Gas Co. Enjoined From Collecting \$2 Re-Connect Charge

Following a conference between city officials and representatives of the Stamford and Western Gas Company last week in which the company agreed to a temporary injunction by Judge I. O. Newton of the 10th District Court restraining the company from levying this charge, and during the week the company has been making re-connections without the above charge.

The injunction will be effective until Tuesday of next week on which date a hearing will be held to determine whether or not the injunction shall be made permanent.

Methodist Pastor Closes Year's Work Here On Sunday

Sunday will mark the close of the conference year at the Methodist church, and the pastor, the Rev. John H. Crowe, will leave on Wednesday of next week for Vernon, where the annual conference will be held beginning on Thursday morning.

Funeral Services Held For Infant Son Dr. and Mrs. Roberts

Funeral services were held Wednesday afternoon for the infant son of Dr. and Mrs. E. M. Roberts. The services were conducted at the home by the Rev. John H. Crowe, pastor of the First Methodist church, after which interment was made in Johnson cemetery.

Funeral Services For W. F. Zeissel Saturday Morning

The remains of W. F. Zeissel, pioneer citizen of the Rhineland community, arrived in Munday Thursday afternoon from Palacios, Texas, where he died on Monday morning, and funeral services will be held at St. Joseph's Catholic church at Rhineland on Saturday morning with the Rev. Father P. Boniface, O. S. B., officiating.

Mrs. D. C. Osborne Succumbs to Long Illness on Monday

Mrs. D. C. Osborne died at the family home at Goree on Monday afternoon, November 2, at three o'clock after a prolonged illness, and funeral services were conducted at the Christian church at Goree Tuesday afternoon by the Rev. Bedford Smith, pastor, assisted by the Rev. Parks, pastor of the Baptist church, Rev. Johnson, pastor of the Methodist church at Goree and the Rev. John H. Crowe, pastor of the First Methodist Church of Munday.

Move to Re-Open Bank Receiving Citizens' Support

Prospects are very bright for the reopening of the First State Bank of Munday, which was closed recently. J. W. Ryan and other former officials in the bank have been working for several days both locally and elsewhere in raising capital stock for the reopening of the bank and Mr. Ryan states that prospects are very encouraging.

Child Dies In Its Mother's Arms; Family Stranded

A sad scene was enacted Sunday afternoon in the Rexall Store when Mr. and Mrs. Ray Murphy, strangers in the community, and who have been picking cotton in the Gillespie community, brought their little 20-month-old son into town for medical attention.

American Legion Will Celebrate Armistice Here

Armistice Day, Wednesday, November 11th, will be observed by Munday business houses, as has always been the custom, and will close for the day.

Funeral Services Held For Infant Son Dr. and Mrs. Roberts

Funeral services were held Wednesday afternoon for the infant son of Dr. and Mrs. E. M. Roberts. The services were conducted at the home by the Rev. John H. Crowe, pastor of the First Methodist church, after which interment was made in Johnson cemetery.

THINKING OUT LOUD

Nothing that could be done would restore confidence among our people more than the reopening of this institution.

BRUSHY NEWS

Church and Sunday School were well attended Sunday. Rev. and Mrs. J. C. Parks of Goree were with us. Rev. Parks delivered a wonderful message on "Titheing."

CARD OF THANKS

As our hearts are heavy with sorrow we turn with thankfulness to the many kind friends for their loving kindness, shown on every hand. For the many acts of kindness, the beautiful floral offering and the thoughtfulness shown by our friends, and the words of consolation we shall ever feel grateful to a degree that is beyond words to express.

CARD OF THANKS

We wish to thank the good people of Munday and the surrounding community for the many contributions to us after our house burned. May God bless and protect you.

STODGHILL-BELL

TWO Munday young people pulled a unique Hallowe'en prank on their friends and families when they, under the pretense of attending a midnight matinee at the Rexall Theatre, instead hid themselves toward New Mexico, where they were united in marriage at Clovis on Sunday afternoon.

THE young couple involved in the prank were Miss Marguerite Stodghill, daughter of Mrs. E. H. Stodghill, and Curtis Bell, son of Mr. and Mrs. Jim Bell. They were accompanied by Caz Lansford, who acted as chauffeur for the youngsters on their long journey, which required driving all night Saturday night after their departure from Munday, and until Sunday afternoon, and the long journey there and back certainly must have established a new record in endurance, as the distance covered was well over a thousand miles from their departure Saturday night until their return Monday.

ADVICE upon leaving of their departure upon to many points in Oklahoma, believing that they had headed for that state, but were unable to find any trace of them until after they were married Sunday afternoon and were enroute home.

IN addition to Caz Lansford, they were accompanied on their trip to Horace Mullins of Snyder, who joined them as they passed through that city enroute to New Mexico.

WE join the many friends of the families in wishing for them a full measure of happiness and prosperity as they journey down life's pathway together.

ARMISTICE DAY, 1931

THIRTEEN years ago, on the 11th day of November, the world, sickened with war, welcomed with rapture the news of the Armistice, signifying the end of that terrible struggle.

TODAY, it might be proper for us to wonder just how far the nations of the earth have turned from war-like impulses and military tendencies. That some progress towards peace has been made, through the League of Nations, the Kellogg-Briand Pact and other international agreements, cannot be denied by anyone cognizant of the happenings of the immediate past, but that war has been banished from the minds of men, or that it is no longer regarded as an ever-recurring threat, is not to be assumed for a minute in the light of even the most recent occurrences.

JOIN THE RED CROSS

THE annual roll call of the American Red Cross renews an opportunity to all loyal Americans, to become members of this great organization through the contributions of one dollar or more.

THAT the Red Cross is needed in the life of this nation should be apparent to any thinking citizen of Knox county, and it is hoped that our people will appreciate the worth of the organization to the extent of contributing the number of members required by the quota here.

Work Weary "NERVES"
Do they make you Restless, Cranky, Tired, Sleepless, Dyspeptic, Head-achy? Do they spoil your pleasure and interfere with your work?
Tens of thousands have found a way to get relief from over-worked nerves—a way so simple, so pleasant, so low in cost, that we are constantly receiving letters that say, "If I had only found Effervescent Nerve Tablets sooner." Simon Brandt writes: "I was very nervous from over-work. I couldn't sleep well, appetite was poor, and I felt weak for a long time."
"Used Dr. Miles' Nerve and now feel fifteen years younger and I am working the same as I did before—fourteen to fifteen hours daily."
"Sorry I did not learn about this wonderful medicine sooner as I had tried everything I could hear of, without results, until Dr. Miles' Nerve put me back on my feet."
When you are nervous, try this—put a Dr. Miles' Effervescent Nerve Tablet into a glass of water. Watch it bubble up like sparkling spring water—drink it—enjoy the feeling of calm and relaxation that follows.
In Dr. Miles' Effervescent Nerve Tablets a special formula for soothing over-taxed nerves is combined with bicarbonate of soda and citric acid which tend to correct hyper-acidity—frequent cause of nervousness.

Moguls Play Megarcel Friday
The Munday Moguls play Megarcel here, Friday. This should be a very good game because both teams are evenly matched. Since Munday was defeated by Rule 12-9 last Friday at Rule, the boys should be more determined to defeat Megarcel. Earl Nichols was unable to play in this game because of a badly injured knee which he received in the Rule game.
Chancey Hobert was the outstanding ground galmer in the Rule game, while Nichols, Thompson, Hobert, Parks, and Cure were the best on defense.
Undivided support helps any team, and since the game Friday will be here, let's all go and help the Moguls defeat Megarcel.

Introducing of Our New Teachers
Miss Pauline Chappel is the only new teacher that we have in the high school faculty this year. She is the Spanish and typing teacher and she, also, teaches a course in history.
Miss Chappel finished high school at Christoval and attended college at A. C. C. This is the first year she has taught in the public schools, but she has had experience in private coaching.
While in college, Miss Chappel was librarian and she will have charge of our high school library this year. She has introduced an entirely new system of library management, and it has proved to be much better than the methods formerly used.
We are hoping Miss Chappel will like us as students as well as we like her as a teacher.

VARIOUS CLUBS ORGANIZED
The Pep Squad
The pep squad, which is composed of about twenty-five members, has been organized and has been "rooting" for the team since the beginning of school. Maxine Newsom and Eleanor Jungman were chosen as leaders, and they are certainly good because they are so "full of vim and pep." For the past few years Mrs. Palmer has been coaching the girls, and we are glad to have her leave us. The girls whose Miss Chappel to take her place, and she has proved her ability by her ready efforts in helping in every way, and co-operating with the girls.
Beat Megarcel, boys the pep squad is behind you!!

THE ENGLISH CLUB
The English Club, composed of all the students of Munday High School, held its first meeting on Tuesday morning, October 27, 1931, in the study hall of the Munday High School building at the time of the regular club period.
Miss Watson, teacher of English in High School, and organizer of the English Club, told us what this club is supposed to do and some of the things it hopes to do during this school year. Some of the things were to sponsor "A Good English Week", "A Good Book Week", and to give helpful programs at every club meeting. She

THE CHORAL CLUB
There are twenty members in the Choral Club this year which seems to be about as many that were on roll last year.
The officers of the Choral Club are: Ida McMahan, president; Mavoureen Reeves, vice-president; Ruth Rice, secretary; and roll checker.
The Choral Club sang several numbers in assembly program last Friday. Their singing was enjoyed and we hope to hear them often during the year.
Mrs. Ingram, who has charge of the club, makes it educational as well as entertaining.

THE SENIORS
As everyone in high school must surely have noticed the Seniors of Munday High have started off this school year like live wires. And folks, let me tell you, we mean to keep on going this way. We are going to make this year a happy remembrance for all. There are only sixteen of us and we may be least, but we're not going to be last! All of us are more than loyal to this class. We've got the right spirit and we're going to keep it! Seniors 1931-32 of Munday High

School!
We held our first Home Room Meeting last week. This club, which meets every two weeks, is composed of all the seniors. We merely organized the club this time, but programs will be presented in the following meetings. The following officers were elected: Eleanor Jungman, president; Dorothy Matlock, vice-president; and Frances McCord, secretary-treasurer. Maxine Newsom and Jeanette Campbell have charge of the programs and their aim is to have an interesting and helpful program every meeting, and we know they will. We're going to enjoy these meetings.

SOPHOMORES
Well folks, here we are again! At a recent class meeting our class officers were elected. Our president is Jerry Kithley, vice-president is Jerry Kithley; vice-president is Jerry Kithley; secretary-treasurer, Virginia Atkinson.
Last year we had home room programs. This practice was found to be profitable and beneficial to all students involved, so we have organized and elected officers for our home room programs this year. The president is Earl Nichols; vice-president, Virginia Atkinson; and secretary-treasurer, Hazel Clough.
The Sophomore English class has organized an English club. This club meets on Thursday. At our last meeting we had oral composition. Hazel Clough is president;

HOME ECONOMICS CLUB
The Home Economics Club had its first meeting last Wednesday, October 28, during assembly period. We elected our new officers. Dorothy Matlock, our president last year, presided until our new president was elected. The following officers were elected: Ruth Rice, president; Inez Campbell, vice-president; Maxine Newsom, secretary; Frances McCord, treasurer; Billie True Hill, reporter; Mavoureen Reeves, parliamentarian.
The social and program committees were selected by the president. Our club colors are yellow and white. Our motto is the same one we had last year, "As our girlhood is now, so shall our womanhood be."
We are going to have a meeting every other week, and we hope to have some enjoyable times throughout the year.
A party is being planned for next night. Everyone that does not come will miss a good time, for we are going to initiate the new members.

THE CHORAL CLUB

and we know that she will be a good one. In our first home room meeting the following officers were elected: Vincent Lane, president; Bill King, vice-president; and Marvin Myers, secretary-treasurer.
A portion of the junior class presented a very entertaining program at assembly period, Friday. Caz Lansford and his "fiddle" was an outstanding feature. Other entertainment was furnished by the choral club girls and by Joe McMahon.

JUNIORS
Saturday night the Junior class was delightfully entertained at the home of Mary Fritz. After many games were played, delicious refreshments were served, and everyone reported a very enjoyable time.
The Juniors have elected Mrs. J. C. Campbell for room sponsor.

for Better Cookery . . .
If you were offered better meals, cooked in but a fraction of the time now required, and assurance that your foods would be always of the same delicious perfection—you'd insist on an immediate realization of this ideal, at any cost, wouldn't you?
Here's a way you can have all these important advantages—and actually save money! Are you interested?
Then, drop in at the Merchandise Showroom and ask a Trained Representative to explain the many superiorities of the new Electric Ranges. You'll marvel at the automatic features that give you hundreds of leisure hours each year . . . you'll appreciate the controlled heat that enables you to bring all your meals to the same delicious completion . . . you'll enjoy the prospect of clean electric heat that eliminates all scrubbing of soot from pots, pans, walls and ceilings. With all these important advantages—plus the fact that modern Electric Cookery will save money for you each month—shouldn't you install your range without delay?

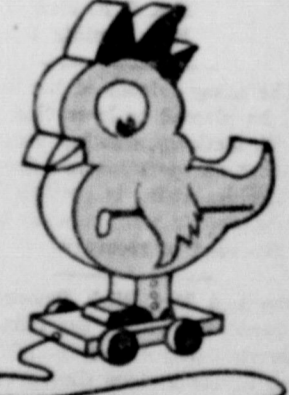

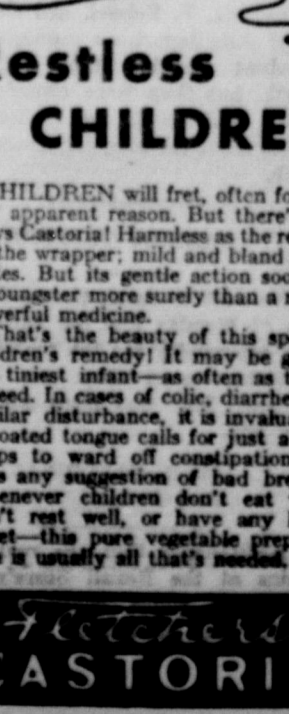

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule . . . and adds only a small amount to your total bill?

Restless CHILDREN
CHILDREN will fret, often for no apparent reason. But there's always Castoria! Harmless as the recipe on the wrapper; mild and bland as it tastes. But its gentle action soothes a youngster more surely than a more powerful medicine.
That's the beauty of this special children's remedy! It may be given the tiniest infant—as often as there is need. In cases of colic, diarrhea or similar disturbance, it is invaluable. A coated tongue calls for just a few drops to ward off constipation; so does any suggestion of bad breath.
Whenever children don't eat well, don't rest well, or have any little upset—this pure vegetable preparation is usually all that's needed.

THE PUBLIC AND THE UTILITIES

Much has been written in the public press during recent months with reference to the regulation of utilities. The gas companies seem to have come in for a major portion of the resentment against public utilities. The telephone companies in some localities are being hounded by an indignant public, while in some localities electric light and power concerns are the center of attack.

During recent years many localities controlled utilities have been merged with large corporations, and almost invariably these mergers have re-acted in a measure against the smaller towns, and have not proven beneficial to many of the larger cities.

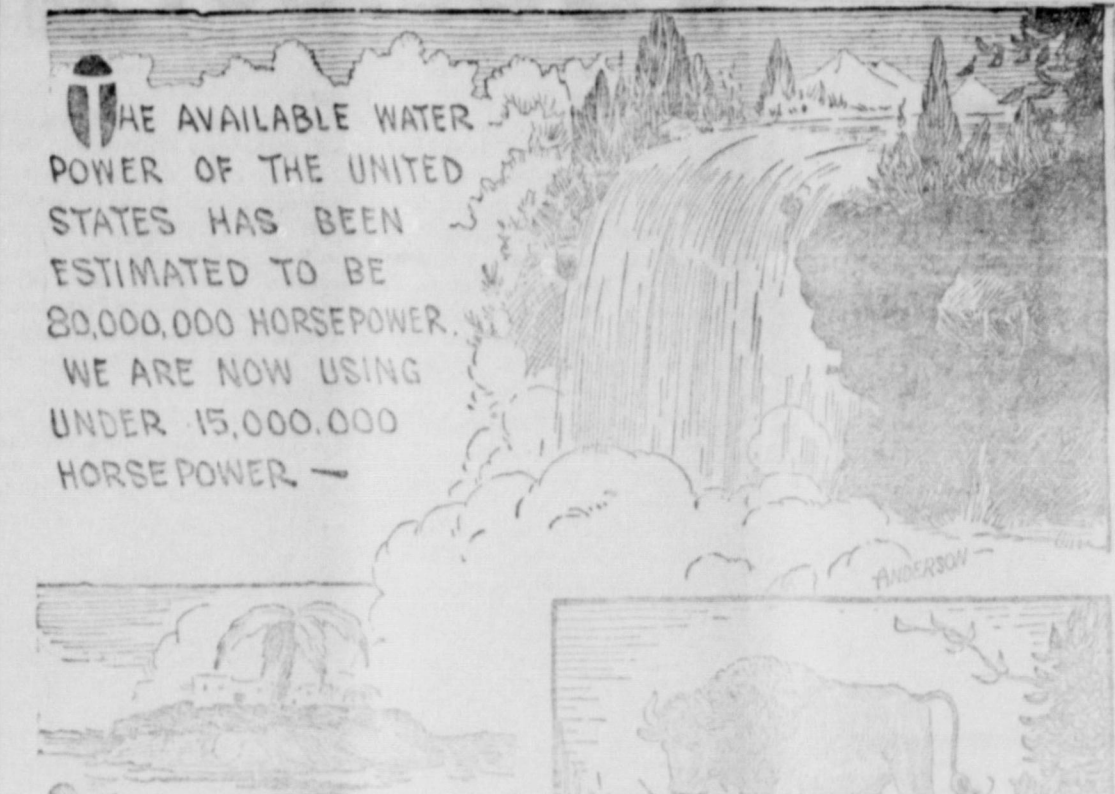

We recently read a reprinted editorial by Ralph Shuffler of the Odessa News in which he made a plea for a fair deal for the utilities. He points out the unfairness of fixing utility rates without an investigation as to investment and operating costs. Most every right-thinking person will agree with Mr. Shuffler that this is, in fact, but when there is no other alternative, when investigations are blocked by the utility interests themselves, how is it possible to make these investigations? When the utilities interests maintain a certain set of valuations upon which to base their revenues, and still another—and altogether lower valuation figures filled with the local tax assessor upon which to base taxation, how is the public to know which set of figures are correct? In forming their combines the

utilities have overlooked, or at least many of them have, the necessity of maintaining a certain amount of local contact with the people. We can, and will, point out some of the glaring examples.

Recently we are told by a local man who deals in automobile batteries that the local telephone company, which is now controlled by the local telephone company maintains a system here that is so antiquated that the natives must instruct visitors to our city in their usage. They simply must be "cranked" before they can be used. And with this antiquated equipment it is amazing that the local operators can give the service that they do. In fact, the service rendered is a tribute to their efficiency and patience.

But, let us remember that all utilities have not forgotten the importance of maintaining that local contact and interest in the communities served. We point with pride to one of our utilities—the West Texas Utilities Company. This company, large as it is, maintains a policy of purchasing all supplies available in the towns served. Each month Munday merchants have merchandise orders on the company, and when they pay their electric bills they pay the utility company. In all of their customers. In all of the larger towns this company has built creditable office buildings, which are usually the beauty spots in the individual towns. They maintain local units in all towns of sufficient size in their entire properties, and their pay roll is over two million dollars annually in this section of West Texas in which they operate, and they pay hundreds of thousands of dollars in taxes on the local investments. They could easily have concentrated their investment in Abilene or some central point and have rented small quarters in Munday and other towns from which they could carry on their local business, but they have from the beginning adopted a policy of being fair toward their patrons, and certainly their patrons should be, and generally are, fair toward them.

Odd—But True

THE AVAILABLE WATER POWER OF THE UNITED STATES HAS BEEN ESTIMATED TO BE 80,000,000 HORSEPOWER. WE ARE NOW USING UNDER 15,000,000 HORSEPOWER.

TWENTY-TWO YEARS AGO MEXICO AND FRANCE ASKED THE KING OF ITALY, VICTOR EMANUEL TO SETTLE A DISPUTE OVER THE OWNERSHIP OF A SMALL ISLAND, CLIPPERTON ROCK, 800 MILES OFF THE WEST COAST OF MEXICO. HIS DECISION WAS REACHED IN 1931, GIVING THE ISLAND TO FRANCE.

THE EUROCHS, THE EUROPEAN BISON, IS NOW PRACTICALLY EXTINCT. THERE ARE ONLY ABOUT 50 OF THEM LEFT IN THE ZOOS OF EUROPE—PREHISTORIC MAN USED THE FORESKIN OF THIS ANIMAL AS HIS MILCH COW.

New the policy of the Big Boys is different. If Munday is ever to have a new directory its business men must sign advertising contracts to pay the company a monthly rental on space in said directory, which revenue would not only pay for the directory, but would give the telephone company a net profit on the directory of several hundred dollars per year. Munday business men have so far refused to meet this demand of the company, and it is likely that Munday patrons of the company will continue for some time to use the tattered directories we have, which were printed back in March 1929—more than two and one-half years ago.

And while we are discussing this question of being fair to the utilities, let us mention the fact that the local telephone company maintains a system here that is so antiquated that the natives must instruct visitors to our city in their usage. They simply must be "cranked" before they can be used. And with this antiquated equipment it is amazing that the local operators can give the service that they do. In fact, the service rendered is a tribute to their efficiency and patience.

SHERIFF'S SALE.
THE STATE OF TEXAS,
County of Knox.

NOTICE IS HEREBY GIVEN That by virtue of a certain Execution issued out of the Honorable District Court of Knox County, on the 21st day of October, 1931, by Roy Phillips, Clerk of said Court for the sum of Six Hundred Sixty Nine and 73-100 Dollars, and costs of suit, under a Judgment, in favor of W. B. Smith, vs. M. G. Mix, and placed in my hands for service, I, C. R. Elliott as Sheriff of Knox County, Texas, did, on the 26th day of October, 1931, levy on certain Real Estate, situated in Knox County, Texas, described as follows, to wit:

All the right, title and interest of the defendant G. J. Zeissel in and to 320 acres of land in the D. G. Burnett Survey, No. 13, Abstract No. 16, being sub-survey No. 6 and 8; also 100 acres of land out of the D. G. Burnett Survey No. 12, Abstract No. 17, being sub-survey or block No. 5, Abstract No. 15, being sub-survey or block No. 5; also 100 acres of land out of the D. G. Burnett Survey No. 15, Abstract No. 18, being sub-survey or block No. 4; Also lots 19 and 20, Block 3 of the City of Goree in Knox County, Texas, all of said lands now standing in record in the name of W. F. Zeissel, and levied upon as the property of G. J. Zeissel, and that on the first Tuesday in December 1931, the same being the 1st day of said month, at the Court House door, of Knox County, in the City of Benjamin, Texas, between the hours of 10 A. M. and 4 P. M., by virtue of said levy and said Execution, I will offer for sale and sell at public vendue, for cash, to the highest bidder, all the right, title and interest of the said G. J. Zeissel in and to said property.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Munday Times, a newspaper published in Knox Co. Witness my hand, this 26th day of October, 1931.

C. R. ELLIOTT, Sheriff, Knox County, Texas.

POISON in Your bowels!

Poisons absorbed into the system from souring waste in the bowels, cause that dull, headachy, sluggish, bilious condition; coat the tongue; foul the breath; sap energy, strength and nerve-force. A little of Dr. Caldwell's Syrup Pepsin will clear up trouble like that, gently, harmlessly, in a hurry. The difference it will make in your feelings over night will prove its merit to you.

Dr. Caldwell studied constipation for over forty-seven years. His long experience enabled him to make his prescription just what men, women, old people and children need to make their bowels help themselves. Its natural, mild, thorough action and its pleasant taste commend it to everyone. That's why "Dr. Caldwell's Syrup Pepsin," as it is called, is the most popular laxative druggists sell.

der, all the right, title and interest of the said M. G. Mix, in and to said property.
And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Munday Times, a newspaper published in Knox County.
Witness my hand, this 4th day of November, 1931.

P. T. A. Enjoys Interesting Program
 The Munday Parent-Teacher Association met Wednesday, Oct. 28, at the High school building. The meeting was opened by prayer by Mrs. O. F. Greer, president. Mrs. F. L. Decker reported for the Executive committee that Mrs. John Lane was appointed treasurer and Mrs. Riley E. Harrell secretary. The Home Mothers were also appointed.

Mrs. Wm. P. Farrington reported on the clinic work for the summer. We should feel very grateful toward all who have helped with this clinic work during the summer.
 Mrs. H. F. Barnes made a motion that the Munday P. T. A. vote for the County P. T. A. to unit with the County Federation of Clubs. They voted to do this as the work of the two organizations are very similar. It is hoped that the other P. T. A's. of the county will likewise.

It was again voted to stress the Sunday school attendance work and to offer a prize for Sunday school attendance in the grade school.
 Mrs. Fred Warren reported on the County P. T. A. meeting. Sept. 11 H. H. Riley stated that he would be glad for the Home Mothers to visit his school to meet with the class in the play up of any social work.

Mrs. M. H. Reeves gave a very interesting talk on relationship of P. T. A. to School. Mrs. B. L. Blacklock talked on "What We Should Know About I. B. Miss Clifford talked on Nutrition.

If you missed this program you surely have reason to regret it. Come to the next meeting. Your town needs to have a good P. T. A. this year more than ever before. Are you doing your part to make it one?
