Munday Suffers Third Straight Loss This Year

Moguls Hold the Quanah Indians Scoreless for Two Quarters but lose 14-0

Friday's game pitting the Munday Moguls against the Indians of Quanah, started out with all the fun of a typical Friday night high school football game. Munday won the toss and elected to receive

and on the first possession, Sophomore quarterback Chance Myers in his first start hit Alan Albus for a 19 yard pass and a first down. The Mogul machine appeared to be running on all cylinders as Edward

Sheilds burned the Indians for 13 yards on a reverse to the Quanah 36 and big Brian Urbanczyk powered his way to the 33 before Myers was sacked for a 4 yard loss on 3rd and 7 putting the Moguls

into a punting situation at the Indian 37 yard line. Eric Beaty hit a 33 yarder just perfectly to pin the Indians deep in their end of the field at their own 4.

The Munday defense gave up back to back runs of 11 yards to Marcus Jalamo, the Quanah rushing leader, then stiffened to force the Indians to punt it back to Munday from their own 34. Munday fumbled the return and Quanah got the ball on the Mogul 22 but turned the ball over on downs at the Munday 21. Hats off the Munday defense, they played tough all night long. They held the Indians here and kept the high powered Quanah offense in check for the first two quarters. If the Moguls "D" had shown up for the third quarter and if the officiating squad had seen the blatant clip on the Mogul defender during the Indians touchdown punt return in the 4th quarter, the game might have had a different final score. Defensively, we had a great game. Our coaches did a great scouting job, and for the most part, our defense was ready. Is there room for improvement? Yes, and there always will be as long as there are young men to play the game of football.

good night catching the football, sore shoulder and all, with 7 receptions for 71 yards, and Urbanczyk rushed for 49 yards on 8 carries, excellent averages. Munday athletic director and head football coach Steve Gunter had this to say about the Moguls performance last Friday night.

"I thought our team played real hard, we continue to have minor breakdowns in protection (of the quarterback) and execution offensively. We've got to get more consistency on offense. Defensively we played hard and carried out the game plan well. We eliminated the penalties and turnovers this week. We knew going in that Quanah would be real physical up front, so we tried to keep them off balance by throwing the ball on some downs where they wouldn't be looking for it."

I look for this team to put it all together this week against the Hawley Bearcats. Hawley in district 3AA is 1 and 2 on the season, and will be coming off of a tough loss to the state ranked 1A Baird Bears. According to head coach Steve Gunter we can expect this from the Bearcats.

"Hawley is a much improved football team and they're playing real good offensively right now. They run multiple sets and have good skill people. Their quarterback is a real threat. They have a

Please See "Moguls" Continued on P. 9

WHERE'S THE REF? Munday Mogul #64 Adam Garza takes a direct hit to the face during action with the Quanah Indians last Friday night. Adam is blocking for #44 Brian Urbanczyk. Also pictured is #50 Jeremy Lowe while #51 Justin Key is on the bottom of the pile and #41 Justin King comes in to the right.

One Easy Step - Two Ways To Help Munday

Everyone takes pride in their hometown and wants it to be beautiful during all seasons of the year. And now The Munday Chamber of Commerce is making it easy for citizens to help beautify their community during two seasons of the year in one quick step.

This year when you purchase pansies during the annual fall Pansy Drive you also help with the purchase of new Christmas lights for downtown Munday.

Pansies and kale are being ordered now for delivery in mid-October. The popular Majestic Giants and Red Kale are grown locally at Dillon Greenhouse and combine to add rich color through fall and even into winter in your flower beds and containers. A flat of 18 pansies in 4-inch pots will sell for \$20.00 and 10 6-inch pots of kale sell for \$20.00. All orders must be prepaid and received prior to September 25. And this year proceeds from the fund-raiser will be ear-marked for new Christmas decorations for downtown Munday. That's right - order plants now to beautify your home

and you also help beautify your community during the treasured holiday season!

For more information and to

order your pansies and kale call The Munday Chamber of Commerce and Agriculture at 422-4540.

LAUNCHED AND READY FOR A LANDING. Mogul #12 Chance Myers awaits in the background to make sure that #21 Alan Albus grabs his pass - and he did! Myers hit Albus for a 19 yard gain to open the game for the Moguls.

Methodist Church To Hold Fall Fest In Conjunction With Trade Days

October 8 and 9 is shaping up to be another fun-filled weekend for residents and for those who attend the monthly Trade Days event in downtown Munday.

This month the Chamber of Commerce and Agriculture is seeking out new vendors and activities for the Trade Days weekend. It is hoped that there will be new vendors participating and more fun and different activities for attendees to enjoy.

The First Methodist Church of Munday is gearing up to bring its Fall Fest '99 to the downtown area. For the past several years the Methodist congregation has delighted crowds with their wonderful home cooked goodies, their "Country Store" merchandise, flea market items and other activities during their Fall Fest. This year will be another year of "good things" brought to you by the First United Methodist Church of Munday. Along with these items a beautiful handpieced quilt will be added to the fund-

raising plans. The quilt features a star-burst pattern with a mixture of burgundy and dark green colors. Tickets are on sale from church members for \$1.00 each or 6 for \$5.00. The winner will be announced at 2:00 p.m. on Saturday, October 9.

Fall Fest '99 will be located in the old Cornerstone building in downtown Munday and will be chocked full of fun things to see, buy and taste - don't miss it.

Others in the community are encouraged to bring their garage sale items and hand made crafts to downtown Munday during the Trade Days week end of Friday and Saturday, October 8 and 9. Booths at the Trade Days area are available by calling The Munday Chamber of Commerce and Agriculture at 422-4540 and reserve your space now. The Chamber is offering a special promotional deal for all those who

The couple shopping for a new automobile were startled by the price quoted for a compact car.

"But that's almost the cost of a big car!" they protested.

"Well," shrugged the salesman, "if you want economy, you gotta pay for it."

wag

A reporter asked the centenarian the inevitable, "To what do you attribute your long life?"

"Not sure yet," the old-timer replied, eyes a-twinkle. "I'm still negotiating with a mattress company and two breakfast food firms."

wag

Prosperity is just something you feel, fold, and forward to Washington.

wag

I went to the eye doctor the other day for a check-up. He told me that my eyes were perfect - it's the world that's out of focus.

wag

A small service station's owner watched the town's highest-priced doctor drive in with a flat tire.

"Diagnose it as a collapsed aerostatic perimeter," hissed the owner to his attendant, "and charge him accordingly."

wag

A new patient was quite upset when the doctor's nurse led him to a small curtained cubicle and told him to undress.

"But I only want the doctor to look at an ingrown toenail!" he protested.

"Our rule is that everyone undresses," snapped the nurse as she left him.

"Durn fool rule," grumbled the patient as he complied. "Making me undress just to look at my toe."

"That's nothing," growled a voice from the next cubicle. "I came in to fix the telephone!"

wag

The only thing that gives me more for my money today than it did a year ago is a coin-operated weighing machine.

wag

"My wife worships me!" said my husband to his friend.

"Really?" exclaimed the friend.

"Yeah. She places burnt offerings before me every evening."

wag

(Thanks to my aunt, Louise Anderson of Abilene, for sending in this next "funny.")

Grandmother was surprised by her seven year old grandson one morning. He had made her coffee.

She drank what was the worst cup of coffee in her life.

When she finally finished her coffee made with love, there were three of those little green army men at the bottom of the cup.

She said, "Honey, what are these army men doing in my coffee?"

Her grandson said, "Grandma, It says on TV - 'The best part of waking up is soldiers in your cup!'"

New Officers Elected To Serve FCE Club

Munday FCE Club met September 8 at 1:30 p.m. at the First United Methodist Church Fellowship Hall.

Leona Partridge gave the devotional.

Plans for the Achievement Fair that will be in Benjamin on September 28 were made. All entries are due by 9:00 a.m. in Benjamin. Judging will take place in the afternoon and dinner and awards will be held at 6:00 p.m.

New officers for the new year were elected. They are: President - Margaret Hill, Vice-President - Connie Boone, Secretary/Reporter - Jacqueline Lowrance, Treasurer - Tommie Crawford, Council Delegate - Anita Thigpen, Historian - Jeanette Phillips, and Telephone Chairman - Irene Carmichael.

A motion was passed to change the time of our meeting from 1:30 p.m. to 2:00 p.m. each second Wednesday of the month.

Dues for membership are \$6.00 and are due before the 28th of September. Margaret Hill or Tommie Crawford will take your membership fee and name and address to get it in our new books.

Those present at the meeting were Jacqueline Lowrance, Connie Boone, Leona Partridge, Jeanette Phillips, Irene Carmichael and Margaret Hill.

Knox County Loses Ground On Tax Rebates

Texas Comptroller Carole Keeton Rylander has delivered a total of \$187.7 million in monthly sales tax payments to 1,097 Texas cities and 118 counties, a 3.9 percent increase over the \$180.5 million allocated in September 1998. Year-to-date, payments to cities and counties are running 6.2 percent ahead of last year.

September sales tax rebates include local sales taxes collected in July and reported to the Comptroller in August.

Knox County's rebate was down some 3.81% from the rebate received during the comparable payment in the prior year.

At the last rebate Benjamin received \$197.65 compared to \$195.40 last year at this time and Goree received \$153.34 as compared to \$348.60 during this period last year. Knox City's rebate was down from \$12,051.65 last year to \$10,918.66 this year and

Child and Adult Care Food Program Offered

The Rolling Plains Management Corporation has announced the sponsorship of the Child and Adult Care Food Program. All children enrolled will be offered the same free meals with no physical segregation of, or other discrimination against, any child because of race, color, national origin, sex, age, religion, political belief, or disability. If you believe you have been discriminated against, write immediately to the Secretary of Agriculture, Washington, DC 20250.

Munday saw a slight increase from \$5,501.79 last year to \$6,136.91 this year. The county's total was \$17,406.56 for this rebate period.

The Comptroller's next sales tax allocation will be made on Friday, October 8.

Golf Scramble Nets Fun and Funds For Cancer Society

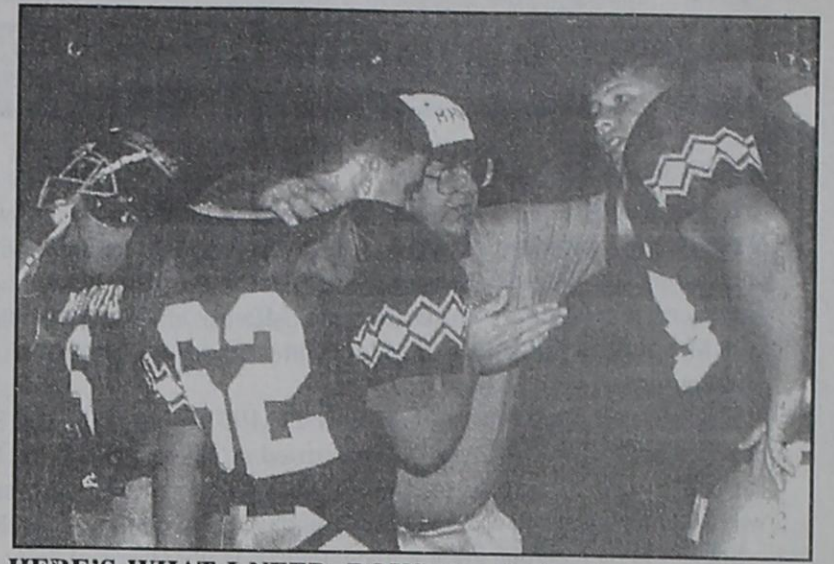

The Knox Unit of the American Cancer Society hosted a Golf Benefit at the Knox City Country Club Course on Saturday, September 18, 1999.

The three person scramble was a big success with fourteen teams entering the fund-raising event. Winning first in the Championship Flight was the team of Gaylon Albus, Todd Austin and Gary Crawford. Second place went to Bill and Betsy Allen and Larry Wadzeck. In the First Flight the team of David Neal, Nathan Neal and Wes Crawford came out on top and second place went to Mat Verhalen, Charles Pack and Betty Starnes.

At the end of the tournament there was a wonderful meal for all to enjoy which culminated with the drawing of the winner's name for the Hand-Made Quilt. The happy winner of the beautiful item was Arleda Decker.

The tournament, along with sponsorships and the raffle tickets, netted a profit of \$1,332.00 for the American Cancer Society.

The Unit thanks all who helped in any way with this Special Event and appreciates your support of the American Cancer Society.

HERE'S WHAT I NEED, BOYS. Coach Bert Leaverton (center) instructs #62 Michael Josselet and #73 Tony Tomlinson on what he expects in the next play. The Moguls had a tough battle with the Quanah Indians last Friday night and will face off with the Hawley Bear Cats this Friday night at Scrogg's Field.

American Red Cross Seeks Blood Donors

The American Red Cross is urging residents of Munday to donate at the upcoming blood drive on Monday, September 27 from 2:00 p.m. to 6:30 p.m. at the Patton Community Center. The summer months pose a concern for the Red Cross due to the traditional decline in blood donations because of school closings and family vacations.

This summer, with its normal high temperatures, has slowed blood donations to a trickle. The heat may cause many potential donors to have concerns about the

donation process. It will not harm a donor as long as certain common sense precautions are taken, such as, increasing fluid intake 24 to 48 hours prior to donating, eating a good meal, and continue to replace fluids for 1 to 2 days following a donation. These are good precautions to use to avoid heat stress altogether.

"The American Red Cross is issuing a plea to first-time and repeat donors to take the time to

Local Obituaries

Russell, Elizabeth

Longtime Munday resident, Elizabeth Russell, passed away Wednesday September 15, 1999 at the age of 97. Graveside services were observed Saturday, September 18, 1999 at Johnson Memorial Cemetery in Munday with the Reverend Randy Gressett officiating and McCauley-Smith Funeral Home in Munday in charge of the arrangements.

Mrs. Russell was born on November 21, 1901 in Roby, Texas. She and Frank Crownover Russell were married on January 21, 1921. Mr. Russell preceded his wife in death on August 9, 1979. Mrs. Russell was a homemaker and a member of Munday's First Baptist Church.

Survivors include one great granddaughter, Holly Harris of Saint Jo, Texas.

Parker, Oscar C.

Funeral services for Oscar C. Parker, a 60 year old Woodson resident will be held on Saturday, September 18, 1999, 10:00 a.m. at Morehart Mortuary. Reverend Jodey Sanders will officiate. Burial will follow in the Woodson Cemetery under the direction of Morehart Mortuary. Mr. Parker died Thursday, September 16, 1999 at his residence.

Oscar C. Parker was born on February 7, 1939 in Merkle, Texas and attended school in Munday. He served in the United States Army from 1957 until 1977, when he retired as a Staff Sergeant. His home base was Fort Hood. After retirement, he moved to Woodson and worked in the Oil Fields. He married Bobbie Walker in Munday, Texas on November 8, 1962. He was a member of the First Baptist Church of Woodson.

Survivors include: his wife, Bobbie Parker of Woodson; one son, Peter Parker of Manhattan, Kansas; one daughter, Pattie Parrott of Denver City, Texas; 5 brothers, Kenneth Parker of Deltona, Florida, Dub Parker of Stanford, Darrell Parker of Knox City, Jerry Parker of Benjamin, Daron Parker of Munday; five sisters, Auta Marion of Knox City, Wanda Bearden of Petersburg, Texas, Peggy Bearden of Crum, Texas, Velta Blackwell of Borger and Dena King of Munday; and five grandchildren.

He was preceded in death by his parents.

The family requests that memorials be made to the Hendrick Hospice Care Unit of Abilene. Memorials may be left at Morehart Mortuary.

Fall Revival At First Baptist Begins Sunday

A Fall revival will take place at First Baptist Church in Munday beginning this Sunday morning, September 26 and taking place each evening through Wednesday, September 29.

Bringing the message at each of the revival meetings will be Dr. James Shields from Abilene. Dr. Shields is highly recognized for his Biblical knowledge and preaching skills. He has been an instructor at both Howard Payne University and Hardin-Simmons University.

Special musical guest will be Bob Berg who is the music director for First Baptist Church in

Band Boosters To Discuss Festivals And Contests

The Band Boosters of The Purple Cloud Band have re-scheduled their meeting from Monday, October 4 to Monday, September 27 due to a scheduling conflict with the Wichita Falls Marching Festival. The meeting will take place at 7:00 p.m. in the Band Hall.

During the meeting the group will be discussing plans for the upcoming marching festivals and contests. Parents should be on hand to learn and assist with the plans.

Stamford. Mr. Berg is a familiar face at First Baptist Church in Munday as he was also the guest musician at last year's revival, along with evangelist Jon Randall.

The Sunday morning service will begin at 11:00 a.m. with the Sunday evening service starting at 6:00 followed by a Baked Potato Feast in fellowship hall. Evening service for the remainder of the week will begin at 7:00. Wednesday evening will be children and youth night with elementary aged children being treated to a chili dog supper at 6:00 and youth enjoying a fellowship after the service with a chili dog supper of their own. Other special activities are being planned for Monday and Tuesday evening as well.

Be sure to be a part of the revival efforts at First Baptist Church in Munday. The community is cordially invited to attend each and every service.

SPEAKING TO THE HUDDLE. First Baptist Church preacher Randy Gressett spoke to the first meeting of the Fellowship of Christian Athletes. Reverend Gressett was a skilled baseball player during high school and played on the college level at Hardin-Simmons.

FELLOWSHIP OF CHRISTIAN ATHLETES. The FCA Club of Munday High School recently reformed and elected officers for the new year. Serving will be Jennifer Carden - Recruiter, Nicole Urbanczyk - Co-Captain, and Lane Murphy - Captain. The local huddle is sponsored by Coach Gene Tuttle.

Fellowship of Christian Athletes Forms at MHS

Approximately twenty students at Munday High School came together for the first meeting of the Fellowship of Christian Athletes for the 1999-2000 school year and it is hoped that more young athletes will join the huddle.

Locally sponsored by Coach Gene Tuttle, FCA has presented to athletes and coaches the Gospel of Jesus Christ for over 40 years and has grown into the largest, small group, youth-oriented ministry in schools across America.

The idea for the club was conceived in 1947 by Don McClanen who envisioned the world of athletes and coaches a mission field. In 1954 the Fellowship of Christian Athletes became a reality.

More than 7,000 FCA Huddles currently meet in about 20 percent of the junior high, high school and colleges in America, involving an estimated 250,000 - 400,000 students. FCA's goal is to have a presence on every school campus in America.

For the duration of the Fellowship the goal has been to present to athletes and coaches, and all whom they influence, the challenge and adventure of receiving Jesus Christ as Savior and Lord, serving Him in their relationships and in the fellowship of the church.

FCA hosts summer athletic Camps that are attended by more than 16,000 coaches and athletes each summer. FCA has offices throughout the nation with the national office based in Kansas City.

This year's FCA officers at Munday High School are Lane Murphy - Captain, Nicole Urbanczyk - Co-Captain, and Jennifer Carden - Recruiter. The Munday Huddle plans to meet twice a month.

Retired School Personnel Schedule Meeting for Month

The Knox County Retired School Personnel will hold their first meeting for the new 1999-2000 year. The meeting will take place at the Knox County Aging Center in Knox City at 2:30 on Tuesday, September 28, 1999. Penny Winchester Kyzer will bring an informative program concerning life after retirement. Please put this date on your calendar and plan now to come.

Officers for the new year are President - Billie R. Walker, 1st Vice President - Ramona Helms, Secretary - Margaret Hill, Treasurer - Nell Sloan.

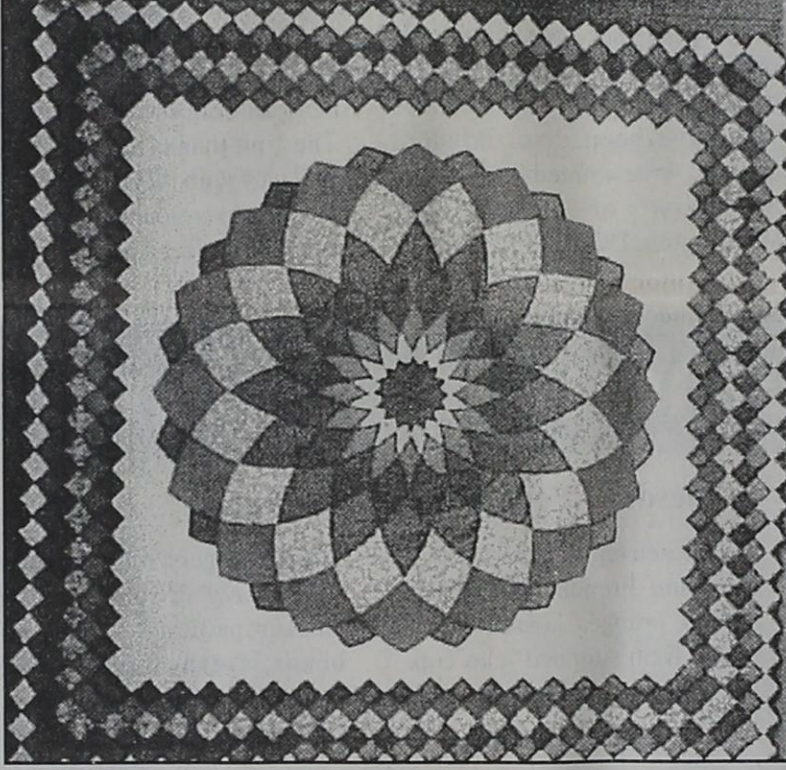

The meeting will be hosted by Cleo Collins, Francis King and Lillian Logan.

Notes From The Munday Nursing Center

By Lois Chilcoat

Dan Offutt led the singing on Sunday the 12th for the afternoon services of The Church of Christ. Dan read some of our favorite verses and spoke on their meaning. Had a nice size audience and very good fellowship. H.B. Graves brought the lesson

on Monday the 13th for the First Baptist Church. Leona Elliott played the piano and Barbara Collins led the singing.

Monday evening we had home made ice cream and visiting. The ice cream was furnished by Dorothy Myers and Joyce Greenwood. Delicious!

The North Texas Home Health group had charge of bingo on Tuesday with Amy Ramirez and Patty Arismendez in charge. Black out was won by Ruth Griffith.

Wednesday we had our September Birthday Party. We have 4 residents and 6 employees with September birthdays and The Gillespie Baptist Church had charge. After singing "Happy Birthday" we had cake and punch which we did enjoy so much. The volunteer ladies were Joyce Walling, Jo Ann Maddox, Dovie Partridge, Lois Phillips and Omanell Warren. Pat Gray and Patsy Blaylock were visitors. JoAnn always allows extra time so she might play the piano for us. We do appreciate her so much.

The Catholic Church ladies had the bingo games Thursday. Volunteers were Annie Smaistrala and Theresa Bruggeman. Blackout was won by James Yarbrough.

Jo Heard brought a good lesson on an old favorite on Friday. Had a good crowd and 1 visitor, Lloyd Heard.

We are indeed saddened at the death of a very good friend of the center - Jack Maddox died Friday morning and the services were Tuesday morning at the First Baptist Church of Knox City and interment at the Gillespie Cemetery. He'd had heart surgery and seemed to be doing fine - it was a surprise to us at the center. Our thoughts and prayers are with JoAnn and her children. We will miss Jack!

Our administrator, Joyce Hardin is on vacation but we understand she's not going anywhere - just staying home to rest. Which is a good vacation for anyone.

Have you seen our flower beds lately? They are so pretty and we enjoy them so! In all our weather, sunshine, clouds, and even when we had the heavy fog the bright colors were so eye catching. Come on over and see how beautiful they are. Thanks again to Billy Redder and son, DeWayne.

Nolan and Ursel Phillips had a visit from Mrs. Barbara Cagle on Saturday, also Glen Phillips - both are from Wichita Falls.

Elizabeth Russell passed away last Wednesday night here at the Center. She had been here several years and will be missed. Graveside services were Saturday.

A gold star goes to Bud Phillips, a resident here who enjoys playing the organ. He has arthritis in his hands but is to be commended for

trying and there's always some of us waiting to hear him. Bud, we do enjoy your playing. Keep it up!

Last Saturday Marguerite Watkins had her son, Thomas and his new wife from Dover, New Hampshire visiting her. They were on their honeymoon.

Bonnie Workman, one of our night nurses and she also plays in "Bonnie's Band" once a month here for the Center, has gone to New Mexico to spend the week end with her aunt who is having 102 year birthday. She was accompanied by her son, Jackie.

We want to welcome a new

Flu And Pneumonia Vaccine Update

By Dr. Barry Embury
It's that time of year again, summer days are drawing to a close and the cool mornings remind us that winter is on its way. Our thoughts turn to Thanksgiving, Christmas, time with family and friends and of course - the dreaded flu and pneumonia season.

In a recent article from the American Academy of Family Physicians (AAFP), Richard Zimmerman, M.D., M.P.H., AAFP's liaison to the Center for Disease Control (CDC) was quoted as saying "We're not talking about a small public health problem; we're talking about a major problem." The Flu virus is very contagious and can be easily passed from person to person that accounts for it causing illness in 10% to 20% of the USA population each year. The Flu virus can cause fever, headache, sore throat, cough, muscle aches and extreme tiredness lasting several days. It can also progress to influenza pneumonia. In addition to causing significant illness, "the flu" can seriously disrupt a person's ability to perform daily activities including home life, work and school activities. Influenza may also be fatal in some people who have other medical problems. In fact, approximately 20,000 to 30,000 people die in this country every year from influenza. In addition, the dollar cost of treating the flu and its problems each year in the USA is staggering.

The viruses that cause the flu continue to change every year causing new outbreaks of the Flu. The shot you received last year only protected you from the type of flu virus that was around then. This constant changing is why the flu vaccine (shot) must be given every year. This year's flu virus requires a new vaccine in order to fight it. Each year's influenza vaccine contains three virus strains that are the likely ones to circulate in the USA in the upcoming winter. The Flu shot is recommended in the fall, mid-September to mid-November. This allows sufficient time for the body to develop the immune response (this can take 2-6 weeks) before the peak flu seasons of late December and early March in the USA. The vaccine may be given up to and even after the flu season has started in our community. In 1993 the reimbursement for the influenza vaccine by Medicare was initiated which has helped to improve the usage of the vaccine.

The flu shot cannot give you influenza! The flu shot reduces the likelihood of developing an infection

resident, Mrs. Lorena Vojkufka from Weinert. She is the mother of Melvin Vojkufka from Weinert.

John Earl Nelson had Judy Leaverton of Knox City to visit this Friday. Also Jim and Mentha Waldron of Seymour visited on Saturday.

Rose Marie Brown visited with her brother, Albert Kuehler on Saturday.

John Earl Nelsons three sisters visited him last Thursday. Charlene Coats of Dallas, Floy Allison of Seymour and Emogene Thompson from Munday. They all went to lunch with other family

in the upcoming season from the virus strains in the vaccine or it will lessen the severity of the disease if it occurs. The flu shot will not guarantee that you will not get the flu; remember the flu shot only protects you from the virus that are expected to be the most severe for that year. After receiving the flu shot, if you develop a respiratory illness it is considered coincidental and not related to the flu shot. Some people who get a flu shot have a sore arm for a day or two which can be relieved with Tylenol or Motrin. If you are allergic to eggs you may have serious side effects from the flu shot, so talk to your doctor before getting the shot.

First timers - that is, some of the people who have never had the flu shot before, may develop fever, extreme tiredness, muscle aches and other general symptoms 6-12 hrs. after the shot. These symptoms tend to last 1-2 days and typically will not occur with the next year's flu shot.

Who should get the flu shot? A new 1999 American Academy of Family Physicians (AAFP) policy encourages family physicians to offer the vaccine to patients at age 50 as a routine annual immunization. As in previous years the flu shot is highly recommended for any person that is over the age of 6 months and who are at high risk because of other medical problems such as cardiovascular (heart) disease, diabetes, lung disease (COPD, emphysema, asthma, bronchitis and previous pneumonia), kidney disease, cancer, alcoholism, HIV and diseases that affect the immune system or other long term diseases. Family members, care givers and people who are in frequent contact (including children) with these high risk people should also consider having the flu shot for their own and the other person's health and safety.

In an effort to protect people at high risk from influenza by exposure from caregivers, the flu shot is recommended for physicians, nurses and other personnel in both hospital and outpatient-care settings (providers of home care) plus volunteers, clergy and frequent visitors in any of these settings. Other people who should receive the flu shot include residents and staff of nursing homes and other chronic-care facilities as well as public safety workers (police, firefighters & EMS).

In fact in generally any healthy person, adult or child, who wishes to reduce the likelihood of becoming ill with influenza may consider receiving the flu shot. Dr. Zimmerman said, "Recent studies have shown that use of the influenza vaccine in healthy adults is safe and cost-effective, re-

members at the home of Gene Thompson - a very good time was had by all.

Johnny Moore, a resident from Goree, is in the Seymour Hospital. We hope he'll soon be back.

The young man, Geoffery Gerrard - 4 years old - played ball and took exercise with us last week and seemed to enjoy it so much and we enjoyed having him. Come back to see us Geoffery.

Please See "Nursing Center"

Continued on P. 9

duces absenteeism and significantly lowers the risk of getting the flu." Pneumonia prevention with a pneumococcal vaccine is also recommended.

The Pneumococcal bacteria (pronounced new-mo-kok-al) can cause pneumonia (infections of the lungs), bacteremia (infections of the blood) and meningitis (infections of the brain). This bacteria causes severe illnesses and unfortunately kills thousands of people in the USA each year. The Pneumonia shot protects against 88% of the different kinds of pneumococcal bacteria which means that it does not stop all bacterial pneumonias from occurring and it has no effect on viral infections. A National Institute of Health study suggests that most cases of pneumococcal pneumonia are prevented by the vaccine.

The pneumococcal vaccine is safe and cannot give you pneumonia! Some people have mild swelling and soreness at the shot site lasting a day or two. In addition about 1% of people may develop a fever, muscle pain and more serious swelling and pain.

Unlike the flu vaccine, the pneumonia vaccine in most people is only needed once and lasts up to 10 years. Some people with certain medical problems may require a booster after 6 years. There is no specific time of year that is recommended for the vaccine but often it is offered during flu vaccine time as both vaccines may be given on the same visit, which has improved its usage. The pneumonia vaccine is also covered by Medicare.

The Center for Disease Control recommends anyone 65 years and older receive the vaccine as they are 2-3 times more likely to get pneumonia. Some experts suggest receiving the vaccine between the ages of 50 and 65, as it may result in better responses. The vaccine is also recommended for anyone over the age of 2 who has heart or lung disease, diabetes, some cancers, HIV and anyone at high risk for pneumonia.

I hope you have found this article informative and helpful (references available upon request). As a physician and concerned individual, I encourage each of you to consider receiving the flu vaccine and the pneumonia vaccine this year. I and my staff will be available to assist you with any questions and to administer the vaccines if you choose. Please see my ad in this week's paper.

Respectfully,
Dr. Barry Embury

REMEMBER WHEN? This group of young ball players from Munday advanced farther in Little League play offs than any other group from the community. The year was 1959 and the players were (Standing, from left) Manager Omar Cure, Danny Offutt, Tommy Cloud, David Tomlinson, Bill Leflar, Ted Heiskell, Coach Lonnie Offutt, (middle, left) Terry Patterson, Ray Hudson, Joe Alcalá, Bobby Jackson, (front, left) Randy Patterson - bat boy, Joe Lowe, George Oustad and Mike Lane.

Benjamin News

by Gladene Green

NEWS OF OUR ILL

Butch McCanlies, Tom Moorhouse, Ruth Idol and Corrine Parrish are all improving. Ruth is back in the Munday Care Home after several days in the Knox County Hospital. Corrine was able to come home Friday after over a week in Hendricks in Abilene.

She's doing well but will have to take it very easy for quite some time. Butch and Tom are also home and doing better day by day. Tom, after suffering a broken leg, will have several weeks of recuperation. Butch is out and about some after a stay, also in an Abilene hospital.

Imagean Young underwent some surgery today (Monday) in Bethania in Wichita Falls. She's doing great and maybe an overnite stay is all that will be required. She will have to be away from her office as J.P. - Precinct 2 - for several weeks, though.

Ruth Ressel is a patient in the Knox County Hospital. She was admitted Sunday and maybe her stay there will be a short one. Please continue to pray for all these friends.

SYMPATHY EXTENDED

I send my sincere sympathy to the family of Jack Maddox who passed away on Friday. Also to Jerry and Linda Parker and family. Jerry's brother passed away last week. His funeral was Saturday. He resided in Woodson.

VOLLEYBALL NEWS

It was victory once again last Tuesday when the Lady Stangs hosted the Rotan team. The local team had very little trouble in taking the first two games in only a few minutes. The Lady Stangs remain undefeated for the season.

HERE 'N THERE

Sharon Johnson was in Lubbock during the week-end.

The school kids took advantage of "school day" at the West Texas Fair in Abilene Wednesday. All I've heard say anything about it said it was good and that they all had a good time.

Recent guests of her parents, Jack and Judie Whitten, was Christi Rosa and little daughter, Kate, of Mill Creek, Oklahoma.

Reba Morrill of Humble is here

PURPLE PROUD. Assistant Band Director Marilyn Bennett proudly gazes over Scrogg's Field last Friday evening prior to the game. Mrs. Bennett enthusiastically helps direct the spirited songs and marching performances of The Purple Cloud Band.

for a few days visit with her mom, Odessa Cox, and her father in law, Don Morrill, and with friends.

Joy and Charles Jones attended the fair in Abilene Friday.

Saturday guests of his parents, Gary and JoAnn Hamilton was Jeremy Hamilton and his fiancée, Barbara Ahearn of Sweetwater.

Brenda Larned and Julie spent the week end with her parents in Wellington.

Jeff Conner and children, Cheyenne and Cayden of Lubbock, spent the week end with his mom, Judy.

Pete Feemster of Amarillo visited Corrine and George Parrish on Monday.

Joy Yancey of Lakeside City

visited her sister, Jane Gideon Sunday and also her brother, Joe Nunley in the Brazos Valley Care Home.

Bobby Hudson and Jonnie Williams attended the funeral of her cousin, Mary Lou Jackson Avery in Pueblo, Colorado on Saturday. Mary Lou was the daughter of Jess and Effie Jackson and lived and went to school here in her younger days. Bobby and Jonnie also visited Aldine Ward while in Pueblo and reported her to be doing well.

Minding Your Own Business

With Don Taylor, co-author of Up Against the Wal-Marts

Words of Wisdom XXII from a Master Motivator

I've never met Zig Ziglar, but I hope to someday. Like tens of thousands of other people, his thoughts and words have affected my life.

I've read his book, "See You at the Top" numerous times. I've listened to several of his tapes repeatedly. His thoughts on goal setting, selling and personal success have helped me grow my career and become more successful.

I was excited when I received another book by Zig Ziglar as a gift. It is titled, "Zig Ziglar's Little Instruction Book." It is a delightful read and, like many of his previous works, it is filled with useful wisdom.

I'm not sure I can capture the essence of the book in this column, but I'll at least try to give you a glimpse of some of the key concepts. For me, Ziglar has always pointed the way toward serving God, developing a positive attitude and making the best of every situation you find yourself in.

Here are a few of the nuggets I found in Zig Ziglar's Little Instruction Book. I hope you enjoy them enough to get a copy of the book yourself.

Classic Ziglar

- Where you start is not as important as where you finish.
- It is not what happens to you that determines how far you go in life; it is what you do with what happens to you.
- We deplete nature's natural resources by using them up. We deplete man's natural resources by failing to use them.
- The Success Family has work as the father and integrity as the mother.
- Don't wait until you feel like taking a positive action. Take the action and then you will feel like doing it.
- Everyone gets twenty-four hours a day - sixty min-

utes for every hour and sixty seconds for every minute. No one can get any more; no one can get less. In this sense, everyone is truly equal. Now this one fact alone makes time the most precious of all commodities. This factor forces us to an inescapable conclusion: We've got to make our time work for us - it's the most perishable and nonnegotiable possession we have.

- The price of success is much lower than the price of failure.
- There is little you can learn from doing nothing.
- When you choose to be pleasant and positive in the way you treat others, you have also chosen, in most cases, how you are going to be treated by others.
- Motivation fuels that attitude that builds the confidence necessary to sustain the persistence.
- Check the records. There has never been an undisciplined person who was a champion. Regardless of the field of endeavor, you'll find this to be true.

At the top...

At the end of this little book, Ziglar closes with thirteen thoughts that will tell you when you're at the top. I'll share three of these little gems with you in closing this column.

You are at the top when...

- You've made friends with the past, are focused on the present, and optimistic about your future.
- You know that success doesn't make you and failure doesn't break you.
- You clearly understand that failure is an event, not a person; that yesterday ended last night, and today is your brand new day.

Don Taylor is the co-author of Up Against the Wal-Marts. You may write to him in care of Minding Your Own Business, PO Box 67, Amarillo, TX 79105.

GRAND OPENING. Carol Cottingham (left) and owner Delores Stewart (right) hold the ribbon while owner Mendie Hendrix (center) cuts the ribbon to officially open "Shake and Bake" in downtown Munday. Looking on are little Taylor Marck and (back) Chamber Directors Homer Lowrance and Tammy Fetsch along with customers Tommy Crawford, Carla Key, Chystella Raynes, Misti Fronterhouse and Glenna Shahan.

Knox County Hospital District Plans Health Fair

There seems to be quite a concern over being prepared for Y-2K as we approach the year 2000. Not the staff and employees of the Knox County Hospital District. Not only are they Y-2K ready, they are Y-4H ready. No your eyes are not playing tricks on you, they are serious about the Y-4H (Year For Health). Y-4H is the theme for the 1999 annual Health Fair to be held Saturday, October 9, on the front lawn of the hospital from 9:30 until noon.

Among the features this year will be free blood pressure checks, free cholesterol screening, free glucose levels, free child finger printing, blood drive, free tee shirts to be given away in drawing, and memberships for wellness program along with many other extras. The Hospital Auxiliary, aka "Pink Ladies", will provide refreshments and register everyone for the drawings to be given away. As in

prior years, we will also be offering Flu Shots for \$5.00 payable at time of service for all non-Medicare patients. Medicare patients need to bring their Medicare card. First Flight Air Ambulance will be landing on the new hospital Helipad. Again this year we will be performing the bone density scan testing which is of no charge to the patient. The purpose of this test is early detection of possible bone loss and osteoporosis. The test is completely painless, and is conducted on adults over the age of 30, and results are tabulated instantly. As well as the above mentioned, there will be healthcare providers from all around the community and county. The two newest additions to this year's Health Fair will be the American Red Cross Disaster Relief Team and the American Red Cross BloodMobile. There

will be a blood drive in the American Red Cross Bus in front of the hospital. Blood supplies are at an all time critical low, and they are pleading for donors. Please remember when you decide on whether to donate or not that the blood you donate could possible be the blood that they use to save your child, grandchild, wife, husband, or yourself in a crisis.

'Year For Health' (Y-4H) is the perfect time to sign up for "Wellness." Our Wellness Center is always a climate-controlled atmosphere with the latest in treadmills, exercise bicycles, rowing machines, stair steppers as well as a complete set of weights. What better time to lose weight, get in shape, control stress, and stay healthy than with exercise? During this years Health Fair you will be able to take advantage of signing up at a tremendous savings. Enrollment fees for paid memberships during the Health Fair are as follows: One month - \$15.00 (regular \$20.00); two months - \$28.00 (regular \$35.00); Three months - \$40.00 (regular \$50.00); Six months - \$75.00 (regular \$90.00).

Mark your calendar today and plan to attend Y-4H on October 9. Lots of quality fun for the entire family. In the event of inclement weather we will set up inside the hospital. Come rain or shine, it's Y-4H time. For further information please contact Teresa Murray (940) 658 - 3535.

 Ticket Booth**

Moguls

good receiver in Johnny Latrell. We'll have to do a good job containing the quarter back and not let him get loose for some big plays. Offensively, nobody has run well against Hawley, and we'll have to have some big plays in the passing game to win this one."

Game time is 8:00pm at Scruggs field in Munday. Prayer will be at the vacant lot across the street from the ticket booth at 7:30. Be there and let's have some fun.

Red Cross

give blood in order to ensure that there is enough blood available for the people who need it," said Brenda Smith, Red Cross blood drive coordinator. "The blood we receive will help people who depend on Red Cross every day for life-saving transfusions."

The need for blood by patients being treated for accidents, routine surgeries, and serious diseases, such as cancer, heart disease, and hemophilia, is ongoing. Thousands of people rely on the generosity of blood donors daily. To donate blood, one must be healthy, at least 17 years old, and weigh 110 pounds or more. Hope to see you there!

The key to the big city may cost you a bundle

The glamour and glitter from the big city merchants with promises of your own 'Key To The City' may come with a lot of pitfalls.

First of all, every time you shop out of town you help pay someone else's taxes, support their schools and help them build new streets and facilities while you neglect your own. Part of every dollar you spend goes to support their city.

You also spend your valuable time driving, use expensive gas getting there and deal with people you don't know and will never see again.

Your local merchants, in most cases, provide you the same selection at competitive prices and they will be right there in your community if there should be any problem with the goods or services. By shopping at home you already have the key to the city - YOUR CITY.
