

**LIONS CLUB TO SPONSOR MOP AND BROOM SALE**

If your mop is getting thin and your broom is getting ragged, then you'll be interested in this upcoming event!

The annual *Lighthouse for the Blind* mop and broom sale will be next Tuesday, October 5. Munday Lions Club members will be at the City Hall parking lot from 7:30 a.m. to 5:30 p.m. selling items made by blind and visually impaired workers. There will be lots of household items available for purchase at this sale.

All proceeds will benefit the blind and multi-handicapped employees by creating more jobs and financing other related services.

Local residents are urged to purchase these household wares and support this worthwhile organization.

**Don't Miss The Annual Arts And Crafts Show**

Munday Chamber of Commerce will host their annual Arts and Crafts Show this Saturday, October 2, from 9:30 a.m. to 4 p.m. in the elementary school gym.

There will be a wide variety of items on display, including wood crafts, t-shirts, dolls, teacher gifts, painted saw blades, original artwork, watches, toys, pencil draw-

**Annual Rhineland Sausage Dinner Fast Approaching**

The Knights of Columbus Sausage Dinner will be held Sunday, October 10, at the Columbus Hall in Rhineland. Delicious home-made sausage and fried chicken with all the fixings will be served from 11 a.m. to 2 p.m.

Price for the meal will be \$6.00 for adults, and \$3.50 for children 12 and under.

Bulk sausage is also available for \$2.50 per pound. You can place your order by calling 422-4974, 422-5531, 422-4207 or 658-3926.

St. Anne's Christian Mothers Society will also be holding a bazaar. The ladies have made a Heavenly Star Quilt to be given away Sunday. It is on display at *Buds For You* in Munday.

**Munday Senior Class To Sponsor Hamburger Supper**

The Munday Senior Class will be having a Hamburger Supper on Friday night, October 1, from 5:00 p.m. until 7:00 p.m. Tickets are available from any senior or at the door and the cost is \$3.50 each.

The menu includes a grilled hamburger with lettuce, tomatoes, pickles, onion; oven baked beans, chips, home made dessert and iced tea or coffee.

The thirty-four members of the senior class hope you will make plans to join them in this supper before attending the Munday-Olney game.

**Munday Shuts Out Electra**

The Munday Moguls stepped into the Electra Tiger stadium determined to prove all predictions wrong and they did just that. The Moguls shut-out the Tigers 14 to 0 to win number two in a row.

Munday started early by scoring with only 1:13 off the clock. Runningback Aaron Kiser completed a pass to Bronco Flye who then took the ball to the endzone from 73 yards out. Ky Edwards kicked the PAT to put Munday up on top 7 to 0.

The Munday defense held tough on the Tigers by holding them to only four yards on their first two possessions.

After an Electra punt, Munday took over at the Mogul 41. On 3rd and 6, Bronco Flye took the ball once again. Flye raced 55 yards with 4:18 left in the first for the Moguls next touchdown. Ky Edwards kicked the PAT. Munday went up on top to stay, 14 to 0.

The remainder of the game was a defensive battle. Munday had two quarterback sacks in the second. The first coming from Gerald Taylor and Jason Bowman for a four yard loss on the first play of the second quarter.

On the next Tiger possession, Electra was moving the ball down field and needed to be stopped. Mogul linebacker, Jeff Cook, moved in for the job. On second and seven, Electra dropped back to pass and Cook dropped in to spoil dinner. The sack went for a six yard loss and forced a long yardage situation for Electra.

The Tigers had a scoring opportunity late in the second when the Electra defense blocked a Mogul punt. Electra had the ball at the Mogul 25 but ended up going backwards. The Tigers had no gain on two incomplete passes. On the next play a snap got away and went back past the 50 yard line. Time quickly ran out for the first half.

The second half started off great for the Moguls. Munday kicked off to Electra but quickly got the ball when Jeff Cook recovered a fumble by the Tigers at the Electra 45 yard line with just :02 second gone off the clock.

Munday began moving the ball down field with runs by Aaron Kiser, Dustin Kiser and Bronco Flye. The Moguls made it to the 10 yard line but a stubborn Electra defense wouldn't allow anymore yardage.

The Tigers turned the ball around and marched toward the other end. Electra made five first downs on

fifteen plays. One of those plays was a 17 yard pass to Victor Willis from Steven Bathrop. After making it to the Mogul 24, a fumble by the Tigers was recovered by Mogul, Daniel Castorena at the 15.

Munday moved the ball out to the 42 yard line, but was left short of the first by one yard and was forced to punt. Punter Terry Tomlinson put some force behind the ball and kicked it 50 yards to the Tiger 7 yard line early in the fourth.

Someone believed the game should have stopped. During Electra's next possession the stadium lights went out with 9:13 left on the clock. The game was delayed for approximately 15 minutes.

Play soon resumed after the lights had warmed up. Electra started moving the ball once again. The Tigers made 4 first downs covering 48 yards. On second and six the ball was coughed up by Electra and was recovered by Donny Browning for Munday at the 33 yard line.

Aaron Kiser quickly moved the ball for the Moguls. Kiser went for a 38 yard gain down to the Tiger 29 yard line. Two plays later Electra recovered a Mogul fumble at the 23 yard line.

Neither team would allow much more yardage for the other and time soon ran out for Electra.

Aaron Kiser led the Moguls in rushing with 169 yards on 29 carries. Bronco Flye followed with 76 yards on 10 carries and had 1 reception for 73 yards.

Munday now improves its record to 2-2. The Moguls will face the Olney Cubs this Friday night in Munday.

**COACH'S COMMENTS**

I was real pleased with our defensive game. We played a team that was supposed to be superior and we proved to be superior. We had a bunch of young kids do an outstanding job. The whole team really played well.

Bronco Flye played great defense. Aaron's running was just

**Harvest Fest '93 Gearing Up For Fun Filled Day**

The beginning of fall brings to mind cool weather, steaming hot food and harvest time. While the weather might be unpredictable, the "harvest" of steaming hot food will be plentiful at the annual Harvest sponsored by the First United Methodist Church in Munday.

This year's Harvest Fest is set for Saturday, October 9, at the church. A delicious home cooked dinner will be served.

Other treats in store include a Country Store filled with hand-made arts and crafts. The traditional auction, which has proven to be a favorite in years past, is also scheduled. Highlight of the day will be the announcement of the winner of the beautiful quilt made by the ladies of the church.

All in all, it sounds like a pretty good way for the entire family to spend a Saturday! Make plans now to join the fun!

The entire Mississippi river system, including tributaries, flows through 25 of our 50 states.

tremendous and Dustin ran the offense real well. Kole Sanders got sick on Thursday and we put Donny Browning in the ball game and he did a terrific job.

Defensively everyone did a great job especially Jeff Cook, who did an outstanding job on the pass rush. Secondary covered their receivers well. I was real pleased with every kid on the team, they played a tremendous ball game and it was a great win for the Moguls.

**New Physician Opening Practice In Knox County**

James Howard, M.D., is opening his practice here October 11. Dr. Howard and Shirley Barretto, M.D., will rotate between the Munday and Knox City Clinics, according to Stephen Kuehler, administrator of Knox County Hospital.

"Securing the services of Dr. Howard for our community gives us a new dimension in the health care offered locally," Kuehler said. "Dr. Barretto just signed a two-year contract, assuring us of continued medical coverage. With the addition of Dr. Howard, we can more easily provide medical coverage for residents of Knox County."

Dr. Howard has been working for Southwest Medical, the contract firm that supplies physician coverage for the emergency room at Knox County Hospital. "Although Dr. Howard has never actually worked in our emergency room, it was through Southwest Medical that we were able to contact him and recruit him to our community," Kuehler stated.

As an emergency room physician, Dr. Howard has courtesy

**Check For Your Name On The Concession Stand Workers List**

Band parents scheduled to work this Friday night, October 1, at the Munday/Olney football game include:

From 7 p.m. through halftime - Ann Kiser, Gayle Morgan, Rosemary Martinez, Linda Hart, Daniel Ramirez, Betty Hamilton, Alice Marsh and Kim Brockett.

Halftime through cleanup - Judy Burnett, Kathy Bowen, Carmen Munoz, Janie Sanchez, Diana Moore, Pam Nelson, Linda Latham and Frieda Brown.

If you are listed to work at a time that is not convenient, it is your responsibility to make arrangements with someone else to trade with you.

If you have any questions, contact Annelle Welch, 422-4828.

**Moguls To Face Off Against The Olney Cubs**

The Munday Moguls and Braves will take on the Olney Cubs this week. The Junior High Braves will play this Thursday at 6:00 p.m. in Olney.

The Moguls will have home field advantage this Friday night against the Cubs. The game is scheduled to start at 7:30 p.m.

privileges at the hospitals in Huntsville, Snyder and Bowie. A Texas native, he is a graduate of the University of Texas Medical School at San Antonio where he received his Doctor of Medicine degree. He served a combined internship and residency at Children's Hospital in Columbus, Ohio, in pediatrics.

Dr. Howard, who is single, plans to move to Knox County in the next few weeks.

**Local Gins Receive First Load Of Cotton**

Cotton season is getting underway as local gins receive their first cotton.

Munday Gin and Seed ginned their first bales on Tuesday morning, September 21. Robin and Bobby Raynes of Weinert brought in the first trailer on Monday. Robin had 13 bales and Bobby had 1. The cotton was stripped on the Edwin Fly place east of Weinert. The first bale was ginned free of charge for being the first cotton received.

Knox Prairie received their first cotton from Bobby Owens on Wednesday, September 22. Bobby brought in two trailer loads, and will also receive his first bale ginned free.

Rhineland Gin and Goree Producers Co-op Gin had not received any cotton as of press time Tuesday morning.

**Munday Receives September Sales Tax Rebate Check**

State Comptroller John Sharp recently sent September sales tax rebates to 937 Texas cities and 109 counties totaling \$117.4 million.

Munday's check was \$5,531.26, a decrease of \$176.04 from last year's payment in September. This brings the total payment for 1993 to \$61,826.22.

Knox City received a check for \$7,393.80, a 16.74% decrease from last year.

Benjamin and Goree did not receive a check for this payment period.

The total 1993 payments to date for Knox County is \$142,724.58.

This month's sales tax payments include taxes collected in July sales and reported to the Comptroller in August by businesses filing monthly tax returns.

**Heat Unit Formula Charts Progress Of Cotton Crops**

The Texas A&M Vegetable Research Station said the degree-day (DD-60s) is one of the most useful ways to assess cotton development. The formula involves adding the maximum and minimum temperatures for each day, dividing by two and subtracting 60.

Stage of Development	Average DD60s Required
Plant to emergence	60
Plant to 1st square	480
Plant to 1st bloom	900
Plant to peak bloom	1600
Plant to 1st open boll	1900
Plant to 70 percent open boll	2500
Degree days for June 14 through September 26: 2561.0	Degree days for September 20 through September 26: 157.5

**Attends Convention**

Knox County Extension Homemakers Clubs were represented at the annual TEHA State Convention in Waco on September 14-16 by Ramona Helms of the K.C. Circle Club.

Representing Knox County in the Cultural Arts Photograph contest was Ila Mae Bullion of Truscott.

A trade show, educational exhibits, award ceremonies, training sessions, visiting, entertainment and workshops were all part of the convention activities.

**Farmers And Ranchers May Be Due \$5 Refund**

"Refunds are now available for agricultural producers who, since January 1, 1992 have been required to pay a special \$5 vehicle license fee on farm and ranch vehicles to fund a state program to help young farmers get started into business," State Comptroller John Sharp has announced.

"County Tax Assessor-Collectors were required to collect the fees between January 1, 1992 and August 30, 1993, but because vehicle registration fees are constitutionally dedicated to Texas highways, the money collected for the Young Farmer Endowment Program could not be used for its intended purpose."

The Texas Legislature has now authorized the refunds on fees for the Young Farmer Endowment

Program. Refunds can be obtained from the Comptroller's Office through November 1, 1993. Refund claim forms are available from the Comptroller of Public Accounts by calling 1-800-252-1382. Claim forms are also avail-

able from county Tax Assessor-Collectors.

Information required on the claim form will be the agricultural producer's name, social security number, taxing county and the license number of each vehicle for which a refund is sought.

During the 1993 legislative session earlier this year, lawmakers amended the law to earmark the \$5 fee on farm vehicles to the Texas Agricultural Finance Authority which will administer the program, now called the Young Farmer Loan Guarantee Program. Effective September 1, 1993, as amended, the law continues a \$5 "voluntary assessment" on farm vehicle registration fees, but makes provisions for refunds to be obtained from county tax assessor-collectors.

Under the program, the state guarantees commercial loans of up to \$50,000 to new farmers and ranchers between the ages of 18 and 39. Applications for the loan guarantee may be made to the Agricultural Finance Authority starting October 1, 1993.

**Mental Health Center Sponsoring Fund Raiser**

The Psychiatric Rehabilitation program of Headstream Memorial Mental Health Center which serves Knox County is sponsoring a fund raiser. A beautiful, double-bed size afghan in southwest colors will be awarded to some lucky individual who makes a donation to the Center.

The afghan was made and donated by a Knox County resident, and is now on display at the First National Bank in Munday through September 30. A \$1 donation will make you eligible to win this beautiful prize.

The winner will be announced at 3 p.m. on October's Super 2nd

**Longtime Munday Resident Buried September 23**

Funeral services were held Thursday, September 23, at First Baptist Church in Munday for Clarence Booe, a longtime Munday resident. Rev. Randy White officiated. Mr. Booe passed away Tuesday, September 21, 1993, in the Haskell hospital. He was 82.

Born June 6, 1911, in Bells, he was a farmer and a member of the First Baptist Church. He and Florence Amy Fought were married July 16, 1930, in Munday. She preceded him in death May 19, 1990.

Survivors include three daughters, Mozelle Smith of Munday, JoAnn Bowden of Broken Arrow, Oklahoma, and Peggy Brown of Vernon; a son, J.R. of Oklahoma City; three sisters, Lillian Hodgins of Haskell, Willie Floyd Smith of Munday, and Norma Byers of Merkel; two brothers, Cecil of Munday and Eulice of Graham; seven grandchildren and seven great-grandchildren.

Pallbearers were Larry Smith, Tyler Smith, Brady Smith, John Booe, Gordon Booe, and Lance Brown.

**Goree Students Learn From Officer Tejada**

On Thursday, September 16, Officer Tom Tejada of the Munday Police Department, visited with the Goree Individual and Family Living class. The students invited Officer Tejada to come and visit with them on drug and alcohol abuse.

Officer Tejada gave the students handouts on what the penalties are for first and second offenses of drug and alcohol abuse. He stressed that not only is a person abusing themselves when using drugs, but also could possibly hurt others.

The students asked Officer Tejada about the work of a police officer. He described to them what it takes to be an officer both personally and career wise. He related to the students that both appearance and grooming habits say a lot about a person to others. He told the students that the police are their friends. They are here to protect and serve.

The Individual and Family Living class appreciated Officer Tejada coming on his own time to visit with them.

Students in the class are: Angela Castorena, Alfredo Castorena, Diana Flores, Tony Garcia, Adam Gray, Trey Harlan, Sonya Harvey, Brian Huffman, Shelley Jacques, Rene Nunez, Betsy Peck, Melissa Sandoval and their teacher, Mrs. Phyllis Reed.

**At Your Service  
Dr. Larry Fitzgerald  
Minister, Church of Christ**

Q: What does Romans 7:21 mean?

A: The verse reads "So I find it to be a law that when I want to do right, evil lies close at hand" (Revised Standard Version). The version I've quoted here is probably the best translation. Two things cause problems for people in attempting to understand this verse. The first thing is Paul's use of the term "law." The second is that they approach this verse with a Calvinistic prejudice.

In most cases, when Paul uses the term "The Law" he is referring to the Old Testament (contract) which God had between Himself and the Hebrew people. In this

context, Matthew 7:12 refers to the Old Testament: "So The Law is holy, and the commandment is holy and just and good." However, in verse 21 Paul is using a pun. Instead of referring to "THE" Law, he is talking about "a" law. The better translation is "I find it to be a fact of life" or "I find it to always be the case."

Those who approach this verse with a Calvinistic prejudice try to make this verse say that it's a rule of life that I always do what is wrong. This is not what Paul says. The Bible simply is stating that anytime something Godly is happening there is always going to be someone nearby trying to ruin that special moment or trying to cause the godly to sin.

Therefore, the verse should be understood to say: "I find it to be a fact of life that every time I want to do right evil is nearby trying to make me do wrong."

A good discussion of this passage is found in *E.H. Gifford's Commentary on Romans*, London: John Murray Publishing Co., 1886, pages 142 and 145.

## Morgan-Rogers Exchange Vows In Afternoon Ceremony

Miss Amy Jo Morgan and Craig Andrew Rogers exchanged wedding vows at 2 p.m. on Saturday, September 18, 1993 at the First United Methodist Church in Munday. Don Whetsell, church minister, officiated the double-ring ceremony.

Parents of the couple are Mr. and Mrs. Melton Morgan of Munday and Mr. and Mrs. A. L. Rogers of Rochester. The bride's grandparents are Mrs. Lala Morgan and Mr. and Mrs. Bill Everett, all of Munday. The groom's grandmother is Mrs. Winona Mullino of Haskell.

Double heart brass candelabras on each side of the altar held eighteen white tapers. They were decorated with burgundy snapdragons, teaberry carnations and minis, mauve daisies, and pink larkspur with sprengeri fern and plumosis. The altar rail was decorated with English ivy, rose buds and mauve votive cups with candles. Pew markers were mauve and teal bows.

The bride, escorted down the aisle by her father, was attired in white satin. The dress featured an off the shoulder neckline and stand up sleeves which were edged in Spanish lace encrusted with seed pearls and sequins. The neckline and drop waist fitted bodice came to a V in front and back. The long tapered sleeves had Spanish lace medallions with cutouts, pearls and sequins. Spanish lace medallions with cutouts, pearls and sequins trailed down the chapel length train and edged the skirt.

Her fingertip blusher veil of illusion was attached to a crown delicately embellished with seed pearls and sequins.

The bridal bouquet was a cascade of silk stargazer lilies, white roses, baby's breath in mauve and teal, with seed pearls and stephanotis. Greenery was silk English ivy.

Serving the bride as maid of honor was her twin sister, Sheila Morgan, of Munday. Bridesmaids were Christy Workman, sister of the bride, and a friend, Melissa Berryhill, both of Munday.

The top of their dresses had a teal background with tiny mauve roses. The neckline and drop waist fitted bodice came to a V in front and back. The ankle length skirt and large bow at the back of the waist were mauve moire satin. Each carried a single stem fresh

MRS. CRAIG ANDREW ROGERS  
... the former Amy Jo Morgan

stargazer lily with mauve silk baby's breath, sprengeri fern and plumosis.

Candlelighter was Tamara Strickland, niece of the groom of Rochester. Her dress was teal and mauve floral on a green background.

Flower girl was Sheena Alexander, niece of the bride of Munday. Her dress was floor length mauve moire satin in the same style as the bridesmaids. In her hair she wore a mauve bow with ribbon streamers and pearl beads. She carried an open weave white basket decorated with mauve and teal ribbon streamers filled with mauve and teal petals.

Ringbearer was Shane Strickland, nephew of the groom of Rochester.

Best man was the groom's friend, Cecil Lampe Jr., of Rochester.

### It's A Boy!

Jose Angel Gonzalez Jr. made his arrival at the Seymour Hospital at 6:11 a.m. on Wednesday, September 22, 1993. He weighed in at six pounds, ten ounces and was 17 3/4 inches tall.

Jose's proud parents are Jose Angel and Maria Gonzalez Sr. and he has a big sister, three-year-old Michelle.

Maternal grandparents are Refugio and Juana Nunez of Munday and paternal grandparents are Maria Felix Gonzalez of Juanaquato, Mexico, and Santos Gonzalez of Munday.

Groomsmen were Scott Tibbets, cousin of the groom of Leavenworth, Kansas, and a friend, Corky Speck of Rochester.

Ushers were Dwayne Redder of Munday and Brian Tankersley of Knox City.

The groom wore a tuxedo jacket with tails, bow tie, cummerbund,

### MHS Junior Class Selling Trophies As Fund Raiser

The Munday High School junior class is in charge of selling the old high school and junior high trophies left in the old band hall. They date back to the 1930s up to 1990.

The building is being cleaned out for the opening of a daycare center.

If you are interested in purchasing one or more of these keepsakes, contact Mr. Moeller at 422-4141 or Doug Edrington at 422-4887.

A booth will be set up at the Chamber of Commerce Arts and crafts sale this Saturday, and at the home football games.

The junior class would appreciate your support in this fund raiser.

### Foods To Boost Your Energy

If fatigue is a problem, it could be partly because of the food you are eating. Good eating habits can give you more pep, help you sleep better and help prevent the weight gain that often causes the blahs.

Eat something every five hours -- don't skip meals. For alertness, graze on protein foods like yogurt, tuna or low-fat cheese. It's best to avoid sugary snacks because they temporarily raise blood sugar, which then plummets afterward, leaving you more tired than before.

Eat a balanced diet of a variety of foods in moderation. Nutrient deficiency can also make you tired. And go easy on the high-fat foods.

Mount Everest is named for Colonel Sir George Everest who had been Surveyor-General of India. He pronounced his name "Eve-rest".

Wranglers and boots, all in black, with a white dress shirt and had a fire and ice rose boutonniere in his lapel.

The ringbearer was dressed like the groom and the groomsmen and ushers were also, except they wore suit length tuxedo jackets.

Following the ceremony a reception, hosted by the bride's parents, was held in the fellowship hall of the church.

In front of a heart shaped brass arch, decorated with greenery and two large mauve bows, the bride's table held a three tier white wedding cake made by her mother. Separated by white columns, each tier was decorated with fresh stargazer lilies, fire and ice roses, pink larkspur, baby's breath and greenery. The bottom layer held a miniature bride and groom in western attire. The table covering was a mauve satin skirt with a white lace overlay. Mauve punch in a crystal punchbowl, crystal cups and saucers completed the setting.

Serving at the bride's table were Brandy Branam and Danette Owens.

Guests were served chocolate cake, coffee and nuts from the groom's table by Michele Berryhill and Michelle Wilde.

Registering guests at the wedding and reception was Kammi Haynie.

The groom's parents were hosts for the rehearsal dinner on Friday evening.

The groom, a 1989 graduate of Rochester High School, is employed by Kuehler Irrigation in Munday. The bride is a 1993 graduate of Munday High School. She is employed by the Dairy Queen in Munday and plans to attend Vernon Regional Junior College in January.

Following a wedding trip to Red River, New Mexico, the couple is living in Rochester.

### Thank You

We would like to express our sincere thanks for all the words of sympathy and concern shown us during the loss of our Mother. For all the prayers, Masses, telephone calls, food, visits, memorials, and cards, we will always remember each of you. Having friends at a time like this made our loss much easier.

The Bertha Moore Family

### Thank You

The family of Clarence Booe would like to extend their sincere thanks for the many ways you have shown your love. The prayers, cards, visits, memorials, delicious food and beautiful flowers were truly appreciated. Your thoughtfulness will always be remembered.

Kneeling in bottom row are Lois Reneau, daughter of Charles Reneau and Greg and Brenda Colins; Angela Albus, daughter of Richard and Cathy Albus; and Jennifer Yates, daughter of Macky and Janet Yates.

## Goree Students Tour The First National Bank

On Wednesday, September 8, the Goree ISD Consumer and Family Economics class went on a field trip to the First National Bank in Munday. The class was taken on a tour of the bank by Mrs. Ronelle Cude.

The tour began with the loan department, where she introduced the students to the loan officers, Bob McWhorter and Lyndel Reeves. Next, Mrs. Cude took them to meet the bank president, Mr. Gary Schur. Mr. Schur visited with the students about a bank president's responsibilities. Mrs. Mary Cartwright, was next and she and Mrs. Cude discussed CD's and money market accounts. The students then went to the loan department where Mrs. Cude introduced them to Mrs. Ilene Redder and Mrs. Kathy Hunter. Loan records were discussed. Next stop was at the bank teller windows where Mrs. Cude told the students

what that job entails. They met Mrs. Escamilla, Mrs. Decker, and Mrs. West.

The tour continued with the discussion of electronic media, where Ms. Verna Rawlins related to them about how the bank's computer sent data over the modem to the Federal Reserve Bank in Dallas. The students travelled to the next stop where they met Mrs. Gay Yost, Mrs. Becky Hendrix and Mrs. Linda Reddell. These ladies demonstrated how a check is recorded when it comes to the bank. Bank statements and check activity were detailed for them.

Mrs. Cude also included a discussion of safety deposit boxes and what their purpose entails. She showed the students the rooms where the safety deposit boxes are housed and told them how a person uses them.

The last stop on the tour of the bank was upstairs where the board

of directors meet and the break room for bank employees. The students were shown the large, thick books of bank business that the directors must study at bank meetings and were asked by Mrs. Cude if they thought they might would like to be a bank director someday. They replied, "It looks too much like school work to me!"

The tour was very beneficial and informative for the students. It was a very enjoyable and educational hour spent.

Students touring the First Na-

tional Bank were: Alfredo Castorena, Diana Flores, Adam Gray, Rudy Jacques, Rene Nunez, Betsy Peek, Melissa Sandoval and their teacher, Mrs. Phyllis Reed.

### Truscott-Gilliland News

By Mrs. Clara Brown

Truscott-Gilliland News  
September 20

Warm pleasant weather has prevailed for several days. Wheat sowing was going on everywhere you looked last week. Lots of quail have been reported, as well as stories of more people seeing rattlers.

#### Local Judge Attends Seminar In Lubbock

Judge Imagean Young was certified at a recent twenty-hour Justice of the Peace Seminar held September 14-17, in Lubbock. The seminar was sponsored by the Justice of the Peace and Constables Association of Texas and is conducted by the Texas Justice Court Training Center headquartered at Southwest Texas State University in San Marcus.

The seminar is one of many held state-wide to allow Justices of the Peace to meet their continuing Judicial Education requirements as set forth in (Art. 27.005) Texas Government Code.

Judges were allowed to select areas of study that closely matched their courts activity. Topics covered were as follows: Criminal Complaints, Traffic Law, Rural Court Financial Management, Criminal Law - Filing thru Appeal, Juvenile Law, Civil Law, Magistrate Warnings, Contracts and Torts, Rules of Civil Procedure, Justice Civil -vs- Small Claims Court, Alcoholic Beverage Laws, Forcible Entry and Detainer, Bond Setting and Forfeiture, Post Judgment Remedies, Jurisdiction and Venue, and Judicial Ethics.

\*\*\*

At 3:00 p.m. Sunday, September 26, Thomas Goulet of Stamford was ordained at the Gilliland Baptist Church. He is the new pastor at Gilliland.

Several people were honored at the August-September birthday dinner held at the Gilliland Baptist Church Sunday, September 19.

Jean and Felix Taylor visited June and Newell Looney Sunday.

June Looney visited her daughter Nancy Becker in New Braunfels. Nancy and her husband are planning a trip to Europe which will include France, Brussels and Amsterdam. In Amsterdam they will visit Nancy's cousin Mary Ann Brown, daughter of Charlie Hickman, and her husband, who is stationed there. The Becker grandparents will be on duty during school days and June and Newell plan to go down for weekends while Nancy and Bobby are gone.

Justin and Clint Horne, sons of Tim and Barbara Horne of Gilliland, played last Thursday in the Benjamin - Harrold game. Benjamin won 24-14.

Truscott Extension Club met at the center last Tuesday. Program was a member show and tell. Vula Hord discussed crochet and showed those present how to make broomstitch stitch.

Geraldine Tomanek brought bread she had made in her bread machine and told about using the machine.

Gail Whitley displayed a basket of artificial flowers that she had made. She also showed a wooden container shaped like a bed which she proceeded to fill with a flower arrangement composed as members watched.

Ila Mae Bullion told about hobby of genealogy.

#### Birthdays & Anniversaries

September 29 - Billy Redder, Don Lyne, Ernest Valencia, Jim Carden; Macky and Janet Yates.  
September 30 - Jane Wilson, Judy Wilde, Robby Crownover.  
October 4 - Nathan Kuehler; Daron and Christi Parker.  
October 5 - Steven and Rhonda Smith.

Here's one way to picture the benefits of Good Cents.

Here's the flip side of the coin.

You probably know Good Cents energy efficiency keeps you comfortable and saves you money on your utility bills. Because Good Cents means you need less energy for heating and cooling. But Good Cents helps the environment, too.

Any way you look at it, it's a smart choice today, that can make a world of difference for tomorrow. Call the Good Cents People at WTU.

WEST TEXAS UTILITIES

## Benjamin News

By Mrs Gladene Green

Togo Moorhouse returned home following surgery and a few days stay at a Wichita Falls hospital. According to reports he is doing well and should be out and about soon.

Pat Barton was readmitted to the Seymour hospital Thursday night with heart problems. She was in ICU at last report and will probably be moved to Lubbock or Wichita Falls for further testing.

Darlene Benson underwent angio plasty Friday in a Wichita Falls hospital. She is resting well and will probably come home in a few days.

Report on Grace Snailum is that her spirits are good and she enjoys hearing from home folks. Her address is: Grace Snailum, 7181 Crestway Dr., San Antonio, TX 78239.

Shirley Brown was in Houston last week for her checkup. She is feeling pretty good but is tired from the trip. She hopes to have her records transferred to Lubbock soon so she can get her chemo and check with a doctor there between trips to Houston.

### LOCAL'S GRANDSON DIES

Era Brown received word Thursday of the death of her grandson, Terry Wells. Terry was the son of the late Lois Brown Wells, and he resided in Joshua, Texas. Services were pending. Sympathy is extended to all the Brown family in this time of sorrow.

### HERE AND THERE

Friday visitors of Earlene Meinzer were Mr. and Mrs. Dale

Hammons of Lovington, NM.

Ruth Ressel visited relatives in Littlefield the first of the week. Enroute to Littlefield, she spent the night with her son, Ronnie and Wanda Ressel in Dickens.

Last week, Mr. and Mrs. Oscar Gideon and family of Playas, NM, visited his parents, Jane Gideon and Weldon Gideon.

Don, Marilyn and Amanda Ervin spent the weekend in the Fort Worth area and attended an assembly of Jehovah's Witnesses at Denton on Sunday. Gary and JoAnn Hamilton also attended the assembly.

Dee Ann Lamb received a nice birthday gift from her sister Brenda - tickets to the Garth Brooks concert in Dallas. They attended the concert Thursday night and reported it was super. Brenda got her biggest thrill, however, from shaking hands with and talking to Troy Aikman.

On Friday night, their parents, Dutch and Imagean Young, and Dee Ann's son, Anthony, honored Dee Ann and her brother, Mike, with a joint family birthday party.

### MHS Junior Class Elects Favorites

by Terri Pankhurst

The Junior class at Munday High School recently held elections for boy and girl class favorites.

The class chose Bronco Flye and Terri Pankhurst as Class Favorites for 1993-94.

## Albus Sees Next Generation Of Case International Tractors

When J I Case lifted the curtain on the next generation of Case International MAGNUM tractors during a recent business meeting in Memphis, Tennessee, Richard Albus of Parker Implement in Munday, Texas was there to see to new machines and learn the specific benefits to his customers.

Albus was among more than 2,000 Case IH dealers and sales personnel from across North America who attended business meetings held this week specifically for the purpose of introducing the MAGNUM 7200 Series high-horsepower tractors.

The meetings provided a full day of informational and training sessions to acquaint Case IH dealers with key features of the five new tractors, which range from 130 to 215 PTO horsepower (97 to 160 kW). "More than anything, they build on the positive features of the 7100 Series MAGNUM tractors," said Albus.

He explained that the original MAGNUM tractors, the 7100 Series introduced in 1987, represented the first real industry breakthrough in tractor design in more than two decades.

### Tractors use proven and new technologies

"At the meeting, we got a good, firsthand look at all five of the 7200 Series models," Albus said. "They have the features our customers have always liked about the MAGNUM tractors - 18-speed full powershift transmission, reliable Case diesel engine, super-visibility and tremendous hitch capacity. They come with in-cab hydraulic flow controls, an extra-slow creeper-speed option and other features our customers have requested during the seven years since the line was introduced. And, naturally, they have lots of new features customers have been asking for."

"I'm convinced that these new MAGNUM tractors will have every bit as much impact on setting standards in the industry as the industry as the original lineup did," he added.

One major improvement is in turning radius, according to Albus. The turning radius with the new 7200 Series tractors is now as much as 11 percent tighter than on previous models. To achieve tighter turns, the lower front grill and side

panels have been re-sculptured and steering angles modified.

### Hitch controls improved

Hitch controls are improved on the new tractors, as well. With the new three-position hitch-command rocker switch, the operator can control speed and positioning of the hitch with increased ease and precision. A new upper limit setting for the hitch lets the operator specify just how high he or she wants to raise an implement or attachment between operations. And an on-board diagnostic monitor now identifies 32 hitch-related concerns for easy and quick diagnosis.

Among other changes, the new MAGNUM tractors also feature an advanced environmental system that makes use of a more environmentally friendly coolant for air conditioning, an even more comfortable operating station and increased ease of serviceability.

"I think, more than anything, the meetings served to generate fresh excitement about a product we're already very proud of," said Albus. He explained that the MAGNUM has been listed by

Fortune Magazine as being one of 100 products America makes best.

"I think it's fair to say our competition has been working hard to catch us, and now we've raised the mark."

Albus said Parker Implement expects to have its first new 7200 Series tractors on the lot in November.

Head quartered in Racine, Wis.,

Case is a worldwide manufacturer and marketer of Case International agricultural and Case construction equipment. Case is a subsidiary of Houston-based Tenneco Inc., a diversified industrial corporation with major business interests in natural gas pipelines, agricultural and construction equipment, shipbuilding, automotive parts, packaging and chemicals.

A special Thank You to my friends for making my retirement Open House a day of remembrance. Your gifts, cards, calls, and congratulation wishes are greatly appreciated as I enter into this Time of New Beginnings in my life. Always,

WINNER OF HANDMADE QUILT TO BE ANNOUNCED

# Hospital Board Of Directors Hold Regular Meeting

The Knox County Hospital District Board of Directors met in Regular Session on Monday, August 16, 1993 in the Hospital Dining Room. The meeting was called to order at 8:15 p.m. by President W. R. Baker.

Present were: W. R. Baker, Peggy McGaughey, John Loftin, Greg Clonts and Stephen Kuehler. Absent were: Don Bunton, Benny Grill and Dolan Moore.

There was no one present for public comments.

The Board considered the minutes of the Regular Meeting held on July 19, 1993. A motion by Peggy McGaughey and seconded by John Loftin to approve the minutes as presented. Motion carried unanimously.

The Board considered the Financial Statement and Accounts Payable for the month of July 1993. A motion by Greg Clonts and seconded by Peggy McGaughey to approve the Financial Statement and Accounts Payable as pre-

sented. Motion carried unanimously.

The Board considered the tax rate to be set for the Fiscal Year 1994. The effective tax rate for the Hospital was .4662¢. After a lengthy discussion, a motion by Peggy McGaughey and seconded by Greg Clonts to lower the rate slightly to .46¢. Motion carried unanimously.

The Board considered the reappointments to Medical Staff. Members of Medical Staff up for reappointment were: Shirley Barretto, Active; William McSmith, Courtesy; Johnny Bliznak, Courtesy; Jack Ramsey, Courtesy; James Duff, Courtesy; Jerry DePreist, Courtesy; Nancy Daggubati, Courtesy; and Robert Lockhart, Courtesy. Appointments made to Medical Staff were Bertham Geeslin, Courtesy. A motion by John Loftin and seconded by Greg Clonts to approve the recommended appointments and reappointments. Motion carried unanimously.

Stephen presented the Administrators Report. He reported that a physician would be visiting on August 28. He reported that the Hospital would become part of the State Purchasing Plan. He reported that he had received a resolution for the sale of property from the Appraisal District.

Stephen presented the Quality Assurance Report which was accepted. Stephen presented the Medical Staff Report which was accepted.

Stephen presented an Ambulance Report. The EMS made 49 runs for the month of July. He also reported the repairs made to the ambulances in July.

The Board considered a contract with the Teacher Retirement System-Aetna. A motion Greg Clonts and seconded by John Loftin to enter into a contract with Teacher Retirement System-Aetna. Motion carried unani-

mously.

The Board considered a Cooperative Agreement for Community Service Restitution with the Probation Office of the 50th Judicial District. A motion by Peggy McGaughey and seconded by Greg Clonts to enter into a cooperative agreement. Motion carried unanimously.

The Board considered allowing the Appraisal District to hold the Hospital's tax statements until schools set their tax rate so that only one tax statement will have to be printed. A motion by Greg Clonts and seconded by John Loftin to allow Appraisal District to hold tax statements. Motion carried unanimously.

The Board considered developing an assessment of the health care needs of the community. For the Hospital to be considered for Disproportionate Share Funds, the Hospital must annually furnish the

State Medicaid director a copy of an assessment of the health care needs of the community, developed at the direction of the Hospital's governing board. The assessment must demonstrate how the Hospital is using its disproportionate share funds to address community health needs. A motion by

Peggy McGaughey and seconded by John Loftin to develop an assessment of community health needs. Motion carried unanimously.

A motion by Greg Clonts and seconded by Peggy McGaughey to adjourn. Meeting adjourned at 9:45 p.m.

## RANCH HOUSE NOW OPEN

## Texas Retired Teachers Assoc. Hold Meeting

The State Executive Board Meeting of Texas Retired Teachers Association was held Monday September 20, 1993 at the Ramada hotel in Wichita Falls.

Charles Mitchell of Olney, President TRTA presided. The final business was discussion of plans for the 1994 State convention to be held in Wichita Falls on April 6-9.

Perry Godsby, President Region IX, welcomed TRTA guests from Region IX area. All TRTA units in Region IX will help host the convention.

Representing the Knox County TRTA unit were Douglas Myers, publicity chairman and Dorothy Myers, President Knox County Retired Teachers Association.

HAVE A NICE DAY!

## Explanation of Conversion from County Education District Taxes

County Education Districts have been abolished. In order to compare school tax rates from last year to this year, it is necessary to compare the combined school tax rate below to the school district's proposed tax rate for this year.

Last year the Goree Independent School District's tax rate was .36 per hundred.

Last year the Multi-County #12 County Education District's tax rate was .9756

The combined School District and County Education District tax rate was 1.3356.

The proposed tax rate for Goree School District for this year is 1.40.

### This notice is required by the Texas Legislature

\*The percentage increase shown in the first paragraph below may appear unusually high because it does not reflect 1992 taxes levied by the now-abolished county education district (CED). In 1992, the CED levied a portion of the taxes used for school purposes, and the school district levied the remainder of school taxes. In 1993, school districts will levy all school taxes. For an explanation of the increase, attend the public hearing scheduled below or call your school district.

## Notice of Public Hearing on Tax Increase

The Goree Independent School District will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll in 1992 by 389 \*percent. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property.

The public hearing will be held on October 5, 1993 at 7:00 P.M. in the Administration office at Goree ISD.

FOR the proposal: Leroy Russell, Vickie Huffman, Dolan Moore, Raymond Allen, Richard Hutchens, Mike Hernandez

AGAINST the proposal: None

PRESENT and not voting: None

ABSENT: None

The statement above shows the percentage increase the proposed rate represents over the 1992 tax rate that the unit published on September 15, 1993. The following table compares taxes on an average home in this taxing unit last year to taxes proposed on the average home this year. Again, your individual taxes may be higher or lower, depending on the taxable value of your property.

	Last Year County Education District	Last Year School District	This Year School District
Average home value	\$ 13,740	\$ 7,518	\$ 9,653
General exemptions available (amount available on the average home, not including senior citizen's or disabled person's exemptions)	\$ 7,748	\$ 5,000	\$ 5,000
Average taxable value	\$ 5,992	\$ 2,518	\$ 4,653
Tax rate	\$ .9756	\$ .36 / \$100	\$ 1.40 / \$100 (proposed)
Tax	\$ 58.46	\$ 9.07	\$ 65.15 (proposed)
Total 1992 School Taxes	\$ 67.53	Total 1993 School Taxes	\$ 65.15 (proposed)

This paragraph compares last year's CED and school district taxes with this year's proposed school district taxes:

Under this proposal taxes on the average home would decrease by \$2.38 or 3.52 percent compared with last year's total school taxes. Comparing tax rates without adjusting for changes in property value, the tax rate would increase by \$.06 .0644 per \$100 of taxable value or 4.82 percent compared to last year's total school tax rate. These tax rate figures are not adjusted for changes in the taxable value of property.

This paragraph compares last year's school district tax with this year's proposed school district taxes:

Under this proposal taxes on the average home would increase by \$6.08 or 618 percent compared with last year's school district taxes. Comparing tax rates without adjusting for changes in property value, the school district tax rate would increase by \$1.04 per \$100 of taxable value or 288 percent compared to last year's school district tax rate. These tax rate figures are not adjusted for changes in the taxable value of property.

**THE 1993 MUNDAY JUNIOR HIGH BRAVES** are front row: Tony Shahan, Lucas Castillo, Romero Nunez, David Fernandez, Brant Reed, Justin Gray, Isaac Sanchez, Cody Cottingham, and Ralph Bejar; Middle Row: Jeremy Sanders, Adam Quintero, Michael Navarette, T. Marsh, Roberto Nunez, Nathan Urbanczyk, Wesley Spells, Kevin Tibbets, Daniel Anchondo, and Jacob Cabrera; Back Row: Elvis Satistevens, Robert Thomas, Peewee Reagins, Ray Bradley, Deshawn Hamilton, Timmy Perez, Danny Caram, and Junior King. Not pictured # 72 Jamie Brown.

## "On A Wizer Note"

By Paul Weiser,  
Knox County Extension Agent - Agriculture

One of the biggest decisions in ranching is that of determining the amount of cattle or livestock to run on a certain acreage. Teaching the "How To's" of adequate planning and successful stocking rate management are major objectives of three upcoming educational symposia to be conducted in Victoria (October 5), Amarillo (October 11), and Fredericksburg (October 13).

Topics to be discussed will be: Why stocking rate decisions are important; Managing stocking rates to achieve (a) range resource goals, (b) livestock production goals, (c) wildlife goals and (d) financial goals; Managing stocking rates to prevent adverse environmental impacts; Rancher approaches to adjusting stocking rates; and Techniques for improving stocking rate decisions.

These symposia will utilize recognized authorities in each topic with ranchers and experts discussing techniques one can use to improve stocking rate decisions.

Early registration will be \$25 per person (\$15 for spouse). At the door the price will be \$50 per person (\$25 for spouse).

For those who use custom harvesters, applicators, etc. There is a new publication in the Extension office which lists the different rates for the various jobs in the different areas of Texas. Notify the office if interested in looking at one of these.

Another item of interest to many Knox County residence is that of a Pecan Promotion and Research

Plan Referendum. This was established on May 1, 1992 by the USDA. This plan calls for a 1/2 cent per pound of pecans sold to be used for promotion and research.

The plan requires an election for pecan growers, grower/shellers and importers to vote yes or no for the plan. To be eligible to vote one must have grown and sold at least one pound of pecans in 1991 or 1992.

To vote the pecan grower must register at the county ASCS office between September 27 and October 1, 1993 and mail the ballot between October 4-6, 1993.

If anyone is interested in any more information on the topics discussed in this article please contact the Knox County Extension office in Benjamin at 817-454-2651.

### Brazos Valley Young Farmers To Meet Tuesday

The Brazos Valley Young Farmers will conduct their next meeting on Tuesday, October 5 at 8:00 p.m. at the Brazos Valley Young Farmers building in Munday.

Items on the agenda include a chili supper and a program on "Cotton Harvest-Aid Chemicals". This program will be conducted by Paul Weiser, Knox County Extension agent.

New memberships are welcome at any meeting. The Young Farmers meet on the first Tuesday of every month at 8:00 p.m.

## Munday Braves Defeat Electra Cubs 30 - 7

The Munday Junior High Braves remain undefeated after beating the Electra Junior High Cubs 30 to 7 last Thursday.

Braves' runningback Peewee Reagins galloped 32 yards for the first score of the game and then tossed to Roberto Nunez for the two point conversion with 6:15 left on the clock.

It didn't take the Braves long to score again when Reagins recovered a fumble on the kickoff and then later with only :17 seconds off the clock ran in from 31 yards out. T. Marsh ran in for the PAT. The Braves quickly went on top 16 to 0.

After the Braves had blocked a punt, Reagins took the ball in from 6 yards out. Roberto Nunez caught the PAT from Reagins to put the Braves up 24 to 0 in the first quarter.

Peewee Reagins struck again with great blocking from 19 yards out with 5:41 left in the second quarter. The PAT failed, the score was 30 to 0 til the fourth quarter.

Ray Bradley recovered a fumble for the Braves in the third but Munday was unable to take advantage.

Electra moved the ball down field in the fourth and scored with 2:38 left on the clock. The extra point was good and the score became Munday 30, Electra 7.

The Junior High Braves will play in Olney this Thursday at 6:00 p.m.

## Pathways

by Randy White, pastor  
First Baptist Church

Do you have children? Are your children in church? If they are not, you are a poor parent!

It is parents' responsibility to nurture their child -- physically, emotionally, and also spiritually. Does your child suffer from spiritual neglect or abuse?

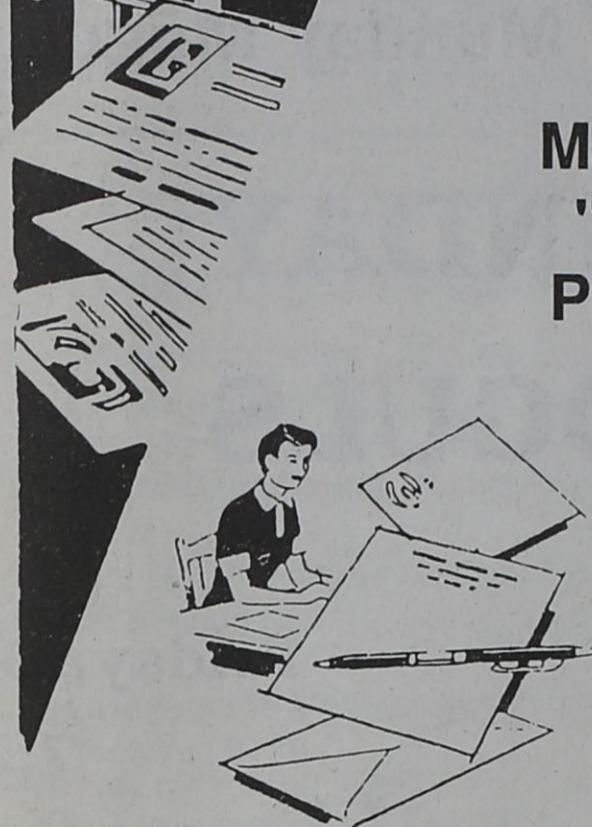

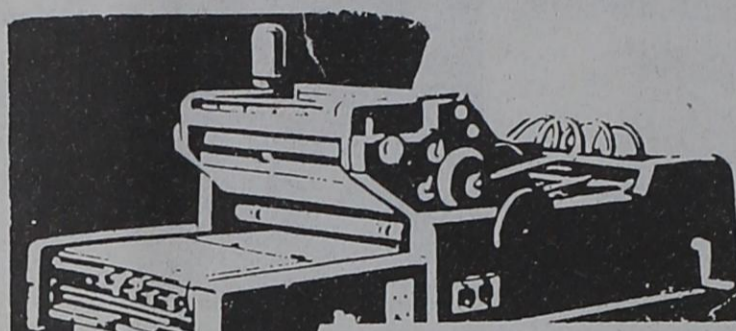

Not taking your child to church is spiritual abuse. You hurt their chances of ever coming to understand the plan and will of God for their lives. You are setting a tragic course for your child's spiritual existence.

Do you take your child to church and drop them off, not staying yourself? This is spiritual neglect. Your child needs to see Mom and Dad in church. They won't ever totally believe what the Bible teaches unless they see that Mom and Dad believe it too.

Would you like to do something that would be a life long, even eternal benefit to your child and family? If so, get in a church, be active in it, serve the Lord, and He will bless you and your children.

"Lord, forgive me for spiritual neglect and abuse of my children. I will do better, beginning this Sunday! Amen."

## NOTICE OF UTILITY RATE INCREASE

The following increases will become effective on the water bill that you received on November 1.

**WATER** - The charge for water has been \$1.75 per thousand. It will be raised to \$1.80 per thousand.

**SEWER** - The charge for 1 bath in your home has been a flat rate of \$4.50, 2 baths \$5.25 and 3 baths \$6.00. These will be raised to 1 bath \$5.00, 2 baths \$6.00 and 3 baths \$7.00.

**GARBAGE** - The charge for residential garbage has been \$9.00 plus \$.70 State tax and most commercial garbage has been \$10.00 plus \$.78 State tax. These charges will be raised to \$10.00 plus \$.78 State tax for residential garbage and \$15.00 plus \$1.16 State tax for most commercial garbage. The charge for garbage pickup outside of the city limits has been \$18.00 plus \$1.40 State tax. This will be changed to \$20.00 plus \$1.55 State tax.

The City has decided to implement these increases because of the following reasons:

1. The City has recently experienced major problems at the wastewater treatment plant. It was determined that the plant was in need of extensive renovation. Most of the evaporation ponds have deteriorated to the point of complete failure. The Texas Water Commission is requiring the City to rebuild these ponds and to place a plastic liner in the bottoms of the ponds to prevent sewage from entering the under-

ground water table. An Urgent Need Emergency Grant was applied for and received by the City in order to provide most of these necessary repairs. This grant will provide \$350,000.00 toward the \$420,000.00 project. The City must provide the remaining \$70,000.00. For this reason, the City decided to raise the water and sewer charges.

2. The garbage rate was raised in order to prepare for the increased cost that is coming for garbage disposal in the very near future. The City is faced with a considerable cost increase for garbage collection and disposal due to the fact that the landfill at Haskell will be closing. The City will either begin hauling our garbage to Abilene or Wichita Falls to be disposed of or contract out the collection and disposal of the garbage to a company that provides these services. The last option will be the cheapest option, at least in the beginning, but no matter which option the City chooses, the cost of garbage will rise considerably. It was felt that several small increases would be easier to adjust to than one large increase. The preliminary quotes that the City has received for contracting the garbage out have indicated that while residential customers will only see an increase of \$2 to \$4 per month, commercial customers can expect increases of 250 to 400 % above what they are now being charged.

The State and Federal mandates placed on this and all cities have cost you, the customer, thousands of additional dollars in charges each year and appears to be growing. Regulations are made and enforced upon cities with no funds provided for the implementation of these rules. The City must comply with the regulations or face penalties and fines.

Jim Slayton  
City Administrator

## Nursing Center

Henry Liberda of Wichita Falls visited his uncle, Joe Kubena.

Rev. Randy White of the First Baptist Church held Bible Study Monday afternoon. Ruby Myers played the organ and Steve Smith led the singing. Others helping with the services were Norene Hawkins, Ruby Myers, Nina Elliott, Marshall Benner, Evelyn Elliott, Pam Bowman, Helen Homer, Rita Hughes and Tom Hamilton.

Farrell Lemings, pastor of the Knox City Foursquare Church, visited Mrs. Lillie Parker.

Kelly Thompson called bingo on Tuesday, September 14. Elizabeth Russell won the blackout game.

Ruby Gulley visited Audrey Galley Tuesday, September 14.

Vina Clark and Elzie Jackson of Dallas visited her sister, Linnie West.

Munday Church of Christ held services on Sunday, September 19. Larry Fitzgerald read from the book of Job. Five young men from the church each led in the singing. W.G. Welborn voiced the prayer.

The September birthday party was hosted by the Gillespie Baptist Church. Some of the ladies and the pastor served cake and punch. Celebrating birthdays were Vira Carver, Florance Decker, Nita Peck, Merle Dingus, and Bettie Adkisson.

Annie Smajstrla and Theresa called bingo September 16. Ruby West and Gladys Lambeth won the blackout.

## BUSINESS MATTERS

### Module helps new businesses obtain permits

*After 30 years of working for a large computer firm, I am opening my own business. Where can I find information about permits, licensing and general business start-up procedures?*

Owning a business has always been the American dream, but actually starting that business can be a nightmare. To help small- and medium-sized businesses open their doors, the Texas Department of Commerce has added a new State Licensing and Permit Module to the Texas Marketplace system.

The State Licensing and Permit Module was designed as a quick reference for new business owners who need to know general state regulatory requirements. This new module provides continuously updated information on obtaining permits and the agencies that provide them, as well as permit information on selected businesses. General business start-up information on incorporations, assumed name certificates, local requirements, sales tax, federal tax identification, employer requirements, workers' compensation, workplace safety requirements, and foreign ownership also can be obtained from this new Texas Marketplace module.

In addition to permit information, the new module offers a comprehensive application. This application can be extremely helpful if your business should require extensive research regarding permits or licenses. Processed by the Business Information and Referral Program at Commerce, the comprehensive application is a 25-day turnaround package providing necessary applications and information regarding required permits and licenses for your business.

Businesses interested in receiving information from the Permits and Licenses Module can download the information at a Small Business Development Center or by becoming a Texas Marketplace subscriber. Texas Marketplace is a comprehensive and integrated small business delivery network dedicated to helping Texas' small businesses get started, grow and expand into new domestic and international markets.

For more information about the State Licensing and Permit Module or Texas Marketplace, please call 800/888-0511 or 512/320-9553.

*The Texas Department of Commerce's mission is to serve its customers by building partnerships that create economic opportunity and prosperity for all Texans. Business Matters is provided as a free service. If you have any questions about Commerce's programs and services, please send them to: Business Matters, Texas Department of Commerce, Communications Division, P.O. Box 12728, Austin, Texas 78711-2728*

*We look forward to hearing from you.*

*We want to say a special thank you to each one who made a call, sent a card, came to see us and said a prayer on our behalf while Traphene was in the hospital and since she has returned home. May God richly bless each of you.*  
W. G. and Traphene Welborn

**Thank You**  
*"Our heartfelt thanks to all of you for your powerful prayers during James' hospitalization. We especially thank you for being a part of the praying team requesting that a heart become available in God's timing and that the surgery be successful. Our prayers were indeed answered in the most miraculous way! May God richly bless each of you."*  
James & Jonnye Yandell

# Elementary Six Weeks Honor Roll Announced

Munday Elementary principal Doug Donoho has released the names of students who made 90 or above in all subjects for the first six weeks grading period. They include:

First grade - Dyanne Aguoyo, Kevin Brown, Eric Coody, Andrea Cypert, Jocelyn Decker, Kari Kuehler, Jennifer Sosa, Kamica Taylor, Eden Collier, Coral Contreras, Aaron Loftin, Michael Wilde, Johnica Fetsch, Lindsey Wilde, Kymberly Sarabia and Maria Prieto.  
 Second grade - Eleazar Mendiola, Joshua Rodriguez, Justin Lowe, Lance Fitzgerald, Cassie Andrade, Ricky Escamilla, Jara Gray, Marti Lowe, Tiffanie Myers, Zacharia Sanchez, Russell

Shields and Cody West.

Third grade - Jennifer Carlson, Shannon Escamilla, Casandra Gulley, Jason Josselet, Toni Tidwell, Cacilda Yruegas, Brittany Alexander, Justin Cypert, Colby Driggers, Justin Josselet, Krissie Maston, Brandon Melton, Kylie Myers and Angela Valencia.

Fourth grade - Megan Myers, Laurie Welch, Alicia Herring, Cindy Hunter, Celia Lara, Erik Sosolik and Jonathan Ramirez.

Fifth grade - Alisha Crownover, Christina Fitzgerald, Eric Valencia, Jennifer Carden, Nathan Neal and Brian Urbanczyk.

Sixth grade - Jacy Haynie, Laci Myers, Larinda Smith, Amber Reed, Lane Murphy and Jessica Carlson.

# New Product Made With Garlic Repels Insects On Plants

The Texas Department of Agriculture and the Environmental Protection Agency (EPA) has just accepted a new insect repellent for plants, trees and vines. The product, *Garlic Barrier*, has now been made available in Texas for sale to home gardeners and farmers.

*Garlic Barrier* is a garlic oil concentrate which is diluted in plain water and then sprayed on plants, trees and vines. It does not kill insects - it simply tricks them away from the plants. There is no after taste or hint of garlic when sprayed on fruit trees or vine crops, and the odor disappears in about 10 minutes after spraying.

The product repels white flies, spidermites, leafhoppers, leafloopers, aphids, ants, thrips, grasshoppers, spiders, fleas, ticks, boll weevils, mosquitoes, etc., and is available in pints, quarts, gallons or drums.

Manufactured by Garlic Research Laboratories, it is distributed in Texas and other states by Jefferies Distributing Co. in Balch Springs.

For more information call 1-800-362-7731.

# King County Fair Scheduled For Next Friday And Saturday

King County will be hosting their 11th annual fair October 8-9 at the Arb Piper Community Complex in Guthrie. A livestock show, project show and arts and crafts booths are some of the events scheduled.

## KNOX COUNTY KONNECTIONS

By Jane Rowan, County Extension Agent

# Baby Boom Means More Babies On The Highway

There seems to be a miniature baby boom lately. Everywhere you look, there are babies all under two years of age, which means more babies will be transported in vehicles and the use of child safety seats should increase.

If you are a new parent, you may feel that safety seats are cumbersome and time consuming. However, the following good and bad information can be incentives to use safety seats on every trip:

\*The leading cause of death among children is automobile crashes.

\*Your chances are one in three of being in a car accident some time in your life.

\*Three out of four fatal crashes causing death occur within 25 miles of home where posted speeds are 45 mph or less.

The good news:

\*Two hundred forty-seven children, age four and under, were saved in 1991 by child passenger safety restraints.

\*In 1991, 100 percent use of child safety seats could have prevented nearly 455 deaths and about 49,000 serious injuries to

children under age five.

\*From 1982 through 1991, 1,793 children, age four and under, were saved as a result of child restraint use.

Children need parents, grandparents, and other drivers who are committed to buckling them up every time they go somewhere. Most parents will not argue the

importance of routine inoculations to prevent illness. Yet, insuring safety in the automobile, when a great deal of time is spent, is often neglected.

So with the joys of new arrivals, keep a sober mind of the dangers of travel and take the extra effort to protect the precious bundle in your care by using a child safety seat for every trip.

The several museums of the Smithsonian Institution house a total of more than 60 million items.

The first woman elected to the US Senate was Mrs. Hattie Caraway of Arkansas in 1932.

## VERA NEWS

By Mrs. Thelma Coulston

Sunday visitors with Wayne and Jane Sutton were their children, Fred and Beckey Wilson and their daughter, Mr. and Mrs. Brad Digby and little daughter, Ashley of Wichita Falls, Bruce and Paula Sutton and two sons, Michale and Matthew of Loving and Frances McManus and friend, Frank and Jeff McManus of Irving.

Visitors in the Perry Kuykendall home have been Woody Kuykendall, Stephanie, Kyle and Chris and Robert and Trula Mae Burkett of Olney and Kathy Nelson and a friend, Mrs. Lorene Wright of Archer City.

Mrs. Kathryn Tillotson of Milford, Ohio is spending a few days with her sister, Mrs. Sabra Rice in the home of Mr. and Mrs. Jerrell Traniham and family.

Carl Coulston is recuperating at home following surgery in Bethania hospital in Wichita Falls, last Tuesday morning. With him at the hospital were grandchildren, Scott Berrier of Lubbock and Michelle Coulston of Carrollton and a friend, Tim Henry of Dallas. Also visiting with him were Jerrell and June Trainham and Quel and Addie Hughes of Seymour.

Edward and Annie Mae (McNeill) of Toles, Texas were weekend visitors with J. Winston and Robbie Feemster and Duward and Wanda Richards. They were here to attend the Old Fashion Gospel Singing at the Baylor County Court House in Seymour.

Mr. and Mrs. Randal Kinnibrough, Kyle and Sarah were weekend visitors with Beverly's parents, the Robert Mortons in Kress. Saturday Billy and Betty Kinnibrough and Bill Townsend were in Kress to help celebrate Mr. Morton's birthday.

Mr. and Mrs. Eddie Stephenson, Jamie and Scott of Levelland spent the weekend with her parents, Gaylon and Joyce Scott.

Mrs. Maurine Parris was in Sanger during the weekend and visited with Mr. and Mrs. R. L. Tucker who were celebrating their

25th wedding anniversary.

Mr. and Mrs. Steve LaFrance and family of Arlington were weekend visitors with his parents, Ernest D. and Doris LaFrance.

Word has been received of the death of Ray Brooks of Floydada who passed away in the Veteran's hospital in Amarillo, Sunday afternoon. Survivors include his wife Carol McGaughey Brooks, and three sons, Wade, Walker, and Ward. Services are pending at this time.

Mrs. Lometa Doss visited Sunday with Mrs. Doris Hardin of Seymour who is staying in the home of a son.
