Every time and anywhere a bunch of men are gathered, the conversation will sooner or later get around to fishing. Perhaps it's a carry-over from the times when Indian men were responsible for hunting the buffalo and fishing the rivers for food, or maybe it's just a very good way to clear the mind and slow things down a notch or two. Whatever the reason, most men - and many women - like to fish.

In listening to all the fish stories from my sons and other male visitors to our house, I decided to do some checking to find out just who really holds the record for catching the biggest fish in the area. I consulted Glenda Decker at Goree's Allsup's who probably hears more fish stories - true and otherwise - than anybody else in the world. She showed me some pictures of men with big fish and the weights of those she has taped to a wall in the back of the store. All the fish were catfish and all were caught on a trot line in Miller Creek Reservoir.

There were many pictures of fish over 40 pounds, so I narrowed it down to fish over 50 pounds. The undisputed all-time record for the biggest fish is held by the team of Billy Harris, Sam Tyra and Rocky Myers for a 68 pound catfish. In second place was Quinn Smith with a 63 pound fish. Rhiney and Rickey Redder hold third place spot with a 53 pound yellowcat, and Dee Robinson and Wally Roberts are fourth with a 50 pound catfish. If there are people with bigger fish, I apologize - these are the ones I could find out about. If, however, there is a fish bigger than 68 pounds in Miller Creek, I'm not ever swimming there again.

I would have liked to have seen my grandfather Harlan's face if he had ever caught a 50 pound fish. A three pound crappie was enough to cause him to smile for the rest of the day. But then, Papa Harlan didn't use a boat or a trot line. His fishing was done with a cane pole or a rod and reel off a pontoon in Lake Kemp, and a fishing trip with Papa was something to be remembered - and avoided after the first time.

He had a cabin in the Wichita Colony of Lake Kemp and his fishing day began there at 4 a.m.

"We'll get out the uh uh," he'd say in his Alabama drawl. "Catch them fish by surprise."

He'd fry bacon, potatoes, and eggs, all in the same skillet, with enough grease to cause one's blood to come to a screeching halt in one's veins. His coffee, brewed in an old tin pot on the burner, looked like thick molasses when he poured it into the old chipped cups Mama gave him to take to the lake.

By a little after 5 a.m., we were pulled as far out into the lake as the cable on his pontoon would allow - and there we'd stay until late afternoon. He went prepared for the day with a jug of water and a hunk of cheese and some crackers. Talking, singing - even humming - were disallowed for fear of 'scauh'n' the fish."

There's probably no prettier sight in the world than the sun coming up over a quiet, still lake. There's a special hush that falls over the world as the sun makes its way into the eastern sky and the lake is a tranquil, motionless mirror as far as the eye can see. Talking was never necessary as each of us watched nature's panoramic performance, but as the sun rose higher in the sky and the day grew warm, boredom would set in for an active Nell, Tomye Ruth and me.

"Papa," one of us would say. "I think I'll swim back to the bank and go to the cabin for a while."

"You can't be swimmin'," he'd an-

Carriker Co-Sponsors Bill To Halt Medigap Insurance Abuses

A bill approved last week by the Texas Senate signals a long-awaited first strike by the Legislature against Medigap insurance abuses.

The comprehensive legislation was co-sponsored and presented on the floor by Sen. Steve Carriker of Roby. The 30th District senator told his colleagues that the bill, HB 116, would establish badly needed regulations to protect the elderly from being victimized by fraudulent practitioners of Medicare-supplement insurance policies.

"Senior citizens are often the targets of unscrupulous salesmen," Sen. Carriker said. "HB 116 will let the State Board of Insurance put a stop to sales of useless health policies and deceptive advertising."

Key provisions of HB 116 bring Texas into compliance with federal standards, provide for standard minimum benefits under Medigap policies and allow the State Board of Insurance to prohibit misleading advertising. The bill also keeps Medicare-supplement insurance policies under regulation of the state, rather than the federal government.

HB 116, strongly supported by the American Association of Retired Persons, Consumers Union, and many others active in behalf of senior citizens, is now headed to the governor for his signature.

David Hajek Elected To Texas Bar Foundation

The Honorable David W. Hajek of the 50th Judicial District was elected a Fellow of the Texas Bar Foundation by the Board of Trustees in San Antonio, June 30 at the Annual Fellows Dinner.

Selection as a Fellow of the Texas Bar Foundation is recognition of a lawyer whose professional, public and private career has demonstrated his or her outstanding dedication to the welfare of the community and state and the traditions of the profession.

The election process is limited and by invitation only. Each year only one-third of one percent of the State Bar of Texas memberships may be elected as new Fellows.

The Texas Bar Foundation was organized in 1965 with the goal of furthering programs of legal education and research of mutual significance and benefit to the public and professions by supporting educational and charitable projects within its purposes.

The foundation is made up of over 2,500 Fellows, Life Fellows and Sustaining Life Fellows.

Wheat Production Meeting Scheduled

A wheat production meeting has been scheduled for Tuesday, August 1, at the Knox County Courthouse. The meeting will get underway at 8 p.m.

Topic of discussion will include the new proposed wheat grading system, new and promising varieties for wheat grain and forage production in the Knox County and Rolling Plains area, results of the three-year wheat interdisciplinary result demonstration being conducted at Foard City in Foard County and ideas for saving moisture in wheat.

Speakers will include Al Alexander, area agronomist of Rolling Plains District 3; Dr. Nelson Adams, livestock specialist in Rolling Plains District 3, and Donnie Peters, Knox County Extension Agent.

Coaches To Issue Football Shoes

With only a month left in summer vacation, thoughts are turning to school activities - one such activity being football.

Munday High School Athletic Director Jim Edwards has announced that he and his staff will issue shoes to all prospective football participants at 5 p.m. Wednesday, August 9 at the field house.

All boys who plan to be a part of the football program this fall should be present.

MUNDAY JUNIOR HIGH CHEERLEADERS for the upcoming football season are (clockwise, left to right) Michele Berryhill, Kelly Munoz, Melissa Berryhill and Dionne Kingston. They attended camp at Texas Tech June 11-15, along with 60 other junior high squads. In competition they received superior and excellent ribbons and won the coveted spirit stick one night. Michele and Melissa are eighth graders and Dionne and Kelly are in the seventh grade. They are the daughters of Buford and Cheryl Berryhill, Bill and Sammie Kingston, and Angel and Carmen Munoz.

Munday Scouts Earn Merit Badges, Awards

Munday Boy Scout Troop 76 earned five merit badges and 10 skill awards after spending the week of July 2-9 at Camp Tonkawa.

While at camp, the scouts participated in swimming, rifle, archery, hiking, cooking, knot tying, lashing, handcrafts and other activities designed to increase their outdoor skill and physical development.

Scouts attending the camp included, Brady Smith, who received a merit badge in wilderness survival and skill awards in swimming, hiking and cooking and advanced to Tenderfoot rank.

Ryan Cottingham received the wilderness survival merit badge and the hiking skill award and advanced to Tenderfoot rank.

Jeffrey Dunnam earned first aid and archery merit badges and skill awards in first aid, swimming, and hiking and advanced to Tenderfoot rank.

Nathan Herring was awarded the rifle merit badge and cooking, swimming, and hiking skill awards and advanced to Tenderfoot rank.

Scoutmaster Bill Rogers was tapped for Order of the Arrow during special ceremonies at the close of the camp and will return to Tonkawa August 25-27 for the Order of the Arrow Ordeal.

Scouts will get a chance to use their newly acquired skills when they spend

AT MILLER CREEK

Boat Ramp Construction Scheduled In September

Area fishing and boating enthusiasts who frequent Miller Creek Reservoir for their pastime activities will see a welcomed change at the "lake" this fall.

Construction of a four-lane boat ramp, two docks and parking facilities at the reservoir are scheduled to begin around the first of September, with completion date set for November, according to Dolan Moore, Water Authority manager.

Site of the improvement project will be southwest of the dam along the waterfront on the northwest side of the lake.

The base plan calls for approximately two acres of paved parking which will include spaces for 34 cars with 55 spaces large enough to accommodate a vehicle and boat trailer. Parking for the handicapped will also be provided, with a 70 ft. walkway to extend from the parking area to the docks.

The floating docks, specified to measure 20x24 ft., will be positioned on each side of a concrete loading ramp, 60 feet wide and 120 feet long.

The project is sponsored by the North Central Texas Municipal Water Authority, with 75% funding by the Federal Aid in Sport Fish Restoration Act administered by the Texas Parks and

Miller Creek Reservoir Dam Closed To Traffic

Traffic across Miller Creek Reservoir dam will soon come to a halt.

"Liability and public safety coupled with extreme, serious, erosion problems due to vehicle activity on the back slope of the dam has necessitated the decision to close the dam to vehicle traffic," said Dolan Moore, manager of the North Central Texas Municipal Water Authority.

The closing process is currently underway with completion scheduled August 10.

Sealed proposals for the construction are now being received at North Central Texas Municipal Water Authority office in Munday.

Goree Baptist Church Plans Showing Of "The Prodigal"

A fast-paced, modern-day allegory, akin to the familiar Bible story, *The Prodigal*, a World Wide Pictures presentation, will be shown in the 6:00 worship service August 6 at First Baptist Church in Goree.

Set in contemporary urban framework and intimately examining the gradual spiritual and emotional breakdown of an American family as each member searches for his identity, *The Prodigal*, stars award winning actress Hope Lang, Tony Award winner John Cullum and John Hammond.

Hammond portrays the title role of the wayward son caught up in the netherworld web of drugs and sex. Hope Lang stars as his confused and bewildered mother; while John Cullum portrays the role of the single-minded, career-consumed father.

Producer of the feature-length film, Ken Wales stated, "This is both an entertainment and a message piece. Some people will be uncomfortable when they see this film, as it strikes so close to home, paralleling so many of today's family situations. But we believe that the current trend of the public's willingness to examine its own conscience will place it on the "must see" list of family entertainment."

Wayne Varnell, pastor, and members of the Goree church extend an invitation to all to attend this special showing.

Lions Club To Pick Up Trash

Members of the Munday Lions Club will have a trash pick-up day Saturday, July 29 along Highway 277 north of Munday.

Club members are to meet at 7:30 a.m. at the Shamrock Cafe, and all members are urged to help in the project.

ALTA MCGUIRE

Mrs. Alta McGuire Ends 30-Year Teaching Career

by Joyce Beecher Greenwood

For the first time in 25 years, Alta McGuire will not be welcoming Munday's third grade students when school starts in September. A teaching career that began 30 years ago in a little school called Ira - just outside of Snyder - came to an end with the ending of the 1988-89 school year.

Graduates of Weinert High School, Alta and Floyd McGuire were married just out of high school and were the parents of two sons when they decided that an education is a prerequisite for success. They enrolled in Sul Ross

University and received their degrees there.

After two years in Ira, Mrs. McGuire taught three years in O'Brien before beginning her career in Munday.

Mrs. McGuire has enjoyed her years in teaching. She seems to possess that special quality of love for children that separates the good teachers from mediocre ones.

"Caring about kids makes the difference," she said. "I've always tried to find the good in every child - and it's always there. It was important to me to make each child feel good about him-

self - to make him or her feel special."

Mrs. McGuire expressed the hope that she has been successful in causing some child to feel that he has self worth and the ability to succeed.

"If I have done that for just one child," she added, "then my years of teaching have been worthwhile."

"Kids are not just a class," she said. "They are individuals and I always tried to teach to the individual child. Each one, after all, has special needs."

When asked if she would feel a little melancholy when the school bells ring this fall, she replied that she would miss

the classroom, but she expects to be very busy.

"I've already said my good-byes," she said. "Now, I have so many things I want to do. I want to travel with my husband, read and do handiwork - all those things I've not had time to do until now."

Alta McGuire lives in Munday with her husband. Her two sons, Steve and Mike, are engaged in farming in the Weinert area and both her daughters-in-law teach school. She has four grandchildren and is a member of the Baptist Church.

swer. "You'll scauh the fish."

Of course, when his line became tangled in the brush, then he'd say, "Swim on out theuh, Joycie Bug (or "Nellie Gal" or "Tootie"), and get pouh ol' Papa's line untangled. Youh young and strong." (Papa never asked one of us to do anything without pointing out that we were young and strong. I guess that fact was supposed to make us feel guilty if we ever resented his requests.)

Later, one of us would try again "Papa, I'm hungry."

"Eat you some cheese and hush," he'd answer, annoyance in his voice.

Much later . . . "Papa, can't we go now? The fish are just not biting today."

"Thy'uh fixin' to stauht. I just now got a little nibble."

Finally . . . in desperation . . . "Papa, I have to go to the bathroom."

"All right then," he'd growl. "Swim on up theuh, but you swim easy . . . and don't be askin' me to bring you fishin' no mouh!"

As we'd swim toward the bank, we'd try to remember when we'd ever asked Papa to take us fishing in the first place.

We would go because he'd ask us . . . putting us on a guilt trip by saying, "Pouh ol' Papa. Nobody wants to go fishin' with him and he won't be around much longuh."

Shortly after Tommy and I married, my young husband came in one day, grinning proudly.

"I think your family's starting to accept me," he said. "Your Grandad Harlan just asked me to go fishing with him."

As I looked into his beaming face, I didn't have the heart to tell him that everybody else had learned to avoid Papa as much as possible during fishing season.

In remembering, I think Papa really never cared if he caught any fish or not. It was the actual fishing he liked. There was something about sitting on the lake with a fishing pole in his hand that eased his mind and made all the hours of hard work in the fields worthwhile. And, even though he didn't want us talking, he liked having us there for the sense of companionship it brought to him. He liked sharing his special domain with us, even though he'd sooner have pulled out his tongue than have told us.

I wonder if there are fishing places in Heaven? I think there must be, because Heaven is where we'll all find complete happiness and Papa, like countless other fishermen, just wouldn't be happy if he couldn't go fishing. I can visualize him now - sitting there in his old slouch hat, a basket of minnows and a "hunk o'cheese" by his side - on a big pontoon in Heaven. He probably still hasn't caught many fish, but I'll bet he's going to whomever he's conned into going with him . . .

"Shhh, I just now got a little nibble."

Benjamin News

By Mrs. Gladene Green

Again our hearts are saddened today as we in Benjamin mourn the death of K.E. Woolley. Brother Woolley died this morning (Monday) around 4 a.m. He was a man you could always depend on when you needed him and he will be sorely missed by everyone.

We extend heartfelt sympathy to Mrs. Woolley, Kermit and Mark and their families.

CONCERNING OUR SICK

Dorothy Hibdon underwent surgery this morning in General Hospital in Wichita Falls. She is doing fine and should be able to return home in two or three days.

Bertha Driver is also a patient in Wichita General. She had back surgery Friday. I visited her Sunday and she's doing just great. Her recuperation period will be several weeks but full recovery is expected.

Henry Rogers was in Dallas last week for tests. He will get the results the last of the month and hopefully if he has to have heart surgery, they will tell him when it has to be done.

Dutch Young is still doing well since his recent surgery. And Clodell Duke is doing better these days. She says it's time as she has had several weeks of discomfort.

W.T. Cartwright had surgery Wednesday in Hendrick Medical Center in Abilene. He's home and hopefully he can keep feeling well. He, too, has had several weeks of doctors and hospitals.

Let's all remember these friends in our daily thoughts and prayers.

HERE AND THERE

Lorrie Rolston and a friend, Curt Coop, both of Angelo State University in San Angelo, were weekend guests of her parents and sister, Homer, Jan and Jennifer. They also attended the Barnard reunion.

Kathleen and Homer T. Melton were home for the weekend. Their family, Jack and Mary Young and Debbie, Barry, Dusty and Trevor Neill of Lubbock and Jackie, Jr. and Cindy Young of Arlington joined them here for a celebration of Kathleen's birthday.

I visited them Sunday and they are doing pretty well. Homer T. says he will be home one of these days when he gets able. I'm sure he will.

Recent guests of Bud and Von Conner were Mr. and Mrs. Billy Jay Jennings of Markam.

Visiting Lois Golden one day last week were her sisters, Juanis Elliott of

Houston and Ruth Wampler of Rochester.

Leslie B. Bivens of Higgenbotham is spending a few days with her grandparents, Leon and Olga Bivens. They all recently returned from a vacation trip to Colorado which they said was very pleasant. Nice balmy days and cool nights. Sure sounds nice, doesn't it?

Imagene and Dutch Young had their kids for the weekend - Brenda Golleher of Wichita Falls and the Mike Youngs of Seymour and Dee Ann and Anthony Lamb who live here in Benjamin.

Bill and Lorene Powers of Midland and Betty Parker and Sabra of Aspermont visited the Bud Clowers and the Leroy Wests during the weekend.

Pam and Keith Conner and children spent a few days last week at Six Flags and Possum Kingdom.

Todd and Ladean Benson spent a long weekend in the Arlington area recently, and went to Six Flags. Todd said it sure was hot waiting in line for the rides. I know what he means, don't you?

Billy and Anna Mae Crenshaw of Savoy visited us Tuesday. They are doing well and send their best to all their friends that they didn't get to see. They were enroute home after a weekend in Lubbock.

Latest cemetery donations have come from K.E. Woolley, Helen Bisbee, Billy Crenshaw, Don and Louise Hertel, Homer T. and Kathleen Meltor, Jack and Mary Young, R.A. and Tommie Hendrickson, Shirley and Ray Jordan, Ruth Griffith, Gerald Kilgore and Charles Hertel.

GET TOGETHER PLANNED

There will be a community get-together Friday night at the Benjamin Memorial Building beginning at 6:30 p.m. It's sort of a pot luck deal - bring sandwiches, chips, dip, homemade ice cream or whatever you wish to snack on and come join the fun. Tatle games, cards, dominoes, etc., will be available also. Hope to see you there!

MEETING PLANNED

There will be Sunday morning services at the Benjamin Church of Christ Sunday, July 30, so that the members can attend a meeting at the Gilliland Church. Services will be at 7:30 p.m. both Friday and Saturday and 10 a.m. Sunday. Rogers Hines of Abilene will be bringing the messages and the public is invited to attend any or all of these services.

Dinner will also be served at the church on Sunday.

Funeral For Lewis Reddell Held Friday

Lewis A. Reddell, age 93, died Wednesday, July 19, in the Munday Nursing Center.

Funeral services were held at 10 a.m. Friday, July 21, at Gillespie Baptist Church with the Rev. Roger Zaeske, pastor, officiating. Burial was in Gillespie Cemetery under the direction of McCauley-Smith Funeral Home.

Born July 23, 1895, in DeLeon, he moved to Knox County in 1905. He married Lizzie Call on November 8, 1934 in Haskell County. He was a retired compress operator and a member of the Methodist church.

He was preceded in death by a son, Bill Reddell and a daughter, Jennie Mae Reddell.

Survivors include his wife; a son, Jimmy of Munday; two daughters, Irene Sexton of Palacios and Dorothy Reddell of Munday; a sister, Eula Crouch of Munday; four grandchildren; eight great-grandchildren; and five great-great-grandchildren.

Pallbearers were Bailey Greenwood, Danny Owens, Howard Myers, Angel Munoz, Ronnie Stewart and Larry Smith.

Five Ladies Return Home From Enjoyable Vacation

Ruth Griffith, Elaine Gulley, Helen Patterson, Alta McGuire and Margaret Hill returned home Monday, July 17, from an enjoyable trip with Brown Travel Tours.

They traveled to Eureka Springs to see the Passion Play, then on to Nashville, Tennessee where they rode on the General Jackson Show Boat, attended the Grand Ole Opry, and toured many interesting sights. Then it was on to Memphis to visit Graceland, Elvis Presley's home, which was a real treat. At Tahlequah, they toured the Cherokee Indian reservation.

Everyone had a great time.

Seaman Apprentice Completes Training

Navy Seaman Apprentice John Fel Bryce has completed recruit training at Recruit Training Command in San Diego, California.

During the eight-week training cycle, Bryce studied general military subjects designed to prepare him for further academic and on-the-job training in one of the Navy's 85 basic fields.

Studies included seamanship, close order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene.

A 1988 graduate of Altus High School, Altus, Oklahoma, John is the son of Charlie Pankhurst of Munday.

Look Who's Here!

The new Pepsi generation has arrived!

I am William Scott Cuba, and I arrived at the Wichita Falls General Hospital on June 19, 1989 at 8:34 p.m. I was 20 1/2 inches long and weighed 8 pounds, 9 ounces.

My dad, Willie, thinks I am the best thing that ever happened to the "Pepsi" family. He is already teaching me to tell everyone that Pepsi is my favorite drink. I am five weeks old, and I know my mom, Caroline, is preparing my first report card. I certainly hope I get a better grade in conduct than my sister, Angela, did. It doesn't matter anyway, because my grandparents, Henry and Pat Cuba of Megartel and Billie Jake and Dot Myers of Rhineland think I am "simply irresistible".

Weinert News

By Mrs. Myrtle Phemister

Weinert enjoyed a half-inch of rain Sunday morning, and the cool front was a welcome relief.

The hail and high wind last week caused a lot of damage to crops in the Mattson area, but Weinert was not hurt, for which we are grateful.

Crops are holding up well, despite the need for rain.

We extend congratulations to Karen Harlan, our school secretary, who has accepted a position as secretary for the Haskell school superintendent, and has begun her duties there in the administration building.

We regret losing Karen from our school; she has been a part of it for so many years we shall miss her very much. But we realize it is a "promotion", and we are proud for her.

Birthday balloons will fly for many of our residents this week. For Dianne Carroll, Darla Griffis, Mandy Adams, Kyle White, Pennie Boling, Elmer Adams, Kole Sanders, Supt. H.L. Guess, Buck Turnbow, Jeff Robertson, and Leonard Mahan III. Happy Birthday, all!

We congratulate Bob Wood for his new venture in the building business, and wish him the best in his Wood-Bilt Inc. of ready-built homes he has planned to begin in Haskell.

The building structure will be built on the Vojkufka farm just west of town, and we are sure it will be a family affair. Congratulations, Bob and Melanie.

Roy and Leta Phemister have returned to their home in Edinburg after spending the week in Munday and Weinert as their grandchildren attended the Haskell Singing School (at least 7 of them did).

Larry and Linda Sanders, Robert and Lynette, of Los Alamos, N.M., have spent the week with his parents, R.S. and Betty Sanders, and with hers, Bill and Bertha Griffith, of Paint Creek.

Larry and Lynette spent some time flying their model airplanes. Other guests in the Sanders home were their

daughter, Janice and Randy Boatright, of Brady.

Dovie Carroll, with her daughter, Betty Castle, and Jim and Joe of Hale Center, were here for a week's visit in the home of Rene Vojkufka, and attended worship services at the Foursquare Gospel Church on Sunday.

Mrs. John Parr, 86-year-old aunt of Crystella Raynes, came from Portland, Oregon for a visit with relatives. She was accompanied by her daughter, Ione Trowbridge, and the three ladies were in San Angelo one day for an excursion on Mrs. Parr's old home place, the C.E. Wiggins Ranch at Knickerbocker, Texas.

It was a day of reminiscing for all, as Crystella spent several summers at her grandfather's ranch as a child.

Johnny Johnson of Marysville, California is visiting in the homes of his sisters, Faye Brian and Myrmie Sanders, and other relatives in Weinert.

Other guests were their younger brother, Warren and Jewel Johnson of Hurst.

Faye Crawford and Sue Alexander of San Antonio came for a visit with their mother, Bertie Alexander, and to be with their sister Audra Schindler as her husband Bob underwent surgery. They are all doing well.

Raymond and Janie Boykin of Vernon were here for a visit with his mother, Helen Boykin, and attended worship services at the Church of Christ.

Woody and Georgia Turnbow, with Greg, spent the weekend last week in Weatherford with their daughters family.

The Leonard Mahans have received word that their son-in-law, Scott Sandler, has had a serious relapse with his leukemia, and was rushed to M.D. Anderson Hospital in Houston on Friday.

Linda Mahan and Donald left Monday for Mineral Wells to be with the Mahan's daughter, Michelle, who is expecting their third child on July 29.

Our prayers and concern are for this young couple.

Harlan and Jimmy Weinert have returned from Houston where they visited Jo Ella Perkins, Harlan's sister, and other relatives in the area.

Catherine Schonstedt, Louis, Robert and Patrick, of Decatur, were in town recently for a visit in the home of her parents, Gus and Henrietta Rueffer.

Arch Mayfield of Plainview was here to check on the progress of his father, John A. Mayfield, who is doing well, and has started his walking regimen. Other guests in the Mayfield home included Doris and Burl Darnell of Haskell.

The Floyd Stouts have returned from another of their extended "retirement" trips. While spending some time at Pat Mayse Lake, they also visited an aunt of Hellen's, who lives at Naples, Texas, and later met T. B. and Juanita Smith of Bedford, for a camping trip to Beaver's Bend State Park, near Broken Bow, Oklahoma.

They attended the Stout family reunion which was held at Blossom on July 1-2. They headed toward Weinert on July 12 in order for Hellen to get some blackeyed peas and tomatoes canned. She has done that! Where to next?

Thurman and Feba Stout, Wayne, Jeanie and Michelle, attended the Stout family reunion also. They took time to tour the old home sites, the cemeteries, where many Stouts are interred, and acquaint the children with family history.

Harvey Griffis is learning to adjust to his new home in the Haskell Nursing Center, and is improved a bit in physical health.

He is "neighbor" to Ima Stewart, and enjoys company. Do drop in for a visit with him.

Two of our teachers are making preparations for school to begin, as Mary Murphy is receiving some in-service training at the Abilene Education Service Center, and Karen Yates is enrolled for a course for Gifted and Talented students at Hardin-Simmons University.

We extend sincere sympathy to Thelma Boone and her daughters, Judy and Brenda, at the loss of Thelma's father, Mr. J.A. Landess, who passed away Sunday, July 16. He was interred in Willow Cemetery in Haskell.

Many around town are enjoying produce from the Weldon Walling the Stewart Brother's gardens. Thanks a million!

Have a nice day!

Monthly Singing Thursday

The Senior Citizens are holding their monthly singing Thursday (tonight), July 27, at the Perry Patton Community Center. Everyone is invited to attend and enjoy the good singing.

The meeting starts at 7 o'clock p.m.

Correction

Local 4-H'er, Youlanda Wright, earned fourth place honors in the senior evening wear division at the District 3 4-H Fashion Show held July 11 in Quanah - not fifth place as reported in last week's edition of the Courier.

We congratulate Youlanda on her accomplishments and apologize for the mistake. She is the daughter of Mr. and Mrs. Charlie Cooks of Munday.

And while we're making apologies, our regrets to Kandis Longan for misspelling her name last week.

Veta Alexander - Loyd Blackwell Exchange Wedding Vows July 22

Missy and Randy Alexander of Weinert are announcing the marriage of their mother, Veta Alexander, to Loyd Blackwell of Stamford on Saturday, July 22.

Wedding vows were exchanged before a crowd of approximately 40 guests in the home of Kenneth and Brenda Sanders, and Brenda served her friend as matron of honor.

Andy McKeever of Stamford stood as best man for the groom.

Randy Alexander escorted his mother to the altar, where an embankment of red and white roses enhanced the ivory, ankle-length gown worn by the bride.

He Is Alive!

by Rev. Wayne Varnell
First Baptist Church, Goree

Paul the Apostle came into the city of Athens about A. D. 50. He was very disturbed, according to Acts 17:16-34, concerning the number of religious idols, alters, and temples that this Greek culture had produced. He told them that they were "too religious" or "too superstitious".

His effort was two fold. First, he turned them from all their idols and superstitions to the one true and living God. Then he let them know that we do not come to this God by putting on a religious show but that we come to Him by repenting of our sinfulness and by trusting in Christ the Savior.

Repentance, not religion, brings us into a right relationship with God. Those who feel that they are righteous by their own actions believe that all we need are religious ceremonies to polish up our rough edges. We are not good people who need to be made better by religion. The Bible says we are spiritually dead to the things of God and we need to be made alive by Christ. (Ephesians 2:1-10). He Is Alive!

Greshams Vacation In New Mexico

Ella and Ivan Gresham went to Littlefield last Sunday to Ella's family reunion. Their three daughters, Euwanna McCarty and Lynda K. Brown of San Antonio, and Elloise Watson of Midland, met them there.

The Greshams and their daughters left here on their vacation up through New Mexico and spent their first night in Roswell. They journeyed through the Hondo Valley, on to Ruidoso and Tularosa and spent their second night in Alamogordo. They came back through Cloudcroft in the mountains where it was "so cool", and headed back to Midland. Ella and Ivan spent two nights there and came home. It was a wonderful vacation for all.

Truscott-Gilliland News

By Mrs. Clara Brown

China Creek and a few other parts of the Divide got from .2 to 1.1 inches of rain in pre-dawn showers on Sunday, July 24. The showers were very scattered, but rain was needed everywhere it fell.

It was 111 degrees at 7:30 p.m. last Tuesday, the day before the trail ride and wagon train was to start. Tuesday night a norther blew in and cooled things off. The temperature stayed cool throughout the trip, that is, mostly down in the 90s, but that isn't bad with prairie breezes blowing, especially when you wear a hat and lots of sunscreen.

There were more hats and sunscreen used this year, resulting in fewer sunburns than in 1988. The wagon train ladies can tell you that pioneer ladies wore those sunbonnets for good reason.

The wagon train left Benjamin about 9 Wednesday morning and got to Truscott after 12. At the Truscott Community Center they enjoyed the air conditioning, the tables under the trees and the porch, and a meal of cold ham, cold potato salad, pinto beans, cookies, and gallons and gallons of iced tea.

About 15 to 20 persons not making the trail ride bought tickets to the Wednesday noon meal so they could see the wagons and horses and visit with the riders.

From the community center the trail ride went to Lake Truscott where they took the service road on the north side of the dam that is usually closed to the public. No one wanted to risk taking the horses over the 3 1/2 mile long road on top of the dam.

The first day's ride ended about 6 p.m. at the Carroll Ranch on Antelope Flat (This was formerly the Big 4 Ranch headquarters).

Anyone who failed to make at least one of the three evening meals really missed a treat. At the Carroll Ranch, both food and music were good and were equalled by the visiting in the twilight. The camp at Carroll's was in the open space west of the house and barn and was just right for a good view of the sunset. Several former Big 4 cowboys swapped tales with Betty Smith Hord, daughter of the late J.D. Smith, longtime manager of the Big 4 Ranch. Charles and Kay Carroll were gracious hosts to the Big 4 exes and to all who visited their place. Among those visitors were Felix and Jean Taylor of Crowell, who lived on Antelope Flat back in the 1950s and 60s.

Thursday the trail ride cut through pastures and across the Wichita River to the Y Ranch rockhouse place for dinner, then rode on to the Y Ranch headquarters for supper and sleep. (People who travel by horseback and wagon through the Wichita River country still have dinner and supper. They don't eat lunch and dinner again until they leave the Wichitas.)

This writer missed the stop at the Y's,

but heard almost 100 people splashed their cars and pickups across the river crossing below the headquarters to eat supper and hear good country music.

Friday night was spent at the Virgil Johnson place. The wagons were circled on a grassy slope north of the barns and house, and the chuck wagon was set up under a big tree just east of Bonnie and Virgil's house. There was a happy buzz of talk and laughter and everyone enjoyed watching the young children play on the swings and chase each other through the crowd. Off to one side there was one group of teenage boys swinging ropes who tried a few loops on each other, wrestled a little, and traded their own trail ride stories. If it hadn't been for the cars and pickups, it could have been an 1889 barbecue instead of 1989.

Unexpected visitors Friday night were Dan Malone of Vernon and his friend and client, Red Stegall of Azle. Red sat down with his guitar under the big tree and everyone pulled their chairs close in the dark to listen to Red weave a soft spell of words and music, of songs and cowboys poems, that no amplifier or spotlight could ever reproduce. It was all wrapped in sundown magic, but the song that may have gotten the most applause was "Little Joe the Wrangler", a song so old it must have been new to many of the little wranglers leaning on their daddy's shoulders that night.

Thanks go to everyone who made the wagon train and trail ride possible. It was an enjoyable experience whether one made the whole trip or just went for supper and visiting. Margaret Daniel was named Trail Ride Queen and crowned with a rhinestone tiara in recognition of all she did to plan and coordinate the event. (Does that make her a rhinestone cowgirl?) And not to be forgotten were Andy Dushan and Becky Daniel, mascot and hard luck trophy winners. Four-year-old Becky got bucked into a cedar.

Truscott ladies served mid-trail noon meals at the Rock House and the Johnson's pasture. Those who delivered the meals saw a lot of country most waitresses will never see. Friday's dinner was a little late as the ladies were almost six miles into the Johnson pastures when they bounced up to a locked gate and had to go all the way back to the house and start over. Thirsty riders drink almost 10 gallons of tea when it was finally delivered to them that day.

Next week a detailed list of donors to the Truscott Community center portion of the Crowell Chamber of Commerce trail ride will be given, but special thanks go this week to the commercial donors. The D&T, Allsup's Stores and the Dairy Bar helped in planning and purchasing, donated paper plates and gave cups. They helped make it possible to serve delivered meals that were not expensive and still helped earn enough to pay a substantial portion of the cost of a new

air conditioner for the Truscott Community center. Remember these merchants when you shop or need a quick meal.

Charlotte Welch attended a meeting of the Beverly Corporation in Austin last week. Julie and Adam stayed in Wichita Falls with grandparents Jack and Eloise Horne.

Children of Elmer and Ida Lee Horne had a reunion at Red Springs Saturday and Sunday. The 64 people attending included many descendants and all the Horne's children except one son.

Elaine Horne of Vernon spent Sunday night with the Dennis Welch family.

The Gilliland Church of Christ will hold a meeting this weekend with Roger Hines preaching.

Services will begin at 7:30 p.m. Friday and Saturday and at 10 a.m. on Sunday. A basket dinner will be held at the O.R. Miller home Sunday and everyone is invited to bring a basket and come. Sunday afternoon a singing will be held at the church at about 3 p.m. A Sunday evening preaching service will follow the singing.

The Ronnie Simmons family enjoyed the western days on the Divide last week. Jason rode from Benjamin to the Carroll Ranch, and wishes he had turned up for the whole event. The family attended both nights at the Crowell rodeo and topped off that experience Saturday night with Jeremy winning a halter at a rodeo drawing.

Edmund and Geraldine Tomanek were home Sunday from a trip to Jefferson. They said East Texas is green as can be. It has been getting our rain.

Norma Lee of Vernon visited Edgar Jones and Clara and Jack Brown Sunday afternoon.

Sue, Jack and Jill Brown of Crowell visited Vivian Brown Sunday afternoon.

Eddie Lowrance has several ostriches hatching this week. O.K. Eddie, you raise the big birds, what is the plural? Is it ostrich or ostriches? The dictionary here was no help at all. Anyway, more than one ostrich egg is in the hatching process according to Eddie.

Chris Dushan and Cathy Lowrance said the COPE rodeo did very well Friday and Saturday. It looks as if there will be another one in September.

Jackie Miller of Slaton spent Saturday night with his parents, Florence and O.R. Miller.

Florence Miller was in Benjamin last week to talk with Jane Rowan about organizing the Food Festival September 6-10. Displays throughout the county will emphasize heart-healthy foods at that time.

The Gilliland Extension Homemakers Club met the first Wednesday in July with Jodie Miller presenting a program on allergies and Florence Miller serving as hostess.

Rick Kaughold of Abilene preached at the Truscott Church of Christ Sunday.

Irene New went to Amarillo Sunday, July 16, with her daughter and grandson, Peggy and Wade Plunk, for a checkup and tests. She returned to Truscott Thursday.

H.B. and Zin Maddox of Lubbock spent Saturday and Sunday, July 15 and 16, with Owen and Irene New. They all visited Angie Brackett at Quanah and took her out for supper.

Corrinne New seems to be progressing well according to reports received by Owen and Irene New. She will be going to the home of her son, Jack New, at Andrews, this week.

Mickey McGuire Ferry and her husband, Harold Ferry, of Pleasant Plains, Illinois, have been visiting her sister and husband, Frances and A.L. Cook. Their daughter, Janet Ferry of Pleasant Plains also visited the Cooks last Thursday and Friday.

Saturday the Ferrys, Cooks, Glen McGuire, and Fred and Phil Cook of Mesquite attended the McGuire reunion in Lubbock.

Other visitors in the A.L. Cook home on Sunday were Mildred Cook of Gilliland and Jerry, Sherry, and Andy Miller of Merkel.

Harold and Carrie Barrie went to the Crowell rodeo Saturday night. They also enjoyed supper at the Carroll Ranch Wednesday night.

Louis and Lula Baty spent last weekend in Dumas visiting Steve Baty and his children.

Jaquelyn Brown of Houston spent Friday night, Saturday, and Sunday morning visiting her parents, Jack and Clara Brown, and her grandparents, Vivian Brown and Edgar Jones.

Edgar Jones has a big bed of zinnias

blooming in his garden plot at the top of the hill west of town.

Q.D. Williams of Floydada and Carles Miller of San Angelo were among the trail riders last week. Q.D. reported his wife, Joyce, was visiting their daughter in Oklahoma then going on to climb family trees in Tennessee, North Carolina, and South Carolina. She plans to include a special tour of the Revolutionary war battle site of King's Mountain, where she may have had ancestors on both sides of the fight.

Chad Hord of Corsicana is visiting his grandparents, Darrell and Vula Hord. He and Darrell were on the trail ride.

Visiting the Elmo Shaws over the weekend were Jim, Chris, Zane, Cody and Lynn Shook of Lillian.

Longtime County Resident Dies In Arlington

Bobbie Bradberry, age 81, of Knox City, died Monday, July 24, at an Arlington hospital.

Services were held at 2 p.m. Wednesday, July 26, at the First Baptist Church in Knox City with the Rev. Bobby King officiating. Burial was in Knox City Cemetery, directed by Smith Funeral Home.

Born in Sipe Springs, she was a longtime Knox City resident and moved to Arlington five years ago. She retired from the farming and grocery business. A member of First Baptist Church, she was organist for the congregation for 33 years. She was preceded in death by her husband, John Milton Bradberry.

Survivors include a son, Milton Gene Bradberry of Rogers; a daughter, Lora Beth Ross of Arlington; four grandchildren; and four great-grandchildren.

Vera News

By Mrs. Thelma Coulston

Mr. and Mrs. Duward Richards returned home Wednesday after spending nine days at Bay-Landing on Bridgeport Lake. Visiting with them while there were two of his sisters, Irene Scuck of Grand Prairie and Goldie Cass of Springtown and Duward's brother, Reese Richard of Springtown. Also spending the weekend with them was Duward's daughter, Mr. and Mrs. Randy Millican of Dallas.

The Bobby Laird family of Vernon were weekend visitors with her parents, the Jerrell Trainhams. Bret Crooks of Seymour spent Monday through Wednesday with his grandparents, the Jerrell Trainhams.

The report is that Mrs. Dora Patterson has been moved from the Munday Nursing Home to Bethania Hospital in Wichita Falls where she is receiving therapy treatments in the therapy unit.

Joe Wade Gore of Venus and Larry Gore of Wichita Falls were visitors in the Dalton Gore home.

Mr. and Mrs. Claudell Bratcher were business visitors in Ardmore, Oklahoma Saturday, then came home by way of Ft. Worth Saturday evening and attended the Johnny High Show at Will Rogers Coliseum.

Mrs. Bill Miller of Odessa is spending a few days with her mother, Mrs. Violet Patterson, Gidget and Heather, who are spending the summer with their grandmother. Saturday Violet, Christy and the girls met Bill in Stamford for dinner. Bill is presently employed in Sweetwater.

The Lord's Corner

By Dr. Pete Bradfield, Pastor
First Baptist Church

He was just a little lad, and on a Lord's Day was wandering home from church, dawdling on his way. He scuffed his shoes into the grass; he found a caterpillar; he found a fluffy milkweed pod and blew out all the "filler." A bird's nest in the tree overhead, so wisely placed and high, was just another wonder that caught his eager eye.

A neighbor watched his zig-zag course and hailed him from the lawn, asked him where he had been that day and what was going on.

"Oh, I've been to Sunday School and church." "I've learned a lot about God." "M'm, a very fine way," the neighbor said, "for a boy to spend his time. If you'll tell me where God is, I'll give you a brand new dime."

Quick as a flash his answer came, nor were his accents faint. "I'll give you a dollar, Mister, if you'll tell me where God ain't."

See you next week, and remember: keep cool! Nothing will "cook your goose" quicker than a "boiling temper."

Mrs. Vicki Berrier and daughter, Jennifer, and a friend, Valarie of Lubbock, spent Sunday through Tuesday in the Carl Coulston home.

A community meeting was held at the community center Monday evening for the purpose of electing new directors of the cemetery committee. Duward Richards was elected chairman of the committee and Harold Beck and Carl Coulston are new committee members.

The report is that R.J. Trainham is slowly improving from his recent strokes and is still a patient in the Midland Memorial Hospital. He may be able to return closer home in the near future and continue his therapy treatments.

George and Bertha Faye McKinney are still staying in the home of a daughter, Mr. and Mrs. Bill Odoms in Arlington and George will continue receiving five more weeks of radium treatments in a Ft. Worth center.

The Kevin Trainham family of Moran were recent visitors with their parents, the Jerrell Trainhams and Dalton Gores.

Algon Lee Patterson and son Ricky visited Saturday with Mrs. Loran Patterson.

Knox City To Host First Watermelon Festival Saturday

The Knox County Horticulture Committee and the Knox City Chamber of Commerce are putting the final touches on the First Annual Watermelon Festival slated for Saturday, July 29 at the Knox City city park.

Included in the day's schedule will be a parade to begin at 10 a.m., junior olympics, Little Miss and Little Mister pageant, an ice cream crank off, musical entertainment, contests, games, and lots of food and drinks. Free melon slices will be available throughout the day.

Other activities include the annual Arts and Crafts Show to be held in the Community Center, and a melon and canteloupe show, with prizes and ribbons to be awarded following the 11 a.m. judging.

For information on booth space and activities, contact the Knox City Chamber of Commerce, 817-658-3442.

Services For Rev. Woolley Held Tuesday

The Rev. K.E. Woolley, age 77, a 32 year resident of Benjamin, died Monday, July 24, at the Knox County Hospital.

Services were held at 3 p.m. Tuesday, July 25, at First Baptist Church in Benjamin with the Rev. Larry Neal, pastor, officiating. Burial was in Benjamin Cemetery under the direction of Smith Funeral Home of Knox City.

Woolley was born February 2, 1912, in Dry Creek, Louisiana. He and Oliver Duck were married on September 4, 1950, in Abilene. He was a retired Baptist minister, having served 20 years at First Baptist Church in Benjamin. He also pastored churches in Fairview, Woodson, Gillespie and Russell, Oklahoma.

Survivors include his wife; two sons, Kermit O. of Spur, and Mark of Vernon; four grandchildren; and a great-grandchild.

Peek Services Held Thursday

Howard Peek, age 80, died Tuesday, July 18, 1989, at his home in Goree.

Services were held at 10:30 a.m. Thursday, July 20, at the First Baptist Church in Goree with the Rev. Wayne Varnell officiating. Burial was in Goree Cemetery under the direction of McCauley-Smith Funeral Home of Munday.

Born April 24, 1909 in Keville, Tennessee, Peek moved to Knox County in 1918. He married Artie Railsback on October 20, 1928 in Haskell. Peek was a farmer and mechanic and a member of Goree Baptist Church.

Survivors include a son, James Peek of Goree; a daughter, Pat Howeth of Haskell; a brother, Herbie Peek of Munday; a sister, Kate Brown of Lubbock; six grandchildren; and eight great-grandchildren.

Pallbearers were Kent Trainham, Tommy Decker, E.B. Hosea, Danny Lain, Brad Hosea and Lee Patterson.

1989 Property Tax Rates in Knox County

This notice concerns 1989 property tax rates for Knox County. It presents information about three tax rates. Last year's tax rate is the actual rate the county used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. Compare it to the tax rate the county proposes for this year. This year's rollback tax rate is the highest tax rate the county can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

	General Fund	JURY	Speed Road/Bridge Fund
Last year's tax rate

1989 Property Tax Rates in Goree ISD

This notice concerns 1989 property tax rates for Goree ISD. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. Compare it to the tax rate the taxing unit proposes for this year. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

19 89 Property Tax Rates in Knox Co Drainage

This notice concerns 19 89 property tax rates for Knox Co Drainage. It presents information about these tax rates. Last year's tax rate is the actual rate that taxing units used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. A separate tax rate would impose the same total taxes as last year if you compare properties taxed in both years. The County is to the tax rate the taxing unit imposes for this year. This year's effective tax rate is the highest tax rate in the taxing unit and before taxpayer can avail tax roll-back procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

This week we will conclude our series on "Kids in Safety Seats" with a look at correct use of safety restraint seats. **Common Mistakes Parents Make With Child Restraints**

* Bundling an infant in blankets before placing in the child restraint. This makes correct positioning of the shoulder harness impossible.

* Incorrectly placing an infant in a child restraint facing frontwards in a rear seat. Babies must ride backwards until they can sit up by themselves (about 17-20 pounds). If the driver must supervise the baby, place the restraint in the front seat, facing rearward.

* Reclining an infant carrier with an adjustable tilt feature too far down. In a crash, a baby could be forced out of the restraint head first. Check the manufacturer's instructions for safe degree of tilt.

* Failing to secure the restraint with the auto seat belt if lap belt does not fit around the restraint or through the frame. Parent should try another seating position in the car. A seat belt extender can lengthen the belt. If this does not work, try a different seat model.

* Neglecting to use harness. This could allow the child to be thrown out of the restraint. Some shield-type restraints do not use a harness, some use the shield and harness together.

* Failing to use the harness on a restraint equipped with a padded armrest. The armrest is a cosmetic feature and will not protect the child in any way. It can become a hazardous object for an unharnessed child to be thrown against.

* Leaving the harness or anchor straps loosely fastened. This allows the child to experience a very severe jolt during a collision, because the webbing is not stretched to absorb the impact.

* Neglecting to fasten the top anchor strap. This allows the restraint to pivot forward in a frontal crash. It may not be fastened because of parental apathy, unawareness of the anchor's function, unwillingness to bolt an anchor plate into the car, or uncertainty of how to affix the anchor.

* Letting children ride loose if they complain or climb out of the restraint. This commonly happens when children are between 9 and 24 months, when they are becoming mobile and resist being confined. They can and must be taught that the restraint is their place in the car. To make traveling in a safety

Miss Griffis Honored With Bridal Shower

Miss Donna Griffis, bride-elect of Randy Waggoner, was honored with a bridal shower Saturday, July 22 in the Fellowship Hall of Weinert Baptist Church.

Ronnelle Cude of Goree greeted guests and presented the bride to be and her mother, Mrs. Gracie Griffis, and Mrs. Mattie Waggoner, mother of the prospective groom. Special guests included sisters of the couple, Mrs. Derinda Larnard of New Braunfels, Darla Griffis of Weinert and Mrs. Paula Leonard of Bedford.

Christine Brown of Lubbock presided at the registry table, which was appointed with a hurricane candle accented with spring flowers. Fruit and a variety of cakes and breads, punch and coffee, were served by Stacia Leach and Lori Kimmel, both of Haskell.

Decorations followed the bride's chosen colors of teal and rose. A white linen tablecloth covered the serving table, which was centered with a silver compote holding an arrangement of pink and white carnations, accented with mauve candles, and placed atop a mirrored tray.

Hostesses for the occasion were Erlinda Mayfield, Doris Walker, Linda Adams, Jeanne Forehand, Doris Carroll, Wanda Hester, Alice Yates, Thelma Edwards, Joyce Robertson, Penny Winchester, Juanita Nelson, Jessie Mae Johnson, Sandy King, Christine Meers, Mildred Sanders, Sara Guess, Ronnie Cude and Betty Raynes.

The couple will be married Saturday, August 5 at the First Baptist Church in Weinert.

seat more fun for your child, let them know that the seat is a special place to sit.

* Reclining a forward-facing restraint. Child seats are safest when used in the upright position (if adjustable).

* Failing to double straps back through buckles. Harness and anchor straps are often incompletely threaded, so they could pull out unnoticed.

TRAVELING TIPS

Always keep some sort of cloth or blanket thrown over the seat when your child is not using it. That way, the seat will be warm in winter and cooler in summer.

Perhaps the most important of all, never forget: children learn by example, so you and everyone else in your car should buckle up, too. You'll be establishing a healthy habit for yourself - and an example your child can follow for life.

W.G.'s Meet In Gulley Home

The W.G.'s Club met in the home of Elaine Gulley for the July party. Following a short business meeting, birthday greetings were sung to Viola Cude and Pauline Morrow. The group enjoyed a salad supper, with ice cream for dessert, gift exchange, and games.

Those attending were Viola Cude, Juanita Massey, Pauline Morrow, Frankie Ponder, Ruth Griffith, Dorothy Putnam and the hostess, Elaine Gulley.

Remember - Safety First Around Electricity!

Enjoy a safe summer while working in your yard by following these safety tips.

- Use only properly grounded electrical equipment and replace all worn and damaged cords.
- Never use electric tools in rain or on any wet surface.
- Keep electric cords clear of your working area.
- Keep ladders or long-handled tools clear of power lines. Even wooden ladders can conduct electricity.
- Be careful when digging. Call your Local WTU Office to locate underground power lines in your area.

Nursing Center News

By Virginia Williams

The residents in the nursing home had a very happy week. The Goree Baptist Church held the birthday party on July 19 for all residents with birthdays in July. They were Thelma Hilbers, Beatrice Campsey, Charles Presnall and George Wofford.

Serving refreshments of cake and punch were Brother Wayne Varnell, Richard Varnell, Margaret Atkinson and Donna Cotton.

We have a new resident, Mrs. Ruth Hammons of Goree, who is very active and likes to play 42 and dominoes.

Many of Tommie Polson's kinfolks visited her this week. They were Luline Price and Norma Akins of Lubbock, Mrs. Veda Moore of New Mexico, and Mrs. Mildred Coms of Amhurst.

Beatrice Campsey went to Vernon to attend the wedding of her granddaughter, Linda Campsey, Saturday night at the Baptist Church. She is the daughter of Mr. and Mrs. Palmer Campsey. Beatrice spent the weekend with her son.

Fred Hilbers of Stamford Lake, Mrs. Evelyn Hilbers of Archer City, Mr. and Mrs. Jim McFaddin of Haskell, Mrs. Gladys Stephens of Knox City and Jody Day visited Mrs. Thelma Hilbers on her birthday and took her out for a birthday dinner, including a big birthday cake and a big bunch of roses.

Mr. and Mrs. Cecil Temple of Lawton, Oklahoma, Mr. and Mrs. Wayland Jones of Archer City; and Mr. and Mrs. Ann Polesak of Dumas visited Fred Jones and Mrs. Tommie Polson over the weekend.

Mutt and Doris Chamberlain of Goree visited Mrs. Ruth Hammons Sunday afternoon. Bobby Prater and family of San Angelo visited his mother, Coila Porter, on Saturday and took her out for dinner. The residents enjoyed an hour of music and singing Saturday night. A. C. Tackitt played the violin, Mrs. Jo Ann Maddox was on piano and Algerine Logsdon played the guitar. Singers were Jo Ann Maddox and Leonard and Carolyn Welch.

H. B. and Mildred Graves of Sweetwater visited Jessie Yost and many other friends in the nursing center.

Mr. and Mrs. Eulice Booe of Graham visited his brother and wife, Mr. and Mrs. Clarence Booe, Sunday afternoon.

Don Frazier of Bowie visited his mother, Mrs. Etta Frazier, Saturday and Sunday.

WHEAT PRODUCERS CAN ELIMINATE REPEAT PROBLEMS

The 1989 wheat season was plagued with problems producers should hope to avoid for the 1990 crop.

Footrot was a problem in many wheat fields in Knox County. Producers may be asking, "Where did this come from?" Last summer was much like this summer in that it is very dry and decomposition of residue was limited. The Fusarium roseum organism survived in the stubble and moved to the wheat stands which led to heavily reduced yields in some fields.

In order to reduce the possibility of recurrence, wheat producers should examine fields to see that most stubble is decomposing. If high amounts of residue remain, deep tillage may be necessary to decrease the risk of "foot-rot". Producers can also reduce the risk of disease infestation by planting clean,

1989 Property Tax Rates in Munday City

This notice concerns 1989 property tax rates for Munday City. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. Compare it to the tax rate the taxing unit proposes for this year. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

Last year's tax rate:	
Last year's operating taxes	\$ 66,062.48
+ Last year's debt taxes	\$ 22,528.24
= Last year's total taxes	\$ 88,590.72
+ Last year's tax base	\$ 15,404,335
= Last year's total tax rate	\$.575 /\$100
This year's effective tax rate:	
Last year's adjusted taxes	\$ 98,600.64
(after subtracting taxes on lost property and taxes to correct appraisal roll errors)	
+ This year's adjusted tax base	\$ 15,480,335
(after subtracting taxes on new property)	
= This year's effective tax rate	\$.6369 /\$100
x 1.03	
= Maximum rate unless unit publishes notices and holds hearings	\$.656 /\$100
This year's rollback tax rate:	
Last year's adjusted operating taxes	\$ 66,062.43
(after subtracting taxes on lost property and taxes to correct appraisal roll errors and adding taxes lost in court suits)	
+ This year's adjusted tax base	\$ 15,480,335
(after subtracting taxes on new property)	
= This year's effective operating rate	\$.4267 /\$100
x 1.08	
= This year's maximum operating rate	\$.460836 /\$100
+ This year's debt rate	\$.2843 /\$100
= This year's rollback rate	\$.74513 /\$100

SCHEDULE A: Unencumbered Fund Balances
The following balances will probably be left in the unit's property tax accounts at the end of the fiscal year. These balances are not encumbered by a corresponding debt obligation.

Type of Property Tax Fund	Balance
Maintenance and Operating	-0-
Interest and Sinking	\$13,810

SCHEDULE B: 1989 Debt Service
The unit plans to pay the following amounts for long-term debts that are secured by property taxes. These amounts will be paid from property tax revenues (or additional sales tax revenues, if applicable).

Description	Principal or Contract Payment to be paid	Interest to be paid	Other Amounts to be paid	Total Payment
FHA	2000	3700		5700
Multi Purpose Cert	16000	3360		19360
City Hall - Fire Station	1000	7542		18542
Total required for 1989 debt service				41,602

- Amount (if any) paid from funds listed in Schedule A: -0-

- Excess collections last year: -0-

- Total to be paid from taxes in 1989: 41,602

+ Amount added in anticipation that the unit will collect only 94% of its taxes in 1989: 2,655.45

- Total Debt Service Levy: 44,257.45

This notice contains a summary of actual effective and rollback tax rate calculations. You can inspect a copy of the full calculations at Knox County Appraisal District.

Sen. Carriker Honored By Farmers Union

Senator Steve Carriker of Roby has been singled out for two awards by the Texas Farmers Union for his work on rural issues during the 71st session of the Texas Legislature.

The legislator was presented a "White Hat" Award by the TFU based on his voting records and committee work. Carriker, who represents the 30th District, was also given special recognition for "outstanding leadership in behalf of family farmers and ranchers and rural Texas," said Joe Rankin, TFU president.

Special recognition was also given to Reps. Dudley Harrison, a Democrat from Sanderson and Lena Guerrero, a Democrat from Austin.

"I'm very proud of the role I've been able to play in developing programs for the people who live in rural Texas," Carriker said. "I hope that my efforts will focus more attention on the special problems faced by those of us who make our living in rural communities."

According to TFU Legislative Consultant Patrick Cox, legislators were selected for their awards based on work on rural health care, increasing aid and making improvements in public education and programs for the elderly, legislation which will improve the competitiveness of the state's family farmers and ranchers in today's marketplace, and legislation that continues the existence of the Department of Agriculture.

Gilliland Church Schedules Meeting
The Gilliland Church of Christ will hold a series of gospel meetings July 28-30. Speaker for the three-day series will be Roger Hines of Abilene. Services will begin at 7:30 each evening and 10 o'clock Sunday morning. A congregational singing will begin at 6 p.m. Sunday prior to the evening worship service. Lunch will be served at the church following the Sunday morning services.

Sermon topics will include the Christian and the family, the Christian and the church, the Christian and the world and the Christian and Christ.

The public is invited to attend any or all services.

Veterans Receive Big Portion of VA Money

Texas veterans directly received more than half of the \$2 billion U.S. Department of Veterans Affairs (VA) expenditures in Texas during fiscal year 1988, according to Waco VA Regional Office Director Dr. Stephen L. Lemons.

"Texas veterans received \$1,901,366,207 as compensation for disabling injuries or diseases incurred while in the armed forces, or as pensions of wartime veterans with limited incomes," Lemons said. "They also received \$90,064,083 for education and vocational rehabilitation benefits."

He added that \$101,214,233 for insurance and indemnity payments, \$96,367,576 for facility construction, and \$668,417,903 for medical services and administrative costs were expended in Texas.

Estimated VA expenditures for Knox County veterans totaled \$507,236. This includes \$481,528 for compensation and pension and \$25,708 for insurance and indemnities.

Lemons office administers benefits programs for 233,833 veterans in northern Texas.

Letter To The Editor

Hi Folks!
I miss Munday and enjoy reading in the Courier about my friends and the fine people in Knox County, and in Weinert where I went to school.

For 15 years since retiring from the U.S. Army, I have lived in Newport Beach, California (John Wayne's hometown). We are about 20 miles from Disneyland and a couple of blocks from the ocean.

I have a Real Estate Brokerage dealing exclusively in the sale of motels and hotels in Southern California. I also own and manage several motels.

My wife Louise and I have two children, Crystal and Donovan III attending high school.

My younger sisters and brother graduated from Munday High School. Patsy lives in Rockwall, Texas, Bobbye in Phoenix, Arizona, and Don "Eargle" in El Paso, Texas.

My aunt Maggie Gaines still lives in Munday.

Keep up the good work on the Courier!

Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. Compare it to the tax rate the taxing unit proposes for this year. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

Last year's tax rate:	
Last year's operating taxes	\$ 216,810.79
+ Last year's debt taxes	\$ 121,000.00
= Last year's total taxes	\$ 337,810.79
+ Last year's tax base	\$ 26,766,803
= Last year's total tax rate	\$ 1.30 /\$100
This year's effective tax rate:	
Last year's adjusted taxes	\$ 346,099.42
(after subtracting taxes on lost property and taxes to correct appraisal roll errors)	
+ This year's adjusted tax base	\$ 26,702,501
(after subtracting taxes on new property)	
= This year's effective tax rate	\$ 1.29613 /\$100
x 1.03	
= Maximum rate unless unit publishes notices and holds hearings	\$ 1.335 /\$100
This year's rollback tax rate:	
Last year's adjusted operating taxes	\$ 215,646
(after subtracting taxes on lost property and taxes to correct appraisal roll errors and adding taxes lost in court suits)	
+ This year's adjusted tax base	\$ 26,702,501
(after subtracting taxes on new property)	
= This year's effective operating rate	\$.80758 /\$100
x 1.08	
= This year's maximum operating rate	\$.87218 /\$100
+ This year's debt rate	\$.4267 /\$100
= This year's rollback rate	\$ 1.3483 /\$100
