday Emergency Service will sponsor a barbecue meal and musical show to benefit the ambulance fund on Saturday, October 8.

A barbecue plate supper will be served in the Munday High School Cafeteria from 5:30 until 7:30 p.m. The meal will be \$3 per person and will consist of a barbecue sandwich, potato chips, cold drink and a homemade dessert prepared by EMT personnel and volunteers.

Beginning at 8 p.m., a musical show will be presented in the Munday High School Auditorium. Gary Hale, of Goree, will be in charge of the program and will be performing some of the songs he has recently recorded on the Traveler Record label.

Other performers will include Tommy Waldrip and The Swords and the Shields of Knox City; Don

Welch and Band of Munday; Kelly Emsoff, Glenda Boyd and the Texas Tradition Band, all of Seymour.

Tickets will be \$3 for adults; \$1.50 for children 6 through 12; children under 5 will be admitted free of charge.

A \$1 donation at the door or to any EMT member will entitle the donor to have his/her name placed in a box for a drawing to be held on October 15 at the Munday Homecoming Dance in Rhineland. A 13" remote control color television set and an antique gun will be given away to the lucky person whose name is drawn at that time. The recipient need not be present to win.

Make plans now to be in Munday on Saturday night and enjoy a barbecue supper, hear some good music, and support a worthy cause.

The ambulance fund is still from \$4,000 to \$10,000 short of the necessary funds for the new ambulance. Everybody's help is needed.

Eagles Fall Victim To Tough Mogul Defense

The Munday Moguls ran roughshod over the Chillicothe Eagles Friday night, with a 61-0 shut-out.

The Mogul defensive team proved to be an immovable force as they held the Eagles to only four first downs and 29 yards rushing throughout the game.

Chillicothe claimed first possession, but gained only three yards and were forced to punt. A Mogul fumble gave the Eagles a second chance, but a 15 yard penalty on the third down set up another punting situation.

Chad Bordovsky picked up a first down in two carries with 13 yards and then carried for 16 more and another Munday first down.

It was Bordovsky again for eight and Marc Andrade for five, giving Munday a first down inside Chillicothe's 20 yard line. A nine yard run by Andrade and three more by Bordovsky put the ball on the six yard line where Marc Andrade carried into the end zone. An attempted pass for extra points failed and the score was 6-0 with 5:38 left in the first quarter.

The Eagles were able to move the ball two yards before the punt. Bordovsky took it for a 20 yard run

before being stopped on the 48 yard line. Marc Andrade outran the pack all the way to the end zone and Hutchens kicked the extra point, making the score 13-0 with 3:26 left in the first quarter.

The Eagles gained no ground at all in two carries before Terry Collier intercepted a pass, squelching their attempt at any kind of come back in the first quarter.

The second quarter proved to be a repeat performance as Terry Collier carried for 39 yards and two first downs, bringing play action to the 11 yard line. Perry Collier gained four yards to the seven and then picked up the additional seven for another Mogul touchdown. Lowell Hutchens kicked the extra point and with 6:34 still remaining in the first half, Munday had an impressive 20-0 lead.

Chillicothe's Bill Haynes picked up six yards and Jerry Cathey carried for five more and a first down for the Eagles.

The Mogul defense pushed them back five yards before a fumble recovered by Munday's Brett Bruce gave Munday the football on Chillicothe's 41.

A pass to Michael Waggoner proved to be incomplete before Chad Bordovsky carried for 12 and a first down on the 29 yard line. The Moguls recovered their own fumble on the 29 and Perry Collier carried for nine to the 20 yard line. Perry Collier picked up four yards and a first down on the Eagles 16. Then it was Bordovsky on a run around right tackle and an additional Mogul touchdown.

Hutchens' steady eye and swift foot added the point after and it was 27-0 with 1:53 left in the first half.

1988 MHS Homecoming Planned Next Weekend

Plans are being finalized for Homecoming 1988 planned for Saturday, October 15.

All the committees are winding up the loose ends in preparation for a busy day of activities.

Larry Thompson, a 1965 graduate of Munday High School, will serve as master of ceremonies at the assembly program set for 2 p.m. in the high school auditorium.

Guest speaker will be Gary E. Wood, son of Mr. and Mrs. Gene Wood and a 1962 graduate of Munday High School.

Wood received his BBA degree from Baylor University in 1966 and his MA from the University of Florida in 1967. He received his PH.D. in banking and finance from the University of Texas in Austin in 1977 and in 1979 he completed his education from the Southwestern Graduate School of Banking at Southern Methodist University. He served in the United States Air Force and was a distinguished graduate of Officers Training School.

Wood was employed by the Central Intelligence Agency from 1970 until 1971 and with the Southwest National Bank of El Paso from 1971 until 1974. He served as finance professor at UTSA from 1976-1979. From 1980 until 1982 he took a leave of absence from his position at

Baylor University to serve on the staff of John Tower in the U.S. Senate as Chief of the Economist of Republic Policy Committee. Wood served as Director of Governmental Relations at Baylor University until 1988. He is currently serving as president of the Texas Research League.

He has been involved in various activities including director of the Federal Reserve Bank in Dallas, director of the Texas Lyceum Association, trustee of the Harry S. Truman Scholarship Foundation, director of the Texas Association of the Atlantic Council Fellow, Amundsen Institute of U.S.-Mexico studies. He is a 32nd degree Mason, a former director of the Brazos River Authority as well as the Waco Chamber of Commerce. He is a former co-chairman of the speaker's economic advisory group and a former commissioner of the Texas Strategic Economic Policy Commission.

Wood currently resides at 1204 Arronimink in Austin.

Several Classes are planning to have individual get-togethers during the Homecoming festivities. If your class is planning a special class reunion, please contact Lyndle Reeves as to times, locations, etc.

Courier Renewals Due In November

Although more new Courier subscriptions are being purchased every day, a great many of our subscriptions are due in November. Readers who don't remember when their paper expires can look on the mailing label. The year, month and day the subscription runs out is noted at the bottom of the label.

Due to high costs of postage, we no longer send out reminders about renewals. Also because of postal regulations, we cannot mail papers unless they have been paid for. So if your subscription is almost expired, we urge you to come in and renew it or send us a check.

This is an exciting time for a small-town newspaper. With football and other school activities and holiday plans being made, there is a lot of interesting reading in the paper each week, and we don't want any of our readers to miss out on something because they forgot to pay for their subscription.

Ladies Auxiliary To Meet

The Ladies' Auxiliary of the Munday Volunteer Fire Department will hold their regular meeting at 6:30 p.m. Thursday, October 6, at the fire hall. All members are encouraged to attend.

THE ANNUAL LIONS CLUB mop, broom, etc. sale was conducted in Munday on Tuesday. Lions Leon Sellers, Doc Stewart, Weldon Smith and Wilford Bellinghausen must have worked hard selling because they needed the mop and broom handles to prop themselves up for this photo.

The Lord's Corner by Dr. Pete Bradfield, pastor First Baptist Church

Just a little weary of the place where you are? That job? That house? That car? Better take a second look -- like the fellow below.

There was once a farmer who, having lived on the same farm all his life, grew tired of it and desperately craved a change. He subjected everything on the farm to his own blind and merciless criticism, and at last decided that he would sell and buy another more to his liking.

He listed the farm with the realtor, who at once prepared a sales advertisement for the newspaper. Before printing it, however, he read over to the farmer the description of his farm and property. He wrote of the farm's advantages, its ideal location, its up-to-date equipment, its fertile fields, its well-bred stock.

"Wait a minute," said the farmer. "I'm not going to sell. All my life I've been looking for a place like that."

See you next week, and remember: satisfaction comes from within -- not from without.

Have a nice day!

very rare treat for us. We were intrigued by the little cafe with its calendars and the notices on the wall. There was a sign that said: "No Profanity" and that meant everybody -- except Bob.

My delight in a bowl of Bob's chili ended when on one Saturday evening, John Coffman walked across the street from his station and skating rink to eat a bowl of the spicy hot brew.

Bob pushed a small plate of crackers toward John and some of them were pretty badly broken.

"Looks like the mice have been into these crackers," John growled. "Have they?"

Bob wiped his hands on the apron around his waist and studied them.

"No, I don't think so," he drawled. "The cat's been sleeping in the box."

After that, a bowl of chili from Bob's did not seem so attractive, even though Daddy said they were both kidding.

We live in a world of packaged meals and microwaves. We have instant tea, instant potatoes and 1 minute oatmeal. Through no fault of anybody, our world has become so fast-paced and stressful, there's no time for anything but getting work done.

There's no time for sitting on the street on Saturday night and talking to your neighbor. Besides, we'd miss "Golden Girls."

But wouldn't it be nice, if just one more Saturday night, people gathered in town like they used to? If the stores all stayed open until after dark and the kids could browse through the five and dime -- studying each shelf of yo-yos and Old Maid cards and Blue Waltz perfume?

Wouldn't you like to -- just one more time -- line up in front of Munday's Roxy Theatre on Saturday afternoon to see what would happen to Roy and Dale that week? Wouldn't you like to hear the sounds of "The Skater's Waltz" or "The Sabre Dance" pouring from John Coffman's skating rink? Wouldn't you?

You're right. It wouldn't be the same.

complete passes, the Eagles gained little ground as the second half began.

Perry Collier took the ball on Munday's 20 yard line on a 37 yard punt and ran back for two before Chad Bordovsky broke loose for a 33 yard run into Eagle territory.

Following a five yard Eagle penalty, Perry Collier carried for 11, only to lose five on a Mogul penalty.

Bordovsky carried again for eight before Perry Collier ran for 28 and another Mogul score. Hutchens added the PAT and the score was 34-0 with 5:40 left in the third quarter.

A 29 yard pass from Chillicothe's Jerry Cathey to Jason Tole gave the Eagles a first down on their own 34, but Jerry Valencia intercepted a second pass attempt and it was Munday's ball again.

Tyler Thompson ran for four and Chad Bordovsky picked up a first down for six on his own 38 yard line.

Terry Collier carried for eight and Bordovsky carried for eight and another first down on Munday's 46. Then it was Terry Collier around left end for 35 yards to the Eagle 11.

With 2:39 left in the third quarter, Terry Collier carried it into the end zone and Hutchens' PAT made it 41-0.

Chillicothe's Al Givens missed one pass and then caught a 23 yard pass and an Eagle first down, but a fumble on the play and a recovery by Munday's Johnathan Smith doused the Eagles' hopes for any kind of progress.

It was no quarters given by the Moguls as the fourth quarter began.

On the first "rattle out of the box," Jerry Valencia carried for 20 yards and a Mogul TD. Hutchens' PAT made it 48-0 with 11:52 left to play.

Two minutes later Bordovsky went around left end for a 10 yard dash into the end zone and the wide PAT was not even missed as the score became 54-0.

With 19 seconds left, Tyler Thompson added the final blow on a one yard run and Hutchens hit just right making the final score 61-0.

Mogul coach Jim Edwards was justifiably proud of his team. He said their goal was to play hard on every down and they had accomplished it.

He praised the individual efforts of his quarterbacks, Andrade, Bordovsky and David Owens, and expressed pride in all his linebackers as well as the defensive team.

"Our execution is good and getting better with every game," Edwards commented.

The Moguls and their loyal following of fans will travel to Spur this week, anticipating still another Munday victory.

TEAMS Test To Be Given

The exit level (Texas Educational Assessment of Minimum Skills) test will be given to all Munday High School juniors on October 25 and 26.

The exit level test is made up of math and language arts portions, each containing 72 items. Students will be required to correctly answer 50 of 72 items on both the math and language arts portions.

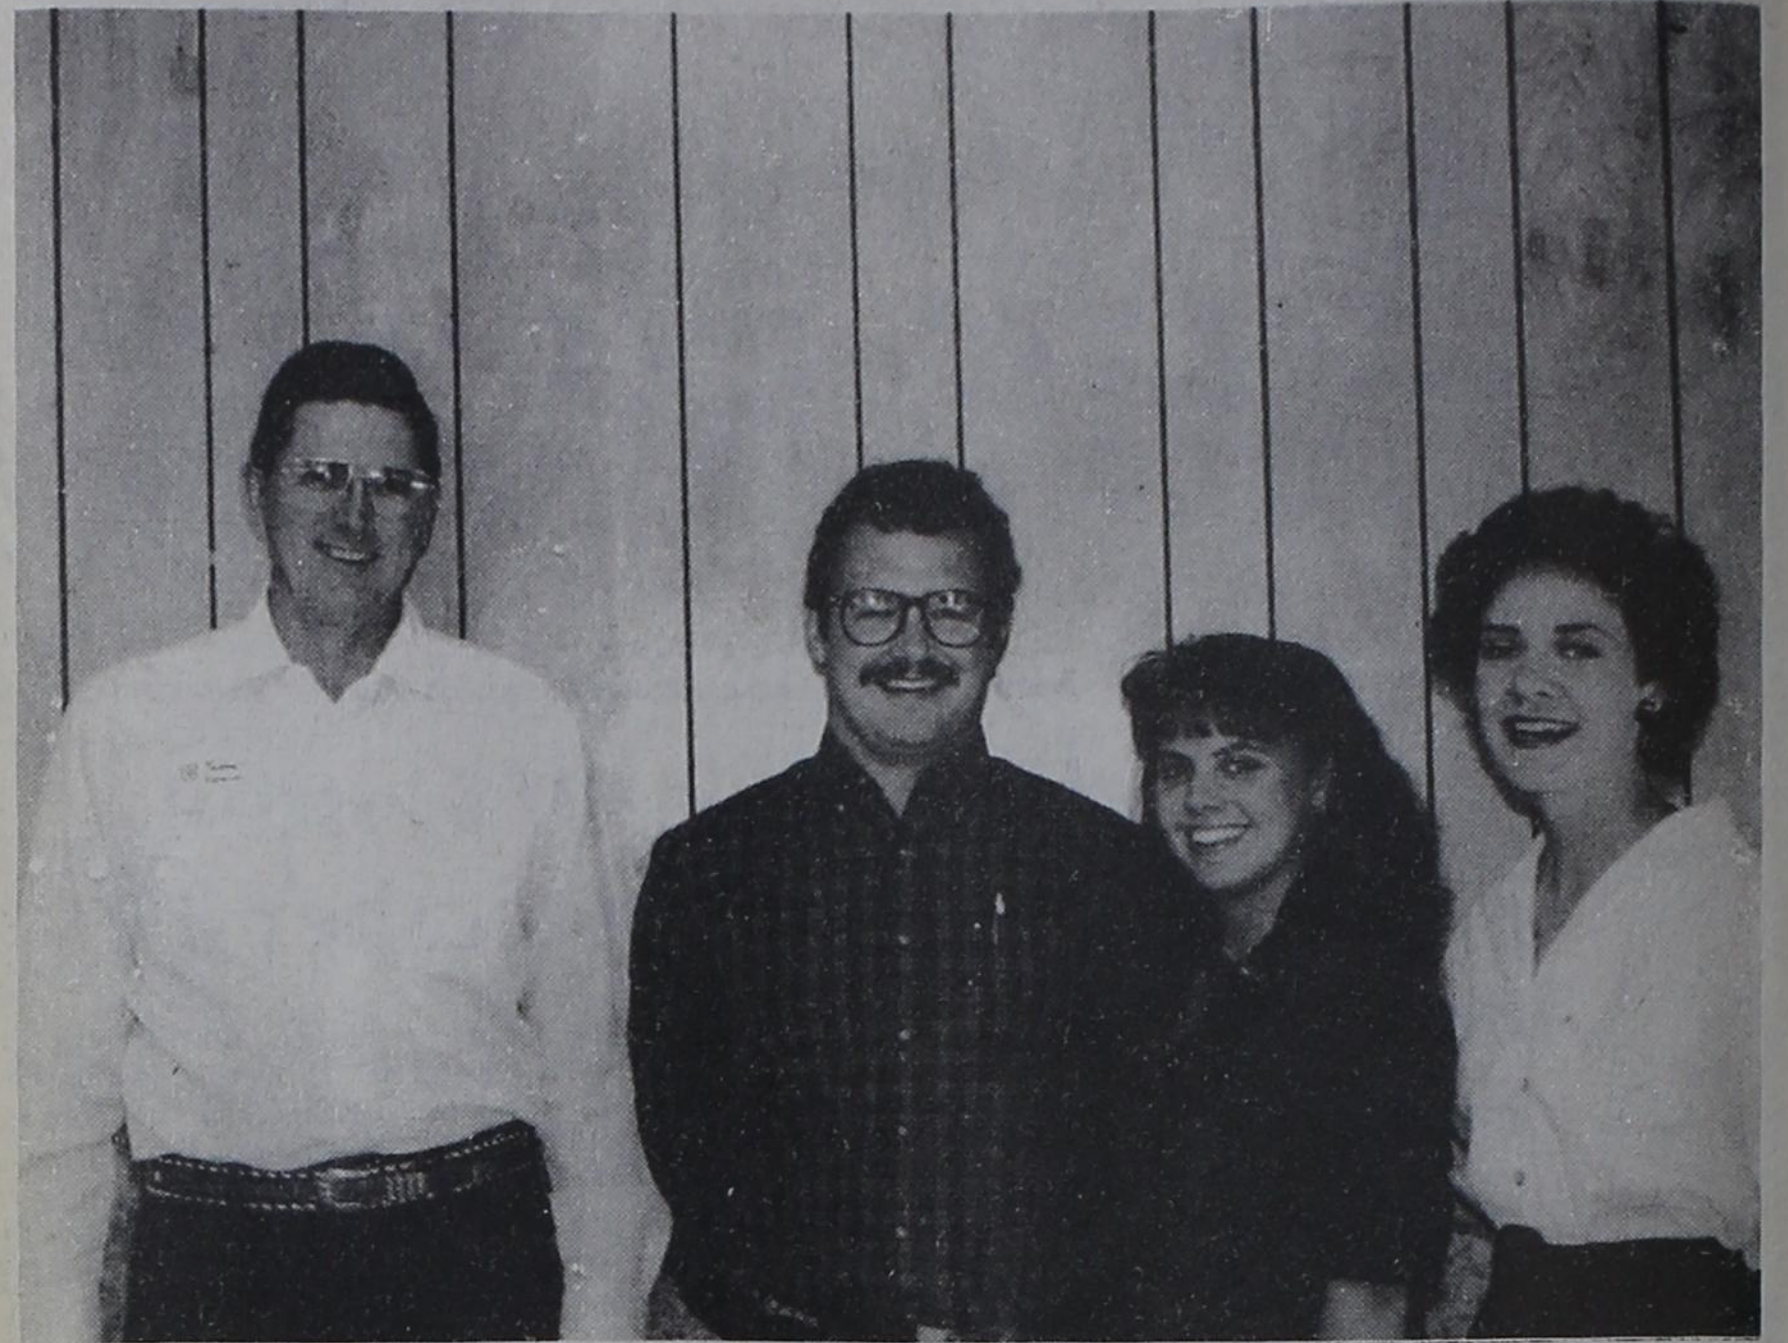

All students must pass the exit level TEAMS to graduate from a Texas public school. Those who do not pass the test this fall, may retake the test in May of next year. They will have two additional chances to pass the test before their senior year.

During each regular exit level test administration, individuals who are no longer enrolled in school and have not previously passed both sections of the TEAMS test but have met other graduation requirements, may re-take the sections not passed.

You may contact the high school for further information.

GILLILAND EXTENSION HOMEMAKER Club members were recognized September 11 by Knox County 4-H for their support and dedication to the county's program this past year. Members pictured are Ruby Martin, Francis Cook, Florance Miller, Lula Baty and Sybil Simmons.

Volunteer Role In 4-H Program Is Rewarding

One of the most rewarding things an individual can do for tomorrow's leaders is to serve as a 4-H adult volunteer today, according to Donnie Peters, Knox County Extension Agent for agriculture and 4-H advisor.

Volunteers not only give leadership to 4-H experiences for youth, they keep the program relevant to local community needs and interest.

Today, 21 4-H adult volunteers in Knox County work with 126 members from the third grade to 19 years old. These volunteers share their skills and experiences by assisting young people in a variety of 4-H projects and activities.

With National 4-H Week set for October 2-8, this is a special time to recognize and applaud those volunteer leaders who give so much to the 4-H program.

Volunteers do not have to be experts in specialized subject matter areas. They can rely on the Extension Service staff in the county and at Texas A&M University, the state's land-grant university, to provide them with training, educational materials and resources to use in the 4-H program.

The land-grant system makes 4-H uniquely qualified to meet both the constant and ever-changing needs of young and older people alike.

The 4-H volunteer corps is almost 620,000 strong nationwide; more than 30,000 volunteers support the 4-H program in Texas. Volunteers are the backbone of a basic and cost effective system which delivers practical educational experiences to some 4.5 million 4-H members in the United States. The time, travel and support volunteers contribute is valued at \$1 billion annually.

The 4-H program provides many opportunities for growth and stimulation for adults and helps them attain enjoyment and self-fulfillment. So help prepare the young people in our communities for tomorrow by joining the ranks of 4-H volunteers.

For more information about the 4-H program and its many opportunities, contact the county Extension office.

Reuben Bates Buried Wednesday In Goree Cemetery

Former Goree resident Reuben Bates, 72, passed away Sunday, September 25, in Wichita Falls. Services were held Wednesday, September 28, at the First United Methodist Church in Goree with Rev. Russ Byard officiating, assisted by Rev. Lloyd McIntosh. Burial was in Goree Cemetery under the direction of McCauley-Smith Funeral Home.

Pallbearers were Gaylon Hord, Harold Jones, Sandy Lambeth, Jake Murdock, Lee Patterson and Don Coffman. Born in Goree, he was a longtime farmer and rancher in this area and a member of the First United Methodist Church. He moved to Wichita Falls in 1970. He devoted much of his time to the treatment and recovery programs for the disease of alcoholism.

Survivors include his wife, Suzanne Bates of Fredericksburg; a daughter, Samye Sue Byars of Wichita Falls; and a grandson, Mike Byars of La Crosse, Wisconsin.

Memorials may be made to the American Heart Association or the First United Methodist Church.

The Wichita Divide country has had beautiful, clear fall weather for several days. It has been perfect wheat sowing weather and in almost any direction you look you can see tractors pulling drills through the fields.

There will be no personal news items in this week's column because your writer is being a go-fer in the wheat field. People don't like being called at nine at night or six in the morning and being asked "Do you have any news?" (This is being written at 6 a.m. Monday morning.)

Grandma's dinner will be held this Sunday, October 9.

MORE CEMETERY NEWS

All the tombstones in the Truscott and Gilliland cemeteries have been copied for the county cemetery survey. However, a number of graves are marked as unknown. If you know of someone buried in a grave without a marker at either cemetery it would help if you notified the survey workers. Just write Cemetery Survey, Truscott, Texas 79260 if you have information for either cemetery.

The hardest part is beginning now that the cemetery walk is over. This part is the completion of the biographical section of the work sheets.

It seems like the book, Between the Wichitas, would make this part easy. The book does help, but many family stories lack important dates and place names. Sometimes the person who supplied the family story didn't know the information and sometimes there was not time for them to verify dates and places. Read over your family stories again and see if you would like to add some information to the record.

For many who came as adults to the Wichita Divide, additional information is needed on: 1. Birthplace and places lived before coming to the Divide; 2. Birthdate, marriage date, birthdates of children, date came to the Divide. (Any important family dates, back to when the family arrived in America!); 3. Occupations held in a lifetime; 4. Names of an adult's parents and even grandparents (also where they lived) and names of brothers, sisters, grandchildren, and step-parents, if any; 5. For some the exact dates of birth and death are headed.

The exact dates cannot always be

found on the tombstones as many do not show the month and day, but only the year.

An interesting, and helpful, change in customs is that many tombstones of the last several years show the marriage date. Some even list the names of the children of a marriage on the back of the stone.

The place of death isn't necessarily Truscott or Gilliland, since many are returned for burial after living 20-30 years elsewhere. These burials can't be researched in the death records at Benjamin because the death certificate is filed in another county.

Many families which once lived in the Wichita Divide have scattered far and lived in apartments and suburban houses that lack the attics in which old family Bibles and letters were once kept, the kind of local record being compiled now will be of increasing interest in the future. One copy of the tombstone and biographical information will

be placed in the museum archives and one copy will be kept by the local cemetery committee along with the worksheet originals. This is not a publishing project so we are not trying to keep publishing costs down. Anyone wishing to add to the information in Between the Wichitas for this project, or to give information on a person whose story is not in that book, can send the information to the above address. A worksheet will be sent to anyone requesting one as a guide.

Although the primary effort at this time is to get personal and family information on those buried in Knox County, information on anyone, living or dead, who ever lived in Knox County will be welcomed. This will be placed in either the cemetery survey archives or the family history archives of the Knox County museum. When sending news clippings or photographs, please send copies so these need not be returned. If possible, send two copies so one can be placed in each record book.

The largest eyes of all land animals are those of the horse and ostrich - about one and a half times the size of human eyes.

SPECIAL RECOGNITION was given to these two young ladies at the September 11 4-H Awards Program. They were recipients of the Jr. and Sr. Gold Star awards which are the highest level of accomplishment 4-H members can receive at the county and district level. At left is Amanda Baker, Jr. Gold Star winner. Her parents are Mr. and Mrs. Jimmy Baker of Knox City. Sr. Gold Star honors went to Christi Whitten of Benjamin, daughter of Mr. and Mrs. Jack Whitten.

Red Cross Bloodmobile To Be Here October 17

The Red Cross Bloodmobile will make its regular visit to Munday on Monday, October 17, from 2:45 to 6:30 p.m. at the Community Center. A 60-pint quota is needed at this visit.

Giving blood is a relatively quick process. The actual donation time is only 6 to 10 minutes. The rest of an average 45-minute visit includes a mini-physical and time for refreshments.

During the medical history, each volunteer donor is asked questions relative to their health, both current and past. Individuals who have had hepatitis, certain cancers, taken un-prescribed drugs by needle and have a positive AIDS test, are restricted from donating blood. Although there are some persons who cannot donate, the majority of our nation's population can.

In addition to the questions which are asked by the Red Cross staff and trained community volunteers, a small amount of blood is taken from the ear lobe. From this drop, the iron level of the donor's blood is checked. If the iron count is too low, the donor will be informed and given instructions to follow.

When the medical history is completed and the donor is accepted, the next steps pass quickly. Skilled Red Cross staff prepare the arm with an iodine solution and then the last step of the donor process is accomplished. The 6 to 10 minutes spent on the donor table is followed by the signing of the confidential unit exclusion form and then off to the canteen for juice and cookies.

Give again, please! When you were asked in the past, you cared enough to respond with the gift of life - blood. For that we thank you very much.

Your blood might well have saved somebody's baby - whether that baby was 90 days, or 90 years old.

Now we want to urge you to give again.

Volunteer blood donors are an absolutely vital part of America's health care system. There is a constant demand for blood.

Every minute, more than 36 units of blood or specialized blood com-

ponents are transfused. That's nearly 53,000 units of blood each and every day.

The American Red Cross does its best to make certain your blood donation will be a pleasant, safe experience.

Donors like you make the American Red Cross lifesaving - life-giving - work possible. Thank you for giving. Again and again.

All citizens of Munday and the surrounding area are urged to give the gift of life when the Bloodmobile comes to town.

He Is Alive!

by Rev. Wayne Varnell, First Baptist Church, Goree

"I do care." Our generation needs to learn to say those words. How can saying those words change anything? The same way the phrase "I don't care" has torn up so many relationships. Think about how many times during the day you say or hear, "I don't care." Spouses shout it at each other. Children say it to their parents and teachers. Employees show it in their work. Parents display it by not being involved with their children. Church members express it by their unnecessary absences.

Our society has lost its ability to care because we've left the One who enables us to care beyond our own human abilities. Jesus said, "And because iniquity shall abound, the love of many shall wax cold." (Matthew 24:12) As a society, we don't care about the worship of God, the Word of God, or the works of God through Jesus Christ. So, if we've trained ourselves not to care about God, it's easier not to care about our fellowman.

Why is Jesus qualified to teach us how to care? "Greater love hath no man than this, that a man lay down his life for his friends." (John 15:13) Jesus is capable of going beyond that kind of love. The Bible says, "But God commendeth his love toward us, in that, while we were yet sinners, Christ died for us." (Romans 5:8) We were not His friends when He died on that cross. We can be friends with Him now. He is alive! He can teach us to truly say, "I care."

Faith Baptist Church To Hold Gospel Revival

The Faith Baptist Church of Munday will hold an old-fashioned gospel revival starting Saturday, October 8, through Wednesday, October 12. Services will start at 7 p.m. each night and 11 a.m. and 6 p.m. on Sunday at the Munday Community Center.

Each service will have old-fashioned Bible preaching, gospel singing and special music by Gospel quartets, duets and soloists. Everyone is cordially invited.

AROUND TOWN

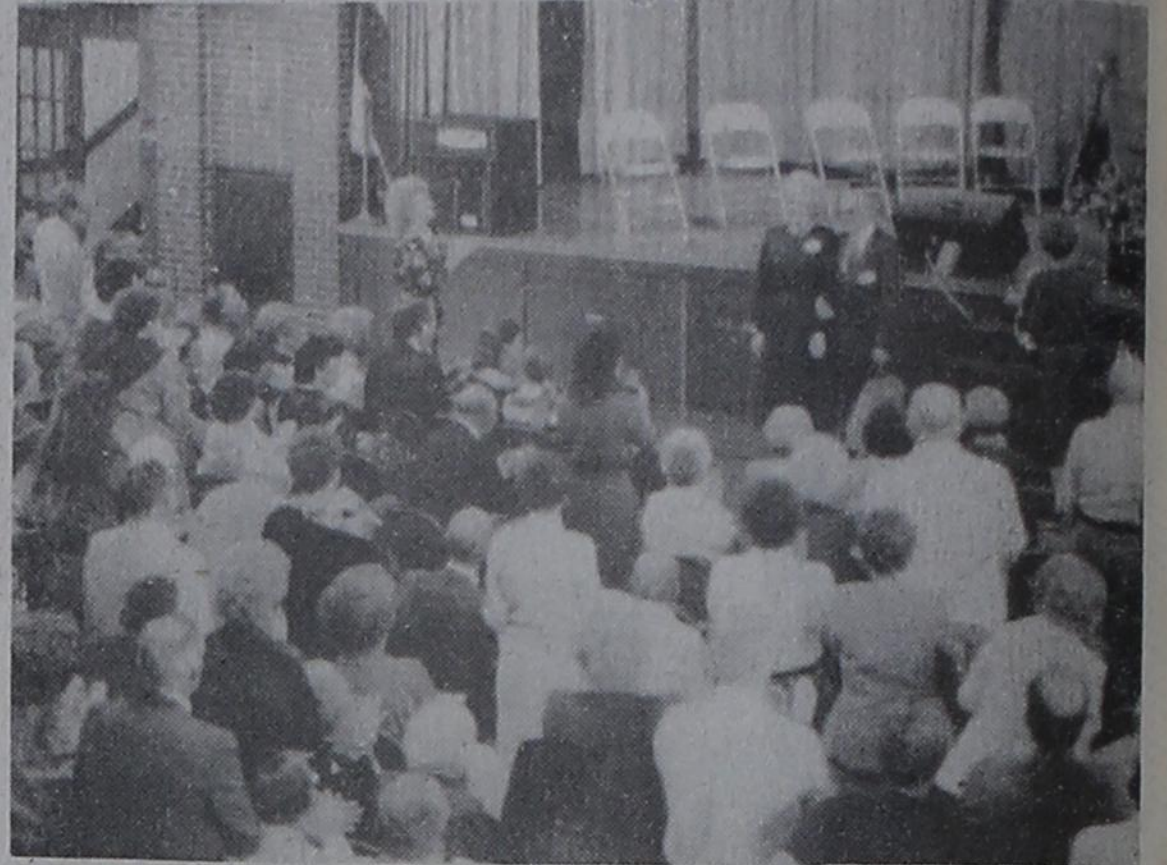

Helen and Floyd Stout were in the Fort Worth area recently to attend a reunion of Helen's eight brothers and sisters and their families in Hurst. They enjoyed a visit with Mr. and Mrs. O.J. Albus of Burlington, North Carolina, who flew into DFW as Hurricane Gilbert was forming in the Gulf. They spent a week in Weinert. Other guests in the Stout home included Helen's sister, Mr. and Mrs. Jimmy Forsythe of Hays, Kansas.

Approximately 60 farmers gathered at the Weinert Gin for a noon meal and get-acquainted session with the new gin manager, Steve Morreno. Steve and his wife, Sherry, have recently moved into the Stewart home in the country. Steve will continue to work as an Ag consultant and entomologist for this area.

Those celebrating birthdays this week are LaVera Hummel, Jesse Marcum, Keith Graham, Shirley Offutt, Justin Young, Justin Jones, Caron Yates, Penny Rainey, Kevin Leach, Kathy Davis, Heath Guess, Nean Powell, Velma Rodriguez, Hazel Rainey, Jeri Ann Decker, Ross Pittman, Ima Stewart, Brad Castillo, Debra Hollingsworth, Marilyn Earp, Steve Farmer, and Harlan Weinert. Those celebrating anniversaries are Johnny and Marilyn Earp and Jr. and Margie Stewart.

COLLEGE STUDENTS HOME Donna and Darla Griffis, students at Texas Tech in Lubbock, visited their parents, Mr. and Mrs. Donald Griffis, this weekend.

Laurie Hester of Tarleton State College at Stephenville and Stacy Hester of McMurry in Abilene spent the weekend with their parents, Mr. and Mrs. Jerry Hester.

DOUGLAS AND DOROTHY MYERS are pictured before a capacity crowd in the Weinert School gym during Homecoming ceremonies held Saturday, October 1. The Myers were presented the Outstanding Citizens Service Award for their years of devotion and support to the students and the school.

Barry Walker of McMurry in Abilene, was home with his parents, Mr. and Mrs. Jerry Walker and attended the homecoming.

Kelly Earp Hutchinson was a visitor in the home of her parents, Mr. and Mrs. Johnny Earp, this weekend. She attends Angelo State in San Angelo.

Kelly Watkins visited her grandmother, Thelma Edwards, this weekend. She is a student at North Texas in Denton.

Louis Perez was home from Cisco Jr. College this weekend.

Visitors in the Dale Carroll home included Kerry and Darlene Therwhanger of Megargel. Darlene is a student at Midwestern and Kerry coaches at Megargel.

We can assume that Mondy Mayfield was home from Tech this weekend. There were three dead hens and one crippled guinea littering the road to the school. His grandparents seemed thrilled, Tiffen had an ulcer attack, Erlinda wrung her hands and had a strange dazed look about her, Mitch danced up and down with joy, and they are still searching for the family pets that ran off. We are told that the local ministers immediately began rewriting their sermons.

OTHER NEWS Bro. Steve Peace and family of Rotan attended the homecoming and spent the weekend with the Jerry Hester family.

Mrs. Ima Stewart is at the Haskell Nursing Center, and she would probably enjoy people stopping in to see her.

Christy Horan, daughter of Mr. and Mrs. Freddie Horan, won two blue ribbons, three red ribbons and Best of Show in Photography at the Haskell County Fair. Christy is in the seventh grade.

Arthur Garza, son of Mrs. Anita Garza, won three third place ribbons in the Art Show at the fair. Arthur is in the eighth grade.

Please contact a member of the 7th or 8th grade class, or call the school with your news items. We will be reporting the news throughout the month of October for Mrs. Pheister.

Tomaneck Services Held In Seymour Jerry James Tomaneck, 46, died Thursday, September 22, in a Wichita Falls hospital.

Funeral services were held Saturday, September 24, at the Church of Christ with A.B. Martin, minister, officiating. Burial was in SPJST Cemetery in Seymour under the direction of Archer Funeral Home.

Tomaneck was born September 17, 1942 in Knox County and moved to Seymour in 1972, where he married Patricia Hons on April 8 of that year. He was a member of Baylor County Farm Bureau, Farmers Co-op and SPJST in Seymour.

Survivors include his wife; one daughter, Lisa Ann Tomaneck; one son, Jay Allen of Seymour; his parents, Mr. and Mrs. Jerry Tomaneck of Gilliland; and two sisters, Jane Coody of Seymour and Ann Southall of Vernon.

Reception To Honor Two County Doctors

The Knox County Hospital auxiliary will host a reception on Sunday, October 9 from 2 until 4 p.m. at the hospital to introduce Dr. Terry Springer and to honor Dr. Newton Neufeld.

White-Simaichl Exchange Wedding Vows September 10

In the soft glow of candlelight, vows were pledged at 7 p.m. Saturday, September 10, in the First Baptist Church in Vernon as Miss Gina Michelle White of Vernon and Billy Frank Simaichl of Seymour were united in matrimony. Officiating for the double-ring nuptial event was Dr. Charles Beckton, pastor.

The bride is the daughter of Mr. and Mrs. Clifford White of Vernon and the bridegroom is the son of Mr. and Mrs. Frank Simaichl Jr. of Seymour.

The sanctuary was designed as a garden with candle trees, arched and spiral candelabra filled with lighted tapers which provided a glow over the magnolia, southern simalax and huckleberry. Egyptian urns were filled with European hybrid, delphiniums, snapdragons and callas, swill, obaki, antherium, monsters leaves, areca and willow branches.

Traditional pre-nuptial music and selections of the bride were played by the organist, Eddie West, who also accompanied the vocalist, Melissa Moerbe Mount. Musical selections included *To Me, You Decorated My Life, Wedding Song, Jesu, Joy of Man's Desiring, Trau-mere,* and the traditional *Wedding March and Recessional* by Mendels-sonn. Sung by the vocalist were *Thanks Again, In This Very Room,*

and *Household of Faith.*

Presented on the arm of her father, the bride wore a formal designer gown of white organza and schiffli lace. The elongated bodice held a sweetheart neckline with a full flounce over the shoulders. Appliques of lace outlined the bodice. The full skirt ended in a chapel train and was adorned with appliques of lace flowing down the back to form the hemline.

The bride chose a fingertip veil of imported bridal illusion that drifted from a cap of schiffli lace. Her accessories were a single strand of pearls with matching earrings, and she carried a European cascade of Casablanca lilies, Hawaiian dandrobians, cucuriat lilies, freesia and Italian rukus with calcina heather.

As something old, the bride wore her grandmother's wedding ring, something new was her bridal gown, something borrowed was a ring belonging to her mother, and something blue was her garter.

Attending the bride as matron of honor was Mrs. Sandra Hall. She wore a tea-length gown of emerald green matte taffeta fashioned with a basque bodice and double ruffle detail at the shoulders.

Bridesmaids, wearing gowns identical to that of the matron of honor,

were Kim Sanders of Wichita Falls, Shawna Sanders and Kim Braswell of Vernon and Jodie Collums of Lubbock. The attendants carried small cascades of Casablanca lilies, Hawaiian dandrobians and Italian rukus, with calcina heather, all fashioned similar to the bride's bouquet.

Serving as best man for the ceremony was Greg Blankenship of Lubbock, cousin of the groom. Groomsmen were Bob Stewart of Seymour, Steven Smith of Munday, Danny Hrcirik of Seymour and Ken Aderholt of Vernon. Usher duties were performed by Jeff Hall of Vernon and Jonathan Smith of Munday.

For her daughter's wedding Mrs. White chose a tea-length gown of raspberry satin with a tunic top of matching lace. She carried a corsage of japhette orchids and freesia attached to her beaded bag. Mrs. Simaichl wore a tea-length gown of champagne chiffon with a pleated skirt and lace sleeves. She wore a corsage of jephette orchids and freesia.

Immediately following the wedding ceremony, a reception was held at Hillcrest Country Club.

A round bridal table, covered with a white taffeta gathered skirt over which were swags of white lace caught with matching bows, held the wedding cake. A white wicker folding screen adorned with garlands of ivy was the backdrop for the cake of white covered with a garden of delicate white flowers which graduated to off-white then to ivory, reaching to heights of three separations and topped with translucent flowers.

An oblong bridal table covered with a white Battenburg cloth over a gathered skirt held the silver punch service from which white punch was served. The table was adorned with a large silver ergene filled with Casablanca lilies, Hawaiian dandrobians, freesia and garlands of ivy.

The groom's table, covered with ecru Battenburg over a pleated skirt, held a large basket with grapevine forming a large handle, entwined with ribbon and greenery and filled with fresh fruit. An assortment of light cheeses was arranged on the table. A brass tiered epergne held assorted crackers and miniature muffins with coffee served from a brass service.

Assisting with serving duties were Shannon Blankenship of Seymour, Melissa Chapman and Lori Adams of Vernon, Kristi Brittain of Wichita Falls and Shirley Smith of Munday and Peggy Blankenship of Seymour, aunts of the groom.

Other members of the houseparty were Mrs. Sam Phelps, Mrs. Gene Tyra, Mrs. Jerry Reagan, Mrs. Johnnie Rainwater and Mrs. Layne Collums.

Rice bags were distributed by Pam Chapman.

The rehearsal dinner was given by the groom's parents at Huie's Place in Vernon.

For their wedding trip to Lake Tahoe, Nevada, the bride wore a two-piece pantsuit of deep purple with black accessories.

The couple is residing in Seymour where the bridegroom, a 1982 graduate of Seymour High School, is self-employed as a custom harvester and farmer.

The bride graduated in 1984 from Vernon High School and attended Vernon Regional Junior College. She is employed at the Waggoner National Bank in Vernon.

A lingerie shower was given in the home of Mrs. Shawna Sanders on August 29. Guests presented the bride with an assortment of big t-shirts and sleep shirts.

A rice bag party was given September 1 in the home of Mrs. Kim Braswell hosted by the bride's attendants. A miscellaneous shower was given in the home of Mrs. Phil Davis in Seymour. Refreshments were served from a table decorated in the bride's chosen colors of emerald green and white.

On September 6, a miscellaneous shower was held in the community room of Olney Savings and Loan in Vernon. The table was covered with an off-white cutwork cloth over peach and the centerpiece was a flower arrangement in shades of peach accented with greenery in a brass footed bowl.

Visiting Mr. and Mrs. James Peek, Jamie and Betsy, were her sister and husband, Mr. and Mrs. Joe Sanders, of South Lake. They attended the Weinert homecoming on Saturday.

Dinner guests on Sunday in the Elkin Warren home were Mr. and Mrs. Greg Melton, Taylor and

Brady, of Haskell and Mr. and Mrs. Taylor Allen.

Mrs. Mary Bowman of Munday visited Mrs. Winnie Lambeth Sunday afternoon.

Last Tuesday Les Jameson visited his daughter, Mrs. Cheryl Dickson, who is patient in the Methodist Hospital.

Mr. and Mrs. Felton Lambeth spent the weekend visiting their son, Mr. and Mrs. Cordas Ray Lambeth, and their grandchildren and families, Mr. and Mrs. Darrell Choate, Cody and Crystal, and Mr. and Mrs. Terry Lambeth, Jamie, Brad, Laura and Heath, in Wichita Falls.

Visiting Mrs. Mamie Fitzgerald on Sunday were Mrs. Mildred Fitzgerald and Mrs. Ruth Fitzgerald of Seymour.

NOTICE OF ELECTION

The Farmers Home Administration (FmHA) county committee election this year will be held on October 30, 1988. The ballot below must be filled out, detached and mailed and received or returned in person to Knox County Farmers Home Administration, P.O. Box 758, Knox City, Texas 79529 not later than October 30, 1988. If you do not vote in person you should mail your ballot inside a blank envelope marked ballot to ensure a secret ballot. This blank envelope should be placed inside the envelope you use to mail your ballot. Your name and address must be legible on the outer envelope. Failure to provide this information will render your ballot invalid. Only one ballot may be voted in person or by mail by any voter. Votes in envelopes containing more than one absentee ballot will not be counted. Ballots and envelopes may also be obtained from your local FmHA office.

The slate of nominees for Knox County Committee are listed in the ballot below. The qualifications of persons voting are described in the "Voter Certification Statement." For further information regarding voting and voter eligibility, see the County Office listed above. FmHA elections are open to all eligible voters without regard to race, color, religion, national origin, age, political affiliation, marital status, sex, and/or handicap.

METER TAMPERING NOW A FELONY

The State of Texas has recently adopted an amendment to the State Penal Code making meter tampering a third degree felony. A third degree felony comes with a punishment of confinement in the Texas Department of Corrections for a term of not more than 10 or less than 2 years. In addition to imprisonment, an individual adjudged guilty of a third degree felony may be punished by a fine not to exceed \$5,000.

Before the amendment of the new law, it was a class A misdemeanor for meter tampering unless the loss of service was more than \$200. Under the new law, any meter tampering regardless of the amount of loss is now a felony of the third degree.

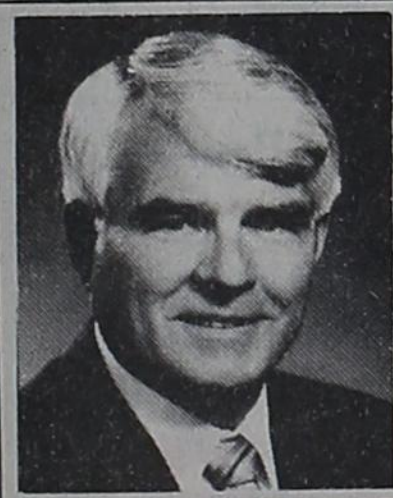

Meter tampering consists of, but is not limited to:

- (1) Diverting electricity from passing through a meter device.
- (2) Preventing electric service from being correctly registered by a meter device.
- (3) Unauthorized activation of electric service.

As a special note to our members, it will also be considered meter tampering if a meter is reset and electrical service is restored by anyone other than a Cooperative employee.

All Cooperative meters are sealed. This seal should not be cut or broken without special authorization. In cases where the seal must be cut for emergencies the Cooperative should be notified as soon as possible so that the meter can be resealed.

THIS LAWN at 501 N. Avenue E is always nice to drive by and look at. It belongs to Norene Hawkins, who is often seen sitting on her porch glider and enjoying the peaceful view. The pine trees make a nice shade and iron pots filled with blooming flowers make an attractive scene. No wonder the garden club honored her with the Yard of the Week sign.

M-44 CERTIFICATION TRAINING

An M-44 certification training will be held on Thursday, October 6 at 7:30 a.m. at the Shamrock Cafe in Munday.

Billy Henderson, Texas Department of Agriculture representative, will present the training. Anyone having M-44 Certification must be re-certified by November in order to receive new licenses.

Anyone wishing to become certified may also do so by attending the training.

AG PRODUCERS MANAGEMENT SEMINAR

An Ag Producers Management Seminar will be held on two consecutive Tuesdays, November 22 and 29 at the Knights of Columbus Hall

in Rhineland from 9 a.m. to 3 p.m. each day.

The seminar is being sponsored by the Citizens State Bank of Knox City, the First National Bank of Munday and the Knox County Crops Committee.

A pre-registration is required by Monday, October 3 by contacting the County Extension office.

Participants will receive in-depth training on record keeping and preparing cash flow statements, balance sheets and income statements. The seminar will be conducted by economic specialists from the Texas Agricultural Extension Service.

★ BENJAMIN NEWS ★

By Mrs. Gladene Green

JR. HIGH FOOTBALL

The Benjamin Colts were hosts Thursday night to the Northside junior high team. Benjamin remains undefeated this season by winning over their opponents 31-13. Making the TD's were Jason Redwine who ran for three, Timmy Cash made one and Trey Stone had one. The only point after try was also made by Redwine.

Northside is coached by one of our own boys, Craig Hertel. He only had six boys, so did well for such a few players.

Again during the half we were entertained by the little boys who played a flag football game. Those players were Chad Rainwater, Justin Waldron, Tyler Carrol and Jeremy Simmons on the blue team and Jacy Collins, A.R. Hibdon, Wade Pierce, Jay Ryder and Cory Kimmel playing for the Reds. I'm not sure who won, but it was fun to watch. They had their own cheering section, too. Those cheerleaders are Audra Neal, Rachel Duke, Crystal Hibdon and Amanda Bufkin. And believe me, we have some real enthusiastic little girls who will do good when they get into junior high and high school.

IN HOSPITAL

Kim Conner Ivie has been a patient in the Methodist Hospital in Lubbock this past week. She entered the hospital Monday morning with severe chest pains and it was determined that she had a blocked valve so she underwent the angia plasta procedure immediately to correct the problem. She is doing well and should be as good as new when she recovers. Her parents, Bud and Van Conner, have been with her in Lubbock. Kim will return to her home in Dickens when dismissed from the hospital which hopefully will be today (Monday).

GRANDSON RECEIVES RECOGNITION

Shane Groves has been selected as a new member of the Outstanding College Students of America because of outstanding merit and accomplishment as an American college student. Shane is a sophomore at the University of Texas and is the son of Mr. and Mrs. Leon Groves of Mineral Wells. His grandmother is Aliene Groves of Benjamin (whom I might add is very proud of this young man!).

GARAGE SALE PLANNED

Several families over here are planning a community garage sale early in November. We plan to rent the Memorial Building and have it all under one roof. Anyone desiring to join should let me know and we'll discuss the details. Watch the classified ads for the exact date and time.

MUNDAY HOMECOMING

We former Mundayites are getting ready for our homecoming. It will be October 15 and promises to be one of the best ever. The merchants are getting their windows ready for the window decorating contest. I was in the M-System

Friday and had such a good time looking at their decor. They are using old pictures, some of them "way back when". But when I came across mine from 1954, the fun stopped!! Isn't it always strange how much your mood changes when things shock you? It's all done in fun and really quite a bit of entertainment for the store customers.

At any rate, I'm sure looking forward to MHS Homecoming, 1988.

HERE AND THERE

Hazel Stockton visited her brother, Sam and Clara Loper and her granddaughter, Kim Ivie, a patient in the Methodist Hospital in Lubbock, during the weekend.

Lorrie Rolston and her roommate, Carla Bohoner of Comfort, were weekend guests of Lorrie's parents, Homer and Jan Rolston. The girls are students at Angelo State University in San Angelo. On Saturday, Lorrie, Carla, Jan, Homer and Jennifer attended the Beach Boys' concert in Wichita Falls. They said it was a very enjoyable day.

Brady Wampler of Rochester died Friday morning at his home. Mr. Wampler was the husband of a former resident of Benjamin, Ruth Gillentine. Funeral was Sunday in Rochester.

Betty Hibdon and Larry Easley of Snyder, Okla. were Sunday guests of her son and family, the Randy Hibbons.

Betty and Sabra Parker of Aspermont were Sunday guests of Betty's parents, Gloria and Leroy West.

Sam Slade of Austin spent a couple of days here last week with his grandmother, Bo Milson, while his mom, Kelly Slade, was in Lubbock attending the national meeting of the Family Outreach of America Organization. Kelly is on the board of directors of this organization in Austin. The group was organized in the 1970's and is con-

cerned with the problem of child abuse.

Jimmie Klutts asked me to mention that there are several dishes at the Memorial Building that belong to folks in the community. The dishes have been left there from recent meals provided by the community for various reasons. The main ones being funerals. So if you have missed a dish, it may be there.

Roger and Betty Bohannon and family of Amarillo were weekend visitors in Benjamin. Also in to see their friends and family were Larry Neal and Lonnie Bohannon of Amarillo.

Johnny Brannan of Lubbock was a recent guest of his mom, Gertrude Brannan.

Singing was held here Sunday at the Church of Christ. Several area folks were here and lots of good singing was enjoyed by all.

Micky Smith is a patient at Humana Hospital in Abilene undergoing tests. We wish Micky a speedy recovery.

Dutch and Imogean Young, Dee Ann and Anthony Lamb, Brenda Gallaher of Wichita Falls and Mike Young of Seymour were in Dickens Saturday night to visit Joe Nunley and prepare a birthday supper to honor Dee Ann and Mike.

Visiting Billy and Pat Benson and their other Benson relatives during the weekend were Tommie Gail

Robinson, Tommy Benson and Charlie of Abilene, and Butch and Letha Young of Arlington. Billy Ben is feeling pretty good but will enter Bethania Hospital in Wichita Falls for more treatment which always makes him feel worse. If all goes well, he will be home Sunday. Please continue to remember Bill and his family in your prayers.

Troy and Julee Pratt of Lubbock were weekend guests of his parents, Jim and Barbara Pratt.

If your old heating unit can't keep you warm anymore or won't last the winter, warm up with an electric heat pump.

The heat pump will keep you warm in the winter and cool in the summer. You'll also save money because the heat pump delivers two or more units of heat for every unit of electricity used.

Plus as a WTU customer, installing a heat pump with a seasonal energy efficiency rate of 9.0 or above can qualify you for \$500 when your home meets WTU's Energy Saving Plan requirements.

Counts Receives CLEAT Approval

David Counts, Knox City businessman, has received the endorsement of the Combined Law Enforcement Associations of Texas in his bid for the House of Representatives, 78th District. Counts, the Democratic nominee, expressed pleasure in receiving this endorsement from the 8,000 member association. Ronald G. DeLord, president of CLEAT, said, "CLEAT believes that you are committed to seeing that the government uses its resources to aid local police and district attorneys in our war on drugs and crime. A strong local police force is the public's only safeguard." Counts continued, "It is nice to be recognized as the 'law and order' candidate having worked closely for years with various law enforcement programs."

Don't Forget The Sausage Dinner

The Knights of Columbus will hold their annual sausage dinner this Sunday, October 9, from 11 a.m. to 1:30 p.m. at the Columbus Club Hall in Rhineland. Adult prices will be \$5 and children under 12 can eat for \$3. You can also buy bulk sausage for \$2.50 per pound. Everyone is invited to eat homemade sausage or fried chicken.

FIBER SUPPLEMENTS AND WEIGHT LOSS

The supplement industry is promoting fiber supplements -- along with a low-calorie diet and high fiber foods -- as a safe aid to weight loss. The manufacturers admit that the low-calorie, high fiber food diet alone will result in weight loss. But they suggest fiber supplements are a more convenient way for dieters to get necessary fiber. They may be more convenient for some, but they're also more costly. For example, a day's intake of tablets, about 15 in all, costs about 90 cents a day and provides only about 7 grams of dietary fiber, which is less than 20 percent of the recommended intake. When you get your fiber from food, you also get the "chewing factor" which adds to your satisfaction and feelings of fullness.

NEW DEVELOPMENTS IN FIBERS AND FABRICS

In an effort to stay competitive in world markets while also pleasing consumers, manufacturers are constantly working on new and better fibers and fabrics.

For example, a new blend of polyester and cotton has a more open structure to the yarn which allows air to flow through more easily, enhancing breathability. This fabric, called Light Spirit Blend, also quickly absorbs moisture, drawing it away from the skin and moving it to the fabric surface where it evaporates.

Another new fabric combines Thermax thermal-wear, two-layer fabrics in combination with other fibers, with the Thermax next to the skin. This allows the Thermax fibers to trap heat radiated from the body and wick moisture away from the skin.

Softex Dacron is a type of polyester fiber that improves on traditional Dacron. It has more softness, a luxurious feel, excellent draping qualities and the ability to dye and nap more easily than Dacron.

A yarn of 75% Orlon acrylic and 25% nylon marketed as "Duralon" has been developed for use in socks. Socks made from Duralon are expected to wear twice as long as those made of Acrilan II, 50% wool and 50% acrylic, or 100% cotton. They are also very soft.

Comfort Fiber polyester which has been available for a number of years in knitted goods is now being used in woven garments. Comfort Fiber is a more breathable and

durable polyester.

Many clothing manufacturers will use fiber characteristics as selling points for their garments. Check the hang tags for information on the kind of fiber and fabric you're buying.

It's A Girl!

Greg and Shawna Melton would like to announce the arrival of their darling little girl. Her name is Parris Marie, and she made her arrival on Thursday, September 22, 1988, at 12:45 p.m. She tipped the scales at 7 pounds, 12 3/4 ounces and stretched out to 21 inches in length.

Shane, age three, and two-year-old Joseph are both just tickled pink that their mom brought a baby girl home from the Seymour hospital.

Maternal grandparents are Mr. and Mrs. Eugene Vahlencamp of Old Glory. Betty Melton of Munday is her paternal grandmother. She also has a great-grandmother, Pauline Morrow, and a great-great-grandmother, Delia Mullican, both of Munday.

Reunion Planned For Class Of '76

The Munday graduating class of 1976 is planning a big get-together on Saturday, October 15, from 1:30 to 3 p.m. at the home of Bobby and Ida Jo Owens. The five and ten year class reunions were missed, so now the class wants everyone to be sure to come and make up for the lost years.

Class members are asked to bring any old scrap books, class pictures, or any other class memorabilia with you. And if you know of anyone who moved away before graduation, try to contact them or call Melinda Adams at 422-4406 or Tammi (Ray) Carrington at 888-3174 or 888-2028.

★ VERA HAPPENINGS ★

By Mrs. Thelma Coulston

Rev. Douglas Crow of Seymour was guest speaker at the Vera Baptist Church, at Sunday morning and evening services, in the absence of the pastor, Rev. Delmar McBeath. Rev. Crow was accompanied by his daughter, Cindy and family, of Wichita Falls.

David Roberson and Debrah Beck of Denton were weekend visitors in the home of Debrah's parents, Mr. and Mrs. Harold Beck.

Earl Evans and Gary Don of Levelland visited their friends, Mr. and Mrs. Duward Richards.

Phillip Boone, a student at Tarleton State University in Stephenville, was a weekend visitor with his grandparents, Mr. and Mrs. Clifford Boone.

Mr. and Mrs. Clyde Beck were in Wichita Falls Saturday where they saw their grandsons, Gregory and Jason Marek, play on their soccer teams at the Wichita soccer field.

Mrs. Sabra Rice, Mr. and Mrs. Jerrell Trainham and a daughter,

Munday FHA Chapter were Angie Partridge, Holly Jackson, Ann Parker, Jae-Jae Reneau, Kathy Wilde, Neomi Hernandez, Robin Reneau, Lisa Steedley, Shawna Simpson, Youlanda Wright, Susan Whittemore, Misti Zeissel, Tonya Kuehler, Kathy Welch, Bridgette Beaty and Dixie Reid. Mrs. Frances Parker, Mrs. Nancy Whittemore and Mrs. Penny Winchester accompanied the group.

Mr. and Mrs. Bobby Laird and son, of Haskell, were in Justin on Saturday where they attended memorial services for Mrs. Rice's sister, Mrs. Sibyl Ferrell, at the Justin Baptist Church, Saturday afternoon at 2 p.m. Burial was in the Justin Cemetery. June and Mrs. Rice spent Friday night in the home of a friend, Mrs. Tommie Sullivan and daughter, Glenda, in Denton.

Weekend guests in the home of Mrs. Henry Patterson were nieces and nephews, Dorothy Dickerson of Cypress, and Mildred Ayers, Everett and Hazle Kilby and Vernon Norman of Hot Springs, Ark. Also visiting Mrs. Patterson on Sunday were Mrs. Reba Nix of Munday, Alton Lee and Colleen Patterson of Wichita Falls and Mr. and Mrs. Bobby Thornhill of Seymour.

Mr. and Mrs. Butch Young and Lisa of Iowa Park spent Friday with Mr. and Mrs. Dalton Gore.

Outmanned 'Cats Lose to Harrold 40-0

The Goree Wildcats suffered a crushing defeat at the hands of the Harrold Hornets in Goree last Friday night, as the Hornets beat them 40-0.

Goree's Gary Dixon ran for 89 yards in 29 carries, but failed to get through the tough Harrold defense for the score.

Harrold is undefeated and starts nine seniors as opposed to Goree's one starting senior on defense and none on offense.

Wildcat Coach Cliff Gilmore remarked that Harrold had his team outmanned from the start. They were much more mature and had the size and the strength that comes with age and maturity. The inexperienced Goree team was just no match for them.

"We're not down at all, though," said Gilmore. "We played a good ballgame, we just didn't have the size and strength to play against a team like Harrold. We are not going to be the district doormat. We have the talent and when we gain the strength and experience that comes with age, we're going to be good competitors."

"I think we'll win some ballgames this year," he added, "because somebody's going to take us too lightly and we just might slip up on them."

Since losing senior Lonnie Shahan to a back injury, the Wildcats have one starting senior, one junior, two sophomores, and eight freshmen.

Goree will play Rochester there on Friday, October 7.

Haskell-Knox Baptist Association To Hold Meeting In Munday

The 83rd Annual Meeting of the Haskell-Knox Baptist Association will be held at 3 p.m. Sunday, October 9, at First Baptist Church in Munday. The association is made up of seventeen cooperating Southern Baptist Churches and missions in Haskell and Knox counties.

Reports of the previous year's work and programs for the new year will be delivered as Ronnie Travis, pastor of First Baptist Church, Knox City, presides over the meeting as moderator.

The doctrinal message will be delivered by the newest pastor to the association, Jim Turner of First Baptist Church, Haskell. Director of Missions, Dr. Mike Smith, will give the missionary message and Paris Barton, pastor of Gilliland Baptist Church, will deliver the annual sermon.

Ken Coffee, coordinator of area/associational missions for the Baptist General Convention of Texas, will bring the denominational report while Ford Cole, James Sinclair, and John Pike will provide leadership in music.

The Southern Baptist churches of Haskell-Knox counties are urged to elect and send their voting messengers and guests are welcome to attend.

Retired Teachers Have Meeting

The Knox County Retired Teachers met Tuesday, September 27 at the Knox City Community Center with 20 members and one guest present.

Jessie Roberts introduced Dolly Vincent of Benjamin who presented a very enjoyable program: "Customs of the Island of Bahrain." Dolly lived there from July 1983 until October 1985 working for a computer company in administration. She became very close friends with a native family while there and was, therefore, able to share firsthand about their culture, customs, dress, and foods. She also brought pictures and artifacts.

President, Jessie Roberts, presided at a business meeting following the program. Barbara Ratliff and Dorothy Myers were welcomed as new members. Appreciation to the program committee was expressed, and Louise Kemletz, chairman, presented an overview of the 1988-89 yearbook and the many interesting programs to come. An announcement of the District meeting to be held in Vernon on October 18 was made. Members were urged to attend if possible.

Hostesses Margaret Siecke, Louise Finley, and Zoy Risinger served refreshments of orange sherbet frosties, brownies, and cookies.
