Munday overcomes Bryson for Bi-District Title

A SWARM OF MOGULS tackle a Bryson runningback during last Friday night's Bi-District Championship game held in Olney. Munday advances to the regional playoff game with a 15 to 12 win over the Cowboys. Moguls pictured are #63 Ray Bradley, #33 Gerald Taylor, #73 James Phillips, #83 Jr. King and #21 Ricky Serrato.

Moguls - We Believe!

The Munday Moguls overcame a 6-0 deficit in the second half by scoring all 15 points to Bryson's added 6 to win the Bi-District Championship in Olney last Friday night.

The Bryson Cowboys did a great job of shutting down the Mogul offense in the first half, but the second half was a different story.

Munday's offense broke out in the second half, with Jonathan Reagins breaking out for two touchdown runs of 45 and 38 as the Moguls rushed to a 15-12 victory over the Cowboys.

Neither team had much going for their first two possessions. Bryson sailed a 49 yard punt to the Mogul 3 yard line. Munday pushed out to the 11. Against a strong wind Robby Vaughn kicked a 27 yard punt to the 38.

The Cowboys began their first scoring drive from there. After two first downs Bryson moved to Munday's 3 yard line to the end of the quarter.

In the second quarter on third and one, Brad Clayton scored for the Cowboys. With Bryson against the wind their extra point kick was wide.

Munday fumbled on their next possession and Bryson played keep away til the end of the half. The Cowboys threatened to score twice more in the second but a

strong Moguls defense held them off. Bryson led 6 to 0 at the half.

The Cowboys received the second half kickoff, and the Moguls held them for three plays and a punt. Munday moved the ball to Bryson's 32 and coughed up another fumble.

Bryson made one first down and moved to Munday's 49 before having to punt. A strong wind favored the Moguls as the Cowboy's punt ended up going -2 yards.

Munday took over at the Bryson 49. Reagins took two hand-offs for four yards and then on a lead play to the right, he sprinted 45 yards for a Mogul touchdown. Gerald Taylor added the extra point and Munday was on top 7 to 6.

Things were looking up for the moguls. After the kickoff, Jonathan Reagins recovered a Cowboy fumble on Bryson's first down. The Moguls were held at the 18 and attempted a 33 yard field goal which missed to the right.

The Cowboys began their next scoring drive from the 20. Eight plays on the ground ended with Todd Tuel scoring from the 1 yard line for Bryson. A run for a two point conversion was stopped by Ricky Serrato for Munday. With 11:15 left in the game Bryson led 12 to 7.

Munday came back on their next possession. From their 34 the Mo-

Merry Christmas
Pageant prepares
for 1996 production

Once again The Theatre Arts Department at Munday High School will be staging their annual fund-raiser, The Miss Merry Christmas Pageant.

This year the event will be held on December 12 at 7:00 p.m. in the High School auditorium.

Boys in Pre-Kindergarten and Kindergarten are eligible and girls in Pre-Kindergarten through High School can compete for the titles.

An entry fee of \$15.00 per participant is required and should be taken to the high school office prior to Wednesday, November 27.

Winners in the Junior Miss Merry Christmas category will receive a trophy, banner, crown, and arm bouquet.

The winner of the high school division will be awarded a \$100.00 scholarship, the title, crown, banner, trophy and arm bouquet.

Be sure to get your entry fee into the high school on or before November 27.

Mogulettes greet basketball
season with convincing victories

The Munday Mogulettes opened the season with a convincing 69 - 43 victory over Paint Creek. The Mogulettes took a one point lead in at half time, 32 - 31, then came back in the third quarter and blew the game wide open by out scoring Paint Creek 23 - 2 in that period.

Leading the scoring for the Mogulettes during the Paint Creek game were Briana Alexander - 14, Ambra Welch - 12, Erica Gray - 11, Laci Myers - 9, Amanda Myers - 7, Shelley Scott and Andrea Brown - 6, and Brandi Hall - 4. Alexander also led the rebounders with 11 while Gray had 8, Amanda Myers and Brown each had 6. Laci Myers had the most assists with 6 while Longan and Alexander each had 5. Brandi Hall managed to make 6 steals.

On Saturday the Mogulettes traveled to Jayton where they defeated the Lady Jays with a final score of 53 - 35 thus starting their season with a 2-0 record. Coach Curtis Goforth remarks, "I thought the girls did a good job of making the plays and their free throws

Regional Playoff Game Friday

The Munday Moguls advance to the Class A Regional Playoff round this Friday night. The Moguls will play the Cross Plains Buffalos at Breckenridge with the kickoff at 7:30 p.m. Munday will be the visiting team. Show your support of the Moguls as they battle for the Regional Championship title.

Christmas in the Park to be set
in motion with children's parade

"It's a most wonderful time of the year" and you are sure to see the excitement on the faces of our city treasures - our children - when they are involved in a mini-parade which will escort Santa to town.

Christmas in the Park is slated for Saturday, December 7 in the downtown park. This year the festivities will begin at 2:00 p.m. when all youngsters, aged twelve and under, are invited to join in with Santa in a mini-parade. The parade route will be one-and-one-half blocks long which should be the perfect distance for even the youngest participant to enjoy. Plan now to decorate bicycles, tricycles, wagons, etc. for the youngsters to show off and then stick around for

pictures with Santa.

Christmas in the Park is an annual feature of the Chamber of Commerce and Agriculture and this year promises to be another block buster. Once again the Chamber will be holding a drawing featuring a brand new pickup truck as the grand prize. Call 422-4540 for more information on how you can win and watch The Munday Courier for further details on the parade.

down the stretch to give us some breathing room. They are doing a super job playing as a team and playing with lots of effort."

The Friday night game against Archer City has been moved to Saturday due to football playoffs. The junior varsity girls will start at 5:00 with the varsity girls game following. Next Tuesday the teams will be traveling to Albany.

Senior citizens enjoy
game night so much
they'll have another

The first game night was a mighty success. Forty-two persons gathered at the Perry Patton Community Center for a night of food, fun, and games. Frances Cypert organized this special treat for the senior citizens in Knox County.

If you missed this first game night, you will want to mark your calendar for Tuesday night, December 3rd. All you need to do is bring a favorite food, a game and friends. The fun and fellowship begins at 5:30 p.m.

Area citizens to give thanks at annual
Community Thanksgiving Service

The 1996 Community Thanksgiving Service will be a time for all area residents to gather together and offer thanks for the blessings of the year. This year's service will be held on Sunday evening, November 24 at 7:00 p.m. at Munday's First Baptist Church.

The Reverend William Sterling, pastor of The First United Methodist Church in Munday, will be the featured speaker.

Special music will feature a community choir made up of voices from all area churches. A rehearsal will be held at The First Baptist Church choir room at 7:45 p.m. on Wednesday, November 20. All interested vocalists are invited to this time of preparation.

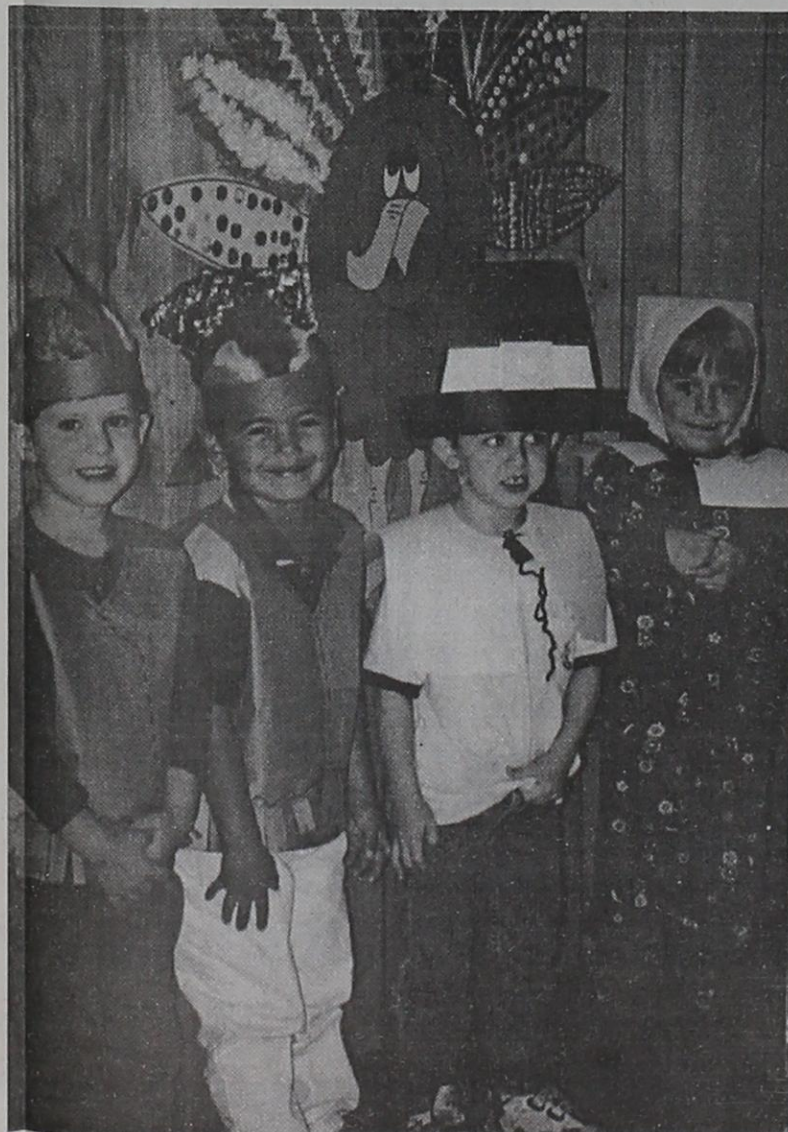

Fellowship will follow immediately after the Thanksgiving service and all in attendance are welcomed to enjoy refreshments and visiting with neighbors.

Band to
bake and sale
for benefit

The Purple Cloud Band from Munday High School will be holding another fund-raiser and this one is destined to have something to please everyone.

A bake sale is scheduled for Wednesday, November 27 and will be located at the M-System store from 8:00 until 12:30. Proceeds will go to help support the band program at all grade levels and parents of all students involved in the program are asked to bring a food or baked item to the store between 8:00 and 9:30 on Wednesday morning. Please wrap all items in clear plastic wrap.

The bake sale would be an excellent time to grab some Thanksgiving goodies - cakes, pies, cookies, candy, rolls, bread, tortillas, tamales and enchiladas will be waiting to tempt you. Bring your item to the sale and then purchase something that looks really yummy to take home!

PRE-KINDERGARTEN STUDENTS at Munday Elementary School are busy practicing for the Turkey Tea, a Thanksgiving program held each year in the school lunchroom. Students will be dressed as Pilgrims and Indians and will perform songs and skits for their parents and grandparents. The afternoon class will host their event on November 26 at 2:30 and the morning session will celebrate their tea on November 27 beginning at 10:00. Shown practicing their parts are (from left) Kimberly Myers, Jacob Castorena, Cooper Haynie and Presley Melton.

Program to address women in agriculture: Business management

Early in 1997, the Texas Agricultural Extension Service will offer the opportunity for a new group of Texas farm and ranch women to begin the Women In Agriculture: Business Management Program. This program includes a series of 3 two-day seminars to be taken in successive years. These programs are designed to help women gain insights into and a broader understanding of financial management, business transfer issues, commodity marketing and agricultural policy.

According to the program director, Dr. Danny Klinefeller, the need to develop the management skills of farm and ranch women is critical for the following reasons: there is a tremendous need to strengthen the management team on farms and ranches, particularly in light of the added risks that will be created by the changes in the government farm program; too few wives are adequately prepared to take over the business affairs if something should unexpectedly

happen to their husband; Texas has ten percent of all women in the U.S. who run their own farm or ranch operation; the census of agriculture indicates that over the last twenty years, women managers have been the only group actually increasing in numbers in agriculture.

Because Texas is a community property state and because women tend to live longer than men, a major portion of the privately held farm and ranch land in the state is owned by women absentee landlords.

The program will be offered in two locations in 1997. January 29 - 31, 1997 - College Station and February 19 - 21, 1997 in Lubbock.

The cost of the program is \$175 which covers all seminar materials, breaks, and lunches. Registration is due by January 10, 1997.

If interested, contact Jane Rowan at the Knox County Extension office (454-2651) for details and a registration form.

Local Obituaries

Morgan, Annie Mae

Annie Mae Morgan, age 96, died on Thursday, November 14, 1996, at her home in Waco, Texas.

She was born to the Texas pioneer couple, Mr. and Mrs. W.T. Freeman on February 8, 1900 in Vernon, Texas. In 1911, she and her family moved to the Gillespie community in Knox County. Annie married Joshua Carl Morgan, a farmer in the Sunset/Gillespie community, in 1933. He preceded her in death in 1971.

Annie was ahead of her time and a remarkable woman of her generation. Second to her love for her family, was Annie's passion for education and teaching school. She began her teaching career in the Red Top community near Munday, Texas. After her marriage and the birth of her two children, Annie, a farmer's wife and a mother, continued her career and pursued her college degree. She graduated with a Bachelors Degree in Education from West Texas State College in Canyon, Texas by taking correspondence courses and attending school during the summers at Baylor in Belton, Texas, Sul Ross in Alpine, Texas, and North Texas State Teachers College in Denton, Texas. Annie went on to teach in the Sunset, Munday, Knox City and O'Brien, Texas school districts. She effected many lives, as many as three generations, during her 40-year teaching career in the Knox and Haskell County school. She retired in 1972.

In 1979, Annie moved to Dallas, Texas to be near her daughter. She lived there until 1987 when she moved to Waco, Texas to be near her son. During her retirement and up until age 95, Annie continued her hobby of quilting. She left a legacy of beautiful quilts to her children, grandchildren and great-grandchildren. Annie loved literature and poetry. Shakespeare was among her favorites. She was a member of the Baptist Church.

Mrs. Morgan is survived by a son, Jimmy Morgan, of Waco; a daughter, Carlene Gribble of Dallas; four grandchildren, Teresa Danforth of Dripping Springs, Texas, Greg Morgan of Tijeras, New Mexico, Jerry Gribble, II of Arlington, Texas, and Captain David Gribble of San Diego, California; two great-grandsons, Zane Morgan and Colton Danforth; and two great-granddaughters, Olivia Morgan and Morgan Gribble.

Services were held Monday, November 18 at the First Baptist Church in Knox City, with her nephew, Reverend Rodney Compton, officiating. Pallbearers included nephews Claude Freeman, Gale Freeman, and Gerald Freeman, and her grandsons Greg Morgan, Jerry Gribble, II and David Gribble. Burial followed in Johnson Memorial Cemetery in Munday.

Junior High boys begin basketball season

The seventh and eighth grade boys basketball teams opened their season against Crowell on Thursday, November 14.

The seventh grade team lost 30 - 17. Scoring for the Braves were Chance Myers - 7, Jared Groves - 2, Chris Bibb - 2, Joe Rivera - 2, Wes Crawford - 2, and John Francisco - 2.

The eighth grade team defeated the Crowell Wildcats 44 - 22. Scoring for the Braves were Brian Urbanczyk - 20, Tony Tomlinson - 5, Alan Albus - 5, Justin Key - 4, Will Longan - 4, Johnny Dockins - 3, and Nathan Neal - 3.

Pain may be eliminated for millions

(SPECIAL) -- A drug that is exciting researchers in the treatment of pain has been formulated into a new product known as "Arthur Itis," and is being called a "Medical Miracle" by some, in the treatment of debilitating conditions such as arthritis, bursitis, rheumatism, painful muscle aches, joint aches, simple backache, bruises, and more. Although the mechanism of action is unclear, experiments indicate that Arthur Itis, relieves pain by first selectively attracting, and then destroying the messenger chemical which carries pain sensations to the brain, thus eliminating pain in the affected area. Arthur Itis, is an odorless, greaseless, non-staining cream and is available immediately without a prescription and is guaranteed to work or your money back. © 1996, Stellar Health Products, Inc. THE MUNDAY HOUSING AUTHORITY recently won a national award from HUD for excellent performance and was the only Housing Authority in the state of Texas to do so. On hand to accept the award were Jamie Welborn, James Williams, Jeanie Carden, Robert Hosea, Perry Kuehler, Lyndle Reeves, and Dan Sloan.

Excellence in management performance nets Munday Housing Authority a HUD award

U.S. Department of Housing and Urban Development presented the Munday Housing Authority with a Sustained Performance Award "for recognition of the Authority's excellence in overall management performance in the Public Housing Program for the Fiscal Years 1993 through 1995. This public housing agency is one of the best in the United States" Signed by: Henry Cisneros - Secretary.

The Munday Housing Authority was the only Authority in the State of Texas to receive this award. It was a National Award, with approximately 3400 Housing Authorities that are graded on a National Basis. Munday feels quite honored to be the only one in Texas to receive this award. In December of 1994, the Housing Authority received their first Sustained Performance for the fiscal years of 1992 and 1993, and Executive Director, Jeanie Carden and her family attended the Awards Ceremony in Washington, D.C. Executive Director Carden

stated that there were several Housing Authorities in Texas at that time that received the award. After being notified that they would once again receive the award, Ms. Carden did not feel that it was financially feasible for the Housing Authority to allow her to return to Washington, therefore the invitation was declined.

On November 5th, there were four HUD Representatives from the Fort Worth Area Office, Joe Brinkley - Director of Public Housing, Roman Palomares - Director of Operations Division, Janet Lenahan - Director of Finance and Budget Division and Bill Stewart - Revitalization Specialist of Community Relations and Involvement Division that came to a luncheon at Mat's Restaurant in Munday, and presented the National Award to the Munday Housing Authority. Present for the ceremony were the Munday Housing Authority Staff: Jeanie Carden - Executive Director, and her husband Jim, and their daughter Jen-

nifer, James Williams - Maintenance - and his wife Jan, and Jamie Welborn - Maintenance, and his wife Debbie. Commissioners of the Munday Housing Authority - Perry Kuehler - Chairman, Vice-Chairman - Lyndle Reeves, Dan Sloan and Robert Hosea. Also showing support to the Housing Authority were representatives from the City - John Weeks, City Administrator, and Winters Matthews, Mayor-Protem. Joe Brinkley, Director of HUD stated "Munday Texas has a Housing Authority that everyone should be very proud of, and this award is achieved by their dedication and hard work." Mr. Brinkley talked to the group concerning the accomplishments of the Housing Authority and their dedication.

To receive this award you must score a grade of 100 for at least two consecutive years on your Public Housing Management Assessment Program. Munday has scored 100 for four consecutive years. You are graded in twelve areas: 1 - Vacancy Number and Percentage, 2 - Modernization, 3 - Rents Uncollected, 4 - Energy Consumption, 5 - Unit Turn-around, 6 - Outstanding Work Orders, 7 - Annual Inspection and Conditions of Units and Systems, 8 - Tenants Accounts Receivable, 9 - Operating Reserves, 10 - Routine Operating Expenses, 11 - Resident Initiatives, and 12 - Development.

Ms. Carden has been the Executive Director of the Munday Housing Authority since June of 1978. The staff of the Munday Housing Authority consists of Ms. Carden along with Maintenance Men Jamie Welborn and James Williams and part-time office assistant Beverly Crownover.

The Housing Authority formed in 1954, and consisted of 30 units, in 1972, 36 more units were built, and in 1978 nine more units were built. Also the Housing Authority has 24 Farmers Home Apartments, and is building ten more apartments under Farmers Home, which they hope to have completed in February of 1997.

PTO's Elementary School Teacher of the Week

Mrs. Linda Chapman is a sixth grade teacher at Munday Elementary School and has been on duty in her chosen field for almost twenty-six years. All but seven of those years have been completed right here in Munday, working in the special education department for nine-and-one-half years and the remainder in the classroom.

Mrs. Chapman is married to Ronnie Chapman and they have two children - a grown daughter, who has a three month old baby boy, and a ten year old son who attends school in Haskell. The Chapman's live on their family farm between Haskell and Throckmorton. It's the same farm that Mr. Chapman's father grew up on.

Her hobbies include reading, riding horses, embroidering and playing the piano.

This year Mrs. Chapman has seventeen students in her homeroom class but teaches Social Studies to a total of sixty-two fifth and sixth grade students. "Everyday is unpredictable and you really have to be flexible - you never know when you might have to change up from day to day," she explains.

"When I first started teaching the teachers weren't even allowed to wear slacks to work - we had to wear skirts or dresses. When we were finally allowed to wear slacks they had to be a part of a pants suit. Most of them were made of polyester. That's just a few of the little changes I've seen take place," she adds with a smile.

Mrs. Chapman thinks that one of the biggest changes that has taken place during her tenure has been in the area of discipline. "It's harder now, it seems as if the parents don't back the teachers as much as they used to."

"Another change I've seen is that the students in the fifth and sixth grade are much more mature than they were twenty years ago. When I first started teaching they were children, now they're much more grown up," she says.

Mrs. Chapman is dedicated to her profession and to the children. She explains, "I strive to teach these children about the concepts of the working world - it's not all entertainment and you won't be catered to out there. There are priorities that must be met."

The PTO says "thank you" to Mrs. Chapman for her work in preparing our children for productive lives.
