Volume XXVI

Munday, Texas, Thursday, November 27, 1930.

Number 32,33

## J. T. Wells, Turkey, Winner In Old Fiddlers' Contest

With twenty entries from all sections of Texas, the ninth annual old fiddlers' contest held here on Saturday night was by far the largest, both in the number of entries and in the matter of attendance, in the history of the contest, and J. T. Wells of Turkey, who has provided some keen competition here in past years, took away first prize, with second and third places going to E. E. Glenn of Throckmorton and Elmo Morrow of Munday, respectively.

A number of the entries were really oldtimers, and the dexterity with which they shoved a bow was evidence that a number of them had been real fiddlers in years gone by. The competition was keen and the judges had no small task in selecting the winners from this large array of contestants.

We publish below a list of the entries together with the number they played in the competition:

C. A. Ward, Weimert, Arkansas Traveler, Kansas Ranger, and Big Bear.

E. C. Westmoreland, Rule, Turkey in the Straw, Rag Time Annie and Devil's Dream.

Noah Tinker, Munday, Dusty Miller, Sallie Goodin and Pretty Polly Ann.

W. O. Homsley, Poolville, Texas, Monterey, Tom Brown, Soldier's Joy.

J. M. Hughes, Forney, Texas, Ragtime Annie, Billie in the Low Ground, Wagner.

W. E. Glenn, Throckmorton, Sallie Goodin, Gray Eagle Flats, Lost Indian.

S. G. Goodlow, Poolville, Texas, Sallie Johnson, Chicken Reel, Ragtime Annie.

E. E. Glenn, Throckmorton, Texas, Dore Gene, Arkansas Traveler, Henry Ford.

De Emery, Handley, Texas, Indian Woodchuck, Snowbird in the Ashland, Paddy on the Turnpike.

J. L. Wells, Turkey, Texas, Alexander, Home-brew Rag, Ragtime Annie.

P. P. Homsley, Poolville, Texas, Under the Double Eagle, Apple Blossoms, Ragtime Annie.

Joe Morrow, Munday, Dore Gene, Gray Eagle and Sallie Goodin.

M. L. Jacobs, Munday, Sallie Johnson, Forked Devil and Munday Texas.

Joe Gatlin, Weatherford, Texas, Soldier's Joy, Arkansas Traveler, Sallie Johnson.

J. T. Wells, Sr., Turkey, Texas, Sallie Johnson, Durango Hornpipe, Indian Love Call.

Caz Lansford, Jr., Munday, Down Yonder, Tapping of Keg, Chicken Reel.

Jack Propps, Gilliland, Texas, Wagner, Tom and Jerry, Moonshine.

Elmo Morrow, Munday, Gray Eagle, Tom and Jerry, Sallie Goodin.

Pump Brown, Anson, Texas, Wagner, Turkey in the Straw, Arkansas Traveler.

## "Check and Double Check" Feature at The Roxy Theatre

It takes a human character of genuine greatness to become the hero of every small boy and girl in America. Few entertainers in history have achieved such homage; it remained for Charley Chaplin, the senior Douglas Fairbanks, and relatively a handful of others on stage and screen to one-time capture the heart and fancy of young America.

But, today, a team of two men stands foremost in all the history of show ages as the idols of youthful hearts everywhere. The despairing cry of older folks and theatre managers that children are no longer interested in the movies is destined to grow faint.

Amos 'n' Andy, heroes to youngsters everywhere, the two greatest delineators of negro characterizations ever known, are to appear in their first all-talking motion picture, a Radio Picture production entitled "Check and Double Check."

It comes to the Roxy theatre on Saturday, November 29th, and on Monday and Tuesday, December 1 and 2, and, it is believed, will be the most joyous entertainment offering ever concocted for either grownups or the youngsters who have been complaining that the "talkies" mean nothing to them.

Endeared to millions of listeners, and especially to boys and girls, by their unmatched radio sketches, true, honest characterizations of kindly and humorous negro folk Amos 'n' Andy have been brought to life in "Check and Double Check." They will now be seen as well as heard in a comedy of the people and things that have made them and their celebrated Fresh Air Taxiab international heroes.

Listeners who might have followed the boys and their friends, the Kingfish, Lightnin' Madam Queen, Ruby Taylor, the comic members of the Mystic Knights of the Sea, and the grooming travels of the Fresh Air Taxiab, incorporated, will now see them in action, infused with the life and color of a more dramatic and humorous story than has ever come out of the air through millions of loud-speakers.

"Check and Double Check" also contains a stirring story of white folks' drama, played by such screen stars as Irene Rich, Sue Carol, Charles Morton and Ralf Harold.

But above everything it is a show forward by Amos 'n' Andy, and Director Melville Brown, whose skill produced many of Chaplin's greatest successes, has seen that it remained that.

## Leavell Brothers Cancel Date For Appearance Here

Leavell Bros. Tent Theatre, which was scheduled to be in Munday on Thursday, Friday and Saturday of this week, has been forced to cancel its engagement here due to the fact that their new tent has not yet arrived, and instead of coming to Munday the show is in the theatre building at Weimert for the last three days of this week and will be in Goree for the first three days of next week at the Pastime Theatre.

Miss Christine Chapman of T. W. C., Fort Worth, spent Thanksgiving with her parents, Mr. and Mrs. W. H. Chapman.

Mr. and Mrs. W. S. Diekmann went to Abilene to spend Thanksgiving there with their daughter.

The Theatrical Players met Nov. 20, in a short business meeting. We were glad to have Miss Caughran join our club, and we will have several others to try out in the next meeting.

A committee was appointed to arrange for a social. The committee consists of Dolly Nix, Christine Clewley and Morrison Harber.

The Juniors had an enjoyable time at the box-supper November 24, 1930. We surely are glad that everyone took part in it. The boys appreciate the work of the girls in preparing the boxes.

The Juniors are glad to have Lillian Verhalen and Arnold Land with us again. Both have been absent since the first week of school.

Mrs. Leon Partridge presented a new mirror to replace the old one which met a terrible fate last week. Each of the Juniors thank Mrs. Partridge.

The Sophomores were well represented at the box supper. Every one reported an enjoyable time; even the girls who did not carry boxes. They managed somehow to get something to eat.

The Sophomores are glad to report that they have a new class mate, Anton Jungman.

Mr. and Mrs. Ann Ladd of Wichita Falls were guests Thanksgiving of her mother, Mrs. Geo. Thompson.

## Rev. Cunningham Will Fill Pulpit Here Sunday Eve.

There will be a visiting minister at the Presbyterian church next Sunday evening, Rev. T. M. Cunningham of the North Fort Worth Presbyterian church. He will preach in Rule at 11:00 a. m. and here at 7:00 p. m. The Rev. Mr. Cunningham is worthy of a good congregation. He has not only had several years of experience in the ministry, but has also taken several years of post-graduate work in Boston, Mass., and in Richmond, Va. In Boston he took voice in one of the best conservatories of America. In Richmond he specialized in Religious Education. It is hoped that there will be a goodly number of visitors to hear him sing and preach.

The local pastor, the Rev. C. A. Tucker, will preach in the North Fort Worth church next Sunday, of which he was formerly a member.

Mr. and Mrs. Clyde Nelson and children of Wichita Falls are here this week guests of relatives and greeting their many friends.

## Sunset School News

Mr. Griffin, rural school supervisor, was a welcome guest at our school last week.

The sub-floor has been laid in the school building, and half of the brick work has been completed.

The high school teachers feel a decided improvement in the spirit of study throughout their departments.

Several weeks ago the school decided to have supper at each of the schools. The proceeds will be used to purchase athletic equipment.

Two box suppers have already been given and have been well attended. A pie supper will be given at the Jungram school building Nov. 28.

An interesting Thanksgiving program will be rendered. The public is cordially invited. On December 5 a box supper will be given at Prairie View.

Mrs. Bowman, who has been in the Stamford Sanitarium for some time, has been carried to her home at Seymour. She stood the trip fine and her friends will be glad to know that she is still improving nicely.

## Men's S. S. Class Is Host to Ladies At M. E. Church

A goodly number of members of the Methodist church attended the prayer meeting service at the Methodist church on Wednesday evening, and following a very interesting service the audience retired to the basement of the church, where, with D. T. Mauldin in charge, the men's class of the Sunday school entertained the ladies. Several amusing and interesting guessing contests were staged and a number of the ladies were called upon to whistle solos in view of the fact that they were the best guessers. Several interesting numbers on the entertainment program, at the conclusion of which the men served pie and coffee to those present.

As the concluding event of the evening Mr. Mauldin escorted the new pastor, the Rev. W. C. Howell, to an adjoining room, where groceries of various kinds were heaped high upon a table, and for which the Rev. Howell expressed his sincere thanks and appreciation.

## Pastor Pounded At the Mid-Week Prayer Services

Well, hello folks! Top of the morning to you, I am the new preacher come to town. Glad to meet you? Well I should say I am. The people known as Methodists are of the old line, as evidenced last Wednesday evening.

Such a prayer meeting I never saw. Brother W. D. Ford was the leader. The program was well carried out in the presence of about one hundred people. And then after the program we were invited to the basement where pie and coffee was served by the men of the church along with a well arranged social program.

And then came the time honored and ancient pounding of the pastor and wife, and it was of the true and ancient kind. It was a happy occasion for all present and every one left feeling good and well prepared for the coming "Thanksgiving Day".

May it be a happy day for every home of Munday town. And let all go to church Sunday as a further evidence of our thankfulness. And do not forget that another big program awaits you next Wednesday evening at the Methodist church. Come.

W. C. Howell, Pastor.

## Fire Losses Less In Texas for Year

City Marshal Walter Bevers has received a letter from J. W. DeWeese, State Fire Insurance Commissioner, advising him that the fire losses over the entire State of Texas for the first ten months of 1930 are approximately one million dollars less than they were for the first ten months of 1929, and Mr. DeWeese is pleading for a close cooperation of the citizens and the fire marshals of the towns of Texas in keeping up this good record, as it will react to the interest of the people to keep the fire losses down, as insurance rates are based upon the losses. He is especially anxious to keep the fire losses down to a minimum during the remaining part of the year.

Dr. and Mrs. Wm. P. Farrington, Mrs. E. H. Neff and daughter, Lucille, left Wednesday morning for Austin, where they will spend Thanksgiving with Charles and Nolley Farrington. Charles is attending the Medical school at Galveston, but will go to Austin for Thanksgiving.

Mr. and Mrs. Ann Ladd of Wichita Falls were guests Thanksgiving of her mother, Mrs. Geo. Thompson.

The Juniors had an enjoyable time at the box-supper November 24, 1930. We surely are glad that everyone took part in it. The boys appreciate the work of the girls in preparing the boxes.

## Miller Creek Man Takes Own Life Monday Morning

J. M. Murray, residing in the Miller Creek community, died in the Baylor County Hospital at Seymour Monday afternoon from the effects of gun shot wounds, which he stated to hospital attendants before he died were self-inflicted. Poor health and financial difficulties are said to have caused him to become despondent and were responsible for his act.

The act was committed at the gate leading into the Swenson ranch while Mr. Murray and a son were enroute to Throckmorton. Mr. Murray had gotten out of the car with his gun in hand to open a gate. After opening the gate to allow the car to drive into the ranch he walked a distance from the gate and fired a shot into his stomach.

Medical aid was summoned from Goree as soon as his son could reach a telephone and the wounded man was rushed to the hospital at Seymour, where he died some hours later.

Mr. Murray came to this section some fifteen years ago from Grayson county, and was held in high esteem by his neighbors. He leaves a wife and seven children.

Mr. and Mrs. C. R. Elliott of Benjamin were dinner guests on Thanksgiving of Mr. and Mrs. T. G. Denge.

## RHINELAND HAPPENINGS

On Thursday of last week Miss Grace Nelson met with the girls in the school auditorium for the purpose of reorganizing the 4-H club. The following officers were elected for the ensuing year: Ransom Lee, Moore, president; Helen Garrison, vice-president; Monica Loran, secretary; Mary Garrison, yell leader; Illida Steinhach, Reporter.

The club meets with Miss Nelson every first and third Thursday of the month. —Club Reporter

This community regrets the loss of the residence of Mr. J. N. Albus, which was destroyed by fire on Thursday of last week. The fire is said to have started upstairs and was not noticed before it had made a progress too great to be extinguished. The home was completely destroyed.

The annual banquet given for the members of the church choir was held in the school auditorium on last Thursday evening. Everyone report a good time and a bountiful feast.

It seems as if the visitors for Thanksgiving are already arriving. Misses Beatrice Herring and Rose Decker are visitors here from Wichita Falls.

Rev. Herman Redder and his mother, Mrs. Victor Redder Sr., of Henrietta, Texas, are here and will remain for the celebration on Thanksgiving.

Although the work on the new church has been progressing nicely, and the men are now working night and day, we must state that it will be impossible for the structure to be completed by Thanksgiving as expected. This is due to the fact that certain things that were needed failed to arrive. However, the laying of the cornerstone will take place, but services will be held in the old church building on this day.

School Notes  
Here we are, back to classes, but what is worse we are having exams Tuesday and Wednesday.

A grand battle is raging between the classes, for the school is again selling magazines for the Curtis Publishing Company. We are working for a radio for the school, and to win this, we must sell over sixty magazines. The student body was divided into two teams. The Seniors and the Freshmen are the red side and are working against the Juniors and the Sophomores, who are the blue side. Much enthusiasm has been created by the race, and both sides are striving to win. The student body and the faculty will appreciate the help of the citizens of Munday very much, for a radio will be both entertaining and educational.

The student body was entertained by the Seniors last Friday. The most interesting feature of the program was a debate on the question, "Resolved, That double-mint chewing gum retains its flavor over night." The audience was left to be its own judges, and we are certain that everyone saw the value of the debate.

Thanksgiving is almost here with its turkeys, pies, cakes, and holidays. Vincent Lane says he will be thankful for the holidays, and eats.

**GILB'S GAB**

Last Friday the Moguls were defeated by the Crowell Wildcats. The score was 20-7. This was the most points that had been made off the Moguls this year. The Moguls are the only class B team that has scored on the Wildcats. The game they played on Scruggs Field was

won by the Moguls with a score of 6-0. Owing to the fact some of the Moguls were injured, and that Hubert was unable to play, it appeared that it's team, are rather evenly matched.

This game ended the Mogul schedule for the season of 1930. Taking everything into consideration, it was a sad affair. It was Mr. Palmer's last time to send this team into battle. Several of the Moguls have been coached by Mr. Palmer for three years, and two have had this privilege for four years. It was Captain Pruitt's last time to direct the plays of the team. It was the last chance that Aristotle Thompson, Mildred Allison, Rex Holder, Hubert Isbell, Burl Williams, Nolan Phillips, John R. Rayburn, Gilbert Myers and Captain Paul Pruitt had to fight for the M. H. S. purple and gold.

**Second Team Defeats Bomarton 7-4**

The Mogul's second team met Bomarton high last Thursday for the second time this season. The Bomarton team was much heavier than the Moguls, but this was made up for by the swiftness of the Moguls. Dick Rayburn made some thrilling runs in returning punts. Dick, like the remainder of the team mates, is little but loud.

give you a thrill that comes once in a life time. Why, Harold Lloyd would not have a chance if he had to compete with the two comedians in this play.

Fellow readers, you have noticed that the Seniors very rarely ever say anything serious in their write-ups, but this week has made us think. We have been thinking of the year when we were Freshmen and Preacher White was captain of the Moguls. Can you not remember when Paul Pruitt made his first touchdown? Do you recall, classmates, how we used to get out on the field and every time Paul made one of those sensational runs we would say, "Baby! What will he be when he is a Senior?" And what was he? The same is true of Gilbert Myers. Gilbert—the player that always smiles—has been a perfect president. We used to think that it would be grand to graduate, but when we realized that our boys had played their last game in M. H. S. we realized it was not so thrilling, for it brought the naked truths home to us about it all. At any rate, we appreciate our Moguls.

—MHS—  
**JUNIORS**

That we are always ahead of others is proved by the fact that the Juniors and Sophomores are ahead of the Seniors and Freshmen in the contest of magazine selling. We were ahead of them last Thursday and stayed ahead Friday; furthermore, we intend to stay ahead. Just watch for the outcome of this contest, and see if the Juniors and the Sophomores, who wear the true blue color, do not win this. We are true to the school and our class, and so we want to help get a radio for use in school by selling these magazines.

All of the Juniors are looking forward to enjoying the Thanksgiving holidays. It is only hoped that we do not eat enough Thanksgiving dinner to make us ill, because we all want to be in our places the next day of school. We are trying very hard to beat in the attendance record contest, so, for the sake of your class, Juniors, please do not be absent or tardy.

—MHS—  
**SOPHOMORES**

Just between the acts of studying for examination and thinking of the Thanksgiving holidays, we are going to give a little of the Sophomore spirit in words.

Since the Sophomores are leading in the contest of tardies we have a strong and sure feeling that we are going to win. The Freshmen have been very kind to the Sophomores this year, and just to show we appreciate it we are going to dedicate a poem to you.

Life is real, life is earnest,  
Let us strive to do our best,  
And departing leave behind us  
Notebooks that will help the rest.

We sincerely hope that our beloved teachers will not be offended if a joke appears in the paper using their name.

Miss Kendall: "Have you done any outside reading?"

James Gaither: "No Ma'am, it's been too cold to read outside".  
Mr. Hardgrege: "Why are you late?"  
Weldon Warren: "Er—Well, class started before I got here."  
Eunice: "I am very fond of honey."  
Don: "Who is 'Honey'?"

—MHS—  
**FRESHMEN**

Whoopie! This year we Freshmen have been going around '30 in the right way, and as '31 is almost here we are going to be as full of vim, vigor and vitality as ever. The spirit of work is still calling to us, but we are still able to answer with profitable grades. It is still very reasonable to expect at a future date to see the Freshmen class shine in our later glory.

We Freshmen are striving for good grades again this six weeks. What are we looking forward to? It is those mid-term exams which will be a few weeks after Christmas. They will tell the news to us. We enjoyed our debate, Seniors, for your subject was very informative and beneficial.

What would the football team have done without our Freshmen boys this year? Boys, you helped make a wonderful team. Moguls, we wish to say to you that you have worked faithfully, and that you have done your duty for our school. We are hoping that we will have a good basketball team as we did football team.

—MHS—  
**GRAMMAR SCHOOL NOTES**

Some of the third grade children, assisted by the Junior Choral Club, entertained the P. T. A. at their regular meeting November 22. Mrs. Palmer's room won the picture for having the most mothers present. The seventh grade had made an urgent appeal to parents to come to P. T. A., and ranked third in the contest.

Maxine Lane has recently been selected as Grammar School Librarian, and Jonel Williams as the assistant librarian. A number of new books and magazines have arrived, and there have been improvements made in the library fixtures.

The Munday Grammar School students gave the second team Moguls loyal support Thursday in their game with Bomarton.

The seventh grade English club is going to give a Thanksgiving play November 26. We are hoping to see some of our mothers present.

**BIGGER AND BETTER**

**THE NEW CHEVROLET SIX HAS MANY IMPROVEMENTS**

The introduction of the new Chevrolet Six marks the most impressive forward step in Chevrolet's twenty-year record of constant progress and improvement. For this Bigger and Better Six offers new beauty, new luxury, new completeness and new quality—yet it sells at lower prices!

In every curve and sweep of Chevrolet's modern lines—in every detail of its new Fisher bodies, you will see the fine hand of the master designer and the skillful craftsman. And the more closely you inspect it, the more deeply impressed you will be.

The improvements in the new Chevrolet Six begin at the smart new chrome-plated headlamps and extend throughout the entire car. The radiator is deeper. The lines are longer and lower, giving an air of exceptional fleetness and grace. And the interiors of the new Fisher bodies provide a new degree of comfort and luxury: greater roominess; fine quality mohair or broadcloth upholstery; more pleasing interior fittings; and a new, completely equipped instrument panel.

The chassis of the new Chevrolet Six has also been refined and advanced in a number of different ways. The frame is heavier, deeper and stronger than before. There is a smoother operating, long lived clutch; a sturdier front axle; an entirely new steering mechanism; an easier shifting transmission. In fact, every vital feature of the new car has been made better to provide more thorough satisfaction for the owner.

And along with these improvements, Chevrolet offers the smooth performance of a 50-horsepower, six-cylinder motor—four long semi-elliptic springs—four hydraulic shock absorbers—a safety gasoline tank at the rear of the car—and an economy of operation not surpassed by any automobile.

### Ford Shows Faith in Future by World Wide Construction Program

Top—The Ford plant at Edgewater, N. J., opposite New York City. Center—The new plant at Long Beach, Cal. Bottom—A model of the plant being built at Dagenham, England.

The Ford Motor Company's faith in the future of business, and especially in the future of its automobile, is evidenced by the fact that it is spending more than \$100,000,000 for new plants and improvements in the United States and in foreign branches and associated companies.

The company has nine new plants under way throughout the world, while plans are being formulated for several others not yet announced. Whenever possible the new plants are being erected on sites accessible to both rail and motor transportation so that, with some form of transportation supply existing on the site, substantial savings will be effected.

Five of the new plants are in the United States, as follows:

**Long Beach, California**—This plant, recently completed by seven Southern California, has a capacity of 400 cars a day. Operating at capacity it employs 2,000 men.

**Edgewater, New Jersey**—The Edgewater plant, one of the company's largest assembly branches, has just been completed to serve New York City and surrounding territory. It has a capacity of 600 cars a day and employs 3,000 men.

**Richmond, California**—Work was started recently on a plant at Richmond, to be completed next year. It will have a capacity of 400 cars a day and will employ 2,000 men. It will supply cars to the San Francisco area.

**Tulsa, New York**—This plant will have a capacity of 100 cars a day and will employ 500 men.

**Seattle, Washington**—A site has been acquired and plans for a plant are being drawn.

A new manufacturing plant being erected at Dagenham, England, eighteen miles from London, to replace the present works at Manchester, will be completed next year. It will be the largest automobile factory in the world outside the United States. Its capacity will be 200,000 cars a year.

An assembly and manufacturing plant is being built at Cologne, an assembly plant at Antwerp, and a service plant at Stockholm. Two branches—one at Perth, Australia, and one at Port Elizabeth, South Africa—were completed.

In addition the Ford Motor Company is spending several million dollars to increase the power capacity of its huge plant at Dearborn, Mich., and several million more to miscellaneous improvements.

#### PEACE

The mourning widow of a former settlement to be checked on the foundation of her husband's work. The exact wording of the will follows:

"They are at rest, until we meet again."

#### "The Lay of the Hen" To Be Put On By V. A. Class

The vocational department of the High school, on the night of December 4th, is putting on a poultry play, "The Lay of the Hen." This is an educational play full of wit and humor, has played here before, but I am sure that those having seen it will be sure to see it over again. Never before in the history of farming has there been more need for poultry on the farm than at the present time. I don't mean by this just a bunch of old hens, but a few birds that lay eggs. There is considerable difference between hens that lay and ones that lie.

The department is very fortunate in securing the aid of Mr. Fry, poultry specialist from St. Louis, to help them put this play over. Mr. Fry will then spend a couple of days in our community assisting the farmers with their flocks.

At the conclusion of the play series prizes will be presented to those holding lucky numbers. There will be no admission charge.

E. G. Ralls, Vocational Teacher.

#### BRUSHY NEWS

Monday school was well attended Sunday. We were disappointed, as Rev. Hammer failed to come but we hope to have him with us in the near future.

The B. Y. P. U. was invited to Weinst Sunday night to render our Thanksgiving program. We enjoyed being with them. Twenty five of the B. Y. P. U. members were present, also enjoyed the sermon afterwards delivered by Rev. Duff, the Baptist minister.

Several of the people of this community attended the old fiddlers contest Saturday night at Munday.

Tom Nicks of Wichita Falls and J. M. Nicks and family of Munday were visitors in the home of J. E. Soggs Sunday.

Mr. and Mrs. Fred Mullins of Bonarton were week end visitors in the home of Walter Hicks.

The cotton fields are beginning to look brown, as the farmers are nearly through gathering.

#### Robert Peco, who has been "off attending high school, happened to the misfortune of getting crippled in his left foot while playing football and has returned home.

Most farmers who sowed wheat have a good stand and its looking fine. Those who are thru gathering are beginning to prepare their land for terracing.

—Rilly.

D. T. Mauldin was called to Paducah on Monday by a message advising him of the death of an uncle, F. S. Mauldin, 78 years of age, and one of the pioneer citizens of the Paducah country. His death was very sudden, as only a few minutes before his death he was minutely enjoying good health. He is survived by his wife and several children.

Miss Thelma Bevers of Wichita Falls spent Thanksgiving here in the home of her parents, Mr. and Mrs. W. C. Bevers.

E. J. Roberts, Sr., of Fort Worth was here looking after business matters first of the week.

E. B. Tall has gone to Waco to spend Thanksgiving with his family.

#### RHINELAND

well above the average rural schools in the state. He especially complimented the teachers, trustees and patrons for their splendid cooperation in their efforts to build up and maintain a school equal to any rural school in the state. He advises the school to change their system of water supply and give the trustees definite instructions on how to construct a sanitary drinking equipment for schools. He assured us that our school would retain its classification as a standard "A1" rural school. This was good news to us, because we all worked hard to retain our standardization. We feel proud of the rating of our school, and it is our desire to keep on improving, to make the better best.

The school has acquired a large addition to the library and it "knowledge is to be gained by the reading of good books", all the pupils reading these books will be 100 per cent wiser.

Our school will have a holiday on Thanksgiving. In fact, it would be much nicer to have two days instead of one, because most of the pupils will not be in a mood for studying after the day before.

640 acre cotton farm, 16 miles south-east of O'Donnell, Texas, in one mile of 4-teacher school and two gins. All smooth, level land, small lake in pasture, 400 acres in cultivation, one set of improvements. Priced for quick sale at \$18 per acre. You can get \$10 an acre Federal loan on it. The owner of this farm has several other large farms and some other property and is forced to raise some cash quick.

340 acre farm 15 miles south-east of Plainview, 3 1-2 miles of railroad, near school, daily mail, level as a floor, 300 acres in cultivation, no lakes, no Johnson grass, no blue weeds, seven-room house, big barn and plenty of sheds, no better farm on the plains. If sold at once the price is \$37.50 per acre, and it is easily worth \$60.00 per acre. There is a \$5,200 Federal loan, \$5,500 cash will handle it. House has hot and cold water and modern conveniences. This party is forced to sell.

640 acres 25 miles east of Lubbock, 600 acres in cultivation, well improved, 3 miles from railroad town. This is a choice section and can be bought for \$37.50 per acre, with \$3,000 cash and balance as much time as you want. This land is clear.

640 acres 25 miles south-west of Plainview, near Cotton Center, a little town with 10-teacher school, two gins, two stores and two churches, all in cultivation and all in wheat and the wheat goes with the place. \$5,000 will handle this place and purchaser can pay as much more as he likes. A good wheat crop will make this land a real bargain.

I have many other bargains in land on the plains and near Munday, and am ready to show you any of it at any time. If you want to buy or sell better come to see me and I will get you just what you want.
