## Views From Another Point

by Joyce Beecher Greenwood

Remember how much fun it was just to be a kid and amble down a dusty road with an old dog at your heels? Remember aimlessly kicking a can just to hear it rattle while your imagination took you to exotic faraway places? Or packing a peanut butter and jelly sandwich and just striking off somewhere by yourself -- just for the fun of wandering -- knowing you'd be home in time for supper?

How sad to know our world has deteriorated to the point where our kids can't be carefree kids anymore. We have to be afraid for them to go off alone. And what's worse, the kids have to live with the fear that somebody could, and would, take them even from their own yards.

Suddenly, it has become dangerous for a little kid to go anywhere alone.

In Goree, like probably every other school in the area, we can no longer bid our elementary students good-bye and let them leave the classroom. We have to walk out with them and have them find their mothers or some other trusted relative or friend.

Recently, when our school received the police report about the attempted abduction of the little girl in Knox City and another in Stamford the following day, Mr. Cotton took kids home on the bus who lived within three blocks of the school. A patrol car was sent from Munday to circle the grounds. Johnny Ivy, our deputy in Goree, still drives around the school sometimes during almost every school day.

And this is Small Town, USA, folks! You could expect such drastic precautions in the slum areas of big cities where street gangs rule the neighborhoods, but right in the heart of the Bible Belt? Here in the small towns where we've lived for most of our lives? Where the birds still sing and, from the top of a tank dam, you can see Forever? What has happened to our world?

Last week there was a report on television of a call from a former Satanic cult member to the Henrietta Police Department after an attempted abduction of a first grade girl there. If the call was not just somebody's sick attempt at humor, little blonde girls have been targeted by Satanic worshippers. How can such a thing be possible in a country established under God?

It's hard for people like us who work hard, try to do the best we can, and thank God every night when we lie down in our beds that He has watched out for the people we love, to imagine the existence of a group of people who actually worship Satan.

It's equally hard to believe there are people in our society who openly "confess" to being witches and warlocks. And how can anybody gain such complete control of a person's mind so that he can persuade hundreds of people to follow him to a distant land and drink lethal doses of a deadly poison - even give it to infants in bottles? We don't want to believe there are so many individuals within our society who are so desperately searching for some identity to their lives they'll follow anybody or succumb to the wills of a madman. We'd rather not know how many people are actually tottering on the brink of insanity.

When a three year old is afraid to play in her own back yard because she's afraid of a "stranger", and children must be photographed and fingerprinted and made to wear identification bracelets they can't take off, it's time to find some way to turn the world around. But how do we do that?

I've always wondered if there's not a

(Continued on Page 2)

## City Council Meets In Emergency Session

The City Council of the City of Munday, Texas met in special session at 8 p.m. Tuesday, September 21, at the City Hall.

Members present included Richard Albus, Jessie Tucker, Jessie Andrade, Gene Brown and David Booc.

Mayor pro-tem Albus called the meeting to order. He informed the Council that he had called the meeting to discuss an emergency situation and that an urgent necessity exists making the meeting necessary.

A problem encountered at Munday Housing Authority units between North 12 and 13th Avenues had developed. Lank Stafford, Ruth Ann Murray et al had claimed violation of their rights and say they would file a complaint so stating. A formal complaint is expected to be filed in this regard.

Following discussion, Gene Brown moved that the Council go into executive session since the foregoing requires action regarding Munday Police Department personnel. Andrade seconded the motion; all voted in favor.

Executive session was called by Mayor pro-tem Albus and commenced at 8:17 p.m.

Albus closed the executive session at 8:45 p.m. and called the council back into open session.

Brown moved that Coyt Smith be sent a letter, said letter to state that he will have the right to be accompanied by counsel if he so desires and he will be permitted to present any evidence or statements by any persons on his behalf. The letter is to be delivered, witnessed and signed by him or else he is to be notified by certified mail with return receipt and said letter stating that he placed on Temporary Leave of Absence - with pay - until October 2, 1989 at 8 p.m. at which time he is requested to appear before the City Council to discuss his status of employment with the City of Munday.

Andrade moved the meeting adjourn. Booc seconded; all in favor.

**SMITH REINSTATED**  
After investigation and further consideration of the allegations made against Police Chief Coyt Smith, the City Council met in special session on September 30, 1989.

Council members agreed that the allegations were unwarranted; therefore, the City Council voted unanimously to reinstate Smith to his duties as Chief of Police for the City of Munday as of September 30, 1989.

## Abandoned Children Found At Hwy 82 Roadside Park

Two small children are in good condition after being found accidentally abandoned at a roadside park on Highway 82 between Benjamin and Vera, according to Knox County Sheriff Henry Dancer. Lee Bruce, maintenance supervisor for the Texas Highway Department, found the two about 3 p.m. Thursday, September 28.

The children, a 5 month-old-boy and a 2 1/2 year-old-girl, were taken to Seymour Hospital where they were treated for severe sunburn and released. They are now in the custody of their father.

Bruce said he was driving by the roadside park and saw the little girl playing. He decided to sit and watch the child until someone came from the rest rooms.

"I sat about 20 to 30 minutes watching her and then decided that something might be wrong," Bruce said.

"When I got close enough to the little girl to see her, I knew something was wrong."

Bruce said the youngster was dirty, had paint in her hair and had a fan belt tied around her waist.

When he tried talking to the girl, she said something like "mommy get water" and pointed out to the pasture.

"I kept seeing movement, and that's when I jumped over the fence and saw the little boy," Bruce said.

"FRAZIERS PIONEERS" of Aspermont earned first place honors at the Chili Cookoff on Saturday hosted by the Ladies Auxiliary of the Munday Volunteer Fire Department. They also received a third place plaque for a second pot of chili they had cooked up under their tent. The two chili chefs are David Thompson and Bill Bookman. Judges for the event were Doris Crowover of Knox City, Donnie Peters of Knox City and Nancy McGregor of Benjamin.

## Lions Set Broom Sale

Munday Lions Club members are making plans for their annual fall sale of mops, brooms and other items made by the blind. The sale will begin at 8 a.m. Tuesday, October 10, on the City Hall parking lot.

Truman Cypert is chairman of the project this year. Sales of products made by blind and visually impaired workers at the Lighthouse for the Blind will benefit blind and multi-handicapped employees by creating more jobs and financing other related services. The community is urged to support this effort by purchasing these items.

## Golf Scramble Planned

All area golfers are urged to attend a Golf Scramble set for Sunday, October 8, at Lake Creek Club.

Tee-off time is 1:00 p.m.

\*\*\*

## Annual Bike-A-Thon Scheduled Saturday

Riders are needed for the annual Wheels for Life Bike-a-thon set for Saturday, October 7, in Munday. The event's held annually to benefit St. Jude's Children's Research Hospital in its fight against cancer and other catastrophic childhood diseases. Coordinator for this year's event is Patsy Meinzer of Benjamin.

Founded in 1962 by entertainer Danny Thomas, the non-sectarian and interracial hospital has become the world's largest center for the study of childhood cancer and is the only institution dedicated solely to this treatment and study of catastrophic childhood diseases. In addition to direct treatment of patients throughout the United States and 29 foreign countries, St. Jude has provided the world's doctors with the best methods of treating their own young cancer patients. This lifesaving knowledge is given at no charge to any other hospital or private physician.

Munday citizens are being asked to pledge a contribution for each mile a participant rides.

"Every mile our bikers go earns money bringing us closer to a cure for cancer. The life-saving study of childhood cancer at St. Jude has become critical to children all over the world," Mrs. Meinzer said.

"Your generous pledge encourages riders. Let's show we care. Help this cause," she continued.

The ride starts at 3 p.m. at the MHS fieldhouse. Individuals who haven't been contacted but are interested in sponsoring a rider can call 422-4417 and a rider will contact you.

Sponsor/registration forms can be picked up at the local schools or at One Stop Video Shop in Munday.

## County Democratic Committee To Meet

Douglas Myers, vice-chairman of the Knox County Democratic Executive Committee has announced a committee meeting to be held Monday, October 9. Members of the committee will gather at 7 p.m. in the meeting room at the Citizens State Bank in Knox City.

Precinct chairpersons will at that time appoint an individual to succeed David Counts as chairman of the Democratic Committee.

Myers asks that persons who might be interested in the chairmanship send a letter of application to him at Box 297, Munday, and urges all precinct chairpersons to be present at the meeting on Monday.

## Moguls Post 69-0 Victory Over Crowell Wildcats

The Munday Moguls dominated the Crowell Wildcats Friday night, allowing the visitors only five first downs and 87 total yards on offense, while posting their fourth consecutive win of the season with a 69-0 victory.

Crowell had 70 yards rushing and completed only two of 20 passes for 17 yards. Defensively the Wildcats stopped the Moguls on the 11 yard line in the first quarter and recovered three fumbles by Munday for the night, but for those four drives Munday scored every time they had the ball.

Quarterback Marc Andrade, directing the high scoring offense, threw for one touchdown and completed two others in six tries for 119 yards.

Terry Collier carried the ball 12 times for 156 yards and two TDs on runs of 20 and 33 yards.

Perry Collier got the call 12 times for 193 yards while scoring once on a 68 yard run. He also caught a 50 yard pass for a TD and intercepted a pass on the 37 and returned it for his third score of the night.

Fullback Bobby Dockins rushed for 128 yards in six tries, scored twice, one from 27 yards out and again on a 68 yard dash around left end. Dockins also kicked seven extra points.

Andrade scored twice on runs of three and six yards, respectively, and Jason Morgan added two points for the Moguls with a completed pass conversion.

Aggressive play of the young defensive unit cost the Moguls 55 yards in penalties.

Jerry Valencia fumbled once after a 36-yard pass from Andrade. Perry Collier and Jimmy Guerrero, playing in his first varsity game, lost the ball once on a fumble.

The Moguls defensive unit, led by Brett Bruce and Bobby Dockins, are improving each week with the play of Chris Key, Jerry Branam, Dwayne Redder, Chris Scott, David Wilde, Bryan Latham and Tony Hunter on the line and the secondary of Perry Collier, Terry Collier, Marc Andrade, David Owens and Jerry Valencia.

The Moguls will travel to Chillicothe on Friday to meet the Eagles in the second district game of the season. Kickoff time is 7:30.

The junior high team will host Chillicothe on Thursday evening with kickoff time at 6:30 and the junior varsity will play the Crowell Wildcats here at 7:30 the same evening.

## COACH EDWARDS' COMMENTS

We did not play very well last week. Our blocking and tackling was haphazard at best. We must improve on fundamentals if we are to be a championship ball club. It was not a week of improvement.

I thought we did show some improvement on our stunt discipline, however, Crowell's offensive line wouldn't fire-out so our linemen were having a hard time keying. We must learn to play with more intensity in all situations.

Chillicothe is probably a little worse than Crowell. They are very young and should prove a good warm-up for the rest of the district.

## KC Sausage Meal Planned

The Knights of Columbus of St. Joseph's Catholic Church in Rhineland will host their annual sausage dinner at the KC hall in Rhineland on Sunday, October 15. The meal will be served from 11 a.m. to 1:30 p.m. and the menu includes homemade sausage, fried chicken, various vegetables dishes and homemade desserts. Tickets are \$5 for adults and \$3 for children under 12.

Tickets can be purchased in advance at Buds for You in Munday or from Gerard Kuehler, 422-4390 or any Knights member.

St. Anne's Mothers Society will hold a bazaar in conjunction with the meal, featuring home baked and hand made items.

Bulk sausage will be sold at \$2.50 per pound to those who order in advance. To place orders call 422-4848, 422-5531, 658-3416, 422-5344 or 422-4775. The sausage will be ready on Saturday, October 14 and can be picked up at Brown's Store in Rhineland.

Members of St. Joseph's parish invite everyone in the community to join them for this annual fall meal.

A PREVIEW of items to be auctioned at 1 p.m. Saturday at the First United Methodist Church Harvest Fest activities. A full day of events, to begin at 9 a.m., has been planned by members of the congregation and the public is encouraged to attend.

## Methodist Church Harvest Fest Activities Scheduled Saturday

The First United Methodist Church will hold its "Harvest Fest '89" Saturday, October 7. Doors will open at 9 a.m.

A country store on the premises will feature arts, crafts, baked and canned goods, pumpkins, woodwork, children's toys and dolls and Christmas decorations and tree ornaments.

A silent auction will be held in conjunction with the country store. Several special items will be sold to the highest bidder at the close of the days activities.

Children's activities, which will begin at 10 a.m. and continue until noon, will include a petting zoo, face painting,

balloons, a game room, clowns and a comedy hour.

A lunch of brisket, beans, salad, bread, dessert and tea or coffee will be served from 11:30 until 1 p.m. Tickets are \$5 for adults and \$3 for children 12 and under.

At 1 p.m. there will be an auction of various items, including quilts, dresses, skirts, needlepoint pictures, hand crocheted afghan, hand-painted denim jacket, and many more.

A nursery will be provided for children under three.

Members of the local church invite the entire community to come out and enjoy all the activities of the day.

### Options Available To Modify 1990 Wheat Program Contracts

To maintain humanitarian food aid commitments following two years of drought, and restore wheat stocks to safer levels, the U.S. Department of Agriculture will offer producers the option to modify their 1990 wheat program contracts and increase their wheat plantings if they choose to do so, according to Glen Brzozowski, executive director of the Haskell County ASCS.

The previously announced program includes a five percent acreage reduction requirement and limited cross compliance.

"Farmers will continue to have the option of signing up for and complying with the original program provisions," Brzozowski said.

He said the change gives farmers the opportunity to modify their original contracts and plant up to the maximum 105 percent of their farm's wheat base. For each acre planted over 95 percent of the wheat base, there will be a decrease of one acre when determining the farmer's deficiency payment. "Producers may not plant more than 105 percent of their wheat base to remain eligible for these payments."

The 1990 wheat program benefits include a \$4 per bushel target price, a \$1.95 per bushel price support loan and purchase rate, and advance deficiency payments at 40 percent of the estimated deficiency payment rate. "These provisions will remain applicable to all farmers who enroll in the program," the official said.

The modified wheat program option does not contain acreage conservation reserve requirements, 0/92 provisions, soybean and sunflower options, nor the transfer of wheat bases to oat bases. Producers may not credit other nonprogram crop acreage as acreage considered planted to wheat, and may not build future wheat base acreage on the farm. However, the increased wheat plantings may be considered as planted to other program crops for base intention purposes.

Further details on these and other wheat program requirements are available at the County ASCS Office.

### VIEWES

(Continued from page 1)

void inside all of us that must be filled and if it's not filled by the Holy Spirit or spiritual love for our fellowman, then something else replaces it. When a person is never taught self worth, it's hard for him or her to adopt values of decency or respect. Nobody is born a loser, but if he's told he's a loser long enough, he becomes one.

Then, the Jim Jones' and the Charles Mansons' of the world move in. Then, a person can be persuaded to enter in to all kinds of strange and unholy practices because that's the way he can become "somebody". Maybe instilling Christian values is the key for generations to come.

In the meantime, we watch our little ones taking every precaution possible to protect them and hope and pray there are not as many whackos in our world as we may think.

This is a very depressing point of view this week.

I apologize.

\*\*\*

### Wildcats Even Record With Win Over Moran

In the final tune-up game before district, the Goree Wildcats defeated the Moran Bulldogs 57-18 Friday night in Goree. The Wildcats, leading 8-6 after the first quarter, outscored Moran 22-6 in the second stanza to take a 30-12 halftime lead. Goree added 21 points in the third quarter, while the Wildcat defense was able to shut down the Bulldogs. Each team added a touchdown in the final period to account for the final score.

Goree's offense was paced by Gary Dixon, who rushed for 102 yards on 8 carries. He scored 5 times on runs of 1, 6, 4, and 5 yards, and on a punt return of 45 yards. Scott Castillo rushed 12 times for 87 yards and two touchdowns. His scores came on runs of 11 yards and 20 yards, respectively. Sergio Nunez led Wildcat receivers with two receptions for 45 yards, including one touchdown. Kenneth Mitchell completed two of three passes for 46 yards and one score.

Goree's defensive charge was led by Domingo Aguilar and Jay Hutchens, with 11 1/2 and 10 1/2 tackles, respectively. Lyndell Garcia also had an outstanding defensive effort.

Goree evens its record at 2-2 with the win. The Wildcats begin district play Friday night as they travel to Harrold

**SHOWMANSHIP HONORS** at Saturday's Chili Cookoff, hosted by the Ladies Auxiliary of the Munday Volunteer Fire Department, went to "The Hillbillies". This group of chili cooks include (left to right) Perry Kuehler, Gary Kuehler, Stan Decker, Todd Meers and Steven Smith. The cooks also took the second place prize for the best chili with their own secret recipe for "Hillbilly Chili". Honorable mention showmanship award went to Boy Scout Troop 76 of Munday.

### Twirlers Compete In Lubbock Contest

Angela Albus and Farrel Selzer competed in the National Baton Twirling Association competition held in Lubbock on September 30.

In the open competition Farrel earned third place in the costume division and second place in military. Angela earned second place in modeling, third place in x-strut, basic strut and costume in the open competition.

Farrel was awarded first place in modeling, basic strut, military and solo in the individual competition and Angela placed first in solo.

Farrel's parents are Dr. Dale and Martha Selzer and Angela is the daughter of Richard and Cathy Albus. Their instructor is Rozlyn Love of Love Baton Twirling in Abilene.

\*\*\*

### MOGULETTES WIN FIRST AGAIN

### Mogul Runners Place Second At Anson Cross Country Meet

The Munday High School Cross-Country teams competed in a meet at Anson on Saturday, September 30.

The Moguls earned a total of 44 points to finish second in their division behind district rival Lueders-Avoca. The Lueders-Avoca team had 31 points.

The Mogulettes again won first place, scoring 25 points compared to second place Coleman's 44 points.

Mike Yzaguirre led the boys' team by placing sixth, and running a time of 18 minutes, 26 seconds. Other runners on the boys' team, their times and places were: Kevin Myers, 20:56, 16th; Kenny Forehand, 21:28, 17th; Jerry Valencia, 21:40, 18th; and Andy Dancer, 27:03, 28th.

The Mogulettes were led by Mindy Myers, who placed second with a time of six minutes, 18 seconds. Other team members, their times and places include: Kacy Longan, 13:25, 3rd; Robin Reneau, 13:35, 4th; Alicia Cook, 14:14, 9th; Bridgett Beaty, 14:22, 11th; Kathy Wilde, 15:07, 21st; and Brandy Branam, 16:01, 30th.

Both teams will see action this weekend as they travel to Lubbock for the Lubbock Invitational Meet, one of the largest and strongest meets in this section of Texas. All of the girls times showed improvement from their first meet, and three of the boys bettered their first meet times, according to cross country coach Dan Sloan.

### HOSPITAL NOTES

Mr. and Mrs. Lloyd King and Eddie are back at home after spending two months in Abilene, where Lloyd was receiving medical treatment.

Melbourne Morse has been receiving medical treatment in the Seymour Hospital.

### CHURCH NEWS

Rev. Eddie Worthy of Iowa Park preached at the First Baptist Church here Sunday morning and evening.

### VISITORS

Mrs. Ann Auburg of Midland visited her sister, Dixie Elliott, last week.

Wayland Jones of Floydada visited Charles and Margaret Atkinson Saturday night.

Elkin and Eva Warren visited Mrs. Wilma Sorrells in Childress last Thursday.

Mutt and Doris Chamberlain returned home last Wednesday afternoon after visiting different places in east Texas several days.

Mr. and Mrs. Lloyd Bradley and Ola Mae Lewis visited their son and wife, Jerry and Caroline Bradley, in Arlington last week. Their other son, Clifford Bradley, and daughter, Jamie of Irving, were also visiting there.

Tommy and Rhogenia Howry and Tommy II of Levelland spent the weekend visiting his mother, Mrs. Winnie Howry, Jackie Howry and Melanie and a friend, Kenny Ray of Wichita Falls, visited his mother on Saturday.

Leroy and Lucy Brooks of Lake Kickapoo visited Helen Roberts Wednesday afternoon.

Mr. and Mrs. Jim Cooke have returned home from a two week vacation trip. They visited their daughters and families, Mr. and Mrs. Ralph Forsberg and Terri at Alvarado, Mr. and Mrs. Bob Quick at Rockwall, and Mrs. Letitia Carlson and Dave at Burleson. They also visited several points of interest in east Texas.

Dave and Marcie Oakes and Robert

### County Retired Teachers Hold Meeting In Knox City

Twenty-one members of the Knox County Chapter of Retired Teachers met September 26 at the Knox City Community Center. Two guests were also present.

Douglas Myers, president of the group, welcomed members and guests and presided for the business meeting. He urged members to invite other retired school personnel to join the association.

Kenneth Roberts worded the invocation.

Barbara Ratliff, vice president, presented program books for the new year and gave a brief preview of upcoming programs which promise to make for a very enjoyable year.

Barbara then introduced Dr. Pete Bradfield, pastor of the First Baptist Church of Munday, who brought a lively, enjoyable talk which was enjoyed by all present.

Following the program, refreshments were served and members enjoyed a time of visitation before the meeting adjourned.

Members present were Sammie Carpenter, Wretha Fitzgerald, Mary Groves, Ruth Horton, Grace Hutchinson, June Kane, Lillian Logan, Dorothy Myers, Douglas Myers, Alice Partridge, Exa Faye Penman, Barbara Ratliff, Euris Reed, LaRue Reeves, Jessie Roberts, Kenneth Roberts, Mary Frances Shannon, Maurys Stone, June Tankersly, Virginia Williams, and Oliver Woolley. Guests were Pete and Jea Bradfield of Munday.

New members welcomed by the group included June Kane and Alice Partridge. Hostesses of the meeting were members from Munday.

### Thompson Family Reunion Held At Quartz Mountain

The annual Thompson get-together was held September 30 and October 1 at Quartz Mountain Lodge.

Attending were Opal (Thompson) Thornton and Billy and Patsy Kenney of Paducah; Art and Wanda Smith of Lubbock; Dereynda Pool of Guatamala, California; Jack and Helen Sweatnam, and Bill and Jackie Valley of Amarillo; Ben and Ela Fulks, Julia East and Joan Cross of Pampa; Van, Lesa and Scott Thompson of Dallas.

Also, Sam L. Forter of De Sota; Sharon Maroney of Grand Prairie; George and Jean Landin of Enid, Oklahoma; Clois Rowland of Vernon; Barbara Jeycks and Clinton Allison of Elk City, Oklahoma; A. J. and Hazel Rennels of Canute, Oklahoma; and Ray and Alva Robertson and Mr. and Mrs. Hub Thompson of Munday.

Neil of Lubbock spent the weekend visiting her parents, Gary and Marsha Hale, Leslie and Donna.

Mr. and Mrs. Andy Jackson visited his mother, Mrs. Cindy Matlock, at Weinert on Sunday.

Grace Smith and Archie and Irene Struck attended the singing at the Patton Community Center last Thursday evening.

Sandra Hicks of Seymour visited her mother, Virginia Land, on Sunday.

Calbert and Nell Haskin of Lipan visited her mother, Pauline Beecher, on Friday.

Mr. and Mrs. Greg Melton, Taylor and Brady of Haskell and Elkin and Eva Warren were dinner guests in the Johnny Moore home on Sunday.

Carla Dormier and children, Josh and Sara of Throckmorton, visited her parents, Mr. and Mrs. Carl Dormier on Sunday.

Visiting Mr. and Mrs. Merle Lambeth last Sunday was their granddaughter and husband, Mr. and Mrs. Randy Hames of Azle. Also visiting was their daughter and family, Mr. and Mrs. Doug Donoho and Zane of Munday.

Mr. and Mrs. E. B. Hosea visited in Wichita Falls during the weekend.

Guests in the Taylor Allen home last Wednesday were the Clyde Shahan family of Lake Dallas. Other visitors in their home on Friday were Mr. and Mrs. Claude Tallant of Throckmorton.

Mr. and Mrs. Ewen Beaty visited Jack and Ruby Beaty in Seymour Sunday afternoon.

Mr. and Mrs. Merle Lambeth and Lois Howard visited Corrie Walton and Mr. and Mrs. Charlie Wilson in Wichita Falls last Wednesday.

Mrs. Pearl Yates and granddaughter, Jennifer Yates of Munday, visited her parents, Mr. and Mrs. Lem Betts, in Seymour Sunday afternoon.

### DOVE HUNTERS ENJOY WEEKEND

Visiting Mr. and Mrs. Wallace Roberts and Mrs. Ina Roberts during the weekend were Terry May of Dallas; Jackie Reid, Raymond Gordon, Robert Vaughn, Reuben Millsaps, and Bobby Parks, all of Garland; Jim Roberts and Kennen Alles of Arlington; and Edd Levell of Farmers Branch. These men were here to some dove hunting. However the doves were not as plentiful this season as they usually are. But a good time was had by all just visiting and having a lot of good eats.

### MRS. PATTERSON SHOVER HONOREE

Mrs. Tony Patterson was honored with a bridal shower Sunday afternoon in the James Peek home. Guests were served by Jamie Peek and Sherry Hutchens.

Hostesses were Mary Hutchens, Glenda Decker, Pat Peek, June Blake, Barbara Bowman, Jamie Peek, Sherry Hutchens, Joyce Greenwood, Judy Frazier, Ruth Coffman and Susie Williams.

**EMPLOYEES OF THE James E. (Bud) Smith Plant Materials Center at Knox City were awarded Certificates of Appreciation at a special program held Thursday, September 28. Recognized and commended for their performance in making the 25th Anniversary Field Day a success were (in no particular order) James Alderson of O'Brien, Ray Cragar of Knox City, C.L. Hacker Jr. of Knox City, Ronald Curd of Knox City, Mary Birkenfeld of Rhineland, Lynn Pace of Haskell, Hope Bolanos of Benjamin, Mary Ann Boone of Knox City, J.D. Hollis of O'Brien, Maurine Williams of Munday and Pete Espinosa of Knox City. Ray Cragar was also received recognition for 10 years of Federal Service.**

## Vera News

By Mrs. Thelma Coulston

Mr. and Mrs. Kenneth McHughes of Wichita Falls visited in the home of her sisters, Mr. and Mrs. Clifford Boone and Mrs. Frances Kuchan on Thursday.

Mrs. Robbie Feemster was in Woodson Sunday where she attended graveside memorial services for a friend, Mrs. Ester Elliston, of Wichita Falls, in the Woodson Cemetery. Funeral services were held at the Faith Church of Christ in Wichita Falls at 2 p.m.

Mr. and Mrs. Claudell Bratcher were in Wichita Falls Sunday where they visited Mary Helen's nephew, Ralph Blanton Jr. of Graham, who is a patient in Bethania Hospital. Ralph is the son of Edith and Ralph Blanton of Bowie, former residents of Seymour.

Mrs. Violet Patterson spent Saturday night with Mrs. Reba Nix in Munday and enjoyed a visit with Mrs. Wanda Holland of Burkburnett who was visiting Reba. Mrs. Tom King accompanied Violet to Munday after spending a week with her.

Mrs. Mary Lou Gore is a patient in Bethania Hospital in Wichita Falls following a triple by-pass heart surgery

Friday morning. All three of her sons and their wives, Wallace and Ileta of Seymour, Jerry and Barbara of Hobbs, N.M., and Doug and Marie of Trent, have been at her bedside and report she is recovering nicely.

The Bobby Laird family of Vernon spent the weekend with her parents, Mr. and Mrs. Jerrell Trainham. Sunday visitors in the Trainham home were Mr. and Mrs. Toby Crooks and Bret of Seymour and Stephanie Crooks, a student at Tarleton State University in Stephenville.

Ewell McKinney of Indianapolis, Ind. and Mrs. Ruby Gaither of Ft. Worth have been visiting in the home of their brother, Mr. and Mrs. George McKinney and were with the sister, Mary Lou Gore, during her surgery at Bethania Hospital Wichita Falls. Other visitors with George and Bertha Faye were their daughters, Mr. and Mrs. Wayne Herrington of Abilene and Mrs. Bill Odom of Arlington. The girls took George and Betha Faye to Wichita Falls Friday to be with his sister.

Mrs. Clyde Feemster was a business visitor in Wichita Falls Tuesday.

MR. AND MRS. JIMMY MALONE  
... the former Margaret Harlan

## Malone-Harlan Exchange Vows In Archer City September 12

Miss Margaret Harlan of Archer City became the bride of Jimmy Malone in an exchange of wedding vows repeated Thursday evening, September 12, in the First Baptist Church in Archer City. Rev. Roger Dearinwater, pastor, officiated.

The bride is the daughter of Charles Ray Harlan of Archer City and Mrs. Silva Charles of London, England. The groom's parents are James and Earlene Malone of Archer City.

Presented in marriage by her father, the bride was attired in a white silk formal gown with embroidered applied puffed sleeves, a sweetheart neckline and waistline accented with embroidery, and a full length veil caught with a floral tassel. She wore her grandmother's pearl necklace, and a gift of pearl earrings from Jimmy Phillips.

Mrs. Alison Goodwin of Norman, Oklahoma, served her sister as matron of honor. She wore a mauve chiffon tea length gown with a wrap around bow. Miss Shawna Owen was bridesmaid and wore a similar dress.

The groom was dressed in his army uniform. Timmy Malone served his

brother as Best Man and Kenny Stephens was groomsman. Ushers were Gary Harlan and Jud Lane. The male attendants wore gray slacks with white shirts and ties.

A reception followed at the church fellowship, hosted by the bride's father. Assistants were Jimmy Phillips, Shannon Starnadel, Stacie Schroeder, Jennifer Lewis, Amy Davis and Gladys Harrelson.

Following the reception, a limousine arrived at the church to take the couple to the Hilton Hotel in Wichita Falls for their honeymoon.

Malone has just completed his basic training the U. S. Army at Ft. Leonard Wood, Missouri and will be transferred to Germany for a three-year tour of duty as a combat engineer. His bride will join him there.

The bride is a graduate of Norman, Oklahoma High School and a former resident of Munday. She is the granddaughter of the late Millie Faye Harlan. The groom is a graduate of Archer City High School.

## Crop Reports Required For Disaster Payments

Before farmers can receive payments on their disaster-affected crops, they must provide acreage and crop production records showing the intended uses for each crop, says Glenn Brzozowski, County Executive Director of the Haskell County Agricultural Stabilization and Conservation Service.

In order to receive disaster payments, farmers are also required to certify that they are in compliance with the sodbuster

and swampbuster provisions of the Food Security Act of 1985.

According to Brzozowski, the 1989 crop disaster program authorizes disaster payments to farmers who suffered crop losses in 1989 because of damaging weather, or related conditions in 1988 or 1989. He said the disaster payments cover participating program crops of wheat, feed grains, upland cotton, extra long staple cotton, and rice; non-participating program crops, peanuts, soybeans, sunflowers, sugar beets, sugarcane and tobacco; and all commercial nonprogram crops.

"We intend to process disaster payment requests as quickly as possible," said Brzozowski. "Therefore, we encourage farmers to organize their production data now, so that they will have the necessary information ready when they come in to apply for disaster payments."

The 1989 crop disaster program opened September 15.

Further details for disaster payments on 1989 crops may be obtained from the local ASCS office.

## Farm and Ranch Report

By Donnie Peters

### TIME NEAR FOR APPLYING COTTON HARVEST AIDS

Much of the cotton is maturing in Knox County and bolls are opening at the bottom to middle of the plant. Producers will soon be looking to get a jump on cotton harvest to avoid losses from storms or high winds.

There are some good harvest aids that may be applied to cotton so producers may get that head start. One such product is Prep. This product will open bolls that are mature.

In determining the maturity of bolls prior to application, producers should see that cotton bolls are too hard to be dented when squeezed between thumb and fingers and also too hard to be sliced with a sharp knife. The seed color will become light brown in color.

Cotton producers should be warned that Prep will not hasten maturity and

should not be applied until all mature bolls have reached the mature stage. The rate of response for cotton from the Prep application will vary upon the temperatures. If average day and night temperatures fall below 65 degrees F, then response will be very slow.

Another harvest aid applied to cotton to hasten harvest is the use of a desiccant. One such product is arsenic acid. Arsenic acid should be applied at 1 - 1 1/2 quarts per acre as bolls are 75-85% open on the stalk. Producers are warned not to exceed the recommended rate as

excessive rates of arsenic acid were found in rinse water at two cotton mills.

Producers should be aware that the use of arsenic acid to hairy leafed varieties can cause the leaf to freeze on the stalk. This problem will cause cotton to have more trash in the line which affects cotton grades. Examples of hairy leaf

cotton varieties include Tamcot SP-37H, and Paymaster 145.

Another option for desiccation is paraquat applied at 1 1/2 to 2 1/2 pints per acre. Paraquat should be applied when 85% or more bolls are open. Clear warm weather conditions are important for the paraquat to respond properly.

### Graveside Services Held Thursday For Olga Payne

Graveside services of Olga Juanita (Terry) Payne were held Thursday, September 28, 1989 at Johnson Memorial Cemetery in Munday. She died Wednesday, September 27, at Munday Nursing Center.

Rev. Loren Gardner, pastor of First United Methodist Church officiated at the graveside.

Born in Rustin, Louisiana, she was the daughter of the late Mr. and Mrs. J.M. Terry.

Mrs. Payne was a graduate of Munday High School and attended West Texas State University at Canyon one year, majoring in music. She was a salesperson for Reid's Hardware in Munday for several years and a member of the Methodist Church.

Survivors include a half-brother, Jim Hicks of Fort Worth and a half-sister, Marjorie Bell of Glenrose.

## Benjamin News

By Mrs. Gladene Green

Seems that our residents who have been on the "puny" list are doing a little better. Aliene Groves is still in the Seymour Hospital but if she continues to improve, she may be released the first of this week. But it will be a while before she can go back to work as school secretary.

Sandy Tovar, the granddaughter of Joe and Julia Trepanier, who is making her home here with the Trepaniers, underwent a tonsilectomy Friday at the Seymour Hospital. She is home and is anxious to get off the Jello, broth and ice cream, but she is doing fine.

Audrey Nolan, who now resides in the care home at Knox City, went to Abilene Friday to have her eyes checked. She had a cataract removed from one sometime ago and it helped so much, that in a couple of weeks, she will have the other one done. She's doing fine.

Lona Feemster, Philomae Roberson's mother, is doing pretty well. Like all who are 90 plus, she has some days better than others, but she always welcomes company. I'm sure the days get long in a care home and I urge you, if you have a few minutes when you are over there, go by and see them. They all appreciate it.

Mrs. Myrtle Jones, Charles Jones' mom, is also a resident of the Knox City care home. She had a big birthday weekend, turning 90, and all her kids and grandkids, plus lots of friends, were on hand to help her celebrate. And I understand she thoroughly enjoyed every minute of it!

Darlene Benson, still recuperating from a recent heart attack, continues her progress toward better health at home. She has good days and bad ones, but hopefully before long, she will be feeling her old self again.

Best wishes for a return to good health go out to all these friends.

### FIREMEN DINNER

The benefit dinner on Sunday to help raise funds toward the purchase of a rural fire truck was once again very successful. Almost \$1,000 was taken in and the expenses were very low this time as the big part of the food was donated, so there were a bunch of "smilin' firemen" as they count up and it looks like the dream of that truck we so desperately need is finally a reality!! All the firemen expressed much gratitude to everyone who helped with these meals and also everyone who came and ate. In small communities such as ours, it takes everyone to make it work. So again, many thanks.

Kenneth Roberts called today to ask me to make mention in this column that the Moorhouse Ranch donated a calf to the fire department. The department took it to auction Saturday and it netted them \$653.11. That money will go toward the purchase price of that rural fire truck. Mr. Roberts stated that he and Bobby Trainham loaded the steer and, though they are not "real" cowboys, if anyone else has any they want to donate, they will sure get it one way or another!! They are very grateful for this generous donation.

### CEMETERY NEWS

The most recent campaign to raise more money for the cemetery association has brought in nearly \$4,000. This money will be put in an interest bearing account, the interest to go for maintenance.

Most recent donors are Walter and Peggy Hertel, Era Brown, Marty Griffith, the J. C. Moorhouses, and Nan Gilbert. And again we say thank you. Every dollar is very much appreciated!

### HERE 'N THERE

Pete and Jimmie Rutledge of Lindale were recent visitors in Benjamin.

Visiting Juanita Burnett during this past week were Gus and Daisy Dinkfield of Kerrville. They are the parents of Judy Burnett of Munday.

Hes and Louise Hall, Gary and Jo Ann Hamilton and I were in Munday last Saturday for the funeral of Edna Hall. Gene and Jeanette Hall of Kerrville visited me on Sunday and their Bufkin relatives, Sonny and Tommy Joe and their families and with many friends here.

MRS. BRENT DURWOOD PROFFITT, III  
formerly Tammy Denise Offutt

## Tammy Offutt-Brent Proffitt III Wed In Wichita Falls Ceremony

Miss Tammy Denise Offutt and Brent Durwood Proffitt III were married Saturday, September 23, 1989 at the Evangel Temple Assembly of God Church in Wichita Falls. Rev. Jack Dial, church pastor, officiated in the double ring, candlelight ceremony.

Parents of the bride are Mr. and Mrs. Curtis Wayne Offutt, Jr. of Wichita Falls. The grooms parents are Mr. and Mrs. Brent Durwood Proffitt Jr., also of Wichita Falls. The bride is the granddaughter of Mr. and Mrs. Eddie Sanders and Mildred Offutt of Weinert.

Matron of honor was Kim Tresslar of Wichita Falls. Bridesmaids were Cindy Offutt, sister of the bride; Tammy Cash, Judy Douglas, Hetal Gore, and Melissa Anderson, the bride's cousin, all of Wichita Falls.

Brent D. Proffitt Jr. served his son as best man. Groomsmen were Jason Proffitt, brother of the groom; Keith Tressler, Marty Offutt, brother of the bride; Jeff Haynes and Dwayne Groves, all of

Wichita Falls.

Brent Helms was ringbearer and Britany Oliver, the groom's cousin, was flower girl. Jason Proffitt and Damon Dixon, cousin of the groom, served as candlelighters. Guests were seated by Keith Tressler, Marty Offutt, Jeff Haynes and Dwayne Groves.

The bride's parents hosted a reception at the church immediately following the ceremony. The rehearsal dinner, hosted by the groom's parents, was held at the Evangel Temple Parlor, catered by the Branding Iron.

The bride is a graduate of Wichita Falls Rider High School and is employed by Bank One of Texas in Wichita Falls.

The groom, also a graduate of Rider High School, is employed by T.U. Electric, and is attending Midwestern State University in Wichita.

Following a wedding trip to Eureka Springs, Arkansas, the couple is making their home in Wichita Falls.

### VFD Ladies Auxiliary To Meet Thursday

The ladies auxiliary of the Munday Volunteer Fire Department will meet at 7 p.m. Thursday, October 5 at the fire hall meeting room.

All members of the auxiliary are encouraged to be present.

\*\*\*

### Adult Education Classes To Be Held October 10

Adult education classes will begin Tuesday, October 10, from 7 p.m. to 9 p.m. in the Agri-Science building at Munday High School.

Classes being offered include Amnesty Preparation, English as a Second Language, Basic Education and GED Preparation. These classes are free and all books and materials are furnished.

Spanish language classes will be offered every Thursday evening from 6 p.m. to 8 p.m. at the Knox City High School. These classes are also free, but students must furnish their own textbook.

\*\*\*

### THANK YOU

Thanks, Munday, for all your love and support! I appreciate all the cards and letters which have given a great boost to my morale during my stay in the hospital. Things are improving and I will be back to Munday real soon.

Thanks Again!

**POSITIVE ATTITUDE BRINGS POSITIVE RESULT**

For many of us, we go through the year involved in life from a negative point of view. We think and act according to that view point, therefore, when faced with something difficult or demanding, we face more obstacles than should exist. We almost surely face defeat before we ever begin.

I want you to think with me about what it would have meant had Jesus had the attitude we live with daily. I do not believe Jesus could have done for us or God what has been accomplished for mankind. We see in Jesus the best example that can be given, by his life, his actions, and even by his death. But, we also see revealed in Jesus, the power and love of God as life is restored and the resurrection takes place. We see Jesus take eleven followers who are complete and utter failures, and restore them into a relationship of love. We see Jesus set them out upon a task that was so tremendous it must have looked impossible. I believe Jesus gave these eleven disciples a positive attitude by letting them know the task was possible. I believe Jesus took away their doubts and replaced doubt with a positive attitude. All great things that I can recall in the events of history deal with the positive possibilities of what could happen when one or two individuals are willing to set aside self and embark upon accomplishing goals or dreams

that seemed so impossible. We have made great advances in life through medical science, through technological advances and through our ability to understand and grasp great truths relating to humanity, but we have not made the same great advances in what it means to belong to and to be for God.

We as part of God's creation have not come to terms with our own relationship with God. We have sought answers to life everywhere, but at the very source of life itself. We fail so miserably to be what our creator intended us to be. Yet, God in His love, mercy, and grace gave to us the means to escape from the misdirection of our lives. God knew we needed not just someone who was able to live perfectly, but could perfectly follow God's will in life, to be obedient to God in all things. Yet, even this was not enough, because sin so completely separates us from God, we cannot find, on our own, any way back to God. God saw it was necessary to send Jesus, His Son, into the world to become a sacrifice for the sin of all humanity. In that substitution, there is the example of God's complete love for us. This love of God is expressed upon the cross of Calvary. But that love did not die, it was brought from death to life as Jesus is resurrected, to give us an example as we come to Easter to find the tomb empty. We therefore find new hope within the relationship of God's love for us.

When we look at the cross, we should see all our guilt, shame and sin. When we look at the empty tomb, we should see God's love, mercy and grace. When we look to God, we should not despair, but should rejoice in love of God.

When you or I are given something to do, we do it for God like Jesus did. We make a response just like Jesus and the disciples did. The only difference I see in what is accomplished is our attitude. Too many times we approach the task thinking this cannot be done. Jesus nor the disciples were guilty of such though, because they knew they were at work for God. We should also have that same positive thought. What is done is done for God.

**OFFICERS OF THE 1989-90 FUTURE HOMEMAKERS CHAPTER** at Munday High School include (left to right) Tessa Kiser, vice president of public relations; Christy Williams, vice president of recreation; Kathy Wilde, secretary; Dixie Reid, sergeant-at-arms; Youlanda Wright, vice president of Power of One; Ann Parker, president; Shawna Simpson, vice president of programs; Alicia Cook, parliamentarian; Neomi Hernandez, vice president of projects; Robin Reneau, treasurer; Missy Reneau, historian; Jae-Jae Reneau.

**FHA Officers Hold Luncheon**

Officers of the Munday High School Chapter of Future Homemakers of America gathered in the home economics department at MHS for a luncheon and meeting on Thursday, September 21. The officers discussed money-making activities for the year.

The Cookbook sales began on September 27. Members met for breakfast at 7:30 and heard a sales presentation by Favorite Recipe Press.

The chapter's first project of the year, secret friends, began on September 25. All members of FHA have selected a

member of the sixth grade class as a special friend. The project will last about five weeks.

Chapter Moms and the selection of Chapter Beau were also discussed during the luncheon meeting.

1989-90 FHA Chapter officers include president, Ann Parker; vice president of programs, Shawna Simpson; vice president of power of one, Youlanda Wright; vice president of projects, Neomi Hernandez; vice president of recreation, Christy Williams; vice president of public relations, Tessa Kiser; secretary, Kathy Wilde; treasurer, Robin Reneau; historian, Missy Reneau; sergeant-at-arms, Dixie Reid; parliamentarian, Alicia Cook; music, Jae-Jae Reneau.

*What Jesus Taught*  
by Dr. Larry Fitzgerald  
Minister, Church of Christ

**THE GREATEST DAY IN HISTORY**

If you ask several historians what day they identify as the one greatest day throughout the ages you will no doubt receive several answers. Some may answer a great breakthrough in science such as the day that Albert Einstein proved mathematically that  $E=MC^2$ . Or you might hear of some political event such as the signing of the Magna Carta or the U.S. Constitution.

There is one event that far outweighs any other, however. It was when Jesus conquered death by resurrection. When the soldiers checked on Jesus they found him dead. One wanted to make sure so he thrust a spear into his side inflicting a deep wound. Jesus moved not one muscle. Outpoured blood with its water separated - a sure sign of death. They had heard Jesus say "Father, into your hands I commend my spirit."

Two kind friends removed his body and laid it in a borrowed tomb. When they returned, after the Jewish sabbath, on the first day of the week to prepare the body properly for burial, they did not find a dead Jesus. Instead, they found an angel who asked: "Why do you seek the living among the dead?"

Jesus had conquered death! Jesus did not waste away in death. Instead, he overcame death. Likewise, you, too, can overcome death. By following the pattern set forth in Romans 6:1-5, death no longer can claim its victory over you. Your body might die but your body will raise again if you will follow Jesus' great pattern found in Romans chapter six.

Let's not symbolize Christianity with a crucifix showing Jesus dead. Christianity is best symbolized by an empty tomb.

*This lesson is based on Matthew 28; John 20; 1 Corinthians 15; and Romans 6.*

**Chris Baker Completes ROTC Training Camp**

Cadet Christopher K. Baker has completed a U.S. Air Force ROTC field training encampment at Vandenberg Air Force Base, California.

Field training, attended by cadets normally between their second and third year of college, gives an opportunity to evaluate each student's potential as an officer.

The summer curriculum consists of orientation on jet aircraft, career opportunities, human relations education and equal opportunity training. Physical fitness and survival training is also emphasized.

The field training is four weeks, but cadets in the two-year ROTC program receive an additional two weeks of instruction in the development of air power and the contemporary Air Force.

Chris, a 1987 graduate of Munday High School, is a student at Angelo State University. He is the son of Kenneth and Joye Baker of Munday.

**Local Retired Teachers Attend District IX Fall Convention**

Douglas Myers, Knox County Retired Teachers Association president, and wife Dorothy, represented the Knox County Retired Teachers unit at the District IX Fall Convention held Thursday, September 28, at the Wichita Falls Activities Center.

The convention motto was "Together We Can Make A Difference".

Greetings were given by Cy Young, District IX president, of Montague, and welcome was by John Seddon, Wichita Falls unit president. Welcome address was presented by The Honorable Perry Goolsby, mayor of Wichita Falls and member of the Wichita Falls R.T.A. unit. Roll call of units was given by Mrs. J.E. Thomas of Vernon. District IX reported 666 members of RTA but this did not include members from Quanah and Throckmorton who were not present.

Memorials to deceased members were given by Mrs. Helen Lyles of Henrietta, former District president. Honored from Knox County RTA were teachers Mrs. Bessie Shannon and Mrs. Gladys Reid.

The minutes were read by District secretary Mrs. Willie Faye Wiley of Graham. Treasurer's report was given by Mrs. Genevieve Harrell of Graham. Charles Mitchell, immediate District president, of Graham, and current state TRTA second vice president, was introduced.

Cy Young introduced guest speaker, Joanne Holshauser of the Teacher Retirement System in Austin. She spoke

on "Our Teacher Retirement System - How It Works For You". Topics included were TRS Care Health Insurance, TRS Care Open Enrollment Period, and TRS Care Prescription Drug Service. She challenged each member to continue to be informed as to benefits that are in TRS Care Health Insurance.

Bill Hudson, a member of the state board, spoke on Amendment 12, which he recommended voters oppose.

Cy Young closed the meeting after a standing ovation to the Wichita Falls Unit and their president, John Seddon, who hosted the meeting.

## MS Readathon To Raise Research Funds

From now until November 15, area youngsters can participate in a national fund-raising project and win prizes, simply by reading books.

The 1989 Multiple Sclerosis Readathon challenges kids to read as many books as they can from October 1 to November 15. The money the kids raise through sponsors' pledges will go toward research to find a cure or treatment for multiple sclerosis, a progressive disease of the central nervous system.

Pamphlets are available at the City-County Library in Munday and Munday Elementary School. The pamphlet contains space for children to list their sponsors' names, how much the sponsors pledge to pay the child per book that is read, space to list books read and prize information for individual readers as well as groups, such as an entire class.

The National Multiple Sclerosis Society will award prizes, such as coupons from McDonald's, Wet 'N' Wild and Dairy Queen, for all readers who return their Readathon kits by November 15, as well as offer a special prize, a trip to Disneyland, for the top money-raiser.

Kids who raise \$500 or more will be named to the 500 Super Team and win a choice of prizes ranging from toys and watches to a Nintendo system or a bicycle.

"Mostly we want to encourage the kids to read and have a good time, and maybe learn a little bit about helping others," said Karen Wehba, local organizer and member of the Tri-Cities MS Chapter which represents Abilene, Fort Worth and Wichita Falls.

School children interested in participating in the Readathon can contact the City-County library, Munday Elementary school, or Wehba at 915-695-8448 or 915-692-1220 for further information.

**MUNDAY FFA**'ers who exhibited livestock at the recent Haskell County Fair were (from left) Shane Massey, Matt Angerer, Kenneth Massey, Kevin Oustad, Bryan Latham, Kent Latham and Jay Kingston. The young men brought home a number of ribbons and trophies for their efforts. Their advisor is Ricky Moeller.

## Weinert News

By Mrs. Myrtle Phemister

Our State Representative, Rick Perry, surprised us, as well as disappointing many of us, by switching from the democratic to the Republican party. We respect his right to do so, we live in a free country, but we doubt he could have won the Representative seat without his Democratic friends! All eyes, and ears, will be on him in the future.

At this time we have no new illnesses. Willie Moeller was released from the hospital on Friday, and is at home. We hope he does well.

Caleb Hudgens was honored on his 2nd birthday on Saturday and received a huge trampoline for his back yard. Congratulations, Caleb.

Birthday balloons will fly this week for Caron Yates, Heath Guess, Hazel Rainey, Harlan Weinert, Marilyn Earp, Barry Walker, Brian Adams, Helen Boykin, and Ima Stewart, who will be 87 years young on Sunday, October 8.

Linda Mahan, with her three granddaughters, Tabitha, Malorie and Megan, made the trip to Houston on Friday for a visit with the girls' parents, Michelle and Scott Sandler, where Scott is hospitalized in M. D. Anderson, suffering with leukemia.

Word on Sunday was that his condition has worsened. We continue our prayers on his behalf.

R. S. and Betty Sanders returned safely from their flight to Houston, where R. S. received good news from his physical report, and the good news that he will only have to come in for a yearly physical.

Our sympathy is extended to Faye Jetton, whose cousin, Hazel West, died in Gainesville this week. She and Ted made the trip to be with her family at the memorial services. They were accompanied by Faye's brother, Ben and Polly McMiller of San Angelo.

The Jettons were in Randolett, Oklahoma last week for a visit with grandchildren, David and Angie Smithson and children. They also stopped over in Iowa Park for a visit with Terry and Dee Dee Tatum and their two sons, and in Holliday to visit their daughter, Jimmie and Claude Young.

Visiting in the home of Bertie Alexander this week were her daughters, Faye Crawford and Sue Alexander of San Antonio and Mr. and Mrs. Bob Schindler of Abilene. Terry Alexander of Munday was also a guest of his grandmother.

Randy Alexander of Stamford spent the weekend in Weinert with his grandparents, Edward and Zella Alexander.

Mary and Ed Murphy, Shanna and Lane, hosted a dinner on Sunday honoring Mary's mother, Alice Yates, on her birthday.

Besides the family members, out-of-town guests included Mr. and Mrs. Bobby Cyfert of Odessa, Misty Zeissel and Susan Whittemore of Munday, Mr. and Mrs. Bobby Hester of Haskell, and a goof friend, Mildred Offutt.

Donald and Gracie Griffis spent a delightful week in New Braunfels, and also visited in the home of their daughter, Derinda and Johnny Larned.

One day they went "tubing" down the Comal River. And while the men fished, the women-folk toured the many antique shops in that area. New Braunfels is known as the Antique Capital of Texas.

The Griffis' were accompanied by Boyd Lynn and Christine Meers of Munday.

The Donald Griffis' attended the annual gin managers meeting in Lubbock last weekend and also visited their daughters who are attending Texas Tech, Darla Griffis and Mr. and Mrs. Randy Waggoner.

Darla is doing her internship as a Social Worker, and is at Charter Plains Hospital in Lubbock, looking toward graduation in December.

Randy is doing student teaching, and plans are for a December graduation, also.

Donna is involved in a Block Student Study, and will do her student teaching in the spring, with graduation plans for May, 1990. Good luck, to them all!

Attending the "Dad and Lad" Scouting Campout at Camp Toukawa in Buffalo Gap the past weekend were Julian Estrada and son, Ezekiel.

The Estradas were in Sweetwater on Sunday for a visit with their daughter, Monica, a student at TSTI. Manuel Estrada accompanied them to Sweetwater.

Alice and Toby Yates attended a fish fry hosted at the home of Mr. and Mrs. Ralph Cyfert in Munday for all of Ralph's brothers and sisters.

Wayne Offutt of Wichita Falls was a guest in the home of his mother, Mildred Offutt, on Saturday.

Sandra Pena hosted a home decorating party for her friends in Weinert, and treated them to a Mexican food dinner for refreshments, prepared by her brother-in-law, who worked as a chef in Beeville before moving to Weinert.

David and Peggy Phemister spent the weekend in Weinert with his family. They returned on Thursday from a mission meeting in Vera Cruz, Mexico.

All children, age 9 through 19, are invited to a 4-H organizational meeting to be held at the Weinert school on Wednesday, October 4, at 4 p.m.

Alice Yates will serve as 4-H adult leader, and Mary Murphy will be the program director. Lou Gilley and Max Stapleton are county agents and will be helping with programs and advice on projects.

The 4-H program is an extension of Texas A & M University and is designed to help young people build character.

John and Laverne Mayfield were in DeSoto to help granddaughter Adrian Wynne Rimmer celebrate her 3rd birthday. On Sunday, they were privileged to have a part in the dedication service of their youngest granddaughter, Elyse Nicole Rimmer, at the First Baptist Church in Dallas, where the family attends.

Others in attendance were Mr. and Mrs. Arch Mayfield of Plainview, and Mr. and Mrs. Will Ricketts of Dallas. Parents of the children are Duane and Alexia Rimmer.

Guests in the Ernest and Louise McGuire home included their daughter, Becky Fry of Bowie, and grandchildren Tommy and Seliva McGuire, Brooke and Brandon of Haskell.

Our prayers will be with Bob Raynes as he undergoes surgery in Bethania Hospital in Wichita Falls on Wednesday.

Have a nice day!

### Social Security Rep To Make Last Visit Here Wednesday

When the Social Security representative comes to Munday on Wednesday, October 11, it will mark the last visit of this type to the city. The representative will be at City Hall from 9:30 to 11:30 a.m.

Frances Braden, resident representative of the Vernon Social Security office indicated that a cutback in staff and expenditures by the Social Security Administration has forced the quarterly visit to Munday to be discontinued. Knox City and Quanah are also effected by the cuts.

"We don't want to render a disservice to the community," Braden said. "I regret this is happening, but we have fewer people and more work and we just have to let some things go."

A majority of all business handled by the representative during the quarterly visits can now be handled by phone, Mrs. Braden said. "Post entitlement claims such as Medicare, applications, address changes or non-receipt of checks can now be transacted by phone from the comfort and convenience of the home."

"The only time we must have a personal visit is to issue a social security number to an individual over the age of 18 years who has never had a number," she continued.

A representative will continue to make quarterly visits to Childress.

To handle Social Security business by phone call toll free 1-800-234-5772. For Medicare information call toll free 1-800-442-2620.

A successful student is usually involved in some extracurricular activity -- an activity chosen by the child, not the parents.

### Look Who's Here!

A Star Is Born 1989. The latest hit now appearing at Sander's Entertainment Center and household is a beautiful baby girl. Critics agree, they give her their highest rating - "A Must See," "Two Thumbs Up," "Four Star".

She was given the title Whitney Lavinia. Making her debut at 12:34 a.m. Friday, September 22, 1989, she weighed 4 lbs., 3 oz., and measured 17 3/4 inches.

Co-producers are her parents, Tim and Mickie Sanders. Casting was by her sister, Haley, who requested a baby sister and helped in selecting her name.

Directors and grandparents are Bobby and Pat Hutchinson of Munday, Leonard and Hazel Kelley of Clyde, Gary Sanders of Cisco, and one great-grandfather, L. C. Duckworth, also of Clyde.

### Munday Sophomores Elect New Officers

The 1989-90 Sophomore class at Munday High School recently met to elect class officers. Missy Reneau was elected president and Susan Whittemore will serve as vice-president. Chris Scott was named Class Reporter, with Tonya Kuehler as Secretary/Treasurer.

Shanna Murphy and Chris Key were chosen Class Favorites.

Class sponsors are Laurie Dobson and Susan Edwards.

### Former Residents To Celebrate 50th Anniversary

Mr. and Mrs. Frank Garrett, former Munday residents, will observe their fiftieth wedding anniversary on October 9.

Children and grandchildren are hosting a celebration in Las Vegas for the couple. The Garrett's address is #8 Carthage Circle, Las Vegas, Nevada, 89110.

MUNDAY GARDEN CLUB judges chose the yard of Leroy and Audrey Leflar at 461 South 9th Avenue to receive Yard of the Week honors. A variety of brightly colored flowers, arranged in unique beds at the base of the large shade trees and along the walk make the yard a very pleasing sight to the neighborhood.

### In Vera Community

## Air Force Begins Search For Communication Tower Site

The Air Force recently announced that it has begun site search activities in north central Texas for a Ground Wave Emergency Network (GWEN) tower. The search area is centered in the Vera community and covers towns within an approximate nine-mile radius.

GWEN, a system of relay nodes with towers located at 150-200 mile intervals across the United States, is an essential part of the Strategic Modernization Program approved by Congress. The towers are similar to transmitters used by commercial radio stations and are used to relay messages via ground-hugging, low frequency radio waves.

GWEN is an unmanned and automated data system which relays emergency and wartime messages among national command authorities, strategic military facilities such as radars and

command posts, and Strategic Air Command bases. The system ensures that vital messages flow to top military leaders and operational forces. Air Force Systems Command's Electronic Systems Division at Hanscom Air Force Base, Mass., is developing the system.

"The Air Force will follow the siting procedures and the comprehensive public notification and consultation process described in the final environmental impact statement for this final phase of the GWEN program," said GWEN program manager Lt. Col. Stephen Martin. "While the location of a relay node in this area is necessary to meet the operational needs of the system, we will weigh the welfare and interest of local communities throughout the site selection process."

Major environmental areas, such as wilderness areas and national parks, have already been excluded from consideration. The next phase involves screening the site search area to identify suitable candidate sites. The Air Force will consult with regional, state and local agencies to enlist their assistance in locating suitable sites. Once potential areas for siting are identified, the Air Force plans to hold a public meeting in each site search area to explain the site search process and to give residents an opportunity for comment.

The public will also be given an opportunity to comment on the preliminary site evaluation reports for the candidate sites. Comments will be used in developing an environmental assessment.

GWEN relay stations, which occupy about 11 acres, include a 299-foot tower, guy wires, fences, and three small shelters, each about the size of a truck-carried camper unit. Broadcast power for each tower is between 2,000 and 3,000 watts. Relay site transmissions do not interfere with television or radio broadcasts, pacemakers or garage door openers.

### The Lord's Corner

by Dr. Pete Bradfield, Pastor  
First Baptist Church

The "Tate" Family. Whether your congregation numbers 20 or 2000, you must have some members of the Tate family in it.

There is old man DicTate who wants to run everything in the church. And Uncle RoTate tries to change everything. And sister AgiTate stirs up trouble whenever possible. Her brother IrriTate helps her. And whenever new projects are suggested, brother HesiTate and sister VegeTate pour cold water on the proposals. Then there is sister ImiTate who tries to have the church mimic everybody else. When the church budget is announced, everybody tends to quake if brother DevasTate stands up in the meeting. And brother PotenTate wants to be a big shot.

But not all members of the family are bad, for brother FaciliTate is quite helpful. A delightful member of the family is Miss FeliciTate. And the pastor is always delighted by brother CogiTate and his twin brother, MediTate.

See you next week, and remember; conscience is an inner voice to remind us that Someone is looking.

### Community Calendar

October 5 - Munday VFD Auxiliary; Munday junior high vs Chillicothe, here, 6 p.m.; Munday junior varsity vs. Crowell here, 7:30.
