by Joyce Beecher Greenwood

My dad would have been 75 years old today. He left this earth three years ago, three days after his birthday and one day after his retirement from the North Central Texas Municipal Water Authority became official.

He was a descendant of Lyman Beecher, but his great-grandmother had been Cherokee and the Indian traits were prevalent in his love of nature and some of his theories as well as some physical features like the high cheek bones and the intense black eyes.

My sisters and I learned to read those eyes at an early age. If Mother told him about some offensive deed we had committed and he confronted us with a tiny twinkle in his eye, we could be pretty certain that we would get off with a minor reprimand. On the other hand, if the stern look was there, and he said, "Well - now what do you have to say for yourself?", we knew we would probably be grounded for a while.

He was a quiet man and never raised his voice except in some silly song that sent us into uncontrollable fits of laughter.

"She's my darling, she's my daisy. She's knock-kneed and crazy. She's cross-eyed, bowlegged and blind...."

I think he must have made up all his songs because nobody ever heard them anywhere else, but he had a "million of them." His voice didn't give Perry Como any cause for worry, but he sang anyway. He always said he "couldn't carry a tune in a paper sack, but it's never stopped me from singing."

My sister, Gayle, had set up the tape recorder one day to take to school for some project. Daddy, not knowing that the recorder had been set up for a purpose, decided to practice his singing.

The next day when Gayle turned on the tape recorder at school, there was Daddy's off-key voice singing at the top of his lungs, "Oh, come, come, come, come, come to the church in the wildwood" in front of the entire high school study hall.

"I was just thankful he didn't sing 'Pa's Old Dog,'" Gayle said.

His songs told stories much of the time, "Two Little Boys" and "Platonia, the Pride of the Plains". We all sang them to our own kids and Nell and I sing them now to our grandchildren and I'm sure Nell precedes every song in the same way I do. "Do you remember your De-De?"

He was always a little paranoid about his lack of a college degree. He had graduated from high school during the depression and college was unattainable for him, but he never stopped learning. He taught himself accounting, he taught himself Spanish and could speak it fluently, and because he had a deaf cousin of whom he was fond, he taught himself sign language in order to communicate with her.

One of his favorite stories was of a man who walked into the old water authority office next to Paul Pendleton's office one day as he was working on the big tax roll books. The man had a sign around his neck that read: "I am deaf. Please help me," and he carried a box of pencils.

Daddy began to talk to him in sign language and the man appeared to be confused as he awkwardly answered in the language of the deaf. Thinking he must have recently lost

## Ambulance Benefit, Barbecue Planned

Bobby Hutchinson, ambulance coordinator, has announced that he has been shopping for an ambulance and found them more than \$4,000 higher than they were six months ago.

"I've been looking around and will continue to look," he said. "They want \$32,500 difference to trade in the Dodge and \$24,000 difference if we trade in the Ford. That means we're from \$4,000 to \$10,000 short of our goal."

Plans are being made for a variety show and a barbecue supper on October 8 to benefit the ambulance fund.

The variety show is under the direction of Gary Hale of Goree and will be held in the Munday High School Auditorium. Tickets will be \$3 for adults and \$1.50 for children under 12.

The barbecue will be in the high school cafeteria and will feature a barbecue sandwich, potato chips, a drink and a homemade dessert for \$3.00 per plate. Wally Roberts is catering the meal and is cooking the barbecue without charge to benefit the ambulance fund.

Area residents are asked to come to the show, enjoy a barbecue meal and help raise the necessary funds for the ambulance.

## Rhineland Plans Sausage Meal

The Knights of Columbus will host their annual sausage dinner at the Knights of Columbus Hall in Rhineland on Sunday, October 9.

Sausage, fried chicken, various vegetables and homemade desserts will be served from 11 a.m. until 1:30 p.m. Tickets are \$5 for adults and \$3 for children under 12.

Bulk sausage will be sold at \$2.50 per pound to those who order in advance. To place orders, call 422-4828, 422-5531, 658-3416, 422-5344 or 422-4775. The sausage will be ready on Saturday, October 8 and can be picked up at Brown's Store in Rhineland.

In conjunction with the meal, St. Anne's Mothers Society of St. Joseph's Catholic Church will hold a bazaar. Homebaked and handmade items will be on sale at that time.

Members of St. Joseph's parish invite everyone in the community to join them for this annual fall meal. David Kuehler is dinner chairman and Larry Welch is Grand Knight for the organization.

## Moguls Take 48-Zip Win In District Opener

As sports writers had predicted, Munday began district play with a "bang" and gave fans who traveled to Crowell the big play excitement they have come to expect from the Moguls as they shut out the Wildcats 48-0 Friday night.

Chad Bordovsky, still revelling in his exceptional game against Archer City last week, picked up 11 yards on two carries for the first down on Munday's first possession. Bordovsky filled in as quarterback for Marc Andrade who suffered a slight shoulder separation in last week's game. Tyler Thompson, assuming fullback position, picked up two yards rushing around left guard and Terry Collier took it for four more.

Bordovsky tried another quarterback scramble that netted three more yards, just short of a first down and the Moguls had to punt.

Crowell had difficulty moving off their own seven yard line for the first two plays on their first possession, but a seven yard pass to Royce McGarr put them on their 14 yard line, three yards short of a first down and forcing a punting situation.

Terry Collier took the 29 yard punt and ran for five yards around right tackle. Brother Perry carried for seven more and a first down on

SUSAN WHITTEMORE, at left, daughter of Nancy Whittemore, took Best of Show honors at the Haskell County Fair held last weekend. Kathy Welch, daughter of Mr. and Mrs. Lloyd Welch, was the Grand Champion youth exhibitor for 1988.

## Exes Plan Variety Of Activities For Weinert Homecoming '88

The Weinert Homecoming will be held Saturday, October 1, beginning with registration at 9 a.m.

Ex-students and friends will be able to meet each other and visit throughout the morning, before the program begins at 2 p.m. with the recognition of Coming Home King and Queen. There will be a short intermission at 3:30 before the entertainment begins at 4. A program entitled "All My Exes Live in Texas" will feature Durwood Burton of the class of '58, along with many other ex-students.

A concession stand will be provided by the Weinert Baptist Church throughout the day.

Supper is at 6 p.m. and will be catered by Sanderson's of Graham. The meal will consist of sliced beef,

ham, sausage, cole slaw, potato salad, beans, a relish plate, bread, cobble, and iced tea. Cost will be \$5.50 per plate.

Following the meal, there will be individual class meetings and more visiting until the dance begins at the Haskell Civic Center at 8.

Some of the individual class activities include a get-together for the classes of 1965-1976 at Mary (Yates) and Ed Murphy's home on Saturday following the homecoming activities. There will be games, visiting and a slide show of "Weinert Through the Years". Local exes are asked to bring snacks to the Murphy home.

A special invitation is extended to the class of 1968 to celebrate the 20th anniversary of their graduation.

Officers for the 1988 Homecoming are: Mary Nell (Raynes) Coltharp, Class of '61, president; Hal Guess, Class of '73, vice-president; and Sue Hager Stewart, Class of '72, secretary.

the Wildcats 38 yard line. Terry Collier gained five yards, lost four, and gained five more. A pass from Bordovsky to Kent Sanders carried a 15-yard penalty and forced a punting situation for the Moguls.

Crowell gained only seven yards on three plays before they were charged with a 15-yard penalty.

Terry Collier picked up a first down on Crowell's 29 yard line with a 19 yard run. Bordovsky, under pressure, tried to scramble around left end, but was stopped for no gain on the play. Perry Collier swung around left guard for four yards and Bordovsky scrambled for six more and another Mogul first down. On the next snap, Bordovsky found a big hole that defense made for him and ran 19 yards for a Munday touchdown. A pass to Perry Collier and a running points after attempt added two more points, making the score 8-0 in the first quarter.

Plagued by penalties and incomplete passes, Crowell failed to move from their own 30 yard line and Munday took over on a 38-yard punt.

Bordovsky gained one yard on a scramble, but a pass to Donald Edgington was incomplete. Then Perry

## '88-89 School Budget, Tax Rate Approved By Board Of Trustees

The Munday Independent School District Board of Trustees has approved a budget and tax rate for the upcoming school year. The official budget for 1988-89 will be \$1,797,061 which will cover all the needs for the district. The breakdown of the budget is as follows: Payroll and payroll related, \$1,262,099; bonded indebtedness, \$126,500; contracted services, \$116,223; supplies, \$138,165; capital outlay, \$60,224, and other, \$93,850.

The budget will be financed by a

combination of local, state, and federal funds.

The tax rate was set at \$1.30 per hundred dollars evaluation. This rate has remained the same since 1982 with .81 going for general operations and .49 for bonded indebtedness.

The board's decision to keep the tax rate at its current level was based on the assurance that the quality of programs and buildings could be maintained. Any deficit in revenues and expenditures will be taken out of the school's reserve funds.

## Latham Brothers Take Top Honors In Sheep Division

Munday was well represented in the Haskell Fair Saturday with several young people taking prizes in the livestock division.

In the lamb class, Bryan Latham was Grand Champion winner for market lambs; Champion for medium wool, and first for extra heavy medium wool.

Kent Latham took Reserve grand champion prize for market lamb, reserve champion for medium wool, first heavyweight fine wool, champion fine wool, first medium weight and medium wool.

Melinda Latham received fifth place with a lightweight South-down.

These youngsters are the children of Ruddy and Linda Latham of Munday.

Bryan Latham also took grand champion honors for his heifer, as well as champion Simmental heifer, and third place for Class 1 short horn steers.

Knox City's Christi Whitten was in sixth place for Class 21 cross steer and fourth in Class 2 shorthorn.

Rhonda Whitten - second, Class 19 steer; fourth, Class 21 cross; third, Brahman cross.

Jay Whitten - fourth, Class 19 cross; sixth, Class 1 shorthorn.

Jayson Patterson - third, Class 3 Hereford heifer; fifth, Hereford steer.

Lance McWhorter, son of Bob and Cindy McWhorter, took third in the Class 20 cross division and fourth in Class 21 cross.

Angie Partridge, daughter of Wendell and Leona Partridge, was fourth with her Angus steer and third in Class 16 cross.

Jason Simmons finished fifth with his Hereford and Jeremy Simmons was fourth with an Angus steer.

Will Dutton, son of Frank and Janice Dutton, took honors for his rabbits with second place for junior Californian buck; first, junior Californian doe; and fourth, senior Californian doe.

Sara Dillon of Knox City won first, second, and third prizes for senior white does; Reserve champion doe; champion buck; reserve grand champion; over-all rabbits; and first, senior white buck.

LaNae Boyd - first, junior Californian buck; first, senior colored buck.

## School Officials Urge High ADA During October

Munday Independent School District received a total of \$1,052,096 in state revenue for 1987-88. Attendance in October determines the bulk of this revenue. It is for this reason that school attendance will be emphasized in the next four weeks.

School officials are urging parents to keep their children in school, except for illness, and change or postpone appointments that conflict with the school day.

Principals will be offering incentives to students that have perfect attendance during October. The goal for the district is an average daily attendance of at least 400.

### Council Meets In Special Session

The city council of the City of Munday met at 7 p.m., September 22, 1988, in special session at the city hall.

Members present were Mayor Doris Dickerson and Aldermen Richard Albus, Jessie Tucker and Jessie Andrade.

Members absent were Garon Tidwell and Gene Brown.

Mayor Dickerson called the meeting to order. First business was to consider deeding a tract in Johnson Cemetery being 83.2 vrs. by 155.2 vrs. out of Section 72 Blk. 2 D&W RR CO. Survey Cert. No. 171 and being the SE corner of Johnson Cemetery as it now exists, said land to be deeded to trustees of the Johnson Cemetery Endowment Trust. Title is vested in the City of Munday with balance of cemetery being already vested with the trustees. Andrade made the motion that Mayor Dickerson be authorized to execute a deed from the City of Munday to trustees of the Johnson Cemetery Endowment Trust. Tucker seconded. Voting for were Andrade, Tucker and Albus. Motion carried.

Mayor Dickerson next stated that the council needed to decide on its first priority for the application to the Texas Department of Commerce Community Development application. Following discussion, Andrade moved that the City of Munday apply for a \$250,000 new street paving project, paving to include curbs, and the city to commit to contribution of 15% with a portion of the 15% to be for water and sewer relocations and this portion would be an in-kind contribution. Tucker seconded the motion. Voting for were Andrade, Tucker and Albus; motion carried.

Liability and property insurance was considered. The City Administrator was instructed to accept the lowest bid of a September 16 offer from Lanco Insurance Co. (Two bids were submitted).

Albus moved meeting adjourn. Andrade seconded; all for.

his hearing, Daddy signaled, "How long have you been deaf?"

"All my life," the man signaled back, laboriously and not even very accurately.

Daddy gave him a small donation and waited until the man turned his back to leave. Then he casually shoved the heavy tax roll book onto the carpetless floor right behind him.

"He jumped like he was shot," Daddy laughed when he told his story, "and pencils went everywhere. He gathered them up, gave me a murderous look and walked out without a word."

I'm sure the years on the farm when Nell and I were little were not easy for Mother and Daddy, as they struggled to make a living, but Nell and I never knew it. We had all we needed to make us happy. Daddy built a little table and two little benches out of scrap lumber, along with a little cabinet and he set up a play-house in one corner of Mother's "wash house". He built doll houses from plywood and pasteboard and painted them white and there has never been a doll house in a toy store anywhere that could compare with those houses.

He was never too tired to tell stories or fix a broken doll's arm or the tail of a kite, and he never told us "no" without giving us a reason. It was never "No, because I said so", but rather, "I don't want you to do that because..."

When Gayle was in high school, it became pretty popular among high school students to climb the city water tower. Somehow, Mother found out that Gayle was planning to climb it. She told Daddy when he got home from work.

"Now, Pete, you'll have to tell her not to climb that water tower," she said. "She'll fall off and get killed."

Daddy didn't say anything until Gayle started to leave the house that night. Then, looking at her intently over his newspaper he said, "Gayle, tonight if you climb that water tower, you'd better make sure you have a good hold with one hand before you let go with the other. If you get up very high and fall, there won't be any brushing yourself off and trying again."

His philosophy was simple. Do the best you can do at whatever you do. Believe in yourself. Stand up for the things you believe in, and no matter how unpopular they may be, if you feel that your beliefs are right, stay with them.

He always told us to never leave home without a quarter for the telephone.

"You'll never wander so far away," he would say, "that I can't come and bring you home if you call."

Sometimes when troubles start clouding my mind and there just doesn't seem to be any way of working through a problem, I walk down to the pond on our farm, just when the world is preparing for night, I close my eyes and picture his chiseled features in my mind and if I listen with my heart, I can still hear his voice.

I miss him. \*\*\*\*\*

### Lions Annual Broom Sale Set October 4

The annual fall sale of mops, brooms, and other items sponsored by the Lions Club will be held Tuesday, October 4, on the west side of the City Hall square. Wilfred Bellinghausen is chairman of the project this year.

Sales of products made by blind and visually impaired workers at the Lighthouse for the Blind will benefit blind and multi-handicapped employees by creating more jobs and financing other related services.

The community is urged to support this effort by purchasing these good quality, reasonably priced items.

### County Library Offers Service To Home-Bound

If you are unable to visit the City-County Library in Munday because you are confined to your home or a nursing home, or because you are ill, the library board has set up a program for the delivery of books, every two weeks. Paperback, hardback, and large-print books are available.

Books may be checked out by the following methods:

1. Call the librarian, JoAnn Norman, at 422-4077, or
2. Send a postcard to the City-County Library, giving the titles or types of books you want, or
3. Contact one of the following persons in your town:

Goree - Joy Hord, 422-5125  
Knox City - DeAlva Marshall, 658-3041

Benjamin - Belle Grill, 454-2021  
Truscott - Clara Owens, 474-3385  
Gilliland - Ruby Martin, 474-3257  
Vera - Aleitha Beck, 888-2223

Munday - Mauryse Stone, 422-4572; Cindy Thompson, 422-4938; or Anna Decker, 422-4210.

These people will notify the librarian for you, deliver your books, and pick them up. \*\*\*\*\*

### Window Decorating And Parade Part Of Homecoming '88

Munday businesses have been asked to enter the homecoming window decorating contest. Windows will be judged on theme, neatness, and originality. There is no entry fee but the Chamber of Commerce needs to know who plans to compete and the windows must be completed by October 10 in order to be judged.

Those planning to enter a float in the homecoming parade are also asked to notify the Chamber of Commerce. Ribbons will be awarded for best of theme "1988 Homecoming", best originality and best design.

Entry forms for both events are printed elsewhere in the Courier. \*\*\*\*\*

### Texas Employment Rate Increases

The Texas economy continued to improve in August, with the statewide unemployment rate a 6.7 percent. Statistics released today by the Texas Employment Commission show the lowest August unemployment since 1985.

"The August non-farm employment of 7.9 million Texans is 159,000 more than in August 1987, with many of the additional jobs in manufacturing," said Commissioner Mary Scott Nabers of the Texas Employment Commission. "Salaried jobs increased by more than 120,000 during that period."

Nabers noted that all Metropolitan Statistical Areas (MSA's) in Texas posted lower August unemployment rates than one year ago. In August, 14 areas had rates lower than the state average, while 13 were above it.

Areas with the lowest unemployment rates were Bryan-College Station, at 4.2 percent; Lubbock and Midland, both with 5.1 percent; Amarillo, Dallas and Wichita Falls, all at 5.4 percent; Abilene, at 5.7 percent; Austin, Fort Worth-Arlington and San Angelo, all with 5.8 percent; Sherman-Denison, at 5.9 percent; Houston, at 6.2 percent; Victoria, at 6.4 percent, and Waco, at 6.5 percent.

Those areas with the highest rates in August were McAllen-Edinburg-Mission, at 15.9 percent; Brownsville-Harlingen, at 12.5 percent; Laredo, at 11.1 percent; El Paso, at 10.0 percent; Beaumont-Port Arthur, at 9.5 percent; Corpus Christi, at 8.5 percent; Galveston-Texas City, at 8.1 percent; Longview-Marshall, at 7.8 percent; Brazoria and San Antonio, both with 7.4 percent; Killeen-Temple, at 7.3 percent; and Odessa and Tyler, both with 7.0 percent. \*\*\*\*\*

### Salad Luncheon Planned For Garden Club Ladies

Munday garden club will hold a salad luncheon Tuesday, October 4, in the home of Mrs. Lonnie Offutt. Following the noon meal, a program on fall planting will be given. Yearbooks and cookbooks will also be presented to each member.

All members are encouraged to attend. \*\*\*\*\*

Have a nice day.

Collier exploded with a 15 yard run and a first down in Crowell territory. He gained 11 more yards in two carries and picked up another first down before losing five yards to a penalty in play action on the 49 yard line.

A five yard gain by Terry Collier and an incomplete pass forced the Moguls to punt, but Crowell again couldn't move the ball out of their own territory in three plays and had to punt to the Moguls.

Terry Collier took the punt on his own 15 yard line and blasted down the field in one of those "fans to their feet" runs, all the way to the end zone.

Terry carried for the two more points after in a short pass from Bordovsky, making the score 16-0 with 5:59 remaining in first half play.

Crowell's Royce McGarr ran for five yards and Wade Callaway added six more for a first down as the Wildcats staged a valiant attempt to recover.

A five yard run by Lupe Herrera, a one yard gain by Kevin Bergt and five more by Royce McGarr gained a second first down for the Wildcats, but only two more rushing yards and an incomplete pass doused the Wildcats' hope for recovery.

Perry Collier carried for 11 yards and a first down in two plays, but two incomplete passes and no more gain turned the ball over to Crowell.

Then, Kent Sanders recovered a Crowell fumble and the Moguls took advantage of it with two first downs by Terry Collier and a 12 yard quarterback sneak by Chad Bordovsky into the end zone. Lowell Hutchens kicked for one more for a score of 23-0 with 8:29 left in the third quarter.

A disheartened Wildcat team failed to gain any ground at all and a 28 yard punt gave Munday possession of the ball.

Following a five yard penalty, Munday's Tyler Thompson rushed for 12 yards and a first down in Wildcat country. Thompson carried again for four before Perry Collier added 17 more and another first down on Crowell's ten yard line. Thompson ran for two more and Bordovsky was set back for two

before recovering to make a ten yard dash into the end zone. An incomplete pass for extra points left the score at 29-0 with 4:03 left in the third quarter.

Crowell began with a penalty on the next possession and failed to gain any ground as the Mogul defense held tight and refused to yield for a single yard.

The Wildcats got a second chance as Munday fumbled the punt and they recovered, but the invincible Mogul defense dug in, allowing only four yards gain for Crowell.

The Wildcats only marked time throughout the fourth quarter as Perry Collier ran for 29 yards with 11:01 left and Hutchens added one more for 36-0.

Jeff Herring intercepted a half-hearted Crowell pass and ran for a 17 yard pass return and pay dirt only one minute later, but the kick was wide and the score was 42-0 with 10:43 left in the game.

There were only six minutes left when Terry Collier, in one of his famous razzle-dazzle runs, carried the tired pig skin for an impressive 60 yards to add the icing to the cake and solidify the Moguls state ranking. The wide point-after kick was not needed as the game ended in a 48-0 victory for the Moguls.

Coach Jim Edwards expressed pride in his Mogul team.

"Chad Bordovsky did a good job in the quarterback position and got better as the game progressed," he commented. "Tyler Thompson, turned in an excellent performance as fullback -- everybody just played great."

When asked if Marc Andrade would be able to play against Chilli-cothe this week, Edwards stated that he is certain he'll be ok by then.

"He was chomping at the bits to play Friday night," he said, "but I wanted to hold him out until I know he's ok."

Munday will go up against Chilli-cothe in the Mogul Stadium Friday at 7:30 p.m.

Other children present for the occasion were Mr. and Mrs. Ralph Blanton, Mrs. Finis

Bratcher and Shannon and Mr. and Mrs. Clay Ellis of Bowie, and two grandsons, Mr. and Mrs. Ralph Blanton Jr. and Elana of Graham and Mr. and Mrs. Greg McWilliams, Bill and Angela, of Bowie. The families enjoyed a hamburger luncheon at the Clay Ellis home on Amon Carter Lake at the noon hour.

Mr. and Mrs. C.O. Schanz, Mrs. Kay Pruitt of Mesquite and Mrs. Tom King of Munday recently visited Mrs. Loran Patterson and attended the funeral of Mrs. King's sister, Mrs. Ada Cook, in Seymour.

Mrs. Clyde Feemster and Mrs. J. Winston Feemster visited Mrs. Lona Feemster at Brazos Valley Care Home in Knox City on Tuesday.

Mr. and Mrs. Edward Toles of Emory were weekend visitors with their relatives, J and Robbie Feemster and Mrs. Ola Mae Nichols and Lori, and attended the annual weekend singing in the district courtroom in the Baylor County Courthouse Saturday and Sunday. Mrs. Toles is the former Annie Mae McNeill.

Mrs. Ola Mae Nichols has been accompanying her sister, Mr. and Mrs. Willie Carrington, of Seymour, to Wichita Falls several trips this week to be with their brother, Ardean Copeland, of Iowa Park, who is a patient in Bethania Hospital.

The major factors in choosing to attend college in Vernon were convenience and cost; however, Edward has been extremely pleased with the friendly and caring faculty at VRJC. He has received assistance through the scholarship, Pell Grant and Carl Perkins Work Study programs. He has been able to get on the job training by working in the VRJC computer labs. When he leaves VRJC, he plans to work in his field while continuing his education part time.

### Senior Citizens Enjoy Singing

Approximately thirty-five singers participated in the monthly singing sponsored by the Senior Citizens on Thursday, September 22.

Out-of-townners included Mr. and Mrs. Tom Christ of Knox City, Mr. and Mrs. Wesley Kinmon of Seymour, and Grace Smith, Mr. and Mrs. Archie Struck, Rue Dell Roberts and Jinx Tyler, all of Goree.

The group would like to thank Leona Elliott and Ruth Christ for playing the piano and Nolan Phillips, Clyde Yost and Tom Christ for leading the singing.

Everyone enjoyed about two hours of singing, refreshments and fellowship. Watch the Courier for date of the next singing.

**RONNIE BAKER** and Marion Waggoner are pleased as punch about winning the golf scramble with a score of 66 on Sunday at Lake Creek golf course. Terry Bufkin hit the longest drive and Bob Bowen was closest to the pin and earned prizes for these feats.

## Lake Creek Country Club Golf Scramble Results

After being rained out last Sunday, seven teams entered the golf scramble held at Lake Creek Golf Course Sunday, September 25. Good scores were turned in by all teams entered.

Winning first place was the team of Marion Waggoner and Ronnie Baker, with a total of 66. Three teams tied for second with a score of 69. They were Jerry King and Louis Wise; Jack Nuckols, Oscar Cypert and Bob Bowen; and Danny Owens, Terry Bufkin and Joe Morrow. Don Coffman, Felton Jackson and Betty Baker, and Ricky Harlan, Barbara Ratliff and Chris Moore tied for third place with a total score of 71.

Terry Bufkin won a dozen golf

balls for the longest drive, and Bob Bowen shot the closest to the pin on the No. 9 hole.

Other participating in the afternoon outing were W.O. Ratliff, Alvin Michalik and Dean Nuckols.

## ★ TRUSCOTT-GILLILAND NEWS ★

By Mrs. Clara Brown

Sunday was a beautiful day and Monday came in clear and crisp, in the low 60's. Everyone is getting ready to sow wheat as soon as the fields dry up. Even my male relatives are wanting a couple of weeks of sunshine. Last week's rain was a long, slow soaker and most fields are still too wet to plow.

Several from Gilliland attended services at Seymour Saturday for Jerry Tomanek Jr. Following several hours in surgery to repair damage sustained in a recent farm accident, his heart failed under the strain of surgery.

At the Haskell livestock show Saturday, Jeremy Simmons won a fourth place with his Angus steer and Jason Simmons won a fifth with his Hereford steer. Over 150 animals were entered in the show. At an art show held at the same time, Jeremy won third in the youth division.

Ila Mae Bullion, Gail Whitley, and Crystal were in Plano Friday through Sunday of last week visiting the Murry Bullion family.

Gladys Meek of Seymour attended services at the Gilliland Baptist Church Sunday and then spent the afternoon visiting Sybil Simmons.

Johnny Kimmell spent last Tuesday through Thursday with the Moorhouse wagon on the new place the Moorhouses have leased near Haskell.

Saturday, Kristy Kimmell attended an Avon district workshop "Personal Sales Success Training". She is the Avon agent for Truscott and Gilliland now. Kristy said she especially enjoyed the demonstrations and information on the different types of makeup.

Visiting Elmo and Billy Shaw during the weekend were Mike Shaw and son, Perry, of Mansfield and Mike's brother, Jerry Shaw of Haskell.

### Funeral Services Held Thursday For Jerrene A. Cypert

Services were held Thursday, September, at the First Baptist Church in Knox City for Jerrene A. Cypert, 70, who died Tuesday, September 20, in a Wichita Falls hospital.

Rev. Ronnie Travis, pastor of the First Baptist Church, officiated. Burial was in the Knox City Cemetery under the direction of Smith Funeral Home.

Born in Haskell County, she was a longtime Knox City resident, a homemaker and a member of the First Baptist Church.

Survivors include her husband, J.T. Cypert of Knox City; a son, Lyndol Cypert of Richardson; three sisters, Dot Ferguson of Tulsa, Opal Earp and Pauline Myers of Knox City; and two grandsons, Lance Cypert and Tim Cypert, both of Abilene.

Memorials may be made to the First Baptist Church or the Knox City Ambulance Fund.

Bessie Winchester won first place on a knitted afghan at the Haskell County Fair.

### Alvarado.

About 18 attended the monthly dinner at the Gilliland Baptist Church Sunday.

A cemetery working was planned for Gilliland Monday.

Rada Dunn of Crowell visited her sister, Vada Hord, Sunday.

E.J. Jones visited in Floydada Sunday and Monday with his daughter and her husband, Joyce and Q.D. Williams, and the families of grandsons James and Monty Williams.

Visiting the J.C. Langstons last Friday through Tuesday were their daughter and grandson, Renee Boatright and Jesse of Rockport.

They came to escape Hurricane Gilbert. However, rain and a little wind was about all that Rockport got from the storm.

Mrs. Martha Riley of Seymour visited her daughter, Lucille Langston, several days last week.

Jo Kay Hays of Abilene spent Saturday with her parents, Mr. and Mrs. Clarence Miller, and attended the Tomanek funeral at Seymour.

The Gilliland club has two quilts

ready to give away at the next meeting.

Kim Cash was home from Tarleton at Stephenville for the weekend.

Ruth, Alex, and Meagan Mescall returned to Baytown Tuesday.

Visiting Vesta Horne over the weekend were her two daughters and their husbands, Malon and Faye Mitchell of Richardson and Forrest and Winnie Carter of Granbury.

NELL GRISHAM

### Nell Grisham Ends 27 Year Career

A familiar face will be noticeably absent in the First National Bank of Sunday. Nell Grisham closed her teller's window for the last time Friday, September 23, ending a 27-year career that began when Mr. Braley was president of the bank.

Her fellow employees surprised her with a breakfast of pork, eggs, fruit, homemade biscuits and all sorts of delectable breakfast pastries. A blue tablecloth graced the table, complemented by blue candles and fresh cut flowers.

Bank president, Gary Schur, presented her with an engraved plaque commemorating her years of service. Other employees presented her with a corsage and a beautiful sweater-jacket.

Mrs. Grisham's husband, Charles, had been an employee of the Knox City branch of Occidental Petroleum Company for the past ten years. When the plant closed recently, Grisham was transferred to a plant in Seminole where they will make their home.

"We hate to leave," Mrs. Grisham commented. "All our friends and most of our family are here, but that's the way things happen sometime."

When asked if she plans to work in Seminole, Mrs. Grisham commented that she probably would work later on but doesn't plan to be in a hurry to find something.

"I may get bored sooner than I think I will," she added, "but for now, I'm just going to see what it's like to stay home and be a homemaker."

**18 Year Olds Should Register With Selective Service**

As the new school year commences, Selective Service State Director Col. Harold D. Doyle, reminds young men in the State of Texas that if college is in their plans, Selective Service registration must be on their minds. In order to be eligible for federal student aid, job training benefits and federal employment, a young man must first be registered with Selective Service.

More than 1,000,000 Texas men are registered with Selective Service. All men have a legal obligation to register within 30 days of their 18th birthday. "By adding their names to the Selective Service list, these young men are not only bringing themselves into compliance with the law, but are also guaranteeing their eligibility for some important federal benefits and are accepting the responsibility to defend this country in time of need," says Doyle.

By registering with Selective Service these men are joining more than 14 million of their peers across the country.

Colonel Doyle reminds those men who are 18 through 25 and not yet registered that they may do so at any local post office.

**The Lord's Corner**  
by Dr. Pete Bradfield, pastor  
First Baptist Church

A preacher was making an appeal for funds before a large congregation. He asked the people to bring their gifts to the front of the church as an act of willing and cheerful sacrifice. Many came forward to present their offerings, among them a little lame girl who hobbled along at the end of the line. Pulling a ring from her finger, she placed it on the table.

After the service was over, an usher was sent to bring her into a side room where the preacher met her and said, "My dear, I saw what you did and it was beautiful. But the response of the people has been so generous that we have more than enough to take care of our needs. We don't feel right about keeping your treasured ring, so we want to give it back." To his surprise the little girl shook her head in refusal. With a look of rebuke in her eyes, she said, "Pastor, you don't understand. I didn't give my ring to you or the church. I gave it to the Lord!"

See you next week, and remember: God looks at the heart, not the hand - the giver, not the gift.

**★ JANE'S NEWS NOTES ★**

Jane Rowan  
County Extension Agent - Home Economics

**KIDS AND SALT ALERT**  
Kids eat too much salt - and it may put them at risk for developing high blood pressure.

Kids are getting the most sodium from between-meal snacks and the biggest culprits are salty crackers and soups.

Studies show that the average 4-year-old child eats around 3 grams of sodium daily. The recommended safe intake for a 4-year-old is .04 to 1.4 grams daily.

The biggest problem: kids may be developing a lifelong taste preference for high salt foods. High levels of sodium in a small child can influence the development of high blood pressure, especially for children in families with a history of hypertension. It also overworks their kidneys.

**DON'T OVERDO FOAM CLEANING OF CARPETS**

Foam spray carpet cleaners are easy to use and relatively inexpensive, which explains their popularity. You simply apply the spray to a small area of the carpet at a time and work it in with a wet sponge mop. After drying, the carpet is vacuumed, which removes some of the dust and dirt -- and only some of the foam. Brighteners left on the carpet make it appear cleaner. However, a filmy, sticky residue remains on the carpet and it will actually attract dirt. This method of carpet cleaning

can be used occasionally, but probably shouldn't be used very often.

**A NEW KIND OF DRUGS - HUGGING**  
Hugging is healthy. It helps the body's immune system; it keeps you healthier; it cures depression; it reduces stress; it induces sleep; it's invigorating; it's rejuvenating; it has no unpleasant side effects; and hugging is nothing less than a miracle drug.

Hugging is all natural. It is organic and naturally sweet; it has no pesticides, no preservatives and no artificial ingredients. It is 100 percent wholesome.

Hugging is practically perfect. There are no movable parts; no batteries to wear out and no periodic checkups. It is low in energy consumption, high in energy yield and is inflation-proof and non-fattening. It has no monthly payment and no insurance requirements. Finally, it is theft-proof, non-taxable, non-polluting and, of course, fully returnable.

### Extension Service Information Day Scheduled October 3

The Knox County Extension Service will hold their annual information day on Monday, October 3. The program will be held from 9-11 a.m. at the First National Bank in Munday and from 1-3 p.m. at Citizens State Bank in Knox City.

The purpose of the annual information day is to inform the general public about the Extension Service and what it has to offer the youth and adults of Knox County. Everyone is encouraged to drop by and view the exhibits and educational materials that will be available or just to visit.

The host banks have each donated a \$50 savings bond to be given away at 11 a.m. in Munday and 3 p.m. in Knox City. Interested persons will want to drop in and register for these on October 3 as well.

## BENJAMIN NEWS

By Mrs. Gladene Green

### NEW ARRIVAL

Ashley Bufkin, 2½ years old, would like you to know about her new baby brother. Joshua Colten was born September 21 at 8:53 a.m. at Haskell Memorial Hospital. He tipped the scales at 7 lbs, 13½ ounces and was 21 inches long.

His parents are Mike and Lori Bufkin. Grandparents are Doris and Sonny Bufkin of Benjamin and Freddie Riethmayer of Crowell. And he has great-grandparents also, who are Mr. and Mrs. Wesley Jolly of Quanah, Mr. and Mrs. George Riethmayer of Crowell, and Mr. and Mrs. Alvis Petty of Seymour.

With that many grandparents, plus his aunts, uncles and cousins, he will no doubt get a lot of attention.

### JUNIOR HIGH FOOTBALL

The Junior High Colts defeated Goree Thursday night here at Benjamin. The score was 19-12 with Jason Redwine and Jimmy Barrientez making the TD's. This is two wins and no losses for the Colts. We hope they can keep up their winning ways.

Following the ballgame, the entire junior high team was treated to sandwiches, Cokes, chips and all the trimmings on the football field by a bunch of the parents. Seems they all had a good time.

### FIREMAN'S SPOOK HOUSE

The Benjamin Volunteer Fire Department is gearing up for the Halloween season. They plan to have the spook house again and are going to have some new stuff in it this year. They plan to begin work on it this week, so it should be ready by Halloween. Watch for posters and also this column for the dates and times it will be open.

The firemen are also taking donations for a shotgun to be given away. So if they ask you to donate, please do. They need money to operate, and if any of us have a fire, we will sure want them to come to our aid! And they will.

Jan Ralston was among the group who attended the cadaver lab workshop in Lubbock recently. This is part of the continuing education program that EMT's are required to attend. Jan said it was a very interesting day and she feels she benefited greatly from it.

Earlene Meinzer called to tell me to let the folks know that there will be a church social dinner Sunday, October 2, at the First Baptist Church here in Benjamin. Members are asked to bring their lunch and enjoy food and fellowship following

### the morning services. HERE AND THERE

Bill Benson was in Wichita Falls last week for a check-up. His tests were good and he seems to be feeling pretty well, according to his daughter, Sheila.

Grace Snailum, who is in a care home in San Antonio, is doing better. She has a few problems from time to time but is improving according to reports from her daughter, Shirley Jordan.

Mr. and Mrs. Raymond Yandell of Stafford, Arizona, were recent guests of her brother and family, the Hester Halls.

Mr. and Mrs. Ronnie Guier of Phoenix, Arizona, and Irene and Archie Struck and John Cole of Goree visited Earlene Meinzer recently.

Recent guests of Omitene Barnett were Mr. and Mrs. Howard Barnett of Baytown. They came at this time to get away from the chaos created by Hurricane Gilbert in their area.

Gloria West and I attended the funeral of Jerene Cypert in Knox City on Thursday.

The recent rains caused several of the newer graves at the cemetery to sink quite a bit. Several family members of those buried there went out and put new dirt on the ones that needed it. Also J.D. Brown and Rex Patterson checked out there and filled in some. That's a good deed done by these men and we appreciate it. I might remind you that if you notice any place in the cemetery where dirt needs to be filled in, if you will contact the city secretary, the city manager will take the backhoe out there and do the filling in. This is a service offered by the city.

Randy and Dorothy Hibdon and children attended the wedding of Patricia Benson and Tom Richardson in Abernathy Saturday afternoon. The wedding was at 4 p.m. at the First Baptist Church in Abernathy. Patricia is the daughter of Mary Ann Golden Benson and Mr. Benson.

Curtis and Edith Brown of Wichita Falls visited their parents, J.D. and Annie Brown, on Sunday.

Ruth Ressel returned home Saturday after several days visit with relatives in various parts of west Texas.

I received word today of the death of Wayne Ervin. Wayne had lived in Benjamin several years ago and was married to Itha Stroley. He was an uncle to my husband. Funeral arrangements are pending at this time.

## Goree Wildcats Defeat Moran 42-20

The Goree Wildcats displayed tremendous team effort last Friday night, and emerged victorious over Moran by a score of 42-20.

Coach Gilmore commented that Tony Patterson and Gary Dixon turned in outstanding individual performances with Dixon carrying 19 times for 149 yards and 5 touchdowns and Patterson receiving four passes for 91 yards.

Besides Dixon's 30 points, quarterback Jay Hutchens ran 56 yards for a touchdown and passed to Tony Patterson for 23 yards and an additional six points.

"We have our work cut out for us Friday night against Harrold," Gilmore stated. "They are ranked about tenth in the state. They will be tough to handle, but not impossible to beat. We can do it if we believe

we can. I was especially proud of the boys' performance against Moran." The game with Harrold will be in Goree and kick-off time is 7:30 Friday night.

## Thrift Shop Rents Additional Space

The Knox County Hospital auxiliary is pleased to announce that they have been able to rent additional space in the building next to the Pink Ladies Thrift Shop in Knox City.

Floor space is now double what the shop had and the auxiliary will now be able to accept donations of furniture, appliances, carpet, rugs and other larger items. The workers time is all donated and proceeds from the Thrift Shop are used to purchase necessary items for the hospital.

## He Is Alive!

by Rev. Wayne Varnell, First Baptist Church, Goree

There is at least one issue in the public worship of God which is misunderstood. It is the issue of being "good enough."

Unfortunately, there are people who do not attend public worship because they do not feel that they are "good enough". Others do not attend because they feel that either the minister or the church members are not "good enough".

However, millions of Christians meet because they know one thing for sure - God is "good enough" for us to publicly worship.

In the public worship of God we celebrate Him; we adore Him, we praise Him, we raise our level of appreciation of Him. "O come, let us worship and bow down; let us kneel

before the Lord our maker." (Psalm 24:14) God was not something man created to be worshipped. Man is someone God created to worship Him, glorify Him, and fellowship with Him. He is alive.

## Lions Club News

The Munday Lions Club met on Tuesday, September 27 at noon. Truman Cybert was in charge of the program. His guests were Mrs. Ronnie Cude and Mrs. Kay Looney, who spoke about the renovation plans for the burned-out section of downtown Munday.

If you would like more information about attending this organization's meetings or joining the club, contact someone you know who is presently a member and let them know of your interest.

★ Weinert News ★

By Mrs. Myrtle Phemister

The community is standing by for the countdown to "Homecoming 88", as we look toward the weekend. Class reunions will begin on Friday night, and area football games at Munday and Haskell will draw part of the crowd.

The Class of 1950 will meet for dinner at 6 p.m. in the home of Fretta Edwards Wright in Rochester, with Wanda Dunnam Hamm as co-hostess.

Visitation and registration will begin at 9 a.m. on Saturday, October 1 at the school, with a recognition program at 2 p.m. A record crowd is expected.

The month of October will bring a special treat to you readers, as Mrs. Darlene Bellinghausen and her Weinert junior high students will be compiling this column for the full month. We know you will enjoy it. At the same time they will be getting lessons in journalism, reporting, public relations, English, grammar and speech.

I will be recuperating from cataract surgery.

**MICHAEL DUKAKIS IS WEINERT STUDENTS CHOICE**

If students at Weinert school have their way, Michael Dukakis will become the next president of our country, according to Mary Murphy, school coordinator for the Weekly Readers National Presidential Election Poll.

Grades pre-kindergarten through eighth grade took part in the poll, along with over one-million other students nationwide. It was a great opportunity for the children to learn about America's election process through the hands-on participation.

The Weekly Readers' National Presidential Election Poll has spanned 32 years, and has been extremely accurate in its projections for the eight elections during those years. National results will be made public by Weekly Reader prior to election day, November 8.

Even the pre-kindergarten students were familiar with the pictures of Mr. Bush and Mr. Dukakis, when shown them by their teacher, proving they are observant of TV coverage of the presidential race.

Shortly after the election, students will once again focus on the presidency when Field Publications' Weekly Reader asks them to identify goals for our nation's new leader. The results of that survey will be shared with the president after his inauguration on January 20, 1989.

**HERE AND THERE**  
Don and Gracie Griffis report a great time at Las Vegas, Nevada last week. They were also guests in the home of Don's uncle, Frank and Fauna Garrett, and other relatives in that city. Gracie said the "bandit" machines were all rigged just to take her money.

Recent guests in the home of Gilbert and Ruth Jimenez were her brother, Mr. and Mrs. Leonard Villareal, of Baytown. They are teachers in the Clearview school system, and "Gilbert", the hurricane, afforded them an opportunity to come to the Big Country for a visit.

The Board of Directors of the Weinert Gin have hired a new manager and hosted a get-acquainted luncheon at the gin in his honor on September 28.

Steve Morren and his wife, Sherry, have moved into the Stewart farm home and are getting acquainted with Weinert residents. Sherry is employed at the ASCS office in Haskell. Steve is a graduate of Okla-

homa State University, and has been employed as an entomologist in our area.

We welcome the Morrises and hope they have a happy, successful life in our community.

Ted and Faye Jetton are announcing the arrival of another great-grandchild as they welcomed Cheyenne Jetton Smithson to their family on September 23. She is the granddaughter of Jimmie and Claude Young.

Russel Rainey is recuperating from surgery he underwent at Hendrick Hospital. We wish a speedy and complete recovery for him.

Garth Garrett has been hospitalized at Red River Center in Wichita Falls and is being admitted to the Haskell Nursing Center. He may have visitors in a few days.

Mr. and Mrs. Woody Turnbow and Greg were in Weatherford for the weekend to visit their daughter, Twyla and Tommy Sorrells, Luke, Levi and Tabitha.

Several of our residents received ribbons for items they entered in the Haskell Fair, but we rejoice most about a couple of ribbons Ima Stewart received. For a wall hanging, she received a blue ribbon, and for a crocheted tablecloth, she received a red ribbon. Ima is legally blind, and that fact makes these achievements outstanding! Congratulations, Ima!

David and Peggy Phemister, Greg and Marcus, were in town to visit relatives. Greg remained for a longer visit.

Those celebrating birthdays include David Crump, Bob Wood, Melvin Vojkufka, Hellen Stout, Eric Hager, Georgia Turnbow, Wanda Hester and Peggy Adams. Happy birthday, all!

Celebrating anniversaries are Toby and Alice Yates and Melvin and Wanda Vojkufka. Congratulations!

David Crump was honored with a birthday party at his home on Monday, September 26, when several little friends gathered to play, visit and eat.

John and Laverne Mayfield have returned from another leisurely trip through central Texas, making stops in Cleburne, Glenrose and Granbury before a longer stop in De Soto, to help celebrate their granddaughter's 2-year birthday, and their own 45th wedding anniversary.

The Weinert Baptist Church will host a dinner on Wednesday evening, September 28, to honor the teachers of all the Sunday school classes.

Their pastor, Donnie Crump, attended the Sunday school convention held at Stamford last week.

Sandra Nicholson and "T" are excited about the beginning of the construction of their new home east of town, as the cement mixers rolled in on Wednesday morning to pour the foundation.

Helen Boykin received word that a brother-in-law, Morris Davenport, of Vernon, passed away on Monday, and she was in Vernon to attend the memorial services on Wednesday morning. Morris was married to Mack's sister, Frances.

R.S. and Betty Sanders enjoyed a visit with Betty's parents and sister on Sunday, as Mr. and Mrs. Ras Gideon and Mr. and Mrs. Jimmy Black of Winters arrived to spend the day.

Mrs. Gideon is frail, just now recovering from treatments for a malignancy.

**FIRE CHIEF BILL LONGAN** of the Munday Volunteer Fire Department accepts a check from C.H. Herring, representative of Germania Farm Mutual, in appreciation of the department's fast response to several fire calls involving property insured by Germania. Volunteer fire departments are a tremendous help in keeping fire losses to a minimum, and fire insurance rates as low as possible.

### Munday VFD Receives Checks

The Munday Volunteer Fire Department has recently received checks totaling \$300 from Germania Farm Mutual Insurance Association in appreciation of the service rendered by the department in responding to fire calls involving insured property of the association.

Letters accompanying the checks state that volunteer fire departments such as ours help keep fire losses to a minimum, help keep fire insurance rates as low as possible, and save lives and a tremendous amount of valuable property.

### Band Booster Reminder

## Mogulettes Win Second Cross Country Meet

Munday High School's two cross-country teams competed in Abilene on Saturday, September 24, in a meet sponsored by Abilene Christian University.

This was the Mogulettes second run and their second victory of the year. They captured seven of the first eight positions with a winning low total of 17 points among a field of seven teams with 36 runners entered.

The team finished in the following order and times: Mindy Myers, first, 13:05; Kacy Longan, second, 13:37; Bridget Beaty, third, 13:38; Robin Reneau, fifth, 13:57; Alicia Cook, sixth, 14:35; Denise Kuehler, seventh, 14:43; Missy Reneau, eighth, 15:05; Jae-Jae Reneau, seventeenth, 15:40; and Kathy Welch, twenty-third, 16:42.

The boys also competed very well

in their division. Although they were not eligible for the team championship, they did win individual medals. The Moguls are expecting two more members to join them this week and will then be eligible for team honors.

In a field of thirty runners, the Moguls finished in the following order: Isais Campos, third, 18:50; Mike Yzaguirre, fourth, 18:53; and Massey Campos, eighth, 19:44.

The runners on both teams are working very hard and their times are all improving. The next competition will be a large cross-country meet in Lubbock on October 8.

The District meet will be held in Munday on October 25. Munday fans are asked to mark this date on their calendars and support the cross-country teams.

## New JD Tractor Information Available At Quality Implement

Quality Implement of Munday is announcing the introduction of the John Deere Four-Wheel-Drive 60 Series Tractors -- three "totally new" models that feature a modular design concept for more flexibility in component selection, reduced maintenance, and improved reliability. They are the 8560 (235 hp), 8760 (300 hp), and the 8960 (370 hp).

"The top design criteria was to establish a new industry yardstick by which quality and reliability

would be measured," according to Terry Woods, Deere & Company's project manager of four-wheel-drive tractors. "This meant keeping the tractors simple while providing the features expected by our customers in today's marketplace."

"We visited with John Deere owners, as well as owners of competitive tractors, and determined that the ideal design would give us the flexibility to tailor options like transmission, hitch, and PTO to best meet customer requirements. These considerations led us to a totally new modular design concept for the 60 Series four-wheel-drive tractors."

The new engines are six-cylinder diesels, using air-to-air aftercooling and high efficiency turbochargers for greater power capability and fuel economy.

A 24-speed PowerSync fully synchronized transmission is standard on all three models. Oil cooled, hydraulically-actuated brakes never need adjustment and provide an extra measure of safety.

A 3-point hitch with a quick-coupler is available as a field-installed attachment or a factory option. Independent 1000 rpm PTO is available as a field installed attachment or a factory option on all three models. Power steering and 42-degree steering angle ensure optimum maneuverability for all three models.

A built-in diagnostic capability provided by the new electronic instruments package minimizes downtime.

All service points are conveniently located for easy accessibility.
